殷郊有意歸周主，只怕蒼天不可從。殷郊正行，嘍囉報：「啟千歲：有一道人騎虎而來，要見千歲。」殷郊聞報，忙吩咐左右旗門官：令：「安下人馬，請來相見。」道人下虎進帳。殷郊忙迎將下來打躬，口稱：「老師從何而來？」道人曰：「吾乃崑崙門下申公豹是也。殿下往那裏去？」殷郊曰：「吾奉師命，往西岐投拜姬周，姜師叔不久拜將，助他伐紂。」道人笑曰：「我問你，紂王是你甚麼人？」殷郊答曰：「是吾父王。」道人曰：「恰又來！世間那有子助外人而伐父之理！此乃亂倫忤逆之說。你父不久龍歸滄海，你原是東宮，自當接成湯之胤，位九五之尊，承帝王之統，豈有反助他人，滅自己社稷，毀自己宗廟，此亙古所未聞者也。且你異日，百年之後，將何面目見成湯諸君於在天之靈哉！我見你身藏奇寶，可安天下；形象可定乾坤，當從吾言，可保自己天下，以誅無道周武，是為長策。」殷郊答曰：「老師之言雖是，奈天數已定，吾父無道，天命人心已離，周主當興，吾何敢逆天哉！況姜子牙有將相之才，仁德數布於天下，諸侯無不響應。我老師曾吩咐我下山助姜師叔東進五關，吾何敢有背師言，此事斷難從命。」申公豹暗想：「此言犯不動他，也罷，再犯他一場，看他如何。」申公豹又曰：「殷殿下，你言姜尚有德，他的德在那裏？」殷郊曰：「姜子牙為人公平正直，禮賢下士，仁義慈祥，乃良心君子，道德丈夫，天下服從，何得小視他。」申公豹曰：「殿下有所不知。吾聞有德不滅人之彝倫，不戕人之天性，不妄殺無辜，不矜功自伐。殿下之父親固得罪於天下，可與為讎；殿下之胞弟殷洪，聞說他也下山助周，豈意他欲邀己功，竟將殿下親弟用太極圖化成飛灰，此還是有德之人做的事，無德之人做的事？今殿下忘手足而事讎敵，吾為殿下不取也。」殷郊聞言大驚曰：「老師，此事可真？」道人曰：「天下盡知，難道吾有誑語。實對你說，如今張山現在西岐住割人馬，你只問他。如果殷洪無此事，你再進西岐不遲；如有此事，你當為弟報讎。我今與你再請一高人，來助你一臂之力。」申公豹跨虎而去。殷郊甚是疑惑，只得把人馬催動，逕往西岐。殷郊一路上沉吟思想：「吾弟與天下無

讎，如何將他如此處治，必無此事。若是姜子牙將吾弟果然如此，我與姜尚誓不兩立，必定為弟報讎，再圖別議。」人馬在路，非止一日，來至西岐，果然有一支人馬打商湯旗號在此住剗。殷郊令溫良前去營裏去問：「果是張山否？」話說張山自羽翼仙當晚去後，兩日不見回來；差人打聽，不得實信。正納悶間，忽軍政官來報：「營外有一大將，口稱『請元帥接千歲大駕』，不知何故？請元帥定奪。」張山聞報，不知其故，沉思：「殿下久已身亡，此處是那裏來的？」忙傳令：「令來！」軍政官出營對來將曰：「元帥令將軍相見。」溫良進營來見張山，打躬。張山問曰：「將軍自何處而來？有何見諭？」溫良答曰：「吾奉殷郊千歲令旨，令將軍相見。」張山對李錦曰：「殿下久已身亡，如何此處反有殿下？」李錦在傍曰：「只恐是真。元戎可往相見，看其真偽，再做區處。」張山從其言，同李錦出營，來至軍前。溫良先進營回話，對殷郊曰：「張山到了。」殷郊曰：「令來。」張山進營，見殷郊三首六臂，像貌凶惡，左右立溫良、馬善，都是三隻眼。張山問曰：「啟殿下！是成湯那枝宗派？」殷郊曰：「吾乃當今長殿下殷郊是也。」因將前事訴說一番，張山聞言，不覺大悅，忙行禮，口稱：「千歲。」殷郊曰：「你可知道二殿下殷洪的事？」張山答曰：「二千歲因伐西岐，被姜尚用太極圖化作飛灰多日矣。」殷郊聽罷，大叫一聲，昏倒在地。眾人扶起。放聲大哭曰：「兄弟果死於惡人之手！」躍身而起，將令箭一枝折為兩段，曰：「若不殺姜尚，誓與此箭相同！」次日，殷郊親自出馬，坐名只要姜尚出來。報馬報入城中，進相府報曰：「城外有殷郊殿下請丞相答話。」子牙傳令：「軍士排隊伍出城。」砲聲響處，西岐門開，一對對英雄似虎，一雙雙戰馬如飛，左右列各洞門人。子牙見對營門一人，三首六臂，青面獠牙；左右二騎乃溫良、馬善，各持兵器。哪吒暗笑：「三人九隻眼，多了個半人！」殷郊走馬至軍前，叫：「姜尚出來見我！」子牙向前曰：「來者何人？」殷郊大喝曰：「吾乃長殿下殷郊是也！你將吾弟殷洪用太極圖化作飛灰，此恨如何消歇？」子牙不知其中緣故，應聲曰：「彼自取死，與我何干。」殷郊聽罷，大叫一聲，幾乎氣絕，大怒曰：「好匹夫！尚說與你無干！」縱馬搖戟來取。傍有哪吒登開風火輪，將火尖鎗直取殷郊。輪馬相交，未及數合，被殷郊一番天印把哪吒打下風火輪來。黃天化見哪吒失機，催開了玉麒麟，使兩柄銀鎚，敵住了殷郊。子牙左右救回哪吒。黃天化不知殷郊有落魂鐘。殷郊搖動了鐘；黃天化坐不住鞍轡，跌將下來。張山走馬將黃天化拿了。及至上了繩索，黃天化方知被捉。黃飛虎見子被擒，催開五色神牛來戰。殷郊也不答話，鎗戟併舉；又戰數合，搖動落魂鐘，黃飛虎也撞下神牛，早被馬善、溫良捉去。楊戩在傍見殷郊祭番天印、搖落魂鐘，恐傷了子牙，不當穩便，忙鳴金收回隊伍。子牙忙令

軍士進城，坐在殿上納悶。楊戩上殿奏曰：「師叔，如今又是一場古怪事出來！」子牙曰：「有甚古怪？」楊戩曰：「弟子看殷郊打哪吒的是番天印；此寶乃廣成子師伯的，如何反把於殷郊？」子牙曰：「難道廣成子使他來伐我？」楊戩曰：「殷洪之故事，師叔獨忘之乎？」子牙方悟。

且說殷郊將黃家父子拿至中軍。黃飛虎細觀不是殷郊。殷郊問曰：「你是何人？」黃飛虎曰：「吾乃武成王黃飛虎是也。」殷郊曰：「西岐也有武成王黃飛虎？」張山在傍坐，欠身答曰：「此就是天子殿前黃飛虎；他反了五關，投歸周武，為此叛逆，惹下刀兵；今已被擒，正所謂『天網恢恢，疏而不漏』，是彼自取死耳。」殷郊聞言，忙下帳來，親解其索，口稱：「恩人，昔日若非將軍，焉能保其今日。」忙問飛虎曰：「此人是誰？」黃飛虎答曰：「此吾長子黃天化。」殷郊急傳令也放了；因對飛虎曰：「昔日將軍救吾兄弟二人；今日我放你父子，以報前德。」黃飛虎感謝畢，因問曰：「千歲當時風刮去，卻在何處？」殷郊不肯說出根本，恐泄了機密，乃朦朧應曰：「當日乃海島仙家救我，在山學業；今特下山，來報吾弟之仇。今日吾已報過將軍大德，倘後見戰，幸為迴避。如再被擒，必正國法。」黃家父子告辭出營，至城下叫門。把門軍官見是黃家父子，忙開城門放入。父子進相府來見子牙，盡言其事。子牙大喜。次日，探馬來報：「有將請戰。」子牙問：「誰人去走一遭？」傍有鄧九公願往。子牙許之。鄧九公領令出府，上馬提刀，開放城門；見一將白馬長鎗，穿淡黃袍。怎見得：

戴一頂扇雲冠，光芒四射；黃花袍，紫氣盤旋；銀葉甲，輝煌燦爛；三股條，身後交加；白龍馬追風趕日；杵臼鎗大蟒頑蛇。修行在仙山洞府，成道行有正無邪。

話說鄧九公大呼曰：「來者何人？」馬善曰：「吾乃大將馬善是也。」鄧九公也不通名姓，縱馬舞刀，飛來直取。馬善鎗劈面相迎。兩馬往還，戰有十二三回合，鄧九公刀法如神，馬善敵不住，被鄧九公閃一刀逼開了馬善的鎗，抓住腰間條袍，拎過鞍轡，往下一摔，生擒進城，至相府來見子牙。子牙問曰：「將軍勝負如何？」九公曰：「擒了一將，名喚馬善；令在府前，候丞相將令。」子牙命：「推來。」少時，將馬善推至殿前。那人全不畏懼，立而不跪。子牙曰：「既已被擒，何不屈膝？」馬善大笑，罵曰：「老匹夫！你乃叛國逆賊。吾既被擒，要殺就殺，何必多言！」子牙大怒，令：「推出府斬訖報來！」南宮适為監斬官，推至府前，只見行刑箭出，南宮适手起一刀，猶如削菜一般。正是：

鋼刀隨過隨時長，如同切水一般同。

子牙隨帶韋護、哪吒，調三千人馬，離了汜水關，一路上滾滾征塵，重重殺氣。非止一日，來到佳夢關安營，不見洪錦的行營。子牙陞帳坐下。半晌，洪錦打聽子牙兵來，夫妻方移營至轅門聽令。子牙把洪錦令入中軍。夫妻上帳請罪，備言失機折軍之事。子牙曰：「身為大將，受命遠征，須當見機而作，如何造次進兵，致有此一場大敗！」洪錦啟曰：「起先俱得全功，不意一道姑名曰火靈聖母，有一塊金霞，方圓有十餘丈罩住他；未將看他不見，他反看得見我。又有三千火龍兵，似一座火焰山一擁而來，勢不可當；軍士見者先走，故此失機。」子牙聽罷，心下甚是疑惑：「此又是左道之術。」正思量破敵之計。

且說火靈聖母在關內連日打探洪錦不見抵關。只見這一日報馬報入城來，報：「姜子牙親提兵至此。」火靈聖母曰：「今日姜尚自來，也不負我下山一場。我必親會他，方纔甘心。」別了胡升，忙上金眼駝，暗帶火龍兵出關，至大營前，坐名要子牙答話。報馬報入中軍：「稟元帥：火靈聖母坐名請元帥答話。」子牙便帶了眾將佐，點砲出營。火靈聖母大呼曰：「來者可是姜子牙麼？」子牙答曰：「道友，不才便是。道友，你既在道門，便知天命。今紂惡貫盈，天下共怒，天下諸侯，大會孟津，觀政於商，你何得助紂為虐，逆天行事，獨不思得罪於天耶！況吾非一己之私，奉玉虛符命，以恭行天之罰，道友又何必逆天強為之哉。不若聽吾之言，倒戈納降，吾亦體上天好生之仁，決不肯廢爛其民也。」火靈聖母笑曰：「你不過仗那一番惑世誣民之談，愚昧下民。料你不過一釣叟，貪功網利，鼓弄愚民，以為己功，怎敢言應天順人之舉。且你有多大道行，自恃其能哉！」催開金眼駝，仗劍來取。子牙手中劍火速忙迎。左有哪吒，登開風火輪，使開火尖鎗，劈胸就刺；韋護持降魔杵，掉步飛騰；三人戰住聖母。正是：

大蟒逞威噴紫霧，蛟龍奮勇吐光輝。

火靈聖母那裏經得起三人惡戰，鎗杵環攻，抽身回走，用劍挑開淡黃袱，金霞冠放出金光，約有十餘丈遠近。子牙看不見火靈聖母，聖母提劍把子牙前胸一劍。子牙又無鎧甲抵擋，竟砍開皮肉，血濺衣襟，撥轉四不相望西逃走。火靈聖母大呼曰：「姜子牙！今番難逃此厄也！」三千火龍兵一齊在火光中吶喊。只見大轅門金蛇亂攪，圍子內個個遭殃，火焰沖於霄漢，赤光燒盡旌旗；一會家副將不能顧主將。正是：刀砍屍體滿地，火燒人臭難聞。

且言火靈聖母趕子牙，又趕至無躲無閃之處，前走的一似猛弩離弦；後趕的好似飛雲掣電。子牙一來年紀高大，劍傷又疼，被火靈聖母把金眼駝趕到至緊至急之處，不得相離。子牙正在危迫之間，又被火靈聖母取出一個混元鎚望子牙背上打來，正中子牙後心，翻觔斗，跌下四不相去了。火靈聖母下了金眼駝，來取子牙首級。只聽得一人作歌而來：

「一徑松竹籬扉，兩葉煙霞窗戶。三卷『黃庭』，四季花開處。新詩信手書，丹爐自己扶。垂綸菱浦，散步溪山處。坐向蒲團調動離龍

虎。功夫，披塵遠世途，狂呼，嘯傲兔和烏。」

話說火靈聖母方去取子牙首級，只見廣成子作歌而至。火靈聖母認得是廣成子，大呼曰：「廣成子！你不該來！」廣成子曰：「吾奉玉虛符命，在此等你多時矣！」火靈聖母大怒，仗劍砍來。這一個輕移道步，那一個急轉麻鞋，劍來劍架，劍鋒斜刺一團花，劍去劍迎，腦後千團寒霧滾。火靈聖母把金霞冠現出金光來；他不知廣成子內穿著掃霞衣，將金霞冠的金光一掃全無。火靈聖母大怒曰：「敢破吾法寶，怎肯干休！」氣噁噁的仗劍來砍，惡恨恨的火焰飛騰，便來戰廣成子。廣成子是犯戒之仙，他如今還存甚麼念頭？忙取番天印祭在空中。正是：

聖母若逢番天印，道行千年付水流。

話說廣成子將番天印祭起在空中，落將下來，火靈聖母那裏躲得及，正中頂門，可憐打的腦漿迸出，一一靈也往封神臺去了。廣成子收了番天印，將火靈聖母的金霞冠也收了，忙下山頭，澗中取了水，葫蘆中取了丹藥，扶起子牙，把頭放在膝上，把丹藥灌入子牙口中，下了十二重樓。有一個時辰，子牙睜開二目，見廣成子，子牙曰：「若非道兄相救，姜尚必無再生之理。」廣成子曰：「吾奉師命，在此等候多時。你該有此厄。」把子牙扶上四不相，廣成子曰：「子牙前途保重！」子牙深謝廣成子：

「難為道兄救吾殘喘，銘刻難忘！」廣成子曰：「我如今去碧遊宮繳金霞冠去。」

子牙別了廣成子，回佳夢關來。正行之際，忽然一陣風來，甚是利害，只見摧林拔樹，攪海翻江。子牙曰：「好怪！此風如同虎至一般！」話未了時，果然見申公豹跨虎而來。子牙曰：「狹路相逢這惡人，如何是好！也罷，我躲了他罷。」子牙把四不相一兜，欲隱於茂林之中，不意申公豹先看見了子牙，申公豹大呼曰：「姜子牙！你不必躲，我已看見你了！」子牙只得強打精神，上前稽首，子牙曰：「賢弟那裏來？」申公豹笑曰：「特來會你。姜子牙，你今日也還同南極仙翁在一處不好，如今一般也有單自一個撞著我！料你今日不能脫吾之手！」子牙曰：「兄弟，我與你無仇，你何事這等惱我？」申公豹曰：「你不記得在崑崙，你倚南極仙翁之勢，全無好眼相看。先叫你，你只是不睬；後又同南極仙翁辱我，又叫白鶴童兒銜我的頭去，指望害我。這是殺人冤仇，還說沒有！你今日金臺拜將，要伐罪弔民，只怕你不能兵進五關，先當死於此地也！」把寶劍照子牙砍來。子牙手中劍架住，曰：「兄弟，你真乃薄惡之人。我與你同一師尊門下，抵足四十年，何無一點情意！及至我上崑崙，你將幻術愚我，那時南極仙翁叫白鶴童兒難你，是我再三解釋，你倒不思量報本，反以為仇，你真是無情無義之人也。」申公豹大怒：「你二人商議害我，今又巧語花言，希圖饒你。……」說未了，又是一劍。子牙大怒：「申公豹！吾讓你，非是怕你，恐後人言我姜子牙不存仁義，也與你一般。你如何欺我太甚！」將手中劍來戰申公豹。大抵子牙傷痕纔愈，如何敵得過申公豹。只見子牙前心牽扯，後心疼痛，撥轉四不相，望東就走。申公豹虎踏風雲，趕來甚緊。正是子牙：

方纔脫卻天羅難，又撞冤家地網來。

話說申公豹趕上子牙，打一開天珠來，正中子牙後心。子牙坐不住四不相，滾下鞍轡。申公豹方下虎來欲害子牙，不防山坡下坐著夾龍山飛龍洞懼留孫道人，一他也是奉玉虛之命在此等候申公豹的，一乃大呼曰：「申公豹少得無禮！我在此！我在此！」連叫兩聲。申公豹回頭看見懼留孫，吃了一驚。他知道懼留孫利害，自思：「不好！」便欲抽身上虎而走。懼留孫笑曰：「不要走！」手中急祭網仙繩，將申公豹網了。懼留孫吩咐黃巾力士曰：「與我拿至麒麟崖去，等吾來發落。」黃巾力士領法旨去訖。

且說懼留孫下山，挽扶子牙，靠石倚松，少坐片時；又取粒丹藥服之，方纔復舊。子牙曰：「多感道兄救我！傷痕未好，又打了一珠，也是吾七死三災之厄耳。」子牙辭了懼留孫，上了四不相，回佳夢關。不表。

且說懼留孫縱金光法往玉虛宮來，行至麒麟崖，見黃巾力士等候。懼留孫行至宮門前，少時，見一對提幡，一對提爐，兩行羽扇分開。怎見得元始天尊出玉虛宮光景，有詩為證：

鴻蒙初判有聲名，煉得先天聚五行。頂上三花朝北闕，胸中五氣透南溟。群仙隊裏稱元始，玄妙門庭話未生。漫道香花隨輦轂，滄桑萬劫壽同庚。

話說懼留孫見掌教師尊出玉虛宮來，俯伏道傍，口稱：「老師萬壽！」元始天尊曰：「好了！你們也撥開雲霧，不久返本還元。」懼留孫曰：「奉老師法旨，將申公豹拿至麒麟崖，聽候發落。」元始聽說，來至麒麟崖，見申公豹捉在那裏。元始曰：「業障！姜尚與你何仇，你邀三山五岳人去伐西岐？今日天數皆完，你還在中途害他，若不是我預為之計，幾乎被你害了。如今封神一切事體要他與我代理，應合佐周；你如今只要害他，使武王不能前進。」命黃巾力士：「揭起麒麟崖，將這業障壓在此間，待姜尚封過神再放他！」一看官：元始天尊豈不知道要此人收聚「封神榜」上三百六十五位正神，故假此難他，恐他又起波瀾耳。黃巾力士來拿申公豹要壓在崖下。申公豹口稱：「冤枉！」元始曰：「你明明的要害姜尚，何言冤枉？也罷，我如今把你壓了，你說我偏向姜尚；你如再阻姜尚，你發一個誓來。」申公豹發一個誓願，只當口頭言語，不知出口有願。公豹曰：「弟子如再要使仙家阻當姜尚，弟子將身子塞了北海眼！」元始曰：「是了。放他去罷。」申公豹脫了此厄而去，懼留孫也拜辭去了。

且說廣成子打死了火靈聖母，逕往碧遊宮來。這個原是截教教主所居之地。廣成子來至宮前。好所在！怎見得，有賦為證：

煙霞凝瑞靄，日月吐祥光。老柏青青與山嵐，似秋水長天一色；野卉緋緋回朝霞，如碧桃丹杏齊芳。彩色盤旋。盡是道德光華飛紫霧；香煙縹緲，皆從先天無極吐清芬。仙桃仙果，顆顆恍若金丹；綠楊綠柳，條條渾如玉線。時聞黃鶴鳴皋，每見青鸞翔舞。紅塵絕跡，無非是仙子仙童來往；玉戶常關，不許那凡夫俗女閑窺。正是：無上至尊行樂地，其中妙

境少人知。

話說廣成子來至碧遊宮外，站立多時。裏邊開講「道德玉文」。少時，有一童子出來。廣成子曰：「那童子，煩你通報一聲，宮外有廣成子求見老爺。」童兒進宮，至九龍沉香輦下稟曰：「啟老爺：外有廣成子至宮外，不敢擅入，請法旨定奪。」通天教主曰：「著他進來。」廣成子至裏邊，倒身下拜：「弟子願師叔萬壽無疆！」通天教主曰：「廣成子，你今日至此，有何事見我？」廣成子將金霞冠奉上：「弟子啟師叔：今有姜尚東征，兵至佳夢關，此是武王應天順人，弔民伐罪，紂惡貫盈，理當剿滅。不意師叔教下門人火靈聖母仗此金霞冠，前來阻逆大兵，擅行殺害生靈，糜爛士卒：頭一陣劍傷洪錦併龍吉公主；第二陣又傷姜尚，幾乎喪命。弟子奉師尊之命，下山再三勸慰。彼仍恃寶行兇，欲傷弟子。弟子不得已，用了番天印，不意打中頂門，以絕生命。弟子特將金霞冠繳上碧遊宮，請師叔法旨。」通天教主曰：「吾三教共議封神，其中有忠臣義士上榜者；有不成仙道而成神道者；各有深淺厚薄，彼此緣分，故神有尊卑，死有先後。吾教下也有許多。此是天數，非同小可，況有彌封，只至死後方知端的。廣成子，你與姜尚說，他有打神鞭，如有我教下門人阻他者，任憑他打。前日我有諭貼在宮外，諸弟子各宜緊守，他若不聽教訓的，是自取咎，與姜尚無干。廣成子去罷！」廣成子出了碧遊宮，正行，只見諸大弟子在傍聽見掌教師尊吩咐「凡吾教下弟子不遵訓誨，任憑他打」，眾弟子心下甚是不服，俱在宮外等他。傍邊有最不忿的是金靈聖母、當時聖母，對眾言曰：「火靈聖母是多寶道人門下，廣成子打死了他，就是打我等一樣。他還來繳金霞冠，明明是欺讎吾教！我等師尊又不察其事，反吩咐任他打，是明明欺吾等無人物也！」此時惱了龜靈聖母，大呼曰：「豈有此理！他打死火靈聖母，還來繳金霞冠！待吾去拿了廣成子，以洩吾等之恨！」龜靈聖母仗劍砍來，大呼：「廣成子不要走！我來了！」廣成子站住，見他來的勢局不同，廣成子陪笑迎來，問曰：「道兄有何吩咐？」龜靈聖母曰：「你把吾教門人打死，還到此處來賣精神，分明是欺讎吾教，顯你等豪強，情殊可恨！不要走！我與火靈聖母報仇！」仗劍砍來。廣成子將手中劍架住，言曰：「道友差矣！你的師尊共立『封神榜』，豈是我等欺他，是他自取。也是天数該然，與我何咎！道友言替他報仇，真是不諳事體！」龜靈聖母大怒曰：「還敢以言語支吾！」不由分說，又是一劍。廣成子正色言曰：「我以禮諭你，你還是如此，終不然我怕你不成？縱是我師長，也只好讓你兩劍。」龜靈聖母又是一劍。廣成子大怒，面皮通紅，仗寶劍相還。兩家未及數合，廣成子祭番天印打來。龜靈聖母見此印打下來，招架不住，忙現原身，乃是個大烏龜。一昔蒼頡造字而有龜文羽翼之形，就是那時節得道的；修成人形，原是一個母烏龜，故此稱為「聖母」。一彼時金靈聖母、多寶道人見龜靈聖母現了原身，各人面上俱覺慚愧之極，甚是追悔。只見虯首仙、烏雲仙、金光仙、金牙仙大呼：「廣成子，你欺吾教，不是這等！」數人發怒，一齊仗劍趕來。廣成子自思：吾在他家裏，身入重地；自古道『單絲不成線』，反為不美。」廣成

子又見他們重重圍來：「不若還奔碧遊宮，見他師尊，自然解釋。乃不等通報，逕自投臺下來。通天教主曰：「廣成子，你又來有甚話說？」廣成子跪而啟曰：「師叔吩咐，弟子領命下山。不知師叔門人龜靈聖母同許多門人來為火靈聖母復仇。弟子無門可入，特來見師叔金容，求為開釋！」通天教主命水火童子：「把龜靈聖母叫來！」少時，龜靈聖母至法臺下行禮，口稱：「弟子在。」通天教主曰：「你為何去趕廣成子？」龜靈聖母曰：「廣成子將吾教下門人打死，反上宮來獻金霞冠，分明是欺讎吾教！」通天教主曰：「吾為掌教之主，反不如你等？此是你不守諭言，自取其禍，大抵俱是天數，我豈不知？廣成子把金霞冠繳來，正是遵吾法旨，不敢擅用吾寶。爾等仍是狼心野性，不守我清規，大是可惡！將龜靈聖母革出宮外，不許入宮聽講！」遂將龜靈聖母革出。兩傍惱了許多弟子，私相怨曰：「今為廣成子，反把自家門弟子輕辱，師尊如何這樣偏心？」大家俱是不忿，盡出門來。只見通天教主吩咐廣成子：「你快去罷！」廣成子拜謝了教主，方纔出了碧遊宮，只見後面一起截教門人趕來，只叫：「拿住了廣成子以洩吾眾人之恨！」廣成子聽得著慌：「這一番來得不善！欲逕往前行，不好；欲與他抵敵，寡不敵眾；不若還進碧遊宮，纔免得此厄。」看官：廣成子你原不該來！這正應了「三謁碧遊宮」。正是：

沿潭撒下釣和線，從今鉤出是非來。

話說廣成子這一番慌慌張張跑至碧遊宮臺下，來見通天教主，不知吉凶如何？且聽下回分解。

第七十三回 青龍關飛虎折兵

詩曰：

流水滔滔日夜磨，不知烏兔若奔梭。纔看苦海成平陸，又見蒼桑化碧波。熊虎將軍餐白刃，英雄俊傑飲干戈。遲蚤只因天數定，空教血淚滴婆娑。

話說廣成子三進碧遊宮，又來見通天教主，雙膝跪下。教主問曰：

「廣成子，你為何又進我宮來？全無規矩，任你胡行！」廣成子曰：「蒙師叔吩咐，弟子去了；其如眾門人不放弟子去，只要與弟子併力。弟子之來，無非敬上之道；若是如此，弟子是求榮反辱。望老師慈悲發付弟子，也不壞師叔昔日三教共立『封神榜』的體面。」通天教主聽說，怒曰：

「水火童子快把這些無知畜生喚進宮來！」只見水火童子領法旨出宮來，見眾門人，曰：「列位師兄，老爺發怒，喚你等進去。」眾門人聽師尊呼喚，大家沒意思，只得進宮來見。通天教主喝曰：「你這些不守規矩的畜生！如何師命不遵，恃強生事？這是何說！廣成子是我三教法旨扶助周武，這是應運而興。他等逆天行事，理當如此。你等如何還是這等胡為？情實可恨！」直罵得眾人們面面相覷，低頭不語。通天教主吩咐廣成子曰：「你只奉命而行，不要與這些人計較。你好生去罷！」廣成子謝過恩，出了宮，逕回九仙山去了。後有詩歎曰：

廣成奉旨涉先天，只為金霞冠欲還。不是天心原有意，界牌關下有「誅

仙」。話說通天教主曰：「姜尚乃是奉吾三教法旨，扶佐應運帝王。這三教中都有在『封神榜』上的。廣成子也是犯教之仙。他就打死火靈聖母，非是他來尋事做；這是你去尋他。總是天意。爾等何苦與他做對？連我的訓諭不依，成何體面！」眾門人未及開言，只見多寶道人跪下稟曰：「老師聖諭，怎敢不依？只是廣成子太欺吾教，妄自尊大他的玉虛教法，辱罵我等不堪，老師那裏知道？到把他一面虛詞當做真話，被他欺誑過了。」通天教主曰：「『紅花白藕青荷葉，三教原來總一般。』他豈不知，怎敢亂話欺弄。你等切不可自分彼此，致生事端。」多寶道人曰：「老師在上：弟子原不敢說，只今老師不知詳細，事已至此，不得不以直告。他罵吾教是左道傍門，『不分披毛帶角之人，濕生卵化之輩，皆可同群共處。』他視我為無物，獨稱他玉虛道法為『無上至尊』，所以弟子等不服也。」通天教主曰：「我看廣成子亦是真實君子，斷無是言。你們不要錯聽了。」多寶道人曰：「弟子怎敢欺誑老師！」眾門人齊曰：「實有此語。這都可以面質。」通天教主笑曰：「我與羽毛相並，他師父卻是何人？我成羽毛，他師父也是羽毛之類。這畜生這等輕薄！」吩咐金靈聖母：「往後邊取那四口寶劍來。」少時，金靈聖母取一包袱，內有四口寶劍，放在案上。教主曰：「多寶道人過來，聽我吩咐：他既笑我教不如，你可將此四口寶劍去界牌關擺一誅仙陣，看闡教門下那一個門人敢進吾陣！如有事時，我自來與他講。」多寶道人請問老師：「此劍有何妙用？」通天教主曰：「此劍有四名：一曰『誅仙劍』，二曰『戮仙劍』，三曰『陷仙劍』，四曰『絕仙劍』。此劍倒懸門上，發雷震動，劍光一幌，任從他是萬劫神仙，也難逃此難。昔曾有讚，讚此寶劍，讚曰：

非銅非鐵又非鋼，曾在須彌山下藏。不用陰陽顛倒煉，豈無水火淬鋒芒？「誅仙」利：「戮仙」亡：「陷仙」到處起紅光：「絕仙」變化無窮妙，大羅神仙血染裳。

話說通天教主將此劍付與多寶道人，又與一誅仙陣圖，言曰：「你往界牌關去，阻住周兵，看他怎樣對你。」多寶道人離了高山，逕往界牌關去。不表。

且說子牙自從遇申公豹得脫回佳夢關來。周營內差人四下裏打探子牙消息。只見哪吒登風火輪，四下找尋。子牙正策四不相前行，恰好遇著韋護。韋護大喜，上前安慰子牙曰：「自火龍兵衝散人馬，急切難以收聚；不意火靈聖母趕師叔去。那些兵原是左道邪術，見沒有主將作法驅逐，一時火光滅了，並無有一些手段。被我等收回兵，復一陣殺的他乾淨。只是不見師叔。如今哪吒等四路去打探，不期弟子在此得遇尊顏，我等不勝幸甚！」有探事官飛奔中軍，來報於洪錦。洪錦遠迎。子牙進轅門，眾將歡喜。收點人馬，計算又折了四五千軍卒。子牙把火靈聖母、申公豹的事對眾軍將細說一遍。眾人賀喜。子牙吩咐整頓人馬，離佳夢關五十里。住了三日，子牙方整點士卒，一聲砲響，復至關下安營。

且說胡升在關內不知火靈聖母吉凶，又聽得報馬來報，子牙兵復至關下，胡升大驚：「姜尚兵又復至，火靈聖母休矣！」急與佐貳官商議：

「前日已是降周，平空而來火靈聖母攪擾這場，使吾更變一番，雖然勝了姜子牙二陣，成得甚事！如今怎好相見？」傍有佐貳官王信曰：「如今元帥把罪名做在火靈聖母身上，彼自不罪元帥也。這也無妨。」胡升曰：

「此言也有理。」就差王信具納降文書，前往周營來見子牙。有軍政官報入中軍：「啟元帥：關內差官下文書，請令定奪。」子牙傳令：「令來。」王信來至中軍，呈上文書。子牙展於案上觀看，書曰：

「納降守關主將胡升暨大小將佐等，頓首上書於西周大元帥麾下：不職升謬承司閫，鎮守邊關，謹慎小心，希圖少盡臣節以報主知；孰意皇天不眷，降災於殷，天愁人叛，致動天下諸侯觀政於商。日者元帥率兵抵關，升弟胡雷與火靈聖母不知天命，致逆王師，自罹於禍，悔亦無及。升罪固宜罔赦，但元帥汪洋之度，好生之人，無不覆載。今特遣裨將王信薰沐上書，乞元帥下鑒愚悃，容其納降，以救此一方民，真時雨之師，萬姓頂祝矣。胡升再頓首謹啟。」子牙看書畢，問王信曰：「你主將既已納款，吾亦不究往事。明日即行獻關，毋得再有推阻。」洪錦在傍言曰：「胡升反覆不定，元帥不可輕信，恐其中有詐。」子牙曰：「前日乃是他兄弟違傲，與火靈聖母自恃左道之術故耳。以我觀，胡升乃是真心納降也。公無多言。」隨令王信：「回覆主將，明日進關。」王信領令，進關來見胡升，將子牙言語盡說一遍。胡升大喜，隨命關上軍士立起周家旗號。次日，胡升同大小將領率百姓出關，手執降旗，焚香結彩，迎子牙大勢人馬進關。來至帥府堂上坐下，眾將官侍立兩傍。只見胡升來至堂前行禮畢，稟曰：「末將胡升一向有意歸周，奈吾弟不識天時，以遭誅戮。末將先曾具納降文表與洪將軍，不意火靈聖母要阻天兵，末將再三阻擋不住，致有得罪於元帥麾下，望元帥恕末將之罪。」子牙曰：「聽你之言，真是反覆不定；頭一次納降，非你本心。你見你關內無將，故爾偷生。及見火靈聖母來至，汝便欺心，又思故主。總是暮四朝三之小人，豈是一言以定之君子。此事雖是火靈聖母主意，也要你自己肯為，我也難以准信。留你久後必定為禍。」命左右：「推出斬之！」胡升無言抵塞，追悔無及。左右將胡升綁出帥府。少時，見左右將首級來獻。子牙命拿出關前號令。子牙平定了佳夢關，令祁公鎮守。子牙把戶口查明，即日回兵至汜水關。李靖領眾將轅門迎接。子牙至後營見武王，將取佳夢關一事奏知武王。武王置酒在中軍與子牙賀功。不表。

且說黃飛虎領十萬雄師往青龍關來，一路浩浩軍威，紛紛殺氣。一日哨馬報入中軍：「啟總兵：人馬已至青龍關，請令安營。」黃總兵傳令：「安下行營。」放砲吶喊。話說這青龍關鎮守大將乃是丘引，副將是馬方、高貴、余成、孫寶等。聞周兵來至，丘引忙陞廳坐下，與眾將議曰：「今日周兵無故犯界，甚是狂悖，吾等正當效力之時，各宜盡心報國。」眾將官齊曰：「願效死力。」人人俱摩拳擦掌，個個勇往直前。

且說黃總兵陞帳曰：「今日已抵關隘，誰去見頭一陣立功？」鄧九公曰：「願往。」飛虎曰：「將軍一往，必建奇功。」鄧九公上馬出營，至關下搦戰。哨探馬報入帥府。丘引急令馬方：「去見頭陣，便知端的。」

馬方上馬提刀，開放關門，兩杆旗開，見鄧九公紅袍金甲，一騎馬飛臨陣前。馬方大呼曰：「反賊慢來！」九公曰：「馬方，你好不知天時！方今兵連禍結，眼見成湯亡於旦夕，爾尚敢來出關會戰也！」馬方大罵：「逆天潑賊，欺心匹夫，敢出妄言，惑吾清聽！」縱馬搖鎗飛來直取。鄧九公手中刀急架忙迎。二馬盤旋，大戰有三十回合。九公乃久經戰場上將，馬方那裏是他的對手，正戰間，被九公賣個破綻，大喝一聲，將馬方劈於馬下。鄧九公找了首級，掌得勝鼓回營，來見黃飛虎，將馬方首級獻上。黃總兵大喜，上九公首功，具酒相慶。

且說敗兵報進關來：「稟元帥：馬方失機，被鄧九公梟了首級，號令周營。」丘引聽報，只氣得三尸神暴跳，七竅內生煙。次日，親自提兵出關。黃飛虎正議取關一事，見哨馬報入中軍：「青龍關大隊擺開，請總兵答話。」黃飛虎傳令：「也把大隊人馬擺出。」砲聲響處，大紅旗展，好雄威人馬出來！正是：

人似歡彪攬闊潤，馬如大海老龍騰。

話說丘引見黃飛虎，左右分開大小將官，一馬當先，大叫：「黃飛虎負國忘恩，無父無君之賊！你反了五關，殺害朝廷命官，劫紂王府庫，助姬發為惡，今日反來侵擾天子關隘，你真是惡貫滿盈，必受天誅！」黃飛虎笑曰：「今天下會兵，紂王亡在旦夕，你等皆無死所！馬前一卒，有多大本領，敢逆天兵耶！」飛虎回顧左右：「那一員戰將與吾拚了丘引？」後有黃天祥應曰：「待我來擒此賊。」天祥年方十七歲，真所謂「初生之犢不懼虎」，催開戰馬，搖手中鎗衝殺過來。這壁廂有高貴搖斧接住。兩馬相交，鎗斧並舉。黃天祥也是「封神榜」上之人，力大無窮。來來往往，未及十五合，一鎗刺中高貴心窩，翻鞍下馬。丘引大呼一聲：「氣死吾也！不要走，吾來也！」丘引銀盔素鎧，白馬長鎗，飛來直取天祥。黃天祥見丘引自至，心下暗喜：「此功該吾成也！搖手中鎗劈面相還。好殺！怎見得，正是：

棋逢敵手難藏輿，將遇良才好奏功。

黃天祥使發了這條鎗，如風馳雨驟，勢不可當。丘引自覺不能勝。天祥今會頭陣，如此英勇，鎗法更神。有讚為證，讚曰：乾坤真個少，蓋世果然稀。老君爐裏煉，曾敲十萬八千鎚。磨塌太行山頂石，湛乾黃河九曲溪。上陣不沾塵世界，回來一陣血腥飛。話說黃天祥使開鎗，把丘引殺得只有招架之功，更無還兵之力。傍有丘引副將孫寶、余成兩騎馬，兩口刀，殺奔前來助戰。鄧九公見二將前來協助，鄧九公奮勇走馬，刀劈了余成，翻鞍落馬。孫寶大怒，罵曰：「好匹夫！焉敢傷吾大將！」轉回來力敵九公。話說丘引被黃天祥戰住，不得閑空，縱有左道之術，不能使出來；又見鄧九公走馬刀劈了余成，心下急躁。黃天祥賣了個破綻，一鎗正中丘引左腿。丘引大呼一聲，撥轉馬就走。黃天祥掛下鎗，取弓箭在手，拽開弓弦，往後心射來，正中丘引肩窩。孫寶見主將敗走，心下著忙，又被鄧九公一刀把孫寶揮於馬

關乃朝歌保障之地，西北藩屏，最是緊要。城高濠深，急切難以攻打。
周兵一連攻打三日，不能得下。黃飛虎見此關急切難下，傳令：「鳴

曰：「催糧應濟軍需，不曾違限，請令定奪。」丘引曰：「催糧有功，
總為朝廷出力。」陳奇問：「周兵至此，元帥連日勝負如何？」丘引答
曰：「姜尚分兵取關，惟恐吾斷他糧道，連日與他會戰，不意他將佐驍

若是拿住這逆賊，必分化其屍，方泄吾恨！」陳奇曰：「元帥只管放

左道，有異人秘傳，養成腹內一道黃氣，噴出口來，凡是精血成胎者，必定有三魂七魄，見此黃氣，則魂魄自散。一九公見此黃氣，坐不住鞍轡，翻身落馬，鄧九公被飛虎兵一擁上前，生擒活捉，拿進高關，三軍吶喊。丘引正坐，左右報入府來：「稟元帥：陳奇捉了鄧九公聽令。」丘引大悅，令左右：「推來！」鄧九公及至醒來，身上已是繩索綁縛，莫能轉挫；左右推至丘引面前，九公大罵曰：「匹夫以左道之術擒吾，我就死也不服！今既失機，有死而已。吾生不能啖汝血肉，死後必為厲鬼以殺叛賊！」丘引大怒，令：「推出斬之！」可憐鄧九公歸周，不能會諸侯於孟津，今日全忠於周主。正是：功名未遂扶王志，今日逢厄已盡忠。

話說丘引發出行刑牌出府，將鄧九公首級號令於關上。有哨探馬報入中軍：「啟老爺：鄧九公被陳奇口吐黃氣，拏了進關，將首級號令城上。」黃飛虎大驚曰：「鄧九公乃大將之才，不幸而喪於左道之術。」心中甚是傷感。話說丘引治酒與陳奇賀功。次日，陳奇又領兵至周營搦戰。報馬報入中軍。傍有九公佐貳官太鸞大怒曰：「末將不才，願與主將報仇。」黃飛虎許之。太鸞上馬出營，與陳奇相對，也不答話，大戰二十回合。陳奇把杵一舉，後面飛虎兵擁來。陳奇把嘴一張，太鸞依舊落馬，被眾人擒拿進關見丘引。丘引曰：「此乃從賊，且不必斬他，暫送下囹圄，俟拿了主將，一齊上囚車解往朝歌，以盡國法，又不負汝之功耳。」陳奇大喜。

且說黃總兵見又折了太鸞，心下甚是不樂。只見次日來報：「陳奇搦戰。」黃將軍問左右：「誰去走一遭？」話未了，只見傍邊走過三子黃天祿、黃天爵、黃天祥應曰：「不肖三人願往。」黃飛虎吩咐：「須要仔細！」三人同應聲曰：「知道。」弟兄三人上馬，逕出營來。陳奇問曰：「來者何人？」黃天祿答曰：「吾乃開國武成王三位殿下：黃天祿、天爵、天祥是也。」陳奇暗喜，正要拿這業畜，他恰自來送死！催開金睛獸，也不答話，使開蕩魔杵，飛來直取天祿兄弟。三人三條鎗，急架忙迎，四馬交鋒。怎見得一場好殺：

四將陣前發怒，顛開獸馬相持。長鎗悽悽閃虹霓，蕩魔杵發來峻利。這一個拚命捨死定輸贏；那三個為國忘家分軒輊。些兒失手命難存，留取清名傳萬世。三匹馬裹住了陳奇一匹金睛獸，大戰在龍潭虎穴。不知吉凶如何，且聽下回分解。

第七十四回 哼哈二將顯神通 詩曰：二將相逢各有名，青龍關遇定輸贏。五行道術皆堪並，萬劫輪回共此生。黃氣無聲能覆將，白光有影更擒兵。須知妙法無先後，大難來時命自傾。

話說黃天祿弟兄三人裹住陳奇，忽一鎗正中陳奇右腿。陳奇將坐騎跳出圈子外邊。黃天祿隨後趕來。陳奇雖然腿上有傷，他的道術自在；他把蕩魔杵一舉，只見飛虎兵蜂擁而來，將腹內煉成黃氣噴出，黃天祿滾下鞍轡，早被飛虎兵撓鉤搭住，生擒活捉去了，進關來見丘引。丘引吩咐，也把黃天祿監禁了。話說黃天爵、黃天祥回營見父，言兄被擒。黃總兵十分不樂，遣官打聽可曾號令。探事官回報：「啟老爺：不曾號令。」話說陳奇腿上有傷，自用丹藥敷搽。只見次日，丘引傷痕痊癒，要來報仇，乃不戴

頭盔，頂上戴一金箍，似頭陀樣，貫甲披袍，上馬拎鎗，來奔至周營，坐名要黃天祥決戰。報馬報入營中，天祥便欲出戰。飛虎阻攔不住。天祥上馬提鎗，出營來見丘引，大呼曰：「丘引，今日定要擒你見功！」催開馬，搖手中鎗，直刺丘引。丘引鎗赴面交還。二馬盤旋，雙鎗並舉，大戰在關下。黃天祥這根鎗如風狂雨驟，勢不可當。丘引招架不住，掩一鎗，勒回馬往關前就走。黃天祥不知好歹，隨後趕來。只見丘引頂上長一道白光，光中分開，裏面現出碗大一顆紅珠，在空中滴溜溜只是轉。丘引大呼：「黃天祥，你看吾此寶！」黃天祥不知所以，抬頭看時，不覺神魂飄蕩，一會兒辨不知南北西東，昏昏慘慘，被步下軍卒生擒下馬，繩縛二臂。及至醒時，已被捉住。丘引大喜，掌鼓進關。正是：

可惜年少英雄客，化作南柯夢裏人。且說丘引拏住黃天祥進關，陞堂坐下，傳令兩邊：「把黃天祥推來！」眾人將黃天祥推至面前。黃天祥氣沖斗牛，厲聲大呼曰：「丘引，你這逆賊，敢以妖術成功，非大丈夫也！我死不足惜，當報國恩。若姜元帥兵臨，你這匹夫有粉骨碎身之禍！既被你擒，快與我一死！吾定為厲鬼以殺賊！」丘引大怒曰：「你這叛賊，反出語傷人！你箭射、鎗打、鎗刺，你心下便自爽然。今日被擒，不自求生，又以惡語狂言辱吾！」天祥睜目大罵：「逆賊！我恨不得鎗穿你肺腑，鎗打碎你天靈，箭射透你心窩，方稱我報國忠心！今不幸被擒，自分一死，何必多言，做出那等的模樣！」丘引大怒，命左右：「先梟了首級，仍風化其屍，掛在城樓上！」少時，哨馬報入周營：「啟老爺：四公子被丘引拏了，梟了首級，把屍骸掛在城樓上，風化其屍，請軍令定奪。」黃飛虎聽報，大叫一聲，跌倒在地。眾將扶起。黃總兵放聲大哭曰：「吾生四子，不能為武王至孟津大會諸侯以立功，今方頭一座關隘，先喪吾三子！」黃飛虎思子，作詩一首以志感，詩曰：

為國捐軀赴戰場，丹心可並日爭光。幾番未滅強梁寇，左術擒兒年少亡。」話說黃總兵見事機如此，忙修告急申文，連夜差使臣往汜水關老營中，見子牙求救。使臣在路，也非一日，來至行營。旗門官報入中軍：「啟元帥：黃總兵遣官至轅門等令。」子牙傳令：「令來。」使臣至帳前行禮，將申文呈上。子牙拆開看畢，大驚曰：「可惜鄧九公、黃天祥俱死於非命！著實傷悼。」只見鄧嬋玉哭上帳來：「稟上元帥：末將願去為父報仇。」子牙許之；又點先行官哪吒同往。哪吒大喜，領了將令，星夜往青龍關來。哪吒風火輪來的快，使先行；嬋玉隨營行走。只見哪吒霎時就到青龍關了。正是：

頃刻行千里，須臾至九州。話說哪吒至營前。報入中軍：「有先行官哪吒轅門聽令。」黃總兵忙叫：「請來。」哪吒進中軍行禮畢，黃總兵曰：「吾奉令分兵至此，不幸子亡兵敗，鄧九公竟被左術喪身，吾在此待罪請援。今先行官至此，吾輩不勝幸甚！」哪吒曰：「小將軍丹心忠義，為國捐軀，青史簡篇，永垂不朽，亦不辜負將軍教養之功。」次日，哪吒上風火輪，提火尖鎗，往關下搦戰。猛見黃天祥之屍，大怒曰：「吾拿住丘引，定以此為例！」大呼：

「城上報事官！快傳與丘引，早來洗頸受戮！」報馬報入帥府：「有將請戰。」丘引聽報，自恃己能，依舊是陀頭打扮，竟出關門。看見一人登風火輪而來，大呼曰：「來者莫非是哪吒麼？」哪吒大罵曰：「你這匹夫！黃天祥與你不過敵國之仇，彼此為國，不過梟首；又有何罪，你竟欲風化其屍！我今拏住你，定碎醢汝屍，為天祥泄恨！」把火尖鎗擺動，直取丘引。丘引以鎗急架相還。二馬相交，雙鎗併舉。來往戰二三十合，丘引就走。哪吒趕來，丘引依舊把頭上白氣昇出，現那一顆紅珠出來在空中旋轉。丘引把哪吒當做凡胎肉體，不知他是蓮花化身，便大叫曰：「哪吒！你看吾之寶！」哪吒接頭看見，大笑曰：「無知匹夫！此不過是個紅珠兒，你叫我看他怎我？」丘引大驚：「吾得道修成此珠，捉將擒軍，無不效驗，今日哪吒看見，如何不昏於輪下！」心中已著忙，只得勒回馬來又戰；被哪吒用乾坤圈打來，正中丘引肩窩，打的筋斷骨折，伏鞍而逃，敗回關去。哪吒得勝回營，來見黃飛虎。不表。

且說土行孫催糧至子牙大營，見元帥回令畢，土行孫下殿，不見鄧嬋玉，問其故。武吉曰：「黃飛虎求救兵，申文言你岳翁陣亡，你夫人去了。」土行孫聽得鄧九公已死，著實傷悼，忙忙領子牙催糧箭，督二運往青龍關來；不一日至轅門。探馬報入中軍，黃飛虎令：「請來。」土行孫來至帳前行禮畢，黃飛虎曰：「鄧九公為左術陣亡；吾子二人被擒，天祥被丘引逆賊風化其屍。今日先行哪吒打丘引一乾坤圈，逆賊未曾授首。」土行孫曰：「待末將今晚且將天祥屍首盜出，用棺木收殮，明日好擒丘引報此仇。」土行孫下帳來，與鄧嬋玉等相見。只到日晚，土行孫借地行術，逕進關來。先在裏邊走了一番。及行到囹圄之中，看見太鸞、黃天祿。時至二更，四下裏人聲寂靜，土行孫鑽上來，悄悄的叫：「黃天祿，我來了。你放心，不久就取關了。」黃天祿聽的是土行孫聲音，大喜曰：「速些纔妙！」土行孫曰：「不必吩咐。」土行孫說了信，逕至城樓上，把繩子割斷，天祥的屍首吊在關外。周紀收去屍首。黃飛虎看見子屍，放聲大哭曰：「年少為國，致捐其軀，真為可惜！」即用棺木收屍。黃飛虎自思想：「吾生四子，今喪三子，今日不若命黃天爵送天祥屍首回西岐去，早晚亦可侍奉吾父，一則不失黃門之後，二則使我忠孝兩全。」黃飛虎打發第三子黃天爵押送車回西岐去了。且說丘引被哪吒打傷，次日陞廳納悶。只見巡城軍士來報：

「黃天祥屍首，夜來不知被何人割斷繩子，將屍首盜去。」丘引聽報，愈加愁悶。陳奇大怒：「不才出關，拏來為主將報仇！」說罷，領本部飛虎兵至營前搦戰。探馬報入中軍。黃總兵問：「誰人見陣？」土行孫願往。鄧嬋玉欲為父親報仇，願隨掠陣。夫妻二人出營，見陳奇坐金睛獸，提蕩魔杵，滾至陣前。土行孫大罵陳奇曰：「匹夫用左道邪術，殺吾岳丈，不共戴天！今日特來擒你報仇！」陳奇大笑：「諒你這等人，真如朽腐之物，做得出甚麼事來！殺你恐污吾手！」催開坐騎，拎杵就打。土行孫手中棍急架忙迎。杵棍併舉，未及數合，陳奇見土行孫往來小巧便宜，急切不能取勝，陳奇忙把杵一擺，飛虎兵齊奔前來，陳奇對

著土行孫把嘴一張，噴出一道黃氣。土行孫站不住，一交跌倒在地。飛虎兵把土行孫拏去。陳奇不防鄧嬋玉在對面，見拏了他丈夫，發出一塊五光石來，正中陳奇嘴上，打得脣綻齒落：「哎喲」一聲，掩面而走。嬋玉又發一石，夾後心一下，把後心鏡打得粉碎。陳奇只得伏鞍而逃。只見土行孫睜開眼，渾身上了繩子，笑曰：「倒有趣！」陳奇被鄧嬋玉打傷，逃回關內，來見丘引。丘引看見陳奇鼻青嘴綻，袍帶皆鬆，忙問其故。陳奇曰：「只因拏一不堪匹夫，不防對過有一賤人，用石打傷面門，復一石又打傷脊背，致失機而回。」丘引聽說，忙令左右：「將周將拏來！」左右隨將土行孫推至階前，看見土行孫身不滿三四尺，便問陳奇曰：「這樣東西，拏他何用？」命左右：「推出去斬了號令！」土行孫也不慌不忙，來至關上。左右方欲動手，只見土行孫把身子一扭，杳無蹤跡。正是：

地行道術原無跡，盜竄偷關蓋世雄。

話說左右見土行孫不見了，只謊得目瞪口呆，慌忙報與丘引。丘引聽報，大驚曰：「周營中有此異人，所以屢伐西岐俱皆失利。今日不見黃天祥屍首，就是此人盜去，也未可知。」速傳令：「早晚各要防備關隘。」且說土行孫回見黃總兵，共議取關。忽哨探馬報入中軍：「有三運督糧官鄭倫來轅門等令。」黃總兵傳令：「令來。」鄭倫至帳前行禮畢，言曰：「奉姜元帥將令，催糧應付，軍前聽用。」黃飛虎曰：「多蒙將軍催糧有功，俟上功勞簿。」鄭倫曰：「俱是為國效用。」鄭倫偶見土行孫也在此，忙問土行孫曰：「足下係二運官，今到此何幹？」土行孫曰：「青龍關中有一人名喚陳奇，也與你一樣拏人，吾岳丈被他拏去，壞了性命，特奉元帥將令，來此救援。只他比你不同，他把嘴一張，口內噴出一道黃氣來，其人自倒，比你那鼻中哼出白氣來大不相同，覺他的便宜。昨日我被他拏去，走了一遭來。」鄭倫曰：「豈有此理！當時吾師傳我，曾言我之法蓋世無雙，難道此關又有此異人？我必定會他一會，看其真實。」

且說陳奇恨鄧嬋玉打傷他的頭面，自服了丹藥，一夜痊癒。次日出關，坐名只要鄧嬋玉出來定個雌雄。哨馬報入中軍：「啟老爺：陳奇搦戰。」鄭倫出而言曰：「末將願往。」黃飛虎曰：「你督糧亦是要緊的事，原非先行破敵之役，恐姜丞相見罪。」鄭倫曰：「俱是朝廷功績，何害於理？」黃飛虎只得應允。鄭倫上了金睛獸，提降魔杵，領本部三千烏鴉兵出營來。見陳奇也是金睛獸，提蕩魔杵，也有一隊人馬，俱穿黃號色，也拏著撓鉤套索。鄭倫心下疑惑，乃至軍前大呼曰：「來者何人？」陳奇曰：「吾乃督糧上將軍陳奇是也。你乃何人？」鄭倫曰：「吾乃三運糧總督官鄭倫是也。」鄭倫問曰：「聞你有異術，今日特來會你。」鄭倫催開金睛獸，搖手中降魔杵，劈頭就打。陳奇手中蕩魔杵赴面交還。二獸交加，一場大戰。怎見得：

二將陣前尋鬥賭，兩下交鋒誰敢阻。這一箇似搖頭獅子下山崗，那一箇不亞擺尾狻猊尋猛虎。這一箇興心定要正乾坤；那一箇赤膽要把江山輔。天生一對惡生辰，今朝相遇爭旗鼓。

話說二將大戰虎穴龍潭：這一箇惡狠狠圖睜二目；那一箇格支支咬

碎銀牙。只見土行孫同哪吒出轅門來看二將交兵，連黃飛虎同眾將也在旗門下，都來看廝殺。鄭倫正戰之間，自忖：「此人當真有此術法，打人不過先下手為妙。」把杵在空中一擺，鄭倫部下烏鴉兵行如長蛇陣一般而來。陳奇看鄭倫擺杵，士卒把撓鉤套索似有拿人之狀，陳奇搖杵，他那裏飛虎兵也有套索撓鉤，飛奔前來。正是：

人能自有能人伏，今日哼哈相會時。鄭倫鼻子裏兩道白光，出來有聲；陳奇口中黃光也自進出。陳奇跌了個金冠倒躑，鄭倫跌了個鎧甲離鞍。兩邊兵卒不敢擎人，只顧各人搶各人主將回營。鄭倫被烏鴉兵搶回；陳奇被飛虎兵搶回；各自上了金睛獸回營。土行孫同眾將笑得腰軟骨折。鄭倫自歎曰：「世間又有此異人，明日定要與他定個雌雄，方肯罷休。」不表。只說陳奇進關來見丘引，盡言前事。丘引又聞佳夢關失了，心下不安。次日，鄭倫關下搦戰。陳奇上騎出關，言曰：「鄭倫，大丈夫一言已定，從今不必用術，各賭手上工夫，你我也難得會。」催開坐下騎，又殺一日，未見輸贏。來見黃飛虎，眾將俱在帳上，共議取關之策。哪吒曰：「如今土行孫也在此，不若今夜我先進關，斬關落鎖，夜裏乘其無備，取了關為上策。」黃飛虎曰：「全仗先行。」正是：

哪吒定計施威武，今夜青龍屬武王。話說丘引在關內，修表進朝歌，遣將來此協同守關，共阻周兵。不覺是一更時分，土行孫先進關裏來，暗暗在囹圄中打點放黃天祿、太鸞。二更時分，哪吒登風火輪，飛進關來，當在城樓上祭起金磚，把守門軍將打散，隨撞開拴鎖。周兵吶一聲喊，殺進城中來，金鼓大作，天翻地覆，城中大亂，百姓只顧逃生。土行孫在囹圄中，聽得吶喊，隨放了黃天祿、太鸞，殺出本府來。丘引還不曾睡，慌忙上馬，拎鎗出府，只見燈光影裏，火把叢中，見金甲紅袍，乃武成王黃飛虎。哪吒登風火輪使鎗殺來。鄧秀、趙升、孫焰紅把丘引裹在當中。鄭倫殺進城來，正遇陳奇，二將夜兵大戰。黃天祿從後面殺出府來。土行孫倒拖寶鐵棍，往丘引馬下打來。上三路哪吒的鎗；中三路黃明、周紀的斧；下三路土行孫的棍；丘引不及堤防，被土行孫一棍，正打著他馬七寸，那馬打了箇前失，把丘引跌下馬來。黃飛虎看見，忙撓鎗刺來。丘引已借土遁去了。正是：死生有定，不該絕於此關。

且言眾將裹住陳奇，被哪吒祭起乾坤圈打中，陳奇傷了臂膊，往左一閃，被黃飛虎一鎗刺中脅下，死於非命。殺到天明，黃飛虎收兵查點，只走了丘引。飛虎陞廳，出榜安民，查明戶口冊籍，留將守青龍關。黃總兵回師，先有哪吒報捷。土行孫仍催糧去了。

且說子牙在中軍與眾將正議六韜三略，報事官報：「元帥：哪吒等令。」子牙命：「傳進來。」哪吒至中軍，備言取了青龍關事，說了一遍：

「……弟子先來報捷。」子牙大悅，謂眾將曰：「吾之先取此二關者，欲通吾之糧道；若不得此，倘紂兵斷吾糧道，前不能進，後不能退，我先首尾受敵，此非全勝之道也，一故為將先要察此。今幸俱得，可以無憂。」眾將曰：「元帥妙算，真無遺策！」正談論間，左右報：「黃飛虎等令。」子牙曰：「令來。」飛虎至中軍，打躬行禮。子牙賀過

功，因不見鄧九公、黃天祥在前、心中甚是悽楚，歎曰：「可惜忠勇之士，不得享武王之祿耳！」營中治酒權飲。次日，子牙差辛甲先下一封戰書。

話說汜水關韓榮見子牙按兵不動，分兵取佳夢關、青龍二關，速速差人打探。回報：「二關已失。」韓榮對眾將曰：「今西周已得此二關，軍威正盛，我等正當中路，必須協力共守，毋得專恃力戰也。」眾將各有不忿之色，願決一死戰。正議間，報：「報姜元帥遣官下戰書。」韓榮命：「令來。」辛甲至殿前，將書呈上。韓榮接書，展開觀看，書曰：

「西周奉天征討天寶大元帥姜尚，致書於汜水關主將麾下：嘗聞天命無常，惟有德者永獲天眷。今商王紂淫酗肆虐，暴殄下民。天愁於上，民怨於下。海宇分崩，諸侯叛亂，生民塗炭。惟我周王特恭行天之罰，所在民心效順，強梁授首；所有佳夢關、青龍二關逆命，俱已斬將奪旗，萬民歸順。今大兵至此，特以尺一之書咸使聞知，或戰，或降，早賜明決，毋得自誤。不宣。」韓榮觀看畢，即將原書批回：「來日會戰。」辛甲領書回營，見子牙曰：「奉令下書，原書批回，明日會兵。」子牙整頓士卒，一夜無詞。次日，子牙行營炮響，大隊擺開出轅門，在關下搦戰。有報馬報入關來：「今有姜元帥關下請戰。」韓榮忙整點人馬，放炮吶喊出關，左右大小將官分開，韓榮在馬上見子牙號令森嚴，一對對英雄威武。怎見得，有鷓鴣天一詞為證，詞曰：

殺氣騰騰萬里長，旌旗戈戟透寒光。雄師手仗三環劍，虎將鞍橫丈八鎗。軍浩浩，士忙忙，鑼鳴鼓響猛如狼。東征大戰三十陣，汜水交兵第一場。

話說韓榮在馬上見子牙，口稱：「姜元帥請了！『率土之濱，莫非王臣』，元帥何故動無名之師，以下凌上，甘心作商家叛臣，吾為元帥不取也！」子牙笑曰：「將軍之言差矣。君正，則居其位；君不正，則求為匹夫不可得。是天命豈可常哉，惟有德者能君之。昔夏桀暴虐，成湯伐之，代夏而有天下。今紂王罪過於桀，天下諸侯叛之。我周特奉天之罰，以討有罪，安敢有逆天命，厥罪惟鈞哉。」韓榮大怒曰：「姜子牙，我以你為高明之士，你原來是妖言惑眾之人！你有多大本領，敢出大言！那員將與吾拚了？」傍有先行王虎，走馬搖刀，飛奔前來，直奔子牙。只見哪吒已登風火輪，舉鎗忙迎。輪馬相交，刀鎗並舉。兩下裏喊聲不息，鼓角齊鳴。戰未數合，哪吒奮勇一鎗，把王虎挑於馬下。魏賁見哪吒得勝，把馬一磕，搖鎗前來，飛取韓榮。韓榮手中戟迎面交還。魏賁的鎗勢如猛虎。韓榮見先折了王虎，心下已自慌忙，無心戀戰。只見子牙揮動兵將衝殺過來。韓榮抵敵不住，敗進關中去了。子牙得勝回營。不表。

且說韓榮兵敗進關，一面具表往朝歌告急，一面設計守關。正在緊急之時，忽報：「七首將軍余化等令。」韓榮聽得余化來至，大喜，忙傳令：「令來。」余化至殿上行禮，韓榮曰：「自從將軍戰敗去後，此關反被黃飛虎走出去了，不覺數載；豈意他養成氣力，今反夥同那姜尚，三路分兵，取了佳夢關、青龍關，盡為周有。昨日會兵，不能取勝，如之奈何？」余化曰：「末將被哪吒打傷，敗回蓬萊山，見我師尊，燒煉一件

寶物，可以復我前仇。縱周家有千萬軍將，只叫他片甲無存。」韓榮大喜，治酒管待。話說次日，余化至周營討戰。子牙問：「誰去出馬？」哪吒應聲而出：「弟子願往。」哪吒道罷，登輪提鎗，出得營來，一見余化，哪吒認得他，大叫曰：「余化慢來！」余化見了仇人，把臉紅了半邊，也不答話，催開金睛獸，搖戟直取哪吒。哪吒的鎗赴面交還。輪獸相交，戟鎗雙舉。來往衝殺有二三十合，哪吒的鎗乃太乙真人傳授，有許多機變，余化不是哪吒對手。余化把一口刀，名曰「化血神刀」，祭起如一道電光，中了刀痕，時刻即死。怎見得，有詩為證，詩曰：

丹爐曾鍛煉，火裏用功夫。靈氣後先妙，陰陽表裏扶。透甲元神喪，沾身性命無。哪吒逢此刀，眼下血為膚。余化將化血刀祭起，那刀來得甚快，哪吒躲不及，中了一刀。大抵哪吒乃蓮花化身，渾身俱是蓮花瓣兒，縱傷了他，不比凡夫血肉之軀，登時即死，該有凶中得吉。哪吒著刀傷了，大叫一聲，敗回營中；走進轅門，跌下風火輪來。哪吒著了刀傷，只是顫，不能做聲。旗門官報與子牙，子牙令扛抬至中軍。子牙叫：「哪吒！」哪吒不答話。子牙心下鬱鬱不樂。不知哪吒性命如何，且聽下回分解。第七十五回 土行孫盜騎陷身 詩曰：

余化特強自喪身，師尊何苦費精神。因燒土行反招禍，為惹懼留致起嗔。北海初沉方脫難，緬仙再縛豈能狗！從來數定應難解，已是封神榜內人。

話說余化得勝回營。至次日，又來周營搦戰。探馬報入中軍。子牙問：「誰人出馬？」有雷震子應曰：「願往。」提棍出營，見余化黃面赤髯，甚是兇惡，問曰：「來者可是余化？」余化大罵：「反國逆賊！你不認得我麼！」雷震子大怒，把二翅飛騰於空中，將黃金棍劈頭打來。余化手中戟赴面交還。一個在空中用刀，一個在獸上施威。雷震子金棍刷來，如泰山一般。余化望上招架費力，略戰數合，忙舉起化血刀來，把雷震子風雷翅傷了一刀。幸而原是兩枚仙杏化成風雷二翅，今中此刀，尚不致傷命，跌在塵埃，敗進營來，來見子牙。子牙又見傷了雷震子，心中甚是不樂。次日，有報馬報入中軍：「有余化搦戰。」子牙曰：「連傷二人，若痴呆一般，又不做聲，只是寒顫，且懸『免戰牌』出去。」軍政官將「免戰牌」挂起。余化見周營挂「免戰牌」，掌鼓回營。只見次日，有督糧官楊戩至轅門，見挂「免戰」二字，楊戩曰：

「從三月十五日拜將之後，將近十月，如今還在這裏，尚不曾取成湯寸土，連忙挂『免戰牌』，……」心下甚是疑惑：「……且見了元帥，再做道理。」探馬報入中軍：「啟元帥：有督糧官楊戩候令。」子牙曰：「令來。」楊戩上帳，參謁畢，稟曰：「弟子催糧，應付軍需，不曾違限，請令定奪。」子牙曰：「兵糧足矣；其如戰不足何！」楊戩曰：

「師叔且將『免戰牌』收了，弟子明日出兵，看其端的，自有處治。」子牙在中軍與眾人正議此事，左右報：「有一道童求見。」子牙曰：「請來。」少時，至帳前，那童子倒身下拜曰：「弟子是乾元山金光洞

太乙真人門下。師兄哪吒有厄，命弟子背上山去調理。」子牙即將哪吒交與金霞童子，背往乾元山去了。不表。且說楊戩見雷震子不做聲，只是顫。看刀刃中血水如墨。楊戩觀看良久：「此乃是毒物所傷。」楊戩啟子牙：「去了『免戰牌』。」子牙傳令：「去了『免戰牌』。」次日，汜水關哨馬報入關中：「周營已去『免戰牌』。」余化聽得，隨上了金睛獸出關，來至營前搦戰。哨馬報入中軍：「關內有將討戰。」正是：常勝不知終有敗，周營自有妙人來。話說余化至營搦戰，楊戩稟過子牙，忙提三尖刀出營。見余化光景，是左道邪說之人，楊戩大叫曰：「來者莫非余化麼？」余化曰：「然也。爾通名來。」楊戩曰：「吾乃姜元帥師姪楊戩是也。」縱馬搖三尖刀飛來直取，余化手中戟赴面交還。兩馬相交，一場大戰。未及二十餘合，余化祭起化血神刀，如閃電飛來。楊戩運動八九元功，將元神遁出，以左肩迎來，傷了一刀，也大叫一聲，敗回行營，看是甚麼毒物，來見子牙。子牙問曰：「你會余化如何？」楊戩曰：「弟子見他神刀利害，仗吾師道術，將元神遁出，以左臂迎他一刀，畢竟看不出他的果是何毒物。弟子且往玉泉山金霞洞去一遭。」子牙許之。楊戩借土遁往玉泉山來，到了金霞洞，進洞見師父，拜罷，玉鼎真人問曰：「楊戩，你此來有甚麼話說？」楊戩對曰：「弟子同師叔進兵汜水關，與守關將余化對敵。彼有一刀，不知何毒，起先雷震子被他傷了一刀，只是寒顫，不能做聲；弟子也被他傷了一刀，幸賴師父玄功，不曾重傷，然不知果是何毒物。」玉鼎真人忙令楊戩將刀痕來看，真人見此刀刃，便曰：「此乃是化血刀所傷。但此刀傷了，見血即死。幸雷震子傷的兩枚仙杏，你又有玄功，故爾如此；不然，皆不可活。」楊戩聽得，不覺大驚，忙問曰：「似此將何術解救？」真人曰：「此毒連我也不能解。此刀乃是蓬萊島一氣仙余元之物。當其修煉時，此刀在爐中，有三粒神丹同煉的。要解此毒，非此丹藥，不能得濟。」真人沉思良久，乃曰：「此事非你不可。」附耳：「……如此如此方可。」楊戩大喜，領了師父之言，離了玉泉山往蓬萊島而來。正是：真人道術非凡品，咫尺蓬萊見大功。話說楊戩借土遁往蓬萊島而來，前至東海。好個海島，異景奇花，觀之不盡。怎見得海水平波，山崖錦砌，正所謂蓬萊景致與天闕無差。怎見得好山，有讚為證：勢鎮東南，源流四海。汪洋潮涌作波濤，滂渤山根成碧闕。屋樓結彩，化為人世奇觀；蛟孽興風，又是滄溟幻化。丹山碧樹非凡，玉宇瓊宮天外。麟鳳優遊，自然仙境靈胎；鸞鶴翱翔，豈是人間俗骨。琪花四季吐精英，瑤草千年呈瑞氣。且慢說青松翠柏常春；又道是仙桃仙果時有。修竹拂雲留夜月，藤蘿映日舞清風。一溪瀑布時風雪，四面丹崖若列星。正是：百川澮注擎天柱，萬劫無移大地根。話說楊戩來至蓬萊山，看罷蓬萊景致，仗八九元功，將身變成七首將軍余化，逕進蓬萊島來。見了一氣仙余元，倒身下拜。余元見余化到此，乃問曰：「你來做甚麼？」余化曰：「弟子奉師父之命，去汜水關協同韓總兵把守關隘，不意姜尚兵來，弟

子見頭一陣，刀傷了哪吒，第二陣傷了雷震子，第三陣恰來了姜子牙師姪楊戩，弟子用刀去傷他，被他一指，反把刀指回來，將弟子傷了肩臂，望老師慈悲救援。」一氣仙余元曰：「有這等事？他有何能，取指回我的寶刀？但當時煉此寶，在爐中分龍虎，定陰陽，同煉了三粒丹藥，我如今將此丹留在此間也無用，你不若將此丹藥取了去，以備不虞。」余元隨將丹遞與余化。余化叩頭：「謝老師天恩。」忙出洞來，回周營。不表。有詩單讚楊戩玄功變化之妙：

悟到功成道始精，玄中玄妙有無生。蓬萊枉秘通靈藥，汜水徒勞化血兵。計就騰挪稱幻聖，裝成奇巧盜英明。多因福助周文武，一任奇謀若浪萍。

話說楊戩得了丹藥，逕回周營。且說一氣仙余元，把藥一時俱與了余化，靜坐思忖：「楊戩有多大本領，能指回我的化血刀？若余化被刀傷了，他如何還到得這裏？其中定有緣故。」余元掐指一算，大叫曰：「好楊戩匹夫！敢以變化玄功盜吾丹藥，欺吾太甚！」余元大怒，上了金眼駝，來趕楊戩。楊戩正往前行，只聽得後面有風聲趕至，楊戩已知余原來趕，忙把丹藥放在囊中，暗祭哮天犬存在空中。余元只顧趕楊戩，不知暗算難防，余元被哮天犬夾頸子一口。此犬正是：

牙如鋼劍傷皮肉，紅袍拉下半邊來。余元不曾提防暗算，被犬一口，把大紅白鶴衣扯了半邊。余元又吃了大虧，不能前進：「吾且回去，再整頓前來，以復此仇。」話說子牙正在營中納悶，只見左右來報：「有楊戩等令。」子牙傳令：「令來。」楊戩至帳前，見子牙，備言前事：「盜丹而回。」子牙大喜，忙取丹藥救雷震子；又遣木吒往乾元山，送此藥與哪吒調理。次日，楊戩往關下搦戰。探事官報入帥府：「周營中有將討戰。」韓榮忙令余化出戰。余化上了金睛獸，提戟出關。楊戩大呼曰：「余化，前日你用化血刀傷我，幸吾煉有丹藥，若無丹藥，幾中汝之奸計也。」余化暗思：「此丹乃一爐所出，焉能周營中也有此丹？若此處有這丹，此刀無用。」催開金睛獸，大戰楊戩。二馬相交，刀戟併舉。二將酣戰三十餘合。正殺之間，雷震子得了此丹，即時全好了，心中大怒，竟飛出周營，大喝曰：「好余化！將惡刀傷吾。若非丹藥，幾至不保。不要走，吃我一棍，以泄此恨！」拎提起黃金棍，劈頭刷來。余化將手中戟架棍。楊戩三尖刀來得又勇，余化被雷震子一棍打來，將身一閃，那棍正中金睛獸，把余化掀翻下地，被楊戩復一刀，結果了性命。正是：

一腔左術全無用，枉做成湯梁棟材。楊戩斬了余化，掌鼓回營，見子牙報功。不表。且說韓榮聞余化陣亡，大驚：「此事怎好！前日遣官往朝歌去，命又不下；今無人協同守此關隘，如何是好！」正議間，余元乘了金睛五雲駝，至關內下騎，至帥府前，令門官通報。眾軍官見余元好兇惡，忙報韓榮。韓榮傳令：「請來。」道人進帥府，韓榮迎接余元。只見他生得面如藍靛，赤髮獠牙，身高一丈七八，凜凜威風，二目兇光冒出。韓榮降階而迎，口稱：「老師。」請上銀安殿。」韓榮下拜，問曰：「老師是那座名山？何處洞府？」一氣仙余元曰：「楊戩欺吾太甚，盜丹殺我弟子余

化。貧道是蓬萊島一氣仙余元是也；今特下山，以報此仇。」韓榮聞說大喜，治酒管待。次日，余元上了五雲駝，出關至周營，坐名要子牙答話。報馬報入中軍：「汜水關有一道人請元帥答話。」子牙傳令：「擺隊伍出營。」左右分五岳門人，一騎當先。只見一位道人，生的十分兇惡。怎見得：魚尾冠，金嵌成；大紅服，雲暗生。面如藍靛，獠牙冒，赤髮紅鬚古怪形。絲條飄火焰，麻鞋若水晶。蓬萊島內修仙體，自在逍遙得至清。位在監齋成神道，一氣仙名舊有聲。話說子牙至軍前問曰：「道者請了。」余元道：「姜子牙，你叫出楊戩來見我。」子牙曰：「楊戩催糧去了，不在行營。道者，你既在蓬萊島，難道不知天意。今成湯傳位六百餘年，至紂王無道，暴棄天命，肆行兇惡，罪惡貫盈，天怒人怨，天下叛之。我周應天順人，克修天道，天下歸周。今奉天之罰，以觀政於商，爾何得阻逆天吏，自取滅亡哉！道者，你不觀余化諸人皆是此例，他縱有道術，豈能扭轉天命耶！」余化大怒曰：「總是你這一番妖言惑眾！若不殺你，不足以絕禍根！」催開五雲駝，仗寶劍直取子牙。子牙手中劍赴面交還。左有李靖，右有韋護，各舉兵器，前來助戰。四人只為無名火起，眼前要定雌雄。余元的寶劍光華灼灼；子牙劍彩色輝輝；李靖刀寒光燦燦；韋護杵殺氣騰騰。余元坐在五雲駝上，把一尺三寸金光鏹祭在空中，來打子牙。子牙忙展杏黃旗，現出有千朵金蓮，擁護其身。余元忙收了金光鏹，復祭起來打李靖。不防子牙祭起打神鞭來，一鞭正中余元後背，只打的三昧真火噴出丈餘遠近。李靖又把余元腿上一鎗。余元著傷，把五雲駝頂上一拍，只見那金眼駝四足起金光而去。子牙見余元著傷而走，收兵回營。不表。

且說土行孫催糧來至，見子牙會兵，他暗暗的瞧見余元的五雲駝四足起金光而去，土行孫大喜：「我若得此戰騎，催糧真是便益。」當時子牙回營陞帳，忽報：「土行孫等令。」子牙傳令：「令來。」土行孫至帳前，交納糧數，不誤限期。子牙曰：「催糧有功，暫且下帳少憩。」土行孫下帳，來見鄧嬋玉，夫妻共語，說：「余化把刀傷了哪吒，哪吒往乾元山養傷痕去了。土行孫至晚，對鄧嬋玉曰：「我方纔見余元坐騎，四足旋起金光，如雲霓縹緲而去，妙甚，妙甚！我今夜走去，盜了他的來，騎著催糧，有何不可？」鄧嬋玉曰：「雖然如此；你若要去，須稟知元帥，方可行事，不得造次。」土行孫曰：「與他說沒用，總是走去便來，何必又多一番唇舌？」當時夫婦計較停當。將至二更，土行孫把身子一扭，逕進汜水關，來到帥府裏。土行孫見余元默運元神，土行孫在地下，往上看他，道人目似垂簾，不敢上去，只得等候。卻言余元默運元神，忽然心血潮來，余元暗暗掐指一算，已知土行孫來盜他的坐騎。余元把陽神出竅，少刻，鼻息之聲如雷。土行孫在地下聽見鼻息之聲，大喜曰：「今夜定然成功。」將身子鑽了上來，拖著鐵棍，又見廊下拴著五雲駝。土行孫解了韁繩，牽到丹墀下，挨著馬臺扒上去，試驗試驗，然後又扒將下來。將這寶鐵棍執在手裏，來打余元，照余元耳門上一下，只打得七竅中三昧火冒出來，只是不動；復

打一棍，打得余元只不作聲。土行孫曰：「這潑道，真是頑皮！吾且回去，明日再做道理。」土行孫上了五雲駝，把他頂上拍了一下，那獸四足就起金雲，飛在空中。土行孫心下十分歡喜。正是：歡喜未來災又至，只因盜物惹非殃。且說土行孫騎著五雲駝，只在關裏串，不得出關去。土行孫曰：「寶貝，你還出關去！」話猶未了，那五雲駝便落將下地來。土行孫方欲下駝，早被余元一把抓住頭髮，拎著他，不令他挨地，大叫曰：「拿住偷駝的賊子！」驚動一府大小將官，掌起火把燈毬。韓榮陞了寶殿，只見余元高高的把土行孫拎著。韓榮燈光下見一矮子：「老師拎著他做甚麼？放下他來罷了。」余元曰：「你不知他會地行之術，但沿了地，他就去了。」韓榮曰：「將他如何處治？」余元曰：「你把俺蒲團下一個袋兒取來，裝著這業障，用火燒死他，方絕禍患。」韓榮取了袋兒裝起來。余元叫：「搬柴來。」少時間，架起柴來，把如意乾坤袋燒著。土行孫在火裏大叫曰：「燒死我也！」好火！怎見得，有詩為證：

細細金蛇遍地明，黑煙滾滾即時生，燧人出世居離位，炎帝騰光號火精。山石逢時皆赤土，江湖偶遇盡枯平。誰知天意歸周主，自有真仙渡此驚。話說余元燒土行孫，命在須臾。也是天數，不該如此，一只見懼留孫正坐蒲團默養元神，見白鶴童子來至曰：「奉師尊玉旨，命師兄去救土行孫。」懼留孫聞命，與白鶴童子分別，借著縱地金光法來至汜水關裏。見余元正燒乾坤袋，懼留孫使一陣旋窩風，往下一坐，伸下手來，連如意乾坤袋提將去了。余元看見一陣風來，又見火勢有景，余元掐指一算：「好懼留孫！你救你的門人，把我如意乾坤袋也拿了去！我明日自有處治。」

且說懼留孫將土行孫救出火焰之中，土行孫在內自覺得不熱，不知何故。懼留孫來至周營。那夜是南宮适巡外營。時至三更盡，南宮适問曰：「是甚麼人？」懼留孫曰：「是我。快通報子牙，我來也。」南宮适向前看，知是懼留孫，忙傳雲板。子牙三鼓時分起來，外邊傳入帳中：「有懼留孫在轅門。」子牙忙出迎接，見懼留孫拎著一個袋子，至軍前打稽首坐下。子牙曰：「道兄夤夜至此，有何見諭？」懼留孫曰：「土行孫有火難，特來救之。」子牙大驚：「土行孫昨日催糧方回，其災如何得至？」懼留孫把如意袋兒打開，放出土行孫來，問其詳細。土行孫把盜五雲駝的事說了一遍。子牙大怒曰：「你要做此事，也該報我知道，如何背違主帥，暗行辱國之事？今若不正軍法，諸將效尤，將來營規必亂。傳刀斧手，將土行孫斬首號令！」懼留孫曰：「土行孫不遵軍令，暗行進關，有辱國體，理宜斬首；只是用人之際，暫且待罪立功。」子牙曰：「若不是道兄求免，定當斬首。」令左右：「且與我放了。」土行孫謝了師父，又謝過子牙。一夜周營中未曾安靜。次日，只見一氣仙余元，出關來至周營，坐名只要懼留孫。懼留孫曰：「他來只為如意乾坤袋。我不去會他。你只須如此，自可擒此潑道也。」懼留孫與子牙計較停當。子牙點砲出營。余元一見子牙，大呼曰：「只叫懼留孫來會我！」子牙曰：「道友，你好不知天命！據道友要燒死土行孫，

自無逃躲，豈知有他師父來救他，正所謂有福之人，縱千方百計而不能加害；無福之人遇溝壑而喪其軀。此豈人力所能哉！」余元大怒曰：

「巧言匹夫尚敢為他支吾！」催開五雲駝，使寶劍來取。子牙坐下四不相，手中劍赴面相迎。二獸相交，雙劍併舉，兩家一場大戰，怎見得，有詞為證：

凜凜征雲萬丈高，軍兵擂鼓把旗搖。一個是封神都領袖；一個是監齋名姓標。這個正道奉天滅紂王；那個是無福成仙自逞高。這個是六韜之內稱始祖；那個是惡性兇心怎肯饒。自來有福催無福，天意循環怎脫逃。

話說子牙大戰余元，未及十數合，被懼留孫祭綱仙繩在空中，命黃巾力士半空將余元拿去，止有五雲駝跳進入關中。子牙與懼留孫將余元拿至中軍。余元曰：「姜尚，你雖然擒我，看你將何法治我！」子牙令李靖：「斬訖報來！」李靖領令，推出轅門，將寶劍斬之，一聲響，把寶劍砍缺有二指。李靖回報子牙，備言殺不得之事，說了一遍。子牙親自至轅門，命韋護祭起降魔杵打，只打得騰騰煙出，烈烈火飛。余元作歌曰：

「君不見天皇得道將身煉，修仙養道碧遊宮。坎虎離龍方出現，五行隨我任心遊。四海三江都走遍，頂金頂玉秘修成。曾在爐中仙火煨。你今斬我要分明，自古一劍還一劍，漫道余言說不靈。」

余元作歌罷，子牙心下十分不樂，與懼留孫共議：「如今放不得余元，且將他囚於後營，等取了關，再做區處。」懼留孫曰：「子牙，你可命匠人造一鐵櫃，將余元沉於北海，以除後患。」子牙命鐵匠急造，鐵櫃造成，將余元放在櫃內。懼留孫命黃巾力士抬定了，往北海中一丟，沉於海底。黃巾力士回復懼留孫法旨。不表。

且說余元入於北海之中，鐵櫃亦是五金之物，況又丟在水中，此乃金水相生，反助了他一臂之力。余元借水遁走了，逕往碧遊宮紫芝崖下來。余元被綱仙繩捆住，不得見截教門人傳與掌教師尊。忽聽得一個道童，唱道情而來，詞曰：

「水遙山遙，隔斷紅塵道。粗袍敞袍，袖裏乾坤倒。日月肩挑，乾坤懷抱。常自把煙霞嘯傲，天地逍遙。龍降虎伏道自高，紫霧護新巢，白雲做故交。長生不老，只在壺中一覺。」

話說余元大呼曰：「那一位師兄，來救我之殘喘！」水火童兒見紫芝崖下一道者，青面紅髮，巨口獠牙，綱在那裏，童兒問曰：「你是何人，今受此厄？」余元曰：「我乃是金靈聖母門下，蓬萊島一氣仙余原是也；今被姜子牙，將我沉於北海，幸天不絕我，得借水遁，方能到得此間。望師兄與我通報一聲。」水火童兒逕來見金靈聖母備言余元一事。金靈聖母聞言大怒，急至崖前。不見還可，越見越怒。金靈聖母逕進宮內，見通天教主行體畢，言曰：「弟子一事啟老師：人言崑崙門下欺滅吾教，俱是耳聽；今將一氣仙余元，他得何罪，竟用鐵櫃沉於北海；幸不絕生，借水遁逃至於紫芝崖。望老師大發慈悲，救弟子等體面。」通天教主曰：「如今在那裏？」金靈聖母曰：

「在紫芝崖。」通天教主吩咐：「抬將來。」少時，將余元抬至宮前。碧遊宮多少截教門人，看見余元，無不動氣。只見金鐘聲響，玉磬齊鳴，掌教師尊來至，到了宮前，一見諸大弟子，齊言：「闡教門人欺吾

教太甚！」教主看見余元，這等光景，教主也覺得難堪，先將一道符印對余元身上，教主用手一彈，只見細仙繩吊下來。古語雲：「聖人怒發不上臉。」隨命余元：「跟吾進宮。」教主取一物與余元，曰：「你去把懼留孫拿來見我，不許傷他。」余元曰：「弟子知道。」正是：

聖人賜與穿心鎖，只恐皇天不肯從。話說余元得了此寶，離了碧遊宮，借土遁而來。行得好快，不須臾，已至汜水關。有報事馬報入關中：「有余道長到了。」韓榮降階迎接到殿。欠身言曰：

「聞老師失利，被姜尚所擒，使末將身心不安。今得睹天顏，韓榮不勝幸甚！」余元曰：「姜尚用鐵櫃把我沉於北海，幸吾借小術到吾師尊那所在，借得一件東西，可以成功。可將吾五雲駝收拾，打點出關，以報此恨。」余元隨上騎，至周營轅門，坐名只要懼留孫。報馬報入中軍：

「啟元帥：余元搦戰，只要懼留孫。」幸而懼留孫不曾回山。子牙大驚，忙請懼留孫商議。懼留孫曰：「余元沉海，畢竟借水遁潛逃至碧遊宮，想通天教主必定借有奇寶，方敢下山。子牙，你還與他答話，待吾再擒他進來，且救一時燃眉之急。若是他先祭其寶，則吾不能支耳。」子牙曰：「道兄言之有理。」子牙傳令：「點砲。」帥旗展動，子牙至軍前。余元大呼曰：「姜子牙，我與你今日定見雌雄！」催開五雲駝，惡狠狠飛來直取。姜子牙手中劍赴面交還。只一合，懼留孫祭起細仙繩，命黃巾力士：「將余元拿下！」只聽得一聲響，又將余元平空拿去了。正是：

秋風未動蟬先覺，暗送無常死不知。余元不限防暗中下手。子牙見拿了余元，其心方安；進營，將余元放在帳前。子牙與懼留孫共議：「若殺余元，不過五行之術，想他俱是會中人，如何殺得他？倘若再走了，如之奈何！」正所謂：「生死有定，大數難逃。」余元正應「封神榜」上有名之人，如何逃得。子牙在中軍正無法可施，無籌可展，忽然報：「陸壓道人來至。」子牙同懼留孫出營相接。至中軍，余元一見陸壓，只認得仙魂縹緲，面似淡金，余元悔之不及。余元曰：「陸道兄，你既來，還求你慈悲我。可憐我千年道行，苦盡功夫。從今知過必改，再不敢干犯西兵。」陸壓曰：「你逆天行事，天理難容；況你是『封神榜』上之人，我不過代天行罰。」正是：

不依正理歸邪理，仗你胸中道術高。誰知天意扶真主，吾今到此命難逃。」

陸壓曰：「取香案。」陸壓焚香爐中，望崑崙山下拜，花籃中取出一個葫蘆，放在案上，揭開葫蘆蓋；裏邊一道白光如線，起在空中，現出七寸五分橫在白光頂上，有眼有翅。陸壓口裏道：

「寶貝請轉身！」那東西在白光之上連轉三匹轉，可憐余元斗大一顆首級落將下來。有詩單道斬將封神飛刀，有詩為證：

先煉真元後運功，此中玄妙配雌雄。惟存一點先天訣，斬怪誅妖自不同。

話說陸壓用飛刀斬了余元，他一靈已進封神臺去了。子牙欲要號令，陸壓曰：「不可。余元原有仙體，若是暴露，則非體矣。用土掩埋。」陸壓與懼留孫辭別歸山。

且說韓榮打聽余元已死，在銀安殿與眾將共議曰：「如今余道長已亡，再無可敵周將者。況兵臨城下，左右關

隘俱失與周家；子牙麾下俱是道德術能之士，終不得取勝。欲要歸降，不忍負成湯之爵位；如不歸降，料此關難守，終被周人所擄。為今之計，奈何，奈何！」旁有偏將徐忠曰：「主將既不忍有負成湯，決無獻關之理。吾等不如將印綬掛在殿庭，文冊留與府庫，望朝歌拜謝皇恩，棄官而去，不失盡人臣之道。」韓榮聽說，俱從其言，隨傳令眾軍士：「將府內資重之物，打點上車。」欲隱跡山林，埋名丘壑。此時眾將官各自去打點起行。韓榮又命家將搬運金珠寶玩，扛抬細軟衣帛。紛紜喧嘩，忽然驚動韓榮二子，一在後園中設造奇兵，欲拒子牙。弟兄二人聽得家中紛紛然闐亂，走出庭來，只見家將扛抬箱籠，問其緣故，家將把棄關的話說了一遍。二人聽罷：「你們且住了，我自自有道理。」二人齊來見父親。不知凶吉如何，且聽下回分解。

第七十六回 鄭倫捉將取汜水 詩曰：萬刃車凶勢莫當，風狂火聚助強梁。旗旛若焰皆逢劫，將士遭殃盡帶傷。白晝已難遮半壁，黃昏安可護三鄉。誰知督運能催命，二子逢之刻下亡。

話說韓榮坐在後廳，吩咐將士，亂紛紛的搬運物件，早驚動長子韓昇、次子韓變。二人見父親如此舉動，忙問左右曰：「這是何說？」左右將韓榮前事說了一遍。二人忙至後堂，來見韓榮曰：「父親何故欲搬運家私？棄此關隘，意欲何為？」韓榮曰：「你二人年幼，不知世務，快收拾離此關隘，以避兵燹，不得有誤。」韓昇聽得此語，不覺失聲笑曰：「父親之言差矣！此言切不可聞於外人，空把父親一世英名污了。父親受國家高爵厚祿，衣紫腰金，封妻蔭子，無一事不是恩德。今主上以此關托重於父親，父親不思報國酬恩，捐軀盡節，反效兒女子之計，貪生畏死，遺譏後世，此豈大丈夫舉止，有負朝廷倚任大臣之意。古云：『在社稷者死社稷，在封疆者死封疆。』父親豈可輕議棄去。孩兒弟兄二人，曾蒙家訓，幼習弓馬，遇異人，頗習有異術，未曾演熟；連日正自操演，今日方完，意欲進兵，不意父親有棄關之舉。孩兒願效一死盡忠於國。」韓榮聽罷，點頭歎曰：「『忠義』二字，我豈不知；但主上昏瞶，荒淫不道，天命有歸，若守此關，又恐累生民塗炭，不若棄職歸山，救此一方民耳。況姜子牙門下又多異士，余化、余元俱罹不測，又何況其下者乎！此雖是你兄弟二人忠肝義膽，我豈不喜，只恐畫虎不成，終無補於實用，徒死無益耳。」韓昇曰：「說那裏的話來！食人之祿，當分人之憂。若都是自為之計，則朝廷養士何用。不肖孩兒願捐軀報國，萬死不辭。父親請坐，俟我兄弟取一物來與父親過目。」韓榮聽罷，心中也自暗喜：「吾門也出此忠義之後。」韓昇到書房中取出一物，乃是紙做的風車兒：當中有一轉盤，一隻手執定中間一竿，周圍推轉，如飛轉盤；上有四首旛，旛上有符有印，又有「地、水、火、風」四字，名為「萬刃軍」。韓榮看罷，問曰：「此是孩兒玩耍之物，有何用處？」韓昇曰：「父親不知其中妙用，父親如不信，且下教場中，把這紙車兒試驗試驗與老爺看。」韓榮見二子之言甚是鑿鑿有理，隨命下教場來。韓昇兄弟二人上馬，各披髮仗劍，口中念念有詞，只見雲霧陡生，陰風颯颯，火焰沖天，半空中有

百萬刀刀飛來，把韓榮唬得魂不附體。韓昇收了此車。韓榮曰：「我兒，你是何人傳你的？」韓昇曰：「那年父親朝觀之時，俺弟兄閑居無事，在府前玩耍。來了一個陀頭，叫做法戒，在我府前化齋。俺弟兄就與了他一齋，他就叫我們拜他為師。我們那時見他體貌異常，就拜他為師。他說道：『異日姜尚必有兵來，我秘授你此法寶，可破周兵，可保此關。』今日正應我師之言，定然一陣成功，姜尚可擒也。」韓榮大喜，隨令韓昇收了此寶，仍問曰：「我兒還可用人馬，你此車約有多少？」韓昇曰：「此車有三千輛，那怕姜尚雄師六十萬耶！一陣管教他片甲不存！」韓榮忙點三千精銳之兵與韓昇兄弟二人，在教場操演三萬刀車。正是：

余元相阻方纔了，又是三軍屠戮災。話說韓昇用三千人馬，俱穿皂服，披髮赤腳，左手執車，右手仗刀，任意誅軍殺卒。操練有二七日期，軍士精熟。那日，韓榮父子統精兵出關搦戰。

話說子牙只因破了余元，打點設計取關，只聽得關內砲響。少時探馬報入中軍，稟曰：「汜水關總兵韓榮領兵出關，請元帥答話。」子牙忙傳令與眾門人、將士：「統大隊出營。」子牙會過韓榮一次，那裏知道有這場虧累，去提防他。子牙問曰：「韓將軍，你時勢不知，天命不順，何以為將？速速倒戈，免致後悔。」韓榮笑曰：「姜子牙，倚著兵強將勇，不知你等死在咫尺之間，尚敢耀武揚威，數白道黑也！」子牙大怒：「誰與我把韓榮拿下？」旁有魏賁，縱馬搖鎗，衝殺過來。韓榮腦後有兩員小將，乃韓昇、韓變，二人搶出陣來，截住了魏賁。魏賁大呼曰：「來者二將何人？」韓昇曰：「吾乃韓總兵長子韓昇，吾弟韓變是也。你等恃強，欺君罔上，罪惡滔天，今日乃爾等絕命之地矣！」魏賁大怒，縱馬搖鎗，飛來直取。韓昇、韓變兩騎赴面交還，未及數合，韓昇撥轉馬往後就走。魏賁不知是計，往下趕來。韓昇回頭見魏賁趕來，把頂上冠除了，把鎗一擺，三萬刀車殺將出來，勢如風火，如何抵當。只見萬刀車捲來，風火齊至。怎見得好萬刀車，有讚為證：

雲迷世界，霧罩乾坤。颯颯陰風沙石滾，騰騰煙焰蟒龍奔。風乘火勢，黑氣平吞。風乘火勢，戈矛萬道怯人魂；黑氣平吞，目不難觀前後土。魏賁中刃，幾乎墜下馬鞍鞵；武吉著刀，險些斬了三寸氣。滑喇喇風聲捲起無情石，黑暗暗刀痕剝壞將和兵。人撞人，哀聲慘戚；馬蹶馬，鬼哭神驚。諸將士慌忙亂走；眾門人借遁而行。忙壞了先行元帥；攪亂了武王行營。那裏是青天白日，恍如是黑夜黃昏。子牙今日兵遭厄，地覆天翻怎太平。

話說子牙被萬刀車一陣只殺得屍山血海，衝過大陣來，勢不可當。韓榮低頭一想，計上心來，忙傳令：「鳴金收軍！」韓昇、韓變聽得金聲，收回萬刀車。子牙方得收住人馬，計傷士卒七八千有餘。子牙陞帳，眾將官俱在帳內，彼此俱言：「此一陣利害，風火齊至，勢不可當。」子牙曰：「不知此刃是何名目？」眾將曰：「一派利刃，漫空塞地而來，風火助威，勢不可敵；非若軍士可以力敵也。」子牙心下十分不樂，納悶軍中。不表。且說韓榮父子進關，韓昇曰：「今日正宜破周，擒拿姜尚，父親為何鳴金

收軍？」韓榮曰：「今日是青天白日，雖有雲霧風火，姜尚門人俱是道術之士，自有準備，保護自身，如何得一般盡絕？我有一絕後計，使他不得整備，黑夜裏仗此道術，使他片甲不存，豈不更妙！」二人欠身曰：「父親之計，神鬼莫測！」正是：

安心要劫周營寨，只恐高人中道來。
話說韓榮打點夜劫周營，收拾停當，只等黑夜出關。不表。只見子牙在營納悶，想：「利刃風火，果是何物，來得甚惡，勢如山倒，莫可遮攔？此畢竟是截教中之惡物！」當日已晚，子牙因今日不曾打點，致令眾將著傷，心下憂煩，不曾防備今夜劫寨。也是合該如此。眾將因早間失利，俱去安歇。且說韓榮父子將至初更，暗暗出關，將那三千萬刃車雄兵殺至轅門。周營中雖有鹿角，其如這萬刃車，有風火助威，刃如驟雨，砲聲響亮，齊衝至轅門，誰敢抵當，真是勢如破竹。怎見得，正是：

四下裏大砲亂響，萬刃車刀劍如梭。三軍踴躍縱征，馬蹏人身逕過。風起處遮天迷地，火來時煙飛焰裏。軍吶喊，天翻地覆；將用法，虎下崖坡。著刀軍連聲叫苦；傷鎗將鎧甲難馱。打著的焦頭爛額；絕了命身臥沙窩。姜子牙有法難使；金、木二吒也自難摹。李靖難使金塔；雷震子止保皇哥。南宮适抱頭而走；武成王不顧兵戈。四賢八俊俱無用，馬死人亡遍地拖。正是：遍地草梢含碧血，滿田低陷壘行屍。

且說韓昇、韓變兄弟二人，夜劫子牙行營，喊聲連天，衝進轅門。子牙在中軍忽聽得劫營，急自上騎。左右門人俱來中軍護衛。只見黑雲密布，風火交加，刀刃齊下，如山崩地裂之勢，燈燭難支。三千火車兵衝進轅門，如潮奔浪滾，如何抵當。況且黑夜，彼此不能相顧，只殺得血流成渠，屍骸遍野，那分別人自己。武王上了逍遙馬，毛公遂、周公旦保駕前行。韓榮在陣後擂鼓，催動三軍，只殺得周兵七零八落，君不能顧臣，父不能顧子。只見韓昇、韓變趁勢趕子牙，幸得子牙執著杏黃旗，遮護了前面一段；軍士將領一擁奔走。韓昇、韓變二人催著萬刃車往前緊趕，把子牙趕得上天無路。直殺到天明，韓昇、韓變大叫曰：「今日不捉姜尚，誓不回兵！」望前越趕，吩咐三千兵卒曰：「不入虎穴，焉得虎子！」子牙見韓昇趕至無休，看看至金雞嶺下，只見前面兩杆大紅旗展，子牙見是催糧官鄭倫來至，其心少安。

且說鄭倫坐騎出山口，正迎子牙，忙問曰：「元帥為何失利？」子牙曰：「後有追兵，用的是萬刃車，又是風火助威，勢不可當。此是左道異術，你仔細且避其銳。」鄭倫把坐下金睛獸一磕，往前迎來。只見韓昇兄弟在前緊趕，三千兵隨後，少離半射之地。鄭倫與韓昇、韓變撞頭滿懷，鄭倫大喝曰：「好匹夫！怎敢追我元帥！」韓昇曰：「你來也替不得他！」把鎗搖動來刺。鄭倫手中杵赴面交還，鄭倫知他萬刃車利害，只見後面一片風火兵刃擁來，鄭倫知其所以，只一合，忙運動鼻子內兩道白光，一聲響，對著韓昇兄弟二人哼了一聲，韓昇、韓變兄弟二人坐不住鞍轡，翻下馬來，被烏鴉兵生擒活捉，上了繩索。兄弟兩個方睜開眼時，見已被擒捉：「呀」的一聲歎曰：「天亡我也！」後面三千兵架車前進，見主將被擒，其法已解，風

火兵刃，化為烏有，眾兵撤回身，就跑奔回來，正遇韓榮任意趕殺周兵，看見三千兵奔回，風火兵刃全無，不見二子回來，忙問曰：「二位小將軍安在？」眾兵曰：「二位將軍趕姜子牙至一山邊，只見一將出來，與二位將軍交戰，未及一合，不知怎麼跌下馬來，被他捉去。我等在後，不一時，風火兵刃全無，止有此車而已，只得敗回，幸遇老將軍，望乞定奪。」韓榮聽得二子被擒，心中惶惶，不敢戀戰，只得收兵進關。不表。

且說鄭倫擒了二將，來見子牙。子牙大喜，押在糧車上，同子牙回軍；於路遇著武王、毛公遂等，眾門人諸將齊集，大抵是夤夜交兵，便是有道術的也只顧得自己，故此大折一陣。子牙問安，武王曰：「孤幾乎諒殺！幸得毛公遂保孤，方得免難。」子牙曰：「皆是尚之罪也。」彼此安慰，治酒壓驚，一宿不表。次日，整頓雄師，便至汜水關下紮營，放砲吶喊，聲振天地，韓榮聽得砲聲響，著人打探；來報曰：「啟總兵：周兵復至關下安營。」韓榮大驚：「周兵復至，吾子休矣！」親自上城，差官打聽。

且說子牙陞帳坐下，眾將參謁畢，子牙傳令，擺五方隊伍，吾親自取關。」眾將官切齒深恨韓昇、韓變。子牙至關下叫曰：「請韓總兵答話！」韓榮在城樓上現身，大叫曰：「姜子牙，你是敗軍之將，焉敢復來至此？」子牙大笑曰：「吾雖誤中你的奸計，此關我畢竟要取你的。你知那得勝將軍今已被我擒下。」命兩邊左右：「押過韓昇、韓變來！」左右將二人押過來，在馬頭前。韓榮見二子蓬頭跣足，繩縛二臂，押在軍前，不覺心痛，忙大叫曰：「姜元帥，二子無知，冒犯虎威，罪在不赦，望元帥大開惻隱，憐而赦之，吾願獻汜水關以報之耳。」韓昇大呼曰：「父親不可獻關！你乃紂王之股肱，食君之重祿，豈可惜子之命，而失臣節也！只宜謹守關隘，俟天子救兵到日，協力同心，共擒姜尚匹夫，那時碎屍萬段，為子報仇，未為晚也。我二人萬死無恨！」子牙聽得大怒，令左右：「斬之！」只見南宮适奉令，手起刀落，連斬二將於關下。韓榮見子受誅，心如刀割，大叫一聲，往城下自墜而死。可憐父子三人，捐軀盡節，千古罕及。後人有詩讚之：

汜水滔滔日夜流，韓榮志與國同休。父存臣節孤猿泣，子盡忠貞老鶴愁。一死依稀酬社稷，三魂縹緲傲王侯。如今屈指應無愧，笑殺當年兒女儔。」

話說韓榮墜城而死，城中百姓開關，迎接子牙人馬進汜水關。父老焚香迎接武王進帥府，眾將官歡喜，查點府庫錢糧停妥，出榜安民。武王命厚葬韓榮父子，子牙傳令，治酒款待有功人員，在關上住了三四日。且說乾元山金光洞太乙真人在碧遊床靜坐，忽金霞童兒來報：「有白鶴童兒至此。」太乙真人出洞，見白鶴童兒手執玉劄降臨，言曰：「請師叔下山，同會誅仙陣。」太乙真人望崑崙謝恩畢，白鶴童子回玉虛。不表。

且說太乙真人吩咐：「叫哪吒來。」慌忙來至，見師父行禮畢，真人曰：「你如今養的傷痕痊癒，你可先下山，我隨後就來，共破誅仙陣也。」哪吒領師命，方欲下山，真人曰：「你且站住。當日玉虛宮掌教天尊也曾贈子牙三盃酒；你今下山，我也贈你三盃如何？」哪吒感謝，

真人命金霞童兒斟酒過來，贈哪吒頭一盃酒；哪吒謝過，一飲而盡。真人袖內取一枚棗兒遞與哪吒過酒。哪吒連飲三盃，吃了三枚火棗。真人送哪吒出洞府，看哪吒上了風火輪，真人方進洞去。哪吒提火尖鎗，方欲駕土遁前行，只見左邊一聲響，長出一隻臂膊來。哪吒大驚曰：「怎的了？」還不曾說得完，右邊也長出一隻臂膊來。哪吒唬得目瞪口呆。只聽得左右齊聲響，長出六隻手來，共是八條臂膊；又長出三個頭來。哪吒著慌，無可奈何，自思：「且回去，問我師父來。」只得登回風火輪，方至洞門，只見太乙真人也至門首，拍掌大笑曰：「奇哉！奇哉！」有詩為證：

瓊漿三盞透三關，火棗頻添壯士顏。八臂已成神妙術，三頭莫作等閒看。須臾變化超凡聖，頃刻風雷任往還。不是西岐多異士，只因天意惡奸讒。

話說哪吒回來見太乙真人，曰：「弟子長出這些手，丫丫叉叉，怎好用兵？」真人曰：「子牙行營有許多異士，然而有雙翼者，有變化者，有地行者，有奇珍者，有異寶者，今著你現三頭八臂，不負我金光洞裏所傳。此去進五關，也見周朝人物稀奇，個個俊傑。這法隱隱現現，但憑你自己心意。」哪吒感謝師尊恩德。太乙真人傳哪吒隱現之法，哪吒大喜，一手執乾坤圈，一手執混天綾，兩隻手擎兩根火尖鎗，還空三手。真人又將九龍神火罩，又取陰陽劍，共成八件兵器。哪吒拜辭了師父下山，逕往汜水關來。正是：

余化刀傷歸洞府，今朝變化更神通。且說姜元帥在汜水關計點軍將，收拾界牌關，忽然想起師尊偈來：「『界牌關下遇誅仙』，此事不知有何吉凶。且不可妄動。」又思：「若不進兵，恐誤誤了日期。」正在殿上憂慮，忽報：「黃龍真人來至。」子牙迎接至中堂，打稽首，分賓主坐下。黃龍真人曰：「前邊就是誅仙陣，非可草率前進。子牙可吩咐門人，搭起蘆篷席殿，迎接各處真人異士，伺候掌教師尊，方可前進。」子牙聽畢，忙令南宮适、武吉起蓋蘆篷去了。

且說哪吒現了三首八臂，登風火輪，面如藍靛，發似朱砂，丫丫叉叉，七八隻手，走進關來。軍校不知是哪吒現此化身，著忙飛報子牙：「稟元帥：外面有一個三頭八臂的將官，要進關來，請令定奪。」子牙令李靖：「去探來。」李靖出府，果見三頭八臂的人，甚是凶惡，李靖問曰：「來者何人？」哪吒見是李靖，忙叫：「父親，孩兒是三太子哪吒。」李靖大驚，問曰：「你如何得此大術？」哪吒把火棗之事說了一遍。李靖進殿回子牙，備言前事。子牙大喜，傳令：「令來。」哪吒進殿，拜見元帥。眾將觀之，無有不悅，俱來稱賀。不表。且見次日南宮适來回報曰：「稟元帥：蘆篷俱已完備。」黃龍真人曰：「如今只是洞府門人去得，以下將官一概都去不得。」子牙傳下令來：「諸位官將保武王緊守關隘，不得擅離。我同黃龍真人與諸門人弟子前去蘆篷，伺候掌教師尊與列位仙長，會誅仙陣。如有妄動者，定按軍法。」眾將領命去訖。子牙進後殿來見武王，曰：「臣先去取關，大王且同眾將住於此處。俟取了界牌關，差官來接聖駕。」武王曰：「相父前途保重。」子牙感謝畢，復至前殿，與黃龍真人同眾門弟子離了汜水關，行有四十

里，來至蘆篷。只見懸花結綵，疊錦鋪氈。黃龍真人同子牙上了蘆篷坐下。少時間，只見廣成子來至；赤精子隨至。次日，懼留孫、文殊廣法天尊、普賢真人、慈航道人、玉鼎真人來至；隨後有雲中子、太乙真人、清虛道德真君、道行天尊、靈寶大法師俱陸續來至。子牙一一上下迎接，俱至蘆篷坐下。少時，又是陸壓道人來至，稽首坐下。陸壓曰：「如今誅仙陣一會，只有萬仙陣再會一次，吾等劫運已滿，自此歸山，再圖精進，以正道果。」眾道人曰：「師兄之言正是如此。」眾皆默坐，專候掌教師尊。不一時，只聽得空中有環佩之聲，眾仙知道是燃燈道人來了，眾道人起身，降階迎上篷來，行禮坐下。燃燈道人曰：「誅仙陣只在前面，諸友可曾見麼？」眾道人曰：「前面不見甚麼光景。」燃燈曰：「那一派紅氣罩住的便是。」眾道友俱起身，定睛觀看。不表。

且說多寶道人已知闡教門人來了，用手發一聲掌心雷，把紅氣展開，現出陣來。蘆篷上眾仙正看，只見紅氣閃開，陣圖已現，好利害：殺氣騰騰，陰雲慘慘，怪霧盤旋，冷風習習，或隱或現，或昇或降，上下反覆不定。內中有黃龍真人曰：「吾等今犯殺戒，該惹紅塵，既遇此陣，也當得一會。」燃燈曰：「自古聖人云：只觀善地千千次，莫看人間殺伐臨。」內中有十二代弟子倒有八九位要去。燃燈道人阻不住，齊起身下了蘆篷，諸門人也隨著來看此陣。行至陣前，果然是驚心駭目，怪氣冷人。眾仙俱不肯就回，只管貪看。不知後事如何，且聽下回分解。第七十七回 老子一蕪化三清 詩曰：

一氣三清勢更奇，壺中妙法貫須彌。移來一木還生我，運去分身莫浪疑。

誅戮散仙根行淺，完全正果道無私。須知順逆皆天定，截教門人枉自癡。

話說眾門人來看誅仙陣，只見正東上挂一口誅仙劍，正南上挂一口戮仙劍，正西上挂一口陷仙劍，正北上挂一口絕仙劍，前後有門有戶，殺氣森森，陰風颯颯。眾人貪看，只聽得裏面作歌曰：

「兵戈劍戈，怎脫誅仙禍；情魔意魔，反起無名火。今日難過，死生在我。玉虛宮招災惹禍，穿心寶鎖，回頭纔知往事訛。咫尺起風波。這番怎逃躲。自倚才能，早晚遭折挫！」

話說多寶道人在陣內作歌，燃燈曰：「眾道友，你們聽聽作的歌聲，豈是善良之輩！我等且各自回蘆篷，等掌教師尊來，自有處治。」話猶未了，方欲回身，只見陣內多寶道人仗劍一躍而出，大呼曰：「廣成子不要走，吾來也！」廣成子大怒曰：「多寶道人，如今又是在你碧遊宮，倚你人多，再三欺我；況你掌教師尊吩咐過，你等全不遵依，又擺此誅仙陣。我等犯了殺戒，畢竟你等俱入劫數之內，故造擺此業障耳。正所謂：『閻羅註定三更死，怎肯留人到五更』！」廣成子仗劍來取多寶道人。道人手中劍赴面交還。怎見得：仙風陣陣滾塵沙，四劍忙迎影亂斜。一個是玉虛宮內真人輩；一個是截教門中根行差。一個是廣成不老神仙體；一個是多寶西方拜釋迦。二教只因逢殺運，誅仙陣上亂如麻。話說廣成子祭起番天印，多寶道人躲不及，一印正中後心，撲的打了一跌，多寶道人逃回陣中去了。燃燈曰：「且各自回去，再作商議。」眾仙俱上蘆篷坐下。只聽得半空中仙樂齊鳴，異香縹緲，從空而降。眾仙下篷來，迎掌教師尊。只見元始天尊坐九龍沉香輦，馥馥香煙，氤氳偏地。正是：提爐對對煙生霧，羽扇分開白鶴朝。話說燃燈眾人明香引道，接上蘆篷。元始坐下，諸弟子拜畢，元始曰：「今日誅仙陣上，纔分別得彼此。」元始正坐，弟子侍立兩邊。至子時正，元始頂上現出慶雲，垂珠瓔珞，金花萬朵，絡繹不斷，遠近照耀。多寶道人正在陣中打點，看見慶雲升起，知是元始降臨，自思：「此陣必須我師尊來至，方可有為；不然，如何抵得過他？」次日，果見碧遊宮通天教主來了。半空中仙音響亮，異香襲襲，隨侍有大小眾仙，來的是截教門中師尊。怎見他的好處，有詩為證：鴻鈞生化見天開，地丑人寅上法臺。煉就金身無量劫，碧遊宮內育多才。話說多寶道人見半空中仙樂響亮，如是他師尊來至，忙出陣拜迎進了陣，卜了八卦臺坐下，眾門人侍立臺下，有上四代弟子，乃多寶道人、金靈聖母、武當聖母、龜靈聖母；又有金光仙、烏雲仙、毘盧仙、靈牙仙、虯首仙、金箍仙、長耳定光仙相從在此。通天教主乃是掌截教之鼻祖，修成五氣朝元，三花聚頂，也是萬劫不壞之身。至子時，五氣沖空。燃燈已知截教師尊來至。次日天明，燃燈啟曰：「老師，今日可會誅仙陣麼？」元始曰：「此地豈久居之所？」吩咐弟子：「排班。」赤精子對廣成子；太乙真人對靈寶大法師；清虛道德真君對懼留孫；文殊廣法天尊對普賢真人；雲中子對慈航道人；玉鼎真人對道行天尊；黃龍真人對陸壓；燃燈同子牙在後；金、木二吒執提爐；韋護與雷震子並列；李靖在後；哪吒先行。只見誅仙陣內金鐘響處，一對旗開，只見奎牛上坐的是通天教主，左右立諸代門人。通天教主見元始天尊，打稽首曰：「道兄請了！」元始曰：「賢弟為何設此惡陣？這是何說？當時在你碧遊宮共議『封神榜』，當面彌封，立有三等：根行深者，成其仙道；根行稍次，成其神道；根行淺薄，成其人道，仍隨輪迴之劫。此乃天地之生化也。成湯無道，氣數

當終；周室仁明，應運當興，難道不知，反來阻逆姜尚，有背上天垂象。且當日『封神榜』內應有三百六十五度，分有八部列宿群星，當有這三山五岳之人在數，賢弟為何出乎反乎，自取失信之愆。況此惡陣，立名便自可惡。只『誅仙』二字，可是你我家道家所為的事！且此劍立有『誅』、『戮』、『陷』、『絕』之名，亦非是你我家道家所用之物。這是何說，你作此禍端？」通天教主曰：「道兄不必問我，你只問廣成子，便知我的本心。」元始問廣成子曰：「這事如何說？」廣成子把三謁碧遊宮的事說了一遍。通天教主曰：「廣成子，你曾罵我的教下不論是非，不分好歹，縱羽毛禽獸亦不擇而教，一體同觀。想吾師一教傳三友，吾與羽毛禽獸相並；道兄難道與我不是一本相傳？」元始曰：「賢弟，你也莫怪廣成子。其實，你門下胡為亂做，不知順逆，一味恃強，人言獸行。況賢弟也不擇是何根行，一意收留，致有彼此搬鬥是非，令生靈塗炭。你心忍乎！」通天教主曰：「據道兄所說，只是你的門人有理，連罵我也是應該的？不念一門手足罷了。我已是擺了此陣，道兄就破吾此陣，便見高下。」元始曰：「你要我破此陣，這也不難，待吾自來見你此陣。」通天教主兜回奎牛，進了戮仙門；眾門人隨著進去。且看元始進來破此陣。正是：

截闡道德皆正果，方知兩教不虛傳。

話說元始在九龍沉香輦上，扶住飛來椅，徐徐正行至東震地，乃誅仙門。門上挂一口寶劍，名曰誅仙劍。元始把輦一拍，命四揭諦神撮起輦來，四腳生有四枝金蓮花；花瓣上生光；光上又生花。一時有萬朵金蓮照在空中。元始坐在當中，逕進誅仙陣門來。通天教主發一聲掌心雷，震動那一口寶劍一幌，好生利害！雖是元始，頂上還飄飄落下一朵蓮花來。元始進了誅仙門，裏邊又是一層，名為誅仙闕。元始從正南上往裏走，至正西，又在正北坎地上看了一遍。元始作一歌以笑之，歌曰：

「好笑通天有厚顏，空將四劍挂中間。枉勞用盡心機術，獨我縱橫任往還。」

話說元始依舊還出東門而去。眾門人迎接，上了蘆篷。燃燈請問曰：「老師！此陣中有何光景？」元始曰：「看不得。」南極仙翁曰：「老師既入陣中，今日如何不破了他的，讓姜師弟好東行？」元始曰：「古云：『先師次長。』雖然吾掌此教，況有師長在前，豈可獨自專擅？候大師兄來，自有道理。」話說未了，只聽得半空中一派仙樂之聲，異香縹緲，板角青牛上坐一聖人，有玄都大法師牽住此牛，飄飄落下來。元始天尊率領眾門人前來迎接。怎見得，有詩為證：

不二門中法更玄，汞鉛相見結胎仙。未離母腹頭先白，纔到神霄氣已全。室內煉丹攬戊己，爐中有藥奪先天。生成八景宮中客，不記人間幾萬年。

話說元始見太上老君駕臨，同眾門人下篷迎接，二人攜手上篷坐下，眾門人下拜，侍立兩旁。老子曰：「通天賢弟擺此誅仙陣，反阻周兵，使姜尚不得東行，此是何意？吾因此來問他，看他有甚麼言語對我。」元始曰：「今日貧道自專，先進他陣中走了一遭，未曾與他較量。」老子曰：「你就破了他的罷了。他肯相從就罷；他若不肯相從，便將他掌上紫雲宮去見老師，看他如何

講。」二位教主坐在篷上，俱有慶雲彩氣上通於天，把界牌關照耀通紅。至次日天明，通天教主傳下法旨，令眾門人排班出去：「大師兄也來了，看他今日如何講？」多寶道人同眾門人擊動了金鐘玉磬，逕出誅仙陣來，請老子答話。哪吒報上篷來。少時，蘆篷裏香煙靄靄，瑞彩翩跹，你看老子騎著青牛而來。怎見得，有詩為證：

騎牛遠遠

過前村，短笛仙音隔隴聞。闢地開天為教主，爐中煉出錦乾坤。話說老子至陣前，通天教主打稽首曰：「道兄請了。」老子曰：「賢弟，我與你三人共立『封神榜』，乃是體上天應運劫數。你如何反阻周兵，使姜尚有違天命？」通天教主曰：「道兄，你休要執一偏向。廣成子三進碧遊宮，面辱吾教，惡語詈罵，犯上不守規矩。昨日二兄堅意只向自己門徒，反滅我等手足，是何道理？今兄長不責自己弟子，反來怪我，此是何意？如若要我釋怨，可將廣成子送至碧遊宮，等我發落，我便甘休；若是半字不肯，任憑長兄施為，各存二教本領，以決雌雄！」老子曰：

「似你這等說話，反是不偏向的？你偏聽門人背後之言，徹動無明之火，擺此惡陣，殘害生靈；莫說廣成子未必有此言語，便有，也罪不致此。你就動此念頭，悔卻初心，有逆天道，不守清規，有犯嗔痴之戒。你趁早聽我之言，速速將此陣解釋，回守碧遊宮，改過前愆，尚可容你還掌截教；若不聽我言，拿你去紫霄宮，見了師尊，將你貶入輪迴，永不能再至碧遊宮，那時悔之晚矣！」通天教主聽罷，須彌山紅了半邊，修行眼雙睛煙起，大怒，叫曰：「李聃！我和你一體同人，總掌二教，你如何這等欺滅我，偏心護短，一意遮飾，將我搶白，難道我不如你！吾已擺下此陣，斷不與你甘休！你敢來破我此陣？」老子笑曰：「有何難哉！你不可後悔！」正是：

元始大道今舒展，方顯玄都不

二門。老子復又曰：「既然要破我陣，我先讓你進此陣，運用停當，我再進來，毋令得你手慌腳亂。」通天道人大怒曰：「任你進吾陣來，吾自有擒你之處！」道罷，通天道人隨兜奎牛進陷仙門去，在陷仙闕下，等候老子。老子將青牛一拍，往西方兌地來；至陷仙門下，將青牛催動，只見四足祥光白霧，紫氣紅雲，騰騰而起。老子又將太極圖抖開，化一座金橋，昂然入陷仙門來。老子作歌，歌曰：

「玄

黃外兮拜明師，混沌時兮任我為。五行兮在我掌握，大道兮渡進群迷。清靜兮修成金塔，閑遊兮曾出關西。兩手包羅天地外，腹安五嶽共須彌。」話說老子歌罷，逕入陣來。

且說通天教主見老子昂然直入，卻把手中雷放出。一聲響亮，震動了陷仙門上的寶劍。這寶劍一動，任你人仙首落。老子大笑曰：「通天賢弟，少得無禮，看吾扁拐！」劈面打來。通天教主見老子進陣，如入無人之境，不覺滿面通紅，遍身火發，將手中劍火速忙迎。正在戰間，老子笑曰：「你不明至道，何以管立教宗？」又一扁拐照臉打來。通天教主大怒曰：「你有何道術，敢逆誅我的門徒？此恨怎消！」將劍攔拐，二聖人戰在誅仙陣內，不分上下，敵鬥數番。正是：

邪正逞胸中妙訣，水清處

方顯魚龍。話說二位聖人戰在陷仙門裏，人人各自施威。方至半

個時辰，只見陷仙門裏八卦臺下，有許多截教門人，一個個睜睛豎目，那陣內四面八方雷鳴風吼、電光閃灼、霧氣昏迷。怎見得，有讚為證：

風氣呼嘯，乾坤蕩漾；雷聲激烈，震動山川。電掣紅綃，鑽雲飛火；霧迷日月，大地遮漫。風刮得沙塵掩面，雷驚得虎豹藏形，電閃得飛禽亂舞，霧迷得樹木無蹤。那風只攪得通天河波翻浪滾；那雷只震得界牌關地裂山崩；那電只閃得誅仙陣眾仙迷眼；那霧只迷得蘆篷下失了門人。這風真是推山轉石松篁倒；這雷真是威風凜冽震人驚；這電真是流天照野金蛇走；這霧真是彌彌漫漫蔽九重。

話說老子在陷仙門大戰，自己頂上現出玲瓏寶塔在空中，那怕他雷鳴風吼。老子自思：「他只知仗他道術，不知守己修身，我也顯一顯玄都紫府手段與他的門人看看！」把青牛一拎，跳出圈子來；把魚尾冠一推，只見頂上三道氣出，化為三清。老子復與通天教主來戰。只聽得正東上一聲鐘響，來了一位道人，戴九雲冠，穿大紅白鶴絳綃衣，騎白而來；手仗一口寶劍，大呼曰：「李道兄！吾來助你一臂之力！」通天教主認不得，隨聲問曰：「那道者是何人？」道者答曰：「吾有詩為證：混元初判道為先，常有常無得自然。紫氣東來三萬里，函關初度五千年。」

道人作罷詩曰：「吾乃上清道人是也。」仗手中劍來取。通天教主不知上清道人出於何處，慌忙招架。只聽得正南上又有鐘響，來了一位道者，戴如意冠，穿淡黃八卦衣，騎天馬而來；一手執靈芝如意，大呼曰：「李道兄！吾來佐你共伏通天道人！」把天馬一兜，仗如意打來。通天教主曰：「來者何人？」道人曰：「我也認不得，還稱你做截教之主？聽吾道來。詩曰：函關初出至崑崙，一統華夷屬道門。

我體本同天地老，須彌山倒性還存。吾乃玉清道人是也。」通天教主不知其故：「自古至今，鴻鈞一道傳三友；上清、玉清不知從何教而來？」手中雖是招架，心中甚是疑惑。正尋思未已，正北上又是一聲玉磬響，來了一位道人，戴九霄冠，穿八寶萬壽紫霞衣；一手執龍鬚扇，一手執三寶玉如意，騎地吼而來，大呼：「李道兄！貧道來輔你共破陷仙陣也！」通天教主又見來了這一位蒼顏鶴髮道人，心上不安，忙問曰：「來者何人？」道人曰：「你聽我道來。詩曰：混沌從來不計年，鴻濛剖處我居先。參同天地玄黃理，任你傍門望眼穿。吾乃太清道人是也。」四位天尊圍住了通天教主，或上或下，或左或右，通天教主止有招架之功。

且說截教門人見三位來的道人身上霞光萬道，瑞彩千條，光輝燦爛，映目射眼，內有長耳定光仙暗思：「好一個闡教，來得畢竟正氣！」深自羨慕。不知後事如何，且聽下回分解。第七十八回 三教會破誅仙陣 詩曰：誅仙惡陣四門排，黃霧狂風雷火偕。遇劫黃冠遭劫運，墮塵羽士盡塵埋。劍光徒有吞神骨，符印空勞吐黑霾。縱有通天無上法，時逢聖主應多乖。

話說老子一氣化的三清，不過是元氣而已，雖然有形有色，裹住了通天教主，也不能傷他。一此是老子氣化分身之妙，迷惑通天教主，竟不能識。老子見一氣將消，在青牛上作詩一首，詩曰：「先天

而老後天生，借李成形得姓名。曾拜鴻鈞修道德，方知一氣化三清。」

話說老子作罷詩，一聲鐘響，就不見了三位道人。通天教主心下愈加疑惑，不覺出神，被老子打了二三扁拐。多寶道人見師父受了虧，在八卦臺作歌而來。歌曰：

「碧游宮內談玄妙，豈忍吾師扁拐傷；只今舒展胸中術，且與師伯做一場！」

歌罷，大呼：「師伯！我來了！」好多寶道人！仗劍飛來直取。老子笑曰：「米粒之珠，也放光華！」把扁拐架劍，隨取風火蒲團祭起空中，命黃巾力士：「將此道人拿去，放在桃園，俟吾發落！」黃巾力士將風火蒲團把多寶道人捲將去了。正是：

從今棄邪歸正道，他與西方卻有緣。且說老子用風火蒲團把多寶道人拿往玄都去了，老子竟不戀戰，出了陷仙門，來至蘆篷。眾門人與元始迎接坐下。元始問曰：「今日入陣，道兄見裏面光景如何？」老子笑曰：「他雖擺此惡陣，急切也難破他的；被吾打了二三扁拐。多寶道人被吾用風火蒲團拿往玄都去了。」元始曰：「此陣有四門，得四位有力量的方能破得。」老子曰：「我與你只顧得兩處，還有兩處，非眾門人所敢破之陣。此劍你我不怕，別人怎麼經得起？」正議論間，忽見廣成子來稟曰：「二位老師，外面有西方教下準提道人來至。」老子、元始二人忙下篷迎接，請上篷來，敘禮畢，坐下。老子笑曰：「道兄此來，無非為破誅仙陣來，收西方有緣；只是貧道正欲借重，不意道兄先來，正合天數，妙不可言！」準提道人曰：「不瞞道兄說，我那西方：花開見人人見我。因此貧道來東南兩土，未遇有緣；又幾番見東南二處有數百道紅氣沖空，知是有緣，貧道借此而來，渡得有緣，以興西法，故不辭跋涉，會一會截教門下諸友也。」老子曰：「今日道兄此來，正應上天垂象之兆。」準提道人問曰：「這陣內有四口寶劍，俱是先天妙物，不知當初如何落在截教門下？」老子曰：「當時有一分寶巖，吾師分寶鎮壓各方；後來此四口劍就是我通天賢弟得去，已知他今日用此作難。雖然眾仙有厄，原是數當如此。如今道兄來的恰好；只是再得一位，方可破此陣耳。」準提道人曰：「既然如此，總來為渡有緣，待我去請我教主來。正應三教會誅仙，分辨玉石。」老子大喜，準提道人辭了老子，往西方來請西方教主接引道人，共遇有緣。正是：佛光出在周王世，興在明章釋教開。且說準提來至西方，見了接引道人，打稽首坐下。接引道人曰：「道友往東土去，為何回來太速？」準提道人曰：「吾見紅光數百道俱出闌、截二教之門。今通天教主擺一誅仙陣，陣有四門，非四人不能破。如今有了三位，還少一位。貧道特來請道兄去走一遭，以完善果。」西方教主曰：「但我自未曾離清淨之鄉，恐不諳紅塵之事，有誤所委，反為不美。」準提曰：「道兄，我與你俱是自在無為，豈有不能破那有象之陣！道兄不必推辭，須當同往。」接引道人如準提道人之言，同往東土而來。只見足踏祥雲，霎時而至蘆篷。廣成子來稟老子與元始曰：「西方二位尊師至矣。」老子與元始率領眾門人下篷來迎接。見一道人，身高丈六。但見：大仙赤腳棗梨香，足踏祥雲更異常。十二蓮臺演法寶，八德池邊現白光。壽同天地言非謬，福比洪波語豈狂。修成舍利名胎息，清閑極樂是西方。話說老子與元始迎接接引、準提上了蘆篷，打稽首，坐下。老子曰：「今日敢煩，就是三教會盟，共完劫運，非吾等故作此障孽耳。」接引道人曰：「貧道來此，會有緣之客，也是欲了冥數。」元始曰：「今

日四友俱全，當早破此陣，何故在此紅塵中擾攘也！」老子曰：「你且吩咐眾弟子，明日破陣。」元始命玉鼎真人、道行天尊、廣成子、赤精子：「你四人伸手過來。」元始各書了一道符印在手心裏：「明日你等見陣內雷響，有火光沖起，齊把他四口寶劍摘去，我自有妙用。」四人領命，站過去了。又命燃燈：「你站在空中；若通天教主往上走，你可把定海珠往下打，他自然著傷。一來也知我闡教道法無邊。」元始吩咐畢，各自安息。不言。只等次日黎明，眾門人排班，擊動金鐘、玉磬。四位教主齊至誅仙陣前，傳令命左右：「報與通天教主，我等來破陣也。」左右飛報進陣。只見通天教主領眾門人齊出戮仙門來，迎著四位教主。通天教主對接引、準提道人曰：「你二位乃是西方教下清淨之鄉，至此地意欲何為？」準提道人曰：「俺弟兄二人雖是西方教主，特往此處來遇有緣。道友，你聽我道來：身出蓮花清淨臺，三乘妙典法門開。玲瓏舍利超凡俗，瓔珞明珠絕世埃。八德池中生紫焰，七珍妙樹長金苔。只因東土多英俊，來遇前緣結聖胎。」

話說接引道人說罷，通天教主曰：「你有你西方，我有我東土，如水火不同居，你為何也來惹此煩惱。你說你蓮花化身，清淨無為，其如五行變化，立竿見影。你聽我道來：混元正體合先天，萬劫千番只自然。渺渺無為傳大法，如如不動號初玄。」

爐中久煉全非汞，物外長生盡屬乾。變化無窮還變化，西方佛事屬逃禪。」話說準提道人曰：「通天道友，不必誇能鬥舌。道如淵海，豈在口言。只今我四位至此，勸化你好好收了此陣，何如？」通天教主曰：「既是四位至此，畢竟也見個高下。」通天教主說罷，竟進陣去了。元始對西方教主曰：「道兄，如今我四人各進一方，以便一齊攻戰。」接引道人曰：「吾進離宮。」老子曰：「吾進兌宮。」準提曰：「吾進坎地。」元始曰：「吾進震方。」四位教主各分方位而進。且說元始先進震方，坐四不相逕進誅仙門。八卦臺上通天教主手發雷聲，震動誅仙寶劍。那劍晃動。元始頂上慶雲迎住，有千朵金花，瓔珞垂珠，絡繹不絕，那劍如何下得來。元始進了誅仙門，立於誅仙闕。只見西方教主進離宮，乃是戮仙門。通天教主也發雷聲震那寶劍。接引道人頂上現出三顆舍利子，射住了戮仙劍。那劍如釘釘一般，如何下來得。西方教主進了戮仙門，至戮仙闕立住。老子進西方陷仙門。通天教主又發雷震那陷仙劍。只見老子頂上現出玲瓏寶塔，萬道光華，射住陷仙劍。老子進了陷仙門，也在陷仙闕立住。準提道人進絕仙門，只見通天教主發一聲雷，震動絕仙劍。準提道人手執七寶妙樹，上邊放出千青金蓮，射住了絕仙劍，也進了絕仙門來，到了絕仙闕。四位教主，齊進闕前。老子曰：「通天教主，吾等齊進了你誅仙陣，你意欲何為？」老子隨手發雷，震動四野，誅仙陣內一股黃霧騰起，迷住了誅仙陣。怎見得，騰騰黃霧，艷艷金光。騰

騰黃霧，誅仙陣內似噴雲；艷艷金光，八卦臺前如氣罩。劍戟戈矛，渾如鐵桶；東西南北，恰似銅牆。此正是截教神仙施法力，通天教主顯神通。愧眼迷天遮日月，搖風噴火憾江山。四位聖人齊會此，劫數相遭豈易逢。

且說四位教主齊進四闕之中，通天教主仗劍來取接引道人。接引道人手無寸鐵，只有一拂塵架來。拂塵上有五色蓮花，朵朵托劍。老子舉扁拐紛紛的打來。元始將三寶玉如意架劍亂打。只見準提道人把身子搖動，大呼曰：「道友快來！」半空中又來了孔雀大明王。準提現出法身，有二十四首，十八隻手，執定了瓔珞、傘蓋、花貫、魚腸、金弓、銀戟、加持神杵、寶鏃、金瓶，把通天教主裹在當中。老子扁拐夾後心就一扁拐，打的通天教主三昧真火冒出。元始祭三寶玉如意來打通天教主。通天教主方纔招架玉如意，不防被準提一加持杵打中，通天教主翻鞍滾下奎牛，教主就借土遁而起。不知燃燈在空中等候，纔待上時，被燃燈一定海珠又打下來。陣內雷聲且急，外面四仙家各有符印在身，奔入陣中，廣成子摘去誅仙劍，赤精子摘去戮仙劍，玉鼎真人摘去陷仙劍，道行天尊摘去絕仙劍。四劍既摘去，其陣已破。通天道人獨自逃歸；眾門人各散去了。

且說四位教主破了誅仙陣，元始作詩以笑之，詩曰：堪笑通天教不明，千年掌教陷群生。仗伊黨惡污仙教，番聚邪宗枉橫行。寶劍空懸成底事，元神虛耗竟無名。不知順逆先遭辱，猶欲鴻鈞說反盈。

話說四位教主上了蘆篷坐下。元始稱謝西方教主曰：「為我等門人犯戒，動勞道兄扶持，得完此劫數，尚容稱謝！」老子曰：「通天教主逆天行事，自然有敗而無勝。你我順天行事，天道福善禍淫，毫無差錯，如燈取影耳。今此陣破了，你等劫數將完，各有好處。姜尚，你去取關；吾等且回山去。」眾門人俱別過姜子牙，隨四位教主各回山去了。

子牙送別師尊，自回汜水關來會武王；眾將官來見。元帥至帥府，參見武王。王曰：「相父遠破惡陣，諒有眾仙，孤不敢差人來問候。」子牙謝恩畢，對曰：「荷蒙聖恩，仰仗天威，三教聖人親至，共破了誅仙陣，前至界牌關了，請大王明日前行。」武王傳旨治酒賀功。不表。又說通天教主被老子打了一扁拐，又被準提道人打了一加持寶杵，吃了一場大虧，又失了四口寶劍，有何面目見諸大弟子！自思：「不若往紫芝崖立一壇，拜一惡幡，名曰『六魂幡』。」——此幡有六尾，尾上書接引道人、準提道人、老子、元始、武王、姜尚六人姓名，早晚用符印，俟拜完之日，將此幡搖動，要壞六位的性命。正是：

左道兇心今不息，枉勞空拜六魂幡。不表通天道人拜幡，後在萬仙陣中用。且說界牌關徐蓋陞了銀安殿，與眾將商議曰：「方今周兵取了汜水關，駐兵不發。前日來的那多寶道人擺甚誅仙陣，也不知勝敗。如今且修本，差官往朝歌去取救兵來，共守此關。」只見差官領了本章往朝歌來，一路無詞，渡了黃

河，進了朝歌城，至午門下馬，到文書房。那日是箕子看本，見徐蓋的本大驚：姜尚兵進汜水關，取左右青龍關、佳夢關，兵至界牌關，事有燃眉之急！」箕子忙抱本來見紂王，往鹿臺來。當駕官奏知：「箕子候旨。」紂王曰：「宣來。」箕子上臺，拜罷，將徐蓋本進上。紂王覽本，驚問箕子曰：「不道姜尚作反，侵奪孤之關隘，必須點將協守，方可阻其大惡。」箕子奏曰：「如今四方不寧，姜尚自立武王，其志不小；今率兵六十萬來寇五關，此心腹大患，不得草草而已，願皇上且停飲樂，以國事為本，社稷為重，願皇上察焉！」紂王曰：「皇伯之言是也。朕與眾卿共議，點官協守。」箕子下臺。紂王悶悶不悅，無心懽暢。忽妲己、胡喜妹出殿見駕，行禮坐下。妲己曰：「今日聖上雙鎖眉頭，鬱鬱不樂，卻是為何？」王曰：「御妻不知，今日姜尚興師，侵犯關隘，已占奪三關，實是心腹之大患；況四方刀兵蜂起，使孤心下不安，為宗廟社稷之慮，故此憂心。」妲己笑而奏曰：「陛下不知下情，此俱是邊庭武將，鑽刺網利；架言周兵六十萬來犯關庭，用金賄賂大臣，誣奏陛下，陛下必發錢糧支應；故此守關將官冒破支消，空費朝廷錢糧，實為有私，何常有兵侵關。正為裏外欺君，情實可恨！」紂王聞奏，深信其言有理，因問妲己曰：「倘守關官復有本章，何以批發？」妲己曰：「不必批發，只將贖本官斬了一員，以警將來。」紂王大喜，遂傳旨：「將贖本官梟首，號令於朝歌。正是：

妖言數句江山失，一統華夷盡屬周。話說紂王信妲己之言，忙傳旨意：「將界牌關走本官即時斬首號令！」箕子知之，忙至內庭，來見紂王：「皇上為何而殺使命？」王曰：「皇伯不知，邊庭鑽刺，詐言周兵六十萬，無非為冒支府庫錢糧之計；此乃是內外欺君，理當斬首，以戒將來。」箕子曰：「姜尚興兵六十萬，自三月十五日金臺拜將，天下盡知，非是今日之奏。皇上若殺界牌關走使，不致緊要；失邊庭將士之心。」王曰：「料姜尚不過一術士耳，有何大志？況且還有四關之險，黃河之隔，孟津之阻，豈一旦而被小事所惑也。皇伯放心，不必憂慮。」箕子長吁一聲而出；看著朝歌宮殿，不覺潸然淚下，嗟歎社稷圯墟。箕子在九間殿作詩以歎之，詩曰：

「憶昔成湯放桀時，諸侯八百歸盡斯。誰知六百餘年後，更甚南巢幾倍奇！」話說箕子作罷詩回府。不表。且說姜元帥在汜水關點人馬進征，來辭武王。子牙見武王曰：「老臣先去取關，差官請駕。」武王曰：「但願相父早會諸侯，孤之幸矣。」子牙別了武王，一聲砲響，人馬往界牌關進發。一只離八十里，來之甚快。正行間，只見探馬報入中軍：

「已至界牌關下。」子牙傳令：「安營。」點砲吶喊。話說徐蓋已知關外周兵安營，隨同眾將上城來看，周兵一派盡是紅旗，鹿角森嚴，兵威甚肅。徐蓋曰：「子牙乃崑崙羽士，用兵自有調度，只營寨大不相同。」旁有先行官王豹、彭遵答曰：「主將休誇他人本

領，看末將等成功，定拿姜尚，解上朝歌，以正國法。」言罷，各自下城，準備廝殺。只見次日，子牙問帳下：「那員將官關下見頭功？」帳下應聲而出，乃魏賁曰：「末將願往。」姜子牙許之。魏賁上馬，提鎗出營，至關下搦戰。有報馬報入關上曰：「啟主帥：關下有周兵討戰。」徐蓋曰：「眾將官在此，我等先議後行。紂王聽信讒言，殺了差官，是自取滅亡，非為臣不忠之罪。今天下已歸周武，眼見此關難守，眾將不可不知。」彭遵曰：「主將之言差矣！況吾等俱是紂臣，理當盡忠報國，豈可一旦忘君徇私？古云：『食君祿而獻其地，是不忠也。』末將寧死不為！願效犬馬，以報君恩。」言罷，隨上馬出關；見魏賁連人帶馬，渾如一塊烏雲。怎見得：

幟頭純墨染，抹額襯纓紅。皂袍如黑漆，鐵甲似蒼松。鋼鞭懸塔影，寶劍插水鋒。人如下山虎，馬似出海龍。子牙門下客，驍將魏賁雄。

話說彭遵見魏賁，大呼曰：「周將通名來！」魏賁答曰：「吾乃掃蕩成湯天保大元帥姜麾下左哨先鋒魏賁是也。你乃何人？若是知機，早獻關隘，共扶周室；如不倒戈，城破之日，玉石俱焚，悔之晚矣！」彭遵大怒，罵曰：「魏賁，你不過馬前一匹夫，敢出大言！」搖鎗催馬直取。魏賁手中鎗赴面相迎。兩馬相交，雙鎗併舉，一場大戰。好魏賁！鎗刀勇猛，戰有三十回合，彭遵戰不過魏賁，掩一鎗往南敗走。魏賁見彭遵敗走，縱馬趕來。彭遵回顧，見魏賁趕下陣來，忙挂下鎗，囊中取出一物，往地下撒來。此物名曰菡萏陣，按三才八卦方位，布成一陣。彭遵先進去了。魏賁不知，將馬趕進陣來。彭遵在馬上發手一個雷聲，把菡萏陣震動，只見一陣黑煙迸出，一聲響，魏賁連人帶馬震得粉碎，彭遵掌得勝鼓進關。報馬報入中軍：「啟元帥：魏賁連人帶馬震為齏粉。」子牙聽罷，歎曰：「魏賁忠勇之士，可憐死於非命，情實可憫！」子牙著實傷悼。彭遵進關，來見徐蓋，將壞了魏賁得勝事說了一遍。徐蓋權為上了功績。次日，徐蓋對眾將曰：「關中糧草不足，朝廷又不點將協守，昨日雖則勝了他一陣，恐此關終難守耳。」正議之間，報：「有周將搦戰。」王豹曰：「末將願往。」上馬，提戟，開關，見一員周將，連人帶馬純是一片青色。王豹曰：「周將何名？」蘇護曰：「吾乃冀州侯蘇護是也。」王豹曰：「蘇護，你乃天下至無情無義之夫！你女受椒房之寵；身為國戚，滿門俱受皇家富貴，不思報本，反助武王叛逆，侵故主之關隘，你有何面目立於天地之間！」催開馬，搖戟來取蘇護。蘇護手中鎗赴面來迎。二馬相交，鎗戟併舉，蘇護正戰王豹，有蘇全忠、趙丙、孫子羽三將一齊上來，把王豹圍在垓心。王豹如何敵得住，自料寡不敵眾，把馬跳出圈子就走。趙丙隨後趕來。正趕之間，被王豹回手一個劈面雷，打在臉上，可憐隨駕東征，未曾受武王封爵之賞，趙丙翻下鞍轡。孫子羽急來救時，王豹又是一個雷放出，此劈面雷甚是利害，有雷就有火，孫子羽被雷火傷了面門，跌下馬

來，早被王豹一戟一個，皆被刺死。蘇家父子不敢向前。王豹也知機，掌鼓進關，回見徐蓋，連誅二將，得勝回兵慶喜。不表。

且說蘇護父子進營來見子牙，備言損了二將。子牙曰：「你父子久臨戰場，如何不知進退，致損二將？」蘇全忠曰：「元帥在上，若是馬上征戰，自然好招架；今王豹以幻術發手，有雷有火，打在臉上，就要燒壞面門，怎經得起，故此二將失利。」子牙曰：「誤喪忠良，實為可恨！」次日，子牙曰：「眾門人誰去關下走一遭？」言未畢，有雷震子曰：「弟子願往。」子牙許之。雷震子出營，至關下搦戰。報馬報入關中。徐蓋問：「誰去見陣走一遭？」彭遵領令出關，見雷震子十分兇惡，面如藍靛，巨口，赤鬚，獠牙上下橫生，彭遵大呼曰：「來者何人？」雷震子曰：「吾乃武王之弟雷震子是也。」彭遵不知雷震子脅有雙翅，搖手中鎗催開馬，來取雷震子。雷震子把風雷翅飛起，使開黃金棍，劈頭來打。彭遵那裏招架得住，撥馬就走。雷震子見他詐敗，忙將翅飛起，趕來甚急，劈頭一棍，彭遵馬遲，急架時，正中肩窩上，打翻馬下，梟了首級，進營來見子牙。子牙上了雷震子功績簿。且說探馬報入關中：「彭遵陣亡，將首級號令轅門。」徐蓋曰：「此關終是難守，我知順逆，你們只欲強持。」王豹聽曰：「主將不必性急，待我明日戰不過時，任憑主將處治。」徐蓋默然無語。王豹竟回私宅去了。不知後事如何，且聽下回分解。第七十九回 穿雲關四將被擒 詩曰：

一關已過一關逢，法寶多端勢更兇。法戒引魂成往事，龍安酥骨有來訃。幾多險處仍須吉，若許能時總是空。堪笑徐芳徒逆命，枉勞心思竟何從！話說徐蓋當晚默默退歸後堂。不提。只見次日王豹也不來見主將，竟領兵出關，往周營搦戰。報馬報入中軍。子牙問：「誰人見陣走一遭？」哪吒應曰：「我願往。」子牙許之。哪吒登風火輪，提火尖鎗，奔出營來。王豹見一將登風火輪而來，忙問曰：「來者莫非哪吒麼？」哪吒答曰：「然也。」搖鎗就刺。王豹的畫戟急架忙迎。王豹知哪吒是闡教門下，自思：「打人不過先下手。」正戰間，發一劈面雷來打哪吒。不知這雷只好傷別人；哪吒乃是蓮花化身之客，他見雷聲至，火焰來，把風火輪一登，輪起空中，雷發無功。哪吒祭起乾坤圈去，正中王豹頂門，打昏落馬；哪吒復一鎗刺死；梟了首級，號令回營，來見子牙，備言前事。子牙大喜。且說徐蓋聞報王豹陣亡，暗思：「二將不知時務，自討殺身之禍。不若差官納降，以免生民塗炭。」正憂疑之際，忽報：「有一陀頭來見。」徐蓋命：「請來。」道人進府，至殿前打稽首曰：「徐將軍，貧道稽首。」徐蓋曰：「請了！道者至此，有何見諭？」道人曰：「將軍不知，吾有一門徒，名喚彭遵，喪於雷震子之手；特至此為他報仇。」徐蓋曰：「道者高姓？大名？」道人曰：「貧道姓法，名戒。」徐蓋見道人有些仙風道骨，忙請上坐。法戒不謙，欣

然上坐。徐蓋曰：「姜子牙乃崑崙道德之士，他帳下有三山五岳門人，恐不能勝他。」法戒曰：「徐將軍放心，我連姜尚俱與你拿了，以作將軍之功。」徐蓋曰：「若如此，乃是老師莫大之恩。」忙問：「老師是素，是葷？」法戒曰：「持齋。我不用甚東西。」一夕無詞。次日法戒提劍在手，逕至周營，坐名要請姜子牙答話。探馬報入中軍：「有一頭陀請元帥答話。」子牙傳令，帶眾門人出營，來會這頭陀。只見對面並無士卒，獨自一人。怎見得：

赤金箍，光生燦爛；皂蓋服，白鶴朝雲。絲條懸水火，頂上焰光生。五遁三除無比賽，胸藏萬象包成。自幼根深成大道，一時應墮紅塵。封神榜上沒他名，要與子牙賭勝。子牙把四不相催至軍前見法戒，曰：「道者請了！」法戒道：「姜子牙，久聞你大名，今日特來會你。」子牙曰：「道者姓甚？名誰？」法戒曰：「我乃蓬萊島煉氣士姓法，名戒。彭遵是吾門下，死於雷震子之手。你只叫他來見我，免得你我分顏！」雷震子在旁，聽得舌尖上丟了一個「雷」字，大怒，罵曰：「討死的潑道！我來也！」把風雷二翅飛在空中，將黃金棍劈面打來。法戒手中劍急架忙迎。兩下裏大戰有四五回合，法戒跳出圈子去，取出一旛，對著雷震子一幌。雷震子跌在塵埃。徐蓋左右軍士將雷震子拿了；雖然網將起來，只是閉目不知人事。法戒大呼曰：「今番定要擒姜尚！」旁有哪吒大怒，罵曰：「妖道用何邪術，敢傷我道兄也！」登開風火輪，搖開火尖鎗，來戰法戒。法戒未及三四回合，忙把那旛取出來也幌哪吒。哪吒乃蓮花化身，卻無魂魄，如何幌得動他。法戒見哪吒在風火輪上安然不能跌將下來，已自著忙。哪吒見法戒拿一首旛在手內幌，知是左道之術，不能傷己，忙祭乾坤圈打來。法戒躲不及，打了一交。哪吒方欲用鎗來刺，法戒已借土遁去了。子牙收兵回營，見折了雷震子，心下甚惱，納悶在中軍。且說法戒被哪吒打了一圈，逃回關內。徐蓋見法戒著傷而回，便問：「老師，今日初陣如何失機？」法戒曰：「不妨，是我誤用此寶。他原來是靈珠子化身，原無魂魄，焉能擒他。」忙取丹藥，吃了一粒，即時痊癒；吩咐左右：「把雷震子抬來！」法戒對雷震子將旛連轉兩轉。雷震子睜開眼一觀，已被擒捉。法戒大怒，罵曰：「為你這廝，又被哪吒打了我一圈！」命左右：「拿去殺了！」徐蓋在旁解曰：「老師既來為我末將，且不可斬他，暫監在囹圄之中，候解往朝歌，俟天子發落，表老師莫大之功，亦知末將請老師之微功耳。」一看官：此是徐蓋有意歸周，故假此言遮飾。一法戒聽說，笑曰：「將軍之言甚是有理。」正是：徐蓋有意歸周主，不怕陀頭道術高。話說法戒次日出關，又至周營搦戰。軍政官報與子牙。子牙隨即出營會戰，大呼曰：「法戒！今日與你定個雌雄！」催開四不相，仗劍直取。法戒手中劍赴面迎來。戰未及數合，旁有李靖縱馬搖畫杆戟來助子牙。子牙祭起打神鞭早

來打法戒。不知此寶只打得神，法戒非封神榜上之人，正是：

封神榜上無名字，不怕崑崙鞭一條。話說子牙祭鞭來打法戒，不意被法戒將鞭接去；子牙著忙。忽然土行孫催糧到營前；見法戒將打神鞭接去，土行孫大怒，走向前大呼曰：「吾來也！」法戒見個矮子用條鐵棍打來，法戒仗劍迎戰。三人正殺在一處，不意楊戩也催糧來至，見土行孫大戰頭陀，走馬舞三尖刀亦來助戰。子牙見楊戩來至，心中大喜。兩員運糧官雙戰法戒。正是天數不由人，不意鄭倫催糧也到；鄭倫見土行孫、楊戩雙戰道人，鄭倫自思曰：「今日四人戰這頭陀不下，畢竟是左道之人。我也是督糧官，他成得功，我也成得功！」將金睛獸催開，衝殺過來，就把子牙喜不自勝。子牙兜回四不相，傳令軍士：「擂鼓助戰！」法戒被三運督糧官裹在垓心，不得落空，縱有法寶，如何使用？只見土行孫寶鐵棍在下三路上打了幾棍；法戒意欲逃走；鄭倫見土行孫成功，恐法戒逃遁，忙將鼻竅中兩道白光哼出來。法戒聽得，不知是甚麼東西響，忙抬頭一看，看見兩道白光。正是：

眼見白光出鼻竅，三魂七魄去無蹤。話說法戒跌倒在地，被烏鴉兵生擒活捉綁了。子牙用符印鎮住了法戒的泥丸宮，掌得勝鼓回營。法戒方睜開眼，見渾身上了繩索，歎曰：「豈知今日在此地誤遭毒手！」追悔無及。只見子牙陞帳坐下，三運官來見子牙。子牙曰：「三運得功不小！」獎諭三運官曰：

「運督軍需，智擒法戒。玄機妙算，奇功莫大！」子牙獎諭畢。三員官稱謝子牙。子牙傳令：「推法戒來。」眾軍卒將法戒推至中軍。法戒大呼曰：「姜尚，你不必開言。今日天數合該如此，正所謂『大海風波見無限，誰知小術反擒吾。』可知是天命耳。速將軍令施行！」子牙曰：「既知天命，為何不早降？」命左右：「推出去斬了！」眾軍士把法戒擁至轅門，方欲行刑，只見一道人作歌而來，歌曰：

「善惡一時忘念，榮枯都不關心。晦明隱現任浮沉，隨分飢餐餐飲。靜坐蒲團存想，昏瞶便有魔侵。故將惡念阻明君，何苦紅塵受刃。」歌罷，大呼曰：「刀下留人，不可動手！你與我報知元帥，說準提道人來見。」楊戩忙報與子牙曰：

「有西方準提道人來至。」子牙同眾門人迎接至轅門外，請準提道人進中軍。準提曰：「不必進營。貧道有一言奉告：法戒雖然違天阻逆元帥，理宜正法；但封神榜上無名，與我西方有緣。貧道特為此而來，望子牙公慈悲。」子牙曰：「老師吩咐，尚豈敢違。」傳令：「放了。」準提上前，扶起法戒曰：「道友，我那西方絕好景致，請道兄皈依：

西方極樂真幽境，風清月朗天籟定。白雲透出引祥光，流水潺潺如谷應。猿嘯鳥啼花木奇，菩提路上芝蘭勝。松搖巖壁散煙霞，竹拂雲霄招彩鳳。七寶林內更逍遙，八德池邊多寂靜，遠列巔峰似插屏，盤旋溪壑如幽磬，曇花開放滿座香，舍利玲瓏超上乘。崑崙地脈發來龍，更比崑崙無命令。」

話說準提道人逆罷西方景致，法戒只得皈依，同準提辭了眾人，回西方去了。一後來法戒舍衛國化祁它太子，得成正果，歸於佛教；至漢明、章二帝時，興教中國，大闡沙門。此是後事。不表。

且說界牌關主將見法戒被擒，忙命左右，將囹圄中雷震子放了，開關，同雷震子至營門納降。探馬報入中軍：「啟元帥：雷震子轅門等令。」子牙大喜，忙命：「令來。」雷震子至帳前對子牙曰：「徐蓋久欲歸周，屢被眾將阻撓；今特同弟子獻關納降，不敢擅入，在轅門外聽令。」子牙傳令：「令來。」徐蓋縞素進營，拜倒在地，啟曰：「末將有意歸周，無奈左右官將不從，致羈行旌，屢獲罪戾，納款已遲，死罪，死罪！望元帥海宥。」子牙曰：「徐將軍既知天命歸周，亦不為遲，何罪之有？」忙令請起。徐蓋謝過，請子牙進關安撫軍民。子牙傳令：「催人馬進關。」子牙陞銀安殿，一面迎請武王，一面清查戶口、庫藏。次日，武王駕進界牌關。眾將迎接武王上銀安殿，參謁畢，王曰：「相父勞心遠征，使孤不得與相父共享昇平，孤心不安。」子牙曰：「老臣以天下諸侯為重，民坐水火之中，故不敢逆天以圖安樂。」子牙領徐蓋拜見武王，武王曰：「徐將軍獻關有功，命設宴犒賞三軍。」一宵已過。次日，子牙傳令：「起兵前取穿雲關。」放炮起程，三軍吶喊，不過八十里一關，前哨探馬報入中軍：「前軍已抵穿雲關下。」子牙傳令：「放炮安營。」正是：

戰將東征如猛虎，營前小校似猢猻。

話說穿雲關主將徐芳乃是徐蓋兄弟。徐芳聞知兄長歸周，只急得三尸神暴跳，口鼻內生煙，大罵：「匹夫不顧父母妻子，失身反叛，苟圖爵位，遺臭萬年！」忙點聚將鼓。眾將俱上殿參謁。徐芳曰：「不幸吾兄忘親背君，苟圖富貴，獻了關隘，已降叛臣。但我一門難免戮身之罪。為今之計，必盡擒賊臣，以贖前罪方可。」只見先行官龍安吉曰：「主將放心，待末將先拿他幾員賊將解往朝歌請罪，然後俟擒渠魁，以贖前愆，以顯忠盡；則主將滿門良眷自然無事矣。」徐芳曰：「此言正合吾意。只願先行與諸將協力同心，以勤叛逆，上報主恩，是吾之願也，其他亦非所顧忌。」眾將商議。不表。

且說次日，子牙陞帳，問曰：「誰取穿雲關去走一遭？」徐蓋應聲曰：「啟元帥：穿雲關主將乃是末將之弟，不用張弓隻箭，末將說舍弟歸周，以為進身之資。」子牙大喜曰：「將軍若肯如此，真為不世之奇功，豈止進身而已！」徐蓋上馬至關下，大呼曰：「左右，開關！」守關軍卒不敢擅自開關，忙報入帥府：「啟主帥：有大老爺在關下叫關。」徐芳大喜：「快令開關，請來。」把關軍士去了。徐芳吩咐左右：

「埋伏刀斧手，兩旁伺候。」不一時，左右開關。徐蓋不知親弟有心拿他，徐蓋進關，來至府前下馬，逕至殿前。徐芳也不動身，問曰：「來者何人？」徐蓋大笑曰：「賢弟何為見我至此，而猶然若不知也？」徐芳大喝一聲，命：「左右，拿了！」兩邊跑出刀斧

手，將徐蓋拿下綁了。徐芳曰：「辱沒祖宗匹夫！你降反賊，也不顧家眷遭殃。今日你自來至此，正是祖宗有靈，不令滿門受屠戮也！」徐蓋大罵曰：「你這不知天時的匹夫！天下盡已歸周，紂王亡在旦夕，何況你這彈丸之地，敢抗拒弔民伐罪之師！你要做忠臣，你比蘇護、黃飛虎如何？洪錦、鄧九公何如？我今被你所擒，死固無足惜；但不知何人擒你，以泄吾忿也！」徐芳傳令：「把這逆命的匹夫且監候，俟拿了周武、姜尚，一齊解往朝歌正罪。」左右將徐蓋監了。徐芳問：「誰為國討頭陣走一遭？」一將應聲而出，乃正印先行官神煙將軍馬忠願往。徐芳許之。馬忠領令開關，砲聲響處，殺至周營。報馬報入中軍：「啟元帥：穿雲關有將搦戰。」子牙曰：「徐蓋休矣！」忙令哪吒去取關，就探徐蓋消息。哪吒領令，上了風火輪，出得營來，見馬忠金甲紅袍，威風凜凜。哪吒走至軍前，馬忠曰：「來者莫非哪吒否？」哪吒曰：「然也。你既知我，為何不倒戈納降？」馬忠大怒曰：「無知匹夫！你等妄自稱王，逆天反叛，不守臣節，侵王疆土，罪在不赦。不日拿住你等，粉骨碎身；尚自不知，猶且巧言饒舌！」哪吒笑曰：「我看你等好一似土蛙、腐鼠，頃刻便為齏粉，何足與言！」馬忠怒起，搖手中鎗，飛來直取。哪吒的鎗閃爍光明。輪馬相交，雙鎗併舉，殺至穿雲關下。正是：

馬忠神煙無敵手，只恐哪吒道德高。馬忠知哪吒是道德之士，手段高強，自思：「我若不先下手，恐他先弄手腳，卻是不美。」馬忠把口一張，只見一道黑煙噴出，連人帶馬都不見了。哪吒見馬忠黑煙噴出口，迷住一塊，忙將風火輪登起，把身子一搖，現出八臂三頭。藍臉獠牙，起在空中。馬忠在煙裏看不見哪吒，急收神煙，正欲回馬，只聽得哪吒大叫：「馬忠休走！吾來了！」馬忠抬頭，見哪吒三頭八臂，藍面獠牙，在空中趕來，馬忠誠得魂不附體，撥馬就走。哪吒忙將九龍神火罩拋來，罩住馬忠，復把手一拍，罩裏現出九條火龍圍繞，霎時間，馬忠化為灰燼。怎見得，有詩為證：

乾元玄妙授來真，秘有靈符法更神。火棗瓊漿原自異，馬忠應得化微塵。話說哪吒燒死馬忠，收了神火罩，得勝回營，來見子牙，備言燒死馬忠一事。子牙大喜，慶功。不表。

只見報馬報入關中：「啟主帥：馬忠被哪吒燒死。」徐芳大怒。旁邊轉過龍安吉曰：「馬忠不知淺深，自恃一口神煙，故有此敗。待未將明日成功，拿幾員反將，解往朝歌請罪。」次日，龍安吉上馬出關，前來搦戰。哨馬報入中軍。子牙問：「誰人出馬？」只見武成王黃飛虎上帳曰：「末將願往。」子牙許之。黃飛虎上了五色神牛，提鎗出營。龍安吉見一員周將，一怎見得，有詩為證：

慣戰能爭氣更揚，英雄猛烈性堅強。忠心不改歸周主，鐵面無回棄紂王。青史名標真義士，丹臺像列是純良。至今伐紂稱遺跡，留得聲名萬古香。龍安吉大呼曰：「來者何人？」飛虎曰：

「吾乃武成王是也。」龍安吉曰：「你就是黃飛虎？反叛成湯，釀禍之根，今日正要擒你！」催開馬搖手中斧來取。黃飛虎手中鎗急架忙迎。二將相交，鎗斧併舉，大戰五十餘合。二將真是「棋逢敵手，將遇作家」。龍安吉見黃飛虎的鎗法毫無滲漏，心不暗思：

「莫與他賣弄精神。」把鎗一挑，錦囊中取出一物，望空中一丟，只聽得有叮噹之聲，龍安吉曰：「黃飛虎，看吾寶貝來也！」黃飛虎不知何物，抬頭一看，早已跌下鞍韉。關內人馬吶一聲喊，將黃飛虎生擒活捉，繩纏索綁，拿進穿雲關去了。報馬報入中軍：「黃飛虎被擒。」子牙大驚曰：「是怎麼樣拿了去的？」掠陣官回曰：「正戰之間，只見龍安吉丟起一圈在空中，有叮噹之聲，黃將軍便跌下坐騎，因此被擒。」子牙聽說不悅：「此又是左道之術！」

且說龍安吉將黃飛虎拿進穿雲關來見徐芳，黃飛虎站立言曰：「吾被邪術拿來，應以一死報國恩也。」徐芳罵曰：「真是匹夫！捨故主而投反叛，今反說『欲報國恩』，何其顛倒耶！且監在監中。」徐蓋見黃飛虎來至，忙慰曰：「不才惡弟，不識天時，恃倚邪術，不意將軍亦遭此羅網之厄。」黃飛虎點頭無語，惟有咨嗟而已。話說徐芳治酒，與龍安吉賀功。次日又至周營搦戰。子牙問：「誰敢出馬？」只見洪錦出馬，來至陣前，看見是龍安吉，一龍安吉曾在洪錦帳下為偏將一洪錦曰：「龍安吉，你今見故主，為何不下馬納降，尚敢支吾耶？」龍安吉笑曰：「反將洪錦，何得多言！我正欲拿你等，解進朝歌，以正國法，爾何不知進退，尚敢巧言也。」發馬就殺，刀斧併舉。龍安吉祭起一圈，起在空中。不知此圈兩個，左右翻覆，如太極一般，扣就陰陽連環雙鎖，此圈名曰「四肢酥」。此寶有叮噹之聲，耳聽眼見，渾身四肢，骨解筋酥，手足齊軟。當時洪錦聽見空中響，抬頭一看，便坐不住鞍韉，跌下馬來，又被龍安吉拿了進關。洪錦自思：「此賊昔在吾帳下，我就不知他有這件東西，誤陷匹夫之手！」左右將洪錦推至殿前，來見徐芳。徐芳大喜曰：「洪錦，你奉命征討，如何反降逆賊？今日將何面目又見商君也！」洪錦曰：「天意如此，何必多言！吾雖被擒，其志不屈，有死而已！」徐芳傳令：「且送下監去。」黃飛虎見洪錦也至監中，各各嗟歎而已。子牙又聽得探馬報進營來，言洪錦被擒，子牙心下十分不樂。次日，報：「龍安吉又來搦戰。」子牙問：「誰去見陣？」只見南宮适出馬，與龍安吉戰有數合，被龍安吉仍用四肢酥拿進關來見徐芳。徐芳吩咐：「也送下監中。」

只見報馬報與子牙。子牙大驚。旁有正印先行哪吒言曰：「這龍安吉是何等妖術，連擒數將；待末將見陣，便知端的。」不知龍安吉性命如何，且聽下回分解。第八十回 楊任下山破瘟司 詩曰：瘟□傘蓋屬邪巫，疫癘閭浮盡若屠。列陣兇頑非易破，著人狂躁豈能蘇。須臾偏染家家盡，頃刻傳屍戶戶殂。只為子牙災未滿，穿雲關下受崎嶇。話說哪吒上了風火

輪，前來關下搦陣，大呼曰：「左右的！傳與你主將，叫龍安吉出來見我！」徐芳聞報，令龍安吉出陣。龍安吉領命，出得關來，見哪吒在風火輪上，心下暗思：「此人乃是道術之士，不如先祭此寶，易於成功。」龍安吉至軍前問曰：「來者可是哪吒麼？」道罷，哪吒未及答應，就是一鎗。哪吒的鎗赴面相迎。輪馬交還，只一合，龍安吉就祭四肢酥丟在空中，大叫：「哪吒！看我寶貝！」哪吒抬頭看時，只見陰陽扣就如太極環一般，有叮噹之聲。龍安吉不知哪吒是蓮花化身，原無魂魄，焉能落下輪來。倏然此圈落在地下。哪吒見圈落下，不知其故。龍安吉大驚。正是：

鞍轡慌壞龍安吉，豈意哪吒法寶來。話說哪吒又現出三頭八臂，祭起乾坤圈，大呼曰：「你的圈不如我的，也還你一圈！」龍安吉躲不及，正中頂門，打下馬來。哪吒復加上一鎗，結果了性命。哪吒梟了首級，進營來見子牙：「取了龍安吉首級。」子牙大喜。

且說報馬報知徐芳，徐芳大驚。只見左右無將，朝廷又不點官來協守，止得方義真一人而已，一「如之奈何？」忙修本遣官，齎赴朝歌。不表。忽見左右來報：「府前有一道人要見老爺。」徐芳忙傳令：「請來。」少時，見一道人，三隻眼，面如藍靛，赤髮獠牙，逕進府來。徐芳降階迎接，請上殿，與道人打稽首，徐芳尊道人上坐。徐芳問曰：「老師是那座名山？何處洞府？」道人曰：「貧道乃九龍島煉氣士，姓呂，名岳。吾與姜尚有不世之仇，今特來至此，借將軍之兵，以復昔日之仇。」徐芳大喜：「成湯洪福齊天，又有高人來助！」治酒相待。一宿晚景不提。卻說次日，呂岳出關至營前，請子牙答話。報馬報入中軍：

「啟元帥：有一道人請元帥答話。」子牙不知是呂岳，吩咐：「點砲出營。」來至營前，看見對陣乃是呂岳，不覺可笑。豈意子牙兩邊眾門人一見呂岳，人人切齒，個個咬牙。子牙曰：「呂道友，你不知進退，尚不愧顏！當日既得逃生而去，今日又為何復投死地也。」呂岳曰：「我今日來時，也不知誰死誰活！」只見雷震子大吼一聲，罵曰：「不知死的匹夫！吾來了！」展開二翅，飛在空中。好黃金棍，夾頭打來。呂岳手中劍急架忙迎。金吒步行，用雙劍劈頭砍來。木吒厲聲大罵：「潑道！不要走！也吃吾一劍！」李靖、韋護、哪吒眾門人一齊擁上前來，將呂岳困在垓心。怎見得，有詩為證，詩曰：

殺氣迷空透九重，一千神聖逞英雄。
這場大戰驚天地，海沸江翻勢更兇。話說眾門人圍住了呂岳，呂岳現出三首六臂，祭起列瘟印，把雷震子打將下來。眾門人齊動手救回。子牙把打神鞭祭起空中，正中呂岳後背，打得三昧真火迸出，敗回穿雲關來。呂岳進關，徐芳接住，安慰曰：「老師，今日會戰，其實利害。」呂岳曰：「今日出去早了，等吾一道友來，再出去，便可成功。」話說子牙進營，見雷震子著傷，心下又有些不悅。且自不題。只見呂岳在關上，一連住了幾日。不

一日，來了一位道者，至府前對軍政官曰：「你與主將說，有一道人求見。」軍政官報入，呂岳曰：「請來。」少時，一道人進府，與呂岳打了稽首，與徐芳行禮坐下。徐芳問呂岳曰：「此位老師高姓大名？」呂岳曰：「此是吾弟陳庚，今日特來助你，共破子牙，併擒武王。」徐芳稱謝不盡，忙治酒款待。呂岳問陳庚曰：「賢弟前日所煉的那件寶貝，可曾完否？」陳庚答曰：「為等此寶完了，方纔趕來，所以來遲；明日可以會姜尚耳。」正是：

煉就奇珍行大惡，誰知海內有高明。一宿晚景無詞。只至次日，呂岳命徐芳選三千人馬，出關來會子牙，徐芳親自掠陣。不表。且說子牙陞帳，與眾門人曰：「今日呂岳又來阻吾之兵，你們各要仔細。」正議間，左右來報：「楊戩轅門等令。」子牙傳令：「令來。」楊戩來至帳前行禮畢，言曰：「奉命催糧無誤。」子牙曰：「如今呂岳又來阻住穿雲關。」楊戩曰：「呂岳乃是失機之士，何敢又阻行旌？」話猶未了，只見軍政官來報：「呂岳會戰。」子牙忙傳令出營，率領眾將，與諸門人隨子牙來至營前。呂岳曰：「姜子牙，吾與你有勢不兩立之仇！若論兩教作為，莫非如此，且你係元始門下道德之士。吾有一陣，擺與你看，但你認得，吾便保周伐紂；若是認不得，我與你立見高低。」子牙曰：「道友，你何不自守清淨，往往要作此業障，甚非道者所為。你既擺陣，請擺來我看。」呂岳同陳庚進陣，有半個時辰，擺成一陣；復至軍前，大呼曰：「姜子牙請看吾陣！」子牙同哪吒、楊戩、韋護、李靖上前來。楊戩曰：「呂道長，吾等看陣，不可發暗器傷人。」呂岳曰：「爾乃小輩之言。我自堂堂之陣，正正之旗，豈有用暗器傷你之理！」子牙同眾人往前後看了一遍，渾然一陣，又無字跡，如何認得。子牙心中焦躁：「此必是不可攻伐之陣，又是左道之術。」子牙忽然想起元始四偈：「界牌關下遇誅仙，穿雲關底受瘟。」此莫非是瘟陣？乃對楊戩曰：「此正應吾師元始之言，莫非是瘟陣麼？」楊戩曰：「待弟子對他說。」二人商議停當，回至軍前。呂岳曰：「子牙公識此陣否？」楊戩答曰：「呂道長，此乃小術耳，何足為奇！」呂岳曰：「此陣何名？」楊戩笑曰：「此乃瘟陣。你還不曾擺全；俟擺全了，吾再來破你的。」呂岳聞楊戩之言，如石投大海，半晌無言。正是：

爐中玄妙全無用，一片雄心付水流。話說楊戩言罷，同眾人回營。子牙陞帳坐下，眾門人齊讚楊戩利齒伶牙。子牙曰：「雖然一時回得他好看，終不知此陣中玄妙，如何可破？」哪吒曰：「且答應他一時，再作道理。況且十絕惡陣與誅仙陣這樣大陣，俱也破了，何況此小小陣圖，不足為慮。」子牙曰：「雖然如此，不可不慎。古人云：『人無遠慮，必有近憂。』豈可因其小而忽略。」眾門人齊曰：「元帥之言甚善。」正議間，左右來報：「終南山雲中子來見。」眾門人曰：「武王洪福齊天，自有高人來

濟此陣之急也。」子牙忙迎出轅門，接住雲中子。二人攜手，行至帳中坐下。子牙曰：「道兄此來，必為姜尚遇此瘟□陣也。」雲中子笑曰：「特為此陣而來。」子牙欠身謝曰：「姜尚屢遭大難，每勞列位道兄動履，尚何以消受。」因請教：「此陣中有何秘術？當用何人可破？」雲中子曰：「此陣不用別人，乃是子牙公百日之災。只至災滿，自有一人來破。吾與你代掌帥印，調督軍事。其餘不足為慮。」子牙曰：「但得道兄如此，姜尚便一死又何足惜，況未必然乎！」子牙欣然，就將劍、印付與雲中子掌管。只見左右傳與武王，武王聞知雲中子說子牙有百日之災，忙至中軍。左右來報。雲中子與子牙迎接上帳，行禮坐下。武王曰：「聞相父破陣，孤心不安。往往爭持，致多苦惱，孤想不若回軍，各安疆界，以樂民生，何必如此？」雲中子曰：「賢王不知，上天垂象，天運循環，氣數如此，豈是人為，縱欲逃之不能。賢王放心。」武王默然無語。

且不言雲中子與子牙商議破敵，且說呂岳進關，同陳庚將二十一把瘟□傘安放在陣內，按九宮八卦方位，擺列停當；中立一土臺，安置用度符印，打點擒拿周將。正與陳庚在陣內調度，見左右來報：「有一道人要見呂老爺。」呂岳曰：「是誰？與我請來。」少時，那道人飄然而至。呂岳一見李平來至，忙迎住，喜曰：「道兄此來，必是來助我一臂之力，以滅周武、姜尚也。」李平曰：「不然。我特來勸你。吾在中途，聞你擺瘟□陣以阻周兵，我故此特地前來，相勸道兄。今紂王無道，罪惡貫盈，天下共叛，此天之所以滅商湯也。武王乃當世有德之君，上配堯舜，下合人心，是應運而興之君，非草澤乘奸之輩。況鳳鳴岐山，王氣已鍾久矣。道兄安得以一人扭轉天命哉。子牙奉天征討，伐罪弔民，會諸侯於孟津，正應滅紂於甲子。難道我李平反為武王，不為截教，來逆道兄之意？道兄若依我勸，可撤去此陣，但憑武王與子牙征伐取關。我們原係方外間人，逍遙散淡，無束無拘，又何名疆利鎖之不能解脫耶。」呂岳笑曰：「李兄差矣！我來誅逆討叛，正是應天順人。你為何自己受惑，反說我所為非也！你看我擒姜尚、武王，令他片甲不回。」李平曰：「不然。姜尚有七死三災之厄，他也過了；遇過多少毒惡之人，十絕『誅仙惡陣』，他也經過；也非容易至此。古云：『前車已覆，後車當鑒。』道兄何苦執迷如此？」李平五次三番勸不醒呂岳，此正是：

三部正神天數盡，李平到此也難逃。

話說呂岳不聽李平之勸，差官下書，知會姜尚，來破此陣。使命齎戰書至子牙行營，來至轅門。左右報入中軍，子牙命：「令來。」使命至中軍，朝上見體畢，呈上戰書。子牙拆開展玩，書曰：

「九龍島煉氣士呂岳致書於西岐元帥姜子牙麾下：竊聞物極必返，逆天必罰。爾西岐不守臣節，以臣伐君，以下凌上，有干綱常，得罪天地；況且以黨惡之象，屢抗敵於天兵，仗闡教之術，復屠城而殺將，惡已貫盈，入神共憤。故上

天厭惡，特假手於吾，設此瘟□陣。今差使致書，早早批宣，以決勝負。如自揣不德，急早倒戈，尚待爾不死。戰書至日，速乞自裁。」

且說子牙看罷書，將原書批回：「明日決破此陣。」來使領書，回見呂岳。不表。次日，雲中子在中軍請子牙上帳，用三道符印，一前心一道，後心一道，冠內一道；又將一粒丹藥與子牙揣在懷中。打點停當，只聽得關外砲響，報馬報進營來：「有呂岳在營前搦戰。」子牙上了四不相，武王同眾將諸門下齊至軍前掠陣。真好瘟□陣！怎見得，有讚為證，讚曰：

殺氣漫空，悲風四起。殺氣漫空，黑暗暗俱是些鬼哭神嚎；悲風四起，昏鄧鄧盡是那雷轟電掣。透心寒，怎禁他冷氣侵人；解骨酥，難當他陰風撲面。遠觀似飛砂走石，近看如霧卷雲騰。瘟疫氣陣陣飛來，水火扇翩翩亂舉。瘟□陣內神仙怕，正應姜公百日災。

話說子牙至陣前曰：「呂岳，你今設此毒陣，與你定決雌雄。只怕你禍至難逃，悔之晚矣。」呂岳忙催開金眼駝，仗劍飛來直取。子牙手中劍急架忙迎。二人戰未及數合，呂岳掩一劍，逕入陣去了。子牙催開四不相，隨後趕進陣來。呂岳上了八卦臺，將一把瘟□傘往下一蓋，昏昏黑黑，如紅沙黑霧罩將下來，勢不可當。子牙一手執定杏黃旗架往此傘。可憐！正是：

七死三災扶帝業，萬年千載竟留芳。

話說呂岳將子牙困於陣中，復出陣前大呼曰：「姜尚已絕於吾陣，叫姬發早早受死！」武王在轅門聞呂岳之言，慌問雲中子曰：「老師，相父若果絕於陣中，真痛殺孤家也！」雲中子曰：「不妨，此是呂岳謬言。子牙有百日之災。」只見後邊哪吒、楊戩、金、木二吒、李靖、韋護、雷震子一齊大呼：「拿這妖道碎屍萬段，以泄我等之恨！」呂岳、陳庚二人向前迎敵，大戰在一處。只殺的陰風颯颯，冷霧迷空。怎見得：

這幾個赤膽忠良名譽大；他兩個要阻周兵心思壞。一低一好兩相持，數位正神同賭賽。降魔杵，來得快，正直無私真寶貝。這一邊哪吒、楊戩善騰挪；那一邊呂岳、陳庚多作怪。刀鎗劍戟往來施，俱是玄門仙器械。今日穿雲關外賭神通，各逞英雄真可愛。一個兇心不息阻周兵；一個要與武王安世界。若爭惡戰豈尋常，地慘天昏無可奈！

話說眾人把呂岳、陳庚困在垓心，哪吒現出了三首八臂，把乾坤圈祭起，正中陳庚肩窩上。楊戩祭哮天犬，把呂岳頭上咬了一口。二人逕敗進瘟□陣去了。眾門人也不趕他，同武王進營。武王不見子牙，心下甚是不樂，問雲中子曰：「相父受困於陣內，幾時方能出來？」雲中子曰：「不過百日之厄，災滿自然無事。」武王大驚曰：「百日無食，焉能再生？」雲中子曰：「大王可記得在紅沙陣內，也是百日，自然無事？古云：『有福之人，千方百計莫能害他。無福之人，遇溝壑也喪性命。』」大王不必牽掛。」

且不講武王納悶在帳內，度日如年，雙眉頻鎖。且說呂岳自困住了子牙，甚是歡喜，每日入陣內三次，用傘上之功，將瘟□來毒子牙。

可憐子牙全仗崑崙杏黃旗撐住瘟□傘，陣內常放金光千百朵，或隱或現，保護其身。話說呂岳進關來，徐芳接住曰：「老師，今將姜尚困於陣內，不知他何日得死？周兵何日得勦？」呂岳曰：「吾自有法取之。」徐芳曰：「如今且把擒獲周將解往朝歌請罪，吾另外再作一本，稱讚老師功德，併請益兵防守。」呂岳曰：「不必言及吾等。你乃紂臣，理當如此；我是道門，又不受他爵祿，言之無用。只是不可把反臣留在關內，隄防不測，這倒是緊要事；併請兵協守，再作理會。」徐芳領命，忙忙把四將點名，上了囚車，差方義真押解往朝歌請罪。正是：

指望成功扶帝業，中途自有異人來。話說方義真押解四將往潼關來，算只有八十里，不一日就到。且按下下表。話說青峰山紫陽洞清虛道德真君閒暇無事，往桃園中來，見楊任在傍，真君曰：「今日正該你去穿雲關以解子牙瘟□陣之厄，並釋四將之愆。」楊任曰：「老師，弟子乃文臣出身，非是兵戈之客。」真君笑曰：「這有何難，學之自然得會；不學雖會亦疏。」真君隨入後洞，取出一根鎗，名曰「飛電鎗」，在桃園裏，傳與楊任，有歌為證，歌曰：

君不見：此鎗名號為「飛電」。穿心透骨不尋常，刺虎降龍真可羨。先天鉛汞配雌雄，煉就坎離相眷戀。也能飛，也能戰，變化無窮隨意見。今日與你破瘟□，呂岳逢之鮮血濺。話說楊任乃是封神榜上之神，自然聰慧，一見真君傳授，須臾即會。真君曰：「我把雲霞獸與你騎。還有一把五火神焰扇，你帶了下山；若進陣中，須是……如此如此，自然破他瘟□陣，何愁呂岳不滅耳！還有黃飛虎四將，有難在中途，你先可救他在關內，以為接應；破陣後，裏外夾攻，定然成功。」楊任拜辭師父下山，上了雲霞獸，把頂上角拍了一把，那騎四蹄自然生起雲彩，望空中飛來。正是：

莫道此獸無好處，曾赴蟠桃四五番。且說楊任雲時已至潼關，離城有三十里之遠，只見方義真解著犯官前進，旗旛上大書「解岐周反將黃飛虎、南宮适……」等名字。楊任落下獸來，阻住去路，大呼曰：「來將那裏去？」軍士一見楊任，生得古怪蹺蹊，眼眶裏生出兩隻手來，手心裏反有兩隻眼睛，騎著一匹神獸，五柳長鬚，飄揚腦後，軍士見之，無不駭然，飛報與方義真：「啟上將軍：前邊來了個古怪異人阻住了路。」方義真仗自己胸襟，把馬一夾，走出車前，見楊任如此行狀，從來也不曾有這樣的相貌，心中也自著驚，大呼曰：「來者何人？」楊任終是文官出身，言語自然輕柔，乃應曰：「不須問我，吾乃上大夫楊任是也。將軍，天道已歸明主，你又何必逆天行事，自取滅亡也。」方義真曰：「吾奉主將命令，押解周將往朝歌請功，你為何阻住去路？」楊任曰：「吾奉師命下山，來破瘟□陣，今逢將軍押解周將，理宜救護。我勸將軍不若和我歸了武王，正所謂應天順人，不失封侯之位，有何不可。」方義真見楊任低言悄語，不把楊任放在心上，把手中鎗一

舉，大喝曰：「逆賊休走，吃吾一鎗！」楊任忙用手中鎗急架相還。兩家大戰，未及數合，楊任恐軍士傷了被擒官將，忙用五火神焰扇照著方義真一扇搥去。楊任不知此扇利害，一聲響，怎見得，可憐！有詩為證，詩曰：

烈焰騰空萬丈高，金蛇千道逞英豪。黑煙捲地紅三尺，煮海翻波咫尺消。話說楊任把扇子一搥，方義真連人帶馬化一陣狂風去了。眾軍士見了，吶一聲喊，抱頭棄兵，奔走回關。

且說黃飛虎等見楊任這等相貌，知是異人，忙在陷車中問曰：「來者是那一位尊神？」楊任認得是黃飛虎，一俱是一殿之臣，一忙下了雲霞獸，口稱：「黃將軍，我非別人，不才便是上大夫楊任。因紂王失政，起造鹿臺，我等直諫，昏君將吾剜去二目。多虧道德真君救吾上山，將兩粒仙丹納放目中，故此生出手中之眼耳。今特著我下山，來破瘟□陣，先救將軍等，故效此微勞耳。」隨放了四將，四將謝過了楊任，只是咬牙深恨。楊任曰：「四位將軍且不必出關，且借住民家，待吾破了瘟□陣，那時率眾取關，公等可作內應。只聽砲聲為號，不可有誤。」黃飛虎等感謝楊任，自投關內民家去了。

且說楊任上了雲霞獸，出穿雲關，來至周營，下了雲霞獸。軍政官見了大驚。楊任曰：「早報於武王，吾非反臣也。」報馬報入中軍：「有異人求見。」雲中子知是楊任來了，忙傳令：「請進中軍。」諸將見了，各自駭然。楊任見雲中子下拜，曰：「師叔在此，料呂岳何能為患。」雲中子安慰，謝畢請起，與眾門人相見。楊任來見武王。武王大驚，問其原故；楊任把紂王剜目之事又說了一遍。武王大喜，命治酒款待。楊任又將救了四將事表過：「……吾師特命不才來破瘟□陣耳。」雲中子曰：「你來的正好。還差三日，正是百日之厄完滿。」眾門人見又添楊任，各有歡喜之色，不覺過了三日。次日清晨，周營砲響，大隊齊出，一千周將與眾門人併武王、雲中子齊至轅門，看楊任破瘟□陣。楊任至陣前大呼曰：「呂岳何不早來見我！」只見陣內呂岳道人現了三首六臂，手拎寶劍而出，見楊任相貌異常，心下也是驚駭，忙問曰：「你是何人？通箇名來！」楊任曰：「吾乃道德真君門下楊任是也；今奉師命下山，特來破你瘟□陣。」呂岳笑曰：「你不過一小童耳，敢出大言！」仗劍來取。楊任飛電鎗急架相迎。二獸相交，鎗劍并舉。戰未三合，呂岳掩一劍望陣中而走。楊任大呼：「吾來也！」楊任進陣，不知吉凶如何，且聽下回分解。

第八十一回 子牙潼關遇痘神 詩曰：痘疹惡疾勝瘡瘍，不信人間有異力。庖紫毒生追命藥，漿清氣絕索魂湯。

時行戶戶應多難，傳染人人盡著傷。不是武王多福蔭，枉教軍士喪疆場。

話說呂岳走進陣去，楊任趕進陣來。呂岳上了八卦臺，將瘟□傘撐起，往下一罩。楊任把五火扇一搥，那傘化作灰燼，飄揚而去；又連搥了數扇，只見那二十把傘盡成飛灰。當有瘟部神祇李平進陣來，指望勸解呂岳，不要與周兵作難，

也是天數該然，恰逢其會，常被楊任一扇子搥來，李平怎能脫逃，可憐！正是：一點誠心分邪正，反遭一扇喪微軀。

李平誤被楊任一扇子搥成灰燼。陳庚大怒，罵曰：「何處來的妖人，敢傷我弟！」舉兵刃飛取楊任。楊任把扇子連搥數扇，莫說是陳庚一人，連地都搥紅了。呂岳在八卦臺上見勢頭凶險，捏著避火訣，指望逃走，不知楊任此扇乃五火真性，攢簇而成，豈是五行之火可以趨避。呂岳見火勢愈熾，不能鎮壓，撒身往後便走，被楊任趕上前，連搥數扇，把八卦臺與呂岳俱成灰燼。——三魂俱赴封神臺去了。有詩為證，詩曰：九龍島內曾修煉，得道多年根未深。今日遭逢神火扇，可知天意滅嗔心。話說楊任破了瘟□陣，只見子牙在四不相上伏定，手執著杏黃旗，左右金花發現，擁護其身。諸門人看見，齊來攙住。子牙也不言語，面如淡金。只見四不相一躍而起。武王在轅門見武吉背負子牙而來，武王垂淚言曰：「相父不過為國為民，受過苦中之苦！」隨將子牙背至中軍，放在臥榻之上。雲中子用丹藥灌入於子牙口中，送下丹田。少時，子牙睜目，見眾將官立於左右，乃言曰：「有勞列位苦心。」武王大喜曰：「相父且自安心，仔細調理。」子牙在軍中安養了數日，只見雲中子曰：「子牙且自寬心，只有萬仙陣，我等再來助你，今日且奉別。」子牙不敢強留，雲中子回終南山去了。子牙打點取關，只見楊任上前言曰：「前日不才已暗放了四將在內，元帥可作速調遣。」子牙見楊任說有四將在內，須得裏外夾攻，方可取關。子牙傳令，點眾將攻關。且說徐芳又見破了瘟□陣，

左右來報：「方義真已死，四將不知所往。」心下十分著忙。只見門外殺聲振地，鑼鼓齊鳴，喊聲不止，如天崩地塌之狀。徐芳急上關來守禦，只見周兵大勢人馬，四面架起雲梯火炮，攻打甚急。有雷震子大怒，飛在空中，一棍刷在城敵樓上，把敵樓打塌了半邊。徐芳禁持不住，急下城來。雷震子已站於城上。哪吒登起風火輪，也上城來。守城軍士見雷震子這等兇惡，一齊走了。哪吒下城，斬落了鎖鑰，周兵一擁而入。徐芳見周營大勢人馬進關，只得縱馬搖鎗前來抵當，被周營大小眾將把徐芳圍困住當中，彼此混戰。

且說黃飛虎、南宮适、洪錦、徐蓋聽得關內喊殺，知是周兵成功，四將步行，趕至關前，見周兵已將徐芳圍住，黃飛虎大叫曰：「徐芳休走，吾來也！」徐芳正在著忙之際，又見黃飛虎等四人衝殺前來，不覺吃了一驚，措手不及，被黃飛虎一劍砍來，徐芳望後一閃，那劍竟砍落馬首，把徐芳撞下鞍轡，被士卒生擒活捉，拿縛關下。眾將收了軍卒，迎姜元帥進關，陞廳坐下，出榜安民畢。有黃飛虎、南宮适等來見子牙。子牙曰：「將軍等身受陷穽之苦，幸皇天庇祐，轉禍為福，此皆將軍等為國忠心，感動天地耳。」眾將在穿雲關安置已定，子牙吩咐：「把徐芳推來。」左右將徐芳擁至階前，徐芳立而不跪。子牙罵曰：「徐芳，你已擒兄已絕手足之

情，為臣有失邊疆之責，你有何顏尚敢抗禮？此乃人中之禽獸也！速推出斬首！」眾軍士把徐芳推出斬首，號令在穿雲關。武王設宴與眾將飲酒，犒賞三軍。翌日，子牙傳令起兵。行有八十里，兵至潼關，安營砲響，立下寨棚。子牙陞帳，眾將官參謁畢，商議取關。

且言潼關主將余化龍有子五人，乃是余達、余兆、余光、余先、余德，惟余德一人在海外出家，不在潼關，連余化龍只有父子五人守此關隘。忽聽關外砲響，探事報知：「周兵抵關下寨。」余化龍謂四子曰：「周兵此來，一路屢屢得勝，今日至此，亦是勁敵，須是要盡一番心力。」四子齊曰：「父親放心，料姜尚有多大本領，不過偶然得勝，諒他可能過得此關！」不言余化龍父子商議，再言子牙次日陞帳，問左右：「誰去取此關見陣一遭？」傍有太鸞應聲曰：「末將願往。」子牙許之。太鸞出營，至關下搦戰。哨馬報入關中。余化龍命長子余達出關。余達領令出關。太鸞見潼關內有一將，銀甲紅袍，真個齊整，滾出關來。怎見得，有讚為證，讚曰：

紫金冠，名束髮；飛鳳額，雉尾插。面如傅粉一般同，大紅袍罩連環甲。獅鸞寶帶現玲瓏，打將鋼鞭如鐵塔。銀合馬跑白雲飛，白銀鎗杵鞍下拉。大紅旗上書金字：潼關首將名余達。

話說太鸞大呼曰：「潼關來將何名？」余達曰：「吾乃余元帥長子余達是也；久聞姜尚大逆不道，興兵構怨，不守臣節，干犯朝廷關隘，是自取滅亡耳。」太鸞曰：「吾元帥乃奉天征討，東進五關，弔民伐罪，會合天下諸侯，觀政於商；五關進之有三，爾尚敢拒逆天兵哉。速宜倒戈，免汝一死；若候關破之日，玉石俱焚，追悔何及！」余達大怒，搖鎗直取。太鸞手中刀赴面來迎。二將大戰，二三十合，余達撥馬便走。太鸞隨後趕來。余達聞腦後馬至，掛下鎗，取出撞心杵，回手一杵，正中太鸞臉上。太鸞翻下鞍轡。可憐為將官的，正是：

禍福隨身於頃刻，翻身落馬項無頭。

余達把太鸞一杵打下馬來，復一鎗結果了性命，梟了首級，掌鼓進關，見父請功，將首級號令於關上。敗兵回見子牙報知，子牙聞太鸞已死，心下不樂。次日，子牙陞帳，只見蘇護上帳，欲去取關，子牙許之。蘇護上馬，至關下討戰。哨馬報知。余化龍命次子余兆出關對敵。蘇護問曰：「來者何人？」余兆曰：「吾乃余元帥次男余兆是也。爾是何名？」蘇護曰：「吾非別人，乃冀州侯蘇護是也。」余兆曰：「老將軍，末將不知是老皇親。老將軍身為貴戚，世受國恩，宜當共守王土，以圖報效，何得忘椒房之寵，一旦造反，以助叛逆，切為將軍不取！一旦武王失恃，那時被擒，身戮國亡，遺譏萬世，追悔何及。速宜倒戈，尚可轉禍為福耳。」蘇護大怒：「天下大勢，八九已非商土，豈在一潼關也！」縱馬搖鎗，直取余兆。余兆手中鎗急架忙迎。二馬來往，未及十合，余兆取一杏黃旗一展，咫尺似一道金光一晃，余兆連人帶馬就不見了。蘇護不知所往，急自左右看時，腦後馬至；慌忙轉

馬，早被余兆一鎗刺中脅下，蘇護翻鞍落馬——魂已往封神臺去了。余兆取了首級，進關來見父報功，將首級號令，慶喜。不表。

且說子牙又見折了蘇護，著實傷悼。蘇護長子蘇全忠聞報痛哭。上帳欲報父仇；子牙不得已，許之。蘇全忠領令，至關下搦戰。哨馬報進關來，余化龍令第三子余光出關對敵。蘇全忠見關中一少年將來，切齒咬牙，大喝曰：「你可是余兆？快來領死！」余光曰：「非也。吾乃是余元帥三子余光是也。」蘇全忠大怒，縱馬搖戟，衝殺過來。二馬相交，戟鎗併舉，大戰有二十餘合，余光撥馬便走。蘇全忠因父親被害，怒發如雷，大罵曰：「不殺匹夫，誓不回兵！」趕下陣來。余光按下鎗，取梅花標，回手一標，有五根一齊動手。全忠身中三標，幾乎墜於馬下，敗回周營。余光得勝，進關見父回令：「標打蘇全忠敗回。」余化龍曰：「明日待吾親會姜尚，設謀共破周兵，必取全勝。」次日，關中點砲吶喊，余總兵帶四子出關，至周營搦戰。哨馬報進營來。子牙與眾將出營拒敵，左右軍威甚齊。余化龍見子牙出兵，歎曰：「人言子牙善於用兵，果然話不虛傳。」余化龍看罷，一騎當先：「姜子牙請了！」子牙答禮曰：「余元帥，不才甲冑在身，不能全禮。不才奉天征討獨夫，以除不道，弔民伐罪，所以望風納降，俱得保全富貴；所有逆命者，隨即敗亡，國家盡失。元帥不得以昨日三次僥倖之功，認為必勝之策。倘執迷不悟，一時玉石俱焚，悔之何及？請自三思，毋貽伊戚。」余化龍笑曰：「似你出身淺薄，不知天高地厚戴戴之恩，只知妖言惑眾，造反叛主，以逞狂為；今日逢吾，只教你片甲無存，死無葬身之地矣。」大叫：「左右！誰與我拿姜尚見頭一功？」只見左右四子衝殺過來。蘇全忠戰住余達；余兆敵住武吉；鄧秀抵住余光；余先戰住黃飛虎；余化龍壓住陣腳。四對兒交兵，這場大戰，怎見得好殺，有讚為證，讚曰：兩陣上旗旛齊磨，四對將各逞英豪。長鎗闊斧並相交，短劍斜揮閃耀。蘇全忠英雄赳赳，余達似猛虎頭搖；武吉只教活拿余兆；鄧秀喊捉余光餐刀；黃飛虎恨不得鎗挑余先下馬；眾兒郎助陣似潮湧波濤。咫尺間天昏地暗，殺多時鬼哭神嚎。這一陣只殺得屍橫遍野血凝膏，尚不肯干休罷了。八員戰將，各要爭先，余達撥馬就走；蘇全忠隨後趕來，被余達回手一杵，正中護心鏡上，打得紛紛粉碎，蘇全忠翻身落馬；余達勒回馬，挺鎗來刺；早有雷震子展開雙翅，飛來且快，使開黃金棍，當頭刷來；余達只得架棍。周營內早有偏將祁恭將全忠救回。話說余化龍見雷震子敵住余達，自縱馬舞刀來取子牙；傍有哪吒登風火輪挺鎗來刺，來往衝突，兩軍殺在虎穴之中。正酣戰間，卻有楊戩催糧至營，見子牙問對交兵，楊戩立馬橫刀，看十人對敵，不分勝負。楊戩自思曰：「待我暗助他等一陣。」遠遠將哮天犬祭起。余化龍那裏知道，被哮天犬一口咬了頸子，連盔都帶去了。哪吒見余化龍著傷，急祭起乾坤圈，一圈正中

余先肩窩，大敗而走。周兵揮動人馬，衝殺一陣；只殺得屍橫遍野，血淋草稍。子牙掌鼓回營。正是：眼前得勝懼回寨，只恐飛災又降臨。話說余化龍被哮天犬所傷，余先又打傷肩臂，父子二人呻吟一夜；府中大小俱不能安。不一日，余德回家探父，家將報知：「五爺來了。」余化龍尚自呻吟不已；只見余德走近臥榻之前，見父親如此模樣，急忙請問。余化龍將前事備述一遍。余德曰：「不妨，這是哮天犬所傷。」忙取丹藥，用水敷之，即時痊癒。又用藥調治兄長余先。當日晚景休題。次日，余德出關至周營，只要姜子牙答話。哨馬報入中軍，子牙隨出大營，見一道童，頭挽抓髻，麻鞋道服，仗劍而來。子牙曰：「道者從那裏來？」余德曰：「我乃余化龍第五子余德是也。楊戩用哮天犬咬傷吾父親；哪吒用圈打傷吾兄；今日下山，特為父兄報仇。吾與汝等，共顯胸中道術，以決雌雄。」撒步仗劍，來取子牙。傍有楊戩舞刀忙迎。哪吒提鎗，顯出三首八臂，雷震子、韋護、金吒、木吒、李靖一齊上前迎敵，口稱：「拿此潑道，休得輕放！」眾門人一齊上前，把余德圍在垓心，總有奇術，不能使用。楊戩見余德渾身一團邪氣裹住，知是左道之術，把馬跳出圈子去，取彈弓在手，發出金丸，正中余德。余德大叫一聲，借土遁走了。子牙回營，楊戩見子牙曰：「余德乃左道之士，渾身一團邪氣籠罩，防他暗用妖術。」子牙曰：「吾師有言：『謹防達兆光先德。』莫非就是此余德也？」傍有黃飛虎曰：「前日四將輪戰四日，果然是余達、余兆、余光、余先、余德。」子牙大驚，憂容滿面，雙鎖眉梢，正尋思無計。且說余德著傷，敗回關上，進府來，用藥服了；不一時，身體痊癒。余德切齒深恨曰：「我若留你一個，也不是有道之士！」彼時至晚，余德與四兄曰：「你們今夜沐浴淨身，我用一術，使周兵七日內，叫他片甲無存。」四人依其言，各自沐浴更衣。至一更時分，余德取出五個帕來，按青、黃、赤、白、黑顏色，鋪在地下。余德又取出五個小斗兒來，一人拿著一個：「叫你抓著灑，你就灑；叫你把此斗往下潑，你就潑。不用張弓射箭，七日內死他乾乾淨淨。」兄弟五人，俱站在此帕上。余德步罡斗法，用先天一氣，忙將符印祭起。好風！有詩為證，詩曰：

蕭蕭颯颯竟無蹤，拔樹崩山勢更兇。莫道封夷無用處，藏妖影怪作先鋒。話說余德祭起五方雲來至周營，站立空中，將此五斗毒痘四面八方潑灑，至四更方回。不表。且說周營眾人俱肉體凡胎，如何經得起，三軍人人發熱，眾將個個不寧。子牙在中軍也自發熱。武王在後殿，自覺身疼。六十萬人馬俱是如此。三日後，一概門人、眾將，渾身上下俱長出顆粒，莫能動履；營中煙火斷絕。止得哪吒乃蓮花化身，不逢此厄；楊戩知道余德是左道之人，故此夜間不在營中，各自運度；因此上不曾侵染。只見過了五六日，子牙渾身上下俱是黑的。此痘形按五方：青、黃、

赤、白、黑。哪吒與楊戩曰：「今番又是那年呂岳之故事。」楊戩曰：「呂岳伐西岐，還有城郭可依；如今不過行營寨柵，如何抵擋。倘潼關余家父子衝殺過來，如何濟事！」二人心下甚是焦悶。

且說余化龍父子六人在潼關城上來看，周營煙火全無，空立旗旛寨柵，余達曰：「乘周營諸將有難，吾等領兵下關，一齊殺出，只此一陣成功，卻不為美！」余德曰：「長兄，不必勞師動眾，他自然盡絕，也使傍人知我等妙法無邊。——不動聲色，令周兵六十萬餘人自然滅絕。」父子五人齊曰：「妙哉！妙哉！」一看官：此正是武王有福，不然，若依余達之言，則周營兵將死無噍類。正是：

洪福已扶仁聖主，徒令余德逞奇謀。話說楊戩見子牙看看病勢危急，心下著慌，與哪吒共議曰：「師叔如此狼狽，呼吸俱難，如之奈何。」話猶未了，只見半空中黃龍真人跨鶴而來。楊戩、哪吒迎接黃龍真人至中軍坐下，真人曰：「楊戩，你師父可曾來？」楊戩答曰：「不曾來。」真人曰：「他原說先來，如今該會萬仙陣了。」話未絕時，又聽得玉鼎真人自空中來至。楊戩迎迓，拜罷；玉鼎真人起身，入內營來看子牙，見子牙如此模樣，真人點頭歎曰：「雖是帝王之師，好容易！正是你：

七死三災今已滿，清名留在簡篇中。」玉鼎真人歎息不已，隨命楊戩：「你再在火雲洞走一遭。」楊戩領命，借著土遁往火雲洞而來，如風雲一樣。看看來至山腳下，好山，真無限的景致，有奇花馥馥，異香依依。怎見得，有賦為證，賦曰：

勢連天界，名號火雲。青青翠翠的喬松，龍鱗重疊；猗猗挺挺的秀竹，鳳尾交加；蒙蒙茸茸的碧草，龍鬚柔軟；古古怪怪的古樹，鹿角丫叉。亂石堆山，似大大小小的伏虎；老藤掛樹，似灣灣曲曲的騰蛇。丹壁上更有些分分明明的金碧影；低澗中只見那香香馥馥的瑞蓮華。洞府中鎖著那氤氳氤氳的霧靄；青巒上籠著爛爛熳熳的煙霞。對對彩鸞鳴，渾似那咿咿啞啞的律呂；雙雙丹鳳嘯，恍疑是嘹嘹唳唳的笙簫。碧水跳珠，點點滴滴從玉女盤中泄出；虹霓流彩，閃閃灼灼自蒼龍嶺上飛斜。真個是：福地無如仙境好，火雲仙府勝玄都。

話說楊戩看罷景致，不敢擅入；少時，見一水火童子出來，楊戩上前稽首曰：「敢煩師兄借傳一語，楊戩求見。」童子認得楊戩，忙回禮曰：「師兄少待。」童子回言畢，進洞府來：「啟老爺：外面有楊戩求見。」伏羲聖人曰：「著他進來。」那童子復至外面：「楊戩進見。」楊戩至蒲團前，倒身下拜：「弟子楊戩願老爺聖壽無疆！」拜罷，將書呈上。伏羲展玩，書曰：

「弟子黃龍真人、玉鼎真人薰沐頓首，謹書上啟。闢天開地，昊上帝寶座下：弟子仰仗三教，演習靈文，自宜默守蒲團，豈敢冒言瀆奏。但弟子等運逢劫數，殺戒已臨，襄應運之天子，伐無道之獨夫。路至潼關，突遭余德以左道之幻術，暗毒害於生靈。茲有元戎姜尚暨門徒將士兵卒六十餘萬，驟染顆粒之瘡，莫

辨為癰為毒，懨懨待盡，至呼吸以難通，旦夕垂亡，雖水漿而莫用。自思無奈，仰叩仁慈，懇祈大開惻隱，憐繼天立極之聖君，拯無辜之性命，早施雨露，以慰倒懸。臨啟不勝待命之至！」

伏羲看罷書，謂神農曰：「今武王有事於天下，乃是應運之君，數當有此厄難，吾等理宜助一臂之力。」神農曰：「皇兄之言是也。」遂取三粒丹藥付與楊戩。楊戩得了丹藥，跪而啟曰：「此丹將何用度？」伏羲曰：「此丹：一粒可救武王；一粒可救子牙；一粒用水化開，只在軍前四處灑過，此毒氣自然消滅。」楊戩又問曰：「不知此疾何名？」伏羲曰：「此疾名為痘疹，乃是傳染之病；若少救遲，俱是死症。」楊戩又啟曰：「倘此疾後日傳染人間，將何藥能治？乞賜指示。」神農曰：「你隨我出洞至紫雲崖來。」楊戩隨了神農來至崖前，尋了一遍；神農拔一艸遞與楊戩：「你往人間，傳與後世，此藥能救痘疹之患也。」楊戩又跪懇曰：「此艸何名？」神農曰：「你聽我道來：此艸有詩為證，詩曰：

紫梗黃根八瓣花，痘瘡發表是升麻。常桑曾說玄中妙，傳與人間莫浪誇。」

話說楊戩求了丹藥，又傳下升麻，以濟後人，離了火雲洞，逕至周營，來見玉鼎真人，備言：「……求得丹藥，併升麻之艸，可救痘疹之厄。」黃龍真人忙將丹藥化開，先救武王；玉鼎真人來治子牙；楊戩與哪吒用水化開此丹，用楊枝灑起四處來。霎時間，痘疹之毒一時全消。正是：

痘疹毒害從今起，後人遇著有生亡。周營內被楊戩、哪吒在四面灑

遍。只三山五岳門人，與凡夫不同，俱是腹內有三昧真火的，又會五行之術，不覺俱先好了；人人切齒，個個咬牙。次日，子牙見眾門人臉上俱有疤痕，子牙大怒，與眾人共議取潼關泄恨。眾人齊厲聲大叫曰：「今日不取潼關，勢不回軍！」不知余化龍父子性命如何，且聽下回分解。第八十二回 三教大會萬仙陣 詩曰：

萬仙惡陣列出限，颯颯寒風劈面催。片片祥光籠斗柄，紛紛殺氣透靈臺。魚龍此際分真偽，玉石從今盡脫胎。多少修持遭此劫，三尸斬去五雲開。

話說余化龍與余達等俱聽了余德言語，不以周兵為意，逐日飲酒，只等周營兵將自己病死。那一日不覺就是第八日，余化龍對諸子言曰：「今日已是八日，不見探事官來報，我們可上城一看。」五子齊曰：「上城看看纔是。」那時離了帥府，上得城來，只見周營比起初三四日光景不同：起先營中毫無煙火；今日周營中反覺騰騰殺氣，烈烈威風，人人勇敢，個個精神，旌旗嚴整，金鼓分明，重重戈戟，疊疊鎗刀。余化龍忙問余德曰：「這幾日周營中已有復舊光景，此事如何？」余達從傍埋怨曰：「兄弟，你不從吾言，致有今日。豈有人是自家會死得盡的？」余德默然不言，暗思：「吾師傳我此術，響應隨時，豈有不準之理？其中必有原故。」乃對父兄言曰：「事已至此，遲疑無益。此必有人在暗中解了。諒他一時身弱，也不能爭戰。不若乘其不備，一戰可以成

功；遲則有變。」余化龍聽說，只得領五子殺出關來，逕奔周營，欺周將身弱，余德穿道服仗劍在前，如風馳雨驟而來，喊聲大振。姜子牙與眾門人諸將正要出營，恰逢其時，楊戩曰：「此匹夫恃強欺敵，是自取死也。」子牙坐四不相，哪吒引道，眾門人左右擁護，一齊殺出營來，大呼曰：「余化龍！今日是汝父子死期至矣！」金、木二吒氣沖牛斗；楊任腹內生煙；雷震子聲如霹靂；韋護咬碎鋼牙；李靖欲平吞他父子；龍鬚虎足踏水雲，奮勇爭先。余家父子迎上前來。周營中眾門人裹住了余家父子。未及數合，哪吒現了三首八臂，登起風火輪，先在潼關城上。軍士見哪吒三首八臂，一聲喊，散了個乾淨。余化龍父子見哪吒上關，身子被眾人裹住，不得跳出圈子，因此上出了神，被雷震子一棍，正中余光頂上，翻下馬來。余達大呼曰：「匹夫！傷吾之弟，勢不兩立！」來戰雷震子；又被韋護祭起降魔杵把余達打死，倒在塵埃。楊任將扇子一搥，余先、余兆二人化作飛灰而散。余德見兄弟已死四人，心中大怒，直奔子牙殺來。子牙身體方纔好，諒戰不過，急祭打神鞭於空中，正中余德，打翻在地，早被李靖一戟刺死。雷震子見哪吒上城，也飛進城來。余化龍見五子陣亡，潼關已歸西土，在馬上大呼曰：「紂王！臣不能盡忠扶帝業，為主報深仇，臣今拚一死而報君恩也！」余化龍仗劍自刎而亡。後人單道余化龍父子一門死節，後人有詩弔之，詩曰：鐵騎馳驅血刃紅，潼關力戰未成功。一門盡節忠商主，萬死丹心泣曉風。苟祿真能慚素位，捐生今始識英雄。清風耿耿流千載，豈在漁樵談笑中。話說余化龍自殺，子牙驅人馬進關，出榜安民，清查庫藏。子牙憐余化龍父子一門忠烈，命左右收屍厚葬。凡軍士未得平復的，俱放在潼關調理。子牙方分割已定，只見黃龍真人、玉鼎真人與子牙議曰：「前面就是萬仙陣了，可請武王也暫歇在此關；我等領人馬往前面，要路上先命人造起蘆篷席殿，迎迓三教師尊。我等只此一舉，以完劫數，了此紅塵之殺運也。」子牙不覺大喜，忙命楊戩、李靖去造蘆篷。二人領令去訖。周營眾將自從遭痘疹之厄，人人身弱，個個狼狽，俱在關上將息。又過了數日，只見李靖回令：「蘆篷俱已完備。」黃龍真人曰：「蘆篷既完，只是眾門人去得；餘者俱離四十里遠，紮下團營，俟破陣後，方許起程。」眾將得令，就駐此割。不表。且說子牙同二位真人，與諸門人弟子，前至蘆篷上。但見懸花結彩，香氣氤氳，迎接玉虛門下之客，今日萬仙陣總會一面，滿其紅塵殺戒，再去返本還元。不一時這三山五岳眾道人齊齊拍手大笑而來：廣成子、赤精子、文殊廣法天尊、普賢真人、慈航道人、清虛道德真君、太乙真人、靈寶大法師、道行天尊、懼留孫、雲中子、燃燈道人，眾道人見子牙稽首，曰：「今日之會，正完其一千五百年之劫數。」正是：元滿皈依從正道，靜心定性誦「黃庭」。子牙迎接上篷坐下，先論破陣原故。燃

燈曰：「只等師長來，自有道理。」眾皆默然端坐。且說金靈聖母在萬仙陣中，見燃燈道人頂上現了三花，沖上空中，已知玉虛門下眾道者來了；隨發一個雷聲，振開萬仙陣，一塊煙霧撒開，現出萬仙陣來。蘆篷上眾仙一見，睜目細看數番，見截教中高高下下，攢攢簇簇，俱是五岳三山四海之中雲遊道客，奇奇怪怪之人。燃燈點頭對眾道人歎曰：「今日方知截教有這許多人品。吾教不過屈指可數之人！」正是：

玄都大法傳吾輩，方顯清虛不二門。

內中有黃龍真人曰：「眾位道友，自元始以來，為道獨尊，但不知截教門中一意濫傳，遍及匪類，真是可惜工夫，苦勞心力，徒費精神；不知性命雙修，枉了一生作用，不能免生死輪迴之苦，良可悲也！」道行天尊曰：「此一會，正是我等一千五百年之劫，難逢難遇。今我等先下篷看看，如何？」燃燈曰：「吾等不必去看，只等師尊來至，自有會期。」廣成子曰：「我等又不與他爭論，又不破他的陣，遠觀何妨？」眾道人曰：「廣成子言之甚當。」燃燈阻不住眾人，只得下篷，一齊來看萬仙陣。只見門戶重疊，殺氣森然。眾仙搖首曰：「好利害！人人異樣，個個兇形，全無辦道修行意，反有爭持殺伐心。」燃燈對眾人曰：「列位道兄，你看他們可是神仙了道之品！」眾仙看罷，方欲回篷，只聽萬仙陣中一聲鐘響，來了一位道人作歌而出，歌曰：

人笑馬遂是痴仙，痴仙腹內有真玄。真玄有路無人走，惟我蟠桃赴幾千。」

馬遂歌罷，大呼曰：「玉虛門下，既來偷看吾陣，敢與我見個高低？」燃燈曰：「你們只貪看惡陣，致多生此一段是非。」黃龍真人上前曰：「馬遂，你休要這等自恃。如今吾不與你論高低，且等掌教聖人來至，自有破陣之時。你何必倚仗強橫，行兇滅教也。」馬遂躍步，仗劍來取。黃龍真人手中劍急忙來迎。只一合，馬遂祭起金箍，把黃龍真人的頭箍住了。真人頭疼不可忍，眾仙急救真人，大家回蘆篷上來。真人急忙除金箍，除又除不掉，只箍得三昧真火從眼中冒出；大家鬧在一處。不表。

且說元始天尊來會萬仙陣，先著南極仙翁持玉符先行。南極仙翁跨鶴而來，雲光縹緲。馬遂抬頭，見是南極仙翁，急駕雲光至半空中來，阻住去路。仙翁笑曰：「馬遂，你休要猖獗，掌教師尊來了。」馬遂正欲爭持，只見後面仙樂一派，遍地異香，馬遂知不可爭持，按落雲頭，回歸本陣。南極仙翁先至蘆篷，率眾仙迎鑒接駕，上篷坐下。眾門人拜畢，侍立兩傍。元始曰：「黃龍真人有金箍之厄。」忙叫：「過來。」黃龍真人走至面前；元始用手一指，金箍隨脫。真人謝畢，元始曰：「今日你等俱該圖滿此厄，各回洞府，守性修心，斬卻三尸，再不惹紅塵之難。」眾門人曰：「願老師聖壽無疆！」正靜坐間，忽聽得空中有一陣異香仙樂，飄飄而來。元始已知老子來至，隨同眾門人迎候。老子下了板角青牛，攜手上篷。眾門人禮拜畢，老子拍掌曰：「周家不過八百年基業，貧道也到紅塵

中來三番四轉；可見運數難逃，何怕神仙佛祖。」元始曰：「塵世劫運，便是物外神仙都不能免，況我等門人，又是身犯之者，我等不過來了此一番劫數耳。」二位師尊言過，端然默坐。至二更時分，只見各聖賢頂上現有瓔珞慶雲，祥光繚繞，滿空中有無限瑞靄，直冲霄漢。且不言二位掌教師尊與眾門人默坐蘆篷。不表。

且說金靈聖母在萬仙陣內，見瑞靄祥雲，知二位師伯已至，自思曰：「今日掌教師伯已來，吾師也要早至方可。」及至天明，只聽的半空中仙樂盈空，珮環之聲不絕，群仙隨通天教主離了碧遊宮，親至萬仙陣來。金靈聖母得知，率領眾仙，迎接教主，進了陣門，上了八卦臺坐下。萬仙叩謁畢，金靈聖母曰：「二位師伯俱已至此。」通天教主曰：「罷了！如今是月缺難圓，既擺此萬仙陣，必定與他見個雌雄，以定一尊之位。今日是萬仙統會，以完劫數。」隨命長耳定光仙：「你且去蘆篷上，見你二位師伯，下這一封書。」定光仙領命，逕至蘆篷下，見楊戩等俱在左右站立。哪吒問曰：「來者何人？」長耳定光仙曰：「吾是奉命下書，來見師伯的。借你通報。」哪吒上前啟知，老子曰：「命來。」哪吒下篷說知。定光仙上得篷來，見左右立著十二代門人，定光仙拜伏於地，將書呈上。老子看書畢，謂定光仙曰：「吾知道了。明日來破萬仙陣也。」定光仙下篷至萬仙陣，回復通天教主。且說次日，二位教主領眾門徒來看萬仙陣，下得篷來，至陣前一見，好萬仙陣！怎見得，有讚為證，讚曰：

一團怪霧，幾陣寒風。彩霞籠五色金光，瑞雲起千叢艷色。前後排山岳修行道士與全真；左右立湖海雲遊陀頭併散客。正東上：九華巾，水合袍，太阿劍，梅花鹿，都是道德清高奇異人；正西上：雙抓髻，淡黃袍，古定劍，八叉鹿，盡是駕霧騰雲清隱士；正南上：大紅袍，黃斑鹿，昆吾劍，正是五遁三除截教公；正北上：皂色服，蓮子箍，寶鐵鋼，跨糜鹿，都是倒海移山雄猛客。翠藍幡，青雲繞繞；素白旗，彩氣翩翩；大紅旗，火雲罩頂；皂蓋旗，黑氣施張；杏黃幡下千千條古怪的金霞，內藏著天上無、世上少、闕地開天無價寶。又是烏雲仙、金光仙、虯首仙神光赳赳；靈牙仙、毘蘆仙、金箍仙氣概昂昂；七香車坐金靈聖母，分門列戶；八虎車坐申公豹，總督萬仙；無當聖母法寶隨身；龜靈聖母包羅萬象。金鐘響，翻騰宇宙；玉磬敲，驚動乾坤；提爐排，裊裊香煙龍霧隱；羽扇搖，翩翩彩鳳離瑤池。奎牛上坐的是混沌未分、天地玄黃之外、鴻鈞教下通天截教主。只見長耳仙持定了神書奧妙道德無窮興截闡六魂幡，左右金童隨聖駕，紫霧紅雲離碧遊。通天教主身心變，只因一怒結成讎，兩教生剋終有損，天翻地覆鬼神愁。崑崙正法扶明主，山河一統屬西周。

話說老子同元始來看萬仙陣，老子一見萬仙陣，與元始曰：「他教下就有這些門人！據我看來，總是不分品類，一概濫收，那論根器深淺，豈是了道成仙之輩。此一回玉石自分，淺深互

見。遭劫者，可不枉用工夫，可勝歎息！」話猶未了，只見通天教主從陣中坐奎牛而出，穿大紅白鶴絳綃衣，手執寶劍而來。老子看通天教主全無道氣，一臉兇光。怎見得，有讚為證，讚曰：

闢地開天道理明，談經論法碧遊京，五氣朝元傳妙訣，三花聚頂演無生。頂上金光分五彩，足下紅蓮逐萬程。八卦仙衣飛紫氣，三鋒寶劍號青蘋。伏虎降龍為第一，擒妖縛怪任縱橫。徒眾三千分左右，後隨萬姓盡精英。天花亂墜無窮妙，地擁金蓮長瑞禎。度盡眾生成正果，養成正道屬無聲。對對旛幢前引道，紛紛音樂及時鳴。奎牛穩坐截教主，仙童前後把香焚。靄靄沉檀雲霧長，騰騰殺氣自氤氳。白鶴唳時天地轉，青鸞展翅海山澄。通天教主離金闕，來聚群仙百萬名。

話說通天教主見二位教主，對面打稽首，曰：「二位道兄請了！」老子曰：「賢弟可謂無賴之極！不思悔過，何能掌截教之主？前日誅仙陣上已見雌雄，只當潛蹤隱跡，自己修過，以懺往愆，方是掌教之主；豈得怙惡不改，又率領群仙布此惡陣。你只待玉石俱焚，生靈戕滅殆盡，你方纔罷手，這是何苦定作此業障耶！」通天教主怒曰：「你等謬掌闡教，自恃己長，縱容門人，肆行猖獗，殺戮不道，反在此巧言惑眾。我是那一件不如你？你敢欺我！今日你再請西方準提道人將加持杵打我就是了。不知他打我即是打你一般。此恨如何可解！」元始笑曰：「你也不必口講，只你既擺此陣，就把你胸中學識舒展一二，我與你共決雌雄。」通天教主曰：「我如今與你的仇恨難解，除是你我俱不掌教，方纔干休！」通天教主道罷，走進陣去；少時，布成一個陣勢，乃是一個陣結三個營壘，攢簇而立。通天教主至陣前問曰：「你二人可識吾此陣否？」老子大笑曰：「此乃是吾掌中所出，豈有不知之理。此是太極兩儀四象之陣耳！有何難哉！」通天教主曰：「可能破否？」元始曰：「你且聽吾道來：混元初

判道為尊，煉就乾坤清濁分。太極兩儀生四象，如今還在掌中存。」

老子問曰：「誰去破此太極陣走一遭？」赤精子大呼曰：「弟子願會此陣！」作歌而出，歌曰：

「今朝圓滿斬三尸，復整菩提在此時。太極陣中遇奇士，回頭百事自相宜。」

赤精子躍身而出。只見太極陣中一位道人，長鬚黑面，身穿皂服，腰束絲絛，跳出陣前，大呼曰：「赤精子，你敢來會吾陣麼？」赤精子曰：「烏雲仙，你不可特強，此處是你的死地了！」烏雲仙大怒，仗劍來取。赤精子手中劍赴面交還。未及三四個回合，烏雲仙腰間掣出混元鎚就打，一聲響，把赤精子打了一跤。烏雲仙纔待下手，有廣成子大呼曰：「少待傷吾道兄，吾來了！」仗劍抵住烏雲仙。二人大戰，未及數合，烏雲仙又是一鎚把廣成子打倒在地。廣成子爬將起來，往西北上走了。通天教主命烏雲仙趕去：「定然拿來！」烏雲仙領法旨，隨後趕來。廣成子前走；烏雲仙後趕。看看趕上，廣成子正無可奈何，轉過山坡，只見準提道人

來至。讓過了廣成子，準提阻住了烏雲仙，笑容滿面，口稱：「道友請了！」烏雲仙認得是準提道人，大叫曰：「準提道人，你前日在誅仙陣上傷了吾師，今又阻吾去路，情殊可恨！」仗寶劍望準提道人頂上劈來。道人把口一張，有一朵青蓮托住了劍。言曰：

「舌上青蓮能托劍，吾與烏雲有大緣。」準提曰：「道友，吾與你是有緣之客，特來化你歸吾西方，共享極樂，有何不美？」烏雲仙大呼曰：「好潑道！欺吾太甚！」又是一劍。準提用中指一指，一朵白蓮托劍。準提又曰：「道友，掌白蓮能托劍，須知極樂在西方。二六蓮臺生瑞彩，波羅花放滿園香。」烏雲仙大呼曰：「一派胡說！敢來欺我！」又是一劍。準提將手一指，一朵金蓮托住。準提曰：「烏雲仙友，吾乃是大慈大悲，不忍你現出真相，若是現時，可不有辱你平昔修煉工夫，化為烏有。我如今不過要與你興西方教法，故此善善化你，幸祈急早回頭。」烏雲仙大怒，又是一劍砍來。準提將拂塵一刷，烏雲仙手中劍只剩得一個靶兒。烏雲仙大怒，拎起混元鎚打來。準提就跳出圈子去了。烏雲仙隨後趕來。準提曰：「徒弟在那裏？」只見了一個童兒來，身穿水合衣，手執竹枝而來。不知烏雲仙凶吉如何，且聽下回分解。第八十三回 三大師收獅象狽 詩曰：

一鉤明月半輪秋，三點如星仔細求。獅象有名緣相立，慈航無著借形修。朝元最忌貪嗔敗，脫骨須知罣礙難。總為諸仙逢殺劫，披毛帶角盡皆休。

話說準提道人命水火童子：「將六根清靜竹，來釣金鰲。」童子向空中將竹枝垂下，那竹枝就有無限光華異彩，裹住了烏雲仙；烏雲仙此時難逃現身之厄。準提叫曰：

「烏雲仙，你此時不現原形，更待何時！」只見烏雲仙把頭搖了一搖，化作一個金鬚鰲魚，剪尾搖頭，上了釣竿。童子上前，按住了烏雲仙的頭，將身騎上鰲魚背上，逕往西方八德池中受享極樂之福去了。正是：八德池中間戲耍，金蓮為伴任逍遙。

話說準提道人收了金鰲，趕至萬仙陣前。通天教主看見準提，怒冲面上，眼角俱紅，大呼曰：「準提道人，你今日又來會吾此陣，吾決不與你干休！」準提道人曰：「烏雲仙與吾有緣，被吾用六根清淨竹釣去西方八德池邊，自在逍遙，無罣礙，真強如你在此紅塵擾攘也。」通天教主聽罷大怒，正欲與準提廝殺，只聽得太極陣中一人作歌而出，歌曰：

「大道非凡道，玄中玄更玄。誰能參悟透，咫尺見先天。」

話說太極陣中虯首仙提劍而出：「誰人敢進吾陣中來，共決雌雄？」準提道人曰：「文殊廣法天尊，借你去會此位有緣之客。」準提道人把文殊廣法天尊頂上一指，泥丸復開，三光迸出，瑞氣盤旋，元始天尊遞一旛與文殊，名曰盤古旛：「可破此太極陣。」文殊廣法天尊接旛作偈而出，偈曰：

「混元一氣此為先，萬劫修持合太玄。莫道此中多變化，汞鉛消盡福無邊。」

文殊廣法天尊歌罷，虯首仙大呼

曰：「今日之功，各顯其教，不必多言！」仗手中劍砍來。文殊廣法天尊手中劍急架相還。未及數合，虬首仙便往陣中而去。文殊廣法天尊縱步趕來。虬首仙進陣，便祭起符印，只見陣中如鐵壁銅牆一般，兵刃加山。文殊廣法天尊將盤古幡展動，鎮住了太極陣，廣法天尊現出一法身來。怎見得，有讚為證：

面如藍靛，赤髮紅髯。渾身上五彩呈祥，遍體內金光擁護。降魔杵滾滾紅焰飛來；金蓮邊騰騰霞光亂舞。正是：太極陣中皈依大法現威光，朵朵祥雲籠八面。

虬首仙見廣法天尊現出一位化身，甚是奇異，只見香風縹緲，瓔珞纏身，蓮花托足。虬首仙無法可治，正欲迴避；文殊忙將網妖繩祭起，命黃巾力士：「拿去蘆篷下，聽候發落。」廣法天尊收了法像，徐徐出陣，上篷來見元始，曰：「弟子已破太極陣矣。」元始命南極仙翁：「去蘆篷下，將虬首仙打出原身。」仙翁領命至篷下，見虬首仙縛住一團。南極仙翁對虬首仙口中念念有詞，道聲：「疾！還不速現原形，更待何時！」只見虬首仙把頭搖了兩搖，就地一滾，乃是一個青毛獅子，剪尾搖頭，甚是雄偉。南極仙翁回復元始天尊命令。元始吩咐：「就命廣法天尊坐騎，仍於頂下掛一牌，上書虬首仙名諱。」次日，老子與元始親臨陣前，問：「通天教主何在？」左右報與通天教主，逕出陣前。老子命文殊騎了青獅至前面，老子指與通天教主看，曰：「你的門下，長有此等之物，你還要自逞道德清高，真是可笑！」就把個通天教主羞紅滿面，大怒曰：「你再敢破吾兩儀陣麼？」老手尚未及回言，只見兩儀陣內靈牙仙大呼而出曰：「誰敢來破吾兩儀陣麼？」正是：

袖裏乾坤翻上下，兩儀陣內定高低。

靈牙仙逕出陣來，問：「誰敢來見吾此陣？」元始命普賢真人曰：「你去破此陣走一遭。」遂將太極符印付與普賢真人。真人至陣前曰：「靈牙仙，你苦行成形，為何不守本分，又來多此一番事也。只怕你咫尺間現了原形，當時悔之晚矣。」靈牙仙大怒，仗二劍飛來直取。普賢真人仗手中劍火速忙迎。未及數合，靈牙仙便往兩儀陣中而去；普賢真人趕入陣內。靈牙仙祭動兩儀妙用，逞截教玄功，發動雷聲，來困普賢真人。只見普賢真人泥丸宮現出化身，甚是兇惡。怎見得，有讚為證：

面如紫棗，巨口獠牙。霎時間紅雲籠頂上，一會家瑞彩罩金身。瓔珞垂珠掛遍體，蓮花托足起祥雲。三首六臂持利器，手內降魔杵一根。正是：有福西方成正果，真人今日已完成。

話說普賢真人現出法身，鎮住靈牙仙，仍用長虹索，命黃巾力士：「將靈牙仙拿去蘆篷下，聽候指揮。」普賢真人破了兩儀陣，逕至蘆篷上，參見老子。老子命南極仙翁：「速現靈牙仙原身。」南極仙翁領令，將三寶玉如意把靈牙仙連擊數下。靈牙仙就地一滾，現出原形，乃是一隻白象。老子吩咐：「將白象頸上也掛一牌，上書靈牙仙名諱，與普賢真人為坐騎。」復至陣前。通天教主見青獅在左，白象在右，不覺大怒，正

欲上前，只見四象陣上金光仙大呼曰：「闡教門人不要逞強，吾來也！」乃作歌而出，歌曰：「妙法廣無邊，身心合汞鉛。」

今領四象陣，道術豈多言。二指降龍虎，雙眸運太玄。誰人來會我，方是大羅仙。」元始見金光仙出得四象陣來，勇猛莫敵，忙吩咐慈航道人曰：「你將如意執定，進四象陣去，直須……如此如此，就變化無窮，何愁此陣不破也；此是你有緣之騎。」慈航道人作歌而出，歌曰：「普陀崖下有名聲，了劫歸根返玉京。今日已完收四象，夢魂猶自怕臨兵。」

慈航歌罷，金光仙躍身而出，大呼曰：「慈航道人，你口出大言，肆行無忌，好個『今日已完收四象』，只怕你死於目前！不要走，正要拿你！」仗手中劍飛來直取。慈航道人手中劍急架忙迎。未及三合，金光仙便入四象陣去了。慈航趕入陣中。金光仙將四象陣符印發開，內有無窮法寶，來治慈航道人。正是：四象陣遇金

毛吼，潮音洞裏聽談經。話說慈航道人見四象陣中變化無窮，忙將頭上一拍，有一朵慶雲籠罩，蓋住頂上，聽得一聲雷響，現出一位化身，怎見得：面如傅粉，三首六臂。二目中

火光焰裏見金龍；兩耳內朵朵金蓮生瑞彩。足踏金鰲，靄靄祥雲千萬道；手中托杵，巍巍紫氣徹青霄。三寶如意擎在手，長毫光燦燦；楊柳在肘後，有瑞氣騰騰。正是：普陀妙法甚莊嚴，方顯慈航道行。

且說金光仙看見闡教內門人這等化身，自歎曰：「真好一個玉虛門下，果然氣宇不同！」欲待逃回，早已被慈航道人祭起三寶玉如意，命黃巾力士：「把此物拿去簷下，聽候發落。」少時，力士平空把金光仙拿至蘆簷下。南極仙翁在簷下等候，忽見空中丟下金光仙來，南極仙翁見金光仙跌下簷來，遵老子命令，將金光仙頸上連拍幾下：「這業障還不速現原形，更待何時！」金光仙情知不能脫逃，就地一滾，現出原形，乃是一隻金毛吼。仙翁至蘆簷回覆法旨。元始吩咐：「也與他頸上掛一牌，書金光仙名諱，就與慈航為坐騎。」仙翁一如命施為。慈航騎了，復出陣前。——此乃是三大師收伏獅、象、吼；後興釋門，成於佛教，為文殊、普賢、觀音，是三位大士；此是後話，表過不提。且說通天教主見如此光景，心中大怒，方欲仗劍前來，以決雌雄，忽聽得後面一門人大呼曰：「老師不要動怒，吾來也！」通天教主觀之，是龜靈聖母，身穿大紅八卦衣，仗手中寶劍，作歌而來，歌曰：

「炎帝修成大道通，胸藏萬象妙無窮。碧遊宮內傳真訣，特向紅塵西破戎。」只見龜靈聖母欲來拿廣成子報仇，這壁廂有懼留孫迎上前來曰：「那業障慢來！」老子、元始、準提道人三位教主是慧眼，看見龜靈聖母行相，元始笑曰：「二位道兄，似這樣東西，如何也要成正果，真個好笑！」——你道他知何出身，有讚為證：根源出處號幫泥，水底增光獨顯威。世隱能知天地性，靈惺偏曉鬼神機。藏身一縮無頭尾，展足能行即自飛。

蒼頡造字須成體，卜筮先知伴伏羲。穿萍透荇千般俏，戲水翻波把浪吹。條條金線穿成甲，點點裝成玳瑁齊，九宮八卦生成定，散碎鋪遮緣羽衣。生來好勇龍王幸，死後還駝三教碑。要知此物名何姓，炎帝得道母烏龜。

且說龜靈聖母仗劍出來，與懼留孫大戰，未及三合，急祭起日月珠打來。懼留孫不識此寶，不敢招架，轉身往西敗走。通天教主大呼曰：「速將懼留孫拿來！」龜靈聖母飛趕前來。懼留孫一乃是西方有緣之客，久後入於釋教，大闡佛法，興於西漢。一正往西上逃走，只見迎頭來了一人，頭挽雙髻，身穿水合道服，徐徐而來，讓過懼留孫，阻住龜靈聖母，大呼曰：「不要趕吾道友。你既修成人體，理當守分安居，如何肆志亂行，作此業障。若不聽吾之言，那時追悔何及！你可速回，吾乃西方教主，大展沙門，今來特遇有緣，非是無端惹事。正是：

若有緣當早會，同上西方極樂天。」龜靈聖母大呼曰：「你是西方客，當守你巢穴，如何敢在此妖言亂語，惑吾清聽！」也不及交手，急祭日月珠劈面打來。接引道人指上放一白毫光，光上生一朵青蓮，托住此珠。西方教主曰：「青蓮托此物，眾生那得知。」龜靈聖母原非根深行滿之輩，不知進退，依舊用此珠打來。接引道人曰：「既到此間，也免不得行此紅塵之事；非是我慈悲，乃是氣數使然，我也難為自主。我且將此寶祭起，看他如何。」西方教主將念珠祭起，龜靈聖母一見，躲身不及，那念珠落下，正打在龜靈聖母背上，壓倒在地，現出原身，乃是一個大龜，只見壓得頭足齊出。懼留孫方欲仗劍斬之，西方教主急止之曰：

「道友不可殺他，若動此念，轉劫難完，相報不已。」教主呼：「童子在那裏？」西方教主言未畢，只見一童走至面前，西方教主曰：「我同此位道友去會有緣之客；你可將此畜收之。」接引道人同懼留孫赴蘆篷來。不表。且說西方白蓮童子將一小包兒打開，欲收龜靈聖母，不意走出一件好東西，甚是利害，聲音細細，映日飛來。怎見得，有詩為證：

聲若轟雷嘴若針，穿衾度幔更難禁。貪餐血食侵人體，畏避煙燭集茂林。炎熱愈威偏聒噪，寒風纔動便無情。龜靈聖母因逢劫，難免群鋒若聚簪。

話說白蓮童子打開包裹，放出蚊蟲，那蚊蟲聞得血腥氣，俱來叮在龜靈聖母頭足之上，及至趕打，如何趕得徹，未曾趕得這裏，那裏又宿滿了。不一時，把龜靈聖母吸成空殼。白蓮童子急至收時，他也自四散飛去，一翅飛往西方，把十二品蓮臺食了三品。一後來西方教主破了萬仙陣回來，方能收住，已是少了三品蓮臺，追悔無及。正是：

九品蓮臺登彼岸，千年之後有沙門。不表蚊蟲之事。且說西方教主同懼留孫來至萬仙陣前，見了紫霧紅雲，黃光繚繞，有準提道人見師兄來至，老子與元始忙迎上前，打稽首曰：「道友請了！」對面通天教主看見，大呼曰：「接引道人，你前番可惡，破吾誅仙陣；今又來此！吾與你見個高

下！」道罷，把奎牛催開，用劍來取。西方教主也不動手，只見泥丸宮舍利子升起三顆，或上或下，反覆翻騰，遍地俱是金光。通天教主寶劍架隔，不能近身。通天教主大怒，復用漁鼓打來。準提用手一指，一朵金蓮架住，亦不能近身。老子與元始請曰：「二位道兄暫回，今日且不要與他較量。」赤精子聽罷，忙鳴金鐘；廣成子又擊玉磬。四位教主皆回。通天教主又不能阻攔，心中大怒，曰：「今日且讓他暫回，明日決要會你等，以見高下！」老子曰：「你且回去，不要性急。」只見四位教主回至蘆篷上坐下，元始曰：「二位道兄此來共佐周室，若明日破陣，必盡除此教，以絕彼之虛妄。只是難為後來訪道修真之人，絕此一種耳。」接引道人曰：「貧道此來，單只為渡有緣之客。據吾觀，萬仙陣中邪者多而正者少，沒奈何，只得隨緣相得，不敢勉強耳。」老子曰：「吾等門人今已滿戒，明日速破此陣，讓他早早返本還元，以全此輩根行，也不失我等解脫一場。」元始隨命姜尚過來，問曰：「前日破誅仙陣，那四口寶劍在否？」子牙曰：「此劍俱在弟子處。」元始曰：「取來。」子牙隨取出四口劍獻上元始，乃「誅」、「戮」、「陷」、「絕」之劍。元始乃命廣成子、赤精子、玉鼎真人、道行天尊四位過來，吩咐曰：「你四人但看明日吾等進陣之時，陣裏面八卦臺前有一座寶塔升起，你四個先衝進重圍之中，祭起此劍。原是他的寶劍，還絕他的門人，非吾等故作此惡業也。」又謂子牙曰：「明日會陣之際，但凡吾門下見者，皆可進陣，以完劫數。」子牙領了法旨，來至蘆篷下，吩咐眾門人曰：「明日共破萬仙陣，爾等俱入陣中，各見雌雄，以完劫數。」眾門人聽說，喜不自勝。不表。

且說潼關眾將聽得破萬仙陣，俱在關內，一個個心癢難抓，恨不得也來看看。內有洪錦與龍吉公主曰：「我也是截教，況你又是瑤池仙子，理合去會萬仙陣，如何在此不行？」龍吉公主曰：「我們明日早去無妨。」夫妻計議停當。次日，來見武王曰：「臣辭大王，要去會萬仙陣，以完劫數，特聽姜元帥調遣。」武王曰：「卿去固好，當佐相父破敵也。」武王大喜，奉酒餞行。洪錦夫婦告別起行。一也是合該如此。正是：

萬仙陣內夫妻絕，天數安排不得差。且說元始次日下篷，吩咐眾門人，鳴動金鐘、玉磬。三教聖人率諸門人共破萬仙陣。只見通天教主吩咐長耳定光仙曰：「但吾與你師伯共西方二位道人會戰，吾叫你將六魂幡磨動，你可將幡磨動，不得有誤！」長耳定光仙曰：「弟子知道。」通天教主打點會戰。且說長耳定光仙自思：「我前只見師伯左右門人，總共十二代弟子，俱是道德之士；昨日又見西方教主，三顆舍利子頂上光華，真是道法無邊。」先自行有三分退諉。正是：從來心上修仙道，邪

正方知成大宗。話說通天教主至陣前，見老子、元始四人一至，大呼曰：「今日定要與你等見個高低，斷不草率干休！」話猶未了，只見洪錦走馬至陣前，與龍吉公主也不聽約束，舉刀刃直衝殺過去。子牙攔阻不住。一看官：此正是這二位星官該絕於此，天數使然，故不由分說，直殺過去耳。一洪錦把刀一擺，兩騎馬衝進陣中。萬仙陣不曾隄防有此衝突之患，被龍吉公主祭起瑤池內白光劍，傷了數位仙家。夫妻二人正衝殺間，只見亂騰騰殺氣迷空，黑靄靄陰風晦晝，正遇金靈聖母在七香車上布陣，忽報：「龍吉公主衝進陣來。」金靈聖母急下車看時，公主已殺至面前。聖母綽步，提飛金劍抵敵。未及數合，聖母祭起四象塔打來。公主不知此寶，躲不及，一塔正打中頂上，跌下馬來，被眾仙殺之。洪錦見公主已絕，大叫一聲：「休傷吾公主！」把刀來取聖母。聖母又祭起龍虎如意，正中洪錦頂上。可憐！自歸周土，屢得奇功，今日夫妻陣亡，以報武王。一二位清魂俱往封神臺去了。元始正欲與通天教主答話，只見洪錦夫妻已亡，元始歎謂西方教主曰：「方纔絕者乃是瑤池金母之女。天數合該如此，可見非人力所為。」只聽得萬仙陣門裏有一竿翠藍旗搖，隱隱調出一位道者，乃是按二十八宿之星，正應萬仙陣而出。元始見翠藍旗搖動，來了四位道人，俱穿青色衣。怎見得，有詩為證，詩曰：一字青紗腦後飄，

道袍水合束絲條。元神一現群龜滅，斬將封為角木蛟。九揚紗巾頭上蓋，腹內玄機無比賽。降龍伏虎似平常，斬將封為斗木豸。三柳髭鬚一尺長，煉就三花不老方。蓬萊海島無心戀，斬將封為奎木狼。修成道氣精光煥，巨口獠牙紅髮亂。碧遊宮內有聲名，斬將封為井木犴。元始又見一聲鐘響，一桿大紅旗搖，又來了四位道人，俱穿大紅絳綃衣，好兇惡！怎見得，有詩為證，詩曰：

碧玉霞冠形容古，雙手善把天地補。無心訪道學長生，斬將封為尾火虎。截教傳來煉玉樞，玄機兩濟用工大。丹砂鼎內龍降虎，斬將封為室火豬。秘授口訣仗妖邪，頂上靈雲天地遮。三花聚頂難成就，斬將封為翼火蛇。不變榮華止自修，降龍伏虎任悠遊。空為數載丹砂力，斬將封為觜火猴。老子見萬仙陣中一桿白旗搖動，又言四位道人出來，身穿大白衣，體態兇頑，各有妖氛氣概，

因謂元始曰：「似這等業障都來枉送性命，你看出來的都是如此之類。」怎見得，有詩為證，詩曰：

五岳三山任意遊，訪

四位教主又見通天教主把手中劍望東、西、南、北指

下回分解。第八十四回 子牙兵取臨潼關 詩曰：

幽魂幡
下夜猿啼，壯士紛紛急鼓鼙。黑霧瀰漫人魄散，妖氛籠罩將星低。

只知戰勝歌刁斗，不認奸邪悔噬臍。屈死英雄遭血刃，至今城下草萋萋。

話說通天教主率領眾仙至陣前，老子曰：「今日與你決定雌雄，萬仙遭難。正應你反覆不定之罪。」通天教主怒曰：「你四人看我今番怎生作用！」遂催開奎牛，執劍砍來。老子笑曰：「料你今日作用也只如此！只你難免此厄也！」催開青牛，舉起扁拐，急架忙迎。元始天尊對左右門人曰：「今日你等俱滿此戒，須當齊入陣中，以會截教萬仙，不得錯過。」眾門人聽此言，不覺歡笑，吶一聲喊，齊殺入萬仙陣中。正是：萬仙陣上施玄妙，都向其中了劫塵。

文殊廣法天尊騎獅子，普賢真人騎白象，慈航道人騎金毛犼；三位大士各現出化身，衝將進去。靈寶大法師仗劍而來，太乙真人持寶鏢進陣，懼留孫、黃龍真人、雲中子、燃燈道人齊往萬仙陣來。後面又有姜子牙同哪吒等眾門人亦大呼曰：「吾等今日破萬仙陣，以見真偽也！」話未了時，只見陸壓道人從空飛來，撞入萬仙陣內，也來助戰。看這場大戰，正是萬劫總歸此地，神仙殺運方完。只見：老子坐青牛，往來跳躍；通天教主縱奎牛，猛勇來攻。三大士催開了青獅、象、犼；金靈聖母使寶劍飛騰。靈寶大法師面如火熱；無當聖母怒氣沖空。太乙真人動了心中三昧；毘蘆仙亦顯神通。道德真君來完殺戒；雲中子寶劍如虹。懼留孫把網仙繩祭起；金箍仙用飛劍來攻。陣中玉磬錚錚響，臺下金鐘朗朗鳴。四處起團團煙霧，八方長颯颯狂風。人人會三除五遁，個個曉倒海移峰。劍對劍，紅光燦燦；兵迎寶，瑞氣溶溶。平地下鳴雷震動，半空中霹靂交轟。這壁廂三教聖人行正道；那壁廂通天教主涉邪宗。這四位教主也動了嗔痴煩惱；那通天教主竟犯了反覆無終。正克邪，始終還正；邪逆正，到底成凶。急嚷嚷天翻地覆，鬧炒炒華岳山崩。姜子牙奉天征討，眾門人各要立功。楊戩刀猶如閃電；李靖戟一似飛龍；金吒躍開腳步；木吒寶劍齊衝；韋護祭起降魔寶杵；哪吒登開風火輪，各自稱雄；雷震子二翅半空施勇；楊任手持五火扇搗風。又來了四仙家，祭起那「誅」、「戮」、「陷」、「絕」四口寶劍，這般兵器難當其鋒，咫尺間斬了二十八宿，頃刻時九曜俱空。通天教主精神減半；金靈聖母口內喁喁；毘蘆仙已無主意；無當聖母戰戰兢兢。一時間又來了西方教主，把乾坤袋舉在空中，有緣的須當早進，無緣的任你縱橫。霎時間雲愁霧慘，一會家地暗難窮。從今驚破通天膽，一事無成有愧容。

話說老子與元始衝入萬仙陣內，將通天教主裹住。金靈聖母被三大士圍在當中，只見三大士面分藍、紅、白，或現三首六臂，或現八首六臂，或現三首八臂，渾身上下俱有金燈、白蓮、寶珠、瓔珞、華光護持，金靈聖母用玉如意招架三大士多時，不覺把頂上金冠落在塵埃，將頭髮散了，這聖母披髮大戰，正戰之間，遇著燃燈道人祭起定海珠打來，正中頂門。可憐！正是：封神正位為星首，北闕香湮萬載存。燃

燈將定海珠把金靈聖母打死。廣成子祭起誅仙劍，赤精子祭起戮仙劍，道行天尊祭起陷仙劍，玉鼎真人祭起絕仙劍，數道黑氣沖空，將萬仙陣罩住，凡封神臺上有名者，就如砍瓜切菜一般，但遭殺戮。子牙祭打神鞭，任意施為。萬仙陣中又被楊任用五火扇搗起烈火，千丈黑煙迷空，可憐萬仙遭難，其實難堪。哪吒現三首八臂，往來衝突。玉虛一干門下，如獅子搖頭，狻猊舞勢，只殺得山崩地塌。通天教主見萬仙受此屠戮，心中大怒，急呼曰：「長耳定光仙快取六魂幡來！」定光仙因見接引道人白蓮裹體，舍利現光，又見十二代弟子玄都門人俱有瓔珞、金燈、光華罩體，知道他們出身清正，截教畢竟差訛，他將六魂幡收起，輕輕的走出萬仙陣，逕往蘆篷下隱匿。正是：

根深原是西方客，躲在蘆篷獻寶幡。

話說通天教主大呼：「定光仙快取幡來！」連叫數聲，連定光仙也不見了。教主已知他去了，大怒，欲待無心戀戰，又見萬仙受此等狼狽；欲待上前，又有四位教主阻住；欲要退後，又恐教下門人笑話；只得勉強相持，又被老子打了一拐。通天教主著了急，祭起紫電鎚來打老子；老子笑曰：「此物怎能近我！」只見頂上現出玲瓏寶塔，此鎚焉能下來。通天教主正出神，不妨元始天尊又一如意，打中通天教主肩窩，幾乎落下奎牛。通天教主大怒，奮勇爭戰。只見二十八宿星官已殺得看看殆盡，止丘引見勢不好了，借土遁就走，被陸壓看見，惟恐追不及，急縱至空中，將葫蘆揭開，放出一道白光，上有一物飛出，陸壓打一躬，命：「寶貝轉身。」可憐丘引頭已落地。陸壓收了寶貝，復至陣中助戰。

且說接引

道人在萬仙陣內將乾坤袋打開，盡收那三千紅氣之客，一有緣往極樂之鄉者，俱收入此袋內。準提同孔雀明王在陣中現出三十四頭，十八隻手，執定瓔珞、傘蓋、花貫、魚腸、金弓、銀戟、白鉞、幡幢、加持神杵、寶鏹、銀瓶等物來戰通天教主。通天教主看見準提，頓起三昧真火，大罵曰：「好潑道！焉敢欺吾太甚，又來攪吾此陣也！」縱奎牛衝來，仗劍直取。準提將七寶妙樹架開。正是：

西方極樂無窮法，俱是蓮花一化身。

且說通天

教主用劍砍來，準提將七寶妙樹一刷，把通天教主手中劍打得粉碎。通天教主把奎牛一拎，跳出陣去了；準提道人收了法身，老子與元始也不趕他。群仙共破了萬仙陣，鳴動金鐘，擊響玉磬，俱回蘆篷上來。老子與元始看見定光仙，問曰：「你是截教門人定光仙，為何躲在此處也？」定光仙拜伏在地曰：「師伯在上：弟子有罪，敢稟明師伯。吾師煉有六魂幡，欲害二位師伯並西方教主、武王、子牙，使弟子執定聽用。弟子因見師伯道正理明，吾師未免偏聽逆理，造此業障，弟子不忍使用，故收匿藏身於此處。今師伯下問，弟子不得不以實告。」元始曰：「奇哉！你身居截教，心向正宗，自是有根器之人。」隨命跟上蘆篷。四位教主坐下，共論今日邪正方分。老子問定光仙曰：「你可取六魂幡來。」定光仙將幡呈

上。西方教主曰：「此幡可摘去周武、姜尚名諱，將幡展開，以見我等根行如何。」準提隨將六魂幡摘去「武王」、「姜尚」名諱，命定光仙展布。定光仙依命，將幡連展數展。只見四位教主頂上各現奇珍：元始現慶雲，老子現塔，西方二位教主現舍利子，保護其身。定光仙見了，棄幡倒身下拜，言曰：「似此吾師妄動嗔念，陷無萬生靈也！」西方教主曰：「吾有一偈，你且聽著：

極樂之鄉客，西方妙術神。蓮花為父母，九品立吾身。池邊分八德，常臨七寶園。波羅花開後，遍地長金珍。談講三乘法，舍利腹中存。有緣生此地，久後幸沙門。」西方教主曰：「定光仙與吾教有緣。」元始曰：「他今日至此，也是棄邪歸正念頭，理當皈依道兄。」定光仙遂拜了接引、準提二位教主。子牙在篷下與哪吒等曰：「今日萬仙陣中許多道者遭殃，無辜受戮，其實痛心。」門人之內，個個歡喜。不表。

且說通天教主被四位教主破了萬仙陣，內中有成神者，有歸西方教主者，有逃去者，有無辜受戮者。彼時無當聖母見陣勢難支，先自去了；申公豹也走了；毘盧仙已歸西方教主，後成為毘盧佛，此是千年後纔見佛光。當日通天教主領著二三百名散仙，走在一座山下，少憩片時，自思：「定光仙可恨將六魂幡竊去，使吾大功不能成！今番失利，再有何顏掌碧遊宮大教。左右是一不做，二不休，如今回宮，再立『地水火風』，換個世界罷！」左右眾仙俱各贊襄。通天教主見左右四個切己門徒俱喪，切齒深恨：「不若往紫霄宮見吾老師，先稟過了他，然後再行此事。」正與眾散仙商議，忽見正南上祥雲萬道，瑞氣千條，異香襲襲，見一道者，手執竹杖而來。作偈曰：

高臥九重雲，蒲團了道真。天地玄黃外，吾當掌教尊。盤古生太極，兩儀四象循。一道傳三友，二教闡截分。玄門都領秀，一氣化鴻鈞。」

話說鴻鈞道人來至，通天教主知是師尊來了，慌忙上前迎接，倒身下拜曰：「弟子願老師聖壽無疆！不知老師駕臨，未曾遠接，望乞恕罪。」鴻鈞道人曰：「你為何設此一陣，塗炭無限生靈，這是何說！」通天教主曰：「啟老師：二位師兄欺滅吾教，縱門人毀罵弟子，又殺戮弟子門下，全不念同堂手足，一味欺凌，分明是欺老師一般。望老師慈悲！」鴻鈞道人曰：「你這等欺心！分明是你自己作業，致生殺伐，該這些生靈遭此劫運；你不自責，尚去責人，情殊可恨！當日三教共僉『封神榜』，你何得盡忘之也！名利乃凡夫俗子之所爭，嗔怒乃兒女子之所事，縱是未斬三尸之仙，未赴蟠桃之客，也要脫此苦惱；豈意你三人乃是混元大羅金仙，歷萬劫不磨之體，為三教元首，為因小事，生此嗔痴，作此邪慾。他二人原無此意，都是你作此過惡，他不得不應耳。雖是劫數使然，也都是你約束不嚴，你的門徒生事，你的不是居多。我若不來，彼此報復，何日是了？我特來大發慈悲，與你等解釋冤愆，各掌教宗，毋得生事。」隨吩咐左右散仙：「你等各歸洞府，自養天真，以俟

超脫。」眾仙叩首而散。鴻鈞道人命通天教主先至蘆篷通報。通天教主不敢有違師命，只得先至蘆篷下來，心中自思：「如何好見他們？」不得已，靦面而行。話說哪吒同韋護等俱在蘆篷下，議論萬仙陣中那些光景，忽見通天教主先行，後面跟著一個老道人扶筇而行，只見祥雲繚繞，瑞氣盤旋，冉冉而來，將至篷下。眾門人與哪吒等各各驚疑未定。只見通天教主將近篷下，大呼曰：「哪吒可報與老子、元始，快來接老爺聖駕！」哪吒忙上篷來報。話說老子在篷上與西方教主正講眾弟子劫數之厄，今已圓滿，猛抬頭見祥光瑞靄，騰躍而來，老子已知老師來至，忙起身謂元始曰：「師尊來至！」急率眾弟子下篷。只見哪吒來報：「通天教主跟一老道人而來，呼老爺接駕，不知何故。」老子曰：「吾已知之。此是我等老師，想是來此與我等解釋冤愆耳。」遂相率下篷迎接，在道傍俯伏曰：「不知老師大駕下臨，弟子有失遠接，望乞恕罪。」鴻鈞道人曰：「只因十二代弟子運逢殺劫，致你兩教參商。吾特來與你等解釋愆尤，各安宗教，毋得自相背逆。」老子與元始聲諾曰：「願聞師命。」遂至篷上，與西方教主相見。鴻鈞道人稱讚：「西方極樂世界真是福地。」西方教主應曰：「不敢！」教主請鴻鈞道人拜見。鴻鈞曰：「吾與道友無有拘束。這三個是吾門下，當得如此。」接引道人與準提道人打稽首坐下。後面就是老子、元始過來拜見畢，又是十二代弟子併眾門人俱來拜見畢，俱分兩邊侍立。通天教主也在一傍站立。鴻鈞道人曰：「你三個過來。」老子、元始、通天三個走近前面。道人問曰：「當時只因周家國運將興，湯數當盡，神仙逢此殺運，故命你三個共立『封神榜』，以觀眾仙根行淺深，或仙，或神，各成其品。不意通天弟子輕信門徒，致生事端，雖是劫數難逃，終是你不守清淨，自背盟言，不能善為眾仙解脫，以致俱遭屠戮，罪誠在你，非是我為師的有偏向，這是公論。」接引與準提齊曰：「老師之言不差。」鴻鈞曰：「今日我與你講明，從此解釋。大徒弟，你須讓過他罷。俱各歸山闕，毋得戕害生靈。況眾弟子厄滿，姜尚大功垂成，再毋多言。從此各修宗教。」鴻鈞吩咐：「三人過來跪下。」三位教主齊至面前，雙膝跪下。道人袖內取出一個葫蘆，倒出三粒丹來，每一位賜他一粒：「你們吞入腹中，吾自有話說。」三位教主俱皆依師命，各吞一粒。鴻鈞道人曰：「此丹非是卻病長生之物，你聽我道來：

此丹煉就有玄功，因你三人各自攻。若是先將念頭改，腹中丹發即時斃！」鴻鈞道人作罷詩，三位教主叩首：「拜謝老師慈悲！」鴻鈞道人起身，作辭西方教主，命通天三弟子：「你隨我去。」通天教主不敢違命。只見接引道人與準提俱起身，同老子、元始率眾門人同送至篷下。鴻鈞別過西方二位教主，老子與眾門人等又拜伏道傍，俟鴻鈞發駕。鴻鈞吩咐：「你等去罷。」眾人起立拱候。只見鴻鈞與通天教主駕祥雲冉冉而去。西方教主也作辭

回西方去了。老子、元始與子牙曰：「今日來，我等與十二代弟子俱回洞府，候你封過神，從新再修身命，方是真仙。」正是：

從修頂上三花現，返本還云又是仙。子牙與元始眾仙下得蘆篷，姜子牙伏於道傍，拜求掌教師尊曰：「弟子姜尚蒙師尊指示，得進於此地，不知後會諸侯一事如何？」老子曰：「我有一詩，你謹記有驗。詩曰：險處又逢險處過，前程不必問如何。諸侯八百看看會，只待封神奏凱歌。」老子道罷，與元始各回玉京去了。廣成子與十二代仙人，俱來作別曰：「子牙，吾等與你此一別，再不能會面也！」子牙心下甚是不忍分離，在篷下戀戀不捨。子牙作詩以送之，詩曰：東進臨潼會萬仙，依依回首甚相憐。從今別後何年會？安得相逢訴舊緣。」

話說群仙作別而去，惟有陸壓握子牙之手曰：「我等此去，會面已難，前途雖有凶險之處，俱有解釋之人，只還有幾件難處之事，非此寶不可，我將此葫蘆之寶送你，以為後用。」子牙感謝不已。陸壓隨將飛刀付與，也自作別而去。話分兩頭，單表元始駕回玉虛。申公豹只因破了萬仙陣，希圖逃竄他山，豈知他惡貫滿盈，跨虎而遁；只見白鶴童子看見申公豹在前面，似飛雲掣電一般奔走，白鶴童子忙啟元始天尊曰：「前面是申公豹逃竄。」元始曰：「他曾發一誓，命黃巾力士將我的三寶玉如意把他掣在麒麟崖伺候。」童子接了如意，遞與力士。力士趕上前大呼曰：「申公豹不要走！奉天尊法旨掣你去麒麟崖聽候！」祭起如意，平空把申公豹掣了往麒麟崖來。

且說元始天尊駕至崖前，落下九龍沉香輦，只見黃巾力士將申公豹掣來，放在天尊面前。元始曰：「你曾發下誓盟，去塞北海眼，今日你也無詞。」申公豹低首無話。元始命黃巾力士：「將我的蒲團捲起他來，掣去塞了北海眼！」力士領命，將申公豹塞在北海眼裏。有詩為證：堪笑闡教申公豹，要保成湯滅武王。今日誰知身塞海，不知紅日幾滄桑。話說黃巾力士將申公豹塞了北海，回元始法旨，不表。

且說子牙領眾門徒回潼關來見武王，武王曰：「相父今日回來，兵士俱齊，可速進兵，早會諸侯，孤之幸也。」子牙傳令，起兵往臨潼關來。只八十里，早已來至關下，安下行營。且說臨潼關守將歐陽淳聞報，與副將卞金龍、桂天祿、公孫鐸共議曰：「今姜尚兵來，止得一關，焉能阻當周兵？」眾將言曰：「主將明日與周兵見一陣，如勝則以勝而退周兵，如不勝，然後堅守，修表往朝歌去告急，俟援兵協守，此為上策。」歐陽淳曰：「將軍之言是也。」次日，子牙陞帳，傳下令去：「誰去取臨潼關走一遭？」傍有黃飛虎曰：「末將願往。」子牙許之。飛虎領本部人馬，一聲砲響，至關下搦戰。報馬報入帥府：「啟主帥：有周將搦戰。」歐陽淳曰：

「誰去走一遭？」只見先行官卞金龍領命，出關來見黃飛虎，大呼曰：「來將何名？」飛虎曰：「吾乃武成王黃飛虎是也。」卞金龍

大罵：「反賊不思報國，反助叛逆！吾乃臨潼關先行卞金龍是也。」黃飛虎大怒，縱馬搖鎗，飛來直取。卞金龍手中斧急架忙迎。牛馬相交，鎗斧併舉。戰未三十回，黃飛虎賣個破綻，吼一聲，將卞金龍刺下馬來，梟了首級，掌鼓回營，來見姜元帥。子牙大喜，上了黃將軍功績。不表。且說報馬報入帥府，歐陽淳大驚，只見卞金龍家將報入本府，卞金龍妻子胥氏聽說，放聲大哭，驚動後園長子卞吉。卞吉問左右：「太太為何啼哭？」左右把家主陣亡事說了一遍。卞吉怒髮沖冠，隨換了披掛，來見母親曰：「母親不須啼哭，俟兒為父親報仇。」胥氏只是啼哭，也不管卞吉的事。卞吉上馬，至帥府前。左右報入殿庭：「啟元帥：卞先行長子聽令。」歐陽淳命：「令來。」卞吉上殿，行禮畢，含淚啟曰：「末將父死何人之手？」歐陽淳曰：「尊翁不幸，被反賊黃飛虎鎗挑下馬，喪了性命。」卞吉曰：「今日天晚，明日拏仇人為父洩恨。」卞吉回至家中，令家將扛抬一個紅櫃，隨領軍出關。卞吉率領軍士至關外，豎立一根大旗桿，將紅櫃打開，拎出一首旗，掛將起來，懸於空中，有四五丈高。好利害旗！怎見得，有詩為證：

萬骨攢成世罕知，開天闢地最為奇。周王不是多洪福，百萬雄師此處危。

話說當日卞吉將旗桿豎起，一馬竟至周營轅門前搦戰。哨馬報入中軍：「啟元帥：關內有將請戰。」子牙問：「誰人出馬？」只見南宮适領命出營。見一員小將，生的面貌兇惡，手持方天畫戟，大呼曰：「來者何人？」南宮适笑曰：「似你這等黃口孺子，定然不認得，吾是西岐大將南宮适。」卞吉曰：「且饒你一死回去，只叫黃飛虎出來！他殺我父，吾與他有不共戴天之仇。我不拏你這將生替死之輩。」南宮适聽罷大怒，縱馬舞刀，直取卞吉。卞吉手中戟急架忙迎。二馬相交，刀戟併舉。二將大戰，正是棋逢對手，將遇作家。卞吉與南宮适戰有二三十合，卞吉撥馬便走。南宮适隨後趕來。卞吉先往旗杆下過去，南宮适不知詳細，也往旗下來，只見馬到旗前，早已連人帶馬跌倒，南宮适不省人事，被左右守旗軍士將南宮适繩纏索綁，拏出旗來。南宮适方睜開二目，乃知墮入他左道之術。卞吉進關來見歐陽淳，把拏了南宮适的話說了一遍。歐陽淳命左右：「推來。」至殿前，南宮适站立不跪。歐陽淳罵曰：「反國逆賊！今已被擒，尚敢抗禮！」命：「速斬首號令！」傍有公孫鐸曰：「主將在上：目今奸佞當道，言我等守關將士俱是架言征戰，冒破錢糧，賄買功績，凡有邊報，一概不准，尚將賸本人役斬了。依末將愚見，不若將南宮适監候，俟捉獲渠魁，解往朝歌，以塞奸佞之口，庶知邊關非冒破之名。不知主將意下若何？」歐陽淳曰：「將軍之言正合吾意。」遂將南宮适送在監中。不表。且說子牙聞報，南宮适被擒，心中大驚，悶坐軍中。次日，卞吉又來搦戰，坐名要黃飛虎。飛虎帶黃明、周紀出營來。見卞吉飛馬過來，大呼曰：「來將何人？」黃飛虎曰：

「吾乃武成王黃飛虎是也。」卞吉聞言大怒，罵曰：「反國逆賊，擅殺吾父，不共戴天之仇。今日拿你碎屍萬段，以洩吾恨！」展戟來刺。黃飛虎急撥鎗來迎。戰有三十回合，卞吉詐敗，竟往旛下去了。黃飛虎不知，也趕至旛下，亦如南宮适一樣被擒。黃明大怒，搖斧趕來，欲救黃飛虎，不知至旛下，也跌翻在地，也被擒了。卞吉連擒二將，進關來報功，欲將黃飛虎斬首，以報父仇。歐陽淳曰：「小將軍雖要報父之仇，理宜斬首，只他是起禍渠魁，正當獻上朝廷正法，一則以洩尊翁之恨，一則以顯小將軍之功，恩怨兩伸，豈不為美？且將他監候。」卞吉不得已，只得含淚而退。

話說周紀見黃明又失利，不敢向前，只得敗進營來見子牙。子牙聞黃飛虎被擒，大驚，問周紀曰：「他如何擒去？」周紀曰：

「他於關外立有一旛，俱是人骨頭穿成，高有數丈。他先自敗走，竟從旛下過去；若是趕他的，只至旛下，便連帶馬倒了。黃明去救武成王，也被擒去。」子牙大驚：「此又是左道之術！待吾明日親自臨陣，便知端的。」次日，子牙與眾將門人出營來，看見此旛，懸於空中，有千條黑氣，萬道寒煙。哪吒等仔細定睛，看那白骨上俱有硃砂符印，對子牙曰：「師叔可曾見上面符印麼？」子牙曰：「吾已見了。此正是左道之術。你等今後交戰，只不往他旛下過便了。」只見報馬報入關內，歐陽淳也親自出關，來會子牙。歐陽淳不往旛下過，往傍邊走來。子牙看見歐陽淳轉將出來，對門人曰：「你看主將也不從此處過。」眾將皆點頭會意。子牙迎上前來，問曰：「來將莫非守關主將麼？」歐陽淳曰：「然也。」子牙曰：

「將軍何不知天命耶？五關止此一城，尚欲抗拒天兵哉。」歐陽淳大怒：「匹夫敢出此言！」回顧卞吉曰：「與吾拿此叛賊！」卞吉催開馬，搖手中戟飛奔過來。傍有雷震子大呼曰：「賊將慢來，有吾在此！」展開二翅，舉棍打來。卞吉見雷震子兇悍，知是異人，未及數合，就往旛下敗走。雷震子自忖：「此旛既是妖術，不若先打碎此旛，再殺卞吉未遲。」雷震子把二翅飛起，望旛上一棍打來。不知此旛週圍有一股妖氣迷住，撞著他就自昏迷，雷震子一棍打來，竟被妖氣沖著，便翻下地來，不醒人事。兩邊守旛家將，把雷震子捆綁起來。這壁廂韋護大怒，急祭起降魔杵來打此旛。此杵雖能壓鎮邪魔外道之人，不知打不得此旛。只見那杵竟落旛下。正是：

休言韋護降魔杵。怎敵幽魂百骨旛。

話說韋護見此杵竟落於旛下，不覺大驚。眾門人俱彼此看住。只見卞吉復至軍前，大呼曰：「姜尚可早下騎歸降，免你一死！」哪吒聽得大怒，登開風火輪，現出三首八臂，大喝曰：「匹夫慢來！」搖火尖鎗飛來直取。卞吉見哪吒如此形狀，先自吃了一驚。未及數合，被哪吒一乾坤圈把卞吉幾乎打下馬來，回身敗進關去了。子牙後有李靖催馬搖戟來戰。歐陽淳傍有桂天祿舞手中刀抵住了李靖，未及數合，被李靖一戟刺於馬下。歐陽淳大怒，搖手中斧來戰李靖。子牙

命左右擂鼓助戰。只見陣後衝出辛甲、辛免四賢，毛公遂、周公旦、召公奭無數周將，把歐陽淳圍在當中，又有周紀、龍環、吳謙三將也來助戰，把歐陽淳殺得只有招架之功，更無還兵之力。不知後事如何，且聽下回分解。第八十五回 鄧芮二侯歸周主 詩曰：

西山日落景寥寥，大廈將傾借小條。卞吉無辜遭屈死，歐陽熱血染霞綃。奸邪用事民生喪，妖孽頻興社稷搖。可惜成湯先世業，輕輕送入往來潮。

話說歐陽淳被一千周將圍在垓心，只殺得盔甲歪斜。汗流浹背，自料抵擋不住，把馬跳出圈子，敗進關中去了，緊閉不出。子牙在轅門又見折了雷震子，心下十分不樂。

且說歐陽淳敗進關來，忙陞殿坐下，見卞吉打傷，吩咐他且往私宅調養，一面把雷震子且送下監中，修告急文書往朝歌求救。差官在路上，正是春盡夏初時節，怎見得一路上好光景，有詩為證，詩曰：

清和天氣爽，池沼芰荷生。梅逐雨餘熟，麥隨風景成。草隨花落處，鶯老柳枝輕。江燕攜雛習，山雞哺子鳴。斗南當日永，萬物顯光明。

話說差官在路，不分曉夜，不一日進了朝歌，在館驛安歇。次日，將本齎進午門，至文書房投遞。那日是大大夫惡來看本。差官將本呈上。惡來接過手，正看那本，只見微子啟來至，惡來將歐陽淳的本遞與微子看，微子大驚：「姜尚兵至臨潼關下，敵兵已臨咫尺之地，天子尚高臥不知。奈何！奈何！」

隨抱本往內庭見駕。紂王正在鹿臺與三妖飲膳，當駕官啟駕：「有微子啟侯旨。」紂王曰：「宣來。」微子至臺上見禮畢，王曰：「皇兄有何奏章？」微子奏曰：「姜尚造反，自立姬發，興兵作叛，糾合諸侯，妄生禍亂，侵占疆土，五關已得四關，大兵見屯臨潼關下，損兵殺將，大肆狂暴，真疊卵之危，其禍不小。守關主將具疏告急，乞陛下以社稷為重，日親政事，速賜施行，不勝幸甚！」微子將表呈上。紂王接表，看罷，大驚曰：「不意姜尚作難肆橫，竟克朕之四關也。今不早治，是養癰自患也。」隨傳旨上殿。左右當駕官施設龍車鳳輦：「請陛下發駕。」只見警蹕傳呼，天子御駕早至金鑾寶殿。掌殿官與金吾大將忙將鐘鼓齊鳴，百官端肅而進，不覺威儀一新。只因紂王有經年未曾臨朝，今一旦登殿，人心鼓舞如此。怎見得，有讚為證。讚曰：

煙籠鳳閣，香靄龍樓。光搖月殿動，雲拂翠華流。侍臣燈，宮女扇，雙雙映彩；孔雀屏，麒麟殿，處處光浮。靜鞭三下響，衣冠拜冕旒。金章紫綬垂天象，管取江山萬萬秋。

話說紂王設朝，百官無不慶幸。朝賀畢，王曰：「姜尚肆橫，以下凌上，侵犯關隘，已壞朕四關，如今屯兵於臨潼關下。若不大奮乾剛，以懲其侮，國法安在！眾卿有何策可退周兵？」言未畢，左班中閃出一位上大夫李通，出班啟奏曰：「臣聞『君為元首，臣為股肱』。陛下平昔不以國事為重，聽讒遠忠，荒淫酒色，屏棄政事；以致天愁民怨，萬姓不保，天下思亂，四海分崩。陛下今日臨軒，事已晚矣。況今朝歌豈無智

能之士，賢俊之人，只因陛下平日不以忠良為重，故今日亦不以陛下為重耳。即今東有姜文煥，遊魂關晝夜毋寧；南有鄂順，三山關攻打甚急；北有崇黑虎，陳塘關旦夕將危；西有姬發，兵叩臨潼關，指日可破；真如大廈將傾，一木焉能扶得。臣今不避斧鉞之誅，直言冒瀆天聽，乞速加整飭，以救危亡。如不以臣言為謬，臣舉保二臣，可先去臨潼關，阻住周兵，再為商議。願陛下日修德政，去讒遠佞，諫行言聽，庶可少挽天意，猶不失成湯之脈耳。」王曰：「卿保舉何人？」李通曰：「臣觀眾臣之內，止有鄧昆、芮吉素有忠良之心，輔國實念，若得此二臣前去，可保無虞也。」紂王准奏，隨宣鄧昆、芮吉上殿。不一時宣至殿前，朝賀畢，王曰：「今有上大夫李通奏卿忠心為國，特舉卿二人前去臨潼關協守。朕加爾黃鉞、白旄，特專閫外。卿當盡心竭力，務在必退周兵，以擒罪首。卿功在社稷，朕豈惜茅土以報卿哉。當領朕命。」鄧昆、芮吉叩首曰：「臣敢不竭驚駭之力以報陛下知遇之恩也。」紂王傳旨：「賜二卿筵宴，以見朕寵榮至意。」二臣叩頭，謝恩下殿。須臾，左右鋪上筵席，百官與二侯把盞。微子、箕子二位殿前也奉酒與二侯，哽咽言曰：「二位將軍，社稷安危，在此一行，全仗將軍扶持國難，則國家幸甚！」二侯曰：「殿下放心。臣平日之忠肝義膽，正報國恩於今日也，豈敢有負皇上委托之隆，眾大夫保舉之恩也。」酒畢，二人謝過二位殿下與眾官，次日起兵離了朝歌，逕往孟津渡黃河而來。按下不表。

且說土行孫催糧至轅門，看見一首旛，旛下卻是韋護的降魔杵，雷震子的黃金棍。土行孫不知其故，自思：「他二人兵器如何丟在此旛下？我且見了元帥，再來看其真實。」報馬報入中軍：「啟元帥：二運督糧官等令。」子牙傳令：「令來。」土行孫來至中軍，見子牙行禮畢，問曰：「弟子適纔督糧至轅門外，見那關前豎一首旛，那旛下卻有韋護、雷震子兩件兵器在那旛下，不知何故？」子牙把卞吉的事說了一遍。土行孫不信：「豈有此理？」哪吒曰：「卞吉被吾打了一圈，這幾日俱不曾出來。」土行孫曰：「待吾去便知端的。」哪吒曰：「你不可去，果是那旛利害。」土行孫只是不信。那時天色將晚，土行孫逕出營門，一頭往旛下來。方至旛下，便一交跌倒，不知人事。周營哨馬報於子牙。子牙大驚。正無可計較，只見關上軍士見旛下睡著一個矮子，報與歐陽淳。歐陽淳命：「開關拿來。」一不知若要拿人，只是卞吉的家將拿的，其餘別人皆拿不得，到不得旛下去。一彼時幾個軍士走至旛下，俱翻身跌倒，不醒人事。關上軍士看見，忙報主將。歐陽淳亦自驚疑，忙叫左右：「去請卞吉來。」卞吉此時在家調養傷痕，聞主師來呼喚，只得勉強進府中。歐陽淳將前事告訴一遍。卞吉曰：「此小事耳。」命家將：「去把那矮子拿來，將眾人放了。」家將出關，將土行孫綁了，把眾軍士拖出關外。眾人如醉方醒，各各揉眼擦面。一時將土行孫扛進關來，拿進

府中。歐陽淳問曰：「你是何人？」土行孫曰：「我見旛下有一黃金棍，拿去家裏耍子，不知就在那裏睡著了。」卞吉在傍邊罵曰：「你這匹夫！怎敢以言語來戲弄我？」命左右：「拿去斬了！」眾軍士拿出前門，舉刀就斬，只見土行孫一扭，就不見了。正是：

地行妙術真堪羨，一愧全身入土中。眾軍士忙進府中來報曰：「啟元帥：異事非常！我等拿此人，方纔下手，那矮子把身一幌，就不見了。」歐陽淳與卞吉曰：「這個就是土行孫了，倒要仔細。」彼此驚異。不表。土行孫回營，來見子牙，曰：「果然此旛利害，弟子至旛下就跌倒了，不知人事，若非地行之術，性命休矣。」次日，卞吉傷痕痊癒，領家將出關，至軍前搦戰。哨馬報入子牙。子牙問：「誰人出馬？」哪吒願往，登風火輪，搖火尖鎗出營來。卞吉見了仇人，也不答話，搖畫杆戟，劈面刺來。哪吒火尖鎗分心就刺。一場大戰。怎見得，有讚為證，讚曰：

戰鼓殺聲揚，英雄臨戰場。紅旗如烈火，征夫四臂忙。這一個展開銀杆戰；那一個發動火尖鎗。哪吒施威武；卞吉逞剛強。忠心扶社稷，赤膽為君王。相逢難下手，孰在孰先亡。話說卞吉戰哪吒，又恐他先下手，把馬一撥，預先往旛下走來。一看官：若論哪吒要往旛下來，他也來得；他是蓮花化身，卻無魂魄，如何來不得。只是哪吒天性乖巧，他猶恐不妙，便立住腳，看卞吉往旛下過去了，他便登回風火輪，自己回營。不表。且說卞吉進關來見歐陽淳，言曰：「不才欲誑哪吒往旛下來，他狡猾不來趕我，自己回營去了。」歐陽淳曰：「似此奈何？」正議間，忽探馬報：「鄧、芮二侯奉旨前來助戰，請主將迎接。」歐陽淳同眾將出府來迎接。二侯忙下馬，攜手上銀安殿。行禮畢，二侯上坐，歐陽淳下陪。鄧昆問曰：「前有將軍告急本章進朝歌，天子看過，特命不才二人與將軍協守此關。今姜尚猖獗，所在授首，軍威已挫，似全不在戰之罪也。今臨潼關乃朝歌保障，與他關不同，必當重兵把守，方保無虞。連日將軍與周兵交戰，勝負如何？」歐陽淳曰：「初次副將卞金龍失利，幸其子卞吉有一旛，名曰幽魂白骨旛，全仗此旛，以阻周兵，一次拏了南宮适，二次拏了黃飛虎、黃明，三次拏了雷震子。」鄧昆曰：「拏的可是反五關的黃飛虎？」歐陽淳曰：「正是他了。」歐陽淳此回正是：

無心說出黃飛虎，咫尺臨潼屬子牙。話說鄧昆問：「可是武成王黃飛虎？」歐陽淳曰：「正是。」鄧昆冷笑曰：「他今日也被你拏了，此將軍莫大之功也。」歐陽淳謙謝不已。鄧昆暗記在心。原來黃飛虎是鄧昆兩姨夫，眾將那裏知道。歐陽淳治酒管待二侯，眾將飲罷，各散。鄧昆至私宅，默思：「黃飛虎今已被擒，如何救他？我想天下八百諸侯，盡已歸周，此關大勢盡失，料此關焉能阻得他！不若歸周，此為上策。但不知芮吉如何？且待明日會過一戰，見機而作。」次日，二侯上殿，眾將參謁。芮吉曰：「吾等奉旨前來，

當以忠心報國。速傳令，把人馬調出關會姜尚，早定雌雄，以免無辜塗炭。」歐陽淳曰：「將軍之言甚善。」令卞吉等關中點炮吶喊，人馬一齊出關。鄧、芮二侯出了關外，見了幽魂白骨旛高懸數丈，阻住正道。卞吉在馬上曰：「啟上二位將軍：把人馬從左路上走，不可往旛下去。此旛不同別樣寶貝。」芮吉曰：「既去不得，便不可走。」軍士俱從左路至子牙營前，對左右探馬曰：「請武王、子牙答話。」哨馬報入中軍：「啟元帥：關中大勢人馬排開，請武王、元帥答話。」子牙曰：「既請武王答話，必有深意。」命中軍官速請武王臨陣。子牙傳令：「點炮吶喊。」寶纛旗磨動，轅門開處，鼓角齊鳴，周營中人馬齊出。怎見得，有讚為證，讚曰：

紅旗閃灼出軍中，對對英雄氣吐虹。馬上將軍如猛虎，步下士卒似蛟龍。騰騰殺氣沖霄漢，靄靄威光透九重。金盔鳳翅光華吐，銀甲魚鱗瑞彩橫。幟頭燦爛紅抹額，束髮冠搖雉尾雄。五岳門人多驍勇，哪吒正印是先鋒。保周滅紂元戎至，殺法森嚴姜太公。

話說鄧、芮二侯在馬上見子牙出兵，威風凜凜，殺氣騰騰，別是一般光景；又見那三山五岳門人，一班兒齊齊整整；又見紅羅傘下，武王坐逍遙馬，左右有四賢、八俊，分於兩傍，怎見得武王生成的天子儀表非俗，有詩為證，詩曰：

龍鳳丰姿迥出群，神清氣旺帝王君。三停勻稱金霞遠，五岳朝歸紫霧分。仁慈相繼同堯舜，弔伐重光過夏殷。八百十年開世業，特將時雨救如焚。

話說鄧、芮二侯在馬上大呼曰：「來者可是武王、姜子牙麼？」子牙曰：「然也。」因而問之：「二公乃何人？」鄧昆曰：「吾乃鄧昆、芮吉是也。姜子牙，你想西周不以仁義禮智輔國四維，乃擅自僭稱王號，收匿叛亡，拒逆天兵，殺軍覆將，已罪在不赦；今又大肆猖獗，欺君罔上，忤逆不道，侵占天王疆土，意欲何為！獨不思『率土之濱，莫非王臣』，而敢策惑天下後世之人心哉。」芮吉又指武王曰：「你先王素稱有德，雖羈囚羑里七年，更無一言怨尤，克守臣節，蒙紂王憐赦歸國，加以黃鉞、白旄，特專征伐，其洪恩德澤，可為厚矣。爾等當世世酌報，尚未盡涓涯之萬一；今父死未久，深聽姜尚妄語，尋事干戈，興無名之師，犯大逆之罪，是自取覆宗滅祀之禍，悔亦何及！今聽吾言，速反其干戈，退我關隘，擒其渠魁，獻俘商郊，爾自歸待罪，尚待爾以不死；不然，恐天子大奮乾剛，親率六師，大張天討，只恐爾等死無噍類矣。」子牙笑曰：「二位賢侯只知守常之語，不知時務之說。古云：『天命無常，惟有德者居之。』今紂王殘虐不道，荒淫酗暴，殺戮大臣，誅妻棄子，郊社不修，宗廟不享，臣下化之，朋家作仇，戕害百姓，無辜籲天，穢德彰聞，罪盈惡貫。皇天震怒，特命我周恭行天之討，故天下諸侯相率事周，會於孟津，觀政於商郊。二侯尚執迷不悟，猶以口舌相爭耶。以吾觀之，二侯如寄寓之客，不知誰為主；宜速倒戈，棄暗投明，亦不失封侯之位耳。速請自

裁。」鄧昆大怒，命卞吉：「拏此野叟！」卞吉縱馬搖戟，衝殺過來。傍有趙昇使雙刀前來抵住。二人正接戰間，芮吉持刀也衝將過來。這邊孫焰紅使斧抵住。只見武吉推開馬殺來助戰。傍邊惱了先行哪吒，登開風火輪，現三首八臂，衝殺過來，勢不可當。鄧昆見哪吒三頭八臂，相貌異常，只嚇得神魂飛散，急忙先走，傳令鳴金收兵，眾將各架住兵器。正是：

人言姬發過堯舜，雲集群雄佐聖君。
話說鄧昆回兵進關，至殿前坐下，歐陽淳、卞吉等俱說姜尚用兵有法，將勇兵驍，門下又有許多三山五岳道術之士，難以取勝，俱各咨嗟不已。歐陽淳只得治酒管待。至夜，各自歸於臥所。

且說鄧昆至更深，自思：「如今天時已歸西周，紂王荒淫不道，諒亦不久；況黃飛虎又是兩姨，被陷在此，使吾掣肘，如之奈何！且武王功德日盛，有龍鳳之姿，天日之表，真是應運之主。子牙又善用兵，門下又是些道術之客，此關豈能為紂王久守哉。不若歸周，以順天時。只恐芮吉不從，奈何！且俟明日以言挑他，看他意思何如，再為道理。」就思想了半夜。

不說鄧昆已有意歸周，且表芮吉自與武王見陣進關，雖是吃酒，心下暗自沉吟：「人言武王有德，果然氣宇不同。子牙善能用兵，果然門下俱是異士。今三分天下，周有其二，眼見得此關如何守！不若獻關歸降，以免兵革之苦。只不知鄧昆心上如何？且慢慢將言語探他，便知虛實。」兩下裏俱各有意。不題。

只見次日，二侯陞殿坐下，眾將官參謁畢，鄧昆曰：「關中將寡兵微，昨日臨陣，果然姜尚用兵有法，所助者又是些道術之士。國事艱難，如之奈何？」卞吉曰：「國家興隆，自有豪傑來佐，又豈在人之多寡哉！」鄧昆曰：「卞將軍之言雖是，但目下難支，奈何？」卞吉曰：「今關外尚有此旛，阻住周兵，料姜尚不能過此。」芮吉聽了他二人說話，心中自忖：「鄧昆已有意歸周。」不覺至晚，飲了數杯，各散。鄧昆令心腹人密請芮侯飲酒。芮吉聞命，欣然而來。二侯執手至密室相敘。左右掌起燭來。二侯對面傳杯。正是：

二侯有意歸真主，自有高人送信來。
且不言二侯正在密室中飲酒，欲待要說心事，彼此不好擅出其口。只見子牙在營中運籌取關，又多了那首旛，阻在路上，欲別尋路徑，又不知他關中虛實，黃飛虎等下落，無計可施。忽然想起土行孫來，隨喚土行孫吩咐：「你今晚可進關去，……如此如此，探聽，不得有誤。」土行孫得令，把精神抖擻，至一更時分，逕進關來。先往禁中，來看南宮适等三人，土行孫見看守的尚未曾睡，不敢妄動，卻往別處行走。只見來至前面，聽得鄧、芮二侯在那廂飲酒。土行孫便躲在地下聽他們說些甚麼。只見鄧昆屏退左右，笑謂芮吉曰：「賢弟，我們說句笑話，你說將來還是周興，還是紂興？你我私議，各出己見，不要藏隱，總無外人知道。」芮侯亦笑曰：「兄長下問，使弟如何敢盡言。若說我等的識見洪遠，又有所不敢言；若是模糊應

答，兄長又笑小弟是無用之物，弟終訥於言。」鄧昆笑曰：「我與你雖為各姓，情同骨肉，此時出君之口，入吾之耳，又何本心之不可說哉。賢弟勿疑！」芮吉曰：「大丈夫既與同心之友談天下政事，若不明目張膽傾吐一番，又何取其能擔當天下事，為識時務之俊傑哉。據弟愚見，你我如今雖奉敕協同守關，不過強逆天心民意，是豈人民之所願者也！今主上失德，四海分崩，諸侯叛亂，思得明主，天下事不卜可知。況周武仁德播布四海，姜尚賢能，輔相國務，又有三山五岳道術之士為之羽翼，是周日強盛，湯日衰弱，將來繼商而有天下者，非周武而誰。前者會戰，其規模氣宇已自不同。但我等受國厚恩，惟以死報國，盡其職耳。承長兄下問，故敢以實告，其他非我知也。」鄧昆笑曰：「賢弟這一番議論，足見洪謀遠識，非他人所可及者，但可惜生不逢時，遇不得其主耳。將來紂為周虜，吾與賢弟不過徒然一死而已。愚兄固當與草木同朽，只可惜賢弟不能效古人所謂『良禽擇木而棲，賢臣擇主而仕』，以展賢弟之才。」言罷，咨嗟不已。芮吉笑曰：「據弟察兄之意，兄已有意歸周，故以言探我耳。弟有此心久矣。果長兄有意歸周，弟願隨鞭鐙。」鄧昆忙起身慰之曰：「非不才敢蓄此不臣之心，只以天命人心卜之，終非好消息，而徒死無益耳。既賢弟亦有此心，正所謂『二人同心，其利斷金』，只吾輩無門可入，奈何？」芮吉曰：「慢慢尋思，再乘機會。」二人正在商議綢繆，已被土行孫在地下聽得詳細，喜不自勝，思想：「不若乘此時會他一會，有何不可？也是我進關一場。引進二侯歸周，也是功績。」正是：

世間萬事由天數，引得賢侯歸武王。話說土行孫在黑影裏鑽將上來，現出身子，上前言曰：「二位賢侯請了！要歸武王，吾與賢侯作引進。」道罷，就把鄧、芮二侯唬得半晌無言。土行孫曰：「二侯不要驚恐，吾乃是姜元帥麾下二運督糧軍官土行孫是也。」鄧、芮二侯聽罷，方纔定神，問曰：「將軍何為夤夜至此？」土行孫曰：「不瞞賢侯說，奉姜元帥將令，特來進關探聽虛實。適纔在地下聽得二位賢侯有意歸周，恨無引進，故敢輕冒，致驚大駕，幸無見罪。若果真意歸周，不才預為先容。吾元帥謙恭下士，決不致有辜二侯之美意也。」鄧、芮二侯聽說，不勝欣喜，忙上前行禮曰：「不知將軍前來，有失迎迓，望勿見罪。」鄧昆復挽土行孫之手，歎曰：「大抵武王仁聖，故有公等高明之士為之輔弼耳。不才二人昨日因在陣上，見武主與姜元帥俱是盛德之士，天下不久歸周，今日回關，與芮賢弟商議，不意為將軍得知，實吾二人之幸也。」土行孫曰：「事不宜遲。將軍可修書一封，俟我先報知姜元帥，俟將軍乘機獻關，以便我等接應。」鄧昆急忙向燈下修書，遞與土行孫，曰：「煩將軍報知姜元帥，設法取關。早晚將軍還進關來，以便商議。」土行孫領命，把身子一幌，無影無形去了。二侯看了，目瞪口呆，咨嗟不已。有詩讚之，詩曰：暗進臨

潼關事奇，二侯共議正逢時。行孫引進歸明主，不負元戎託所知。

話說土行孫來至中軍，剛有五鼓時分，子牙還坐在後帳中等土行孫消息。忽然土行孫立於面前，子牙忙問其「進關所行事體如何？」土行孫曰：「弟子奉命進關，三將還在禁中，因看守人不曾睡，不敢下手，復行至鄧、芮二侯密室，見二人共議歸周，恨無引進，被弟子現身見他，二侯大悅，有書在此呈上。」子牙接書，燈下觀看，不覺大喜：「此真天子之福也！再行設策，以候消息。」令土行孫回帳。不表。

且說鄧、芮二侯次日陞殿坐下，眾將來見。鄧昆曰：「吾二人奉敕協守此關，以退周兵，昨日會戰，未見雌雄，豈是大將之所為。明日整兵，務在一戰以退周兵，早早班師以復王命，是吾願也。」歐陽淳曰：「賢侯之言是也。」當日整頓兵馬，一宿晚景。不題。次日，鄧昆檢點士卒，砲聲響處，人馬出關，至周營前搦戰。鄧昆見幽魂白骨旛豎在當道，就在這旛上發揮，忙令卞吉：「將此旛去了。」卞吉大驚曰：「賢侯在上：此旛是無價之寶，阻周兵全在於此；若去了此旛，臨潼關休矣。」芮吉曰：「吾乃是朝廷欽差官，反走小徑；你為偏將，倒行中道，周兵觀之，深為不雅。縱有常勝，亦為不武。理當去了此旛。」卞吉自思：「若是去了此旛，恐無以勝敵人；若不去，彼為主將，我豈可與之抗禮。今既為父親報仇，豈惜此一符也。」卞吉馬上欠身曰：

「二位賢侯不必去旛，請回關中一議，自然往返無礙耳。」鄧、芮二侯具進了關，卞吉忙畫了三道靈符，鄧、芮二侯每人一道，放在幙頭裏面，歐陽淳一道放在盔裏，復出關來，數騎往旛下過，就如尋常。二侯大喜；及至周營，對軍政官曰：「報你主將出來答話。」探馬報入中軍，子牙即忙領眾將出營。鄧昆大呼曰：「姜子牙，今日與你共決雌雄也！」拍馬殺入中陣來。只見子牙背後有黃飛彪、黃飛豹二馬衝出，接住鄧、芮二侯廝殺。四騎相交，正在酣戰之下，卞吉看不過，大呼曰：「吾來助戰，二侯勿懼！」武吉出馬，接住大戰。只見卞吉撥馬往旛下就走；武吉不趕。子牙見只有鄧、芮二侯相戰，忙令鳴金，兩邊各自回軍。子牙看見鄧、芮四將往旛下逕自去了，心中著實遲疑；進營坐下，沉吟自思：「前日只是卞吉一人行走得，餘則昏迷；今日如何他四人俱往旛下行得？」土行孫曰：「元帥遲疑，莫不是為著那旛下他四人都走得麼？」子牙曰：「正為此說。」土行孫曰：「這有何難，候弟子今日再往關內去走一遭，便知端的。」子牙大喜曰：「當宜速行。」當晚初更，土行孫進關，來至鄧、芮二侯密室。二侯見土行孫來至，不勝大喜曰：「正望公來！那旛名喚幽魂白骨旛，再無法可治。今日被我二人刁難他，他將一道符與我們頂在頭上，往旛下過，就如平常，安然無事。足下可持此符獻與姜元帥，速速進兵，吾自有獻關之策也。」土行孫得符，辭了二侯，往大營來，見子牙備言前事。子牙大喜，取符一看，子牙已識得符中妙訣，取硃砂書符，吩咐眾

將。不知卞吉吉凶如何，且聽下回分解。第八十六回 澠池縣五岳歸天 詩曰：澠池小縣亦屏商，主將英雄卻異常。吐霧神駒真鮮得，地行妙術更難量。

二王年少因他死，五岳奇謀為爾亡。惟有智多楊督運，騰挪先殺老萱堂。話說子牙將所用之符畫完，吩咐軍政官擂鼓，眾將上帳參見。子牙曰：「你眾將俱各領符一道，藏在盔內，或在髮中亦可。明日會戰，候他敗走，眾將先趕去，搶了他的白骨旛，然後攻他關隘。」眾將聽畢，領了符命，無不歡喜。次日，子牙大隊而出，遙指關上搦戰。探馬報知，鄧、芮二侯命卞吉出馬。卞吉領令出關，可憐：

丹心枉作千年計，死到臨頭尚不知。卞吉上馬出關，逕往旛下來，大呼曰：「今日定拿你成功也！」縱馬搖戟，直奔子牙。只見子牙左右一千大小將官衝殺過來，把卞吉圍在垓心，鑼鼓齊鳴，喊聲四起，只殺得煙霧迷空。怎見得，有詩為證，詩曰：

殺氣漫漫鎖太華，戈聲響亮亂交加。五關今屬西岐主，萬載名垂讚子牙。話說卞吉被眾將困在垓心，不能得出，忽然一戟刺中趙丙肩窩，趙丙閃開，卞吉乘空跳出陣來，逕往旛下逃去。周營一千眾將隨後趕來。卞吉那知暗裏已漏消息，尚自妄想拿人。卞吉復兜回馬，伺候家將拿人，只見數將趕過旛下，逕殺奔前來。卞吉大驚曰：「此是天喪成湯社稷，如何此寶無靈也！」不敢復戰，隨敗進關來，閉門不出。子牙也不趕他，命諸將先將此旛收了。韋護取了降魔杵，又將雷震子黃金棍取了，掌鼓回營。且說卞吉進關來，見鄧、芮二侯。不知二侯早已自歸周，就要尋事處治卞吉。忽報：「卞吉回見。」行至階下，芮吉曰：「想今日卞將軍擒有幾個周將。」卞吉曰：「今日末將會戰，周營有十數員大將圍裏當中，末將刺中一將，乘空敗走，引入旛下，以便擒拿他幾員；不知何故，他眾將一擁前來，俱往旛下過來。此乃天喪成湯，非末將戰不勝之罪也。」芮吉笑曰：「前日擒三將，此旛就靈驗；今日如何此旛就不準了？」鄧昆曰：「此無他說，卞吉見關內兵微將寡，周兵勢大，此關難以久守，故與周營私通，假輸一陣，使眾將一擁而入，以獻此關耳。幸軍士隨即緊閉，未遂賊計，不然，吾等皆為擄矣。此等逆賊，留之終屬後患。」喝令兩邊刀斧手：「拿下梟首示眾！」可憐！正是：

一點丹心成畫餅，怨魂空逐杜鵑啼。卞吉不及分辨，被左右拿下，推出帥府，即時斬了首級號令。歐陽淳不知其故，見斬了卞吉，目瞪口呆，心下茫然。鄧、芮二侯謂歐陽淳曰：「卞吉不知天命，故意逗留軍機，理宜斬首。我二人實對將軍說：方今成湯氣數將終，荒淫不道，人心已離，天命不保；天下諸侯久已歸周，只有此關之隔耳。今關中又無大將，足抵周兵，終是不能拒守。不若我等與將軍將此關獻於周武，共伐無道。正所謂『順天者昌，逆天者亡』。且周營俱是道術之士，我等皆非他的對手。固然我與你俱當死君之

難，但無道之君，天下共棄之，你我徒死無益耳。願將軍思之。」歐陽淳大怒，罵曰：「食君之祿，不思報本，反欲獻關，甘心降賊，屈殺卞吉，此真狗彘之不若也！我歐陽淳其首可斷，其身可碎，而此心決不負成湯之恩，甘效辜恩負義之賊也！」鄧、芮二侯大喝曰：「今天下諸侯盡已歸周，難道俱是負成湯之恩者；止不過為獨夫殘虐生民，萬姓塗炭。周武興弔民伐罪之師，汝安得以叛逆目之。真不識天時之匹夫！」歐陽淳大呼曰：「陛下誤用奸邪，反賣國求榮，吾先殺此逆賊，以報君恩！」仗劍來殺鄧、芮二侯。二侯亦仗劍來迎，殺在殿上，雙戰歐陽淳。歐陽淳如何戰得過，被芮吉吼一聲，一劍砍倒歐陽淳，梟了首級。正是：為國亡身全大節，二侯察理順天心。話說二侯殺了歐陽淳，監中放出三將。黃飛虎上殿來，見是姨丈鄧昆，二人相會大喜，各訴衷腸。芮吉傳令：「速行開關。」先放三將來大營報信。三將至轅門，軍政官報入中軍，子牙大喜，忙令進帳來。三將至中軍見禮畢，子牙問其詳細，只見左右報：「鄧昆、芮吉至轅門聽令。」子牙傳令：「令來。」二侯至中軍，子牙迎下座來，二侯下拜，子牙攙住，安慰曰：「今日賢侯歸周，真不失賢臣擇主而仕之智！」二侯曰：「請元帥進關安民。」子牙傳令，催人馬進關。武王亦起駕隨行。大軍就地歡呼，人心大悅。武王來至帥府，查過戶口冊籍；關中人民父老，俱牽羊擔酒，迎迓王師。武王命殿前治宴，管待東征大小眾將，犒賞三軍。住了數日，子牙傳令：「起兵往澠池縣。」好人馬！一路上怎見得，有詩讚之，詩曰：殺氣迷空千里長，旌旗招展日無光。層層鐵鉞鋒如雪，對對鋼刀刃似霜。人勝登山豺虎猛，馬過出水蟒龍剛。澠池此際交兵日：「五岳」齊遭劍下亡。話說子牙人馬在路前行，不一日，探馬報曰：「啟元帥：前至澠池縣了，請令定奪。」子牙傳令：「安營。」點砲吶喊。話說澠池縣總兵官張奎聽得周兵來至，忙陞帥府坐下。左右有二位先行官，乃是王佐、鄭椿，上廳來見張奎。奎曰：「今日周兵進了五關，與帝都止有一河之隔，幸賴吾在此，尚可支撐。」張奎打點禦敵。且說姜元帥次日陞帳，命將出軍，忽報：「有東伯侯差官下書。」子牙傳令：「令來。」差官至軍前行禮畢，將書呈上。子牙拆書觀看。子牙看書畢，問左右曰：「如今東伯侯姜文煥求借救兵，我這裏必定發兵纔是。」傍有黃飛虎答曰：「天下諸侯皆仰望我周，豈有坐視不救之理。元帥當得發兵救援，以安天下諸侯之心。」子牙傳令，問：「誰去取遊魂關走一遭？」傍有金、木二吒欠身曰：「弟子不才，願去取遊魂關。」子牙許之，分一支人馬與二人去了。不表。且說子牙吩咐：「誰去澠池縣取頭一功？」南宮适應聲願往，領令出營，至城下搦戰。張奎聞報，問左右先行：「誰人出馬？」有王佐願往，領兵開放城門，來至軍前。南宮适大呼曰：「五關皆為周有，止此

彈丸之地，何不早獻，以免誅身之禍。」王佐罵曰：「無知匹夫！你等叛逆不道，罪惡貫盈，今日自來送死也！」縱馬舞刀來取。南宮适手中刀拍面交還。戰有二三十回合，被南宮适手起刀落，早把王佐揮為兩段。南宮适得勝回營報功，子牙大喜。只見報馬報進城來。張奎聞報，王佐失機，心下十分不快。次日，又報：「周將黃飛虎搦戰。」鄭樁出馬，與黃飛虎大戰二十合，被黃飛虎一鎗刺於馬下，梟了首級回營。子牙大喜。話說張奎又見鄭樁失利，著實煩惱。子牙見連日斬他二將，命左右軍士一齊攻城。眾將率領軍士，放炮吶喊，前來攻城。城上士卒來報張奎，張奎在後廳聞報，與夫人高蘭英商議：「如今孤城難守，連折二將，如之奈何？」高蘭英曰：「將軍有此道術，況且又有坐騎可以成功，何懼賊兵哉？」奎曰：「夫人不知，五關之內多少英雄，俱不能阻逆，一旦至此，天意可知。今主上猶荒淫如故，為臣豈能安於枕席。」夫妻正議，又報：「周兵攻城甚急。」張奎即時上馬提刀，夫人掠陣；開放城門，一騎當先。只見子牙門下眾將左右分開，張奎大呼曰：「姜元帥慢來！」子牙上前曰：「張將軍，你可知天意？速速早降，不失封侯之位；若自執迷不悟，與五關為例。」張奎笑曰：「你逆天罔上，徼幸至此，量你今日死無葬身之地矣。」子牙笑曰：「天時人事，不問可知，只足下迷而不悟耳。此去朝歌不過數百里，一河之隔，四面八方，天下諸侯雲集，諒你區區彈丸之地，投鞭可實，何敢抗吾師哉！此正所謂大廈將傾，一木安能支撐，徒自取滅亡耳！」張奎大怒，催開馬，使手中刀，飛來直取子牙，後面姬叔明、姬叔昇二殿下走馬大呼：「少衝吾陣！」兩條鎗急架忙迎。好張奎！使開刀力戰二將。有詩為證：臂膊掄開好用兵，空中各自下無情。吹毛利刃分先後，刺骨尖鋒定死生。惡戰止圖麟閣姓，苦爭只為史篇名。張奎刀法真無比，到處成功定太平。

話說姬叔明等二將見戰張奎不下，二位殿下掩一鎗，詐敗而走，指望回馬鎗挑張奎；不知張奎的坐騎甚奇，名為「獨角烏煙獸」，其快如神。張奎讓二將去有三四射之地，他把馬上角一拍，那馬如一陣烏煙，似飛雲掣電而來。姬叔明聽得有人追趕，以為得計時，不意張奎已至後面，措手不及，被張奎一刀揮於馬下。姬叔昇見其兄落馬，及至回馬，又被張奎順手一刀，也是兩段。可憐金枝玉葉，一旦遭殃！子牙大驚，急鳴金收兵。張奎也掌鼓進城。子牙見折了二位殿下，收軍回營，心下不樂。武王聞知喪了二弟，掩面而哭，進後營去了。張奎連斬二將，心中甚喜。夫妻二人商議，具表進朝歌。不題。

且言子牙悶坐帳上，謂諸將曰：「料澠池不過一小縣，反傷了二位殿下！」只見眾將齊說：「張奎的馬有些奇異，其快如風，故此二位殿下措手不及，以致喪身。」眾將正猜疑時，忽報：「北伯侯崇黑虎至轅門求見。」子牙傳令：「請來。」崇黑虎同文聘、崔英、蔣雄上帳來，參謁子牙。子牙忙

下帳，迎接上帳，各敘禮畢，子牙曰：「君侯兵至孟津幾時了？」黑虎曰：「不才自起兵取了陳塘關，人馬已至孟津割營數月矣。今聞元帥大兵至此，特來大營奉謁，願元帥早會諸侯，共伐無道。」子牙大喜。有武成王與崇黑虎相見，感謝黑虎曰：「昔日蒙君侯相助，擒斬高繼能，此德尚未圖報，時刻不敢有忘，銘刻五內。」彼此遜謝畢。子牙吩咐營中治酒，管待崇黑虎等。正是：

死生有數天生定：「五岳」相逢絕澠池。 當日酒散。次日，子牙陞帳，眾將參謁。忽報：「張奎搦戰。」哨馬報入中軍，子牙問：「今日誰人戰張奎走一遭？」崇黑虎曰：「末將今日來至，當得效勞。」只見文聘、崔英、蔣雄三人也要同去。子牙大喜。四將同出大營，領本部人馬擺開，崇黑虎催開了金睛獸，舉雙板斧，飛臨陣前，大呼曰：「張奎！天兵已至，何不早降，尚敢逆天，自取滅亡哉！」張奎大怒，罵曰：「無義匹夫！你乃是弑兄圖位，天下不仁之賊，焉敢口出大言！」催開馬，使手中刀飛來直取。崇黑虎舉雙斧，急架忙迎。文聘大怒，發馬搖叉，衝殺過來。崔英八楞鎚一似流星；蔣雄的抓絨繩飛起；一齊上前，把張奎裹在當中。卻說子牙在帳上見黃飛虎站立在傍，子牙曰：「黃將軍，崇侯今日會戰，你可去掠陣助他，也不負昔日崇侯曾為將軍郎君報仇。」黃飛虎領令出營，見四將與張奎大戰；黃飛虎自思：「吾在此掠陣，不見我之情分，不若走騎成功，何不為美。」黃飛虎將五色神牛催開，大呼曰：「崇君侯，吾來也！」此正是「五岳逢七殺」，大抵天數已定，畢竟難逃。只見五將裹住張奎，這場大戰。怎見得，有讚為證：

只殺得愁雲慘淡，旭日昏塵，征夫馬上抖精神。號帶飄揚，千條瑞彩滿空飛；劍戟參差，三冬白雪漫陣舞。崇黑虎雙板斧紛紜上下；文聘的托天叉左右交加；崔英的八楞鎚如流星蕩漾；蔣雄的五爪抓似蒺藜飛揚；黃飛虎長鎗如大蟒出穴；好張奎，敵五將，似猛虎翻騰。刀架斧，斧劈刀，叮噹響亮；叉迎刀，刀架叉，有叱吒之聲；鎚打刀，刀架鎚，不離其身；抓分頂，刀掠處，全憑心力；鎗刺來，刀隔架，純是精神。五員將鞍轡上各施巧妙，只殺得刮地寒風聲拉雜，蕩起征塵飛鎧甲，澠池城下立功勳，數定「五岳」逢「七殺」。話說五將把張奎圍在垓心，戰有三四十回合，未分勝負。崇黑虎暗思：「既來立功，又何必與他戀戰。」把坐下金睛獸一兜，跳出圈子，詐敗就走，好放神鷹。四將知機，也便撥馬跟黑虎敗走。他不知張奎坐騎其快如風，一也是「五岳」命該如此，一只見張奎等五將去有三二箭之地，把馬頂上角一拍，一陣烏煙，即時在文聘背後，手起一刀，把文聘揮於馬下。崇黑虎急用手去揭葫蓋，已是不及，早被張奎一刀砍為兩段。崔英勒回馬來時，張奎使開刀又戰三將。忽然桃花馬走，一員女將將用兩口日月刀，飛出陣來，乃是高蘭英來助張奎。這婦人取出個紅葫蘆來，祭出四十九根太陽金針，射住三將眼目，觀看不明，早

被張奎連斬三將下馬。可憐五將一陣而亡！有詩為證，詩曰：

五將東征會渰池，時逢「七殺」數應奇。忠肝化碧猶啼血，義膽成灰永不移。千古英風垂泰嶽，萬年裡祀祝嵩屍。五方帝位多隆寵，報國孤忠史冊垂。

話說張奎連誅五將，哨馬報與子牙，子牙大驚：「如何就誅了五將？」掠陣官備言張奎的馬有些利害，故此五將俱措手不及，以致失利。子牙見折了黃飛虎，著實傷悼。正尋思之間，忽報：「楊戩催糧至轅門等令。」子牙傳令：「令來。」至中軍，參謁畢，稟曰：「弟子督糧已進五關，今願繳督糧印，隨軍征伐立功。」子牙曰：「此時將會孟津，也要你等在中軍協助。」楊戩立在一旁，聽得武成王黃將軍已死，楊戩歎曰：「黃氏一門忠烈，父子捐軀，以為王室，不過留清芬於簡編耳！」又問：「張奎有何本領，先行為何不去會他？」哪吒曰：「崇君侯意欲見功，不才先要讓他，豈好占越，不意俱遭其害。」正言間，只見左右來報：「張奎搦戰。」有黃飛彪願為長兄報仇，子牙許之，楊戩掠陣。黃飛彪出營，見張奎也不答話，挺鎗直取。張奎的刀急架忙迎。兩馬相交，一場大戰，約有二三十合。黃飛彪急於為兄報仇，其力量非張奎對手，鎗法漸亂，被張奎一刀揮於馬下。楊戩掠陣，見張奎把黃飛彪斬於馬下，又見他的馬頂上有角，就知此馬有些原故：「待吾除之！」楊戩縱馬搖刀，大呼曰：「張奎休走！吾來也！」張奎問曰：「你是何人，也自來取死？」楊戩答曰：「你這匹夫，屢以邪術壞吾諸將，吾特來拿你，碎屍萬段，以泄眾將之恨！」舉三尖刀劈面砍來。張奎手中刀急架相還。二馬相交，雙刀併舉。怎見得一場大戰，有讚為證，讚曰：

二將棋逢敵手，陣前各逞豪強。翻來覆去豈尋常，真似一對虎狼形狀。這一個會騰挪變化；那一個會攪海翻江。刀來刀架兩無妨，兩個將軍一樣。

話說張奎與楊戩大戰，有三四十回合，楊戩故意賣個破綻，被張奎撞個滿懷，伸出手抓住楊戩腰帶，拎過鞍轡。正是：

張奎今日擒楊戩，眼見喪了黑煙駒。張奎活捉了楊戩，掌鼓進縣，陞廳坐下，令：「將周將推來！」左右將楊戩擁至廳前，楊戩站立。張奎大喝曰：「既被吾擒，為何不跪？」楊戩曰：「無知匹夫！我與你既為敵國，今日被擒，有死而已，何必多言！」張奎大怒，命左右：「推去斬首號令！」只見左右將楊戩斬訖，持首級號令。張奎方欲坐下，不一時，只見管馬的來報：

「啟老爺得知：禍事不小！」張奎大驚：「甚麼禍事？」管馬的曰：「老爺的馬好好的吊下頭來。」張奎聽得此言，不覺失色，頓足曰：「吾成大功，全仗此烏煙獸，豈知今日無故吊下頭來！」正在廳上急得三尸神暴跳，七竅內煙生，忽報：「方纔被擒的周將又來搦戰。」張奎頓然醒悟：「吾中了此賊奸計！」隨即換馬，提刀在手，復出城來；一見楊戩，大罵：「逆賊攪壞吾龍駒，氣殺我也！怎肯干休？」楊戩笑曰：「你仗此馬傷吾周將，我先殺此馬，

然後再殺你的驢頭！」張奎切齒大罵曰：「不要走！吃吾一刀！」使開手中刀來取。楊戩的刀急架相迎。又戰二十合，楊戩又賣個破綻，被張奎又抓住腰內絲條，輕輕拎將過去，二次擒來。張奎大怒曰：「這番看你怎能脫去！」正是：

張奎二次擒楊戩，只恐萱堂血染衣。張奎捉了楊戩進城，坐在廳上。忽報，後邊夫人高蘭英來至面前，因問其故？張奎長吁歎曰：「夫人，我為官多年，得許多大功勞，全仗此烏煙獸；今日周將楊戩用邪術壞吾龍駒，這次又被我擒來，還是將何法治之？」夫人曰：「推來我看。」傳令：「將楊戩推來。」少時，推至廳前，高蘭英一見，笑曰：「吾自有處治。將烏雞黑犬血取來，再用尿糞和勻，先穿起他的琵琶骨，將血澆在他的頭上，又用符印鎮住，然後斬之。」張奎如法製度。夫妻二人齊出府前，看左右一一如此施行。高蘭英用符印畢，先將血糞往楊戩頭上澆，手起一刀，將首級砍落在地，夫妻大喜，方纔進府來到廳前，忽聽得後邊丫環飛報出廳來，哭稟曰：「啟老爺，夫人：不好了！老太太正在香房，不知那裏穢污血糞把太太澆了一頭，隨即就吊下頭來，真是異事驚人！」張奎大叫曰：「又中了楊戩妖術！」放聲大哭，如醉如痴一般。自思：「老母養育之恩未報，今因為國，反將吾母喪命，真個痛殺我也！」忙取棺槨收殮。不表。

且說楊戩逕進中軍，來見子牙，備言：「……先斬其馬，後殺其母，先惑亂其心，然後擒張奎不難矣。」子牙大喜曰：「此皆是你不世之功。」且說張奎思報母仇，上馬提刀，來周營搦戰。不知凶吉如何，且聽下回分解。第八十七回 土行孫夫妻陣亡 詩曰：

地行妙術法應玄，誰識張奎更占先。猛獸崖前身已死，澗池城下婦歸泉。許多功業成何用，幾度勳名亦枉然。留得兩行青史在，後來成敗總由天。話說子牙在中軍正議進兵之策，忽報：「張奎搦戰。」哪吒曰：「弟子願往。」登風火輪而出，現出八臂三首，來戰張奎，大呼曰：「張奎若不早降，悔之晚矣！」張奎大怒，催開馬，仗手中刀來取。哪吒使手中鎗劈面迎來。未及三五合，哪吒將九龍神火罩祭起去，把張奎連人帶馬罩住。用手一拍，只見九條火龍一齊吐出煙火，遍地燒來。一不知張奎會地行之術，如土行孫一般。一彼時張奎見罩落將下來，知道不好，他先滾下馬，就地下去了。哪吒不曾留心看，幾乎誤了大事，只是燒死他一匹馬。哪吒掌鼓回營，見子牙，說：「張奎已被燒死。」子牙大喜。不表。

且說張奎進城，對妻子曰：「今日與哪吒接戰，果然利害，被他提起火龍罩將我罩住，若不是我有地行之術，幾乎被他燒死。」高蘭英曰：「將軍今夜何不地行進他營寨，刺殺武王君臣，不是一計成功，大事已定，又何必與他爭能較勝耶！」張奎深悟曰：「夫人之言甚是有理。只因那楊戩可惡，暗害吾老母，惑亂吾心，連日神思不定，幾乎忘了。今夜必定成功。」張奎打點收拾，暗帶利刃進營。正是：

武王洪福過堯舜，自有高人守大營。話說子牙在帳中，聞得張奎已死，議取城池。至晚，發令箭，點練士卒，至三更造飯，四更整飭，五更登城，一鼓成功。子牙吩咐已畢。這也是天意，恰好是楊任巡外營。那是將近二更時分，張奎把身子一扭，逕往周營而來，將至轅門，適遇楊任來至前營。不知楊任眼眶裏長出來的兩隻手，手心裏有兩隻眼，此眼上看天庭，下觀地底，中看人間千里。彼時楊任忽見地下有張奎提一口刀逕進轅門，楊任曰：「地下是張奎，慢來！有吾在此！」張奎大驚：「周營中有此等異人，如何是好！」自思：「吾在地下行得快，待吾進中軍殺了姜尚，他就來也是遲的。」張奎仗刀逕入，楊任一時著急，將雲霞獸一磕，至三層圈子內，擊雲板，大呼曰：「有刺客進營！各哨仔細！」不一時，合營齊起。子牙急忙陞帳，眾將官弓上弦，刀出鞘，兩邊火把燈毬，照耀如同白晝。子牙問曰：「刺客從那裏來？」楊任進帳啟曰：「張奎提刀在地下逕進轅門。弟子故敢擊雲板報知。」子牙大驚曰：「昨日哪吒已把張奎燒死，今夜如何又有個張奎？」楊任曰：「此人還在此聽元帥講話。」子牙驚疑未定，傍有楊戩曰：「候弟子天明再作道理。」就把周營裏亂了半夜。張奎情知不得成功，只得回去。楊任一隻眼只看得地下張奎走出轅門，楊任也出轅門，只送張奎至城下方回。當時張奎進城，來至府中，高蘭英問曰：「功業如何？」張奎只是搖頭道：「利害！利害！周營中有許多高人，所以五關勢如破竹，不能阻擋。」遂將進營的事細細說了一遍。夫人曰：「既然如此，可急修本竟往朝歌，請兵協守；不然，孤城豈能阻擋周兵？」張奎從其言，忙修本差官往朝歌。不表。

且說天明，楊戩往城下來，坐名叫：「張奎出來見我！」張奎聞報，上馬提刀，開放城門，正是仇人見了仇人，大罵曰：「好匹夫！暗害吾母，與你不共戴天！」楊戩曰：「你這逆天之賊，若不殺你母，你也不知周營中利害。」張奎大叫：「我不殺楊戩，此恨怎休！」舞刀直取楊戩。楊戩手中刀赴面交還。兩馬相交，雙刀併舉。未及數合，楊戩祭起哮天犬來傷張奎。張奎見此犬奔來，忙下馬，即時就不見了。楊戩觀之，不覺咨嗟。正是：

張奎道術真伶俐，賽過周營土行孫。話說楊戩回營來見子牙，子牙問曰：「今日會張奎，如何？」楊戩把張奎會地行道術說了一遍：「真好似土行孫！夜來楊任之功莫大焉！」子牙大喜，傳令：「以後只令楊任巡督內外，防守營門。」彼時張奎進城至府，見夫人高氏曰：「今會楊戩，料周營道術之士甚多，吾夫妻不能守此城也。依吾愚見，不若棄了渾池，且回朝歌，再作商議。你的意下如何？」夫人曰：「將軍之言差矣！俺夫妻在此鎮守多年，名揚四方，豈可一旦棄城而去。況此城關係非淺，乃朝歌屏障，今一棄此城，則黃河之險與周兵共之，這個斷然不可！明日待我出去，自然成功。」次日，高蘭英出城，至營前搦戰。子牙正

坐，忽報：「有一女將請戰。」子牙問：「誰可出馬？」有鄧嬋玉應聲曰：「末將願往。」子牙曰：「須要小心。」鄧嬋玉曰：「末將知道。」言罷上馬，一聲砲響，展兩杆大紅旗出營，大呼曰：「來將何人？快通名來！」高蘭英觀看，見是一員女將，心下疑惑，忙應曰：「吾非別人，乃鎮守渾池張將軍夫人高蘭英是也。你是誰人？」鄧嬋玉曰：「吾乃是督運糧儲土將軍夫人鄧嬋玉是也。」高蘭英聽說，大罵：「賤人！你父子奉敕征討，如何苟就成婚，今日有何面目歸見故鄉也！」鄧嬋玉大怒，舞雙刀來取。高蘭英一身縞素，將手中雙刀急架來迎。二員女將，一紅，一白，殺在城下。怎見得，有讚為證：

這一個頂上金盔耀日光；那一個束髮銀冠列鳳凰。這一個黃金鎖子連環鎖；那一個千葉龍鱗甲更強。這一個猩猩血染紅衲襖；那一個素白征袍似粉裝。這一個是赤金映日紅瑪瑙；那一個是白雪初施玉琢娘。這一個似向陽紅杏枝枝嫩；那一個似月下梨花露香。這一個似五月榴紅似火；那一個似雪裏梅花靠粉牆。這一個腰肢嫵娜在鞍轡上；那一個體態風流十指長。這一個雙刀幌幌如閃電；那一個二刃如鋒劈面揚。分明是：廣寒仙子臨凡世，月裏嫦娥降下方。兩員女將天下少，紅似銀珠白似霜。

話說鄧嬋玉大戰高蘭英有二十回合，撥馬就走。高蘭英不知鄧嬋玉詐敗，便隨後趕來。嬋玉聞腦後鸞鈴響處，忙取五光石回手一下，正中高蘭英面上，只打得嘴唇青腫，掩面而回。鄧嬋玉得勝進營，來見姜元帥，說高蘭英被五光石打敗進城。子牙方上功勞簿，只見左右官報：「二運官土行孫轅門等令。」子牙傳令：「來。」土行孫上帳參謁：「弟子運糧已完，繳督糧印，願隨軍征伐。」子牙曰：「今進五關，軍糧有天下諸侯應付，不消你等督運，俱隨軍征進罷了。」土行孫下帳，來見眾將，獨不見黃將軍，忙問哪吒，哪吒曰：「今渾池不過一小縣，反將黃將軍、崇君侯五人一陣而亡。昨張奎善有地行之術，比你分外精奇。前日進營，欲來行刺，多虧楊任救之。故此阻住吾師，不能前進。」土行孫聽罷：「有這樣事！當時吾師傳吾此術，可稱蓋世無雙，豈有此處又有異人也？待吾明日會他。」至後帳來問鄧嬋玉：「此事可真？」鄧嬋玉曰：「果是不差。」土行孫躊躇一夜。次早，上帳來見姜元帥：「願去會張奎。」子牙許之。傍有楊戩、哪吒、鄧嬋玉俱欲去掠陣。土行孫許之，來至城下搦戰。哨馬報與張奎，張奎出城，見一矮子，問曰：「你是何人？」土行孫曰：「吾乃土行孫是也。」道罷，舉手中棍滾將來，劈頭就打。張奎手中刀急架來迎。二人大戰，往往來來，未及數合，哪吒、楊戩齊出來助戰。哪吒忙提起乾坤圈來打張奎。張奎看見，滾下馬就不見了。土行孫也把身子一扭來趕張奎。張奎一見大驚：「周營中也有此妙術之人！」隨在地底下，二人又復大戰。大抵張奎身子長大，不好轉換；土行孫身子矮小，轉換伶俐，故此或前或後，張奎反不濟事，只得敗去。土行孫

趕了一程，趕不上，也自回來。那張奎地行術一日可行一千五百里，土行孫止行一千里，因此趕不上他，只得回營，來見子牙，言：「張奎果然好地行之術。此人若是阻住此間，深為不便。」子牙曰：「昔日你師父擒爾用指地成鋼法，今欲治張奎，非此法不可。你如何學得此法以治之？」土行孫曰：「元帥可修書一封，待弟子去夾龍山，見吾師，取此符印來，破了渑池縣，遂得早會諸侯。」子牙大喜，忙修書付與土行孫。土行孫別了妻子，往夾龍山來。可憐！正是：

土行孫逕往夾龍山去。且說張奎被土行孫戰敗回來，見高蘭英，雙眉緊皺，長吁曰：「周營中有許多異人，如何是好？」夫人曰：「誰為異人？」張奎曰：「有一土行孫，也有地行之術，如之奈何！」高蘭英曰：「如今再修告急表章，速往朝歌求救，俺夫妻二人死守此縣，不必交兵，只等救兵前來，再為商議破敵。」夫妻正議，忽然一陣怪風飄來，甚是奇異。怎見得好風，有詩為證：

走石飛砂勢更凶，推雲擁霧亂行蹤。暗藏妖孽來窺戶，又送孤帆過楚峰。風過一陣，把府前寶纛旗一折兩斷。夫妻大驚曰：「此不祥之兆也。」高蘭英隨排香案，忙取金錢，排下一卦，已解其意。高蘭英曰：「將軍可速為之！土行孫往夾龍山取指地成鋼之術，來破你也！不可遲誤！」張奎大驚，忙忙收拾，結束停當，逕往夾龍山去了。土行孫一日止行千里；張奎一日行一千五百里；張奎先到夾龍山，到個崖畔，潛等土行孫。等了一日，土行孫來至猛獸崖，遠遠望見飛雲洞，滿心歡喜：「今日又至故土也！」不知張奎豫在崖傍，側身躲匿，把刀拎起，只等他來。土行孫那裏知道，只是往前走。也是數該如此，看看至面前，張奎大叫曰：「土行孫不要走！」土行孫及至抬頭時，刀已落下，可憐砍了個連肩帶背。張奎割了首級，逕回渑池縣來號令。後人有詩歎土行孫歸周未受茅土之封，可憐無辜死於此地，有詩為證：

憶昔西岐歸順時，輔君督運未愆期。進關盜寶功為首，劫寨偷營世所奇。名播諸侯空嘖嘖，聲揚宇宙恨絲絲。夾龍山下亡身處，反本還元正在茲。話說張奎非止一日來至渑池縣，夫妻相見，將殺死土行孫一事說了一遍，夫妻大喜，隨把土行孫的首級號令在城上。只見周營中探馬見渑池縣城裏號令出頭來，近前看時，卻是土行孫的首級，忙報入中軍：「啟元帥：渑池縣城上號令了土行孫首級，不知何故，請令定奪。」子牙曰：「他往夾龍山去了，不在行營，又未出陣，如何被害？」子牙掐指一算，拍案大呼曰：「土行孫死於無辜，是吾之過也！」子牙甚是傷感。不意帳後驚動了鄧嬋玉，聞知丈夫已死，哭上帳來：「願與夫主報仇！」子牙曰：「你還斟酌，不可造次。」鄧嬋玉那裏肯住，啼泣上馬，來至城下，只叫：「張奎出來見我！」哨馬報入城中：「有女將搦戰。」高蘭英曰：「這賤人！我正欲報一石之恨，今日合該死於此地！」高蘭英

上馬提刀，先將一紅葫蘆執在手中，放出四十九根太陽神針，先在城裏提出。鄧嬋玉只聽得馬響，二目被神針射住，觀看不明，早被高蘭英手起一刀，揮於馬下。可憐！正是：孟津未會諸侯面，今日夫妻喪澠池。

話說高蘭英先祭太陽神針，射住嬋玉二目，因此上斬了鄧嬋玉，進城號令了。哨馬報入中軍，備言前事。子牙著實傷悼，對眾門人曰：「今高蘭英有太陽神針，射入二目，非同小可，諸將俱要防備。」故此按兵不動，再設法以取此縣。南宮适曰：「這一小縣，今損無限大將，請元帥著人馬四面攻打，此縣可以歷為平地。」子牙傳令，命：「三軍四面攻打！」架起雲梯火炮，三軍吶喊，攻打甚急。張奎夫妻千方百計看守此城。一連攻打兩晝夜，不能得下。子牙心中甚惱，且命：「暫退，再為設計；不然徒令軍士勞苦無益耳。」眾將鳴金收軍，回營。

且說張奎又修本往朝歌城來。差官渡了黃河，前至孟津，有四百鎮諸侯駐割人馬。差官潛蹤隱跡，一路無詞，至館驛中，歇了一宵。次日，將本至文書房投遞。那日看本乃是微子。微子接本看了，忙入內庭，只見紂王在鹿臺上宴樂。微子至臺下候旨，紂王宣上鹿臺，微子行禮稱臣畢，王曰：「皇伯有何奏章？」微子曰：「武王兵進五關，已至澠池縣，損兵折將，莫可支撐，危在旦夕。請陛下速發援兵，早來協守。不然，臣惟一死，以報君恩。何況此縣離都城不過四五百里之遠，陛下還在此臺宴樂，全不以社稷為重，孟津現有南方、北方四百諸侯駐兵，候西伯共至商郊，事有燃眉之急；今見此報，使臣身心加焚，莫知所措。願陛下早求賢士，以治國事，拜大將以剿反叛，改過惡而訓軍民，修仁政以回天變，庶不失去湯之宗廟也。」紂王聞奏大驚曰：「姬發反叛，而今已侵陷孤之關隘，覆軍殺將，兵至澠池，情殊可恨！孤當御駕親征，以除大惡。」中大夫飛廉奏曰：「陛下不可！今孟津有四百諸侯駐兵，一聞陛下出軍，他讓過陛下，阻住後路，首尾受敵，非萬全之道也。陛下可出榜招賢，大懸賞格，自有高名之士應求而至。古云：『重賞之下，必有勇夫。』又何勞陛下親御六師，與叛臣較勝於行伍哉？」紂王曰：「依卿所奏。速傳旨，懸立賞格，張掛於朝歌四門，招選豪傑，才堪督府者，不次銓除。」一四方哄動，就把個朝歌城內萬民日受數次驚慌。只見一日來了三個豪傑，來揭榜文。守榜軍士隨同三人先往飛廉府裏來參謁。門官報入中堂，飛廉道：「有請。」三人進府，與飛廉見禮畢，言曰：「聞天子招募天下賢士，愚下三人自知非才，但君父有事，願捐軀效犬馬。」飛廉見三人氣宇清奇，就命賜坐。三人曰：「吾等俱是閭閻子民。大夫在上，子民焉敢坐。」飛廉曰：「求賢定國，聘傑安邦，雖高爵重祿，直受不辭，又何妨於一坐耶。」三人告過，方纔坐下。飛廉曰：「三位姓甚？名誰？住居何所？」三人將一手本呈上，飛廉觀看，原來是梅山人氏，一名袁洪，一名吳龍，一名常昊。一此乃

「梅山七聖」；先是三人投見，以下俱陸續而來。袁洪者乃白猿精也；吳龍者乃蜈蚣精也；常昊者乃長蛇精也；俱借「袁」、「吳」、「常」三字取之為姓也。——飛廉看了姓名，隨帶入朝

門，來朝見紂王。飛廉入內庭，天子在顯慶殿與惡來奕棋，當駕官啟奏：「中大夫飛廉候旨。」王曰：「宣來。」飛廉見駕，奏曰：

「臣啟陛下：今有梅山三個傑士，應陛下求賢之詔，今在午門候旨。」紂王大悅：「傳旨宣來。」少時，三人來至殿下，山呼拜畢，紂王賜三人平身，三人謝恩畢，侍立兩傍。王曰：「卿等此來，有何妙策可擒逆賊？」袁洪奏曰：「姜尚以虛言巧語，糾合天下諸侯，鼓惑黎庶作反；依臣愚見，先破西岐，拿了姜尚，則八百諸侯望陛下降詔招安，赦免前罪，天下不戰而自平也。」紂王聞奏，龍心大悅，封袁洪為大將，吳龍、常昊為先行，命殷破敗為參軍，雷開為五軍總督，使殷成秀、雷鵬、雷鵬、魯仁傑等俱隨軍征伐。紂王傳旨，嘉慶殿排宴，慶賞諸臣。內有魯仁傑自幼多讀，廣識英雄，見袁洪行事不按禮節，暗思曰：「觀此人行事不是大將之才，且看他操演人馬，便知端的。」當日宴散，次日謝恩。三日後下教場，操演三軍。魯仁傑看袁洪舉動措置，俱不如法，諒非姜子牙敵手，但此時是用人之際，魯仁傑也只得將機就計而已。次日，袁洪朝見紂王，王曰：「元帥可先領一支人馬，往渾池縣佐張奎以阻西兵，元帥意下如何？」袁洪曰：「以臣觀之，都中之兵不宜遠出。」紂王曰：「如何不宜遠出？」袁洪奏曰：「今孟津已有南北二路諸侯駐割，以窺其後，臣若往渾池，此二路諸侯拒守孟津，阻臣糧道，那時使臣前後受敵，此不戰自敗之道。況糧為三軍生命，是軍未行而先需者也。依臣之計，不若調二十萬人馬，阻住孟津之咽喉，使諸侯不能侵攬朝歌，一戰成功，大事定矣。」紂王大悅：「卿言甚善，真乃社稷之臣！依卿所奏施行。」袁洪隨調兵二十萬，吳龍、常昊為先行，殷破敗為參贊，雷開為五軍都督，使殷成秀、雷鵬、雷鵬、魯仁傑隨軍征伐，往孟津而來。不知勝負如何，且聽下回分解。

第八十八回 武王白魚跳龍舟 詩曰：白魚吉兆喜非常，預肇周家應瑞昌。八百諸侯稱碩德，千年師帥頌匡襄。堂堂陣演三三疊，正正旗門六六行。時雨師臨民甚悅，成湯基業已消亡。話說袁洪調兵往孟津駐割，以阻諸侯咽喉。不表。且說渾池縣張奎日夕望朝歌救兵，忽有報馬報入府來：「天子招了新元帥袁洪，調兵二十萬駐割孟津，以阻諸侯；未見發兵來救渾池。」張奎聞報大驚曰：「天子不發救兵，此城如何拒守！況前有周兵，後有孟津，四百諸侯前後合攻，此取敗之道。今反捨此不救，奈何？」忙與夫人高蘭英共議。夫人曰：「料吾二人也可阻住周兵。今袁洪拒住孟津，則南北諸侯也不能抄我之後。只打聽袁洪得勝，若破了南北二侯，我再與你去合兵共破周武，再無有不勝之理。俺們如今只設法守城，不要與周將對敵；待他糧盡兵

疲，一戰成功，無有不克。此萬全之道也。」張奎心下狐疑不定。

且說子牙見澠池一個小縣，攻打不下，反陣亡了許多將官，納悶在中軍，暗暗點首嗟歎：「可憐這些扶主定國英雄，瀝膽披肝，止落得遺言在此，此身皆化為烏有！」子牙正在那裏傷悼，忽轅門官來報：「有一道童求見。」子牙傳令：「請來。」少時，只見一道童至帳下行禮曰：「弟子乃夾龍山飛龍洞懼留孫的門人。因師兄土行孫在夾龍山猛獸崖被張奎所害，家師已知應上天之數，這是救不得的；只是過澠池須有原故。家師特著弟子來此下書，師叔便知端的。」子牙接上書來，展開觀看，書曰：

「道末懼留孫致書於大元帥子牙公麾下：前者土行孫合該於猛獸崖死於張奎之手，理數難逃，貧道只有望崖垂泣而已，言之可勝長歎！今張奎善於守城，急切難下，但他數亦當終。子牙公不可遲誤，可令楊戩將貧道符印先在黃河岸邊，等楊任、韋護追趕至此擒之。取城只用哪吒、雷震子足矣。子牙公須是親自用調虎離山計，一戰成功。此去自然坦夷。只候封神之後，再圖會晤。不宣。」子牙看罷書，打發童子回山。當日子牙傳令：「哪吒領令箭，雷震子領令箭前去，……如此而行。楊戩、楊任領柬帖前去，……如此。韋護領柬帖前去，……如此。」子牙俱吩咐出畢。至晚間，周營中砲響，三軍吶喊，殺奔城下而來。張奎急上城，設法守護，百計千方防禦，急切難下。子牙知張奎善於守城，且暫鳴金收兵。次日午未末初，請武王上帳相見：「今日請大王同老臣出營，看看澠池縣城池，好去攻取。」武王乃忠厚君子，隨應曰：「孤願往。」即時同子牙出營，至城下週圍看了。用手指曰：「大王若破此城，須用轟天大砲，方能攻打；此城一時可破也。」子牙與武王指畫攻城，只見澠池城上哨探士卒報與張奎：「啟老爺：姜子牙同一穿紅袍的在城下探看城池。」張奎聽報，即上城來看時，果是子牙同武王在城下，週圍指畫。張奎自思曰：「姜尚欺吾太甚！只因連日吾堅守此城，不與他會戰，他便欺我，至吾城下，肆行無忌，藐視吾無人物也。」隨下城與夫人曰：「你可用心堅守此城，待我出城走去殺來，以除大患。」夫人上城觀戰。張奎上馬拎刀，開了城門，一馬飛來，大呼曰：「姬發、姜尚！今日你命難逃也！」正是：

計就月中擒玉兔，謀成日裏捉金烏。子牙同武王撥馬向西而走。張奎趕來，周營中一將也不出來接應，張奎放心趕來。看看趕有三十里，只聽得金鼓齊鳴，砲聲響亮，三軍吶喊，震動天地，周營中大小將官齊出營來，殺奔城下。高蘭英在城上全裝甲冑守護城池，忽聽周營中又是砲響，不知其故。忽城上落下哪吒來，現三首八臂，腳踏風火輪，搖火尖鎗殺來。高蘭英急上馬，用雙刀抵住了哪吒。二人在城上不便爭持，高蘭英走馬下城，哪吒隨後趕來。雷震子又早展開二翅，飛上城來，使開黃金棍，把城上軍士打開，隨斬關落鎖，周兵進城。高蘭英見事不好，正欲取葫蘆放

太陽神針，早已不及，被哪吒一乾坤圈，打中頂上，翻下馬來，又是一鎗，死於非命，早往封神臺去了。有詩為證，詩曰：

孤城死守為成湯，今日身亡實可傷。全節全忠名不朽，女中貞烈萬年揚。

話說雷震子、哪吒進了渾池縣，軍士見打死了主母，俱伏地請降。哪吒曰：「俱免汝死，候元帥來安民。」哪吒復向雷震子曰：「道兄且在城上拒住，吾還去接應師叔與武王，恐怕驚了主公。」雷震子曰：「道兄不可遲疑，當速行為是。」好哪吒！把風火輪登開，往正西上趕來。只見張奎正趕子牙有二十里遠近，只聽得砲聲四起，喊聲大振，心下甚是驚疑，也不去趕子牙。子牙在後面大呼曰：「張奎！你渾池已失，何不歸降？」張奎心慌，情知中計，勒轉馬望舊路而來；天色又黑，正遇哪吒現三首八臂迎來。哪吒大罵曰：「逆賊！你今日還不下馬受死，更待何時！」張奎大怒，搖刀直取。哪吒手中鎗急架相還。未及數合，哪吒復祭起九龍神火罩罩來。張奎知此術利害，把身子一扭，往地下去了。哪吒見張奎預先走了，因想起土行孫的光景，心上不覺悲悼，往前來迎武王。張奎急走至城下，見雷震子立於城上，知城池已陷，夫人不知存亡，自思：「不若往朝歌，與袁洪合兵一處，再作道理。」話說哪吒上前迎接武王與子牙，一同回渾池縣來，將大軍進城屯割，又將城上周將首級收殮，設祭祀之，仍於高阜處安葬。不表。只見張奎全裝甲冑，縱地行之術，往黃河大道而走，如風一般，飛雲掣電而來。話說楊任遠遠望見張奎從地底下來了，楊任知會韋護曰：「道兄，張奎來了。你須是仔細些，不要走了他。你看我手往那裏指，你就往那邊祭降魔杵鎮之。」韋護曰：「謹領尊命。」再說張奎正走，遠遠看見楊任騎雲霞獸，手心裏那兩隻神光射耀往下看著地，大呼曰：「張奎不要走！今日你難逃此厄也！」張奎聽得，魂不附體，不敢停滯，縱著地行法：「刷」的一聲，須臾就走有一千五百里遠。楊任在地上催著雲霞獸，緊緊追趕。韋護在上頭只看著楊任；楊任只看著張奎在地底下；如今三處看著，好趕！正是：

上邊韋護觀楊任，楊任生追「七殺神」。話說張奎在地下見楊任緊緊跟隨在他頭上：如張奎往左，楊任也往左邊來趕；張奎往右，楊任也往右邊來趕。張奎無法，只是往前飛走。看著行至黃河岸邊，前有楊戩奉柬帖在黃河岸邊專等楊任。只見遠遠楊任追趕來了，楊任也看見了楊戩，乃大呼曰：「楊道兄！張奎來了！」楊戩聽得，忙將三昧火燒了懼留孫指地成鋼的符篆，立在黃河岸邊。張奎正行，方至黃河，只見四處如同鐵桶一般，半步莫動，左撞左不能通，右撞右不能通，撒身回來，後面猶如鐵壁。張奎正慌忙無措，楊任用手往下一指；半空中韋護把降魔杵往下打來。此寶乃鎮壓邪魔護三教大法之物，可憐張奎怎禁得起。有詩為證，詩曰：

金光一道起空中，五彩雲霞協用功。鬼怪逢時皆絕跡，邪魔遇此盡成空。皈依三教稱慈

善，鎮壓諸天護法雄。今日黃河除「七殺」，千年英氣貫長虹。

話說韋護祭起降魔杵，把張奎打成齏粉，——靈也往封神臺去了。三位門人得勝，齊來見子牙，備言打死張奎，追趕至黃河之事，說了一遍。子牙大喜，在澠池縣住了數日，擇日起兵。

那日，整頓人馬，離了澠池縣，前往黃河而來。時近隆冬天氣，眾將官重重鐵鎧，疊疊征衣，寒氣甚勝。怎見得好冷，有讚為證：

重衾無暖氣，袖手似揣冰。敗葉垂霜蕊，蒼松掛凍鈴。地裂因寒甚，池平為水凝。魚舟空釣線，仙觀沒人行。樵子愁柴少，王孫喜炭增。征人鬚似鐵，詩客筆如零。皮襖猶嫌薄，貂裘尚恨輕。蒲團僵老衲，紙帳旅魂驚。莫訝寒威重，兵行令若靈。

話說子牙人馬來至黃河，左右報知中軍。子牙吩咐：「借辦民舟。」每隻俱有工食銀五錢，併不白用民船一隻，萬民樂業，無不懽呼感德，真所謂「時雨之師」。子牙傳令，另備龍舟一隻，裝載武王。子牙與武王駕坐中艙，左右鼓棹，向中流進發。只聽得黃河內潑浪滔天，風聲大作，把武王龍舟泊在浪裏顛播。武王曰：「相父，此舟為何這樣掀播？」子牙曰：「黃河水急，平昔浪發，也是不小的；況今日有風，又是龍舟，故此顛播。」武王曰：「推開艙門，俟孤看一看，何如？」子牙同武王推艙一看，好大浪！怎見得黃河疊浪千層，有詩為證：

洋洋光侵月，浩浩影浮天。靈派吞華嶽，長流貫百川。千層凶浪滾，萬疊峻波顛，岸口無漁火，沙頭有鷺眠。茫茫渾似海，一望更無邊。

話說武王一見黃河，白浪滔天，一望無際，嚇得面如土色。那龍舟只在浪裏，或上、或下。忽然有一旋窩，水勢分開，一聲響亮，有一尾白魚跳在船艙裏來，就把武王嚇了一跳。那魚在舟中，左進右跳，跳有四五尺高。武王問子牙曰：「此魚入舟，主何吉凶？」子牙曰：「恭喜大王！賀喜大王！魚入王舟者，主紂王該滅，周室當興，正應大王繼湯而有天下也。」子牙傳令：「命庖人將此魚烹來，與大王享之。」武王曰：「不可。」仍命擲之河中。子牙曰：「既入王舟，豈可捨此，正謂『天賜不取，反受其咎』，理宜食之，不可輕棄。」左右領子牙令，速命庖人烹來。不一時獻上，子牙命賜諸將。少頃，風恬浪靜，龍舟已渡黃河。

只見四百諸侯知周兵已至，打點前來迎接武王。子牙知武王乃仁德之主，豈肯欺君；恐眾諸侯尊稱武王，以致中餒，則大事去矣。須是預先吩咐過，然後相見，庶幾不露出圭角；俟破紂之後，再作區處。乃對武王曰：

「今舟雖抵岸，大王還在舟中，俟老臣先上岸，陳設器械，嚴整軍威，以示武於諸侯，立定營柵，然後來請大王。」武王曰：「聽憑相父設施。」子牙先上了岸，率大隊人馬至孟津，立下營寨。眾諸侯齊至中軍，來見子牙。子牙迎接上帳，相敘禮畢，子牙曰：「列位君侯見武王不必深言其伐君弔民之故，只以觀政於商為辭，俟破紂之後，再作商議。」眾諸侯大喜，俱依子牙之言。子牙令軍政官

與哪吒、楊戩前去迎請武王。後面又有西方二百諸侯隨後過黃河，同武王車駕而進。真個是天下諸侯會合，自是不同。怎見得，有詩為證，詩曰：

今日諸侯會孟津，紛紛殺氣滿江塵。旌旗向日飛龍鳳，劍戟迎霜泣鬼神。

士卒赳赳歌化日，軍民濟濟慶仁人。應知世運當亨泰，四海謳吟總是春。

且說武王同西方二百諸侯來至孟津大營，探馬報入中軍帳，子牙率領南、北二方四百諸侯，又有數百小諸侯，齊來迎接。武王逕進中軍。先有：

眾諸侯進營，只有東伯侯姜文煥未曾進遊魂關，乃序武王上帳。武王不肯，彼此固遜多時，武王同眾諸侯交相下拜。天下諸侯俯伏曰：「今大王大駕特臨此地，使眾諸侯得睹天顏，仰觀威德，早救民於水火之中，天下幸甚！萬民幸甚！」武王深自謙讓曰：「予小子發，嗣位先生，孤德寡聞，惟恐有負前烈；謬蒙天下諸侯傳檄相邀，特拜相父東會列位賢侯，觀政於商。若曰予小子冒昧興師，則予豈敢，惟望列位賢侯教之！」內有豫州侯姚楚亮對曰：「紂王無道，殺妻誅子，焚炙忠良，殺戮大臣，沉湎酒色，弗敬上天，郊廟下祀，播棄黎老，昵比罪人。皇天震怒，絕命於商。予等奉大王恭行天之罰，伐罪弔民，拯萬姓於水火，正應天順人之舉，泄人神之憤，天下無不感悅。若予等與大王坐視不理，厥罪惟均，望大王裁之。」武王曰：「紂王雖不行正道，俱臣下蔽惑之耳。今只觀政於商，擒其嬖倖，令人君加改其敝政，則天下自平矣。」彭祖壽曰：「天命靡常，惟有德者居之。昔堯有天下，因其子不肖，而禪位於舜。舜有天下，亦因其子之不肖，而禪位於禹。禹之子賢，能承繼父業，於是相傳至桀而德衰，暴虐夏政，天人怨之；故湯得行天之罰，放桀於南巢，伐夏而有天下。賢聖之君六七作，至於紂，罪惡貫盈，毀棄善政，戕賊不道，皇天震怒，降災於商，爰命大王以伐殷湯，大王幸毋固辭，以灰諸侯之心。」武王謙讓未遑。子牙曰：「列位賢侯，今日亦非商議正事之時，俟至商郊，再有說話。」眾諸侯僉曰：「丞相之言是也。」武王命營中治酒，大宴諸侯。不表。

且說袁洪在營中，只見報馬啟曰：「今有武王兵至孟津下寨，大會諸

侯，請元帥定奪。」殷破敗聽得，忙上前言曰：「周武乃天下叛逆元首，自興兵至此，所在獲捷；軍威甚銳，元帥不可輕忽，務要嚴兵以待。」袁洪曰：「參軍之言固善，料姜尚不過一礪溪村夫，有何本領，此皆諸關將士不用心，以致彼僥倖成功。參軍放心，看吾一陣令他片甲不回。」次日，子牙陞帳，眾諸侯上帳參見，有夷門伯武高遠言曰：「啟元帥：諸侯六百駐兵於此，俱未敢擅於用兵，止在此拒住，只候武王大駕來臨，以憑裁奪。今日若不先擒袁洪，則匹天尚自逞強，猶不知天吏之不可戰也。望元帥早賜施行。」子牙曰：「賢侯之言甚善。吾必先下戰書，然後會兵孟津，方可以示天下之惡惟天下之德可以克之。」眾皆大喜。子牙忙修書，差楊戩往湯營內來下戰書。楊戩領命，往成湯營前下馬，大呼曰：「奉姜元帥將令，來下戰書！」探事小校報與中軍，袁洪聽得周營來下戰書，忙命左右：「令來。」只見軍政官來至營門，令楊戩進見。楊戩至中軍帳見袁洪，呈上戰書。袁洪觀看畢，乃曰：「吾不修回書，約定明日會兵便了。」楊戩回至中軍，見子牙，言明日會兵。子牙傳令與眾諸侯：「明早會兵。」俱各各準備去了。次日，周營砲響，子牙調出大隊人馬，有六百諸侯齊出，當中是子牙人馬，俱是大紅旗；左是南伯侯鄂順，右是北伯侯崇應鸞，盡是五色旛幢，真若盔山甲海，威勢如彪，英雄似虎。布成陣勢，三軍吶喊，衝至軍前，哨馬報與袁洪，袁洪與眾將出營觀看子牙大兵隊伍，只見天下諸侯鴈翅排開，分於左右，當中是元帥姜尚，左有鄂順，右有崇應鸞。有詩為證，詩曰：

諸侯共計破朝歌，正是神仙遇劫魔。百萬雄師興宇宙，奇功立在孟津河。

姜尚東征除虐政，諸侯拱手尊號令。妖氛滾滾各爭先，楊戩梅山收七聖。

話說袁洪在馬上見姜子牙身穿道服，乘四不相，來至軍前，左右排列有眾位門人，次後武王乘逍遙馬，南北分列眾位諸侯。只見袁洪銀盔素鎧，坐下白馬，使一條寶鐵棍，擔着鞍轡，英雄凜凜。怎見得袁洪好處，有讚為證：

銀盔素鎧，纓絡紅凝。左插狼牙箭，右懸寶劍鋒。橫擔寶鐵棍。白馬似神行。幼長梅山下，成功古洞中。曾受陰陽訣，又得天地靈。善能多變化，玄妙似人形。梅山稱第一，保紂滅周兵。

話說子牙向前問曰：「來者莫非成湯元帥袁洪麼？」袁洪曰：「你可就是姜尚？」子牙曰：「吾乃奉天征討掃蕩成湯天保大元帥。今天下歸周，商紂無道，天下離心離德，只在旦夕受縛，料你一杯之水，安能救車薪之火哉！汝若早早倒戈納降，尚待汝以不死；如若不肯，旦夕一朝兵敗，玉石俱焚，雖欲求其獨生，何可及哉。休得執迷，徒勞伊戚。」袁洪笑曰：「姜尚，你只知礪溪捕魚，水有深淺，今幸而五關無有將才，讓你深入重地，你敢於巧言令色，惑吾眾聽耶！」回顧左右先行曰：「誰與吾拿此鄙夫，以泄天下之憤？」傍有一人大呼曰：「元帥放心，待我成功！」走馬飛臨陣前，搖手中鎗直取姜子牙。傍有右伯侯姚庶良縱馬搖手中斧，

大呼曰：「匹夫慢來，有吾在此！」也不答話，兩馬相交，鎗斧併舉，一場大戰。怎見得，有詩為證，詩曰：征雲蕩蕩透虛空，劍戟兵戈擾攘中。今日姜公頭一戰，孟津血濺竹梢紅。

話說姚庶良手中斧轉換如飛，不知常昊乃是梅山一箇蛇精，姚庶良乃是真實本領，那裏知道，只要成功。常昊不覺敗下陣去，姚庶良便催馬趕來。不知性命如何，且聽下回分解。第八十九回 紂王敲骨剖孕婦 詩曰：紂王酷虐古今無，淫酗貪婪

聽美姝。孕婦無辜遭惡劫，行人有難罹兇途。遺譏簡冊稱殘賊，留與人間罵獨夫。天道悠悠難究竟，且將濁酒對花奴。

話說姚庶良隨後趕來，常昊乃是蛇精，縱馬，腳下起一陣旋風，捲起一團黑霧，連人帶馬罩住，方現出他原形，乃是一根大蟒蛇；把口一張，吐出一陣毒氣。姚庶良禁不起，隨昏於馬下。常昊便下馬取了首級，大呼曰：「今拏姜尚如姚庶良為例！」眾諸侯之內，不知他是妖精，有兗州伯彭祖壽縱馬搖鎗，大呼曰：「匹夫敢傷吾大臣！」時有吳龍在袁洪右邊，見常昊立功，忍不住使兩口雙刀，催開馬，飛奔前來，曰：「不要衝吾陣腳！」也不答話，兩騎相交，刀鎗併舉，殺在陣前。六百鎮諸侯俱在左右，看看二將交兵。戰未數合，吳龍掩一刀敗走；彭祖壽隨後趕來。吳龍乃是蜈蚣精，見彭祖壽將近，隨現出原形；只見一陣風起，黑雲捲來，妖氣迷人，彭祖壽已不知人事，被吳龍一刀揮為兩斷。眾諸侯不知何故，只見將官追下去就是一塊黑雲罩住，將官隨即絕命。子牙傍邊有楊戩對哪吒曰：「此二將俱不是正經人，似有些妖氣。我與道兄一往，何如？」只見吳龍躍馬舞刀，飛奔軍前，大呼曰：「誰來先啖吾雙刀？」哪吒登開風火輪，使火尖鎗，現三首八臂迎來。吳龍曰：「來者是誰？」哪吒曰：「吾乃哪吒是也。你這業畜，怎敢將妖術傷吾諸侯！」把鎗一擺，直刺吳龍。吳龍手中刀急架交還，未及三四合，被哪吒祭起九龍神火罩，響一聲，將吳龍罩在裏面。吳龍已化道青光去了。哪吒用手一拍，及至罩中現出九條火龍時，吳龍去之久矣。常昊見哪吒用火龍罩罩住吳龍，心中大怒，縱馬持鎗，大呼曰：「哪吒不要走！吾來也！」只見楊戩使三尖刀，縱銀合馬，同哪吒雙戰常昊。常昊見勢不好，便敗下陣去。楊戩也不趕他，取彈弓在手，隨手發出金丸，照常昊打來。只見那金丸不知落於何處。哪吒後祭起神火罩，將常昊罩住；也似吳龍化一道赤光而去。袁洪見二將如此精奇，心下甚是歡喜，傳令：「三軍擂鼓！」袁洪縱馬衝殺過來，大呼曰：「姜子牙！我與你見個雌雄！」傍有楊任見袁洪衝來，急催開了雲霞獸，使開雲飛鎗，敵住袁洪；戰有五七回合，楊任取出五火扇，照袁洪一搨，袁洪已預先走了，止燒死他一匹馬。子牙鳴金，將隊同營，陞帳坐下，歎曰：「可惜傷了二路諸侯！」心下不樂。楊戩上帳曰：「今日弟子看他三人俱是妖怪之相，不似人形。方纔哪吒祭神火罩，楊任用神火扇，弟子用金

丸，俱不曾傷他，竟化青光而去。」只見眾諸侯也都議論常昊、吳龍之術，紛紛不一。且說袁洪回營，陞帳坐下，見常昊、吳龍齊來參謁，袁洪曰：「哪吒罩兒，楊任的扇子，俱好利害！」吳龍笑曰：「他那罩與扇子只好降別人，那裏奈何得我們。只是今日指望拿了姜尚，誰知只壞了他兩個諸侯，也不算成功。」袁洪一面修本往朝歌報捷，寬免天子憂心。且說魯仁傑對殷成秀、雷鵬、雷恠曰：「賢弟，今日你等見袁洪、吳龍、常昊與子牙會兵的光景麼？」眾人曰：「不知所以。」魯仁傑曰：「此正所謂『國家將興，必有禎祥；國家將亡，必有妖孽』。今日他三將俱是些妖孽，不以人形。今天下諸侯會兵此處，正是大敵；豈有這些妖邪能拒敵成功耶。」殷成秀曰：「長兄且莫忙說破，看他後來如何。」魯仁傑曰：「總來吾受成湯三世之恩，豈敢有負國恩之理；惟一死以報國耳！」話說差官往朝歌，來至文書房內，飛廉接本觀看，見是袁洪報捷，連誅大鎮叛逆諸侯彭祖壽、姚庶良，心中大喜，忙持著本上鹿臺來見紂王。當駕官上臺啟曰：「有中大夫飛廉候旨。」紂王曰：「宣來。」左右將飛廉宣至殿前，參拜畢，俯伏奏曰：「今有元帥袁洪領敕鎮守孟津，以逆天下諸侯；初陣斬袁州侯彭祖壽，右伯侯姚庶良，軍威已振，大挫周兵鋒銳。自興師以來，未有今日之捷。此乃陛下洪福齊天，得此大帥，可計日奏功，以安社稷者也。特具本齎奏。」紂王聞奏大悅：「元帥袁洪連斬二逆，足破敵人之膽，其功莫大焉。傳朕旨意，特敕獎諭，賜以錦袍、金珠，以勵其功；仍以蜀錦百疋，寶鈔萬貫，羊、酒等件以犒將士勤勞。務要用心料理，剿滅叛逆，另行分列茅土，朕不食言。欽哉！故諭。」飛廉頓首謝恩，領旨打點解犒賞往孟津去。不表。且言妲己聞飛廉奏袁洪得勝奏捷，來見紂王曰：「妾蘇氏恭喜陛下又得社稷之臣也！袁洪實有大將之才，永堪重任。似此奏捷，叛逆指日可平，臣妾不勝慶幸，實皇上無疆之福以啟之耳。今特具觴為陛下稱賀。」紂王曰：「御妻之言正合朕意。」命當駕官於鹿臺上治九龍席，三妖同紂王共飲。此時正值仲冬天氣，嚴威凜冽，寒氣侵人。正飲之間，不覺彤雲四起，亂舞梨花。當駕官啟奏曰：「上天落雪了。」紂王大喜曰：「此時正好賞雪。」命左右煖注金樽，重斟盃罍，酣飲交歡。怎見好雪，有讚為證：彤雲密布，冷霧繽紛。彤雲密布，朔風凜凜號空中；冷霧繽紛，大雪漫漫鋪地下。真個是：六花片片飛瓊，千樹株株倚玉。須臾積粉，頃刻成鹽。白鸚渾失素，皓鶴竟無形。平添四海三江雪，壓倒東西幾樹松。卻便似：戰敗玉龍三百萬；果然是：退鱗殘甲滿空飛。但只見：幾家村舍如銀砌，萬里江山似玉圖。好雪！真個是：柳絮滿橋，梨花蓋舍。柳絮滿橋，橋邊漁叟掛蓑衣；梨花蓋舍，舍下野翁煖梢樁。客子難沽酒，蒼頭苦覓梅。灑灑瀟瀟裁蝶翅，飄飄蕩蕩剪鵝衣。團團滾滾隨風勢，颼颼冷氣透幽幃。豐年祥瑞從天降，堪賀

人間好事宜。話說紂王與妲己共飲，又見大雪紛紛，忙傳旨，命：「捲起氈簾，待朕同御妻、美人看雪。」侍駕官捲起簾幔，打掃積雪。紂王同妲己、胡喜妹、王貴人在臺上，看朝歌城內外似銀裝世界，粉砌乾坤。王曰：「御妻，你自幼習學歌聲曲韻，何不把按雪景的曲兒唱一套，俟朕漫飲三杯。」妲己領旨，款啟朱唇，輕舒鶯舌，在鹿臺上唱一個曲兒。真是：婉轉鶯聲飛柳外，笙簧嘹亮自天來。曲曰：

纔飛燕塞邊，又灑向城門外。輕盈過玉橋去，虛飄臨閭苑來。攘攘挨挨，顛倒把乾坤玉載。凍的長江上魚沉鴈杳，空林中虎嘯猿哀。憑天降，冷禍胎，六花飄墮難禁耐，砌漫了白玉階。宮幃裏冷侵衣袂，那一時暖烘烘紅日當頭晒，掃彤雲四開，現青天一派，瑞氣祥光擁出來。妲己唱罷，餘韻悠揚，嫋嫋不絕。紂王大喜，連飲三大杯。一時雪俱止了，彤雲漸散，日色復開。紂王同妲己憑欄，看朝歌積雪。忽見西門外，有一小河，一此河不是活水河，因紂王造鹿臺，挑取泥土，致成小河，適纔雪水注積，因此行人不便，必跣足過河，一只見有一老人跣足渡水，不甚懼冷，而行步且快。又有一少年人，亦跣足渡水，懼冷行緩，有驚怯之狀。紂王在高處觀之，盡得其態，問於妲己曰：「怪哉！怪哉！有這等異事？你看那老者渡水，反不怕冷，行步且快；這年少的反又怕冷，行走甚歎，這不是反其事了？」妲己曰：「陛下不知，老者不甚怕冷，乃是少年父母，精血正旺之時交姁成孕，所秉甚厚，故精血充滿，骨髓皆盈，雖至末年，遇寒氣猶不甚畏怯也。至若少年怕冷，乃是末年父母，氣血已衰，偶爾姁精成孕，所秉甚薄，精血既虧，髓皆不滿，雖是少年，形同老邁，故過寒冷而先畏怯也。」紂王笑曰：「此惑朕之言也！人秉父精母血而生，自然少壯、老衰，豈有反其事之理？」妲己又曰：「陛下何不差官去拏來，便知端的。」紂王傳旨：「命當駕官至西門，將渡水老者、少者俱拿來。」當駕官領旨，忙出朝趕至西門，不分老少，即時一併拿到。老少民人曰：「你拿我們怎麼？」侍臣曰：「天子要你去見。」老少民人曰：「吾等奉公守法，不欠錢糧，為何來拿我們？」侍臣曰：「只怕當今天子有好處到你們，也不可。」正是：平白行來因過水，誰知敲骨喪其生！

紂王在鹿臺上專等渡水人民。卻說侍駕官將二民拏至臺下回旨：「啟陛下：將老少二民拏至臺下。」紂王命：「將斧砍開二民脛骨，取來看驗。」左右把老者、少者腿俱砍斷，拿上臺看，果然老者髓滿，少者髓淺。紂王大喜，命左右：「把屍拖出！」可憐無辜百姓，受此慘刑！後人有詩歎之，詩曰：敗葉飄飄落故宮，至今猶自起悲風。獨夫只聽讒言婦，目下朝歌社稷空。

話說紂王見妲己加此神異，撫其背而言曰：「御妻真是神人，何靈異若此！」妲己曰：「妾雖係女流，少得陰符之術，其勘驗陰陽，無不奇中。適纔斷脛驗髓，此猶其易者也。至如婦人懷孕，一見便

知他腹內有幾月，是男、是女，面在腹內，或朝東、南、西、北，無不週知。」紂王曰：「方纔老少人民斷脛斷髓，如此神異，朕得聞命矣；至如孕婦，再無有不妙之理。」命當駕官傳旨：「民間搜取孕婦見朕。」奉御官往朝歌城來。正是：天降大殃臨

孕婦，成湯社稷盡歸周。話說奉御官在朝歌滿城尋訪，有三名孕婦，一齊拿往午門來。只見他夫妻難捨，搶地呼天，哀聲痛慘，大呼曰：「我等百姓又不犯天子之法，不拖欠錢糧，為何拿我等有孕之婦？」子不捨母，母不捨子，悲悲泣泣，前遮後擁，扯進午門來。只見箕子在文書房共微子、微子啟、微子衍、上大夫孫榮正議「袁洪為將，退天下諸侯之兵，不知何如」，只聽得九龍橋鬧鬧嚷嚷，呼天叫地，哀聲不絕。眾人大驚，齊出文書房來，問其情由。見奉御官拉著兩三個婦女而來。箕子問曰：「這是何故？」民婦泣曰：「吾等俱是女流，又不犯天子之法，為何拿我女人做甚麼？老爺是天子之臣，當得為國為民，救我等蟻命！」言罷哭聲不絕。箕子忙問奉御官。奉御官答曰：「皇上夜來聽娘娘言語，將老少二民敲骨驗髓，分別淺深，知其老少生育，皇上大喜。娘娘又奏，尚有剖腹驗胎，知道陰陽。皇上聽信斯言，特命臣等取此孕婦看驗。」箕子聽罷，大罵：「昏君！方今兵臨城下，將至濠邊，社稷不久丘墟，還聽妖婦之言，造此無端罪業！左右且住！待吾面君諫止。」箕子怒氣不息，後隨著微子等俱往鹿臺來見駕。且說紂王在鹿臺專等孕婦來看驗，只見當駕官啟曰：「有箕子等候旨。」王曰：「宣。」箕子至臺上，俯伏大哭曰：「不意成湯相傳數十世之天下，一旦喪於今日，而尚不知警戒修省，造此無辜惡業，你將何面目見先王之靈也！」紂王怒曰：「周武叛逆，今已有元帥袁洪足可禦敵，斬將覆軍，不日奏凱。朕偶因觀雪，見朝涉者，有老少之分，行步之異，幸皇后分別甚明，朕得以決其疑，於理何害。今朕欲剖孕婦以驗陰陽。有甚大事，你敢當面侮君，而妄言先王也！」箕子泣諫曰：「臣聞人秉天下之靈氣以生，分別五官，為天地宣猷贊化，作民父母；未聞荼毒生靈，稱為民父母者也。且人死不能復生，誰不愛此血軀，而輕棄以死耶。今陛下不敬上天，不修德政，天怒民怨，人日思亂；陛下尚不自省，猶殺此無辜婦女，臣恐八百諸侯屯兵孟津，旦夕不保。一旦兵臨城下，又誰為陛下守此都城哉。只可惜商家宗裔為他人所擄，宗廟被他人所毀，宮殿為他人所居，百姓為他人之民，府庫為他人之有，陛下還不自悔，猶聽婦女之言，敲民骨，剔孕婦，臣恐周武人馬一到，不用攻城，朝歌之民自然獻之矣！軍民與陛下作仇，只恨周武不能早至，軍民欲簞食壺漿以迎之耳。雖陛下被擄，理之當然；只可憐二十八代神主，盡被天下諸侯所毀，陛下此心忍之乎？」紂王大怒曰：「老匹夫！焉敢覲面侮君，以亡國視朕，不敬孰大於此！」命武士：「拿去打死！」箕子大叫曰：「臣死不足惜，只可惜你昏君

敗國，遺譏萬世，縱孝子慈孫不能改也！」只見左右武士扶箕子方欲下臺，只見臺下有人大呼：「不可！」微子、微子啟、微子衍三人上臺，見紂王俯伏，嗚咽不能成語，泣而奏曰：「箕子忠良，有功社稷。今日之諫，雖則過激，皆是為國之言。陛下幸察之！陛下昔日剖比干之心，今又誅忠諫之口，社稷危在旦夕，而陛下不知悟，臣恐萬姓怨憤，禍不旋踵也。幸陛下憐赦箕子，褒忠諫之名，庶幾人心可挽，天意可回耳。」紂王見微子等齊來諫諍，不得已，乃曰：「聽皇伯、皇兄之諫，將箕子廢為庶民！」妲己在後殿出而奏曰：「陛下不可！箕子當面辱君，已無人臣禮；今若放之在外，必生怨望。倘與周武構謀，致生禍亂，那時表裏受敵，為患不小。」紂王曰：「將何處治？」妲己曰：「依臣妾愚見，且將箕子剃髮囚禁，為奴宮禁，以示國法，使民人不敢妄為，臣下亦不敢瀆奏矣。」紂王聞奏大喜，將箕子竟囚之為奴。微子見如此光景，料成湯終無挽救之日，隨即下臺，與微子啟、微子衍大哭曰：「我成湯繼統六百年來，今日一旦被嗣君所失，是天亡我商也，奈之何哉！」微子與微子啟兄弟二人商議曰：「我與你兄弟可將太廟中二十八代神主負往他州外郡，隱姓埋名，以存商代裡祀，不令同日絕滅可也。」微子啟含淚應曰：「敢不如命！」於是三人打點收拾，投他州自隱。——後孔聖稱他三人曰：「微子去之；箕子為之奴；比干諫而死。」謂「殷有三仁」是也。」後人有詩讚之：

驚囀商郊百草新，成湯宮殿已成塵。為奴豈是存商祀，去國應知接後禪。剖腹丹心成往事，割胎民婦又遭連。朝歌不日歸周主，可惜成湯化鬼燐！

話說微子三人收拾行囊，投他州去了。紂王將三婦人拿上鹿臺，妲己指一婦人：「腹中是男，面朝左脅。」一婦人：「也是男，面朝右脅。」命左右用刀剖開，毫厘不爽。又指一婦人：「腹中是女，面朝後背。」用刀剖開，果然不差。紂王大悅：「御妻妙術如神，雖龜筮莫敵！」自此肆無忌憚，橫行不道，慘惡異常，萬民切齒。當日有詩為證：

大雪紛紛宴鹿臺，獨夫何苦降飛災！三賢遠遁全宗廟，孕婦身亡實可哀。

話說當日剝剔孕婦，天昏地暗，日月無光。次日，有探事軍報上臺來：「有微子等三位殿下，封了府門，不知往何處去了。」紂王曰：「微子年邁，就在此，也是沒用之人；微子啟弟兄兩人，就留在朝歌，也做不得朕之事業；他去了，又省朕許多煩絮。即今元帥袁洪屢見大功，料周兵不能做得甚事。」遂日日荒淫宴樂，全不以國事為重。在朝文武不過具數而已，併無可否。

那日招賢榜下，來了二人，生得相貌甚是凶惡：一個面如藍靛，眼似金燈，巨口獠牙，身軀偉岸；一個面似瓜皮，口如血盆，牙如短劍，髮似硃砂，頂生雙角，甚是怪異，往中大夫府謁見。飛廉一見，甚是畏懼。行禮畢，飛廉問曰：「二位傑士是那裏人氏？高姓？何名？」二人欠身曰：「某二人乃大夫之子民，成湯之百

姓。聞姜尚欺妄，侵天子關隘，吾兄弟二人願投麾下，以報國恩，決不敢望爵祿之榮，願破周兵，以洗王恥。子民姓高，名明；弟乃高覺。」通罷姓名，飛廉領二人往朝內拜見紂王，進午門逕往鹿臺見駕。紂王問曰：「大夫有何奏章？」飛廉奏曰：「今有二賢高明、高覺，願求報效，不圖爵祿，敢破周兵。」紂王聞奏大悅，宣上臺來。二人倒身下拜，俯伏稱臣。王賜平身，二人立起。紂王一見相貌奇異，甚是駭然：「朕觀二士真乃英雄也！」隨在鹿臺上俱封為神武上將軍。二人謝恩。王曰：「大夫與朕陪宴。」二人下臺冠帶了，至顯慶殿待宴，至晚謝恩出朝。次日旨意下，命高明、高覺同欽差解湯羊、御酒往孟津來。不知凶吉如何，且聽下回分解。

第九十回 子牙捉神荼鬱壘 詩曰： 眼有明兮耳有聰，能於千里決雌雄。神機纔動情先泄，密計方行事已空。 軒

廟借靈憑鬼使，棋山毓秀仗桃叢。誰知名載封神榜，難免降魔杵下紅。 話說高明、高覺同欽差官往孟津來，行至轅門，傳：

「旨意下！」旗門官報入中軍，袁洪與眾將接旨，進中軍帳開讀，詔曰：

「嘗聞：將者乃三軍之司令，係社稷之安危。將得其人，國有攸賴；苟非其才，禍遂莫測，則國家又何望焉。茲爾元帥袁洪，才兼文武，學冠天人，屢建奇功，真國家之柱石，當代之人龍也！今特遣大夫陳友解湯羊、御酒、金帛、錦袍，用酬戍外之勞，慰朕當寧之望。爾當克勤克儉，撲滅巨逆，早安邊疆，以靖海宇；朕不惜茅土重爵，以待有功。爾其欽哉！特諭。」 袁

洪謝恩畢，款待天使；又令高明、高覺進見。高明、高覺上帳參謁袁洪，行禮畢，袁洪認得他是棋盤山桃精、柳鬼；高明、高覺也認得袁洪是梅山白猿。彼此大喜，各相溫慰，深喜是一氣同枝。正是：

不是武王洪福天，焉能「七聖」死梅山。 高

明、高覺在營中與眾將相見，各各致意。次日，袁洪修謝恩本，打發天使回朝歌。不表。當日，袁洪命高明、高覺二將往周營搦戰。二人慨然出營，至周營，大呼曰：「著姜尚來見我！」哨馬報入中軍，子牙問左右：「誰去走一遭？」傍有哪吒曰：「弟子願往。」子牙許之。哪吒領令出營，忽見二人步行而來，好凶惡！怎見得：

一箇面如藍靛腮如燈；一箇臉似青松口血盆。一箇獠牙凸暴如鋼劍；一箇海下鬚鬚似赤繩。一箇方天戟上懸豹尾；一箇加銅板斧似車輪。一箇棋盤山上稱柳鬼；一箇得手人間叫高明。正是：神荼鬱壘誠如此，要阻周兵鬧孟津。

話說哪吒大呼曰：「來者何人？」高明答曰：「吾乃高明、高覺是也；今奉袁洪將軍將令，特來擒拿反叛姜尚耳。你是何人，敢來見我？」哪吒大喝曰：

「好孽畜，敢出大言！」搖手中火尖鎗，直取二將。高明、高覺舉戟、斧劈面迎來。三將交兵，大戰在龍潭虎穴。哪吒早現出三頭八臂，祭起乾坤圈，正中高覺頂門上，打得箇一派金光，散漫於地。哪吒復祭九龍神火罩，把高明罩住，用手一拍，即現九條火龍，須

史燒罷。哪吒回營來見子牙，言圈打高覺，罩住高明一事，子牙大喜。不表。

且說高明等二人進營，來見袁洪曰：「姜尚所仗無他，俱倚的是三山五岳門人，故此所在，僥倖成功，不曾遇著我等奧妙之人，莫說是姜尚幾箇門人，何怕你有通天徹地手段，豈能脫得吾輩之手也！」眾人俱各歡喜。次日，高明、高覺又往周營搦戰。哨馬報入中軍：「啟元帥：高明、高覺請元帥答話。」子牙問哪吒曰：「你昨日回我滅了二將，今日又來，何也？」哪吒曰：

「想必高明二人有潛身小術，請師叔親臨，吾等便知真實。」子牙傳令，六百諸侯齊出，看子牙用兵。高明對弟高覺曰：「哪吒言吾等有潛身小術，俱出來一看吾等真實。」言未了，只聽砲響，見周營大隊排開，似盔山甲海，射目光華。子牙乘四不相，來至軍前，看見二將相貌兇惡，醜陋不堪，大喝曰：「高明、高覺，不順天時，敢勉強而阻逆王師，自討殺身之禍也！」高明大笑曰：「姜子牙！我知你是崑崙之客，你也不曾會我等這樣高人。今日成敗定在此舉也。」說罷，二將使戟、斧衝殺過來。這邊李靖、楊任二騎衝出，也不答話，四處兵器交加。正是四將賭鬥，怎見得，有詩為證，詩曰：

四將交鋒在孟津，人神仙鬼孰虛真。從來劫運皆天定，縱有奇謀盡墮塵。

話說楊戩在傍，見高明、高覺一派妖氣，不是正人，仔細觀看，以備不虞。只見楊戩取出五火扇來，照高明一搨，只聽得「呼」的一聲，化一道黑光而去。李靖也祭起黃金塔來，把高覺罩在裏面，一時也不見了。袁洪同眾將正在轅門看高明兄弟二人大戰周兵，見楊戩用五火扇子搨高明，又見李靖用塔罩高覺，忙命吳龍、常昊接戰。二將大叫曰：「周將不必回營，吾來也！」哪吒登風火輪來戰吳龍；楊戩使三尖刀敵住常昊；四將大戰。袁洪心下自思曰：「今日定要成功，不可錯過。」把白馬催開，使一條寶鐵棍來戰子牙。傍有雷震子、韋護二人截住袁洪相殺。怎見得，有讚為證，讚曰：

凜凜寒風起，森森殺氣生。白猿使鐵棒；雷震棍更雄。韋護降魔杵，來往勢猶兇。捨命安天下，拚生定太平。

話說雷震子展風雷翅，飛在空中，那條棍從頂上打來。韋護祭起降魔杵，此杵豈同小可，如須彌山一般打將下來。袁洪雖是得道白猿，也經不起這一杵，袁洪化白光而去，止將鞍馬打得如泥。楊戩祭哮天犬咬常昊；常昊乃是蛇精，狗也不能傷他。常昊知是仙犬，先借黑氣走了。哪吒祭起神火罩，罩住吳龍；吳龍也化青氣走了。總是一場虛話。

子牙鳴金回營。楊戩上帳曰：「今日會此一陣，俱為無用。當時弟子別師尊時，師父曾有一言吩咐弟子說：『若到孟津，謹防梅山七聖阻隘。』教弟子留心。今日觀之，奈寶不能成功，俱化青黑之氣而走。元帥宜當設計處治，方可成功。若是死戰，終是無用。」子牙曰：「吾自有道理。」當日至晚，子牙帳中鼓響，眾將官上帳聽令。子牙命李靖領東帖：「你在八卦陣正東上，按震方，畫有符

印，用桃椿，上用犬血，……如此而行。」又命雷震子領柬帖：

「你在正南上，按離方，亦有符印，也用桃椿，上用犬血，……如此而行。」命哪吒領柬帖：「在正西上，按兌方，也用桃椿，上用犬血，……如此而行。」又命楊任：「在正北上，按坎方，也用桃椿，上用犬血，……如此而行。楊戩，你可引戰，用五雷之法，望桃椿上打下來。韋護，你用瓶盛烏雞、黑狗血，女人尿尿和勻，裝在瓶內，見高明、高覺趕上我陣中，你可將瓶打下，此穢污濁物壓住他妖氣，自然不能逃走。此一陣可以擒二賢子也。」眾門人聽令而去。子牙先出營，布開八卦，暗合九宮，將桃椿釘下。正是：

設計要擒桃柳鬼，這場辛苦枉勞神。子牙安置停當。

且說高明聽著子牙傳令安八卦方位，用烏雞、黑狗血，釘桃椿拿他兄弟，二人大笑不止：「空費心機！看你怎樣捉我二人！」次日，子牙親臨轅門搦戰。袁洪命高明、高覺出營，大呼曰：「姜子牙，你自稱掃蕩成湯大元帥。據吾看，你不過一匹夫耳！你既是崑崙之士，理當遣將調兵，共決雌雄；為何釘桃椿，安符印，週圍布八卦，按九宮，用門人將烏雞、黑狗血穢污之物壓我二人。吾非鬼魅精邪，豈懼你左道之術也！」二人道罷，放步搖斧、舉戟，直取子牙。子牙左右有武吉、南宮适二馬齊出，急架忙迎。四將交兵，鎗刀並舉。高明逞精神，如同猛虎；南宮适使氣力，一似歡龍；高覺戟刺擺長旛；武吉鎗來生殺氣。四將酣戰。子牙催四不相，仗劍也來助戰；未及數合，便往陣中敗走。高明笑曰：「不要走！吾豈懼你安排，吾來也！」兄弟二人隨後趕入陣來。剛入得八卦方位，東有李靖，南有雷震子，西有哪吒，北有楊任，四面發起符印，處處雷鳴；韋護在空中將一瓶穢污之物往下打來，那些雞犬穢血，濺得滿地。高明、高覺化陣青光，早已不見了。眾門人親自觀見，莫知去向。子牙收兵回營，陞帳坐下，大怒曰：「豈知今日本營先有奸細私透營內之情，如此何日成功也！將吾機密之事盡被高明知道，此是何說！」楊戩在傍曰：「師叔在上：料左右將官自在西岐共起義兵，經過三十六路征伐，今進五關，經過數百場大戰，苦死多少忠良，今日至此，克成湯只在目下，豈有這樣之理。據弟子觀之，此二人非是正人，定有些妖氣，那光景大不相同。望師叔詳察。今弟子往一所在去來，自知虛實。」子牙曰：「你往那裏去？」楊戩曰：「機不可泄，泄則不能成功也。」子牙許之。楊戩當晚別子牙去訖。

且說高明、高覺來見袁洪，言子牙用八卦陣，將釘桃椿的事說了一遍。袁洪具表往朝歌報捷。高覺聽的周營子牙與楊戩共議，楊戩要往一所在去，又聽見楊戩不肯說，兄弟二人曰：「憑你怎樣尋吾根腳，料你也不能知道！」二人又大笑一回。不表。

且說楊戩離了周營，借土遁往玉泉山金霞洞來，正是：遁中道術真玄妙，咫尺清風萬里程。話說楊戩來至金霞洞，見洞門緊閉，楊戩洞外敲門。多時，一童子出來，

見是師兄，忙問曰：「師兄何來？」楊戩曰：「煩賢弟通報。」童子進洞內，見玉鼎真人，啟曰：「師兄楊戩在洞府外求見。」真人起身吩咐曰：「著他進來。」楊戩來至碧遊床前下拜。真人曰：「你今到此為何？」楊戩把孟津事說了一遍。真人曰：「此業障是棋盤山桃精、柳鬼。桃、柳根盤三十里，採天地之靈氣，受日月之精華，成氣有年。今棋盤山有軒轅廟，廟內有泥塑鬼使，名曰千里眼，順風耳；二怪托其靈氣，目能觀看千里，耳能詳聽千里；千里之外，不能視聽也。你可叫姜子牙著人往棋盤山去，將桃、柳根盤掘挖，用火焚盡；將軒轅廟二鬼泥身打碎，以絕其靈氣之根；再用一重霧常鎖營寨，……如此如此，則二鬼自然絕也。」楊戩受命，離了玉泉山，復往周營而來。軍政官報與子牙，子牙令入中軍，問楊戩曰：「此去如何？」楊戩搖頭不語，猶恐泄機。子牙曰：「你今日為何如此？」楊戩曰：「弟子今日不敢言，且隨弟子行之。」子牙並依楊戩，不去阻攔。楊戩執定令旗下帳，把後隊大紅旗二千杆令三軍磨旗；又令一千名軍士擂鼓鳴鑼，恍然有驚天動地之勢。子牙見楊戩加此，不如其故。楊戩方來對子牙曰：「高明、高覺二人乃是棋盤山桃精、柳鬼。他憑托軒轅廟二鬼之靈，名曰千里眼，順風耳。如今須用旗招展不住，使千里眼不能觀看；鑼鼓齊鳴，使順風耳不能聽察。請元帥命將往棋盤山，掘挖此根，用火焚之；再令將官去把軒轅廟裏二鬼打碎；然後用大霧一重，常鎖行營，此怪方能除也。」子牙聽說：「既然如此，吾自有治度。」子牙令李靖：「領三千人馬，速往棋盤山，去挖絕其根。」又令雷震子：「去打碎泥塑鬼使。」後人有詩歎之，詩曰：虎門深山淵門龍，高明高覺逞邪蹤。當時不遇仙師指，難滅軒轅二鬼風。話說子牙安排已定，只等二門人來回令。且說高明、高覺只聽得周營中鼓響鑼鳴不止，高覺曰：「長兄，你看看怎樣？」高明曰：「一派盡是紅旗招展，連眼都幌花了。兄弟，且可聽聽看。」高覺曰：「鑼鼓齊鳴，把耳朵都震聾了，如何聽得見一些兒？」二人急躁。不表。只見李靖人馬去掘桃、柳的根盤；雷震子去打泥塑的鬼使；子牙在帳內望二人回來，方好用計破之。次日，子牙在中軍，忽報：「雷震子回來。」子牙令至中軍，問其「打泥鬼如何？」雷震子曰：「奉令去打碎了二鬼，放火燒了廟宇，以絕其根，恐再為祟；待周王伐紂功成，再重修殿宇未遲。」子牙大悅，隨在帳前令哪吒、武吉在營布起一壇，設下五行方位，當中放一鑪，四面八方俱鎮壓符印，安治停當。只見李靖掘桃、柳鬼根盤已畢，來至中軍回話。子牙大喜。正是：李靖掘根方至此，袁洪舉意劫周營。話說子牙在中軍共議：「東伯侯還不見來？」忽報：「三運督糧官鄭倫來至。」子牙令至帳前，鄭倫回令畢，交納糧印。鄭倫聽得土行孫已死，著實傷悼。不表。且說袁洪在營中自思：今與周兵屢戰，未見輸贏，枉費精神，虛費

日月。」令左右暗傳與常昊、吳龍：「令高明、高覺衝頭陣，今夜劫姜尚的營。」又令：「參軍殷破敗、雷開為左右救應，殷成秀、魯仁傑為斷後；務要一夜成功。」眾將聽令，只等黃昏行事。話說子牙在中軍，忽見一陣風從地而起，捲至帳前。子牙見風色怪異，掐指一算，早知其意。子牙大喜，傳令：「中軍帳釘下桃樁，鎮壓符印，下布地網，上蓋天羅，黑霧迷漫中軍。令各營俱不可輕動。李靖拒住東方；楊任拒住西方；哪吒拒住南方；雷震子拒住北方；楊戩、韋護在將臺左右保護。」子牙令南宮适、武吉、鄭倫、龍鬚虎等：「各防守武王營寨。」眾將得令而去。子牙沐浴上臺，等候袁洪來劫營寨。詩曰：

子牙妙算世無雙，動地驚天勢莫當。
二鬼有心施密計，三妖無計展疆場。
遭殃楊任歸神去，逃死袁洪免喪亡。莫說孟津多惡戰，連逢劫殺損忠良。

話說袁洪當晚打點人馬劫營，大破子牙，以成全功。纔至二更時分，高明、高覺為頭一隊，袁洪為二隊。魯仁傑對殷成秀曰：「賢弟，據我愚見，今夜劫營，不但不能取勝，定有敗亡之禍。況姜子牙善於用兵，知玄機變化，且門下又多道德之士，此行豈無準備。我和你且在後隊，見機而作。」殷成秀曰：「兄長之言甚善。」

不說他二人各自準備，且說高明、高覺來至周營，點起大砲，響一聲喊殺進營來。袁洪同常昊、吳龍從後接應。子牙在將臺上披髮仗劍，踏罡布斗，霎時四下裏風雲齊起，這正是子牙借崑崙之妙術，取神荼、鬱壘。不知凶吉如何，且聽下回分解。第九十一

回 蟠龍嶺燒鄒文化 詩曰：

力大排山氣吐虹，手拖扒木快如風。
行舟陸地誰堪及，破敵營門孰敢同。
擒虎英名成往事，食牛全氣化崆峒。
總來天意歸周主，空作蟠龍嶺下紅。

話說子牙在將臺上作法，只見風雲四起，黑霧彌漫，上有天羅，下有地網，昏天慘地，罩住了周營。霹靂交加，電光馳驟，火光灼灼，冷氣森森，雷響不止，喊聲大振。各營內鼓角齊鳴，若天崩地塌之狀。怎見得，有詩為證，詩曰：

風霧濛濛電火燒，雷聲響亮鎮邪妖。
桃精柳鬼難逃躲，早把封神名姓標。

話說高明、高覺闖進周營，殺進中軍，只見鼓聲大振，三軍吶喊。一聲砲響，東有李靖，西有楊任，南有哪吒，北有雷震子，左有楊戩，右有韋護，一齊衝將出來，把高明等圍住。臺上有子牙作法。臺下四箇門人，齊把桃樁震動。上有天羅，下有地網，上下交合。子牙祭起打神鞭打將下來，高明、高覺難逃此難，只打得腦漿迸流。——靈已往封神臺去了。

且說袁洪同常昊、吳龍在後面催軍，殺進周營，被哪吒等接住大戰。此時晝夜交兵，兩軍混戰。韋護祭起降魔杵來打吳龍；吳龍早化青光去了。哪吒也祭起九龍神火罩來罩常昊；常昊化一道青氣不見了。袁洪乃是白猿得道，變化多端，把元神從頭上現出。楊任正欲取五火扇搗袁洪，不意袁洪頂上白光中元神手舉一棍打來，楊任及至躲時，已是不及，早被袁洪

一棍打中頂門，可憐！自穿雲關歸周，纔至孟津，未受封爵而死。

後人有詩歎之，詩曰：自離成湯歸紫陽，穿雲關下破

子牙，備言：「此是梅山七怪，明日俟弟子擒他。」話說袁洪在營

日，整頓軍馬，砲聲大振，來至軍前。子牙亦帶領眾諸侯出營。兩

了！」常昊縱馬挺鎗，飛來直取子牙。傍有楊戩催馬舞刀，抵住廝

殺。二馬往來，刀鎗併舉，只殺得凜凜寒風，騰騰殺氣。怎見得，

有詩為證，詩曰：殺氣騰騰鎖孟津，梅山妖魅亂紅塵。

須臾難遁終南鑑，取次摧殘作鬼燐。話說兩人大戰，未及十

五合，常昊撥馬便走。楊戩隨後趕來，取出照妖鑑來照，原來是條

大白蛇。楊戩已知此怪，看他怎樣騰挪。只見常昊在馬上忽現原

Updated editions will replace the previous one—the old editions will be
renamed.

Creating the works from public domain print editions means that no one
owns a United States copyright in these works, so the Foundation (and
you!) can copy and distribute it in the United States without permission
and without paying copyright royalties. Special rules, set forth in the
General Terms of Use part of this license, apply to copying and
distributing Project Gutenberg-tm electronic works to protect the
PROJECT GUTENBERG-tm concept and trademark. Project Gutenberg is
a registered trademark, and may not be used if you charge for the
eBooks, unless you receive specific permission. If you do not charge
anything for copies of this eBook, complying with the rules is very easy.
You may use this eBook for nearly any purpose such as creation of
derivative works, reports, performances and research. They may be
modified and printed and given away—you may do practically
ANYTHING with public domain eBooks. Redistribution is subject to the
trademark license, especially commercial redistribution.

*** **START: FULL LICENSE** ***

**THE FULL PROJECT GUTENBERG LICENSE PLEASE READ THIS BEFORE YOU
DISTRIBUTE OR USE THIS WORK**

To protect the Project Gutenberg-tm mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase "Project Gutenberg"), you agree to comply with all the terms of the Full Project Gutenberg-tm License (available with this file or online at <http://gutenberg.org/license>).

Section 1. General Terms of Use and Redistributing Project Gutenberg-tm electronic works

1.A. By reading or using any part of this Project Gutenberg-tm electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg-tm electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg-tm electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. "Project Gutenberg" is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg-tm electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg-tm electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg-tm electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation ("the Foundation" or PGLAF), owns a compilation copyright in the collection of Project Gutenberg-tm electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is in the public domain in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project

Gutenberg-tm mission of promoting free access to electronic works by freely sharing Project Gutenberg-tm works in compliance with the terms of this agreement for keeping the Project Gutenberg-tm name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg-tm License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg-tm work. The Foundation makes no representations concerning the copyright status of any work in any country outside the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg-tm License must appear prominently whenever any copy of a Project Gutenberg-tm work (any work on which the phrase "Project Gutenberg" appears, or with which the phrase "Project Gutenberg" is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg License included with this eBook or online at www.gutenberg.org

1.E.2. If an individual Project Gutenberg-tm electronic work is derived from the public domain (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase "Project Gutenberg" associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg-tm trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg-tm electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg-tm License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg-tm License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg-tm.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg-tm License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg-tm work in a format other than "Plain Vanilla ASCII" or other format used in the official version posted on the official Project Gutenberg-tm web site (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original "Plain Vanilla ASCII" or other form. Any alternate format must include the full Project Gutenberg-tm License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg-tm works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg-tm electronic works provided that

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg-tm works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg-tm trademark, but he has agreed to

donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, "Information about donations to the Project Gutenberg Literary Archive Foundation."

- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg-tm License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg-tm works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.
- You comply with all other terms of this agreement for free distribution of Project Gutenberg-tm works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg-tm electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from both the Project Gutenberg Literary Archive Foundation and Michael Hart, the owner of the Project Gutenberg-tm trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread public domain works in creating the Project Gutenberg-tm collection. Despite these efforts, Project Gutenberg-tm electronic works, and the medium on which they may be stored, may contain "Defects," such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or

computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the "Right of Replacement or Refund" described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg-tm trademark, and any other party distributing a Project Gutenberg-tm electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH F3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS' WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by

the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg-tm electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg-tm electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg-tm work, (b) alteration, modification, or additions or deletions to any Project Gutenberg-tm work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg-tm

Project Gutenberg-tm is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need, is critical to reaching Project Gutenberg-tm's goals and ensuring that the Project Gutenberg-tm collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg-tm and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation web page at <http://www.pgla.org>.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is

64-6221541. Its 501(c)(3) letter is posted at <http://pglaf.org/fundraising>. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's principal office is located at 4557 Melan Dr. S. Fairbanks, AK, 99712., but its volunteers and employees are scattered throughout numerous locations. Its business office is located at 809 North 1500 West, Salt Lake City, UT 84116, (801) 596-1887, email business@pglaf.org. Email contact links and up to date contact information can be found at the Foundation's web site and official page at <http://pglaf.org>

For additional contact information:

Dr. Gregory B. Newby
Chief Executive and Director

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg-tm depends upon and cannot survive without wide spread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit <http://pglaf.org>

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition

against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg Web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: <http://pglaf.org/donate>

Section 5. General Information About Project Gutenberg-tm electronic works.

Professor Michael S. Hart is the originator of the Project Gutenberg-tm concept of a library of electronic works that could be freely shared with anyone. For thirty years, he produced and distributed Project Gutenberg-tm eBooks with only a loose network of volunteer support.

Project Gutenberg-tm eBooks are often created from several printed editions, all of which are confirmed as Public Domain in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our Web site which has the main PG search facility:

<http://www.gutenberg.org>

This Web site includes information about Project Gutenberg-tm, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.

8 Shangqing Scriptures as Performative Texts

Robert Ford Campany

Abstract

Using the *Upper Scripture of Purple Texts Inscribed by the Spirits* (*Huangtian shangqing jingque dijun lingshu ziwen* 皇天上清金闕帝君靈書紫文上經) as an example, Campany presents a rhetorical analysis of Shangqing Daoist scriptures. This analysis suggests a new way to see these texts as vehicles or scripts for the performance of an alternative identity as a divinely rejuvenated being or cosmic recluse in the here and now, rather than as promises for future salvation. The chapter fleshes out what that means and what difference it might make in our reading and understanding of these scriptures.

Keywords: Shangqing, Daoist religion, performance, religious role-playing, actualization

Introduction

Between 364 and 370 CE, deities known as Perfected Ones 真人 were said to have appeared in visions to the medium Yang Xi 楊羲 and others in what is now southeastern China to give instruction on a wide range of topics.¹ Deigning to descend from a hitherto unknown zone of the heavens called Supreme Purity or Shangqing 上清, they dictated to the recipient, who wrote down their words, or else they arrived bearing written scrolls, some of which they allowed to be copied. The resulting texts were shared with

¹ Works in the Ming Daoist canon are cited by title and folio page as they appear in the 1926 reprint of *Zhengtong daoze* 正統道藏 as photo-reduced in the 60-volume edition by Xinwenfeng (Taipei, 1977) and by the number (preceded by DZ) assigned them in TC. When quoting Western-language sources, I have silently converted romanizations into Pinyin.

patrons, notably members of the southeastern clan Xu 許. Within a few generations the texts circulated more widely, sometimes imitated and forged by aristocrats seeking the religious and social cachet that simply owning the scriptures could convey. This scriptural profusion prompted the Daoist master Tao Hongjing 陶弘景 around 499 (and another figure named Gu Huan 顧歡 a bit earlier²) to cull what he considered the apocryphal from the thirty-odd authentic scriptures that had survived and to compile other documents, including diary-like records of the Perfected Ones' appearances in visions and dreams. The larger of these compilations that survives was titled *Zhen'gao* 真誥 or *Declarations of the Perfected*. All this is of course well known to scholars of Daoist religion, but few of these writings have been carefully studied or translated in non-Asian-language publications. Yet they constitute one of the most fascinating textual dossiers of world religious history.

Here I want to pose the following question: What were Shangqing scriptures for? These texts prescribe a great many practices. The prescriptions certainly do not skimp on detail. Some scholars, notably Isabelle Robinet, have taken these passages at face value, summarizing or translating them and leaving it at that. But can we assume that readers put these instructions into practice, and did so expecting to attain literally the promised results? In short, what was the relationship between the texts' many detailed prescriptions and actual practice? Were these passages intended as literal instruction, or did they serve some less obvious rhetorical function? Did readers actually follow the instructions? If they did, what can such practices have been like—assuming, as I do, that practitioners did not end up physically flying into outer space? These are difficult questions. And although, thanks to Tao Hongjing, we have diary-like records on all sorts of topics, we do not, to my knowledge, have non-scriptural texts that would provide easy answers.

Michel Strickmann offered a way around these interpretive challenges by suggesting that simply *possessing* scriptures was the decisive thing:

Though the motives of a reverent and inspired poet may be clear, as may those of an able and ambitious man of letters, what of their clientèle? The Xu family's destiny was of course intimately bound up with the Heaven of Shangqing. ... Yet in the case of the prospective adept whose

2 On Gu Huan and his *Zhenji* 真迹 or *Traces of the Perfected*, a now-lost partial model for Tao's work, see Strickmann, *Le taoïsme du Mao Chan*, 12, 64; Strickmann, "On the Alchemy of T'ao Hung-ching," 140–41; Strickmann, "Mao Shan Revelations," 31–32, 54–55; and Robinet, *La révélation du Shangqing*, 1:111–12, 211, and 2:314–15, 320.

fortunes were not so explicitly writ large in the book of Life, what was so compelling in these scriptures as to make him disburse the considerable sums demanded for their transmission? The ... great marketability of such texts might in itself suggest that *it was not their contents alone that were essential to the adept's salvation. Though all these works profess to expound procedures of acknowledged utility in the achievement of this goal*, it should already have become clear that *the very fact of acquisition and the further blessing of possession were in themselves factors at least as decisive in the destiny of the recipient as was objective mastery of the technical practices which the scriptures contained*. All these texts ... assured their fortunate reader that certain qualities were prerequisite if he was even so much as to behold them—qualities which were in large part determined by ancestral stocks of merit and which must, by deduction, have already been present in himself. ... Ownership of such a scripture guaranteed ... the acquisition of an honorable posthumous position ... *even should the possessor never practice the operations set forth in the text*.³

Now scholars had long assumed that doctrines are always the main point in religion and that scriptures are mere doctrine-delivery vehicles. In correctively highlighting the many other uses of canonical texts besides doctrine delivery, Strickmann here anticipated more recent scholarship.⁴ But Strickmann's bracketing of most of what the texts talk about may itself be challenged on two points. First, why prescribe so many practices in such ornate detail, supplying biographies of the gods who revealed them, if the texts' sole purpose was to assure their possessors of salvation? Wouldn't simpler works, or even talismans, have sufficed for that purpose? And second, if actually practicing the methods had been seen as irrelevant, then what, in their many songs, were Perfected consorts repeatedly calling their human recipients to do? And why did they so often express frustration at their slowness to do it?⁵

3 Strickmann, "The Mao Shan Revelations," 27–28, emphasis added.

4 See, for example, Copp, *The Body Incantatory*; Jan Yün-hua, "The Power of Recitation"; Campamy, "Notes on the Devotional Uses"; and Lowe, *Ritualized Writing*. In the Shangqing case, such uses include treating scripture copies, once acquired, in ritually specified ways; venerating them; chanting their words; undertaking rituals of purification when preparing to open and read a copy; and receiving copies of the esoteric texts in rituals designed for that purpose. Such rites of transmission, and the restrictions hedging them about, were particularly important in an esoteric tradition such as that of Shangqing, as discussed in Campamy, *Making Transcendents*, 88–129.

5 A significant portion of the Shangqing revelations, in both prose and verse, consists of poetic scoldings administered by the Perfected to their intended audience for not being diligent

I want to suggest a different answer to the question of what these scriptures were for. My answer neither takes at face value the texts' prescriptions and promised results, on the one hand, nor brackets them as irrelevant, on the other. For this purpose I will discuss one representative Shangqing scripture as an example: the *Upper Scripture of Purple Texts Inscribed by the Spirits* (*Lingshu ziwen*),⁶ which has been translated by Stephen Bokenkamp.⁷ I will deal only with its first portion, preserved in the Daoist canon as a discrete text (DZ 639), and only partially. Even this small sampling offers sufficient evidence for the general claims I wish to make.

II. Synopsis of *Upper Scripture of Purple Texts Inscribed by the Spirits*

1. Opening [1a–4a]: The text begins, as do many Daoist (and Buddhist) scriptures, by narrating its own celestial origins: the divine Grand Lord Azure Lad of the Eastern Seas 東海青童大君⁸ conducts a purification retreat, then calls upon a god of even higher rank, the Sage Lord of the Latter Age 後聖君, one of four Thearch-Lords 帝君 (a rank superior to that of Perfected Person 真人), to request this very scripture. We here learn that the scripture is the same one that the Sage of the Latter Heavens, Lord Li 後聖李君, received and practiced as a young man; that its methods were initially orally transmitted by two Celestial Thearchs 天帝 from the heavens of Jade Purity 玉清;⁹ that its practices derive from an earlier cosmic era; and that its contents were carefully redacted by gods into a single text incised on jade slats. This fair copy does not leave the Sage Lord's library. Rather,

or urgent enough in their practice. See Bokenkamp, "Declarations of the Perfected," and Kroll, "Seduction Songs of One of the Perfected."

6 For background on this text and its circumstances, see Strickmann, "The Mao Shan Revelations"; Strickmann, *Le taoïsme du Mao chan*, 60–61; Robinet, *La révélation du Shangqing*, esp. 2:101–10 (providing detailed analysis and comparisons with other texts); Bokenkamp, *Early Daoist Scriptures*, 275–306; Robinet, *Taoism*, 114–48; Robinet, *Méditation taoïste*; Miller, *Way of Highest Clarity*; Zhang Chaoran, "Liuchao daojiao Shangqing pai cunsifa yanjiu"; Zhang Chaoran, "Xipu, daofa ji qi zhenghe"; Xiao Dengfu, *Liuchao daojiao Shangqing pai yanjiu*; and Zhong Guofa, *Maoshan daojiao Shangqing zong*.

7 Bokenkamp, *Early Daoist Scriptures*, 307–31. Below I rely heavily on, and often quote, Bokenkamp's excellent translation, but at points I have silently made small emendations, most of which are not flagged in footnotes.

8 On him, see Kroll, "In the Halls of the Azure Lad."

9 A level of the heavens above that of Supreme Purity or Shangqing. I depart from Bokenkamp in rendering 清 (at least in this sort of context) as "purity" rather than "clarity" and in translating 上清 as Supreme Purity rather than Higher Clarity.

it is transcribed multiple times by the Tortoise Mother (better known as the Queen Mother of the West 西王母) and the copies handed off to other deities, who store them in other celestial bookcases. It is these copies that are the source of the version transmitted orally from the Sage Lord to the Azure Lad and thence to humanity via Yang Xi. The scripture's opening also instructs readers how to treat it. It is guarded by jade maidens and lads, who scrutinize persons who come into possession of it and report their transgressions to the powers above, triggering penalties. One must treat the text reverently or it will disappear. Before opening it, one must rise, bow, wash one's hands, and burn incense. One must not divulge its contents to "those to whom the text is not to be transmitted" 非傳授者.

2. Method for collecting and ingesting the flying root and swallowing solar *qi* 採飲飛根吞日氣之法 [4a–6b]:

A. Face the rising sun and knock your teeth together nine times. Softly pronounce the secret names of the solar cloudsouls 日魂 and five thearchs 五帝, close your eyes, and seal your fists. "Actualize¹⁰ the flowing auroras in five colors" 存見五色流霞 from within the sun approaching to receive your body down to your feet. Then actualize these five *qi* rising to the top of your head. With this, the five-colored flowing auroras of sunlight enter into your mouth. Moreover, within the sunlight auroras there will also be a purple *qi*, as large as the pupil of your eye, but wrapped in several tens of layers and flashing brilliantly within the five-colored rays of sun. This is called the flying root of solar efflorescence, the jade placenta, mother of water 名之曰飛根水母.¹¹ Together with the five *qi* it enters your mouth." Facing the sun, swallow these auroras, gulping *qi* forty-nine times. Then swallow saliva nine times, clack your teeth nine times, and softly pronounce¹² an invocation:

赤廬丹氣	Cinnabar <i>qi</i> of the vermilion furnace,
圓天育精	Nurturing germs of the orbbed heavens:
剛以受柔 ...	The brittle accepts the pliant. ...
日辰元景	The primal phosphors of the solar chronogram
號曰大明	Are called the Grandly Luminous.

10 Throughout, Bokenkamp renders this key verb, *cun* 存 (and sometimes, as here, the compound *cunjian* 存見), as "visualize." I choose to emphasize the multisensoriness of this imaginative scene-creation, on which more will be said below.

11 On this "jade placenta"—which does not appear in *Lingshu ziwen* as evidenced in DZ 639 but which does appear in citations of this passage and in parallel passages elsewhere—see Bokenkamp, *Early Daoist Scriptures*, 305n23.

12 Throughout, these *sotto voce* incantations are termed *yinzhou* 陰呪 or *weizhou* 微呪.

九陽齊化	Their ninefold yang coordinates transformation,
二煙俱生	As the two smoky vapors issue forth
凝魂和魄	To congeal my cloudsouls and harmonize my whitesouls.
五氣之精	From within the germs of the five <i>qi</i>
中生五帝	The Five Thearchs emerge,
乘光御形	Riding on beams, controlling my bodily form.
採飛以虛	I grasp the flying [root] by means of emptiness,
輟根得盈 ...	Pluck the root to achieve fullness. ...
賜書玉簡	I am presented a writ on jade slats.
金閣刻名	The Golden Porte inscribes my name.
飲食朝華	Consuming the flowers of dawn,
與真合靈	I join in spirit with the Perfected,
飛仙太微	Fly in transcendence to Grand Tenuity,
上昇紫庭	Rise above to the Purple Court.

Face the sun and bow repeatedly.

B. Characterizations of this method: It is secret and rare. Only very few perfected ones or transcendents know the secret names of the solar cloudsouls; this method is unheard of by the masses. As for its effects, grain-renouncing, forest-dwelling Daoists living in purity apart from concerns for human affairs 若道士休糧山林長齋五嶽絕塵人間遠思清真者 on beginning to do this practice daily “will immediately notice their bodies exuding jade fluids and their faces emitting glowing light” 立覺體生玉澤面有流光也. Those “still involved in external human affairs” 其外累人事 will realize comparable results only after eighteen years.

C. Another component of the method, involving writing a talisman 符 in red on blue paper at midnight, saying an incantation announcing the arrival of the solar cloudsouls, then swallowing the talisman.

3. Method for collecting and swallowing the *yin* flower and swallowing lunar essence 採飲陰華吞月精之法 [6b–8b]: This section closely parallels the previous one. I here provide only part of the incantation the practitioner is to say as he completes the actualizations:

黃清玄暉	Mystic gleam, yellow and clear,
元陰上氣	Highest <i>qi</i> of primal yin,
散蔚寒歛	Scatter in profusion your chill whirlwinds,
條靈歛胃 ...	Ordering spirits to gather in my stomach. ...
赤子飛入	The fetus flies in.
嬰兒續至	The newborn babe gradually emerges.

迴陰三合	The circling yin joins thrice,
光玄萬方	Its beams mystically darkening in all directions.
和魂制魄 ...	I pacify my cloudsouls, control my whitesouls. ...
賜書玉札	I am presented with writings and jade slips.
刻名雲房	My name is inscribed in the cloudy chambers.
飲食月華	I now feed on the lunar efflorescences,
與真合同	Thereby joining with the Perfected.
飛仙紫微	I fly as a transcendent to Purple Tenuity,
上朝太皇	Paying court there to the Grand Luminaries.

In the ensuing remarks we again find two tiers of practitioners: “Those who daily practice this method will immediately notice their bodies exuding gleaming beams of light and their eyesight filled with flying essences” 立覺體生光照目有飛精也, while those who choose to remain in office and do this practice occasionally will see their cloudsouls and whitesouls refined only after eighteen years.

4. Method for securing the three cloudsouls 拘三魂之法 [8b–9b]: On the third, thirteenth, and twenty-third nights of each month one’s cloudsouls tend to roam, spelling trouble for the practitioner. To secure them, lie facing upward. Close your eyes and block your breath for the space of three normal breaths, clacking your teeth three times. “Actualize vermilion *qi* the size of a chicken’s egg coming from your heart and rising to emerge from between your eyes. After it emerges ... this vermilion *qi* will flow all over the body to the top of your head. It becomes fire. Once the body is fully encircled, cause the fire to penetrate your body as if it were igniting charcoal. You should feel slightly hot internally. Again clack your teeth three times and, actualizing them, call the three cloudsouls by name, telling them to stay put.” Softly incant:

太微玄官	Mysterious officers of Grand Tenuity
中黃始青	Central Yellow and Inaugural Green
內鍊三魂	[Now] refine within my three cloudsouls
胎光安寧	So that Embryo Light is at rest,
神寶玉室	A spirit treasure in the jade chamber.
與我俱生	They all dwell within me
不得妄動	And are not permitted to move around blindly.
鑒者太靈	Overseeing them, the Grand Spirit.
若欲飛行	Should they wish to fly about
唯得詣太極上清	They are allowed only to visit Grand Bourne or Supreme Purity.

若欲饑渴	Should they become hungry or thirsty
徊水玉精	They are allowed only Jade Essence of Swirling Solution.

5. Method for controlling the seven whitesouls 制七魄之法 [9b–11a]: This section closely parallels the previous one. I here quote only the incantation:

素氣九回	With elemental <i>qi</i> nine times wound
制魄邪凶	I control the perverse ferocity of the whitesouls.
天獸守門	Celestial beasts guard the gates,
嬌女執關	Enchanting maidens hold the passes.
鍊魄和柔	They refine the whitesouls to passive compliance,
與我相安	Granting me peace and calm.
不得妄動	You [whitesouls] are not to engage in reckless movement!
看察形源	They keep watch over the source of your shapes.
若汝饑渴	If you hunger or thirst,
聽飲月黃日丹	You are permitted to ingest [only] Lunar Yellow and Solar Cinnabar.

6. Bodily locations and secret names of the Three Primes 三元 and their palaces, as well as of the Peach Child; method for actualizing them [11a–12b]: These are here introduced because the Three Primes are to be invoked first when securing the cloudsouls and whitesouls by the methods above. The names of the upper, central, and lower primes are provided, along with the locations of their respective inner palaces (in the forehead or Muddy Pellet 泥丸, the heart or Scarlet Chamber 絳房, and a site three inches below the navel, the Lower Prime Cinnabar Field 下元丹田). Furthermore, the text specifies that the Gate of Destiny 命門 is the navel and the Mystic Pass 玄關 is the passageway which joined the placenta to the adept's viscera when he was first born. Within this passageway is the Palace of Life 生宮, and residing in it is “the Grand Sovereign named Peach Child” 大君名 桃康, of whom a description is given. The three cloudsouls stand at his side in attendance. He holds a talisman bearing an image of the Taiwei Celestial Thearch 太微天帝君 “with which he mixes and pours primal *qi* to replenish the fetus and restore the placenta” 以合注元氣補胎反胞. The method: when lying down at night, stop breathing for a space of twenty-four breaths while silently incanting the names of the Grand Sovereign. Swallow saliva fifty times, clack the teeth thrice, and softly incant:

胎靈大神	The great spirit of fetal numinousness,
皇綱天君	Celestial Lord of the Resplendent Mainstay,
手執胞符	Holds in his hands the placental talisman,
首冠紫冠	His head capped in purple.
黃迴赤轉	He cycles the yellow and the red
上精命門	As he elevates essence through the Gate of Destiny,
化神反生	Transforming my spirits and giving me life. ¹³
六合相因	The Bureau of the Six Courses relies on him.
形骸光澤	My skeletal frame gleams and glistens,
玉女棲身	And Jade Maidens lodge in my body.

If you do this for eighteen years, you will ascend to heaven in broad daylight by virtue of the actions of the Peach Child within you. A talisman-based method is then given: one writes the talisman (its design provided) in vermilion on green paper, swallowing it at midnight on the nights of the new and full moon. The talisman, bearing the image of the Taiwei Celestial Thearch, is thereby presented to the Peach Child, prompting him to “mix the primal *qi* from on high, arrange the placenta, and transport essence” 合元上氣理胞運精.” The swallowing is preceded by an incantation:

天帝玄書	This mystic writing of the Celestial Thearch,
皇象靈符	Numinous talisman bearing his image,
以合元氣	[Directs you] to mix the primal <i>qi</i> ,
運精反胞	Transport essence, and restore the placenta.
萬年嬰孩	The ten-thousand-year newborn
飛仙天樞	Flies as a transcendent to the Heavenly Pivot.
生宮大君	You, Great Lord of the Palace of Life,
披丹建朱	Robed in cinnabar and draped in vermilion,
首戴紫蓉	Wearing on your head the purple lotus [cap],
與我同謀	Are to work together with me to this end.

7. A closing section specifies dietary restrictions (no eating of full-blooded creatures, no cooking of domestic animals or fur-bearing animals, no eating

13 As Bokenkamp notes (*Early Daoist Scriptures*, 328n), “The cycling of the yellow and red refers to the practice of ‘merging *qi*’ to perfect the essences, the sexual rite of the Celestial Masters. Here the whole procedure is accomplished immaculately within the body.” In other words, a result accomplished in what counted as “normal,” mainstream Daoism at the time via controversial, sex-associated ritual is here achieved within the adept’s divinized body. On the controversial “merging of *qi*” (*heqi* 合氣) ritual, see Raz, “The Way of the Yellow and the Red”; Kleeman, “The Performance and Significance of the Merging the Pneumas (*Heqi*) Rite”; and Kleeman, *Celestial Masters*, 158–74.

of onions or other strong-smelling herbs), the rationale for which is that these prohibited practices and ingredients “attack and disturb the fetal *qi* and injure the newborn spirits with their stench.”¹⁴ It also criticizes the ritualized sexual methods of both the Celestial Masters and practitioners of bedchamber arts: adepts with access to the methods outlined here have no need of those dangerous practices with a female partner.

III. Text, Practices, Reader-Practitioner, and World: A Rhetorical Sketch

To lay the groundwork for my main argument (next section), I here provide a rudimentary rhetorical analysis of how the text works. We can understand its rhetorical self-positioning by considering the interrelationships among four elements:

Text and practices. Any religious text issuing prescriptions needs ways of investing them with authority in readers' eyes. Here, the instructions are textually framed in several ways, each of which lends them weight. The text's opening story of its own origin endows it, and its contents, with an impressive divine pedigree. The deities mentioned would have been recognizable to early readers. Additionally, the text promises striking results to those who come into possession of it and practice its methods. In short, the prescribed practices are claimed potent because of their promised results for the reader-practitioner and because of their divine pedigree. The text has a sacred history, and it argues that its recommendations carry the weight of that history. It is not a neutral container of instructions, much less of doctrines.

14 These dietary and anti-sacrificial strictures, common to other Daoisms at the time, served in part to differentiate practitioners from those of the popular religion surrounding them. See Campany, *Making Transcendents*, 39–87.

Text and reader-practitioner. That the reader had licitly accessed the text promises—*performs*—his future divine status, as Strickmann saw. The text pulls the reader into a mutually beneficial relationship: beneficial to the scripture in that it helped ensure its transmission in a world where manuscripts were easily lost or corrupted, and to the reader as a vehicle for becoming divine. The scripture instructs on how to ritually treat it—actions that perform its “special” status vis-à-vis other texts.¹⁵ The esoteric paradigm—that is, the text’s injunction to keep its contents secret and transmit it only to a small number of authorized individuals—again binds text to reader, fencing them off together against the outside socio-textual environment.¹⁶ The texts’ authorizations of itself and of its reader are two sides of the same coin. The more the text invests its reader-possessor with authority, the more it also undergirds its own. The more power it is perceived to have, the more power accrues to those who possess it. The scripture thus effects a mutually authorizing compact with its reader-possessor-practitioners. Neither the practices, nor the text, nor the practitioners stand alone: each is constituted as what it is by its relation to the others.

The text and its surrounding environments. The text’s provision of its divine pedigree, and its repeated injunctions to secrecy, argue that it should be deemed superior to non-Shangqing texts and practices. Its self-proclaimed secrecy creates distance between itself and non-esoteric texts, just as its methods create distance between the reader-possessor and other people. On the other hand, the scripture’s divine lineage connects it to a whole hierarchy of divine beings and other texts. The reader-possessor is linked through the scripture to that hierarchy as well. And although the text portrays itself as a pristine emanation from the higher heavens, its disparagements of its closest religious others—including run-of-the-mill sexual practices aimed at longevity, the quest for transcendence, and the Celestial Master “merging *qi*”—betray its makers’ keen awareness of contemporary repertoires of practice.

IV. Performing an Alternative Identity in Real Time

I come now to my main argument. We notice an intriguing tension in this and similar texts when it comes to what the reader-practitioner may expect.

15 On “specialness” as a marker of religious/sacred status, see Taves, *Religious Experience Reconsidered*. These ritual actions, rather than acknowledging the text’s already-instinct sacrality, help create it.

16 On this esoteric paradigm, see Campany, *Making Transcendents*, 88–129.

On the one hand, promises of the *eventual* attainment of Perfected status are sprinkled throughout. On the other hand, the most characteristic modes of practice seem, upon scrutiny, to involve realizing the projected goal *in the present*.

Scholars have focused on these texts' promises of eventual Perfected status. Such promises appear often, as we have seen. The time spans are often long—in the *Purple Texts*, eighteen years for those lingering in officialdom. And the arduousness of self-cultivation did not stop at death but extended into the afterlife portrayed in other Shangqing texts.¹⁷ But what if we were to reimagine Shangqing as, in part, a repertoire of “sudden” practices, akin less to the many-lifetimes-long bodhisattva path or the gradual Celestial Master ascent through gradations of rank than to the famous line delivered by Huineng 惠能 in the *Platform Sutra* (*Fatan jing* 法壇經), *ji foxing shi fo* 即佛行是佛, “Buddha-practice is itself Buddha”?¹⁸ What if the practices' biggest payoff was not the promised eventual goal but the experience of doing them in the present, with concomitant modifications of the practitioner's sense of his place in society and the cosmos?¹⁹

I think it would be productive to think of Shangqing scriptures as scripts for the performance—in the here-and-now—of a new role, an esoteric identity. Thinking of Shangqing scriptures in this way allows us to solve the conundrum posed near the opening of this chapter: it explains why, if merely possessing scriptures sufficed to guarantee eventual salvation, the texts nevertheless prescribe the sorts of practices they do in such detail, and why the Perfected insisted so strongly that their human interlocutors get with the divine program forthwith.

What then can we say about the roles prescribed in these scriptures and the scripts for performing them?

In the *Purple Texts*, the role performed can be summarily described as that of a *divinely rejuvenated being*, a Perfected One among other such

17 For an example, see Campany, “The Sword Scripture,” 62–63.

18 From the Dunhuang manuscript (Stein 5475) as transcribed in Yampolsky, *Platform Sutra*, p. 22 of the Chinese text. My translation differs slightly from that of Yampolsky, 168.

19 Robinet suggested something similar in a passing remark made only, to my knowledge, in the afterword to the English edition (1993) of her pioneering *Méditation taoïste* (1979): “In the religion of Great Purity, the adept can become a cosmic being made of light. The texts constantly give him an auspicious omen of this destiny and his practice is directed toward this conclusion. Gradually in the course of time, we see that, in the Lingbao texts, the luminous and cosmic qualities of the immortal are only the prerogative of the dead or the deities. The adept is robbed of the hope for the personal attainment of immortality and transfiguration.... The religion of Shangqing is a religion of the immediate present, of presence, and of epiphany. It is not a religion of promise, of waiting, or of eschatology.” See Robinet, *Taoist Meditation*, 229–30.

august personages, containing within his body various divine powers he performatively summons to dwell there. This staggering audacity is typical of Shangqing texts. Other scriptures add dimensions onto this central role, such as that of *cosmocrator* as prescribed in the *Scripture of the Rules* [Written on] Purple [Tablets], *Book of Blazing Light*, [Created by] Transformation from the Divine Mystery (*Zidu yanguang shen[xuan] bian jing* 紫度炎光神[玄]變經, DZ 1332),²⁰ or that of *cosmic recluse*, as enabled by the Shangqing update of “escape by means of a simulated corpse” (*shijie* 尸解) offered in the *Sword Scripture* for practitioners reluctant to take up a divine administrative post.²¹

How was this role performed? The key activities were of three sorts, plugged modularly into various Shangqing practice sequences: *cun* 存, imaginative actualization; *zhu* 祝, the pronouncement of invocations; and the writing and deployment of talismans 符. These are all well known, but their *performative* character has not, I think, been appreciated. In actualization, the practitioner imagines a scene in great sensory detail, inserting himself into it or absorbing it into himself in real time.²² In invocation and in the deployment of talismans, the practitioner declares the goal as being reached in the present moment.

Actualization (*cun* 存) was not just “visualization,” for the subject’s entire store of bodily experience and sensorimotor capabilities were brought into play. Actualization is performative in the basic sense that he is carrying out a deliberate, scripted action sequence, but also in that he is not *requesting* to be elevated to the role of divine being at some future point: he *performs* that role *during* the practice. He inserts himself into the scene he constructs, or inserts

20 The practice termed “summoning nothingness” (*zhao wu* 招无, 2b–7a) prescribed in this scripture allows the adept to see to the extremes in the five directions, discerning the mountains, flowers, flora and fauna, and barbarian peoples of each as clearly as if he were present there. The practitioner sees the officer of the sacred peak of each direction arrive, accompanied by loud processional music, bringing a sweet-tasting liquor (containing the essence of the outlying zone from which it comes) that he swallows. Later (27b–33a) there is a method for visualizing and ingesting the essences of the five directions, brought as tribute from the distant zones by five jade lads and jade maidens. This scripture may not have numbered among those revealed to Yang Xi, and Tao Hongjing expressed doubts about its authenticity: see Robinet, *La révélation du Shangqing*, 2:97–100, and TTC, 153–54.

21 See Campany, “The Sword Scripture.”

22 Previous studies of actualization in early medieval China include Robinet, “Visualization and Ecstatic Flight”; Robinet, *Méditation taoïste*; Timothy Wai Keung Chan, “Yixiang feixiang”; Tian Xiaofei, “Seeing with the Mind’s Eye”; and Lee Fong-mao, “Youguan yu neijing.” It should not be thought that visualization was unique to Shangqing practice: for a few examples see Campany, *To Live as Long as Heaven and Earth*, 54; Harrison, *Pratyutpanna Samādhi Sutra*; Inagaki, *Sutra on Contemplation of Amitāyus*; and Greene, “Visions and Visualizations.”

it into himself, temporarily assuming a role in a cosmic drama.²³ He acts by turns as spectator to a scene he fashions and as part of that scene—often eventually playing the key role in it, with others now becoming the witnessing audience. At the same time that he takes on the role, he also observes himself doing so; “reflexivity is the act of becoming an audience to oneself.”²⁴

Although the practitioner assumes this cosmic role in private, he does so before an audience of divine others on a cosmic stage. They do not just observe but also interact with him, even taking up residence within him, becoming part of his being. He is aware of their presence before him and aware, too, of himself standing before and welcoming them. “Performance is always performance *for* someone, some audience that recognizes and validates it as performance even when, as is occasionally the case, that audience is the self.”²⁵

As with any ritual, this one constitutes a temporary as-if space. Within it, the practitioner acts as if he were a divine being, when the whole point is that, outside the frame, he is not, and knows he is not. It is a performance in the subjunctive mode. Practicing the method in the *Purple Texts* did not make one a deity in any final, ontological sense. But, in self-conscious contrast to the practitioner’s everyday roles, it allowed him to *act as one* within the frame. As has been said of ritual generally, it “should ... be understood as working precisely out of the incongruity of the subjunctive of ritual and the actual world of lived experience.”²⁶

As for invocation and the deployment of talismans (accompanied by more invocations), these are where we see performativity in the narrower sense noted by linguistic philosopher J. L. Austin in the 1960s²⁷ and developed by subsequent theorists from John Searle to Judith Butler: they are acts of speech and writing that produce what they name. They do not simply represent states of affairs but also bring them about, or claim to.²⁸ Here, unlike a wedding ceremony or christening, the enactment is repeated and sustained, not a one-time affair, and there is no social ratification—no

intersubjective confirmation outside the practitioner's own experience—of what is declared to have been achieved.²⁹ The invocations are performative in the Butlerian sense that they do not *express* an already-formed identity interior to the practitioner but instead repeatedly *fashion* a new identity in words and imagination, supported by a new social and cosmic surround (the gods who witness and participate in the action sequences) and by the many promises and acknowledgments made in the scripture. Crucially, these invocations lack modal verbs such as *yuan* 願 (“I wish...” or “May it be that...”) of the sort often found in prayers and vows. Incantations are of a different genre. The speaker does not *request* a future outcome. He declares his actions and status in the present moment: “I do this, I am that.” Similarly, talismans are not requests or prayers but *commands* that the practitioner performatively declares himself authorized to make.³⁰

We might wonder what effects such practice had on the practitioner, both within and beyond the frame of practice. The answer must be suppositional, since (with an important exception discussed below) our texts offer no straightforward evidence on this question. In light of recent cognitive science studies, Shangqing actualization appears not as some exotic mystery but as an intensification of perception.³¹ Simple visualization exercises measurably enhance performance of tasks (or hinder it, depending on what is visualized).³² “False memories were more likely in cases when individuals were instructed to imagine events in great sensory detail,”³³ suggesting why we find such a rich sensorium in Shangqing texts: the greater the detail, the more real-seeming the experience. “The more times someone imagines an event, the more likely he or she will be to say that he or she has indeed experienced the event. ... Visually imagining an event from a first-person (own) perspective leads to greater imagination inflation than imagining from a third-person (observer) perspective.”³⁴ Mentally enacting an event becomes hard to distinguish from the event's actual occurrence, at least from the enactor's point of view.

29 This point needs qualification, but space does not permit me to expand on it here.

30 On the rhetorical nature of talismans, see Campany, *To Live as Long as Heaven and Earth*, 61–69.

31 This point is argued in Noë, *Action in Perception*. Suggestive comments relevant to visualization may be found in Damasio, *The Feeling of What Happens*, 168–94.

32 “People who mentally simulated lifting a heavy object reported being able to lift more weight than did participants in the no-simulation condition,” etc. See Gibbs, *Embodiment*, 126–28, for this and other examples.

33 Gibbs, *Embodiment*, 148.

34 Gibbs, *Embodiment*, 148. “Imagination inflation” is the tendency to think imagined past events really happened as imagined.

The human mirror-neuron system is one source of actualization's power. "If I observe you tearing a sheet of paper, there will be a weak and partial activation in my motor cortex, just as if I were tearing the paper myself. ... This mirroring capacity extends even to merely imagining that one is performing an action."³⁵ "*Imagining* certain motor actions activates some of the same parts of the brain that are involved in actually performing that action. Imagining a visual scene also activates areas of the brain that would be activated if we actually perceived that scene."³⁶ At the level brain activity, imagining oneself ascending to celestial palaces, say, seems not to differ in kind from ascending physically, if that were possible.

Cognitive studies also document the emotional effects of imagined or hypothetical scenarios. (Presumably the divine beings who appeared would not have been seen as *merely* hypothetical to most Shangqing practitioners.³⁷ Yet they were imaginatively constructed during the practice, rather than being experienced independently of the practitioner's own mental activity.)³⁸ A study of lottery players found that, despite being fully aware of the impossibly long odds, after the drawing they

had symptoms like those of people who have suffered severe losses, such as destruction of a house or loss of a parent. The interpretation given ... was that in the [time] between the purchase of the ticket and the drawing for the winner, these victims had fantasized, ... wittingly or not, about what they would do upon winning. ... The actual drawing made them lose everything they had acquired in the fantasy world. ... The fantasy world seems to have had profound effects on the psychological reality of the real world, given that the patients had no delusions about the odds of winning, and said so clearly.³⁹

This helps us appreciate the emotionally empowering effect Shangqing role-playing may have had on adepts, as well as the depression that may

37 On the other hand, a binary like "belief/non-belief" surely fails to capture the complexity of individuals' relations to the claims made in scriptures like this one and to what they experienced (or didn't experience) in their practices. See Campany, *Making Transcendents*, 259–63.

38 See the discussion of "agency shift" below for subtle ways in which the wording of the text may have been engineered to enhance the sense that the imagined Perfected Ones existed and possessed agency independent of the practitioner's.

have descended on them as the gap between their status in the two worlds widened.

But we should not conclude that practitioners were living completely in their self-created alternate realities. For human cognition is deeply modular. We are equipped with the ability to “see ‘as if’”⁴⁰ or “run multiple conceptions simultaneously.”⁴¹ The performance model of practice again helps us here. One could, in theory, have simultaneously performed the roles of terrestrial bureaucrat and cosmic deity, entailing a capacity to maintain a frame around the latter activity—although the *Purple Texts* warns that such dual commitment greatly lengthens the time needed.⁴² One was to do the practices only at designated times and in a chamber set aside for the task. And one did so in conscious incongruity with one’s everyday roles. Three particular somatic processes were used as framing devices marking the ensuing actions as special: counting a certain number of breaths, swallowing saliva or breath a certain number of times, and clacking the teeth. These normal bodily acts thus became markers of phases in action sequences.⁴³

The text itself helped create the “reality effect”⁴⁴ in the practitioner’s experience. It did so by means of what I call agency shift, a subtle rhetorical device whereby, after the practitioner has set a scene in motion, aspects of it are textually described in ways implying their own agency. For example, one begins by imagining a cloud of *qi* of a certain size (“as big as a small bean”) and color (white). But next we read that “after a while” this cloud “will gradually enlarge to cover your body in nine layers,” then “will suddenly change into celestial beasts.” There is a shift of grammatical subject and of the textually depicted agent. The rhetorical effect is to soft-pedal the practitioner’s awareness of himself as the maker of the scene, enhancing the feeling that some events occur on their own.⁴⁵ In this way the Shangqing scriptures, as texts, approach a kind of performativity themselves.

40 Slingerland, *What Science Offers*, 182–84.

41 Fauconnier and Turner, *The Way We Think*, 232.

42 I suspect that it does so precisely as an unsubtle rhetorical device meant to urge the initial readers of these texts to abandon their official duties (and families) as soon as possible. See Campamy, “The *Sword Scripture*,” 79–83.

43 On somatic and ritual framing, see Handelman, “Framing.”

44 A concept I borrow from Greenblatt (*Learning to Curse*, 19–20), who borrowed it from Roland Barthes.

45 Eric Greene (“Visions and Visualizations”) notes that while the English “visualization” stresses the active elements of such practices (for complex reasons having to do with the history of spiritualism and Theosophy and the writings of Francis Galton, a cousin of Charles Darwin), with the practitioner as the sole agent, some key early medieval Buddhist texts stress the multivalence of agency, with phenomena often *appearing to*—not being mentally constructed

In all these respects, doing the practices must have invested the practitioner with an expanded, alternate identity. What he was engaged in can be seen as an elaborate play-acting before an imagined audience of divine others—the construction and presentation of self in socio-cosmic life.⁴⁶

How would such practice have affected the practitioner's relations to other people, his performance of social roles he was expected to play? Clearly, the more the practitioner performed the roles laid out in scriptures, the less engaged he was in his roles in this world: son, father, descendant, husband, official. A wedge was gradually driven between him and his normal social environs, not least his own family. The Perfected persistently encouraged their interlocutors to leave those environs as soon as possible. This was the central tension of Shangqing practice.

We have no more richly documented instance of it than that of Zhou Ziliang 周子良 as illuminated in *Records of Master Zhou's Communications with the Unseen* (*Zhoushi mingtong ji* 周氏冥通記, DZ 302). His case does differ in that he was receiving face-to-face visits from certain of the Perfected, not just following scriptural instructions.⁴⁷ But that only intensified the tensions among the young man's conflicting identities. While he played the roles of dutiful son, nephew, and disciple, the Perfected were summoning him to a much more exalted role. Over eighteen months he increasingly withdrew from his roles in this world to prepare for, and finally one December afternoon claim in full, his promised role in the other. An elixir was his way out. This exit-by-elixir was a different mode of subitism, but it was one for which his visionary practice constructing an alternate identity had primed him.

Conclusion

Seeing central components of Shangqing practice as imaginative role-playing in the here-and-now might help us grasp some of the force of this esoteric religion and one of its scriptures' main functions. For twelve decades, writers in the tradition of Emile Durkheim, Marcel Mauss, and Henri Hubert have spoken of culture and religion as a sort of "world-making," a "social construction of

by—the practitioner. The texts seldom specify just what causal relationship exists between the actualizing done by the practitioner and the *things seen* in the course of practice. We can add the Shangqing scriptures to the list of early medieval texts exhibiting this feature.

46 To play upon the title and central conceit of Erving Goffman's *The Presentation of Self in Everyday Life*.

reality." In Shangqing we have a spectacular example of how this worked. If the solitary, imagined performance of divine roles does not strike us as enough to build a religion on, and if providing scripts for such performance does not seem a sufficient purpose for scriptures, perhaps the reason is that our models of how religion works have not yet approached the complexity, imaginative exuberance, and experiential power of a religion like Shangqing as it was lived by early practitioners and shaped by brilliant writers of prose and verse.

土行孫立功顯耀

征西將士有奇才，縮地能令濁土開。劫寨偷營如掣電，飛書走檄若轟雷。

貪趨相府幾亡命，恐失佳期被所媒。總是君明天自愛，英謀奇略盡成灰。

話說楊戩見鄧嬋玉回馬飛來要殺龍鬚虎，楊戩大呼曰：「少待傷吾師兄！」馬走如飛，搖鎗來刺。嬋玉只得架鎗。兩馬相交，未及數合，嬋玉便走，楊戩隨後趕來。嬋玉又發一石，正中楊戩，打的臉上火星迸出，往下愈趕得緊了。他不知楊戩有無限騰挪變化。嬋玉見馬勢趕得甚急，忙發一石，又中楊戩臉上，只當不知。嬋玉正是著忙，楊戩祭起哮天犬，把鄧嬋玉頸子上一口，連皮帶肉咬去了一塊。嬋玉負痛難忍，幾乎落馬，大敗進營，叫喊不止。鄧九公又見女兒著傷，心下十分不爽，納悶在帳，切齒深恨哪吒。且說楊戩救了龍鬚虎，回見子牙。子牙見龍鬚虎又著石傷，雖然楊戩哮天犬傷了鄧嬋玉，子牙心上也自不悅。

當日鄧九公父子著傷，日夜煎熬。四將在營商議：「今主帥帶傷，不能取勝西岐，奈何？」正議論間，報：「有督糧官土行孫等令。」內帳傳出令來。土行孫上帳，不見主帥，問其原因，太鸞備言其事。土行孫進帳來，見鄧九公問安。九公說：「被哪吒打傷肩臂，筋斷骨折，不能痊癒；今奉旨來征西岐，誰知如此！」土行孫曰：「主將之傷不難，末將有藥。」忙取葫蘆裡一粒金丹，用水研開，將鳥翎搽上，

他，不防土行孫祭起細仙繩，一聲響，把哪吒平空拿了去，望轅門下一擲，把哪吒縛定，怎能得脫此厄，正是：

飛龍洞裡仙繩妙，不怕蓮花變化身。

話說土行孫得勝回營，見鄧九公，報生擒哪吒。鄧九公令來。只見軍卒把哪吒擡來，放在丹墀下。鄧九公問曰：「如何這等拿法？」土行孫曰：「各有秘傳。」鄧九公想一想，意欲斬首，但思：「奉詔征西，今獲大將，解往朝歌，使天子裁決，更尊天子之威，亦顯邊戍元戎之勇。」傳令將哪吒拘于後營。令軍政司土行孫首功，營中治酒慶功。

且說報馬進相府，報說哪吒被擒一事。子牙驚問探馬：「如何擒去？」掠陣官啟曰：「只見一道金光，就平空的拿去了。」子牙沉吟：「又是甚麼異人來了？」心下鬱鬱不樂。次日，報土行孫請戰。子牙曰：「何人會土行孫？」墮下黃天化應聲而出：「願往。」子牙許之。天化上了玉麒麟，出城看土行孫，大喝曰：「你這縮頭畜生，焉敢傷吾道兄！」手中鎚分頂門打來。土行孫實鐵棍左右來迎。鎚打棍，寒風凜凜；棍迸鎚，殺氣騰騰。戰未及數合，土行孫盜了懼留孫師父細仙繩，在這裡亂拿人，不知好歹，又祭起細仙繩，將黃天化拿了；如哪吒一樣，也拘在後營。哪吒一見黃天化也如此拿將進來，就把黃天化激得三尸神暴跳，大呼曰：「吾等不幸，又遭如此陷身！」哪吒曰：「師兄不必著急。命該絕地，急也無用；命若該生，且自寧耐。」話說子牙又聞得拿了黃天化，子牙大驚，心下不樂。相府兩邊亂騰騰的議論不表。

且言土行孫得了兩功，鄧元帥治酒慶賀，夜飲至二更，土行孫酒後狂談，自恃道術，誇張曰：「元

真如甘露沁心，立時止痛。土行孫又聽得帳後有婦女嬌怯悲慘之聲，土行孫問曰：「裡面是何人呻吟？」九公曰：「是吾女嬋玉，也被暑傷。」土行孫又取出一粒金丹，如前取水研開，扶出小姐，用藥敷上，立時止痛，鄧九公大喜。至晚，帳內擺酒待土行孫，眾將其飲。土行孫請問鄧九公：「與姜子牙見了幾陣？」九公曰：「屢戰不能取勝。」土行孫笑曰：「當時主將肯用吾征時，如今平服西岐多時了。」九公暗想：「此人必定有些本事。他無有道術，申公豹決不薦他。也罷，不若把他改作正印先行。」彼時酒散。次早陞帳，九公謂太鸞曰：「將軍今把先行印讓土行孫掛了，使他早能成功，回師奏凱，共享皇家天祿，無使遷延日月，何如？」太鸞曰：「主帥將令，末將怎敢有違？況土行孫早能建功，豈不是美事？情願讓位。」忙將正印交代。土行孫當時掛印施威，領本部人馬，殺奔西岐城下，厲聲大呼曰：「只叫哪吒出來答話！」子牙正與諸將商議，忽報湯營有將搦戰，坐名要哪吒答話。子牙命哪吒出城。哪吒登風火輪來至陣前，只管瞧，不見將官，只管望營裡看。——土行孫其身止高四尺有餘，哪吒不曾往下看。土行孫叫曰：「來者何人？」哪吒方往下一看，原來是個矮子，身不過四尺，拖一根寶鐵棍。哪吒問曰：「你是甚麼人，敢來大張聲勢？」土行孫曰：「吾乃鄧元帥麾下先行官土行孫是也。」哪吒曰：「你來作何事？」土行孫曰：「奉令特來擒你。」哪吒大笑不止，把鎗往下一戳，土行孫把棍往上迎來。哪吒登風火輪，使開鎗，展不開手。土行孫矮，只是前後跳，把哪吒殺出一身汗來。土行孫戰了一回，跳出圈子，大叫曰：「哪吒！你長我矮，你不好發手，我不好用功。你下輪來，見個輪贏。」哪吒想想：「這矮匹夫自來取死。」哪吒從其言，忙下輪來，把鎗來挑。土行孫身子矮小，鑽將過去，把哪吒腿上打了一棍。哪吒急待轉身，土行孫又往後面，又把哪吒膀子上打兩棍。哪吒急了，纔要用乾坤圈打

子牙吩咐：「小心！」楊戩領上馬，提鎗出得城來。土行孫曰：「你是何人？」楊戩道：「你將何術縋吾師叔？不要走！」搖鎗來取。土行孫發棍來迎，鎗棍交加。楊戩先自留心看他端的。未及五七合，土行孫祭縋仙繩來拿楊戩，只見光華燦爛，楊戩已被拿了。土行孫令士卒擡著楊戩，纔到轅門，一聲響，擡塌了，掉在地下，及至看時，乃是一塊石頭，眾人大驚。土行孫親曰：「觀見，心甚驚疑。正沉吟不語，只見楊戩大呼曰：『好匹夫！焉敢以此術惑吾！』」搖鎗來取。土行孫只得復身迎戰。兩家殺得長短不一。楊戩急把哮天犬祭在空中。土行孫看見，將身子一扭，即時不見。楊戩觀看，便駭然大驚曰：「成湯營裡若有此人，西岐必不能取勝。」凝思半晌，面有憂色。回進相府。子牙看見楊戩這等面色，問其故。楊戩曰：「西岐又添一患。土行孫善有地行之術，奈何！這到不可不防。這事是件沒有遮攔的，若是他暗進城來，怎能準備！」子牙曰：「有這樣事？」楊戩曰：「他前日拿師叔，據弟子看，定是縋仙繩。今日弟子被他縋著，我留心著意，仔細定睛，還是縋仙繩，分毫不差。待弟子往夾龍山飛龍洞去探問一番，何如？」子牙曰：「此慮甚遠，且防他目下進城。」楊戩亦不敢再說。

且說土行孫回營來見，鄧九公問曰：「今日勝了何人？」土行孫把擒楊戩之事說了一遍。九公曰：「但願早破西岐，旋師奏凱，不負將軍得此大功也。」土行孫暗想：「不然今夜進城，殺了武王，誅了姜尚，眼下成功，早成姻眷，多少是好！」土行孫上帳言曰：「元帥不必憂心，未將今夜進西岐，殺了武王、姜尚，領二人首級回來，進朝報功；西岐無首，自然瓦解。」九公曰：「怎得人城？」土行孫曰：「昔日吾師傳我有地行之術，可行千里。如進城，有何難事？」鄧九公大喜，治酒與土行孫賀功，晚間進西岐，行刺武王、子牙不表。

帥若早用末將，子牙已擒，武王早縛，成功多時矣。」鄧九公見土行孫連勝兩陣，擒拿二將，故此深信其言。酒至三更，眾將各回寢帳。獨土行孫還吃酒。九公失言曰：「土將軍，你若早破西岐，吾將弱女贅公為婿。」土行孫聽得此言，滿心歡喜，一夜躊躇不睡。且言次日鄧九公令土行孫早早立功，旋師奏凱，朝賀天子，共享千鍾。土行孫領命，排開陣勢，坐名要姜子牙答話。報馬報進相府來，子牙隨即出城，眾將在兩邊，見土行孫跳躍而來，大呼曰：「姜子牙，你乃崑崙之高士，吾特來擒你，可早早下馬受縛，無得使我費手。」眾將官那裡把他放在眼裡，齊聲大笑。子牙曰：「觀你形貌，不入衣冠之內，你有何能，敢來擒吾？」土行孫不由分說，將鐵棍劈面打來。子牙用劍架隔，只是撈不著他。如此往來，未及三五合，土行孫祭起綱仙繩，子牙怎逃此厄，綱下騎來。土行孫士卒來拿，這邊將官甚多，齊奮勇沖出，一聲喊，把子牙搶進城去了。惟有楊戩在後面，看見金光一道，其光正而不邪，歎曰：「又有些古怪！」且說眾將搶了子牙進相府，來解此繩解不開，用刀割此繩，且陷在肉裡，愈弄愈緊。子牙曰：「不可用刀割。」早已驚動武王，親自進相府來看，問相父安。看見子牙這等光景，武王垂淚言曰：「孤不知有何罪，天子屢年征伐，竟無寧宇，民受倒懸，軍遭殺戮，將逢陷穽，如之奈何？相父今又如此受苦，使孤日夜惶悚不安！」楊戩在旁，仔細看這繩子，卻似綱仙繩，自己沉吟：「必是此寶。」正慮之間，忽報有一道童要見丞相。子牙道：「請進來。」原來是白鶴童子，至殿前見子牙，口稱：「師叔，老爺法牒，送符印將此繩解去。」童兒把符印在繩頭上，用手一指，那繩即時落將下來。子牙忙頓首崑崙，拜謝老師慈憫。白鶴童子回宮不表。且說楊戩對子牙曰：「此繩是綱仙繩。」子牙曰：「豈有此理！難道懼留孫反來害我，決無此說！」正疑惑之間。次日，土行孫又來請戰。楊戩應聲而出：「弟子願往。」

宮裡殺了武王，再來殺姜子牙不遲。」土行孫離了相府，來尋皇城，未走數步，忽然一派笙簫之音，猛擡頭看時，已是宮內。只見武王同嬪妃奏樂飲宴，土行孫見了大喜。正所謂：

踏破鐵鞋無覓處，得來全不用功夫。

話說土行孫喜不自勝，輕輕蹲在底下等候。只見武王曰：「且止音樂。況今兵臨城下，軍民離亂，收了筵席，且回宮安寢。」兩邊宮人隨駕入宮。武王命眾宮人各散，自同宮妃解衣安寢；不一時，已有鼻息之聲。土行孫把身子鑽將上來，此時紅燈未滅，舉室通明。土行孫提刀在手，上了龍床，揭起帳幔，搭上金鉤。武王合眼朦朧，酣然熟睡。土行孫只一刀，把武王割下頭來，往床下一擲。只見宮妃尚閉目，鼾睡不醒。土行孫看見妃子臉似桃花，異香撲鼻，不覺動了慾心，乃大喝一聲：「你是何人，兀自熟睡？」那女子醒來，驚問曰：「汝是何人，夤夜至此？」土行孫曰：「吾非別人，乃成湯營中先行官土行孫是也。武王已被吾所殺，爾欲生乎，欲死乎？」宮妃曰：「我乃女流，害之無益，可憐赦妾一命，其恩非淺。若不棄賤妾貌醜，收為婢妾，得侍將軍左右，銘德五內，不敢有忘。」土行孫原是一位神祇，怎忘愛慾？心中大喜：「也罷，若是你心中情願，與我暫效魚水之歡，我便赦你。」女子聽說，滿面堆下笑來，百般應諾。土行孫不覺情逸，隨解衣上床，往被裡一鑽，神魂飄蕩，用手正欲抱攬女子，只見那女人雙手反把土行孫攬住一束，土行孫氣兒也歎不過來，叫道：「美人，略鬆著些！」那女子大喝一聲：「好匹夫！你把吾當誰！」叫左右拿住了土行孫；三軍吶喊，鑼鼓齊鳴。土行孫及至看時，原來是楊戩。土行孫赤條條的，不能展掙，已被楊戩擒住。——此是楊戩智擒土行孫。——楊戩將土行孫夾著走，不放他沿著地；若是沿著地，他就走了。土行孫自己不好看相，只是閉著眼。且說子牙在銀安殿，只聞金

且言子牙在府，慮土行孫之事，忽然一陣怪風刮來，甚是利害。怎見得，有贊為證：

淅淅蕭蕭，飄飄蕩蕩。淅淅蕭蕭飛落葉，飄飄蕩蕩捲浮雲。松柏遭摧折，波濤盡攪渾。山鳥難棲，海魚顛倒。東西鋪闔，嬾保門窗脫落；前後屋舍，怎分戶牖欹傾。真是：無蹤無影驚人膽，助怪藏妖出洞門。

子牙在銀安殿上，見大風一陣刮得來，響一聲，把寶纛幡一折兩段。子牙大驚，忙取香案，焚香爐內，將八卦搜求吉凶。子牙鋪下金錢，便知就裡，大驚拍案曰：「不好！」命左右：「忙傳請武王駕至相府！」眾門人慌問其故。子牙曰：「楊戩之言大是有理！方纔風過甚凶，主土行孫今晚進城行刺。」

命：「府前大門懸三面鏡子，大殿上懸五面鏡子，今晚眾將不要散去，俱在府內嚴備看守，須弓上弦，刀出鞘，以備不虞。」少時，諸將披執上殿。只見門官報入：「武王駕至。」子牙忙率眾將接駕至殿內，行禮畢。武王曰：「相父請孤，有何見諭？」子牙曰：「老臣今日訓練眾將六韜，特請大王筵席。」武王大喜：「難得相父如此勤勞，孤不勝感激。只願兵戈寧息，與相父共享安康也。」子牙忙令左右安排筵席，侍武王飲宴；只是談笑軍國重務，不敢說土行孫行刺一節。且說鄧九公飲酒至晚，時至初更。土

行孫辭鄧九公、眾將，打點進西岐城。鄧九公與眾將立起，看土行孫把身子一扭，杳然無跡無蹤。鄧九公撫掌大笑曰：「天子洪福，又有這等高人輔國，何愁禍亂不平！」且說土行孫進了西岐，到處找尋。來至子牙相府，只見眾將弓上弦，刀出鞘，侍立兩旁。土行孫在下面立等，不得其便，只得伺候。且說楊戩上殿來，對子牙悄悄道了幾句；子牙許之。子牙先把武王安在密室，著四將保駕。子牙白坐殿上，運用元神，保護自己不題。且言土行孫在下面久等，不能下手，心中焦躁起來，自思：「也罷！我且往

又評

或曰土行孫幸有地行之術；不然，幾為貪色所敗，可不辜負鄧九公一片熱心。這等真真該一棒打煞！予曰：若是如此，今日當不得打。

鼓大作，殺聲振地，問左右：「那裡殺聲？」只見門官報進相府：「啟丞相：楊戩智擒了土行孫。」子牙大喜。楊戩夾著土行孫在府前聽令，子牙傳令進來。楊戩把土行孫赤條條的夾到簷前來。子牙一見，便問楊戩曰：「拿將成功，這是如何光景？」楊戩夾著土行孫曰：「這人善能地行之術，若放了他，沿了地就走了。」子牙傳令：「拿出去斬了！」楊戩領令方出府，子牙批行刑箭出。楊戩方轉換手來用刀，土行孫往下一掙，楊戩急搶時，土行孫沿土去了。楊戩面面相覷，來回子牙曰：「弟子只因換手斬他，被他掙脫，沿土去了。」子牙聽說，默然不語。此時丞相府吵嚷一夜不表。且說土行孫得生，回至內營，悄悄的換了衣裳，來至營門聽令。鄧九公傳令：「令來。」土行孫至帳前，鄧九公問曰：「將軍昨晚至西岐，功業如何？」土行孫曰：「子牙防守嚴緊，分毫不能下手，故此守至天明空回。」鄧九公不知所以原故，也自罷了。且說楊戩上殿，來見子牙曰：「弟子往仙山洞府，訪問土行孫是如何出處，將網仙繩問個下落。」子牙曰：「你此去，又恐土行孫行刺；你不可遲誤，事機要緊！」楊戩曰：「弟子知道。」楊戩領令，離了西岐，往夾龍山來。不知後事如何，且聽下回分解。

評

土行孫器宇易盈，舉其對鄧九公之言，何其渺視西土？也不知子牙帳下有多少智術之士，豈在土行孫之下？真所謂初生之犢不懼虎，不過以管窺天，井中之量耳。只鄧九公竟以女許之，可稱為真愛才，真為國，予不覺三復斯言。

怎見得，有贊為證：

魚尾金冠霞彩飛，身穿白鶴絳綃衣。蕊宮玉闕曾生長，自幼瑤池養息機。只因勸酒蟠桃會，誤犯天條謫翠微。青鸞斗闕權修攝，再上靈霄啟故扉。

話說楊戩隱在松林之內，不好出來，只得待他過去，方好起身。只見道姑問左右女童：「是那裡有閑人隱在林內？走去看來。」有一女童兒往林中來，楊戩迎上前去，口稱：「道兄，方纔誤入此山，弟子乃玉泉山金霞洞玉鼎真人門下楊戩是也；今奉姜子牙命，往夾龍山去探機密事，不意駕士遁誤落于此。望道兄轉達娘娘，我弟子不好上前請罪。」女童出林見道姑，把楊戩的言語一一回覆了。道姑曰：「既是玉鼎真人門下，請來相見。」楊戩只得上前施禮。道姑曰：「楊戩，你往那裡去，今到此處？」楊戩曰：「因土行孫同鄧九公伐西岐，他有地行之術，前日險些被他傷了武王與姜子牙；如今訪其根由，覓其實跡，設法擒他。不知誤落此山，失于迴避。」道姑曰：「土行孫乃懼留孫門人，你請他師父下山，大事可定。你回西岐，多拜上姜子牙。你速回去。」楊戩躬身問曰：「請娘娘尊姓，大名，回西岐好言娘娘聖德。」道姑曰：「吾非別人，乃昊天上帝親女，瑤池金母所生。只因那年蟠桃會，該我奉酒，有失規矩，誤犯清戒，將我謫貶鳳凰山青鸞斗闕。吾乃龍吉公主是也。」楊戩躬身辭了公主，借土遁而行；未及盞茶時候，又落在低澤之旁。楊戩偏生要行此術，為何又落？只見澤中微微風起：

揚塵播土，倒樹摧林。海浪如山聳，渾波萬疊侵。乾坤昏慘慘，日月暗沉沉。一陣搖松如虎嘯，忽然吼樹似龍吟。萬竅怒號天噀氣，飛沙走石亂傷人。

話說楊戩見狂風大作，霧暗天愁，澤中旋起二三丈水頭。猛然開處，見一怪物，口似血盆，牙如銅

第五十五回

土行孫歸伏西岐

藏身匿影絕無良，水到渠成為甚忙。背卻天真貪愛慾，有違師訓逐疆場。

百千伎倆終歸正，八九元功自異常。兩國始終成好合，認由月老定鴛鴦。

話說楊戩借上遁往夾龍山來，正駕遁光，風聲霧色，不覺飄飄蕩蕩落將下來，乃是一座好山。但見：山頂嵯峨摩斗柄，樹梢彷彿接雲霄。青煙堆裡，時聞谷口猿啼；亂翠陰中，每聽松間鶴唳。嘯風山魅，立溪邊戲弄樵夫；成器狐狸，坐崖畔驚張獵戶。八面崔嵬，四圍險峻。古怪喬松盤翠嶺，樣樣老樹掛藤蘿。綠水清流，陣陣異香析馥郁；巔峰彩色，飄飄隱現白雲飛。時見大蟲①來往，每聞山鳥聲鳴。麋鹿成群，穿荊棘往來跳躍；玄猿出入，盤溪澗摘菓攀桃。竚立草坡，一望並無人走；行來深門，俱是採藥仙童。不是凡塵行樂地，實過蓬萊第一峰。

話說楊戩落下遁來，見一座山，真實罕見。往前一望，兩邊俱是古木喬松，路徑幽深，杳然難覓。行過數十步，只見一座橋梁。楊戩過了橋，又見碧瓦雕簷，金釘朱戶，上懸一扁「青鸞斗闕」。楊戩觀羨不盡，甚是清幽，不覺立在松陰之下，看玩景致。只見朱紅門開，鸞鳴鶴唳之聲；又見數對仙童，各執旗旛羽扇；當中有一位道姑，身穿大紅白鶴絳綃衣，徐徐而來；左右分八位女童，香風嫋嫋，彩瑞翩翩。

二童童求見。」子牙命來。二童人見子牙，倒身下拜，「弟子乃楊戩門徒金毛童子是也。家師中途相遇，為得刀袍，故先著弟子來。師父往夾龍山去了。特來謁叩老爺。」子牙曰：「楊戩又得門人，深為可喜。」留在本府聽用不題。

且說楊戩架土遁至夾龍山飛龍洞，逕進洞，見了懼留孫下拜，口稱：「師伯。」懼留孫忙答禮曰：「你來做甚麼？」楊戩道：「師伯可曾不見了綱仙繩？」懼留孫慌忙站起曰：「你怎麼知道？」楊戩曰：「有個土行孫同鄧九公來征伐西岐，用的是綱仙繩，將子牙師叔的門人拿入湯營，被弟子看破；特來奉請師伯。」懼留孫聽得，怒曰：「好畜生！你敢私自下山，盜吾寶貝，害吾不淺！楊戩，你且先回西岐，我隨後就來。」楊戩離了高山，回到西岐，至府前，入見子牙。子牙問曰：「可是綱仙繩？」楊戩把收金毛童子事，誤入青鸞斗闕，見懼留孫的事說了一遍。子牙曰：「可喜你又得了門下！」楊戩曰：「前緣有定，今得刀袍，無非賴師叔之大德，主上之洪福耳。」

且言懼留孫吩咐童子：「看守洞門，候我去西岐走一遭。」童子領命不題。道人駕縱地金光法來至西岐。左右報與子牙：「懼留孫仙師來至。」子牙迎出府來。二人攜手至殿，行禮坐下。子牙曰：「高徒累勝吾軍，我又不知；後被楊戩看破，只得請道兄一顧，以完道兄昔日助燃燈道兄之雅。末弟不勝幸甚！」懼留孫曰：「自從我來破十絕陣回去，自未曾檢點此寶；豈知是這畜生盜在這裡作怪！不妨，須得如此如此，頃刻擒獲。」子牙大喜。

次日，子牙獨自乘四不相往成湯轅門前後，觀看鄧九公的大營，若探視之狀。只見巡營探子報入中軍：「啟元帥：姜丞相乘騎在轅門私探，不知何故。」鄧九公曰：「姜子牙善能攻守，曉暢兵機，不可

劍，大叫一聲：「那裡生人氣？」跳上岸來，兩手撚叉來取。楊戩笑曰：「好孽障！怎敢如此！」手中鎗急架相還。未及數合，楊戩發手，用五雷訣，一聲響，霹靂交加，那精靈抽身就走。楊戩隨後趕來。往前跳至一山腳下，有斗大一個石穴，那妖精往裡面鑽了去。楊戩笑曰：「是別人不進來；遇我，憑你有多大一個所在，我也走走！」喝聲：「疾！」隨跟進石穴中來。只見裡邊黑暗不明，楊戩借三昧火眼，現出光華，照耀如同白晝。原來裡面也大，只是一個盡頭路。觀看左右，並無一物，只見閃閃灼灼，一口三尖兩刃刀，又有一包袱繫在上面。楊戩連刀帶出來，把包袱打開一看，是一件淡黃袍。怎見得，有贊為證：

淡鵝黃，銅錢厚；骨突雲，霞光透。屬戊己，按中央。黃澄澄，大花袍。渾身上下金光照。

楊戩將袍抖開，穿在身上，不長不短；把刀和鎗繫在一處，收了黃袍，方欲起身，只聽的後面大呼曰：「拿住盜袍的賊！」楊戩回頭，見兩個童兒趕來。楊戩立而問曰：「那童子，那個盜袍？」童子曰：「是你。」楊戩大喝一聲：「吾盜你的袍？把你這孽障！吾修道多年，豈犯賊盜！」二童子曰：「你是誰？」楊戩曰：「吾乃玉泉山金霞洞玉鼎真人門下楊戩是也。」二童聽罷，倒身下拜：「弟子不知老師到，有失迎迓。」楊戩曰：「二童子果是何人？」童子曰：「弟子乃五夷山金毛童子是也。」楊戩曰：「你既拜吾為師，你先往西岐去見姜丞相，你說我往夾龍山去了。」金毛童子曰：「倘姜丞相不納，如何？」楊戩曰：「你將此鎗連刀袍都帶去，自然無事。」二童辭了師父，借水遁往西岐來了。正是：

玄門自有神仙訣，腳踏風雲咫尺來。

話說金毛童子至西岐，尋至相府前，對門官曰：「你報丞相，說有二人求見。」門官進來啟丞相：「有

理當斬首。但有一說：此人子牙公後有用他處，可助西岐一臂之力。」子牙曰：「道兄傳他地行之術，他心毒惡，暗進城垣，行刺武王與我。賴皇天庇佑，風折旗旛，把吾驚覺，算有吉凶，著實防備，方使我君臣無虞，此事還多虧楊戩設法擒獲，又被他狡猾走了。這樣東西，留他作甚！」子牙道罷，懼留孫大驚，忙下殿來大喝曰：「畜生！你進城行刺武王，行刺你師叔，那時幸而無虞；若是差遲，罪係于我。」士行孫曰：「我實告師尊：弟子隨鄧九公伐西岐，一次仗師父緬仙繩拿了哪吒，二次擒了黃天化；鄧元帥與弟子贊功。三次將師叔拿了。見我屢拿有名之士，將女許我，欲贅為婿；被他催逼弟子，弟子不得已，仗地行之術，故有此舉。怎敢在師父跟前有一句虛語！」懼留孫低頭連想，默算一回，不覺嗟歎。

子牙曰：「道兄為何嗟歎？」懼留孫曰：「子牙公，方纔貧道卜算，這畜生與那女子該有繫足之緣②。前生分定，事非偶然。若得一人作伐，方可全美。若此女來至，其父不久也是周臣。」子牙曰：「吾與鄧九公乃是敵國之讎，怎能得全此事？」懼留孫曰：「武王洪福，乃有道之君。天數已定，不怕不能完全。只是選一能言之士，前往湯營說合，不怕不成。」子牙低頭沉思良久，曰：「須得散宜生去走一遭方可。」懼留孫曰：「既如此，事不宜遲。」子牙命左右去請上大夫散宜生來商議，命放了士行孫。不一時，上大夫散宜生來至，行禮畢。子牙曰：「今鄧九公有女鄧嬋玉，原係鄧九公親許士行孫為妻。今煩大夫至湯營作伐，乞為委曲周旋，務在必成，如此如此，方可。」散宜生領命出城不表。且說鄧九公在營，懸望士行孫回來，只見一去，竟無影響；令探馬打聽多時，回報：「聞得上行孫被子牙拿進城去了。」鄧九公大驚曰：「此人捉去，西岐如何能克！」心下十分不樂。只見散宜生來與上行孫議親：不

不防。」旁有土行孫大喜曰：「元帥放心，待吾擒來，今日成功。」土行孫暗暗走出轅門，大呼曰：「姜尚！你私探吾營，是自送死期，不要走！」舉手中棍照頭打來，子牙仗手中劍急架來迎。未及三合，子牙撥轉四不相就走。土行孫隨後起來，祭起網仙繩，又來拿子牙。他不知懼留孫罵著金光法隱在空中，只管接他的。土行孫意在拿了子牙，早奏功回朝，要與鄧嬋玉成親。此正是愛慾迷人，真性自昧，只顧拿人，不知省視前後一路；只是祭起網仙繩，不見落下來，也不思忖。只顧趕子牙，不上一里，把繩子都用完了；隨手一摸，只至沒有了，方纔驚駭。土行孫見勢頭不好，站立不趕。子牙勒轉四不相，大呼曰：「土行孫敢至此再戰三合否？」土行孫大怒，拖棍趕來。纔轉過城垣，只見懼留孫曰：「土行孫那裡去！」土行孫擡頭見是師父，就往地下一鑽。懼留孫用手一指，「不要走！」只見那一塊土比鐵還硬，鑽不下去。懼留孫趕上一把，抓住頂瓜皮，用網仙繩四馬攢蹄纏了，擣著他進西岐城來。眾將知道擒了土行孫，齊至府前來看。道人把土行孫放在地下。

楊戩曰：「師伯仔細，莫又走了他！」懼留孫曰：「有吾在此，不妨。」復問土行孫曰：「你這畜生，我自破十絕陣回去，此網仙繩我一向不曾檢點，誰知被你盜出。你實說，是誰人唆使？」土行孫曰：「老師來破十絕陣，弟子閑宴高山，偶逢一道人跨虎而來，問弟子叫甚名字，弟子說名與他。弟子也隨問他；他說是闡教門人申公豹。他看我不能了道成仙，只好受人間富貴，他教我往聞太師行營成功，弟子不肯。他薦我往三山關鄧九公麾下建功。師父，弟子一時迷惑，但富貴人人所欲，貧賤人人所惡，弟子動了一個貪痴念頭，故此盜了老師網仙繩，兩葫蘆丹藥，走下塵寰。望老師道心無處不慈悲，饒了弟子罷！」子牙在旁曰：「道兄，似這等畜生，壞了吾教，速速斬訖報來！」懼留孫曰：「若論無知冒犯，

第五十六回 子牙設計收九公

姻緣前定果天然，須信紅絲足下牽。敵國不妨成好合，仇讎應自得翩聯。

子牙妙計真難及，驚使奇謀枉用偏。總是天機難預料，紂王無福鎮坤乾。

話說散宜生出城，來至湯營，對旗門官曰：「轅門將校，報與你鄧元帥得知：岐周差上大夫散宜生有事求見。」軍政官報進中軍：「啟元帥：岐周差上大夫有事求見。」鄧九公曰：「吾與他為敵國，為何差人來見我！必定來下說詞，豈可容他進營，惑亂軍心。你與他說：『兩國正當爭戰之秋，相見不便。』」軍政官出營，回覆散宜生。宜生曰：「『兩國相爭，不阻來使。』相見何妨？吾此來奉姜丞相命，有事面決，非可傳聞。再煩通報。」軍政官只得又進營來，把散宜生言語對九公訴說一遍。九公沉吟。旁有正印先行官太鸞上前言曰：「元帥乘此機會放他進來，隨機應變，看他如何說，亦可就中取事，有何不可？」九公曰：「此說亦自有理。」命左右請他進來。旗門官出轅門，對散宜生曰：「元帥有請。」散大夫下馬，走進轅門，進了三層鹿角，行至滴水簷前，鄧九公迎下來。散宜生鞠躬，口稱元帥。九公曰：「大夫降臨，有失迎候。」彼此遜讓行禮。後人有詩單贊子牙妙計，詩曰：

子牙妙算世無倫，學費天人泣鬼神。縱使九公稱敵國，藍橋也自結姻親。

話說二人遜至中軍，分賓主坐下。鄧九公曰：「大夫，你與我今為敵國，未決雌雄，彼此各為其主，

評

楊戩往夾龍山來，偏要落在這些山澤中得了許多東西；雖曰天數，亦是楊戩乖巧處，故到處討些便宜。

又評

或曰土行孫趕子牙，甚至將細仙繩放盡，方纔知覺，可謂癡極；然而到底是他騙了個好老婆，呆子未嘗不討便宜。然而還是癡好，還是乖好？予曰：正好與楊戩做一對。不然土行孫進西岐，楊戩不以美人弄他。旁人不覺大笑。

或于酒後賞功之際，憐才惜技之時，或以一言安慰其心，彼便妄認為實，作此痴想耳。」九公被散宜生此一句話，道出九公一腔心事。九公不覺答道：「大夫斯言，大是明見！當時土行孫被申公豹薦在吾麾下，吾亦不甚重彼；初為副先行督糧使者，後因太鸞失利，彼恃其能，改為正先行官。首陣擒了哪吒，次擒黃天化，三次擒了姜子牙，被岐周眾將搶回。土行孫進營，吾見彼累次出軍獲勝，治酒與彼賀功，以盡朝廷獎賞功臣至意。及至飲酒中間，彼曰：『元帥在上：若是早用末將為先行，吾取西岐多時矣。』那時吾酒後失口，許之曰：『你若取了西岐，吾將嬋玉贅你為婿。』一來是獎勵彼竭力為公，早完王事；今彼既以被擒，安得又妄以此言為口實，令大夫往返哉？」散宜生笑曰：『元帥此言差矣。大丈夫一言既出，駟馬難追，況且婚姻之事，人之大倫，如何作為兒戲之談？前曰元帥言之，土行孫信之；土行孫又言之，天下共信之；傳與中外，人人共信；正所謂『路上行人口似碑』。將以為元帥相女配夫，誰信元帥權宜之術，為國家行此不得已之深衷也？徒使令愛千金之軀作為話柄，閨中美秀竟作口談。萬一不曲全此事，徒使令愛有白頭之歎。吾竊為元帥惜之！今元帥為湯之大臣，天下三尺之童無不奉命；若一旦而如此，吾不知所稅駕①矣。乞元帥裁之。』鄧九公被散宜生一番言語說得默默沉思，無言可答。只見太鸞上前，附耳說：「如此如此，亦是第一妙計。」鄧九公聽太鸞之言，回嗔作喜曰：「大夫之言深屬有理，末將無不聽命。只小女因先妻早喪，幼而失教，予雖一時承命，未知小女肯聽此言。俟予將此意與小女商榷，再令人至城中回覆。」散宜生只得告辭，鄧九公送至營門而別。散宜生進城，將鄧九公言語從頭至尾說了一遍。子牙大笑曰：「鄧九公此計，怎麼瞞得我過！」懼留孫亦笑曰：「且看如何來說。」

① 稅駕：猶解駕。此散宜生指責鄧九公言而無信，不知以後吉凶如何。

豈得循私妄議。大夫今日見論，公則公言之，私則私言之，不必效舌劍唇鋒，徒勞往返耳。予心如鑽石，有死而已，斷不為浮言所搖。」散宜生笑曰：「吾與公既為敵國，安敢造次請見。只有一件大事，特來請一明示，無他耳。昨因拿有一將，係是元帥門婿；于盤問中，道及斯意。吾丞相不忍驟加極刑，以割人間恩愛，故命宜生親至轅門，特請尊裁。」鄧九公聽說，不覺大驚曰：「誰為吾婿，為姜丞相所擒？」散宜生說：「元帥不必故推，令婿乃土行孫也。」鄧九公聽說，不覺面皮通紅，心中大怒，厲聲言曰：「大夫在上：吾只有一女，乳名嬋玉，幼而喪母。吾愛惜不啻掌上之珠，豈得輕意許人？今雖及笄，所求者固眾，吾自視皆非佳婿。而土行孫何人，妄有此說也！」散宜生曰：「元帥暫行息怒，聽不才拜稟：古人相女配夫，原不專在門第。今土行孫亦不是無名小輩，彼原是夾龍山飛龍洞懼留孫門下高弟；因申公豹與姜子牙有隙，故說土行孫下山，來助元帥征伐西岐。昨日他師父下山，捉獲行孫在城，因窮其所事。彼言所以，雖為申公豹所惑，次為元帥以令愛相許，有此一段姻緣，彼因傾心為元帥而暗進岐城行刺，欲速成功，良有以也。昨已被擒，伏辜不枉。但彼再三哀求姜丞相，及師尊懼留孫曰：『為此一段姻緣，死不瞑目。』姜丞相與他師尊俱不肯赦，只予在旁勸慰：豈得以彼一時之過，而斷送人間好事哉？因勸姜丞相暫且留人。宜生不辭勞頓，特謁元帥，懇求俯賜人間好事，曲成兒女恩情，此亦元帥天地父母之心。故宜生不避斧鉞，特見尊顏，以求裁示。倘元帥果有此事，姜丞相仍將土行孫送還元帥，以遂姻親，再決雌雄耳。併無他說。」鄧九公曰：「大夫不知，此土行孫妄語耳。行孫乃申公豹所薦，為吾先行，不過一牙門裨將，吾何得驟以一女許之哉？彼不過借此為偷生之計，以辱吾女耳。大夫不可輕信。」

宜生曰：「元帥也不必固卻，此事必有他故。難道土行孫平白與此一番言語，其中定有委曲。想是元帥

倘元帥果有此言，自當以土行孫放回，以遂彼兒女之間，人間恩愛耳。幸蒙元帥見諾，俟議定回我。今將軍賜顧，元帥必有教我。」太鸞欠身答曰：「蒙丞相下問，末將敢不上陳。今特奉主帥之命，多拜上丞相，不及寫書；但主帥乃一時酒後所許，不意土行孫被獲，竟以此事倡明，主帥亦不敢辭。但主帥此女，自幼失母，主帥愛惜如珠；況此事須要成禮。後日乃吉日良辰，意欲散大夫同丞相親率土行孫入贅，以珍重其事，主帥方有體面，然後再面議軍國之事。不識丞相允否？」子牙曰：「我知鄧元帥乃忠信之士，但幾次天子有征伐之師至此，皆不由分訴，俱以強力相加；只我周這一段忠君愛國之心，併無背逆之意，不能見諒于天子之前，言之欲涕。今天假其便，有此姻緣，庶幾將我等一腔心事可以上達天子，表白于天下也。我等後日，親送上行孫至鄧元帥行營，吃賀喜筵席。乞將軍善言道達，姜尚感激不盡！」太鸞遜謝。子牙遂厚款太鸞而別。

太鸞出得城來，至營門前等令。左右報入營中：「有先行官等令。」鄧九公命：「令來。」太鸞至中軍，九公問曰：「其事如何？」太鸞將姜子牙應允後日親來言語，訴說一遍。鄧九公以手加額曰：「天子洪福，彼自來送死！」太鸞曰：「雖然大事已成，但防備不可不謹。」鄧九公吩咐：「還有力量軍士三百人，各藏短刀利刃，埋伏帳外，聽擊盃為號，左右齊出；不論子牙眾將，一頓刀剝為肉醬！」眾將士得令而退。命趙昇領一枝人馬，埋伏營左；候中軍砲響，殺出接應。又命孫焰紅領一枝人馬，埋伏營右；候中軍砲響，殺出接應。又命太鸞與子鄧秀在轅門賺住眾將。又吩咐後營小姐鄧嬋玉領一枝人馬，為三路救應使。鄧九公吩咐停當，專候後日行事。左右將佐俱去安排不表。

且說子牙送太鸞出府歸，與懼留孫商議曰：「必須如此如此，大事可成。」光陰迅速，不覺就是第

子牙曰：「動勞散大夫，俟九公人來，再為商議。」宜生退去不表。

且說鄧九公與太鸞曰：「適纔雖是暫允，此事畢竟當如何處置？」太鸞曰：「元帥明日可差一能言之士，說『昨日元帥至後營，與小姐商議，小姐已自聽允；只是兩邊敵國，恐無足取信，是必姜丞相親自至湯營納聘，小姐方肯聽信。』子牙如不來便罷，再為之計；若是他肯親自來納聘，彼必無帶重兵自衛之理，如此，只一匹夫可擒耳。若是他帶有將佐，元帥可出轅門迎接，至中軍用酒筵賺開他手下眾將，預先埋伏下驍勇將士，俟酒席中擊盃為號，擒之如囊中之物。西岐若無子牙，則不攻自破矣。」九公聞說大喜：「先行之言，真神出鬼沒之機！只是能言快語之人，臨機應變之士，吾知非先行不可。乞煩先行明日親往，則大事可成。」太鸞曰：「若元帥不以末將為不才，鸞願往周營叫子牙親至中軍，不勞苦爭惡戰，早早奏凱回軍。」九公大喜，一宿晚景不題。

次日，鄧九公降帳，命太鸞進西岐說親。太鸞辭別九公出營，至西岐城下，對守門官將曰：「吾是先行官太鸞；奉鄧元帥命，欲見姜丞相。煩為通報。」守城官至相府，報與姜丞相曰：「城下有湯營先行官太鸞求見，請令定奪。」子牙聽罷，對懼留孫曰：「大事成矣。」懼留孫亦自暗喜。子牙對左右曰：「速與我請來。」守門官同軍校至城下，開了城門，對太鸞曰：「丞相有請。」太鸞忙忙進城，行至相府下馬。左右通報：「太鸞進府。」子牙與懼留孫降階而接。太鸞控背躬身言曰：「丞相在上：末將不過馬前一卒，禮當叩見；豈敢當丞相如此過愛？」子牙曰：「彼此二國，俱係賓主，將軍不必過謙。」太鸞再四遜謝，方敢就坐。彼此溫慰畢，子牙以言挑之曰：「前者因懼道兄將土行孫擒獲，當欲斬首；彼因再四哀求，言鄧元帥曾有牽紅之約，乞我少緩須臾之死，故此著散大夫至鄧元帥中軍，問其的確。

「此是土行孫師父懼留孫也。」鄧九公忙致款曲曰：「久仰仙名，未曾拜識；今幸降臨，足慰夙昔。」懼留孫亦稱謝畢，彼此遜讓，進得轅門。子牙睜眼觀看，只見肆筵設席，結彩懸花，極其華美。怎見得，有詩為證，詩曰：

結彩懸花氣象新，麝蘭香靄襯重茵。屏開孔雀千年瑞，色映芙蓉萬谷春。

金鼓兩傍藏殺氣，笙簫一派鬱荊榛。孰知天意歸周主，十萬貔貅化鬼燐。

話說子牙正看筵席，猛見兩邊殺氣上沖，子牙已知就裡，便與土行孫眾將丟個眼色；眾人已解其意，俱親上帳來。鄧九公與子牙諸人行禮畢，子牙命左右擡上禮來。鄧九公方纔接禮單看玩，只見辛甲暗將信香取出，忙將擡盒內大砲燃著。一聲砲響，恍若地塌山崩。鄧九公吃了一驚，及至看時，只見腳夫一擁而前，各取出暗藏兵器，殺上帳來。鄧九公措手不及，只得望後就跑。太鸞與鄧秀見勢不諧，也往後逃走。只見四下伏兵盡起，喊聲振天。土行孫綽了兵器，望後營來搶鄧嬋玉小姐。子牙與眾人俱各搶上馬騎，各執兵刃廝殺。那三百名刀斧手如何抵擋得住？及至鄧九公等上得馬出來迎戰時，營已亂了。趙昇聞砲，自左營殺來接應，孫焰紅聽得砲響，從右營殺來接應；俱被辛甲、辛免等分頭截殺。鄧嬋玉方欲前來接應，又被土行孫敵住，彼此混戰。不意雷震子、南宮适兩枝人馬從左右兩邊裹來。成湯人馬反在居中，首尾受敵，如何抵得住？後面金吒、木吒等大隊人馬掩殺上來。鄧九公見勢不好，敗陣而走；軍卒自相踐踏，死者不計其數。鄧嬋玉見父親與眾將敗下陣走，也虛閃一刀，往正南上逃走。土行孫知嬋玉善于發石傷人，遂用綱仙繩祭起，將嬋玉網了，跌下馬來，被土行孫上前綽住，先擒進西岐城去了。子牙與眾將追殺鄧九公有五十餘里，方鳴金收軍進城。鄧九公與子鄧秀併太鸞、趙昇等直至岐山下方纔

三日。先一日，子牙命：「楊戩變化，暗隨吾身。」楊戩得令。子牙命選精力壯卒五十名，裝作擣糟驢夫；辛甲、辛免、太顛、閔天，四賢、八俊等充作左右應接之人，俱各暗藏利刃。又命雷震子領一枝人馬，搶他左哨，殺入中軍接應。再命南宮适領一枝人馬，搶他右哨，殺入中軍接應。金吒、木吒、龍鬚虎統領大隊人馬，救應搶親。子牙俱吩咐暗暗出營埋伏不表。怎見得，有詩為證，詩曰：

湯營此日瑞筵開，專等鷹揚大將來。執意子牙籌畫定，中軍砲響搶嬌才。

且說鄧九公其日與女嬋玉商議曰：「今日子牙送土行孫入贅，原是賺子牙出城，擒彼成功。吾與諸將分剖已定；你可將掩心甲緊束，以備搶將接應。」其女應允。鄧九公降帳，吩咐鋪氈搭彩，俟候子牙不題。且說子牙其日使諸將裝扮停當，乃命土行孫至前聽令。子牙曰：「你同至湯營，看吾號砲一響，你便進後營搶鄧小姐，要緊！」土行孫得令。子牙等至午時，命散宜生先行，子牙方出了城，望湯營進發。宜生先至轅門，太鸞接著，報于九公。九公降階，至轅門迎接散大夫。宜生曰：「前蒙金諾，今姜丞相已親自壓禮，同令婿至此；故特令下官先來通報。」鄧九公曰：「動煩大夫往返，尚容申謝。我等在此立等，如何？」宜生曰：「恐驚動元帥不便。」鄧九公曰：「不妨。」彼此等候良久，鄧九公遠遠望見子牙乘四不相，帶領腳夫一行不上五十人，並無甲冑兵刃。九公看罷，不覺暗喜。只見子牙同眾人行至轅門。子牙見鄧九公同太鸞、散宜生俱立候，子牙慌忙下騎。鄧九公迎上前來，打躬曰：「丞相大駕降臨，不才未得遠接，望乞恕罪。」子牙忙答禮曰：「元帥盛德，姜尚久仰芳譽，無緣未得執鞭❷；今幸天緣，得聲委曲，姜尚不勝幸甚！」只見懼留孫同土行孫上前行禮。九公問子牙曰：「此位是誰？」子牙曰：

❷ 執鞭：做馬夫，為執鞭趕車，此姜子牙謙虛之言。

進西岐。吾師與姜丞相聽得斯言，掐指一算，乃曰：「此子該與鄧小姐有紅絲繫足之緣，後來俱是周朝一殿之臣。」因此赦吾之罪，命散大夫作伐。小姐，你想：若非天緣，尊翁怎麼肯？小姐焉能到此？況今紂王無道，天下叛離，累伐西岐，不過魔家四將、聞太師、十洲三島仙眾皆自取滅亡，不能得志，天意可知，順逆已見。又何況尊翁區區一旅之師哉？古云：「良禽相木而棲，賢臣擇主而仕。」小姐今白固執，三軍已知土行孫成親。小姐縱冰清玉潔，誰人信哉？小姐請白三思！」鄧嬋玉被土行孫一席話說得低頭不語。

土行孫見小姐略有回心之意，又近前促之曰：「小姐自思，你是香閨艷質，天上奇葩；不才乃夾龍山門徒，相隔不啻天淵。今日何得與小姐玉體相親，情同夙覲？」便欲上前，強牽其衣。小姐見此光景，不覺粉面通紅，以手拒之曰：「事雖如此，豈得用強！候我明日請命與父親，再成親不遲。」土行孫此時情興已迫，按納不住，上前一把攔住；小姐抵死拒住。土行孫曰：「良時吉日，何必苦推，有誤佳期。」竟將一手去解其衣。小姐雙手推托，彼此扭作一堆。小姐終是女流，如何敵得土行孫過。不一時，滿面流汗，喘吁氣急，手已酸軟。土行孫乘隙將右手插入裡衣。嬋玉及至以手擋抵，不覺其帶已斷。反將雙手摺住裡衣，其力愈怯。土行孫得空，以手一抱，暖玉溫香，已貼滿胸懷。檀口香腮，輕輕緊搵。小姐嬌羞無主，將臉左右閃躲不得，流淚滿面曰：「如是恃強，定死不從！」土行孫那裡肯放，死死壓住。彼此推扭，又有一個時辰。

土行孫見小姐終是不肯順從，乃給③之曰：「小姐既是如此，我也不敢用強，只恐小姐明日見了尊

③ 給：音勿、欺騙。

收集敗殘人馬，查點軍卒，見沒了小姐，不覺傷感。指望擒拿子牙，孰知反中奸計，追悔無及。只得暫扎住營寨不表。

且說子牙與懼留孫大獲全勝，進城，降銀安殿坐下，諸將報功畢。子牙對懼留孫曰：「命土行孫乘今日吉日良時，與鄧小姐成親，何如？」懼留孫曰：「貧道亦是此意，時不宜遲。」子牙命土行孫：「你將鄧嬋玉帶至後房，乘今日好日子，成就你夫婦美事。明日我另有說話。」土行孫領命。子牙又命侍兒：「攙鄧小姐到後面，安置新房內去，好生伏侍。」鄧小姐嬌羞無那，含淚不語；被左右侍兒挾持往後房去了。子牙命諸將吃賀喜酒席不題。

且說鄧小姐攙至香房，土行孫上前迎接，嬋玉一見土行孫笑容可掬，便自措身無地，淚雨如傾，默默不語。土行孫又百般安慰。嬋玉不覺怒起，罵曰：「無知匹夫，賣主求榮！你是何等之人，敢妄自如此？」土行孫陪著笑臉答曰：「小姐雖千金之軀，不才亦非無名之輩，也不辱沒了你。況小姐曾受我療疾之恩，又是你尊泰山親許與我，俟行刺武王回兵，將小姐入贅，人所共知。且前日散大夫先進營與尊翁面訂，今日行聘入贅，丞相猶恐尊翁推托，故略施小計，成此姻緣。小姐何苦固執？」嬋玉曰：「我父親許散宜生之言，原是賺姜丞相之計，不意誤中奸謀，落在彀中，有死而已。」土行孫曰：「小姐差矣！別的好做口頭話，夫妻可是暫許得的？古人一言為定，豈可失信。況我等俱是闡教門人，只因誤聽中公豹唆使，故投尊翁帳下以圖報效；昨被吾師下山，擒進西岐，責吾暗進西岐行刺武王、姜丞相，有辱闡教，背本忘師，逆天助惡，欲斬吾首，以正軍法，吾哀告師尊，姜丞相定欲行刑；吾只得把初次擒哪吒、黃天化，尊翁泰山晚間飲酒將小姐許我，俟旋師命吾入贅，我只因欲就親事之心急，不得已方暗

肉至親，當如何區處？」上行孫上前曰：「嬋玉適纔正為此事與弟子商議。懇求師叔開惻隱之心，設一計策，兩全其美。此師叔莫大之恩也。」子牙曰：「此事也不難。若嬋玉果有真心為國，只消得親自去說他父親歸周，有何難處！但不知嬋玉可肯去否？」鄧嬋玉上前跪而言曰：「丞相在上：賤妾既已歸周，豈敢又蓄兩意？早晨嬋玉已欲自往說父親降周，惟恐丞相不肯信妾真情，致生疑慮。若丞相肯命妾說父親降，自不勞張弓設箭，妾父自為周臣耳。」子牙曰：「我斷不疑小姐反復；只恐汝父不肯歸周，又生事端耳。今小姐既欲親往，吾撥軍校隨去。」嬋玉拜謝子牙，領兵卒出城，望岐山前來不表。

且說鄧九公收集殘兵，駐紮一夜；至次日陞帳，其子鄧秀、太鸞、趙昇、孫焰紅侍立。九公曰：「吾自行兵以來，未嘗遭此大辱；今又失吾愛女，不知死生，正是羊觸藩籬，進退兩難，奈何！奈何！」太鸞曰：「元帥可差官齎表進朝告急，一面探聽小姐下落。」正遲疑間，左右報曰：「小姐領一枝人馬，打西周旗號，至轅門等令。」太鸞等驚愕不定。鄧九公曰：「令來。」左右開了轅門，嬋玉下馬，進轅門來，至中軍，雙膝跪下。鄧九公看見如此行徑，慌立起問曰：「我兒這是如何說？」嬋玉不覺流淚言曰：「孩兒不敢說。」鄧九公曰：「你有甚麼冤屈？站起來說無妨。」嬋玉曰：「孩兒係深閨幼女，此事俱是父親失言，弄巧成拙。父親平空將我許了上行孫，勾引姜子牙做出這番事來，將我擒入西岐，強逼為婚。如今追悔何及！」鄧九公聽得此言，誠得魂飛天下，半晌無言。嬋玉又進言曰：「孩兒今已失身為上行孫妻子，欲保全爹爹一身之禍，不得不來說明。今紂王無道，天下分崩，三分天下，有二歸周。其天意人心，不卜可知。縱有閔太師、魔家四將與十洲三島真仙，俱皆滅亡。順逆之道明甚。今孩兒不幸，歸順西岐，不得不以利害與父親言之。父親今以愛女輕許敵國，姜子牙親進湯營行禮，父親雖是謙

翁變卦，無以為信耳。」小姐忙曰：「我此身已屬將軍，安有變卦之理？只將軍肯憐我，容見過父親，庶成我之節；我若有負初心，定不逢好死。」土行孫曰：「既然如此，賢妻請起。」土行孫將一手攙抱其頸，輕輕扶起。鄧嬋玉以為真心放她起來，不曾提防，將身起時，便用一手推開土行孫之手。土行孫乘機將雙手插入小姐腰裡，抱緊了一摟，腰已鬆了，裡衣逕往下一卸。鄧嬋玉被土行孫所算，及落手相持時，已被雙肩隔住手，如何下得來！小姐展掙④不住，不得已言曰：「將軍薄倖！既是夫妻，如何哄我？」土行孫曰：「若不如此，賢妻又要千推萬阻。」小姐惟閉口不言，嬌羞滿面，任土行孫解帶脫衣。二人扶入錦被，嬋玉對土行孫曰：「賤妾係香閨幼稚，不識雲雨，乞將軍憐護。」土行孫曰：「小姐嬌香艷質，不才飲德久矣，安敢狂逞。」正是：

翡翠衾中，初試海棠新血；鴛鴦枕上，漫飄桂蕊奇香。

彼此溫存，交相慕戀，極人間之樂，無過此時矣，後人有詩單道子牙妙計，成就二人美滿前程。詩曰：

妙算神機說子牙，運籌帷幄更無差。百年好事今朝合，莫把紅絲孟浪誇。

話說土行孫與鄧嬋玉成就夫妻，一晷晚景已過。次日，夫妻二人起來，梳洗已畢。土行孫曰：「我二人可至前殿，叩謝姜丞相與我師尊撫育成就之恩。」嬋玉曰：「此事固當要謝；但我父親昨日不知敗于何地，豈有父子事兩國之理？乞將軍以此意道達于姜丞相得知，作何區處，方保兩全。」土行孫曰：「賢妻之言是也。伺上殿時，就講此事。」話猶未了，只見子牙降殿，眾將上殿參謁畢。土行孫與鄧嬋玉夫妻二人上前叩謝。子牙曰：「鄧嬋玉今屬周臣，爾父尚抗拒不服。我欲發兵前去擒勦，但你係他骨

前拜畢。紂王曰：「朕無旨宣卿，卿有何奏章？就此批宣。」張謙俯伏奏曰：「今日汜水關韓榮進有奏章，臣不敢隱匿；雖觸龍怒，臣就死無辭。」紂王聽說，命當駕官：「即將韓榮本拿來朕看。」張謙忙將韓榮本展于紂王龍案之上。紂王看未完，不覺大怒曰：「鄧九公受朕大恩，今一旦歸降叛賊，情殊可恨！待朕降殿，與臣共議，定拿此一班叛臣，明正伊罪，方泄朕恨！」張謙只得退下樓來，候天子臨軒。只見九間殿上，鐘鼓齊鳴，眾官聞知，忙至朝房伺候。

須臾，孔雀屏開，紂王駕臨，登寶座傳旨：「命眾卿面議。」眾文武齊至御前，俯伏候旨。紂王曰：「今鄧九公奉詔征西，不但不能伐叛奏捷，反將己女私婚敵國，歸降逆賊，罪在不赦；除擒拿逆臣家屬外，必將逆臣拏獲，以正國法。卿等有何良策，以彰國之常刑？」紂王言未畢，有中諫大夫飛廉出班奏曰：「臣觀西岐抗禮拒敵，罪在不赦。然征伐大將，得勝者或有捷報御前，失利者懼罪即歸伏西土，何日能奏捷音也？依臣愚見，必用至親骨肉之臣征伐，庶無二者之虞；且與國同為休戚，自無不奏捷者。」紂王曰：「君臣父子，總係至戚，又何分彼此哉？」飛廉奏曰：「臣保一人征伐西岐，姜尚可擒，大功可奏。」紂王曰：「卿保何人？」飛廉奏曰：「要克西岐，非冀州侯蘇護不可。一為陛下國戚；二為諸侯之長，凡事無有不用力者。」紂王聞言大悅：「卿言甚善。」即令軍政官速發黃旄、白鉞，使命齎詔前往冀州。不知勝負如何，且聽下回分解。

評

辭，誰肯信之！父親況且失師辱國，歸商自有顯戮。孩兒乃奉父命歸適良人，自非私奔桑濮⑤之地，父親亦無罪孩兒之處。父親若肯依孩兒之見，歸順西周，改邪歸正，擇主而仕；不但骨肉可以保全，實是棄暗投明，從順棄逆，天下無不忻悅。」九公被女兒一番言語說得大是有理，自己沉思：「欲奮勇行師，眾寡莫敵；欲收軍還國，事屬嫌疑。」沉吟半晌，對嬋玉曰：「我兒，你是我愛女，我怎的捨得你！只是天意如此。但我羞入西岐，屈膝與子牙耳。如之奈何？」嬋玉曰：「這有何難！姜丞相虛心下士，並無驕矜。父親果真降周，孩兒願先去說明，令子牙迎接。」九公見嬋玉如此說，命嬋玉先行，鄧九公領眾軍歸順西岐不題。

且說鄧嬋玉先至西岐城，入相府對子牙將上項事訴說一遍。子牙大喜，命左右排隊伍出城，迎接鄧元帥；左右聞命，俱披執迎接里餘之地。已見鄧九公軍卒來至，子牙曰：「元帥請了！」九公連在馬上欠背躬身曰：「末將才疏智淺，致蒙譴責，理之當然。今已納降，望丞相恕罪。」子牙忙勒騎向前，攜九公手，並轡而言曰：「今將軍既知順逆，棄暗投明，俱是一殿之臣，何得又分彼此。況令愛又歸吾門下師侄，吾又何敢賺將軍哉？」九公不勝感激。二人俱至相府下馬，進銀安殿，重整筵席，同諸將飲慶賀酒，一宿不題。次日，見武王，朝賀畢。

且不言鄧九公歸周，只見探馬報入汜水關，韓榮聽得鄧九公納降，將女私配敵國，韓榮飛報至朝歌。有上大夫張謙看本，見此報大驚，忙進內打聽，皇上在摘星樓，只得上樓啟奏。左右見上大夫進疏，慌忙奏曰：「啟陛下：今有上大夫張謙候旨。」紂王聽說，命：「宣上樓來。」張謙聞命上樓，至滴水簷

第五十七回

冀州侯蘇護伐西岐

蘇侯有意欲歸周，紂主江山似浪浮。紅日已隨山後卸，落花空逐水東流。

人情久欲投明聖，世局翻為急浪舟。貴戚親臣皆已散，獨夫猶自臥紅樓。

話說天使離了朝歌，前往冀州，一路無詞，翌日來至冀州館驛安下。次日，報至蘇侯府內。蘇侯即至館驛接旨。焚香拜畢，展詔開讀，詔曰：

朕聞征討之命，皆出于天子；闔外之寄，實出于元戎。建立功勳，威鎮海內，皆臣子分內事也。茲西岐姬發肆行不道，抗拒王師，情殊可恨。特敕爾冀州侯蘇護，總督六師，前往征伐；必擒獲渠魁，殄滅禍亂。俟旋師奏捷，朕不惜茅土以待有功。爾其勗哉！特詔。

話說蘇侯閱讀旨意畢，心中大喜。管待天使，齎送程費，打發天使起程。蘇侯暗謝天地曰：「今日吾方得洗一身之冤，以謝天下。」忙令後廳治酒，與子全忠、夫人楊氏共飲，曰：「我不幸生女姐己，進上朝歌。誰想這賤人盡違父母之訓，無端作孽，迷惑紂王，無所不為；使天下諸侯銜恨于我。今武王仁德播于天下，三分有二盡歸于西周。不意昏君反命吾征伐，吾得遂平生之願。我明日意欲將滿門家眷帶在行營，至西岐歸降周王，共享太平；然後會合諸侯，共伐無道，使我蘇護不得遺笑于諸侯，受譏于後世，亦不失丈夫之所為耳。」夫人大喜：「將軍之言甚善，正是我母子之心。」且說次日殿上鼓響，眾將軍

子牙收伏鄧九公，其計雖巧，然非散宜生舌辯，不能以成其巧；非太驚之贊助，不足以湊其巧，此正謂天機湊巧，特借人力以曲全之耳。若專以人力巧謀，曲取固不可；若專任天機湊合亦不可，惟善於乘時者自識之。

中鎗赴面交還。牛馬相交，鎗戟并舉。怎見得：

二將陣前勢無比，撥開牛馬定生死。這一箇鋼鎗搖動鬼神愁，那一箇畫戟展開分彼此。一來一往勢無休，你生我活誰能已？從來惡戰不尋常，攪海翻江無底止。

話說黃飛虎大戰趙丙，二十回合，被飛虎生擒活捉，拿解相府來見子牙。報入府中，子牙令飛虎進見：「將軍出陣，勝負若何？」飛虎曰：「生擒趙丙，聽令定奪。」子牙命：「推來。」士卒將趙丙擁至殿前，趙丙立而不跪。子牙曰：「既已被擒，尚何得抗禮？」趙丙曰：「奉命征討，指望成功；不幸被擒，唯死而已，何必多言！」子牙傳令：「暫且囚于禁中。」

且說蘇侯聞報趙丙被擒，低首不語。只見鄭倫在旁曰：「君侯在上：黃飛虎自恃強暴，待明日拿來，解往朝歌，免致生靈塗炭。」次日，鄭倫上了火眼金睛獸，提了降魔杵，往城下請戰。左右報入相府，子牙令黃將軍出陣走一遭。飛虎領令出城，見一員戰將，面如紫棗，十分梟惡，騎著火眼金睛獸。怎見得，有詩為證。詩曰：

道術精奇別樣粧，降魔寶杵世無雙。忠肝義膽堪稱誦，無奈昏君酒色荒。

話說飛虎大呼曰：「來者何人？」鄭倫曰：「吾乃蘇侯麾下鄭倫是也。黃飛虎，你這叛賊！為你屢年征伐，百姓遭殃，今天兵到日，尚不投戈伏誅，意若何為？」飛虎曰：「鄭倫，你且回去，請你主將出來，吾自有說話。你若是不知機變，如趙丙自投陷身之禍！」鄭倫大怒，掄杵就打，黃飛虎手中鎗急架相還。二獸相交，鎗杵并舉，兩家大戰三十回合。鄭倫把杵一擺，他有三千烏鴉兵走動，行如長蛇之勢。鄭倫竄中兩道白光往鼻子裡出來。「哼」的一聲響，黃將軍正是：

參見。蘇護曰：「天子敕下，命吾西征。眾將整備起行。」眾將得令，整點十萬人馬，即日祭寶纛旗，收拾起兵。同先行官趙丙、孫子羽、陳光、五軍救應使鄭倫，即日離了冀州，軍威甚是雄偉。怎見得，有贊為證，贊曰：

殺氣征雲起，金鑼鼓又鳴。旛幢遮瑞日，劍戟鬼神驚。平空生霧彩，遍地長愁雲。閃翻銀葉甲，撥轉皂雕弓。人似離山虎，馬如出水龍。頭盔生燦爛，鎧甲砌龍麟。離了冀州界，西去安營。
蘇侯行兵非止一日，有探馬報入中軍：「前是西岐城下。」蘇侯傳令安營結寨，陞帳坐下。眾將參謁，立起帥旗。

且說子牙在相府，收四方諸侯本請武王伐紂。忽報馬入府：「啟老爺：冀州侯蘇護來伐西岐。」子牙問黃飛虎曰：「久聞此人善能用兵，黃將軍必知其人，請言其概。」黃飛虎曰：「蘇護秉性剛直，不似諂媚無骨之夫；名為國戚，與紂王有隙，一向要歸周，時常有書至末將處。此人若來，必定歸周，再無疑惑。」子牙聞言大悅。且說蘇侯三日未來請戰，黃飛虎上殿見子牙，曰：「蘇侯按兵不動，待末將探他一陣，便知端的。」子牙許之。飛虎領令，上了五色神牛，出得城來，一聲炮響，立于轅門，大呼曰：「請蘇侯答話！」探馬報入中軍，蘇侯令先行官見陣。趙丙領令，上馬提方天戟逕出轅門；認的是武成王黃飛虎。趙丙曰：「黃飛虎，你身為國戚，不思報本，無故造反，致起禍端，使生民塗炭，屢年征討不息；今奉旨特來擒你，尚不下馬受縛，猶自支吾！」搖戟刺來。黃飛虎將鎗架住，對趙丙曰：「你好好回去，請你主將出來答話，吾自有道理。你何必自逞其強也！」趙丙大怒：「既奉命來擒你報功，豈得猶以語言支吾！」又一戟刺將來。黃飛虎大怒：「好大膽匹夫！焉敢連刺吾兩戟！」催開神牛，手

天化眼光暴露，威風凜凜，一表非俗，立而不跪。蘇侯也命監在後營。黃天化入後營，看見父親監禁在此，大呼曰：「爹爹！我父子遭妖術成擒，心中甚是不服！」飛虎曰：「雖是如此，當思報國。」按下黃家父子，且說探馬報入相府：「黃天化又被擒去。」子牙大驚：「黃將軍說蘇侯有意歸周，不料擒他父子！」子牙心中納悶。且說鄭倫捉了二將，軍威甚盛，次日又來請戰，探馬報入相府。子牙急令：「何人走遭？」言未畢，土行孫答曰：「弟子歸周，寸功未立，願去走一遭，探其虛實，何如？」子牙許之。土行孫方領令出府；旁有鄧嬋玉上前告曰：「末將父子蒙恩，當得掠陣。」子牙並許之。鄭倫聽得城內砲響，見兩扇門開，旗旛磨動，見一女將飛來，怎見得，有詩為證，詩曰：

此女生來錦織成，腰肢一搦體輕盈。西岐山下歸明主，留得芳名照汗青。

話說鄭倫見城內女將飛馬而來，不曾看見土行孫出來。土行孫生得矮小，鄭倫只看了前面，未曾照看面前。土行孫大呼曰：「那匹夫！你看那裡？」鄭倫往下一看，見是箇矮子。鄭倫笑曰：「你那矮子，來此做甚麼？」土行孫曰：「吾奉姜丞相將令，特來擒爾！」鄭倫復大笑曰：「看你這廝，形似嬰孩，乳毛未退，敢出大言，自來送死！」土行孫聽見罵他甚是卑微，大叫：「好匹夫！焉敢辱我！」使開鐵棍，一滾而來，就打金睛獸的蹄子。鄭倫急用杵來迎架，只是撈不著。大抵鄭倫坐的高，土行孫身子矮小，故此往下打費力。幾個回合，把鄭倫掙了一身汗，反不好用力，心裡焦躁起來，把杵一晃，那烏鴉兵飛走而來。土行孫不知那裡響，鄭倫把鼻子裡白光噴出，哼然有聲。土行孫眼看耳聽，魂魄盡散，一交跌在地下。烏鴉兵把土行孫拿了，綁將起來。土行孫睜開眼，見渾身上了繩子，道聲：「噫！倒有趣！」土行孫綁著，鄧嬋玉看見，走馬大呼曰：「匹夫不必逞兇擒將！」把刀飛來直取。鄭倫手中杵劈面打來。

見白光三魂即散，聽聲響撞下鞍轡。

烏鴉兵用撓鉤搭住，一躍上前拿翻，剝了衣甲，繩纏索綁。飛虎上了繩子，二目方睜。飛虎點首曰：「今日之擒，如同做夢一般，真是心中不服！」鄭倫掌得勝鼓回營，來見蘇侯，入帳報功：「今日生擒反叛黃飛虎至轅門，請令發落。」蘇侯令：「推來。」小校將飛虎推至帳前，飛虎曰：「今被邪術受擒，願請一死，以報國恩。」蘇侯曰：「本當斬首，且監候，留解朝歌，請天子定罪。」左右將黃飛虎送下後營。

且說報馬報入相府，言黃飛虎被擒。子牙大驚曰：「如何擒去？」掠陣官啟曰：「蘇侯麾下有一鄭倫，與武王正戰之間，只見他鼻子裡放出一道白光，黃將軍便墜騎被他拿去。」子牙心下十分不樂：「又是左道之術！」只見黃天化在旁，聽見父親被擒，恨不得平吞了鄭倫。當日晚間不題。次日，天化上帳，請令出陣，以探父親消息；子牙許之。天化領令，上了玉麒麟，出城請戰。探馬報入營中：「有將請戰。」蘇侯曰：「誰去見陣走一遭？」鄭倫答曰：「願往。」上了金睛獸，砲聲響處，來至陣前。黃天化曰：「爾乃是鄭倫？擒武王者是你？不要走，吃吾一鎚！」一似流星閃灼光輝，呼呼風響。鄭倫忙將杵劈面相還。二將交兵，未及十合。鄭倫見天化腰束著絲絛，是個道家之士，「若不先下手，恐反遭其害。」把杵望空中一擺，烏鴉兵齊至，如長蛇一般。鄭倫鼻竅中一道白光吐出，如鐘鳴一樣。天化看見白光出竅，耳聽其聲，坐不住玉麒麟，翻身落騎。烏鴉兵依舊把天化綁縛起來。急睜目開眼，不知其身已受縛縛。

鄭倫又擒黃天化進營來見。鄭倫曰：「末將擒黃天化已至轅門等令。」蘇侯令：「推至中軍。」見

看見，心下著忙。只見鄭倫對著哪吒一聲哼，哪吒無魂魄，怎能跌得下輪來？鄭倫見用此術不能響應，大驚曰：「吾師秘授，隨時響應，今日如何不驗？」又將白光吐出鼻子竅中。哪吒見頭一次不驗，第二次就不理他。鄭倫著忙，連哼第三次。哪吒笑曰：「你這匹夫害的是甚麼病？只管哼！」鄭倫大怒，把杵劈頭亂打，又戰三十回合。哪吒把乾坤圈祭在空中，一圈打將下來。鄭倫難逃此厄，正中其背，只打得筋斷骨折，幾乎墜騎，敗回行營。哪吒得勝，回來見子牙，將「鄭倫如此如彼被乾坤圈打傷，敗回去」說了一遍。子牙大喜，上了哪吒功不表。

且說蘇侯在中軍，聞鄭倫失機來見；蘇侯見鄭倫著傷，站立不住，其實難當。蘇侯借此要說鄭倫，乃慰之曰：「鄭倫，觀此天命有在，何必強為！前聞天下諸侯歸周，俱欲共伐無道，只聞太師屢欲扭轉天心，故此俱遭屠戮，實生民之難。我今奉敕征討，你得功莫非暫時僥倖耳。吾見你著此重傷，心下甚是不忍。我與你名為主副之將，實有手足之情。今見天下紛紛，刀兵未息，此乃國家不祥，人心、天命可知。昔堯帝之子丹朱不肖，堯崩，天下不歸丹朱而歸舜。舜之子商均亦不肖，舜崩，天下不歸商均而歸禹。方今世亂如麻，真假可見，從來天運循環，無往不復。今主上失德，暴虐亂常，天下分崩，黯然氣象，莫非天意也。我觀你遭此重傷，是上天警醒你我耳。我思：『順天者昌，逆天者亡。』不若歸周，共享安康，以伐無道。此正天心人意，不卜可知。你意下如何？」鄭倫聞言，正色大呼曰：「君侯此言差矣！天下諸侯歸周，君侯不比諸侯，乃是國戚；國亡與亡，國存與存。今君侯受紂王莫大之恩，娘娘享宮闈之寵，今一旦負國，謂之不義。今國事艱難，不思報效，而欲歸反叛，謂之不仁。鄭倫竊為君侯不取也！若為國捐生，捨身報主，不惜血肉之軀以死白誓，乃鄭倫忠君之願，其他非所知也。」蘇

嬋玉未及數合，撥馬就走，鄭倫不趕。佳人掛下刀，取五光石，側坐鞍轡，回手一石。正是：

從來暗器最傷人，自古婦人為更毒。

鄭倫「哎呀！」的一聲，面上著傷，敗回營中來見蘇侯。蘇侯曰：「鄭倫，你失機了？」鄭倫答曰：「拿了一個矮子，纔待回營；不意有一員女將來戰，未及數合，回馬就走，未將不曾趕他，他便回手一石，急自躲時，面上已著了傷。如今那箇矮子拿在轅門聽令。」蘇侯傳令：「推將進來。」眾將卒將土行孫簇擁推至帳下。蘇侯曰：「這樣將官，拿他何用！推出去斬了！」土行孫曰：「且不要斬，我回去說個信來。」蘇侯笑曰：「這是個獸子！推出斬了！」土行孫曰：「你不肯，我就跑了。」眾人大笑。正是：

仙家秘授真奇妙，迎風一晃影無蹤。

眾人一見大驚，忙至帳前來，稟啟元帥：「乃纔將矮子推出轅門，他把身子一扭就不見了。」蘇侯歎曰：「西岐異人甚多，無怪屢次征伐，俱是片甲不回，無能取勝。」嗟歎不已。鄭倫在旁只是切齒；自己用丹藥敷貼，欲報一石之恨。次日，鄭倫又來請戰，坐名要女將，鄧嬋玉就要出馬。子牙曰：「不可。他此來必有深意。」哪吒應曰：「弟子願往。」子牙許之。哪吒上了風火輪，出城大呼曰：「來者可是鄭倫？」鄭倫答曰：「然也。」哪吒不答話，登輪就殺，鄭倫急用杵相還。輪獸交兵，怎見得，有贊為證，贊曰：

哪吒怒發氣吞牛，鄭倫惡性展雙眸。火尖鎗擺噴雲霧，寶杵施開轉捷稠。這一個傾心輔佐周王駕，那一個有意能分紂主憂。二將大戰西岐地，海沸江翻神鬼愁。

話說鄭倫大戰哪吒，恐哪吒先下手，把杵一擺，烏鴉兵如長蛇陣一般，都拿著撓鉤套索前來等著。哪吒

忠曰：「不若乘鄭倫身著重傷，修書一封，打入城中，知會子牙前來劫營，將鄭倫生擒進城，看他歸順不歸順，任姜丞相處治。孩兒與爹爹早得歸周，恐後致生疑惑。」蘇護曰：「此計雖好，只是鄭倫也是箇好人，必須周全得他方好。」全忠曰：「只是不好傷他性命便了。」蘇護大喜：「明日准行。」父子計較停當，來曰行事。有詩為證，詩曰：

蘇護有意欲歸周，怎奈門官不肯投。只是子牙該有厄，西岐傳染病無休。

話說鄭倫被哪吒打傷肩背，雖有丹藥，只是不好；一夜聲喚，睡臥不寧，又思：「主將心意歸周，恨不能即報國恩，以遂其忠悃。其如凡事不能就緒，如之奈何！」且說蘇護次日陞帳，打點行計，忽聽得把轅門旗官報入中軍：「有一道人，三隻眼穿大紅袍，要見老爺。」蘇護不是道家出身，不知道門尊大，便叫：「令來。」左右出轅門，報與道人。道人聽得叫「令來」，不曾說個「請」字，心下鬱鬱不樂；欲待不進營去，恐辜負了申公豹之命。道人自思：「且進營去，看他何如。」只得忍氣吞聲進營，來至中軍。蘇侯見道人來，不知何事。道人見蘇侯曰：「貧道稽首了！」蘇侯亦還禮畢，問曰：「道者今到此間，有何見諭？」道者曰：「貧道特來相助老將軍，其破西岐，擒反賊，以解天子。」蘇侯曰：「道者住居那裡？從何處而來？」道人答曰：「吾從海島而來。有詩為證，詩曰：

弱水行來不用船，週遊天下妙無端。陽神出竅人難見，水虎牽來事更玄。

九龍島內經修煉，截教門中我最先。若問衲子名何姓？呂岳聲名四海傳。」

話說道人作罷詩，對蘇護曰：「衲子乃九龍島聲名山煉氣士是也，姓呂，名岳；乃申公豹請我來助老將軍。將軍何必見疑乎？」蘇侯欠身請坐，呂道人也不謙讓，就上坐了。只聽得鄭倫聲喚曰：「痛殺吾也！」

護曰：「將軍之言雖是，古云：『良禽擇木而棲，賢臣擇主而事。』古人有行之不損令名者，但只是也。黃飛虎官居王位，今主上失德，有乖天意，人心思亂，故捨紂而歸周。鄧九公見武王、子牙以德行仁，知其必昌，紂主無道，知其必亡，亦捨紂而從周。所以人要見機，順時行事，不失為智。你不可執迷，恐後悔無及。」鄭倫曰：「君侯既有歸周之心，我決然不順從于反賊。待我早間死，君侯早上歸周；我午後死，君侯午後歸周。我忠心不改，此頸可斷，心不可汙！」轉身回帳，調養傷痕不題。

且說蘇侯退帳，沉思良久，命蘇全忠後帳治酒。一鼓時分，命全忠往後營，把黃飛虎父子放了，請到帳前。蘇護下拜請罪，言曰：「末將有意歸周久矣。」黃飛虎忙答拜曰：「今蒙盛德，感賜再生。前聞君侯意欲歸周，使我心懷渴想，喜如雀躍，故末將纔至營前，欲會君侯，問其虛實耳。不期被鄭倫所擒，有辱君命。今蒙開其生路，有何吩咐，愚父子惟命是從。」蘇護曰：「不才久欲歸周，不能得使。今奉敕西征，實欲乘機歸順，怎奈偏將鄭倫堅執不允。我將言語開說上古順逆有歸之語，他只是不從。今特設此酒，請大王、公子少敘心曲，以贖不才冒瀆之罪。」飛虎曰：「君侯既肯歸順，宜當速行。雖然鄭倫執拗，只可用計除之。大丈夫先立功業，共扶明主，重名竹帛，豈得區區效匹夫匹婦之小忠小諒哉！」酒至三更，蘇護起身言曰：「大王、賢公子，出後糧門，回見姜丞相，把不才心事呈與丞相，以知吾之心腹也。」遂送黃飛虎父子回城。飛虎至城下叫門，城上聽得是武成王，不敢貪夜開門，來報了牙。子牙聽得是三更天氣，報：「黃飛虎回來。」忙傳令開城門。少時，飛虎至相府來見子牙。子牙曰：「黃將軍被妖惡所獲，為何貪夜而歸？」黃飛虎把蘇護心欲歸周之事，一一說了一遍，「只是鄭倫把持，不得遂其初心。再等一兩日，他自有處治。」不表飛虎回城，且說蘇侯父子不得歸周，作何商議？蘇全

飲至二鼓方散。次日，蘇侯昇帳，又見來了四位道者，心下十分不悅，懊惱在心。呂岳曰：「今日你四人誰往西岐走一遭？」內有一道者曰：「弟子願往。」呂岳許之。那道人抖擻精神，白特胸中道術，出營步行，來會西岐。不知吉凶如何，且聽下回分解。

評

蘇侯擇主而事，棄暗投明，固是賢士；但身係紂王戚臣，不思捨身報主，效龍逢比干，以直諫死，真有愧於諸君子萬世之下。以此為口實者，蘇侯其罪之魁乎！

又評

鄭倫乃裨將也，知有君而不知有身，真是有血性男子。看其對蘇侯數語，真使蘇侯父子汗下。

呂道人問：「是何人叫苦？」蘇侯暗想：「把鄭倫扶出來，誑他一誑。」蘇侯答曰：「是吾軍大將鄭倫，被西岐將官打傷了，故此叫苦。」呂道人曰：「且扶他出來，待吾看看何如？」左右把鄭倫扶將出來。呂道人一看，笑曰：「此是乾坤圈打的，不妨，待吾救你。」豹皮囊中取出一個葫蘆，倒出一粒丹藥，用水研開，敷于上面，如甘露沁心一般，即時痊癒。鄭倫今得重傷痊癒，正是：

猛虎又生雙脇翅，蛟龍依舊海中來。

鄭倫傷痕痊癒，遂拜呂岳為師。呂道人曰：「你既拜吾為師，助你成功便了。」帳中靜坐，不語三日。蘇侯歎曰：「正要行計，又被道人所阻，深為可恨！」且說鄭倫見呂岳不出去見陣，上帳啟曰：「老師既為成湯，弟子聽候老師法旨，可見陣會會姜子牙。」呂岳曰：「吾有四位門人未曾來至，但他們一來，管取你克了西岐，助你成功。」又過數日，來了四位道人，至轅門問左右曰：「裡邊可有一呂道長麼？煩為通報：有四門人來見。」軍政官報入中軍：「啟老爺：有四位道人要見老爺。」呂岳曰：「是吾門人來也。」著鄭倫出轅門來請。

鄭倫至轅門，見四道者臉分青、黃、赤、黑，或挽抓髻，或戴道巾，或似頭陀，穿青、紅、黃、皂，身俱長一丈六七尺，行如虎狼，眼露睛光，甚是凶惡。鄭倫欠身躬身曰：「老師有請。」四位道人也不謙讓，逕至帳前，見呂道人行禮畢，口稱老師，兩邊站立。呂岳問曰：「為何來遲？」內有一穿青者答曰：「因攻伐之物未曾製完，故此來遲。」呂岳謂四門人曰：「這鄭倫乃新拜吾為師的，亦是你等兄弟。」鄭倫重新又與四人見禮畢。鄭倫欠身請問曰：「四位師兄高姓大名？」呂岳用手指著一位曰：「此位姓周，名信；此位姓李，名奇；此位姓朱，名天麟；此位姓楊，名文輝。」鄭倫也通了名姓，遂治酒管待，

滿月，三柳長髯。怎見得，有詩為證，詩曰：

面如滿月眼如球，淡黃袍服繡花禽。絲絲上下飄瑞彩，腹內玄機海樣深。

五行道術般般會，灑豆成兵件件精。兌地行瘟號使者，正屬西方庚辛金。

話說木吒大喝曰：「你是何人？敢將左道邪術困吾兄長，使他頭疼？想就是你了！」李奇曰：「非也。那是吾道兄周信。吾乃呂祖門人李奇是也。」木吒大怒：「都是一班左道邪黨！」輕移大步，執劍當空來取李奇，李奇手中劍劈面交還。二人步戰之間，劍分上下，要賭雌雄：一個是肉身成聖的木吒，施威仗勇；一個是瘟部內有名的惡煞，展開凶光。往來未及五七回合，李奇便走，木吒隨後趕來。二人步行，趕不上一射之地，李奇取出一旛，拿在手中，對木吒連搖數搖。木吒打了一個寒噤，不去追趕。李奇也全然不理，逕進大營去了。且說木吒一會兒面如白紙，渾身上如火燎，心中似油煎，解開袍服，赤身來見子牙，只叫：「不好了！」子牙大驚，急問：「怎的這等回來？」木吒跌倒在地，口噴白沫，身似炭火。子牙命扶往後房。子牙問掠陣官：「木吒如何這樣回來？」掠陣官把木吒追趕，搖旛之事說了一遍。子牙不知其故，「此又是左道之術！」心中甚是納悶。

且說李奇進營，回見呂岳。道人問曰：「今日會何人？」李奇曰：「今日會木吒，弟子用法旛一展，無不響應，因此得勝，回見尊師。」呂岳大悅，心中樂甚，乃作一歌，歌曰：

「不負玄門訣，工夫修煉來。爐中分好歹，火內辨三才。

陰陽定左右，符印最奇哉。仙人逢此術，難免殺身災。」

呂岳作罷歌，鄭倫在旁，口稱：「老師，二日成功，未見擒人捉將；方纔聞老師作歌最奇，甚是歡喜，

第五十八回

子牙西岐逢呂岳

疫痢瘟癘幾過災，子牙端是有奇才。匡扶社稷開基域，保護黔黎脫禍胎。

劫運方來神鬼哭，兵戈時至士民哀。何年得遂清平日，祥霧氤氳萬歲臺。

話說周信提劍來城下請戰，報入相府：「有一道人請戰。」子牙聞知連曰未曾會戰，「今日竟有道人，此來畢竟又是異人。」便問：「誰去走一遭？」有金吒欠身而言曰：「弟子願往。」子牙許之。金吒出城，見一個道者，生的十分凶惡。怎見得，有詩為證：

髮似硃砂臉帶綠，獠牙上下金精口。道袍青色勢猙獰，足下麻鞋雲霧簇。

手提寶劍電光生，胸藏妙訣神鬼哭。行瘟使者降西岐，正是東方甲乙木。

話說金吒問曰：「道者何人？」周信答曰：「吾乃九龍島煉氣士周信是也；聞爾等仗崑崙之術，滅吾截教，情殊可恨！今日下山，定然與你等見一高下，以定雌雄。」綽步執劍來取，金吒用劍急架相還。未及數合，周信抽身便走，金吒隨即趕來。周信揭開袍服，取出一磬，轉身對金吒連敲三四下。金吒把頭搖了兩搖，即時面如金紙，走回相府，只叫：「頭疼殺我！」子牙問其詳細，金吒把趕周信事說了一遍，子牙不語。金吒在相府，晝夜叫苦。且說次日，又報進相府：「又有一道人請戰。」子牙問左右：「誰去見陣走一遭？」旁有木吒曰：「弟子願往。」木吒出城，見一道人，挽雙抓髻，穿淡黃服，面如

陣，子牙許之。鬚虎出城，見一道人面如紫草，髮似鋼針，頭戴魚尾金冠，身穿皂服，飛步而來。怎見得，有詩為證，詩曰：

頂上金冠排魚尾，面如紫草眼光燁。絲縑彩結扣連環，寶劍欲開天地髓。

草履斜登寒霧生，胸藏秘訣多文斐。封神臺上有他名，正按坎宮壬癸水。

話說龍鬚虎見道人，大呼曰：「來者何人？」楊文輝一見大驚，看龍鬚虎形相古怪稀奇，問曰：「通個名來。」龍鬚虎曰：「吾乃姜子牙門人龍鬚虎是也。」楊文輝大怒，仗劍來取。龍鬚虎發手有石，只管打將下來。楊文輝不敢久戰，掩一劍便走。龍鬚虎隨後趕來。楊文輝取出一條鞭，對著龍鬚虎一頓轉。龍鬚虎忽的跳將回去，發著石頭，盡行力氣打進西岐，直打到相府，又打上銀安殿來。子牙忙著兩邊軍將：「快與吾拿下去！」眾將官用鉤連鎗鉤倒在地，綑將起來。龍鬚虎口中噴出白沫，朝著天，睜著眼，只不作聲。子牙無計可施，不知就裡。這個是瘟部中四個行瘟使者，頭一位周信按東方使者，用的磬名曰頭疼磬；第二位李奇按西方使者，用的幡名曰發爆幡；第三位朱天麟按南方使者，用的劍名曰昏迷劍；第四位楊文輝按北方使者，用的鞭名曰散瘟鞭；故此瘟部之內先著四個行瘟使者，先會門人，此乃子牙一災又至，姜子牙那裡知道？子牙正在府中，謂楊戩曰：「吾師言三十六路伐西岐，算將來有三十路矣。今又逢此道者，把吾四個門人困住，聲叫痛苦，使我心下不忍，如何是好？將奈之何？」正議間，忽門旗官報曰：「有一三隻眼道人請丞相答話。」哪吒、楊戩在旁曰：「今連戰五日，一日換一個，不知他營中有多少截教門人？師叔會他，便知端的。」子牙傳令：「擺隊伍出城。」炮聲響亮，兩扇門開，左右列興周滅紂英雄，前後立玉虛門下。且說呂岳見子牙出城，兵勢嚴整，果然比別人不同。正是：

其中必有妙用，請示其詳。」呂岳曰：「你不知吾門人所用之物俱有玄功，只略展動了，他自然絕命，何勞持刀用劍殺他。」鄭倫聽說，讚歎不已。次日，呂岳令朱天麟：「今日你去走一遭，也是你下山一場。」朱天麟領法旨，提劍至城下，大呼曰：「著西岐能者會吾！」有探事的報入相府。子牙雙眉不展，問左右曰：「誰去走一遭？」旁有雷震子曰：「弟子願去。」子牙許之。雷震子出城，見一道人生的凶惡。怎見得，有詩為證，詩曰：

中土斜飄百合纓，面如紫棗眼如鈴。身穿紅服如噴火，足下麻鞋似水晶。

絲絲結就陰陽扣，寶劍揮開神鬼驚。行瘟部內居離位，正按南方火丙丁。

話說雷震子大呼曰：「來的妖人，仗何邪術，敢困吾一位道兄也！」朱天麟笑曰：「你白恃猙獰古怪，發此大言，誰來怕你？你也不知我是誰，吾乃九龍島朱天麟的便是。你通名來，也是我會你一番。」雷震子笑曰：「諒爾不過一草莽之夫，焉能有甚道術？」雷震子把風雷翅分開，飛起空中，使起黃金棍，劈頭就打。朱天麟手中劍急架相還。二人相交，未及數合。大抵雷震子在空中使開黃金棍，往下打將來，朱天麟如何招架得住？只得就走。雷震子方纔要趕，朱天麟將劍往雷震子一指，雷震子在空中駕不住風雷二翅，響一聲落將下來，便往西岐城內跳將進來，走至相府。子牙一見走來之勢不好，子牙出席，急問雷震子曰：「你為何如此？」雷震子不言，只是把頭搖，一交跌倒在地。子牙仔細定睛，看不出他蹣蹣原故，心中十分不樂，命擡進後廳調息。子牙納悶。且說朱天麟回見呂岳，言如法治雷震子，無不應聲而倒。呂道人大悅。次日，又著楊文輝來城下請戰。左右報入相府：「今日又是一位道人搦戰。」子牙聞報，心下躊躇：「一日換一個道者，莫非又是十絕陣之故事？」子牙心中疑惑。只見龍鬚虎要去見

來。黃天化在旗門腳下，忍不住心頭火起：「雖然是蘇侯放歸吾父子，難道我不如他們？只要成功，顧不得了！」催開玉麒麟，殺將過來，把呂岳圍在當中。且言旗門下鄭倫看見黃天化殺將過來，「呀」的一聲，幾乎墜于獸下，長吁歎曰：「誰知我為紂王擒將立功，元來主將有意歸周，反將黃家父子放回去了。」鄭倫自思：「這番捉住，即時打死，絕其他念。」急催開金睛獸，大呼黃天化曰：「吾來也！」天化見了饑人，撥轉麒麟，雙鎚并起，力戰鄭倫。哪吒見黃天化敵住了鄭倫，恐怕有失，忙登回風火輪，把鎚劈心就刺鄭倫，大叫曰：「黃公子，你去拿呂岳，吾來殺此匹夫！」鄭倫曾被哪吒乾坤圈打過一次，大抵心下十分怯他，縱戰俱是不濟，先是留心著意，防哪吒動手。且說子牙見楊戩使刀敵住呂岳，又見黃天化助力，土行孫也提邵鐵棍滾將進來。鄧嬋玉在轅門下看戰。呂岳見周將有增，隨將身手搖動，三百六十骨節，霎時現出三頭六臂，一隻手執天印，一隻手擎住瘟疫鐘，一隻手持定形瘟癘，一隻手執住止瘟劍，雙手使劍，現出青臉獠牙。子牙見了呂岳現如此形相，心下十分懼怕。楊戩見子牙怯戰，忙將馬走出圈子外，命金毛童子拿金丸在手，拽滿扣兒，一金丸正打中呂岳肩臂。黃天化見楊戩成功，把玉麒麟跳遠了，回手一火龍標，把呂岳腿上打了一標。子牙見呂岳著傷，祭起打神鞭，這一鞭正中呂岳，響一聲，墜下金眼駝來，借土遁去了。鄭倫見呂岳失機，不能取勝，心下一慌，被哪吒一鎗正中肩背，幾乎閃下獸來，敗進轅門。子牙不起，鳴金回兵。

且說蘇侯父子在轅門見呂岳失機著了重傷，鄭倫也著了傷，心中大悅：「這匹夫該當如此！」呂岳回營進中軍帳坐定，被打神鞭打的三昧火從竅中而出。四門人來問老師曰：「今日不意老師反被他取了勝。」呂岳曰：「不妨，吾自有道理。」隨將葫蘆中取藥白啖，仍復笑曰：「姜尚，你雖然取勝一時，

果然紀律分嚴整，不啻當年風后強。

話說子牙見黃龍腳下有一道人，穿大紅袍服，面如藍靛，髮似硃砂，三目圓睜，騎金眼駝，手提寶劍，大呼曰：「來者可是姜子牙麼？」子牙答曰：「然也。道兄是那座名山？何處仙府？今往西岐屢敗吾門下，道兄何所見而為？今紂主無道，周室興仁，天下共見；從來人心歸順真主，道兄何必強為！常言『順天者存，逆天者亡』。今我周鳳鳴岐山，英雄間出，似不卜可知。道兄又何得逆天而行，任一己私意哉？況道兄在道門久煉，豈不知封神榜乃三教聖人所定，非吾一己之私。今我奉玉虛符命，扶助真主，不過完天地之劫數，成氣運之遷移。今道兄既屢得勝，不過一時僥倖成功，若是劫數來臨，自有破你之術者。道兄不得恃強，無貽伊戚。」呂岳曰：「吾乃九龍島煉氣之士，名為呂岳。只因你等恃闡教門人，侮我截教，吾故令四個門人略略使你知道。今日特來會你一會，共決雌雄。只是你死日甚近，幸無追悔！你聽我道來：

截教門中我最先，玄中妙訣許多言。五行道術尋常事，駕霧騰雲只等閑。

腹內離龍併坎虎，捉來一處白熬煎。煉就純陽乾健體，九轉還丹把壽延。

八極神遊真自在，逍遙任意大羅天。今日降臨西岐地，早早投戈免罪愆。」

呂岳道罷，子牙笑曰：「據道兄所談，不過如峨嵋山趙公明，三仙島雲霄、瓊霄、碧霄之道，一旦俱成畫餅，料道兄此來，不過自取殺身之禍耳。」呂岳大怒，罵曰：「姜尚，你有什么能，敢發如此惡言？」縱開金眼駝，執手中劍，飛來直取。子牙劍急架忙迎。楊戩在旁，縱馬搖刀飛來，大呼曰：「師叔，弟子來也！」楊戩不分好歹，照頂上刺來。呂岳手中劍架刀隔劍。哪吒登開風火輪，使開火尖鎗，沖殺過

話說鄭倫見西岐城上人馬軒昂驍勇，不敢進兵，徐徐退進營來，見呂岳言曰：「城上有人。」不表。且說楊戩雖用此術，只過一時三刻，只救眼下之急，不能常久。哪吒正憂煩，聽的空中鶴唳之聲，原來是黃龍真人跨鶴而來，落在城上。哪吒、楊戩下拜，口稱：「老師。」真人曰：「你師父可曾來？」楊戩答曰：「家師不曾來。」黃龍真人至相府來看子牙，又入內庭看過武王，復出皇城，上了城，玉鼎真人方駕縱地金光法而至。黃龍真人曰：「道兄為何來遲？」玉鼎真人曰：「我借金光縱地，故此來遲。今呂岳將此異術治此一郡，眾生遭逢大厄。今著楊戩速往火雲洞見三聖大師，速取丹藥，可救此愆。」楊戩領師命，逕往火雲洞來。正是：

足踏五行生霧彩，週遊天下只須臾。

話說楊戩借土遁來至火雲洞。此處雲生八處，霧起四方；挺生秀柏，屈曲蒼松，真好所在！怎見得：

巨鎮東南，中天勝岳。芙蓉峰巒聳，紫蓋嶺巍峨。百草含香味，爐煙鶴唳蹤。上有玉虛之寶籙，朱陸之靈臺。舜巡禹禱，玉簡金書。樓閣飛青鸞，亭臺隱紫霧。地設名山雄宇宙，天開仙境透三清。幾樹桃梅花正放，滿山瑤草色皆舒。龍潛澗底，虎伏崖前。幽鳥如訴語，馴鹿近人行。白鶴伴雲棲老檜，青鸞丹鳳向陽鳴。火雲福地真仙境，金闕仁慈治世公。

話說楊戩不敢擅入，伺候多時，只見一童兒出洞府，楊戩上前稽首曰：「師兄，弟子乃玉泉山金霞洞玉鼎真人門徒楊戩，今奉師命，特到此處，參謁三聖老爺。借師兄轉達一聲。」童兒曰：「你可知道三聖人是誰？如何以老爺相稱？」楊戩欠身曰：「弟子不知。」童子曰：「你不知，不怪你。此三聖乃天、地、人三皇帝主。」楊戩曰：「多感師兄指教，其實弟子不知。」童兒進洞府，少時出來，曰：「三」

你怎逃滅一城生靈之禍！」鄭倫著傷，呂岳又將藥救之。呂岳至一更時，分命四門人，每一人拿一葫蘆瘟丹，借五行遁進西岐城。呂岳乘了金眼駝，也在當中，把瘟丹用手抓著，往城中按東、西、南、北，灑至三更方回不表。

且說西岐城中那知此丹俱入井泉河道之中，人家起來，必用水火為急濟之物，大家小戶，天子文武，士庶人等，凡吃水者，滿城盡遭此厄。不二三日，一城中煙火全無，街道上並無人走。皇城內人聲寂靜，止聞有聲喚之音；相府內眾門人也逢此難。內有二人不遭此殃：哪吒乃蓮花化身，楊戩有元功變化，故此無災。二人見滿城如此，心下十分著慌。哪吒進內庭看武王；楊戩在相府照顧，又不時要上城看守。二人計議：「城中止有二人，若是呂岳加兵攻打，如之奈何？」楊戩曰：「不妨。武王乃聖明之君，其福不小；師叔該有這場苦楚，定有高明之士來佐。」不言二人在城上商議，且說呂岳散了瘟丹，次日在帳前對蘇侯等言曰：「我今一日與汝等成功，不用張弓隻箭，六七日之內，西岐一郡生靈盡皆死絕。爾等速速奏凱回兵，不負我下山一遭。」鄭倫曰：「連日西岐不見城上有人。」呂岳曰：「一郡眾生盡逢大劫，不久身亡。」鄭倫曰：「既西岐城人民俱遭困厄，何不調一枝人馬殺進城中，剪草除根？」呂岳曰：「也使得。」鄭倫欣然領了蘇侯令，調出人馬來，方出湯營。且說楊戩在城上看見鄭倫調兵出營，哪吒著慌，問楊戩曰：「人馬殺來，我你二人焉能擋抵大眾人馬？」楊戩曰：「不要忙，吾自有退兵之策。」楊戩連忙把土與草抓了兩把，望空中一灑，喝聲：「疾！」西岐城上盡是彪軀大漢，往來耀武。鄭倫擡頭看時，見城上人馬反比前不相同，故此不敢攻城。有詩為證，詩曰：

楊戩神機妙術奇，呂岳空白費心機。武王洪福包天地，應合姜公遇難時。

聖主洪福無邊遠，呂岳何須枉用心！

話說呂岳在營過了七八日，對眾門人曰：「西岐人民想已盡絕。」蘇侯在中軍聽得呂道人之言，心下十分不樂。又過了數日，蘇侯暗出大營，來看西岐城上，只見旛幢依舊，往來不斷人行；看哪吒精神抖擻，楊戩氣概軒昂，心下大悅：「呂岳之言不過愚惑吾等耳，可將言語激他一番。」遂進中軍對呂岳曰：「老師言西岐人民盡絕，如今反有人馬往來，戰將威武，此事不實了。老師將何法處之？不可以前言為戲。」呂岳聞言，起身曰：「豈有此理！」蘇侯曰：「此不才適纔經日看將來的，豈敢造次亂言。」呂岳就出營一看，果然如此；掐指一算，不覺失聲大叫曰：「原來玉鼎真人往火雲洞借了丹藥，以救此一城生靈之厄！」忙命四門人鄭倫：「你可每門調三千人馬，乘他身弱無力支持，殺進城中，盡行屠戮。」鄭倫領命，來問蘇侯調人馬破西岐。蘇侯情知呂岳不能破子牙，遂將一萬二千人馬調出。周信領三千往東門殺來；李奇領三千往西門殺來；朱天麟領三千往南門殺來；楊文輝領三千同呂岳往北門殺來。鄭倫在城外打點進城。且說哪吒在城上看見成湯營裡發出人馬，殺奔城前，忙見黃龍真人曰：「城內空虛，止有四人，焉能護持得來？」黃龍真人曰：「不妨。」命楊戩：「你去東門迎敵，開門讓他進來，吾自有道理。哪吒，你在西門，也是如此。玉鼎真人，你在南門。我貧道在北門。把他誑進城來，我自有處治。」且說呂岳把四個門人點出來取西岐城，不知勝負如何，且聽下回分解。

位皇爺命你相見。」楊戩進洞府，見三位聖人：當中一位，頂生二角；左邊一位，披葉蓋肩，腰圍虎豹之皮；右邊一位，身穿帝服。楊戩不敢踐越階次，只得倒身下拜，言曰：「弟子楊戩奉玉鼎真人之命，今為西岐武王呂岳助蘇護征伐其地，不知用何道術，將一郡生民盡是臥床不起，呻吟不絕，晝夜無寧。武王命在旦夕，姜尚死在須臾。弟子奉師命，特懇金容，大發慈悲，救援無辜生靈，實乃再造洪恩，德如淵海！」楊戩訴罷。當中一位聖人乃伏羲皇帝，調左邊神農曰：「想吾輩為君，和八卦，定禮樂，並無禍亂。方今商運當衰，干戈四起，想武王德業日盛，紂惡貫盈。以周伐紂，此是天數。但申公豹扭轉天心，助惡為虐，邀請左道，大是可恨。御弟不可辭勞，轉濟周功，不負有德之業。」神農答曰：「皇兄此言有理。」忙起身入後，取了丹藥，付與楊戩，曰：「此丹三粒：一粒救武王宮眷，一粒救子牙諸多門人，一粒用水化開，用楊枝細灑西城。凡有此疾者，名為傳染之疫。」楊戩叩首在地，拜謝出洞。神農復叫楊戩，吩咐曰：「你且站住。」神農出洞府，往紫芝崖來，尋了一遍，忽然拔起一草，遞與楊戩：「你將此寶帶回人間，可治傳染之疾。若凡世間眾生遭此苦厄，先取此草服之，其疾自癒。」楊戩接草，跪而啟曰：「此草何名？留傳人間急濟寒疫，懇乞明示。」神農道：「你聽我道來，有偈為證，偈曰：

此草生來蓋世無，紫芝崖下用功夫。常桑曾說玄中妙，寒門發表是柴胡。」

話說楊戩得了柴胡草併丹藥，離了火雲洞，逕往西岐而來。早至城上，見師父回話。玉鼎真人問：「取丹藥一事如何？」楊戩把神農吩咐的言語，細細說了一遍。玉鼎真人依法而行，將三粒丹如法製度。果然好丹藥！正是：

殷洪下山收四將

紂王極惡已無恩，安得延綿及子孫？非是申公能反國，只因天意絕商門。

收來四將皆逢劫，自遇三災若返魂。塗炭一場成箇事，封神臺上泣啼痕。

話說周信領三千人馬殺至城下，一聲響，沖開東門，往城裡殺來。喧天金鼓，喊聲大振。楊戩見人馬俱進了城，把三尖刀一擺，大呼：「周信！是爾自來取死，不要走，吃吾一刀！」周信大怒，執劍飛來直取。楊戩的刀赴面交還。話分四路：李奇領三千人馬殺進西門，有哪吒截住廝殺。朱天麟領人馬殺進南門，有玉鼎真人截住去路。楊文輝同呂岳殺進北門，只見黃龍真人跨鶴，大喝一聲：「呂岳慢來！你欺敵擅入西岐，真如魚游釜中，鳥投網裡，自取其死！」呂岳一見是黃龍真人，笑曰：「你有何能，敢出此大言？」將手中劍來取真人，真人忙用劍遮架。正是：

神仙殺戒相逢日，只得將身向火中。

黃龍真人用雙劍來迎。呂岳在金眼駝上，現出三頭六臂，大顯神通。一位是了道真仙，一位是瘟部鼻祖。不說呂岳在北門，且說東門楊戩戰周信，未及數合，楊戩恐人馬進滿，殺戮城中百姓，隨將哮天犬祭在空中，把周信夾頸子上一口咬住不放。周信欲待掙時，早被楊戩一刀揮為兩段。一道靈魂往封神臺去了。楊戩大殺成湯人馬，三軍逃出城外，各顧性命。楊戩往中央來接應。且說哪吒在西門與李奇大戰，交鋒

蘇侯要歸周，偏有這些強神惡煞來幫助，果是天意如此。這些事須要與近日推算者商量。

又評

瘟疫，惡病也；瘟疫死者，惡煞也。今人惡之更深，避之亦力，當時便自如此，無怪近日講之。

曰：「今日之敗，大辱吾九龍島聲名。如今往那裡去覓一道友來，以報吾今日之恨？」話猶未了，聽得腦後有人唱道情而來，歌曰：

「煙霞深處隱吾軀，修煉天皇訪道機。一點真元無破漏，拖白虎，過橋西。易消磨，天地須臾。人稱我全真客，伴龍虎守茅蘆，過幾世固守男兒。」

呂岳聽罷，回頭一看，見一人非俗非道，頭戴一頂盔，身穿道服，手執降魔杵，徐徐而來。呂岳立身言曰：「來的道者是誰？」其人答曰：「吾非別人，乃金庭山玉屋洞道行天尊門下韋護是也；今奉師命下山，佐師叔子牙，東進五關滅紂。今先往西岐，擒拿呂岳，以為進見之功。」楊文輝聞言大怒，大喝一聲曰：「你這廝好大膽，敢說欺心大話！」縱步執劍，來取韋護。韋護笑曰：「事有湊巧，原來此處正與呂岳相逢！」二人輕移虎步，大殺山前。只三五回合，韋護祭起降魔杵。怎見得好寶貝，有詩為證，詩曰：

曾經煅煉爐中火，製就降魔杵一根。護法沙門多有道，文輝遇此絕真魂。

話說此寶拿在手中，輕如灰草；打在人身上，重似泰山。楊文輝見此寶落將下來，方要脫身，怎免此厄，正中頂上，可憐打的腦漿迸出，一道靈魂進封神臺去了。呂岳又見折了門人，心中大怒，大喝曰：「好孽障！敢如此大膽，欺侮於我！」撻手中劍，飛來直取。韋護展開杵，變化無窮。一箇是護三教法門全真，一箇是第三部瘟部正神。兩家來往，有五十回合，韋護又祭起寶杵。呂岳觀之，料不能破此寶，隨借土遁，化黃光而去。韋護見走了呂岳，收了降魔杵，逕往西岐來；至相府，門官通報：「有一道人求見。」子牙聽得是道者，忙道：「請來。」韋護至簷前，倒身下拜，口稱：「師叔，弟子是金庭山玉屋

未及數合，李奇非哪吒敵手，被哪吒乾坤圈打倒在地，臨下復加一鎗，一靈也往封神臺去了。玉鼎真人在南門戰朱天麟，楊戩走馬接應。只見哪吒殺了李奇，登風火輪趕殺士卒，勢如猛虎，三軍逃竄。呂岳戰黃龍真人，真人不能敵，且敗往正中央來。楊文輝大呼：「拿住黃龍真人！」哪吒聽見三軍吶喊，振動山川，急來看時，見呂岳三頭六臂，追趕黃龍真人。哪吒大叫曰：「呂岳不要恃勇！吾來了！」把鎗刺斜裡殺來，呂岳手中劍架鎗大戰。哪吒正戰，楊戩馬到，使開三尖刀，如電光耀日。玉鼎真人祭起斬仙劍，誅了朱天麟，又來助楊戩、哪吒來戰呂岳。西岐城內止有呂岳、楊文輝二人。

且說子牙坐在銀安殿，其疾方癒，未能全妥。左右站立幾箇門人：雷震子、金吒、木吒、龍鬚虎、黃天化、土行孫。只聽的喊聲振地，鑼鼓齊鳴。子牙慌問，眾門人俱曰不知。旁有雷震子深恨呂岳，「待弟子看來。」把風雷翅飛起空中一看，知是呂岳殺進城來，忙轉身報於子牙：「呂岳欺敵，殺入城來。」金吒、木吒、黃天化聞言，恨呂岳深入骨髓，五人喊聲大叫：「今日不殺呂岳，怎肯干休！」齊出相府，子牙阻攔不住。呂岳正戰之間，只見金吒大呼曰：「兄弟！不可走了呂岳！」忙把遁龍橋祭在空中。呂岳見此寶落將下來，忙將金眼駝拍一下，那駝四足就起風雲，方欲起去，不防木吒將吳鉤劍祭起攔來。呂岳躲不及，被劍卸下一隻膀臂，負痛逃走。楊文輝見勢不好，亦隨師敗下陣去。且說眾門人等回見子牙。黃龍真人同玉鼎真人曰：「子牙放心，此子今日之敗，再不敢正眼覷西岐了。吾等暫回山嶽，至拜將吉辰，再來拜賀。」二仙回山不表。且說鄭倫在城外，見敗殘人馬來報：「啟爺知道：呂老爺失機走了。」鄭倫低首無語，回營見蘇侯。蘇侯暗喜曰：「今日方顯真命聖主。」俱各無話。

且說那日呂岳回門人敗走，來至一山，心下十分驚懼；下了坐騎，倚松靠石，少憩片時，對楊文輝

殷洪收拾，辭了師父下山。赤精子暗想：「我為子牙，故將洞中之寶盡付與殷洪去了。他終是紂王之子，倘若中途心變，如之奈何？那時節反為不美。」赤精子忙叫：「殷洪！你且回來。」殷洪曰：「弟子既去，老師又令弟子回來，有何吩咐？」赤精子曰：「吾把此寶俱付與你，切不可忘師之言，保紂伐周。」殷洪曰：「弟子若無老師救上高山，死已多時，豈能望有今日！弟子怎敢背師言而忘之理！」赤精子曰：「從來人面是心非，如何保得到底！你須是對發個誓來。」殷洪隨口應曰：「弟子若有他意，四肢俱成飛灰！」赤精子曰：「出口有願，你便去罷！」且說殷洪離了洞府，借土遁往西岐而來。正是：

神仙道術非凡術，足踏風雲按五行。

話說殷洪架土遁正行，不覺落將下來。一座古古怪怪的高山，好凶險！怎見得，有詩為證，詩曰：

頂巔松柏接雲青，石壁荊榛掛野藤。萬丈崔嵬峰嶺峻，千層峭險壑崖深。

蒼苔碧蘚鋪陰石，古檜高槐結大林。林深處處聽幽鳥，石磊層層見虎行。

澗內水流如瀉玉，路旁花落似堆金。山勢險惡難移步，十步全無半步平。

狐狸麋鹿成雙走，野獸玄猿作對吟。黃梅熟杏真堪食，野草閑花不識名。

話說殷洪看罷山景，只見茂林中一聲鑼響，殷洪見有一人，面如亮漆，海下紅髯，兩道黃眉，眼如金鑊，皂袍烏馬，穿一付金鎖甲，用兩條銀裝鑊，滾上山來，大叱一聲，如同雷鳴；問道：「你是那裡道童，敢探吾之巢穴？」劈頭就打一鑊。殷洪忙將水火鋒急架忙迎，步馬交還。山下又有一人大呼曰：「長兄，我來了！」那人戴虎磕腦，面如赤棗，海下長鬚，用駝龍鎗，騎黃驃馬，雙戰殷洪。殷洪怎敵得過二人，心中暗想：「吾師曾吩咐，陰陽鏡按人生死，今日試他一試。」殷洪把陰陽鏡拿在手中，把一邊白的對

洞道行天尊門下韋護是也。今奉師命，來佐師叔，共輔西岐。弟子中途曾遇呂岳，兩下交鋒，被弟子用降魔杵打死了一箇道者，不知何名。單走了呂岳。」子牙聞言大悅。且說呂岳回往九龍島，煉瘟癘傘不表。

且說蘇侯被鄭倫拒住，不肯歸周，心下十分不樂。自思：「屢屢得罪子牙，如何是好？」且不言蘇護網悶。話分兩處，且言太華山雲霄洞赤精子，只因削了頂上三花，潛消胸中五氣，默坐於洞中，保養天元。只見有玉虛宮白鶴童子持札而至，赤精子接見。白鶴童子開讀御札，謝恩畢，方知姜子牙金臺拜將，「請師叔西岐接駕。」赤精子打發白鶴童子回宮。忽然見門人殷洪在旁，道人口：「徒弟，你今在此，非是了道成仙之人。如今武王乃仁聖之君，有事於天下，伐罪弔民。你姜師叔合當封拜，東進五關，會諸侯於孟津，滅獨夫於牧野。你可即下山，助子牙一臂之力。只是你有一件事掣肘。」殷洪口：「老師，弟子有何事掣肘？」赤精子口：「你乃是紂王親子，你決不肯佐周。」殷洪聞言，將口中玉釘一鏗，二曰圓睜：「老師在上：弟子雖是紂王親子，我與姐已有百世之讎。父不慈，子不孝。他聽姐已之言，劓吾母之目，烙吾母二手，在西宮死於非命。弟子時時飲恨，刻刻痛心。怎能得此機會拿住姐已，以報我母沉冤，弟子雖死無恨！」赤精子聽罷大悅：「你雖有此意，不可把念頭改了。」殷洪口：「弟子怎敢有負師命？」道人忙取紫綬仙衣、陰陽鏡、水火鋒，拿在手中口：「殷洪，你若是東進時，倘過佳夢關，有一火靈聖母，他有金霞冠戴在頭上，放金霞三四十丈，罩著他一身，他看得見你，你看不見他。你穿此紫綬仙衣，可救你刀劍之災。」又取陰陽鏡付與殷洪：「徒弟，此鏡半邊紅，半邊白；把紅的一晃，便是生路；把白的一晃，便是死路。水火鋒可以隨身護體。你不可遲留，快收拾去罷！吾不久也至西岐。」

人要見。」殷洪原是道人出身，命左右：「住了人馬，請來相見。」少時，見一道者飄然而來，白而長鬚，上帳見殷洪，打箇稽首；殷洪亦以師禮而待。殷洪問曰：「道者高姓？」道人曰：「你師與吾一教，俱是玉虛門下。」殷洪欠身，口稱師叔。二人坐下，殷洪問：「師叔高姓？大名？今日至此，有何見諭？」道人曰：「吾乃是申公豹也。你如今往那裡去？」殷洪曰：「奉師命往西岐，助武王伐紂。」道人正色言曰：「豈有此理！紂王是你甚麼人？」洪曰：「是弟子之父。」道人大喝一聲曰：「世間豈有子助他人，反伐父親之理！」殷洪曰：「紂王無道，天下叛之。今以天之所順，行天之罰，天必順之；雖有孝子慈孫，不能改其愆尤。」申公豹笑曰：「你乃愚迷之人，執一之夫，不知大義。你乃成湯苗裔，雖紂王無道，無子伐父之理。況百年之後，誰為繼嗣之人？你何不思社稷為重，聽何人之言，忤逆滅倫，為天下萬世之不肖，未有若殿下之甚者！你今助武王伐紂，倘有不測，一則宗廟被他人所壞，社稷被他人所有。你久後死於九泉之下，將何顏相見你始祖哉？」

殷洪被申公豹一篇言語說動其心，低首不語，默默無言；半晌，言曰：「老師之言雖則有理，我曾對吾師發咒，立意來助武王。」申公豹曰：「你發何咒？」殷洪曰：「我發誓說：如不助武王伐紂，四肢俱成飛灰。」申公豹笑曰：「此乃牙疼咒耳！世間豈有血肉成為飛灰之理？你依吾之言，改過念頭，竟去伐周，久後必成大業，庶幾不負祖宗廟社之靈，與我一片真心耳。」殷洪彼時聽了申公豹之言，把赤精子之語丟了腦後。申公豹曰：「如今西岐有冀州侯蘇護征伐。你此去與他合兵一處，我再與你請一高人來，助你成功。」殷洪曰：「蘇護女婿已將吾母害了，我怎肯與讎人之父共居！」申公豹笑曰：「怪人須在腹，相見有何妨。你成了天下，任你將他怎麼去報母之恨，何必在一時自失機會。」殷洪欠身

著二人一見。那二人坐不住鞍轡，撞下塵埃，殷洪大喜。只見山下又有二人上山來，更是凶惡。一人面如黃金，短髮虬鬚，穿大紅，披銀甲，坐白馬，用大刀，真是勇猛。殷洪心下甚怯，把鏡子對他一見，那人又跌下鞍轡。後面一人見殷洪這等道術，滾鞍下馬，跪而告曰：「望仙長大發慈悲，赦免三人罪愆！」殷洪曰：「吾非仙長，乃紂王殿下殷洪是也。」那人聽罷，叩頭在地，曰：「小人不知千歲駕臨，吾兄亦不知，萬望饒恕。」殷洪曰：「吾與你非是敵國，決不害他。」將陰陽鏡把紅的半邊對三人一見。三人齊醒回來，躍身而起，大叫曰：「好妖道！敢欺侮我等！」旁立一人大呼曰：「長兄，不可造次！此乃是殷殿下也。」三人聽罷，倒身下拜，口稱：「千歲！」殷洪曰：「請問四位，高姓大名？」內一人應曰：「某等在此二龍山黃峰嶺嘯聚綠林，末將姓龐，名弘；此人姓劉，名甫；此人姓荀，名章；此人姓畢，名環。」殷洪曰：「觀你四人，一表非俗，真是當世英雄，何不隨我往西岐去助武王伐紂，如何？」劉甫曰：「殿下乃成湯胄胤，反不佐成湯而助周武者何也？」殷洪曰：「紂王雖是吾父，奈他絕滅彝倫，有失君道，為天下所共棄。吾故順天而行，不敢違逆。你此山如今有多少人馬？」龐弘答曰：「此山有三千人馬。」殷洪曰：「既是如此，你們同吾往西岐，不失人臣之位。」四人答曰：「若千歲提攜，乃貴神所照，敢不如命。」四將隨將三千人馬改作官兵，打西岐號色，放火燒了山寨，離了高山，一路上前。正是：

殺氣沖空人馬進，這場異事又來侵。

話說人馬非止一日，行在中途，忽見一道人跨虎而來。眾人大叫：「虎來了！」道人曰：「不妨，此虎乃是家虎，不敢傷人。煩你報與殷殿下，說有一道者要見。」軍士報至馬前曰：「啟千歲：有一道

遍。殷洪在帳內，改換王服。次日領眾將出營請戰。有報馬報入相府：「啟丞相：外有殷殿下請戰。」子牙曰：「成湯少嗣，焉能又有殿下提兵？」旁有黃飛虎曰：「當時殷郊、殷洪鄉在絞頭樁上，被風刮去，想必今日回來。末將認的他，待吾出去，便知真假。」黃飛虎領令出城，有子黃天化壓陣。黃天祿、天爵、天祥父子五人齊出城。黃飛虎在坐騎上，見殷洪王服，左右擺著龐、劉、苟、畢四將，後有鄭倫為左右護衛使，真好齊整！看殷洪出馬，怎見得，有詩為證，詩曰：

束髮金冠火焰生，連環鎧甲長征雲。紅袍上面團龍現，腰束擋兵走獸裙。

紫綬仙衣為內襯，暗掛稀奇水火鋒。拿人捉將陰陽鏡，腹內安藏秘五行。

坐下走陣逍遙馬，手提方天戟一根。龍鳳旛上書金字，成湯殿下是殷洪。

話說黃飛虎出馬言曰：「來者何人？」殷洪離飛虎十年有餘，不想飛虎歸了西岐，一時也想不到。殷洪答曰：「吾乃當今次殿下殷洪是也。你是何人，敢行叛亂？今奉敕征西，早早下騎受縛，不必我費心。莫說西岐姜尚乃崑崙門下之人，若是惹惱了我，連你西岐寸草不留，定行滅絕！」黃飛虎聽說，答曰：「殿下，吾非別人，乃開國武成王黃飛虎是也。」殿下暗想：「此處難道也有箇黃飛虎？」殷洪把馬一縱，搖戟來取。黃飛虎催神牛，手中鎗急架來迎。牛馬相交，鎗戟併舉。這一場大戰，不知勝負如何，且聽下回分解。

謝曰：「老師之言大是有理。」中公豹說反了殷洪，跨虎而去。正是：

堪恨中公多饒舌，殷洪難免遇災殃。

且說殷洪改了西周號色，打著成湯字號，一日到了西岐，果見蘇侯大營扎在城下。殷洪命龐弘去令蘇侯來見。龐弘不知就裡，隨上馬到營前，大呼曰：「殷千歲駕臨，令冀州侯去見！」有探事馬報入中軍：「啟君侯：營外有殷殿下兵到，如今來令君侯去見。」蘇侯聽罷，沉吟曰：「天子殿下久已湮沒，如何又有殿下？況吾奉敕征討，身為大將，誰敢令我去見？」因吩咐旗門官曰：「你且將來人令來。」軍政司來令龐弘，龐弘隨至中軍。蘇侯見龐弘生的凶惡，相貌蹺蹊，便問來者曰：「你是那裡來的兵？是個殿下命你來至此？」龐弘答曰：「此是二殿下之令，命末將來令老將軍。」蘇侯聽罷，沉吟曰：「當時有殷郊、殷洪綁在絞頭樁上，被風刮不見了，那裡又有一箇二殿下殷洪也？」旁有鄭倫啟曰：「君侯聽稟：當時既有被風刮去之異，此時就有一箇不可解之理。想必當初被那一位神仙收去。今見天下紛紛，刀兵四起，特來扶助家國，亦未可知。君侯且到他行營，看其真假，便知端的。」蘇侯從其言，隨出大營，來至轅門。

龐弘進營回覆殷洪曰：「蘇護在轅門等令。」殷洪聽得，命左右：「令來。」蘇侯、鄭倫至中軍行禮，欠身打躬曰：「末將甲冑在身，不能全禮。請問殿下是成湯那一枝宗派？」殷洪曰：「孤乃當今嫡派次子殷洪。只因父王失政，把吾弟兄綁在絞頭樁，欲待行刑，天不亡我，有海島高人將吾提拔。故今日下山，助你成功，又何必問我？」鄭倫聽罷，以手加額曰：「以今日之遇，正見社稷之福！」殷洪令蘇護合兵一處。殷洪進營陞帳，就問：「連日可曾與武王會兵以分勝負？」蘇侯把前後大戰一一說了一

第六十回 馬元下山助殷洪

玄門久煉紫真官，暴虐無端性更殘。五厭貪痴成惡孽，三花善果屬欺誑。

紂王帝業桑林晚，周武軍威瑞雪寒。堪歎馬元成佛去，西岐猶自怯心剗。

話說黃飛虎大戰殷洪，二騎交鋒，鎗戟上下，來往相交，約有二十回合。黃飛虎鎗法如風馳電掣，往來如飛，搶入懷中，殷洪招架不住，只見龐弘走馬來助。這壁廂黃天祿縱馬搖鎗，敵住龐弘。劉甫舞刀飛來，黃天爵也來接住廝殺。苟章見眾將助戰，也沖殺過來。黃天祥年方十四歲，大呼曰：「少待！吾來！」鎗馬搶出，大戰苟章。畢環走馬，使鎗殺來，黃天化舉雙鎗接殺。且說殷洪敵不住黃飛虎，把戟一掩就走。黃飛虎趕來，殷洪取出陰陽鏡，把白光一晃。黃飛虎滾下馬來，早被鄭倫殺出陣前，把黃飛虎搶將過去了。黃天化見父親墜騎，棄了畢環，趕來救父。殷洪見黃天化坐的是玉麒麟，知是道德之士，恐被他所算，忙取出鏡子，如前一晃。黃天化跌下鞍轡，也被擒了。苟章欺黃天祥年幼，不以為意，被天祥一鎗，正中左腿，敗回行營。殷洪一陣擒二將，掌得勝鼓回營。

且說黃家父子五人出城，倒擒了兩箇去，止剩三箇回來，進相府泣報子牙。子牙大驚，問其原故。天爵等將鏡子一晃，即便拿人，訴了一遍；子牙十分不悅。只見殷洪回至營中，令：「把擒來二將擡來。」殷洪明明賣弄他的道術，把鏡子取出來，用紅的半邊一晃。黃家父子睜開二目，見身上已被繩索網住；

殷洪對師發誓，言猶在耳，申公豹浮言安得插入？況當日親見殺母幾遭刑戮，豈得一旦忘之哉？但申公豹之言，皆在天倫之極之處打轉他，他不得不為之轉念耳。此是赤精子失計較處。

又評

紂王罪惡貫盈，天心厭棄久矣。縱有孝子仁人，亦不能挽回愆尤，況如殷郊、殷洪二子者乎！

是看他怎樣箇鏡子。」傳令排隊伍，炮聲響亮，旗旛招展出城，對子馬各分左右，諸門人鴈翅排開。殷洪在馬上把畫戟指定，言曰：「姜尚為何造反？你也曾為商臣，一旦辜恩，情殊可恨！」子牙欠身曰：「殿下此言差矣！為君者上行而下效，其身正，不令而行；其身不正，雖令不從。其所令反其所好，民孰肯信之！紂王無道，民愁天怨，天下皆與為讎，天下其叛之，豈西周故逆王命哉。今天下歸周，天下共信之，殿下又何必逆天強為，恐有後悔！」殷洪大喝曰：「誰與我把姜尚擒了？」左隊內龐弘大叱一聲，走馬滾臨陣前，用兩條銀裝鋼沖殺過來。哪吒登風火輪，搖鎗戰住。劉甫出馬來戰，又有黃天化接住廝殺。畢環助戰，又有楊戩攔住廝殺。且說蘇侯同子蘇全忠在轅門，看殷洪走馬來戰姜子牙，子牙仗劍來迎。怎見得這場惡殺：

撲咚咚陳皮鼓響，血漉漉旗磨碌碌。檳榔馬上叫活拿，便把人參捉下。暗裡防風鬼箭，烏頭便撞飛抓。好殺！只殺得附子染黃沙，都為那地黃天子駕。

話說兩家鑼鳴鼓響，驚天動地，喊殺之聲，地沸天翻。且說子牙同殷洪未及三四合，祭打神鞭來打殷洪。不知殷洪內襯紫綬仙衣，此鞭打在身上，只當不知。子牙忙收了打神鞭。哪吒戰龐弘，忙祭起乾坤圈，一圈將龐弘打下馬去，復脇下一鎗刺死。殷洪兒刺殺龐弘，大叫曰：「好匹夫！傷吾大將！」棄了子牙，忙來戰哪吒。戟鎗併舉，殺在虎穴。卻說楊戩戰畢環，未及數合，楊戩放出哮天犬，將畢環咬了一口，畢環負疼，把頭一縮，措手不及，被楊戩復上一刀，可憐死於非命。二人俱進封神臺去了。殷洪戰住哪吒，忙取陰陽鏡照著哪吒一晃。哪吒不知就裡，見殷洪拿鏡子照他晃。不知哪吒乃蓮花化身，不係精血之體，怎見的他死？殷洪連晃數晃，全無應驗。殷洪著忙，只得又戰。彼時楊戩看見殷洪拿著

及推至帳前，黃天化只氣得三口神暴跳，七竅內生煙。黃飛虎曰：「你不是三殿下。」殷洪喝曰：「你怎見得我不是？」黃飛虎曰：「你既是三殿下，你豈不認得我武成王黃飛虎？當年你可記得我在十里亭前放你，午門前救你？」殷洪聽罷，呀的一聲：「你原來就是大恩人黃將軍！」殷洪忙下帳，親解其縛；又令放了黃天化。殷洪曰：「你為何降周？」黃飛虎欠身打躬曰：「殿下在上；臣愧不可言。紂王無道，因欺臣妻，故棄暗投明，歸投周主。況今三分天下，有二歸周；天下八百諸侯無不臣服。紂王有十大罪，得罪天下，醢戮大臣，炮烙正士，剖賢之心，殺妻戮子，荒淫不道，沉湎酒色，峻宇雕梁，廣興土木，天愁民怨，天下皆不願與之俱生，此殿下所知者也。今蒙殿下釋吾父子，乃莫大之恩。」鄭倫在旁，急止之曰：「殿下不可輕釋黃家父子，恐此一回去，又助惡為讐，乞殿下察知。」殷洪笑曰：「黃將軍昔日救我弟兄二命，今日理當報之。今放過一番，二次擒之，當正國法。」叫左右：「取衣甲還他。」殷洪曰：「黃將軍，今日之恩吾已報過了，以後併無他說。再有相逢，幸為留意，毋得自遺伊戚！」黃飛虎感謝出營。正是：

昔日施恩今報德，從來萬載不生塵。

且說黃家父子回至城下，放進城來，到相府謁見子牙。子牙大悅，問其故：「將軍被獲，怎能得復脫此厄？」黃飛虎把上件事說了一遍。子牙大喜：「正所謂天相吉人。」話說鄭倫見放了黃家父子，心中不悅，對殷洪曰：「殿下，這番再擒來，切不可輕易處治。他前番被臣擒來，彼又私自逃回。這次切宜斟酌。」殿下曰：「他救我，我理當報他。料他也走不出吾之手。」

次日，殷洪領眾將來城下，坐名請子牙答話。探馬報入相府。子牙對諸門人口：「今日會殷洪，須

赤精子曰：「子牙公，貧道得罪！吾使殷洪下山，助你同進五關，使這畜生得歸故土；豈知負我之言，反生禍亂。」子牙曰：「道兄如何把陰陽鏡也付與他？」赤精子曰：「貧道將一洞珍寶盡付與殷洪。恐防東進有礙，又把紫綬仙衣與他護身，可避刀兵水火之災。這孽障不知聽何人唆使，中途改了念頭。也罷，此時還未至大決裂，我明日使他進西岐贖罪便了。」一宿不表。

次日，赤精子出城至營，大呼曰：「轅門將士傳進去，著殷洪出來見我。」話說殷洪自敗在營調養傷痕，切齒痛恨，欲報一石之讎。忽軍士報：「有一道人，坐名請千歲答話。」殷洪不知是師父前來，隨即上馬，帶劉甫、苟章，一聲炮響，齊出轅門。殷洪看見是師父，便自置身無地；欠身打躬，口稱：「老師，弟子殷洪甲冑在身，不能全禮。」赤精子曰：「殷洪，你在洞中怎樣對我講？你如今反伐西岐，是何道理？徒弟，開口有願，出語受之，仔細四肢成為飛灰也！好好下馬，隨吾進城，以贖前日之罪，庶免飛灰之禍。如不從我之言，那時大難臨身，悔無及矣！」殷洪曰：「老師在上，容弟子一言告稟：殷洪乃紂王之子，怎的反助武王。古云：『子不言父過。』況敢從反叛而弑父哉。即人神仙佛，不過先完綱常彝倫，方可言其沖舉。又云：『未修仙道，先修人道。』人道未完，仙道遠矣。」且老師之教弟子，且不論證佛成仙，亦無有教人有逆倫弑父之理。即以此奉告老師，老師當何以教我？」赤精子笑曰：「畜生！紂王逆倫滅紀，慘酷不道，殺忠害良，淫醜無忌。天之絕商久矣，故生周武，繼天立極。天心效順，百姓來從。你之助周，尚可延商家一脈；你若不聽吾言，這是大數已定，紂惡貫盈，而遭殃於子孫也。可速速下馬，懺悔往愆。吾當與你解釋此罪尤也。」殷洪在馬上正色言曰：「老師請回。未有師尊教人以不忠不孝之事者。弟子實難從命！俟弟子破了西岐逆孽，再來與老師請罪。」赤精子大怒：「畜生不

陰陽鏡，慌忙對子牙曰：「師叔快退後！殷洪拿的是陰陽鏡。方纔弟子見打神鞭雖打殷洪，不曾著重，此必有暗寶護身。如今又將此寶來見哪吒，幸哪吒非血肉之軀，自是無恙。」子牙聽說，忙命鄧嬋玉暗助哪吒一石，以襄成功。嬋玉聽說，把馬一縱，將五光石掌在手上，望殷洪打來。正是：

發手石來真可羨，殷洪怎免面皮青。

殷洪與哪吒大戰局中，不防鄧嬋玉一石打來，及至著傷，打得頭青眼腫，哎喲一聲，撥騎就走。哪吒斜裡一鎗，劈胸刺來，虧穿了紫綬仙衣，鎗尖也不曾刺入分毫。哪吒大驚，不敢追襲。子牙掌得勝鼓進城。殷洪敗回大營，面上青腫，切齒深恨姜尚：「若不報今日之恥，非大丈夫之所為也！」

且說楊戩在銀安殿啟子牙曰：「方纔弟子臨陣，見殷洪所掌，實是陰陽鏡。今日若不是哪吒，定然壞了幾人。弟子往太華山去走一遭，見赤精子師伯，看他如何說。」子牙沉吟半晌，方許前去。楊戩離了西岐，借土遁到太華山來，隨風而至。來到高山，收了遁術，逕進雲霄洞來。赤精子見楊戩進洞，問曰：「楊戩，你到此有何說話？」楊戩行禮，口稱：「師伯，弟子來見，來借陰陽鏡與姜師叔，斬破成湯大將，隨即奉上。」赤精子曰：「前日殷洪帶下山去，我使他助子牙伐紂，難道他不說有寶在身？」楊戩曰：「弟子單為殷洪而來。此殷洪不曾歸周，如今反伐西岐。」道人聽罷，頓足歎曰：「吾錯用其人！將一洞珍寶盡付殷洪。豈知這畜生反生禍亂！」赤精子命楊戩：「你且先回，我隨後就至。」楊戩辭了赤精子，借土遁回西岐，進相府來見子牙。子牙問曰：「你往太華山見你師伯如何說？」楊戩曰：「果是師伯的徒弟殷洪。師伯隨後就來。」子牙心下焦悶。過了三日，門官報入殿前：「赤精子老爺到了。」子牙忙迎出府前。二人攜手上殿。

人曰：「吾乃吃葷。」殷洪傳令軍中治酒，管待馬元。當晚已過。次日，馬元對殷洪曰：「貧道既來相助，今日吾當會姜尚一會。」殷洪感謝。道人出營至城下，只請姜子牙答話。報馬報入府中：「啟丞相：城外有一道人請丞相答話。」子牙曰：「吾有三十六路征伐之厄，理當會他。」傳令：「排隊伍出城。」子牙隨帶眾將，諸門人出得城來。只見對面來一道人，甚是醜惡。怎見得，有詩為證，詩曰：

髮似硃砂臉似瓜，金睛凸暴冒紅霞。竅中吐出頑蛇信，上下斜生利刃牙。大紅袍上雲光長，金葉冠拴紫玉花。腰束麻絲太極扣，太阿寶劍手中拿。封神榜上無名姓，他與西方是一家。

話說子牙至軍前，問曰：「道者何名？」馬元答曰：「吾乃一氣仙馬元是也。申公豹請吾下山，來助殷洪，共破逆天大惡。姜尚，休言你闡教高妙，吾特來擒汝，與截教吐氣。」子牙曰：「申公豹與吾有隙，殷洪誤聽彼言，有背師教，逆天行事，助極惡貫盈之主，反伐有道之君。道者既是高明，何得不順天從人，而反其所事哉？」馬元笑曰：「殷洪乃紂王親子，反說他逆天行事。終不然轉助爾等，叛逆其君父，方是順天應人？姜尚，還虧你是玉虛門下，白稱道德之士，據此看來，真滿口胡言，無父無君之輩！我不誅你，更待何人！」仗劍躍步砍來。子牙手中劍赴面交還。未及數合，子牙祭打神鞭打將來。馬元不是封神榜上人，被馬元看見，伸手接住鞭，收在豹皮囊裡。子牙大驚。正戰之間，忽一人走馬軍前，鳳翅盔，金鎖甲，大紅袍，白玉帶，紫驕驕，大喝一聲：「丞相，吾來也！」子牙看時，乃秦州運糧官、猛虎大將軍武榮。因催糧至此，見城外廝殺，故來助戰。一馬沖至軍前，展刀大戰。馬元抵武榮這口刀不住，真若山崩地裂，漸漸筋力難支。

馬元默念咒，道聲：「疾！」忽腦後伸出一隻手來，五個指頭似五個斗大冬瓜，把武榮抓在空中，

聽師言，敢肆行如此！」仗手中劍飛來直取。殷洪將戟架住，告曰：「老師何苦深為子牙，自害門弟？」赤精子曰：「武王乃是應運聖君，子牙是佐周名臣，子何得逆天而行暴橫乎！」又把寶劍直砍來。殷洪又架劍，口稱：「老師，我與你有師生之情，你如今自失骨肉而動聲色，你我師生之情何在？若老師必執一偏之見，致動聲色，那時不便，可惜前情教弟子一場，成為畫餅耳。」道人大罵：「負義匹夫！尚敢巧言！」又一劍砍來。殷洪面紅火起：「老師，你偏執己見，我讓你三次，吾盡師禮；這一劍吾不讓你了！」赤精子大怒，又一劍砍來。殷洪發手，赴面交還。正是：

師徒共戰掄劍戟，悔卻當初救上山。

話說殷洪回手與師父交兵，已是逆命於天。戰未及數合，殷洪把陰陽鏡拿出來，欲晃赤精子。赤精子見了，恐有差訛，借縱地金光法走了，進西岐城，來至相府。子牙接住，問其詳細。赤精子從前說了一遍。眾門人不服，俱說：「赤老師，你太弱了。豈有徒弟與師尊對持之理！」赤精子無言可對，納悶廳堂。

且說殷洪見師父也逃遁了，其志益高，正在中軍與蘇侯共議破西岐之策。忽轅門軍士來報：「有一道人求見。」殷洪傳令：「請來。」只見營外來一道人，身不滿八尺，面如瓜皮，獠牙巨口，身穿大紅，頸上帶一串念珠，乃是人之頂骨，又掛一金鑲瓢，是人半個腦袋，眼、耳、鼻中冒出火焰，如頑蛇吐信一般；殷殿下同諸將觀之駭然。那道人上帳，稽首而言曰：「那一位是殷殿下？」殷洪答曰：「吾是殷洪。不知老師那座名山？何處洞府？今到小營，有何事吩咐？」道人曰：「吾乃骷髏山白骨洞一氣仙馬元是也，遇申公豹請吾下山助你一臂之力。」殷洪大喜，請馬元上帳坐了，「請問老師吃齋，吃葷？」道

戰雖是……如此，不知凶吉。」正是放心不下。卻說馬元同殷殿下飲酒，至二更時分，只見馬元雙眉緊皺，汗流鼻尖。殷洪曰：「老師為何如此？」馬元曰：「腹中有點痛疼。」鄭倫答曰：「想必吃了生人心，故此腹中作痛；吃些熱酒沖一沖，自然無事。」馬元命取熱酒來吃了，越吃越疼。馬元忽的大叫一聲，跌倒在地下亂滾，只叫：「疼殺我也！」腹中嚼噪噪的響。鄭倫曰：「老師腹中有響聲，請往後營方便方便，或然無事，也不見得。」馬元只得往後邊去了。豈知是楊戩用八九元功，變化騰挪之妙，將一粒奇丹，使馬元瀉了三日，瀉的馬元瘦了一半。

且說楊戩回西岐來見子牙，備言前事，子牙大喜。楊戩對子牙曰：「弟子權將一粒丹使馬元失其形神，喪其元氣，然後再做處治；諒他有六七日不能得出來會戰。」正言之間，忽哪吒來報：「文殊廣法天尊駕至。」子牙忙迎至銀安殿，行禮畢；又見赤精子，稽首坐下。文殊廣法天尊曰：「恭喜子牙公，金臺拜將，吉期甚近！」子牙曰：「今殷洪背師言而助蘇護征伐西岐，黎庶不安；又有馬元凶頑肆虐，不肖如坐針氈。」文殊廣法天尊曰：「子牙公，貧道因聞馬元來伐西岐，恐誤你三月十五日拜將之辰，故此來收馬元。子牙公可以放心。」子牙大喜：「若是道兄相助，姜尚幸甚，國家幸甚！但不知用何策治之？」天尊附子牙曰：「如要伏馬元，須是如此如此，自然成功。」子牙忙令楊戩領法旨。楊戩得令，自去策應。正是：

馬元今人牢籠計，可見西方有聖人。

話說子牙當日申牌時分，騎四不相，單人獨騎，在成湯轅門外若探望樣子，用劍指東畫西。只見巡哨探馬報入中軍曰：「稟殿下：有子牙獨自一個在營前探聽消息。」殷洪問馬元曰：「老師，此人今日

望下一摔，一腳躡住大腿，兩隻手端定一隻腿，一撕兩塊，血滴滴取出心來，對定子牙，眾周將、門人，「囁嚅囁嚅」，囁在肚裡；大呼曰：「姜尚，捉住你也是這樣為例！」把眾將嚇得魂不附體。馬元仗劍，又來搦戰。上行孫大呼曰：「馬元少待行惡，吾來也！」掄開大棍，就打馬元一棍。馬元及至看時，是一個矮子。

馬元笑而問曰：「你來做甚麼？」上行孫曰：「特來拿你。」又是一棍打來。馬元大怒：「好孽障！」綽步撩衣，把劍往下就劈。上行孫身子伶俐，展動棍就勢已鑽在馬元身後，擣著鐵棍把馬元的大腿連腰，打了七八棍；把馬元打得骨軟筋酥，招架著實費力；怎禁得上行孫在穴道上打。馬元急了，念動真言，伸出那一隻神手，抓著上行孫，望下一摔。馬元不知上行孫有地行道術，摔在地下，就不見了。馬元曰：「想是摔狠了，怎麼這廝連影兒也不見了？」正是：

馬元不識地行妙，尚疑雙眼認模糊。

且說鄧嬋玉在馬上見馬元將上行孫摔不見了，只管在地上瞧，鄧嬋玉忙取五光石發手打來。馬元未曾提防，臉上被一石頭，只打的金光亂冒，哎呀一聲，把臉一抹，大罵「是何人暗算打我？」只見楊戩縱馬舞刀，直取馬元。馬元仗劍來戰楊戩。楊戩刀勢疾如飛電，馬元架不住三尖刀，只得又念真言，復現那一隻神手，將楊戩抓在空中，往下一摔，也像撕武榮一般，把楊戩心肺取將出來，血滴滴吃了。馬元指子牙曰：「今日且饒你多活一夜，明日再來會你。」馬元回營。殷洪見馬元道術神奇，食人心肺，這等凶猛，心下甚是大悅。掌鼓回營，治酒與大小將校直飲至初更時候不表。

且說子牙進城至府，自思：「今日見馬元這等凶惡，把人心活活的吃了，從來未曾見此等異人。楊

第六十一回 太極圖殷洪絕命

太極圖中造化奇，仙凡迥隔少人知。移來幻化真玄妙，懺過前非亦浪思。

弟子悔盟師莫救，蒼天留意地難私。當時紂惡彰彌極，一木安能挽阿誰？

話說馬元追趕子牙，趕了多時，不能趕上。馬元自思：「他騎四不相，我倒跟著他跑？今日不趕他，明日再做區處。」子牙見馬元不趕，勒回坐騎，大呼曰：「馬元！你敢來這平坦之地與我戰三合，吾定擒爾！」馬元笑曰：「料你有何力量，敢禁我來不趕？」隨綽開大步來追。子牙又戰三四合，撥騎又走。馬元見如此光景，心下大怒，「你敢以誘敵之法惑我！」咬牙切齒趕來，「我今日拿不著你，勢不回軍！便趕上玉虛宮，也擒了你來。」只管往下趕來。看看至晚，見前面一座山，轉過山坡，就不見了子牙。馬元見那山甚是險峻。怎見得，有贊為證：

那山真個好山，細看處色斑斑。頂上雲飄蕩，崖前樹影寒。飛鳥睨眄，走獸凶頑。凜凜松千幹，挺挺竹幾竿。吼叫是蒼狼奪食，咆哮是餓虎爭餐。野猿常嘯尋鮮果，麋鹿攀花上翠嵐。風灑灑，水潺潺，暗聞幽鳥語間關①。幾處藤蘿牽又扯，滿溪瑤草雜香蘭。磷磷怪石，磊磊峰岩。狐狸成群走，猿猴作對頑。行客正愁多險峻，奈何古道又彎還。

① 間關：鳥鳴聲。

如此模樣，探我行營，有何奸計？」馬元曰：「前日誤被楊戩這廝，中其奸計，使貧道有失形之累；待吾走去擒來，方消吾恨。」馬元出營，見子牙怒起，大叫：「姜尚不要走！吾來了！」綽步上前，仗劍來取，子牙手中劍急架相還；未及數合，子牙攔騎就走。馬元只要拿姜子牙的心重，怎肯輕放，隨後趕來。不知馬元勝負如何，且聽下回分解。

評

殷洪惡戰苦爭，俱是替紂王添擔子，愈顯其父惡蹟，真可稱父作了子述。

又評

馬元惡煞也，西方竟收去成佛。予嘗曰：「和尚道人心最毒。」今觀此，可見成佛的，俱要惡人。予友聞此言，深為予折辯。予因笑謂之曰：「兄何執迷太甚！彼經卷有云：『殺豬王棄屠刀，立地成佛。』斯言豈是誰言？屠戶可見善信。」予友不覺大笑。

馬元忙將劍從肚臍內刺將進去，一腔熱血滾將出來。馬元用手抄著血，連吃了幾口；在女人肚子裡去摸心吃。左摸右摸撈不著，兩隻手在肚子裡摸，只是一腔熱血，併無五臟。馬元看了，沉思疑惑。正在那裡撈，只見正南梅花廳上坐一道人仗劍而來。怎見得，有贊為證，贊曰：

雙抓髻，雲分靄靄；水合袍，緊束絲絲。仙風道骨任逍遙，腹隱許多玄妙。玉虛宮元始門下，十仙首會赴蟠桃。乘鸞跨鶴在碧雲霄，天皇氏修仙養道。

話說馬元見文殊廣法天尊仗劍而來，忙將雙手掣出肚皮，不意肚皮竟長完了，把手長在裡面；欲待下女人身子，兩隻腳也長在女人身上。馬元無法可施，莫能掙扎。馬元蹲在一堆兒，只叫：「老師饒命！」文殊廣法天尊舉劍纔待要斬馬元，只聽得腦後有人叫曰：「道兄劍下留人！」廣法天尊回顧，認不得此人是誰；頭挽雙髻，身穿道服，面黃微鬚。道人曰：「稽首了！」廣法天尊答禮，口稱：「道友何處來？有甚事見論？」道人曰：「元來道兄認不得我。吾有一律，說出便知端的。詩曰：

大覺金仙不二時，西方妙法祖菩提。不生不滅三行，全氣全神萬萬絲。

空寂自然隨變化，真如本性任為之。與天同壽莊嚴體，歷劫明心大法師。

貧道乃西方教下準提道人也是也。封神榜上無馬元名諱；此人根行且重，與吾西方有緣，待貧道把他帶上西方，成為正果，亦是道兄慈悲，貧道不二門中之幸也。」廣法天尊聞言，滿面歡喜，大笑曰：「久仰大法行教西方，蓮花現相，舍利生光，真乃高明之客。貧道謹領尊命。」準提道人向前，摩頂受記曰：「道友可惜五行修煉，枉費功夫！不如隨我上西方，八德池邊，談講三乘大法；七寶林下，任你自在逍遙。」馬元連聲喏喏，準提謝了廣法天尊，又將打神鞭交與廣法天尊帶與子牙，準提同馬元回西方不表。

話說馬元趕子牙，來至一座高山，又不見了子牙，跑的力盡筋酥；天色又晚了，腿又酸了，馬元只得倚松靠石，少憩片時，喘息靜坐，存氣定神，待明日回營，再做道理。不覺將至二更，只聽的山頂炮響。正是：

喊聲震地如雷吼，燈毬火把滿山排。

馬元擡頭觀看，見山頂上姜子牙同著武王在馬上傳盃，兩邊將校一齊大叫：「今夜馬元已落圈套，死無葬身之地！」馬元聽得大怒，躍身而起，提劍趕上山來。及至山上來看，見火把一晃，不見了子牙。馬元睜睛四下裡看時，只見山下四面八方，圍住山腳，只叫：「不要走了馬元！」馬元大怒，又趕下山來，又不見了。把馬元往來，跑上跑下兩頭趕，只趕到天明。把馬元跑了一夜，甚是艱難辛苦，肚中又餓了，深恨子牙，咬牙切齒，恨不能即時拿子牙方消其恨。自思：「且回營，破了西岐再處。」馬元離了高山，往前纔走，只聽的山凹裡有人聲喚叫：「疼殺我了！」其聲甚是悽楚。

馬元聽得有人聲叫喊，急轉下山坡，見茂草中睡著一個女子。馬元問曰：「你是甚人，在此叫喊？」那女子曰：「老師救命！」馬元曰：「你是何人？叫我怎樣救你？」婦人答曰：「我是民婦。因回家探親，中途偶得心氣疼，命在旦夕，望老師或在近村人家討些熱湯，搭救殘喘，勝造七級浮屠。倘得重生，恩同再造。」馬元曰：「小娘子，此處那裡去尋熱湯？你終是一死，不若我反化你一齋，實是一舉兩得。」女子曰：「若救我全生，理當一齋。」馬元曰：「不是如此說。我因趕姜子牙，殺了一夜，肚中其實餓了。量你也難活，不若做個人情，化你與我貧道吃了罷。」女人曰：「老師不可說戲話。豈有吃人的理？」馬元餓急了，不由分說，趕上去一腳，踏住女人胸膛，一腳踏住女人大腿，把劍割開衣服，現出肚皮。

點頭歎曰：「畜生！畜生！今日是你自取此苦。你死後休來怨我。」忙把太極圖一抖放開。此圖乃包羅萬象之寶，化一座金橋。子牙把四不相一縱，上了金橋。殷洪馬趕至橋邊，見子牙在橋上指殷洪曰：「你敢上橋來，與我見三合否？」殷洪笑曰：「連吾師父在此，吾也不懼；又何怕你之幻術哉。我來了！」把馬一擡，那馬上了此圖。有詩為證，詩曰：

混沌未分盤古出，太極傳下兩儀來。四象無窮真變化，殷洪此際喪飛灰。

話說殷洪上了此圖，一時不覺杳杳冥冥，心無定見，百事攢來。心想何事，其事即至。殷洪如夢寐一般，心下想：莫是有伏兵？果見伏兵殺來；大殺一陣，就不見了。心下想拿姜子牙；霎時子牙來至，兩家又殺一陣。忽然想起朝歌，與父王相會；隨即到了朝歌，進了午門，至西宮，見黃娘娘站立，殷洪下拜；忽的又至馨慶宮，又見楊娘娘站立，殷洪口稱：「姨母。」楊娘娘不答應。此乃是太極四象，變化無窮之法；心想何物，何物便見，心慮百事，百事即至。只見殷洪左舞右舞，在太極圖中如夢如痴。赤精子看看他，師徒之情，數年慇懃，豈知有今日，不覺嗟歎。只見殷洪將到盡頭路，又見他生身母親姜娘娘大叫曰：「殷洪！你看我是誰？」殷洪擡頭看時：「呀！原來是母親姜娘娘！」殷洪不覺失聲曰：「母親！孩兒莫不是與你冥中相會？」姜娘娘曰：「冤家！你不尊師父之言，要保無道而伐有道，又發誓言，開口受刑，出口有願。當日發誓說四肢成為飛灰，你今日上了太極圖，眼下要成灰燼之苦！」殷洪聽說，急叫：「母親救我！」忽然不見了姜娘娘。殷洪慌在一堆。只見赤精子大叫曰：「殷洪！你看我是誰？」殷洪看見師父，泣而告曰：「老師，弟子願保武王滅紂，望乞救命！」赤精子曰：「此時遲了！你已犯天條，不知見何人叫你改了前盟。」殷洪曰：「弟子因信申公豹之言，故此違了師父之語。望老師慈悲，

且說廣法天尊回至相府，子牙接見，問起馬元一事如何？廣法天尊將準提道人的事詳細說了一遍，又將打神鞭付與子牙。赤精子在旁，雙眉緊皺，對文殊廣法天尊曰：「如今殷洪阻撓逆法，恐誤子牙拜將之期，如之奈何？」正話間，忽楊戩報曰：「有慈航師伯來見。」三人聞報，忙出府迎接。慈航道人一見，攜手上殿。行禮已畢，子牙問曰：「道兄此來，有何見諭？」慈航曰：「專為殷洪而來。」赤精子聞言大喜，便曰：「道兄將何術治之？」慈航道人問子牙曰：「當時破十絕陣，太極圖在麼？」子牙答曰：「在此。」慈航曰：「若擒殷洪，須是赤精子道兄將太極圖，須如此如此，方能除得此患。」赤精子聞言，心中尚有不忍，因子牙拜將日已近，恐誤限期，只得如此；乃對子牙曰：「須得公去，方可成功。」

且說殷洪見馬元一去無音，心下不樂，對劉甫、苟章曰：「馬道長一去，音信杳無，定非吉兆。明日且與姜尚會戰，看是如何，再探馬道長消息。」鄭倫曰：「不得一場大戰，決不能成得大功。」一宿晚景已過。次日早晨，湯營內大砲響亮，殺聲大振，殷洪大隊人馬，出營至城下，大叫曰：「請子牙答話！」左右報入相府。三道者對子牙曰：「今日公出去，我等定助你成功。」子牙不帶諸門人，領一枝人馬，獨自出城，將劍尖指殷洪，大喝曰：「殷洪！你師命不從，今日難免大厄，四賊定成飛灰，悔之晚矣！」殷洪大怒，縱馬搖戟來取，子牙手中劍赴面相還。獸馬爭持，劍戟併舉。未及數合，子牙便走，不進城，落荒而逃。殷洪兒子牙落荒而走，急忙趕來，隨後命劉甫、苟章率眾而來。這一回正是：

前邊布下天羅網，難免飛灰禍及身。

話說子牙在前邊，後隨殷洪，過東南，看看到正南上，赤精子看見徒弟趕來，難免此厄，不覺眼中淚落，

夜劫營。護父子乘機可將巨惡擒解施行。但願早歸聖主，共伐獨大②，洗蘇門一身之冤，畢矣。謹此上啟，蘇護九頓。

話說子牙看書大喜。次日午時發令：「命黃飛虎父子五人作前隊，鄧九公沖左營，南宮适沖右營，令哪吒壓陣。」且說鄭倫與劉甫、苟章回見蘇護，曰：「不幸殷殿下遭于惡手，如今須得上本朝歌，面君請援，方能成功。」蘇護只是口應：「俟明日區處。」諸人散入各帳房去了。蘇護暗暗打點今夜進西岐不題。鄭倫那裡知道？正是：

挖下戰坑擒虎豹，滿天張網等蛟龍。

話說西岐傍晚，將近黃昏時候，三路兵收拾出城埋伏。伺至二更時分，一聲砲響，黃飛虎父子兵沖進營來，併無遮擋；左有鄧九公，右有南宮适，三路齊進。鄭倫急上火眼金睛獸，攆降魔杵往大轅門來，正遇黃家父子五騎，大戰在一處，難解難分。鄧九公沖左營，劉甫大呼曰：「賊將慢來！」南宮适進右營，正遇苟章，接住廝殺。西岐城開門，發大隊人馬來接應，只殺得地沸天翻。蘇家父子已往西岐城西門進去了。鄧九公與劉甫大戰，劉甫非九公敵手，被九公一刀砍于馬下。南宮适戰苟章，展開刀法，苟章招架不住，撥馬就走，正遇黃天祥，不及提防，被黃天祥刺斜裡一鎗挑于馬下。二將靈魂已往封神臺去了。眾將官把一箇成湯大營殺的瓦解星散。單剩鄭倫力抵眾將。不防鄧九公從旁邊將刀一蓋，降魔杵碰定不能起，被九公抓住袍帶，提過鞍轡，往地上摔。兩邊士卒將鄭倫繩纏索綁，網將起來。西岐城一夜鬧嚷嚷的，直到天明。

② 獨夫：謂貪暴無道之君。

借得一線之生，怎敢再滅前言！」赤精子尚有留戀之意，只見半空中慈航道人叫曰：「天命如此，豈敢有違。毋得誤了他進封神臺時辰！」赤精子含悲忍淚，只得將太極圖一抖，卷在一處；擗著半晌，復一抖，太極圖開了，一陣風，殷洪連人帶馬，化作飛灰去。一道靈魂進封神臺來了。有詩為證，詩曰：

殷洪任信申公豹，要伐西岐顯大才。豈知數到皆如此，魂遶封神臺畔哀。

話說赤精子見殷洪成了灰燼，放聲哭曰：「太華山再無人養道修真。見吾將門下這樣如此，可為疼心！」慈航道人曰：「道兄差矣！馬元封神榜上無名，自然有救拔苦惱之人；殷洪事該如此，何必嗟歎？」三位道者復進相府，子牙感謝。三位道人作辭：「貧道只等子牙占辰，再來饒東征。」二位道人別子牙回去不表。

且言蘇侯聽得殷洪絕了，又有探馬報入營中曰：「稟元帥：殷殿下趕姜子牙，只一道金光就不見了。」鄭倫與劉甫、苟章打聽，不知所往。且說蘇侯暗與子蘇全忠商議曰：「我如今暗修書一封，你射進城去，明日請姜丞相勸營，我和你將家眷先進西岐西門，吾等不管他是與非，將鄭倫等一齊拿解見姜丞相，以償前罪。此事不可遲誤！」蘇全忠曰：「若不是呂岳、殷洪，我等父子進西岐多時矣。」蘇侯忙修書，命全忠晝夜將書穿在箭上，射入城中。那日是南宮适巡城，看見箭上有書，知是蘇侯的，忙下城進相府來，將書呈與姜子牙。子牙拆開觀看，書曰：

征西元戎冀州侯蘇護百叩頓首姜丞相麾下：護雖奉敕征討，心已歸周久矣。兵至西岐，急欲投戈麾下，執鞭役使。孰知天違人願，致有殷洪、馬元抗拒，今已授首；惟佐貳鄭倫執迷不悟，尚自屢犯天條，獲罪如山。護父子自思，非天兵壓寨，不能勉強誅逆。今特敬修尺書，望丞相早發大兵，今

語。蘇護復說曰：「鄭將軍，非我苦苦勸你，可惜你有大將之才，死非其所。你說『忠臣不事二君』，今天下諸侯歸周，難道都是不忠的？難道武成王黃飛虎、鄧九公俱是不忠的？又是君失其道，便不可為民之父母，而殘賊之人稱為獨夫。今天下叛亂，是紂王自絕于天。況古云：『良禽擇木，賢臣擇主。』將軍可自三思，毋徒伊戚。天子征伐西岐，其藝術高明之士，經天緯地之才者，至此皆化為烏有，此豈是力為之哉？況子牙門下，多少高明之士，道術精奇之人，豈是草草罷了。鄭將軍不可執迷，當聽吾言，後面有無限受用，不可以小忠小諒而已。」鄭倫被蘇護一篇言語，說得如夢初覺，如醉方醒，長歎曰：「不才非君侯之言，幾誤用一番精神。只是吾屢有觸犯，恐子牙門下諸將不能相容耳。」蘇護曰：「姜丞相量如滄海，何細流之不納。丞相門下皆有道之士，何不見容？將軍休得錯用念頭。待我稟過丞相就是。」蘇護至殿前打躬曰：「鄭倫被末將一番說肯歸降，奈彼曾有小過，恐丞相門下諸人不能相容耳。」子牙笑曰：「當日是彼此敵國，各為其主；今肯歸降，係是一家，何嫌隙之有？」忙令左右傳令：「將鄭倫放了，衣冠相見。」

少時，鄭倫整衣冠，至殿前下拜，曰：「末將逆天，不識時務，致勞丞相籌畫；今既被擒，又蒙赦宥，此德此恩，沒齒不忘矣！」子牙忙降階扶起慰之曰：「將軍忠心義膽，不佞識之久矣。但紂王無道，自絕于天，非臣子之不忠于國也。吾主下賢禮士，將軍當安心為國，毋得以嫌隙自疑耳。」鄭倫再三拜謝。子牙遂引蘇侯等至殿內，朝見武王。行禮稱臣畢，王曰：「相父有何奏章？」子牙啟曰：「冀州侯蘇護今已歸降，特來朝見。」武王宣蘇護上殿，慰曰：「孤守西岐，克盡臣節，未敢逆天行事；不知何故，累辱王師。今卿等既捨紂歸孤，暫住西土。孤與卿等當共修臣節，以俟天子修德，再為商議。相父

子牙降了銀安殿，聚將鼓響，眾將上殿參謁，然後黃飛虎父子回令。鄧九公回令：「斬劉甫，擒鄭倫，南宮适回令：大戰苟章敗走，遇黃天祥鎗刺而絕。又報：『蘇護聽令。』」子牙傳令：「請來。」蘇家父子進見子牙，方欲行禮，子牙曰：「請起敘話。君侯大德，仁義素布海內，不是小忠小信之夫。識時務，棄暗投明，審禍福，擇主而仕，寧棄椒房之寵，以洗萬世污名，真英雄也！不才無不敬羨！」蘇護父子答曰：「不才父子多有罪戾，蒙丞相曲賜生全，愧感無地！」彼此遜謝。言畢，子牙傳令：「把鄭倫推來。」眾軍校把鄭倫蜂擁推至簷前。鄭倫立而不跪，睜眼不語，有恨不能吞蘇侯之意。子牙曰：「鄭倫，諒你有多大本領，屢屢抗拒？今已被擒，何不屈膝求生，尚敢大廷抗禮！」鄭倫大喝曰：「無知匹夫！吾與爾身為敵國，恨不得生擒爾等叛逆，解往朝歌，以正國法。今不幸，吾主帥同謀，誤被爾擒，有死而已，何必多言！」子牙命左右：「推去斬訖號令！」眾軍校將鄭倫推出相府，只等行刑牌出。只見蘇侯向前跪而言曰：「啟丞相：鄭倫違抗天威，理宜正法；但此人實是忠義，似還是可用之人。況此人胸中奇術，一將難求，望丞相赦其小過，憐而用之，亦古人釋怨用仇之意。乞丞相海涵！」子牙扶起蘇侯，笑曰：「吾知鄭將軍忠義，乃可用之人，特赦之，使將軍說之耳，易于見聽。今將軍既肯如此，老夫敢不如命？」蘇護聞言大喜，領令出府，至鄭倫面前。鄭倫見蘇侯前來，低首不語。

蘇護曰：「鄭將軍，你為何迷而不悟？嘗言，識時務者呼為俊傑。今國君無道，天愁民怨，四海分崩，生民塗炭，刀兵不歇，天下無不思叛，正天之欲絕殷商也。今周武以德行仁，惟誠待士，澤及無告，民安物阜，三分有二歸周，其天意可知。子牙不久東征，弔民伐罪，獨大授首，又誰能挽此愆尤也！將軍可速早回頭，我與你告過姜丞相，容你納降，真不失君子見機而作；不然，徒死無益。」鄭倫長吁不

話說差官一路無詞，來到朝歌城，至館驛中歇下。次日進午門，至文書房。那日是大大夫方景春看本，忽然接著看時，見蘇護已降岐周，方景春點首罵曰：「老匹夫！一門盡受天子寵着，不思報本，今日反降叛逆，真狗彘之不若！」遂抱本入內庭，問侍御官曰：「天子在何處？」左右侍御對曰：「在摘星樓。」方景春竟至樓下候旨。左右啟上天子。紂王聞奏，宣上樓，朝賀畢，王曰：「大夫有何奏章？」方景春奏曰：「汜水關總兵官韓榮具本到都城，奏為冀州侯蘇護世受椒房之貴，滿門叨其恩寵，不思報國，反降叛逆，深負聖恩，法紀安在？具本申奏。臣未敢擅使，請旨定奪。」紂王見奏大驚曰：「蘇護乃朕心腹之臣，貴戚之卿，如何一旦反降周助惡，情殊痛恨！大夫暫退，朕自理會。」方景春下樓。紂王宣蘇皇后。姐已在御屏後，已聽知此事，聞宣，竟至紂王御案前，雙膝跪下，兩淚如珠，嬌聲軟語，泣而奏曰：「妾在深宮，荷蒙聖上恩寵，粉骨難消。不知父親受何人唆使，反降叛逆，罪惡通天，法當族誅，情無可赦。願陛下斬姐已之首，懸于都城，以謝天下。庶百官萬姓知陛下聖明，乾綱在握，守祖宗成法，不私貴倖。正妾之報陛下恩遇之榮，死有餘幸矣。」道罷，將香肌伏在紂王膝上，相偎相倚，

與孤代勞，設宴待之。」子牙領旨。蘇侯人馬盡入城，西岐雲集群雄不題。且言汜水關韓榮聞得此報大驚，忙差官修本赴朝歌城來。不知吉凶如何，且聽下回分解。

評

殷洪乃紂王之子，豈得概以違天論之？雖紂惡貫盈，而殷洪罪不應此，豈得定報之如斯？當日殷洪等既是封神榜有名之人，赤精子何不叫他不要下山？不是，也免得這番惡孽，分明是赤精子送他上山。宜乎再無人背上太華山修行學業也！哭之何益？

又評

鄭倫真有丈夫氣概，其對子牙之語，勝蘇護十倍。蘇護此際，當如何生活？

喊馬嘶，正值初夏天氣，風和日暖，梅雨霏霏，真好光景。怎見得，有詩為證：

冉冉綠陰密，風輕甚引雛。新荷翻沼面，修竹漸扶蘇。芳草連天碧，山花遍地鋪。溪邊蒲插劍，榴火壯行圖。何時了王事，鎮日醉呼盧③。

話言張山人馬一路晚住曉行，也受了些饑餐渴飲，鞍馬奔馳。不一日，來到西岐北門。左右報入行營：「稟元帥：前哨人馬已至岐周北門。」張山傳令安營。一聲砲響，三軍吶喊，絞起中軍帳來。張山坐定，只見錢保、李錦上帳參謁。錢保曰：「兵行百里，不戰自疲，請主將定奪。」張山謂二將曰：「將軍之言甚善。姜尚乃智謀之士，不可輕敵。況吾師遠來，利在速戰。今且暫歇息軍士，吾明日自有調用。」二將應諾而退。

且言子牙在西岐，日日與眾門人共議拜將之期，命黃飛虎造大紅旗幟，不要雜色。黃飛虎曰：「旗號乃三軍眼目。旗分五色，原為按五方之位次，使三軍知左右前後，進退攻擊之法，不得錯亂隊伍。若純是一色紅旗，則三軍不知東南西北，何以知進退趨避之方？猶恐不便；或其中另有妙用？乞丞相一一教之。」子牙笑曰：「將軍實不知其故耳。紅者火也。今主上所居之地乃是西方，此地原自屬金，非借火煉，寒金豈能為之有用？此正興周之兆。然于旗上另安號帶，須按青、黃、赤、白、黑五色，使三軍各自認識，自然不致亂淆。又使敵軍一望生疑，莫知其故，自然致敗。兵法云：『疑則生亂。』」正此故耳，又何不可之有？」黃飛虎打躬謝曰：「丞相妙算如神！」子牙又令辛甲造軍器。只見天下八百諸侯又表上西岐，請武王伐紂，會兵于孟津。子牙接表，與眾將官商議，恐武王不肯行。眾入正遲疑間，只

呼盧：古時有博戲叫樗蒲。盧、雉都是樗蒲中的名目。呼盧即是賭博之代稱。

悲悲泣泣，淚雨如注。紂王見妲己淚流滿面，嬌啼婉轉，真如帶雨梨花，啼春嬌鳥，紂王見如此態度，更覺動情，用手挽起，口稱：「御妻，汝父反朕，你在深宮，如何得知？何罪之有？賜卿平身，毋得自戚，有損花容。縱朕將江山盡失，也與愛卿無干。幸宜自愛。」妲己謝恩。紂王次日陞九間殿，聚眾文武，曰：「蘇侯叛朕歸周，情實痛恨！誰與孤代勞伐周，將蘇護併叛逆眾人拿解朕躬，以正其罪？」班中閃出一員大臣，乃上大夫李定，進前奏曰：「姜尚足智多謀，故所到者非敗則降，累辱王師，大為不軌。若不擇人而用，速正厥罪，則天下諸侯皆觀望效尤，何以懲將來！臣舉大元戎張山，久于用兵，慎重慮謀，可堪斯任，庶幾不辱君命。」紂王聞奏大喜，即命傳詔齊發❶，差官往三山關來。使命離了朝歌，一路上無詞。一日到了三山關館驛歇下。次日傳與管關元帥張山同錢保、李錦等來館驛，接了聖旨，至府堂上焚香案，跪聽開讀詔敕。

詔曰：征伐雖在於天子，功成又在闕外❷元戎。姬發猖獗，大惡難驅，屢戰失機，情殊痛恨！朕欲親往討賊，百司諫阻。茲爾張山，素有才望，上大夫李定等特薦卿得專征伐。爾其用心料理，克振壯猷，毋負朕倚托之重。俟旋凱之日，朕決不食言，以吝此茅土之賞。爾其欽哉！特詔。

欽差官讀罷詔旨，眾官謝恩畢，管待使臣，打發回朝歌。張山等候交代官洪錦，交割事體明白，方好進兵。

罵曰：「反賊匹夫！國家有何事虧你，背恩忘義；一旦而事敵國，死有餘辜！今不倒戈受縛，尚敢恃強，殺朝廷命官。今日拿匹夫解上朝歌，以正大法。」鄧九公曰：「你既為大將，上不知天時，下不諳人事，空生在世，可惜衣冠著體，真乃人中之畜生耳！今紂王貪淫無道，殘虐不仁，天下諸侯不歸紂而歸周，天心人意可見。汝尚欲勉強逆天，是自取辱身之禍，與聞太師等枉送性命耳。可聽吾言，下馬歸周，共伐獨夫，拯溺救焚，上順天心，下酬民願，自不失封侯之位。若勉強支吾，悔無及矣。」張山大怒，罵曰：「利口匹夫！敢假此無稽之言，惑世誣民，碎屍不足以盡其辜！」搖鎗直取。鄧九公刀迎面還來。二將相持，一場賭鬥。怎見得，有贊為證，贊曰：

輕舉擎天手，生死在輪回。往來無定論，叱咤似春雷。一個恨不得平吞你腦袋，一個恨不得活砍你顛腮。只殺得一個天昏地暗沒三才，那時節方纔兩下分開。

話說鄧九公與張山大戰三十回合，鄧九公戰張山不下，鄧嬋玉在後陣，見父親刀法漸亂，打馬兜回，發手一石，把張山臉上打傷，幾乎墜馬，敗進大營。鄧九公父女掌得勝鼓進城，入相府報功不表。

話言張山失機進營，臉上著傷，心上甚是急躁，切齒深恨。忽報：「營外有一道人求見。」張山傳令：「請來。」只見一道人，頭挽雙髻，背縛一口寶劍，飄然而至中軍，打稽首。張山欠身答禮，至帳中坐下。道人見張山臉上青腫，問曰：「張將軍面上為何著傷？」張山曰：「昨日見陣，偶被女將暗算。」道人忙取藥餌敷搽，即時痊癒。張山忙問：「老師從何處而來？」道人曰：「吾從蓬萊島而至，貧道乃羽翼仙也。特為將軍來助一臂之力。」張山感謝道人。次日，早至城下，請子牙答話。報馬報入相府：「城外有一道人請戰。」子牙曰：「原該有三十六路征伐西岐，此來已是三十二路，還有四路未曾來至，

見探事官報入相府，來報子牙曰：「成湯有人馬在北門安營，主將乃是三山關總兵張山。」子牙聽說，忙問鄧九公曰：「張山用兵如何？」鄧九公曰：「張山原是末將交代官，此人乃一勇之將耳。」正話之時，又報：「有將請戰。」子牙傳令：「誰去走遭？」鄧九公欠身：「末將願往。」領令出城：見一員戰將，如一輪火車，滾至軍前。怎見得打扮驍勇，有贊為證，贊曰：

頂上金盔分鳳翅，黃金鎧掛龍鱗砌。大紅袍上繡團花，絲蠻寶帶吞頭異。腰下常懸三尺鋒，打陣銀鎗如猛鷲。攔山跳澗紫驊騮，斬將鋼刀生殺氣。一心分免紂王憂，萬古留傳在史記。

話說鄧九公馬至軍前，看來者乃是錢保。鄧九公大叫曰：「錢將軍，你且回去，請張山出來，吾與他自有話說。」錢保指九公大罵曰：「反賊！紂王有何事負你！朝廷拜你為大將，寵任非輕，不思報本，一旦投降叛逆，真狗彘不若！尚有何面目立于天地之間？」鄧九公被數語罵得滿面通紅，亦罵曰：「錢保！料你一匹夫，有何能處，敢出此大言！你比聞太師何如？況他也不過如此。早受吾一刀，免致三軍受苦。」言罷，縱馬舞刀，直取錢保。錢保手中刀急架相還。二馬盤旋，看一場大戰。怎見得：

二將坐鞍轡，征雲透九霄。急取壺中箭，忙拔紫金標。這一個興心安社稷，那一個用意正天朝。這一個千載垂青史，那一個萬載把名標。真如一對狻猊鬥，不亞翻江兩怪蛟。

話說鄧九公大戰錢保有三十回合，錢保豈鄧九公對手，被九公回馬刀劈于馬下，梟首級進城，來見子牙，請令定奪。子牙大悅，記功宴賀不表。只見敗兵報與張山說：「錢保被鄧九公梟首級進城去了。」張山聞報大怒。次日，親臨陣前，坐名要鄧九公答話。報馬報入相府，言：「有將請戰，要鄧將軍答話。」鄧九公挺身而出，有女鄧嬋玉願隨壓陣，子牙許之。九公同女出城，張山一見鄧九公走馬至軍前，乃大

且說哪吒見羽翼仙了得，先下手祭乾坤圈打來，正中羽翼仙肩胛。道人把眉頭一皺，方欲把身逃走，被黃天化回手一攢心釘，把道人右臂打通；又被土行孫把道人腿上打了數下；楊戩復祭哮天犬把羽翼仙夾頸子一口。羽翼仙四下吃虧，大叫一聲，借土遁走了。子牙得勝，眾門人相隨進城。且說羽翼仙吃了許多的虧，把牙一挫，走進營來。張山接住，口稱：「老師今日誤中奸計，老師反被他著傷。」道人曰：「不妨，吾不曾防備他，故此著了他的手。」羽翼仙忙將花籃中取出丹藥，用水吞下一二粒，即時痊癒。羽翼仙調張山曰：「我念慈悲二字，到不肯傷眾生之命；他今日反來傷我，是彼自取殺身之禍。」復對張山：「可取些酒來，你我痛飲。至更深時，我叫西岐一郡化為渤海。」張山大喜，忙治酒相款不表。卻說子牙得勝進府，與諸門人將佐商議。忽一陣風把簷瓦刮下數片來。子牙忙焚香爐中，取金錢在手，占卜吉凶，只見排下卦來，把子牙誠得魂不附體；忙沐浴更衣，望崑崙下拜。拜罷，子牙披髮仗劍，移北海之水，救護西岐，把城郭罩住。只見崑崙山玉虛宮元始天尊早知詳細，用琉璃瓶中三光神水，灑向北海水面之上，又命四謁諦神把西岐城護定，不可輓動。正是：

人君福德安天下，元始先差謁諦神。

話說羽翼仙飲至一更時分，命張山收去了酒，出了轅門，現了本像，乃大鵬金翅鵬。張開二翅，飛在空中，把天也遮黑了半邊。好利害！有贊為證。贊曰：

二翅遮天雲霧迷，空中響亮似春雷。曾搗四海俱見底，吃盡龍王海內魚。只因怒發西岐難，還是明君福德齊。羽翼根深歸正道，至今萬載把名題。

我少不得要出去。」忙傳令：「排五方隊伍！」一聲砲響，齊出城來。羽翼仙擡頭觀看，只見兩扇門間，紛紛繞繞，俱是穿紅著綠狼虎將；攢攢簇簇，盡是敢勇當先驍騎兵。哪吒對黃天化，金吒對木吒，韋護對雷震子，楊戩與眾門人左右排列保護，中軍武成王壓陣，子牙坐四不相，走出陣前。見對面一道者，生的形容古怪，尖嘴縮腮，頭挽雙髻，徐徐而來。怎見得，有贊為證：

頭挽雙髻，體貌輕揚。皂袍麻履，形異常。嘴如鷹鷂，眼露凶光。葫蘆背上，劍佩身藏。蓬萊怪物，得道無疆。飛騰萬里，時歇滄浪。名為金翅，綽號禽王。

話說子牙拱手言曰：「道友請了！」羽翼仙曰：「請了。」子牙曰：「道友高姓何名？今日會尚有何事吩咐？」羽翼仙答曰：「貧道乃蓬萊島羽翼仙是也。姜子牙，我且問你：你莫非是崑崙門下元始徒弟，你有何能，對人罵我，欲拔吾翎毛，抽吾筋骨？我與你無涉，你如何這等欺人？」子牙欠身曰：「道友不可錯來怪人。我與道友並未曾會過，焉知道友根底？必有人搬唆④，說有甚失禮得罪之處。我與道友未有半面之交，此語從何而來？道友請白三思。」羽翼仙聽得此語，低頭暗思：「此言大是有理。」乃謂子牙曰：「你話雖有理，只是此語未必無自而來。但說過，你從今百事斟酌，毋得再是如此造次，我與你不得干休。去罷！」子牙欲勒騎，哪吒聽罷大怒：「這潑道焉敢如此放肆，渺視師叔！」登開風火輪，搖鎗就刺。羽翼仙笑曰：「原來你仗這些孽障兇頑，敢於欺人！」徹步持劍相交，鎗劍併舉。黃天化忙催玉麒麟，使雙鎗，雙戰道人。雷震子把風雷翅飛起空中，黃金棍往下刷來。土行孫倒拖郇鐵棍，來打下三路。楊戩縱馬舞三尖刀，前來助戰。把羽翼仙圍裏核心。上三路雷震子，中三路哪吒、楊戩、

西了？」道童答曰：「來早就有，來遲了，東西已儘與眾位師父，安能再有？必至明日方可。」羽翼仙曰：「你揀人布施，我偏要吃！」二人嚷將起來。只見一位穿黃的道人向前問曰：「你為何事在此爭論？」童兒曰：「此位師父來遲了，定要吃齋。那裡有了？故此閑講。」那道人曰：「童兒，你看可有麵點心否？」童兒答曰：「點心還有；要齋卻沒有了。」羽翼仙曰：「就是點心也罷，快取將來。」那童兒忙把點心拿將來，遞與羽翼仙。羽翼仙一連吃了七八十個。那童兒曰：「老師可吃夠了？」羽翼仙曰：「有，還吃得幾個。」童兒又取十數個來。羽翼仙共吃了一百零八個。正是：

妙法無邊藏秘訣，今番捉住大鵬鵬。

話說羽翼仙吃飽了，謝過齋，復現本像，飛起往西岐來；復從那洞府過，道人還坐在那裡，望著大鵬鵬把手一指，大鵬鵬跌將下來。哎呀的一聲，跌斷肚腸了！在滿地打滾，只叫：「痛殺我也！」不知大鵬鵬性命如何，且聽下回分解。

評

張山有大將之才，惜乎自不是子牙對手！只這箇大鵬鵬，也來混一場戰，並未曾得尺寸之功，反為口腹被擒，畢竟是羽毛中品格。

又評

只見大鵬鵬飛在空中，望下一看，見西岐城是北海水罩住。羽翼仙不覺笑曰：「姜尚可調腐朽，不知我的利害。我欲稍用些須之力，連四海頃刻搗乾，豈在此一海之水！」羽翼仙展兩翅，用力連搗有七八十搗。他不知此水有三光神水在上面，越搗越長，不見枯涸。羽翼仙自一更時分直搗到五更天氣，那水差不多淹著大鵬鵬的腳。這一夜將氣力用盡，不能成功，不覺大驚，「若再遲延，恐到天明不好看。」自覺慚愧，不好進營來見張山，一怒飛起來，至一座山洞，甚是清奇。怎見得，有贊為證，贊曰：

高峰掩映，怪石嵯峨。奇花瑤草馨香，紅杏碧桃艷麗。崖前古樹，霜皮溜雨四十圍；門外蒼松，黛色參天三千尺。雙雙野鶴，常來洞口舞清風；對對山禽，每向枝頭啼白晝。簇簇黃藤如掛索，行行煙柳似垂金。方塘積水，深穴依山。方塘積水，隱千年未變的蛟龍；深穴依山，生萬載得道之仙子。果然不亞玄都府，真是神仙出入門。

話說大鵬鵬飛至山洞前，見一道人靠著洞邊默坐。羽翼仙尋思：「不若將此道人抓來充饑，再作道理。」大鵬鵬方欲撲來，道人用手一指，大鵬鵬撲躪的跌將下地來。道人揉眉擦目，言曰：「你好沒禮！你為何來傷我？」羽翼仙曰：「實不相瞞，我去伐西岐，腹中餓了，借你充饑，不知道友仙術精奇，得罪了！」道人曰：「你腹中餓了，問吾一聲，我自然指你去。你如何就來害我？甚是非禮。也罷，我說與你知道：離此二百里，有一山，名為紫雲崖，有三山五嶽四海道人，俱在那裡赴香齋。你速去，恐遲了不便。」大鵬鵬謝曰：「承教了。」把二翅飛起，霎時而至，即現仙形。只見高高下下，三五一攢，七八一處，都是四海三山道者赴齋。又見一童兒往來捧東西與眾道人吃。羽翼仙曰：「道童請了！貧道是來赴齋的。」那童兒聽說，呀的一聲，答曰：「老師來早些方好，如今沒有東西了。」羽翼仙曰：「偏我就沒有東

第六十三回 申公豹說反殷郊

公豹存心至不良，紂王兩子喪疆場。當初致使殷洪反，今日仍教太歲亡。

長舌惹非成個事？巧言招禍作何忙？雖然天意應如此，何必區區話短長！

話說羽翼仙在地下打滾，只叫疼殺我也！這道人起身，徐徐行至面前，問曰：「你方纔去吃齋，為何如此？」大鵬答曰：「我吃了些麵點心，腹中作疼。」道人曰：「吃不著，吐了罷。」大鵬當真的去吐，不覺一吐而出，有雞子大，白光光的，連綿不斷，就像一條銀索子，將大鵬的心肝鎖住。大鵬覺得異樣，及至扯時，又扯得心疼。大鵬甚是驚駭，知是不好消息，欲待轉身，只見這道人臉一抹，大喝一聲：「我把你這孽障！你認得我麼？」這道人乃是靈鷲山元覺洞燃燈道人。道人罵曰：「你這孽障！姜子牙奉玉虛符命，扶助聖主，戡定禍亂，拯溺救焚，弔民伐罪，你為何反起狼心，連我也要吃？你助惡為虐！」命黃巾力士：「把這孽障吊在大松樹上，只等姜子牙伐了紂，那時再放你不遲！」大鵬忙哀訴曰：「老師大發慈悲，赦宥弟子！弟子一時愚昧，被旁人唆使。從今知過，再不敢正眼窺伺西岐。」燃燈曰：「你在天皇時得道，如何大運也不知，真假也不識，還聽旁人唆使，情真可恨，決難恕饒！」大鵬再三哀告曰：「可憐我千年功夫，望老師憐憫！」燃燈曰：「你既肯改邪歸正，須當拜我為師，我方可放你。」大鵬連忙極口稱道曰：「願拜老爺為師，修歸正果。」燃燈曰：「既然如此，待我放你。」

來伐西岐的，屢欲暗算子牙，每每被狂風簷瓦報信，便至保全無事。即此可卜天意，豈是人力所能強為？可笑殷洪殷郊錯了念頭。

兵器，如何在此閑玩？」忙出洞來，過了石橋，及至回頭，早不見洞府。殿下心疑，不覺渾身骨頭響，左邊肩頭上忽冒出一隻手來。殿下著慌，大驚失色；只見右邊又是一隻。一會兒忽長出三頭，六臂，把殷郊只誑得目瞪口呆，半晌無語。只見白雲童兒來前叫曰：「師兄，師父有請。」殷郊這一會略覺神思清爽，面如藍靛，髮似硃砂，上下獠牙，多生一目，晃晃蕩蕩，來至洞前。

廣成子拍掌答曰：「奇哉！奇哉！仁君有德，天生異人。」命殷郊進洞，至桃園內，廣成子傳與方天畫戟，言曰：「你先下山，前至西岐，我隨後就來。」道人取出番天印、落魂鐘、雌雄劍付與殷郊。殷郊即時拜辭下山。廣成子曰：「徒弟，你且住。我有一事對你說。吾將此寶盡付與你，須是順天應人，東進五關，輔周武，興弔民伐罪之師，不可改了念頭，心下狐疑，有犯天譴，那時悔之晚矣。」殷郊曰：「老師之言差矣！周武明德聖君，吾父荒淫昏虐，豈得錯認，有辜師訓。弟子如改前言，當受犁鋤之厄。」道人大喜。殷郊拜別師尊。正是：

殿下實心扶聖主，只恐旁人起禍殃。

話說殷郊離了九仙山，借土遁往西岐前來。正行之間，不覺那遁光飄飄，落在一座高山。怎見得好山，有贊為證，贊曰：

沖天占地，轉日生雲。沖天處尖峰矗矗，占地處遠脈迢迢。轉日的，乃嶺頭松鬱鬱；生雲的，乃崖下石磷磷。松鬱鬱，四時八節常青；石磷磷，萬年千載不改。林中每聽夜猿啼，澗內常見妖蟒過。山禽聲咽咽，走獸吼呼呼。山獐山鹿，成雙作對紛紛走；山鴉山雀，打陣攢群密密飛。山草山花看不盡，山桃山菓應時新。雖然崎嶇不堪行，卻是神仙來往處。

用手一指，那一百零八個念珠還依舊吐出腹中。大鵬遂歸燃燈道人，往靈鷲山修行不表。

話分兩頭，且說九仙山桃園洞廣成子只因犯了殺戒，只在洞中靜坐，保攝天和，不理外務。忽有白鶴童子奉玉虛符命，言子牙不日金臺拜將，命眾門人須至西岐山錢別東征。廣成子謝恩，打發白鶴童兒回玉虛去了。道人偶想起殷郊：「如今子牙東征，把殷郊打發他下山，佐子牙東進五關，一則可以見他家之故土，一則可以捉姪已報殺母之深仇。」忙問：「殷郊在那裡？」殷郊在殿後聽師父呼喚，忙至前殿，見師父行禮。廣成子曰：「方今武王東征，天下諸侯相會孟津，共伐無道，正你報仇泄恨之日。我如今著你前去，助周作前隊，你可去麼？」殷郊聽罷，口稱老師曰：「弟子雖是紂王之子，實與姪已為仇。父王反信奸言，誅妻殺子，母死無辜，此恨時時在心，刻刻掛念，不能有忘。今日老師大捨慈悲，發付弟子，敢不前往，以圖報效，真空生於天地間也。」廣成子曰：「你且去桃源洞外獅子崖前，尋了兵器來，我傳你些道術，你好下山。」殷郊聽說，忙出洞往獅子崖來尋兵器。只見白石橋那邊有一洞。怎見得，有西江月為證：

門依雙輪日月，照耀一望山川。珠淵金井煖含煙，更有許多堪羨。疊疊朱樓畫閣，凝凝赤壁

青田。三春楊柳九秋蓮，兀的①洞天罕見。

話說殷郊見石橋兩畔有一洞府，獸環朱戶，儼若王公第宅。殿下自思：「我從不曾到此，一過橋去，便知端的。」來至洞前，那門雖兩扇，不推而自開。只見裡邊有一石几，几上有熱氣騰騰六七枚豆兒。殷郊拈一個吃了，自覺甘甜香美，非同凡品，「好豆兒，不若一總吃了罷。」剛吃了時，忽然想起：「來尋

① 兀的：相當這或那。也作兀底。

崑崙門下申公豹是也。殿下往那裡去？」殷郊曰：「吾奉師命，往西岐投拜姬周，姜師叔不久拜將，助他伐紂。」道人笑曰：「我問你，紂王是你甚麼人？」殷郊答曰：「是吾父王。」道人曰：「恰又來！世間那有子助外人而伐父之理！此乃亂倫忤逆之說。你父不久龍歸滄海，你原是東宮，白當接成湯之亂，位九五之尊，承帝王之統，豈有反助他人，滅自己社稷，毀自己宗廟，此亘古所未聞者也。且你異日，百年之後，將何面目見成湯諸王在天之靈哉！我見你身藏奇寶，可安天下，形像可定乾坤，當從吾言，可保自己天下，以誅無道周武，是為長策。」殷郊答曰：「老師之言雖是，奈天數已定，吾父無道，天命人心已離，周主當興，吾何敢逆天哉！況姜子牙有將相之才，仁德散布于天下，諸侯無不響應。我老師曾吩咐我下山助姜師叔東進五關，吾何敢有背師言，此事斷難從命。」申公豹暗想：「此言犯不動他，也罷，再犯他一場，看他如何？」申公豹又曰：「殷殿下，你言姜尚有德，他的德在那裡？」殷郊曰：「姜子牙為人公平正直，禮賢下上，仁義慈祥，乃良心君子，道德丈夫，天下服從，何得小視他。」申公豹曰：「殿下有所不知。吾聞有德不滅人之辮倫，不戕人之天性，不妄殺無辜，不矜功自伐②。殿下之父親固得罪于天下，可與為讎。殿下之胞弟殷洪，聞說他也下山助周；豈意他欲邀己功，竟將殿下親弟用太極圖化成飛灰，此還是有德之人做的事，無德之人做的事？今殿下忘手足而事讎敵，吾為殿下不取也。」殷郊聞言大驚曰：「老師，此事可真？」道人曰：「天下盡知，難道吾有誑語。實對你說，如今張山現在西岐住紮人馬，你只問他。如果殷洪無此事，你再進西岐不遲；如有此事，你當為弟報讎。我今與你再請一高人，來助你一臂之力。」申公豹跨虎而去。

② 矜功自伐：即自己誇大自己的功勞。

話說殷郊纔看山嶺險峻之處，只聽得林內一聲鑼響，見一人面如藍靛，髮似硃砂，騎紅砂馬，金甲紅袍，三隻眼，攆兩根狼牙棒，那馬如飛奔上山來，見殷郊三頭六臂，也是三隻眼，大呼曰：「三首者乃是何人，敢來我山前探望？」殷郊答曰：「吾非別人，乃紂王太子殷郊是也。」那人忙下馬，拜伏在地，曰：「千歲為何往此白龍山上過？」殷郊曰：「吾奉師命，往西岐去見姜子牙。」話未曾了，又一人帶扇雲盔，淡黃袍，點鋼鎗，白龍馬，面如傅粉，三綰長髯，也奔上山來，大呼曰：「此是何人？」藍臉的道：「快來見殷千歲。」那人也是三隻眼，滾鞍下馬，拜伏在地。二人同曰：「且請千歲上山，至寨中相見。」三人步行至山寨，進了中堂。

二人將殷郊扶在正中交椅上，納頭便拜。殷郊忙扶起，問曰：「二位高姓大名？」那藍臉的應曰：「末將姓溫，名良；將白臉的姓馬，名善。」殷郊曰：「吾看二位一表非俗，俱負英雄之志，何不同吾往西岐立功，助武王伐紂？」二人曰：「千歲為何反助周滅紂？」殷郊答曰：「商家氣數已盡，周家王氣正盛，況吾父得十罪于天下，今天下諸侯應天順人，以有道伐無道，以無德讓有德，此理之常，豈吾家故業哉。」溫良、馬善曰：「千歲之言是也，真以天地父母為心，乃丈夫之所為，如千歲者鮮矣。」溫良與馬善整酒慶喜。殷郊一面吩咐嘍囉改作周兵，放火燒了寨柵，隨即起兵。殷郊三人同上了馬，離了白龍山，往大路進發，逕奔西岐而來。正是：

殷郊有意歸周主，只怕蒼天不肯從。

殷郊正行，嘍囉報曰：「啟千歲：有一道人騎虎而來，要見千歲。」殷郊聞報，忙吩咐左右旗門官，令安下人馬，請來相見。道人下虎進帳。殷郊忙迎將下來打躬，口稱：「老師從何而來？」道人曰：「吾乃

牙，左右二騎乃溫良、馬善，各持兵器。哪吒暗笑：「三人九隻眼，多了個半人！」殷郊走馬至軍前，叫：「姜尚出來見我！」子牙向前曰：「來者何人？」殷郊大喝曰：「吾乃長殿下殷郊是也！你將吾弟殷洪用太極圖化作飛灰，此恨如何消歇！」子牙不知其中緣故，應聲曰：「彼自取死，與我何干。」殷郊聽罷，大叫一聲，幾乎氣絕，大怒曰：「好匹夫！尚說與你無干！」縱馬搖戟來取。

旁有哪吒登開風火輪，將火尖鎗直取殷郊。輪馬相交，未及數合，被殷郊一番天印把哪吒打下風火輪來。黃天化見哪吒失機，催開了玉麒麟，使兩柄銀鎚，敵住了殷郊。子牙左右救回哪吒。黃天化不知殷郊有落魂鐘。殷郊搖動了鐘，黃天化坐不住鞍轡，跌將下來，張山走馬將黃天化拿了。及至上了繩索，黃天化方知被捉。黃飛虎兒子被擒，催開五色神牛來戰。殷郊也不答話，鎗戟併舉，又戰數合，搖動落魂鐘，黃飛虎也撞下神牛，早被馬善、溫良捉去。楊戩在旁見殷郊祭番天印、搖落魂鐘，恐傷了子牙，忙鳴金收回隊伍。子牙忙令軍士進城，坐在殿上納悶。楊戩上殿奏曰：「師叔，如今又是一場古怪事出來！」子牙曰：「有甚古怪？」楊戩曰：「弟子看殷郊打哪吒的是番天印；此寶乃廣成子師伯的，如何反把與殷郊？」子牙曰：「難道廣成子使他來伐我？」楊戩曰：「殷洪之故事，師叔獨忘之乎？」子牙方悟。

且說殷郊將黃家父子拿至中軍，黃飛虎細觀不是殷郊。殷郊問曰：「你是何人？」黃飛虎曰：「吾乃武成王黃飛虎是也。」殷郊曰：「西岐也有武成王黃飛虎？」張山在旁坐，欠身答曰：「此就是天子殿前黃飛虎；他反了五關，投歸周武，為此叛逆，惹下刀兵；今已被擒，正所謂『天網恢恢，疏而不漏』，是彼自取死耳。」殷郊聞言，忙下帳來，親解其索，曰稱：「恩人，昔日若非將軍，焉能保有今日。」

殷郊甚是疑惑，只得把人馬催動，逕往西岐。殷郊一路上沉吟思想：「吾弟與天下無讎，如何將他如此處治，必無此事。若是姜子牙將吾弟果然如此，我與姜尚誓不兩立，必定為弟報讎，再圖別議。」人馬在路，非止一日，來至西岐，果然有一枝人馬打商湯旗號在此住割。殷郊令溫良前去營裡去問果是張山否？話說張山白羽翼仙當晚去後，兩日不見回來；差人打探，不得實信。正納悶間，忽軍政官來報：「營外有一大將，口稱『請元帥接千歲大駕』，不知何故，請元帥定奪。」張山聞報，不知其故，沉思：「殿下久已失亡，此處是那裡的？」忙傳令：「令來。」軍政官出營對來將曰：「元帥令將軍相見。」溫良進營來見張山，打躬。張山問曰：「將軍自何處而來？有何見諭？」溫良答曰：「吾奉殷郊千歲令旨，令將軍相見。」張山對李錦曰：「殿下久已失亡，如何此處反有殿下？」李錦在旁曰：「只恐是真。元戎可往相見，看其真偽，再做區處。」張山從其言，同李錦出營，來至軍前。

溫良先進營回話，對殷郊曰：「張山到了。」殷郊曰：「令來。」張山進營，見殷郊三首六臂，像貌凶惡；左右立溫良、馬善，都是三隻眼。張山問曰：「啟殿下：是成湯那枝宗派？」殷郊曰：「吾乃當今長殿下殷郊是也。」因將前事訴說一番。張山聞言，不覺大悅，忙行禮，口稱千歲。殷郊曰：「你可知道二殿下殷洪的事？」張山答曰：「二千歲因伐西岐，被姜尚用太極圖化作飛灰多日矣。」殷郊聽罷，大叫一聲，昏倒在地。眾人扶起，放聲大哭曰：「兄弟果死于惡人之手！」躍身而起，將令箭一枝折為兩段，曰：「若不殺姜尚，誓與此箭相同！」次日，殷郊親自出馬，坐名只要姜尚出來。報馬報入城中，進相府報曰：「城外有殷郊殿下請丞相答話。」子牙傳令：「軍士排隊伍出城。」砲聲響處，西岐門開，一對對英雄似虎，一雙雙戰馬如飛，左右列各洞門人。子牙兒對營門一人，三首六臂，青面獠

鋼刀隨過隨時長，如同切水一般同。

南宮适看見大驚，忙進相府回令曰：「啟丞相：異事非常！」子牙問曰：「有甚話說？」南宮适曰：「奉令將馬善連斬三刀，這邊過刀，那邊長完，不知有何幻術，請丞相定奪。」子牙聽報大驚，忙同諸將出府來，親見動手，也是一般。旁有韋護祭起降魔杵打將下來，正中馬善頂門，只打的一派金光，就地散開。韋護收回杵，還是人形。眾門人大驚，只叫古怪！子牙無計可施，命眾門人：「借三昧真火燒這妖物！」旁有哪吒、金木二吒、雷震子、黃天化、韋護，運動三昧真火焚之。馬善乘火光一起，大笑曰：「吾去也！」楊戩看見火光中走了馬善。子牙心下不樂，各回府中商議不題。且言馬善走回營來見殷郊，盡言擒去，怎樣斬他，怎樣放火焚他，「未將借火光而回。」殷郊聞言大喜。

子牙在府中沉思。只見楊戩上殿，對子牙曰：「弟子往九仙山探聽虛實，看是如何。二則再往終南山見雲中子師叔，去借照妖鑑來，看馬善是甚麼東西，方可治之。」子牙許之。楊戩離了西岐，借土遁逕往九仙山來。不一時，已至桃園洞，來見廣成子。楊戩行禮，曰稱：「師叔。」廣成子曰：「前日令殷郊下山，到西岐同子牙伐紂，好三首六臂麼？候拜將日，再來囑他。」楊戩曰：「如今殷郊不伐朝歌，反伐西岐，把師叔的番天印打傷了哪吒諸人，橫行狂暴。弟子奉子牙之命，特來探其虛實。」廣成子聞言，大叫：「這畜生有背師言，定遭不測之禍！但吾把洞內寶珍盡付與他，誰知今日之變。」叫楊戩：「你且先回，我隨後就來。」楊戩離了九仙山，逕往終南山來，須臾而至；進洞府，見雲中子行禮，曰稱：「師叔，今西岐來了一人，名曰馬善，誅斬不得，水火亦不能傷他，不知何物作怪，特借老師照妖鑑一用；俟除此妖邪，即當奉上。」雲中子聽說，即將寶鑑付與楊戩。

忙問飛虎曰：「此人是誰？」黃飛虎答曰：「此吾長子黃天化。」殷郊急傳令也放了，因對飛虎曰：「昔日將軍救吾兄弟二人；今日我放你父子，以報前德。」

黃飛虎感謝畢，因問曰：「千歲當時風刮去，卻在何處？」殷郊不肯說出根本，恐泄了機密，乃朦朧應曰：「當日乃海島仙家救我，在山學業；今特下山，來報吾弟之仇。今日吾已報過將軍大德，倘後見戰，幸為迴避；如再被擒，必正國法。」黃家父子告辭出營，至城下叫門。把門軍官見是黃家父子，忙開城門放入。父子進相府來見子牙，盡言其事。子牙大喜。次日，探馬來報：「有將請戰。」子牙問：「誰人去走一遭？」旁有鄧九公願往，子牙許之。鄧九公領令出府，上馬提刀，開放城門，見一將白馬長鎗，穿淡黃袍。怎見得：

戴一頂扇雲冠，光芒四射；黃花袍，紫氣盤旋；銀葉甲，輝煌燦爛；三股繚，身後交加；白龍馬，追風趕日；杵白鎗，大蟒頑蛇。修行在仙山洞府，成道行有正無邪。

話說鄧九公大呼曰：「來者何人？」馬善曰：「吾乃大將馬善是也。」鄧九公也不通姓名，縱馬舞刀，飛來直取。馬善鎗劈面相迎。兩馬往還，戰有十二三回合，鄧九公刀法如神，馬善敵不住，被鄧九公閃一刀逼開了馬善的鎗，抓住腰間繚袍，撈過鞍轡，往下一摔，生擒進城，至相府來見子牙。子牙問曰：「將軍勝負如何？」九公曰：「擒了一將，名喚馬善；今在府前，候丞相將令。」子牙命：「推來。」少時，將馬善推至殿前。那人全不畏懼，立而不跪。子牙曰：「既已被擒，何不屈膝？」馬善大笑，罵曰：「老匹夫！你乃叛國逆賊。吾既被擒，要殺就殺，何必多言！」子牙大怒，令：「推出府斬訖報來！」南宮适為監斬官，推至府前，只見行刑箭出，南宮适手起一刀，猶如削菜一般。正是：

施禮，口稱：「師兄，弟子楊戩，借問老爺面前琉璃燈可曾點著？」白鶴童兒答曰：「點著哩。」楊戩自思：「此處點著，想不是這裡，且往靈鷲山去。」彼時離了玉虛，逕往靈鷲山來。好快！正是：

駕霧騰雲仙體輕，玄門須仗五行行。週遊寰宇須臾至，纔離崑崙又玉京。

楊戩進元覺洞，倒身下拜，口稱：「老師，弟子楊戩拜見。」燃燈問曰：「你來做甚麼？」楊戩答曰：「老爺面前的琉璃燈滅了。」道人擡頭看見燈滅了，呀的一聲，「這孽障走了！」楊戩把上件事說了一遍。燃燈曰：「你先去，我隨即就來。」楊戩別了燃燈，借上遁徑歸西岐，至相府來見子牙，將至玉虛見燃燈事說了一遍：「燃燈老師隨後就來。」子牙大喜。正言之間，門官報：「廣成子至。」子牙迎接至殿前。廣成子對子牙謝罪曰：「貧道不知有此大變，豈意殷郊反了念頭，吾之罪也。待吾出去，招他來見。」廣成子隨即出城，至營前大呼曰：「傳與殷郊，快來見我！」不知後事如何，且聽下回分解。

評

申公豹與子牙有甚麼讎隙？五次三番，邀請十洲三島凶神惡煞來伐西岐，不知殺害多少生靈，畢竟與子牙無損，徒自送了這許多人。這不是與子牙為讎，是與眾人為讎耳。

又評

紂王兩個兒子，被申公豹一場巧舌浪語，都送入極慘死地。此正不是保紂，實所以害紂；所謂自滅還自滅耳。大抵今人作惡還自身受，正是天道恰好主張。

楊戩離了終南山，往西岐來，至相府參謁子牙。子牙問曰：「楊戩，你往九仙山見廣成子，此事如何？」楊戩把上項事情一一訴說一遍，又將取照妖鑑來的事亦說了一遍，令明日可會馬善。次日，楊戩上馬提刀，來營前討戰，坐名只要馬善出來。探馬報入中軍，殷郊命馬善出營。馬善至軍前，楊戩暗取寶鑑照之，乃是一點燈頭兒在裡面晃。楊戩收了寶鑑，縱馬舞刀，直取馬善。二馬相交，刀鎗併舉，戰有二十回合，楊戩撥馬就走。馬善不趕，回營來見殷郊回話：「與楊戩交戰，那廝敗走，未將不去趕他。」殷郊曰：「知己知彼，此是兵家要訣，此行是也。」

且言楊戩回營進府來，子牙問曰：「馬善乃何物作怪？」楊戩答曰：「弟子照馬善，乃是一點燈頭兒，不知詳細。」旁有韋護曰：「世間有三處有三盞燈：玄都洞八景宮有一盞燈，玉虛宮有一盞燈，靈鷲山有一盞燈，莫非就是此燈作怪？楊道兄可往三處一看，便知端的。」楊戩忻然欲往，子牙許之。楊戩離了西岐，先往玉虛宮而來，駕著土遁而走。正是：

風聲響處行千里，一飯功夫至玉虛。

話說楊戩自不曾至崑崙山，今見景致非常，因便玩賞。怎見得：

珍樓玉閣，上界崑崙。谷虛繁地籟，境寂散天香。青松帶雨遮高閣，翠竹依稀兩道旁。霞光縹緲，采色飄飄。朱欄碧檻，畫棟雕簷。談經香滿座，靜閉月當窗。鳥鳴丹樹內，鶴飲石泉旁。四時不謝奇花草，金殿門開射赤光。樓臺隱現祥雲裡，玉磬韻長。珠簾半捲，爐內煙香。講動

黃庭方入聖，萬仙總領鎮東方。

話說楊戩至麒麟崖，看罷崑崙景致，不敢擅入，立于宮外，等候多時；只見白鶴童子出宮來，楊戩上前

「老師，沒來由你為姜尚與弟子變顏，實係偏心；倘一時失禮，不好看相。」廣成子又一劍劈來。殷郊曰：「老師何苦為他人不顧自己天性，則老師所謂天道、人道，俱是矯強①。」廣成子曰：「此是天數，你自不悔悟，違背師言，必有殺身之禍！」復又一劍砍來。殷郊急得滿面通紅，曰：「你既無情待我，偏執己見，自壞手足，弟子也顧不得了！」乃發手還一戟來。師徒二人戰未及四五合，殷郊祭番天印打來。廣成子著慌，借縱地金光法逃回西岐至相府。正是：

番天印傳殷殿下，豈知今日打師尊。

話說廣成子回相府，子牙迎著，見廣成子面色不似平日，忙問今日會殷郊詳細。廣成子曰：「彼被申公豹說反，吾再三苦勸，彼竟不從。是吾怒起，與他交戰，那孽障反祭番天印來打我；吾故此回來，再做商議。」子牙不知番天印的利害，正說之間，門官報：「燃燈老爺來至。」二人忙出府迎接。至轅前，燃燈對子牙曰：「連吾的琉璃燈也來尋你一番，俱是天數。」子牙曰：「尚該如此，理當受之。」燃燈曰：「殷郊的事大，馬善的事小；待吾先收了馬善，再做道理。」乃謂子牙曰：「你須得如此如此，方可收服。」子牙俱依此計。次日，子牙單人獨騎出城，坐名「只要馬善來見我！」左右報馬報入中軍：「啟千歲爺：姜子牙獨騎出城，只要馬善出戰。」殷郊白思：「昨日吾師出城見我，未曾取勝；今日令子牙單騎出城要馬善，必有緣故。且令馬善出戰，看是何如？」馬善得令，撻鎗上馬，出轅門，也不答話，直取子牙。子牙手中劍赴面相迎。未及數合，子牙也不歸營，望東南上逃走。馬善不知他的本主等他，隨後趕來。未及數射之地，只見柳陰之下立著一個道人，讓過子牙，當中阻住，大喝曰：「馬善！

第六十四回

羅宣火焚西岐城

離宮原是火之精，配合干支在丙丁。烈石焚山情更惡，流金燄海勢偏橫。

在天列曜人君畏，入地藏形萬姓驚。不是羅宣能作難，只因西土降仙卿。

話說探馬報入中軍：「啟千歲：有一道人請千歲答話。」殷郊暗想：「莫不是吾師來此？」隨即出營，果然是廣成子。殷郊在馬上欠身言曰：「老師，弟子甲冑在身，不敢叩見。」廣成子見殷郊身穿王服，大喝曰：「畜生！不記得山前是怎樣話？你今日為何改了念頭？」殷郊泣訴曰：「老師在上，聽弟子所陳：弟子領命下山，又收了溫良、馬善；中途遇著申公豹，說弟子保紂伐周，弟子豈肯有負師言？弟子知吾父殘虐不仁，肆行無道，固得罪于天下，弟子不敢有違天命。只吾幼弟又得何罪，竟將太極圖把他化作飛灰！與姜尚何讎，遭此慘死！此豈有仁心者所為？此豈以德行仁之主？言之痛心刺骨！老師反欲我事讎，是誠何心？」殷郊言罷，放聲大哭。廣成子曰：「殷郊：你不知申公豹與子牙有隙，他是誑你之言，不可深信。此事乃汝弟自取，實是天數。」殷郊曰：「申公豹之言固不可信；吾弟之死，又是天數，終不然是吾弟自走入太極圖中去，尋此慘酷極刑。老師說得好笑！今兄存弟亡，實為可慘。老師請回，俟弟子殺了姜尚以報弟讎，再議東征。」廣成子曰：「你可記得發下誓言？」殷郊曰：「弟子知道。就受了此厄，死也甘心，決不願獨自偷生！」廣成子大怒，喝一聲，仗劍來取。殷郊用戟架住：

方欲逃回，不意被楊戩一彈子，穿了肩頭，跌下馬去，死于非命。殷郊見溫良死于馬下，忙祭番天印打子牙。子牙展開杏黃旗，便有萬道金光，祥雲籠罩；又現有千朵白蓮，謹護其身；把番天印懸在空中，只是不得下來。子牙隨祭打神鞭，正中殷郊後背，翻筋斗落下馬去。楊戩急上前欲斬他首級，有張山、李錦二騎搶出，不知殷郊已借遁去了。子牙竟獲全勝進城，燃燈與廣成子共議曰：「番天印難治。且子牙拜將已近，恐誤吉辰，罪歸于你。」廣成子告曰：「老師為我設一謀，如何除得此惡？」燃燈曰：「無籌可治，奈何！奈何！」

且說殷郊著傷逃回進營，納悶鬱鬱不喜。且說轅門外來一道人，戴魚尾冠，面如重棗，海下赤髯，紅髮，三目，穿大紅八卦服，騎赤煙駒。道人下騎，叫：「報與殷殿下，吾要見他。」軍政官報入中軍：「啟千歲：外邊有一道者求見。」殷郊傳令：「請來。」少時，道人行至轅前。殷郊看見，忙降階接見。道人通身赤色，其形相甚惡。彼此各打稽首。殷殿下忙欠身答曰：「老師可請上坐。」道人亦不謙讓，隨即坐下。殷郊曰：「老師高姓？大名？何處名山洞府？」道人答曰：「貧道乃火龍島焰中仙羅宣是也；因中公豹相邀，特來助你一臂之力。」殷郊大悅，治酒款待。道人曰：「吾乃是齋，不用葷。」殷郊命治素酒相待不題。

一連在軍中過了三四日，也不出去會子牙。殷郊問曰：「老師既為我而來，為何數日不會子牙一陣？」道人曰：「我有一道友，他不曾來；若要來時，我與你定然成功，不用殿下費心。」且說那日正坐，轅門官軍來報：「有一道者來訪。」羅宣與殷郊傳令：「請來。」少時，見一道者，黃臉虬鬚，身穿皂服，徐步而來。殷郊乃出轅迎接，至轅，行禮尊于上坐。道人坐下，羅宣問曰：「賢弟為何來遲？」道人曰：

你可認得我？」馬善只作不知，就一鎗來刺。燃燈袖內取出瑠璃望空中祭起，那瑠璃望下掉來。馬善擡頭看見，及待驟時，燃燈忙令黃巾力士：「可將燈焰帶回靈鷲山去。」正是：

仙燈得道現人形，反本還元歸正位。

話說燃燈收了馬善，令力士帶上靈鷲山去了不題。

且說探馬來報入中軍：「啟千歲：馬善追趕姜尚，只見一陣光華，止有戰馬，不見了馬善。未敢擅專，請令定奪。」殷郊聞報，心下疑惑，隨傳令：「點砲出營，定與子牙立決雌雄。」只見燃燈收了馬善，方回來與廣成子共議：「殷郊被申公豹說反，如之奈何？」正說之間，探馬報入相府：「有殷殿下請丞相答話。」燃燈曰：「子牙公，你去得。你有杏黃旗，可以保身。」子牙忙傳令，同眾門人出城。砲聲響亮，西岐門開。子牙一騎當先，對殷郊言曰：「殷郊，你負師命，難免犁鋤之厄。及早投戈，免得自悔。」殷郊大怒，見了讎人，切齒咬牙，大罵：「匹夫把吾弟化為飛灰，我與你誓不兩立！」縱馬搖戟，直取子牙，子牙仗劍迎之。戟劍交加，大戰龍潭虎穴。且說溫良走馬來助，這壁廂哪吒登開風火輪接住交兵。兩下裡只殺得：

黑鷲雲迷白日，鬧嚷嚷殺氣遮天。鎗刀劍戟冒征煙，鬧斧猶如閃電。好勇的成功建業；恃強的努力當先。為明君不怕就死，報國恩欲把身捐。只殺得一團白骨見青天，那時節方纔收軍罷戰。

且說溫良祭起白玉環來打哪吒，哪吒也將乾坤圈祭起來；一聲響，將白玉環打得粉碎。溫良大叫一聲：「傷吾之寶，怎肯甘休！」奮力來戰，又被哪吒一金磚正中後心，打得往前一晃，未曾閃下馬來。

赤寶丹天降異人，渾身上下烈煙燻，離宮煉就非凡品，南極熬成迥出群。火龍島內修真性，焰氣聲高氣似雲。純陽自是三昧火，烈石焚金惡煞神。

話說羅宣現了三百六臂，將五龍輪一輪，把黃天化打下玉麒麟。早有金、木二吒救回去了。楊戩正欲暗放哮天犬來傷羅宣，不意子牙早祭起打神鞭望空中打來，把羅宣打得幾乎翻下赤煙駒來。哪吒戰住了劉環，把乾坤圈打來，只打得劉環三昧火冒出，俱大敗回營。

張山在轅門觀看，見岐周多少門人，祭無窮法寶，一個勝如一個，心中自思：「久後滅紂者必是子牙一輩。」心中甚是不悅。只見羅宣失利回營，張山接住慰勞。羅宣曰：「今日不防姜尚打我一鞭，吾險些兒墜下騎來。」忙取葫蘆中藥餌，吞而治之。羅宣對劉環曰：「這也是西岐一群眾生該當如此，非我定用此狠毒也。」道人咬牙切齒。正是：

山紅土赤須臾了，殿閣樓臺化作灰。

話說羅宣在帳內與劉環議曰：「今夜把西岐打發他乾乾淨淨，免得費我清心。」劉環道：「他既無情，理當如此。」正是子牙災難至矣。子牙只知得勝回兵，那知有此一節。不意時至二更，羅宣同劉環借著火遁，乘著赤煙駒，把萬里起雲煙射進西岐城內。此萬里起雲煙乃是火箭，及至射進西岐城內，可憐東、西、南、北，各處火起，相府、皇城，到處生煙。子牙在府內只聽的百姓吶喊之聲，振動華岳。燃燈已知道了，與廣成子出靜室看火。怎見得，好火：

黑煙漠漠，紅焰騰騰。黑煙漠漠，長空不見半分毫；紅焰騰騰，大地有光千里赤。初起時，灼灼金蛇；次後來，千千火塊。羅宣切齒逞雄威，惱了劉環施法力。燥乾柴燒烈火性，說甚麼燧

「因攻戰之物未完，故此來遲。」殷郊對道人口：「請問道長高姓？大名？」道人口：「吾乃九龍島煉氣士劉環是也。」殷郊傳令治酒款待。次早，二位道者出營，來至城下，請子牙答話。探馬忙報入相府：「啟丞相：有二位道人請丞相爺答話。」子牙隨即同眾門人出城，排開隊伍。只見催陣鼓響，對陣中有一道者，生得甚是兇惡。怎見得：

魚尾冠，純然烈焰；大紅袍，片片雲生。絲絲懸赤色，麻履長紅雲。劍帶星星火，馬如赤爪龍。面如血潑紫，鋼牙暴出唇。三日光輝觀宇宙，火龍島內有聲名。

話說子牙對諸門人口：「此人一身赤色，連馬也是紅的！」眾弟子曰：「截教門下，古怪者甚多。」話未畢，羅宣一騎馬當先，大呼曰：「來者可就是姜子牙？」子牙答曰：「道兄，不才便是。不知道友是何處名山？那裡洞府？」羅宣曰：「吾乃火龍島焰中仙羅宣是也。吾今來會你。只因你倚仗玉虛門下，把吾輩截教甚是恥辱，吾故到此與你見一個雌雄，方知二教自有高低，非在放口舌爭也。你那左右門人不必向前；料你等不過毫末道行，不足為能。只我與你比個高下。」道罷，把赤煙駒催開，使兩口飛煙劍來取子牙。子牙手中劍急架相迎。二獸盤旋，未及數合，哪吒登開風火輪，搖鎗來刺。羅宣旁有劉環躍步而出，抵住哪吒。大抵子牙的門人多，不由分說，楊戩舞三尖刀沖殺過來；黃天化使開雙鎚，也來助戰；雷震子展開二翅，飛起空中，將金棍刷來；土行孫使動卻鐵棍，往下三路也自殺來；韋護綽步，使降魔杵劈頭就打；四面八方，圍裹上來。羅宣見子牙眾門人不分好歹，一湧而上，抵擋不住，忙把三百六十骨節搖動，現出三首六臂，一手執照天印，一手執五龍輪，一手執萬鴉壺，一手執萬里起雲煙，雙手使飛煙劍，好利害！怎見得，有贊為證，贊曰：

害明君，吾特來助陣。你可速回，毋取滅亡之禍。」羅宣大怒，將五龍輪劈面打來。公主笑曰：「我知道你只有這些伎倆，你可盡力發來！」乃忙取四海瓶掣在手中，對著五龍輪。只見一輪竟打在瓶裡去了。火龍進入于海內，焉能濟事！羅宣大叫一聲，把萬里起雲煙射來，公主又將四海瓶收住去了。劉環大怒，腳踏紅焰，仗劍來取。公主把臉一紅，將二龍劍望空中一丟。劉環那裡經得起，隨將劉環斬于火內。羅宣忙現三首六臂，祭照天印打龍吉公主。公主把劍一指，此印落于火內，又將劍去起。羅宣情知難拒，撥赤煙駒就走。公主再把二龍劍去起，正中赤煙駒後背。赤煙駒自倒，將羅宣撞下火來，借火遁而逃。公主忙施雨露，且救了西岐火焰，好兒子牙。怎見得好雨，有贊為證：

瀟瀟灑灑，密密沉沉。瀟瀟灑灑，如天邊墜落明珠；密密沉沉，似海口倒懸滾浪。初起時，如拳大小；次後來，甕潑盆傾。溝壑水飛千丈玉，澗泉波浪萬條銀。西岐城內看看滿，低凹池塘漸漸平。真是武王有福高明助，倒瀉天河往下傾。

話說龍吉公主施雨救滅西岐火焰，滿城民人齊聲大叫曰：「武王洪福齊天，普施恩澤，吾等皆有命也！」合城大小，歡聲震地。一夜天翻地沸，百姓皆不得安生。武王在殿內祈禱，百官帶雨問安。子牙在相府，神魂俱不附體。只見燃燈曰：「子牙憂中得吉，就有異人至也。貧道非是不知，吾若是來治此火，異人必不能至。」話言未了，有楊戩報入府來：「啟師叔：有龍吉公主來至。」子牙忙降階迎迓上殿。公主見燃燈、廣成子在殿上，公主打稽首，口稱：「道兄請了！」子牙忙問燃燈曰：「此位何人？」公主忙答曰：「貧道乃龍吉公主，有罪于天。方纔羅宣用火焚燒西岐，貧道今特來此間，用些須小法術，救滅此火，特佐子牙東征，會了諸候，有功于社稷，可免罪愆，得再回瑤池耳，真不負貧道下山一場。」

人鑽木；熱油門上飄絲，勝似那老子開爐。正是那無情火發，怎禁這有意行兇。不去弭災，返行助虐。風隨火勢，焰飛有千丈餘高；火逞風威，灰迸上九霄雲外。兵兵兵兵，如同陣前施響；轟轟轟轟，卻似鑼鼓齊鳴。只燒得男啼女哭，叫皇天，抱女攜兒無處躲。姜子牙總有妙法不能施；周武王德政天齊難逃避。門人雖有，各自保守其軀；大將英雄，盡是蹣跑鼠竄。正是災來難避，無情火，慌壞青鸞斗闕仙。

話說武王聽得各處火起，連宮內生煙，武王跪在丹墀，告祈后土、皇天曰：「姬發不道，獲罪于天，降此大厄，何累于民？只願上天將姬發盡戶滅絕，不忍萬民遭此災厄。」俯伏在地，放聲大哭。且說羅宣將萬鴉壺開了，萬隻火鴉飛騰入城，口內噴火，翅上生煙；又用數條火龍，把五龍輪架在當中，只見赤煙駒四蹄生烈焰，飛煙寶劍長紅光，那有石牆、石壁燒不進去。又有劉環接火，頃刻畫閣雕梁，即時崩倒。正是：

武王有福逢此厄，自有高人滅火時。

話說羅宣正燒西岐，來了鳳凰山青鸞斗闕的龍吉公主，乃是昊天上帝親生，瑤池金母之女。只因有念思凡，貶在鳳凰山青鸞斗闕，今見子牙伐紂，也來助一臂之力。正值羅宣來燒西岐，娘娘就假此好見子牙，遂跨青鸞來至。遠遠的只見火內有千萬火鴉，忙叫：「碧雲童兒，將霧露乾坤網撒開，往西岐火內一罩。」此寶有相生相剋之妙，霧露者乃是真水；水能克火，故此隨即息滅，即時將萬隻火鴉盡行收去。羅宣正放火亂燒，忽不見火鴉。往前一看，見一道姑，戴魚尾冠，穿大紅絳綃衣。羅宣大呼：「乘鸞者乃是何人，敢滅吾之火？」公主笑曰：「吾乃龍吉公主是也。你有何能，敢動惡意，有逆天心，來

羅宣放火燒城，使滿城鼎沸，眾生無所措手足，幸得龍吉公主來救滅。燃燈此時反說現成話，真可謂道人會打誑語！

子牙大喜，忙吩咐侍兒，打點焚香淨室，與公主居住。西岐城內這一場釀鬧，大是利害，乃收拾宮闈府第不表。

且說羅宣敗走下山，喘息不定，倚松靠石，默然沉思：「今日把這些寶貝一旦失與龍吉公主，此恨怎消？」正愁恨時，只聽得腦後有人作歌而至。歌曰：

「曾做菜羹寒士，不去奔波朝市。宦情收起，打點林泉事。高山採紫芝，溪邊理釣絲。洞中戲耍，閒寫黃庭字。把酒醺然，長歌腹內詩。識時扶王立帝基，知機②羅宣今日危。」

話說羅宣聽罷，回頭一看，見個大漢，戴扇雲盔，穿道服，持戟而至。羅宣問曰：「汝是何人，敢出大言？」其人答曰：「吾乃李靖是也。今日往西岐見姜子牙，東進五關，吾無有進見之功，今日擎你權當一功。」羅宣大怒，躍身而起，將寶劍來取。二人交鋒，不知性命如何，且聽下回分解。

評

廣成子畢竟被殷郊數語壓倒，沒得回他。紂雖得罪於天下，於其子何辜？大抵廣成子俱局於數術，定要送他弟兄兩個性命。多惹此一番爭鬥，與申公豹何干？

又評

彩色氤氳遶碧空。霧隱樓臺重疊疊，霞盤殿閣紫陰陰。祥光萬道臨福地，瑞氣千條照洞門。大羅宮內金鐘響，八景宮開玉磬鳴。開天闢地神仙府，纔是玄都第一重。

話說廣成子至玄都洞，不敢擅入，等候半晌，只見玄都大法師出來，廣成子上前稽首，口稱：「道兄，煩啟老師，弟子求見。」玄都大法師至蒲團前啟曰：「廣成子至此，求見老師。」老子曰：「廣成子不必著他進來，他來是要離地焰光旗；你將此旗付與他去罷。」玄都大法師隨將旗付與廣成子，曰：「老師吩咐，你去罷，不要進見了。」廣成子感謝不盡，將旗高捧，離了玄都，逕至西岐，進了相府。子牙接見，拜了焰光旗。廣成子又往西方極樂之鄉來。縱金光，一日到了西方勝境，比崑崙山大不相同。怎見得，有贊為證，贊曰：

寶焰金光映日明，異香奇彩更微精。七寶林中無窮景，八德池邊落瑞瓊。素品仙花人罕見，簞簞仙樂耳更清。西方勝界真堪羨，真乃蓮花瓣裡生。

話說廣成子站立多時，見一童子出來，廣成子曰：「那童子，煩你通報一聲，說廣成子相訪。」只見童子進去，不一時，童子出來，道：「有請。」廣成子見一道人，身高丈六，面皮黃色，頭挽抓髻，向前稽首，分賓主坐下。道人曰：「道兄乃玉虛門下，久仰清風，無緣會晤；今幸至此，實三生有緣。」廣成子謝曰：「弟子因犯殺戒，今被殷郊阻住子牙拜將日期，今特至此，求借青蓮寶色旗，以破殷郊，好佐周王東征。」接引道人曰：「貧道西方乃清淨無為，與貴道不同。以花開見我，我見其人，乃蓮花之像，非東南兩度之客。此旗恐惹紅塵，不敢從命。」廣成子曰：「道雖二門，其理合一。以人心合天道，豈得有兩？南北東西共一家，難分彼此。如今周王是奉玉虛符命，應運而興，東西南北，總在皇上

第六十五回

殷郊岐山受犁鋤

鼙鼓頻催日已西，殷郊此日受犁鋤。翻天有印皆淪落，離地無旗孰可棲？

空負肝腸空自費，浪留名節浪為題。可憐二子俱如昔，氣化清風魂魄泥。

話說李靖大戰羅宣，戟劍相交，猶如虎狼之狀。李靖祭起按三十二天黃金寶塔，乃大叫曰：「羅宣！今日你難逃此難矣！」羅宣欲待脫身，怎脫此厄？只見此塔落將下來，如何存立？可憐！正是：

封神臺上有坐位，道術通天難脫逃。

話說黃金塔落將下來，正打在羅宣頂上，只打得腦漿迸流，一靈已奔封神臺去了。李靖收了寶塔，借土遁往西岐，時刻而至。到了相府前，有木吒看見父親來至，忙報與子牙：「弟子父親李靖等令。」燃燈對子牙曰：「乃是吾門人，曾為紂之總兵。」子牙聞之大喜，忙令相見畢。且說廣成子見殷郊阻兵于此，子牙拜將又近，問燃燈曰：「老師，如今殷郊不得退，如之奈何？」燃燈曰：「番天印利害。除非取了玄都離地焰光旗，西方取了青蓮寶色旗。如今止有了玉虛杏黃旗，殷郊如何伏得他，必先去取了此旗方可。」廣成子曰：「弟子願往玄都，見師伯走一遭。」燃燈曰：「你速去！」廣成子借縱地金光法往玄都來，不一時來至八景宮玄都洞。真好景致！怎見得，有贊為證：

金碧輝煌，珠玉燦爛。青葱婆娑，蒼苔欲滴。仙鸞仙鶴成群，白鹿白猿作對。香煙縹緲沖霄漢，

燃燈方悟，隨命廣成子往崑崙山來。廣成子縱金光至玉虛宮，立于麒麟崖，等候多時，有南極仙翁出來。廣成子把殷郊的事說了一遍。南極仙翁曰：「我知道了，你且回去。」廣成子回西岐不表。且說南極仙翁即忙收拾，換了朝服，擊了玎璫玉珮，手執朝笏，離了玉虛宮，足踏祥雲，飄飄蕩蕩，鶴駕先行引導。怎見得，有詩為證：

祥雲托足上仙行，跨鶴乘鸞上玉京。福祿並稱為壽曜，東南常自駐行旌。

話說南極仙翁來到瑤池，落下雲頭，見朱門緊閉，玉珮無聲；只見瑤池那些光景，甚是稀奇。怎見得，有贊為證，贊曰：

頂摩霄漢，脈插須彌。巧峰排列，怪石參差。懸崖下瑤草琪花，曲徑旁紫芝香蕙。仙猿摘果入桃林，卻似火焰燒金；白鶴棲松立枝頭，渾如蒼煙捧玉。彩鳳雙雙，青鸞對對。彩鳳雙雙，向日一鳴天下瑞；青鸞對對，迎風躍舞世間稀。又見黃澄澄瑤瑤瓦疊鴛鴦，明晃晃錦花磚鋪瑪瑙。東一行，西一行，盡是蕊宮珍闕；南一帶，北一帶，看不了寶閣瓊樓。雲光殿上長金霞，聚仙亭下生紫霧。正是：金闕堂中仙樂動，方知紫府是瑤池。

話說南極仙翁俯伏金階，口稱：「小臣南極仙翁奏聞金母：應運聖主，鳴鳳岐山，仙臨殺戒，垂象上天；因三教並談，奉玉虛符命，按三百六十五度，封神八部，雷、火、瘟、斗，群星列宿。今有玉虛副仙廣成子門人殷郊，有負師命，逆天叛亂，殺害生靈，阻撓姜尚不能前往，恐誤拜將口期。殷郊發誓，應在西岐而受犁鋤之厄。今奉玉虛之命，特懇聖母，恩賜聚仙旗，下至西岐治殷郊以應願言。誠惶誠恐，稽首頓首。具疏小臣南極仙翁具奏。」俯伏少時，只聽得仙樂一派。怎見得：

水土之內。道兄怎言西方不與東南之教同？古語云：『金丹舍利同仁義，三教元來是一家。』接引道人曰：「道人言雖有理，只是青蓮寶色旗染不得紅塵。奈何！奈何！」

二人正論之間，後邊來了一位道人，乃是準提道人；打了稽首，同坐下。準提曰：「道兄此來，欲借青蓮寶色旗，西岐山破殷郊；若論起來，此寶借不得。如今不同，亦自有說。」乃對接引道人曰：「前番我曾對道兄言過：東南兩度，有三千丈紅氣沖空，與吾西方有緣；是我八德池中五百年花開之數。西方雖是極樂，其道何日得行於東南？不若借東南大教，兼行吾道，有何不可？況今廣成子道兄又來，當得奉命。」接引道人聽準提道人之言，隨將青蓮寶色旗付與廣成子。廣成子謝了二位道人，離西方望西岐而來。正是：

只為殷郊逢此厄，纔往西方走一遭。

話說廣成子離了西方，不一日來到西岐，進相府來見燃燈，將西方先不肯借旗，被準提道人說了方肯的話說了一遍。燃燈曰：「事好了！如今正南用離地焰光旗，東方用青蓮寶色旗，中央用杏黃戊己旗，西方用素色雲界旗，單讓北方與殷郊走，方可治之。」廣成子曰：「素色雲界旗那裡有？」眾門人都想，想不起來，廣成子不樂。眾門人俱退。土行孫來到內裡，對妻子鄧嬋玉說：「平空殷郊伐西岐，費了許多的事，如今還少素色雲界旗，不知那裡有？」只見龍吉公主在靜室中聽見，忙起身來問土行孫曰：「素色雲界旗是我母親那裡有。此旗一名雲界，一名聚仙，但赴瑤池會，將此旗拽起，群仙俱知道，即來赴瑤池勝會，故曰聚仙旗。此旗別人去不得，須得南極仙翁方能借得來。」土行孫聞說，忙來至殿前，見燃燈道人曰：「弟子回內室，與妻子商議，有龍吉公主聽見。彼言此旗乃西王母處有，名曰聚仙旗。」

計就月中擒玉兔，謀成日裡捉金烏。

子牙吩咐停當，先同武王往岐山，安定西方地位。

且說張山、李錦見營中殺氣籠罩，上帳見殷郊，言曰：「千歲，我等駐紮在此，不能取勝，不如且回兵朝歌，再圖後舉。千歲意下如何？」殷郊曰：「我不曾奉旨而來；待吾修本，先往朝歌，求援兵來至，料此一城有何難破？」張山曰：「姜尚用兵如神，兼有玉虛門下甚眾，亦不是小敵耳。」殷郊曰：「不妨。連吾師也懼吾番天印，何況他人！」三人共議至抵暮。有一更時分，只見黃飛虎帶領一枝人馬，點砲吶喊，殺進轅門。真是父子兵，一擁而進，不可抵擋。殷郊還不曾睡，只聽得殺聲大振，忙出帳，上馬擄戟，掌起燈籠火把。燈光內只見黃家父子殺進轅門。殷郊大呼曰：「黃飛虎，你敢來劫營，是自取死耳！」黃飛虎曰：「奉將令，不敢有違。」搖鎗直取。殷郊手中戟急架忙迎。黃天祿、黃天爵、黃天祥等一裹而上，將殷郊圍在核心。只見鄧九公帶領副將太鸞、鄧秀、趙昇、孫焰紅沖殺左營；南宮适領辛甲、辛免、太顛、閔天直殺進右營，李錦接住廝殺；張山戰住鄧九公。哪吒、楊戩搶入中軍，來助黃家父子。哪吒的鎗只在殷郊前後心窩、兩脇內亂刺，楊戩的三尖刀只在殷郊頂上飛來。殷郊見哪吒登輪，先將落魂鐘對哪吒一晃，哪吒全然不理。祭番天印打楊戩，楊戩有八九玄功，迎風變化，打不下馬來。故此殷郊著忙。晝夜交兵，苦殺了成湯士卒。正是：

只因為主安天下，馬死人亡滿戰場。

話說哪吒祭起一塊金磚，正中殷郊的落魂鐘上，只打得霞光萬道；殷郊大驚。南宮适斬了李錦，也殺到中營來助戰。張山與鄧九公大戰，不防孫焰紅噴出一口烈火，張山面上被火燒傷，鄧九公趕上一刀，劈

玉殿金門兩扇開，樂聲齊奏下瑤臺。鳳銜丹詔離天府，玉敕金書降下來。

話說南極仙翁俯伏玉階，候降敕旨。只聞樂聲隱隱，金門開處，有四對仙女高捧聚仙旗，付與南極仙翁，曰：「敕旨付南極仙翁：周武當有大下，紂王穢德彰聞，應當絕滅，正合天心。今特敕爾聚仙旗前去，以助周邦，事畢，速速送還，毋得延緩，有褒仙寶。速往。欽哉！望闕謝恩。」南極仙翁謝恩畢，離了瑤池。正是：

周主洪基年八百，聖入金闕借旗來。

話說南極仙翁離了瑤池，逕至西岐，有楊戩報入相府。廣成子焚香接敕，望闕謝恩畢。子牙迎接仙翁至殿中坐下，共言殷郊之事。仙翁曰：「子牙，吉辰將至，你等可速破了殷郊，我暫且告回。」眾仙送仙翁回宮。燃燈曰：「今有聚仙旗，可以擒殷郊。只是還少兩三位可助成功。」話猶未了，哪吒來報：「赤精子來至。」子牙迎至殿前。廣成子曰：「我與道兄一樣，遭此不肖弟子。」彼此嘆歎。又報：「文殊廣法天尊來至。」見了子牙，口稱：「恭喜！」子牙答曰：「何喜可賀？連年征伐無休，日不能安食，夜不得安寢；怎能得靜坐蒲團，了悟無生之妙也！」燃燈道：「今日煩文殊道友，可將青蓮寶色旗往西岐山震地駐紮，赤精子用離地焰光旗在岐山離地駐紮，中央戊己乃貧道鎮守，西方聚仙旗須得武王親自駐紮。」子牙曰：「這個不妨。」隨即請武王至相府，子牙不提擒殷郊之事，只說是：「請大王往岐山退兵，老臣同往。」武王曰：「相父吩咐，孤自當親往。」話說子牙掌聚將鼓，令黃飛虎領令箭，沖張山大轅門，鄧九公沖左輝道門，南宮适沖右輝道門，哪吒、楊戩在左，韋護、雷震子在右，黃天化在後，金木二吒、李靖父子三人掠陣。正是：

鴻濛初判道精微，產在離宮造化機。今日岐山開展處，殷郊難免血沾衣。

赤精子展開此寶，番天印只在空中亂滾，不得下來。殷郊見如此光景，忙收了印，往中央而來。燃燈道人叫殷郊曰：「你師父有一百張犁鋤候你！」殷郊聽罷著慌，口稱：「老師，弟子不曾得罪與眾位師尊，為何各處逼迫？」燃燈曰：「孽障！你發願對天，出口怎免？」殷郊乃是一位惡神，怎肯干休？便氣沖牛斗，直取過來。燃燈口稱：「善哉！」將劍架戟。未及三合，殷郊發印就打。燃燈展開了杏黃旗，此寶乃玉虛宮奇珍。怎見得，有詩為證，詩曰：

執掌崑崙按五行，無窮玄法使人驚。展開萬道金光現，致使殷郊性命傾。

殷郊見燃燈展開杏黃旗，就有萬朵金蓮現出，番天印不得下來，恐被他人收去了，忙收印在手。忽然望正西上一看，見子牙在龍鳳簫下。殷郊大叱一聲：「仇人在前，豈可輕放！」縱馬搖戟，大呼：「姜尚！吾來也！」武王見一人三首六臂，搖戟而來。武王曰：「誑殺孤家！」子牙曰：「不妨，來者乃殷郊殿下。」武王曰：「既是當今儲君，孤當下馬拜見。」子牙曰：「今為敵國，豈可輕易相見？老臣自有道理。」武王看殷郊來得勢如山倒一般，滾至面前，也不答話，直一戟刺來有聲。子牙劍急架忙迎。只一合，殷郊就祭印打來，子牙急展聚仙旗。此乃瑤池之寶，只見氤氳遍地，一派異香，籠罩上面，番天印不得下來。怎見得，有詩為證，詩曰：

五彩祥雲天地迷，金光萬道吐虹霓。殷郊空用番天印，咫尺犁鋤頂上擠。

子牙見此旗有無窮大法，番天印不得下來，子牙把打神鞭祭起來打殷郊。殷郊著忙，抽身望北面走。燃燈遠見殷郊已走坎地，發一雷聲，四方吶喊，鑼鼓齊鳴，殺聲大振。殷郊催馬向北而走，四面追趕，

於馬下。九公領眾將官也沖殺至中軍，重重疊疊把殷郊圍住，鎗刀密匝，劍戟森羅，如銅牆鐵壁。殷郊雖然是三首六臂，怎經得起這一群狼虎英雄，俱是封神榜上惡曜^❶。又經得雷震子飛在空中，使開金棍刷將下來。殷郊見大營俱亂，張山、李錦皆亡，殷郊見勢頭不好，把落魂鐘對黃天化一晃，黃天化翻下玉麒麟來。殷郊乘此走出陣來，往岐山逃遁。眾將官鳴鑼擂鼓，追趕三十里方回。黃飛虎督兵進城，俱進相府，候子牙回兵。

且說殷郊殺到天明，止剩有幾個殘兵敗卒。殷郊歎曰：「誰知如此兵敗將亡！俺如今且進五關，往朝歌見父借兵，再報今日之恨不遲。」因策馬前行。忽見文殊廣法天尊站立前面而言曰：「殷郊，今日你要受犁鋤之厄！」殷郊欠身，口稱：「師叔，弟子今日回朝歌，老師為何阻吾去路？」文殊廣法天尊曰：「你入羅網之中，速速下馬，可赦你犁鋤之苦。」殷郊大怒，縱馬搖戟，直取天尊；天尊手中劍急架忙迎。殿下心慌，祭起番天印來。文殊廣法天尊忙將青蓮寶色旗招展。好寶貝：白氣懸空，金光萬道，現一粒舍利子。怎見得，有詩為證，詩曰：

萬道金光隱上下，三乘玄妙入西方。要知舍利無窮妙，治得番天印渺茫。

文殊廣法天尊展動此寶，只見番天印不能落將下來。殷郊收了印，往南方離地而來。忽見赤精子大呼曰：「殷郊，你有負師言，難免出口發誓之災！」殷郊情知不殺一場也不得完事，催馬搖戟來刺赤精子。赤精子曰：「孽障！你兄弟一般，俱該如此，乃是天數，俱不可逃。」忙用劍架戟。殷郊復祭番天印就打，赤精子展動離地焰光旗。此寶乃玄都寶物，按五行奇珍。怎見得，有詩為證，詩曰：

❶ 惡曜：即凶神惡煞。

第六十六回 洪錦西岐城大戰

奇門遁術陣前開，斬將奪旗亦壯哉。黑焰引魂遮白日，青旛擲地盡塵埃。

三山關上多英俊，五氣崖前有異才。不是仙娃能幻化，只因月老作新媒。

話說燃燈合山，擠住殷郊，四路人馬齊上山來。武王至山頂上，看見殷郊這等模樣，滾鞍下馬，跪於塵埃，大呼：「千歲！小臣姬發，奉法克守臣節，併不敢欺君枉上。相父今日令殿下如此，使孤有萬年污名。」子牙挽扶武王而言曰：「殷郊違逆天命，大數如此，怎能脫逃？大王要盡人臣之道，行禮以盡主公之德可也。」武王曰：「相父今日把儲君夾在山中，大罪俱在我姬發了。望列位老師大開惻隱，憐念姬發，放了殿下罷！」燃燈道人笑曰：「賢王不知天數。殷郊違逆天命，怎能逃脫！大王盡過君臣之禮便罷了，大王又不可逆天行事。」武王兩次三番勸止。子牙正色言曰：「老臣不過順天應人，斷不敢逆天而誤主公也。」武王含淚，撮土焚香，跪拜在地，稱臣泣訴曰：「臣非不救殿下，奈眾老師要順守天命，實非臣之罪也。」拜罷，燃燈請武王下山，命廣成子推犁上山。廣成子一見殷郊這等如此，不覺落淚。正是：

只因出口犁鋤願，今日西岐怎脫逃？

只見武吉犁了殷郊。殷郊一道靈魂往封神臺來，清福神祇柏鑑用百靈幡來引殷郊。殷郊怨心不服，一陣

把殷郊趕得無路可投，往前行山徑越窄，殷郊下馬步行，又聞後面追兵甚急，對天祝曰：「若吾父王還有天下之福，我這一番天印把此山打一條路徑而出，成湯社稷還存；如打不開，吾今休矣。」言罷，把番天印打去。只見響一聲，將山打出一條路來。殷郊大喜曰：「成湯天下還不能絕。」便往山路就走。只聽得一聲砲響，兩山頭俱是周兵，捲下上頂來，後面又有燃燈道人趕來。殷郊見左右前後俱是子牙人馬，料不能脫得此難，忙借上遁，往就走。殷郊的頭方冒出山尖，燃燈道人使用手一合，二山頭一擠，將殷郊的身子夾在山內，頭在山外。不知性命如何，且聽下回分解。

評

殷郊之死，固是天數，以報紂之極惡；廣成子未免有些孟浪。當日一旦將無數寶付托與他，後面治伏此寶，要去東挪西借，走了無限腳頭，費了許多氣力；後面又去啼哭，毫無神仙品，反是一般婆子心腸。

又評

我想神仙原是弄人耍子，必竟要做出這些模樣，方顯得這些神通，使人莫測其涯際；不然，只不放他下山，何等直捷！何等無事！

至三山關館驛中安下。次日，洪錦待佐貳官接旨，開讀畢，交代官乃是孔宣。不日俟孔宣交代明白，洪錦領十萬雄師，離了高關，往西岐進發。好人馬！怎見得，有贊為證：

一路上旌旗迷麗日，殺氣亂行雲。刀鎗寒颯颯，劍戟冷森森。弓彎秋月樣，箭插點寒星。金甲黃澄澄，銀盔似玉鐘。鑼響驚天地，鼓插似雷鳴。人似貔貅猛，馬似蛟龍雄。今往西岐去，又送姜前程。

話說洪錦一路行來，兵過岐山，哨馬報入中軍：「人馬已至西岐了。」洪錦傳令安營，立下寨柵。先行官季康、柏顯忠上帳參見。洪錦曰：「今奉敕征討，爾等各宜盡心為國。姜尚足智多謀，非同小敵，須是謹慎小心，不得造次草率。」二將曰：「謹領臺命。」次日，季康領令出營，至西岐城下搦戰。探馬報入相府，子牙大喜：「三十六路征伐，今日已滿，可以打點東征。」忙問口：「那一員將官去走一遭？」南宮适願往，子牙許之。南宮适領命出城，見季康猶如一塊烏雲而至。南宮适曰：「來者何人？」季康答曰：「吾乃洪總兵麾下正印官季康是也，今奉敕征伐。爾等叛逆之徒，理當授首轅門，尚敢領兵拒敵，真是無法無君！」南宮适笑曰：「似你這等不堪之類，西岐城也不知殺了幾百萬，何在你這一人而已！快快回兵，免你一死。」季康大怒，縱馬舞刀直取。南宮适手中刀赴面相迎。

二將殺有三十回合，季康乃左道旁門，念動咒語，頂上現一塊黑雲，雲中現出一隻犬來，把南宮适夾膊子上一口，連袍帶甲，扯去半邊，幾乎被季康刀劈了。南宮适誠得魂不附體，敗進城，至相府回話，將咬傷一事訴說了一遍，子牙不樂。只見季康進營，見洪錦言得勝，傷南宮适敗進城去了。洪錦大喜：「頭陣勝，陣陣勝。」次日，柏顯忠上馬，至城下請戰，探馬報入相府。子牙問：「誰人出馬？」有鄧

風逕往朝歌城來。紂王正與妲己在鹿臺飲酒。好風！怎見得，有贊為證：

刮地遮天暗，愁雲照地昏。鹿臺如潑墨，一派靛粧成。先刮時揚塵播上，次後來倒樹推林。只刮得嫦娥抱定娑羅樹，空中仙子怎騰雲。吹動崑崙頂上石，捲得江河水浪渾。

話說紂王在鹿臺上正飲酒，聽得有人來，紂王不覺昏沉，就席而臥。見一人三首六臂，立於御前，口稱：「父王，孩兒殷郊為國而受犁鋤之厄。父王可修仁政，不失成湯社稷，當任用賢相，速拜元戎，以任內外大事。不然，妾尚不久便欲東行，那時悔之晚矣！孩兒還要訴奏，恐封神臺不納，孩兒去也！」紂王驚醒，口稱：「怪哉！」妲己、胡喜妹、王貴人三人共席欠身，忙問曰：「陛下為何口稱怪哉？」紂王把夢中事說了一遍。如曰：「夢由心作，陛下勿疑。」紂王乃酒色昏君，見三妖嬌態，把盞傳杯，遂不在心。只見汜水關韓榮有本進朝歌告急。其本至文書房，微子看本，看見如此，心下十分不樂，將此本抱入內庭。紂王正在顯慶殿，當駕官啟奏：「微子候旨。」王曰：「宣。」微子至殿前，行禮畢，將汜水關韓榮報本呈上。

紂王展看，見張山奉敕征討失利，又帶著殷郊殿下絕於岐山。紂王看畢大怒，與眾臣曰：「不道姬發自立武王，竟成大逆。屢屢征伐，損將折兵，不見成功。為今之計，可用何卿為將？若不早除，恐為後患。」班內一臣乃中諫大夫李登，進禮稱臣曰：「今天下不靜，刀兵四起，十餘載未寧。雖東伯侯姜文煥、南伯侯鄂順、北伯侯崇黑虎，此三路不過癰疥之疾；獨西岐姜尚助姬發而為不道，肆行禍亂，其志不小。論朝歌城內，皆非姜尚之敵手。臣薦三山關總兵官洪錦，才術雙全，若得此臣征伐，庶幾大事可定。」紂王即傳旨，齎敕往三山關，命洪錦得專征伐。使命持詔，逕往三山關來，一路無詞。一日來

討大元戎洪錦是也。爾等不守臣節，違天作亂，往往拒敵主帥，法難輕貸①。今奉旨特來征討爾等，寧解朝歌，以正國法。若知吾利害，早早下騎就擒，可救一郡生靈塗炭。」子牙笑曰：「洪錦，你即是大將，理當知機。天下盡歸周主，賢士盡叛獨夫；料你不過一泓之水，能濟甚事？今諸侯八百齊伐無道，吾不久會兵孟津，弔民伐罪，以救生民塗炭，削平禍亂。汝等急急早降，乃歸有道，自不失封侯之位耳。尚敢逆天以助不道，是自取罪戾也。」洪錦大罵：「好老匹夫！焉敢如此肆志亂言！」遂縱馬舞刀，沖過陣來。

旁有姬叔明大呼曰：「不得猖獗！」催開馬，搖鎗直取洪錦，二將殺在一堆。姬叔明乃文王第七十二子，這殿下心性最急，使開鎗勢如狼虎，約戰有三四十合。洪錦乃左道術士出身，他把馬一夾，跳在圈子外面，將一皂旗往下一戳，把刀望上一晃，那旗化作一門，洪錦連人帶馬逕進旗門而去。殿下不知，也把馬趕進旗門來。此時洪錦看得見姬叔明，姬叔明看不見洪錦，馬頭方進旗門，洪錦在旗門裡一刀把姬叔明揮於馬下。子牙大驚。洪錦收了旗門，依舊現身，大呼曰：「誰來與吾見陣？」旁有鄧嬋玉走馬至軍前，大呼：「匹夫！少待恃強！吾來也！」洪錦看見一員女將奔來，金盔金甲，飛臨馬前。怎見得，有詩為證：

女將生來正幼齡，英風凜凜貌娉婷。五光寶石飛來妙，輔國安民定太平。

鄧嬋玉一馬沖至陣前，洪錦也不答話，舞刀直取，佳人手中雙刀急架忙迎。洪錦暗思：「女將不可戀戰，速斬為上策。」洪錦依然去把皂旛如前用度，也把馬走入旗門裡去了，只等鄧嬋玉趕他。不知嬋玉有智，

① 法難輕貸：依法難以寬恕。

九公應曰：「末將願往。」子牙許之。鄧九公開放西岐城，走馬至軍前，認得是柏顯忠，大呼曰：「柏顯忠！天下盡歸明主，你等今日不降，更待何時？」柏顯忠曰：「似你這匹夫，負國大恩，不顧仁義，乃天下不仁不智之狗彘耳！」鄧九公大怒，催開坐騎，使開合扇大刀，直取柏顯忠。顯忠挺鎗刺來。二將交鋒，如同猛虎搖頭，不亞獅子擺尾，只殺的天昏地暗。怎見得，有贊為證：

這一個頂上金盔飄烈焰，那一個黃金甲掛連環套。這一個猩猩血染大紅袍，那一個粉素征袍如白練。這一個大刀揮如閃電光，那一個長鎗恰似龍蛇現。這一個胭脂馬跑鬼神驚，那一個白龍駒走如銀靄。紅白二將似天神，虎鬥龍爭真不善。

二將大戰二十回合，鄧九公乃是有名大將，展開刀如同閃電，勢不可當。柏顯忠那裡是九公敵手，被九公賣個破綻，手起一刀，把柏顯忠揮於馬下。鄧九公得勝進城，至相府回話：「斬了柏顯忠首級報功。」子牙令：「將首級號令城上。」且說洪錦見折了一將，在中軍大怒，咬牙切齒，恨不得平吞西岐。次日，領大隊人馬，坐名要子牙答話，哨馬報入相府。子牙聞報，即時排隊伍出城。砲聲響處，西岐門開，一枝人馬而出。洪錦看城內兵來，紀律嚴整，又見左右歸周豪傑，一個個勝似虎狼，那三山五嶽門人，飄飄然俱有仙風道骨，兩旁鴈翅排開。寶纛旗下乃開國武成王黃飛虎。子牙坐四不相，穿一身道服，體貌自別。怎見得，有詩為證：

金冠如魚尾，道服按東方。絲繚懸水火，麻鞋繁玉璫。

手執三環劍，胸藏百煉鋼。帝王師相品，萬載把名揚。

話說洪錦走馬至軍前，大呼曰：「來者是姜尚麼？」子牙答曰：「將軍何名？」洪錦曰：「吾乃奉天征

主雖是仙子，終是女流，力氣甚少，及舉劍望洪錦背上砍來，正中肩胛，洪錦哎喲一聲，不顧旗門皂旛，往正北上逃走。

龍吉公主隨後趕來，大叫：「洪錦速速下馬受死！吾乃瑤池金母之女，來助武王伐紂。莫說你有道術，便趕你上天入地，也要帶了你的首級來！」望前緊趕。洪錦只得捨生奔走。往前又趕，看看趕上，公主又曰：「洪錦莫想今日饒你！吾在姜丞相面前說過，定要斬你方回。」洪錦聽罷，心下著忙，身上又痛，自思：「不若下馬借土遁逃回，再作區處。」龍吉公主見洪錦借土遁逃走，笑曰：「洪錦這五行之術，隨意變化，有何難哉！吾來也！」下馬借木遁趕來。取木能克土之意。看看趕至北海，洪錦自思曰：「幸吾有此寶在身，不然怎了？」忙取一物，往海裡一丟。那東西見水重生，攪海翻波而來。此物名曰鯨龍。洪錦腳跨鯨龍，奔入海內而去。龍吉公主趕至北海，只見洪錦跨鯨而去。怎見得，有贊為證：

煙波蕩蕩，巨浪悠悠。煙波蕩蕩接天河，巨浪悠悠連地脈。潮來洶湧，水浸灣環。潮來洶湧，猶如霹靂吼三春；水浸灣環，卻似狂風吹九夏。乘龍福老，往來必定皺眉行；跨鶴仙童，反覆果然憂慮過。近岸無村舍，傍水少漁舟。浪捲千層雪，風生六月秋。野禽憑出沒，沙鳥任浮沉。

眼前無釣客，耳畔只聞鷗。海底魚游樂，天邊鳥過愁。

話言龍吉公主趕至北海，見洪錦跨鯨而逃。公主笑曰：「幸吾離瑤池帶得此寶而來。」忙向錦囊中取出一物，也往海裡一丟。那寶貝見水，復現原身，滑喇喇分開水勢，如泰山一般。此寶名為神鯨，原身浮於海面。公主站立於上，仗劍趕來。此神鯨善降鯨龍，起頭鯨龍入海，攪得波浪滔天；次後來神鯨入海，鯨龍無勢。龍吉公主看看趕上，祭起綱龍索，命黃巾力士：「將洪錦速拿往西岐去！」黃巾力士領娘娘

也不來趕，忙取五光石往旗門裡一石打來，聽得洪錦在旗門內哎喲一聲，面已俱傷，收了旗旛，撤回營去了。子牙回兵進府，又見傷了一位殿下，鬱鬱不爽，納悶在府。

且言洪錦被五光石打得面上眼腫鼻青，激得只是咬牙，忙用丹藥敷貼，一夜痊癒。次日，上馬親至城下，坐名只要女將。哨馬報入相府，言：「洪錦只要鄧嬋玉。」子牙無計，只得著人到後面來說。土行孫兒人來報，忙對鄧嬋玉曰：「今日洪錦坐名要你，你切不可進他旗門。」嬋玉曰：「我在三山關大戰數年，難道左道也不知？我豈有進他旗門去的理？」二人正議論間，時有龍吉公主聽見，忙出靜室，問曰：「你二人說甚麼？」土行孫曰：「有一大將洪錦，善用幻術，將皂旛一面，化一旗門，殿下姬叔明趕進去，被他一刀送了性命。昨與嬋玉交戰，他又用皂旛；嬋玉不趕，只一石往裡面打去，打傷此賊。他今日定要嬋玉出馬，故此弟子吩咐他今日切不可趕他。如若不去，使他說吾西岐無人物。」龍吉公主笑曰：「此乃小術，叫做旗門遁。皂旛為內旗門，白旛為外旗門。既然如此，待吾收之。」土行孫上銀安殿，將子牙把龍吉公主的事說了一遍。子牙大喜，忙請公主上殿。

公主見子牙，打稽首曰：「乞借一坐騎，待吾去收此將。」子牙令取五點桃花駒。龍吉公主獨自出馬，開了城門，一騎當先。洪錦見女將來至，不是鄧嬋玉。洪錦問曰：「來者乃是何人？」龍吉公主曰：「你也不必問我；我要說出來，你也不知。你只是下馬受死，是你本色。」洪錦大怒，罵曰：「好大膽賤人，焉敢如此！」縱馬舞刀來取，公主手中鸞飛劍急架忙迎。二騎交鋒，只三四合，洪錦又把內旗門遁使將出來。公主看見，也取出一首白旛，往下一戳，將劍一分，白旛化作一門，公主走馬而入，不知所往。洪錦及至看時，不見了女將，大驚。不知外旗門有相生相克之理。龍吉公主從後面趕將出來，公

姜子牙金臺拜將

金臺拜將若飛仙，斗大黃金肘後懸。夢入熊羆方寶地，年登耄耋始朝天。

延綿周室承先業，樹列齊封啟後賢。福壽兩端人罕及，帝王師相古今傳。

話說子牙見捉了洪錦，料知龍吉公主成功。將洪錦放下丹墀。少時，龍吉公主進相府，子牙欠身謝曰：「今日公主成莫大之功，皆是社稷生民之福。」公主曰：「自下高山，未與丞相成尺寸之功；今日捉了洪錦，但憑丞相發落。」龍吉公主道罷，自回靜室去了。子牙令左右將洪錦推至殿前，問曰：「似你這等逆天行事之輩，何嘗得片甲回去？」命：「推將出去，斬首號令！」有南宮适為監斬，候行刑令下，方欲開刀，只見一道人忙奔而來，喘息不定，只叫：「刀下留人！」南宮适看見，不敢動手，急進相府來稟曰：「啟丞相得知：末將斬洪錦，方欲開刀，有一道人只叫刀下留人。未敢擅使，請令定奪。」子牙傳：「請。」少時，那道人來至殿前，與子牙打了稽首。子牙曰：「道兄從何處來？」道人曰：「貧道乃月合老人也。因符元仙翁曾言龍吉公主與洪錦有俗世姻緣，曾締紅絲之約，故貧道特來通報；二則可以保子牙兵度五關，助得一臂之力。子牙公不可違了這件大事。」子牙暗想：「她乃蕊宮仙子，吾怎好將凡間姻緣之事與她講？」乃令鄧嬋玉先去見龍吉公主，就將月合仙翁之言先稟過，方可再議。

鄧嬋玉逕進內庭，請公主出淨室議事。公主忙出來，見鄧嬋玉，問曰：「有何事見我？」鄧嬋玉曰：

法旨，憑空把洪錦擄去，拿往西岐，至相府往塔下一摔。子牙正與眾將官共議軍情，只見空中摔下洪錦，子牙大喜。不知洪錦性命如何，且聽下回分解。

評

殷郊之死，也是天數，只是廣成子不該著他下山來，明明是送他上路。廣成子不得辭其責。

進表丞相臣姜尚：臣聞惟天地萬物父母，惟人萬物之靈。天佑下民，作之君，作之師。惟其克相上帝，寵綏四方，作民父母。今商王受弗敬上天，降災下民，流毒邦國，剝喪元良，賊虐諫輔，狎侮五常，荒怠不敬，沉湎酒色，罪人以族，官人以世；惟宮室、臺榭、陂池、侈服以殘害于萬姓，遺厥先宗廟弗祀，播棄黎老^③，昵比罪人，惟婦言是用。焚炙忠良，剝剔孕婦，崇信姦回^④，放黜師保；屏棄典刑，囚奴正士；殺妻戮子，惟淫醜是圖。作奇技淫巧，以悅婦人；郊社不修，宗廟不享。商罪貫盈，天人共怒。今天下諸侯大會于孟津，興弔民伐罪之師，救生民于水火，乞大王體上天好生之心，孚四海諸侯之念，思天下黎庶之苦，大奮鷹揚，擇日出師，恭行天罰，則社稷幸甚，臣民幸甚！乞賜詳示施行。謹具表以聞。

武王覽畢，沉吟半晌。王曰：「相父此表，雖說紂王無道，為天下共棄，理當征伐；但昔日先王曾有遺言：『切不可臣伐君。』今日之事，天下後世以孤為口實。況孤有辜先王之言，謂之不孝。縱紂王無道，君也。孤若伐之，謂之不忠。孤與相父共守臣節，以俟紂王改過遷善，不亦善乎？」子牙曰：「老臣怎敢有負先王！但天下諸侯布告中外，訴紂王罪狀，不足以君天下；糾合諸侯，大會孟津，昭暢天威，興弔民伐罪之師，觀政于商。前有東伯侯、姜文煥、南伯侯、鄂順、北伯侯、崇黑虎、具文書知會，如那一路諸侯不至者，先問其違抗之罪，次伐無道。老臣恐誤國家之事，因此上表，請王定奪，願大王裁之。」武王曰：「既是他三路欲伐成湯，聽他等白為。孤與相父坐守本土，以盡臣節；上不失為臣之禮，下可以

③ 播棄黎老：放棄不親近老成之臣。

④ 崇信姦回：尊重信任姦邪之臣。

「今有月合仙翁言公主與洪錦有俗世姻緣，曾締紅絲之約，該有一世夫妻。現在殿前與丞相共議此事，故丞相先著妾身啟過娘娘，然後可以面議。」公主曰：「吾因在瑤池犯了清規，特貶我下凡，不得復歸瑤池與吾母重逢。今下山來，豈得又多此一番俗孽耶。」鄧嬋玉不敢作聲。少時，月合仙翁同子牙至後廳，龍吉公主見仙翁稽首。仙翁曰：「今日公主已歸正道，今貶下凡間者，正要了此一段俗緣，自然反本歸元耳。況今子牙拜將在邇，那時兵度五關，公主該與洪錦建不世之勳，垂名竹帛^①。候功成之日，瑤池自有旌旛來迎接公主回宮。此是天數，公主雖欲強為，不可得矣。所以貧道受符元仙翁之命，故不辭勞頓，親自至此，特為公主作伐^②。不然，洪錦剛赴法行刑，貧道至此，不遲不早，恰逢其時，其冥數可知。公主當依貧道之言，不可誤卻佳期，罪愆更甚，那時悔之晚矣。公主請自三思！」龍吉公主聽了月合仙翁一篇話，不覺長吁一聲：「誰知有此孽冤所繫！既是仙翁掌人間婚姻之牘，我也不能強辭，但憑二位主持。」子牙、仙翁大喜，遂放了洪錦，用藥敷好劍傷。洪錦自出營招回季康人馬，擇吉日與龍吉公主成了姻眷。正是：

天緣月合非容易，自有紅絲牽繫來。

話說洪錦與龍吉公主成了姻親，乃紂王三十五年三月初三日。西岐城眾將打點東征，一應錢糧，俱各停當，只等子牙上山師表。翌日，武王設聚早朝，王曰：「有奏章上班，無事朝散。」言未畢，有姜丞相捧出師表上殿，武王命接上來。奉御官將表文開于御案上。武王從頭觀看：

① 垂名竹帛：即名垂青史。

② 作伐：即作媒。

十五日，請大王至金臺，親拜相父為帥。」武王准旨，俟至日行禮。

且說子牙三月十三日立辛甲為軍政司，先將斬法紀律牌掛在帥府，使眾將各宜知悉。辛甲領令，掛出帥府，上書：

大元帥姜條約示諭大小眾將一體知悉。各款開列于後：

聞鼓不進，聞金不退，舉旗不起，按旗不伏：此為慢軍，犯者斬。

呼名不應，點視不到，違期不至，動乖紀律：此為欺軍，犯者斬。

夜傳刁斗，怠而不報，更籌違度，聲號不明：此為懈軍，犯者斬。

多出怨言，毀謗主將，不聽約束，梗教難治：此為橫軍，犯者斬。

揚聲笑語，蔑視禁約，曉晡軍門：此為輕軍，犯者斬。

所用兵器，剋削錢糧，致使弓弩絕弦，箭無羽鏃，劍戟不利，旗幟凋敝：此為貪軍，犯者斬。

謠言詭語，造捏鬼神，假托夢寐，大肆邪說，鼓惑將士：此為妖軍，犯者斬。

奸舌利齒，妄為是非，調撥士卒，互相爭鬥，致亂行伍：此為刁軍，犯者斬。

所到之地，凌侮百姓，逼淫婦女：此為姦軍，犯者斬。

竊人財物，以為己利，奪人首級，以為己功：此為盜軍，犯者斬。

軍中聚眾議事，近帳私探信音：此為探軍，犯者斬。

或聞所謀，及聞號令，漏泄于外，使敵人知之：此為背軍，犯者斬。

調用之際，結舌不應，低眉俛首，面有難色：此為怯軍，犯者斬。

守先王之命，不亦美乎？」子牙曰：「惟天為萬物父母，惟人萬物之靈，竇聰明，作元后，元后作民父母。今商王受荼毒生民，如坐水火，罪惡貫盈，皇天震怒，命我先王，大勳未集耳。今大王行弔民伐罪之師，正代天以彰天討，救民于水火。如不順上天，厥罪惟均。」

只見上大夫散宜生上前奏曰：「丞相之言乃為國忠謀，大王不可不聽。今天下諸侯大會孟津，大王若不以兵相應，則不足取信于眾人，則眾人不悅，必罪我國以助紂為虐。倘移兵加之，那時反不自遺伊戚？況紂王信讒，屢征西土，黎庶遭驚慌之苦，文武有汗馬之勞，今方安寧，又動天下之兵，是禍無已時。以臣愚見，不若依相父之言，統兵大會孟津，與天下諸侯陳兵商郊，觀政于商，俟其自改，則天下生民皆蒙其福，又不失信于諸侯，遭災于西土；上可以盡忠于君，下可以盡孝于先王，可稱萬全策。乞大王思之。」武王聽得散宜生一番言語，不覺忻悅，乃曰：「大夫之言是也。不知用多少人馬？」宜生奏曰：「大王兵進五關，須當拜丞相為大將軍，付以黃鉞、白旄，總理大權，得專闔外之政，方可便宜行事。」武王曰：「但憑大夫主張；即拜相父為大將軍，得專征伐。」宜生曰：「昔黃帝拜風后，須當築臺，拜告皇天、后土、山川、河瀆之神，捧轂、推輪❶，方成拜將之禮。」武王曰：「凡一應事宜，俱是大夫為之。」武王朝散。宜生又至相府恭賀，百官俱各欣悅，眾門人個個喜歡。宜生次日至相府對子牙說，令南宮适、辛甲往岐山監造將臺。當時二人至岐山，揀選木植磚石之物，克日興工。也非一日，將臺已完，二將回報子牙。宜生入內庭回武王旨，曰：「臣奉旨監造將臺已完，謹擇良辰，于三月

❶ 捧轂推輪：即推轂。漢書馮唐傳：「上古王者遣將也，跪而推轂曰：闔以內寡人制之，闔以外將軍制之。」後用為天子拜將之禮。

話說眾將分道而行。武王至將臺邊一看，只見將臺高聳，甚是巍峨軒昂。怎見得，但見：

臺高三丈，象按三才。闊二十四丈，按二十四氣。臺有三層：第一層臺中立二十五人，各穿黃衣，手持黃旗，按中央戊己土；東邊立二十五人，各穿青衣，手持青旗，按東方甲乙木；西邊立二十五人，各穿白衣，手持白旗，按西方庚辛金；南邊立二十五人，各穿紅衣，手持紅旗，按南方丙丁火；北方立二十五人，各穿皂衣，手持皂旗，按北方壬癸水。第二層是三百六十五人，手各執大紅旗三百六十五面，按周天三百六十五度。第三層立七十二員牙將，各執劍、戟、抓、鎚，按七十二候。三層之中，各有祭器、祝文。自一層之下，兩邊儀仗，雁翅排列。真是衣冠整肅，劍戟森嚴，從古無兩。

只見散宜生至鸞輿前，請武王出輿。武王忙下輿。宜生曰：「大王可至元帥前，請元帥下輦。」武王行至輦前，欠身曰：「請元帥下輦。」子牙忙下輦來，宜生引導子牙至臺邊。散宜生贊禮曰：「請元帥面南背北。」散宜生開讀祝文：

「維大周十有三年，孟春丁卯朔丙子，西周武王姬發遣上大夫散宜生敢昭告于五岳，四瀆，名山大川之神曰：嗚呼！惟天惠民，惟辟奉天，撫綏眾庶，克底于道。今商王受弗敬上天，降災下民，惟婦言是用，昏棄厥祀弗答^⑥，昏棄厥遺王父、母、弟不迪，乃惟四方之多罪逋逃，是罔是長^⑦，是信是使，是以為大夫卿士，俾暴虐于百姓，以斂宄^⑧于商邑。今發夙夜祗懼，若不順天，厥罪惟

⑥ 昏棄厥祀弗答：紂傾倒昏亂，廢棄宗廟祭祀之禮而不報。

⑦ 惟四方多罪逋逃二句：惟尊崇四方多罪逃亡之人。

出越隊伍，攙前亂後，言語喧嘩，不遵禁約：此為亂軍，犯者斬。

託傷詐病，以遁征進，捏故假死，因而逃脫：此為奸軍，犯者斬。

主掌錢糧，給賞之時，阿私所親，使士卒結怨：此為弊軍，犯者斬。

觀寇不審，探賊不詳，到不言到，多則言少，少則言多：此為誤軍，犯者斬。

話說子牙將斬法牌掛于帥府，眾將觀之，無不敬謹。

且說宣生至十四日，入內庭見武王，曰：「請大王明日清晨至相府，請丞相登壇。」武王曰：「拜將之道，如何行禮？」宣生曰：「大王如黃帝拜風后，方成拜將之禮。」武王曰：「卿言正合孤意。」

次日乃三月十五日吉辰，武王帶領合朝文武齊至相府前。只聽裡面樂聲響過三番，軍政司令門官放砲開門。只見三聲砲響，相府開。宣生引道，武王隨後，至銀安殿。軍政司忙稟請元帥降殿：「有千歲親來拜請元帥登輦。」子牙忙從後面道服而出。武王乃欠身言曰：「請元帥登輦。」子牙慌忙謝過，同武王分左右並行至大門。武王欠身打一躬，兩邊扶子牙上輦。宣生請武王親扶鳳尾，連推三步。後人有詩讚子牙末年叨此榮寵，詩曰：

周主今朝列將臺，風雲龍虎四門開。香生滿道衣冠引，紫氣當天御仗來。

統領貔貅添瑞彩，安排士馬盡崔嵬。磻溪今日人龍出，八百開基說異才。

話說子牙排儀仗出城，只見前面七十里俱是大紅旗，直擺到西岐山。西岐百姓，扶老攜幼，俱來觀看。子牙至岐山，將近將臺邊，有一座牌坊，上有一副對聯：

三千社稷歸周主，一派華夷屬武王。

脛，剖賢人之心，作威殺戮，毒痛四海，崇信姦回，放黜師保，屏棄典刑，囚奴正士。郊社不修，宗廟不享，作奇技淫巧，以悅婦人。無辜籲天，上帝弗順，祝降時喪。臣發曷敢有越厥志，祇承上帝，以遏亂略，華夏蠻貊，罔不率俾。惟我先王，為國求賢，聘請姜尚以助發。今特拜為大將軍，大會孟津，以彰天討，取彼獨夫，永清四海。所賴有神，尚克相予，以濟兆民，無作神羞；克成厥勳，誕膺天命，以撫方夏。懇祈照臨，永光西土。神其鑒茲。伏惟尚饗！」

召公奭讀罷祝文，子牙居中而立。軍政司上臺，啟元帥發鼓豎旗。兩邊鼓響，拽起寶纛旗來。軍政司請元帥戴護頂之寶。軍政官用紅漆端盤，捧上一頂金盔來。怎見得：

黃澄澄，耀日鏡；玲瓏花，巧樣稱。豎三叉，攢四鳳。六瓣六楞紫金盔，纓絡翻，硃砂迸。珊瑚碧玉週圍遶，瑪瑙珍珠前面釘。

軍政司將盔捧與子牙戴上。又傳令：「取袍甲上臺。」軍政官高捧袍鎧，獻在臺上。怎見得：

龍吞口，獸吞肩。紅似火，赤似煙。老君爐，曾燒煉，千鎚打，萬鎚顛。綠絨扣，紫絨穿。迸銅鎚，扛鐵鞭。鎖子文，甲上懸。披一領，按南方丙丁火，茜草染，胭脂抹。五彩裝，花千朵。

遍金織就大紅袍，繫一條四指闊，羊脂玉，瑪瑙鑲，琥珀砌，紫金雀舌，八寶攢就白玉帶。

話說姜元帥金裝甲胄立于臺上。軍政司傳：「取印劍上臺。」軍政官捧劍、印上臺，又捧一架，架上有三般令天子、協諸侯之物；內有令天子旗，令天子印，令天子劍。只見印、劍上臺來，有詩為證：

黃金斗大掌貔貅，殺伐從來神鬼愁。呂望今朝登臺後，乾坤一統屬西周。

⑨ 狎侮五常：紂對於君臣、父子、兄弟、夫婦等常道，褻狎侮慢。

均。謹擇今日，特拜姜尚為大將軍，恭行天罰，伐罪弔民，永清四海。所賴神祇，相我眾士，以克厥勳。伏惟尚饗！」

話說散宜生讀罷祝文，有周公旦引子牙上第二層臺。周公旦贊禮曰：「請元帥面東背西。」周公旦開讀祝文：

「維大周十有三年，孟春丁卯朔丙子，西周武王姬發遣周公旦敢昭告曰：日月星辰，風伯雨師，歷代聖帝明王之神曰：嗚呼！天有顯道，厥類惟彰。今商王受乃夷居弗事上帝神祇，遺厥先宗廟弗祀，沉湎酒色，淫酗肆虐，惟宮室臺榭是崇。焚炙忠良，剗剔孕婦，以殘害于下民；犧牲粢盛，既于凶盜，乃曰吾有民有命，罔懲其侮。皇天震怒，命發誅之。發曷敢有越厥志。自思：欲濟斯民，匪才不克。今特拜姜尚為大將軍，取彼凶殘，殺伐用張。仰賴神祇翊衛啟迪，吐納風雲，嘯咈變化，拯救下民，恭行天罰，克定厥勳，于湯有光。伏惟尚饗！」

周公旦讀罷祝文，有召公奭引子牙上第三層臺。毛公遂捧武王所賜黃鉞白旄，祝曰：「自今以後，奉天征討，罰此獨夫，為生民除害，為天下造福，元戎往勗之哉！」子牙跪受黃鉞白旄，乃令左右執捧，禮官贊禮曰：「請元戎面北，拜受龍章鳳篆。」子牙跪拜。左右歌中和之曲，奏八音之章，樂聲嘹亮，動徹上下。召公奭開讀祝文：

「維大周十有三年，孟春丁卯朔丙子，西岐武王姬發敢昭告昊天上帝，后土神祇曰：嗚呼！天矜于民，民之所欲，天必從之。今商王受狎侮五常^⑧，荒怠弗敬，自絕于天，結怨于民。斯朝涉之

⑧ 菟亢：犯法作亂。

帝王之師，以受人間福祿，不可小視了。你東征滅紂，立功建業，列土分茅，子孫綿遠，國祚延長。貧道今日特來餞你。」命白鶴童子取酒來。斟了半杯，子牙跪接，一飲而盡。元始曰：「此一杯願成功扶聖主。」又飲一盃，「治國定無虞。」又一盃，「速速會諸侯。」子牙吃了三盃，又跪下。元始曰：「又復跪者何說？」子牙曰：「蒙老爺天恩教育，使尚得拜將東征，弟子此行，不知吉凶如何，懇求指示！」天尊曰：「你此去併無他虞，你謹記一偈，自有驗也。偈曰：

界牌關遇誅仙陣，穿雲關下受瘟癘。謹防『達兆光先德』，過了萬仙身體康。」

子牙聞偈，拜謝曰：「弟子敬佩此偈。」元始曰：「我返駕回宮，你眾弟子再為餞別。」群仙送出篷來，只見仙風一陣，回了鸞駕。且說眾仙來與子牙奉酒，各飲三盃；南極仙翁也奉子牙餞別酒三盃，俱要起身作辭而去。眾門人見子牙問師尊前去吉凶，金吒忙向文殊廣法天尊問曰：「弟子前去，吉凶如何？」道人曰：「你：修身一性超仙體，何怕無謀進五關？」

哪吒也來問太乙真人曰：「弟子此行，吉凶如何？」真人曰：「你：汜水關前施道術，方顯蓮花是化身。」木吒來問普賢真人曰：「弟子領法旨下山，不知歸著如何？」真人曰：「你：進關全仗吳鉤劍，不負仙傳在九宮。」

韋護也問道行天尊曰：「弟子佐姜師叔至孟津，可有妨礙？」道行天尊曰：「你比眾人不同，豈不知你：歷代多少修行客，獨你全真第一人！」

雷震子來問雲中子曰：「弟子此去，吉凶如何？」雲中子曰：「你：兩枚仙杏安天下，可保周家八百年。」楊戩也問玉鼎真人曰：「弟子此去如何？」真人曰：「你也比別人不同：修成八九玄中妙，任爾縱橫在

話說軍政司將印、劍捧至子牙面前。子牙將印、劍接在手中，高捧過肩。散宜生請武王拜將。武王在臺下大拜八拜。武王拜罷，子牙令辛甲把令天子旗將武王請上臺來。少時，辛甲執旗大呼曰：「奉元帥將令，請武王上臺！」武王隨令旗上臺。子牙傳令：「請開印、劍。」請武王面南端坐。子牙拜謝畢，跪而奏曰：「老臣聞國不可從外而治，軍不可從中而御，二心不可以事君，疑志不可以應敵。臣既受命，尊節鉞之威，豈敢不效驚駘，以報知遇之恩也？」武王曰：「相父今為大將東征，但願早至孟津，會兵速返，孤之幸矣。」子牙謝恩。武王下臺，眾將聽候指揮。子牙傳令：「軍政官與眾得知，俱于三日後在教軍場聽點。今日有三山五岳眾道兄與我餞別。」辛甲領命，傳與眾將知悉。武王同文武百官俱在金臺。

子牙離了將臺，往岐山正南而來。有哪吒領諸門人來迎接子牙。只見甲冑威儀，十分壯麗。來至蘆篷，只見玉虛門下十二弟子拍手大笑而來，對子牙曰：「將相威儀，自壯行色，子牙真人中之龍也！」子牙欠背打躬曰：「多蒙列位師兄擡舉，今日得握兵權，皆眾師兄之賜也，而姜尚何能哉！」眾仙曰：「只等掌教聖人來至，吾輩纔好奉酒。」話猶未了，只聽得空中一派笙簫，仙樂齊奏。怎見得，有詩為證：

紫氣空中遶帝都，笙簫嘹亮白雲浮。青鸞丹鳳隨鸞駕，羽扇旛幢傍轡轡。

對對金童雲裡現，雙雙玉女珮聲殊。祥光瑞彩多靈異，周室當興應赤符。

話說元始天尊駕臨，諸弟子伏道迎接。子牙俯伏，口稱：「弟子願老爺爺萬壽無疆！」眾門人引道，酌水焚香，迎鸞接駕。元始天尊上了蘆篷坐下，子牙復拜。元始曰：「姜尚，你四十年積功累行，今為

求仁自是求仁得，義士還從義士揚。讀罷史文猶自淚，空留齒頰有餘香。

話說清虛道德真君見黃天化來問前程歸著，欲說出所以，恐他不服；欲不說明白，又恐他誤遭陷害。

真君沒奈何，只得將前去機關作一偈，聽憑天命。真君作偈曰：

「逢高不可戰，遇能即速回。金雞頭上看，蜂擁便知機。

止得功為首，千載姓名題。若不知時務，防身有難危。」

道人作罷偈，黃天化年少英雄，那裡放在心上？只見土行孫也來問懼留孫。懼留孫也知上行孫不好，他還進得關，死于張奎之手；也只得作一偈與土行孫存驗，偈曰：

「地行道術既能通，莫為貪嗔錯用功。攢出一獐咬一口，崖前猛獸帶衣紅。」

懼留孫作罷偈，土行孫謝過師尊。

且說眾仙與子牙作別，各回山岳而去。子牙同武王、眾將進西岐城，武王回宮，子牙回帥府，大小眾將俟候三日後，下教場聽點。子牙次日作本謝恩，上殿來見武王。姜子牙金幘頭，大紅袍，玉帶，將本呈上。只見上大夫散宜生接本，展于御案上。子牙俯伏奏曰：「姜尚何幸，蒙先王顧聘，未效涓埃之

李靖來問燃燈道人曰：「弟子此行，凶吉如何？」道人曰：「你也比別人不同：肉身成聖超天境，久後靈山護法臺。」

黃天化問清虛道德真君曰：「弟子此行，凶吉何如？」道德真君一見黃天化命運不長，面帶絕氣，低首不言；然而心中不忍，真是可憐。真君復向黃天化言曰：「徒弟，你問前程之事，我有一傷，你可時時在心，謹記依偈而行，庶幾無事。」道人念偈。不知後事如何，且聽下回分解。

南宮适是左哨，武吉是右哨，哪吒是後哨。子牙大喜，令軍政官簪花掛紅，各領印信。四將飲過酒，謝了元帥。子牙又令楊戩、土行孫、鄭倫各拈一闖，作三軍督糧官。楊戩是頭運，土行孫是二運，鄭倫是三運。子牙令軍政官取督糧印付與三將，俱簪花掛紅，各飲三杯喜酒，三將下臺。子牙令軍政官取點將簿。先點：

報，又蒙大王拜尚為將，知遇之隆，古今罕及。尚敢不效犬馬之力，以報深恩也！今特表請駕親征，以順天人之願。」武王曰：「相父此舉，正合天心。」忙覽表，略云：

大周十三年，孟春月，掃蕩成湯天寶大元帥姜尚言：伏以觀時應變，固天地之氣運；殺伐用張，亦神聖之功化。今商王受不敬上天，荒淫不德，殘虐無辜，肆行殺戮，逆天征伐，天愁民怨，致我西土十載不安；仰仗天威，自行殄滅。臣念此艱難之久，正值紂惡貫盈之時。天下諸侯，其會孟津。蒙准臣等之請，許以東征。萬姓歡騰，將士踴躍。臣不勝感激，日夜祇懼：才疏德薄，恐無補報于涓埃；佩服王言，實有慚于節鉞。特懇大王，大奮乾綱❶，恭行天討，親御行營，托天威于咫尺，措全勝于前籌，早進五關，速會諸侯，觀政于商。庶幾天厭其穢，獨夫授首，不獨泄天人之憤，實于湯為有光。臣不勝激切惓望之至！謹具表以聞。

武王覽表，問曰：「相父此兵何日起程？」子牙曰：「老臣操演停當，謹擇吉日，再來請駕起程。」武王傳左右：「治宴與相父賀喜。」君臣共飲，子牙謝恩出朝。次日，子牙下教場看操，照名點將。子牙五更時分至教軍場，降了將臺。軍政司辛甲啟元帥：「放砲豎旗，擂鼓點將。」子牙暗思：「今人馬有六十萬，須用四個先行方有協助。」子牙命軍政司：「令南宮适、武吉、哪吒、黃天化上臺來。」辛甲領令，令四將上臺打躬。子牙曰：「吾兵有六十萬，用你四將為先行，掛左、右、前、後印。你等各拈一圖❷，自任其事，毋得錯亂。」四將聲喏。子牙將四圖與四將各自拈認：黃天化拈著是頭隊先行，

征雲蔽日隱旌旗，戰士橫戈縱鐵騎。飛劍有光來紫電，流星斜落掛金縷。

將軍猛烈堪圖畫，天子威儀異所施。漫道弔民來伐罪，方知天地果無私。

話說大隊雄兵離了西岐，前往箕山一路上而來，三軍懽悅，百倍精神。行過了箕山，正往首陽山來。大隊人馬正行，只見伯夷、叔齊二人，寬衫博袖，麻履絲絛，站立中途，阻住大兵，大呼曰：「你是那裡去的人馬？我欲見你主將答話。」有哨探馬報入中軍：「啟元帥：有二位道者欲見千歲並元帥答話。」子牙聽說，忙請武王並轡上前。只見伯夷、叔齊向前稽首曰：「千歲與子牙公，見禮了。」武王與子牙欠身曰：「甲冑在身，不能下騎。二位阻路，有何事見諭？」夷、齊曰：「今日主公與元帥起兵往何處去？」子牙曰：「紂王無道，逆命于天，殘虐萬姓，囚奴正士，焚炙忠良，荒淫不道，無辜籲天，穢德彰聞。惟我先王，若日月之照臨，光于四方，顯于西土，命我先王肅將天威，大勳未集。惟我西周誕及多方，肆予小子，恭行天之罰。今天下諸侯一德一心，大會于孟津，我武維揚，侵于之疆，取彼凶殘，殺伐用張，于湯有光。此予小子不得已之心也。」夷、齊曰：「臣聞『子不言父過，臣不彰君惡。』故父有諍子，君有諍臣。只聞以德而感君，未聞以下而伐上者。今紂王，君也，雖有不德，何不傾城盡諫，以盡臣節，亦不失為忠耳。況先王以服事殷，未聞不足于湯也。臣又聞『至德無不感通，至仁無不賓服。』苟至德至仁在我，何凶殘不化為淳良乎！以臣愚見，當退守臣節，禮先王服事之誠，守千古君臣之分，不亦善乎。」武王聽罷，停驂不語。

子牙曰：「二位之言雖善，予非不知，此是一得之見耳。今天下溺矣，百姓如坐水火，三綱已絕，

話說子牙點將已畢，傳令：「令黃飛虎上臺。」子牙曰：「成湯雖是氣數已盡，五關之內必有精奇之士，不可不防備。當戰者戰，當攻者攻，其間軍士須要演習陣圖，方知進退之法，然後可破敵人。」隨令軍政官擡十陣牌放在臺上：

一字長蛇陣

二龍出水陣

三日月兒陣

四門斗底陣

五虎巴山陣

六甲迷魂陣

七縱七擒陣

八卦陰陽子母陣

九宮八卦陣

十代明王陣

天地三才陣

包羅萬象陣

子牙曰：「此陣俱按六韜之內，精演停當，軍士方知進退之方。黃將軍與鄧將軍、洪將軍，你三位走一字長蛇陣。聽砲響變以下諸陣，毋得錯亂。」三將領下令臺走此陣。正行之際，子牙傳令：「點砲，化六甲迷魂陣。」竟不能齊。子牙看見，把三將令上臺來，教之曰：「今日東征，非同小可，乃是大敵；若士卒教演不精，此是主將之羞，如何征伐！三位須是日夜操練，毋得怠玩，有乖軍政。」三將領令下臺，用心教習。子牙傳令散操，眾將打點，收拾東征。翌日，子牙朝賀武王畢，子牙奏曰：「人馬軍糧皆一應齊備，請大王東行。」武王問曰：「相父將內事托與何人？」子牙曰：「上大夫散宜生可任國事，似乎可托。」武王又曰：「外事托與何人？」子牙曰：「老將軍黃滾歷練老成，可任軍國重務。」武王大喜：「相父措處得宜，使孤歡悅。」武王退朝，入內宮見太姬，曰：「上啟母后知道：今相父姜尚會諸侯于孟津，孩兒一進五關，觀政于商，即便回來，不敢有乖父訓。」太姬曰：「姜丞相此行，決無差失，孩兒可一應俱依相父指揮。」吩咐宮中治酒，與武王錢行。

翌日，子牙把六十萬雄師竟出西岐。武王親乘甲馬，率御林軍來至十里亭。只見眾御弟排下九龍席，與武王、姜元帥錢行。眾弟進酒武王與子牙用罷，乘吉日良辰起兵。此正是紂王三十年三月二十四日。

宜小心。」南宮适領令上馬，砲聲大振，一馬走出營前。見一將幟頭鐵甲，烏馬長鎗。怎見得，有贊為證，贊曰：

將軍如猛虎，戰騎可騰雲。鐵甲生光艷，皂服襯龍文。赤膽扶真主，忠肝保聖君。西岐來報效，趕駕立功勳。子牙逢此將，門徒是魏賁。

南宮适問曰：「你是那裡無名之兵，敢阻西岐大軍？」魏賁曰：「你是何人？往那裡去？」南宮适答曰：「俺元帥奉天征討而伐成湯，你敢大膽粗心，阻吾大隊人馬！」大喝一聲，舞刀直取。此將手中鎗赴面交還。兩馬相交，刀鎗併舉，戰有三十回合。南宮适被魏賁直殺得汗流脊背，心下暗思：「纔出兵至此，今日遇這員大將，若敗回大營，元帥必定見責。」南宮适心上出神，不提防被魏賁大喝一聲，抓住南宮适的袍帶，生擒過馬去。魏賁曰：「吾不傷你性命，快請姜元帥出來相見。」又把南宮适放回營來。軍政官報入中軍：「南宮适聽令。」子牙傳令：「命來。」南宮适上帳，將被擒放回，請元帥定奪，說了一遍。子牙聽得大怒曰：「六十萬人馬，你乃左哨首領官，今一旦先挫吾鋒，你還來見我？」喝左右：「綁出轅門，斬訖報來！」左右隨將南宮适推出轅門來。魏賁在馬上，見要斬南宮适，在馬上大叫曰：「刀下留人！只請姜元帥相見，吾自有機密相商！」軍政官報入帳中：「啟老爺：那人在轅門外，叫『刀下留人，請元帥答話，自有機密相商。』」子牙大罵：「匹夫擒吾將而不殺，反放回來，如今又在轅門討饒！速傳令擺隊伍出行營！」砲聲響處，大紅寶纛旗搖，只見轅門下一對對都是紅袍金甲，英雄威猛，先行官騎的是玉麒麟，赳赳殺氣；哪吒登風火輪，昂昂眉宇；雷震子藍面紅髮，手執黃金棍；韋護手捧降魔杵，俱是片片雲光。正是：

四維已折，天怒于上，民怨于下，天翻地覆之時，四海鼎沸之際。惟天矜民，民之所欲，天必從之。況夫天已肅命乎我周，若不順天，厥罪惟均。且天視自我民視，天聽自我民聽。百姓有過，在予一人。今予必往。如逆天不順，非予先王有罪，惟予小子無良。」子牙左右將士欲行，見伯夷、叔齊二人言之不已，心上甚是不快。夷、齊見左右俱有猶豫之色，又見眾人挾武王、子牙欲行，二人知其必往，乃至于馬前，攬其轡，諫曰：「臣受先王養老之恩，終守臣節之義，不得不盡心耳。今大王雖以仁義服天下，豈有父死不葬，援及干戈，可謂孝乎？以臣伐君，可謂忠乎？臣恐天下後世必有為之口實者。」左右眾將見夷、齊叩馬而諫，軍士不得前進，心中大怒，欲舉兵殺之。子牙忙止之曰：「不可，此天下之義士也。」忙令左右扶之而去，眾兵方得前進。後伯夷、叔齊臥食周粟，入首陽山，採薇作歌，歌曰：

「登彼西山兮，采其薇矣！以暴易暴兮，不知其非矣！神農虞夏忽焉沒兮，我安適歸矣！吁嗟徂兮，命之衰矣！」

遂餓死於首陽山，此是後事不表。

且說子牙大隊雄師離了首陽山，往前進發。正是：

騰騰殺氣沖霄漢，簇簇征雲蓋地來。

子牙人馬行至金雞嶺。嶺上有一枝人馬，打兩杆大紅旗，駐紮嶺上，阻住大兵。哨馬報至軍前：「啟元帥：金雞嶺有一枝人馬阻住，大軍不能前進，請令定奪。」子牙傳令安下行營。陞帳坐下，著探事軍打探，是那裡人馬在此處阻軍？話猶未了，只見左右來報：「有一將請戰。」子牙不知是那裡人馬，忙傳令問：「誰人見陣走一遭？」有左哨先行南宮适上帳應聲曰：「未將願往。」子牙曰：「首次出軍，當

話說使命官至三山關傳旨意，孔宣接至殿上。欽差官開讀詔旨，孔宣跪聽宣讀：

詔曰：天子有征伐之權，將帥有闔外之寄。今西岐姬發大肆猖獗，屢挫上師，罪在不赦。茲爾孔宣，謀術兩全，古今無兩，允堪大將；特遣使齎爾斧鉞旌旗，得專征伐，務擒首惡，勦滅妖人，永清西土。爾之功在社稷，朕亦與有榮焉。朕決不惜茅土之封，以賞有功。爾其欽哉！故茲爾詔。

孔宣拜罷旨意，打發天使回朝歌，連夜下營，整點人馬，共是十萬。即日拜寶纛旗，離了三山關，一路上曉行夜住，饑餐渴飲。在路行程，也非一日。那日探馬報入中軍：「有汜水關韓榮接元帥。」孔宣傳令請來。韓榮至中軍打躬：「元帥此來遲了。」孔宣曰：「為何遲了？」韓榮曰：「姜子牙三月十五日金臺拜將，人馬已出西岐了。」孔宣曰：「料姜尚有何能！我此行定拏姬發君臣解進朝歌。」吩咐可速開關，把人馬催動前往西岐大道而來。不一日，至金雞嶺。哨探馬來報：「金雞嶺下周兵已至，請令定奪。」孔宣傳令：「將大營駐紮嶺上阻住周兵。」不知勝負如何，且聽下回分解。

盔山甲海真威武，一派天神滾出來。

話說子牙在四不相上問曰：「你是誰人，請吾相見？」魏賁見子牙威儀整飭，兵甲鮮明，知其興降之兆，乃滾鞍下馬，拜伏道旁，言曰：「末將聞元帥天兵伐紂，特來麾下，欲效犬馬微勞，附功名于竹帛耳。因未見元帥真實，末將不敢擅入。今見元帥士馬之精，威令之嚴，儀節之盛，知不專在軍威而在于仁德也。末將敢不隨鞭墜鐙，共伐此獨夫，以泄人神之憤耶。」子牙隨令進營。魏賁上帳，復拜在地曰：「末將幼習鎗馬，未得其主，今逢明君與元帥，乃魏賁不負數載功夫耳。」子牙大喜。魏賁復跪而言曰：「啟元帥：雖然南將軍一時失利，望元帥憐而赦之。」子牙曰：「南宮适雖則失利，然既得魏將軍，反是吉兆。」傳令：「放來。」左右將南宮适放上帳來，南宮适謝過子牙。子牙曰：「你乃周室元勳，身為首領，初陣失機，理當該斬；奈魏賁歸周，乃先凶而後吉。雖然如此，你可將左哨先行印與魏賁，你自隨營聽用。」即時將魏賁補掛了左哨。彼時南宮适交代印綬畢，子牙傳令起兵不表。

且說只因張山陣亡，飛報至汜水關，韓榮已知子牙二月十五日金臺拜將，具本上朝歌。那日微子看本，知張山陣亡，洪錦歸周，忙抱本人內庭見紂王，具奏張山為國捐軀。紂王大駭：「不意姬發猖獗至此！」忙傳旨意，鳴鐘鼓臨殿，百官朝賀。紂王曰：「今有姬發大肆猖獗，卿等有何良謀可除西土大患？」言未畢，班中閃出中大夫飛廉，俯伏奏曰：「姜尚乃崑崙左術之士，非堂堂之兵可以擒勦，陛下發詔，須用孔宣為將；他善能五行道術，庶幾反叛可擒，西土可勦。」紂王准奏，遣使命持詔往三山關來，一路無詞。正是：

使命馬到傳飛檄，九重丹詔鳳銜來。

二將陣前勢無比，顛開戰馬定生死。盤旋鐵騎眼中花，展動旗旛龍擺尾。銀鎗發手沒遮攔，戟刺咽喉蛇信起。自來也見將軍戰，不似今番無底止。

麟馬交還，大戰有三十回合，黃天化掩一鎗便走。陳庚不知好歹，隨後趕來。黃天化聞得腦後鸞鈴響，掛下雙鎗，取火龍標掌在手中，回手一標。正是：

金標發出神光現，斷送無常死不知。

話說黃天化回手一鏢，將陳庚打下馬來，兜回馬取了首級，掌鼓進營，來見子牙。子牙問：「出陣如何？」黃天化答曰：「末將托元帥洪福，標取了陳庚首級。」子牙大喜，上黃天化首功。子牙方纔舉筆向硯臺上醮墨，不覺筆頭吊將下來。子牙半晌不言，從新再取筆，上了黃天化頭一功。此是黃天化只得首功一次，故有此警報。

且說報馬報入孔宣營中：「稟元帥：陳庚失機，被黃天化斬了首級，號令轅門。」孔宣笑曰：「陳庚自己無能，死不足惜。」全不在意。次日，又是孫合出馬，至周營搦戰。子牙傳令：「誰去走一遭？」有武吉應曰：「弟子願往。」子牙許之。武吉出營，見一員將官，金甲紅袍，黃馬大刀，飛臨陣前，大呼曰：「來者何人？」武吉曰：「吾乃姜元帥門下右哨先行官武吉是也。」孫合笑曰：「姜尚乃是一漁翁，你乃是一個樵子。你師徒二人正是一軸畫圖——漁樵問答。」武吉大怒曰：「匹夫無理！焉敢以言戲吾！」切齒咬牙，舉鎗分心就刺。孫合手中刀急架忙迎。兩馬交鋒，一場惡殺。大戰有三十回合，未分勝負，武吉掩一鎗便走，詐敗而逃。孫合見武吉敗走，知是樵子出身，料有何能，隨後趕來。不知子牙在磻溪傳武吉這條鎗，有神出鬼沒之妙。武吉已知孫合趕來，把馬一兜，那馬停了一步；孫合馬來得

第六十九回

孔宣兵阻金雞嶺

伐罪弔民誅獨夫，西周原應玉虛符。自無血戰成功易，豈有紛爭立業殊？

孔雀逆天皆孟浪，金雞阻路盡支吾。休言伎倆參玄妙，總有西方接引徒。

話說孔宣人馬出關，至金雞嶺，探馬報入中軍：「前有周兵在嶺下，請令定奪。」孔宣令在嶺上安下營寨，阻住咽喉之路，使周兵不能前進不題。只見子牙人馬正行，報馬報入中軍：「稟上元帥：前有成湯大隊人馬住在嶺上。」子牙傳令安營。陞帳坐下自思：「三十六路人馬俱完，怎麼又有這枝兵來？」子牙沉思，掐指算來：「連張山是三十五路，連此一路方是三十六路。此事必又費手。」

且說孔宣在嶺上止住了三日，子牙大兵已到。忙傳令問：「誰人去周營見頭陣走一遭？」有先行官陳庚出位應曰：「末將願先見頭陣。」孔宣許之。陳庚上馬下嶺，至周營搦戰，探馬報入中軍。子牙問左右：「誰去見此頭陣？」有先行官黃天化應曰：「願往。」子牙吩咐曰：「務要小心。」黃天化答曰：「不必囑咐。」忙上了玉麒麟出營。看見來將手提方天戟大呼曰：「反賊何人？」黃天化答曰：「吾非反賊，乃奉天征討掃蕩成湯大寶大元帥麾下，正印先行官黃天化是也。你乃何人？也通個名來，錄功簿上好記你的首級。」陳庚大怒：「量你雞犬小輩，敢與天朝大將相拒哉？」縱馬搖戟，直取黃天化。天化手中雙鎚赴面交還。麟馬往來，鎚戟併舉。有贊為證，贊曰：

軍：「孔宣請元帥答話。」子牙傳令：「擺八健將出營。」大紅寶纛旗展處，子牙左右有四個先行官與眾門徒，雁翅排開。子牙乘四不相至陣前，看孔宣來歷大不相同。怎見得，有贊為證，贊曰：

身似黃金映火，一籠盔甲鮮明。大刀紅馬勢崢嶸，五道光華色映。曾見開天闢地，又見出口月星辰。一靈道德最根深，他與西方有分。

子牙看孔宣背後有五道光華，按青、黃、赤、白、黑，子牙心下疑惑。孔宣見子牙自來，將馬一拍，來至軍前，問曰：「來者莫非姜子牙麼？」子牙曰：「然也。」孔宣問曰：「你原是殷臣，為何造反，妄自稱王，會合諸侯，逆天欺心，不守本上？吾今奉詔征討，汝好好退兵，敬守臣節，可保家國；若半字遲延，吾定削平西土，那時悔之晚矣。」子牙曰：「天命無常，惟有德者居之。昔帝堯有子丹朱不肖，讓位與舜。舜帝有子商均亦不肖，讓位與禹。禹有子啟賢，能繼父志，禹尊禪讓，復讓與益。天下之朝覲訟獄，不之益而之啟。再後傳之桀。桀王無道，成湯伐夏而有天下。今傳之紂。紂王今淫酗肆虐，穢德彰聞，天怒民怨，四海鼎沸。德在我周，恭行天之罰。將軍何不順天以歸我周，共罰獨夫也？」

孔宣曰：「你以下伐上，反不為逆天，乃架此一段污穢之言，惑亂民心，借此造反，拒逆天兵，情殊可恨！」縱馬舞刀來取。子牙後有洪錦走馬奔來，大呼：「孔宣不得無禮！吾來也！」孔宣見洪錦走馬而至，孔宣大罵：「逆賊！你還敢來見我！」洪錦曰：「天下八百諸侯俱已歸周，料你一個忠臣，也不能濟得甚事。」孔宣大怒，搖刀直取。二馬交兵，未及數合，洪錦將旗門遁往下一戮，把刀往下一分，那旗化為一門。洪錦方欲進門，孔宣大笑曰：「米粒之珠，有何光彩？」孔宣兜回馬，把左邊黃光往下一刷，將洪錦刷去，毫無影響，就如沙灰投入大海之中，止見一匹空馬。子牙左右小將官俱目瞪口呆。

太速，正撞個滿懷，早被武吉回馬鎗挑下來，取了首級，掌鼓進營，兒子牙報功。子牙大喜，上了武吉的功。就把哪吒激得抓耳撓腮，恨不得要出營廝殺。

且說報馬報入成湯營裡：「啟元帥：孫合失機，被武吉回馬鎗挑了，梟去首級，號令轅門，請令定奪。」孔宣聽報，謂左右曰：「吾今奉詔征討，爾等隨軍立功，不期連折二陣，使吾心中不悅。今日誰去見陣走一遭，為國立功？」旁有五軍救應使高繼能曰：「末將願往。」孔宣吩咐曰：「務要小心。」

高繼能上馬提鎗，至營前討戰，哨馬報入中軍。旁有哪吒忙應聲曰：「弟子願往。」子牙許之。哪吒登風火輪，前有一對紅旗，如風捲火雲，飛奔前來。高繼能大呼曰：「哪吒慢來！」哪吒大喜曰：「既知吾名，何不早早下馬受死？」高繼能對哪吒大笑曰：「聞你道術過人，一般今日也會得你著。」哪吒曰：「你且通名來，功勞簿上好記你的首級。」高繼能大怒，使開鎗分心刺來。哪吒火尖鎗急速忙迎。輪馬盤旋，雙鎗齊舉，這場戰非是等閑，怎見得，有贊為證，贊曰：

二將交鋒在戰場，四肢臂膊望空忙。這一個丹心要保真明主，那一個赤膽還扶段紂王。哪吒要成千載業，繼能為主立家邦。古來有福催無福，有道該興無道亡。

高繼能大戰哪吒，恐哪吒先下手，高繼能掩一鎗便走。哪吒自思：「吾此來定要成功！」那裡肯捨？隨手取乾坤圈望空中祭起。高繼能的蜈蚣袋未及放開來，不意哪吒的圈來得快，一圈正打中肩窩，伏鞍而逃。哪吒為不得全功，心下懊惱，回營見子牙曰：「弟子未得全功，請令定奪。」子牙上了哪吒的功。且說高繼能被哪吒打傷，敗進營來見孔宣，具言前事。孔宣不語，取些丹藥與繼能敷貼，立時痊癒。

孔宣次日命中軍點砲，自領大隊人馬，親臨陣前，對旗門官將曰：「請你主將答話。」探馬報入中

夜交兵，更不答話，麟馬相交，鎗鎗併舉。好黃天化！兩柄鎗只打的鎗尖生烈焰，殺氣透心寒。二將乃是夜戰，況黃天化兩柄鎗似流星不落地，來往不沾塵。高繼能見如此了得，掩一鎗，撥馬就走。黃天化催開玉麒麟趕來。高繼能展開蜈蚣袋，也是黃天化命該如此，那蜈蚣捲將來，成堆成團而至，一似飛蝗。黃天化用兩柄鎗遮擋，不防蜈蚣把玉麒麟的眼叮了一下，那麒麟叫了一聲，後蹄站立，前蹄直豎，黃天化坐不住鞍轡，撞下地來，早被高繼能一鎗正中脇下，死于非命。一魂往封神臺去了。可憐下山大破四天王，不曾取成湯寸土。正是：

功名未遂身先死，早至臺中等候封。

且說孔宣收兵，殺了一夜，嶺頭上屍橫遍野，血染草梢。孔宣降帳，將五色神光一抖，只見哪吒、雷震子跌下地來。孔宣命左右拿於後營監禁，然後坐下。高繼能獻功，報斬了黃天化首級。孔宣吩咐號令轅門不表。

且言子牙一夜不曾睡，只聽得嶺上天翻地覆一般。及至天明，報馬進營：「啟老爺：三將劫營，黃天化首級已號令轅門，二將不知所往。」子牙大驚。黃飛虎聽罷，放聲大哭曰：「天化苦死！不能取成湯尺寸之土，要你奇才無用！」三兄弟、二叔叔、眾將無不下淚，武成王如酒醉一般，子牙納悶無言。南宮适曰：「黃將軍不必如此。令郎為國捐軀，萬年垂于青史。方今高繼能有左道蜈蚣之術，將軍何不請崇城黑虎來？他有神鷹能制此術。」黃飛虎聽得此言，上帳來見子牙，曰：「末將往崇城去請崇城黑虎來破此賊，以泄吾兒之恨。」子牙見黃飛虎這等悲切，即許之。黃飛虎離了行宮，逕往崇城大道而來。一路上，曉行夜住，飢餐渴飲。一日來到一座山，山下有一石碣，上書飛鳳山。飛虎看罷，策馬過山，

孔宣復縱馬來取子牙。子牙手中劍急架相迎，旁有鄧九公走馬來助陣。子牙大戰十五六合。子牙祭打神鞭打孔宣，那鞭已落在孔宣紅光中去了，似石投水。子牙大驚，忙傳令鳴金，兩邊各歸營寨。

且說子牙陞帳，坐下沉吟，想：「此人後有五道光華，按有五行之狀；今將洪錦攝去，不知吉凶，如之奈何？」子牙自思：「不若乘孔宣得勝，今夜去劫他的營，且勝他一陣，再作區處。」子牙令哪吒：「你今夜去劫孔宣的大轅門；黃天化，你去劫他左營；雷震子，你可去劫他右營；先挫動他軍威，然後用計破他，必然成功。」三人領命去訖。且說孔宣得勝進營，將後面五色光華一抖，只見洪錦昏迷睡於地下。孔宣吩咐左右，將洪錦監在後營，收了打神鞭，正欲退後營，只見一陣大風，將帥旗連捲三四捲。孔宣大驚，掐指一算，早已知其就裡，忙喚高繼能吩咐：「你在左營門埋伏；周信，你在右營門埋伏，今夜姜子牙要來劫吾營寨。我正要你來，只可惜姜尚不曾親來！」

且說姜子牙營中三路兵暗暗上嶺。將近二更，一聲砲響，三路兵吶喊一聲，殺進轅門。哪吒登輪搖鎗，沖開營門，殺至中營而來。孔宣獨坐帳中，不慌不忙，上了馬迎來，大笑曰：「哪吒，你今番劫營，定然遭擒，再休想前番取勝也！」哪吒也不知孔宣的利害，大怒，罵曰：「今日定擎你成功！」舉鎗來戰，殺在中軍，難解難分。雷震子飛在空中，沖開右營；周信大戰雷震子。雷震子展動風雷二翅，飛在空中，是上三路，又是黃夜間，觀看不甚明白，周信被雷震子一棍刷將下來，正中頂門，打得腦漿迸出，死于非命。雷震子飛至中營，見哪吒大戰孔宣，雷震子大喝一聲，如霹靂交加，孔宣將黃光望上一撒，先擎了雷震子，哪吒見如此利害，方欲抽身，又被孔宣把白光一刷，連哪吒撒去，不知去向。

且說黃天化只聽得殺聲大作，不察虛實，催開玉麒麟，沖進左營，忽聽砲響，高繼能一馬當先，黃

之言，雖是如此說，但崇君侯欲進陳塘關，也要等武王的兵到。大王且權在小寨草棚一宵，明日俺弟兄三人同大王一往，料崇君侯定來協助，決無推辭之理。」黃飛虎感謝不盡，就在山寨中歇了一宿。次日，四將用罷飯，一同起行。在路無詞。一日來至崇城，文聘至帥府。門官來見黑虎，報曰：「啟千歲：有飛鳳山三位求見。」崇黑虎道：「請進來。」三將至殿前行禮畢，崔英曰：「武成王尚在外面等候。」崇黑虎聞言，降階迎接，口稱：「大王，不才不知大王駕臨，有失遠迎，望大王恕罪。」黃飛虎曰：「輕造帥府，得睹尊面，實末將三生之幸。」敘禮畢，分賓主依次而坐。彼此溫慰畢，文聘將黃飛虎的事說了一遍，崇黑虎咨歎不語。崔英曰：「仁兄莫非先要進陳塘關麼？今姜元帥阻隔在金雞嶺，仁兄縱先進陳塘關，至孟津，也少不得等武王到，方可會合諸侯。這不是還可遲得？依弟愚見，不若先破了高繼能，讓子牙進兵，兄再分兵進陳塘關不遲，總是一事。」崇黑虎曰：「既然如此，明日就行。著世子崇應鸞操練三軍，待吾等破了孔宣，再來起兵未晚。」黃飛虎謝罷。崇黑虎乃治酒管待飛虎等四人。次日四鼓時分起馬，五岳離了崇城，往金雞嶺大道行來。非止一日，五岳至子牙轅門聽令。探馬報入中軍：「啟元帥：黃飛虎轅門等令。」子牙令至帳前，問曰：「請崇黑虎的事如何？」黃飛虎啟曰：「還添有三位，俱在轅門外聽令。」子牙傳令用請旗請來。崇黑虎等俱遵閫外之令，上帳打躬曰：「元帥在上：吾等甲冑在身，不能全禮！」子牙忙迎下接住曰：「君侯等皆係外客，如何這等罪不才也！」俱彼此遜讓，以賓主之禮序過。子牙命設坐，崇黑虎等俱客席，子牙與飛虎主席相陪。

子牙曰：「今孔宣猖獗，阻逆大兵，有勞賢侯，途次奔馳，深多罪戾！」崇黑虎謝過，起身對子牙曰：「煩元帥引進，參謁周王。」子牙前行引路，黑虎隨後，進後帳與武王見禮。相敘畢，崇黑虎曰：

耳邊只聞得鑼鼓齊鳴，武成王自思：「是那裡戰鼓響？」把坐下五色神牛一撥，走上山來。只見山凹裡三將廝殺：一員將使五股托天叉，一員將使八楞熟銅鎚，一員將使五爪爛銀抓；三將大戰，殺得難解難分。只見那使叉的同著使抓的殺那使鎚的。戰了一會，只見使鎚的又同著使叉的殺那使抓的。三將殺得呵呵大笑。

黃飛虎在坐騎上，自忖曰：「這三人為何以殺為戲？待吾向前問他端的。」黃飛虎走騎至面前。只見使叉的見飛虎丹鳳眼，臥蠶眉，穿王服，坐五色神牛，使叉的大呼曰：「二位賢弟，少停兵器！」二人忙停了手。那將馬上欠身問曰：「來者好似武成王麼？」黃飛虎答曰：「不才便是。不識三位將軍何以知我？」三將聽得，滾鞍下馬，拜伏在地。黃飛虎慌忙下騎，頂禮相還。三將拜罷，口稱：「大王，適纔見大王儀表，與昔日所聞，故此知之。今何幸至此！」邀請上山，進得中軍帳，分賓主坐下。黃飛虎曰：「方纔三位兄廝殺，卻是何故？」三人欠身曰：「俺弟兄三人在此吃了飯，沒事幹，假此消遣耍子，不期誤犯行旌，有失迴避。」黃飛虎亦遜謝畢，問曰：「請問三位高姓大名？」三人欠身曰：「末將姓文，名聘；此位姓崔，名英；此位姓蔣，名雄。」這一回正該是五岳相會：文聘乃是西岳，崔英乃是中岳，蔣雄乃是北岳，黃飛虎乃是東岳，崇黑虎乃是南岳，表過不題。

文聘治酒管待黃飛虎，酒席之間，問曰：「大王何往？」黃飛虎把子牙拜將伐湯，遇孔宣殺了黃天化的事說了一遍，「如今未將往崇城請崇君侯往金雞嶺，共破高繼能，為吾子報仇。」文聘曰：「只怕崇君侯不得來。」飛虎曰：「將軍何以知之？」文聘曰：「崇君侯操演人馬，要進陳塘關，至孟津會天下諸侯，恐誤了事，決不得來。」黃飛虎曰：「幸是遇著三位，不是枉走一遭。」崔英曰：「不然。文兄

且說五岳將高繼能圍住在核心。好高繼能，一條鎗遮架攔擋。此正是五岳除黑煞，不知性命如何，且聽下回分解。

「今大主體上天好生之仁，救民于水火，共伐獨夫，孔宣自不度德，敢阻天兵，是自取死耳，隨即撲滅。」武王曰：「孤力窮德薄，謬蒙眾位大士推許，共舉義兵，今初出岐周，便有這些阻隔，定是人心未順耳。孤意欲回兵，自修己德，以俟有道，何如？」崇黑虎曰：「大王差矣！今紂惡貫盈，人神共怒，豈得以孔宣疥癬之輩，以阻天下諸侯之心？時哉不可失！大王切不可失了將士之心。」武王感謝，命左右治酒，與黑虎共飲數盃。黑虎謝酒而出。子牙與崇侯出來，在中軍重新治酒，管待四位。正是：

五岳共飲金雞嶺，這場大戰實驚人。

話說崇黑虎次日上火眼金睛獸，左右有文聘、崔英、蔣雄，上嶺來，坐名只要高繼能出來答話。孔宣聞報，隨命高繼能速退西兵。高繼能出營，來見崇黑虎，大喝曰：「你乃是北路反叛，為何也來助西岐為惡？這正是你等會聚在一處，便于擒捉，省得費我等心機。」崇黑虎曰：「匹夫！死活不知！四面八方皆非紂有，尚敢支吾而不知天命也？前日斬黃公子是你？」高繼能笑曰：「哪吒、雷震子不過如此，你有何能，敢來問吾？」縱馬搖鎗直取，崇黑虎手中斧赴面相迎。獸馬相交，鎗斧併舉。未及數合，文聘青驄馬跑，五股叉搖；崔英催開黃彪馬，蔣雄磕開烏騅馬，四將把高繼能圍在當中。好個高繼能，一條鎗抵住了四件兵器。三軍呐喊，數對旗搖。且說黃飛虎在中軍帳，子牙聽的鼓聲大振，對黃飛虎曰：「黃將軍，崇侯侯此來為你，你可出營助陣方是。」黃飛虎曰：「末將思子，一時昏聩，幾乎忘卻了。」隨上五色神牛，搖鎗殺出營來，大呼：「崇侯侯，吾來拿殺子仇人也！」把坐下牛一縱，殺入圈子裡來。正應著：

五岳特來除黑煞，金雞嶺上立奇功。

復回來又戰。五人又把高繼能圍住，黃飛虎一條鎗裏住了高繼能。只見孔宣在營中間掠陣，官曰：「高將軍與何人對敵？」軍政司稟曰：「與五員大將殺在核心。」孔宣前往，出營門掠陣。見高繼能鎗法漸亂，纔待走馬出營，高繼能早被黃飛虎一鎗刺中脇下，翻鞍墜馬，梟了首級。纔要掌鼓回營，忽聽得後邊大呼曰：「匹夫少待回兵！吾來也！」五將見孔宣來至，黃飛虎罵曰：「孔宣！你不知天時，真乃匹夫也！」孔宣笑曰：「我也不對你這等草木之輩閑話，你且不要走，放馬來！」把刀一晃，直取文聘。崇黑虎忙舉雙斧砍來，一似車輪。六騎交鋒，直殺得：

空中飛鳥藏林內，山裡猿蟲隱穴中。

孔宣見這五員大將，兵器來得甚是兇猛，若不下手，反為他所算。把背後五道光華往下一晃，五員戰將一去毫無蹤影，只剩下五騎歸營。子牙正坐，只見探事官來報：「五將被孔宣華光撒去，請令定奪。」子牙大驚曰：「雖然殺了高繼能，倒又折了五將！且按兵不動。」話說孔宣進營，把神光一抖，只見五將跌下，眼前昏迷。吩咐左右監在後營。孔宣見左右并無一將，只得自己一個，也不來請戰，只阻住咽喉總路，周兵如何過去得？

話說子牙頭運糧草官楊戩至轅門下馬，大驚曰：「這時候還在此處？」軍政官報與子牙：「督運官楊戩聽令。」子牙傳令：「令來。」楊戩上帳參謁畢，稟曰：「催糧三千五百，不誤限期，請令定奪。」子牙曰：「督糧有功，乃是為國。」楊戩曰：「是何人領兵阻在此處？」子牙把死了黃天化，並擒拿了許多將官的事說了一遍。楊戩聽得黃天化已死，正是：

道心推在汪洋海，卻把無名火上來。

第七十回

準提道人收孔宣

準提菩薩產西方，道德根深妙莫量。荷葉有風生色相，蓮花無雨立津梁。

金弓銀戟非防患，實杵魚腸另有方。漫道孔宣能變化，婆娑樹下號明王。

話說高繼能與五岳大戰，一條鎗如銀蟒翻身，風馳雨驟，甚是驚人。怎見得一場大戰，有贊為證，

贊曰：

刮地寒風如虎吼，旗旛招展紅閃灼。飛虎忙施提蘆鎗，繼能搖鎗真猛惡。文聘使發托天叉，崔英銀鎚流星落。黑虎板斧似車輪，蔣雄神抓金紐索。三軍喝彩把旗搖，正是黑煞逢五岳。

且說高繼能久戰多時，一條鎗擋不住五般兵器，又不能跳出圈子，正在慌忙之時，只見蔣雄使的抓把金紐索一軟，高繼能乘空把馬一攔，跳出圈子就走。崇黑虎等五人隨後趕來。高繼能把蜈蚣袋一抖，好蜈蚣！遮天映日，若驟雨飛蝗。文聘攔回馬就要逃走，崇黑虎曰：「不妨。不可著驚，有吾在此。」忙把背後一紅葫蘆頂揭開了，裡邊一陣黑煙冒出，煙裡隱有千隻鐵嘴神鷹。怎見得，有贊為證，贊曰：

葫蘆黑煙生，煙開神鬼驚。秘傳玄妙法，千隻號神鷹。乘煙飛騰起，蜈蚣當作羹。鐵翅如銅剪，尖嘴似金針。翅打蜈蚣成粉爛，嘴啄蜈蚣化水晶。今朝五岳來相會，黑煞逢之命亦傾。

且說高繼能蜈蚣盡被崇黑虎鐵嘴神鷹翅打嘴吞，一時吃了個乾乾淨淨。高繼能大怒：「焉敢破吾之術！」

金塔落去無蹤無影。孔宣叫：「李靖不要走！來擒你也！」正是：

紅光一展無窮妙，方知玄內有真玄。

話說金木二吒見父親被擒，兄弟二人四口寶劍飛來，大罵：「孔宣逆賊！敢傷吾父！」兄弟二人舉劍就砍，孔宣手中刀急架相迎。只三合，金吒祭遁龍椿，木吒祭吳鉤劍，俱祭在空中，總來孔宣把這些寶貝不為稀罕，只見俱落在紅光裡面去了。金木二吒見勢不好，欲待要走，被孔宣把神光復一撒，早已拿去。子牙見此一陣折了許多門人，不覺怒從心上起，惡向膽邊生：「吾在崑崙山也不知會過多少高明之士，豈懼你孔宣一匹夫哉！」催開四不相來戰孔宣。未及三四回合，孔宣將青光往下一撒。子牙見神光來得利害，忙把杏黃旗招展，那旗現有千朵金蓮，護住身體，青光不能下來。此正是玉虛之寶，白比別樣寶貝不同。孔宣大怒，驟馬趕來。子牙後隊惱了鄧嬋玉，用手把馬攔回，抓一塊五光石打來。正是：

發手紅光出五指，流星一點落將來。

孔宣被鄧嬋玉一石打傷面門，勒轉馬望本營逃回，不防龍吉公主祭起鸞飛寶劍，從孔宣背後砍來。孔宣不知，左臂上中了一劍，大叫一聲，幾乎墮馬，負痛敗進營來。坐在帳中，忙取丹藥敷之，立時痊癒。方把神光一抖，收了諸般法寶，仍將李靖、金木二吒監禁，切齒深恨不表。

子牙鳴金收軍回營，只見楊戩已在中軍。子牙降帳，問曰：「眾門人俱被拿去，你如何倒還來了？」楊戩曰：「弟子仗師尊妙法，師叔福力，見孔宣神光利害，弟子預先化金光走了。」子牙見楊戩未曾失利，心中還略覺安妥，然而心下甚是憂悶：「吾師偈中說：『界牌關下遇誅仙。』如何在此處有這枝人馬阻住許久？似此如之奈何！」正憂悶之間，武王差小校來請子牙後帳議事。子牙忙至後帳，行禮坐下。武

楊戩曰：「明日元帥親臨陣前，待弟子看他是甚麼東西作怪，好以法治之。」子牙曰：「這也有理。」楊戩下帳，只見南宮适、武吉對楊戩曰：「孔宣連拿黃飛虎、洪錦、哪吒、雷震子，莫知去向。」楊戩曰：「吾有照妖鑑在此，不曾送上終南山去。明日元帥會兵，便知端的。」次日，子牙帶眾門人出營，來會孔宣。巡營軍卒報入中軍。孔宣聞報出來，復會子牙，曰：「你等無故造反，誣謗妖言，惑亂天下諸侯，妄起兵端，欲至孟津會合天下叛賊；我也不與你廝殺，我只阻住你不得過去，看你如何會得成！待你等糧草盡絕，我再拿你未遲。」只見楊戩在旗門下把照妖鑑照著孔宣，看鏡裡面似一塊五彩裝成的瑪瑙，滾前滾後。楊戩暗思：「這是個甚麼東西？」孔宣看見楊戩照他，孔宣笑曰：「楊戩，你將照妖鑑上前來照，那遠遠照，恐不明白。大丈夫當明白做事，不可暗地裡行藏。我讓你照！」楊戩被孔宣說明，便走馬至軍前，舉鑑照孔宣，也是如前一般，楊戩遲疑。

孔宣見楊戩不言不語，只管照，心中大怒，縱馬搖刀直取。楊戩三尖刀急架相還。刀來刀架，兩馬盤旋，戰有三十回合，未分勝負。楊戩見起先照不見他的本像，及至廝殺，又不見取勝，心下十分焦躁，忙祭起哮天犬在空中。那哮天犬方欲下來奔孔宣，不覺自己身輕飄飄落在神光裡面去了。韋護來助楊戩，忙將降魔杵打將下來，孔宣把神光一撒。楊戩見勢頭不好，知他身後的神光利害，駕金光走了。只見韋護的降魔杵早落在紅光之中去了。孔宣大呼曰：「楊戩，我知道你有八九玄機，善能變化，如何也逃走了？敢再出來會我？」韋護見失了寶杵，將身隱在旗下，面面相覷。孔宣大呼：「姜尚！今日與你定個雌雄！」孔宣走馬來戰子牙。後有李靖大怒，罵曰：「你是何等匹夫！焉敢如此猖獗！」搖戟直沖向前，抵住孔宣的刀。二將又戰在虎穴龍潭之中。李靖祭起按三十六天玲瓏金塔往下打來。孔宣把黃光一絞，

乃滅紂之日，你如何阻得住？倘有高明之士出來，足下一旦失手，那時悔之晚矣。」孔宣笑曰：「料你不過草莽惡夫，識得甚麼天時人事！」把刀一晃，來取陸壓，陸壓手中劍急架忙迎。步馬相交，未及五六合，陸壓取葫蘆欲放斬仙飛刀；只見孔宣將五色神光望陸壓撒來。陸壓知神光利害，化作長虹而走，走得營來，對子牙曰：「果是利害，不知是何神異，竟不可解。貧道只得化長虹走來，再作商議。」子牙聽見，越加煩悶。孔宣在轅門不肯回去：「只要姜尚出來見我，以決雌雄，不可難為三軍苦于此地！」左右報入中軍，子牙正沒奈何處治。孔宣在轅門大呼曰：「姜尚有元帥之名，無元帥之行，畏刀避劍，豈是丈夫所為！」正在轅門百般罵子牙，只見二運官土行孫剛至轅門，見孔宣口出大言，心下大怒：「這匹夫焉敢如此藐視元帥！」土行孫大罵：「逆賊是誰？敢如此無理！」孔宣擡頭，見一矮子，提條鐵棍，身高不過三四尺長，孔宣笑曰：「你是個甚麼東西，也來說話？」土行孫也不答話，滾到孔宣的馬足下來，舉棍就打。孔宣輪刀來架。土行孫身子伶俐，左右竄跳，三五合，孔宣甚是費力。土行孫見孔宣如此轉折，隨縱步跳出圈子，誘之曰：「孔宣，你在馬上不好交兵，你下馬來，與你見個彼此；吾定要拿你，方知吾的手段！」孔宣原不把土行孫放在眼裡，便以此為實。暗想：「這匹夫合該死！不要講刀砍他，只是一腳也踢做兩斷。」孔宣曰：「吾下馬來與你戰，看你如何！」這個正是：

欲要成功扶紂王，誰知反中巧中機。

孔宣下馬，執劍在手，往下敵來，土行孫手中棍望上來迎。二人惡戰在嶺下。且說報馬報入中軍：「啟元帥：二運官土行孫運糧至轅門，與孔宣大戰。」子牙著忙，恐運糧官被擄，糧道不通，令鄧嬋玉出轅門掠陣，嬋玉立在轅門不表。且說土行孫與孔宣步戰，大抵土行孫是步戰慣了的，孔宣原是馬上將

王曰：「聞元帥連日未能取勝，屢致損兵折將，元帥既為諸將之元首，六十萬生靈俱懸于元帥掌握。今一旦信任天下諸侯狂悖，陡起議論，糾合四方諸侯，大會孟津，觀政于商，致使天下鼎沸，萬姓洶洶，糜爛其民。今阻兵于此，眾將受羈縻之厄，三軍擔不測之憂，使六十萬軍士拋撇父母妻子，兩下憂心，不能安生；使孤遠離膝下，不能盡人子之禮，又有負先王之言。元帥聽孤，不若回兵，固守本土，以待天時，聽他人白為之，此為上策。元帥心下如何？」

子牙答曰：「大王之言雖是，老臣恐違天命。」武王曰：「天命有在，何必強為！豈有凡事阻逆之理？」子牙被武王一篇言語把心中感動，這一會執不住主意，至前營傳令與先行官：「今夜滅灶班師。」眾將官打點收拾起行，不敢諫阻。二更時，轅門外來了陸壓道人，忙忙急急大呼：「傳與姜元帥！」子牙方欲回兵，軍政官報入：「啟元帥：有陸壓道人在轅門外來見。」子牙忙出迎接。二人攜手至帳中坐下。子牙見陸壓喘息不定，子牙曰：「道兄為何這等慌張？」陸壓曰：「聞你退兵，貧道急急趕來，故爾如此。」乃對子牙曰：「切不可退兵！若退兵之時，使眾門人俱遭橫死。天數已定，決不差錯。」子牙聽陸壓一番言語，也無主張，故此子牙復傳令：「叫大小三軍，依舊紮住營寨。」武王聽見陸壓來至，忙出帳相見，問其詳細。陸壓曰：「大王不知天意。大抵天生大法之人，自有大法之人可治。今若退兵，使被擒之將俱無迴生之曰。」武王聽說，不敢再言退兵。

且說次日孔宣至轅門搦戰，探馬報入中軍。陸壓上前曰：「貧道一往，會會孔宣，看是如何。」陸壓出了轅門，見孔宣全裝甲冑。陸壓問曰：「將軍乃是孔宣？」宣答曰：「然也。」陸壓曰：「足下既為大將，豈不知天時人事？今紂王無道，天下分崩，願共伐獨夫，足下以一人欲挽回天意耶？甲子之期

孔宣道罷，燃燈一時也尋思不來：「不知此人是何物得道？」燃燈曰：「你既知興亡，深通玄理，如何天命不知，尚兀自逆天耶？」孔宣曰：「此是你等惑眾之言，豈有天位已定，而反以叛逆為正之理？」燃燈曰：「你這孽障！你自恃強梁，口出大言，毫無思忖，必有噬臍之悔！」孔宣大怒，將刀一擺，就來戰燃燈。燃燈口稱：「善哉！」把寶劍架刀，纔戰二三回合，燃燈忙祭起二十四粒定海珠來打孔宣。孔宣忙把神光一攝，只見那寶珠落在神光之中去了。燃燈大驚，又祭紫金鉢盂，只見也落在神光中去了。燃燈大呼：「門人何在？」只聽半空中一陣大風飛來，內現一隻大鵬鵬來了。孔宣見大鵬鵬飛至，忙把頂上盔挺了一挺，有一道紅光直冲牛斗，橫在空中。燃燈道人仔細定睛，以慧眼觀之，不見明白，只聽見空中有天崩地塌之聲。有兩個時辰，只聽得一聲響亮，把大鵬鵬打下塵埃。孔宣忙催開馬，把神光來撒燃燈。燃燈借著一道祥光，自回本營，見子牙陳說利害，不知他是何物。只見大鵬鵬也隨至帳前。燃燈問大鵬曰：「孔宣是甚麼東西得道？」大鵬曰：「弟子在空中，只見五色祥雲護住他的身子，也像有兩翅之形，但不知是何鳥。」正議之間，軍政官來報：「有一道人至轅門求見。」子牙同燃燈至轅門迎接。見此人挽雙抓髻，面黃身瘦，髻上戴兩枝花，手中拿一株樹枝，見燃燈來至，大喜曰：「道友請了！」燃燈忙打稽首曰：「道兄從何處來？」道人曰：「吾從西方來，欲會東南兩度有緣者。今知孔宣阻逆大兵，特來渡彼。」燃燈已知西方教下道人，忙請入帳中。那道人見紅塵滾滾，殺氣騰騰，滿口俱是殺運，口裡只道：「善哉！善哉！」來至帳前，施禮坐下。燃燈問曰：「貧道聞西方乃極樂之鄉，今到東土，濟渡眾生，正是慈悲方便。請問道兄尊姓大名？」道人曰：「貧道乃西方教下準提道人是也。前日廣成子道友在俺西方，借青蓮寶色旗，也會過貧道。今日孔宣與吾西方有緣，特來請他同赴極樂之鄉。」燃

官，下來步戰，轉折甚是不及，反被土行孫打了幾下。孔宣知是失計，忙把五色神光往下撒來。土行孫見五色光華來得疾速神異，知道利害，忙把身子一扭，就不見了。孔宣見落了空，忙看地下。不防鄧婁玉發手打來一石，喝曰：「逆賊看石！」孔宣聽得響，及至擡頭時，已是打中面門，哎呀一聲，雙手掩面，轉身就走。婁玉乘機又是一石，正中後頸，著實帶了重傷，逃回行營。土行孫夫妻二人大喜，進營見子牙，將打傷孔宣，得勝回營的話說了一遍。子牙亦喜，對土行孫曰：「孔宣五色神光，不知何物，撮許多門人將佐。」土行孫曰：「果是利害，俟再為區處。」子牙與土行孫慶功不表。

孔宣坐在營中大惱，把臉被他打傷二次，頸上亦有傷痕，心中大怒，只得服了丹藥。次日痊愈上馬，只要發石的女將，以報三石之仇。報馬報入中軍，鄧婁玉就欲出陣。子牙曰：「你不可出去。你發石打過他三次，他豈肯善與你甘休？你今出去，必不利。」子牙止住婁玉，吩咐：「且懸免戰牌出去。」孔宣見周營懸掛免戰牌，怒氣不息而回。且說次日燃燈道人來至轅門，軍政官報入中軍：「啟元帥：有燃燈道人至轅門。」子牙忙出轅門迎接，入帳行禮畢，尊于上坐。子牙口稱老師，將孔宣之事一一陳訴過一遍。燃燈曰：「吾盡知之，今日特來會他。」子牙傳令去了免戰牌。左右報于孔宣。孔宣知去了免戰牌，忙上馬提刀，至轅門請戰，燃燈飄然而出。孔宣知是燃燈道人，笑曰：「燃燈道人，你是清靜聞人，吾知你道行甚深，何苦也來惹此紅塵之禍？」燃燈曰：「你既知我道行深高，你便當倒戈投順，同周王進五關，以伐獨夫；如何執迷不悟，尚敢支吾也？」孔宣大笑曰：「我不遇知音，不發言語。你說你道行深高，你也不知我的根腳，聽我道來：

混沌初開吾出世，兩儀太極任搜求。如今了卻生理，不向三乘妙裡遊。」

第七十一回 姜子牙三路分兵

丞相興兵列戰車，虎賁將士實堪誇。諸侯鼓舞皆忘我，黎庶謳歌盡棄家。

劍戟森羅飛瑞彩，旌旗掩映舞朝霞。須知天意歸仁聖，縱有征誅若浪沙。

話說準提道人上嶺，大呼曰：「請孔宣答話！」少時，孔宣出營，見一道人來得蹊蹺。怎見得，有偈為證，偈曰：

身披道服，手執樹枝。八德池邊常演道，七寶林下說三乘。頂上常懸舍利子，掌中能寫沒文經。飄然真道客，秀麗實奇哉。煉就西方居勝境，修成永壽脫塵埃。蓮花成體無窮妙，西方首領大仙來。

話說孔宣見準提道人，問曰：「那道者通個名來！」道人曰：「貧道與你有緣，特來同你享西方極樂世界，演講三乘大法，無罣無礙，成就正果，完此金剛不壞之體，豈不美哉！何苦於此殺劫中尋生活耶？」孔宣大笑曰：「一派亂言，又來惑吾！」道人曰：「你聽我道來，我見你有歌為證，歌曰：

功滿行完官沐浴，煉成本性合天真。大開於子方成道，九戒三皈始自新。

脫卻羽毛歸極樂，超出樊籠養百神。洗塵滌垢全無染，返本還元不壞身。」

孔宣聽罷大怒，把刀望道人頂上劈來。準提道人把七寶妙樹一刷，把孔宣的大杆刀刷在一邊。孔宣忙取

燈聞言大喜曰：「道兄今日收伏孔宣，可以無誤武王東進之期矣。」準提曰：「孔宣得道，根行深重，與西方有緣，故特來收之。」準提道罷，即出營來會孔宣。不知勝負如何，且聽下回分解。

依山傍水結行營，暗伏強弓百步弩。

子牙陞帳坐下，將正印僉哪吒為先行，把南宮适補後哨，住兵三日。

且說汜水關韓榮聞孔宣失機，周兵又至關下，與眾將上城，看子牙人馬著實整齊。但見得：

一團殺氣，擺一川鐵馬兵戈；五彩紛紛，列千桿紅旗赤幟。畫戟森羅，輕飄豹尾描金五彩旛；兵戈凜冽，樹立斬虎屠龍純雪刃。密密鋼鋒，如列百萬大小水晶盤；對對長鎗，似排數千粗細冰淋尾。幽幽畫角，猶如東海老龍吟；唧唧提鈴，酷似簷前鐵馬響。長弓初吐月，短弩似飛星。錦帳圍營如密布，旗旛繡帶似層雲。道服儒巾，盡是玉虛門客；紅袍玉帶，都係走馬先行。正是：子牙東進兵戈日，我武惟揚在此行。

韓榮看子牙大營，盡是大紅旗，心上疑惑。韓榮下城，在銀安殿與眾將官修本，差官往朝歌告急；一邊點將上城，設守城之法。且說子牙在中軍正坐，有先行官哪吒進前言曰：「兵至關下，宜當速戰。師叔住兵不戰，何也？」子牙曰：「不可。吾如今三路分兵：一路取佳夢關，一路取青龍關，吾自取汜水關，方免吾軍左右受敵也。但督兵分取二關，非才德兼全、英雄蓋世者不足以當此任。吾知非黃將軍、洪將軍不可。」二將齊聲願往。子牙曰：「二位可拈一闔，分為左右。」二將應諾。子牙把二闔放在桌上，只見黃飛虎拈的是青龍關，洪錦拈的是佳夢關。二將各掛紅簪花，每一路分兵十萬。黃飛虎的先行是鄧九公、黃明、周紀、龍環、吳謙、黃飛豹、黃飛彪、黃天祿、黃天爵、黃天祥、太鸞、鄧秀、趙昇、孫焰紅，擇吉日祭旗，往青龍關去了。洪錦的先行是季康、南宮适、蘇護、蘇全忠、辛免、太顛、閔天、祁恭、尹籍，分兵十萬，往佳夢關去了。卻說洪錦離了汜水關，一路上浩浩軍威，人喊馬嘶，三軍踴躍；

金鞭在手，復望準提道人打來。道人又把七寶妙樹刷來，把孔宣的鞭又刷在一邊去了。孔宣止存兩隻空手，心上著急，忙將當中紅光一撒，把準提道人撒去。燃燈看紅光撒去了準提道人，不覺大驚。只見孔宣撒去了準提道人，只是睜著眼，張著嘴，須臾間，頂上盔，身上袍甲，紛紛粉碎，連馬壓在地下，只聽得孔宣五色光裡一聲雷響，現出一尊聖像來，十八隻手，二十四首，執定瓔珞、傘蓋、花貫、魚腸、加持神杵、寶鏢、金鈴、金弓、銀戟、旛旗等件。準提道人作偈曰：

「寶焰金光映日明，西方妙法最微精。千千瓔珞無窮妙，萬萬祥光逐次生。」

加持神杵人罕見，七寶林中豈易行。今番同赴蓮臺會，此日方知大道成。」

且說準提道人將孔宣用絲縑扣著他頸下，把加持寶杵放在他身上，口稱：「道友，請現原形！」霎時間，現出一隻目細冠紅孔雀來。準提道人坐在孔雀身上，一步步走下嶺，進了子牙大營。準提道人曰：「貧道不下來了。」欲別子牙。子牙曰：「老師大法無邊。孔宣將吾許多門人諸將不知放于何地？」準提問孔宣曰：「道友今日已歸正果，當還子牙眾將門人。」孔雀應曰：「俱監在行營裡。」準提道人對子牙說過，別了燃燈，把孔雀一拍，只見孔雀二翅飛騰，有五色祥雲紫霧盤旋，逕往西方去了。

且說子牙同韋護、陸壓，領眾將至孔宣行營，招降兵卒。眾兵見無頭領，俱願投降，子牙許之。忙至後營放眾門人。諸將等出來，至本營拜謝子牙、燃燈畢。次日，崇黑虎等同崇城，燃燈、陸壓俱各歸山，楊戩仍催糧去訖。子牙傳令催動人馬，大軍過了金雞嶺，一路無詞。兵至汜水關，探軍報入，子牙傳令安營，在關下紮住大寨。怎見得：

營安勝地，寨背孤虛。南分朱雀北玄武，東按青龍西白虎。打更小校搖金鈴，傳箭兒郎鳴戰鼓。

傑之所為。」胡雷曰：「長兄之言差矣！我等世受國恩，享天下高爵厚祿，今當國家多事之秋，不思報本，以分主憂，而反說此貪生之語。常言道：『主憂臣辱。』以死報國，理之當然。長兄切不可提此傷風敗俗之言！待吾明日定要成功。」胡升默然無言可對，各歸營中歇息。

次日，胡雷奮勇出關，向周營討戰。報馬報入中軍，有南宮适出馬。胡雷大呼：「南宮适慢來！」胡雷手中刀望南宮适頂門上砍來，南宮适手中刀劈面相迎。兩馬相交，雙刀併舉，一場大戰。怎見得，有贊為證，贊曰：

二將兇猛俱難併，棋逢對手如梟獍。來來去去手無停，下下高高心不定。一個扶王保駕棄殘生，一個展土開疆捨性命。生前結下殺人冤，兩虎一傷方得勝。

南宮适與胡雷戰有三四十合，被南宮适賣個破綻，胡雷用力一刀砍入南宮适懷裡來，馬頭相交，南宮适讓過刀，伸開手把胡雷生擒活捉拿至軍前，轅門下馬，逕進中軍報功。洪錦傳令：「推來。」及至眾士卒將胡雷推至轅前，立而不跪。洪錦曰：「既被擒來，何得抗拒？」胡雷大罵曰：「反國逆賊！你不思報國大恩，反助惡成害，真狗彘也！吾恨不能食汝之肉！」洪錦大怒，命：「推出去，斬訖報來！」立時將胡雷推出轅門，須臾斬首號令。洪錦方與南宮适賀功，纔飲酒，旗門來報：「胡雷又來討戰。」洪錦大怒，傳令：「把報事官斬了！為何報事不明？」左右一聲，把報事官綁出去。報事官大呼冤枉！洪錦令推回來，問其故：「你報事不明，理當該斬，為何口稱冤枉？」報事官曰：「老爺，小人怎敢報事不明？外面果然是胡雷。」

南宮适曰：「待末將出營，便知端的。」洪錦沉吟驚異。只見南宮适復上馬出營來見，果是胡雷。

過了些重山重水，縣府州衙，哨馬報入中軍：「前至佳夢關了。」洪錦傳令安營，立了大寨。三軍吶喊，洪錦降帳，眾將參謁。

洪錦曰：「兵行百里，不戰自疲。俟次日誰先取關走一遭？」季康應聲：「願往。」洪錦許之。季康次日，上馬提刀，至關下搦戰。佳夢關主將胡升、胡雷、徐坤、胡雲鵬正議退兵，只見報馬入帥府：「啟總兵：周將請戰。」胡升問：「誰人退周將走一遭？」旁有徐坤領令，全裝甲胄出關。季康認得是徐坤，大呼曰：「徐坤，今日天下盡屬周主，汝何為尚逆天命而強戰也？」徐坤大罵：「反賊！諒爾不過一走使耳，你有何能，敢出大言！」縱馬搖鎗直取，季康手中刀赴面交還。兩馬相交，大戰五十餘合。季康口中念念有詞，只見頂上一道黑氣，黑氣中現一狗頭；正酣戰之間，徐坤被狗夾臉一口。徐坤未曾防備，怎經得一口？不覺手中鎗法大亂，早被季康手起一刀，揮于馬下，梟了首級，掌鼓進營報功不題。且說報馬報與胡升，說徐坤陣亡，胡升心下甚是不樂。次日，左右又報：「有周將討戰。」胡升令胡雲鵬走一遭。雲鵬領令上馬，提斧出得關來，看來將乃是蘇全忠。胡雲鵬大罵：「反賊！天下反完了，你也不可反。你姐姐是朝陽寵后，這等忘本！你好生坐在馬上，待吾來擒你！」二馬撥開，鎗斧併舉，大戰龍潭虎穴。戰有三四十合，胡雲鵬不覺汗流。正是：

征雲慘淡遮紅日，海沸江翻神鬼愁。

胡雲鵬那裡是蘇全忠對手，只殺得馬仰人翻，措手不及，被蘇全忠大呼一聲，把胡雲鵬刺于馬下，梟了首級，回營見洪錦報功。哨馬又報入關中，報與主將曰：「胡雲鵬失機陣亡。」胡升與胡雷曰：「賢弟，今兩陣連失二將，天命可知。況今天下歸周，非止一處，俺弟兄商議，不若歸周，以順天時，亦不失豪

洪錦看罷，重賞差官：「我也不及回書，明日早進關安民便了。」來使回關見胡升，稟曰：「洪總兵准其納款，不及回書，明早進關。」胡升令左右將佳夢關上豎起周家旗號，打點戶口冊籍，庫藏錢糧，俟明早交割事宜。正打點間，忽報：「府外來有一穿紅的道姑，要見老爺。」胡升不知就裡，傳令：「請來。」少時，道姑從中道而進，甚是兇惡，腰束水火繚，至殿前打稽首。胡升欠身還禮，問曰：「師父至此，有何見論？」道姑曰：「吾乃丘鳴山火靈聖母是也。汝弟胡雷是吾徒弟，因死于洪錦之手，吾特下山來為他復仇。汝係他同胞弟兄，不念手足之情，君臣之義，乃心向外人，而反與仇敵共立哉！」胡升聽得此語，忙下拜，口稱：「老師，弟子實是不知，有失迎迓，望乞恕罪。弟子非是事仇，自思兵微將寡，才淺學疏，不足以當此任；況天下紛紛，俱思歸周，縱然守住，終是要屬他人，徒令軍民日夜辛苦。弟子不得已納降，不過救此一郡生靈耳，豈是貪生畏死之故？」火靈聖母曰：「這也罷了。只我下山，定復此仇。你可將城上還立起成湯旗號，我自有處。」胡升沒奈何，又拽起成湯旗來。

洪錦正打點明日進關，只見報馬來報：「佳夢關依舊又拽起成湯旗號。」洪錦大怒：「這匹夫敢如此反覆戲侮我！等待明日拿匹夫碎尸萬段，以泄此恨！」且說火靈聖母問胡升曰：「關中有多少人馬？」胡升曰：「馬步軍卒有二萬。」聖母曰：「你挑選三千名出來，我自下教軍場教演，方有用處。」胡升即選三千熊彪大漢。聖母命三千人俱穿大紅，赤足，披髮，背上帖一紅紙葫蘆，腳心裡俱書寫風火符印，一隻手執刀，一隻手執幡，下教場操演不題。且說次日，洪錦命蘇全忠關下討戰。胡升掛免戰牌。全忠只得回營，見洪錦曰：「胡升掛免戰二字，末將只得暫回。」洪錦怒氣不息。只見火靈聖母操演人馬，至一七方纔精熟。那日，火靈聖母命關上去了免戰牌，一聲炮響，關中軍馬齊出。火靈聖母騎金眼驄，

南宮适大罵曰：「妖人焉敢以邪術惑吾！不要走！」縱馬舞刀，二將復戰。其如胡雷本事實不如南宮适，未及三十合，依舊擒胡雷下馬，掌鼓進營，來見洪錦。洪錦大喜，將胡雷推至軍前。洪錦不知何術，兩邊大小眾將紛紛亂議，驚動後營。龍吉公主上中軍帳來問其緣故，洪錦將胡雷的事說了一遍。龍吉公主叫把胡雷推至帳前一看，公主笑曰：「此乃小術，有何難哉！」叫把胡雷頂上頭髮分開，公主取三寸五分乾坤針放在胡雷泥丸宮針將下去，立時斬了。公主曰：「此乃替身法，何足為奇！」正是：

因斬胡雷招大禍，子牙難免這場非。

話說洪錦斬了胡雷，號令在轅門。有報馬報入關中：「啟總兵爺：二爺陣亡，號令轅門。」胡升大驚：「吾弟不聽吾言，故有喪身之厄。今天下大半歸周，不如投降為上。」令中軍官修納降文書，速獻關寨，以救生民塗炭。只見左右將納降文表修理停當，只等差人納款。

且說洪錦正與眾將飲酒賀功，忽報：「佳夢關差將納款。」洪錦傳：「令來。」將差官令至軍前，呈上降表。洪錦展開觀看：

鎮守佳夢關總兵胡升泊①佐貳眾將等，謹具降表與奉天討逆元帥麾下：升等仕商有年，豈意紂王肆行不道，荒淫無度，見棄于天；仇溺士庶，皇天不保。特命大周興兵以張天討，兵至佳夢關。升等不自度德，反行拒敵，致勞元戎奮威，斬將殄兵，莫敢抵當。今已悔過改行，特修降表，遣使納款，懇鑒愚悃，俯容改過之恩，以啟更新之路。正元帥不失代天宣化之心，弔民伐罪之舉，則升等不勝感激待命之至。謹表。

① 泊：音4一，反。

話說洪錦身著劍傷，逃進大營。不意火靈聖母領三千火龍兵沖殺進營，勢不可當。二軍叫苦，自相踐踏，死者不計其數。龍吉公主在後營，聽得一聲三軍吶喊，急上馬撈劍，走出中軍，見洪錦伏鞍而逃，洪錦不及對龍吉公主說金光的事，龍吉公主只見火勢沖天，烈煙捲起，正欲念咒救火，又見一塊金光奔至面前。公主不知所以，忙欲看時，被火靈聖母舉劍照龍吉公主劈來。不知性命如何，且聽下回分解。

將煉成火龍兵，隱在後面，先令胡升在前討戰。

胡升得令，一馬當先，來至軍前，要洪錦出來答話。探馬報入關中：「關上有胡升討戰。」洪錦聞報，上馬提刀，帶左右將官出營。一見胡升，大罵：「逆賊！反覆無常，真乃狗彘匹夫！敢來戲侮于我！」縱馬舞刀直取。胡升未及還手，只見火靈聖母催開金眼駝，用兩口太阿劍，大呼：「洪錦不要走！吾來也！」洪錦仔細定睛，見道姑連人帶獸，似一塊火光滾來。洪錦問曰：「來者何人？」聖母答曰：「吾乃丘鳴山火靈聖母是也。你敢將吾門下胡雷殺了！吾今特來報仇。你可速速下馬受死，莫待吾怒起，連累此十萬生靈，死無瞧類②也。」道罷，將太阿劍飛來直取，洪錦手中大桿刀火速忙迎。未及數合，洪錦方欲用旗門遁以誅火靈聖母，但不知聖母頭上戴一頂金霞冠，冠上有一淡黃色包袱蓋住，火靈聖母將包袱挑開，現出十五六寸金光，把火靈聖母籠罩當中。他看得見洪錦，洪錦看不見他，早被聖母把洪錦照前甲上一劍砍來。洪錦躲不及，已劈開鎖子連環甲。洪錦哎呀一聲，帶傷而逃。火靈聖母招動三千火龍兵沖殺進大營來。好利害！怎見得好火，有賦為證，賦曰：

炎炎烈焰迎空燎，赫赫威風遍地紅。卻似火輪飛上下，猶如火鳥舞西東。這火不是燧人鑽木，又不是老君煉丹；非天火，非野火，乃是火靈聖母煉成一塊三昧火。三千火龍兵勇猛，風火符印合五行，五行生化火煎成。肝木能生心火旺，心火致令脾土平。脾土生金金化水，水能生木徹通靈。生生化化皆因火，火燎長空萬物榮。燒倒旗門無攔擋，拋擲棄鼓各逃生。焦頭爛額，堆積，為國亡身一旦空。正是：洪錦災來難躲避，龍吉公主也遭凶。

他火龍兵沖來，勢不可解，大折一陣。乞元帥速發援兵，以解倒懸②。非比尋常可以緩視之也、謹此上書，不勝翹望之至！

話說子牙看罷大驚：「這事非我自去不可！」隨吩咐李靖：「暫署大營事務，候我親去走一遭。爾等不可違吾節制，亦不可與汜水關會兵；緊守營寨，毋得妄動，以挫軍威，違者定按軍法！等我回來，再取此關。」李靖領命。

子牙隨帶韋護、哪吒，調三千人馬，離了汜水關，一路上滾滾征塵，重重殺氣，非止一日，來到佳夢關安營，不見洪錦的行營。子牙陞帳坐下，半晌，洪錦打聽子牙兵來，夫妻方移營至轅門聽令。子牙把洪錦令人中軍，夫妻上帳請罪，備言失機折軍之事。子牙曰：「身為大將，受命遠征，須當見機而作，如何造次進兵，致有此一場大敗！」洪錦啟曰：「起先俱得全功，不意一道姑名曰火靈聖母，有一塊金霞，方圓有十餘丈罩住他；末將看不見他，他反看得見我。又有三千火龍兵，似一座火焰山一擁而來，勢不可當；軍士見者先走，故此失機。」子牙聽罷，心下甚是疑惑：「此又是左道之術。」正思量破敵之計。

且說火靈聖母在關內連日打探，洪錦不見抵關。只見這日報馬報入城來，報姜子牙親提兵至此。火靈聖母曰：「今日姜尚自來，也不負我下山一場。我必親會他，方纔甘心。」別了胡升，忙上金眼駝，暗帶火龍兵出關，至大營前，坐名要子牙答話。報馬報入中軍：「稟元帥：火靈聖母坐名請元帥答話。」子牙即便帶了眾將佐，點砲出營。火靈聖母大呼曰：「來者可是姜子牙麼？」子牙答曰：「道友，不才

② 以解倒懸：即以解倒懸之急。孟子公孫丑：「民之悅之，猶解倒懸也。」倒懸喻困苦。

第七十二回

廣成子三謁碧遊宮

三叩玄關禮大仙，貝宮珠闕自天然。翔鸞對舞瑤塔下，馴鹿呦鳴碧檻前。

無限干戈從此肇，若多詠戮自今先。周家旺氣承新命，又有西方正覺緣。

話說龍吉公主被火靈聖母一劍砍傷胸腔，大叫一聲，撥轉馬望西北逃走，火靈聖母追趕有六七十里方回。這一陣洪錦折兵一萬有餘。胡升大喜，迎接火靈聖母進陣。只見龍吉公主乃蕊宮仙子，今墮凡塵，也不免遭此一劍之厄。夫妻帶傷而逃，至六七十里，方纔收集敗殘人馬，立住營寨。忙取丹藥敷搽，一時即癒。忙作文書申姜元帥求援兵。且說差官非一日至子牙大營，子牙正坐，忽報：「洪錦遣官，轅門等令。」子牙命：「令來。」差官進營叩頭，呈上文書。子牙展開，書曰：

奉命東征佳夢關副將洪錦頓首百拜，奉書謹啟大元戎麾下：末將以檣櫟之才①，謬叨重任，日夜祇懼，恐有不克負荷，有傷元帥之明。自分兵抵關之日，屢獲全勝，因獲逆命守關裨將胡雷，擅用妖術，被末將妻用法斬之。豈意彼師火靈聖母欲圖報仇，自恃道術，末將初會戰時，不知深淺，誤中

①

檣櫟之才：自謙之辭。莊子逍遙遊：「吾有大樹，人謂之檣，其大本擁腫而不中繩墨，其小枝卷曲而不中規

矩，立之塗，匠者不顧。」又人間世：「匠石至齊，至於曲轅，見櫟社樹，其大蔽千牛，絮之百圍，匠石不顧曰：『散木也，是不材之木也，無所可用，故能若是之壽。』」因用檣櫟之才為無用之喻。

話說火靈聖母方去取子牙首級，只見廣成子作歌而至。火靈聖母認得是廣成子，大呼曰：「廣成子！你不該來！」廣成子曰：「吾奉玉虛符命，在此等你多時矣！」火靈聖母大怒，仗劍攔來。這一個輕移道步，那一個急轉麻鞋；劍來劍架，劍鋒斜刺一團花；劍去劍迎，腦後千團寒霧滾。火靈聖母把金霞冠現出金光來，他不知廣成子內穿著掃霞衣，將金霞冠的金光一掃全無。火靈聖母大怒曰：「敢破吾法寶，怎肯干休！」氣哼哼的仗劍來砍，惡狠狠的火焰飛騰，復來戰廣成子。廣成子是犯戒之仙，他如今還存甚麼念頭？忙取番天印祭在空中。正是：

聖母若逢番天印，道行千年付水流。

話說廣成子將番天印祭起在空中，落將下來，火靈聖母那裡躲得及，正中頂門，可憐打的腦漿迸出，一靈也往封神臺去了。廣成子收了番天印，將火靈聖母的金霞冠也收了，忙下山頭，澗中取了水，葫蘆中取了丹藥，扶起子牙，把頭放在膝上，把丹藥灌入子牙口中，下了十二重樓。有一個時辰，子牙睜開二目，見廣成子，子牙曰：「若非道兄相救，姜尚必無再生之理。」廣成子曰：「吾奉師命，在此等候多時。你該有此厄。」把子牙扶上四不相，廣成子曰：「子牙前途保重！」子牙深謝廣成子：「難為道兄救吾殘喘，銘刻難忘！」廣成子曰：「我如今去碧遊宮繳金霞冠去。」

子牙別了廣成子，回佳夢關來。正行之際，忽然一陣風來，甚是利害，只見摧林拔樹，攪海翻江。子牙曰：「此風如同虎至一般！」話未了時，果然見中公豹跨虎而來。子牙曰：「狹路相逢這惡人，如何是好？也罷，我躲了他罷。」子牙把四不相一兜，欲隱于茂林之中。不意申公豹先看見了子牙，申公豹大呼曰：「姜子牙！你不必躲，我已看見你了！」子牙只得強打精神，上前稽首。子牙曰：「賢弟那

便是。道友，你既在道門，便知天命。今紂惡貫盈，天人共怒，天下諸侯，大會孟津，觀政于商，你何得助紂為虐，逆天行事，獨不思得罪于天耶？況吾非一己之私，奉玉虛符命，以恭行天之罰，道友又何必逆天強為之哉？不若聽吾之言，倒戈納降，吾亦體上天好生之仁，決不肯廢爛其民也。」火靈聖母笑曰：「你不過仗那一番惑世誑民之談，愚昧下民。料你不過一釣叟，貪功網利，鼓弄愚民，以為己功，怎敢言應天順人之舉？且你有多大道行，自恃其能哉！」催開金眼駝，仗劍來取。子牙手中劍火速忙迎。左有哪吒，登開風火輪，使開火尖鎗，劈胸就刺；韋護持降魔杵，掉步飛騰；三人戰住聖母。正是：

大蟒逞威噴紫霧，蛟龍奮勇吐光輝。

火靈聖母那裡經得起三人惡戰，鎗杵環攻，抽身回走，用劍挑開淡黃袱，金霞冠放出金光，約有十餘丈遠近。子牙看不見火靈聖母，聖母提劍把子牙前胸一劍，子牙又無鎧甲抵擋，竟砍開皮肉，血灑衣襟，撥轉四不相望西逃走。火靈聖母大呼曰：「姜子牙！今番難逃此厄也！」三千火龍兵一齊在火光中吶喊。只見大轅門金蛇亂攪，圈子內個個遭殃，火焰沖于霄漢，赤光燒盡旌旗，一會家副將不能顧主將。正是：刀砍尸體滿地，火燒人臭難聞。且言火靈聖母趕子牙，又趕至無躲無閃之處，前走的一似猛弩離弦；後趕的好似飛雲掣電。子牙一來年紀高大，劍傷又疼，被火靈聖母把金眼駝趕到至緊至急之處，不得相離。子牙正在危迫之間，又被火靈聖母取出一個混元鎚望子牙背上打來，正中子牙後心，翻筋斗跌下四不相去了。火靈聖母下了金眼駝，來取子牙首級。只聽得一人作歌而來：

「一徑松竹籬扉，兩葉煙霞窗戶。三卷黃庭經，四季花開處。新詩信手書，丹爐自己扶。垂綸菱浦，散步溪山處。坐回蒲團，調動離龍坎虎。功夫披塵遠世途，狂呼嘯傲兔和烏。」

留孫吩咐黃巾力士曰：「與我拿至麒麟崖去，等吾來發落。」黃巾力士領法旨去訖。且說懼留孫下山，挽扶子牙，靠石倚松，少坐片時；又取粒丹藥服之，方纔復舊。子牙曰：「多感道兄救我！傷痕未好，又打了一珠，也是吾七死三災之厄耳。」子牙辭了懼留孫，上了四不相，回佳夢關不表。且說懼留孫縱金光法往玉虛宮來，行至麒麟崖，見黃巾力士等候。懼留孫行至宮門前，少時，見一對提爐，一對提爐，兩行羽扇分開。怎見得元始天尊出玉虛宮光景，有詩為證：

鴻濛初判有聲名，煉得先天聚五行。頂上三花朝北闕，胸中五氣透南溟。

群仙隊裡稱元始，玄妙門庭話未生。漫道香花隨輦轂，滄桑萬劫壽同庚。

話說懼留孫見掌教師尊出玉虛宮來，俯伏道旁，口稱：「老師萬壽！」元始天尊曰：「好了！你們也攢開雲霧，不久返本還元。」懼留孫曰：「奉老師法旨，將申公豹拿至麒麟崖，聽候發落。」元始聽說，來至麒麟崖，見申公豹捉在那裡。元始曰：「業障！姜尚與你何仇，你邀三山五岳人去伐西岐？今日天數皆完，你還在中途害他，若不是我預為之計，幾乎被你害了。如今封神一切事體要他與我代理，應合佐周；你如何只要害他，使武王不能前進？」命黃巾力士：「揭起麒麟崖，將這業障壓在此間，待姜尚封過神再放他！」看官，元始天尊豈不知道要此人收聚封神榜上三百六十五位正神，故假此難他，恐他又起波瀾耳。黃巾力士來拿申公豹要壓在崖下。申公豹口稱冤枉！元始曰：「你明明的要害姜尚，何言冤枉？也罷，我如今把你壓了，你說我偏向姜尚；你如再阻姜尚，你發一個誓來。」申公豹發一個誓願，只當口頭言語，不知出口有願。公豹曰：「弟子如再要使仙家阻擋姜尚，弟子將身子塞了北海眼！」元始曰：「是了，放他去罷。」申公豹脫了此厄而去，懼留孫也拜辭去了。

裡來？」申公豹笑曰：「特來會你。」姜子牙，你今日也還同南極仙翁在一處不好，如今一般也有單白一個撞著我！料你今日不能脫吾之手！」子牙曰：「兄弟，我與你無仇，你何事這等惱我？」申公豹曰：「你不記得在崑崙，你倚南極仙翁之勢，全無好眼相看。先叫你，你只是不睬；後又同南極仙翁辱我，又叫白鶴童兒銜我的頭去，指望害我。這是殺人冤仇，還說沒有！你今日金臺拜將，要伐罪弔民，只怕你不能兵進五關，先當死于此地也！」把寶劍照子牙砍來。子牙手中劍架住，曰：「兄弟，你真乃薄惡之人。我與你同一師尊門下，抵足四十年，何無一點情意！及至我上崑崙，你將幻術愚我，那時南極仙翁叫白鶴童兒難你，是我再三解釋，你倒不思量報本，反以為仇，你真是無情無義之人也。」申公豹大怒：「你二人商議害我，今又巧語花言，希圖饒你。」說未了，又是一劍。子牙大怒：「申公豹！吾讓你，非是怕你，恐後人言我姜子牙不存仁義，也與你一般。你如何欺我太甚！」將手中劍來戰申公豹。大抵子牙傷痕纔癒，如何敵得過申公豹。只見子牙前心牽扯，後心疼痛，撥轉四不相，望東就走。申公豹虎踏風雲，趕來甚緊。正是子牙：

方纔脫卻天羅難，又撞冤家地網來。

話說申公豹趕上子牙，打開一天珠來，正中子牙後心。子牙坐不住四不相，滾下鞍轡。申公豹方下虎來欲害子牙，不防山坡下坐著夾龍山飛龍洞懼留孫道人，他也是奉玉虛之命在此等候申公豹的。乃大呼曰：「申公豹少得無禮！我在此！我在此！」連叫兩聲。申公豹回頭看見懼留孫，吃了一驚。他知道懼留孫利害，自思不好，便欲抽身上虎而走。懼留孫笑曰：「不要走。」手中急祭綱仙繩，將申公豹網了。懼

若不聽教訓的，是白取咎，與姜尚無干。廣成子去罷！」

廣成子出了碧遊宮，正行，只見諸大弟子在旁，聽見掌教師尊吩咐，凡吾教下弟子不遵訓誨，任憑他打；眾弟子心下甚是不服，俱在宮外等他。旁邊有最不忿的是金靈聖母、無當聖母，對眾言曰：「火靈聖母是多賣道人門下，廣成子打死了他，就是打我等一樣。他還來繳金霞冠，明明是欺瞞吾教！我等師尊又不察其事，反吩咐任他打，是明明欺吾等無人物也！」此時惱了龜靈聖母，大呼曰：「豈有此理！他打死火靈聖母，還來繳金霞冠！待吾去拿了廣成子，以洩吾等之恨！」龜靈聖母仗劍依來，大呼：「廣成子不要走！我來了！」廣成子站住，見他來的勢局不同，廣成子陪笑迎來，問曰：「道兄有何吩咐？」龜靈聖母曰：「你把吾教門人打死，還到此處來賣弄精神，分明是欺瞞吾教，顯你等豪強，情殊可恨！不要走！我與火靈聖母報仇！」仗劍依來。廣成子將手中劍架住，言曰：「道友差矣！你的師尊具立封神榜，豈是我等欺他？是他自取，也是天數該然，與我何咎？道友言替他報仇，真是不諳事體！」龜靈聖母大怒曰：「還敢以言語支吾！」不由分說，又是一劍。廣成子正色言曰：「我以禮諭你，你還是如此，終不然我怕你不成？縱是我師長，也只好讓你兩劍。」龜靈聖母又是一劍。

廣成子大怒，面皮通紅，仗寶劍相還。兩家未及數合，廣成子祭番天印打來。龜靈聖母見此印打下來，招架不住，忙現原身，乃是個大鳥龜。昔蒼頡造字而有龜文羽翼之形，就是那時節得道的；修成人形，原是一個母鳥龜，故此稱為聖母。彼時金靈聖母、多寶道人見龜靈聖母現了原身，各人面上俱覺慚愧之極，甚是追悔。只見虬首仙、烏雲仙、金光仙、金牙仙大呼：「廣成子，你欺吾教不是這等！」數人發怒，一齊仗劍趕來。廣成子自思：「吾在他家裡，身入重地；自古道『軍絲不成線』，反為不美。」

且說廣成子打死火靈聖母，逕往碧遊宮來，這個原是截教教主所居之地。廣成子來至宮前，好所在！怎見得，有賦為證：

煙霞凝瑞靄，日月吐祥光。老柏青青，與山嵐似秋水長天一色；野卉緋緋，同朝霞如碧桃丹杏齊芳。彩色盤旋，盡是道德光華飛紫霧；香煙繚繚，皆從先天無極吐清芬。仙桃仙果，顆顆恍若金丹；綠楊綠柳，條條渾如玉線。時聞黃鶴鳴皋，每見青鸞翔舞。紅塵絕跡，無非是仙子仙童來往，玉戶常關，不許那凡夫俗女閑窺。正是：無上至尊行樂地，其中妙境少人知。

話說廣成子來至碧遊宮外，站立多時。裡邊開講道德玉文。少時，有一童子出來，廣成子曰：「那童子，煩你通報一聲，宮外有廣成子求見老爺。」童兒進宮，至九龍沉香輦下稟曰：「啟老爺：外有廣成子至宮外，不敢擅入，請法旨定奪。」通天教主曰：「著他進來。」廣成子進至裡邊，倒身下拜：「弟子願師叔萬壽無疆！」通天教主曰：「廣成子，你今日至此，有何事見我？」廣成子將金霞冠奉上：「弟子啟師叔：今有姜尚束征，兵至佳夢關，此是武王應天順人，弔民伐罪；紂惡貫盈，理當勦滅。不意師叔教下門人火靈聖母仗此金霞冠，前來阻逆大兵，擅行殺害生靈，糜爛士卒。頭一陣劍傷洪錦併龍吉公主；第二陣又傷姜尚，幾乎喪命。弟子奉師尊之命，下山再三勸慰。彼仍恃實行兇，欲傷弟子。弟子不得已，用了番天印，不意打中頂門，以絕生命。弟子特將金霞冠繳上碧遊宮，請師叔法旨。」通天教主曰：「吾三教共議封神，其中有忠臣義士上榜者，有不成仙道而成神道者，各有深淺厚薄，彼此緣分；故神有尊卑，死有先後。吾教下也有許多，此是天數，非同小可，況有彌封，只至死後方知端的。廣成子，你與姜尚說，他有打神鞭，如有我教下門人阻他者，任憑他打。前日我有諭帖在宮外，諸弟子各宜緊守；他

火靈聖母自恃金霞冠無敵，致有殺身之禍。假若他當日無此寶，則無所恃。他自不下山來，安得有這場是非？這還是通天教主主作成送他個死。

廣成子又見他們重重圍來，「不若還奔碧遊宮，見他師尊，自然解釋。」乃不等通報，逕自投臺下來。通天教主曰：「廣成子，你又來有甚話說？」廣成子跪而啟曰：「師叔吩咐，弟子領命下山。不知師叔門人龜靈聖母同許多門人來為火靈聖母復仇。弟子無門可入，特來見師叔金容，求為開釋！」通天教主命水火童兒：「把龜靈聖母叫來！」少時，龜靈聖母至法臺下行禮，口稱：「弟子在。」通天教主曰：「你為何去趕廣成子？」龜靈聖母曰：「廣成子將吾教下門人打死，反上宮來獻金霞冠，分明是欺瞞吾教！」通天教主曰：「吾為掌教之主，反不如你等？此是你不守我諭言，自取其禍。大抵俱是天數，我豈不知？廣成子把金霞冠繳來，正是尊吾法旨，不敢擅用吾寶。爾等仍是狼心野性，不守我清規，大是可惡！將龜靈聖母革出宮外，不許入宮聽講！」遂將龜靈聖母革出。兩旁惱了許多弟子，私相怨曰：「今為廣成子，反把自家弟子輕辱，師尊如何這樣偏心？」大家俱不忿，盡出門來。只見通天教主吩咐廣成子：「你快去罷！」廣成子拜謝了教主，方纔出了碧遊宮，只見後面一起截教門人趕來，只叫：「拿住廣成子以洩吾眾人之恨！」廣成子聽得著慌：「這一番來得不善！欲逕往前行不好；欲與他抵敵，寡不敵眾；不若還進碧遊宮，纔免得此厄。」看官，廣成子你原不該來！這正應了三謁碧遊宮。正是：

沿潭撒下鉤和線，從今釣出是非來。

話說廣成子這一番慌慌張張跑至碧遊宮臺下，來見通天教主，不知吉凶如何，且聽下回分解。

話說通天教主曰：「姜尚乃是奉吾三教法旨，扶佐應運帝王。這三教中都有在封神榜上的。廣成子也是犯教之仙。他就打死火靈聖母，非是他來尋事做；這是你去尋他，總是天意。爾等何苦與他做對？連我的訓諭不依，成何體面！」眾門人未及開言，只見多寶道人跪下稟曰：「老師聖諭，怎敢不依？只是廣成子太欺吾教，妄自尊大他的玉虛教法，辱罵我等不堪，老師那裡知道？倒把他一面虛詞當做真話，被他欺誑過去。」通天教主曰：「紅花白藕青荷葉，三教原來總一般。」他豈不知，怎敢亂說欺弄。你等切不可自分彼此，致生事端。」多寶道人曰：「老師在上：弟子原不敢說，只今老師不知詳細，事已至此，不得不以直告。他罵吾教是左道傍門，不分披毛帶角之人，濕生卵化之輩，皆可同群共處。他視我為無物，獨稱他玉虛道法為無上至尊，所以弟子等不服也。」通天教主曰：「我看廣成子亦是真實君子，斷無是言。你們不要聽錯了。」多寶道人曰：「弟子怎敢欺誑老師！」眾門人齊曰：「實有此語，這都可以面質。」通天教主笑曰：「我與羽毛相並，他師父卻是何人？我成羽毛，他師父也是羽毛之類。這畜生這等輕薄！」吩咐金靈聖母：「往後邊取那四口寶劍來。」少時，金靈聖母取一包袱，內有四口寶劍，放在案上。教主曰：「多寶道人過來，聽我吩咐：他既是笑我教不如，你可將此四口寶劍去界牌關擺一誅仙陣，看闡教門下那一個門人敢進吾陣！如有事時，我自來與他講。」多寶道人請問老師：「此劍有何妙用？」通天教主曰：「此劍有四名：一曰誅仙劍，二曰戮仙劍，三曰陷仙劍，四曰絕仙劍。此劍倒懸門上，發雷振動，劍光一晃，任從他是萬劫神仙，也難逃得此難。」昔曾有贊，贊此寶劍：

非銅非鐵又非鋼，曾在須彌山下藏。不用陰陽顛倒煉，豈無水火淬鋒芒？誅仙利，戮仙亡，陷仙到處起紅光；絕仙變化無窮妙，大羅神仙血染裳。

第七十三回

青龍關飛虎折兵

流水滔滔日夜磨，不知烏兔若奔梭。纔看苦海成平陸，又見蒼桑化碧波①。

熊虎將軍餐白刃，英雄俊傑飲干戈。遲金只因天數定，空教血淚滴婆婆。

話說廣成子三進碧遊宮，又來見通天教主，雙膝跪下。教主問曰：「廣成子，你為何又進我宮來？全無規矩，任你胡行！」廣成子曰：「蒙師叔吩咐，弟子去了；其如眾門人不放弟子去，只要與弟子掙力。弟子之來，無非敬上之道，若是如此，弟子是求榮反辱。望老師慈悲發付弟子，也不壞師叔昔日三教共立封神榜的體面。」通天教主聽說，怒曰：「水火童子快把這些無知畜生喚進宮來！」只見水火童子領法旨出宮來，見眾門人，曰：「列位師兄，老爺發怒，喚你等進去。」眾門人聽師尊呼喚，大家沒意思，只得進宮來見。通天教主喝曰：「你這些不守規矩的畜生！如何師命不遵，恃強生事？這是何說！廣成子是奉我三教法旨，扶助周武，這是應運而興。他等逆天行事，理當如此。你等如何還是這等胡為？情實可恨！」直罵得眾人們面面相覷，低頭不語。通天教主吩咐廣成子曰：「你只奉命而行，不要與這些人計較。你好生去罷！」廣成子謝過恩，出了宮，逕回九仙山去了。後有詩歎曰：

廣成奉旨涉先天，只為金霞冠欲還。不是天心原有意，界牌關下有誅仙。

① 蒼桑化碧波：即青綠的桑田變作滄海。

者元帥率兵抵關，升弟胡雷與火靈聖母不知天命，致逆王師，自罹于禍，悔亦無及。升罪固宜，罔赦，但元帥汪洋之度，好生之人，無不覆載。今特遣裨將王信薰沐上書，乞元帥下鑒愚悃，容其納降，以救此一方人民，真時雨之師②，萬姓頂祝③矣。胡升再頓首謹啟。

子牙看書畢，問王信曰：「你主將既已納款，吾亦不究往事。明日即行獻關，毋得再有推阻。」洪錦在旁言曰：「胡升反覆不定，元帥不可輕信，恐其中有詐。」子牙曰：「前日乃是他兄弟違傲，與火靈聖母自恃左道之術故耳。以我觀，胡升乃是真心納降也。公無多言。」隨令王信回覆主將，明日進關。王信領令，進關來見胡升，將子牙言語盡說一遍。胡升大喜，隨命關上軍士立起周家旗號。次日，胡升同大小將領率百姓出關，手執降旗，焚香結彩，迎子牙大勢人馬進關。來至帥府堂上坐下，眾將官侍立兩旁。只見胡升來至堂前行禮畢，稟曰：「末將胡升一向有意歸周，奈吾弟不識天時，以遭誅戮。末將先曾具納降文表與洪將軍，不期火靈聖母要阻天兵，末將再三阻擋不住，致有得罪于元帥麾下，望元帥恕末將之罪。」

子牙曰：「聽你之言，真是反覆不定：頭一次納降，非你本心。你見關內無將，故爾偷生。及見火靈聖母來至，汝便欺心，又思故主。總是暮四朝三之小人，豈是一言以定之君子？此事雖是火靈聖母主意，也要你自己肯為，我也難以准信。留你久後必定為禍。」命左右：「推出斬之！」胡升無言抵塞，追悔無及。左右將胡升綁出帥府，少時，見左右將首級來獻。子牙命拿出關前號令。子牙平定了佳夢關，

- ② 時雨之師：喻有如及時雨一般能紓解民困的軍隊。孟子滕文公：「如時雨降，民大悅。」
③ 頂祝：頂禮祝賀。頂禮是佛家最尊敬之禮節，用頭頂禮佛足。

話說通天教主將此劍付與多寶道人，又與一誅仙陣圖，言曰：「你往界牌關去，阻住周兵，看他怎樣對你。」多寶道人離了高山，遷往界牌關去不表。

且說子牙自從遇申公豹得脫回佳夢關來，周營內差人四下裡打探子牙消息。只見哪吒登風火輪，四下找尋。子牙正策四不相前行，恰好遇著韋護。韋護大喜，上前安慰子牙曰：「自火龍兵沖散人馬，急切難以收聚，不意火靈聖母趕師叔去。那些兵原是左道邪術，見沒有主將作法驅逐，一時火光滅了，並無有一些手段。被我等收回兵，復一陣殺的他乾淨，只是不見師叔。如今哪吒等四路去打探，不期弟子在此得遇尊顏，我等不勝幸甚！」有探事官飛奔中軍，來報于洪錦，洪錦遠迎。子牙進轅門，眾將歡喜。收點人馬，計算又折了四五千軍卒。子牙把火靈聖母、申公豹的事對眾軍將細說一遍，眾人賀喜。子牙吩咐整頓人馬，離佳夢關五十里，住了三日，子牙方整點士卒，一聲砲響，復至關下安營。

且說胡升在關內不知火靈聖母吉凶，又聽得報馬來報，子牙兵復至關下，胡升大驚：「姜尚兵又復至，火靈聖母休矣！」急與佐貳官商議：「前日已是降周，平空而來火靈聖母攬擾這場，使吾更變一番，雖然勝了姜子牙二陣，成得甚事！如今怎好相見？」旁有佐貳官王信曰：「如今元帥把罪名做在火靈聖母身上，彼自不罪元帥也。這也無妨。」胡升曰：「此言也有理。」就差王信具納降文書，前往周營來見子牙。有軍政官報入中軍：「啟元帥：關內差官下文書，請令定奪。」子牙傳令：「令來。」王信來至中軍，呈上文書。子牙展于案上觀看，書曰：

納降守關主將胡升暨大小將佐等，頓首上書于西周大元帥麾下：不職升謬承司閫，鎮守邊關，謹慎小心，希圖少盡臣節以報主知；孰意皇天不眷，降災于殷，天愁人叛，致動天下諸侯觀政于商。日

擺開，請總兵答話。」黃飛虎傳令：「也把大隊人馬擺出。」砲聲響處，大紅旗展，好雄威人馬出來！正是：

人是獾彪攔關潤，馬如大海老龍騰。

話言丘引見黃飛虎，左右分開大小將官，一馬當先，大叫：「黃飛虎負國忘恩，無父無君之賊！你反了五關，殺害朝廷命官，劫紂王府庫，助姬發為惡，今日反來侵擾天子關隘，你真是惡貫滿盈，必受天誅！」黃飛虎笑曰：「今天下會兵，紂王亡在旦夕，你等皆無死所！馬前一卒，有多大本領，敢逆天兵耶！」飛虎回顧左右：「那一員戰將與吾拚了丘引？」後有黃天祥應曰：「待吾來擒此賊！」天祥年方十七歲，正所謂初生之犢不懼虎，催開戰馬，搖手中鎗沖殺過來。這壁廂有高貴搖斧接住。兩馬相交，鎗斧並舉。黃天祥也是封神榜上之人，力大無窮。來來往往，未及十五回合，一鎗刺中高貴心窩，翻鞍下馬。丘引大呼一聲：「氣殺吾也！不要走，吾來也！」丘引銀盔素鎧，白馬長鎗，飛來直取天祥。黃天祥見丘引白至，心下暗喜：「此功該吾成也！」搖手中鎗劈面相還。好殺！怎見得，正是：

棋逢敵手難藏興，將遇良才好奏功。

黃天祥使發了這條鎗，如風馳雨驟，勢不可當。丘引自覺不能勝。天祥今會頭陣，如此英勇，鎗法更神。有贊為證，贊曰：

乾坤真個少，蓋世果然稀。
老君爐裡煉，曾敲十萬八千鎚；
磨塌太行山頂石，湛乾黃河九曲溪。
上陣不沾塵世界，回來一陣血腥飛。

話說黃天祥使開鎗，把丘引殺得只有招架之功，更無還兵之力。旁有丘引副將孫寶、余成兩騎馬，兩口

令祁恭鎮守。子牙把戶口查明，即口回兵至汜水關。李靖領眾將轅門迎接。子牙至後營見武王，將取住夢關一事奏知武王。武王置酒在中軍與子牙賀功不表。

且說黃飛虎領十萬雄師往青龍關來，一路浩浩軍威，紛紛殺氣。一日哨馬報入中軍：「啟總兵：人馬已至青龍關，請令安營。」黃總兵傳令安下行營，放砲呐喊。話說這青龍關鎮守大將乃是丘引，副將是馬方、高貴、余成、孫寶等。聞周兵來至，丘引忙陞廳坐下，與眾將議曰：「今日周兵無故犯界，甚是狂悖，吾等正當效力之時，各宜盡心報國。」眾將官齊曰：「願效死力。」人人俱摩拳擦掌，個個勇往直前。

且說黃總兵陞帳曰：「今日已抵關隘，誰去見頭一陣立功？」鄧九公曰：「願往。」飛虎曰：「將軍一往，必建奇功。」鄧九公上馬出營，至關下搦戰。哨探馬報入帥府，丘引急令馬方：「去見頭陣，便知端的。」馬方上馬提刀，開放關門，兩杆旗開，見鄧九公紅袍金甲，一騎馬飛臨陣前。馬方大呼曰：「反賊慢來！」九公曰：「馬方，你好不知天時！方今兵連禍結，眼見成湯亡于旦夕，爾尚敢來出關會戰也！」馬方大罵：「逆天潑賊，欺心匹夫，敢出妄言，惑吾清聽！」縱馬搖鎗飛來直取。鄧九公手中刀急架忙迎。二馬盤旋，大戰有三十回合。鄧九公乃久經戰場上將，馬方那裡是他的對手，正戰間，被九公賣個破綻，大喝一聲，將馬方劈于馬下。鄧九公梟了首級，掌得勝鼓回營，來見黃飛虎，將馬方首級獻上。黃總兵大喜，上九公首功，具酒相慶。

且說敗兵報進關來：「稟元帥：馬方失機，被鄧九公梟了首級，號令周營。」丘引聽報，只氣得三尸神暴跳，七竅內生煙。次日，親自提兵出關。黃飛虎正議取關一事，見哨馬報入中軍：「青龍關大隊

話說丘引被黃天祥一鎗，正中前面護心鏡上，打得丘引噴鮮血，幾乎落下鞍轡，敗進關內，閉門不出。黃天祥得勝回營，來見父親，說丘引閉門不出。黃飛虎與鄧九公共議取關之策不表。且說丘引被這一鎗打得吐血不止，忙服丹藥，一時不能痊癒；切齒深恨黃天祥于骨髓，在關內保養傷痕。次日，周兵攻打青龍關，丘引鎗傷未癒，上城來親自巡視，千方百計防設守關之法。大抵此關乃朝歌保障之地，西北藩屏，最是緊要，城高濠深，急切難以攻打。周兵一連攻打三日，不能得下。黃飛虎見此關急切難下，傳令鳴金收回人馬，再作良謀。丘引見周兵退兵，也下城來，至帥府坐下，心中納悶。忽報：「督糧官陳奇聽令。」丘引令至殿前。陳奇打躬曰：「催糧應濟軍需，不曾違限，請令定奪。」丘引曰：「催糧有功，總為朝廷出力。」陳奇問：「周兵至此，元帥連日勝負如何？」丘引答曰：「姜尚分兵取關，惟恐吾斷他糧道，連日與他會戰，不意他將佐驍勇，鄧九公殺吾佐貳官，黃天祥鎗馬強勝，吾被他鎗中，箭射，鎗打。若是拿住這逆賊，必分化其尸，方泄吾恨！」陳奇曰：「元帥只管放心，等末將拿來，報元帥之恨。」

次日，陳奇領本部飛虎兵，坐火眼金睛獸，提手中蕩魔杵，至周營搦戰。哨馬報入中軍：「啟元帥：關上有將搦戰。」黃飛虎問曰：「誰將出馬？」鄧九公曰：「末將願領人馬。」九公綽兵刃在手，逕出營來；見對陣鼓響，一將當先，手提蕩魔杵，坐金睛獸而來。鄧九公問曰：「來者何人？」陳奇曰：「吾乃督糧官陳奇是也。你是何人？」鄧九公答曰：「吾乃西周東征副將鄧九公是也。日前丘引失機，閉門不出，你想法是來替死，然而也做不得他的名下！」陳奇大笑曰：「看你這匹夫如嬰兒草莽，你有什么能！」便催開金睛獸，使開蕩魔杵，劈胸就打，鄧九公大杆刀赴面交還。獸馬交鋒，刀杵併舉，兩家大戰三十

刀，殺奔前來助戰。鄧九公見二將前來協助，鄧九公奮勇走馬，刀劈了余成，翻鞍落馬。孫寶大怒，罵曰：「好匹夫！焉敢傷吾大將！」轉回來力敵九公。話說丘引被黃天祥戰住，不得開空，縱有左道之術，不能使出來；又見鄧九公走馬刀劈了余成，心下急躁。黃天祥賣了個破綻，一鎗正中丘引左腿。丘引大叫一聲，撥轉馬就走。黃天祥掛下鎗，取弓箭在手，拽滿弓弦，往後心射來，正中丘引肩窩。孫寶見主將敗走，心下著慌，又被鄧九公一刀把孫寶揮于馬下，梟了首級。黃飛虎掌鼓進營。正是：

只知得勝回營去，那曉男兒大難來。

話說丘引敗進高關，不覺大怒：「四員副將盡被兩陣殺絕，自己又被這黃天祥鎗刺左腿，箭射肩窩，候明日出陣，拿住此賊，碎尸萬段，以泄此恨！」看官：丘引乃曲鱗④得道，修成人體，也善左道之術。此人自用丹藥敷搽，即時痊癒。到三日後，上馬提鎗，至周營前，只叫：「黃天祥來見我！」哨馬報入中軍，黃天祥又出來會戰。丘引見了仇人，不答話，搖鎗直取天祥。黃天祥手中鎗急架忙迎。二馬交鋒，來往戰有三十回合。黃天祥看丘引頂上銀盔露出髮來，暗想：「此賊定有法術，恐遭毒害。」天祥心生一計，把鎗丟了一空⑤。丘引要報前日之仇，乘空一鎗刺來，刺了個空，跌在黃天祥懷裡來。黃天祥掣出銀裝鎗來。好鎗！怎見得，有贊為證，贊曰：

寶攢玉靶，金葉鑲成，綠絨繩穿就護手，熟銅抹就光輝。打大將翻鞍落馬，沖行營鬼哭神悲。門斷三環劍，磕折丈八鎗。寒凜凜有甚三冬雪，冷洩洩賽過九秋霜。

④ 曲鱗：即蚯蚓。

⑤ 把鎗丟了一空：即賣一個破綻，引誘對手中計。

軍問左右：「誰去走一遭？」話未了，只見旁邊走過三子黃天祿、黃天爵、黃天祥應曰：「不肖三人願往。」黃飛虎吩咐須要仔細。三人應聲曰：「知道。」弟兄三人上馬，逕出營來。陳奇問曰：「來者何人？」黃天祿答曰：「吾乃開國武成王三位殿下：黃天祿、天爵、天祥是也。」陳奇暗喜：「正要拿這業畜，他恰自來送死！」催開金睛獸，也不答話，使開蕩魔杵，飛來直取天祿兄弟。三人三條鎗，急架忙迎，四馬交鋒。怎見得一場好殺：

四將陣前發怒，催開獸馬相持。長鎗晃晃閃虹霓，蕩魔杵發來峻利。這一個拼命捨死定輸贏；

那三個為國忘家分軒輊。險些兒失手命難存，留取清名傳萬世。

三匹馬裹住了陳奇一匹金睛獸，大戰在龍潭虎穴。不知凶吉如何，且聽下回分解。

評

胡升反覆不常，留之久必為禍；況當糧道要衝，安得以疑似之人守之殺之？但太公伐紂，乃順天應人，豈有他虞？而必欲以平常之疑待之。子牙此舉，有愧時雨之師。

又評

鄧九公有將才，而遭逢不辰，故為左道所害，此數也。然一段慷慨不屈，亦足取也。

回合。鄧九公的刀法如神，陳奇用的是短兵器，如何抵擋得住？陳奇把蕩魔杵一舉，他有三千飛虎兵，手執撓鉤套索，如長蛇陣一般，飛奔前來，有拿人之狀。鄧九公不知緣故。陳奇原是左道，有異人秘傳，養成腹內一道黃氣，噴出口來，凡是精血成胎者，必定有三魂七魄，見此黃氣，則魂魄自散。九公見此黃氣，坐不住鞍韉，翻身落馬。鄧九公被飛虎兵一擁上前，生擒活捉，拿進高關，三軍吶喊。

丘引正坐，左右報入府來：「稟元帥：陳奇捉了鄧九公聽令。」丘引大悅，令左右：「推來！」鄧九公及至醒來，身上已是繩索綁縛，莫能轉挫；左右推至丘引面前，九公大罵曰：「匹夫以左道之術擒吾，我就死也不服！今既失機，有死而已。吾生不能啖汝血肉，死後必為厲鬼以殺叛賊！」丘引大怒，令推出斬之！可憐鄧九公歸周，不能會諸侯於孟津，今日全忠於周主。正是：

功名未遂扶王志，今日逢危已盡忠。

話說丘引發出行刑牌出府，將鄧九公首級號令于關上。有哨探馬報入中軍：「啟老爺：鄧九公被陳奇口吐黃氣，拏了進關，將首級號令城上。」黃飛虎大驚曰：「鄧九公乃大將之才，不幸而喪于左道之術。」心中甚是傷感。

話說丘引治酒與陳奇賀功。次日，陳奇又領兵至周營搦戰，報馬報入中軍。旁有九公佐貳官太鸞大怒曰：「末將不才，願與主將報仇。」黃飛虎許之。太鸞上馬出營，與陳奇相對，也不答話，大戰二十回合。陳奇把杵一舉，後面飛虎兵擁來。陳奇把嘴一張，太鸞依舊落馬，被眾人擒拿進關見丘引。丘引曰：「此乃從賊，且不必斬他，暫送下囚圍，俟拿了主將，一齊上囚車解往朝歌，以盡國法，又不負汝之功耳。」陳奇大喜。且說黃總兵見又折了太鸞，心下甚是不樂。只見次日來報：「陳奇搦戰。」黃將

軍卒生擒下馬，繩縛二臂。及至醒時，已被捉住。丘引大喜，掌鼓進關。正是：

可惜年少英雄客，化作南柯夢裡人！

且說丘引拏住黃天祥進關，陞堂坐下，傳令兩邊把黃天祥推來。眾人將黃天祥推至面前。黃天祥氣沖牛斗，厲聲大呼曰：「丘引，你這逆賊，敢以妖術成功，非大丈夫也！我死不足惜，當報國恩。若姜元帥兵臨，你這匹夫有粉骨碎身之禍！既被你擒，快與我一死！吾定為厲鬼以殺賊！」丘引大怒曰：「你這叛賊，反出語傷人！你箭射、鎗打、鎗刺，你心下便自爽然。今日被擒，不自求生，又以惡語狂言辱吾！」天祥睜目大罵：「逆賊！我恨不得鎗穿你肺腑，鎗打碎你天靈，箭射透你心窩，方稱我報國忠心！今不幸被擒，自分一死，何必多言，做出那等的模樣！」丘引大怒，命左右：「先梟了首級，仍風化其尸，掛在城樓上！」少時，哨馬報入周營：「啟老爺：四公子被丘引拏去，梟了首級，把尸骸掛城樓上，風化其尸，請軍令定奪。」黃飛虎聽報，大叫一聲，跌倒在地，眾將扶起。黃總兵放聲大哭曰：「吾生四子，不能為武王至孟津大會諸侯以立功，今方頭一座關隘，先喪吾三子！」黃飛虎思子，作詩一首以志感，詩曰：

「為國捐軀赴戰場，丹心可並日爭光。幾番未滅強梁寇，左衛擒兒年少亡。」

話說黃總兵見事機如此，忙修告急中文，連夜差使臣往汜水關老營中，見子牙求救。

使臣在路，也非一日，來至行營。旗門官報入中軍：「啟元帥：黃總兵遣官至轅門等令。」子牙傳令：「令來。」使臣至轅前行禮，將中文呈上。子牙拆開看畢，大驚曰：「可惜鄧九公、黃天祥俱死于非命！」著實傷悼。只見鄧嬋玉哭上帳來：「稟上元帥：末將願去為父報仇。」子牙許之；又點先行官

二將相逢各有名，青龍關遇定輪贏。五行道術皆堪並，萬劫輪回共此生。

黃氣無聲能覆將，白光有影更擒兵。須知妙法無先後，大難來時命自傾。

話說黃天祿兄弟三人裹住陳奇，忽一鎗正中陳奇右腿，陳奇將坐騎跳出圈子外邊，黃天祿隨後趕來。陳奇雖然腿上有傷，他的道術自在；他把蕩魔杵一舉，只見飛虎兵蜂擁而來，將腹內煉成黃氣噴出，黃天祿滾下鞍轡，早被飛虎兵撓鉤搭住，生擒活捉了進關來見丘引。丘引吩咐，也把黃天祿監禁了。話說黃天爵、黃天祥回營見父，言兄被擒。黃總兵十分不樂，遣官打聽可曾號令。探事官回報：「啟老爺：不曾號令。」話說陳奇腿上有傷，自用丹藥敷搽。只見次日丘引傷痕痊愈，要來報仇，乃不戴頭盔，頂上戴一金箍，似頭陀樣，貫甲披袍，上馬撻鎗，來奔至周營，坐名要黃天祥決戰。報馬報入營中，天祥便欲出戰，飛虎阻擋不住。天祥上馬提鎗，出營來見是丘引，大叫曰：「丘引，今日定要擒你見功！」催開馬，搖手中鎗，直刺丘引。丘引鎗赴面交還。二馬盤旋，雙鎗並舉，大戰在關下。黃天祥這根鎗如風狂雨驟，勢不可當。丘引招架不住，掩一鎗，勒回馬往關前就走。黃天祥不知好歹，隨後趕來。只見丘引頂上長一道白光，光中分開，裡面現出碗大一顆紅珠，在空中滴溜溜只是轉。丘引大叫：「黃天祥，你看吾此寶！」黃天祥不知所以，擡頭看時，不覺神魂飄蕩，一會兒不知南北西東，昏昏慘慘，被步下

且說土行孫催糧至子牙大營，見元帥回令畢，土行孫下殿，不見鄧嬋玉，問其故，武吉曰：「黃飛虎求救兵，申文言你岳翁陣亡，你夫人去了。」土行孫聽得鄧九公已死，著實傷悼，忙忙領子牙催糧箭，督二運運往青龍關來。不一日至轅門，探馬報入中軍，黃飛虎令：「請來。」土行孫來至帳前行禮畢，黃飛虎曰：「鄧九公為左衛陣亡，吾子二人被擒，天祥被丘引逆賊風化其尸。今日先行哪吒打丘引一乾坤圈，逆賊未曾授首。」土行孫曰：「待末將今晚且將天祥尸首盜出，用棺木收殮，明日好擒丘引以報此仇。」土行孫下帳來，與鄧嬋玉等相見。只至到曉，土行孫借地行術，逕進關來。先在裡邊走了一番。及行到圍圈之中，看見太鸞、黃天祿。時至二更，四下裡人聲寂靜，土行孫鑽上來，悄悄的叫：「黃天祿，我來了。你放心，不久就取關了。」黃天祿聽的是土行孫聲音，大喜曰：「速些纔妙！」土行孫曰：「不必吩咐。」土行孫說了信，逕至城樓上，把繩子割斷，天祥的尸首掉在關下，周紀收去尸首。

黃飛虎看見尸首，放聲大哭曰：「年少為國，致捐其軀，真為可惜！」急用棺木收尸。黃飛虎自思想：「吾生四子，今喪三人，今日不若命黃天爵送天祥尸首回西岐去，早晚亦可侍奉吾父，一則不失黃門之後，二則使我忠孝兩全。」黃飛虎打發第三子黃天爵押送車回西岐去了。且說丘引被哪吒打傷，次日降廳納悶。只見巡城軍士來報：「黃天祥尸首，夜來不知被何人割斷繩子，將尸首盜去。」丘引聽報，愈加愁悶。陳奇大怒：「不才出關，拏來為主將報仇！」說罷，領本部飛虎兵至營前搦戰。哨馬報入中軍。黃總兵問：「誰人見陣？」土行孫願往；鄧嬋玉欲為父親報仇，願隨掠陣。夫妻二人出營，見陳奇坐金睛獸，提蕩魔杵，滾至陣前。土行孫大罵陳奇曰：「匹夫用左道邪術，殺吾岳丈，不共戴天！今日特來擒你報仇！」

哪吒同往。哪吒大喜，領了將令，星夜往青龍關來。哪吒風火輪來的快，便先行；嬋玉隨營行走。只見哪吒霎時就到青龍關了。正是：

頃刻行千里，須臾至九州。

話說哪吒至營前，報入中軍，「有先行官哪吒轅門聽令。」黃總兵忙叫：「請來。」哪吒進中軍行禮畢，黃總兵曰：「吾奉令分兵至此，不幸子亡兵敗，鄧九公竟被左衛喪身，吾在此待罪請援。今先行官至此，吾輩不勝幸甚！」哪吒曰：「小將軍丹心忠義，為國捐軀，青史簡篇，永垂不朽，亦不辜負將軍教養之功。」次日，哪吒上風火輪，提火尖鎗，往關下搦戰。猛見黃天祥之尸，大怒曰：「吾拿住丘引，定以此為例！」大叫：「城上報事官！快傳與丘引，早來洗頸受戮！」報馬報入帥府：「有將請戰。」丘引聽報，自恃己能，依舊是頭陀打扮，竟出關門。看見一人登風火輪而來，大呼曰：「來者莫非是哪吒麼？」哪吒大罵曰：「你這匹夫！黃天祥與你不過敵國之仇，彼此為國，不過梟首；又有何罪，你竟欲風化其尸？我今拏住你，定碎醢汝尸，為天祥泄恨！」把火尖鎗擺動，直取丘引。丘引以鎗急架相還。二馬相交，雙鎗併舉，來往戰殺二三十合。丘引就走，哪吒趕來，丘引依舊把頭上白氣昇出，現那一顆紅珠出來在空中旋轉。丘引把哪吒當做凡胎肉體，不知他是蓮花化身，便大叫曰：「哪吒！你看吾之寶！」哪吒擡頭看見，大笑曰：「無知匹夫！此不過是個紅珠兒，你叫我看他怎的！」丘引大驚：「吾得道修成此珠，捉將擒軍，無不效驗，今日哪吒看見，如何不昏於輪下？」心中已是著忙，只得勒回馬來又戰；被哪吒用乾坤圈打來，正中丘引肩窩，打的筋斷骨折，伏鞍而逃，敗回關去。哪吒得勝回營，來見黃飛虎不表。

孫曰：「足下係二運官，今到此何幹？」土行孫曰：「青龍關中有一人名喚陳奇，也與你一樣拏人，吾岳丈被他拏去，壞了性命，特奉元帥將令，來此救援。只他比你不同，他把嘴一張，口內噴出一道黃氣來，其人自倒；比你那鼻中哼出白氣來大不相同，覺他的便宜。昨日我被他拏去，走了一遭來。」鄭倫曰：「豈有此理！當時吾師傳我，曾言吾之法蓋世無雙，難道此關又有此異人？我必定會他一會，看其真實。」

且說陳奇恨鄧嬋玉打傷他頭面，自服了丹藥，一夜痊癒。次日出關，坐名只要鄧嬋玉出來定個雌雄。哨馬報入中軍：「啟老爺：陳奇搦戰。」鄭倫出而言曰：「末將願往。」黃飛虎曰：「你督糧亦是要緊的事，原非先行破敵之役，恐姜丞相見罪。」鄭倫曰：「俱是朝廷功績，何害于理？」黃飛虎只得應允。鄭倫上了金睛獸，捉降魔杵，領本部三千烏鴉兵出營來。見陳奇也是金睛獸，捉降魔杵，也有一隊人馬，俱穿黃號衣，也拏著撓鉤套索。鄭倫心下疑惑，乃至軍前大呼曰：「來者何人？」陳奇曰：「吾乃督糧上將軍陳奇是也。你乃何人？」鄭倫曰：「吾乃三運總督官鄭倫是也。」鄭倫問曰：「聞你有異術，今日特來會你。」鄭倫催開金睛獸，搖手中降魔杵，劈頭就打，陳奇手中蕩魔杵赴面交還。二獸交加，一場大戰。怎見得：

二將陣前尋鬥賭，兩下交鋒誰敢阻。這一個似搖頭獅子下山崗；那一個不亞擺尾狻猊尋猛虎。這一個忠心定要正乾坤；那一個赤膽要把江山輔。天生一對惡星辰，今朝相遇爭旗鼓。

話說二將大戰虎穴龍潭：這一個惡狠狠圓睜二目；那一個咯支支咬碎銀牙。只見土行孫同哪吒出轅門來看二將交兵，連黃飛虎同眾將也在旗門下，都來看廝殺。鄭倫正戰之間，自忖：「此人當真有些術法。」

陳奇大笑：「諒你這等人，真如朽腐之物，做得出甚麼事來！殺你恐污吾手！」催開坐騎，指杵就打，土行孫手中棍急架忙迎，杵棍併舉。未及數合，陳奇見土行孫往來小巧便宜，急切不能取勝；陳奇忙把杵一擺，飛虎兵齊奔前來，陳奇對著土行孫把嘴一張，噴出一道黃氣。土行孫站不住，一交跌倒在地，飛虎兵把土行孫拏去。陳奇不防鄧嬋玉在對面，見拏了他丈夫，發出一塊五光石來，正中陳奇嘴上，打得唇綻齒落，哎呀一聲，掩面而走。嬋玉又發一石，夾後心一下，把後心鏡打得粉碎。陳奇只得伏鞍而逃。只見土行孫睜開眼，渾身上了繩子，笑曰：「到有趣！」陳奇被鄧嬋玉打傷，逃回關內來見丘引。丘引看見陳奇鼻青嘴綻，袍帶皆鬆，忙問其故。陳奇曰：「只因拏一不堪匹夫，不防對過有一賤人，用石打傷面門，復一石又打傷脊背，致失機而回。」丘引聽說，忙令左右：「將周將拏來！」左右隨將土行孫推至階前。看見土行孫身不滿三四尺，便問陳奇曰：「這樣東西，拏他何用？」命左右：「推出去斬了號令！」土行孫也不慌不忙，來至關上。左右方欲動手，只見土行孫把身子一扭，杳無蹤跡。正是：

地行道術原無跡，盜寶偷關蓋世雄。

話說左右見土行孫不見了，只說得目瞪口呆，慌忙報與丘引。丘引聽報，大驚曰：「周營中有此異人，所以屢伐西岐俱皆失利。今日不見黃天祥尸首，就是此人盜去，也未可知。速傳令，早晚各要防備關隘。」

且說土行孫回見黃總兵，其議取關。忽哨探馬報入中軍：「有三運督糧官鄭倫來轅門等令。」黃總兵傳令：「令來。」鄭倫至轅前行禮畢，言曰：「奉姜元帥將令，催糧應付，軍前聽用。」黃飛虎曰：「多蒙將軍催糧有功，俟上功勞簿。」鄭倫曰：「俱是為國效用。」鄭倫偶見土行孫也在此，忙問土行

趙升、孫焰紅把丘引裹在當中。鄭倫殺進城來，正遇陳奇，二將夜兵大戰。黃天祿從後面殺進府來，土行孫倒拖郇鐵棍，往丘引馬下打來。丘引不及提防，被土行孫一棍正打著馬七寸；那馬打了個前失，把丘引跌下馬來。黃飛虎看見，忙撚鎗刺來。丘引已借土遁去了。正是：生死有定，不該絕于此關。且言眾將裏住陳奇，被哪吒祭起乾坤圈打中，陳奇傷了臂膊，往左一閃，被黃飛虎一鎗刺中脇下，死于非命。殺到天明，黃飛虎收兵查點，只走了丘引。飛虎陞廳，出榜安民，查明戶口冊籍，留將守青龍關。黃總兵回師，先有哪吒報捷。土行孫仍催糧去了。

且說子牙在中軍與眾將正講六韜三略，報事官報：「元帥：哪吒等令。」子牙命：「傳進來。」哪吒至中軍，備言取了青龍關事，說了一遍：「弟子先來報捷。」子牙大悅，謂眾將曰：「吾之先取此二關者，欲通吾之糧道；若不得此，倘紂兵斷吾糧道，前不能進，後不能退，我先首尾受敵，此非全勝之道也，故為將先要察此。今幸俱得，可以無憂。」眾將曰：「元帥妙算，真無遺策！」正談論間，左右報：「黃飛虎等令。」子牙曰：「令來。」飛虎至中軍，打躬行禮。子牙賀過功，因不見鄧九公、黃天祥在前，心中甚是悽楚，歎曰：「可惜忠勇之士，不得享武王之祿耳！」營中治酒權飲。次日，子牙差辛甲先下一封戰書。

話說汜水關韓榮兒子牙按兵不動，分兵取佳夢、青龍二關，速速差人打探。回報二關已失。韓榮對眾將曰：「今西周已得此二關，軍威正盛，我等正當中路，必須協力共守，毋得專恃力戰也。」眾將各有不忿之色，願決一死戰。正議間，報：「姜元帥遣官下戰書。」韓榮命：「令來。」辛甲至殿前，將書呈上。韓榮接書，展開觀看，書曰：

打人不過先下手為妙。」把杆在空中一擺，鄭倫部下烏鴉兵行如長蛇陣一般而來。陳奇看鄭倫擺杆，士卒把撓鉤套索似有拏人之狀，陳奇搖杆，他那裡飛虎兵也有套索鉤撓，飛奔前來。正是：

能人自有能人伏，今日哼哈相會時。

鄭倫鼻子裡兩道白光，出來有聲；陳奇口中黃光也自迸出。陳奇跌了個金冠倒蹶；鄭倫跌了個鎧甲離鞍。兩邊士卒不敢拏人，只顧各人搶各人主將回營。鄭倫被烏鴉兵搶回；陳奇被飛虎兵搶回，各自上了金睛獸回營。土行孫同眾將笑得腰軟骨折。鄭倫自歎曰：「世間又有此異人，明日定要與他定個雌雄，方肯罷休。」不表。只說陳奇進關來見丘引，盡言前事。丘引又聞佳夢關失了，心下不安。次日，鄭倫關下搦戰，陳奇上騎出關，言曰：「鄭倫，大丈夫一言已定，從今不必用術，各賭手上工夫，你我也難得會。」催開坐下騎，又殺一日，未見輸贏。來見黃飛虎，眾將俱在帳上，共議取關之策。哪吒曰：「如今土行孫也在此，不若今夜我先進關，斬關落鎖，夜裡乘其無備，取了關為上策。」黃飛虎曰：「全仗先行。」正是：

哪吒定計施威武，今夜青龍屬武王。

話說丘引在關內，修表進朝歌，請遣將來此協同守關，共阻周兵。不覺是一更時分，土行孫先進關裡來，暗暗在囹圄中打點放黃天祿、太鸞。二更時分，哪吒登風火輪，飛進關來，在城樓上祭起金磚，把守門軍將打散，隨撞開拴鎖。周兵吶一聲喊，殺進城中來，金鼓大作，天翻地覆，城中大亂，百姓只顧逃生。土行孫在囹圄中，聽得吶喊，隨放了黃天祿、太鸞，殺出本府來。丘引還不曾睡，急忙上馬，擐鎗出府，只見燈光影裡，火把叢中，見金甲紅袍，乃武成王黃飛虎。哪吒登風火輪使鎗殺來。鄭秀、

搖鎗前來，飛取韓榮；韓榮手中戟赴面交還。魏賁的鎗勢如猛虎，韓榮見先折了王虎，心中已自慌忙，無心戀戰。只見子牙揮動兵將沖殺過來，韓榮抵敵不住，敗進關中去了。子牙得勝回營不表。

且說韓榮兵敗進關，一面具表往朝歌告急，一面設計守關。正在緊急之時，忽報：「七首將軍余化等令。」韓榮聽得余化來至，大喜，忙傳令：「令來。」余化至殿上行禮，韓榮曰：「自從將軍戰敗去後，此關反被黃飛虎走出去了，不覺數載；豈意他養成氣力，今反夥同那姜尚，三路分兵，取了佳夢關、青龍關，盡為周有。昨日會兵，不能取勝，如之奈何？」余化曰：「末將被哪吒打傷，敗回蓬萊山，見我師尊，燒煉一件寶物，可以復我前仇。縱周家有千萬軍將，只叫他片甲無存。」韓榮大喜，治酒管待。話說次日，余化至周營討戰。子牙問：「誰去出馬？」哪吒應聲而出：「弟子願往。」哪吒道罷，登輪提鎗，出得營來，一見余化，哪吒認得他，大叫曰：「余化慢來！」余化見了仇人，把臉紅了半邊，也不答話，催開金睛獸，搖戟直取哪吒；哪吒的鎗赴面交還。輪獸相交，戟鎗雙舉，來往沖殺有二三十合。哪吒的鎗乃太乙真人傳授，有許多機變，余化不是哪吒對手。余化把一口刀，名曰化血神刀祭起，如一道電光，中了刀痕，時刻即死。怎見得，有詩為證，詩曰：

丹爐曾煅煉，火裡用功夫。靈氣後先妙，陰陽表裡扶。

透甲元神喪，沾身性命無。哪吒逢此刀，眼下血為膚。

余化將化血刀祭起，那刀來得甚快，哪吒躲不及，中了一刀。大抵哪吒乃蓮花化身，渾身俱是蓮花瓣兒，縱傷了他，不比凡夫血肉之軀，登時即死，該有凶中得吉。哪吒著刀傷了，大叫一聲，敗回營中，走進轅門，跌下風火輪來。哪吒著了刀傷，只是顫，不能做聲。旗門官報與子牙，子牙令扎擡至中軍。子牙

西周奉天征討大寶大元帥姜尚，致書于汜水關主將麾下：嘗聞天命無常，惟有德者永冀大眷。今商王受淫酗肆虐，暴殄下民，天愁于上，民怨于下。海宇分崩，諸侯叛亂，生民塗炭。惟我周武王特恭行天之罰，所在民心效順，強梁授首；所有佳夢、青龍二關逆命，俱已斬將奪旗，萬民歸順。今大兵到此，特以尺一之書，咸使聞知。或戰或降，早賜明決，毋得白誤。不宣。

韓榮觀看畢，即將原書批回：「來日會戰。」辛甲領書回營，見子牙曰：「奉令下書，原書批回，明日會兵。」子牙整頓士卒，一夜無詞。次日，子牙行營砲響，大隊擺開出轅門，在關下搦戰。有報馬報入關來：「今有姜元帥關下請戰。」韓榮忙整點人馬，放砲呐喊出關，左右大小將官分開。韓榮在馬上見子牙號令森嚴，一對對英雄威武。怎見得，有鷓鴣天一詞為證，詞曰：

殺氣騰騰萬里長，旌旗戈戟透寒光。雄師手仗三環劍，虎將鞍橫丈八鎗。軍浩浩，士忙忙，鑼鳴鼓響猛如狼。東征大戰三十陣，汜水交兵第一場。

話說韓榮在馬上見子牙，口稱：「姜元帥請了！」『率土之濱，莫非王臣』，元帥何故動無名之師，以下凌上，甘心作商家叛臣？吾為元帥不取也！」子牙笑曰：「將軍之言差矣。君正則居其位，君不正，則求為匹夫不可得。是天命豈有常哉？惟有德者能君之。昔夏桀肆虐，成湯伐之，代夏而有天下。今紂王罪過于桀，天下諸侯叛之。我周特奉天之罰，以討有罪，安敢有逆天命，厥罪惟鈞哉。」韓榮大怒曰：「姜子牙，我以你為高明之士，你原來是妖言惑眾之人！你有多大本領，敢出大言！那員將與吾拚了？」旁有先行王虎，走馬搖鎗，飛奔前來，直取子牙。只見哪吒已登風火輪，舉鎗忙迎。輪馬相交，刀鎗併舉。兩下裡喊聲不息，鼓角齊鳴。戰未數合，哪吒奮勇一鎗，把王虎挑于馬下。魏賁見哪吒得勝，把馬一磕，

第七十五回

土行孫盜騎陷身

余化恃強自喪身，師尊何苦費精神。因燒土行反招禍，為惹懼留致起噴。

北海初沉方脫難，細仙再縛豈能拘！從來數定應難解，已是封神榜內人。

話說余化得勝回營，至次日，又來周營搦戰。探馬報入中軍，子牙問：「誰人出馬？」有雷震子應曰：「願往。」提棍出營，見余化黃面赤髯，甚是兇惡，問曰：「來者可是余化？」余化大罵：「反國逆賊！你不認得我麼！」雷震子大怒，把二翅飛騰于空中，將黃金棍劈頭打來；余化手中戟赴面交還。

一個在空中用力，一個在獸上施威。雷震子金棍刷來，如泰山一般。余化望上招架費力，略戰數合，忙舉起化血刀來，把雷震子風雷翅傷了一刀。幸而原是兩枚仙杏化成風雷二翅，今中此刀，尚不至傷命，跌在塵埃，敗進行營，來見子牙。子牙又見傷了雷震子，心中甚是不樂。次日，有報馬報入中軍：「有余化搦戰。」子牙曰：「連傷二人，若痴呆一般，又不做聲，只是寒顫；且懸免戰牌出去。」軍政官將免戰牌掛起。余化見周營掛免戰牌，掌鼓回營。只見次日，有督糧官楊戩至轅門，見掛免戰二字，楊戩曰：「從三月十五日拜將之後，將近十日，如今還在這裡，尚不曾取成湯寸土，連忙掛免戰牌。」心中甚是疑惑，「且見了元帥，再做道理。」探馬報入中軍：「啟元帥：有督糧官楊戩候令。」子牙曰：「令來。」楊戩上帳，參謁畢，稟曰：「弟子催糧，應付軍需，不曾違限，請令定奪。」子牙曰：「兵糧足

叫哪吒，哪吒不答話。子牙心下鬱鬱不樂。不知哪吒性命如何，且聽下回分解。

評

陳奇與鄭倫方是對手，正所謂不相上下，又添了哪吒土行孫等，則陳奇授首宜矣！

又評

土行孫地行之術，為偷營劫寨，固是奇妙；若遇著楊戩之流，止落得一番空行。青龍關內止一二庸品，安能抵得土行孫之偷劫哉？

鼎真人忙令楊戩將刀痕來看，真人見此刀刃，便曰：「此乃是化血刀所傷。但此刀傷了，見血即死。幸雷震子傷的兩枚仙杏，你又有玄功，故爾如此；不然，皆不可活。」楊戩聽得，不覺大驚，忙問曰：「似此將何術解救？」真人曰：「此毒連我也不能解。此刀乃是蓬萊島一氣仙余元之物。當時修煉時，此刀在爐中，有三粒神丹同煉的。要解此毒，非此丹藥，不能得濟。」真人沉思良久，乃曰：「此事非你不可。」附耳如此如此方可。楊戩大喜，領了師父之言，離了玉泉山往蓬萊島而來。正是：

真人道術非凡品，咫尺蓬萊見大功。

話說楊戩借土遁往蓬萊島來，前至東海。好個海島，異景奇花，觀之不盡。怎見得海水平波，山崖錦砌，正所謂蓬萊景致與天闕無差。怎見得好山，有贊為證：

勢鎮東南，源流四海。汪洋潮湧作波濤，滂渤山根成碧闕。蜃樓結彩，化為人世奇觀；蛟孽興風，又是滄溟幻化。丹山碧樹非凡，玉宇瓊宮天外。麟鳳優遊，自然仙境靈胎；鸞鶴翱翔，豈是人間俗骨。琪花四季吐精英，瑤草千年呈瑞氣。且慢說青松翠柏常春，又道是仙桃仙果時有。修竹拂雲留夜月，藤蘿映日舞清風。一溪瀑布時飛雪，四面丹崖若列星。正是：百川滄注擎天柱，萬劫無移大地根。

話說楊戩來至蓬萊山，看罷蓬萊景致，仗八九元功，將身變成七首將軍余化，逕進蓬萊島來。見了一氣仙余元，倒身下拜。余元見余化到此，乃問曰：「你來做甚麼？」余化曰：「弟子奉師父之命，去汜水關協同韓總兵把守關隘，不意姜尚兵來，弟子見頭一陣，刀傷了哪吒，第二陣傷了雷震子，第三陣恰來了姜子牙師姪楊戩，弟子用刀去傷他，被他一指，反把刀指回來，將弟子傷了肩臂，望老師慈悲救拔。」

矣，其如戰不足何！」楊戩曰：「師叔且將免戰牌收了，弟子明日出兵，看其端的，自有處治。」子牙在中軍與眾人正議此事，左右報：「有一道童來見。」子牙曰：「請來。」少時至帳前，那童子倒身下拜曰：「弟子是乾元山金光洞太乙真人門下。師兄哪吒有厄，命弟子背上山去調理。」子牙即將哪吒交與金霞童子，皆往乾元山去了。不表。且說楊戩見雷震子不做聲，只是顫，看刀刃中血水如墨。楊戩觀看良久，「此乃是毒物所傷。」楊戩啟子牙：「去了免戰牌。」子牙傳令去了免戰牌。次日，汜水關哨馬報入關中：「周營已去免戰牌。」余化聽得，隨上了金睛獸出關，來至營前搦戰。哨馬報入中軍：「關內有將討戰。」正是：

常勝不知終有敗，周營自有妙人來。

話說余化至營搦戰，楊戩稟過子牙，忙提三尖刀出營。見余化光景，是左道邪說之人，楊戩大叫曰：「來者莫非余化麼？」余化曰：「然也。爾通名來。」楊戩曰：「吾乃姜元帥師姪楊戩是也。」縱馬搖三尖刀飛來直取。余化手中戟赴面交還。兩馬相交，一場大戰。未及二十餘合，余化祭起化血神刀，如閃雷飛來。楊戩運動八九元功，將元神遁出，以左肩迎來，傷了一刀，也大叫一聲，敗回行營，看是甚麼毒物，來見子牙。子牙問曰：「你會余化如何？」楊戩曰：「弟子見他神刀利害，仗吾師道術，將元神遁出，以左臂迎他一刀，畢竟看不出他的果是何毒。弟子且往玉泉山金霞洞去一遭。」子牙許之。楊戩借土遁往玉泉山來，到了金霞洞，進洞見師父，拜罷，玉鼎真人問曰：「楊戩，你此來有甚麼話說？」楊戩對曰：「弟子同師叔進兵汜水關，與守關將余化對敵。彼有一刀，不知何毒，起先雷震子被他傷了一刀，只是寒顫，不能做聲；弟子也被他傷了一刀，幸賴師父玄功，不曾重傷，然不知果是何毒物。」玉

催開金睛獸，大戰楊戩。二馬相交，刀戟併舉，二將酣戰三十餘合。正殺之間，雷震子得了此丹，即時全好了，心中大怒，竟飛出周營，大喝曰：「好余化！將惡刀傷吾。若非丹藥，幾至不保。不要走，吃我一棍，以泄此恨！」擡起黃金棍，劈頭刷來，余化將手中戟架棍。楊戩三尖刀來得又勇，余化被雷震子一棍打來，將身一閃，那棍正中金睛獸，把余化掀翻下地，被楊戩復一刀，結果了性命。正是：

一腔左衛全無用，枉做成湯梁棟材。

楊戩斬了余化，掌鼓回營，兒子牙報功不表。

且說韓榮聞余化陣亡，大驚：「此事怎好！前日遣官往朝歌去，救兵未到；今無人協同守此關隘，如何是好！」正議間，余元乘了金睛五雲駝，至關內下騎，至帥府前，令門官通報。眾軍官見余元好兇惡，忙報韓榮。韓榮傳令：「請來。」道人進帥府，韓榮迎接余元。只見他生得面如藍靛，赤髮獠牙，身高一丈七八，凜凜威風，二目兇光冒出。韓榮降階而迎，口稱老師，請上銀安殿。韓榮下拜，問曰：「老師是那座名山？何處洞府？」一氣仙余元曰：「楊戩欺吾太甚，盜丹殺我弟子余化。貧道是蓬萊島一氣仙余元是也；今特下山，以報此仇。」韓榮聞說大喜，治酒管待。次日，余元上了五雲駝，出關至周營，坐名要子牙答話。報馬報入中軍：「汜水關有一道人請元帥答話。」子牙傳令：「擺隊伍出營。」左右分五岳門人，一騎當先。只見一位道人，生的十分兇惡。怎見得：

魚尾冠，金嵌成；大紅服，雲暗生。面如藍靛獠牙冒，赤髮紅鬚古怪形。絲絲飄火焰，麻鞋若水晶。蓬萊島內修仙體，自在逍遙得至清。位在監齋成神道，一氣仙名舊有聲。

話說子牙至軍前問曰：「道者請了。」余元道：「姜子牙，你叫出楊戩來見我。」子牙曰：「楊戩催糧

一氣仙余元曰：「有這等事？他有何能，敢指回我的寶刀？但當時煉此寶，在爐中分龍虎，定陰陽，同煉了三粒丹藥，我如今將此丹留在此間也無用，你不若將此丹藥取了去，以備不虞。」余元隨將丹遞與余化。余化叩頭：「謝老師大恩。」忙出洞來，回周營不表。有詩單贊楊戩玄功變化之妙：

悟到功成道始精，玄中玄妙有無生。蓬萊柱秘通靈藥，汜水徒勞化血兵。

計就騰挪稱幻聖，裝成奇巧盜英明。多因福助周文武，一任奇謀若浪萍。

話說楊戩得了丹藥，逕回周營。且說一氣仙余元把藥一時俱與了余化，靜坐思忖：「楊戩有多大本領，能指回我的化血刀？若余化被刀傷了，他如何還到得這裡？其中定有緣故。」余元掐指一算，大叫曰：「好楊戩匹夫！敢以變化玄功盜吾丹藥，欺吾太甚！」余元大怒，上了金眼駝，來趕楊戩。楊戩正往前行，只聽得後面有風聲趕至，楊戩已知余元來趕，忙把丹藥放在囊中，暗祭哮天犬存在空中。余元只顧趕楊戩，不知暗算難防，余元被哮天犬夾頸子一口。此犬正是：

牙如鋼劍傷皮肉，紅袍拉下半邊來。

余元不曾提防暗算，被犬一口，把大紅白鶴衣扯了半邊。余元又吃了大虧，不能前進：「吾且回去，再整頓前來，以復此仇。」話說子牙正在營中納悶，只見左右來報：「有楊戩等令。」子牙傳令：「令來。」楊戩至帳前見子牙，備言前事，盜丹而回。子牙大喜，忙取丹藥救雷震子，又遣木吒往乾元山，送此藥與哪吒調理。次日，楊戩往關下搦戰。探事官報入帥府：「周營中有將討戰。」韓榮忙令余化出戰。余化上了金睛獸，擐戟出關。楊戩大呼曰：「余化，前日你用化血刀傷我，幸吾煉有丹藥，若無丹藥，幾中汝之奸計也。」余化暗思：「此丹乃一爐所出，焉能周營中也有此丹？若此處有這丹，此刀無用。」

何不可？」鄧嬋玉曰：「雖然如此，你若要去，須稟知元帥，方可行事，不得造次。」土行孫曰：「與他說沒用，總是走去便來，何必又多一番唇舌？」當時夫妻計較停當。將至三更，土行孫把身子一扭，逕進汜水關，來到帥府裡。土行孫見余元默運元神，土行孫在地下，往上看他，道人目似垂簾，不敢上去，只得等候。卻言余元默運元神，忽然心血來潮，余元默暗暗掐指一算，已知土行孫來盜他的坐騎。余元默把陽神出竅，少刻，鼻息之聲如雷。土行孫在地下聽見鼻息之聲，大喜曰：「今夜定然成功。」將身子鑽了上來，拖著鐵棍，又見廊下拴著五雲駝。土行孫解了韁繩，牽到丹墀下，挨著馬臺扒上去，試驗試驗，然後又扒將下來。將這那鐵棍執在手裡，來打余元；照余元耳門上一下，只打得七竅中三昧火冒出來，只是不動；復打一棍，打得余元只不作聲。土行孫曰：「這潑道，真是頑皮！吾且回去，明日再做道理。」土行孫上了五雲駝，把它頂上拍了一下，那獸四足就起金雲，飛在空中。土行孫心下十分懽喜。正是：

懽喜未來災又至，只因盜物惹非殃。

且說土行孫騎著五雲駝，只在關裡串，不得出關去。土行孫曰：「寶貝，你還出關去！」話猶未了，那五雲駝便落將下地來。土行孫方欲下駝，早被余元一把抓住頭髮，攆著他，不令他挨地，大叫曰：「拿住偷駝的賊了！」驚動一府大小將官，掌起火把燈毬。韓榮陞了寶殿，只見余元高高的把土行孫攆著。韓榮燈光下見一矮子：「老師攆著他做甚麼？放下他來罷了。」余元曰：「你不知他會地行之術，但沿了地，他就去了。」韓榮曰：「將他如何處治？」余元曰：「你把俺蒲團下一個袋兒取來，裝著這業障，用火燒死他，方絕禍患。」韓榮取了袋兒裝起來。余元叫：「搬柴來。」少時間，架起柴來，把如意乾

去了，不在行營。道者，你既在蓬萊島，難道不知天意？今成湯傳位六百餘年，至紂王無道，暴殄天命①，肆行兇惡，罪惡貫盈，天怒人怨，天下叛之。我周應天順人，克修天道，天下歸周。今奉天之闢，以觀政于商，爾何得阻逆天吏，自取滅亡哉？道者，你不觀余化諸人皆是此例，他縱有道術，豈能扭轉天命耶？」余元大怒曰：「總是你這一番妖言惑眾！若不殺你，不足以絕禍根！」催開五雲駝，仗寶劍直取子牙。子牙手中劍赴面交還。左有李靖，右有韋護，各舉兵器，前來助戰。四人只為無名火起，眼前要定雌雄。余元的寶劍光華灼灼，子牙劍彩色輝輝，李靖刀寒光燦燦，韋護杵殺氣騰騰。余元坐在五雲駝上，把一尺三寸金光鏢祭在空中，來打子牙。子牙忙展杏黃旗，現出有千朵金蓮，擁護其身。余元忙收了金光鏢，復祭起來打李靖。不防子牙祭起打神鞭來，一鞭正中余元後背，只打的三昧真火噴出丈餘遠近。李靖又把余元腿上一鎗。余元著傷，把五雲駝頂上一拍，只見那金眼駝四足起金光而去。子牙見余元著傷而走，收兵回營不表。

且說土行孫催糧來至，見子牙會兵，他暗暗的瞧見余元的五雲駝四足起金光而去，土行孫大喜：「我若得此戰騎，催糧真是便益。」當時子牙回營陞帳，忽報：「土行孫等令。」子牙傳令：「令來。」土行孫至帳前，交納糧數，不誤限期。子牙曰：「催糧有功，暫且下帳少憩。」土行孫下帳，來見鄧嬋玉，夫妻共語，說：「余化把刀傷了哪吒，哪吒往乾元山養傷痕去了。」土行孫至晚，對鄧嬋玉曰：「我方纔見余元坐騎，四足旋起金光，如雲霓縹緲而去，妙甚，妙甚！我今夜走去盜了他的來，騎著催糧，有

① 暴殄天命：言不珍惜天命，書武成：「今商王受無道，暴殄大物。」孔傳：「言逆天也。」後用作耗費物品，無所愛惜之意。

只見一氣仙余元出關來至周營，坐名只要懼留孫。懼留孫曰：「他來只為如意乾坤袋。我不去會他，你只須如此，自可擒此潑道也。」懼留孫與子牙計較停當，子牙點砲出營。余元一見子牙，大呼曰：「只叫懼留孫來會我！」子牙曰：「道友，你好不知天命！據道友要燒死那土行孫，自無逃躲；豈知有他師父來救他，正所謂有福之人，縱千方百計而不能加害；無福之人遇溝壑而喪其軀。此豈人力所能哉！」余元大怒曰：「巧言匹夫尚敢為他支吾！」催開五雲駝，使寶劍來取。子牙坐下四不相，手中劍赴面相迎。二獸相交，雙劍併舉，兩家一場大戰。怎見得，有詞為證：

凜凜征雲萬丈高，軍兵擂鼓把旗搖。一個是封神都領袖，一個是監齋名姓標。這個是正道奉天滅紂王，那個是無福成仙自逞高；這個是六韜之內稱始祖，那個是惡性兇心怎肯饒。白來有福催無福，天意循環怎脫逃？

話說子牙大戰余元，未及十數合，被懼留孫祭綱仙繩在空中，命黃巾力士半空將余元拿去，止有五雲駝跳進關中。子牙與懼留孫將余元拿至中軍。余元曰：「姜尚，你雖然擒我，看你將何法治我？」子牙令李靖：「斬訖報來！」李靖領令，推出轅門，將寶劍斬之；一聲響，把寶劍砍缺有二指。李靖回報子牙，備言殺不得之事，說了一遍。子牙親自至轅門，命韋護祭降魔杵打，只打得騰騰煙出，烈烈火飛。余元作歌曰：

「君不見大皇得道將身煉，修仙養道碧遊宮。坎虎離龍方出現，五行隨我任心遊。四海三江都走遍，頂金頂玉秘修成。曾在爐中仙火燉，你今斬我要分明。自古一劍還一劍，漫道余言說不靈。」余元作歌罷，子牙心下十分不樂，與懼留孫共議：「如今放不得余元，且將他囚於後營，等取了關再做

坤袋燒著。土行孫在火裡大叫曰：「燒死我也！」好火！怎見得，有詩為證：

細細金蛇遍地明，黑煙滾滾即時生。燧人出世居離位，炎帝騰光號火精。

山石逢時皆赤土，江湖偶遇盡枯平。誰知天意歸周主，自有真仙渡此驚。

話說余元燒土行孫，命在須臾。也是天數，不該如此，只見懼留孫正坐蒲團默養元神，見白鶴童子來至曰：「奉師尊玉旨，命師兄去救土行孫。」懼留孫聞命，與白鶴童子分別，借著縱地金光法來至汜水關裡。見余元正燒乾坤袋，懼留孫來一陣旋窩風，往下一坐，伸下手來，連如意乾坤袋提將去了。余元看見一陣風來，又見火勢有景，余元掐指一算：「好懼留孫！你救你的門人，把我如意乾坤袋也拿了去！我明日自有處治。」且說懼留孫將土行孫救出火焰之中，土行孫在袋內覺得不熱，不知何故。懼留孫來至周營。那夜是南宮适巡外營，時至三更盡，南宮适問曰：「是甚麼人？」懼留孫曰：「是我。快通報子牙，我來也。」南宮适向前看，知是懼留孫，忙傳雲板。子牙三鼓時分起來，外邊傳人帳中：「有懼留孫在轅門。」子牙忙出迎接，見懼留孫捧著一個袋子，至軍前打稽首坐下。

子牙曰：「道兄夤夜至此，有何見諭？」懼留孫曰：「土行孫有火難，特來救之。」子牙大驚：「土行孫昨日催糧回，其災如何得至？」懼留孫把如意袋兒打開，放出土行孫來，問其詳細。土行孫把盜五雲駝的事說了一遍。子牙大怒曰：「你要做此事，也該報我知道，如何違背主帥，暗行辱國之事？今若不正軍法，諸將效尤，將來營規必亂。傳刀斧手，將土行孫斬首號令！」懼留孫曰：「土行孫不遵軍令，暗行進關，有辱國體，理宜斬首；只是用人之際，暫且戴罪立功。」子牙曰：「若不是道兄求免，定當斬首。」令左右：「且與我放了。」土行孫謝了師父，又謝過子牙。一夜周營中未曾安靜。次日，

也覺得難堪；先將一道符印貼余元身上，教主用手一彈，只見緬仙繩掉下來。占語云：「聖人怒發不上臉。」隨命余元：「跟吾進宮。」教主取一物與余元，曰：「你去把懼留孫拿來見我，不許你傷他。」余元曰：「弟子知道。」正是：

聖人賜與穿心鎖，只恐皇天不肯從。

話說余元得了此寶，離了碧遊宮，借土遁而來。行得好快，不須臾，已到汜水關。有報事馬報入關中：「有余道長到了。」韓榮降階迎接到殿，欠身言曰：「聞老師失利，被姜尚所擒，使末將身心不安。今得睹天顏，韓榮不勝幸甚！」余元曰：「姜尚用鐵櫃把我沉于北海，幸吾借小術到吾師尊那所在，借得一件東西，可以成功。可將吾五雲駝收拾，打點出關，以報此恨。」余元隨上騎，至周營轅門，坐名只要懼留孫。報馬報入中軍：「啟元帥：余元搦戰，只要懼留孫。」幸而懼留孫不曾回山。子牙大驚，忙請懼留孫商議。懼留孫曰：「余元沉海，畢竟借水遁潛逃至碧遊宮，想通天教主必定借有奇寶，方敢下山。子牙，你還與他答話，待吾再擒他進來，且救一時燃眉之急。若是他先祭其實，則吾不能支耳。」子牙曰：「道兄言之有理。」子牙傳令點砲。帥旗展動，子牙至軍前。余元大呼曰：「姜子牙，我與你今日定見雌雄！」催開五雲駝，惡狠狠飛來直取，姜子牙手中劍赴面交還。只一合，懼留孫祭起緬仙繩，命黃巾力士：「將余元拿下！」只聽得一聲響，又將余元平空拿去了。正是：

秋風未動蟬先覺，暗送無常死不知。

余元不提防暗中下手。子牙見拿了余元，其心方安；進營，將余元放在帳前。子牙與懼留孫共議：「若殺余元，不過五行之術，想他俱是會中人，如何殺得他？倘若再走了，如之奈何！」正所謂「生死有定，

區處。」懼留孫曰：「子牙，你可命匠人造一鐵櫃，將余元沉于北海，以除後患。」子牙命鐵匠急造，鐵櫃已成，將余元放在櫃內。懼留孫命黃巾力士擡定了，往北海中一丟，沉于海底。黃巾力士回復懼留孫法旨不表。

且說余元入于北海之中，鐵櫃亦是五金之物，況又丟在水中，此乃金水相生，反助了他一臂之力。余元借水遁走了，逕往碧遊宮紫芝崖下來。余元被緬仙繩纏住，不得見截教門人傳與掌教師尊。忽聽得一個道童唱道情而來，詞曰：

「山遙水遙，隔斷紅塵道。粗袍敝袍，袖裡乾坤倒。日月肩挑，乾坤懷抱。常自把煙霞嘯傲，天地逍遙。龍降虎伏道白高，紫霧護新巢，白雲做故交。長生不老，只在壺中一覺。」

話說余元大呼曰：「那一位師兄，來救我之殘喘！」水火童兒見紫芝崖下一道者，青面紅髮，巨口獠牙，網在那裡，童兒問曰：「你是何人，今受此厄？」余元曰：「我乃是金靈聖母門下，蓬萊島一氣仙余元是也；今被姜子牙將我沉于北海，幸天不絕我，得借水遁，方能到得此間。望師兄與我通報一聲。」水火童兒逕來見金靈聖母，備言余元一事。金靈聖母聞言大怒，急至崖前，不見還可，越見越怒。金靈聖母逕進宮內，見通天教主行禮畢，言曰：「弟子一事啟老師：人言崑崙門下欺滅吾教，俱是耳聽，今將一氣仙余元，他得何罪，竟用鐵櫃沉于北海；幸不絕生，借水遁逃至于紫芝崖。望老師大發慈悲，救弟子等體面。」通天教主曰：「如今在那裡？」金靈聖母曰：「在紫芝崖。」通天教主吩咐：「擡將來。」少時，將余元擡至宮前。碧遊宮多少截教門人，看見余元，無不動氣。只見金鐘聲響，玉磬齊鳴，掌教師尊來至。到了宮前，一見諸大弟子，齊言：「闡教門人欺吾教太甚！」教主看見余元這等光景，教主

驚動韓榮二子，在後園中設造奇兵，欲拒子牙。弟兄二人聽得家中紛紛然闕亂，走出庭來，只見家將扛擡箱籠，問其緣故，家將把棄關的話說了一遍。二人聽罷，「你們且住了，我自有道理。」二人齊來見父親，不知凶吉如何，且聽下回分解。

大數難逃。」余元正應封神榜上有名之人，如何逃得？子牙在中軍正無法可施，無籌可展，忽然報：「陸壓道人來至。」子牙同懼留孫出營相接。至中軍，余元一見陸壓，只說得仙魂縹緲，面似淡金，余元悔之不及。余元曰：「陸道兄，你既來，還求你慈悲我，可憐我千年道行，苦盡功夫。從今知過必改，再不敢干犯西兵。」陸壓曰：「你逆天行事，天理難容；況你是封神榜上之人，我不過代天行罰。」正是：不依正理歸邪理，仗你腦中道術高。誰知天意扶真主，吾今到此命難逃。

陸壓曰：「取香案。」陸壓焚香爐中，望崑崙山下拜，花籃中取出一個葫蘆，放在案上，揭開葫蘆蓋，裡邊一道白光如線，起在空中，現出七寸五分橫在白光頂上，有眼有翅。陸壓口裡道：「寶貝請轉身！」那東西在白光之上連轉三四轉，可憐余元斗大顆首級落將下來。有詩單道斬將封神飛刀，其詩曰：

先煉真元後運功，此中玄妙配雌雄。惟存一點先天訣，斬怪誅妖自不同。

話說陸壓用飛刀斬了余元，他一靈已進封神臺去了。子牙欲要號令，陸壓曰：「不可。余元原有仙體，若是暴露，則非禮矣。用上掩埋。」陸壓與懼留孫辭別歸山。

且說韓榮打聽余元已死，在銀安殿與眾將共議曰：「如今余道長已亡，再無可敵周將者。況兵臨城下，左右關隘俱失與周家；子牙麾下俱是道德術能之士，終不得取勝。欲要歸降，不忍負成湯之爵位；如不歸降，料此關難守，終被周人所據。為今之計，奈何，奈何！」旁有偏將徐忠曰：「主將既不忍有負成湯，決無獻關之理。吾等不如將印綬掛在殿庭，文冊留於府庫，望朝歌拜謝皇恩，棄官而去，不失盡人臣之道。」韓榮聽說，俱從其言，隨傳令眾軍士：「將府內貴重之物，打點上車。」欲隱跡山林，埋名丘壑。此時眾將官各自去打點起行。韓榮又命家將搬運金珠寶玩，打擡細軟衣帛。紛紛喧譁，忽然

況其下者乎！此雖是你弟兄二人忠肝義膽，我豈不喜？只恐畫虎不成，終無補于實用，徒死無益耳。」韓昇曰：「說那裡的話來！食人之祿，當分人之憂。若都是自為之計，則朝廷養士何用？不肖孩兒願捐軀報國，萬死不辭。父親請坐，俟我兄弟取一物來與父親過目。」韓榮聽罷，心中也自暗喜：「吾門也出此忠義之後。」韓昇到書房中取出一物，乃是紙做的風車兒，當中有一轉盤，一隻手執定中間一竿，週圍推轉，如飛轉盤；上有四首旛，旛上有符有印，又有地、水、火、風四字，名為萬刃車。韓榮看罷，問曰：「此是孩兒家頑妄之物，有何用處？」韓昇曰：「父親不知其中妙用。父親如不信，且下教場中，把這紙車兒試驗試驗與老爺看。」韓榮見二子之言甚是鑿鑿有理，隨命下教場來。

韓昇兄弟二人上馬，各披髮仗劍，口中念念有詞，只見雲霧陡生，陰風颯颯，火焰冲天，半空中有百萬刀刃飛來，把韓榮唬得魂不附體。韓昇收了此車。韓榮曰：「我兒，你是何人傳你的？」韓昇曰：「那年父親朝覲之時，俺弟兄閑居無事，在府前頑耍。來了一個頭陀，叫做法戒，在我府前化齋。俺弟兄就與了他一齋，他就叫我們拜他為師。我們那時見他體貌異常，就拜他為師。他說道：『異日姜尚必有兵來，我秘授你此法寶，可破周兵，可保此關。』今日正應我師之言，定然一陣成功，姜尚可擒也。」韓榮大喜，隨令韓昇收了此寶，仍問曰：「我兒還可用人馬，你此車約有多少？」韓昇曰：「此車有三千輛，那怕姜尚雄師六十萬耶！一陣管教他片甲不存！」韓榮忙點三千精銳之兵與韓昇兄弟二人，在教場操演三千萬刃車。正是：

余元相阻方纔了，又是三軍屠戮災。

話說韓昇用三千人馬，俱穿皂服，披髮赤腳，左手執車，右手仗刀，任意誅軍殺卒。操練有二七日期，

鄭倫捉將取汜水

萬刃車兇勢莫當，風狂火驟助強梁。旗旛著焰皆逢劫，將士遭殃盡帶傷。

白晝已難遮半壁，黃昏安可護三鄉。誰知督運能催命，二子逢之刻下亡。

話說韓榮坐在後廳，吩咐將上，亂紛紛的搬運物件，早驚動長子韓昇、次子韓變。二人見父親如此舉動，忙問左右曰：「這是何說？」左右將韓榮前事說了一遍。二人忙至後堂，來見韓榮曰：「父親何故欲搬運家私？棄此關隘，意欲何為？」韓榮曰：「你二人年幼，不知世務，快收拾離此關隘，以避兵燹，不得有誤。」韓昇聽得此語，不覺失聲笑曰：「父親之言差矣！此言切不可聞于外人，空把父親一世英名污了。父親受國家高爵厚祿，衣紫腰金，封妻蔭子，無一事不是恩德。今主上以此關托重于父親，父親不思報國酬恩，捐軀盡節，反效兒女子之計，貪生畏死，遺譏後世，此豈大丈夫舉止？有負朝廷倚任大臣之意。古云：『在社稷者死社稷，在封疆者死封疆。』」父親豈可輕議棄去。孩兒弟兄二人，曾蒙家訓，幼習弓馬，遇異人，頗習有異術，未曾演熟；連日正自操演，今日方完，意欲進兵，不意父親有棄關之舉。孩兒願效一死盡忠于國也。」

韓榮聽罷，點頭歎曰：「『忠義』二字，我豈不知？但主上昏瞶，荒淫不道，天命有歸；苦守此關，又恐累生民塗炭，不若棄職歸山，救此一方民耳。況姜子牙門下又多異士，余化、余元俱懼不測，又何

話說子牙被萬刃車一陣只殺的屍山血海，沖過大陣來，勢不可當。韓榮低頭一想，計上心來，忙傳令：「鳴金收軍！」韓昇、韓變聽得金聲，收回萬刃車。子牙方得收住人馬，計傷士卒七八千有餘。子牙陞帳，眾將官俱在帳內，彼此俱言：「此一陣利害，風火齊至，勢不可當。」子牙曰：「不知此刃是何名目？」眾將曰：「一派利刃，漫空塞地而來，風火助威，勢不可敵；非若軍士可以力敵也。」子牙心下十分不樂，納悶軍中不表。且說韓榮父子進關，韓昇曰：「今日正宜破周，擒拿姜尚，父親為何鳴金收軍？」韓榮曰：「今日是青天白日，雖有雲霧風火，姜尚門人俱是道術之士，自有準備，保護自身，如何得一般盡絕？我有一絕後計，使他不得整備，黑夜裡仗此道術，使他片甲不存，豈不更妙！」二子欠身曰：「父親之計，神鬼莫測！」正是：

安心要劫周營寨，只恐高人中道來。

話說韓榮打點夜劫周營，收拾停當，只等黑夜出關不表。只見子牙在營納悶，想：「利刃風火，果是何物，來得甚惡，勢如山倒，莫可遮攔？此畢竟是截教中之惡物！」當日已晚，子牙因今日不曾打點，致令眾將著傷，心下憂煩，不曾防備今夜劫寨。也是合該如此。眾將因早間失利，俱去安歇。且說韓榮父子將至初更，暗暗出關，將三千萬刃車雄兵殺至轅門。周營中雖有鹿角，其如這萬刃車，有風火助威，刃如驟雨。砲聲響亮，齊沖至轅門，誰敢抵當，真是勢如破竹。怎見得，正是：

四下裡火砲亂響，萬刃車刀劍如梭。三軍踴躍縱征鼉，馬蹏人身逕過。風起處遮天迷地，火來時煙飛焰裹。軍吶喊，天翻地覆；將用法，虎下崖坡。著刀軍連聲叫苦；傷鎗將鎧甲難馱。打著的焦頭爛額；絕了命身臥沙窩。姜子牙有法難使；金木二吒也白難擎。李靖難使金塔；雷震

軍士精熟。那日，韓榮父子統精兵出關搗戰。

話說子牙因破了余元，打點設計取關，只聽得關內砲響。少時探馬報入中軍，稟曰：「汜水關總兵韓榮領兵出關，請元帥答話。」子牙忙傳令與眾門人、將士：「統大隊出營。」子牙會過韓榮一次，那裡知道有這場虧累，去提防他。子牙問曰：「韓將軍，你時勢不知，天命不順，何以為將？速速倒戈❶，免致後悔。」韓榮笑曰：「姜子牙，倚著你兵強將勇，不知你等死在咫尺之間，尚敢耀武揚威，數口道黑也！」子牙大怒：「誰與我把韓榮拿下？」旁有魏賁，縱馬搖鎗，沖殺過來。韓榮腦後有兩員小將，乃韓昇、韓變，二人搶出陣來，截住了魏賁。魏賁大呼曰：「來者二將何人？」韓昇曰：「吾乃韓總兵長子韓昇，吾弟韓變是也。你等恃強，欺君罔上，罪惡滔天，今日乃爾等絕命之地矣！」魏賁大怒，縱馬搖鎗，飛來直取；韓昇、韓變兩騎赴面交還。未及數合，韓昇撥轉馬往後就走。魏賁不知是計，往下趕來。韓昇回頭見魏賁趕來，把頂上冠除了，把鎗一擺，三千萬刃車殺將出來，勢如風火，如何抵當。只見萬刃車捲來，風火齊至。怎見得好萬刃車，有贊為證：

雲迷世界，霧罩乾坤。颯颯陰風沙石滾，騰騰煙焰蟒龍奔。風乘火勢，黑氣平吞。風乘火勢，戈矛萬道怯人魂；黑氣平吞，目下難觀前後土。魏賁中刃，幾乎墜下馬鞍轡；武吉著刀，險些打了三寸氣。渴喇喇風聲捲起無情石，黑暗暗刀痕剝壞將和兵。人撞人，哀聲慘慘；馬蹣馬，鬼哭神驚。諸將士慌忙亂走；眾門人借遁而行。忙壞了先行元帥；攪亂了武王行營。那裡是青天白日，恍如是黑夜黃昏。子牙今日兵遭厄，地覆天翻怎太平？

❶ 倒戈：謂臨陣倒轉干戈，自相攻殺。書武成：「前徒倒戈，攻于後以北。」

被擒，其法已解，風火兵刃，化為烏有。眾兵撤回身，就跑奔回來，正遇韓榮任意趕殺周兵，看見二千兵奔回，風火兵刃全無，不見二子回來，忙問曰：「二位小將軍安在？」眾兵曰：「二位將軍趕姜子牙至一山邊，只見有一將出來，與二位將軍交戰，未及一合，不知怎麼跌下馬來，被他捉去。我等在後，不一時，風火兵刃全無，止有此車而已，只得敗回。幸遇老將軍，望乞定奪。」韓榮聽得二子被擒，心中惶惶，不敢戀戰，只得收兵進關不表。

且說鄭倫擒了二將，來見子牙，子牙大喜，押在糧車上。子牙回軍，於路遇著武王、毛公遂等，眾門人諸將齊集。大抵是貪夜交兵，便是有道德的也只顧得自己，故此大折一陣。子牙問安，武王曰：「孤幾乎誑殺！幸得毛公遂保孤，方得免難。」子牙曰：「皆是尚之罪也。」彼此安慰，治酒壓驚。一宿不表。次日，整頓雄師，復至汜水關下扎營，放砲吶喊，聲振天地。韓榮聽得砲聲響，著人打探。來報曰：「啟總兵：周兵復至關下安營。」韓榮大驚：「周兵復至，吾子休矣！」親自上城，差官打聽。且說子牙降帳坐下，眾將參謁畢，子牙傳令：「擺五方隊伍，吾親自取關。」眾將官切齒深恨韓昇、韓變。子牙至關下叫曰：「請韓總兵答話！」韓榮在城樓上現身，大叫曰：「姜子牙，你是敗軍之將，焉敢又來至此？」子牙大笑曰：「吾雖誤中你的奸計，此關我畢竟要取你的。你知那得勝將軍今已被我擒下。」命兩邊左右：「押過韓昇、韓變來！」左右將二將押過來，在馬頭前。韓榮見二子蓬頭跣足②，縶縛二臂，押在軍前，不覺心痛，忙大叫曰：「姜元帥，二子無知，冒犯虎威，罪在不赦，望元帥大開惻隱，憐而赦之，吾願獻汜水關以報之耳。」韓昇大呼曰：「父親不可獻關！你乃紂王之股肱，食君之重祿，

② 跣足：赤足。

子止保皇哥。南宮适抱頭而走；武成王不顧兵戈。四賢八俊俱無用，馬死人亡遍地拖。正是：遍地草梢含碧血，滿田低陷疊行屍。

且說韓昇、韓變兄弟二人，夜劫子牙行營，喊聲連天，沖進轅門。子牙在中軍忽聽得劫營，急自上騎，左右門人俱來中軍護衛。只見黑雲密布，風火交加，刀刃齊下，如山崩地裂之勢，燈燭難支。三千火車兵沖進轅門，如潮奔浪滾，如何抵當？況且黑夜，彼此不能相顧，只殺得血流成渠，屍骸遍野，那分別人自己？武王上了逍遙馬，毛公遂、周公旦保駕前行。韓榮在陣後擂鼓，催動三軍，只殺得周兵七零八落，君不能顧臣，父不能顧子。只見韓昇、韓變趁勢趕子牙，幸得子牙執著杏黃旗，遮護了前面一段；軍士將領一擁奔走。韓昇、韓變二人催著萬刃車往前緊趕，把子牙趕得上天無路，直殺到天明。韓昇、韓變大叫曰：「今日不捉姜尚，誓不回兵！」望前趕，吩咐三千兵卒曰：「不入虎穴，安得虎子！」子牙見韓昇趕至無休，看看至金雞嶺了，只見前面兩杆大紅旗展，子牙見是催糧官鄭倫來至，其心少安。且說鄭倫坐騎出山口，正迎子牙，忙問曰：「元帥為何失利？」子牙曰：「後有追兵，用的是萬刃車，又有風火助威，勢不可當。此是左道異術，你仔細且避其銳。」鄭倫把坐下金睛獸一磕，往前迎來。只見韓昇弟兄在前緊趕，三千兵隨後，少離半射之地。鄭倫與韓昇、韓變撞個滿懷。鄭倫大喝曰：「好匹夫！怎敢追我元帥！」韓昇曰：「你來也替不得他！」把鎗搖動來刺，鄭倫手中杵赴面交還。鄭倫知他萬刃車利害，只見後面一片風火兵刃擁來，鄭倫知其所以，只一合，忙運動鼻子內兩道白光，一聲響，對著韓昇兄弟二人哼了一聲，韓昇、韓變兄弟二人坐不住鞍轡，翻下馬來，被烏鴉兵生擒活捉，上了繩索。兄弟兩個方睜開眼時，見已被擒捉，呀的一聲歎曰：「天亡我也！」後面三千兵架車前進，見主將

膊來。哪吒說得目瞪口呆。只聽得左右齊響，長出六隻手來，共得八條臂膊；又長出三個頭來。哪吒著慌，無可奈何，自思：「且回去，問我師父來。」只得登回風火輪。方至洞門，只見太乙真人也至門首，拍掌大笑曰：「奇哉！奇哉！」有詩為證：

瓊漿三盞透三關，火棗頻添壯士顏。八臂已成神妙術，三頭莫作等閒看。

須臾變化超凡聖，頃刻風雷任往還。不是西岐多異士，只因天意惡奸讒。

話說哪吒回來見太乙真人，曰：「弟子長出這些手，丫丫叉叉，怎好用兵？」真人曰：「子牙行營有許多異士：有雙翼者，有變化者，有地行者，有奇珍者，有異寶者，今著你現三頭六臂，不負我金光洞裡所傳。此去進五關，也見周朝人物稀奇，個個俊傑。這法隱隱現現，但憑你自己心意。」哪吒感謝師尊恩德。太乙真人傳哪吒隱現之法，哪吒大喜，一手執乾坤圈，一手執混天綾，一手執金磚，兩隻手擎兩根火尖鎗，還空三手。真人又將九龍神火罩，又取陰陽劍，共成八件兵器。哪吒拜辭了師父下山，逕往汜水關來。正是：

余化刀傷歸洞府，今朝變化更神通。

且說姜元帥在汜水關計點軍將，收拾取界牌關，忽然想起師尊偈來：「界牌關下遇誅仙」，此事不知有何吉凶，且不可妄動。」又想：「若不進兵，恐誤了日期。」正在殿上憂慮，忽報：「黃龍真人來至。」子牙迎接至中堂，打稽首，分賓主坐下。黃龍真人曰：「前面就是誅仙陣，非可草率前進。子牙可吩咐門人，搭起蘆篷席殿，迎接各處真人異士，伺候掌教師尊，方可前進。」子牙聽畢，忙令南宮适、武吉起蘆蘆篷去了。且說哪吒現了三首八臂，登風火輪，面如藍靛，髮似硃砂，丫丫叉叉，七八隻手，

豈可惜子之命，而失臣節也！只宜緊守關隘，俟天子救兵到日，協力同心，共擒姜尚匹夫，那時碎屍萬段，為子報仇，未為晚也。我二人萬死無恨！」子牙聽得大怒，令左右斬之。只見南宮适奉令，手起刀落，連斬二將於關下。韓榮見子受誅，心如刀割，大叫一聲，往城下自墜而死。可憐父子二人，捐軀盡節，千古罕及。後人有詩贊曰：

汜水滔滔日夜流，韓榮志與國同休。父存臣節孤猿泣，子盡忠貞老鶴愁。

一死依稀酬社稷，三魂縹緲傲王侯。如今屈指應無愧，笑殺當年兒女儔。

話說韓榮墜城而死，城中百姓開關，迎接子牙人馬進汜水關。父老焚香迎接武王進帥府，眾將官懽喜，查點府庫錢糧停妥，出榜安民。武王命厚葬韓榮父子。子牙傳令，治酒款待有功人員，在關上住了三四日。

且說乾元山金光洞太乙真人在碧遊床靜坐，忽金霞童兒來報：「有白鶴童子至此。」太乙真人出洞，見白鶴童子手執玉剖降臨，言曰：「請師叔下山，同會誅仙陣。」太乙真人望崑崙謝恩畢，白鶴童子回玉虛不表。且說太乙真人吩咐：「叫哪吒來。」哪吒慌忙來至，見師父行禮畢，真人曰：「你如今養的傷痕痊癒，你可先下山，我隨後就來，共破誅仙陣也。」哪吒領師命，方欲下山，真人曰：「你且站住。當日玉虛宮掌教天尊贈子牙三盃酒；你今下山，我也贈你三盃如何？」哪吒感謝。真人命金霞童兒斟酒過來，贈哪吒頭一盃酒；哪吒謝過，一飲而盡。真人袖內取了一枚棗兒遞與哪吒過酒。哪吒連飲三盃，吃了三枚火棗。真人送哪吒出洞府，看哪吒上了風火輪，真人方進洞去。哪吒提火尖鎗，方欲闖上遁前行，只見左邊一聲響，長出一隻臂膊來。哪吒大驚曰：「怎的了？」還不曾說得完，右邊也長出一隻臂

是。」眾道友俱起身，定睛觀看不表。

且說多寶道人已知闡教門人來了，用手發一聲掌心雷，把紅氣展開，現出陣來。蘆篷上眾仙正看，只見紅氣閃開，陣圖已現。好利害，殺氣騰騰，陰雲慘慘，怪霧盤旋，冷風習習，或隱或現，或昇或降，上下反覆不定。內中有黃龍真人曰：「吾等今犯殺戒，該惹紅塵，既遇此陣，也當得一會。」燃燈曰：「自古聖人云：只觀善地千千次，莫看人間殺伐臨。」內中有十二代弟子倒有八九位要去。燃燈道人阻不住，齊起身下了蘆篷，諸門人也隨著來看此陣。行至陣前，果然是驚心駭目，怪氣凌人。眾仙俱不肯就回，只管貪看。不知後事如何，且聽下回分解。

評

自古忠臣義士，同此血肉之軀，少不得與之俱盡；只這一段俠烈肝腸，忠貞氣節，常亙古今而不朽。若韓昇韓變折父親於庭幃之中，對軍前勸父親以守關之語，視死就如歸，何等慷慨！何等直捷！真不愧與龍逢比干同游。何物韓榮，有此佳兒，不怕阿翁不墜城而死，阿郎反替乃父成就了個好人，他昆玉是難兄弟。

又評

或曰韓昇韓變終是少年仗倚法術，濟得甚事？終歸無濟。遠不若韓榮棄職全家屬，老臣庶幾兩全。

走進關來。軍校不知是哪吒現此化身，著忙飛報子牙：「稟元帥：外面有一個三頭八臂的將官，要進關來，請令定奪。」子牙命李靖：「去探來。」李靖出府，果見三頭八臂的人，甚是兇惡，李靖問曰：「來者何人？」哪吒兒是李靖，忙叫：「父親，孩兒是三太子哪吒。」

李靖大驚，問曰：「你如何得此大術？」哪吒把火棗之事說了一遍。李靖進殿回子牙，備言前事。子牙大喜，傳令：「令來。」哪吒進殿，拜見元帥。眾將觀之，無有不悅，俱來稱賀。不表。只見次日南宮适來回報曰：「稟元帥：蘆篷俱已完備。」黃龍真人曰：「如今只有洞府門人去得，以下將官一概都去不得。」子牙傳下令來：「諸位官將保武王緊守關隘，不得擅離。我同黃龍真人與諸門弟子前去蘆篷，伺候掌教師尊與列位仙長，會誅仙陣。如有妄動者，定按軍法。」眾將領命去訖。子牙進後殿來見武王，曰：「臣先去取關，大王且同眾將住於此處。俟取了界牌關，差官來接聖駕。」武王曰：「相父前途保重。」子牙感謝畢，復至前殿，與黃龍真人同眾門弟子離了汜水關，行有四十里，來至蘆篷。只見懸花結綵，疊錦鋪瑜，黃龍真人同子牙上了蘆篷坐下。少時間只見廣成子來至，赤精子隨至。

次曰，懼留孫、文殊廣法天尊、普賢真人、慈航道人、玉鼎真人來至，隨後有雲中子、太乙真人、清虛道德真君、道行天尊、靈寶大法師俱陸續來至。子牙一一上下迎接，俱至蘆篷坐下。少時，又是陸壓道人來至，稽首坐下。陸壓曰：「如今誅仙陣一會，只有萬仙陣再會一次。吾等劫運已滿，自此歸山，再圖精進，以正道果。」眾道人曰：「師兄之言正是如此。」眾皆默坐，專候掌教師尊。不一時，只聽得空中有環珮之聲，眾仙知是燃燈道人來了，眾道人起身，降階迎上篷來，行禮坐下。燃燈道人曰：「誅仙陣只在前面，諸友可曾見麼？」眾道人曰：「前面不見甚麼光景。」燃燈曰：「那一派紅氣罩住的便

曰：「可會誅仙陣麼？」元始曰：「此地豈吾久居之所？」吩咐弟子排班。赤精子對廣成子，太乙真人對靈寶大法師，清虛道德真君對懼留孫，文殊廣法天尊對普賢真人，雲中子對慈航道人，玉鼎真人對道行天尊，黃龍真人對陸壓，燃燈童子牙在後，金、木、土三吒執提爐；韋護與雷震子並列，李靖在後，哪吒先行。只見誅仙陣內金鐘響處，一對旗開，只見奎牛坐的是通天教主，左右立諸代門人。

通天教主見元始天尊，打稽首曰：「道兄請了！」元始曰：「賢弟為何設此惡陣？這是何說？當時你在碧遊宮共議封神榜，當面彌封，立有三等：根行深者，成其仙道；根行稍次，成其神道；根行淺薄，成其人道，仍隨輪迴之劫。此乃天地之生化也。成湯無道，氣數當終，周室仁明，應運當興，難道不知？反來阻逆姜尚，有背上天垂象。且當日封神榜內應有三百六十五度，分有八部列宿群星，當有這三山五岳之人在數，賢弟為何出乎反乎？」自取失信之愆？況此惡陣，立名便自可惡。只誅仙二字，可是我我道家所為的事？且此劍立有誅、戮、陷、絕之名，亦非是我我道家所用之物。這是何說，你作此過端？」

通天教主曰：「道兄不必問我，你只問廣成子，便知我的本心。」

元始問廣成子曰：「這事如何說？」廣成子把三謁碧遊宮的事說了一遍。通天教主曰：「廣成子，你曾罵我的教下不論是非，不分好歹，縱羽毛禽獸亦不擇而教，一體同觀。想吾師一教傳三友，吾與羽毛禽獸相並；道兄難道與我不是一本相傳？」元始曰：「賢弟，你也莫怪廣成子。其實，你門下胡為亂做，不知順逆，一味恃強，人言獸行。況賢弟也不擇是何根行，一意收留，致有彼此搬弄是非，令生靈塗炭。你心忍乎！」通天教主曰：「據道兄所說，只是你的門人有理，連罵我也是該的？不念一門手足

② 出乎反乎：即出爾反爾。

廣成不老神仙體；一個是多寶西方拜釋迦。二教只因逢殺運，誅仙陣上亂如麻。

話說廣成子祭起番天印，多寶道人躲不及，一印正中後心，撲的打了一跌，多寶道人逃回陣中去了。燃燈曰：「且各自回去，再作商議。」眾仙俱上蘆篷坐下。只聽得半空中仙樂齊鳴，異香縹緲，從空而降。眾仙下篷來，迎掌教師尊。只見元始天尊坐九龍沉香輦，馥馥香煙，氤氳遍地。正是：

提爐對對煙生霧，羽扇分開白鶴朝。

話說燃燈眾人焚香引道，接上蘆篷。元始坐下，諸弟子拜畢，元始曰：「今日誅仙陣上，纔分別得彼此。」元始上坐，弟子侍立兩邊。至子時正，元始頂上現出慶雲，垂珠瓔珞，金花萬朵，絡繹不斷，遠近照耀。多寶道人正在陣中打點，看見慶雲升起，知是元始降臨，自思：「此陣必須我師尊來至，方可有為；不然，如何抵得過他？」

次日，果見碧遊宮通天教主來了。半空中仙音響亮，異香襲襲，隨侍有大小眾仙，來的是截教門中師尊。怎見他的好處，有詩為證：

鴻鈞①生化見天開，地丑人寅上法臺。煉就金身無量劫，碧遊宮內育多才。

話說多寶道人見半空仙樂響亮，知是他師尊來至，忙出陣拜迎進了陣，上了八卦臺坐下。眾門人侍立臺下，有上四代弟子，乃多寶道人、金靈聖母、無當聖母、龜靈聖母；又有金光仙、烏雲仙、毘蘆仙、靈牙仙、虬首仙、金箍仙、長耳定光仙相從在此。通天教主乃是掌截教之鼻祖，修成五氣朝元，三花聚頂，也是萬劫不壞之身。至子時，五氣沖空。燃燈已知截教師尊來至。次日天明，燃燈來啟曰：「老師，今

① 鴻鈞：天。

「通天賢弟擺此誅仙陣，反阻周兵，使姜尚不得東行，此是何意？吾因此來問他，看他有甚麼言語對我。」元始曰：「今日貧道自專，先進他陣中走了一遭，未曾與他較量。」老子曰：「你就破了他的罷了。他肯相從就罷；他若不肯相從，便將他拿上紫霄宮去見老師，看他如何講。」二位教主坐在篷上，俱有慶雲彩氣上通于天，把界牌關照耀通紅。至次日天明，通天教主傳下法旨，令眾門人排班出去：「大師兄也來了，看他今日如何講！」多寶道人同眾門人擊動了金鐘玉磬，逕出誅仙陣來，請老子答話。哪吒報上篷來。少時，蘆篷裡香煙靄靄，瑞彩翩翩，你看老子騎著青牛而來。怎見得，有詩為證：

騎牛遠遠過前村，短笛仙音隔隴聞。闢地開天為教主，爐中煉出錦乾坤。

話說老子至陣前，通天教主打稽首曰：「道兄請了。」老子曰：「賢弟，我與你三人共立封神榜，乃是體上天應運劫數。你如何反阻周兵，使姜尚有違天命？」通天教主曰：「道兄，你休要執一偏向。廣成子三進碧遊宮，面辱吾教，惡語罵，犯上不守規矩。昨日二兄堅意只向自己門徒，反滅我等手足，是何道理？今兄長不責自己弟子，反來怪我，此是何意？如若要我釋怨，可將廣成子送至我碧遊宮，等我發落，我使甘休；若是半字不肯，任憑長兄施為，各存二教本領，以決雌雄！」老子曰：「似你這等說話，反是不偏向的？你偏聽門人背後之言，大動無明之火，擺此惡陣，殘害生靈。莫說廣成子未必有此言語，便有，也罪不至此。你就動此念頭，悔卻初心，有逆天道，不守清規，有犯嗔痴之戒。你趁早聽我之言，速速將此陣解釋，回守碧遊宮，改過前愆，尚可容你還掌截教；若不聽吾言，拿你去紫霄宮，見了師尊，將你貶入輪迴，永不能再至碧遊宮，那時悔之晚矣！」通天教主聽罷，須彌山紅了半邊，修行眼雙睛煙起，大怒叫曰：「李耳！我和你一體同人，總掌二教，你如何這等欺滅我？偏心護短，一意

罷了。我已是擺了此陣，道兄就破吾此陣，便見高下。」元始曰：「你要我破此陣，這也不難，待吾自來見你此陣。」通天教主兜回奎牛，進了戮仙門；眾門人隨著進去，且看元始進來破此陣。正是：

截闡道德皆正果，方知兩教不虛傳。

話說元始在九龍沉香輦上，扶住飛來椅，徐徐行至正東震地，乃誅仙門。門上掛一口寶劍，名曰誅仙劍。元始把輦一拍，命四謁諦神撮起輦來，四腳生有四枝金蓮花，花瓣上生光，光上又生花。一時有萬朵金蓮照在空中。元始坐在當中，逕進誅仙陣來。通天教主發一聲掌心雷，震動那一口寶劍一晃，好生利害！雖是元始，頂上還飄飄落下一朵蓮花。元始進了誅仙門，裡邊又是一層，名為誅仙關。元始從正南上往裡走，至正西，又在正北坎地上看了一遍。元始作一歌以笑之，歌曰：

「好笑通天有厚顏，空將四劍掛中間。枉勞用盡心機術，獨我縱橫任往還。」

話說元始依舊還出東門而去。眾門人迎接，上了蘆篷，燃燈請問曰：「老師，此陣中有何光景？」元始曰：「看不得。」南極仙翁曰：「老師既入陣中，今日如何不破了他的，讓姜師弟好東行？」元始曰：「古云：『先師次長。』雖然吾掌此教，況有師長在前，豈可獨自專擅？候大師兄來，自有道理。」說話未了，只聽得半空中一派仙樂之聲，異香縹緲，板角青牛上坐一聖人，有玄都大法師牽住此牛，飄飄落下來。元始天尊率領眾門人前來迎接。怎見得，有詩為證：

不二門中法更玄，汞鉛相見結胎仙。未離母腹頭先白，纔到神霄氣已全。

室內煉丹攬戊己，爐中有藥奪先天。生成八景宮中客，不記人間幾萬年。

話說元始見太上老君駕臨，同眾門人下篷迎接，二人攜手上篷坐下，眾門人下拜，侍立兩旁。老子曰：

風氣呼號，乾坤蕩漾；雷聲激烈，震動山川。電掣紅絹，鑽雲飛火；霧迷日月，大地遮漫。風刮得沙塵掩面，雷驚得虎豹藏形，電閃得飛禽亂舞，霧迷得樹木無蹤。那風只攪得通天河波翻浪滾，那雷只震得界牌關地裂山崩，那電只閃得誅仙陣眾仙迷眼，那霧只迷得蘆篷下失了門人。這風真是推山轉石松篁倒，這雷真是威風凜冽震人驚，這電真是流天照野金蛇走，這霧真是瀰瀰漫漫蔽九重。

話說老子在陷仙門大戰，自己頂上現出玲瓏寶塔在空中，那怕他雷鳴風吼。老子自思：「他只知仗他道術，不知守己修身，我也顯一顯玄都紫府手段與他的門人看看！」把青牛一指，跳出圈子來；把魚尾冠一推，只見頂上三道氣出，化為三清。老子復與通天教主來戰。只聽得正東上一聲鐘響，來了一位道人，戴九雲冠，穿大紅白鶴絳絹衣，騎白驢而來；手仗一口寶劍，大呼曰：「李道兄！吾來助你一臂之力！」通天教主認不得，隨聲問曰：「那道者是何人？」道者答曰：「吾有詩為證：

混元初判道為先，常有常無得自然。紫氣東來三萬里，函關初度五千年。」

道人作罷詩曰：「吾乃上清道人是也。」仗手中劍來取。通天教主不知上清道人出于何處，慌忙招架。只聽得正南上又有鐘響，來了一位道者，戴如意冠，穿淡黃八卦衣，騎天馬而來；一手執靈芝如意，大呼曰：「李道兄！吾來佐你共伏通天道人！」把天馬一兜，仗如意打來。通天教主問曰：「來者何人？」道人曰：「我也認不得，還稱你做截教之主？聽吾道來。詩曰：

函關初出至崑崙，一統華夷屬道門。我體本同天地老，須彌山倒性還存。

吾乃玉清道人是也。」通天教主不知其故，「自古至今，鴻鈞一道傳三友；上清、玉清不知從何教而來？」

遮飾，將我抬白，難道我不如你？吾已擺下此陣，斷不與你甘休！你敢來破我此陣？」老子笑曰：「有何難哉！你不可後悔！」正是：

元始大道今舒展，方顯玄都不二門。

老子復又曰：「既然要我破陣，我先讓你進此陣，運用停當，我再進來，毋令得手慌腳亂。」通天道人怒曰：「任你進吾陣來，吾自有擒你之處！」道罷，通天道人隨兜奎牛進陷仙門去，在陷仙闕下，等候老子。老子將青牛一拍，往西方兌地來；至陷仙門下，將青牛催動，只見四足祥光白霧，紫氣紅雲，騰騰而起。老子又將太極圖抖開，化一座金橋，昂然入陷仙門來。老子作歌，歌曰：

「玄黃世分拜明師，混沌時分任我為。五行兮在吾掌握，大道兮度進群迷。清靜兮修成金塔，閑遊兮曾出關西。兩手包羅天地外，腹安五嶽共須彌。」

話說老子歌罷，逕入陣中。且說通天教主見老子昂然直入，卻把手中雷放出。一聲響亮，雷動了陷仙門上的寶劍。這寶劍一動，任你人仙首落。老子大笑曰：「通天賢弟，少得無禮，看吾扁拐！」劈面打來。通天教主見老子進陣，如入無人之境，不覺滿面通紅，遍身火發，將手中劍火速忙迎。正在戰間，老子笑曰：「你不明至道，何以管立教宗？」又一扁拐照臉打來。通天教主大怒曰：「你有何道術，敢肆誅我的門徒？此恨怎消！」將劍擋拐，二聖人戰在誅仙陣內，不分上下，敵鬥數番。正是：

邪正逞胸中妙訣，水清處方顯魚龍。

話說二位聖人戰在陷仙門裡，人人各自施威。方至半個時辰，只見陷仙門裡八卦臺下，有許多截教門人，一個個睜睛豎目。那陣內四面八方雷鳴風吼，電光閃灼，霧氣昏迷。怎見得，有贊為證：

不可當；雖老子元始二天尊，猶自凜然，其餘散仙，則不敢撓其鋒矣。似如此毒惡之劍，豈是慈悲者所蓄之物？噫！鼻祖如此，其流派更甚，有以哉！

手中雖是招架，心中甚是疑惑。正尋思未已，正北上又是一聲玉磬響，來了一位道人，戴九霄冠，穿八寶萬壽紫霞衣；一手執龍鬚扇，一手執三寶玉如意，騎地吼而來，大呼：「李道兄！貧道來輔你共破陷仙陣也！」通天教主又見來了這一位蒼顏鶴髮道人，心上不安，忙問曰：「來者何人？」道人曰：「你聽我道來。詩曰：

混沌從來不計年，鴻濛剖處我居先。參同天地玄黃理，任你傍門望眼穿。

吾乃太清道人是也。」四位天尊圍住了通天教主，或上或下，或左或右，通天教主止有招架之功。且說截教門人見三位來的道人身上霞光萬道，瑞彩千條，光輝燦爛，映日射眼，內有長耳定光仙暗思：「好一個闡教，來得畢竟正氣！」深自羨慕。不知後事如何，且聽下回分解。

評

余常笑世人耳朵軟，專信婆子搬唆，無有丈夫氣。今見通天教主為神仙領袖，猶自聽徒弟戳舌，便動無明之火，連自己做的事，都反悔了；不但不可做神仙，連丈夫也做不過。世人所以怕老婆，故不敢不聽其指使。難道神仙怕徒弟不成？果徒弟乎？老婆乎？余不解此意。問有徒弟者。

又評

常聞人說道：人心最狠。余尚未深信斯言。今見通天教主有戮仙，陷仙，誅仙，絕仙，四劍利害

元始迎接坐下。元始問曰：「今日入陣，道兄見裡面光景如何？」老子笑曰：「他雖擺此惡陣，急切也難破他的；被吾打了二三扁拐。多寶道人被吾用風火蒲團拿往玄都去了。」元始曰：「此陣有四門，得四位有力量的方能破得。」老子曰：「我與你只顧得兩處，還有兩處，非眾門人所敢破之陣。此劍你我不怕，別人怎麼經得起？」正議論間，忽見廣成子來稟曰：「二位老師，外面有西方教下準提道人來至。」老子、元始二人忙下簷迎接，請上簷來，敘禮畢，坐下。老子笑曰：「道兄此來，無非為破誅仙陣，來收西方有緣；只是貧道正欲借重，不意道兄先來，正合天數，妙不可言！」準提道人曰：「不瞞道兄說，我那西方，花開見人人見我。因此貧道來東南兩土，未遇有緣；又幾番見東南二處有數百道紅氣沖空，知是有緣。貧道借此而來，渡得此緣，以興西法，故不辭跋涉，會一會截教門下諸友也。」老子曰：「今日道兄此來，正應上天垂象之兆。」準提道人問曰：「這陣內有四口寶劍，俱是先天妙物，不知當初如何落在截教門下？」老子曰：「當時有一分寶巖，吾師分寶鎮壓各方，後來此四口劍就是我通天賢弟得去，已知他今日用此作難。雖然眾仙有厄，原是數當如此。如今道兄來的恰好；只是再得一位，方可破此陣耳。」準提道人曰：「既然如此，總來為渡有緣，待我去請我教主來。正應三教會誅仙，分辨玉石。」老子大喜。準提道人辭了老子，往西方來請西方教主接引道人，其遇有緣。正是：

佛光出在周王世，興在明章①釋教開。

且說準提來至西方，見了接引道人，打稽首坐下。接引道人曰：「道友往東土去，為何回來太速？」準提道人曰：「吾見紅光數百道俱出闌、截二教之門。今通天教主擺一誅仙陣，陣有四門，非四人不能

第七十八回

三教會破誅仙陣

誅仙惡陣四門排，黃霧狂風雷火偕。遇劫黃冠遭劫運，墮塵羽士盡塵埋。

劍光徒有吞神骨，符印空勞吐黑靈。縱有通天無上法，時逢聖主自多乖。

話說老子一氣化的三清，不過是元氣而已，雖然有形有色，裹住了通天教主，也不能傷他。此是老子氣化分身之妙，迷惑通天教主，竟不能識。老子見一氣將消，在青牛上作詩一首，詩曰：

「先天而老後天生，借李成形得姓名。曾拜鴻鈞修道德，方知一氣化三清。」

話說老子作罷詩，一聲鐘響，就不見了三位道人。通天教主心下愈加疑惑，不覺出神，被老子打了三三扁拐。多寶道人見師父受了虧，在八卦臺作歌而來。歌曰：

「碧遊宮內談玄妙，豈忍吾師扁拐傷，只今舒展胸中術，且與師伯做一場！」

歌罷，大呼：「師伯！我來了！」好多寶道人！仗劍飛來直取。老子笑曰：「米粒之珠，也放光華！」把扁拐架劍，隨取風火蒲團祭起空中，命黃巾力士：「將此道人拿去，放在桃園，俟吾發落！」黃巾力士將風火蒲團把多寶道人捲將去了。正是：

從今棄邪歸正道，他與西方卻有緣。

且說老子用風火蒲團把多寶道人拿往玄都去了，老子竟不戀戰，出了陷仙門，來至蘆篷。眾門人與

身出蓮花清淨臺，三乘妙典法門開。玲瓏舍利超凡俗，瓔珞明珠絕世埃。

八德池中生紫焰，七珍妙樹長金苔。只因東土多英俊，來遇前緣結聖胎。」

話說接引道人說罷，通天教主曰：「你有你西方，我有我東土，如水火不同居，你為何也來惹此煩惱？你說你蓮花化身，清淨無為，其如五行變化，立竿見影。你聽我道來：

混元正體合先天，萬劫千番只自然。渺渺無為傳大法，如如不動號初玄。

爐中久煉全非汞，物外長生盡屬乾。變化無窮還變化，西方佛事屬逃禪。」

話說準提道人曰：「通天道友，不必誇能鬥舌。道如淵海，豈在口言？只今我四位至此，勸化你好好收了此陣，何如？」通天教主曰：「既是四位至此，畢竟也見個高下。」通天教主說罷，竟進陣去了。元始對西方教主曰：「道兄，如今我四人各進一方，以便一齊攻戰。」接引道人曰：「吾進離宮。」老子曰：「吾進兌宮。」準提曰：「吾進坎地。」元始曰：「吾進震方。」四位教主各分方位而進。且說元始先進震方，坐四不相逕進誅仙門。八卦臺上通天教主手發雷聲，震動誅仙寶劍。那劍晃動，元始頂上慶雲迎住，有千朵金花，瓔珞垂珠，絡繹不絕，那劍如何下得來。元始進了誅仙門，立于誅仙闕，只見西方教主進離宮，乃是戮仙門。通天教主也發雷聲震那寶劍。接引道人頂上現出三顆舍利子，射住了戮仙劍。那劍如釘釘一般，如何下來得。西方教主進了戮仙門，至戮仙闕立住。老子進西方陷仙門，通天教主又發雷震那陷仙劍。只見老子頂上現出玲瓏寶塔，萬道光華，射住陷仙劍。老子進了陷仙門，也在陷仙闕立住。準提道人進絕仙門，只見通天教主發一聲雷，震動絕仙劍。準提道人手執七寶妙樹，上邊放出千朵青蓮，射住了絕仙劍，也進了絕仙門來，到了絕仙闕。四位教主，齊進闕前。老子曰：「通天

破。如今有了三位，還少一位。貧道特來請道兄去走一遭，以完善果。」西方教主曰：「但我自未曾離清淨之鄉，恐不諳紅塵之事，有誤所委，反為不美。」準提曰：「道兄，我與你俱是自在無為，豈不能破那有象之陣？道兄不必推辭，須當同往。」接引道人如準提道人之言，同往東土而來。只見足踏祥雲，霎時而至蘆篷。廣成子來稟老子與元始曰：「西方二位尊師至矣。」老子與元始率領眾門人下篷來迎接。見一道人丈六金身。但見：

大仙赤腳瓊梨香，足踏祥雲更異常。十二蓮臺演法寶，八德池邊現白光。

壽同天地言非謬，福比洪波語豈狂。修成舍利名胎息，清閑極樂是西方。

話說老子與元始迎接接引、準提上了蘆篷，打稽首坐下。老子曰：「今日敢煩，就是三教會盟，其完劫運，非吾等故作此孽障耳。」接引道人曰：「貧道來此，會有緣之客，也是欲了冥數。」元始曰：「今日四友俱全，當早破此陣，何故在此紅塵中擾攘也！」老子曰：「你且吩咐眾弟子，明日破陣。」元始命玉鼎真人、道行天尊、廣成子、赤精子：「你四人伸手過來。」元始各書了一道符印在手心裡：「明日你等見陣內雷響，有火光沖起，齊把他四口劍摘去，我自妙用。」四人領命，站過去了。又命燃燈：「你站在空中，若通天教主往上走，你可把定海珠往下打，他自然著傷；一來也知我闡教道法無邊。」元始吩咐畢，各自安息不言。只等次日黎明，眾門人排班，擊動金鐘、玉磬。四位教主齊至誅仙陣前，傳令命左右：「報與通天教主，我等來破陣也。」左右飛報進陣。只見通天教主領眾道人齊出戮仙門來，迎著四位教主。通天教主對接引、準提道人曰：「你二位乃是西方教下清淨之鄉，至此地意欲何為？」準提道人曰：「俺弟兄二人雖是西方教主，特往此處來遇有緣。道友，你聽我道來：

尚容稱謝！」老子曰：「通天教主逆天行事，自然有敗而無勝。你我順天行事，天道福善禍淫，毫無差錯，如燈取影耳。今此陣破了，你等劫數將完，各有好處。姜尚，你去取關；吾等且回山去。」眾門人俱別過姜子牙，隨四位教主各回山去了。

子牙送別師尊，自回汜水關來會武王。王曰：「相父遠破惡陣，諒有眾仙，孤不敢差人來問候。」子牙謝恩畢，對曰：「荷蒙聖恩，仰仗天威，三教聖人親至，共破了誅仙陣，前至界牌關了，請大王明日前行。」武王傳旨治酒賀功不表。

又說通天教主被老子打了一扁拐，又被準提道人打了一加持寶杵，吃了一場大虧，又失了四口寶劍，有何面目見諸大弟子！白思：不若往紫芝崖立一壇，拜一惡旛，名曰「六魂旛」。此旛有六尾，尾上書接引道人、準提道人、老子、元始、武王、姜尚六人姓名，早晚用符印，俟拜完之日，將此旛搖動，要壞六位的性命。正是：

左道兇心今不息，枉勞空拜六魂旛。

不表通天道人拜旛，後在萬仙陣中用。且說界牌關徐蓋陞了銀安殿，與眾將商議曰：「方今周兵取了汜水關，駐兵不發。前日來的那多寶道人擺甚誅仙陣，也不知勝敗。如今且修本，差官往朝歌去取救兵來，共守此關。」只見差官領了本章往朝歌來，一路無詞。渡了黃河，進了朝歌城，至午門下馬，到文書房。那日是箕子看本，見徐蓋的本大驚：「姜尚兵進汜水關，取左右青龍關、佳夢關，兵至界牌關，事有燃眉之急！」箕子忙抱本來見紂王，往鹿臺來。當駕官奏知：「箕子候旨。」紂王曰：「宣來。」箕子上臺，拜罷，將徐蓋本進上。紂王覽本，驚問箕子曰：「不道姜尚作反，侵奪孤之關隘，必須點將

教主，吾等齊進了你誅仙陣，你意欲何為？」老子隨手發雷，震動四野，誅仙陣內一股黃霧騰起，迷住了誅仙陣。怎見得：

騰騰黃霧，艷艷金光。騰騰黃霧，誅仙陣內似噴雲；艷艷金光，八卦臺前如氣罩。劍戟戈矛，渾如鐵桶；東南西北，恰似銅牆。此正是截教神仙施法力，通天教主顯神通。晃眼迷天遮日月，搖風噴火撼江山。四位聖人齊會此，劫數相遭豈易逢？

且說四位教主齊進四闕之中，通天教主仗劍來取接引道人。接引道人手無寸鐵，只有一拂塵架來。拂塵上有五色蓮花，朵朵托劍。老子舉扁拐紛紛的打來。元始將三寶玉如意架劍亂打。只見準提道人把身子搖動，大呼曰：「道友快來！」半空中又來了孔雀明王。準提現出法身，有二十四首，十八隻手，執定了瓔珞、傘蓋、花貫、魚腸、金弓、銀戟、加持神杵、寶鏢、金瓶，把通天教主裹在當中。老子扁拐夾後心就一扁拐，打的通天教主三昧真火冒出。元始祭三寶玉如意來打通天教主。通天教主方纔招架玉如意，不防被準提一加持杵打中，通天教主翻鞍滾下奎牛，教主就借土遁而走。不知燃燈在空中等候，纔待上時，被燃燈一定海珠又打下來。陣內雷聲且急，外面四仙家各有符印在身，奔入陣中，廣成子摘去誅仙劍，赤精子摘去戮仙劍，玉鼎真人摘去陷仙劍，道行天尊摘去絕仙劍。四劍既摘去，其陣已破。通天道人獨自逃歸，眾門人各散去了。且說四位教主破了誅仙陣，元始作詩以笑之，詩曰：

「堪笑通天教不明，千年掌教陷群生。仗伊黨惡污仙教，番聚邪宗枉橫行。」

寶劍空懸成逃事，元神虛耗竟無名。不知順逆先遭辱，猶欲鴻鈞說反盈。」

話說四位教主上了蘆篷坐下。元始稱謝西方教主曰：「為我等門人犯戒，動勞道兄扶持，得完此劫數，

天下盡知，非是今日之奏。皇上殺界牌關走使，豈不失邊庭將士之心。」王曰：「料姜尚不過一術士耳，有何大志？況且還有四關之險，黃河之隔，孟津之阻，豈一旦而被小事所惑也。皇伯放心，不必憂慮。」箕子長吁一聲而出，看著朝歌宮殿，不覺潸然淚下，嗟歎社稷丘墟。箕子在九間殿作詩以歎之，詩曰：

「憶昔成湯放桀時，諸侯八百盡歸斯。誰知六百餘年後，更甚南巢幾倍奇！」

話言箕子作罷詩回府不表。

且說姜元帥在汜水關點人馬進征，來辭武王。子牙見武王曰：「老臣先去取關，差官請駕。」武王曰：「但願相父早會諸侯，孤之幸矣。」子牙別了武王，一聲砲響，人馬往界牌關進發。——只離八十里，來之甚快。正行間，只見探馬報入中軍：「已至界牌關下。」子牙傳令安營，點砲吶喊。話說徐蓋已知關外周兵安營，隨同眾將上城來看，周兵一派盡是紅旗，鹿角森嚴，兵威甚肅。徐蓋曰：「子牙乃崑崙羽士，用兵自有調度，只營寨大不相同。」旁有先行官王豹、彭遵答曰：「主將休誇他人本領，看末將等成功，定拿姜尚，解上朝歌，以正國法。」言罷，各自下城，準備廝殺。只見次日，子牙問帳下：「那員將官關下見頭功？」帳下應聲而出，乃魏賁曰：「末將願往。」姜子牙許之。魏賁上馬，提鎗出營，至關下搦戰。有報馬報入關上曰：「啟主帥：關下有周兵討戰。」徐蓋曰：「眾將官在此，我等先議後行。紂王聽信讒言，殺了差官，是自取滅亡，非為臣不忠之罪。今天下已歸周武，眼見此關難守，眾將不可不知。」彭遵曰：「主將之言差矣！況吾等俱是紂臣，理當盡忠報國，豈可一旦忘君徇私？古云：『食君祿而獻其地，是不忠也。』末將寧死不為！願效犬馬，以報君恩。」言罷，隨上馬出關。見魏賁連人帶馬，渾如一塊烏雲。怎見得：

協守，方可阻其大惡。」箕子奏曰：「如今四方不寧，姜尚自立武王，其志不小；今率兵六十萬來寇五關，此心腹大患，不得草草而已。願皇上且停飲樂，以國事為本，社稷為重，願皇上察焉！」

紂王曰：「皇伯之言是也。朕與眾卿共議，點官協守。」箕子下臺。紂王悶悶不悅，無心懽暢。忽姐己、胡喜妹出殿見駕，行禮坐下。姐己曰：「今日聖上雙鎖眉頭，鬱鬱不樂，卻是為何？」王曰：「御妻不知，今日姜尚興師，侵犯關隘，已占奪三關，實是心腹之大患；況四方刀兵蜂起，使孤不安，為宗廟社稷之慮，故此憂心。」姐己笑而奏曰：「陛下不知下情，此俱是邊庭武將，鑽刺網利②；桀③言周兵六十萬來犯關庭，用金賄賂大臣，誣奏陛下，陛下必發錢糧支應。故此守關將官冒破支消④，空費朝廷錢糧，實為有私，何常有兵侵關？正為裡外欺君，情實可恨！」紂王聞奏，深信其言有理。因問姐己曰：「倘守關官復有本章，何以批發？」姐己曰：「不必批發，只將齋本官斬了一員，以警將來。」紂王大喜，遂傳旨：「將齋本官梟首，號令于朝歌。」正是：

妖言數句江山失，一統華夷盡屬周。

話說紂王信姐己之言，忙傳旨意：「將界牌關走本官即時斬首號令！」箕子知之，忙至內庭來見紂王：「皇上為何而殺使命？」王曰：「皇伯不知，邊庭鑽刺，詐言周兵六十萬，無非為冒支府庫錢糧之計；此乃是內外欺君，理當斬首，以戒將來。」箕子曰：「姜尚興兵六十萬，自三月十五日金臺拜將，

② 鑽刺網利：鑽刺即鑽營、活動。網利即取利。

③ 桀：捏造。

④ 冒破支消：謂假借名目要朝廷支付錢糧。

白料寡不敵眾，把馬跳出圈子就走。趙丙隨後起來。正趕之間，被王豹回手一個劈面雷，打在臉上，可憐隨駕東征，未曾受武王封爵之賞，趙丙翻下鞍轡。孫子羽急來救時，王豹又是一個雷放出，此劈面雷甚是利害，有雷就有火，孫子羽被雷火傷了面門，跌下馬來，早被王豹一戟一個，皆被刺死。蘇家父子不敢向前。王豹也知機，掌鼓進關，回見徐蓋，連誅二將，得勝回兵慶喜不表。

且說蘇護父子進營來見子牙，備言損了二將。子牙曰：「你父子久臨戰場，如何不知進退，致損二將？」蘇全忠曰：「元帥在上：若是馬上征戰，自然好招架；今王豹以幻術發手，有雷有火，打在臉上，就要燒壞面門，怎經得起，故此二將失利。」子牙曰：「誤喪忠良，實為可恨！」次日，子牙曰：「眾門人誰去關下走一遭？」言未畢，有雷震子曰：「弟子願往。」子牙許之。雷震子出營，至關下搦戰；報馬報入關中。徐蓋問曰：「誰去見陣走一遭？」彭遵領令出關，見雷震子十分兇惡，面如藍靛，口赤髮，獠牙上下橫生，遵大呼曰：「來者何人？」雷震子曰：「吾乃武王之弟雷震子是也。」彭遵不知雷震子脇有雙翅，搖手中鎗催開馬，來取雷震子。雷震子把風雷翅飛起，使開黃金棍，劈頭來打。彭遵那裡招架得住，撥馬就走。雷震子見他詐敗，忙將翅飛起，起來甚急，劈頭一棍，彭遵馬蹶，急架時，正中肩窩上，打翻馬下，梟了首級，進營來見子牙。子牙上了雷震子功績簿。且說探馬報入關中：「彭遵陣亡，將首級號令轅門。」徐蓋曰：「此關終是難守，我知順逆，你們只欲強持。」王豹聽說：「主將不必性急，待我明日戰不過時，任憑主將處治。」徐蓋默然無語，王豹竟回私宅去了。不知後事如何，且聽下回分解。

幘頭純墨染，抹額襯纓紅。皇袍如黑漆，鐵甲似蒼松。銅鞭懸塔影，寶劍插冰峰。人如下山虎，馬似出海龍。子牙門下客，驍將魏賁雄。

話說彭遵見魏賁，大呼曰：「周將通名來！」魏賁曰：「吾乃掃蕩成湯天寶大元帥姜尚麾下左哨先鋒魏賁是也，你乃何人？若是知機，早獻關隘，其扶周室；如不倒戈，城破之日，玉石俱焚，悔之晚矣！」彭遵大怒，罵曰：「魏賁，你不過馬前一匹夫，敢出大言！」搖鎗催馬直取，魏賁手中鎗赴面相迎。兩馬相交，雙鎗併舉，一場大戰。好魏賁！鎗力勇猛，戰有三十回合，彭遵戰不過魏賁，掩一鎗往南敗走。魏賁見彭遵敗走，縱馬趕來。彭遵回顧，見魏賁趕下陣來，忙掛下鎗，囊中取出一物，往地下撒來。此物名曰蒺藜陣，按三才八卦方位，布成一陣。彭遵先進去了。魏賁不知，將馬趕進陣來。彭遵在馬上發手一個雷聲，把蒺藜陣震動，只見一陣黑煙迸出，一聲響，魏賁連人帶馬震得粉碎，彭遵掌得勝鼓進關。報馬報入中軍：「啟元帥：魏賁連人帶馬震為齏粉。」子牙聽罷，歎曰：「魏賁忠勇之士，可憐死于非命，情實可憫！」子牙著實傷悼。彭遵進關來見徐蓋，將壞了魏賁得勝事說了一遍。徐蓋權為上了功績。次日，徐蓋對眾將曰：「關中糧草不足，朝廷又不點將協守，昨日雖則勝了他一陣，恐此關終難守耳。」正議之間，報：「有周將搦戰。」王豹曰：「末將願往。」上馬提戟，開關見一員周將，連人帶馬純是一片青色。王豹曰：「周將何名？」蘇護曰：「吾乃冀州侯蘇護是也。」王豹曰：「蘇護，你乃天下至無情無義之夫！你女受椒房之寵，身為國戚，滿門俱受皇家富貴，不思報本，反助武王逆叛，侵故主之關隘，你有何面目立于天地之間！」催開馬，搖戟來取蘇護。蘇護手中鎗赴面來迎。二馬相交，鎗戟併舉。蘇護正戰王豹，有蘇全忠、趙丙、孫子羽三將一齊上來，把王豹圍在核心。王豹如何敵得住？

第七十九回

穿雲關四將被擒

一關已過一關逢，法寶多端勢更兇。法戒引魂成往事，龍安酥骨又來証。

幾多險處仍須吉，若許能時總是空。堪笑徐芳徒逆命，枉勞心思竟何從！

話說徐蓋當晚默默退歸後堂不題。只見次日王豹也不來見主將，竟領兵出關，往周營搦戰。報馬報入中軍。子牙問：「誰人見陣走一遭？」哪吒應曰：「我願往。」子牙許之。哪吒登風火輪，提火尖鎗，奔出營來。王豹見一將登風火輪而來，忙問曰：「來者莫非哪吒麼？」哪吒答曰：「然也。」搖鎗就刺，王豹的畫戟急架忙迎。王豹知哪吒是闡教門下，自思：「打人不過先下手。」正戰間，發一劈面雷來打哪吒。不知這雷只好傷別人，哪吒乃是蓮花化身之客，他見雷聲至，火焰來，把風火輪一登，輪起空中，雷發無功。哪吒祭起乾坤圈去，正中王豹頂門，打昏落馬；哪吒復一鎗刺死，梟了首級號令，回營來見子牙，備言前事。子牙大喜。

且說徐蓋聞報王豹陣亡，暗思：「二將不知時務，自討殺身之禍。不若差官納降，以免生民塗炭。」正憂疑之際，忽報：「有一頭陀來見。」徐蓋命：「請來。」道人進府，至殿前打稽首曰：「徐將軍，貧道稽首。」徐蓋曰：「請了！道者至此，有何見諭？」道人曰：「將軍不知，吾有一門徒，名喚彭遵，喪于雷震子之手，特至此為他報仇。」徐蓋曰：「道者高姓大名？」道人曰：「貧道姓法，名戒。」徐

評

破誅仙陣一段，大有許多慧解，分明指點世人。你看他四位教主，進此四門，只有自家本身寶貝，可以當得住；若是眾門人，便先問師父討註腳。不知師父原替不得他，所以令人只向別人身上尋思，忘卻自家至寶，所以不能自做主張。

又評

彭遵王豹雖未曾做得事業，然而其志可嘉，其情可矜，不得以成敗論英雄。

打了一交。哪吒方欲用鎗來刺，法戒已借土遁去了。子牙收兵回營，見折了雷震子，心下甚惱，納悶在中軍。

且說法戒被哪吒打了一圈，逃回關內。徐蓋見法戒著傷而回，便問：「老師，今日初陣如何失機？」法戒曰：「不妨，是我誤用此寶。他原來是靈珠子化身，原無魂魄，焉能擒他。」忙取丹藥，吃了一粒，即時痊癒；吩咐左右把雷震子擡來！法戒對雷震子將旛右轉兩轉。雷震子睜開眼一觀，已被擒捉。法戒大怒，罵曰：「為你這廝，又被哪吒打了我一圈！」命左右：「拿去殺了！」徐蓋在旁解曰：「老師既來為我末將，且不可斬他，暫監在圈套之中，候解往朝歌，俟天子發落，表老師莫大之功，亦知末將請老師之微功耳。」看官：此是徐蓋有意歸周，故假此言遮飾。法戒聽說，笑曰：「將軍之言甚是有理。」正是：

徐蓋有意歸周主，不怕頭陀道術高。

話說法戒次日出關，又至周營搦戰，軍政官報與子牙。子牙隨即出營會戰，大呼曰：「法戒！今日與你定個雌雄！」催開四不相，仗劍直取，法戒手中劍赴面迎來。戰未及數合，旁有李靖縱馬搖畫杆戟來助子牙。子牙祭起打神鞭來打法戒。不知此寶只打得神，法戒非封神榜上之人，正是：

封神榜上無名字，不怕崑崙鞭一條。

話說子牙祭鞭來打法戒，不意被法戒將鞭接去；子牙著忙。忽然上行孫催糧到營前，見法戒將打神鞭接去，上行孫大怒，走向前大呼曰：「吾來也！」法戒見個矮子用條鐵棍打來，法戒仗劍迎戰。三人正殺在一處，不意楊戩也催糧來至，見上行孫大戰頭陀，走馬舞三尖刀亦來助戰。子牙見楊戩來至，心

蓋見道人有些仙風道骨，忙請上坐。法戒不謙，欣然上坐。徐蓋曰：「姜子牙乃崑崙道德之士，他帳下有三山五岳門人，恐不能勝他。」法戒曰：「徐將軍放心，我連姜尚俱與你拿了，以作將軍之功。」徐蓋曰：「若如此，乃是老師莫大之恩。」忙問：「老師是素，是葷？」法戒曰：「持齋，我不用甚東西。」一夕無詞。次日法戒提劍在手，逕至周營，坐名要請姜子牙答話。探馬報入中軍：「有一頭陀請元帥答話。」子牙傳令，帶眾門人出營，來會這頭陀。只見對面並無士卒，獨自一人。怎見得：

赤金箍，光生燦爛；皂蓋服，白鶴朝雲。絲絲懸水火，頂上焰光生。五遁三除無比賽，胸臆萬象包成。自幼根深成大道，一時應墮紅塵。封神榜上沒他名，要與子牙賭勝。

子牙把四不相催至軍前見法戒，曰：「道者請了！」法戒道：「姜子牙，久聞你大名，今日特來會你。」子牙曰：「道者姓甚？名誰？」法戒曰：「我乃蓬萊島煉氣士姓法，名戒。彭遵是吾門下，死于雷震子之手。你只叫他來見我，免得你我分顏❶！」雷震子在旁，聽得舌尖上丟了一個雷字，大怒罵曰：「討死的潑道！我來也！」把風雷二翅飛在空中，將黃金棍劈面打來，法戒手中劍急架忙迎，兩下裡大戰有四五回合。法戒跳出圈子去，取出一旛，對著雷震子一晃，雷震子跌在塵埃。徐蓋左右軍士將雷震子拿了。雖然綱將起來，只是閉目不知人事。法戒大呼曰：「今番定要擒姜尚！」旁有哪吒大怒，罵曰：「妖道用何邪術，敢傷吾道兄也！」登開風火輪，搖開火尖鎗，來戰法戒。法戒未及三四回合，忙把那旛取出來也見哪吒。哪吒乃蓮花化身，卻無魂魄，如何晃得動他。法戒見哪吒在風火輪上安然不能跌將下來，已自著忙。哪吒見法戒拿一旛在手內晃，知是左道之術，不能傷己，忙祭乾坤圈打來。法戒躲不及，

歌罷，大呼曰：「刀下留人，不可動手！你與我報知元帥，說準提道人來見。」楊戩忙報與子牙曰：「有西方準提道人來至。」子牙同眾門人迎接至轅門外，請準提道人進中軍。準提曰：「不必進營。貧道有一言奉告：法戒雖然違天，逆元帥，理宜正法，但封神榜上無名，與吾西方有緣。貧道特為此而來，望子牙公慈悲。」子牙曰：「老師吩咐，尚豈敢違。」傳令放了。準提上前，扶起法戒曰：「法戒道友，我那西方絕好景致，請道兄皈依：

西方極樂真幽境，風清月朗天籟定。白雲透出引祥光，流水潺潺如谷應。猿嘯鳥啼花木奇，菩提路上芝蘭勝。松搖巖壁散煙霞，竹拂雲霄招彩鳳。七寶林內更逍遙，八德池邊多寂靜。遠列巔峰似插屏，盤旋溪壑如幽磬。曇花開放滿座香，舍利玲瓏超上乘。崑崙地脈發來龍，更比崑崙無命令。」話說準提道人道罷，西方景致，法戒只得皈依，同準提辭了眾人，回西方去了。——後來法戒在舍衛國化邪它太子，得成正果，歸於佛教；至漢明、章二帝時，興教中國，大闡沙門。此是後事不表。

且說界牌關主將見法戒被擒，忙命左右，將囚圍中雷震子放了，開關同雷震子至營門納降。探馬報入中軍：「啟元帥：雷震子轅門等令。」子牙大喜，忙命：「令來。」雷震子至帳前對子牙曰：「徐蓋久欲歸周，屢被眾將阻撓，今特同弟子獻關納降，不敢擅入，在轅門外聽令。」子牙傳令：「令來。」徐蓋縞素進營，拜倒在地，啟曰：「末將有意歸周，無奈左右官將不從，致羈行旌，屢獲罪戾，納款已遲，死罪，死罪！望元帥海宥。」子牙曰：「徐將軍既知天命歸周，亦不為遲，何罪之有？」忙令請起。徐蓋謝過，請子牙進關安撫軍民。子牙傳令：「催人馬進關。」子牙陞銀安殿，一面迎請武王，一面清查戶口、庫藏。

中大喜，兩員運糧官雙戰法戒。正是天數不由人，不意鄭倫催糧也到。鄭倫見土行孫、楊戩雙戰道人，鄭倫自思曰：「今日四人戰這頭陀不下，畢竟是左道之人。我也是督糧官，他成得功，我也成得功！」將金睛獸催開，沖殺過來，就把子牙喜不自勝。子牙兜回四不相，傳令軍士：「擂鼓助戰！」法戒被三運督糧官裏在核心，不得落空，縱有法寶，如何使用？只見土行孫卻鑽棍在下三路上打了幾棍，法戒意欲逃走；鄭倫見土行孫成功，恐法戒逃遁，忙將鼻竅中兩道白光哼出來。法戒聽得，不知是甚麼東西響，忙擡頭一看，看見兩道白光。正是：

眼見白光出鼻竅，三魂七魄去無蹤。

話說法戒跌倒在地，被烏鴉兵生擒活捉綁了。子牙用符印鎖住了法戒的泥丸宮，掌得勝鼓回營。法戒方睜開眼，見渾身上了繩索，歎曰：「豈知今日在此地誤遭毒手！」追悔無及。只見子牙降帳坐下，三運官來見子牙。子牙曰：「三運得功不小！」獎諭三運官曰：

「運督軍需，智擒法戒。玄機妙算，奇功莫大！」

子牙獎諭畢，三員官稱謝子牙。子牙傳令：「推法戒來。」眾軍卒將法戒推至中軍。法戒大呼曰：「姜尚，你不必開言。今日天數合該如此，正所謂『大海風波見無限，誰知小術反擒吾。』」可知是天命耳。速將軍令施行！」子牙曰：「既知天命，為何不早降？」命左右：「推出去斬了！」眾軍士把法戒擁至轅門，方欲行刑，只見一道人作歌而來，歌曰：

「善惡一時忘念，榮枯都不關心。晦明隱現任浮沉，隨分饑餐渴飲。靜坐蒲團存想，昏聩便有魔侵。故將惡念阻明君，何苦紅塵受刃。」

吩咐左右：「埋伏刀斧手，兩旁伺候。」不一時，左右開關。徐蓋不知親弟有心拿他，徐蓋進關，來至府前下馬，逕至殿前。

徐芳也不動身，問曰：「來者何人？」徐蓋大笑曰：「賢弟為何見我至此，而猶然若不知也？」徐芳大喝一聲，命左右：「拿了！」兩邊跑出刀斧手，將徐蓋拿下綁了。徐芳曰：「辱沒祖宗匹夫！你降反賊，也不顧家眷遭殃。今日你自來至此，正是祖宗有靈，不令徐門受屠戮也！」徐蓋大罵曰：「你這不知天時的匹夫！天下盡已歸周，紂王亡在旦夕，何況你這彈丸之地，敢抗拒弔民伐罪之師！你要做忠臣，你比蘇護、黃飛虎何如？洪錦、鄧九公何如？我今被你所擒，死固無足惜；但不知何人擒你，以泄吾忿也！」

徐芳傳令：「把這逆命的匹夫且監候，俟拿了周武、姜尚，一齊解往朝歌正罪。」左右將徐蓋監了。徐芳問：「誰為國討頭陣走一遭？」一將應聲而出，乃正印先行官神煙將軍馬忠願往，徐芳許之。馬忠領令開關，砲聲響處，殺至周營。報馬報入中軍：「啟元帥：穿雲關有將搦戰。」子牙曰：「徐蓋休矣！」忙令哪吒去取關，就探徐蓋消息。哪吒領令，上了風火輪，出得營來，見馬忠金甲紅袍，威風凜凜。哪吒走至軍前，馬忠曰：「來者莫非哪吒否？」哪吒曰：「然也。你既知我，為何不倒戈納降？」馬忠大怒曰：「無知匹夫！你等妄白稱王，逆天反叛，不守臣節，侵王疆土，罪在不赦。不日拿住你等，粉骨碎身；尚自不知，猶且巧言饒舌！」哪吒笑曰：「吾看你等好一似土蛙、腐鼠，頃刻便為齏粉，何足與言！」馬忠怒起，搖手中鎗，飛來直取。哪吒的鎗閃爍光明，輪馬相交，雙鎗併舉，殺至穿雲關下。正是：

次日，武王駕進界牌關，眾將迎接武王上銀安殿，參謁畢。王曰：「相父勞心遠征，使孤不得與相父共享昇平，孤心不安。」子牙曰：「老臣以天下諸侯為重，民坐水火之中，故不敢逆天以圖安樂。」子牙領徐蓋拜見武王，武王曰：「徐將軍獻關有功，命設宴犒賞三軍。」一宵已過。次日，子牙傳令：「起兵前取穿雲關。」放砲起程，三軍吶喊，不過八十里一關，前哨探馬報入中軍：「前軍已抵穿雲關下。」子牙傳令：「放炮安營。」正是：

戰將東征如猛虎，營前小校似獾狼。

話說穿雲關主將徐芳乃是徐蓋兄弟。徐芳聞知兄長歸周，只急得三屍神暴跳，口鼻內生煙，大罵：「匹夫不顧父母妻子，失身反叛，苟圖爵位，遺臭萬年！」忙點聚將鼓，眾將俱上殿參謁。徐芳曰：「不幸吾兄忘親背君，苟圖富貴，獻了關隘，已降叛臣。但我一門難免戮身之罪。為今之計，必盡擒賊臣，以贖前罪方可。」

只見先行官龍安吉曰：「主將放心，待末將先拿他幾員賊將解往朝歌請罪，然後俟擒渠魁，以贖前愆，以顯忠蓋；則主將滿門良眷自然無事矣。」徐芳曰：「此言正合吾意。只願先行與諸將協力同心，以勦叛逆，上報主恩，是吾之願也，其他亦非所顧忌。」眾將商議不表。

且說次日，子牙陞帳，問曰：「誰取穿雲關去走一遭？」徐蓋應聲曰：「啟元帥：穿雲關主將乃是末將之弟，不用張弓隻箭，末將說舍弟歸周，以為進身之資。」子牙大喜曰：「將軍若肯如此，真為不世之奇功，豈止進身而已！」徐蓋上馬至關下，大呼曰：「左右，開關！」守關軍卒不敢擅自開關，忙報入帥府：「啟主帥：有大老爺在關下叫關。」徐芳大喜：「快令開關，請來！」把關軍士去了。徐芳

戰五十餘合。二將真是「棋逢敵手，將遇作家」。龍安吉見黃飛虎的鎗法毫無滲漏，心下暗思：「莫與他賣弄精神。」把鎗一挑，錦囊中取出一物，望空中一丟，只聽得有叮噹之聲，龍安吉曰：「黃飛虎，看吾寶貝來也！」黃飛虎不知何物，擡頭一看，早已跌下鞍轡。關內人馬吶一聲喊，將黃飛虎生擒活捉，繩纏索綁，拿進穿雲關去了。報馬報入中軍：「黃飛虎被擒。」子牙大驚曰：「是怎麼樣拿了去的？」掠陣官回曰：「正戰之間，只見龍安吉丟起一圈在空中，有叮噹之聲，黃將軍便跌下坐騎，因此被擒。」子牙聽說不悅：「此又是左道之術！」且說龍安吉將黃飛虎拿進穿雲關來見徐芳，黃飛虎站立言曰：「吾被邪術拿來，願以一死報國恩也。」徐芳罵曰：「真是匹夫！捨故主而投反叛，今反說欲報國恩，何其顛倒耶！且監在監中。」

徐蓋見黃飛虎來至，忙慰曰：「不才惡弟，不識天時，特倚邪術，不意將軍亦遭此羅網之厄。」黃飛虎點頭無語，惟有咨嗟而已。話說徐芳治酒，與龍安吉賀功。次日又至周營搦戰。子牙問：「誰敢出馬？」只見洪錦出馬，來至陣前，看見是龍安吉——龍安吉曾在洪錦帳下為偏將——洪錦曰：「龍安吉，你今見故主，為何不下馬納降，尚敢支吾耶？」龍安吉笑曰：「反將洪錦，何得多言！我正欲拿你等，解進朝歌，以正國法。爾何不知進退，尚敢巧言也。」發馬就殺，刀斧併舉。龍安吉祭起一圈，起在空中。不知此圈兩個，左右翻覆，如太極一般，扣就陰陽連環雙鎖，此圈名曰四肢酥。此寶有叮噹之聲，耳聽眼見，渾身四肢，骨解筋酥，手足齊軟。當時洪錦聽見空中響，擡頭一看，便坐不住鞍轡，跌下馬來，又被龍安吉拿了進關。洪錦自思：「此賊昔在吾帳下，我就不知他有這件東西，誤陷匹夫之手！」左右將洪錦推至殿前，來見徐芳。徐芳大喜曰：「洪錦，你奉命征討，如何反降逆賊？今日將何面目又

馬忠神煙無敵手，只恐哪吒道德高。

馬忠知哪吒是道德之士，手段高強，自思：「我若不先下手，恐他先弄手腳，卻是不美。」馬忠把口一張，只見一道黑煙噴出，連人帶馬都不見了。哪吒見馬忠黑煙噴出口，迷住一塊，忙將風火輪登起，把身子一搖，現出八臂三頭，藍臉獠牙，起在空中。馬忠在煙裡看不見哪吒，急收神煙，正欲回馬，只聽得哪吒大叫：「馬忠休走！吾來了！」馬忠擡頭，見哪吒三頭八臂，藍面獠牙，在空中起來，馬忠誠得魂不附體，撥馬就走。哪吒忙將九龍神火罩拋來，罩住馬忠，復把手一拍，罩裡現出九條火龍圍繞，霎時間，馬忠化為灰燼。怎見得，有詩為證：

乾元玄妙授來真，秘有靈符法更神。火棗瓊漿原自異，馬忠應得化微塵。

話說哪吒燒死馬忠，收了神火罩，得勝回營，來見子牙，備言燒死馬忠一事，子牙大喜慶功不表。

只見報馬報入關中：「啟主帥：馬忠被哪吒燒死。」徐芳大怒。旁邊轉過龍安吉曰：「馬忠不知淺深，自恃一口神煙，故有此敗。待末將明日成功，拿幾員反將，解往朝歌請罪。」次日，龍安吉上馬出關，前來搦戰。哨馬報入中軍。子牙問：「誰人出馬？」只見武成王黃飛虎上帳曰：「末將願往。」子牙許之。黃飛虎上了五色神牛，提鎗出營。龍安吉見一員周將，怎見得，有詩為證：

慣戰能爭氣更揚，英雄猛烈性堅強。忠心不改歸周主，鐵面無回棄紂王。

青史名標真義士，丹臺像列是純良。至今伐紂稱遺跡，留得聲名萬古香。

龍安吉大呼曰：「來者何人？」飛虎曰：「吾乃武成王是也。」龍安吉曰：「你就是黃飛虎？反叛成湯，釀禍之根，今日正要擒你！」催開馬搖手中斧來取，黃飛虎手中鎗急架忙迎。二將相交，鎗斧併舉，大

法戒與龍安古二件寶物：一曰引魂幡，一曰四肢酥。立此二名字，俱是婆心說法。引魂幡一動，則人之魂魄皆飛，七尺委地；四肢酥一響，則人之骨解筋酥，四肢莫救，可畏也。令人自思，誰家不有此二物？豈可任其酥骨引魂，令人七尺委地，四肢莫救可乎？真是勸世最上一乘！

見商君也！」

洪錦曰：「天意如此，何必多言！吾雖被擒，其志不屈，有死而已！」徐芳傳令：「且送下監去。」黃飛虎見洪錦也至監中，各各嘆歎而已。子牙又聽見探馬報進營來，言洪錦被擒，子牙心下十分不樂。次日，報：「龍安吉又來搦戰。」子牙問：「誰去見陣？」只見南宮适出馬，與龍安吉戰有數合，被龍安吉仍用四肢酥拿進關來見徐芳。徐芳吩咐：「也送下監中。」只見報馬報與子牙，子牙大驚。旁有正印先行哪吒言曰：「這龍安吉是何等妖術，連擒數將，待末將見陣，便知端的。」不知龍安吉性命如何，且聽下回分解。

評

法戒馬忠龍安吉皆有一技之能，俱恃為取勝之術，一遇勁敵，便至敗亡，理也。獨法戒竟為西方有緣化去，幸免一死；然則緣也，是不可不結的。獨恨近日之和尚，於婦女燒香拜佛之時，持盤化錢，動曰結緣法；然則此緣可結乎？更有一種賊充淫僧，假言講經宣卷，男女叢聚，不分老少，輒以此一字反復聞說，誘惑良家婦女，墜其術中，釀成奸淫之數，不勝枚舉。悲夫！有閨門之責者，可不預為之防乎！

奈何？忙修本遣官，齎赴朝歌不表。忽見左右來報：「府前有一道人要見老爺。」徐芳忙傳令：「請來。」少時，見一道人，三隻眼，面如藍靛，赤髮獠牙，逕進府來。徐芳降階迎接，請上殿，與道人打稽首，徐芳導道人上坐。徐芳問曰：「老師是那座名山？何處洞府？」道人曰：「貧道乃九龍島煉氣士，姓呂名岳。吾與姜尚有不世之仇，今特來至此，借將軍之兵，以復昔日之仇。」徐芳大喜：「成湯洪福天齊，又有高人來助！」治酒相待，一宿晚景不題。卻說次日，呂岳出關至營前，請子牙答話。報馬報入中軍：「啟元帥：有一道人請元帥答話。」子牙不知是呂岳，吩咐：「點砲出營。」來至營前，看見對陣乃是呂岳，不覺可笑。豈意子牙兩邊眾門人一見呂岳，人人切齒，個個咬牙。子牙曰：「呂道友，你不知進退，尚不愧顏！當日既得逃生而去，今日又為何復投死地也。」呂岳曰：「我今日來時，也不知誰死誰活！」只見雷震子大吼一聲，罵曰：「不知死的匹夫！吾來了！」展開二翅，飛在空中。好黃金棍，夾頭打來。呂岳手中劍急架忙迎。金吒步行，用雙劍劈頭砍來。木吒厲聲大罵：「潑道！不要走！也吃吾一劍！」李靖、韋護、哪吒眾門人一齊擁上前來，將呂岳困在核心。怎見得，有詩為證，詩曰：

殺氣迷空透九重，一千神聖逞英雄。這場大戰驚天地，海沸江翻勢更兇。

話說眾門人圍住了呂岳，呂岳現出三首六臂，祭起列瘟印，把雷震子打將下來。眾門人齊動手救回。子牙把打神鞭祭起空中，正中呂岳後背，打得三昧真火迸出，敗回穿雲關來。呂岳進關，徐芳接住，安慰曰：「老師，今日會戰，其實利害。」呂岳曰：「今日出去早了，等吾一道友來再出去，便可成功。」話說子牙進營，見雷震子著傷，心下又有些不悅。且白不題。

只見呂岳在關上，一連住了幾日。不一日，來了一位道者，至府前對軍政官曰：「你與主將說，有

楊任大破瘟瘟陣

瘟瘟傘蓋屬邪巫，疫癘閭浮盡若屠。列陣兇頑非易破，著人狂躁豈能蘇。

須臾遍染家家盡，頃刻傳尸戶戶殂。只為子牙災未滿，穿雲闢下受崎嶇。

話說哪吒上了風火輪，前來闢下搦陣，大呼曰：「左右的！傳與你主將，叫龍安吉出來見我！」徐芳聞報，命龍安吉出陣。龍安吉領命出得關來，見哪吒在風火輪上，心下暗思：「此人乃是道術之士，不如先祭此寶，易於成功。」龍安吉至軍前問曰：「來者可是哪吒麼？」道罷，哪吒未及答應，就是一鎗。哪吒的鎗赴面相迎。輪馬交還，只一合，龍安吉就祭四肢酥丟在空中，大叫：「哪吒，看吾寶貝！」哪吒擡頭看時，只見陰陽扣就如太極環一般，有叮噹之聲。龍安吉不知哪吒是蓮花化身，原無魂魄，焉能落下輪來。倏然此圈落在地下。哪吒見圈落下，不知其故。龍安吉大驚。正是：

鞍轡慌壞龍安吉，豈意哪吒法寶來。

話說哪吒又現出三頭八臂，祭起乾坤圈，大呼曰：「你的圈不如我的，也還你一圈！」龍安吉躲不及，正中頂門，打下馬來。哪吒復加上一鎗，結果了性命。哪吒梟了首級，進營來見子牙：「取了龍安吉首級。」子牙大喜。

且說報馬報知徐芳，徐芳大驚。只見左右無將，朝廷又不點官來協守，止得方義真一人而已，如之

穿雲關底受瘟癘。」此莫非是瘟癘陣？」乃對楊戩曰：「此正應吾師元始之言，莫非是瘟癘陣麼？」楊戩曰：「待弟子對他說。」二人商議停當，回至軍前。呂岳曰：「子牙公識此陣否？」楊戩答曰：「呂道長，此乃小術耳，何足為奇！」呂岳曰：「此陣何名？」楊戩答曰：「此乃瘟癘陣。你還不曾擺全；俟擺全了，吾再來破你的。」呂岳聞楊戩之言，如石投大海，半晌無言。正是：

爐中玄妙全無用，一片雄心付水流。

話說楊戩言罷，同眾人回營。子牙陞帳坐下，眾門人齊讚楊戩利齒伶牙。子牙曰：「雖然一時回得他好看，終不知此陣中玄妙，如何可破？」哪吒曰：「且答應他一時，再作道理。況且上絕惡陣與誅仙這樣大陣，俱也破了，何況此小小陣圖，不足為慮。」子牙曰：「雖然如此，不可不慎。古人云：『人無遠慮，必有近憂。』豈可因其小而忽略？」眾門人齊曰：「元帥之言甚善。」正議間，左右來報：「終南山雲中子來見。」眾門人曰：「武王洪福齊天，自有高人來濟此陣之急也。」子牙忙迎出轅門，接住雲中子，二人攜手，行至帳中坐下。子牙曰：「道兄此來，必為姜尚遇此瘟癘陣也。」雲中子笑曰：「特為此陣而來。」子牙欠身謝曰：「姜尚屢遭大難，每勞列位道兄動履，尚何以消受。」因請教：「此陣中有何秘術？當用何人可破？」

雲中子曰：「此陣不用別人，乃是子牙公百日之災。只至災滿，自有一人來破。吾與你代掌帥印，調督軍事，其餘不足為慮。」子牙曰：「但是道兄如此，姜尚便一死又何足惜，況未必然乎！」子牙欣然，就將劍、印付與雲中子掌管。只見左右傳與武王。武王聞知雲中子說子牙有百日之災，忙至中軍左右來報。雲中子與子牙迎接上帳，行禮坐下。武王曰：「聞相父破陣，孤心不安。往往爭持，致多苦

一宿晚景無詞。只至次日，呂岳命徐芳選三千人馬，出關來會子牙，徐芳親自掠陣不表。且說子牙陞帳，與眾門人曰：「今日呂岳又來阻吾之兵，你們各要仔細。」正議間，左右來報：「楊戩轅門等令。」子牙傳令：「令來。」楊戩來至帳前行禮畢，言曰：「奉令催輝無誤。」子牙曰：「如今呂岳又來阻住穿雲關。」楊戩曰：「呂岳乃是失機之士，何敢又阻行旌？」話猶未了，只見軍政官來報：「呂岳會戰。」子牙忙傳令出營，率領眾將，與諸門人隨子牙來至營前。呂岳曰：「姜子牙，吾與你有勢不兩立之仇！若論兩教作為，莫非如此，且你係元始門下道德之士，吾有一陣，擺與你看，但你認得，吾便保周伐紂；若是認不得，我與你立見高低。」子牙曰：「道友，你何不自守清淨，往往要作此業障，甚非道者所為。你既擺陣，請擺來我看。」呂岳同陳庚進陣，有半個時辰，擺成一陣；復至軍前，大呼曰：「姜子牙請看吾陣！」子牙同哪吒、楊戩、韋護、李靖上前來。

楊戩曰：「呂道長，吾等看陣，不可發暗器傷人。」呂岳曰：「爾乃小輩之言。我自堂堂之陣，正正之旗，豈有用暗器傷你之理！」子牙同眾人往前後看了一遍，渾然一陣，又無字跡，如何認得？子牙心中焦躁：「此必是不可攻伐之陣，又是左道之術。」子牙忽然想起元始四偈：「界牌關下遇誅仙，

話說呂岳不聽李平之勸，差官下書知會姜尚，來破此陣。使命齎戰書至子牙行營，來至轅門。左右報入中軍。子牙命：「令來。」使命至中軍，朝上見禮畢，呈上戰書。子牙接開展玩，書曰：

九龍島煉氣士呂岳致書于西岐元帥姜子牙麾下：竊聞物極必返，逆天必罰。爾西岐不守臣節，以臣伐君，以下凌上，有干綱常，得罪天地；況且以黨惡之象，屢抗敵于天兵，仗闡教之術，復屠城而殺將，惡已貫盈，人神共憤。故上大厥惡，特假手于吾，設此瘟癘陣。今差使致書，早早批宣，以決勝負。如白揣不德，急早倒戈，尚待爾不死。戰書至日，速乞自裁。

且說子牙看罷書，將原書批回：「明日決破此陣。」來使領書，回見呂岳不表。次日，雲中子在中軍請子牙上帳，用三道符印：前心一道，後心一道，冠內一道；又將一粒丹藥與子牙揣在懷中。打點停當，只聽得關外砲響，報馬進營來：「有呂岳在營前搦戰。」子牙上了四不相，武王同眾將諸門下齊至軍前掠陣。真好瘟癘陣！怎見得，有贊為證，贊曰：

殺氣漫空，悲風四起。殺氣漫空，黑暗暗俱是些鬼哭神嚎；悲風四起，昏昏鄧盡是那雷轟電掣。透心寒，怎禁他冷氣侵入；解骨酥，難當他陰風撲面。遠觀似飛砂走石，近看如霧捲雲騰。瘟癘陣飛來，火水扇翩翩亂舉。瘟癘陣內神仙怕，正應姜公百曰災。

話說子牙至陣前曰：「呂岳，你今設此毒陣，與你定決雌雄。只怕你禍至難逃，悔之晚矣。」呂岳忙催開金眼駝，仗劍飛來直取；子牙手中劍急架忙迎。二人戰未及數合，呂岳掩一劍，逕入陣去了。子牙催開四不相，隨後趕進陣來。呂岳上了八卦臺，將一把瘟癘傘往下一蓋，昏昏黑黑，如紅紗黑霧罩將下來，勢不可當。子牙一手執定杏黃旗架住此傘。可憐！正是：

惱，孤想不若回軍，各安疆界，以樂民生，何必如此？」雲中子曰：「賢王不知，上天垂象，天運循環，氣數如此，豈是人為，縱欲逃之不能。賢王放心。」武王默然無語。

且不言雲中子與子牙商議破敵，且說呂岳進關，同陳庚將二十一把瘟癘傘安放在陣內，按九宮八卦方位，擺列停當，中立一土臺，安置用度符印，打點擒拿周將。正與陳庚在陣內調度，見左右來報：「有一道人要見呂老爺。」呂岳曰：「是誰？與我請來。」少時，那道人飄然而至。呂岳一見李平來至，忙迎住，喜曰：「道兄此來，必是來助我一臂之力，以滅周武、姜尚也。」李平曰：「不然，我特來勸你。吾在中途，聞你擺瘟癘陣以阻周兵，我故此特地前來，相勸道兄。今紂王無道，罪惡貫盈，天下其叛，此天之所以滅商湯也。武王乃當世有德之君，上配堯舜，下合人心，是應運而興之君，非草澤乘奸之輩①。況鳳鳴岐山，王氣已鍾久矣，道兄安得以一人扭轉天命哉。子牙奉天征討，伐罪弔民，會諸侯于孟津，正應滅紂于甲子。難道我李平反為武王，不為截教，來逆道兄之意？道兄若依我勸，可撤去此陣，但憑武王與子牙征伐取關。我們原係方外閒人，逍遙散淡，無束無拘，又何名羈利鎖之不能解脫耶。」呂岳笑曰：「李兄差矣！我來誅逆討叛，正是應天順人。你為何自己受惑，反說我所為非也！你看我擒姜尚、武王，令他片甲不回。」李平曰：「不然。姜尚有七死三災之厄，他也過了；遇過多少毒惡之人，十絕、誅仙惡陣，他也經過，也非容易至此。古云：『前車已覆，後車當鑒。』道兄何苦執迷如此？」李平五次三番勸不醒呂岳，此正是：

三部正神天數盡，李平到此也難逃。

① 草澤乘奸之輩：即草澤中依據奸邪之道橫行的人，即草澤奸雄。

仗崑崙杏黃旗攔住瘟癘傘，陣內常放金花千百朵，或隱或現，保護其身。話說呂岳進關來，徐芳接住曰：「老師，今將姜尚困于陣內，不知他何日得死？周兵何日得勦？」呂岳曰：「吾自有法取之。」徐芳曰：「如今且把擒獲周將解往朝歌請罪，吾另外再作一本，稱讚老師功德，併請益兵防守。」呂岳曰：「不必言及吾等。你乃紂臣，理當如此。我是道門，又不受他爵祿，言之無用。只是不可把反臣留在關內，提防不測，這倒是緊要事。併請兵協守，再作理會。」徐芳領命，忙忙把四將點名，上了囚車，差方義真押解往朝歌請罪。正是：

指望成功扶帝業，中途自有異人來。

話說方義真押解四將往潼關來，算只有八十里，不一日就到。且按下不表。

話說青峰山紫陽洞清虛道德真君閒暇無事，往桃園中來，見楊任在旁，真君曰：「今日正該你去穿雲關以解子牙瘟癘陣之厄，並釋四將之愆。」楊任曰：「老師，弟子乃是文臣出身，非是兵戈之客。」真君笑曰：「這有何難，學之自然得會；不學雖會也疏。」真君隨入後洞，取出一根鎗，名曰飛電鎗，在桃園裡傳與楊任。有歌為證，歌曰：

君不見，此鎗名號為飛電。穿心透骨不尋常，刺虎降龍真可羨。先天鉛汞配雌雄，煉就坎離相眷戀。也能飛，也能戰，變化無窮隨意見。今日與你破瘟癘，呂岳逢之鮮血濺。

話說楊任乃是封神榜上之神，自然聰慧，一見真君傳授，須臾即會。真君曰：「我把雲霞獸與你騎，還有一把五火神焰扇，你帶了下山。若進陣中，須是如此如此，自然破他瘟癘陣，何愁呂岳不滅耳！還有黃飛虎四將，有難在中途，你先可救他，在關內以為接應；破陣後，裡外夾攻，定然成功。」楊任拜

七死三災扶帝業，萬年千載竟留芳。

話說呂岳將子牙困于陣中，復出陣前大呼曰：「姜尚已絕于吾陣，叫姬發早早受死！」武王在轅門聞呂岳之言，慌問雲中子曰：「老師，相父若果絕于陣中，真痛殺孤家也！」雲中子曰：「不妨，此是呂岳謬言。子牙該有百日之災。」只見後邊哪吒、楊戩、金木二吒、李靖、韋護、雷震子一齊大呼：「拿這妖道碎尸萬段，以泄我等之恨！」呂岳、陳庚二人向前迎敵，大戰在一處。只殺的陰風颯颯，冷霧迷空。怎見得：

這幾個赤膽忠良名譽大，他兩個要阻周兵心思壞。一低一好兩相持，數位正神同賭賽。降魔杵，來得快，正直無私真寶貝。這一邊哪吒、楊戩善騰挪；那一邊呂岳、陳庚多作怪。刀鎗劍戟往來施，俱是玄門仙器械。今日穿雲關外賭神通，各逞英雄真可愛。一個兇心不息阻周兵；一個要與武王安世界。苦爭惡戰豈尋常，地慘天昏無可奈！

話說眾人把呂岳、陳庚困在核心，哪吒現了三首八臂，把乾坤圈祭起，正中陳庚肩窩上；楊戩祭哮天犬，把呂岳頭上咬了一口，二人逕敗進瘟癘陣去了。眾門人也不趕他，同武王進營。武王不見子牙，心中甚是不樂，問雲中子曰：「相父受困于陣內，幾時方能出來？」雲中子曰：「不過百日之厄，災滿自然無事。」武王大驚曰：「百日無食，焉能再生？」雲中子曰：「大王可記得在紅沙陣內，也是百日，自然無事。古云：『有福之人，千方百計莫能害他；無福之人，遇溝壑也喪性命。』大王不必牽掛。」且不講武王納悶在帳內，度日如年，雙眉頻鎖。

且說呂岳自困住了子牙，甚是歡喜，每日入陣內三次，用傘上之功，將瘟癘來毒子牙。可憐子牙全

黃飛虎——俱是一殿之臣——忙下了雲霞獸，口稱：「黃將軍，我非別人，不才便是上大夫楊任。因紂王失政，起造鹿臺，我等直諫，昏君將吾剗去二目。多虧道德真君救吾上山，將兩粒仙丹納放目中，故此生出手中之眼耳。今特督我下山，來破瘟癘陣，先救將軍等，故效此微勞耳。」隨放了四將。四將謝過了楊任，只是咬牙深恨。楊任曰：「四位將軍且不必出關，且借住民家，待吾破了瘟癘陣，那時率眾取關，公等可作內應。只聽砲聲為號，不可有誤。」黃飛虎等感謝楊任，自投關內民家去了。

且說楊任上了雲霞獸，出穿雲關，來至周營，下了雲霞獸。軍政官見了大驚。楊任曰：「早報于武王，吾非反臣也。」報馬報入中軍：「有異人求見。」雲中子知是楊任來了，忙傳令：「請進中軍。」諸將見了，各自駭然。楊任見雲中子下拜，曰：「師叔在此，料呂岳何能為患。」雲中子安慰謝畢，請起與眾門人相見。楊任來見武王。武王大驚，問其緣故，楊任把紂王剗目之事又說了一遍。武王大喜，命治酒款待。楊任又將救了四將事表過，「吾師特命不才來破瘟癘陣耳。」雲中子曰：「你來的正好。還差三日，正是百日之厄完滿。」眾門人見又添楊任，各有歡喜之色，不覺過了三日。

次日清晨，周營砲響，大隊齊出，一千周將與眾門人併武王、雲中子齊至轅門，看楊任破瘟癘陣。楊任至陣前大呼曰：「呂岳何不早來見我！」只見陣內呂道人現了三首六臂，手掣寶劍而出，見楊任相貌異常，心下也自驚駭，忙問曰：「你是何人？通箇名來！」楊任曰：「吾乃道德真君門下楊任是也；今奉師命下山，特來破你瘟癘陣。」呂岳笑曰：「你不過一小童耳，敢出大言！」仗劍來取。楊任飛電鎗急架相迎。二獸相交，鎗劍並舉。戰未三合，呂岳掩一劍望陣中而走。楊任大呼：「吾來也！」楊任進陣，不知吉凶如何，且聽下回分解。

辭師父下山，上了雲霞獸，把頂上角拍了一把，那騎四蹄自然生起雲彩，望空中飛來。正是：

莫道此獸無好處，曾赴蟠桃四五番。

且說楊任霎時已至潼關，離城有三十里遠，只見方義真解著犯官前進，旗旛上大書解岐周反將黃飛虎、南宮适等名字。楊任落下獸來，阻住去路，大呼曰：「來將那裡去？」軍士一見楊任生的古怪蹺蹶，眼眶裡長出兩隻手來，手心裡反有兩隻眼睛，騎著一匹神獸，五柳長髯，飄揚腦後，軍士見之，無不駭然。飛報與方義真：「啟上將軍，前邊來了個古怪異人阻住了路。」方義真仗自己胸襟，把馬一夾，走出車前，見楊任如此行狀，從來也不曾有這樣的相貌，心中也自著驚，大呼曰：「來者何人？」楊任終是文官出身，言語自然輕柔，乃應曰：「不須問我，吾乃上大夫楊任是也。將軍，天道已歸明主，你又何必逆天行事，自取滅亡也？」方義真曰：「吾奉主將命令，押解周將往朝歌請功，你為何阻住去路？」楊任曰：「吾奉師令下山，來破瘟癘陣，今逢將軍押解周將，理宜救護。我勸將軍不若和我歸了武王，正所謂應天順人，不失封侯之位，有何不可？」方義真見楊任低言悄語，不把楊任放在心上，把手中鎗一舉，大喝曰：「逆賊休走，吃吾一鎗！」楊任忙用手中鎗急架相還。兩家大戰，未及數合，楊任恐軍士傷了被擒官將，忙用五火神焰扇照著方義真一扇搨去。楊任不知此扇利害，一聲響，怎見得，可憐！有詩為證，詩曰：

烈焰騰空萬丈高，金蛇千道逞英豪。黑煙捲地紅三尺，煮海翻波咫尺消。

話說楊任把扇子一搨，方義真連人帶馬化一陣狂風去了。眾軍士見了，吶一聲喊，抱頭棄兵，奔走回關。且說黃飛虎等見楊任這等相貌，知是異人，忙在陷車中問曰：「來者是那一位尊神？」楊任認得

痘疹惡疾勝瘡瘍，不信人間有異方。疤紫毒生追命藥，漿清氣絕索魂湯。

時行戶戶應多難，傳染人人盡著傷。不是武王多福蔭，枉教軍士喪疆場。

話說呂岳走進陣去，楊任趕進陣來。呂岳上了八卦臺，將瘟癘傘撐起來，往上一罩。楊任把五火扇一搨，那傘化作友爐，飄揚而去；又搨了數扇，只見那二十把傘盡成飛灰。有瘟部神祇李平進陣來，指望勸解呂岳，不要與周兵作難；也是天數該然，恰逢其會，被楊任一扇子搨來，李平怎能逃脫？可憐！正是：

一點誠心分邪正，反遭一扇喪微軀。

李平誤被楊任一扇子搨成灰燼。陳庚大怒，罵曰：「何處來的妖人，敢傷吾弟！」舉兵刃飛取楊任。楊任把扇子連搨數扇，莫說是陳庚一人，連地都搨紅了。呂岳在八卦臺上見勢頭凶險，捏著避火訣，指望逃走；不知楊任此扇乃五火真性攢簇而成，豈是五行之火可以趨避？呂岳見火勢愈熾，不能鎮壓，撒身往後便走，被楊任趕上前，連搨數扇，把八卦臺與呂岳俱成灰燼。三魂俱赴封神臺去了。有詩為證，詩曰：

九龍島內曾修煉，得道多年根未深。今日遭逢神火扇，可知天意滅真心。

評

呂岳昔日在西岐逃去，幸而不死，自當改過遷善，如何又來這裡阻逆周兵？只討送去了性命方罷。何其癡愚若此！予見他對徐芳曰：我又不受爵祿。據此觀之，乃好事之人。

又評

李平特來為子牙解釋，極是好意；又知子牙有七死三災之厄，然而於自己則不知，反來湊數，此是好事之人，迷卻本性。倘當日只在山裡坐，那有殺身之禍？今日之招攬多事者，宜當鑑戒！

士卒生擒活捉，拿縛關下。眾將收了軍卒，迎姜元帥進關，陞廳坐下，出榜安民畢。有黃飛虎、南宮适等來見子牙。子牙曰：「將軍等身受陷棄之苦，幸皇天庇祐，轉禍為福，此皆將軍等為國忠心，感動天地耳。」眾將在穿雲關安置已定，子牙吩咐：「把徐芳推來。」左右將徐芳擁至堦前，徐芳立而不跪。

子牙罵曰：「徐芳，你擒兄已絕手足之情，為臣有失邊疆之責，你有何顏尚敢抗禮？此乃人中之禽獸也！速推出斬首！」眾軍士把徐芳推出斬首，號令在穿雲關。武王設宴與眾將飲酒，犒賞三軍。翌日，子牙傳令起兵，行有八十里，兵至潼關，安營砲響，立下寨棚。子牙陞帳，眾將官參謁畢，商議取關。

且言潼關主將余化龍有子五人，乃是余達、余兆、余光、余先、余德，惟余德一人在海外出家，不在潼關，連余化龍只有父子五人守此關隘。忽聽關外砲響，探事報知：「周兵抵關下寨。」余化龍謂四子曰：「周兵此來，一路屢屢得勝，今日至此，亦是勁敵，須是要盡一番心力。」四子齊曰：「父親放心，料姜尚有多大本領，不過偶然得勝，諒他何能過得此關？」不言余化龍父子商議，再言子牙次日陞帳，問左右：「誰去取此關見陣一遭？」旁有太鸞應聲曰：「末將願往。」子牙許之。太鸞出營，至關下搦戰，哨馬報入關中。余化龍命長子余達出關，余達領令出關。太鸞見潼關內有一將，銀甲紅袍，真個齊整，滾出關來。怎見得，有讚為證，讚曰：

紫金冠，名束髮；飛鳳額，雉尾插。面如傅粉一般同，大紅袍罩連環甲。獅鸞寶帶現玲瓏，打將銅鞭如鐵塔。銀合馬跑白雲飛，白銀鎗杵鞍上拉。大紅旗上書金字：潼關首將名余達。

話說太鸞大呼曰：「潼關來將何名？」余達曰：「吾乃余元帥長子余達是也。久聞姜尚大逆不道，興兵搆怨，不守臣節，干犯朝廷關隘，是自取滅亡耳。」太鸞曰：「吾元帥乃奉天征討，東進五關，弔民伐

話說楊任破了瘟癘陣，只見子牙在四不相上伏定，手執著杏黃旗，左右金花發現，擁護其身。諸門人看見，齊來攙住。子牙也不言語，面如淡金，只見四不相一躍而起。武王在轅門見武吉背負子牙而來，武王垂淚言曰：「相父為國為民，受盡苦中之苦！」隨將子牙背至中軍，放在臥榻之上。雲中子用丹藥灌入于子牙口中，送下丹田。少時，子牙睜目，見眾將官立于左右，乃言曰：「有勞列位苦心。」武王大喜曰：「相父且自安心，仔細調理。」子牙在軍中安養了數日，只見雲中子曰：「子牙且自寬心，待後萬仙陣，我等再來助你，今日且奉別。」子牙不敢強留，雲中子回終南山去了。

子牙打點取關，只見楊任上前言曰：「前日不才已暗放了四將在內，元帥可作速調遣。」子牙見楊任說有四將在內，須得裡外夾攻，方可取關。子牙傳令，點眾將攻關。且說徐芳又見破了瘟癘陣，左右來報：「方義真已死，四將不知所往。」心下十分著忙。只見門外殺聲振地，鑼鼓齊鳴，喊聲不止，如天崩地塌之狀。徐芳急上關來守禦，只見周兵大勢人馬，四面架起雲梯火砲，攻打甚急。有雷震子大怒，飛在空中，一棍刷在城敵樓上，把敵樓打塌了半邊。徐芳禁持不住，急下城來，雷震子已立于城上。哪吒登起風火輪，也上城來。守城軍士見雷震子這等兇惡，一齊走了。哪吒下城，斬落了鎖鑰，周兵一擁而入。徐芳見周營大勢人馬進關，只得縱馬搖鎗前來抵擋，被周營大小眾將把徐芳圍困在當中，彼此混戰。

且說黃飛虎、南宮适、洪錦、徐蓋聽得關內喊殺，知是周兵成功，四將步行，趕至關前，見周兵已將徐芳圍住。黃飛虎大叫曰：「徐芳休走，吾來也！」徐芳正在著忙之際，又見黃飛虎等四人沖殺前來，不覺吃了一驚，措手不及，被黃飛虎一劍砍來。徐芳望後一閃，那劍竟砍落馬首，把徐芳撞下鞍轡，被

牙，大喝曰：「你可是余兆？快來領死！」余光曰：「非也。吾乃是余元帥三子余光是也。」蘇全忠大怒，縱馬搖戟，沖殺過來。二馬相交，戟鎗併舉，大戰有二十餘合，余光撥馬便走。蘇全忠因父親被害，怒發如雷，大罵曰：「不殺匹夫，誓不回兵！」趕下陣來。余光按下鎗，取梅花鏢，回首一鏢，有五根一齊出手。

全忠身中三鏢，幾乎墜于馬下，敗回周營。余光得勝，進關見父回令：「鏢打蘇全忠敗回。」余化龍曰：「明日待吾親會姜尚，設謀共破周兵，必取全勝。」次日，關中點砲吶喊，余總兵帶四子出關，至周營搦戰。哨馬報進營來，子牙與眾將出營拒敵，左右軍威甚齊。余化龍見子牙出兵，歎曰：「人言子牙善于用兵，果然話不虛傳。」余化龍看罷，一騎當先：「姜子牙請了！」子牙答禮曰：「余元帥，不才甲冑在身，不能全禮。不才奉天征討獨夫，以除不道，弔民伐罪，所以望風納降，俱得保全富貴；所有逆命者，隨則敗亡，國家盡失。元帥不得以昨日三次僥倖之功，認為必勝之策。倘執迷不悟，一時玉石俱焚，悔之何及？請自三思，毋貽伊戚。」余化龍笑曰：「似你出身淺薄，不知天高地厚之恩，只知妖言惑眾，造反叛主，以逞狂妄。今日逢吾，只教你尸甲無存，死無葬身之地矣。」大叫：「左右！誰與我拿姜尚見頭一功？」只見左右四子沖殺過來。蘇全忠戰住余達，余兆敵住武吉，鄧秀抵住余光，余先戰住黃飛虎，余化龍壓住陣腳，四對兒交兵。這場大戰，怎見得好殺？有贊為證，贊曰：

兩陣上旗旛齊磨，四對將各逞英豪。長鎗闊斧並相交，短劍斜揮閃耀。蘇全忠英雄赳赳，余達似猛虎頭搖；武吉只教活拿余兆；鄧秀喊捉余光餐刀；黃飛虎恨不得鎗挑余先下馬；眾兒郎助陣似潮湧波濤。咫尺間天昏地暗，殺多時鬼哭神嚎。這一陣只殺得屍橫遍野血凝膏，尚不肯干

罪，會合天下諸侯，觀政于商。五關進之有三，爾尚敢拒逆天兵哉？速宜倒戈，免汝一死；若候關破之日，玉石俱焚，追悔何及！」余達大怒，搖鎗直取；太鸞手中刀赴面來迎。二將大戰，二十合，余達撥馬便走，太鸞隨後趕來。余達聞腦後馬至，掛下鎗，取出撞心杵，回手一杵，正中太鸞臉上。太鸞翻下鞍轡。可憐為將官的，正是：

禍福隨身于頃刻，翻身落馬項無頭。

余達把太鸞一杵打下馬來，復一鎗結束了性命，梟了首級，掌鼓進關，見父請功，將首級號令于關上。敗兵回見子牙報知，子牙聞太鸞已死，心下不樂。次日，子牙陞帳，只見蘇護上帳，欲去取關，子牙許之。蘇護上馬，至關下討戰。哨馬報知，余化龍命次子余兆出關對敵。蘇護問曰：「來者何人？」余兆曰：「吾乃余元帥次男余兆是也。爾是何名？」蘇護曰：「吾非別人，乃冀州侯蘇護是也。」余兆曰：「老將軍，末將不知是老皇親。老將軍身為貴戚，世受國恩，宜當共守王土，以圖報效；何得忘椒房之寵，一旦造反，以助叛逆，竊為將軍不取！一旦武王失恃，那時被擒，身弑國亡，遺譏萬世，追悔何及。速宜倒戈，尚可轉禍為福耳。」蘇護大怒：「天下大勢，八九已非商土，豈在一潼關也！」縱馬搖鎗，直取余兆。余兆手中鎗急架忙迎。二馬來往，未及十合，余兆取一杏黃旗一展，咫尺似一道金光一晃，余兆連人帶馬就不見了。蘇護不知所往，急自左右看時，腦後馬至；慌忙轉馬，早被余兆一鎗刺中脇下，蘇護翻鞍落馬，一魂已往封神臺去了。余兆取了首級，進關來見父報功，將首級號令，慶喜不表。且說子牙又見折了蘇護，著實傷悼。蘇護長子蘇全忠聞報痛哭，上帳欲報父仇；子牙不得已，許之。蘇全忠領令，至關下搦戰，哨馬報進關來，余化龍令第三子余光出關對敵。蘇全忠見關中一少年將來，切齒咬

現出三首八臂；雷震子、韋護、金吒、木吒、李靖一齊上前迎敵，口稱：「拿此潑道，休得輕放！」眾門人一齊上前，把余德圍在核心，縱有奇術，不能使用。楊戩見余德渾身一團邪氣裹住，知是左道之術，把馬跳出圈子去，取彈弓在手，發出金丸，正中余德。余德大叫一聲，借土遁走了。子牙回營，楊戩見子牙曰：「余德乃左道之士，渾身一團邪氣籠罩，防他暗用妖術。」子牙曰：「吾師有言：『謹防達兆光先德。』莫非就是此余德也？」旁有黃飛虎曰：「前日四將輪戰四日，果然是余達、余兆、余光、余先、余德。」子牙大驚，憂容滿面，雙鎖眉梢，正尋思無計。

且說余德著傷敗回關上，進府來，用藥服了，不一時，身體痊癒。余德切齒深恨曰：「我若留你一個，也不是有道之士！」彼時至晚，余德與四兄曰：「你們今夜沐浴靜身，我用一術，使周兵七日內，叫他片甲無存。」四人依其言，各自沐浴更衣。至一更時分，余德取出五個帕來，按青、黃、赤、白、黑顏色，鋪在地下。余德又取出五個小斗兒來，一人拿著一個，「叫你抓著灑，你就灑；叫你把此斗往下潑，你就潑。不用張弓射箭，七日內死他乾乾淨淨。」兄弟五人，俱站在此帕上。余德步罡斗法，用先天一氣，忙將符印祭起。好風！有詩為證，詩曰：

蕭蕭颯颯竟無蹤，拔樹崩山勢更兇。
莫道封姨無用處，藏妖影怪作先鋒。

話說余德祭起五方雲來至周營，站立空中，將此五斗毒瘴四面八方潑灑，至四更方回。不表。且說周營眾人俱肉體凡胎，如何經得起，三軍人人發熱，眾將個個不寧。子牙在中軍也自發熱，武王在後殿，自覺身疼。六十萬人馬俱是如此。三日後，一概門人、眾將，渾身上下俱長出顆粒，莫能動履；營中煙火斷絕；止得哪吒乃蓮花化身，不逢此厄。楊戩知道余德是左道之人，故此夜間不在營中，各自運度，因

休罷了。

八員戰將，各要爭先，余達撥馬就走；蘇全忠隨後趕來，被余達回手一杵，正中護心鏡上，打得紛紛粉碎。蘇全忠翻身落馬，余達勒回馬，挺鎗來刺，早有雷震子展開雙翅，飛來且快，使開黃金棍，當頭刷來，余達只得架棍。周營內早有偏將祁恭將全忠救回。話說余化龍見雷震子敵住余達，自縱馬舞刀來取子牙；旁有哪吒登風火輪挺鎗來刺，來往沖突，兩軍殺在虎穴之中。正酣戰間，卻有楊戩催糧至營，見子牙捉對交兵。楊戩立馬橫刀，看十人對敵，不分勝負。楊戩自思曰：「待我暗助他等一陣。」遠遠將哮天犬祭起。余化龍那裡知道，被哮天犬一口咬了頸子，連盔都帶去了。哪吒見余化龍著傷，急祭起乾坤圈，一圍正中余先肩窩，大敗而走。周兵揮動人馬，沖殺一陣；只殺得屍橫遍野，血淋草梢。子牙掌鼓回營。正是：

眼前得勝權回寨，只恐飛災又降臨。

話說余化龍被哮天犬所傷，余先又打傷肩臂，父子二人呻吟一夜，府中大小俱不能安。不一日，余德回家探父，家將報知：「五爺來了。」余化龍尚自呻吟不已，只見余德走近臥榻之前，見父親如此模樣，急忙請問，余化龍將前事備述一遍。余德曰：「不妨，這是哮天犬所傷。」忙取丹藥，用水敷之，即時痊癒。又用藥調治兄長余先。當日晚景休題。次日，余德出關至周營，只要姜子牙答話。哨馬報入中軍，子牙隨出大營，見一道童，頭挽抓髻，麻鞋道服，仗劍而來。子牙曰：「道者從那裡來？」余德曰：「吾乃余化龍第五子余德是也。楊戩用哮天犬咬傷吾父，哪吒用圈打傷吾兄，今日下山，特為父兄報仇。吾與汝等，共顯胸中道術，以決雌雄。」縱步仗劍，來取子牙，旁有楊戩舞刀忙迎。哪吒提鎗，

碧草，龍鬚柔軟；古怪怪的古樹，鹿角丫叉。亂石堆山，似大大小小的伏虎；老藤掛樹，似彎彎曲曲的騰蛇。丹壁上更有些分分明明的金碧影，低澗中只見那香香馥馥的瑞蓮華。洞府中鎖著那氤氳氤氳的霧靄，青巒上籠著那爛爛縷縷的煙靄。對對彩鸞鳴，渾似那唧唧啞啞的律呂；雙雙丹鳳嘯，恍疑是嘹嘹亮亮的笙箏。碧水跳珠，點點滴滴從玉女盤中泄出；虹霓流彩，閃閃灼灼自蒼龍嶺上飛斜。真個是：福地無如仙景好，火雲仙府勝玄都。

話說楊戩看罷景致，不敢擅入；少時，見一水火童子出來，楊戩上前稽首曰：「敢煩師兄借傳一語，楊戩求見。」童子認得楊戩，忙回禮曰：「師兄少待。」童子回言畢，進洞府來：「啟老爺：外面有楊戩求見。」伏羲聖人曰：「著他進來。」童子復至外面：「楊戩進見。」楊戩至蒲團前，倒身下拜：「弟子楊戩願老爺聖壽無疆！」拜罷，將書呈上。伏羲展玩，書曰：

弟子黃龍真人、玉鼎真人薰沐頓首，謹書上啟闢天開地太昊上帝寶座下：弟子仰仗三教，演習靈文，自宜守蒲團，豈敢冒言瀆奏。但弟子等運逢劫數，殺戒已臨，襄應運之天子，伐無道之獨夫。路至潼關，突遭余德以左道之幻術，暗毒害于生靈。茲有元戎姜尚暨門徒將士兵卒六十餘萬，驟染顆粒之瘡，莫辨為癰為毒，懣懣待盡，至呼吸以難通，旦夕垂亡，雖水漿而莫用。自思無奈，仰叩仁慈，懇祈大開惻隱，憐憫大立極之聖君，拯無辜之性命，早施雨露，以解倒懸。臨啟不勝待命之至！

伏羲看罷書，謂神農曰：「今武王有事于天下，乃是應運之君，數當有此厄難，吾等理宜助一臂之力。」神農曰：「皇兄之言是也。」遂取三粒丹藥付與楊戩。楊戩得了丹藥，跪而啟曰：「此丹將何用度？」

此上不曾侵染。只見過了五六日，子牙渾身上俱是黑的。此痘形按五方：青、黃、赤、白、黑。哪吒與楊戩曰：「今番又是那年呂岳之故事。」楊戩曰：「呂岳伐西岐，還有城郭可依；如今不過行營寨柵，如何抵擋？倘瀆闢余家父子沖殺出來，如何濟事？」二人心下甚是焦悶。且說余化龍父子六人在瀆闢城上來看，周營煙火全無，空立旗旛寨柵，余達曰：「乘周營諸將有難，吾等領兵下關，一齊殺出，只此一陣成功，豈不為美！」余德曰：「長兄，不必勞師動眾，他自然盡絕，也使旁人知我等妙法無邊。不動聲色，令周兵六十萬餘人自然滅絕。」父子五人齊曰：「妙哉！妙哉！」看官：此正是武王有福，不然，若依余達之言，則周營兵將死無噍類。正是：

洪福已扶仁聖主，徒令余達逞奇謀。

話說楊戩見子牙看看病勢危急，心下著慌，與哪吒共議曰：「師叔如此狼狽，呼吸俱難，如之奈何？」話猶未了，只見半空中黃龍真人跨鶴而來。楊戩、哪吒迎接黃龍真人至中軍坐下。真人曰：「楊戩，你師父可曾來？」楊戩答曰：「不曾來。」真人曰：「他原說先來，如今該會萬仙陣了。」話未絕時，又聽得玉鼎真人自空中來至，楊戩迎迓，拜罷。玉鼎真人起身，入內營來看子牙，見子牙如此模樣，真人點首歎曰：「雖是帝王之師，好容易！正是你：

七死三災今已滿，清名留在簡篇中。」

玉鼎真人歎息不已，隨命楊戩：「你再往火雲洞走一遭。」楊戩領命，借著土遁往火雲洞而來，如風雲一樣。看看來至山腳下，好山，真無限的景致，有奇花馥馥，異草依依。怎見得，有賦為證，賦曰：

勢連天界，名號火雲。青青翠翠的喬松，龍鱗重疊；猗猗挺挺的秀竹，鳳尾交加；蒙蒙茸茸的

痘疹毒惡，大抵是九死一生之症；乃知此孽始於是時，其流波不可止。只恨當日子牙惹此禍端，何不連根斬斷？

又評

痘疹與近日相似，人人難免，觀之當年神仙，也自遭厄。如此言之，在當年不出痘的，也做不得神仙；在近日不出痘的，也做不得人。人與仙兩不可做得，還請自做主張。

伏羲曰：「此丹：一粒可救武王，一粒可救子牙；一粒用水化開，只在軍前四處灑過，此毒氣自然消滅。」楊戩又問曰：「不知此疾何名？」伏羲曰：「此疾名為痘疹，乃是傳染之病；若少救遲，俱是死症。」楊戩又答曰：「倘此疾後日傳染人間，將何藥能治？乞賜指示。」神農曰：「你隨我出洞至紫雲崖來。」楊戩隨了神農來至崖前，尋了一遍；神農拔一草遞與楊戩：「你往人間，傳與後世，此藥能救痘疹之患也。」楊戩又跪懇曰：「此草何名？」神農曰：「你聽我道來：此草有詩為證，詩曰：

紫梗黃根八瓣花，痘瘡發表是升麻。常桑曾說玄中妙，傳與人間莫浪誇。」

話說楊戩求了丹藥，又傳下升麻，以濟後人；離了火雲洞，逕至周營，來見玉鼎真人，備言求得丹藥，併升麻之草，可救痘疹之厄。黃龍真人忙將丹藥化開，先救武王；玉鼎真人來治子牙；楊戩與哪吒用水化開此丹，用楊枝灑起四處來。霎時間，痘疹之毒一時全消。正是：

痘疹毒害從今起，後人遇皆冇生亡。

周營內被楊戩、哪吒在四面灑遍。只三山五岳門人，與凡夫不同，俱是腹內有三昧真火的，又會五行之術，不覺俱先好了；人人切齒，個個咬牙。次日，子牙見眾門人臉上俱有疤痕，子牙大怒，與眾人共議取潼關泄恨。眾人齊厲聲大叫曰：「今日不取潼關，勢不回軍！」不知余化龍父子性命如何，且聽下回分解。

木二吒氣沖牛斗，楊任腹内生煙，雷震子聲如霹靂，韋護咬碎鋼牙，李靖欲平吞他父子；龍鬚虎足踏水雲，奪勇爭先。余家父子迎上前來，周營中眾門人裹住了余家父子。未及數合，哪吒現了三首八臂，登起風火輪，先在潼關城上。軍士見哪吒三首八臂，一聲喊，散了個乾淨。余化龍父子見哪吒上關，身子被眾人裹住，不得跳出圈子，因此上出了神，被雷震子一棍，正中余光頂上，翻下馬來。余達大呼曰：「匹夫！傷吾之弟，勢不兩立！」來戰雷震子；又被韋護祭起降魔杵把余達打死，倒在塵埃。楊任將扇子一搥，余先、余兆二人化作飛灰而散。余德兄弟已死四人，心中大怒，直奔子牙殺來。子牙身體方纔好，諒戰不過，急祭打神鞭于空中，正中余德，打翻在地，早被李靖一戟刺死。雷震子見哪吒上城，也飛進城來。余化龍見五子陣亡，潼關已歸西土，在馬上大呼曰：「紂王！臣不能盡忠扶帝業，為主報深仇，臣今拼一死而報君恩也！」余化龍仗劍自刎而亡。後人單道余化龍父子一門死節，後人有詩弔之，詩曰：

鐵騎馳騎血刃紅，潼關力戰未成功。一門盡節忠商主，萬死丹心泣曉風。
苟祿真能慚素位，捐生今始識英雄。清風耿耿流千載，豈在漁樵談笑中？

話說余化龍自殺，子牙驅人馬進關，出榜安民，清查庫藏。子牙憐余化龍父子一門忠烈，命左右收屍厚葬。凡軍士未得平復的，俱放在潼關調理。子牙方分割已定，只見黃龍真人、玉鼎真人與子牙議曰：「前面就是萬仙陣了，可請武王也暫歇在此關，我等領人馬往前面，要路上先命人造起蘆篷席殿，迎迓三教師尊。我等只此一舉，以完劫數，了此紅塵之殺運也。」子牙不覺大喜，忙命楊戩、李靖去造蘆篷；二人領令去訖。周營眾將自從遭痘疹之厄，人人身弱，個個狼狽，俱在關上將息。又過了數日，只見李靖

第八十二回

三教大會萬仙陣

萬仙惡陣列山隈，颯颯寒風劈面催。片片祥光籠斗柄，紛紛殺氣透靈臺。

魚龍此際分真偽，玉石從今盡脫胎。多少修持遭此劫，三屍斬去五雲開。

話說余化龍與余達等俱聽了余德言語，不以周兵為意，逐日飲酒，只等周營兵將自己病死。那一日不覺就是第八日，余化龍對諸子言曰：「今日已是八日，不見探事官來報，我們可上城一看。」五子齊曰：「上城看看纔是。」那時離了帥府，上得城來，只見周營比起初三四日光景不同：起先營中毫無煙火；今日周營中反覺騰騰殺氣，烈烈威風，人人勇敢，個個精神，旌旗嚴整，金鼓分明，重重戈戟，疊疊鎗刀。余化龍忙問余德曰：「這幾日周營中已有復舊光景，此事如何？」余達從旁埋怨曰：「兄弟，你不從吾言，致有今日。豈有人是自家會死得盡的？」余德默默不言，暗思：「吾師傳我此術，響應隨時，豈有不準之理？其中必有原故。」乃對父兄言曰：「事已至此，遲疑無益。此必有人在暗中解了。諒他一時身弱，也不能爭戰。不若乘其不備，一戰可以成功；遲則有變。」余化龍聽說，只得領五子殺出關來，逕奔周營。欺周將身弱，余德穿道服仗劍在前，如風馳雨驟而來，喊聲大振。

姜子牙與眾門人諸將正要出營，恰逢其時，楊戩曰：「此匹夫恃強欺敵，是自取死也。」子牙坐四不相，哪吒引道，眾門人左右擁護，一齊殺出營來，大呼曰：「余化龍！今日是汝父子死期至矣！」金

「吾等不必去看，只等師尊來至，自有會期。」廣成子曰：「我等又不與他爭論，又不破他的陣，遠觀何妨？」眾道人曰：「廣成子言之甚當。」燃燈阻不住眾人，只得下篷，一齊來看萬仙陣。只見門戶重疊，殺氣森然。眾仙搖首曰：「好利害！人人異樣，個個兇形，全無辦道修行意，反有爭持殺伐心。」燃燈對眾人曰：「列位道兄，你看他們可是神仙了道之品！」眾仙看罷，方欲回篷，只聽萬仙陣中一聲鐘響，來了一位道人作歌而出，歌曰：

「人笑馬遂是痴仙，痴仙腹內有真玄。真玄有路無人走，惟我蟠桃赴幾千。」

馬遂歌罷，大呼曰：「玉虛門下，既來偷看吾陣，敢與我見個高低？」燃燈曰：「你們只貪看惡陣，致多生此一段是非。」黃龍真人上前曰：「馬遂，你休要這等自恃。如今吾不與你論高低，且等掌教聖人來至，自有破陣之時。你何必倚仗強橫，行兇滅教也？」馬遂躍步，仗劍來取。黃龍真人手中劍急忙來迎。只一合，馬遂祭起金箍，把黃龍真人的頭箍住了。真人頭疼不可忍，眾仙急救真人，大家回蘆篷上來。真人急忙除金箍，除又除不掉，只箍得三昧真火從眼中冒出；大家圍在一處不表。且說元始天尊來會萬仙陣，先著南極仙翁持玉符先行。南極仙翁跨鶴而來，雲光繚繚。馬遂擡頭，見是南極仙翁，急架雲光在半空中來，阻住去路。仙翁笑曰：「馬遂，你休要猖獗，掌教師尊來了。」馬遂正欲爭持，只見後面仙樂一派，遍地異香，馬遂知不可爭持，按落雲頭，回歸本陣。南極仙翁先至蘆篷，率眾仙迎鸞接駕，上篷坐下。眾門人拜畢，侍立兩旁。

元始曰：「黃龍真人有金箍之厄。」忙叫：「過來。」黃龍真人走至面前，元始用手一指，金箍隨脫。真人謝畢，元始曰：「今日你等俱該圓滿此厄，各回洞府，守性修心，斬卻三尸，再不惹紅塵之難。」

回令：「蘆篷俱已完備。」黃龍真人曰：「蘆篷既完，只是眾門人去得，餘者俱離四十里遠，紮下團營，俟破陣後，方許起程。」眾將得令，就此駐劄不表。

且說子牙同二位真人，與諸門人弟子，前至蘆篷上。但見懸花結彩，香氣氤氳，迎接玉虛門下之客。今日萬仙陣總會一面，滿其紅塵殺戒，再去返本還元。不一時這三山五岳眾道人齊齊拍手大笑而來：廣成子、赤精子、文殊廣法天尊、普賢真人、慈航道人、清虛道德真君、太乙真人、靈寶大法師、道行天尊、懼留孫、雲中子、燃燈道人。眾道人見子牙稽首，曰：「今日之會，正完其一千五百年之劫數。」正是：

緣滿皈依從正道，靜心定性誦黃庭。

子牙迎接上篷坐下，先論破陣原故。燃燈曰：「只等師長來，自有道理。」眾皆默然端坐。且說金靈聖母在萬仙陣中，見燃燈道人頂上現了三花，沖上空中，已知玉虛門下眾道者來了；隨發一個雷聲，振開萬仙陣，一塊煙霧散開，現出萬仙陣來。蘆篷上眾仙一見，睜目細看數番，見截教中高高下下，攢攢簇簇，俱是五岳三山四海之中雲遊道客，奇奇怪怪之人。燃燈點頭對眾道人歎曰：「今日方知截教有這許多人品，吾教不過屈指可數之人。」正是：

玄都大法傳吾輩，方顯清虛不二門。

內中有黃龍真人曰：「眾位道友，自元始以來，為道獨尊，但不知截教門中一意濫傳，遍及匪類，真是可惜工夫，苦勞心力，徒費精神。不知性命雙修，枉了一生作用，不能免生死輪迴之苦，良可悲也！」道行天尊曰：「此一會，正是我等一千五百年之劫，難逢難遇。今我等先下篷看看，如何？」燃燈曰：

立湖海雲遊頭陀並散客。正東上：九華巾，水合袍，太阿劍，梅花鹿，都是道德清高奇異人；正西上：雙抓髻，淡黃袍，古定劍，八叉鹿，畫是駕霧騰雲清隱士；正南上：大紅袍，黃斑鹿，昆吾劍，正是五遁三除截教公；正北上：皂色服，蓮子簪，邠鐵鐃，跨麋鹿，都是倒海移山雄猛客。翠藍旛，青雲繞繞；素白旗，彩氣翩翩；大紅旗，火雲罩頂；皂藍旗，黑氣施張；杏黃旗，萬千條古怪的金霞，內藏著天上無、世上少、闔地開天無價寶。又是烏雲仙、金光仙、虬首仙神光起起；靈牙仙、毘蘆仙、金箍仙氣概昂昂。七香車坐金靈聖母，分門別戶；八虎車坐申公豹，總督萬仙；無當聖母法寶隨身；龜靈聖母包羅萬象。金鐘響，翻騰宇宙；玉磬敲，驚動乾坤；提爐排，嫋嫋香煙籠霧隱；羽扇搖，翩翩彩鳳離瑤池。奎牛上坐的是混沌未分、天地玄黃之外、鴻鈞教下通天截教主。只見長耳仙持定了神書，奧妙道德無窮，與截滅闢六魂旛。左右金童隨聖駕，紫霧紅雲離碧遊。通天教主身心變，只因一怒結成讎。兩教生剋終有損，天翻地覆鬼神愁。崑崙正法扶明主，山河一統屬西周。

話說老子同元始來看萬仙陣，老子一見萬仙陣，與元始曰：「他教下就有這些門人！據我看來，總是不分品類，一概濫收，那論根器深淺，豈是了道成仙之輩。此一回玉石自分，淺深互見。遭劫者，可不枉用工夫，可勝歎息！」話猶未了，只見通天教主從陣中坐奎牛而出，穿大紅白鶴絳絹衣，手執寶劍而來。老子看通天教主全無道氣，一臉兇光。怎見得，有贊為證，贊曰：

闔地開天道理明，談經論法碧遊京。五氣朝元傳妙訣，三花聚頂演無生。頂上金光分五彩，足下紅蓮逐萬程。八卦仙衣飛紫氣，三鋒寶劍號青蘋。伏虎降龍為第一，擒妖縛怪任縱橫。徒眾

眾門人曰：「願老師聖壽無疆！」正靜坐間，忽聽得空中有一陣異香仙樂，飄飄而來。元始已知老子來至，隨同眾門人迎候。老子下了板角青牛，攜手上簾。眾門人禮拜畢，老子拍掌曰：「周家不過八百年基業，貧道也到紅塵中來三番四轉，可見運數難逃，何怕神仙佛祖。」元始曰：「塵世劫運，便是物外神仙都不能免，況我等門人，又是身犯之者？我等不過來了此一番劫數耳。」二位師尊言過，端然默坐。至三更時分，只見各聖賢頂上現有瓔珞慶雲，祥光繚繞，滿空中有無限瑞靄，直沖霄漢。且言二位掌教師尊與眾門人默坐蘆篷不表。

且說金靈聖母在萬仙陣內，見瑞靄祥雲，知二位師伯已至，自思曰：「今日掌教師伯已來，吾師也要早至方可。」及至天明，只聽的半空中仙樂盈空，珮環之聲不絕，群仙隨通天教主離了碧遊宮，親至萬仙陣來。金靈聖母得知，率領眾仙，迎接教主，進了陣門，上了八卦臺坐下。萬仙叩謁畢，金靈聖母曰：「二位師伯俱已至此。」通天教主曰：「罷了，如今是月缺難圓。既擺此萬仙陣，必定與他兒個雌雄，以定一尊之位。今日是萬仙統會，以完劫數。」隨命長耳定光仙：「你且去蘆篷上見你二位師伯，下這一封書。」定光仙領命，逕至蘆篷下，見楊戩等俱在左右站立。哪吒問曰：「來者何人？」長耳定光仙曰：「吾是奉命下書，來見師伯的。借你通報。」哪吒上前啟知。老子曰：「命來。」哪吒下簾說知。定光仙上得簾來，見左右立著十二代門人，定光仙拜伏于地，將書呈上。老子看書畢，調定光仙曰：「吾知道了，明日來破萬仙陣也。」定光仙下簾至萬仙陣，回復通天教主。且說次日，二位教主領眾門徒來看萬仙陣，下得簾來，至陣前一見，好萬仙陣！怎見得，有贊為證，贊曰：

一團怪霧，幾陣寒風。彩霞籠五色金光，瑞雲起千叢艷色。前後排山岳修行道士與全真，左右

赤精子躍身而出。只見太極陣中一位道人，長鬚黑面，身穿皂服，腰束絲絲，跳出陣前，大呼曰：「赤精子，你敢來會吾陣麼？」赤精子曰：「烏雲仙，你不可恃強，此處是你的死地了！」烏雲仙大怒，仗劍來取，赤精子手中劍赴面交還。未及三四個回合，烏雲仙腰間掣出混元鎚就打，一聲響，把赤精子打了一跤。烏雲仙纔待下手，有廣成子大呼曰：「少待傷吾道兄，吾來了！」仗劍抵住了烏雲仙。二人大戰，未及數合，烏雲仙又是一鎚把廣成子打倒在地。廣成子爬將起來，往西北上走了。通天教主命烏雲仙趕去，「定然拿來！」烏雲仙領法旨，隨後趕來。廣成子前走，烏雲仙後趕。看看趕上，廣成子正無可奈何，轉過山坡，只見準提道人來至。讓過了廣成子，準提阻住了烏雲仙，笑容滿面，口稱：「道友請了！」烏雲仙認得是準提道人，大叫曰：「準提道人，你前日在誅仙陣上傷了吾師，今又阻吾去路，情殊可恨！」仗寶劍望準提道人頂上劈來。道人把口一張，有一朵青蓮托住了劍。言曰：

「舌上青蓮能托劍，吾與烏雲有大緣。」

準提曰：「道友，我與你是有緣之客，特來化你歸吾西方，其享極樂，有何不美？」烏雲仙大呼曰：「好潑道！欺吾太甚！」又是一劍。準提用中指一指，一朵白蓮托劍。準提又曰：「道友，

掌上白蓮能托劍，須知極樂在西方。二六蓮臺生瑞彩，波羅花放滿園香。」

烏雲仙大呼曰：「一派胡說！敢來欺我！」又是一劍。準提將手一指，一朵金蓮托住。準提曰：「烏雲仙友，吾乃是大慈大悲，不忍你現出真相。若是現時，可不有辱你平昔修煉工夫，化為烏有。我如今不過要與你興西方教法，故此善化你，幸祈急早回頭。」烏雲仙大怒，又是一劍砍來。準提將拂塵一刷，烏雲仙手中劍只剩得一個靶兒。烏雲仙大怒，擡起混元鎚打來。準提就跳出圈子去了，烏雲仙隨後趕來。

三千分左右，後隨萬姓盡精英。天花亂墜無窮妙，地擁金蓮長瑞禎。度盡眾生成正果，養成正道屬無聲。對對幡幢前引道，紛紛音樂及時鳴。奎牛穩坐截教主，仙童前後把香焚。靈龜沉轡雲霧長，騰騰殺氣白氤氳。白鶴唳時天地轉，青鸞展翅海山澄。通天教主離金闕，來聚群仙百萬名。

話說通天教主見二位教主，對面打稽首，曰：「二位道兄請了！」老子曰：「賢弟可謂無賴之極！不思悔過，何能掌截教之主？前日誅仙陣上已見雌雄，只當潛蹤隱跡，自己修過，以懺往愆，方是掌教之主；豈得怙惡不改，又率領群仙布此惡陣？你只待玉石俱焚，生靈戕滅殆盡，你方纔罷手，這是何苦定作此業障耶？」通天教主怒曰：「你等謬掌闡教，自恃己長，縱容門人，肆行猖獗，殺戮不道，反在此巧言惑眾。我是那一件不如你？你敢欺我！今日你再請西方準提道人將加持杵打我就是了。不知他打我即是打你一般。此恨如何可解？」元始笑曰：「你也不必口講，只你既擺此陣，就把你胸中學識舒展一二，我與你共決雌雄。」通天教主曰：「我如今與你仇恨難解，除是你我俱不掌教，方纔干休！」通天教主道罷，走進陣去；少時，布成一個陣勢，乃是一個陣結三個營壘，攢簇而立。通天教主至陣前問曰：「你二人可識吾此陣否？」老子大笑曰：「此乃是吾掌中所出，豈有不知之理？此是太極兩儀四象之陣耳！有何難哉！」通天教主曰：「可能破否？」元始曰：「你且聽吾道來：

混元初判道為尊，煉就乾坤清濁分。太極兩儀生四象，如今還在掌中存。」

老子問曰：「誰去破此太極陣走一遭？」赤精子大呼曰：「弟子願會此陣！」作歌而出，歌曰：

「今朝圓滿斬三尸，復整菩提在此時。太極陣中遇奇士，回頭百事自相宜。」

第八十三回

三大士收伏獅象吼

一鉤明月半輪秋，三點如星仔細求。獅象有名緣相立，慈航無著借形修。

朝元最忌貪嗔敗，脫骨須知罣礙離。總為諸仙逢殺劫，披毛帶角盡皆休。

話說準提道人命水火童子：「將六根清淨竹，來釣金鰲。」童子向空中將竹枝垂下，那竹枝就有無限光華異彩，裏住了烏雲仙，烏雲仙此時難逃現身之厄。準提叫曰：「烏雲仙，你此時不現原形，更待何時！」只見烏雲仙把頭搖了一搖，化作一個金鬚鰲魚，剪尾搖頭，上了釣竿。童子上前，按住了烏雲仙的頭，將身騎上鰲魚背上，逕往西方八德池中享受極樂之福去了。正是：

八德池中開戲宴，金蓮為伴任逍遙。

話說準提道人收了金鰲，趕至萬仙陣前。通天教主看見準提，怒沖面上，眼角俱紅，大呼曰：「準提道人，你今日又來會吾此陣，吾決不與你干休！」準提道人曰：「烏雲仙與吾有緣，被吾用六根清淨竹釣去西方八德池邊，自在逍遙，無罣礙，真強如你在此紅塵中擾攘也。」通天教主聽罷大怒，正欲與準提廝殺，只聽得太極陣中一人作歌而出，歌曰：

「大道非凡道，玄中玄更玄。誰能參悟透，咫尺見先天。」

話說太極陣中虬首仙提劍而出：「誰人敢進吾陣中來，共決雌雄？」準提道人曰：「文殊廣法天尊，借

準提曰：「徒弟在那裡？」只見了一個童兒來，身穿水合衣，手執竹枝而來。不知烏雲仙凶吉如何，且聽下回分解。

評

余化龍父子一門忠烈，真不愧鬚眉；雖余德甚癡，豈得以此少之？三仁之後，不得多得。

又評

神仙原是清淨無為，豈得專以殺伐為事？況其鼻祖者乎！通天教主原是封神榜的人，如何反走了糊突帳裡去？真個可笑！此老真該打入輪迴，不可令他掌教鴻鈞，自欠主張。

個通天教主羞紅滿面，大怒曰：「你再敢破吾兩儀陣麼？」老子尚未及回言，只見兩儀陣內靈牙仙大呼而出曰：「誰敢來破吾兩儀陣麼？」正是：

袖裡乾坤翻上下，兩儀陣內定高低。

靈牙仙逕出陣來，問：「誰敢來見吾此陣？」元始命普賢真人曰：「你去破此陣走一遭。」遂將太極符印付與普賢真人。真人至陣前曰：「靈牙仙，你苦修成形，為何不守本分，又來多此一番事也？只怕你咫尺間現了原形，那時悔之晚矣。」靈牙仙大怒，仗二劍飛來直取，普賢真人仗手中劍火速忙迎。未及數合，靈牙仙便往兩儀陣中而去；普賢真人趕入陣內。靈牙仙祭動兩儀妙用，逞截教玄功，發動雷聲，來困普賢真人。只見普賢真人泥丸宮現出化身，甚是兇惡。怎見得，有贊為證：

面如紫棗，巨口獠牙。霎時間紅雲籠頂上，一會家瑞彩罩金身。瓔珞垂珠掛遍體，蓮花托足起祥雲。三首六臂持利器，手內降魔杵一根。正是：有福西方成正果，真人今日已完成。

話說普賢真人現出法身，鎮住靈牙仙，仍用長虹索，命黃巾力士：「將靈牙仙拿去蘆篷下，聽候指揮。」普賢真人破了兩儀陣，逕至蘆篷上，參見老子。老子命南極仙翁速現靈牙仙原身。南極仙翁領令，將三寶玉如意把靈牙仙連擊數下；靈牙仙就地一滾，現出原形，乃是一隻白象。老子吩咐：「將白象頸上也掛一牌，上書靈牙仙名諱，與普賢真人為坐騎。」復至陣前。通天教主見青獅在左，白象在右，不覺大怒，正欲上前，只見四象陣中金光仙大呼曰：「闡教門人不要逞強，吾來也！」乃作歌而出，歌曰：

「妙法廣無邊，身心合汞鉛。今領四象陣，道術豈多言？二指降龍虎，雙眸運太玄。誰人來會

我，方是大羅仙。」

你去會此位有緣之客。」準提道人把文殊廣法天尊頂上一指，泥丸復開，三光迸出，瑞氣盤旋。元始天尊遞一旛與文殊，名曰盤古旛，可破此太極陣。文殊廣法天尊接旛作偈而出，偈曰：

「混元一氣此為先，萬劫修持合太玄。莫道此中多變化，汞鉛消盡福無邊。」

文殊廣法天尊歌罷，虬首仙大呼曰：「今日之功，各顯其教，不必多言！」仗手中劍砍來。文殊廣法天尊手中劍急架相還。未及數合，虬首仙便往陣中而去，文殊廣法天尊縱步趕來。虬首仙進陣，便祭起符印，只見陣中如鐵壁銅牆一般，兵力如山。文殊廣法天尊將盤古旛展動，鎖住了太極陣，廣法天尊現出一法身來。怎見得，有贊為證：

面如藍靛，赤髮紅髯。渾身上五彩呈祥，遍體內金光擁護。降魔杵滾滾紅焰飛來；金蓮邊騰騰霞光亂舞。正是：太極陣中，皈依大法現威光，朵朵祥雲籠八面。

虬首仙見廣法天尊現出一位化身，甚是奇異，只見香風縹緲，瓔珞纏身，蓮花托足。虬首仙無法可治，正欲迴避；文殊忙將網妖繩祭起，命黃巾力士：「拿去蘆篷下聽候發落。」廣法天尊收了法像，徐徐出陣，上篷來見元始，曰：「弟子已破太極陣矣。」元始命南極仙翁：「去蘆篷下，將虬首仙打出原身。」仙翁領命至篷下，見虬首仙縛住一團。南極仙翁對虬首仙口中念念有詞，道聲：「疾！還不速現原形，更待何時！」只見虬首仙把頭搖了兩搖，就地一滾，乃是一個青毛獅子，剪尾搖頭，甚是雄偉。南極仙翁回復元始天尊命令。元始吩咐：「就命廣法天尊坐騎，仍于項下掛一牌，上書虬首仙名諱。」次日，老子與元始親臨陣前，問：「通天教主何在？」左右報與通天教主，逕出陣前。老子命文殊騎了青獅至前面，老子指與通天教主看，曰：「你的門下多有此等之物，你還要自逞道德清高，真是可笑！」就把

仙拿至蘆篷下。南極仙翁在篷下等候，忽見空中丟下金光仙來。南極仙翁見金光仙跌下篷來，遵老子命令，將金光仙頸上連拍幾下：「這業障還不速現原形，更待何時！」金光仙情知不能逃脫，就地一滾，現出原形，乃是一隻金毛吼。仙翁至蘆篷回覆法旨。元始吩咐：「也與他頸上掛一牌，書金光仙名諱，就與慈航為坐騎。」仙翁一一如命施為。慈航騎了，復出陣前。此乃是三大士收伏獅、象、吼；後與釋門，成於佛教，為文殊、普賢、觀音，是三位大士。此是後話，表過不題。且說通天教主見如此光景，心中大怒，方欲仗劍前來，以決雌雄，忽聽得後面一門人大呼曰：「老師不要動怒，吾來也！」通天教主觀之，乃是龜靈聖母，身穿大紅八卦衣，仗手中寶劍，作歌而來，歌曰：

「炎帝修成大道通，胸藏萬象妙無窮。碧遊宮內傳真訣，特向紅塵西破戎。」

只見龜靈聖母欲來拿廣成子報仇，這壁廂有懼留孫迎上前來曰：「那業障慢來！」老子、元始、準提道人三位教主是慧眼，看見龜靈聖母行相，元始笑曰：「三位道兄，似這樣東西，如何也要成正果？真個好笑！」你道他如何出身，有贊為證：

根源出處號幫泥，水底增光獨顯威。世隱能知天地性，靈星偏曉鬼神機。藏身一縮無頭尾，展足能行即白飛。蒼顏造字須成體，卜筮先知伴伏羲。穿萍透荇千般俏，戲水翻波把浪吹。條條金線穿成甲，點點裝成玳瑁齊。九宮八卦生成定，散碎鋪遮綠羽衣。生來好勇龍王幸，死後還駝三教碑。要知此物名和姓，炎帝得道母烏龜。

且說龜靈聖母仗劍出來，與懼留孫大戰，未及三五合，急祭起日月珠打來。懼留孫不識此寶，不敢招架，轉身往西而敗走。通天教主大呼曰：「速將懼留孫拿來！」龜靈聖母飛趕前來。懼留孫——乃是西方有

元始見金光仙出得四象陣來，勇猛莫敵，忙吩咐慈航道人曰：「你將如意執定，進四象陣去，直須如此如此，就變化無窮，何愁此陣不破也？此是你有緣之騎。」慈航道人作歌而出，歌曰：

「普陀崖下有名聲，了劫歸根返玉京。今日已完收四象，夢魂猶自怕臨兵。」

慈航歌罷，金光仙躍身而出，大呼曰：「慈航道人，你口出大言，肆行無忌，好個『今日已完收四象』，只怕你死于目前！不要走，正要拿你！」仗手中劍飛來直取，慈航道人手中劍急架忙迎。未及三合，金光仙便入四象陣了。慈航趕入陣中，金光仙將四象陣符印發開，內有無窮法寶，來治慈航道人。正是：

四象陣遇金毛猿❶，潮音洞裡聽談經。

話說慈航道人見四象陣中變化無窮，忙將頭上一拍，有一朵慶雲籠罩，蓋住頂上，只聽得一聲雷響，現出一位化身，怎見得：

面如傅粉，三首六臂。二目中火光焰裡見金龍；兩耳內朵朵金蓮生瑞彩。足踏金鰲，靄靄祥雲千萬道；手中托杵，巍巍紫氣徹青霄。三寶如意擎在手，長毫光燦燦；楊枝在肘後，有瑞氣騰騰。

正是：

普陀妙法莊嚴，方顯慈航道行。

且說金光仙看見闡教內門人這等化身，自歎曰：「真好一個玉虛門下，果然器宇不同！」欲待逃回，早已被慈航道人祭起三寶玉如意，命黃巾力士：「把此物拿去簷下，聽候發落。」少時，力士平空把金光

❶ 猿：音尸ヌ。北方之獸，似犬，食人。

話說白蓮童子打開包裹，放出蚊蟲。那蚊蟲聞得血腥氣，俱來可在龜靈聖母頭足之上。及至趕打，如何趕得徹？未曾趕得這裡，那裡又宿滿了。不一時，把龜靈聖母吸成空殼。白蓮童子急至收時，他也自四散飛去，一翅飛往西方，把十二品蓮臺食了三品。後來西方教主破了萬仙陣回來，方能收住，已是少了三品蓮臺，追悔無及。正是：

九品蓮臺登彼岸，千年之後有沙門。

不表蚊蟲之事，且說西方教主同懼留孫來至萬仙陣前，見了紫霧紅雲，黃光繚繞，有準提道人見師兄來至，老子與元始忙迎上前，打稽首曰：「道友請了！」對面通天教主看見，大呼曰：「接引道人，你前番可惡，破吾誅仙陣；今又來此！吾與你見個高下！」道罷，把奎牛催開，用劍來取。西方教主也不動手，只見泥丸宮舍利子升起三顆，或上或下，反覆翻騰，遍地俱是金光。通天教主寶劍架隔，不能近身。通天教主大怒，復用漁鼓打來。準提用手一指，一朵金蓮架住，亦不能近身。老子與元始請曰：「二位道兄暫回，今日且不要與他較量。」赤精子聽罷，忙鳴金鐘，廣成子又擊玉磬。四位教主皆回。通天教主又不能阻攔，心中大怒，曰：「今日且讓他暫回，明日決要會你等，以見高下！」老子曰：「你且回去，不要性急。」

只見四位教主同至蘆篷上坐下，元始曰：「二位道兄此來共佐周室，若明日破陣，必盡除此教，以絕彼之虛妄。只是難為後來訪道修真之人，絕此一種耳。」接引道人曰：「貧道此來，單只為渡有緣之客。據吾觀，萬仙陣中邪者多而正者少，沒奈何，只得隨緣相得，不敢勉強耳。」老子曰：「吾等門人今已滿戒，明日速破此陣，讓他早早返本還元，以全此輩根行，也不失我等解脫一場。」元始隨命姜尚

緣之客，久後入於釋教，大闡佛法，興於西漢。——正往西上逃走，只見迎頭來了一人，頭挽雙髻，身穿水合道袍，徐徐而來，讓過懼留孫，阻住龜靈聖母，大呼曰：「不要趕吾道友。你既修成人體，禮當守分安居，如何肆志亂行，作此業障？若不聽吾之言，那時追悔何及！你可速回，吾乃西方教主，大展沙門，今來特遇有緣，非是無端惹事。」正是：

若是有緣當早會，同上西方極樂天。

龜靈聖母大呼曰：「你是西方客，當守你巢穴，如何敢在此妖言亂語，惑吾清聽！」也不及交手，急祭日月珠劈面打來。接引道人指上放一白毫光，光上生一朵青蓮，托住此珠。曰：「青蓮托此物，眾生那得知？」龜靈聖母原非根深行滿之輩，不知進退，依舊用此珠打來。接引道人曰：「既到此間，也免得行此紅塵之事；非是不慈悲，乃是氣數使然，我也難為自主。我且將此寶祭起，看他如何。」西方教主將念珠祭起，龜靈聖母一見，躲身不及，那念珠落下，正打在龜靈聖母背上，壓倒在地，現出原身，乃是一個大龜，只見壓得頭足齊出。懼留孫方欲仗劍斬之，西方教主急止之曰：「道友不可殺他，若動此念，轉劫難完，相報不己。」教主呼：「童子在那裡？」言未畢，只見一童子走至前面，西方教主曰：「我同此位道友去會有緣之客，你可將此畜收之。」接引道人同懼留孫赴蘆篷來不表。

且說西方白蓮童子將一小包兒打開，欲收龜靈聖母，不意走出一件好東西，甚是利害，聲音細細，映日飛來。怎見得，有詩為證：

聲若轟雷嘴若針，穿衾度幔更難禁。貪餐血食侵人體，畏避煙燻集茂林。

炎熱愈威偏聒噪，寒風纔動便無情。龜靈聖母因逢劫，難免今朝萬喙臨。

從來心上修仙道，邪正方知成大宗。

話說通天教主至陣前，見老子、元始四人一至，大呼曰：「今日定要與你等見個高低，斷不草率干休！」話猶未了，只見洪錦走馬至陣前，與龍吉公主也不聽約束，舉刀刃直衝殺過去。子牙攔阻不住。——看官：此正是這二位星官該絕於此，天數使然，故不由分說，直殺過去耳。——洪錦把刀一擺，兩騎馬沖進陣中。萬仙陣不曾提防有此衝突之患，被龍吉公主祭起瑤池內白光劍，傷了數位仙家。夫妻二人正衝殺間，只見亂騰騰殺氣迷空，黑靄靄陰風晦晝，正遇金靈聖母在七香車上布陣，忽報：「龍吉公主衝進陣來。」金靈聖母急下車看時，公主已殺至面前。聖母綽步，提飛金劍抵敵。未及數合，聖母祭起四象塔打來。公主不知此寶，躲不及，一塔正打中頂上，跌下馬來，被眾仙殺之。洪錦見公主已絕，大叫一聲：「休傷吾公主！」把刀來取聖母。聖母又祭起龍虎如意，正中洪錦頂上。可憐！白歸周土，屢得奇功，今日夫妻陣亡，以報武王。二位清魂俱往封神臺去了。元始正欲與通天教主答話，只見洪錦夫妻已亡，元始歎謂西方教主曰：「方纔絕者乃是瑤池金母之女。天數合該如此，可見非人力所為。」只聽得萬仙陣裡有一竿翠藍旗搖，隱隱調出四位道者，乃是按二十八宿之星，正應萬仙陣而出。元始見翠藍旗搖動，來了四位道人，俱穿青色衣。怎見得，有詩為證，詩曰：

一字青紗腦後飄，道袍水合束絲絛。元神一現群龜滅，斬將封為角木蛟。

九揚紗巾頭上蓋，腹內玄機無比賽。降龍伏虎似平常，斬將封為斗木獬。

三柳髭鬚一尺長，煉就三花不老方。蓬萊海島無心戀，斬將封為奎木狼。

修成道氣精光煥，巨口獠牙紅髮亂。碧遊宮內有聲名，斬將封為井木犴。

過來，問曰：「前日破誅仙陣，那四口寶劍在否？」子牙曰：「此劍俱在弟子處。」元始曰：「取來。」子牙隨取出四口劍獻上元始，乃誅、戮、陷、絕之劍。元始乃命廣成子、赤精子、玉鼎真人、道行天尊四人過來，吩咐曰：「你四人但看明日吾等進陣之時，陣裡面八卦臺前有一座寶塔昇起，你四個先衝進重圍之中，祭起此劍。原是他的寶劍，還絕他的門人，非吾等故作此惡業也。」又調子牙曰：「明日會陣之際，但凡吾門下，見者皆可進陣，以完劫數。」子牙領了法旨，來至蘆篷下，吩咐眾門人曰：「明日共破萬仙陣，爾等俱入陣中，各見雌雄，以完劫數。」眾門人聽說，喜不自勝，不表。

且說潼關眾將聽得破萬仙陣，俱在關內，一個個心癢難抓，恨不得也來看看。內有洪錦與龍吉公主曰：「我也是截教，況你又是瑤池仙子，理合去會萬仙陣；如何在此不行？」龍吉公主曰：「我們明日早去無妨。」夫妻計議停當，次日來見武王曰：「臣辭大王，要去會萬仙陣，以完劫數，特聽姜元帥調遣。」武王曰：「卿去固好，當佐相父破敵也。」武王大喜，奉酒餞行，洪錦夫婦告別起行。也是合該如此。正是：

萬仙陣內夫妻絕，天數安排不得差。

且說元始次日下篷，吩咐眾門人鳴動金鐘、玉磬，三教聖人率諸門人共破萬仙陣。只見通天教主吩咐長耳定光仙曰：「但吾與你師伯共西方二位道人會戰，吾叫你將六魂幡磨動，你可將旛磨動，不得有誤！」長耳定光仙曰：「弟子知道。」通天教主打點會戰。且說長耳定光仙自思：「我前只見師伯左右門人，總共十二代弟子，俱是道德之士；昨日又見西方教主，三顆舍利子頂上光華，真是道法無邊。」先自三分退讓。正是：

五行妙術體全殊，合就玄中白丈夫。悟道成仙無造化，斬將封為壁水獮。

元始曰：「此俱是截教門中，併無一人有根行之士，俱是無福修為，該受此劫數也，深為可悲！」又見皂蓋旛搖，出來四位道人。怎見得，有詩為證，詩曰：

跨虎登山觀鶴鹿，驅邪捉怪神鬼哭。只因無福了仙家，斬將封為女土蝠。

頂上祥光五彩氣，包含萬象多伶俐。無分無緣成正果，斬將封為胃土雉。

採煉陰陽有異方，五行攢簇配中黃。不歸闡教歸截教，斬將封為柳土獐。

赤髮紅鬚情性惡，游盡三山併五岳。包羅萬象枉徒勞，斬將封為氏土貉。

元始與老子同西方教主共言曰：「你看這些人，有仙之名，無仙之骨，那裡做得修行悟道之品！」四位教主正談論之間，只見旗門開處，又來了四位道人。怎見得，有詩為證，詩曰：

修成大道真瀟灑，妙法玄機有真假。不能成道卻凡塵，斬將封為星日馬。

鐵樹開花怎得齊，陰神行樂跨虹霓。只因無福為仙侶，斬將封為昂日雞。

面如藍靛多威武，赤髮金睛惡似虎。呼風喚雨不尋常，斬將封為虛日鼠。

三昧真火空中露，霞光前後生百步。萬仙陣內逞英雄，斬將封為房日兔。

話說通天教主在陣中調出第七對來，展一桿素白旛，旛下有四位道者，兇兇惡惡，凜凜起起，手提方楞鋼出來。怎見得，有詩為證，詩曰：

道術精奇蓋世無，修真煉性握兵符。長生妙訣貪塵劫，斬將封為畢月烏。

髮似硃砂臉似靨，渾身上下金光現。天機玄妙總休言，斬將封為危月燕。

元始又見一聲鐘響，一桿大紅旗搖，又來了四位道人，俱穿大紅絳絹衣，好兇惡！怎見得，有詩為證，詩曰：

碧玉霞冠形容古，雙手善把天地補。無心訪道學長生，斬將封為尾火虎。
截教傳來煉玉樞，玄機兩濟用工夫。丹砂鼎內龍降虎，斬將封為室火豬。
秘授口訣伏妖邪，頂上靈雲天地遮。三花聚頂難成就，斬將封為翼火蛇。
不戀榮華止自修，降龍伏虎任悠游。空為數載丹砂力，斬將封為背火猴。

老子見萬仙陣中一桿白旗搖動，又有四位道人出來，身穿大白衣，體態兇頑，各有妖氛氣概。因謂元始曰：「似這等業障都來枉送性命，你看出來的都是如此之類。」怎見得，有詩為證，詩曰：

五岳三山任意遊，訪玄參道守心修。空勞爐內金丹汞，斬將封為斗金牛。
腹內珠璣貫八方，包羅萬象道汪洋。只因殺戒難逃躲，斬將封為鬼金羊。
離龍坎虎相匹偶，煉就神丹成不朽。無緣頂上現三花，斬將封為婁金狗。
金丹煉就脫樊籠，五遁三除大道通。未滅三尸吞六氣，斬將封為亢金龍。

四位教主又見通天教主把手中劍望東、西、南、北指畫，前後又是鐘鳴；陣門開處，又有四位道人出來，真好稀奇！有詩為證，詩曰：

自從修煉玄中妙，不戀金章共紫誥。通天教主是吾師，斬將封為箕水豹。
出世虔誠悟道言，勤修苦行反離魂。移山倒海隨吾意，斬將封為參水猿。
簪冠道服性聰敏，煉就白氣心無損。只因無福了長生，斬將封為軫水蚓。

第八十四回

子牙兵取臨潼關

幽魂幡下夜猿啼，壯士紛紛急鼓聲。黑霧瀰漫人魄散，妖氛籠罩將星低。

只知戰勝歌刁斗，不認奸邪悔噬臍。屈死英雄遭血刃，至今城下草萋萋。

話說通天教主率領眾仙至陣前，老子曰：「今日與你決定雌雄，萬仙遭難。正應你反覆不定之罪。」通天教主怒曰：「你四人看我今番怎生作用！」遂催開奎牛，執劍欲來。老子笑曰：「料你今日作用也只如此！只你難免此厄也！」催開青牛，舉起扁拐，急架忙迎。元始天尊對左右門人曰：「今日你等俱滿此戒，須當齊入陣中，以會截教萬仙，不得錯過。」眾門人聽此言，不覺歡笑，啞一聲喊，齊殺入萬仙陣中。正是：

萬仙陣上施玄妙，都向其中了劫塵。

文殊廣法天尊騎獅子，普賢真人騎白象，慈航道人騎金毛犼；三位大士各現出化身，衝將進去。靈寶大法師仗劍而來，太乙真人持寶鏢進陣，懼留孫、黃龍真人、雲中子、燃燈道人齊往萬仙陣來。後面又有姜子牙同哪吒等眾門人亦大呼曰：「吾等今日破萬仙陣，以見真偽也！」話未了時，只見陸壓道人從空飛來，撞入萬仙陣內，也來助戰。看這場大戰，正是萬劫總歸此地，神仙殺運方完。只見：

老子坐青牛，往來跳躍；通天教主縱奎牛，猛勇來攻。三大士催開了青獅、象、犼，金靈聖母

面如赤棗落腮鬚，撒豆成兵蓋世無。兩足登雲如掣電，斬將封為心月狐。

腹內玄機修二六，煉就陰陽超凡俗。誰道五氣未朝元，斬將封為張月鹿。

話說通天教主把九曜二十八宿調將出來，按定方位。只見四七二十八位道客，齊齊整整，左右盤旋，簾擁而出。但見了些飛霞紅氣，紫電青光，有多少者層層密密，兇兇頑頑，真個是殺氣騰騰，愁雲慘慘，好生利害！不知後事如何，且聽下回分解。

評

金龜獅象玃與龜，皆鱗甲披毛之屬，而通天教主一概收為門下，其截教之非正道可知。又云：凡七竅者，皆可成仙。又云：披毛從此得，作佛也由他。從此看來，俱是自家作主張。當日烏雲虬首等仙學好，便可以成仙了道。一動殺心，便成金龜成獅成象成玃成龜，都各從其類，這是自討的。此一段說法，正是慈悲勸世。

又評

金龜獅象玃，不過復其本相，為人坐騎耳。若龜靈聖母則飽足蚊蟲之腹，其死法亦苦，無怪今人深惡而痛絕之。今又有甘之者，誠何心哉！

燃燈將定海珠把金靈聖母打死。廣成子祭起誅仙劍，赤精子祭起戮仙劍，道行天尊祭起陷仙劍，玉鼎真人祭起絕仙劍，數道黑氣衝空，將萬仙陣罩住，凡封神臺上有名者，就如砍瓜切菜一般，俱遭殺戮。子牙祭打神鞭，任意施為。萬仙陣中又被楊任用五火扇搗起烈火，千丈黑煙迷空，可憐萬仙遭難，其實難堪。哪吒現三首八臂，往來衝突。玉虛一千門下，如獅子搖頭，狻猊舞勢，只殺得山崩地塌。通天教主見萬仙受此屠戮，心中大怒，急呼曰：「長耳定光仙快取六魂幡來！」定光仙因見接引道人白蓮裹體，舍利現光，又見十二代弟子玄都門人俱有瓔珞、金燈、光華罩體，知道他們出身清正，截教畢竟差訛，他將六魂幡收起，輕輕的走出萬仙陣，逕往蘆篷下隱匿。正是：

根深原是西方客，躲在蘆篷獻寶幡。

話說通天教主大呼：「定光仙快取幡來！」連叫數聲，連定光仙也不見了。教主已知他去了，大怒，欲待無心戀戰，又見萬仙受此等狼狽；欲待上前，又有四位教主阻住；欲要退後，又恐教下門人笑話，只得勉強相持，又被老子打了一拐。通天教主著了急，祭起紫電鎚來打老子。老子笑曰：「此物怎能近我！」只見頂上現出玲瓏寶塔，此鎚焉能下來。通天教主止出神，不防元始天尊又一如意，打中通天教主肩窩，幾乎落下奎牛。通天教主大怒，奮勇爭戰。只見二十八宿星官已殺得看看殆盡，止丘引見勢不好了，借土遁就走。被陸壓看見，惟恐追不及，急縱至空中，將葫蘆揭開，放出一道白光，上有一物飛出，陸壓打一躬，命：「寶貝轉身。」可憐丘引頭已落地。陸壓收了寶貝，復至陣中助戰。且說接引道人在萬仙陣內將乾坤袋打開，盡收那三千紅氣之客，有緣往極樂之鄉者，俱收入此袋內。準提同孔雀明王在陣中現三十四頭，十八隻手，執定瓔珞傘蓋，花貫魚腸，金弓銀戟，白鉞幡幢，加持神杵，寶鏹銀瓶等物來

使寶劍飛騰。靈寶大法師面如火熱；無當聖母怒氣沖空。太乙真人動了心中三昧；昆蘆仙亦顯神通。道德真君來完殺戒；雲中子寶劍如虹。懼留孫把網仙繩祭起；金箍仙用飛劍來攻。陣中玉磬錚錚響，臺下金鐘朗朗鳴。四處起團團煙霧，八方長颯颯狂風。人人會三除五遁，個個曉倒海移峰。劍對劍，紅光燦燦；兵迎寶，瑞氣溶溶。平地下鳴雷震動，半空中霹靂交轟。這壁廟三教聖人行正道，那壁廟通天教主涉邪宗。這四位教主也動了嗔癡煩惱，那通天教主竟犯了反覆無終。正克邪，始終還正；邪逆正，到底成凶。急嚷嚷天翻地覆，鬧炒炒華岳山崩。姜子牙奉天征討，眾門人各要立功；楊戩刀猶如閃電，李靖戟一似飛龍，金吒躍開腳步，木吒寶劍齊衝，韋護祭起降魔寶杵，哪吒登開風火輪，各自稱雄。雷震子二翅半空施勇，楊任手持五火扇搗風。又來了四仙家，祭起那誅、戮、陷、絕四口寶劍，這般兵器難當其鋒，咫尺間斬了二十八宿，頃刻時九曜俱空。通天教主精神減半，金靈聖母口內啁啾，昆蘆仙已無主意，無當聖母戰戰兢兢。一時間又來了西方教主，把乾坤袋舉在空中，有緣的須當早進，無緣的任你縱橫。霎時間雲愁霧慘，一會家地暗難窮。從今驚破通天膽，一事無成有愧容。

話說老子與元始衝入萬仙陣內，將通天教主裏住。金靈聖母被三大士圍在當中，只見三大士面分藍、紅、白，或現三首六臂，或現八首六臂，或現三首八臂，渾身上下俱有金燈、白蓮、寶珠、瓔珞、華光護持。金靈聖母用玉如意招架三大士多時，不覺把頂上金冠落在塵埃，將頭髮散了，這聖母披髮大戰。正戰之間，遇著燃燈道人祭起定海珠打來，正中頂門。可憐！正是：

封神正位為星首，北闕香煙萬載存。

定光仙遂拜了接引、準提二位教主。子牙在篷下與哪吒等曰：「今日萬仙陣中許多道者遭殃，無辜受戮，其實痛心。」門人之內，個個歡喜不表。

且說通天教主被四位教主主破了萬仙陣，內中有成神者，有歸西方教主者，有逃去者，有無辜受戮者。彼時無當聖母見陣勢難支，先自去了。申公豹也走了，崑崙仙已歸西方教主，後成為崑崙佛，此是千年後纔見佛光。當日通天教主主領著二百名散仙，走在一座山下，少憩片時，自思：「定光仙可恨將六魂旛竊去，使吾大功不能成！今番失利，再有何顏掌碧遊宮大教？左右是一不做，二不休，如今回宮，再立地水火風，換個世界罷！」左右眾仙俱各各贊襄。通天教主見左右四個切己門徒俱喪，切齒深恨：「不若往紫霄宮見吾老師，先稟過了他，然後再行此事。」正與眾散仙商議，忽見正南上祥雲萬道，瑞氣千條，異香襲襲，見一道者，手執竹杖而來。作偈曰：

「高臥九重雲，蒲團了道真。天地玄黃外，吾當掌教尊。盤古生太極，兩儀四象循。一道傳三友，二教闡截分。玄門都領秀，一氣化鴻鈞。」

話說鴻鈞道人來至，通天教主知是師尊來了，慌忙上前迎接，倒身下拜曰：「弟子願老師聖壽無疆！不知老師駕臨，未曾遠接，望乞恕罪。」鴻鈞道人曰：「你為何設此一陣，塗炭無限生靈，這是何說？」通天教主曰：「啟老師，二位師兄欺滅吾教，縱門人毀罵弟子，又殺戮弟子門下，全不念同堂手足，一味欺凌，分明是欺老師一般。望老師慈悲！」鴻鈞道人曰：「你這等欺心！分明是你自己作業，致生殺伐，該這些生靈遭此劫數；你不自責，尚去責人，情殊可恨！當日三教共僉封神榜，你何得盡忘之也！名利乃凡夫俗子之所爭，嗔怒乃兒女子之所事，縱是未斬三尸之仙，未赴蟠桃之客，也要脫此苦惱；豈

戰通天教主。通天教主看見準提，頓起三昧真火，大罵曰：「好潑道！焉敢欺吾太甚，又來攪吾此陣也！」縱奎牛衝來，仗劍直取；準提將七寶妙樹架開。正是：

西方極樂無窮法，但是蓮花一化身。

且說通天教主用劍砍來，準提將七寶妙樹一刷，把通天教主手中劍打的粉碎。通天教主把奎牛一撻，跳出陣去了。準提道人收了法身，老子與元始也不趕他。群仙其破了萬仙陣，鳴動金鐘，擊響玉磬，俱回蘆篷上來。老子與元始看見定光仙，問曰：「你是截教門人定光仙，為何躲在此處也？」定光仙拜伏在地曰：「師伯在上，弟子有罪，敢稟明師伯。吾師煉有六魂幡，欲害二位師伯並西方教主、武王、子牙，使弟子執定聽用。弟子因見師伯道正理明，吾師未免偏聽逆道，造此業障，弟子不忍使用，故收匿藏身於此處。今師伯下問，弟子不得不以實告。」元始曰：「奇哉！你身居截教，心向正宗，自是有根器之人。」隨命跟上蘆篷，四位教主坐下，共論今日邪正方分。老子問定光仙曰：「你可取六魂幡來。」定光仙將幡呈上。西方教主曰：「此幡可摘去周武、姜尚名諱，將幡展開，以見我等根行如何。」準提隨將六魂幡摘去武王、姜尚名諱，命定光仙展布。定光仙依命，將幡連展數展。只見四位教主頂上各現奇珍：元始現慶雲，老子現塔，西方二位教主現舍利子，保護其身。定光仙見了，棄幡倒身下拜，言曰：「似此吾師妄動嗔念，陷無限生靈也！」西方教主曰：「吾有一偈，你且聽著：

極樂之鄉客，西方妙術神。
蓮花為父母，九品立吾身。
池邊分八德，常臨七寶園。
波羅花開後，遍地長金珍。
談講三乘法，舍利腹中存。
有緣生此地，久後幸沙門。」

西方教主曰：「定光仙與吾教有緣。」元始曰：「他今日至此，也是棄邪歸正念頭，理當皈依道兄。」

來。」老子、元始、通天三個走近前面。道人問曰：「當時只因周家國運將興，湯數當盡，神仙逢此緞運，故命你三個共立封神榜，以觀眾仙根行淺深，或仙，或神，各成其品。不意通天弟子輕信門徒，致生事端，雖是劫數難逃，終是你不守清淨，白背盟言，不能善為眾仙解脫，以致俱遭屠戮，罪誠在你，非是我為師的有偏向，這是公論。」接引與準提齊曰：「老師之言不差。」鴻鈞曰：「今日我與你講明，從此解釋。大徒弟，你須讓過他罷。俱各歸仙闕，毋得戕害生靈。況眾弟子厄滿，姜尚大功垂成，再毋多言，從此各修宗教。」鴻鈞吩咐：「三人過來跪下。」三位教主齊至面前，雙膝跪下。道人袖內取出一個葫蘆，倒出三粒丹來，每一位賜他一粒：「你們吞入腹中，吾自有話說。」三位教主俱皆依師命，各吞一粒。鴻鈞道人曰：「此丹非是卻病長生之物，你聽我道來：

此丹煉就有玄功，因你三人各自攻。若有先將念頭改，腹中丹發即時甦！」

鴻鈞道人作羅詩，三位教主叩首：「拜謝老師慈悲！」鴻鈞道人起身，作辭西方教主，命通天三弟子：「你隨我去。」通天教主不敢違命。只見接引道人與準提俱起身，同老子、元始率眾門人同送至蓬下。鴻鈞別過西方二位教主，老子與眾門人等又拜伏道旁，俟鴻鈞發駕。鴻鈞吩咐：「你等去罷。」眾人起立拱候。只見鴻鈞與通天教主駕祥雲冉冉而去。西方教主也作辭回西去了。老子、元始與子牙曰：「今日來，我等與十二代弟子俱回洞府，候你封過神，重新再修身命，方是真仙。」正是：

重修頂上三花現，返本還元又是仙。

子牙與元始眾仙下得蘆篷，姜子牙伏於道旁，拜求掌教師尊曰：「弟子姜尚蒙師尊指示，得進於此地，不知後會諸候一事如何？」老子曰：「我有一詩，你謹記有驗。詩曰：

意你三人乃是混元大羅金仙，歷萬劫不磨之體，為三教元首，為因小事，生此嗔癡，作此邪慾。他三人原無此意，都是你作此過惡，他不得不應耳。雖是劫數使然，也都是你約束不嚴，你的門徒生事，你不是居多。我若不來，彼此報復，何日是了？我特來大發慈悲，與你等解釋冤愆，各掌教宗，毋得生事。」隨吩咐左右散仙：「你等各歸洞府，自養天真，以俟超脫。」眾仙叩首而散。

鴻鈞道人命通天教主先至蘆篷通報。通天教主不敢有違師命，只得先往蘆篷下來，心中自思：「如何好見他們？」不得已，靦面而行。話說哪吒同韋護俱在蘆篷下，議論萬仙陣中那些光景，忽見通天教主先行，後面跟著一個老道人扶策而行，只見祥雲繚繞，瑞氣盤旋，冉冉而來，將至篷下。眾門人與哪吒等各各驚疑未定。只見通天教主將近篷下，大呼曰：「哪吒可報與老子、元始，快來接老爺聖駕！」哪吒忙上篷來報。話說老子在篷上與西方教主正講眾弟子劫數之厄，今已圓滿，猛擡頭見祥光瑞靄，騰躍而來，老子已知老師來至，忙起身謁元始曰：「師尊來至！」急率眾弟子下篷。只見哪吒來報：「天主教主跟一老道人而來，呼老爺接駕，不知何故。」老子曰：「吾已知之。此是我等老師，想是來與我等解釋冤愆耳。」遂相率下篷迎接，在道旁俯伏曰：「不知老師大駕下臨，弟子有失遠接，望乞恕罪。」鴻鈞道人曰：「只因十二代弟子運逢殺劫，致你兩教參商。吾特來與你等解釋冤尤，各安宗教，毋得自相背逆。」老子與元始聲喏曰：「願聞師命。」遂至篷上，與西方教主相見。鴻鈞道人稱讚：「西方極樂世界真是福地。」西方教主應曰：「不敢！」教主請鴻鈞道人拜見。鴻鈞曰：「吾與道友無有拘束。這三個是吾門下，當得如此。」接引道人與準提道人打稽首坐下。後面就是老子、元始過來拜見畢，又是十二代弟子併眾門人俱來拜見畢，俱分兩邊侍立。通天教主也在一旁站立。鴻鈞道人曰：「你三個過

孤之幸也。」子牙傳令，起兵往臨潼關來。只八十里，早已來至關下，安下行營。且說臨潼關守將歐陽淳聞報，與副將卞金龍、桂天祿、公孫鐸共議曰：「今姜尚兵來，止得一關，焉能阻擋周兵？」眾將言曰：「主將明日與周兵見一陣，如勝則以勝而退周兵；如不勝，然後堅守，修表往朝歌去告急，俟援兵協守，此為上策。」歐陽淳曰：「將軍之言是也。」次日，子牙陞帳，傳下令去：「誰去取臨潼關走一遭？」傍有黃飛虎曰：「末將願往。」子牙許之。飛虎領本部人馬，一聲砲響，至關下搦戰。報馬報入帥府：「啟主帥：有周將搦戰。」歐陽淳曰：「誰去走一遭？」只見先行官卞金龍領令，出關來見黃飛虎，大呼曰：「來將何名？」飛虎曰：「吾乃武成王黃飛虎是也。」卞金龍大罵：「反賊不思報國，反助叛逆！吾乃臨潼關先行卞金龍是也。」黃飛虎大怒，縱騎搖鎗，飛來直取。卞金龍手中斧急架忙迎。牛馬相交，鎗斧併舉。戰未三十合，黃飛虎賣個破綻，吼一聲，將卞金龍刺下馬來，梟了首級，掌鼓回營，來見姜元帥。子牙大喜，上了黃將軍功績不表。且說報馬報入帥府，歐陽淳大驚，只見卞金龍家將報入本府，卞金龍妻子胥氏聽說，放聲大哭，驚動後園長子卞吉。卞吉問左右：「太太為何啼哭？」左右把家主陣亡事說了一遍。卞吉怒髮沖冠，隨換了披掛，來見母親曰：「母親不須啼哭，俟兒為父親報仇。」胥氏只是啼哭，也不管卞吉的事。卞吉上馬，至帥府前。左右報入殿庭：「啟元帥：卞先行長子聽令。」歐陽淳命：「令來。」卞吉上殿，行禮畢，含淚啟曰：「末將父死何人之手？」歐陽淳曰：「尊翁不幸，被反賊黃飛虎鎗挑下馬，喪了性命。」卞吉曰：「今日已晚，明日拏仇人為父洩恨。」卞吉回至家中，令家將扛擡一個紅櫃，隨領軍出關。卞吉率領軍士至關外，豎立一根大旛桿，將紅櫃打開，擡出一首旛，掛將起來，懸於空中，有四五丈高。好利害旛！怎見得，有詩為證：

險處又逢險處過，前程不必問如何。諸侯八百看齊會，只待封神奏凱歌。」

老子道罷，與元始各回玉京去了。廣成子與十二代仙人，俱來作別曰：「子牙，吾等與你此一別，再不能會面也！」子牙心下甚是不忍分離，在篷下戀戀不捨。子牙作詩以送之，詩曰：

「東進臨潼會萬仙，依依回首甚相憐。從今別後何年會？安得相逢訴舊緣。」

話說群仙作別而去，惟有陸壓握子牙之手曰：「我等此去，會面已難，前途雖有凶險之處，俱有解釋之人；只還有幾件難處之事，非此寶不可，我將此葫蘆之寶送你，以為後用。」子牙感謝不已。陸壓隨將飛刀付與，也自作別而去。

話分兩頭，單表元始駕回玉虛。申公豹只因破了萬仙陣，希圖逃竄他山，豈知他惡貫滿盈，跨虎而遁；只見白鶴童子看見申公豹在前面，似飛雲掣電一般奔走，白鶴童子忙啟元始天尊曰：「前面是申公豹逃竄。」元始曰：「他曾發一誓，命黃巾力士將我的三寶玉如意把他掣在麒麟崖伺候。」童子接了如意，遞與力士。力士趕上前大呼曰：「申公豹不要走！奉天尊法旨掣你去麒麟崖聽候！」祭起如意，平空把申公豹掣了往麒麟崖來。且說元始天尊駕至崖前，落下九龍沉香輦，只見黃巾力士將申公豹掣來，放在天尊面前。元始曰：「你曾發下誓盟，去塞北海眼，今日你也無辭。」申公豹低首無語。元始命黃巾力士：「將我的蒲團捲起他來，掣去塞了北海眼！」力士領命，將申公豹塞在北海眼裡。有詩為證：

堪笑闡教申公豹，要保成湯滅武王。今日誰知身塞海，不知紅日幾滄桑。

話說黃巾力士將申公豹塞了北海，回元始法旨不表。

且說子牙領眾門徒回潼關來見武王，武王曰：「相父今日回來，兵士俱齊，可速進兵，早會諸侯，

來刺。黃飛虎急撥鎗來迎。戰有三十回合，卞吉詐敗，竟往旛下去了。黃飛虎不知，也趕至旛下，亦如南宮适一樣被擒。黃明大怒，搖斧趕來，欲救黃飛虎，不知至旛下，也跌翻在地，也被擒了。卞吉連擒二將，進關來報功，欲將黃飛虎斬首，以報父仇。歐陽淳曰：「小將軍雖要報父之仇，理宜斬首；只他是起禍渠魁，正當獻上朝廷正法，一則以洩尊翁之恨，一則以顯小將軍之功；恩怨兩伸，豈不為美？且將他監候。」卞吉不得已，只得含淚而退。

話說周紀見黃明又失利，不敢向前，只得敗進營來見子牙。子牙聞說黃飛虎被擒，大驚，問周紀曰：「他如何擒去？」周紀曰：「他於關外立有一旛，俱是人骨頭穿成，高有數丈。他先自敗走，竟從旛下過去；若是趕他的，只至旛下，便身連馬倒了。黃明去救武成王，也被擒去。」子牙大驚：「此又是左道之術！待吾明日親自臨陣，便知端的。」次日，子牙與眾將門人出營來，看見此旛，懸於空中，有千條黑氣，萬道寒煙。哪吒等仔細定睛，看那白骨上俱有硃砂符印，對子牙曰：「師叔可曾見上面符印麼？」子牙曰：「吾已見了。此正是左道之術。你等今後交戰，只不往他旛下過便了。」只見報馬報入關內，歐陽淳也親自出關，來會子牙。歐陽淳不往旛下過，往旁邊走來。子牙看見歐陽淳轉將出來，對門人曰：「你看主將也不從此處過。」眾將皆點頭會意。子牙迎上前來，問：「來將莫非守關主將麼？」歐陽淳曰：「然也。」子牙曰：「將軍何不知天命耶？五關止此一城，尚欲抗拒天兵哉？」歐陽淳大怒：「匹夫敢出此言！」回顧卞吉曰：「與吾拿此叛賊！」卞吉催開馬，搖手中戟飛奔過來。旁有雷震子大呼曰：「賊將慢來，有吾在此！」展開二翅，舉棍打來。卞吉見雷震子兇悍，知是異人，未及數合，就往旛下敗走。雷震子自忖：「此旛既是妖術，不若先打碎此旛，再殺卞吉未遲。」雷震子把二翅飛起，望旛上

萬骨攢成世罕知，開天闢地最為奇。周王不是多洪福，百萬雄師此處危。

話說當日卞吉將旛桿豎起，一馬竟至周營轅門前搦戰。哨馬報入中軍：「啟元帥：關內有將請戰。」子牙問：「誰人出馬？」只見南宮适領命出營。見一員小將，生的面貌兇惡，手持方天畫戟，大呼曰：「來者何人？」南宮适笑曰：「似你這等黃口孺子，定然不認得，吾是西岐大將南宮适。」卞吉曰：「且饒你一死回去，只叫黃飛虎出來！他殺我父，吾與他有不共戴天之仇。我不拏你這將生替死之輩。」南宮适聽罷大怒，縱馬舞刀，直取卞吉；卞吉手中戟急架忙迎。二馬相交，戟刀併舉。二將大戰，正是棋逢對手，將遇作家。卞吉與南宮适戰有二十合，卞吉撥馬便走，南宮适隨後趕來。卞吉先往旛下過去。南宮适不知詳細，也往旛下來，只見馬到旛前，早已連人帶馬跌倒，南宮适不醒人事，被左右守旛軍士將南宮适繩纏索綁，掣出旛來。南宮适方睜開二目，乃知墮入他左道之術。卞吉進關來見歐陽淳，把掣了南宮适的話說了一遍。歐陽淳命左右：「推來。」至殿前，南宮适站立不跪。歐陽淳罵曰：「反國逆賊！今已被擒，尚敢抗禮！」命：「速斬首號令！」傍有公孫鐸曰：「主將在上：目今奸佞當道，言我等守關將士俱是架言征戰，冒破錢糧，賄買功績；凡有邊報，一概不准，尚將齋本人役斬了。依末將愚見，不若將南宮适監候，俟捉獲渠魁，解往朝歌，以塞奸佞之口，庶知邊關非冒破之名。不知主將意下若何？」歐陽淳曰：「將軍之言正合吾意。」遂將南宮适送在監中不表。

且說子牙聞報，南宮适被擒，心中大驚，悶坐中軍。次日，卞吉又來搦戰，坐名要黃飛虎。飛虎帶黃明、周紀出營來。見卞吉飛馬過來，大呼曰：「來者何人？」黃飛虎曰：「吾乃武成王黃飛虎是也。」卞吉聞言大怒，罵曰：「反國逆賊，擅殺吾父，不共戴天之仇。今日拿你碎尸萬段，以洩吾恨！」展戟

又評

申公豹雖罪之魁，亦功之首；元始還該寬恕他。若不是他邀請只些人，如何湊得封神榜上數？此時元始不過只要應他的咒，以合冥數，故從闡教人。畢竟要應數，一些也不放空；截教不論數，只是恃力扭轉他。二者皆非正道。

一棍打來。不知此旛周圍有一股妖氣迷住，撞著他就自昏迷，雷震子一棍打來，竟被妖氣沖著，便翻下地來，不醒人事。兩邊守旛家將，把雷震子綑綁起來。這壁廂韋護大怒，急祭起降魔杵來打此旛。此杵雖能鎮壓邪魔外道之人，不知打不得此旛。只見那杵竟落旛下。正是：

休言韋護降魔杵，怎敵幽魂百骨旛。

話說韋護見此杵竟落于旛下，不覺大驚；眾門下俱面面相覷。只見卞吉復至軍前大呼曰：「姜尚可早下騎歸降，免你一死！」哪吒聽得大怒，登開風火輪，現出三首八臂，大喝曰：「匹夫慢來！」搖火尖鎗飛來直取。卞吉見哪吒如此形狀，先自吃了一驚。未及數合，被哪吒一乾坤圈把卞吉幾乎打下馬來，回身敗進關去了。子牙後有李靖催馬搖戟來戰，歐陽淳旁有桂天祿舞手中刀抵住了李靖。未及數合，被李靖一戟刺于馬下。歐陽淳大怒，搖手中斧來戰李靖，子牙命左右擂鼓助戰。只見陣後沖出辛甲、辛免，四賢毛公遂、周公旦、召公奭無數周將，把歐陽淳圍在當中，又有周紀、龍環、吳謙三將也來助戰，把歐陽淳殺得只有招架之功，更無還兵之力。不知後事如何，且聽下回分解。

評

通天教主為神仙領袖，如何這等模糊？既知天意已定，如何扭得過來，徒令生靈受苦？夫子云：不知天命，無以為君子。若通天教主可為知命乎？豈可還令他掌教？因該打入常行，歷百千劫，方可還其掌教。鴻鈞道人甚欠主張，俱為情面所使。

妄生禍亂；侵佔疆土，五關已得四關，大兵見屯臨潼關下，損兵殺將，大肆狂暴，真繫卵之危，其禍不小。守關主將具疏告急，乞陛下以社稷為重，日親政事，速賜施行，不勝幸甚！」微子將表呈上。紂王接表，看罷，大驚曰：「不意姜尚作難肆橫，竟克朕之四關也。今不早治，是養癰自患也。」隨傳旨上殿。左右當駕官施設龍車鳳輦：「請陛下發駕。」只見警蹕傳呼，天子御駕早至金鑾寶殿。掌殿官與金吾大將忙將鐘鼓齊鳴，百官端肅而進，不覺威儀一新。只因紂王有經年未曾臨朝，今一旦登殿，人心鼓舞如此。怎見得，有贊為證，贊曰：

煙籠鳳閣，香燭龍樓。光搖月辰動，雲拂翠華流。侍臣燈，宮女扇，雙雙映彩；孔雀屏，麒麟殿，處處光浮。靜鞭三下響，衣冠拜冕旒。金章紫綬垂天象，管取江山萬萬秋。

話說紂王設朝，百官無不慶幸。朝賀畢，王曰：「姜尚肆橫，以下凌上，侵犯關隘，已壞朕四關，如今屯兵于臨潼關下。若不大奮乾剛，以懲其侮，國法安在！眾卿有何策可退周兵？」言未畢，左班中閃出一位上大夫李通，出班啟奏曰：「臣聞『君為元首，臣為股肱。』陛下平昔不以國事為重，聽讒遠忠，荒淫酒色，屏棄政事，以致天愁民怨，萬姓不保，天下思亂，四海分崩。陛下今日臨軒，事已晚矣。況今朝歌豈無智能之士，賢俊之人？只因陛下平日不以忠良為重，故今日亦不以陛下為重耳。即今東有姜文煥，遊魂關晝夜無寧；南有鄂順，三山關攻打甚急；北有崇黑虎，陳塘關旦夕將危；西有姬發，兵叩臨潼關，指日可破；真如大廈將傾，一木焉能支得？臣今不避斧鉞之誅，直言冒瀆天聽，乞速加整飭，以救危亡。如不以臣言為謬，臣舉保二臣，可先去臨潼關，阻住周兵，再為商議。願陛下日修德政，去讒遠佞，諫行言聽，庶可少挽天意，猶不失成湯之脈耳。」王曰：「卿保舉何人？」李通曰：「臣觀眾

第八十五回

鄧芮二侯歸周主

西山日落景寥寥，大廈將傾借小條。卞吉無辜遭屈死，歐陽熱血染霞綃。

奸邪用事民生喪，妖孽頻興社稷搖。可惜成湯先世業，輕輕送入往來潮。

話說歐陽淳被干周將圍在核心，只殺得盔甲歪斜，汗流浹背，自料抵擋不住，把馬跳出圈子，敗進關中去了，緊閉不出。子牙在轅門又見折了雷震子，心下十分不樂。且說歐陽淳敗進關來，忙陞殿坐下，見卞吉打傷，吩咐他且往私宅調養，一面把雷震子且送下監中，修告急文書往朝歌求救。差官在路上，正是春盡夏初時節，怎見得一路上好光景，有詩為證，詩曰：

清和天氣爽，池沼芰荷生。梅逐雨餘熟，麥隨風景成。
草隨花落處，鶯老柳枝輕。江燕攜雛習，
山雞哺子鳴。斗南當日永，萬物顯光明。

話說差官在路，不分晝夜，不一日進了朝歌，在館驛安歇。次日，將本齎進午門，至文書房投遞。那日是中大夫惡來看本，差官將本呈上。惡來接過手，正看那本，只見微子啟來至，惡來將歐陽淳的本遞與微子看。微子大驚：「姜尚兵至臨潼關下，敵兵已臨咫尺之地，天子尚高臥不知。奈何！奈何！」隨抱本往內庭見駕。紂王正在鹿臺與三妖飲宴，當駕官啟駕：「有微子啟候旨。」紂王曰：「宣來。」微子至臺上見禮畢，王曰：「皇兄有何奏章？」微子奏曰：「姜尚造反，自立姬發，興兵作叛；糾合諸侯，

歐陽淳命：「開關拿來。」不知若要拿人，只是卞吉的家將拿的，其餘別人皆拿不得，到不得旛下去。彼時幾個軍士走至旛下，俱翻身跌倒，不省人事。關上軍士看見，忙報主將。歐陽淳亦自驚疑，忙叫左右：「去請卞吉來。」卞吉此時在家調養傷痕，聞主帥來呼喚，只得勉強進府中。歐陽淳將前事告訴一遍。卞吉曰：「此小事耳。」命家將：「去把那矮子拿來，將眾人放了。」家將出關，將土行孫綁了，把眾軍士拖出旛外。眾人如醉方醒，各各揉眼擦面。一時將土行孫扛進關來，拿進府中。歐陽淳問曰：「你是何人？」土行孫曰：「我見旛下有一黃金棍，拿去家裡耍子，不知就在那裡睡著了。」卞吉在旁邊罵曰：「你這匹夫！怎敢以言語來戲弄我？」命左右：「拿去斬了！」眾軍士拿出前門，舉刀就斬，只見土行孫一扭，就不見了。正是：

地行妙術真堪羨，一晃全身入土中。

眾軍士忙進府中來報曰：「啟元帥：異事非常！我等拿此人，方纔下手，那矮子把身一晃，就不見了。」歐陽淳與卞吉曰：「這個就是土行孫了，倒要仔細。」彼此驚異不表。土行孫回營，來見子牙，曰：「果然此旛利害，弟子至旛下就跌倒了，不知人事；若非地行之術，性命休矣。」次日，卞吉傷痕痊癒，領家將出關，至軍前搦戰。哨馬報入子牙，子牙問：「誰人出馬？」哪吒願往，登風火輪，搖火尖鎗出營來。卞吉見了仇人，也不答話，搖畫杆戟，劈面刺來；哪吒火尖鎗分心就刺。一場大戰，怎見得，有贊為證，贊曰：

戰鼓殺聲揚，英雄臨戰場。紅旗如烈火，征夫四臂忙。這一個展開銀杆戟，那一個發動火尖鎗。
哪吒施威武，卞吉逞剛強。忠心扶社稷，赤膽為君王。相逢難下手，孰在孰先亡。

臣之內，止有鄧昆、芮吉素有忠良之心，輔國實念，若得此二臣前去，可保無虞也。」紂王准奏，隨官鄧昆、芮吉上殿。不一時宣至殿前，朝賀畢，王曰：「今有上大夫李通奏卿忠心為國，特舉卿二人前去臨潼關協守。朕加爾黃鉞白旄，特專閫外。卿當盡心竭力，務在必退周兵，以擒罪者。卿功在社稷，朕豈惜茅土以報卿哉？當領朕命。」鄧昆、芮吉叩首曰：「臣敢不竭駑駘之力以報陛下知遇之恩也。」紂王傳旨：「賜二卿筵宴，以見朕寵榮至意。」二臣叩頭，謝恩下殿。須臾，左右鋪上筵席，百官與二候把盞。微子、箕子二位殿下也奉酒與二候，哽咽言曰：「二位將軍，社稷安危，在此一行，全仗將軍扶持國難，則國家幸甚！」二候曰：「殿下放心，臣平日之忠肝義膽，正報國恩于今日也，豈敢有負皇上委托之隆，眾大夫保舉之恩也。」酒畢，二人謝過二位殿下與眾官，次日起兵離了朝歌，逕往孟津渡黃河而來。按下不表。

且說土行孫催糧至轅門，看見一首旛，旛下卻是韋護的降魔杵，雷震子的黃金棍。土行孫不知其故，自思：「他二人兵器如何丟在此旛下？我且見了元帥，再來看其真實。」報馬報入中軍：「啟元帥：二運督糧官等令。」子牙傳令：「令來。」土行孫來至中軍，見子牙行禮畢，問曰：「弟子適纔督糧至轅門外，見那關前豎一首旛，那旛下卻有韋護、雷震子兩件兵器在那旛下，不知何故？」子牙把卞吉的事說了一遍。土行孫不信：「豈有此理？」哪吒曰：「卞吉被吾打了一圈，這幾日俱不曾出來。」土行孫曰：「待吾去便知端的。」哪吒曰：「你不可去，果是那旛利害。」土行孫只是不信。那時天色將晚，土行孫逕出營門，一頭往旛下來。方至旛下，便一交跌倒，不知人事。周營哨馬報于子牙，子牙大驚。正無可計較，只見關上軍士見旛下睡著一個矮子，報與歐陽淳。

把人馬調出關會姜尚，早定雌雄，以免無辜塗炭。」歐陽淳曰：「將軍之言甚善。」令卞吉等關中點砲吶喊，人馬一齊出關。

鄧、芮二侯出了關外，見了幽魂白骨旛高懸數丈，阻住正道。卞吉在馬上曰：「啟上二位將軍：把人馬從左路上走，不可往旛下去。此旛不同別樣寶貝。」芮吉曰：「既去不得，便不可走。」軍士俱從左路至子牙營前，對左右探馬曰：「請武王、子牙答話。」哨馬報入中軍：「啟元帥：關中大勢人馬排開，請武王、元帥答話。」子牙曰：「既請武王答話，必有深意。」命中軍官速請武王臨陣。子牙傳令：「點砲吶喊。」寶纛旗磨動，轅門開處，鼓角齊鳴，周營中人馬齊出。怎見得，有贊為證，贊曰：

紅旗閃灼出軍中，對對英雄氣吐虹。馬上將軍如猛虎，步下士卒似蛟龍。騰騰殺氣沖霄漢，靄靄威光透九重。金盔鳳翅光華吐，銀甲魚鱗瑞彩橫。幟頭燦爛紅抹額，束髮冠搖雉尾雄。五岳門人多驍勇，哪吒正印是先鋒。保周滅紂元戎至，法令森嚴姜太公。

話說鄧、芮二侯在馬上見子牙出兵，威風凜凜，殺氣騰騰，別是一般光景；又見那三山五岳門人，一班兒齊齊整整；又見紅羅傘下，武王坐逍遙馬，左右有四賢、八俊，分于兩旁。怎見得武王生成的天子，儀表非俗，有詩為證，詩曰：

龍鳳丰姿迥出群，神清氣爽帝王君。三停①勻稱金霞遠，五岳朝歸紫霧分。

①三停：相法術語。身有三停，自頸至臍曰上停，自臍至膝曰中停，自膝至足曰下停。上停長主安逸，下停長主勞碌。面亦有三停，又名三才，額角、準頭、地角是也。上停長主少年富，中停長主福祿昌，下停長主老吉祥，三停平等主一生衣食不虧。

話說卞吉戰哪吒，又恐他先下手，把馬一撥，預先往旛下走來。看官：若論哪吒要往旛下來，他也來得；他是蓮花化身，卻無魂魄，如何來不得？只是哪吒天性乖巧，他猶恐不妙，便立住腳，看卞吉往旛下過去了，他便登回風火輪，自己回營不表。

且說卞吉進關來見歐陽淳，言曰：「不才欲誼哪吒往旛下來，他狡猾不來趕我，自己回營去了。」歐陽淳曰：「似此奈何？」正議間，忽探馬報：「鄧、芮二侯奉旨前來助戰，請主將迎接。」歐陽淳同眾將出府來迎接。二侯忙下馬，攜手上銀安殿，行禮畢，二侯上坐，歐陽淳下陪。鄧問曰：「前有將軍告急本章進朝歌，天子看過，特命不才二人與將軍協守此關。今姜尚猖獗，所在授首，軍威已挫，似全不在戰之罪也。今臨潼關乃朝歌保障，與他關不同，必當重兵把守，方保無虞。連日將軍與周兵交戰，勝負如何？」歐陽淳曰：「初次副將卞金龍失利，幸其子卞吉有一旛，名曰幽魂白骨旛，全仗此旛，以阻周兵。一次拏了南宮适，二次拏了黃飛虎、黃明，三次拏了雷震子。」鄧曰：「拏的可是反五關的黃飛虎？」歐陽淳曰：「正是他了。」歐陽淳此回，正是：

無心說出黃飛虎，咫尺臨潼關子牙。

話說鄧問：「可是武成王黃飛虎？」歐陽淳曰：「正是。」鄧冷笑曰：「他今日也被你拏了，此將軍莫大之功也。」歐陽淳謙謝不已。鄧暗記在心。原來黃飛虎是鄧兩姨夫，眾將那裡知道。歐陽淳治酒管待二侯，眾將飲罷各散。鄧至私宅，默思：「黃飛虎今已被擒，如何救他？我想天下八百諸侯，盡已歸周，此關大勢盡失，料此關焉能阻得他？不若歸周，此為上策。但不知芮吉何如？且待明日會過一戰，見機而作。」次日，二侯上殿，眾將參謁。芮吉曰：「吾等奉旨前來，當以忠心報國。速傳令，

哪吒三頭八臂，相貌異常，只嚇得神魂飛散，急忙先走，傳令鳴金收兵，眾將各架住兵器。正是：

人言姬發過堯舜，雲集群雄佐聖君。

話說鄧昆回兵進關，至殿前坐下，歐陽淳、卞吉等俱說姜尚用兵有法，將勇兵驍，門下又有許多三山五岳道術之士，難以取勝，俱各各咨嗟不已。歐陽淳只得治酒管待。至夜，各自歸于臥所。且說鄧昆至更深，白思：「如今天時已歸西周，紂王荒淫不道，諒亦不久；況黃飛虎又是兩姨夫，被陷在此，使吾掣肘，如之奈何？且武王功德日盛，有龍鳳之姿，天口之表，真應運之主。子牙又善用兵，門下又是些道術之客，此關豈能為紂王久守哉？不若歸周，以順天時。只恐芮吉不從，奈何！且俟明日以言挑他，看他意思何如，再作道理。」就思想了半夜。不說鄧昆已有意歸周，且表芮吉自與武王見陣進關，雖是吃酒，心上暗自沉吟：「人言武王有德，果然器宇不同。子牙善能用兵，果然門下俱是異士。今三分天下，周其有二，眼見得此關如何守！不若獻關歸降，以免兵革之苦。只不知鄧昆心上如何？且慢慢將言語探他，便知虛實。」兩下裡俱各有意不題。

只見次日，二侯降轎坐下，眾將官參謁畢，鄧昆曰：「關中將寡兵微，昨日臨陣，果然姜尚用兵有法，所助者又是些道術之士。國事艱難，如之奈何？」卞吉曰：「國家興隆，自有豪傑來佐，又豈在人之多寡哉！」鄧昆曰：「卞將軍之言雖是，但目下難支，奈何？」卞吉曰：「今關外尚有此旂，阻住周兵，料姜尚不能過此。」芮吉聽了他二人說話，心中自忖：「鄧昆已有意歸周。」不覺至晚，飲了數杯，各散。鄧昆令心腹人密請芮侯飲酒，芮吉聞命，欣然而來。二侯執手至密室相敘，左右掌起燭來，二侯對面傳杯。正是：

仁慈相繼同堯舜，弔伐重光過夏殷。八百餘年開世業，特將時雨救如焚。

話說鄧、芮二侯在馬上大呼曰：「來者可謂武王、姜子牙麼？」子牙曰：「然也。」因而問之：「二公乃何人？」鄧昆曰：「吾乃鄧昆、芮吉是也。姜子牙，你想西周不以仁義禮智輔國四維，乃擅自僭稱王號，收匿叛亡，拒逆天兵，殺軍覆將，已罪在不赦；今又大肆猖獗，欺君罔上，忤逆不道，侵占天下疆土，意欲何為！獨不思『率土之濱，莫非王臣』，而敢竄惑天下後世之人心哉？」芮吉又指武王曰：「你先王素稱有德，雖羈囚羑里七年，更無一言怨尤，克守臣節，蒙紂王憐赦歸國，加以黃鉞白旄，特專征伐；其洪恩德澤，可為厚矣。爾等當世酬報，尚未盡涓涯之萬一；今父死未久，深聽姜尚妄語，尋事干戈，興無名之師，犯大逆之罪，是自取覆宗滅祀之禍，悔亦何及！今聽吾言，速速退兵，還我關隘，擒其渠魁，獻俘商郊，爾自歸待罪，尚待爾以不死；不然，恐天子大奮乾剛，親率六師，大張天討，只恐爾等死無噍類矣。」

子牙笑曰：「二位賢侯只知守常之語，不知時務之宜。古云：『天命無常，惟有德者居之。』今紂王殘虐不道，荒淫醜暴，殺戮大臣，誅妻棄子，郊社不修，宗廟不享，臣下化之，朋家作仇，戕害百姓，無辜籲天，穢德彰聞，罪惡貫盈。皇天震怒，特命我周恭行天之討，故天下諸侯相率事周，會于孟津，觀政于商郊。二侯尚執迷不悟，猶以口舌相爭耶？以吾觀之，二侯如寄寓之客，不知誰為之主；宜速倒戈，棄暗投明，亦不失封侯之位耳。請自速裁。」鄧昆大怒，命卜吉：「拏此野叟！」卜吉縱馬搖戟，衝殺過來；旁有趙昇使雙刀前來抵住。二人正接戰間，芮吉持刀也衝將過來。這邊孫焰紅使斧抵住。只見武吉催開馬殺來助戰。旁邊惱了先行哪吒，登開風火輪，現三首八臂，衝殺過來，勢不可當。鄧昆見

古人所謂「良禽擇木而棲，賢臣擇主而仕」，以展賢弟之才。」言罷，咨嗟不已。

芮吉笑曰：「據弟察兄之意，兄已有意歸周，故以言探我耳。弟有此心久矣。果長兄有意歸周，弟願隨鞭鐙。」鄧昆忙起身慰之曰：「非不才敢蓄此不臣之心，只以天命人心卜之，終非好消息，而徒死無益耳。既賢弟亦有此心，正所謂『二人同心，其利斷金』，只吾輩無門可入，奈何？」芮吉曰：「慢慢尋思，再乘機會。」二人正商議綢繆，已被土行孫在地下聽得詳細，喜不自勝，思想：「不若乘此時會他一會，有何不可？也是我進關一場。引進二侯歸周，也是功績。」正是：

世間萬事由天數，引得賢侯歸武王。

話說土行孫在黑影裡鑽將上來，現出身子，上前言曰：「二位賢侯請了！要歸武王，吾與賢侯作引進。」道罷，就把鄧、芮二侯謊得半晌無言。土行孫曰：「二侯不要驚恐，吾乃是姜元帥麾下二運糧官土行孫是也。」鄧、芮二侯聽畢，方纔定神，問曰：「將軍為何夤夜至此？」土行孫曰：「不瞞賢侯說，奉姜元帥將令，特來進關探聽虛實。適纔在地下聽得二位賢侯有意歸周，恨無引進，故敢輕冒，致驚大駕，幸無見罪。若果真意歸周，不才預為先容。吾元帥謙恭下士，決不致有辜二侯之美意也。」鄧、芮二侯聽說，不勝欣喜，忙上前行禮曰：「不知將軍前來，有失迎迓，望勿見罪。」鄧昆復挽土行孫之手，歎曰：「大抵武王仁聖，故有公等高明之士為之輔弼耳。不才二人昨日因在陣上，見武王與姜元帥俱是盛德之士，天下不久歸周，今日回關，與賢弟商議，不意為將軍得知，實吾二人之幸也。」土行孫曰：「事不宜遲。將軍可修書一封，俟我先報知姜元帥，候將軍乘機獻關，以便我等接應。」鄧昆急忙向燈下修書，遞與土行孫，曰：「煩將軍報知姜元帥，設法取關。早晚將軍還進關來，以便商議。」土行孫

只見來至前面，聽得鄧、芮二侯在那廂飲酒。土行孫便躲在地下聽他們說些甚麼。只見鄧、芮屏退左右，
笑謂芮吉曰：「賢弟，我們說句笑話。你說將來還是周興，還是紂興？你我私議，各出自己見，不要藏隱，
總無外人知道。」芮吉亦笑曰：「兄長下問，使弟如何敢盡言？若說我等的識見洪遠，又有所不敢言；
若是模糊應答，兄長又笑小弟是無用之物，弟終訥于言。」鄧、芮笑曰：「我與你雖為各姓，情同骨肉，
此時出君之口，入吾之耳，又何本心之不可說哉。賢弟勿疑！」

芮吉曰：「大丈夫既與同心之友談天下政事，若不明曰張膽傾吐一番，又何取其能擔當天下事，為

馬報入中軍，子牙即忙領眾將出營。鄧昆大呼曰：「姜子牙，今日與你共決雌雄也！」拍馬殺入陣中來。只見子牙背後有黃飛彪、黃飛豹二馬沖出，接住鄧、芮二侯廝殺。四騎相交，正在酣戰之下；卞吉看不過，大呼曰：「吾來助戰，二侯勿懼！」武吉出馬，接住大戰。只見卞吉撥馬往旛下就走，武吉不趕。子牙兒只有鄧、芮二侯相戰，忙令鳴金，兩邊各自回軍。子牙看見鄧、芮四將往旛下逕自去了，心中著實遲疑；進營坐下，沉吟自思：「前日只是卞吉一人行走得，餘則昏迷；今日如何他四人俱往旛下行得？」土行孫曰：「元帥遲疑，莫不是為著那旛下他四人都走得麼？」子牙曰：「正為此說。」土行孫曰：「這有何難，候弟子今日再往關內去走一遭，便知端的。」子牙大喜曰：「當宜速行。」當晚初更，土行孫進關，來至鄧、芮二侯密室。二侯見土行孫來至，不勝大喜曰：「正望公來！那旛名喚幽魂白骨旛，再無法可治。今日被我二人刁難他，他將一道符與我們頂在頭上，往旛下過，就如平常，安然無事。足下可持此符獻與姜元帥，速速進兵，吾自有獻關之策也。」土行孫得符，辭了二侯，往大營來，見子牙備言前事。子牙大喜，取符一看，子牙已識得符中妙訣，取硃砂書符，吩咐眾將，俱各領符一道，預備明日會戰。不知卞吉吉凶如何，且聽下回分解。

評

鄧芮二侯是來協守此關的，誰知他來送了此關，又屈殺一個忠良，情殊可恨！李通當坐以安舉之罪。

領命，把身子一晃，無影無形去了。二侯看了，目瞪口呆，咨嗟不已。有詩贊之，詩曰：

暗進臨潼察事奇，二侯共議正逢時。行孫引進歸明主，不負元戎託所知。

話說上行孫來至中軍，剛有五鼓時分，子牙還坐在後帳中等土行孫消息。忽然土行孫立于面前，子牙忙問其進關所行事體如何？上行孫曰：「弟子奉命進關，三將還在禁中，因看守人不曾睡，不敢下手。復行至鄧、芮二侯密室，見二人共議歸周，恨無引進，被弟子現身見他，二侯大悅，有書在此呈上。」子牙接書，燈下觀看，不覺大喜：「此真天子之福也！再行設策，以候消息。」令土行孫回帳不表。

且說鄧、芮二侯次日陞殿坐下，眾將來見。鄧昆曰：「吾二人奉敕協守此關，以退周兵，昨日會戰，未見雌雄，豈是大將之所為？明日整兵，務在一戰以退周兵，早早班師以復王命，是吾願也。」歐陽淳曰：「賢侯之言是也。」當日整頓兵馬，一宿晚景不題。次日，鄧昆檢點士卒，砲聲響處，人馬出關，至周營前搦戰。鄧昆見幽魂白骨旛豎在當道，就在這旛上發揮，忙令卞吉將此旛去了。卞吉大驚曰：「賢侯在上：此旛是無價之寶，阻周兵全在于此；若去了此旛，臨潼關休矣。」芮吉曰：「吾乃是朝廷欽差官，反走小徑；你為偏將，倒行中道，周兵觀之，深為不雅。縱有常勝，亦不為武。理當去了此旛。」卞吉自思：「若是去了此旛，恐無以勝敵人；若不去，彼為主將，我豈可與之抗禮？今既為父親報仇，豈惜此一符也。」卞吉馬上欠身曰：「二位賢侯不必去旛，請回關中一議，自然往返無礙耳。」鄧、芮二侯俱進了關，卞吉忙畫了三道靈符，鄧、芮二侯每人一道，放在幟頭②裡面。歐陽淳一道放在盔裡，復出關來，數騎往旛下過，就如尋常，二侯大喜。及至周營，對軍政官曰：「報你主將出來答話。」探

第八十六回 澠池縣五岳歸天

澠池小縣亦屏商，主將英雄卻異常。吐霧神駒真鮮得，地行妙術更難量。

二王年少因他死，五岳奇謀為爾亡。惟有智多楊督運，騰挪先殺老營堂。

話說子牙將所用之符畫完，吩咐軍政官擂鼓，眾將上帳參見。子牙曰：「你眾將俱各領符一道，藏在盔內，或在髮中亦可。明日會戰，候他敗走，眾將先趕去，搶了他的白骨旛，然後攻他關隘。」眾將聽畢，領了符命，無不歡喜。次日，子牙大隊而出，遙指關上搦戰。探馬報知，鄧、芮二侯命卞吉出馬。卞吉領令出關，可憐：

丹心枉作千年計，死到臨頭尚不知。

卞吉上馬出關，逕往旛下來，大呼曰：「今日定拿你成功也！」縱馬搖戟，直奔子牙。只見子牙左右，干大小將官沖殺過來，把卞吉圍在核心，鑼鼓齊鳴，喊聲四起，只殺得煙霧迷空。怎見得，有詩為證，詩曰：

殺氣漫漫鎖太華，戈聲響亮亂交加。五關今屬西岐主，萬載名垂讚子牙。

話說卞吉被眾將困在核心，不能得出，忽然一戟刺中趙丙肩窩，趙丙閃開，卞吉乘空跳出陣來，逕往旛下逃去。周營一千眾將隨後趕來。卞吉那知暗裡已漏消息，尚自妄想拿人。卞吉復兜回馬，伺候家將拿

又評

卞吉為父報仇，豈得與平常擒拿將軍等？當日拿住武成王，即就幽魂白骨幡下，親手刃之，以洩不共戴天之恨；乃擒進閹來，致權在主將，不肯即斬，欲留為解閹靖功之地。迨鄧昆到來，因與黃飛虎姻戚之故，遂盡軍情，大壞事體，幽魂白骨幡竟成無用。不能報殺父之仇，反惹殺身之禍，豈可不哀也哉！

效辜恩負義之賊也！」鄧、芮二侯大喝曰：「今天下諸侯盡已歸周，難道俱是負成湯之恩者？止不過為獨夫殘虐生民，萬姓塗炭。周武興弔民伐罪之師，汝安得以叛逆目之？真不識天時之匹夫！」歐陽淳大呼曰：「陛下誤用奸邪，反賣國求榮，吾先殺此逆賊，以報君恩！」仗劍來殺鄧、芮二侯。二侯亦仗劍來迎，殺在殿上，雙戰歐陽淳。歐陽淳如何戰得過，被芮吉吼一聲，一劍砍倒歐陽淳，梟了首級。正是：為國亡身全大節，二侯察理順天心。

話說二侯殺了歐陽淳，監中放出三將。黃飛虎上殿來，見是姨丈鄧昆，二人相會大喜，各訴衷腸。芮吉傳令速行開關，先放三將來大營報信。三將至轅門，軍政官報入中軍，子牙大喜，忙令進帳來。三將至中軍見禮畢，子牙問其詳細，只見左右報：「鄧昆、芮吉至轅門聽令。」子牙傳令：「令來。」二侯至中軍，子牙迎下座來，二侯下拜，子牙攙住，安慰曰：「今日賢侯歸周，真不失賢臣擇主而仕之智！」二侯曰：「請元帥進關安民。」子牙傳令，催人馬進關。武王亦起駕隨行，大軍就地歡呼，人心大悅。武王來至帥府，查過戶口冊籍。關中人民父老，俱牽羊擔酒，迎迓王師。武王命殿前治宴，管待東征大小眾將，犒賞三軍。住了數日，子牙傳令起兵往澠池縣。好人馬！一路上怎見得，有詩贊之，詩曰：

殺氣迷空千里長，旂旗招展日無光。層層鐵鉞鋒如雪，對對銅刀刃似霜。

人勝登山豺虎猛，馬過出水蟒龍剛。澠池此際交兵日，五岳齊遭劍下亡。

話說子牙人馬在路前行，不一日，探馬報曰：「啟元帥：前至澠池縣了，請令定奪。」子牙傳令安營，點砲呐喊。話說澠池縣總兵官張奎聽得周兵來至，忙陞帥府坐下。左右有二位先行官，乃是王佐、鄭椿，上廳來見張奎。奎曰：「今日周兵進了五關，與帝都止有一河之隔，幸賴吾在此，尚可支撐。」

人，只見數將趕過旛下，逕殺奔前來。卞吉大驚曰：「此是天喪成湯社稷，如何此寶無靈也？」不敢復戰，隨敗進關來，關門不出。子牙也不趕他，命諸將先將此旛收了。韋護取了降魔杵，又將雷震子黃金棍取了，掌鼓回營。且說卞吉進關來，見鄧、芮二侯。不知二侯已自歸周，就要尋事處治卞吉。忽報：「卞吉回見。」行至階下，芮吉曰：「想今日卞將軍擒有幾個周將？」卞吉曰：「今日末將會戰，周營有十數員大將圍裏當中，末將刺中一將，乘空敗走，引入旛下，以便擒拿他幾員；不知何故，他眾將一擁前來，俱往旛下過來。此乃天喪成湯，非末將戰不勝之罪也。」芮吉笑曰：「前日擒三將，此旛就靈驗；今日如何此旛就不准了？」鄧曰：「此無他說，卞吉見關內兵微將寡，周兵勢大，此關難以久守，故與周營私通，假輸一陣，使眾將一擁而入，以獻此關耳。幸軍士隨即緊閉，未遂賊計，不然，吾等皆為擄矣。此等逆賊，留之終屬後患。」喝令兩邊刀斧手：「拿下梟首示眾！」可憐！正是：

一點丹心成畫餅，怨魂空逐杜鵑啼。

卞吉不及分辯，被左右拿下，推出帥府，即時斬了首級號令。歐陽淳不知其故，見斬了卞吉，目瞪口呆，心下茫然。鄧、芮二侯調歐陽淳曰：「卞吉不知天命，故意逗留軍機，理宜斬首。我二人實對將軍說：方今成湯氣數將終，荒淫不道，人心已離，天命不保；天下諸侯久已歸周，只有此關之隔耳。今關中又無大將，足抵周兵，終是不能拒守。不若我等與將軍將此關獻于周武，共伐無道。正所謂『順天者昌，逆天者亡。』且周營俱是道術之士，我等皆非他的對手。固然我與你俱當死君之難；但無道之君，天下共棄之，你我徒死無益耳。願將軍思之。」歐陽淳大怒，罵曰：「食君之祿，不思報本，反欲獻關，甘心降賊，屈殺卞吉，此真狗彘之不若也！我歐陽淳其首可斷，其身可碎，而此心決不負成湯之恩，甘

只見子牙門下眾將左右分開，張奎大呼曰：「姜元帥慢來！」子牙上前曰：「張將軍，你可知天意？速速早降，不失封侯之位；若自執迷不悟，與五關為例。」張奎笑曰：「你逆天罔上，微幸至此，量你今日死無葬身之地矣。」子牙笑曰：「天時人事，不問可知，只足下迷而不悟耳。此去朝歌不過數百里，一河之隔；四面八方，天下諸侯雲集，諒你區區彈丸之地，何敢拒吾師哉！此正所謂大廈將傾，非一木所能支撐，徒自取滅亡耳！」張奎大怒，催開馬，使手中刀，飛來直取子牙。後面姬叔明、姬叔昇二殿下走馬大呼：「少沖吾陣！」兩條鎗急架忙迎。好張奎！使開刀力戰二將。有詩為證：

臂膊掄開好用兵，空中各自下無情。吹毛利刃分先後，刺骨尖鋒定死生。

惡戰止圖麟閣姓，苦爭只為史篇名。張奎刀法真無比，到處成功定太平。

話說姬叔明等二將見戰張奎不下，二位殿下掩一鎗，詐敗而走，指望回馬鎗挑張奎；不知張奎的坐騎甚奇，名為獨角烏煙獸，其快如神。張奎讓二將去有三四射之地，他把馬上角一拍，那馬如一陣烏煙，似飛雲掣電而來。姬叔明聽得有人追趕，以為得計時，不意張奎已至後面，措手不及，被張奎一刀揮于馬下。姬叔昇見其兄落馬，及至回馬，又被張奎順手一刀，也是兩段。可憐金枝玉葉，一旦遭殃！子牙大驚，急鳴金收兵。張奎也掌鼓進城。子牙見折了二位殿下，收軍回營，心下不樂。武王聞知喪了二弟，掩面而哭，進後營去了。張奎連斬二將，心中甚喜。夫妻二人商議，具表進朝歌不題。

且言子牙悶坐帳上，謂諸將曰：「料漚池不過一小縣，反傷了二位殿下！」只見眾將齊說：「張奎的馬有些奇異，其快如風，故此二位殿下措手不及，以致喪身。」眾將正猜疑時，忽報：「北伯侯崇黑虎至轅門求見。」子牙傳令：「請來。」崇黑虎同文聘、崔英、蔣雄上帳來，參謁子牙。子牙忙下帳，

張奎打點禦敵。且說姜元帥次日陞帳，命將出軍，忽報：「有東伯侯差官下書。」子牙傳令：「令來。」差官至軍前行禮畢，將書呈上。子牙拆書觀看。子牙看書畢，問左右曰：「如今東伯侯姜文煥求借救兵，我這裡必定撥兵纔是。」旁有黃飛虎答曰：「天下諸侯皆仰望我周，豈有坐視不救之理？元帥當得發兵救援，以安天下諸侯之心。」子牙傳令，問：「誰去取遊魂關走一遭？」旁有金、木二吒欠身曰：「弟子不才，願去取遊魂關。」子牙許之，分一枝人馬與二人去了不表。

且說子牙吩咐：「誰去澠池縣取頭一功？」南宮适應聲願往，領令出營，至城下搦戰。張奎聞報，問左右先行：「誰人出馬？」有王佐願往，領兵開放城門，來至軍前。南宮适大呼曰：「五關皆為周有，止此彈丸之地，何不早獻，以免誅身之禍。」王佐罵曰：「無知匹夫！你等叛逆不道，罪惡貫盈，今日自來送死也！」縱馬舞刀來取，南宮适手中刀劈面交還。戰有二三十回合，被南宮适手起刀落，早把王佐揮為兩段。南宮适得勝回營報功，子牙大喜。只見報馬報進城來，張奎聞報，王佐失機，心下十分不快。次日，又報：「周將黃飛虎搦戰。」鄭椿出馬，與黃飛虎大戰二十合，被黃飛虎一鎗刺于馬下，梟了首級回營。子牙大喜。話說張奎又見鄭椿失利，著實煩惱。子牙見連日斬他二將，命左右軍士一齊攻城。眾將率領軍士，放砲呐喊，前來攻城。城上士卒來報張奎，張奎在後廳聞報，與夫人高蘭英商議：「如今孤城難守，連折二將，如之奈何？」高蘭英曰：「將軍有此道術，況且又有坐騎，可以成功，何懼賊兵哉？」奎曰：「夫人不知，五關之內多少英雄，俱不能阻逆，一旦至此，天意可知。今主上猶荒淫如故，為臣豈能安于枕席？」夫妻正議，又報：「周兵攻城甚急。」張奎即時上馬提刀，夫人掠陣，開放城門，一騎當先。

雄的五爪抓似簇，飛揚，黃飛虎長鎗如大蟒出穴。好張奎，敵五將，似猛虎翻騰。刀架斧，斧劈刀，叮噹響亮；又迎刀，刀架叉，有叱咤之聲；鎗打刀，刀架鎗，不離其身；抓分頂，刀掠處，全憑心力；鎗刺來，刀隔架，純是精神。五員將鞍轡上各施巧妙，只殺得刮地寒風聲拉雜，蕩起征塵飛鎧甲，澠池城下立功勳，數定五岳逢七殺。

話說五將把張奎圍在核心，戰有三四十回合，未分勝負。崇黑虎暗思：「既來立功，又何必與他戀戰。」把坐下金睛獸一兜，跳出圈子，詐敗就走，好放神鷹。四將知機，也使撥馬跟黑虎敗走。他不知張奎坐騎其快如風，也是五岳命該如此。——只見張奎等五將去有三二箭之地，把馬頂上角一拍，一陣烏煙，即時在文聘背後，手起一刀，把文聘揮于馬下。崇黑虎急用手去揭葫蘆蓋，已是不及，早被張奎一刀砍為兩段。崔英勒回馬來時，張奎使開刀又戰三將。忽然桃花馬上，一員女將用兩口日月刀，飛出陣來，乃是高蘭英來助張奎。這婦人取出個紅葫蘆來，祭出四十九根太陽金針，射住三將眼目，觀看不明，早被張奎連斬三將下馬。可憐五將一陣而亡！有詩為證，詩曰：

五將東征會澠池，時逢七殺數應奇①。忠肝化碧猶啼血，義膽成灰永不移。

千古英風垂泰嶽，萬年禪祀祝嵩山。五方帝位多隆寵，報國孤忠史冊垂。

話說張奎連誅五將，哨馬報與子牙，子牙大驚：「如何就誅了五將？」掠陣官備言張奎的馬有些利害，故此五將俱措手不及，以致失利。子牙見折了黃飛虎，著實傷悼。正尋思之間，忽報：「楊戩催糧至轅門等令。」子牙傳令：「令來。」至中軍，參謁畢，稟曰：「弟子督糧已進五關，今願繳督糧印，

迎接上帳，各敘禮畢，子牙曰：「君侯兵至孟津幾時了？」黑虎曰：「不才白起兵取了陳塘關，人馬已至孟津割營數月矣。今聞元帥大兵至此，特來大營奉謁，願元帥早會諸侯，共伐無道。」子牙大喜。有武成王與崇黑虎相見，感謝黑虎曰：「昔日蒙君侯相助，擒斬高繼能，此德尚未圖報，時刻不敢有忘，銘刻五內。」彼此遜謝畢。子牙吩咐營中治酒，管待崇黑虎等。正是：

死生有數天生定，五岳相逢絕澠池。

當日酒散。次日，子牙降帳，眾將參謁，忽報張奎搦戰。哨馬報入中軍，子牙問：「今日誰人戰張奎走一遭？」崇黑虎曰：「末將今日來至，當得效勞。」只見文聘、崔英、蔣雄三人也要同去，子牙大喜。四將同出大營，領本部人馬擺開，崇黑虎催開了金睛獸，舉雙板斧，飛臨陣前，大呼曰：「張奎！天兵已至，何不早降？尚敢逆天，自取滅亡哉！」張奎大怒，罵曰：「無義匹夫！你乃是弑兄圖位，天下不仁之賊，焉敢口出大言！」催開馬，使手中刀飛來直取。崇黑虎舉雙斧，急架忙迎。文聘大怒，發馬搖叉，沖殺過來。崔英八楞鎚一似流星，蔣雄的抓絨繩飛起，一齊上前，把張奎裹在當中。卻說子牙在帳上見黃飛虎站立在旁，子牙曰：「黃將軍，崇侯今日會戰，你可去掠陣助他，也不負昔日崇侯曾為將軍郎君報仇。」黃飛虎領令出營，見四將與張奎大戰，黃飛虎自思：「吾在此掠陣，不見我之情分，不若走騎成功，何不為美？」黃飛虎將五色神牛催開，大呼曰：「崇君侯，吾來也！」此正是五岳逢七殺，大抵天數已定，畢竟難逃。只見五將裹住張奎，這場大戰。怎見得，有贊為證：

只殺得愁雲慘淡，旭日昏塵，征夫馬上抖精神。號帶飄揚，千條瑞彩滿空飛；劍戟參差，白雪漫陣舞。崇黑虎雙板斧紛紜上下，文聘的托天叉左右交加，崔英的八楞鎚如流星蕩漾，蔣

必多言！」張奎大怒，命左右：「推出斬首號令！」只見左右將楊戩斬訖，持首級號令。張奎方欲坐下，不一時，只見管馬的來報：「啟老爺得知：禍事不小！」張奎大驚：「甚麼禍事？」管馬的曰：「老爺的馬好好的吊下頭來。」張奎聽得此言，不覺失色，頓足曰：「吾成大功，全仗此烏煙獸，豈知今日無故吊下頭來！」正在廳上急得三尸神暴跳，七竅內煙生，忽報：「方纔被擒的周將又來搦戰。」張奎頓然醒悟：「吾中了此賊奸計！」隨即換馬，提刀在手，復出城來；一見楊戩，大罵：「逆賊擅壞吾龍駒，氣殺我也！怎肯甘休？」楊戩笑曰：「你仗此馬傷吾周將，我先殺此馬，然後再殺你的驢頭！」張奎切齒大罵曰：「不要走！吃吾一刀！」使開手中刀來取，楊戩的刀急架相迎。又戰二十合，楊戩又賣個破綻，被張奎又抓住腰內絲絛，輕輕掙將過去，二次擒來。張奎大怒曰：「這番看你怎能脫去！」正是：

張奎二次擒楊戩，只恐萱堂血染衣。

張奎捉了楊戩進城，坐在廳上。忽報，後邊夫人高蘭英來至前面，因問其故？張奎長吁歎曰：「夫人，我為官多年，得許大功勞，全仗此烏煙獸；今日周將楊戩用邪術壞吾龍駒，這次又被我擒來，還是將何法治之？」夫人曰：「推來我看。」傳令：「將楊戩推來。」少時，推至廳前，高蘭英一見，笑曰：「吾自有處治。將烏雞黑犬血取來，再用尿糞和勻，先穿起他的琵琶骨，將血澆在他的頭上。又用符印鎖住，然後斬之。」張奎如法製度。夫妻二人齊出府前，看左右一一如此施行。高蘭英用符印畢，先將血糞往楊戩頭上澆，手起一刀，將首級砍落在地。夫妻大喜，方纔進府來到廳前，忽聽得後邊丫環飛報出廳來，哭稟曰：「啟老爺夫人：不好了！老太太正在香房，不知那裡穢污血糞把太太澆了一頭，隨即就吊下頭來，真是異事驚人！」張奎大叫曰：「又中了楊戩妖術！」放聲大哭，如醉如癡一般。自思：「老母養

隨軍征伐立功。」子牙曰：「此時將會孟津，也要你等在中軍協助。」楊戩立在一旁，聽得武成王黃將軍已死，楊戩歎曰：「黃氏一門忠烈，父子捐軀，以為王室，不過留清芬于簡編耳！」又問：「張奎有何本領，先行為何不去會他？」哪咤曰：「崇君侯意欲見功，不才先要讓他，豈好占越？不意俱遭其害。」正言間，只見左右來報：「張奎搦戰。」有黃飛彪願為長兄報仇，子牙許之，楊戩掠陣。黃飛彪出營，見張奎也不答話，挺鎗直取，張奎的刀急架忙迎。兩馬相交，一場大戰，約有一二十合。黃飛彪急于為兄報仇，其力量非張奎對手，鎗法漸亂，被張奎一刀揮于馬下。楊戩掠陣，見張奎把黃飛彪斬于馬下，又見他的馬頂上有角，就知此馬有些原故，「待吾除之！」楊戩縱馬搖刀，大呼曰：「張奎休走！吾來也！」張奎問曰：「你是何人，也自來取死？」楊戩答曰：「你這匹夫，屢以邪術壞吾諸將，吾特來拿你，碎尸萬段，以泄眾將之恨！」舉三尖刀劈面砍來，張奎手中刀急架相還。二馬相交，舉刀併舉。怎見得一場大戰，有贊為證，贊曰：

二將棋逢敵手，陣前各逞豪強。翻來覆去豈尋常，真似一對虎狼形狀。這一個會騰挪變化，那一個會攪海翻江。刀來刀架兩無妨，兩個將軍一樣。

話說張奎與楊戩大戰，有三十回合，楊戩故意賣個破綻，被張奎撞個滿懷，伸出手抓住楊戩腰帶，擡過鞍轡。正是：

話說子牙在中軍正議進兵之策，忽報：「張奎搦戰。」哪吒曰：「弟子願往。」登風火輪而出，現出八臂三首，來戰張奎，大呼曰：「張奎若不早降，悔之晚矣！」張奎大怒，催開馬，仗手中刀來取。哪吒使手中鎗劈面迎來。未及三五合，哪吒將九龍神火罩祭起去，把張奎連人帶馬罩住。用手一拍，只見九條火龍一齊吐出煙火，遍地燒來。——不知張奎會地行之術，如土行孫一般。——彼時張奎見罩落將下來，知道不好，他先滾下馬，就地下去了。哪吒不曾留心看，幾乎誤了大事，只是燒死他一匹馬。哪吒掌鼓回營，見子牙，說：「張奎已被燒死。」子牙大喜不表。且說張奎進城，對妻子曰：「今日與哪吒接戰，果然利害，被他提起火龍罩將我罩住，若不是我有地行之術，幾乎被他燒死。」高蘭英曰：「將軍今夜何不地行進他營寨，刺殺武王君臣？」計成功，大事可定，又何必與他爭能較勝耶？」張奎深悟曰：「夫人之言甚是有理。只因被楊戩可惡，暗害吾老母，惑亂吾心，連日神思不定，幾乎忘了。今夜必定成功。」張奎打點收拾，暗帶利刀進營。正是：

評

五岳之英勇，為世無敵，而為神乃無上至尊之品。一逢七殺，則同時皆盡，豈才力不足以敵乎？亦藝術不足致勝乎？非也，不過見屈於烏煙駒耳。可見人之才力藝術，俱不足恃者。古云：飛不以尾，缺其尾則飛不遠；走不以手，縛其手則走不疾。良有以也。

又評

楊戩之巧於幻化，為周營第一；而討便宜見機，亦是周營第一；而下手辣毒，亦是周營第一。擲而斬烏煙駒，並及其母，這是他幻化之妙；問哪吒何不出戰，這是他機械之巧。斬烏煙駒似矣，而又以穢污殺其老母，這是他下手之毒。可見極乖巧之人，是極惡毒之人。或曰：未必盡然。予曰：君請看癡人，討得那個便宜！

「你也不知周營中利害。」張奎大叫：「我不殺楊戩，此恨怎休！」舞刀直取楊戩。楊戩手中刀赴面交還。兩馬相交，雙刀併舉，未及數合，楊戩祭起哮天犬來傷張奎。張奎見此犬奔來，忙下馬，即時就不見了。楊戩觀之，不覺咨嗟。正是：

張奎道術真伶俐，賽過周營上行孫。

話說楊戩回營來見子牙，子牙問曰：「今日會張奎，如何？」楊戩把張奎會地行道術說了一遍，「真好似土行孫！夜來楊戩之功莫大焉！」子牙大喜，傳令：「以後只令楊戩巡督內外，防守營門。」彼時張奎進城至府，見夫人高氏曰：「今會楊戩，料周營道術之士甚多，吾夫妻不能守此城也。依吾愚見，不若棄了渑池，且回朝歌，再作商議。你的意下如何？」夫人曰：「將軍之言差矣！俺夫妻在此鎮守多年，名揚四方，豈可一旦棄城而去！況此城關係不淺，乃朝歌屏障，今一棄此城，則黃河之險與周兵共之，這個斷然不可！明日待我出去，自然成功。」

次日，高蘭英出城，至營前搦戰。子牙正坐，忽報：「有一女將請戰。」子牙問：「誰可出馬？」有鄧嬋玉應聲曰：「末將願往。」子牙曰：「須要小心。」鄧嬋玉曰：「末將知道。」言罷上馬，一聲砲響，展兩杆大紅旗出營，大呼曰：「來將何人？快通名來！」高蘭英觀看，見是一員女將，心下疑惑，忙應曰：「吾非別人，乃鎮守渑池張將軍夫人高蘭英是也。你是誰人？」鄧嬋玉曰：「吾乃是督運糧儲土將軍夫人鄧嬋玉是也。」高蘭英聽說，大罵：「賤人！你父子奉敕征討，如何苟就成婚？今日有何面目歸見故鄉也？」鄧嬋玉大怒，舞雙刀來取。高蘭英一身縞素，將手中雙刀急架來迎。二員女將，一紅一白，殺在城下。怎見得，有贊為證：

話說子牙在帳中，聞得張奎已死，議取城池。至晚，發令箭，點練士卒，至三更造飯，四更整箭，五鼓登城，一鼓成功。子牙吩咐已畢。這也是天意，恰好是楊任巡外營，那是將近三更時分。張奎把身子一扭，逕往周營而來，將至轅門，適遇楊任來至前營。不知楊任眼眶裡長出來的兩隻手，手心裡有兩隻眼，此眼上看天庭，下觀地底，中看人間千里。彼時楊任忽見地下有張奎提一口刀逕進轅門，楊任曰：「地下是張奎，慢來！有吾在此！」張奎大驚：「周營中有此等異人，如何是好！」自思：「吾在地下行得快，待吾進中軍殺了姜尚，他就來也是遲了。」張奎仗刀逕入，楊任一時著急，將雲霞獸一磕，至三層圈子內，擊雲板大呼曰：「有刺客進營！各哨仔細！」不一時，合營齊起。子牙急忙陞帳，眾將官弓上弦，刀出鞘，兩邊火把燈毬，照耀如同白晝。

子牙問曰：「刺客從那裡來？」楊任進帳啟曰：「張奎提刀在地下逕進轅門。弟子故敢擊雲板報知。」子牙大驚曰：「昨日哪吒把張奎燒死，今夜如何又有個張奎？」楊任曰：「此人還在此聽元帥講話。」子牙驚疑未定，旁有楊戩曰：「候弟子天明再作道理。」就把周營裡亂了半夜。張奎情知不得成功，只得回去。楊任一雙眼只看著地下，張奎走出轅門，楊任也出轅門，只送張奎至城下方回。當時張奎進城，來至府中，高蘭英問曰：「功業如何？」張奎只是搖頭道：「利害！利害！周營中有許多高人，所以互關勢如破竹，不能阻擋。」遂將進營的事細細說了一遍。夫人曰：「既然如此，可急修本竟往朝歌，請兵協守；不然，孤城豈能阻擋周兵？」張奎從其言，忙修本差官往朝歌不表。

且說天明，楊戩往城下來，坐名叫：「張奎出來見我！」張奎聞報，上馬提刀，開放城門，正是仇人見了仇人，大罵曰：「好匹夫！暗害吾母，與你不共戴天！」楊戩曰：「你這逆天之賊，若不殺你母，

土行孫是也。」道罷，舉手中棍滾將來，劈頭就打；張奎手中刀急架來迎。二人大戰，往往來來，未及數合，哪吒、楊戩齊出來助戰。哪吒忙提起乾坤圈來打張奎；張奎看見，滾下馬就不見了。土行孫也把身子一扭來趕張奎。張奎一見大驚：「周營中也有此妙術之人！」隨在地底下，二人又復大戰。大抵張奎身子長大，不好轉換；土行孫身子矮小，轉換伶俐，故此或前或後，張奎反不濟事，只得敗去。土行孫趕了一程，趕不上，也自回來。那張奎地行術一日可行一千五百里，土行孫止行一千里，因此趕不上他，只得回營，來見子牙，言：「張奎果然好地行之術。此人若是阻住此間，深為不便。」子牙曰：「昔日你師父擒爾用指地成鋼法；今欲治張奎，非此法不可。你如何學得此法以治之？」上行孫曰：「元帥可修書一封，待弟子去夾龍山見吾師，取此符印來，破了澗池縣，遂得早會諸侯。」子牙大喜，忙修書付與土行孫。土行孫別了妻子，往夾龍山來。可憐！正是：

丹心欲佐真明主，首級高懸在澗池。

土行孫逕往夾龍山去。且說張奎被土行孫戰敗回來，見高蘭英，雙眉緊皺，長吁曰：「周營中有許多異人，如何是好？」夫人曰：「誰為異人？」張奎曰：「有一土行孫，也有地行之術，如之奈何？」高蘭英曰：「如今再修告急表章，速往朝歌求救。俺夫妻二人死守此縣，不必交兵，只等救兵前來，再為商議破敵。」夫妻正議，忽然一陣怪風飄來，甚是奇異。怎見得好風，有詩為證：

走石飛砂勢更凶，推雲擁霧亂行蹤。暗藏妖孽來窺戶，又送孤帆過楚峰。

風過一陣，把府前寶纛旗一折兩斷。夫妻大驚曰：「此不祥之兆也。」高蘭英隨排香案，忙取金錢，排下一卦，已解其意。高蘭英曰：「將軍可速為之！土行孫往夾龍山取指地成鋼之術，來破你也！不可遲

話說鄧嬋玉大戰高蘭英有二十回合，撥馬就走。高蘭英不知鄧嬋玉詐敗，便隨後趕來。嬋玉聞腦後鸞鈴響處，忙取五光石回手一下，正中高蘭英面上，只打得嘴唇青腫，掩面而回。鄧嬋玉得勝進營，來見姜元帥，說高蘭英被五光石打敗進城。子牙方上功勞簿，只見左右官報：「二運官土行孫轅門等令。」子牙傳令：「來。」土行孫上帳參謁：「弟子運糧已完，繳督糧印，願隨軍征伐。」子牙曰：「今進五關，軍糧有天下諸侯應付，不消你等督運，俱隨軍征進罷了。」土行孫下帳來見眾將，獨不見黃將軍，忙問哪吒。哪吒曰：「今漚池不過一小縣，反將黃將軍、崇君侯五人一陣而亡。昨張奎善有地行之術，比你分外精奇。前日進營，欲來行刺，多虧楊任救之。故此阻住吾師，不能前進。」土行孫聽罷：「有這樣事！當時吾師傳吾此術，可稱蓋世無雙，豈有此處又有異人也？待吾明日會他。」至後帳來問鄧嬋玉：「此事可真？」鄧嬋玉曰：「果是不差。」土行孫躊躇一夜。

次早，上帳來見姜元帥，「願去會張奎。」子牙許之。旁有楊戩、哪吒、鄧嬋玉俱欲去掠陣；土行孫許之。來至城下搦戰，哨馬報與張奎。張奎出城，見一矮子，問曰：「你是何人？」土行孫曰：「吾乃

孟津未會諸侯面，今日夫妻喪渾池。

話說高蘭英先祭太陽神針，射住嬋玉二目，因此斬了鄧嬋玉，進城號令了。哨馬報入中軍，備言前事。子牙著實傷悼，對眾門人曰：「今高蘭英有太陽神針，射人二目，非同小可，諸將俱要防備。」故此按兵不動，再設法以取此縣。南宮适曰：「這一小縣，今損無限大將，請元帥著人馬四面攻打，此縣可以躍為平地。」子牙傳令，命三軍四面攻打，架起雲梯火砲，三軍吶喊，攻打甚急。張奎夫妻千方百計看守此城，一連攻打兩晝夜，不能得下。子牙心中甚惱，且命：「暫退，再為設計；不然徒令軍士勞苦無益耳。」眾將鳴金收軍回營。

且說張奎又修本往朝歌城來。差官渡了黃河，前至孟津，有四百鎮諸侯駐紮人馬。差官潛蹤隱跡，一路無詞，至館驛中，歇了一宵。次日，將本至文書房投遞。那日看本乃是微子。微子接本看了，忙入內庭，只見紂王在鹿臺宴樂。微子至臺下候旨，紂王宣上鹿臺。微子行禮稱臣畢，王曰：「皇伯有何奏章？」微子曰：「武王兵進五關，已至渾池縣，損兵折將，莫可支撐，危在旦夕。請陛下速發援兵，早來協守。不然，臣惟一死，以報君恩。何況此縣離都城不過四五百里之遠，陛下還在此臺宴樂，全不以社稷為重。孟津現有南方、北方四百諸侯駐兵，候西伯共至商郊，事有燃眉之急。今見此報，使臣身心如焚，莫知所措。願陛下早求賢士，以治國事，拜大將以勦反叛，改過惡而訓軍民，修仁政以回天變，庶不失去湯之宗廟也。」

紂王聞奏大驚曰：「姬發反叛，而今已侵陷孤之關隘，覆軍殺將，兵至渾池，情殊可恨！孤當御駕親征，以除大惡。」中大夫飛廉奏曰：「陛下不可！今孟津有四百諸侯駐兵，一聞陛下出軍，他讓過陛

誤！」張奎大驚，忙忙收拾，結束停當，逕往夾龍山去了。土行孫一日止行千里；張奎一日行一千五百里，張奎先到夾龍山，到個崖畔，潛等上行孫。等了一日，土行孫來至猛獸崖，遠遠望見飛龍洞，滿心歡喜：「今日又至故土也！」不知張奎豫在崖旁，側身躲匿，把刀擡起，只等他來。土行孫那裡知道，只是往前走。也是數該如此，看看來至面前，張奎大叫曰：「上行孫不要走！」土行孫及至擡頭時，刀已落下，可憐砍了個連肩帶背。張奎割了首級，逕回澠池縣來號令。後人有詩歎上行孫歸周未受茅土之封，可憐無辜死于此地，有詩為證：

憶昔西岐歸順時，輔弼督運未愆期。進關盜寶功為首，劫寨偷營世所奇。

名播諸侯空嘖嘖，聲揚宇宙恨絲絲。夾龍山下亡身處，反本還元正在茲。

話說張奎非止一日來至澠池縣，夫妻相見，將殺死土行孫一事說了一遍，夫妻大喜，隨把土行孫的首級號令在城上。只見周營中探馬見澠池縣裡號令出頭來，近前看時，卻是土行孫的首級，忙報入中軍：「啟元帥：澠池縣城上號令了上行孫首級，不知何故，請令定奪。」子牙曰：「他往夾龍山去了，不在行營，又未出陣，如何被害？」子牙掐指一算，拍案大呼曰：「土行孫死于無辜，是吾之過也！」子牙甚是傷感。不意帳後驚動了鄧嬋玉，聞知丈夫已死，哭上帳來，「願與夫主報仇！」子牙曰：「你還斟酌，不可造次。」鄧嬋玉那裡肯住，啼泣上馬，來至城下，只叫：「張奎出來見我！」哨馬報入城中：「有女將搦戰。」高蘭英曰：「這賤人！我正欲報一石之恨，今日合該死于此地！」高蘭英上馬提刀，先將一紅葫蘆執在手中，放出四十九根太陽神針，先在城裡提出。鄧嬋玉只聽得馬響，二日被神針射住，觀看不明，早被高蘭英手起一刀，揮于馬下。可憐！正是：

紂王聞奏，龍心大悅，封袁洪為大將，吳龍、常昊為先行，命殷破敗為參軍，雷開為五軍總督，使殷成秀、雷鵬、魯仁傑等俱隨軍征伐。紂王傳旨，嘉慶殿排宴，慶賀諸臣。內有魯仁傑自幼多智，廣識英雄，見袁洪行事不按禮節，暗思曰：「觀此人行事不是大將之才，且看他操演人馬，便知端的。」當日宴散，次日謝恩，三日後下教場，操演三軍。魯仁傑看袁洪舉動措置，俱不知法，諒非姜子牙敵手；但此時是用人之際，魯仁傑也只得將機就計而已。次日，袁洪朝見紂王，王曰：「元帥可先領一支人馬，往渾池縣佐張奎以阻西兵，元帥意下如何？」袁洪曰：「以臣觀之，都中之兵不宜遠出。」紂王曰：「如何不宜遠出？」袁洪奏曰：「今孟津已有南北二路諸侯駐紮，以窺其後；臣若往渾池，此二路諸侯拒守孟津，阻臣糧道，那時使臣前後受敵，此不戰自敗之道。況糧為三軍生命，是軍未行而先需者也。依臣之計，不若調二十萬人馬，阻住孟津之咽喉，使諸侯不能侵擾朝歌，一戰成功，大事定矣。」紂王大悅：「卿言甚善，真乃社稷之臣！依卿所奏施行。」袁洪隨調兵二十萬，吳龍、常昊為先行，殷破敗為參贊，雷開為五軍都督，使殷成秀、雷鵬、魯仁傑隨軍征伐，往孟津而來。不知勝負如何，且聽下回分解。

土行孫往夾龍山來，天反以風信報張奎，使彼在猛獸崖等候，致土行孫不及提防遇害。上天惡紂極矣，宜其敗張奎而助土行孫。今則不然，天道難知矣，數乎否也！

下，阻住後路，首尾受敵，非萬全之道也。陛下可出榜招賢，大懸賞格，自有高名之士應求而至。古云：『重賞之下，必有勇夫。』又何勞陛下親御六師，與叛臣較勝於行伍哉？」紂王曰：「依卿所奏，速傳旨，懸立賞格，張掛於朝歌四門，招選豪傑；才堪督府者，不次銓除①。」四外哄動，就把個朝歌城內萬民口受數次驚慌。只見一日來了三個豪傑，來揭榜文。守榜軍士隨同三人先往飛廉府裡來參謁。門官報入中堂，飛廉道：「有請。」三人進府，與飛廉見禮畢，言曰：「聞天子招募天下賢士，愚下三人自知非才，但君父有事，願捐軀效犬馬。」飛廉見三人器宇清奇，就命賜坐。三人曰：「吾等俱是閭閻子民，大夫在上，子民焉敢坐？」飛廉曰：「求賢定國，聘傑安邦，雖高爵重祿，直受不辭，又何妨於一坐耶？」三人告過，方纔坐下。飛廉曰：「三位姓甚名誰？住居何所？」三人將一手本呈上，飛廉觀看，原來是梅山人氏，一名袁洪，一名吳龍，一名常昊。——此乃梅山七聖。先是三人投見，以下俱陸續而來。袁洪者乃白猿精也；吳龍者乃蜈蚣精也；常昊者乃長蛇精也；俱借袁、吳、常三字取之為姓也。

——飛廉看了姓名，隨帶入朝門，來朝見紂王。飛廉入內庭，天子在顯慶殿與惡來弈棋，當駕官啟奏：「中大夫飛廉候旨。」王曰：「宣來。」飛廉見駕，奏曰：「臣啟陛下：今有梅山三個傑士，應陛下求賢之詔，今在午門候旨。」紂王大悅：「傳旨宣來。」少時，三人來至殿下，山呼拜畢，紂王賜三人平身，三人謝恩畢，侍立兩旁。王曰：「卿等此來，有何妙策可擒逆賊？」袁洪奏曰：「姜尚以虛言巧語，糾合天下諸侯，鼓惑黎庶作反。依臣愚見，先破西岐，拿了姜尚，則八百諸侯望陛下降詔招安，赦免前罪，天下不戰而自平也。」

武王白魚躍龍舟

白魚吉兆喜非常，預兆周家瑞應昌。八百諸侯稱碩德，千年師帥賴匡襄^①。

堂堂陣演三三疊，正正旗門六六行。時雨師臨民甚悅，成湯基業已消亡。

話說袁洪調兵往孟津駐紮，以阻諸侯咽喉不表。且說澠池縣張奎曰：「夕望朝歌救兵，忽有報馬報入府來：『天子招了新元帥袁洪，調兵二十萬駐紮孟津，以阻諸侯；未見發兵來救澠池。』」張奎聞報大驚曰：「天子不發救兵，此城如何拒守？況前有周兵，後有孟津四百諸侯，前後合攻，此取敗之道。今反捨此不救，奈何？」忙與夫人高蘭英共議。夫人曰：「料吾二人也可阻得住周兵。今袁洪拒住孟津，則南北諸侯也不能抄我之後。只打聽袁洪得勝，若破了南北二侯，我再與你合兵共破周武，再無有不勝之理。俺們如今只設法守城，不要與周將對敵；待他糧盡兵疲，一戰成功，無有不克。此萬全之道也。」張奎心下狐疑不定。且說子牙見澠池一個小縣，攻打不下，反陣亡了許多將官，納悶在中軍，暗暗點首嗟歎：「可憐這些扶主定國英雄，瀝膽披肝^②，止落得遺言在此，此身皆化為烏有！」子牙正在那裡傷悼，忽轅門官來報：「有一道童求見。」子牙傳令：「請來。」少時，只見一道童至帳下行禮曰：「弟子乃來

計就月中擒玉兔，謀成日裡捉金烏。

子牙同武王撥馬向西而走，張奎趕來。周營中一將也不出來接應，張奎放心趕來。看看趕有三十里，只聽得金鼓齊鳴，砲聲響亮，三軍吶喊，震動天地，周營中大小將官齊出營來，殺奔城下。高蘭英在城上全裝甲冑守護城池，忽聽周營中又是砲響，不知其故。忽城上落下哪吒來，現三首八臂，腳踏風火輪，搖火尖鎗殺來。高蘭英急上馬，用雙刀抵住了哪吒。二人在城上不便爭持，高蘭英走馬下城，哪吒隨後趕來。雷震子又早展開二翅，飛上城來，使開黃金棍，把城上軍士打散，隨斬關落鎖，周兵進城。高蘭英見事不好，正欲取葫蘆放太陽神針，早已不及。被哪吒一乾坤圈，打中頂上，翻下馬來，又是一鎗，死於非命，早往封神臺去了。有詩為證，詩曰：

孤城死守為成湯，今日身亡實可傷。全節全忠名不朽，女中貞烈萬年揚。

話說雷震子、哪吒進了渾池縣，軍士見打死了主母，俱伏地請降。哪吒曰：「俱免汝死，候元帥來安民。」哪吒復向雷震子曰：「道兄且在城上拒住，吾還去接應師叔與武王，恐怕驚了主公。」雷震子曰：「道兄不可遲疑，當速行為是。」好哪吒！把風火輪登開，往正西上趕來。只見張奎正趕子牙有二十里遠近，只聽得砲聲四起，喊聲大振，心下甚是驚疑，也不去趕子牙。子牙在後面大呼曰：「張奎！你渾池已失，何不歸降？」張奎心慌，情知中計，勒轉馬望舊路而來；天色又黑，正遇哪吒現三首八臂迎來。哪吒大罵曰：「逆賊！你今日還不下馬受死，更待何時！」張奎大怒，搖刀直取。哪吒手中鎗急架相還。未及數合，哪吒復祭起九龍神火罩罩來。張奎知此術利害，把身子一扭，往地下去了。哪吒見張奎預先走了，

龍山飛龍洞懼留孫的門人，因師兄土行孫在夾龍山猛獸崖被張奎所害，家師已知應上天之數，這是救不得的。只是過澠池須有原故，家師特著弟子來此下書，師叔便知端的。」子牙接上書來，展開觀看，書曰：

道末懼留孫致書於大元帥子牙公麾下：前者土行孫合該於猛獸崖死於張奎之手，理數難逃，貧道只有望崖垂泣而已，言之可勝長歎！今張奎善於守城，急切難下，但他數亦當終，子牙公不可遲誤，可令楊戩將貧道符印先在黃河岸邊，等楊任、韋護追趕至此擒之。取城只用哪吒、雷震子足矣。子牙公須是親自用調虎離山計，一戰成功，此去自然坦夷。只候封神之後，再圖會晤。不宣。

子牙看罷書，打發童子回山。當日子牙傳令：「哪吒領令箭，雷震子領令箭前去，如此而行。楊戩、楊任領東帖前去如此。韋護領東帖前去如此。」子牙俱吩咐已畢。至晚間，周營中砲響，三軍呐喊，殺奔城下而來。張奎急上城，設法守護，百計千方防禦，急切難下。子牙知張奎善於守城，且暫鳴金收兵。次日午未未初，請武王上帳相見：「今日請大王同老臣出營，看看澠池縣城池，好去攻取。」武王乃忠厚君子，隨應曰：「孤願往。」即時同子牙出營，至城下周圍看了。用手指曰：「大王若破此城，須用轟天大砲，方能攻打。此城一時可破也。」子牙與武王指畫攻城，只見澠池城上哨探士卒報與張奎：「啟老爺：姜子牙同一穿紅袍的在城下探看城池。」張奎聽報，即上城來看時，果是子牙同武王在城下，周圍指畫。張奎自思曰：「姜尚欺吾太甚！只因連日吾堅守此城，不與他會戰，他便欺我，至吾城下，肆行無忌，藐視吾無人物也。」隨下城與夫人曰：「你可用心堅守此城，待我出城走去殺來，以除大患。」夫人上城觀戰。張奎上馬撈刀，開了城門，一馬飛來，大呼曰：「姬發、姜尚！今日你命難逃也！」正

飯依三教稱慈善，鎮壓諸天護法雄。今日黃河除七殺，千年英氣貫長虹。

話說章護祭起降魔杵，把張奎打成齏粉。一靈也往封神臺去了。三位門人得勝，齊來見子牙，備言打死張奎，追趕至黃河之事，說了一遍。子牙大喜，在澠池縣住了數日，擇日起兵。

那日，整頓人馬，離了澠池縣，前往黃河而來。時近隆冬天氣，眾將官重重鐵鎧，疊疊征衣，寒氣甚勝。怎見得好冷，有贊為證：

重裘無暖氣，袖手似揣冰。敗葉垂霜蕊，蒼松掛凍鈴。地裂因寒甚，池平為水凝。魚舟空釣線，仙觀沒人行。樵子愁柴少，王孫喜炭增。征人鬚似鐵，詩客筆如零。皮襖猶嫌薄，貂裘尚恨輕。蒲團僵老衲，紙帳旅魂驚。莫訝寒威重，兵行令若靈。

話說子牙人馬來至黃河，左右報至中軍。子牙吩咐：「借辦民舟。」每隻俱有工食銀五錢，並不白用民船一隻，萬民樂業，無不懽呼感德，真所謂時雨之師。子牙傳令，另備龍舟一隻，裝載武王。子牙與武王駕坐中艙，左右鼓棹③，向中流進發。只聽得黃河內潑浪濤天，風聲大作，把武王龍舟在浪裡顛播。武王曰：「相父，此舟為何這樣掀播？」子牙曰：「黃河水急，平昔浪發，也是不小的；況今日有風，又是龍舟，故此顛播。」武王曰：「推開艙門，俟孤看一看，何如？」子牙同武王推艙一看，好大浪！怎見得黃河疊浪千層，有詩為證：

洋洋光侵月，浩浩影浮天。靈派吞華嶽，長流貫百川。千層凶浪滾，萬疊峻波顛。岸口無漁火，沙頭有鷺眠。茫然渾似海，一望更無邊。

③ 鼓棹：搖槳。

因想起土行孫的光景，心上不覺悲悼，往前來迎武王。張奎急走至城下，見雷震子立於城上，知城池已陷，夫人不知存亡，自思：「不若往朝歌，與袁洪合兵一處，再作道理。」話說哪吒上前迎接武王與子牙，一同回渾池縣來，將大軍進城屯紮，又將城上周將首級收殮，設祭祀之，乃於高阜處安葬不表。

只見張奎全裝甲冑，縱地行之術，往黃河大道而走，如風一般，飛雲掣電而來。話說楊任遠遠望見張奎從地底下來了，楊任知會韋護曰：「道兄，張奎來了。你須是仔細些，不要走了他。你看我手往那裡指，你就往那邊祭降魔杵鎮之。」韋護曰：「謹領尊命。」且說張奎正走，遠遠看見楊任騎雲霞獸，手心裡那兩隻眼神光射耀，往下看著他，大呼曰：「張奎不要走！今日你難逃此厄也！」張奎聽得，魂不附體，不敢停滯，縱著地行法，刷的一聲，須臾就走有一千五百里遠。楊任在地上催著雲霞獸，緊緊追趕。韋護在上頭只看著楊任，楊任只看著張奎在地底下；如今三處看著，好趕！正是：

上邊韋護觀楊任，楊任生追七殺神。

話說張奎在地下見楊任緊緊跟隨在他頭上；如張奎往左，楊任也往左邊來趕；張奎往右，楊任也往右邊來趕。張奎無法，只是往前飛走。看著行至黃河岸邊，前有楊戩奉柬帖在黃河岸邊專等楊任。只見遠遠楊任追起來了，楊任也看見了楊戩，乃大呼曰：「楊道兄！張奎來了！」楊戩聽得，忙將三昧火燒了懼留孫指地成鋼的符篆，立在黃河岸邊。張奎正行，方至黃河，只見四處如同鐵桶一般，半步莫動，左撞左不能通，右撞右不能通，撤身回來，後面猶如鐵壁。張奎正慌忙無措，楊任用手往下一指；半空中韋護把降魔杵往下打來。此寶乃鎮壓邪魔護三教大法之物，可憐張奎怎禁得起。有詩為證，詩曰：

金光一道起空中，五彩雲霞協用功。鬼怪逢時皆絕跡，邪魔遇此盡成空。

今日諸侯會孟津，紛紛殺氣滅紅塵。旌旗向日飛龍鳳，劍戟迎霜泣鬼神。
士卒起超歌化日，軍民濟濟慶仁人。應知世運當亨泰，四海謳吟總是春。

且說武王同西方二百諸侯來至孟津大營，探馬報入中軍帳，子牙率領東、南、北三方四百諸侯，又有二百小諸侯，齊來迎接。武王逕進中軍。先有：

東南揚侯鍾志明 南伯侯鄂順 西南豫州侯姚楚亮

北伯侯崇應鸞 東北兗州侯彭祖壽 夷門伯武高達 左伯宗智明

右伯姚庶良 遠伯常信仁 邠州伯丁建吉 近伯曹宗

眾諸侯進營，止有東伯侯姜文煥未曾進遊魂關，乃序武王降帳，武王不肯。彼此固遜多時，武王同眾諸侯交相下拜。天下諸侯俯伏曰：「今大王大駕特臨此地，使眾諸侯得睹天顏，仰觀威德，早救民於水火之中，天下幸甚！萬民幸甚！」武王深自謙讓曰：「予小子發，嗣位先王，孤德寡聞，惟恐有負前烈；謬蒙天下諸侯傳檄相邀，特拜相父東會列位賢侯，觀政於商。若謂予小子統率諸侯，則予豈敢？惟望列位賢侯教之！」內有豫州侯姚楚亮對曰：「紂王無道，殺妻誅子，焚炙忠良，殺戮大臣，沉湎酒色，弗敬上天，郊廟不祀，播棄黎民，昵比罪人，皇天震怒，絕命於商。予等奉大王恭行天之罰，伐罪弔民，拯萬姓於水火，正應天順人之舉，泄人神之憤，天下無不咸悅。若予與大王坐視不理，厥罪惟均，望大王裁之。」武王曰：「紂王雖不行正道，俱臣下蔽惑之耳。今只觀政於商，擒其孽倖，令人君改其蔽政，則天下自平矣。」彭祖壽曰：「天命靡常，惟有德者居之。昔堯有天下，因其子不肖，而禪位於舜；舜有天下，亦因其子之不肖，而禪位於禹；禹之子賢，能承繼父業，於是相傳；至桀而德衰，暴虐夏政，

話說武王一見黃河，白浪滔天，一望無際，嚇得面如土色。那龍舟只在浪裡，或上或下。忽然有一旋窩，水勢分開，一聲響亮，有一尾白魚跳在船艙裡來，就把武王嚇了一跳。那魚在舟中，左迸右跳，跳有四五尺高。武王問子牙曰：「此魚入舟，主何凶吉？」子牙曰：「恭喜大王！賀喜大王！魚入王舟者，主紂王該滅，周室當興，正應大王繼湯而有天下也。」子牙傳令：「命庖人將此魚烹來，與大王享之。」武王曰：「不可。」仍命擲之河中。子牙曰：「既入王舟，豈可捨此？正謂『天賜不取，反受其咎』，理宜食之，不可輕棄。」左右領子牙令，速命庖人烹來。不一時獻上，子牙命賜諸將。少頃，風恬浪靜，龍舟已渡黃河。

只見四百諸侯知周兵已至，打點前來迎接武王。子牙知武王乃仁德之主，豈肯欺君？恐眾諸侯尊稱武王，以致中餒④，則大事去矣。須是預先吩咐過，然後相見，庶幾不露出主角⑤；俟破紂之後，再作區處。乃對武王曰：「今舟雖抵岸，大王還在舟中，俟老臣先上岸，陳設器械，嚴整軍威，以示武於諸侯，立定營柵，然後來請大王。」武王曰：「聽憑相父設施。」子牙先上了岸，率大隊人馬至孟津，立下營寨。眾諸侯齊至中軍來見子牙，子牙迎接上帳，相敘禮畢，子牙曰：「列位君侯見武王，不必深言其伐君弔民之故，只以觀政於商為辭，俟破紂之後，再作商議。」眾諸侯大喜，俱依子牙之言。子牙令軍政官與哪咤、楊戩前去迎請武王。後面又有西方二百諸侯隨後過黃河，同武王車駕而進。真個是天下諸侯會合，自是不同。怎見得，有詩為證，詩曰：

④ 中餒：中途氣餒。此有半途而廢之意。

⑤ 主角：圭之鋒銳有稜角，比喻言語動作不合於俗，有如主角之峭厲。此有真象之意。

山甲海，威勢如彪，英雄似虎，布成陣勢，三軍吶喊，衝至軍前。哨馬報與袁洪，袁洪與眾將出營觀看。子牙大兵隊伍，只見天下諸侯鴈翅排開，分于左右，當中是元帥姜尚，左有哪順，右有崇應鸞。有詩為證，詩曰：

諸侯共計破朝歌，正是神仙遇劫魔。百萬雄師興宇宙，奇功立在孟津河。

姜尚東征除虐政，諸侯拱手尊號令。妖氛滾滾各爭先，楊戩梅山收七聖。

話說袁洪在馬上見姜子牙穿道服，乘四不相，來至軍前，左右排列有眾位門人，次後武王乘逍遙馬，南北分列眾位諸侯。只見袁洪銀盔素鎧，坐下白馬，使一條郇鐵棍，擔在鞍轡，英雄凜凜。怎見得袁洪好處，有贊為證：

銀盔素鎧甲，纓絡大紅凝。左插狼牙箭，右懸寶劍鋒。橫擔郇鐵棍，白馬似神行。幼長梅山下，成功古洞中。曾受陰陽訣，又得天地靈。善能多變化，玄妙似人形。梅山稱第一，保紂滅周兵。

話說子牙向前問曰：「來者莫非成湯元帥袁洪麼？」袁洪曰：「你可就是姜尚？」子牙曰：「然也！征今天下歸周，商紂無道，天下離心離德，只在旦夕受縛，料你一杯之水，安能救車薪之火哉！汝若早早倒戈納降，尚待汝以不死；汝若支吾，一朝兵敗，玉石俱焚，雖欲求其獨生，何可及哉。休得執迷，徒勞伊戚。」袁洪笑曰：「姜尚，你只知磻溪捕魚，水有深淺，今幸而五關無有將才，讓你深入重地。你敢手巧言令色，惑吾眾聽耶！」回顧左右先行曰：「誰與吾拿此鄙夫，以泄天下之憤？」旁有一人大呼曰：「元帥放心，待我成功！」走馬飛臨陣前，搖手中鎗直取姜子牙。旁有右伯侯姚庶良縱馬搖手中斧，大呼曰：「匹夫慢來，有吾在此！」也不答話，兩馬相交，鎗斧併舉，一場大戰。怎見得，有詩為證，

天人怨之，故湯得行天之罰，放桀於南巢，伐夏而有天下。賢聖之君六七作，至於紂，罪惡貫盈，毀棄善政，戕賊不道，皇天震怒，降災於商，爰命大王以代殷湯。大王幸毋固辭，以友諸侯之心。」武王謙讓未遑。子牙曰：「列位賢侯，今日亦非商議正事之時，俟至商郊，再有說話。」眾諸侯僉曰：「相父之言是也。」武王命營中治酒，大宴諸侯不表。

且說袁洪在營中，只見報馬啟曰：「今有武王兵至孟津下寨，大會諸侯，請元帥定奪。」殷破敗聽得，忙上前言曰：「周武乃天下叛逆元首，白興兵至此，所在獲捷；軍威甚銳，元帥不可輕忽，務要嚴兵以待。」袁洪曰：「參軍之言固善，料姜尚不過一礮溪村夫，有何本領？此皆諸關將士不用心，以致彼僥倖成功。參軍放心，看吾一陣令他片甲不回。」次日，子牙陞帳，眾諸侯上帳參見，有夷門伯武高達言曰：「啟元帥：諸侯六百駐兵於此，俱未敢擅於用兵，止在此拒住，只候武王大駕來臨，以憑裁奪。今日若不先擒袁洪，則匹夫尚自逞強，猶不知天吏之不可戰也。望元帥早賜施行。」子牙曰：「賢侯之言甚善。吾必先下戰書，然後會兵孟津，方可以示天下之惡，惟天下之德可以克之。」眾皆大喜。子牙忙修書，差楊戩往湯營內來下戰書。

楊戩領命，往成湯營前下馬，大呼曰：「奉姜元帥將令，來下戰書！」探事小校報與中軍，袁洪聽得周營來下戰書，忙命左右：「令來。」只見軍政官來至營門，令楊戩進見。楊戩至中軍帳見袁洪，呈上戰書。袁洪觀看畢，乃曰：「吾不修回書，約定明日會兵便了。」楊戩回至中軍見子牙，言明日會兵。子牙傳令與眾諸侯：「明早會兵。」俱各各準備去了。次日，周營砲響，子牙調出大隊人馬，有八百諸侯齊出，當中是子牙人馬，俱是大紅旗；左是南伯侯鄂順，右是北伯侯崇應鸞，盡是五色旛幢；真若盈

紂王敲骨剖孕婦

紂王酷虐古今無，淫酗貪婪聽美姝。孕婦無辜遭惡劫，行人有難罹凶途。

遺譏簡冊稱殘賊，留與人間罵獨夫。天道悠悠難究竟，且將濁酒對花奴。

話說姚庶良隨後趕來，常昊乃是蛇精，縱馬腳下起一陣旋風，捲起一團黑霧，連人帶馬罩住，方現出他原形，乃是一條大蟒蛇；把口一張，吐出一陣毒氣。姚庶良禁不起，隨昏於馬下。常昊便下馬取了首級，大呼曰：「今拏姜尚如姚庶良為例！」眾諸侯之內，不知他是妖精。有兗州侯彭祖壽縱馬搖鎗，大呼曰：「匹夫敢傷吾大臣！」時有吳龍在袁洪右邊，見常昊立功，忍不住使兩口雙刀，催開馬飛奔前來，曰：「不要衝吾陣腳！」也不答話，兩騎相交，刀鎗併舉，殺至陣前。六百鎮諸侯俱在左右，看著二將交兵。戰未數合，吳龍掩一刀敗走；彭祖壽隨後趕來。吳龍乃是蜈蚣精，見彭祖壽將近，隨現出原形；只見一陣風起，黑雲捲來，妖氣迷人，彭祖壽已不知人事，被吳龍一刀揮為兩斷。眾諸侯不知何故，只見將官追下去就是一塊黑雲罩住，將官隨即絕命。

子牙旁邊有楊戩對哪吒曰：「此二將俱不是正經人，似有些妖氣。我與道兄一往，何如？」只見吳龍躍馬舞刀，飛奔軍前，大呼曰：「誰來先啖吾雙刀？」哪吒登開風火輪，使火尖鎗，現三首八臂迎來。吳龍曰：「來者是誰？」哪吒曰：「吾乃哪吒是也。你這業畜，怎敢將妖術傷吾諸侯！」把鎗一擺，直

詩曰：

征雲蕩蕩透虛空，劍戟兵戈擾攘中。今日姜公頭一戰，孟津血濺竹梢紅。

話說姚庶良手中斧轉換如飛，不知常昊乃是梅山一個蛇精，姚庶良乃是真實本領，那裡知道，只要成功，常昊不覺敗下陣去，姚庶良便催馬趕來。不知性命如何，且聽下回分解。

評

當日武王觀政於商，時有白魚躍舟，赤烏降屋，已肇周室興隆耳。武王猶謙遜未遑，此所以為德之至，仁之至；若是以臣伐君，則當日便有許多議論，何至再三謙抑耶？

張奎夫人高蘭英著實有將才，其議論鑿鑿堪聽，雖古之名將，無出其右，宜其丈夫拱手聽命！只笑近日人家婦人，有何才能？一味會吃醋，而必欲丈夫懾服，已自可笑！豈奈丈夫亦平心畏服？可嘆哉！

諸侯會兵此處，正是大敵；豈有這些妖邪能拒敵成功耶？」殷成秀曰：「長兄且莫忙說破，看他後來如何？」魯仁傑曰：「總來吾受成湯三世之恩，豈敢有負國恩之理？惟一死以報國耳！」話說差官往朝歌，來至文書房內，飛廉接本觀看，見袁洪報捷，連誅大鎮叛逆諸侯彭祖壽、姚庶良，心中大喜，忙持木上鹿臺來見紂王。當駕官上臺啟曰：「有中大夫飛廉候旨。」紂王曰：「宣來。」左右將飛廉宣至殿前，參拜畢，俯伏奏曰：「今有元帥袁洪領敕鎮守孟津，以逆②天下諸侯；初陣斬兗州侯彭祖壽、右伯侯姚庶良，軍威已振，大挫周兵鋒銳。自興師以來，未有今日之捷。此乃陛下洪福齊天，得此大帥，可計曰奏功，以安社稷者也。特具本齎奏。」紂王聞奏大悅：「元帥袁洪連斬二逆，足破敵人之膽，其功莫大焉。傳朕旨意，特敕獎諭，賜以錦袍、金珠，以勵其功；仍以蜀錦百疋，寶鈔萬貫，羊、酒等件以犒將士勤勞。務要用心料理，勦滅叛逆，另行分列茅土，朕不食言。欽哉！故諭。」飛廉頓首謝恩，領旨打點解犒賞往孟津去。不表。

且言妲己聞飛廉奏袁洪得勝奏捷，來見紂王曰：「妾蘇氏恭喜陛下又得社稷之臣也！袁洪實有大將之才，永堪重任。似此奏捷，叛逆指日可平，臣妾不勝慶幸，實皇上無疆之福以啟之耳，今特具觴為陛下稱賀。」紂王曰：「御妻之言正合朕意。」命當駕于鹿臺上治九龍席，三妖同紂王共飲。此時正值仲冬天氣，嚴威凜冽，寒氣侵人。正飲之間，不覺彤雲四起，亂舞梨花。當駕官啟奏曰：「上天落雪了。」紂王大喜曰：「此時正好賞雪。」命左右煖注金罇，重斟盃③，酣飲交歡。怎見好雪，有贊為證：

刺吳龍。吳龍手中刀急架交還，未及三四合，被哪吒祭起九龍神火罩，響一聲，將吳龍罩在裡面。吳龍已化道青光去了。哪吒用手一拍，反至罩中現出九條火龍時，吳龍去之久矣。常昊見哪吒用火龍罩罩住吳龍，心中大怒，縱馬持鎗，大呼曰：「哪吒不要走！吾來也！」只見楊戩使三尖刀，縱銀合馬，同哪吒雙戰常昊。常昊見勢不好，便敗下陣去。楊戩也不趕他，取彈弓在手，隨手發出金丸，照常昊打來。只見那金丸不知落於何處。哪吒後祭起神火罩，將常昊罩住；也似吳龍化一道赤光而去。袁洪見三將如此精奇，心下甚是歡喜，傳令三軍擂鼓！袁洪縱馬沖殺過來，大呼曰：「姜子牙！我與你兒個雌雄！」旁有楊任見袁洪沖來，急催開雲霞獸，使開雲飛鎗，敵住袁洪；戰有五七回合，楊任取出五火扇，照袁洪一搨，袁洪已預先走了，止燒死他一匹馬。子牙鳴金收隊回營，降帳坐下，歎曰：「可惜傷了二路諸侯！」心下不樂。楊戩上帳曰：「今日弟子看他三人俱是妖怪之相，不似人形。方纔哪吒祭神火罩，楊任用神火扇，弟子用金丸，俱不曾傷他，竟化青光而去。」只見眾諸侯也都議論常昊、吳龍之術，紛紛不一。

且說袁洪回營，降帳坐下，見常昊、吳龍齊來參謁，袁洪曰：「哪吒罩兒，楊任的扇子，俱好利害！」吳龍笑曰：「他那罩與扇子只好降別人，那裡奈何得我們？只是今日指望拿了姜尚，誰知只壞了他兩個諸侯，也不算成功。」袁洪一面修本往朝歌報捷，寬免天子憂心。且說魯仁傑對殷成秀、雷鵬、雷鵬曰：「賢弟，今日你等見袁洪、吳龍、常昊與子牙會兵的光景麼？」眾人曰：「不知所以。」魯仁傑曰：「此正所謂『國家將興，必有祲祥；國家將亡，必有妖孽。』」今日他三將俱是些妖孽，不似人形。今天下

且快。又有一少年人，亦跣足渡水，懼冷行緩，有驚怯之狀。紂王在高處觀之，盡得其態，問于妲己曰：「怪哉！怪哉！有這等異事！你看那老者渡水，反不怕冷，行步且快；這年少的反又怕冷，行走甚難，這不是反其事了？」妲己曰：「陛下不知，老者不甚怕冷，乃是少年父母，精血正旺之時，交媾成孕，所秉甚厚；故精血充滿，骨髓皆盈，雖至末年，遇寒氣猶不甚畏怯也。至若少年怕冷，乃是末年父母，氣血已衰，偶爾姤精成孕，所秉甚薄，精血既虧，髓皆不滿，雖是少年，形同老邁，故遇寒冷而先畏怯也。」紂王笑曰：「此惑朕之言也！人秉父精母血而生，自然少壯，老衰，豈有反其事之理？」妲己又曰：「陛下何不差官去拏來，便知端的。」紂王傳旨：「命當駕官至西門，將渡水老者、少者俱拿來。」當駕官領旨，忙出朝趕至西門，不分老少，即時一併拿來。老少民人曰：「吾等奉公守法，不欠錢糧，為何來拿我們？」侍臣曰：「只怕當今天子有好處到你們，也不可不知。」正是：

敗葉飄飄落故宮，至今猶自起悲風。獨夫只聽讒言婦，日下朝歌社稷空。

話說紂王見妲己如此神異，撫其背而言曰：「御妻真是神人，何靈異若此！」妲己曰：「妾雖係女流，少得陰符之術，其勘驗陰陽，無不命中。適纔斷脛驗髓，此猶其易者也。至如婦人懷孕，一見便知他腹內有幾月，是男，是女，而在腹內，或朝東、南、西、北，無不週知。」紂王曰：「序纔老少人民

妲己唱罷，餘韻悠揚，嬌嬌不絕。紂王大喜，連飲三大杯。一時雪俱止了，彤雲漸散，日色復開。紂王同妲己憑欄，看朝歌積雪，忽見西門外有一小河，——此河不是活河水，因紂王造鹿臺，挑取泥土，致成小河，適纔雪水注積，因此行人不便，必跣足過河。——只見有一老人跣足渡水，不甚懼冷，而行步

天降大殃臨孕婦，成湯社稷盡歸周。

話說奉御官在朝歌滿城尋訪，有三名孕婦，一齊拿往午門來。只見他夫妻難捨，搶地呼天，哀聲痛慘，大呼曰：「我等百姓又不犯天子之法，不拖欠錢糧，為何拿我等有孕之婦？」子不捨母，母不捨子，悲悲泣泣，前遮後擁，扯進午門來。只見箕子在文書房共微子、微子啟、微子衍、上大夫孫榮正議袁洪為將，退天下諸侯之兵，不知何如，只聽得九龍橋鬧鬧嚷嚷，呼天叫地，哀聲不絕。眾人大驚，齊出文書房來，問其情由。見奉御官拉著兩個婦女而來。箕子問曰：「這是何故？」民婦泣曰：「吾等俱是女流，又不犯天子之法，拿我女人做甚麼？老爺是天子之臣，當得為國為民，救我等蟻命！」言罷哭聲不絕。箕子忙問奉御官，奉御官答曰：「皇上夜來聽娘娘言語，將老少二民敲骨驗髓，分別淺深，知其老少生育，皇大喜。娘娘又奏，尚有剖腹驗胎，知道陰陽。皇上聽信斯言，特命臣等取此孕婦看驗。」箕子聽罷，大罵：「昏君！方今兵臨城下，將至濠邊，社稷不久丘墟，還聽妖婦之言，造此無端罪業！左右且住！待吾面君諫止。」箕子怒氣不息，後隨著微子等俱往鹿臺來見駕。且說紂王在鹿臺專等孕婦來看驗，只見當駕官啟曰：「有箕子等候旨。」王曰：「宣。」箕子至臺上，俯伏大哭曰：「不意成湯相傳十世之天下，一旦喪于今日，而尚不知警戒修省，造此無辜惡業，你將何面目見先王之靈也！」紂王怒曰：「周武叛逆，今已有大帥袁洪足可禦敵，斬將覆軍，不日奏凱。朕偶因觀雪，見朝涉者，有老少之分，行步之異，幸皇后分別甚明，朕得以決其疑，于理何害。今朕欲剖孕婦以驗陰陽，有甚大事，

那日招賢榜簾下，來了二人，生得相貌甚是凶惡：一個面如藍靛，眼似金燈，口獠牙，身軀偉岸；一個面似瓜皮，口如血盆，牙如短劍，髮似硃砂，頂生雙角，甚是怪異，往中大夫府謁見。飛廉一見甚是畏懼。行禮畢，飛廉問曰：「二位傑士是那裡人氏？高姓何名？」二人欠身曰：「某二人乃大夫之子民，成湯之百姓。聞姜尚欺妄，侵天子關隘，吾兄弟二人願投麾下，以報國恩，決不敢望爵祿之榮，願破周兵，以洗王恥。子民姓高名明，弟乃高覺。」通罷姓名，飛廉領二人往朝內拜見紂王，進午門逕往鹿臺見駕。紂王問曰：「大夫有何奏章？」飛廉奏曰：「今有二賢高明、高覺，願來報效，不圖爵祿，敢破周兵。」紂王聞奏大悅，宣上臺來。二人倒身下拜，俯伏稱臣。王賜平身，二人立起。紂王一見相貌奇異，甚是駭然：「朕觀二士真乃英雄也！」隨在鹿臺上俱封為神武上將軍，二人謝恩。王曰：「大夫與朕陪宴。」二人下臺冠帶了，至顯慶殿待宴，至晚謝恩出朝。次日旨意下，命高明、高覺同欽差解湯羊、御酒往孟津來。不知凶吉如何，且聽下回分解。

評

紂王焚炙忠良，蔓益惡焰，可謂極古今之慘，何得又有此一番惡想！竟剗剔孕婦，斷朝涉之脛，千古之下，稱為獨夫，信不誣矣！

「依臣妾愚見，且將箕子剃髮囚禁，為奴宮禁，以示國法，使人民不敢妄為，臣下亦不敢瀆奏矣。」紂王聞奏大喜，將箕子竟囚之為奴。微子見如此光景，料成湯終無挽救之日，隨即下臺，與微子啟、微子衍大哭曰：「我成湯繼統六百年來，今日一旦被嗣君所失，是天亡我商也，奈之何哉！」微子與微子啟兄弟二人商議曰：「我與你兄弟可將太廟中二十八代神主負往他州外郡，隱姓埋名，以存商代禪祀，不令同日絕滅可也。」微子啟含淚應曰：「敢不如命！」於是三人打點收拾，投他州自隱。——後孔聖稱他三人曰：「微子去之，箕子為之奴，比干諫而死。」謂「殷有三仁」是也。後人有詩贊之：

鶯囀商郊百草新，成湯宮殿已成塵。為奴豈足存商祀，去國因之接子禪。

剖腹丹心成往事，割胎民婦又遭連。朝歌不日歸周主，戰血郊原已化燐。

話說微子三人收拾行囊，投他州去了。紂王將三婦人拿上鹿臺，姐已指一婦人：「腹中是男，面朝左脇。」一婦人：「也是男，面朝右脇。」命左右用刀剖開，毫厘不爽。又指一婦人：「腹中是女，面朝後背。」用刀剖開，果然不差。紂王大悅：「御妻妙術如神，雖龜筮莫敵！」自此肆無忌憚，橫行不道，慘惡異常，萬民切齒。當日有詩為證：

大雪紛紛宴鹿臺，獨夫何苦降飛災！三賢遠遁全宗廟，孕婦身亡實可哀。

話說當日剗剔孕婦，天昏地暗，日月無光。次日，有探事軍報上臺來：「有微子等三位殿下，封了府門，不知往何處去了。」紂王曰：「微子年邁，就在此，也是沒用之人；微子啟弟兄兩人，就留在朝歌，也做不得朕之事業；他去了，又省朕許多煩絮。即今元帥袁洪屢見大功，料周兵不能做得甚事。」遂日日荒淫宴樂，全不以國事為重。在朝文武不過具數而已，併無可否。

話說高明、高覺同欽差官往孟津來，行至轅門，傳：「旨意下！」旗門官報入中軍，袁洪與眾將接旨，進中軍閱讀，詔曰：

嘗聞：將者乃三軍之司命，係社稷之安危。將得其人，國有攸賴；苟非其才，禍遂莫測，則國家又何望焉。茲爾元帥袁洪，才兼文武，學貫天人，屢建奇功，真國家之柱石，當代之人龍也！今特遣大夫陳友解湯羊、御酒、金帛、錦袍，用酬戍外之勞，慰朕當宁之望。爾當克勤克儉，撲滅叛逆，早安邊疆，以靖海宇。朕不惜茅土重爵，以待有功。爾其欽哉！特諭。

袁洪謝恩畢，款待天使。又令高明、高覺進見。高明、高覺上帳參謁袁洪，行禮畢，袁洪認得他是棋盤山桃精、柳鬼；高明、高覺也認得袁洪是梅山白猿。彼此大喜，各相溫慰，深喜是一氣同枝。正是：

妲己之毒惡，極為古今婦人之最，然而惡名歸於紂王。今人只知罵紂王為獨夫，何嘗罵妲己為獨婦？此又古今極便宜的事。予想此婦，可謂極善逢迎者，不但當日能惑紂王，尚能遞過天下後世人，又可謂極古今婦人之媚！

討殺身之禍也！」高明大笑曰：「姜子牙，我知你是崑崙之客，你也不曾會我等這樣高人。今日成敗定在此舉也。」道罷，二將使戟、斧沖殺過來。這邊李靖、楊任二騎沖出，也不答話，四處兵器交加。正是四將賭鬥，怎見得，有詩為證，詩曰：

四將交鋒在孟津，人神仙鬼孰虛真。從來劫運皆天定，縱有奇謀盡墮塵。

話說楊戩在旁，見高明、高覺一派妖氣，不是正人，仔細觀看，以備不虞。只見楊任取出五火扇來，照高明一搨，只聽得「呼」的一聲，化一道黑光而去。李靖也祭起黃金塔來，把高覺罩在裡面，一時也不見了。袁洪同眾將正在轅門看高明兄弟二人大戰周兵，見楊任用五火扇搨高明，又見李靖用塔罩高覺，忙命吳龍、常昊接戰。二將大叫曰：「周將不必回營，吾來也！」哪吒登風火輪來戰吳龍；楊戩使三尖刀敵住常昊，四將大戰。袁洪心下自思曰：「今日定要成功，不可錯過。」把白馬催開，使一條邵鐵棍來戰子牙。旁有雷震子、韋護二人截住袁洪相殺。怎見得，有贊為證，贊曰：

凜凜寒風起，森森殺氣生。白猿使鐵棒，雷震棍更精。韋護降魔杵，來往勢猶兇。捨命安天下，拼生定太平。

話說雷震子展風雷翅，飛在空中，那條棍從頂上打來。韋護祭起降魔杵，此杵豈同小可，如須彌山一般打將下來。袁洪雖是得道白猿，也經不起這一杵，袁洪化白光而去，止將鞍馬打得如泥。楊戩祭哮天犬咬常昊；常昊乃是蛇精，狗也不能傷他。常昊知是仙犬，先借黑氣走了。哪吒祭起神火罩，罩住吳龍；吳龍也化青氣走了。總是一場虛話。

一個面如藍黃腮如燈，一個臉似青松口血盆。一個獠牙凸暴如鋼劍，一個海下鬚鬚似赤繩。一個方天戟上懸豹尾，一個加鋼板斧似車輪。一個棋盤山上稱柳鬼，一個得手人間叫高明。正是：神荼鬱壘該如此，要阻周兵鬧孟津。

話說哪吒大呼曰：「來者何人？」高明答曰：「吾乃高明、高覺是也：今奉袁洪將軍將令，特來擒拿反叛姜尚耳。你是何人，敢來見我？」哪吒大喝曰：「好孽畜，敢出大言！」搖手中火尖鎗，直取二將。高明、高覺舉戟、斧劈面迎來。三將交兵，大戰在龍潭虎穴。哪吒早現出三頭八臂，祭起乾坤圈，正中高覺頂門上，打得個一派金光，散漫于地。哪吒復祭九龍神火罩，把高明罩住，用手一拍，即現九條火龍，須臾燒罷。哪吒回營來見子牙，言圈打高覺，罩住高明一事，子牙大喜。不表。且說高明等二人進營，來見袁洪曰：「姜尚所仗無他，俱倚的是三山五岳門人，故此所在僥倖成功，不曾遇著我等奧妙之人，莫說是姜尚幾個門人，何怕你有通天徹地手段，豈能脫得吾輩之手也？」眾人俱各歡喜。

次日，高明、高覺又往周營搦戰。哨馬報入中軍：「啟元帥：高明、高覺請元帥答話。」子牙問哪吒曰：「你昨日回我滅了二將，今日又來，何也？」哪吒曰：「想必高明二人有潛身小術，請師叔親臨，吾等便知真實。」子牙傳令，六百諸侯齊出，看子牙用兵。高明對高覺曰：「哪吒言吾等有潛身小術，俱出來一看吾等真實。」言未了，只聽砲響，見周營大隊排開，似盤山甲海，射日光華。子牙乘四不相，來至軍前，看見二將相貌兇惡，醜陋不堪，大喝曰：「高明、高覺，不順天時，敢勉強而阻逆王師，自

高明笑曰：「不要走！吾豈懼你安排，吾來也！」兄弟二人隨後趕入陣來。剛入得八卦方位，東有李靖，南有雷震子，西有哪吒，北有楊戩，四面發起符印，處處雷鳴；韋護空中將一瓶穢污之物往下打來，那些雞犬穢血，濺得滿地。高明、高覺化陣青光，早已不見了。眾門人親自觀見，莫知去向。子牙收兵回營，陞帳坐下，大怒曰：「豈知今日日本營先有奸細私透營內之情，如此何日成功也！將吾機密之事盡被高明知道，此是何說！」楊戩在旁曰：「師叔在上：料左右將官自在西岐共起義兵，經過三十六路征伐，今進五關，經過數百場大戰，苦死多少忠良。今日至此，克成湯只在目下，豈有這樣之理？據弟子觀之，此二人非是正人，定有些妖氣，那光景大不相同。望師叔詳察。今弟子往一所在去來，自知虛實。」子牙曰：「你往那裡去？」楊戩曰：「機不可泄，泄則不能成功也。」子牙許之。楊戩當晚別子牙去訖。且說高明、高覺來見袁洪，言子牙用八卦陣，將釘桃棒的事說了一遍。袁洪具表往朝歌報捷。高覺聽得周營子牙與楊戩共議，楊戩要往一所在去，又聽見楊戩不肯說，兄弟二人曰：「憑你怎樣尋吾根腳，料你也不能知道！」二人又大笑一回。不表。

且說楊戩離了周營，借土遁往玉泉山金霞洞來，正是：

遁中道術真玄妙，咫尺青風萬里程。

話說楊戩來至金霞洞，見洞門緊閉，楊戩洞外敲門。少時，一童子出來，見是師兄，忙問曰：「師兄何來？」楊戩曰：「煩賢弟通報。」童子進洞內見玉鼎真人，啟曰：「師兄楊戩在洞府外求見。」真人起身吩咐曰：「著他進來。」楊戩來至碧遊床前下拜。真人曰：「你今到此為何？」楊戩把孟津事說了一遍。真人曰：「此業障是棋盤山桃精、柳鬼。桃、柳根盤三十里，採天地之靈氣，受日月之精華，成氣

弟子說：「若到孟津，謹防梅山上聖阻隘。」教弟子留心。今日觀之，祭寶不能成功，俱化青黑之氣而走。元帥宜當設計處治，方可成功。若是死戰，終是無用。」子牙曰：「吾自有道理。」當日至晚，子牙帳中鼓響，眾將官上帳聽令。子牙命李靖領柬帖：「你在八卦陣正東上，按震方，書有符印，用桃椿，上用犬血，如此而行。」又命雷震子領柬帖：「你在正南上，按離方，亦有符印，也用桃椿，上用犬血，如此而行。」命哪吒領柬帖：「在正西上，按兌方，也用桃椿，上用犬血，如此而行。」又命楊任：「在正北上，按坎方，也用桃椿，上用犬血，如此而行。楊戩，你可引戰，用五雷之法，望桃椿上打下來，韋護，你用瓶盛烏雞、黑狗血，女人尿尿和勻，裝在瓶內，見高明、高覺趕上我陣中，你可將瓶打下，此穢污濁物壓住他妖氣，自然不能逃走。此一陣可以擒二豎子也。」眾門人聽令而去。子牙先出營，布開八卦，暗合九宮，將桃椿釘下。正是：

設計要擒桃柳鬼，這場辛苦枉勞神。

子牙安置停當。且說高明聽著子牙傳令安八卦方位，用烏雞、黑狗血，釘桃椿拿他兄弟，二人大笑不止：「空費心機！看你怎樣捉我二人！」次日，子牙親臨轅門搦戰。袁洪命高明、高覺出營，大呼曰：「姜子牙，你自稱掃蕩成湯大元帥，據吾看，你不過一匹夫耳！你既是崑崙之士，理當遣將調兵，共決雌雄；為何釘桃椿，安符印，週圍布八卦，按九宮，用門人將烏雞、黑狗血穢污之物壓我二人。吾非鬼魅精邪，豈懼你左道之術也！」二人道罷，放步搖斧、舉戟直取子牙。子牙左右有武吉、南宮适二馬齊出，急架忙迎。四將交兵，鎗刀共舉。高明逞精神，如同猛虎；南宮适使氣力，一似蛟龍；高覺戟刺擺長旛，武吉鎗來生殺氣；四將酣戰。子牙催四不相，仗劍也來助戰；未及數合，便往陣中敗走。

子牙令至中軍，問其「打泥鬼如何？」雷震子曰：「奉令去打碎了二鬼，放火燒了廟宇，以絕其根，恐再為祟；待周王伐紂功成，再重修殿宇未遲。」子牙大悅，隨在帳前令哪吒、武吉在營布起一壇，設下五行方位，當中放一罈，四面八方俱鎮壓符印，安治停當。只見李靖掘桃、柳鬼根盤已畢，來至中軍回話。子牙大喜。正是：

李靖掘根方至此，袁洪舉意劫周營。

話說子牙在中軍共議東伯侯還不見來，忽報三運督糧官鄭倫來至。子牙令至帳前，鄭倫回令畢，交納糧印。鄭倫聽得土行孫已死，著實傷悼不表。且說袁洪在營中自思：「今與周兵屢戰，未見輸贏，枉費精神，虛費日月。」令左右暗傳與常昊、吳龍：「令高明、高覺衝頭陣，今夜劫姜尚的營。」又令：「參軍殷破敗、雷開為左右救應，殷成秀、魯仁傑為斷後，務要一夜成功。」眾將聽令，只等黃昏行事。話說子牙在中軍，忽見一陣風從地而起，捲至帳前。子牙見風色怪異，掐指一算，早知其意。子牙大喜，傳令：「中軍帳釘下桃楮，鎮壓符印，下布地網，上蓋天羅，黑霧迷漫中軍。令各營俱不可輕動。」李靖拒住東方，楊任拒住西方，哪吒拒住南方，雷震子拒住北方，楊戩、韋護在將臺左右保護。」子牙令南宮适、武吉、鄭倫、龍鬚虎等：「各防守武王營寨。」眾將得令而去。子牙沐浴上臺，等候袁洪來劫營寨。詩曰：

子牙妙算世無雙，動地驚天勢莫當。
二鬼有心施密計，三妖無計展疆場。
遭殃楊任歸神去，逃死袁洪免喪亡。
莫說孟津多惡戰，連逢劫殺損忠良。

話說袁洪當晚打點人馬劫營，大破子牙，以成全功。纔至三更時分，高明、高覺為頭一隊，袁洪為二隊。

有年。今棋盤山有軒轅廟，廟內有泥塑鬼使，名曰千里眼、順風耳；二怪托其靈氣，目能觀看千里，耳能詳聽千里；千里之外，不能視聽也。你可叫姜子牙著人往棋盤山去，將桃、柳根盤掘挖，用火焚盡；將軒轅廟二鬼泥身打碎，以絕其靈氣之根；再用一重霧常鎖營寨，如此如此，則二鬼自然絕也。」楊戩受命，離了玉泉山，復往周營而來。軍政官報與子牙，子牙令人中軍，問楊戩曰：「此去如何？」楊戩搖頭不語，猶恐泄機。子牙曰：「你今日為何如此？」楊戩曰：「弟子今日不敢言，且隨弟子行之。」子牙並依楊戩，不去阻擋。楊戩執定令旗下帳，把後隊大紅旗二千杆，令三軍磨旗；又令一千名軍士擂鼓鳴鑼，恍然有驚天動地之勢。子牙見楊戩如此，不知其故。楊戩方來對子牙曰：「高明、高覺二人乃是棋盤山桃精、柳鬼。他憑托軒轅廟二鬼之靈，名曰千里眼、順風耳。如今須用旗招展不住，使千里眼不能觀看；鑼鼓齊鳴，使順風耳不能聽察。請元帥命將往棋盤山，掘挖其根，用火焚之；再令將官去把軒轅廟裡二鬼打碎；然後用大霧一重，常鎖行營，此怪方能除也。」子牙聽說：「既然如此，吾自有治度。」子牙令李靖：「領三千人馬，速往棋盤山，去挖絕其根。」又令雷震子：「去打碎泥塑鬼使。」後人有詩歎之，詩曰：

虎鬥深山淵鬥龍，高明高覺逞邪蹤。當時不遇仙師指，難滅軒轅二鬼風。

話說子牙安排已定，只等二門人來回令。且說高明、高覺只聽得周營中鼓響鑼鳴不止，高覺曰：「長兄，你看看怎樣？」高明曰：「一派盡是紅旗招展，連眼都晃花了。兄弟，你且聽聽看。」高覺曰：「鑼鼓齊鳴，把耳朵都震聾了，如何聽得見一些兒？」二人急躁不表。只見李靖人馬去掘桃、柳的根盤；雷震子去打泥塑的鬼使；子牙在帳內望二人回來，方好用計破之。次日，子牙在中軍，忽報：「雷震子回來。」

第九十一回

蟠龍嶺燒邸文化

力大排山氣吐虹，手拖扒木快如風。行舟陸地誰堪及，破敵營門孰敢同。

擒虎英名成往事，食牛全氣化崆峒。總來天意歸周主，火燎蟠龍嶺下紅。

話說子牙在將臺上作法，只見風雲四起，黑霧瀰漫，上有天羅，下有地網，昏天慘地，罩住了周營。霹靂交加，電光馳驟，火光灼灼，冷氣森森，雷響不止，喊聲大振。各營內鼓角齊鳴，若天崩地塌之狀。怎見得，有詩為證，詩曰：

風霧濛濛電火燒，雷聲響亮鎮邪妖。桃精柳鬼難逃躲，早把封神名姓標。

話說高明、高覺闖進周營，殺進中軍，只見鼓聲大振，三軍呐喊。一聲砲響，東有李靖，西有楊任，南有哪吒，北有雷震子，左有楊戩，右有韋護，一齊衝將出來，把高明等圍住。臺上有子牙作法。臺下四箇門人，齊把桃棓震動。上有天羅，下有地網，上下交合。子牙祭起打神鞭打將下來，高明、高覺難逃此難，只打得腦漿迸流。一靈已往封神臺去了。且說袁洪同常昊、吳龍在後面催軍，殺進周營，被哪吒等接住大戰。此時晝夜交兵，兩軍混戰。韋護祭起降魔杵來打吳龍；吳龍早化青光去了。哪吒也祭起九龍神火罩來罩常昊；常昊化一道青氣不見了。袁洪乃是白猿得道，變化多端，把元神從頭上現出。楊任正欲取五火扇搗袁洪，不意袁洪頂上白光中元神手舉一棍打來，楊任及至躲時，已是不及，早被袁洪一

魯仁傑對殷成秀曰：「賢弟，據我愚見，今夜劫營，不但不能取勝，定有敗亡之禍。況姜子牙善于用兵，知玄機變化，且門下又多道德之士，此行豈無準備。我和你且在後隊，見機而作。」殷成秀曰：「兄長之言甚善。」不說他二人各自準備，且說高明、高覺來至周營，點起大砲，響一聲，喊殺進營來。袁洪同常昊、吳龍從後接應。子牙在將臺上披髮仗劍，踏罡步斗，霎時四下裡風雲齊起，這正是子牙借崑崙之妙術，取神荼、鬱壘。不知凶吉何如，且聽下回分解。

評

高明高覺耳目能視覺千里，一遇旌旗金鼓，便惑敵其聰明，倏然被擒；然則有耳目之靈，可不慎歟！

又評

語云：方以類聚，物以群分。當日有袁洪、常昊、吳龍三人怪，就有桃精柳鬼來應付。青天白日之下，純是魑魅魍魎用事，紂欲不亡得乎！

如若不識時務，悔無及矣。」袁洪大笑曰：「料爾不過是磻溪一釣叟耳，有何本領，敢出此大言！」回顧常昊曰：「與吾將姜尚擒了！」常昊縱馬挺鎗，飛來直取子牙。旁有楊戩催馬舞刀，抵住廝殺。二馬往來，刀鎗併舉，只殺得凜凜寒風，騰騰殺氣。怎見得，有詩為證，詩曰：

殺氣騰騰鎖孟津，梅山妖魅亂紅塵。須臾難遁終南鑑，取次摧殘作鬼燐。

話說兩人大戰，未及十五合，常昊撥馬便走。楊戩隨後趕來，取出照妖鑑來照，原來是條大白蛇。楊戩已知此怪，看他怎樣騰挪。只見常昊在馬上忽現原身，有一陣怪風捲起，播土揚塵，愁雲靄靄，冷氣森森，現出一條大蛇。怎見得，有詩為證：

黑霧漫漫天地遮，身如雪練弄妖邪。神光閃灼兇頑性，久與梅山是舊家。

話說楊戩看見白蛇隱在黑霧裡面來傷自己，楊戩搖身一變，化作一條蜈蚣，身生兩翅飛來，鉗如利刃。怎見他的模樣，有詩為證：

二翅翩翩似片雲，黑身黃足氣如焚。雙鉗豎起渾如劍，先斬頑蛇建首勳。

楊戩變做一條大蜈蚣，飛在白蛇頭上，一剪兩斷。那蛇在地下挺折扭滾。楊戩復了本相，將此蛇斬做數斷，發一個五雷訣，只見雷聲一響，此怪震作飛灰。袁洪知白蛇已死，大怒，縱馬使一根棍，大呼曰：「好楊戩！敢傷吾大將！」旁有哪吒登風火輪，現三頭八臂，使火尖鎗，抵住了袁洪。輪馬相交，未及數合，哪吒祭起九龍神火罩，將袁洪連人帶馬罩住；哪吒用手一拍，現出九條火龍，將袁洪盤旋週繞焚燒。不知袁洪有七十二變玄功，焉能燒的著他，袁洪早借火光去了。吳龍見哪吒施勇，使兩口雙刀來戰哪吒。哪吒翻身復來，接戰吳龍。楊戩在旁，忙取照妖鑑照看，原來是一條蜈蚣。楊戩縱馬舞刀，雙戰

棍打中頂門，可憐白穿雲關歸周，纔至孟津，未受封爵而死。後人有詩歎之，詩曰：

白離成湯歸紫陽，穿雲關下破瘟癘。孟津盡節身先喪，俱是南柯夢一場。

話說楊任被袁洪打死，兩軍混戰，至天明，子牙鳴金，兩下收兵。子牙降帳，點視軍將，已知楊任陣亡，著實嗟歎不已。楊戩上帳言曰：「今夜大戰，雖然斬了高明、高覺，反折楊任一員大將。據弟子見袁洪等俱是精靈所化，急切不能成功。大兵阻于此地，何日結局。弟子今往終南山，借了照妖鑑來，照定他的原身，方可擒此妖怪也，不然終無了期。」子牙許之。楊戩離了周營，借土遁往終南山而來。不多時，早至玉柱洞前，按落遁光，至洞門聽候雲中子。少時，只見金霞童子出來，楊戩上前稽首曰：「師兄，借煩通報，有楊戩要見師伯。」童子忙還禮曰：「師兄少待，容吾通報。」童子進洞對雲中子曰：「有楊戩在外面候見。」雲中子命童子：「著他進來。」童子出洞云：「師兄請見。」楊戩見雲中子，行禮畢，稟曰：「弟子今到此，欲求師伯照妖鑑一用。曰今兵至孟津，有幾箇妖怪阻住周師，不能前進。雖大戰數場，法寶難治。因此上奉姜元帥將令，特地至此，拜求師伯。」雲中子曰：「此乃梅山七怪也。只你可以擒獲。」忙取寶鑑付與楊戩。楊戩辭了終南，借土遁逕往周營內來見子牙，備言：「此是梅山七怪，明日俟弟子擒他。」話說袁洪在營中與常昊、吳龍眾將議退諸侯之策，殷破敗曰：「明日元戎不大殺一場以樹威，使天下諸侯知道利害，則彼皆不能善解。與他遷延日月，恐師老軍疲，其中有變，那時反為不美。」袁洪從其言。

次日，整頓軍馬，砲聲大振，來至軍前。子牙亦帶領眾諸侯出營，兩下列成陣勢。袁洪一馬當先。子牙調袁洪曰：「足下不知天命久已歸周，而何阻逆王師，令生民塗炭耶？速早歸降，不失封侯之位。」

湯社稷終屬西岐。況今日朝廷不明，妄用妖精為將，安有能成功之理？但我與賢弟受國恩數代，豈可不盡忠于國；然而就死也須死在朝歌，見吾輩之忠義，不可枉死于此地，與妖孽同腐朽也。不若乘機討一差遣，往而不返可也。」二將議定。忽有總督糧儲官上帳來稟袁洪曰：「軍中止有五日行糧，不足支用，特啟元帥定奪。」袁洪命軍政司修本，往朝歌催糧。旁有魯仁傑出而言曰：「末將願往。」袁洪許之。魯仁傑領令，往朝歌去催糧不表。

且說朝歌城來了一個大漢，身高數丈，力能陸地行舟，頓餐隻牛，用一根排扒木，姓鄒名文化，揭招賢榜投軍。朝廷差官送鄒文化至孟津營聽用。來至轅門，左右報與袁洪。袁洪命：「令來。」鄒文化同差官至中軍，見禮畢，通名站立。袁洪見鄒文化一表非俗，恍似金剛一般，撐在半天裡，果是驚人。袁洪曰：「將軍此來，必懷妙策。今將何計以退周兵？」鄒文化曰：「末將乃一勇鄙夫，奉聖旨齎送元帥帳下調用，聽憑指揮。」袁洪大喜：「將軍此來，必定首建大功，何愁姜尚不授首也！」鄒文化次日清晨上帳領令，出營搦戰，倒拖排扒木，行至周營，大呼曰：「傳與反叛姜尚，早至轅門洗頸受戮！」話說子牙在中軍帳，猛聽戰鼓聲響，擡頭觀看，見一大漢豎在半天裡，驚問眾將曰：「那裡來了一個大漢子？」眾人齊來觀看，果是好箇大漢子，眾皆大驚。正欲尋問，只見軍政官報入中軍來：「有一大漢，口出大言，請令定奪。」有龍鬚虎出口曰：「弟子願往。」子牙許之，吩咐曰：「你須仔細。」龍鬚虎領令出營來。鄒文化低頭往下一看，大笑不止：「那裡來了一個蝦精？」龍鬚虎擡頭看鄒文化，怎生兇惡，但見有詩為證，詩曰：

身高數丈髭櫛頭，口似窑門兩眼摳①。丈二蒼鬚如散線，尺三草履似行舟。

吳龍。吳龍料戰不過，撥馬便走，哪吒登風火輪就趕。楊戩曰：「道兄休趕，讓吾來也。」哪吒聽說，便立住了風火輪，讓楊戩催馬追趕。吳龍見楊戩趕來，即現原形，就馬腳下捲起一陣黑霧，罩住自己，怎見得，有詩為證：

黑霧陰風布滿天，梅山精怪法無邊。誰知治剋難相恕，千歲蜈蚣化罔然。

吳龍見楊戩追趕，即現原形，隱在黑霧之中，來傷楊戩。楊戩見此怪飛來，隨即搖身一變，化作一隻五色雄雞。怎見得，詩曰：

綠耳金睛五色毛，翅如鋼劍嘴如刀。蜈蚣今遇無窮妙，即喪原身怎脫逃。

楊戩化做一隻金雞，飛入黑霧之中，將蜈蚣一嘴啄作數斷，又除一怪。子牙與眾將掌鼓進營不表。

卻說殷破敗、雷開與諸將親自看見今日光景，不覺笑曰：「國家不祥，妖孽方興，今日我們兩員副將，豈知俱是白蛇、蜈蚣成精，來此惑人。此豈是好消息！不若進營與主將商議何如？」隨進營來，見袁洪在中軍悶坐，俱至帳前參謁。袁洪見眾將來見，也覺沒趣，乃對眾將曰：「吾就不知常昊、吳龍乃是兩個精靈，幾乎被他誤了大事。」眾將曰：「姜子牙乃崑崙道德之士，麾下又有這三山五岳門人相隨，料吾兵不能固守此地，請元帥早定大策，或戰或守，可以預謀，毋令臨期掘井，一時何及。眼見我兵微將寡，力敵不能，依不才等愚見，不如退兵，固守城都，設防禦之法，以老其師。此『不戰能屈人之兵』者，不知元帥尊意如何？」袁洪曰：「參軍之言差矣！奉命守此地方，則此地為重；今捨此不守，反欲退拒城都，此為臨門禦寇，未有不敗者也。今姜尚雖有輔佐之人，而深入重地，亦不能用武。看看在此地破敵，吾自有妙策，諸將勿得多言。」各人下帳。魯仁傑與殷成秀曰：「方今時勢，也都見了，料成

轅門。那是黑夜，誰人抵敵？沖開七層鹿角，撞翻四方木柵、擋牌，鄔文化把排扒木只是橫掃兩邊。也是周營軍士有難，可憐被他衝殺得尸橫遍野，血流成河，六十萬人馬在中軍呼兄喚弟，覓子尋爺。又有袁洪協同，黑夜中袁洪放出妖氣，籠罩住營中，驚動多少大小將官。子牙聽得大漢劫營，急上了四不相，手執杏黃旗，護定身子，只聽得殺聲大振，心下著忙。又是大漢二目如兩盞紅燈，眾門人各不相顧，只殺得孟津血水成渠。有詩為證，詩曰：

姜師提兵會列候，袁洪賭智未能休。朝歌遣將能催敵，周寨無謀是自蹂。

軍士有災皆在劫，元戎遇難更何尤。可惜英雄徒浪死，賢愚無辨喪荒丘。

話說鄔文化晝夜劫周營，後有袁洪助戰。周將睡熟，被鄔文化將排扒木兩邊亂掃，可憐為國捐軀，名利何在！袁洪騎馬，仗妖術沖殺進營，不辨賢愚，盡是些少肩無臂之人，都做了破腹無頭之鬼。武王有四賢保駕奔逃，子牙落荒而走，五七門徒借五遁逃去。只是披堅執銳之士，怎免一場大厄！該絕者難逃天數，有生者躲脫災殃。且說鄔文化直沖殺至後營，來到糧草堆根前，此處乃楊戩守護之所。忽聽得大漢劫營，姜元帥失利，楊戩急上馬看時，見鄔文化來得勢頭兇，欲要迎敵，又顧糧草，心生一個計，且救眼下之厄。忙下馬，念念有詞，將一草豎立在手，吸口氣，叫聲「變！」化了一個大漢，頭撐天，腳踏地。怎見得，有贊為證，贊曰：

頭有城門大，二目似披缸。鼻孔如水桶，門牙扁擔長！

鬚鬚似竹筍，口內吐金光。大呼鄔文化，與吾戰一場！

話說鄔文化正盡力沖殺，燈光影裡見一大漢，比他更覺長大，大呼曰：「那匹夫慢來！吾來也！」鄔文

生成大力排山岳，食盡金牛賽虎彪。陸地行舟人罕見，蟠龍嶺上火光愁。

鄒文化大呼曰：「周營中來的是個甚麼東西？」龍鬚虎大怒，罵曰：「好匹夫！把吾當作甚麼東西！吾乃姜元帥第二門徒龍鬚虎是也。」鄒文化笑曰：「你是一個畜生，全無一些人相，難道也是姜尚門徒！」龍鬚虎曰：「村匹夫快通名來，殺你也好上功勞簿。」鄒文化罵曰：「不識好歹畜畜！吾乃紂王御前袁元帥麾下威武大將軍鄒文化是也。你快回去，叫姜尚來受死，饒你一命。」龍鬚虎大怒，罵曰：「今奉令特來擒你，尚敢多言！」發手一石打來。鄒文化一排扒木打下來，龍鬚虎閃過，其釘打入上有三四尺深；急自拽起釘扒來，到被龍鬚虎夾大腿連腰上打了七八石頭；再轉身，又打了五六石頭；只打的是下三路。鄒文化身大，轉身不活，不上一個時辰，被龍鬚虎連腿帶腰打了七八十下，打得鄒文化疼痛難當，倒拖著排扒木望正東上走了。龍鬚虎得勝回營，來見子牙，備言其事。眾將俱以為大而無用，子牙也不深究所以，彼此相安不察。且說鄒文化敗走二十里，坐在一山崖上，擦腿摸腰，有一個時辰，乃緩緩來至轅門。左右報入中軍曰：「啟元帥：鄒文化在轅門等令。」袁洪吩咐：「令來。」鄒文化來至帳前，參謁袁洪。袁洪責之曰：「你今初會戰，便自失利，挫動鋒銳，如何不自小心！」鄒文化曰：「元帥放心。末將今夜劫營，管教他片甲不存，上報朝廷，下泄吾恨。」袁洪曰：「你今夜劫營，吾當助爾。」鄒文化收拾打點，今夜去劫固營。此是子牙軍士有難，故有此失。正是：

一時不察軍情事，斷送無辜填孟津。

話說子牙不意鄒文化今夜劫營。將至二更時分，成湯營裡一聲炮響，喊聲齊起，鄒文化當頭，撞進

話說鄒文化得了大功，紂王差官齎袍、帶、表禮等物獎諭，袁洪、鄒文化二將謝恩，打發天使回朝歌。不表。袁洪對鄒文化曰：「荷蒙天子恩寵獎諭，鄒將軍，我等當得盡忠竭力，以報國恩，不負吾輩名揚于天下也。」鄒文化曰：「末將明日使姜尚無備，再殺他個片甲無存，早早奏凱。」袁洪大喜，設宴慶賞。正談笑間，探事馬報入中軍：「啟元帥：今有姜子牙與武王在轅門閑看吾營，不知有何原故，請令定奪。」袁洪聽報，即令鄒文化：「暗出大營，抄出子牙之後擒之，如探囊取物耳。」鄒文化領令，忙出右營門，撒開大步，拖排扒木，如飛雲掣電而來，大呼曰：「姜尚休走！今番吾定擒你成功也。速速下騎受死，免吾費力。」子牙與武王見鄒文化追來，撥轉坐騎，望西南而逃。鄒文化見子牙、武王落荒而走，放心追來。子牙回顧，誘鄒文化曰：「鄒將軍，你放我君臣回營，得歸故國，再不敢有犯邊疆，吾群臣感將軍洪恩不淺矣。」鄒文化曰：「今番錯過，千載難逢。」拼命趕來，那裡肯捨。望前趕了一個時辰。姜子牙與武王是有腳力的；鄒文化步行，怎當得他是急急追趕，一氣趕了五六十里！鄒文化氣力已乏，立住腳不趕了。子牙回頭看時，見鄒文化不趕，子牙勒轉坐騎，大呼曰：「鄒文化，你敢來與吾戰三合麼？」鄒文化大怒曰：「有何不敢？」回身又望前趕來。子牙勒轉四不相又走，看看趕至蟠龍嶺了，子牙君臣進山口去了。鄒文化大喜：「姜尚進山，似魚游釜中，肉在几上！」隨後追進山口。不知鄒文化性命如何，且聽下回分解。

評

化擡頭看見，說得魂不附體：「我的命來了！」倒拖排扒木，回頭就走，也不管好歹，只是飛跑。楊戩化身隨後趕來一程，正遇袁洪。楊戩大呼曰：「好妖怪，怎敢如此！」使開三尖刀，飛奔殺來。袁洪使棍抵住。大戰一回，楊戩祭哮天犬時，袁洪看見，化一道白光，脫身回營。且說孟津眾諸侯聞袁洪劫姜元帥的大營，驚起南北二鎮諸侯，齊來救應。兩下混戰，只殺到天明。子牙會集諸門人，尋見武王，收集敗殘人馬，點算折軍兵有二十餘萬，帳下折了將官三十四員，龍鬚虎被鄒文化排扒木絕其性命。軍士有見龍鬚虎的頭掛在排扒木上，因此報知。子牙聞龍鬚虎被亂軍中殺死，子牙傷悼不已。眾諸侯上帳，問武王安。楊戩來見子牙，備言：「鄒文化沖殺，是弟子如此治之，方救得行糧無虞。」子牙曰：「一時失於檢點，故遭此厄，無非是天數耳。」心下鬱鬱不樂，納悶中軍。

且說袁洪得勝回營，具本往朝歌報捷：「鄒文化大勝周兵，戶塞孟津，其水為之不流。」群臣具賀：「自征伐西岐，從未有此大勝。」紂王大喜，曰：「縱樂，全不以周兵為事。且說楊戩來見子牙曰：『如今先將大漢鄒文化治了，然後可破袁洪。』子牙曰：『須得如此，方可絕得此人。』楊戩領令，去到孟津探路徑。走有六十里，至一所在，地名蟠龍嶺。此山灣環如蟠龍之勢，中有空闊一條路，兩頭可以出入。楊戩看罷，心下大喜曰：「此處正好行此計也！」忙回見子牙，備言：「蟠龍嶺地方可以行計。」子牙聽說大喜，在楊戩耳邊備說如此如此，可以成功。楊戩遂自去了。正是：

計燒大將鄒文化，須得姜公用此謀。

話說子牙令武吉、南宮适：「領二千人馬，往蟠龍嶺去埋伏引火之物，中用竹筒引線，暗埋火炮、火箭各項等物，嶺上下俱用柴薪引火乾燥物件，預備停當，只等鄒文化來至，便可行之。」二將領令去訖。

第九十二回 楊戩哪吒收七怪

梅山七怪阻周兵，逞異誇能苦戰爭。狗竇雖兇誰獨死，牛黃縱惡自戕生。

朱真伏地先無項，楊顯縱橫後亦驚。堪笑白猿多惹事，千年道行等閑傾。

話說武吉、南宮适望見子牙引鄒文化進山，先讓過子牙與武王，用木石疊斷前山。只見鄒文化趕進山口，不見了子牙、武王，立住了腳，遲疑四望，竟無蹤跡。正欲迴身出山，只聽得兩邊砲響，殺聲振地，山上用滾木大石輓斷山口，軍士用火弓、火箭、火砲、乾柴等物望山下拋放，只見四下裡火起，滿谷煙生。怎見得好火，贊曰：

騰騰烈焰，滾滾煙生。一會家地塌山崩，霎時間雷轟電掣。須臾綠樹盡沾紅，頃刻青山皆帶赤。那怕你銅牆鐵壁，說甚麼海闊河寬。任憑他燦石流金，遇著時枯泉轍涸。風乘火勢逞雄威，火借風高拼惡毒。休說鄒文化血肉身軀，就是滿山中披毛帶角的皆逢其劫。

話說鄒文化見後面火起，疊斷歸路，抽身轉奔進山來。那山腳下地砲、地雷發作，望上打來。可憐頂天立地大漢，陸地行舟的英雄，只落得頃刻化為灰燼！後人有詩歎之：

夜劫固營立大功，孟津河下逞英雄。姜公妙算驅楊戩，火化蟠龍一陣風。

話說楊戩、武吉、南宮适見燒死了鄒文化，俱回來見姜子牙，備言前事。子牙大喜，又調楊戩曰：「只

從來妖邪鬼魅，安能白晝勝人？不過混亂一場而已。所以高明、高覺、常昊、吳龍皆陸續被擒，只是商朝氣數，不卜可知其敗也。豈有堂堂天子，而魑魅魍魎公然橫行於青天白日之下哉？

又評

鄒文化一勇之夫，固無足論；只笑姜子牙為武事中鼻祖，開教中之高士，如何不能前知？如何不諳紀律？令全軍屠戮，武王著驚，子牙公能遁其責？以理定罪，則當今之祖武其事，尸祝其神者，俱當罰去。

麾下副將余忠，此人不信道術，使狼牙棒，面如紫棗，三柳長髯，飛馬大呼曰：「此功留與我來取！」子牙見左哨來了余忠，一馬當先，也不答話，使開棒夾頭就打。朱子真手中劍劈面交還。步馬相交，劍棒併舉。未及二十合，朱子真轉身就走，余忠隨後趕來。子牙傳令擂鼓呐喊，以助軍威。余忠追來，未及一里之路，朱子真乃是妖魅，足下陰風簇擁，一派寒霧籠罩，故馬亦迫之不上。朱子真把身子立住，余忠馬看看至近，子真回頭，把口一張，一道黑煙噴出，籠罩其身，現出本相，一口把余忠咬了半段，余忠尸骸倒于馬下。朱子真復現元身，回奔而來，大呼曰：「姜子牙敢與吾立見雌雄麼？」楊戩在旁，用照妖寶鑑一照，原來是一個大豬。楊戩把馬催開，使三尖刀從後面大喝曰：「好業障少來，有吾在此！」使開刀，分頂門砍來。朱子真手中劍急架忙迎。步馬相交，刀劍併舉，未及數合，朱子真抽身就走，楊戩隨後趕來。朱子真如前，復現原身，將楊戩一口吃去。子牙見楊戩如此，傳令回兵進營。朱子真得勝，來見袁洪，袁洪大喜，治酒管待朱子真賀功。正飲之間，忽報：「轅門有一傑士求見。」袁洪傳令：「令來。」

少時，見一人面如傅粉，海下長髯，頂生三角，戴一頂束髮冠，至帳下行禮畢，袁洪問曰：「傑士何方人氏？」其人答曰：「末將姓楊，名顯，祖居梅山人氏。」——此傑士乃是羊精也，借羊成姓，也是梅山一怪，俱是袁洪一起。只恐旁人看破，故此降續而來，托姓借名，以掩眾人耳目。當日袁洪留在軍中，賜坐飲酒。楊顯與朱子真各自誇能鬥勝，嘵嘵不休。殷破敗自思：「此又是袁洪等一黨妖孽耳！」默對雷開不語。只見大小將官正飲酒，方到三更時分，聽得朱子真腹內有人言曰：「朱道人，你可知道吾是誰？」朱子真驚得魂不附體，忙問曰：「你是誰？你實在那裡？」楊戩在腹內答曰：「吾乃玉泉山

是袁洪此怪未除，如之奈何？」楊戩曰：「此怪乃梅山得道白猿，最是精靈，俟徐徐除之。」子牙曰：「且等東伯侯來至，諸侯方可進兵。」

話說袁洪聞報，知道燒死了鄒文化，心中不樂，正獨坐網悶，忽報：「轅門外有一頭陀求見。」袁洪傳令：「請來。」少時，頭陀至中軍，打稽首曰：「元帥，貧道稽首了。」袁洪曰：「道者請了。道者從何處來？有何見諭？」頭陀曰：「吾亦在梅山地方居住，與元帥相隔不遠，姓朱名子真。今知元帥為紂王出力，特來助一臂之力。不識元帥肯容納否？」袁洪聽說大喜，邀請頭陀上坐。朱子真再三謙讓，就席而坐。旁有參軍殷破敗、雷開二將聽得又是梅山之士，乃相調歎曰：「此又是常昊、吳龍一黨。」袁洪命治酒管待朱子真。一宵不表。次日，朱子真提寶劍在手，率左右行至周營，坐名請元帥答話。軍政官報入中軍。子牙聽見有道者，忙傳令南北二處諸侯齊出轅門，排開隊伍，自己親率諸眾弟子出轅門，列成陣勢。見成湯旗門腳下，來一頭陀。怎見得，有贊為證：

面如黑漆甚蹺蹶，海下髭髯一剪齊。長唇大耳真兇惡，眼露光華掃帚眉。皂服絲絛飄蕩蕩，渾身冷氣浸人肌。梅山豬怪逢楊戩，不久周營現此軀。

話說朱子真步行至前，見子牙簇擁而至。子牙曰：「道者何人？」朱子真曰：「吾乃梅山煉氣士朱子真是也。」姜子牙曰：「你不守分安居，來此何幹？是自尋死亡也。」朱子真大笑曰：「成湯相傳數十世，爾等世受國恩，無故造反，侵奪關隘，反言天命人心，真是妖言惑眾，不忠不孝之夫！至今日到此，快下馬納降，各還故土，尚待你等以不死；如有半字不然，那時拿住，定碎尸萬段，悔無及矣。」子牙大罵曰：「無知匹夫！你死在目前，尚不自知，猶自饒舌也！」朱子真仗劍來取子牙。只見旁有南伯侯

只見袁洪調楊顯曰：「似此露出本相，成何體面！把吾輩在梅山千年道術，一代英名，俱成畫餅，豈不愧哉！誓不與姜尚干休！」楊顯曰：「楊戩他恃自己有變化之術，不意朱子真誤中奸計，若不復此仇，豈能再立於人世！」二人正彼此痛恨，忽轅門官報入中軍：「啟元帥：有天使至，請令定奪。」袁洪忙出轅門，迎接天使。天使曰：「奉天子敕，命送一賢士至軍前聽用。」袁洪接了旨意，打發天使去了，復至中軍坐下，命左右：「令來將參謁。」來將至中軍參拜畢，袁洪亦問曰：「將軍何名？」來者答曰：「末將姓戴名禮，梅山人氏；聞紂王招賢，故不辭千里之遠，特來效勞於麾下。」——此怪也是梅山之狗精，恐怕被人識破，故此陸續而來，若為不知耳。袁洪與眾將曰：「今日又添一賢士，定然與他決一雌雄。」隨傳令：「放砲吶喊。」三軍排隊伍出營，請子牙答話。周營軍政司報入中軍：「啟元帥：有袁洪搦戰。」子牙隨帶諸將出營。見袁洪走馬至軍前，子牙曰：「袁洪，你不知時務，眼見覆軍殺將，天意可知。今紂惡貫盈，人神共怒，諒爾不過區區螳臂，敢與天下諸侯相拒哉！」袁洪笑曰：「你偶爾得勝，便自矜誇，量你今日斷然無生回之理。」問左右曰：「誰與吾捉此反臣也？」左有楊顯大呼曰：「俟末將擒此反賊！」子牙看來將白面長鬚，頂生三角。怎見得，有讚曰：

頂上金冠生殺氣，柳葉甲掛龍鱗砌。頭生雙角氣崢嶸，白面長鬚聲更細。梅山妖孽號羊精，也至孟津將身斃。從來邪正到頭分，何苦身投羅網地。

話說楊顯走馬搖戟，沖殺過來。楊戩在旗門下用照妖鑑一照，卻是一隻羊精。楊戩收鑑，走馬舞三尖刀，也不答話，接住廝殺。刀戟併舉，殺在虎穴龍潭。二將正戰之間，只見成湯營裡一將，使兩口刀，飛奔前來，大叫曰：「楊兄弟，吾來助爾一臂之力！」子牙旁有哪吒登風火輪，使開火尖鎗迎來。怎見的此

金霞洞玉鼎真人門徒楊戩是也，今已在你腹內。你只知貪吃血食，不知在梅山吃了多少眾生。今日你這業障罪惡貫盈，我把你的肝腸弄一弄！」把手在他心肝上一掐，朱子真大叫一聲：「痛殺我也！」口稱：「大仙饒了小畜罷！」楊戩曰：「你是欲生？欲死？」朱子真曰：「望大仙慈悲！小畜在梅山也不知費幾許辛苦，採天地靈氣，吸日月精華，方能修成人形；今不知分量，干犯天威，望乞恕饒，真再生之德也！」楊戩曰：「你既要全生，你可速現原身，跪伏周營，吾當饒你性命；如不依吾言，我把你的心、肝、肺、腑都摘下來！」朱子真沒奈何，有法也無處使，只得苦苦哀告。楊戩大叫曰：「如若遲了，吾就動手！」朱子真只得隨現原形，是一個大豬，晃晃蕩蕩，走出轅門，就把袁洪急得抓耳撓腮，楊顯惱得無名火發，有力也無有用處，只得聽之而已。話說豬精走至周營轅門前跪伏，此時南宮适巡營，剛纔四更，巡至轅門，只見一豬伏著，南宮适曰：「此是民間豢養的，怎生至此間來？等到天明，叫原人領去。」楊戩在豬腹內大呼曰：「南將軍，報與姜元帥得知，此是梅山豬怪。今早見陣，是吾鑽入他腹裡，特地擒伏至此，快請元帥來轅門發落！」

南宮适方悟，知是楊戩變化在他肚裡，不覺大喜，忙進營門，至中軍外帳將雲板敲響，請元帥陞帳議事。內使傳與子牙，子牙忙陞帳。南宮适上帳啟元帥曰：「楊戩收服梅山豬精，已在營門，請元帥發落。」子牙傳令，命眾將掌上燈毬火把出營。不一時，一聲砲響，子牙率領眾諸侯齊出轅門，看時，果是一口大豬，跪伏在地。子牙問曰：「你這業障，沒來由，何苦自取殺身之禍！」楊戩在腹內應曰：「請元帥施行，斬除此怪，以絕後患。」子牙傳令：「命南宮适行刑。」南宮适手起一刀，將豬頭斬落在地。楊戩借血光而出，現了自己真身。眾諸侯無不欣羨。子牙命將豬頭掛在轅門號令，俱回營寨。不表。

問曰：「將軍高姓大名？」來將答曰：「末將姓金，雙名大升，祖貫梅山人氏。」此來者又是牛怪，用三尖刀，力大無窮，今來助袁洪，俱是梅山七怪之數。袁洪故問，以遮眾人耳目。袁洪乃設酒管待。次日，金大升上了獨角獸，提三尖刀，至周營搦戰。哨馬報入中軍：「啟元帥：成湯營有一大將請戰。」

子牙對眾將問曰：「誰見陣走一遭？」言未畢，旁有鄭倫出而言曰：「末將願往。」子牙許之。鄭倫上了金睛獸，撻降魔杵，出了營門，見對面一將，生的異怪雄偉，鄭倫問曰：「來者何人？」金大升答曰：「吾乃袁洪麾下副將金大升是也。爾是何人？快通名來。」鄭倫答曰：「吾乃總督五軍上將軍鄭倫是也。吾觀你異相非人，焉敢阻時雨之師，有逆天之罪！早早歸周，共破獨夫，以誅無道。如不知機，自取辱身之禍。」金大升大怒，催開獨角獸，使三尖刀砍來。鄭倫手中杵劈面相迎。二獸相交，大戰數合。金大升乃是牛怪，腹內煉成一塊牛黃，有碗口大小，噴出來，如火電一般。鄭倫不及提防，正中臉上，打傷鼻孔，腮綻唇裂，倒撞下獸去，被金大升手起一刀，揮為兩段。可憐！正是：

胸中奇術成何用，只落名垂在史篇。

話說金大升斬了鄭倫，掌鼓回營。報馬報入中軍：「啟元帥：鄭倫被湯營大將金大升所傷，請令定奪。」子牙聞報，著實傷悼，歎曰：「鄭倫屢建大功，自從蘇侯歸周，一路督糧，有功王室，豈知至此喪於無名下將之手，情實可傷！」子牙淚下如雨。有詩以弔之，詩曰：

胸中妙術孰能班，豈意遭逢喪此間？惟有清風常作伴，忠魂依舊返家山。

話說子牙次日令下：「誰為鄭倫報仇走一遭？」旁有楊戩應聲答曰：「弟子願往。」子牙許之。楊戩隨即上馬提刀，至成湯營前，坐名要金大升出來答話。少時，見成湯營內砲聲響處，只見金大升坐獨

怪，有詩為證：

嘴尖耳大最蹊蹺，遍體妖光透九霄。七怪之中他是首，千年得道一神獒。

話說哪吒用鎗阻住，大呼曰：「匹夫慢來！通名來，好記功勞簿。」來將答曰：「吾乃袁洪副將戴禮是也。」哪吒使開鎗，劈胸就刺。戴禮雙刀急架相還。輪馬相交，刀鎗併舉，大戰在一處。且說楊戩戰楊顯有二十合，楊顯撥馬便走，楊戩趕來。楊顯在馬上吐出一道白光，連馬罩住，現原身來傷楊戩。楊戩化一隻白額斑斕猛虎。楊顯見楊戩變了一隻猛虎，已尅治了他，急欲逃走，早被楊戩一刀砍為兩段。楊戩割下羊頭，大叫曰：「啟元帥：弟子又殺了梅山一怪也！」戴禮與哪吒正酣戰間，戴禮口內吐出一粒紅珠，有碗口大小，望哪吒頂門打來。哪吒見勢頭兇兇，諒不能治伏，只得閃一鎗敗下陣來。楊戩見哪吒失機，走馬大呼曰：「業障不得無禮！吾來也！」使開三尖刀來戰戴禮。二人大戰二十餘合，戴禮撥馬便走，楊戩縱馬趕來。戴禮又吐出一粒紅珠，現出光華，來傷楊戩。楊戩祭起哮天犬，飛在空中。此犬乃是仙犬，看見此珠，十分兇惡，竟讓過他的珠來奔戴禮。戴禮見仙犬奔來，正欲抽身逃走，早被哮天犬一口咬住，不能掙扎。楊戩手起一刀，揮於馬下。有詩為證，詩曰：

梅山狗怪逞猖狂，煉寶傷人勢莫當。豈意仙犬能伏怪，紅塵血染命空亡。

話說楊戩又殺了狗怪，掌鼓回營。子牙陞帳，見楊戩屢破諸怪，大喜，慶賀楊戩不表。

且說袁洪回至中軍，又見戴禮被戮，現出原形，心下甚是不樂。眾將交頭接耳，紛紛議論，十分沒趣。忽轄門官來報：「啟元帥：轄門外有一大將求見。」袁洪傳令：「令來。」少時，令至帳前，見一人身高一丈六尺，頂生雙角，捲嘴尖耳，金甲紅袍，全身甲冑，十分軒昂，戴紫金冠，近前施禮。袁洪

原故。楊戩把女媧娘娘收伏牛怪之事說了一遍，「今至轅門，請元帥發落。」子牙傳令：「請眾諸侯齊至大營門，看吾號令此怪。」少時，眾諸侯齊至轅門。子牙命牽過牛怪，用縛妖索將此怪縛在地下，令南宮适行刑。南宮适手起一刀，將牛頭斬下。孟津河八十萬人馬齊聲喝采。子牙命將牛頭掛在旗竿上號令，掌鼓回營。卻說袁洪已知梅山眾弟兄俱被子牙所滅，欲前而不能進，欲後而不能退，著實無計，事屬兩難，心下甚是憂疑。不表。

只見子牙回營陞帳，問楊戩曰：「梅山絕了幾怪？」楊戩掐指一算：「啟元帥：已滅了六怪。」子牙曰：「今晚傳與眾諸侯：二更時分齊劫成湯大營。」又令楊戩：「你可單劫袁洪，取巧降伏此怪，大事可定。」楊戩答曰：「弟子同哪吒雙去建功，更覺易於為力。」子牙許之，仍將眾將分派已定。不表。卻說袁洪在營中與參軍殷破敗、雷開二將議曰：「今主上命吾等在此守禦，此處周兵雖多，能者甚少，況連日朝歌不曾見有救兵，亦不曾見吾捷報，恐天子憂心，深屬不便。」命中軍具疏往朝歌，請天子速發援兵前來接應。中軍官具表求救。且說子牙親乘坐騎，時至二更，一聲炮響，周兵吶一聲喊，齊殺進成湯營裡去。正是：

黑夜沖營無準備，三軍無故受災殃。

話說南伯侯鄂順領三百諸侯，一齊奮勇當先；比伯侯崇應鸞沖殺進左營；李靖、韋護、雷震子沖殺進右營；楊戩、哪吒殺入大營，進中軍來戰袁洪。且說袁洪聽得周將劫營，忙上馬，使一根鐵棍，方出中軍，恰逢楊戩，也不答話，二馬相交，只殺得愁雲蕩蕩，慘霧紛紛。怎見得，有詩為證，詩曰：

夜劫湯營神鬼驚，喊聲齊發鼓鐘鳴。
軍兵奮勇誰堪敵，將士施威孰敢撓。

角獸，來至軍前，大呼曰：「來者通名！」楊戩曰：「吾乃楊戩是也。你就是金大升麼？」大升曰：「然也。」楊戩舞刀直取，金大升手中三尖刀赴面來迎。二將俱是三尖刀，往來沖突，一場大戰，有三十餘合。楊戩先未曾用照妖鑑照他，不防金大升噴出生黃，此寶猶如火塊飛來。楊戩見來得太急，化一道金光，往正南而走，金大升隨後趕來。大升的獨角獸來的快，楊戩忙取照妖鑑出來照時，卻原來是個水牛。楊戩回身，正欲變化拿他，忽然前面一陣香風縹緲，異味芳馨，氤氳遍地，有五彩祥雲，隱隱中一對黃旛飄蕩，當中有一位道姑，跨青鸞而至，旁有女童三四對，應聲叫曰：「楊戩早來見娘娘聖駕！」楊戩聽說，乃向前抄手施禮曰：「弟子楊戩參見娘娘。」

那道姑曰：「楊戩，吾非別神，乃女媧娘娘是也。今見成湯數盡，周室當興，吾特來助你降伏梅山之怪。」令楊戩立於一旁，乃命青雲女童：「將此寶去把那業障牽來。」青雲女童接寶在手，只見金大升足踏陰雲，提刀趕來。青雲女童上前攔住，大呼曰：「那業障！娘娘聖駕在此，休得無禮！今奉娘娘法旨，特來擒你！」金大升大怒，將刀往上一舉，劈面砍來。青雲女童將伏妖索祭起空中，只見黃巾力士將金大升穿起鼻子來，用銅鏈把金大升脊背上打了三四鏈，一聲雷響，金大升現出原身，乃是一匹水牛。楊戩向前倒身下拜：「弟子楊戩願娘娘聖壽無疆！」女媧曰：「楊戩，你且將牛怪帶回周營發落；我還助你收伏白猿精怪也。」楊戩別了女媧娘娘，把牛牽著回來。

且說子牙在中軍，聽報到：「楊戩化一道金光往正南上去了，這大將趕去，不知凶吉。」子牙驚疑不定。哪吒曰：「楊戩自有運用，元帥何必驚疑？」子牙曰：「方今東伯侯人馬未至，況有梅山七怪阻住吾師，使吾心下不能安然。」言未畢，只見報馬來報：「啟元帥：楊戩回來。」子牙令至帳前，問其

派仙樂之音，滿地祥雲繚繞，又見女媧娘娘駕臨。楊戩俯伏山下，叩首曰：「弟子楊戩不知娘娘聖駕降臨，有失迴避，望娘娘恕罪！」女媧曰：「你雖是玉泉山金霞洞玉鼎真人門徒，善會八九變化，不能降伏此怪。吾將此寶授你，可以收伏此惡怪也。」楊戩叩首拜謝，女媧娘娘自回宮去了。楊戩將此寶展開看時，心中甚是歡喜。此寶乃山河社稷圖。楊戩一一依法行之，懸於一大樹上。楊戩復上梅山，依舊找尋原路。話說袁洪見楊戩復上梅山，乃大呼曰：「楊戩，你此來是自送死也！」楊戩大笑曰：「你今日諒無生理！」使開刀，直取袁洪。袁洪也使開棍劈面交還。二人大戰一會，楊戩轉身就走，袁洪隨後趕來。楊戩下了梅山，往前又走，忽見前面一座高山，楊戩逕上了山。袁洪隨趕上山來。不知此山乃女媧娘娘賜的山河社稷圖變化的。袁洪趕上山來，入於圈套，再不能下山。楊戩將身一縱，下了山河社稷圖，只見袁洪在山上左攢右跳。不知性命如何，且聽下回分解。

評

梅山七怪，並無一個好看的；其略看得，不過一白猿而已，其餘皆豬狗牛羊而已。畜類當斯之時，真可謂有天無日，卽後世之失天下，混亂無紀，未有若此者也。紂惡可謂極矣！

又評

楊戩降豬精，逕鑽入他腹內；雖然擒復有功，只是他大腸內，一陣豬屎臭，何以為情！楊戩甚是伶俐，只此一節，未得便宜。

破敗無心貪戀戰，雷開有意奔途程。梅山七怪從今滅，掃蕩妖氛宇宙清。

話說眾諸侯齊殺入成湯營裡，只殺的口橫遍野，血滿溝渠，哀聲慘切，不堪聽聞。只見楊戩大戰袁洪，袁洪現出原身，起在半空，將楊戩劈頭一棍，打得火星迸出。楊戩有七十二變，隨化一道金光，起在空中，也照袁洪頂上一刀劈將下來。這袁洪也有八九工夫，隨刀化一道白氣，護住其身。楊戩大喝曰：「梅山猴頭，焉敢弄術！拿住你定要剝皮抽筋！」袁洪大怒曰：「你有多大本領，敢將吾兄弟盡行殺害，我與你勢不兩立！必擒你碎口萬段，以報其恨！」他二人各使神通，變化無窮，相生相剋，各窮其技，凡人世物件、禽獸，無不變化，盡使其巧，俱不見上下。袁洪暗思：「此時其兵已攻破大營，料不能支，且將他誑上梅山，入吾巢穴，使他不能舒展，那時再擒他不難。」遂棄了大營，往梅山逃去。不表。且說眾諸侯追殺成湯殘敗人馬，殺到天明，子牙鳴金收兵，眾諸侯各自回營。正是：

諸侯鞭敲金鐙響，子牙全勝進轅門。

話說楊戩見袁洪縱祥光而去，乃棄了馬，亦縱步借土遁緊緊追趕。只見袁洪隨變一塊怪石立在路旁。楊戩正趕，忽然不見了袁洪，即運神光，定睛觀看，已知袁洪化為怪石；隨即變一石匠，手執鎚鑽，上前鎚他。袁洪知他識破，便化陣清風往前去了。如此兩家各使神通，看看趕上梅山，忽的又不見了袁洪。楊戩上得梅山，果然好景。怎見得，有詩為證，詩曰：

梅山形勢路羊腸，古柏喬松兩岸旁。颯颯陰風雲霧裡，妖魔假此匿行藏。

話說楊戩上了梅山，四面觀望一遍，忽聽得崖下一聲響，躡出千百小猴兒，手執棍棒，齊來亂打楊戩。楊戩見眾小猢猻左右亂打，情知不能取勝，不若脫身下山。楊戩化道金光去了。方纔轉過一坡，只聽一

子牙大喜，命：「將白猿拿來見我。」少時，楊戩將白猿擁至中軍帳。子牙觀之，見是一個白猿，乃曰：「似此惡怪，害人無厭，情殊痛恨！」令：「推出斬之！」眾將把白猿擁至轅門，楊戩將白猿一刀，只見猴頭落下地來，他頂上無血，有一道清氣沖出，頸子裡長出一朵白蓮花來；只見花一放一收，又是一個猴頭。楊戩連誅數刀，一樣如此，忙來報與子牙。子牙急出營來看，果然如此。子牙曰：「這猿猴既能採天地之靈氣，便會煉日月之精華，故有此變化耳。這也無難……」忙令左右排香案於中，子牙取出一個紅葫蘆，放在香几之上，方揭開葫蘆蓋，只見裡面昇出一道白線，光高三丈有餘。子牙打一躬：「請寶貝現身！」須臾間，有一物現於其上，長七寸五分，有眉，有眼，眼中射出兩道白光，將白猿釘住身形。子牙又一躬：「請法寶轉身！」那寶物在空中，將身轉有兩三轉，只見白猿頭已落地，鮮血滿流，眾皆駭然。有詩贊之，詩曰：

此寶崑崙陸壓傳，秘藏玄理合先天。誅妖殺怪無窮妙，一助周朝八百年。

話說子牙斬了白猿，收了法寶，眾門人問曰：「如何此寶能治此巨怪也？」子牙對眾人曰：「此寶乃在破萬仙陣時，蒙陸壓老師傳授與我，言後有用他處，今日果然。大抵此寶乃用邵鐵修煉，採日月精華，奪天地秀氣，顛倒五行；至王夫圓滿，如黃芽白雪，結成此寶，名曰飛刀。此物有眉有眼，眼裡有兩道白光，能釘人仙妖魅泥丸宮的元神，縱有變化，不能逃走。那白光頂上如風輪轉一般，只一二轉，其頭自然落地。前次斬余元即此寶也。」眾人無不驚歎：「乃武王之洪福，故有此寶來剋治之耳。」不言子牙斬了白猿，且說殷破敗、雷開回朝歌，面見紂王，備言：「梅山七怪化成人形，與周兵屢戰，俱被陸續誅滅，復現原形，大失朝廷體面，全軍覆沒，臣等只得逃回。今天下諸侯齊集孟津，旌旗蔽日，殺氣

第九十三回

金吒智取遊魂關

斗柄看看又向東，寶禁枉自逞雄風。金吒設智開周業，微地多謀弄女紅。
總為浮雲遮曉日，故教殺氣鎖崆峒。須知王霸終歸主，枉使生靈泣路窮。

話說袁洪上了山河社稷圖，如四象變化有無窮之妙，思山即山，思水即水，想前即前，想後即後，袁洪不覺現了原身。忽然見一陣香風撲鼻，異樣甜美，這猴兒爬上樹去一望，見一株桃樹，綠葉森森，兩邊搖蕩，下墜一枝紅滴滴的仙桃，顏色鮮潤，嬌嫩可愛。白猿看見，不覺忻羨，遂攀枝穿葉，摘取仙桃下來，聞一聞，撲鼻馨香，心中大喜，一口吞而食之。方纔倚松靠石而坐，未及片時，忽然見楊戩仗劍而來。白猿欲待起身，竟不能起。不知食了此桃，將腰墜下，早被楊戩一把抓住頭皮，用縛妖索網住，收了山河社稷圖，望正南謝了女媧娘娘，將白猿擄著，逕回周營而來。有詩單贊女媧授楊戩秘法，伏梅山七怪，詩曰：

悟道投師在玉泉，秘傳九轉妙中玄。離龍坎虎分南北，地戶天門列後先。
變化無端還變化，坤乾顛倒合坤乾。女媧秘授真奇異，任你精靈骨已穿。

話說楊戩擒白猿來至轅門，軍政官報入中軍：「啟元帥：楊戩等令。」子牙命：「令來。」楊戩來至中軍見子牙，曰：「弟子追趕白猿至梅山，仰仗女媧娘娘秘授一術，已將白猿擒至轅門，請元帥發落。」

成擒耳。正所謂『迅雷不及掩耳』，此誠不世出之功也。但貧道出家之人，本不當以兵戈為事，因偶然不平，故向將軍道之，幸毋以方外術士之言見誚可也。乞將軍思之。」

寶榮聽罷，沉吟不語。旁有副將姚忠厲聲大呼曰：「主將切不可信此術士之言！姜尚門下方士甚多，是非何足以辨？前日聞報，孟津有六百諸侯協助姬發。今見主將阻住來兵，不能會合孟津，姜尚故將此二人假作雲遊之士，詐投麾下，為裡應外合之計。主將不可不察，毋得輕信，以墮其計。」金吒聽罷，大笑不止，回首謂木吒曰：「道友，不出你之所料。」金吒復向寶榮曰：「此位將軍之言甚是。此是龍蛇混雜，是非莫辨，安知我輩不是姜尚之所使耳？在將軍不得不疑。但不知貧道此來，雖是雲遊，其中尚有原故。因吾師叔在萬仙陣死於姜尚之手，屢欲思報此恨，為獨木難支，不能向前；今此來特假將軍之兵，上為朝廷立功，下以報天倫私怨，中為將軍效一臂之勞，豈有他心？既將軍有猜疑之念，貧道又何必在此瑣瑣也！但剖明我等一點血誠，自當告退。」道罷，抽身就走，撫掌大笑而出。寶榮聽罷金吒之言，見如此光景，乃沉思曰：「天下該多少道者伐西岐，姜尚門下雖多，海外高人不少，豈得恰好兩個就是姜尚門人？況我關內之兵將甚多，若只是這兩個，也做不得甚麼事，如何反疑惑他？據吾看他意思，是個有道之士，況且來意至誠，不可錯過。」忙令軍政官趕去，速請道者回來，正是：

武王洪福摧無道，故令金吒建大功。

話說軍政官趕上金、木二吒，大呼曰：「二位師父，我老爺有請！」金吒回頭，看見有人來請，對使者正色言曰：「皇天后土，實鑒我心。我將天下諸侯之首送與你們老爺，你老爺反辭而不受，卻信偏將之疑，使我蒙不白之恥，如今我斷不回去！」軍政官苦苦堅執不放，言曰：「師父若不去，我也不敢去。」

籠罩數百里。望陛下早安社稷為重，不可令諸侯一至城下，那時救解遲矣。」紂王著忙，急急設朝問兩班文武曰：「今周兵猖獗，如何救解？」眾官鉗口不言。有中大夫飛廉出班奏曰：「今陛下速行旨意，張掛朝歌四門：如能破得周兵，能斬將奪旗者，官居一品。古云：『重賞之下，必有勇夫。』況魯仁傑才兼文武，令彼調圍營人馬，訓練精銳，以待敵軍，嚴備守城之具，堅守勿戰，以老其師。今諸侯遠來，利在速戰。一不與戰，以待彼糧盡，彼不戰自走；乘其亂以破之，天下諸侯雖眾，未有不敗者也，此為上策。」紂王曰：「卿言甚善。」隨傳旨意，張掛各門，一面令魯仁傑操練士卒，修理攻守之具。不表。

且說金吒、木吒別了子牙，兄弟二人在路商議。金吒曰：「我二人奉姜元帥將令來助東伯侯姜文煥進關，若與寶榮大戰，恐不利也。我和你且假扮道者，詐進遊魂關反去協助寶榮，於中用事，使彼不疑；然後裡應外合，一陣成功，何為不美。」木吒曰：「長兄言得甚善。」二人吩咐使命：「領人馬先去報知姜文煥，我弟兄二人隨後就來。」使命領人馬去訖。金、木二吒隨借土遁，落在關內，逕至帥府前，金吒曰：「門上的，傳與你元帥得知，海外有煉氣士求見。」門官不敢隱諱，急至殿前啟曰：「府外有二道者，口稱海外之士，要見老爺。」寶榮聽說，傳令：「請來。」二人逕至簷前，打稽首曰：「老將軍，貧道稽首了。」寶榮曰：「道者請了。今道者此來，有何見諭？」金吒答曰：「貧道二人乃東海蓬萊島煉氣散人孫德、徐仁是也。方纔我兄弟偶爾閑遊湖海，從此經過，因見姜文煥欲進此關，往孟津會合天下諸侯，以伐當今天子。此是姜尚大逆不道，以惶惑之言挑釁天下諸侯，致生民塗炭，海宇騰沸。此天下之叛臣，人人得而誅之者也。我弟兄晚觀乾象，湯氣正旺，姜尚等徒苦生靈耳。吾弟兄願出一臂之力，助將軍先擒姜文煥，解往朝歌；然後以得勝之兵，掩諸侯之後，出其不意，彼前後受敵，一戰乃

話說金吒出關，見東伯侯門旗腳下一員大將，金甲，紅袍，走馬軍前，大呼曰：「來此道者，先試吾利刃也！」金吒曰：「爾是何人？早通名來。」來將答曰：「吾乃東伯侯麾下總兵官馬兆是也。道者何人？」金吒曰：「貧道是東海散人孫德。因兒成湯旺氣正盛，天下諸侯無故造反，吾偶閑遊東土，見姜文煥屢戰多年，眾生塗炭，吾心不忍，特發慈悲，擒拿渠魁，殄滅群虜，以救眾生。汝等知命，可倒戈納降，尚能待爾等以不死；如若半字含糊，叫你立成齏粉！」言罷，縱步綽劍來取馬兆，馬兆手中刀急架來迎。怎見金吒與馬兆一場大戰，有詩為證，詩曰：

紛紛戈甲向金城，文煥專征正未平。不是金吒施妙策，遊魂安得渡東兵。

話說金吒大戰馬兆，步馬相交，有二十合，金吒祭起遁龍椿，一聲響，將馬兆遁住。寶榮揮動兵戈，一齊沖殺。東兵力戰不住，大敗而走。金吒命左右將馬兆拿下，與寶榮掌得勝鼓進關。寶榮陞殿坐下，金吒坐在一旁。寶榮令左右：「將馬兆推來。」眾軍士把馬兆擁至殿前，馬兆立而不跪。寶榮喝令：「匹夫！既被吾擒，如何尚自抗禮？」馬兆大怒，罵曰：「吾被妖道邪術遭擒，豈肯屈膝於你無名鼠輩耶！一死何足惜，當速正典刑，不必多說。」寶榮喝令：「推出斬之！」金吒曰：「不可。待吾擒了姜文煥，一齊解送朝歌，聽候朝廷發落，以顯老將軍不世之功，豈不美哉！」寶榮見金吒如此手段，說話有理，便倚為心腹，隨傳令將馬兆囚在府內不表。且說東伯侯姜文煥聞報，金吒將馬兆拿去，姜文煥大喜：「進關只在咫尺耳！」次日，姜文煥布開大隊，擺列三軍，鼓聲大振，殺氣迷空，來關下搦戰。哨馬報入關中，寶榮忙問金、木二吒曰：「二位老師，姜文煥親自臨陣，將何計以擒之，則功勞不小。」金、木二吒慨然應曰：「貧道此來，單為將軍早定東兵，不負俺弟兄下山一場。」隨即提劍在手，出關

見老爺。」木吒曰：「道兄，竇將軍既來請俺回去，看他怎樣待我們。若重我等，我們就替他行事；如不重我等，我們再來不遲。」金吒方勉強應允。二人回至府前，軍政官先進府通報。竇榮命：「快請來！」二人進府，復見竇榮，竇榮忙降階迎接，慰之曰：「不才與師父素無一面，況兵戈在境，關防難稽，有不才副將不得不疑。只不才見識淺薄，不能立決，多有得罪於長者，幸毋過責，不勝頂戴！今姜尚聚兵孟津，人心搖撼，姜文煥在城下，日夜攻打，不識將何計可解天下之倒懸，擒其渠魁，殄其黨羽，令萬姓安堵？望老師明以教我，不才無不聽命。」

金吒曰：「據貧道愚見：今姜尚拒敵孟津，雖有諸侯數百，不過烏合之眾，人各一心，久自離散。只姜文煥兵臨城下，不可以力戰，當以計擒之。其協從諸侯，不戰而自走也。然後以得勝之師，掩孟津之後，姜尚雖能，安得豫為之計哉？彼所恃者天下諸侯，而眾諸侯一聞姜文煥東路被擒，挫其鋒銳，彼眾人自然解體；乘其離而戰之，此萬全之功也。」竇榮聞言大喜，慌忙請坐，命左右排酒上來。金、木二吒曰：「貧道持齋，並不用酒食。」隨在殿前蒲團而坐，竇榮亦不敢強。一夕晚景已過。次日，竇榮降殿，聚眾將議事，忽報：「東伯侯遣將搦戰。」竇榮對金、木二吒曰：「今日東伯侯在城下搦戰，不識二位師父作何計以破之？」金吒曰：「貧道既來，今日先出去見一陣，看其何如，然後以計擒之。」道罷，忙起身提劍在手，對竇榮曰：「借老將軍綱綁手隨吾壓陣，好去拿人。」竇榮聽罷大喜，忙傳令：「擺隊伍，吾自去壓陣。」關內砲聲響亮，三軍吶喊，開放關門，一對旗搖，金吒提劍而來。怎見得，正是：

竇榮錯認三山客，咫尺遊魂關屬周。

古云：「將欲取之，必固與之。」願將軍詳察。」金、木二吒曰：「竇將軍在上：夫人之疑，大似有理。我二人又何必在此多生此一番枝節耶，即此告辭。」金、木二吒言畢，轉身就走。竇榮扯住金、木二吒曰：「老師休怪。我夫人雖係女流，亦善能用兵，頗知兵法。他不知老師實心為紂，乃以方士目之，恐其中有詐耳。老師幸毋嗔怪，容不才賠罪。俟破敵之日，不才自有重報。」

金吒正色言曰：「貧道一點為紂真心，惟天地可表。今夫人相疑，吾弟兄若飄然而去，又難禁老將軍一段熱心相待，只等明日擒了姜文煥，方知吾等一段血誠。只恐夫人難與貧道相見耳。」夫人不覺慚謝而退。竇榮與金吒議曰：「不知明日老師將何法擒此反臣，以釋群疑，以暢眾懷？」金吒曰：「明日會兵，當祭吾法寶，自然立擒姜文煥耳。文煥被擒，餘黨必然瓦解。然後往孟津會兵，以擒姜子牙，可解諸侯之兵也。」竇榮聽說大喜，回內室安息。金、木二吒靜坐殿上，將至三更，只聽得關外炮聲大振，喊殺連天，金鼓大作，殺至關下，架砲攻打。有中軍官人府，擊雲板，急報竇榮。竇榮忙出殿，聚眾將上關，有夫人做地娘子披掛提刀而出。金吒對竇榮曰：「今姜文煥恃勇，乘夜提兵攻城，出我等之不意。我等不若將計就計，齊出掩殺，待貧道用法寶擒之，可以一陣成功，早早奏捷。夫人可與吾道弟謹守城池，毋使他虞。」夫人聽罷，滿口應允：「道者之言，甚是有理。我與此位守關，你與此位出敵。我自料理城上，乘此晝夜，可以成功也。」正是：

文煥攻關歸呂望，金吒設計滅成湯。

話說竇榮聽金吒之言，整點眾將士，方欲出關，有夫人又言曰：「晝夜交兵，須是謹慎，毋得貪戰，務要見機，不得落他圈套。將軍謹記，謹記！」看官，這是做地夫人留心防關，恐二位道者有變，故此叮

來迎敵。只見東伯侯、姜文煥一馬當先，左右分大小眾將。怎生打扮，有贊為證，贊曰：

頂上盔，攢六瓣；黃金甲，鎖子絆；大紅袍，團龍貫；護心鏡，精光煥；白玉帶，玲花獻；勒甲縵，飄紅焰；虎眼鞭，龍尾半；方楞鐃，卻鐵燬；咽喉馬，毛如彪；斬將刀，如飛電。千戰千贏。
東伯侯，文煥姓姜千古讚。

話說金、木二吒大呼曰：「反臣慢來！」姜文煥曰：「妖道通名！」金吒答曰：「吾乃東海散人孫德、徐仁是也。爾等不守臣節，妄生事端，欺君反叛，戕害生靈，是自取覆宗滅嗣之禍；可速倒戈，免使後悔。」姜文煥大罵曰：「潑道無知，仗妖術擒吾大將，今又巧言惑眾，這番拿你，定碎屍以泄馬兆之恨！」催開馬，使手中刀，飛來直取，金吒手中劍劈面交還。步馬相交，有七八回合，姜文煥撥馬便走。金、木二吒隨後起來。約有一射之地，金吒對東伯侯曰：「今夜二更，賢侯可引兵殺至關下，吾等乘機獻關便了。」姜文煥謝畢，掛下鋼刀，回馬一箭射來。金、木二吒把手中劍望上一挑，將箭撥落在地。金吒大罵曰：「奸賊！敢暗射吾一箭也！吾且暫回，明日定拿你以報一箭之恨！」金、木二吒回關，來見寶榮。寶榮問曰：「老師為何不用寶貝伏之？」金吒答曰：「貧道方欲祭此寶，不意那匹夫撥馬就走；貧道趕去擒之，反被他射了一箭。待貧道明日以法擒之。」三人正在殿上講議，忽後邊報：「夫人上殿。」金、木二吒見一女將上殿，忙向前打稽首。夫人問寶榮曰：「此二位道者何來？」寶榮曰：「此二位道長乃東海散人孫德、徐仁是也；今特來助吾共破姜文煥。前日臨陣，擒獲馬兆；待明日用法寶擒獲姜文煥等，以得勝之師，掩襲姜尚之後，此長驅莫禦之策，成不世之功也。」夫人笑曰：「老將軍，事不可不慮，謀不可不周，不可以一朝之言傾心相信。倘事生不測，急切難防，其禍不小。望將軍當慎重其事。」

又評

金、木二吒設智誑關，計亦為奇，而徹地娘子累能破識，無不道著隱微；其如寶崇不聽，竟墮術中。若此夫者，真該一棒打死！若此婦當奉之八寶座上，拜之為師。

嚙嚙呬耳。金吒見夫人言語真切，乃以目送情與木吒。木吒已解其意，只在臨機應變而已，亦以目兩相關會，隨同徹地夫人在關上駐紮防衛。只見竇榮開關，把人馬沖出，竇榮在旗門腳下，見姜文煥滾至軍前，竇榮大喝曰：「反臣！今日合該休矣！」姜文煥也不答話，仗手中刀直取竇榮。竇榮以手中刀赴面交還。二馬相交，雙刀併舉。怎見得，有詩贊之，詩曰：

殺氣騰騰燭九天，將軍血戰苦相煎。扶王碧血垂千古，為國丹心勒萬年。

文煥歸周扶帝業，竇榮盡節喪黃泉。誰知運際風雲會，八百昌期兆已先。

話說竇榮揮動眾將，兩軍混戰，只殺得人愁地暗，鬼哭神嚎，刀鎗響亮，斧劍齊鳴，喊殺之聲振地，燈籠火把如同白晝，人馬兇湧似海沸江翻。且言金吒縱步，在軍中混戰，觀看東伯侯帶領二百鎮諸侯圍將上來，金吒急祭起遁龍椿，一聲響，先將竇榮遁住。不知老將軍性命若何，且聽下回分解。

評

陸壓所用曰飛刀，能誅人神仙怪，可謂神矣！但還有形跡，又有葫蘆盛時，似覺費手。不若漢唐時有劍仙，更為神妙。彼劍仙所鍊神劍，或藏於腦門，或藏於耳後，或藏於兩血脈中；如遇用時，倏忽千里，意之所至，無不如志。其神劍之來，若電光之影；其人神仙怪之首，自然落地，頃刻化為烏有。惟血餘難化，用寒水石點之，泯然無跡。神矣哉！此飛刀若居其次矣。

煥曰：「謹如二位師父大教。」金、木二吒辭了姜文煥，駕土遁往孟津前來。且說子牙在孟津大營，與二路大諸侯共議：「三月初九日乃是戊午之辰，看看至近，如何東伯侯尚未見來？奈何！奈何！」正商議間，忽報：「金、木二吒在轅門等令。」子牙傳令：「令來。」金、木二吒來至中軍行禮畢，乃曰：「奉元帥將令，往遊魂關詐為雲遊之士，乘機取關。」把前事如此如彼盡說了一遍，「今弟子先來報與元帥，東伯侯大兵隨後至矣。」子牙聞說大喜，深羨二人用計，乃曰：「天意響應，不到戊午日，天下諸侯不能齊集。」

話說東伯侯大兵那一日來至孟津，哨馬報入中軍：「啟元帥：東伯侯至轅門等令。」子牙傳令：「請來。」姜文煥率領二百鎮諸侯進中軍，參謁子牙；子牙忙迎下座來，彼此溫慰一番。姜文煥又曰：「煩元帥引見武王一面。」子牙同姜文煥進後營，拜見武王。不表。此時天下諸侯共有八百，各處小諸侯不計，共合人馬一百六十萬。子牙在孟津祭了寶纛旗旛，一聲砲響，整頓人馬望朝歌而來。怎見得，有詩為證，詩曰：

征雲迷遠谷，殺氣振遐方。刀鎗如積雪，劍戟似堆霜。旌旗遮綠野，金鼓震空桑。刁斗傳新令，時雨慶壺漿。軍行如驟雨，馬走似奔狼。正是：弔民伐罪兵戈勝，壓碎群兇福祚長。

話說天下諸侯領人馬正行，只見哨馬報入中軍曰：「啟元帥：人馬已至朝歌，請元帥軍令定奪。」子牙傳令：「安下大營。」三軍吶喊，放定營大砲。

只見守城軍士報入午門，當駕官啟奏曰：「今天下諸侯兵至城下，紮下行營，人馬共有一百六十萬，其鋒不可當，請陛下定奪。」紂王聽罷大驚，隨命眾官保駕上城，看天下諸侯人馬。怎見得，有贊為證，

第九十四回 文煥怒斬殷破敗

兵馬臨城卻講和，諸侯豈肯罷干戈。殷湯德業八荒盡，周武仁風四海歌。

大廈將傾誰可負，潰癰已破孰能荷！荒淫到底成何事，盡付東流入海波。

話說金吒祭起遁龍椿，將寶榮遁住，早被姜文煥一刀揮為兩段。可憐守關二十年，身經數百戰，善守關防，不曾失利，今日被金吒智取殺身！正是：

爭名樹葉隨流水，為國孤忠若浪萍。

話說姜文煥斬了寶榮，三軍吶喊。只見木吒在關上見東伯侯率領諸侯鏖戰，聲勢大振，在城敵樓上暗暗祭起吳鉤劍去，此劍昇於空中，木吒暗曰：「清寶貝轉身！」那劍在空中如風輪一般，連轉三三轉，可憐徹地夫人，正是：

油頭粉面成虛話，廣智多謀一旦休。

話說木吒暗祭吳鉤劍，斬了徹地夫人，在關上大呼曰：「吾是木吒在此，奉姜元帥將令，來取此關。今主將皆已伏誅，降者免死，逆者無生！」眾皆拜伏於地。金吒已知兄弟獻關，同東伯侯姜文煥殺至關下，木吒令左右開關迎接。人馬進了關，姜文煥查盤府庫，安撫百姓，放了被禁馬兆，感謝金、木二吒。金吒曰：「賢侯速行，吾等先往孟津，報與姜元帥。賢侯不可遲誤戊午之辰，以應上天垂象之兆。」姜文

如天命不眷，萬姓離心，大廈將傾，一木如何支撐？可憐成湯當日如何德業，拜伊尹，放桀于南巢，相傳六百餘年，賢聖之君六七作，今一旦至紂而喪亡，令人曰極時艱，不勝嘆歎！」丁策乃作詩一首以歎之，詩曰：

「伊尹成湯德業優，南巢放桀冠諸侯。誰知三九逢辛紂，一統華夷盡屬周。」

話說丁策作詩完畢，只見大門外有人進來，卻是結盟弟兄郭宸。二人相見，施禮坐下。丁策問曰：「賢弟何來？」郭宸答曰：「小弟有一事特來與長兄商議。」丁策曰：「有何事？請賢弟見教。」郭宸曰：「方今天下諸侯都已會集于此，將朝歌圍困，天子出有招賢榜文。小弟特請長兄出來，共輔王室。況長兄抱經濟之才，知戰守之術，一出仕于朝，上可以報效于朝廷，顯親揚名，下不負胸中所學。」丁策笑曰：「賢弟之言雖則有理，但紂王失政，荒淫不道，天下離心，諸侯叛亂，已非一日；如大癰既潰，命亦隨之，雖有善者，亦未如之何矣。你我多大學識，敢以一盃之水救車薪之火哉？況姜子牙乃崑崙道德之士，又有這三山五岳門人，徒送了性命，不為可惜耶。」郭宸曰：「兄言差矣！吾輩乃紂王之子民，食其土而踐其茅，誰不沐其恩澤？國存與存，國亡與亡，此正當報效之時，便一死何惜！為何說此不智之言。況吾輩堂堂丈夫，一腔熱血，不向此處一灑，更何待也。若論俺弟兄胸中所學，講甚麼崑崙之士，理當出去解天子之憂耳。」丁策曰：「賢弟，事關利害，非同小可，豈得造次，再容商量。」二人正辯論間，忽門外馬響，有一大漢進來。此人姓董名忠，慌忙而入。丁策看董忠人來，問曰：「賢弟何來？」董忠曰：「小弟特來請兄同佐紂王，以退周兵。昨日小弟在朝歌城見招賢榜文，小弟大膽將兄名諱連郭兄、小弟，共是三人，齊投入飛廉府內。飛廉且奏紂王，令明早朝見。今特來約兄等明早朝見。占云：

贊曰：

行營方正，遍地兵山。刁斗傳呼，威嚴整肅。長鎗列千條柳葉，短劍排萬片冰魚。瑞彩飄飄，旗旛色映似朝霞；寒光閃閃，刀斧影射如飛電。竹節鞭懸豹尾，方楞鋼掛龍梢。弓弩排兩行秋月，抓鎚列數隊寒星。鼓進金退，交鋒士卒若神威；癸呼庚應，遞傳糧餉如鬼運。畫角幽幽，人聲寂寂。真是：堂堂正正之師，弔民伐罪之旅。

話說紂王看子牙行營，忙下城登殿，坐問兩班文武，言曰：「方今天下諸侯會兵于此，眾卿有何良策以解此危？」魯仁傑出班奏曰：「臣聞：『大廈將傾，一木難扶。』曰今庫藏空虛，民日生怨，軍心俱離，縱有良將，其如人心未順何！雖與之戰，臣知其不勝也。不若遣一能言之士，陳說君臣大義，順逆之理，令其罷兵，庶幾可解此危。」紂王聽罷，沉吟半晌。只見中大夫飛廉出班奏曰：「臣聞：『重賞之下，必有勇夫。』況都城之內，環堵百里，其中豈無豪傑之士隱蹤避跡于其間者？願陛下急急求之，加以重爵崇祿而顯榮之，彼必出死力以解此危。況城中尚有甲兵十數萬，糧餉頗足。即不然，令魯將軍督其師，背城一戰，雌雄尚在未定之天。豈得驟以講和示弱耶！」紂王曰：「此言甚是有理。」一面將聖諭張掛榜箋，一面整頓軍馬。不表。

且說朝歌城外離三十里地方，有一人，姓丁名策，乃是高明隱士。正在家中閑坐，忽聽得周兵來至，圍了朝歌，丁策歎曰：「紂王失德，荒淫無道，殺忠聽佞，殘害生靈，天愁人怨，故賢者退位，奸佞盈廷。今天下諸侯會兵至此，眼見滅國，無人替天子出力，束手待斃而已。平日所以食君之祿，分君之憂者安在！想吾丁策，昔日曾訪高賢，傳吾兵法，深明戰守，意欲出去舒展生平所負，以報君父之恩，其

扶周滅紂姜元帥，五岳三山得道人。

話說魯仁傑一馬當先，大呼曰：「姜子牙請了！」子牙在四不相上欠背打躬，問曰：「來者是誰？」魯仁傑曰：「吾乃紂王駕下總督兵馬大將軍魯仁傑是也。姜子牙，你既是崑崙道德之士，如何不遵王化，構合諸侯，肆行猖獗？以臣伐君，屠城陷邑，誅君殺將，進逼都城，意欲何為？千古之下，安能逃叛逆之名，欺君之罪也？今天子已赦爾往愆，不行深究。爾等可速速倒戈，撤回人馬，各安疆土，另行修貢，天子亦以禮相看。如若執迷，那時天子震怒，必親率六師，搗其巢穴，立成齏粉，悔之何及？」子牙笑曰：「你為紂王重臣，為何不察時務，不知興亡？今紂王罪惡貫盈，人神共怒，天下諸侯會兵駐此，亡在旦夕，子尚欲強言以惑眾也？昔日成湯德日隆盛，夏桀暴虐，成湯放于南巢，伐夏而有天下，至今六百餘年。至紂之惡，過于夏桀，吾今奉天征討而誅獨夫，公何得尚執迷如此，以逆天時哉？今天下諸侯會兵在此，止彈丸一城，勢如繫卵，猶欲以言詞相尚，公何不智如此！」魯仁傑大怒曰：「利口匹夫！吾以你為老成有德之人，故以理相論，汝猶恃強妄談彼長哉？獨不思以臣伐君，遺譏萬世耶？」回顧左右曰：「誰為吾擒此逆賊？」後有一將大呼曰：「吾來也！」縱馬舞刀，飛來直取子牙。子牙背有南宮适將過來，與郭宸截住廝殺。二馬相交，雙刀併舉。兩下擂鼓，殺聲大振。丁策在馬上也搖鎗沖殺過來助戰，這壁廂武吉走馬抵住交鋒。戰未有一二十餘合，有南伯侯鄂順飛馬直沖過來截殺，那邊有董忠敵住。子牙營左邊惱了一路諸侯，乃是東伯侯姜文煥，碰開紫驊騮，走馬刀劈了董忠，使發銅鋒好兇惡！

『學成文武藝，貨與帝王家。』況君父有難，為臣子者忍坐視之耶！」丁策曰：「賢弟也不問我一聲，就將我名字投出去。此事干係重大，豈得草率如此？」董忠曰：「吾料兄必定出身報國，豈是守株待兔之輩！」郭宸懽然大笑曰：「董賢弟所舉不差，我正在此勸丁兄，不意你先報了名。」丁策只得沽酒相待。三人飲了一宵，次早往朝歌來。正是：

痴心要想成梁棟，天意扶周怎奈何！

話說丁策三人，次日來至午門候旨。午門官至殿上奏曰：「今有三賢士在午門候旨。」紂王命：「宣三人進殿。」午門官至外面傳旨，三人聞命進殿，望駕進禮稱臣。王曰：「昨飛廉薦卿等高才，三卿必有良策可退周兵，輔朕之社稷，以分朕憂。朕自當分茅列土，以畱卿等。朕決不食言。」丁策奏曰：「臣聞：『戰危事也，聖王不得已而用。』今周兵至此，社稷有疊卵之危，我等雖幼習兵書，固知戰守之宜，臣等不過盡此心報效于陛下，其成敗利鈍，非臣等所逆料也。願陛下敕所司，以供臣等取用，毋令有掣肘之虞。臣等不勝幸甚！」紂王大喜，封丁策為神策上將軍，郭宸、董忠為威武上將軍，隨賜袍帶，當殿腰金衣紫，賜宴便殿；三將謝恩。次早參見魯仁傑。魯仁傑調人馬出朝歌城來。有詞為證，詞曰：

御林軍卒出朝歌，壯士紛紛擊鼓鼙。千里愁雲遮日色，數重怨氣障山窩。被鎧甲冑荷干戈，人

人踴躍似奔波。諸侯八百皆離紂，枉使兒郎遭網羅。

話說魯仁傑調人馬出城安營。只見探馬報入中軍：「啟元帥：成湯遣大兵在城外立下營寨，請令施行。」子牙傳令：「命眾將出營，至成湯營前搦戰。」只見探馬報入中軍：「有周營大隊人馬討戰。」魯仁傑聞報，親自率領眾將出轅門，見子牙乘異獸，兩邊擺列三山五岳門人。只見哪吒登風火輪，捉火尖鎗，

有可聽者，無不如命；如不可行者，亦不必言。幸老將軍諒之。」子牙命賜坐，殷破敗遜謝，坐而言曰：「末將嘗聞，天子之尊，上等于天，天可滅乎？又法典所載：『有違天子之制而擅專征伐者，是為亂臣。亂臣者，殺無赦。有搆會群黨謀為不軌，犯上無君者，此為逆臣。逆臣者，則族誅。天下人人得而討之。』昔成湯以至德，沐風櫛雨，伐夏而有天下；相傳至今，六百餘年，則天下之諸侯百姓，皆世受國恩，何人非紂之臣民哉？今不思報本，反倡為亂首，率天下諸侯相為叛亂，殘賊生靈，侵王之疆土；覆軍殺將，逼王之都城，為亂臣逆臣之尤，罪在不赦。千古之下，欲逃篡弑之名，豈可得乎？末將深為元帥不取也！以末將愚見，元帥當屏退諸侯，各還本國，各修德業，毋令生民塗炭。天子亦不加爾等之罪，惟厥修政事，以樂天年，則天下受無疆之福矣。不識元帥意下如何？」子牙笑曰：「老將軍之言差矣！尚聞：『天下者非一人之天下，乃天下人之天下也。』故天命無常，惟眷有德。昔堯帝有天下而讓于舜，虞帝復讓于禹。禹相傳至桀而荒怠朝政，不修德業，遂墜夏統。成湯以大德得承天命，于是放桀而有天下，傳至于今。豈意紂王罪甚于桀，荒淫不道，殺妻誅子，剖賢人之心，炮烙諫官，薑盆宮女，囚奴正士，醢戮大臣，斷朝涉之歷，剗剔孕婦；三綱盡絕，五倫有乖，天怒民怨，自古及今，罪惡昭著未有若此之甚者。語云：『賊仁者，謂之賊；賊義者，謂之殘。殘賊之人，謂之一夫。』乃天下所共棄者，又安得謂之君哉？今天下諸侯共伐無道，正為天下洗此兇殘，救民于水火耳，豈有私意？故奉天之罰者，謂之天吏，豈得尚拘之以臣伐君之名耶？」

殷破敗兒子牙一番言詞，鑿鑿有理，知不可解，自思：「不若明日張膽，慷慨痛言一番，以盡臣節而已。」乃大言曰：「元帥所說，乃一偏之言，豈全公之語！吾聞：君父有過，為臣子者必委曲周旋諫

怎見得好刀，有詩為證，詩曰：

怒髮沖冠射碧空，鋼刀閃灼快如風。旗開得勝姜文煥，一怒橫行劈董忠。

話說東伯侯走馬刀劈董忠，在成湯陣前，兇如猛虎，惡似狼豺。子牙左右有哪吒大叫曰：「吾等進五關不曾見大功，今日至都城大戰，難道束手坐觀成敗耶？」言罷，隨登開風火輪，搖火尖鎗沖殺過來。楊戩也縱馬搖刀直殺進陣內；這壁廂魯仁傑縱馬搖鎗敵住。兩家混戰，只殺得天愁地暗，鬼哭神嚎。哪吒大戰丁策，郭宸也來助戰。只聽得鼓振乾坤，旗遮旭日。哪吒祭起乾坤圈，正中丁策。可憐！正是：

明知昏主傾邦國，冥下含冤怨董忠。

話說哪吒打死丁策，郭宸落荒，被楊戩一刀劈于馬下。魯仁傑料不能取勝，隨敗進行營。子牙鳴金收軍。

卻說魯仁傑報入城中，連折三將，大敗一陣。紂王聞報，心中甚悶，與眾臣共議曰：「今周兵駐師城外，兵敗將亡，不能取勝，國內無人，為之奈何？」旁有殷破敗奏曰：「今社稷有繫卵之危，萬姓有倒懸之急，朝野無人，旦夕莫待，臣與姜子牙有半面之識，捨死至周營，曉以君臣大義，勸其罷兵，令天下諸侯解釋，各安本土，或未可知。如其不然，臣願罵賊而死。」紂王從其言，使殷破敗往周營說之。殷破敗領旨出城，來至周營，命左右通報。只見中軍官進營來見子牙，啟曰：「成湯差官至營門，請令定奪。」子牙傳令：「令來。」殷破敗隨令而入，進了大營。好齊整！只見兩邊列坐天下諸侯，中軍帳上坐姜子牙。殷破敗上帳曰：「姜元帥，末將殷破敗甲冑在身，不能全禮。」子牙忙欠身迎曰：「殷將軍此來有何見諭？」殷破敗曰：「末將別元帥已久，不意元帥總六師之長，為諸侯之表率，真榮寵崇耀，令人驚羨！今特來參謁，有一言奉告，但不知元帥肯容納否？」子牙曰：「老將軍有何事見教？但

姜文煥曰：「這匹夫敢于眾諸侯之前鼓唇搖舌，說短論長，又叱辱不才，情殊可恨。若不殺之，心下鬱悶。」子牙曰：「事已至此，悔之無及。」命左右將破敗之尸擡出，以禮厚葬，打點進兵。不知後事如何，下回分解。

評

兵臨城下，而欲講和罷兵，此臨時抱佛腳之計，十無一濟。只殷破敗敢於明目張膽，暢明君臣大義，自是萬古不泯，亦偉矣哉！

又評

丁策分明欲躬耕畎畝，保全亂世，可謂識時俊傑；無奈重忠孟浪，送了三個性命，可恨！可恨！大抵天下事，貪爵慕祿者，未有不墜於彀中，信乎！香餌之下，必有死魚。

靜之，務引其君于當道；如甚不得已，亦盡心苦諫，雖觸君父之怒，或死或辱，或緘默以去，總不失忠臣孝子之令名。未聞暴君之過，揚父之惡，尚稱為臣子者也。元帥以至德稱周，以至惡歸君，而尚謂之至德者乎？昔汝先王被囚姜里七年，蒙赦歸國，愈自修德，以達君父知遇之恩，未聞有一怨言及君，至今天下共以大德稱之。不意傳之汝君臣，搆合天下諸侯，妄稱君父之過，大肆猖獗，屠城陷邑，覆軍殺將，白骨盈野，碧血成流，致民不聊生，四民廢業，天下荒荒，父子不保，夫妻離散；此皆汝等造這等惡業，遺羞先王，得罪于天下後世。雖有孝子慈孫，焉能蓋其篡弑之名哉？況我都城，尚有甲兵十餘萬，將不下數百員，倘背城一戰，勝負尚未可知；汝等何得藐視天子，妄恃己能耶？」左右諸侯聽殷破敗之言，俱各大怒。

子牙未及回言，只見東伯侯姜文煥帶劍上帳，指殷破敗大言曰：「汝為國家大臣，不能匡正其君，引之于當道，今已陷之于喪亡，尚不自恥，猶敢鼓唇弄舌于眾諸侯之前耶？真狗彘不若，死有餘辜！還不速退，免爾一死！」子牙急止之曰：「兩國相爭，不禁來使。況為其主，何得與之相爭耶？」姜文煥尚有怒色。殷破敗被姜文煥數語，罵得勃然大怒，立起罵曰：「汝父搆通皇后，謀逆天子，誅之宜也。汝尚不克修德業，以蓋父愆，反逞強恃眾，肆行叛亂，真逆子有種。吾雖不能為君討賊，即死為厲鬼，定殺汝等耳！」姜文煥被殷破敗罵的一腔火起，滿面煙生，執劍大罵曰：「老匹夫！我思吾父被醜，國母遭害，俱是你這一班賊子播弄國政，欺君罔上，造這禍端！不殺你這老賊，吾父何日得泄此沉冤於地下也！」罵罷，手起一刀，揮為兩段，及至子牙止之，已無濟矣。眾諸侯齊曰：「東伯侯斬此利口匹夫，大快人意！」子牙曰：「不然，殷破敗乃天子大臣，彼以禮來講好，豈得擅行殺戮，反成彼之名也。」

刀來恍似三冬雪，那一個利刃猶如九陌霜。這一個丹心碧血扶周主，那一個赤膽忠肝助紂王。
白來惡戰皆如此，怎似將軍萬古揚。

話說二將大戰三十餘合，姜文煥乃東方有名之士，殷成秀豈是文煥敵手，早被文煥一刀揮于馬下。可憐父子俱盡忠于國！姜文煥下馬，將殷成秀首級梟回營來，見子牙備言前事。子牙大喜。且說報馬報入午門，至殿前奏曰：「殷成秀被姜文煥梟了首級，號令轅門，請旨定奪。」紂王聞言，驚魂不定，忙問左右：「事已急矣，如之奈何？」左右又報：「周兵四門攻打，各架雲梯、火砲，圍城甚急，十分難支，望陛下早定守城之策！」紂王未及開言，旁有魯仁傑出班奏曰：「臣親自上城，設法防守，保護城池，且救燃眉，再作商議。」紂王許之。魯仁傑出朝，上城守禦。不表。且說子牙見守城有法，一時難下，隨鳴金收兵回營。子牙與眾將商議曰：「魯仁傑乃忠烈之士，盡心守城，急切難下，況京師城郭堅固，若以力攻，徒費心力，當以計取可也。」眾門人齊曰：「我等各遁進城，裡應外合，一舉成功，又何必與他較勝負于城下耶？」子牙曰：「不然。今眾人進城，未免有殺傷之苦，百姓豈堪遭此屠戮？況都城百姓，近在輦轂之下，被紂王殘虐獨甚，慘毒備嘗，今再加之殺戮，非所以救民，實所以害民也。」眾門人曰：「元帥之見甚是。」子牙曰：「今百姓被紂王敲骨削胎，廣施土木，負累百姓，痛入骨髓，恨不能食其肉而寢其皮，不若先寫一告示射入城中，曉諭眾人，使百姓自相離析，人心離亂，不日其城可得矣。」眾將曰：「元帥之言乃萬全之策。」子牙援筆作稿。後人有詩單道子牙妙計，詩曰：

告示傳宣免甲戈，軍民日夜受煎磨。若非妙計離心旅，安得軍民唱凱歌？

話說子牙作稿，命中軍官寫了告示數十章，四面射入城中，或射于城上，或射于房屋之上，或射于途路

第九十五回

子牙暴紂王十罪

紂王無道類窮奇，十罪傳聞萬世知。敲骨剖胎黎庶慘，黃盆炮烙鬼神悲。

西風夜吼啼玄鳥，暮雨朝垂泣子規。無限傷心題往事，至今青史不容私。

話說子牙命左右將殷破敗口首擡出營去，于高阜處以禮安葬畢，令眾將攻城。只見紂王在殿上與眾文武議事，忽午門官來啟奏：「殷破敗因言觸忤姜尚被害，請旨定奪。」紂王大驚。旁有殷破敗之子哭而奏曰：「兩國相爭，不斬來使。」豈有擅殺天使？欺逆之罪，莫此為甚！臣願捨死以報君父之仇。」紂王慰之曰：「卿雖忠藎可嘉，須要小心用事。」殷成秀點人馬出城，殺至周營搦戰。子牙在營中，正議攻城，只見報馬報入中軍：「有將討戰。」子牙問：「誰去見陣走一遭？」有東伯侯出班曰：「末將願往。」子牙許之。姜文煥調本部人馬，出了轅門，見是殷成秀，姜文煥乃曰：「來者乃是殷成秀？你父不諳時務，鼓唇搖舌，觸忤姜元帥，吾故誅之。你今又來取死也！」殷成秀大怒，罵曰：「大膽匹夫！『兩國相爭，不斬來使。』吾父奉天子之命，通兩國之好，反遭你這匹夫所害。殺父之仇，不共戴天，定拿你碎尸萬段，以泄此恨！」罵罷，縱馬舞刀，飛來直取。姜文煥手中刀劈面交還。二馬相交，雙刀併舉。有贊為證，贊曰：

二將交鋒勢莫當，征雲片片起霞光。這一個生心要保真命主，那一個立志還從俠烈王。這一個

聲？真驚破朕心也！」少時，宮官報入宮中：「啟陛下：朝歌軍民人等已獻了城池，天下諸侯之兵俱禁在午門了。」紂王忙整衣出殿，聚文武共議大事。紂王曰：「不意軍民人等如此背逆，竟將朝歌獻了，如之奈何？」魯仁傑等齊曰：「都城已破，兵臨禁地，其實難支。不若背城決一死戰，雖雄尚在未定；不然，徒束手待斃，無用也。」紂王曰：「卿言正合朕意。」紂王吩咐整點御林人馬。不表。

且言子牙在中軍聚眾諸侯商議曰：「今大兵進城，須當與紂王會兵一戰，早定大事。列位諸侯併大小眾將，汝其助哉！」眾諸侯齊聲曰：「敢不竭股肱之力，以誅無道昏君耶！但憑元帥所委，雖死不辭。」子牙傳令：「眾將依次而出，不可紊亂；違者，按軍法從事。」只見周營砲響，喊聲大振，金鼓齊鳴，如地覆天翻之勢。紂王在九間殿聽得如此，忙問侍臣，只見午門官啟奏：「天下諸侯請陛下答話。」紂王聽罷，忙傳旨意，自己結束甲冑，命排儀仗，率御林軍，魯仁傑為保駕，雷鵬、雷鵬為左右翼，紂王上趙遙馬，擐金背刀，日月龍鳳旗開，鏘鏘戈戟，正朝鸞駕，排出午門。只見周營內一聲砲響，招展兩杆大紅旗，一對對排成隊伍，循序而出，甚是整齊。紂王見子牙排五方隊伍，甚是森嚴，兵戈整肅，左右分列，大小諸侯何止千數。又見門人、眾將，一對對侍立兩旁，威風凜凜，氣宇軒昂。左右又列有二十四對穿大紅的軍政官，雁翅排開。正中央大紅傘下，纔是姜子牙，乘四不相而出。怎見得，有贊姜元帥一詞，贊曰：

四八悟道，修身煉性。仙道難成，人間福慶。奉旨下山，輔相國政。窘迫八年，安于義命。擒怪有功，仕紂為令。姐已獻讒，棄官習靜。渭水持竿，磻溪隱姓。八十時來，飛熊入夢。龍虎欣逢，西岐兆聖。先為相父，托孤事定。紂惡日盈，周德隆盛。三十六路，紛紛相競。九三拜

之中。軍民人等拾得此告示，打開觀看，只見告示上寫得甚是明白。怎見得，只見書上寫道：

掃蕩成湯大寶大元帥示諭朝歌萬民知悉：天愛下民，篤生聖主，為民父母，所以保毓乾元，統禦萬國。豈意紂王荒淫不道，苦虐生靈，不修郊社，絕滅紀綱；殺忠拒諫，炮烙蜚盆，淫刑慘惡，人神共怒。孰意紂王稔惡不悛，慘毒成性，敲骨削胎，取童子賢命，言之痛心切骨！民命何辜，遭此荼毒！今某奉天討罪，大會諸侯，伐此獨夫，解萬民之倒懸，救群生之性命。況我周王仁德素著，薄海週知；本欲進兵攻城，念爾等萬姓久困水火之中，望拯如渴，恐一時城破，玉石俱焚，甚非我等弔民伐罪之意。爾等宜當體此，速獻都城，庶免殺戮之虞，早解塗炭之苦。爾等當速議施行，毋貽後悔。特示。

話說眾軍民父老人等看罷，議曰：「周主仁德著于海內，姜元帥弔伐，誠為至公。吾等遭昏君凌虐，深入骨髓，若不獻城，是逆民也。」滿城哄然，真是民變難治，合城軍民人等俱要如此。直至三更時分，一聲喊起，朝歌城四門大開，父老軍民人等齊出，大呼曰：「吾等俱係軍民百姓，願獻朝歌，迎迓真主！」喊聲動地。且說子牙在寢帳中靜坐，忽聞外面雲板響，子牙忙令人探問，左右回報曰：「軍民人等已獻朝歌，請元帥定奪。」子牙大喜，忙傳令眾將：「各門止許進兵五萬，其餘俱在城外駐紮，不可入城攪擾。如入城者，不可妄行殺戮，擅取民間物用。違者定按軍法梟首！」子牙令人馬夜進朝歌，俱按轡而行，各依方位，立于東、南、西、北，雖然殺聲大振，百姓安堵如故。子牙將兵馬屯在午門，諸侯俱各依次序紮寨。

話說紂王在宮內，正與妲己飲宴，忽聽得一片殺聲振天，紂王大驚，忙問宮官曰：「是那裡喊殺之

盈宇宙，天愁民怨，天下叛之。吾今奉天明命，行天之罰，陛下幸毋以臣叛君自居也。」紂王曰：「朕有何罪，稱為大惡？」子牙曰：「天下諸侯，靜聽吾道紂王大惡素表著于天下者。」眾諸侯聽得，齊上前聽子牙道紂王十大罪。子牙曰：

「陛下身為天子，繼天立極，竇聰明，作元后，元后作民父母；今陛下沉湎酒色，弗敬上天，謂宗廟不足祀，社稷不足守，動曰：『我有民，有命。』遠君子，親小人，敗倫喪德，極古今未有之惡。罪之一也。」

皇后為萬國母儀，未聞有失德；陛下乃聽信妲己之讒言，斷恩絕愛，剝剔其目，炮烙其手，致皇后死于非命，廢元配而妄立妖妃，縱淫敗度，大壞彝倫。罪之二也。」

太子為國之儲貳，承祧宗社，乃萬民所仰望者也。陛下乃輕信讒言，命晁雷、晁田封賜尚方，立刻賜死；輕棄國本，不顧嗣胤，忘祖絕宗，得罪宗社。罪之三也。」

黃耆大臣，乃國之枝幹；陛下乃播棄荼毒之，炮烙殺戮之，囚奴幽辱之，如杜元銑、梅伯、商容、膠鬲、微子、箕子，比干是也。諸君子不過去君之非，引君于道，而遭此慘毒，廢股肱而昵比罪人，君臣之道絕矣。罪之四也。」

信者人之大本，又為天子號召四方者也，不得以一字增損。今陛下聽妲己之陰謀，宵小之奸計，誣詐諸侯入朝，將東伯侯、姜桓楚、南伯侯、鄂崇禹，不分皂白，一碎醢其尸，一身首異處，失信于天下諸侯，四維不張。罪之五也。」

法者非一己之私，刑者乃持平之用，未有過用之者也。今陛下悉聽妲己慘惡之言，造炮烙，阻

將，金臺盟正。捧轂推輪，古今難並。會合諸侯，天人相應。東進五關，吉凶互訂。三死七災，緣期果證。夜進朝歌，君臣賭勝。滅紂成周，武功永詠。正是：六韜留下成王業，妙算玄機不可窮。出將入相千秋業，伐罪弔民萬古功。運籌帷幄欺風后，變理陰陽壓老彭。互古軍師為第一，聲名直並泰山隆。

話說紂王見子牙皓首蒼顏，全裝甲冑，手執寶劍，十分丰彩；又見東伯侯姜文煥、南伯侯鄂順、北伯侯崇應鸞，當中乃武王姬發，四總督諸侯，俱張紅羅傘，齊齊整整，立在子牙後面。子牙見紂王戴沖天鳳翅盔，赭黃鎖子甲，甚是勇猛。有贊紂王一詞，贊曰：

沖天盔盤龍交結，獸吞頭鎖子連環。滾龍袍猩猩血染，藍鞵帶緊束腰間。打將鞭懸如鐵塔，斬將劍光吐霞斑。坐下馬如同獬豸，金背刀閃灼心寒。會諸侯旗開拱手，逢眾將力戰多般。論薊力托梁換柱，講辯難舌戰群談。自古為君多孟浪，可知總賴化兇頑。

話說子牙見紂王，忙欠身言曰：「陛下，老臣姜尚甲冑在身，不能全禮。」紂王曰：「爾是姜尚麼？」姜子牙答曰：「然也。」紂王曰：「爾曾為朕臣，為何逃避西岐，縱惡反叛，累辱王師？今又會天下諸侯，犯朕關隘，恃兇逞強，不遵國法，大逆不道，孰甚于此？又擅殺天使，罪在不赦！今朕親臨陣前，尚不倒戈悔過，猶白抗拒不理，情殊可恨！朕今日不殺你這賊臣，誓不回兵！」子牙答曰：「陛下居天子之尊，諸侯守拒四方，萬姓供其力役，錦衣玉食，貢山航海，何莫非陛下之所有也。古云：『率土之濱，莫非王臣。』誰敢與陛下抗禮哉？今陛下不敬上天，肆行不道，殘虐百姓，殺戮大臣，惟婦言是用；淫酗沉湎，臣下化之，朋家作仇，陛下無君道久矣。其諸侯臣民，又安得以君道待陛下也？陛下之惡貫

頂上盔，朱纓燦；龜背甲，金光爛。大紅袍上繡團龍，護心寶鏡光華現。腰間寶帶扣絲蠻，鞍旁箭插如雲雁。打將鞭，吳鉤劍，殺人如草心無間。馬上橫擔斬將刀，坐下龍駒追紫電。銅心鐵膽東伯侯，保周滅紂姜文煥。

話說東伯侯走馬至軍前，大喝曰：「吾父王姜桓楚被你醢尸，吾姐姐姜后被你剝目烙手，俱死于非命。今日借武王仁義之師，仗姜元帥之力，誅此無道，以泄我無窮之恨！」只見南伯侯青驄馬沖出，厲聲大叫：「無道昏君！殺父之仇，不共戴天，姜王兄，留功與我！」鄂順馬至軍前，叱曰：「你行無道，吾父王未曾犯罪，無故而誅大臣，情理難容也！」把手中鎗一晃，劈胸就刺。紂王手中刀劈面交還。姜文煥手中刀使開，沖殺過來。二侯與紂王戰在午門。怎見得，有詩為證，詩曰：

龍虎相爭起戰場，三軍擂鼓列刀鎗。紅旗招展如赤焰，素帶飄飄似雪霜。

紂王江山風燭短，周家福祚海天長。從今一戰雌雄定，留得聲名萬古揚。

北伯侯崇應鸞見東、南二侯大戰紂王，也把馬催開，來助二侯。紂王見又來了一路諸侯，抖擻神威，力戰三路諸侯，一口刀抵住他三般兵器，只殺得天昏地暗，旭日無光。武王在逍遙馬上歎曰：「只因天子無道，致使天下諸侯會集于此，不分君臣，互相爭戰，寇履倒置，成何體統！真是天翻地覆之時！」忙將逍遙馬催上前，與子牙曰：「三侯還該善化天子，如何與天子抗禮？甚無君臣體面。」子牙曰：「方纔大王聽老臣言紂王十罪，乃獲罪于天地人神者，天下之人，皆可討之，此正是奉天命而滅無道，老臣豈敢有違天命耶？」武王曰：「當今雖是失政，吾等莫非臣子，豈有君臣相對敵之理？元帥可解此危。」子牙曰：「大王既有此意，傳令命軍士擂鼓。」子牙傳令擂鼓！天下諸侯聽的鼓響，左右有三十五騎紛

忠諫之口，設蠶盆，吞宮人之肉，冤魂啼號于白晝，毒焰障蔽于青天，天地傷心，人神共憤。罪之六也。

天地之生財有數，豈得妄用奢靡，窮財之力，擁為己有，竭民之生？今陛下惟污池臺榭是崇，酒池肉林是用，殘宮人之命，造鹿臺廣施土木，積天下之財，窮民物之力；又縱崇侯虎剝削貧民，有錢者三丁免抽，無錢者獨丁赴役，民生日促，偷薄成風，皆陛下貪剝有以倡之。罪之七也。

廉恥者乃風頑懲鈍之防，況人君為萬民之主者？今陛下信妲己狐媚之言，誣賈氏上摘星樓，君欺臣妻，致貞婦死節；西宮黃貴妃直諫，反遭摔下摘星樓，死于非命。三綱已絕，廉恥全無。罪之八也。

舉措乃人君之大體，豈得妄自施張？今陛下以玩賞之娛，殘虐生命，斷朝涉者之脛，驗民生之老少；剗剔孕婦之胎，試反背之陰陽，民庶何辜，遭此荼毒？罪之九也。

人君之宴樂有常，未聞流連忘反。今陛下晝夜暗納妖婦喜媚，共妲己在鹿臺晝夜宣淫，酗酒肆樂；信妲己以童男割炙腎命，以作羹湯，絕萬姓之嗣脈，殘忍慘毒，極今古之冤。罪之十也。

臣雖能言之，陛下決不肯悔過遷善；肆行荼毒，累軍民于萬死，暴白骨于青天，獨不思臣民生斯世者，竟遭陛下無辜之殺戮耶？今臣尚特奉天之明命，襄周王發恭行天之罰，陛下毋得以臣逆君而少之也。」
紂王聽姜子牙暴其十罪，只氣得目瞪口呆。只見八面諸侯聽罷，齊吶一聲喊：「願誅此無道昏君！」眾
人方欲上前，有東伯侯姜文煥大呼曰：「殷受不得回馬！吾來也！」紂王見一員大將，金甲紅袍，白馬
大刀，怎見得，有贊為證，贊曰：

第九十六回 子牙發東擒妲己

從來巧笑號傾城，狐媚君王浪用情。嬖娜腰肢催命劍，輕盈體態引魂兵。

雉雞有意能歌月，玉石無心解鼓聲。斷送殷湯成個事，依然枉自送殘生。

話說武王是仁德之君，一時那裡想起鼓進金止之意？只見眾將聽的鼓響，各要爭先，鎗刀劍戟，鞭鐺抓鎚，鉤鎌鉞斧，拐子流星，一齊上前，將紂王裹在核心。魯仁傑對雷鵬、雷鵬曰：「主憂臣辱，吾等正于此時盡忠報國，捨一死以決雌雄，豈得令反臣揚威逞武哉！」雷鵬曰：「兄言是也。吾等當捨死以報先帝。」三將縱馬殺進重圍。怎見得紂王大戰天下諸侯，有贊為證，贊曰：

殺氣迷空鎖地，煙塵障嶺漫山。擺列諸侯八百，一時地沸天翻。花腔鼓播如雷震，御林軍展動旗旛。眾門人猶如猛虎，殷紂王漸漸摧殘。這也是天下遭逢殺運，午門外撼動天關。眾諸侯各分方位，滿空中劍戟如攢。東伯侯姜文煥施威仗勇，南伯侯鄂順抖擻如彪。北伯侯崇應鸞橫拖雪刃，武王下南宮近似猛虎爭餐。正東上青旛下，眾諸侯猶如靛染；正西上白旛下，驍勇將恍若冰岩。正南上紅旛下，眾門徒渾如火塊；正北上皂旛下，牙門將恰似烏漫。這紂王神威天縱，魯仁傑一點心丹。雷鵬右遮左架，雷鵬左護右攔。眾諸侯齊動手那分上下，殷紂王共三員將前後胡戡。頂上砍，這兵器似颼颼冰塊；脇下刺，那鎗劍如蟒龍齊翻。只聽得叮叮噹噹響亮，兵

紛殺出，把紂王圍在核心。不知紂王性命如何，且聽下回分解。

評

紂王無道，其慘毒陰惡，極古今之所未有，而十惡尚未足以盡厥辜。雖然，只此十惡，紂王足以殺身亡國，遺禍於後世矣。有天下者，可為之炯鑒哉！

又評

子牙以二示得朝歌，不用眾門人以威力殺伐取之，足稱王者之師。

侯曰：「今日這場惡戰，大失君臣名分，姜君侯又傷主上一鞭，使孤心下甚是不忍。」姜文煥曰：「大王言之差矣！紂王殘虐，人神共怒，便殺之于市曹，猶不足以盡其辜，大王又何必為彼惜哉！」

話說紂王被姜文煥一鞭打傷後背，敗回午門，至九間殿坐下，低頭不言，自己沉吟歎曰：「悔不聽忠諫之言，果有今日之辱！可惜魯仁傑、雷鵬兄弟皆遭此難！」旁有中大夫飛廉、惡來奏曰：「今陛下神威天縱，雖于千萬人之中，猶能刀劈數名反臣。只是誤被姜文煥鞭傷陛下龍體，只須保養數日，再來會戰，必定勝其反叛也。古云：『吉人天相。』『勝負乃兵家之常』，陛下又何須過慮？」紂王曰：「忠良已盡，文武蕭條；朕已著傷，何能再舉，又有何顏與彼爭衡哉？」隨卸甲胄入內宮，不表。且說飛廉謂惡來曰：「兵困午門，內無應兵，外無救援，眼見旦夕必休，吾輩何以處之？倘或兵進皇城。」荊山失火，玉石俱焚。」可惜百萬家資，竟被他人所有！」惡來笑曰：「長兄此言竟不知時務！凡為丈夫者，當見機而作。眼見紂王做不得事業，退不得天下諸侯，亡在旦夕，我和你乘機棄紂歸周，原不失了自已富貴。況武王仁德，姜子牙英明，他見我等歸周，必不加罪。如此方是上著。」飛廉曰：「賢弟此言使我如夢中喚醒。只是還有一件，以我愚意，俟他攻破皇城之日，我和你入內庭，將傳國符璽盜出，藏隱于家，待諸侯議定，吾想繼湯者必周，等武王入內庭，吾等方去朝見，獻此國璽玉符。武王必定以我們係忠心為國，欣然不疑，必加以爵祿。此不是一舉兩得？」惡來又曰：「即後世必以我等為知機，而不失『良禽擇木，賢臣擇主』之智。」二人言罷大笑，自謂得計。正是：

痴心妄想居周室，斬首周岐謝將臺。

話說飛廉與惡來共議棄紂歸周，不表。

兵兵往還。鞭來打，鎗來敲，斧來劈，劍來刺，左左右右吸人魂；勾開鞭，撥去鎗，逼去斧，架開劍，上上下下心驚顫。正似那紂王力如三春茂草，越戰越有精神；眾諸侯怒發，恍似轟雷，喊殺聲聞斗柄。紂王初時節精神足備，次後來氣力難撐。為社稷何必貪生，好功名焉能惜命！存亡只在今朝，死生就在目下。殷紂王畢竟勇猛，眾諸侯終欠調停。喝聲著，將官落馬；叫聲中，翻下鞍韉。紂王刀擺似飛龍，欲將傷軍如雪片，劈諸侯如同兒戲，斬大將鬼哭神驚。當此時惱了哪吒殿下，那楊戩怒氣沖沖，大喝道：「紂王不要逃走！等我來與你見個雌雄！」可憐見：驚天動地哭聲悲，嚎山泣嶺三軍淚。英雄為國盡亡軀，血水滔滔紅滿地。馬撞人死口難開，將劈三軍無躲避。只殺的哀聲小校亂奔馳，破鼓折鎗都拋棄。多少良才帶血回，無數軍兵拖傷去。紂王膽戰將心驚，雷鵬、雷鵬無主意。這是：君王無道喪家邦，謀臣枉用千條計。這一陣只殺得：雪消春水世無雙，風捲殘紅鋪滿地。

話說紂王被眾諸侯圍在核心，全然不懼，使發了手中刀，一聲響，將南伯侯一刀揮于馬下。魯仁傑鎗挑林善。惱了哪吒，登開風火輪，大喝曰：「不得猖獗，吾來也！」旁有楊戩、雷震子、韋護、金木二吒一齊大叫曰：「今日大會天下諸侯，難道我等不如他們！」齊殺至重圍。楊戩刀劈了雷鵬；哪吒祭起乾坤圈，把魯仁傑打下鞍韉，喪了性命。雷震子一棍結果雷鵬。東伯侯姜文煥見哪吒眾人立功，將刀放下，取鞭在手，照紂王打來。紂王及至看時，鞭已來得太急，閃不及，早已打中後背，幾乎落馬，逃回午門。眾諸侯吶一聲喊，齊迫至午門。只見午門緊閉，眾諸侯方回。子牙鳴金收兵，陞帳坐下；眾諸侯來見子牙。子牙查點大小將官，損了二十六員。又見南伯侯鄂順被紂王所害，姜文煥等著實傷悼。武王對眾諸

營。紂王見三人甲冑整齊，心中大喜，只看今晚成功。不表。

且說子牙在營中籌算，甲子屆期，紂王當滅。心中大喜，未曾提防三妖來劫營，故此幾乎失利。只見將至二更，只聽得半空中風響。怎見得，有賦為證，賦曰：

冷冷颼颼，驚人情況。颼颼蕭蕭，沙揚塵障。透壁穿牕，尋波逐浪。聚怪藏妖，與魔伏魘。也會去助虎張威，也會去從龍俯仰。起初時，都是些悠悠蕩蕩淅淅聲；次後來，卻盡是滂滂湃湃呼吼響。且休言摧殘月裡娑羅^①；盡道是刮倒峰頭疊嶂。推開了積霧重雲，吹折了蘭橈畫漿。

蒼松翠竹盡遭殃，朱閣丹樓俱掃蕩。這一陣風只吹得鬼哭與神驚，八百諸侯俱膽喪。

話說妲己與胡喜媚等三人俱全裝甲冑，甚是停當。妲己用雙刀，胡喜媚用兩口寶劍，王貴人用一口繡鸞刀，俱乘桃花馬，發一聲響，殺人周營。各駕妖風，播土揚塵，飛砂走石，沖進周營內來。只見周營中軍士，咫尺間不分南北，那辨東西？守營小校盡奔馳，巡邏將士皆束手。真個是：層圍木柵撞得東倒西歪，鐵騎連車沖得七橫八豎。驚動了大小眾將，急報子牙。子牙忙起身出帳觀看，只見一派妖風怪霧，滾將進來。子牙忙傳令，命眾門人齊去，將妖怪獲來。哪吒聽得，急登風火輪，搖火尖鎗；楊戩縱馬，使三尖刀；雷震子使黃金棍；韋護用降魔杵；李靖搖方天戟；金、木、土吒用四口寶劍，齊殺出中軍帳來，迎敵三妖。只見三妖全身甲冑，橫沖直撞，左右廝殺。楊戩大呼曰：「好業障！不要猖獗，敢來此自送死也！」哪吒登輪，奮勇當先。七位門人將三妖圍在核心。

子牙在中軍用五雷正法鎮壓邪氣，把手一放，半空中一聲霹靂，只震得三妖膽顫心寒。三妖見來的

① 日裡娑羅：娑羅，木名，一名菩提樹。今月中樹影即娑羅樹影。

且說紂王入內宮，有妲己、胡喜媚、王貴人三個前來接駕。紂王一見三人，不覺心頭酸楚，語言悲咽，對妲己曰：「朕每以姬發、姜尚小視，不曾著心料理，豈知彼糾合天下諸侯，會兵于此。今日朕親與姜尚會兵，勢孤莫敵，雖然斬了他數員反臣，倒被姜文煥這廝鞭傷後背，致魯仁傑陣亡，雷鵬兄弟死節。朕靜坐自思，料此不能久守，亡在旦夕。想成湯傳位二十八世，今日有失，朕將何面目見先帝于在天也！朕已追悔無及，只三位美人與朕久處，一旦分離，朕心不忍，為之奈何？倘武王兵入內庭，朕豈肯為彼所擄，朕當先期自盡。但朕絕之後，卿等必歸姬發。只朕與卿等一番恩愛，竟如此結局，言之痛心！」道罷，淚如雨下。三妖聞紂王之言，齊齊跪下，泣對紂王曰：「妾等蒙陛下眷愛，鏤心刻骨，沒世難忘。今不幸遭此離亂，陛下欲捨妾身何往？」紂王泣曰：「朕恐被姜尚所擄，有辱我萬乘之尊。朕今別你三人，自有去向。」妲己俯伏紂王膝上，泣曰：「妾聽陛下之言，心如刀割。陛下何遽忍捨妾等而他往耶？」隨扯住紂王袍服，淚流滿面，柔聲嬌語，哭在一處，甚難割捨。紂王亦無可奈何，遂命左右治酒，與三美人共飲作別。紂王把盞，作詩一首，歌之以勸酒，詩曰：

「憶昔歌舞在鹿臺，孰知姜尚會兵來。分飛鸞鳳惟今日，再會鴛鴦已隔垓。」

烈土盡隨煙焰滅，賢臣方際運弘開。一杯別酒心如醉，醒後滄桑變幾回。」

話說紂王作詩畢，遂連飲數杯。妲己又奉一盞為壽。紂王曰：「此酒甚是難飲，真所謂不能下咽者也！」妲己曰：「陛下且省愁煩。妾身生長將門，昔日曾學刀馬，頗能廝殺。況妹妹喜媚與王貴人善知道術，皆通戰法。陛下放心，今晚看妾等三人一陣功成，解陛下之憂悶耳。」紂王聞言大悅：「若是御妻果能破賊，真百世之功，朕有何憂也！」妲己又奉紂王數盃，乃與喜媚、王貴人結束停當，議定今晚去劫周

定按軍法！」楊戩領命去了。子牙又令：「雷震子領東帖，你去把九尾狐狸精拿來。如有失，定依軍法！」又令：「韋護領東帖，你去將玉石琵琶精拿來。如違令，定按軍法！」三個門人領令，出了轅門，議曰：「我三人去拿此三妖，不知從何處下手？那裡去尋他？」楊戩道：「三妖此時料紂王已不濟事了，必竟從宮中逃出。吾等借土遁，站在空中等候，看他從何處逃走。吾等務要小心擒獲，不得鹵莽，恐有疏虞不便。」雷震子曰：「楊師兄言之有理。」道罷，各駕土遁，往空中等候三妖來至，有詩贊之，詩曰：

一道光華隱法身，修成幻化合天真。驅龍伏虎生來妙，今日三妖怎脫神。

話說妲己與胡喜媚、王貴人在宮中還吃了幾個宮人，方纔起身。一陣風響，三妖起在空中，往前要走，只見楊戩看見風響，隨與雷震子、韋護曰：「孽怪來也！各要小心！」楊戩指寶劍大呼曰：「怪物休走！吾來也！」九尾狐狸精見楊戩仗劍起來，舉手中劍罵道：「我們姐妹斷送了成湯天下，成你們的功名，你反來害我等，何無天理也！」楊戩大怒曰：「業畜休得多言，早早受縛！吾奉姜元帥將令，特來擒你。不要走，吃吾一劍！」雉雞精舉劍來迎。雷震子黃金棍打來，早有九尾狐狸精雙刀架住。韋護降魔杵打來，玉石琵琶精用繡鸞刀敵住。三妖與楊戩等三人戰未及三五回合，三妖借妖光逃走；楊戩與雷震子、韋護惟恐有失，緊緊趕來。怎見得，有贊為證，贊曰：

妖光蕩蕩，冷氣颼颼。妖光蕩蕩，旭日無光；冷氣颼颼，乾坤黑暗。黃河漠漠怪塵飛，黑霧漫漫妖氣慘。雉雞精、狐狸精、琵琶精往前逃，似電光飛閃；雷震子與楊戩併韋護緊追隨，如驟雨狂風。三妖要命，恍如弩箭離弦，那顧東西南北；三聖爭功，恰似葉落隨風，豈知流行坎止。

勢頭不好，俱是些道術之士，料難取勝，不敢戀戰，借一陣怪風，連人帶馬沖出周營，往午門逃回。妖白二更入周營，直至四更方纔逃回，也傷了些士卒。不表。且說紂王在午門外看三妃今夜劫營成功，洗目以待。忽見三妃來至，紂王問曰：「三卿劫營，勝負如何？」妲己曰：「姜子牙俱有準備，故此不能成功，幾乎被他眾門人困于核心，險不能見陛下也。」紂王聞言大驚，低首不言。進了午門，上了大殿，紂王不覺淚下曰：「不期天意喪吾，莫可救解。」妲己亦泣曰：「妾身指望今日成功，平定反臣而安社稷，不料天心不順，力不能支，如之奈何！」紂王曰：「朕已知天意難回，非人力可解，從今與你三人一別，各自投生，免使彼此牽絆。」把袍袖一擺，逕往摘星樓去了。三妖也慰留不住。後人有詩歎之，詩曰：

大廈將傾止一莖，尚思劫寨破周兵。孰知天意歸真主，猶向三妖訴別情。

話說三妖見紂王自往摘星樓去了，妲己調二妖曰：「今日紂王此去，必尋自盡，只我等數年來把成湯一個天下送得乾乾淨淨，如今我們卻往那裡去好？」九頭雉雞精曰：「我等只好迷惑紂王，其他皆不聽也。此時無處可棲，不若還歸軒轅墳去，依然自家巢穴，尚可安身，再為之計。」玉石琵琶精曰：「姐姐之言甚善。」三妖共議還歸舊巢。不表。

且說子牙被三妖劫營，殺至營前，三妖逃遁。子牙收軍，陞帳坐下，眾諸侯上帳參謁。子牙曰：「一時未曾防此妖孽，被他劫營，幸得眾門人俱是道術之士，不然幾為所算，失了銳氣。今若不早除，後必為患。」子牙言罷，命排香案。左右聞命，即將香案施設停當。子牙禱畢，將金錢排下，乃大驚曰：「原來如此！若再遲延，幾被三妖逃去。」忙傳令，命：「楊戩領東帖，你去把九頭雉雞精拿來。如走了，

第九十七回

摘星樓紂王自焚

紂王暴虐害黔黎，國事紛紛日夜迷。浪飲不知民血盡，荒淫那顧鬼神棲。

黃盆宮女真殘賊，焚炙忠良類虎鯢。報應昭昭須不爽，旗懸太白金今題。

話說楊戩正趕雉雞精，見前面黃旛隱隱，寶蓋飄揚，有數對女童分于左右，當中一位娘娘，跨青鸞而來，乃是女媧娘娘駕至。怎見得，有詩為證：

一天瑞彩紫霞浮，香靄氤氳擁鳳輿。展翅鸞凰皆雅馴，飄飄童女自優遊。

旛幢繚繞迎華蓋，瓔珞飛揚罩冕旒。止為昌期逢泰運，故教仙聖至中州。

話說女媧娘娘跨青鸞而來，阻住三個妖怪之路。三妖不敢前進，按落妖光，俯伏在地，口稱：「娘娘聖駕降臨，小畜有失迴避，望娘娘恕罪。小畜今被楊戩等追趕甚迫，求娘娘救命。」女媧娘娘聽罷，吩咐碧雲童兒：「將縛妖索把這三個業障鎖了，交與楊戩，解往周營，與子牙發落。」童兒領命，將三妖縛定。三妖泣而告曰：「啟娘娘得知：昔日是娘娘用招妖旛招小妖去朝歌，潛入宮禁，迷惑紂王，使他不行正道，斷送他的天下。小畜奉命，百事逢迎，去其左右，令彼將天下斷送。今已垂亡，正欲覆娘娘釣旨，不期被楊戩等追襲。路遇娘娘聖駕，尚望娘娘救護，娘娘反將小畜縛去，見姜子牙發落，不是娘娘出爾反爾了？望娘娘上裁！」女媧娘娘曰：「吾使你斷送殷受天下，原是合上天氣數；豈意你無端造業，

雷震子性起，迫得狐狸有穴難尋；楊戩心忙，趕得雉雞上天無路。琵琶性巧欲騰挪，韋護英明驅壓定。這也是三妖作過罪業多，故遇著三聖玄功能取命。

話說楊戩追趕九頭雉雞精，往前多時，看看趕上，楊戩取出哮天犬祭在空中。那犬乃仙犬修成靈性，見妖精舞爪張牙，趕上前一口，將雉雞頭咬掉了一個。那妖精顧不得疼痛，帶血逃災。楊戩見犬傷了他一頭，依舊走了，心下著慌，急駕上遁緊追。雷震子趕狐狸，韋護追琵琶精，緊緊不捨。只見前面兩首黃旛，空中飄蕩，香煙繚繚，遍地氤氳。不知是誰來了，且聽下回分解。

評

紂王雖然無道，還算個俠烈漢子；起先做了許多惡業，及至到壞事時，便爽爽利利，以死自待，決不沾泥帶水。若是小丈夫便有無限婆子氣，不知作多少悲啼哭泣。

又評

成湯一個完完全全天下，被妲己送得乾乾淨淨；及至紂王尋死，彼更不曾有一點顧惜之意，便去尋自己巢穴，以為安身之計，情殊可恨！畢竟被子牙拿來，身首異處，正所謂天網恢恢，疏而不漏。今觀其妖怪似婦人者，尚無怪乎婦人心最毒也！

闌，侍奉中櫛而已；其他妾安能以自專也。紂王失政，雖文武百官不啻千百，皆不能釐正，又何況區區一女子能動其聽也？今元帥德播天下，仁溢四方，紂王不日授首，縱殺妾一女流，亦無補于元帥。況古語云：「罪人不孥①。」懇祈元帥大開慈隱，憐妾身之無辜，赦歸故國，得全殘生，真元帥天地之仁，再生之德也。望元帥裁之！」眾諸侯聽姐已一派言語，大是有理，皆有憐惜之心。

子牙笑曰：「你說你是蘇侯之女，將此一番巧言，迷惑眾聽，眾諸侯豈知你是九尾狐狸在恩州驛迷死蘇姐已，借竅成形，惑亂天子？其無端毒惡，皆是你造業。今已被擒，死且不足以盡其罪，尚假此巧語花言，希圖漏網！」命左右：「推出轅門，斬首號令！」姐已等三妖低頭無語。左右旗牌官簇擁出轅門來，後有雷震子、楊戩、韋護監斬。只見三妖推至法場，雉雞精垂頭喪氣，琵琶精默默無言，惟有這狐狸精乃是姐已，他就有許多嬌痴，又連累了幾個軍士。

話說那姐已綁縛在轅門外，跪在塵埃，恍然似一塊美玉無瑕，嬌花欲語，臉襯朝霞，唇含碎玉，綠蓬鬆雲鬢，嬌滴滴朱顏，轉秋波無限鍾情，頓歌喉百般嫵媚，乃對那持刀軍士曰：「妾身係無辜受屈，望將軍少緩須臾，勝造浮屠七級！」那軍士見姐已美貌，已自有十分憐惜，再加他嬌滴滴的叫了幾聲將軍長，將軍短，便把這幾個軍士叫得骨軟筋酥，口呆目瞪，軟痴痴癱作一堆，麻酥酥痒成一塊，莫能動履。只見行刑令下：「楊戩監斬九頭雉雞精，韋護監斬玉石琵琶精，雷震子監斬狐狸精。」三人見行刑令下，喝令：「軍士動手！」楊戩鎮壓住雉雞精，韋護鎮壓住琵琶精，一聲吶喊，軍士動手，將兩個妖精斬了首級。有一首詩單道琵琶精終不免一刀之厄，詩曰：

① 罪人不孥：犯罪之人，應止於其身，不連帶其妻與子。

殘賊生靈，荼毒忠烈，慘惡異常，大拂上天好生之仁。今日你罪惡貫盈，理宜正法。」三妖俯伏，不敢聲言。只見楊戩同雷震子、韋護正望前追趕三妖，楊戩望見祥光，忙對雷震子、韋護曰：「此位是女媧娘娘大駕降臨，快上前參謁。」雷震子聽罷，三人向前，倒身下拜。楊戩等曰：「弟子不知聖駕降臨，有失迎迓，望娘娘恕罪。」女媧娘娘曰：「楊戩，我與你將此三妖拿在此間，你可帶往行營，與姜子牙正法施行。今日周室重興，又是太平天下也。你三人去罷。」楊戩等感謝娘娘，叩首而退，將妖解往周營。後人有詩歎之：

三妖造惡萬民殃，斷送殷商至喪亡。今日難逃天鑒報，軒轅巢穴枉思量。

話說楊戩等將三妖摔下雲端，三人隨收土遁，來至轅門。那眾軍士見半空中掉下三個女人，後隨著楊戩等三人，軍士忙報入中軍：「啟元帥：楊戩等令。」子牙傳令：「令來。」楊戩上帳見子牙，子牙曰：「你拿的妖怪如何？」楊戩曰：「奉元帥將令，趕三妖于中途，幸逢女媧娘娘大發仁慈，賜縛妖繩，將三妖捉至轅門，請令施行。」子牙傳令：「解進來。」帳下左右諸侯俱來看怎樣個妖精。少時，楊戩解九頭雉雞精，雷震子解九尾狐狸精，韋護解玉石琵琶精同至帳下。三妖跪于帳前。子牙曰：「你這三個業障，無端造惡，殘害生靈，食人無厭，將成湯天下送得乾乾淨淨。雖然是天數，你豈可縱慾殺人，唆紂王造炮烙，慘殺忠諫，治蠶盆荼毒宮人，造鹿臺聚天下之財，為酒池、肉林，內官喪命，甚至敲骨看髓，剖腹驗胎；此等慘惡，罪不容誅，天地人神共怒，雖食肉寢皮，不足以盡厥辜！」妲己俯伏哀泣告曰：「妾身係冀州侯蘇護之女，幼長深閨，鮮知世務，謬蒙天子宣詔，選擇為妃。不意國母薨逝，天子強立為后。凡一應主持，皆操之于天子，政事俱掌握于大臣。妾不過一女流，惟知灑掃應對，整飾宮

憶昔恩州能借竅，應知內闕善周旋。從來嬌媚歸何處？化作南柯帶血眠。

話說子牙斬了妲己，將首級號令轅門。眾諸侯等無不歎賞。

且說紂王在顯慶殿懨懨獨坐，有宮人左右紛紛如蟻，慌慌亂亂。紂王問曰：「爾等為何這樣急遽？想是皇城破了麼？」旁一內臣跪下，泣而奏曰：「三位娘娘，夜來二更時分不知何往，因此六宮無主，故此著忙。」紂王聽罷，忙叫內臣快快查，往那裡去了，速速來報。有常侍打聽，少時來報：「啟陛下，三位娘娘首級已號令于周營轅門。」紂王大驚，忙隨左右宦官，急上五鳳樓觀看，果是三后之首。紂王看罷，不覺心酸，淚如雨下，乃作詩一首以弔之，詩曰：

「玉碎香消實可憐，嬌容雲鬢盡高懸。奇歌妙舞今何在？覆雨翻雲竟枉然。」

鳳枕已無藏玉日，鴛鴦難再拂花眠。悠悠此恨情無極，日落滄桑又萬年。」

話說紂王吟罷詩，自嘆自歎，不勝傷感。只見周營中一聲砲響，三軍吶喊，齊欲攻城。紂王看見，不覺大驚，知大勢已去，非人力可挽，點頭數點，長吁一聲，竟下五鳳樓，過九間殿，至顯慶殿，過分宮樓，將至摘星樓來。忽然一陣旋窩風，就地滾來，將紂王罩住。怎見得怪風一陣，透膽生寒，有詩為證：

蕭蕭颯颯攝離魂，透骨浸肌氣若吞。撮起沉冤悲往事，追隨枉死泣新猿。

催花須借吹噓力，助雨敲殘次第先。止為紂王慘毒甚，故教屈鬼訴辜恩。

話說紂王行至摘星樓，只見一陣怪風，就地裹將上來。那蠶盆內咽咽哽哽，悲悲泣泣，無限蓬頭披髮、赤身裸體之鬼，血腥臭惡，穢不可聞，齊上前來，扯住紂王大呼曰：「還吾命來！」又見趙啟、梅伯赤身大叫：「昏君！你一般也有今日敗亡之時！」紂王忽的把二目一睜，陽氣冲出，將陰魂撲散。那些屈

憶昔當年遇子牙，硯臺擊頂煉琵琶。誰知三九重逢日，萬死無生空白嗟。

話說三軍動手，已將雉雞精、琵琶精斬了首級，楊戩與韋護上帳報功。只有雷震子監斬狐狸精，眾軍士被姐已迷惑，皆目瞪口呆，手軟不能舉刃。雷震子發怒，喝令軍士，只見個個如此。雷震子急得沒奈何，只得來中軍帳報知，請令定奪。子牙見楊戩、韋護報功，令：「拿出轅門號令。」惟有雷震子赤手來見。子牙問曰：「你監斬姐已，如何空身來見我？莫非這狐狸走了？」雷震子曰：「弟子奉令監斬姐已，執意眾軍士被這妖狐迷惑，皆目瞪口呆，莫能動履。」子牙怒曰：「監斬無能，要你何用！」一聲喝退，雷震子羞慚滿面，站立一旁。子牙命：「將行刑軍士拿下，斬首示眾。」復命楊戩、韋護監斬。二人領命，另換了軍士，再至轅門。只見那妖婦依舊如前，一樣軟款，又把這些軍士弄得東倒西歪，如痴如醉。

楊戩與韋護看見這等光景，二人商議曰：「這畢竟是個多年狐狸，極善迷惑人，所以紂王被他纏縛得迷而忘返，又何況這些愚人哉？我與你快去稟明元帥，無令這些無辜軍士死于非命也。」楊戩道罷，二人齊至中軍帳來，對子牙如此如此說了一遍。眾諸侯俱各驚異。子牙對眾人口：「此怪乃千年老狐，受日精月華，偷採天地靈氣，故此善能迷惑人，待吾自出營去，斬此惡怪。」子牙道罷先行，眾諸侯隨後。子牙同眾諸侯門弟子出得轅門，見姐已綁縛在法場，果然千嬌百媚，似玉如花，眾軍士如木雕泥塑。子牙喝退眾士卒，命左右排香案，焚香爐內，取出陸壓所賜葫蘆，放于案上，揭去頂蓋，只見一道白光上昇，現出一物，有眉有眼，有翅有足，在白光上旋轉。子牙打一躬：「請寶貝轉身！」那寶貝連轉兩三轉，只見姐已頭落塵埃，血濺滿地。諸侯中尚有憐惜之者。有詩為證，詩曰：

姐已妖嬈起眾憐，臨刑軍士也情牽。桃花難寫溫柔態，芍藥堪方窈窕妍。

話說朱昇再三哭奏，勸紂王且自寬慰，另尋別策，以解此圍。紂王怒曰：「事已急矣！朕籌之已密。若諸侯攻破午門，殺入內庭，朕一被擒，汝之罪不啻泰山之重也！」朱昇大哭下樓，去尋柴薪，堆積樓下。不表。且說紂王見朱昇下樓，自服袞冕，手執碧玉圭，滿身珠玉，端坐樓中。朱昇將柴堆滿，揮淚下拜畢，方敢舉火，放聲大哭。後有詩為證，詩曰：

摘星樓下火初紅，煙捲烏雲四面風。今日成湯傾社稷，朱昇原是盡孤忠。

話說朱昇舉火，燒著樓下乾柴，只見煙捲沖天，風狂火猛，六宮中宮人喊叫，霎時間乾坤昏暗，宇宙翻崩，鬼哭神號，帝王失位。朱昇見摘星樓一派火著，甚是凶惡。朱昇撩衣，痛哭數聲，大叫：「陛下！奴婢以死報陛下也！」言罷，將身撞入火中。可憐朱昇忠烈，身為宦豎，猶知死節。話說紂王在三層樓上，看樓下火起，烈焰沖天，不覺撫膺長歎曰：「悔不聽忠諫之言，今日自焚，死固不足惜，有何面目見先王於泉壤也！」只見火趁風威，風乘火勢，須臾間，四面通紅，煙霧障天。怎見得，有賦為證，賦曰：

煙迷霧捲，金光灼灼掣天飛；焰吐雲從，烈風呼呼如雨驟。排炕烈焰，似燭如燭。須臾萬物盡成灰，說什麼棟連霄漢；頃刻千里化紅塵，那管他雨聚雲屯。五行之內最無情，二氣之中為獨盛。雖梁畫棟，不知費幾許工夫，遭著他盡成齏粉；珠欄玉砌，不知用多少金錢，逢著你皆為瓦解。摘星樓下勢如焚，六宮三殿，延燒得柱倒牆崩，天子命喪在須臾；八妃九嬪，牽連得頭焦額爛，無辜宮女盡遭殃，作惡內臣皆在劫。這紂天子呵！拋卻塵寰，講不起貢山航海，錦衣玉食，金甌社稷，錦繡乾坤，都化作滔滔洪水向東流；脫離慾海，休誇那粉黛蛾眉，溫香暖玉，

魂怨鬼隱然而退。紂王把袍袖一抖，上了頭一層樓，又見姜娘娘一把扯住紂王，大罵曰：「無道昏君，誅妻殺子，絕滅彝倫，今日你將社稷斷送，將何面目見先王于泉壤也！」姜娘娘正扯住紂王不放，又見黃娘娘一身血污，腥氣逼人，也上前扯住，大呼曰：「昏君摔我下樓，跌吾粉骨碎身，此心何忍！真殘忍刻薄之徒！今日罪盈惡滿，天地必誅！」紂王被兩個冤魂纏得如痴似醉一般，又見賈夫人也上前大罵曰：「昏君受辛！你君欺臣妻，吾為守貞立節，墜樓而死，沉冤莫白。今日方能泄我恨也！」照紂王一掌劈面打來。

紂王忽然一點真靈驚醒，把二目一睜，沖出陽神，那陰魂如何敢近？隱隱散了。紂王上了摘星樓，行至九曲欄邊，默默無語，神思不寧，扶欄而問：「封宮官何在？」封宮官朱昇聞紂王呼喚，慌忙上摘星樓來，俯伏欄邊，口稱：「陛下，奴婢聽旨。」紂王曰：「朕悔不聽群臣之言，誤被讒奸所惑，今兵連禍結，莫可救解，噬臍何及。朕思身為天子之尊，萬一城破，為群小所獲，辱莫甚焉。欲尋白晝，此身尚遺人間，猶為他人作念；不若自焚，反為乾淨，毋得令兒女子藉口也。你可取柴薪堆積樓下，朕當與此樓同焚。你當如朕命。」朱昇聽罷，淚流滿面，泣而奏曰：「奴婢侍陛下多年，蒙養之恩，粉骨難報。不幸皇天不造我商，禍亡旦夕，奴婢恨不能以死報國，何敢舉火焚君也！」言罷，嗚咽不能成聲。紂王曰：「此天亡我也，非干你罪。你不聽朕命，反有忤逆之罪。昔日朕曾命費、尤向姬昌演數，言朕有自焚之厄；今日正是天定，人豈能逃？當聽朕言！」後人有詩單歎紂王臨焚念文王易數之驗，有詩為證，詩曰：

昔日文王姜里囚，紂王無道困西侯。費尤曾問先天數，烈焰飛煙鎖玉樓。

又有史官觀史，有詩單道紂王失政云：

女媧宮裡祈甘霖，忽動攜雲握雨心。豈為有情聯好句，應知無道起商參。

婦言是用殘黃耆，忠諫難聽縱浪淫。炮烙冤魂多屈死，古來慘惡獨君深。

又詩歎紂王才兼文武，詩曰：

打虎雄威氣更驕，千斤膂力冠群僚。托梁換柱超今古，赤手擒飛過鷲雕。

拒諫空稱才絕代，飾非枉道巧多饒。只因三怪迷真性，贏得樓前血肉焦。

話說摘星樓焚了紂王，眾諸侯俱在午門外佳筍。少時，午門開處，眾宮人同侍衛將軍，御林士卒酌洒獻花，焚香拜迎武王車駕，並諸侯入九間殿。姜子牙忙傳令：「且救息宮中火。」不知後事如何，且聽下回分解。

評

紂王無道，殘賊生靈，不知凡幾，自家落得摘星樓燒死，縱不是如佛氏報應輪迴之說，自是天理難容耳。畢竟紂王有些家夾氣，自家做過的事，不肯落在他人之手裡；所以一刀兩段，毫不沾滯，真是斬釘削鐵漢子，何難立地成佛？

又評

翠袖慙慙，清謳皓齒，盡赴於栩栩羽化隨夢繞。這正是：從前餘焰逞雄威，作過災殃還自受。成湯事業化飛灰，周室江山方赤熾。

話說子牙在中軍方與眾諸侯議攻皇城，忽左右報進中軍：「啟元帥：摘星樓火起。」子牙忙領眾將，同武王、東伯侯、北伯侯共天下諸侯，齊上馬出了轅門看火。武王在馬上觀看，見煙迷一人，身穿赭黃袈裟，頭戴冕旒，手拱碧玉圭，端坐於煙霧之中，朦朧不甚明白。武王問左右曰：「那煙霧中乃是紂天子麼？」眾諸侯答曰：「此正是無道昏君。今日如此，正所謂自作自受耳。」武王聞言，掩面不忍看視，兜馬回營。子牙忙上前啟曰：「大王為何掩面而回？」武王曰：「紂王雖則無道，得罪於天地鬼神，今日自焚，適為業報；但我我皆為臣下，曾比面事之，何忍目睹其死，而蒙逼君之罪哉？不若回營為使。」子牙曰：「紂王作惡，殘賊生民，天怒民怨，縱太白懸旗❶，亦不為過；今日自焚，正當其罪。但大王不忍，是大王之仁明忠愛之至意也。然猶有一說，昔成湯以至仁放桀於南巢，救民於水火，天下未嘗少之；今大王會天下諸侯，奉天征討，弔民伐罪，實於湯有光，大王幸毋介意。」眾諸侯同武王回營。子牙督領眾將門人看火，以便取城。只見那火越盛，看看捲上樓頂，那樓下的柱腳燒倒，只聽得一聲響，摘星樓塌倒，如天崩地裂之狀，將紂王埋在火中，一霎時化為灰燼。一靈已入封神臺去了。後人有詩歎之，詩曰：

放桀南巢憶昔時，深仁厚澤立根基。誰知殷受多殘虐，烈焰焚身悔已遲。

第九十八回 周武王鹿臺散財

紂王聚斂吸民脂，不信當年放桀時。積粟已無千載計，盈財豈有百年期？

須知世運逢真主，卻笑貪淫有阿癡。今日還歸民社去，從來天意豈容私！

話說眾諸侯俱上了九間殿，只見丹墀下大小將領頭目等眾，躑躑踴踴，簇擁兩旁。子牙傳令：「軍士先救滅宮中火焰。」武王對子牙曰：「紂王無道，殘虐生靈，而六宮近在肘腋，其宮人宦寺被害更慘，今軍士救火，不無波及無辜；相父當首先嚴禁，毋令復遭陷害也。」子牙聞言，忙傳令：「凡軍士人等止許救火，毋得肆行暴虐，敢有違令妄取六宮中一物，妄殺一人者，斬首示眾，決不姑息，汝宜悉知。」只見眾宮人宦寺，侍衛軍官齊呼萬歲。武王在九間殿駐蹕，與眾諸侯看軍士救火。武王猛擡頭，看見殿東邊有黃澄澄二十根大銅柱擺列在旁，武王問曰：「此銅柱乃是何物？」子牙曰：「此銅柱乃是紂王所造炮烙之刑。」武王曰：「善哉！不但臨刑者甚慘，只今日孤觀之，不覺心膽皆裂。紂天子可謂殘忍之甚！」子牙引武王入後宮，至摘星樓下，見蠶盆裡面蛇蝎上下翻騰，白骨暴露，骷髏亂滾；又見酒池內陰風慘慘，肉林下冷露悽悽。武王問曰：「此是何故？」子牙曰：「此是紂王所製蠶盆，殺害宮人者；左右正是肉林、酒池。」武王曰：「傷哉！紂天子何無仁心一至此也！」不勝傷感，乃作詩以紀之，詩曰：

天地間妖精中之最靈悍者，無過狐狸，善於巧令，亦最嫵媚，所以惑人最深，而殺人亦毒。請觀妲己生前，弄得紂王國破身亡，甚至臨刑，猶遺害不淺。古今遭此狐妖之害者，豈止於有天下國家之人哉！幸毋惑此，方是打破重關，跳出苦海。此一書分明指與世人作榜樣。今人不可將此狐狸認作真的，把自己身邊那個狐狸當做假的，有幸此老婆心說法。

荼毒之苦，征斂之煩，日坐水火之中，衽席不安，重足而立，今不若將鹿臺聚積之貨財，給散與諸侯百姓，將鉅橋聚斂之稻粟，賑濟與饑民，使萬民昭蘇，享一日安康之福耳。」子牙曰：「大王興言及此，真社稷生民之福也！宜速行之。」武王命左右去發財粟運，不表。

只見後宮擒紂王之子武庚至，子牙令：「推來。」眾諸侯切齒。少時，眾將將武庚推至殿前，武庚跪下。眾諸侯齊曰：「殷受不道，罪盈滿貫，人神共怒，今日當斬首正罪，以泄天地之恨。」子牙曰：「眾諸侯之言甚是。」武王急止之曰：「不可！紂王肆行不道，皆是群小、妖婦惑亂其心，與武庚何干？且紂王炮烙大臣，雖賢如比干、微子，皆不能匡救其君，又何況武庚一幼稚之子哉？今紂王已滅，與子何讎？且『罪人不孥』，原是天好生之德，孤願與眾位大王共體之，切不可枉行殺戮也。俟新君嗣位，封之以茅土，以存商祀，正所以報商之先王也。」東伯侯姜文煥出而言曰：「元帥在上：今大事俱定，當立新君以安天下諸侯、士民之心。況且天不可以無口，國不可以無君，天命有道，歸於至仁，今武王仁德著於四海，天下歸心，宜正大位，以安天下民心。況我等眾諸侯入關，襄武王以伐無道，正為今日之大事也。望元帥一力擔當，不可遲滯，有辜眾人之心。」眾諸侯齊曰：「姜君侯講得有理，正合眾人之意。」

子牙尚未及對，武王惶懼遜謝曰：「孤位輕德薄，名譽未著，惟曰兢兢，求為寡過以嗣先王之業而未遑，安敢妄覬天位哉！況天位惟艱，惟仁德者居之，乞眾位賢侯共擇一有德者以嗣大位，毋令有忝厥職，遭天下羞。孤與相父早歸故土，以守臣節而已。」旁有東伯侯厲聲大言曰：「大王此言差矣！天下之至德，孰有如大王者！今天下歸周，已非一日，即黎民之簞食壺漿以迎王師，豈有他哉！謂大王能救

「成湯祝網德聲揚，啟桀南巢正大綱。六百年來風氣薄，誰知慘惡喪疆場！」

又傷炮烙之刑，作詩以紀之，詩曰：

「苦陷忠良性獨偏，肆行炮烙悅嬋娟。遺魂常傍黃金柱，樓下焚燒業報牽。」

話說武王來至摘星樓，見餘火尚存，煙焰未絕，燒得七狼八豕，也有無辜宮人遭在此劫，尚有遺骸未盡，臭穢難聞。武王更覺心中不忍，忙吩咐軍士：「快將這些遺骸檢出去埋葬，無令暴露。」因調子牙曰：「但不知紂王骸骨焚於何所？當另為檢出，以禮安葬，不可使暴露於天地。你我為人臣者，此心何安！」子牙曰：「紂王無道，人神共憤，今日自焚，實所以報之也。今大王以禮葬之，誠大王之仁耳。」子牙吩咐軍士：「檢點遺骸，毋使混雜。須尋紂王骸骨，具衣衾棺槨，以天子之禮葬之。」後人有詩歎成湯王業如斯而盡：

天喪成湯業，敵兵盡倒戈。積山尸遍野，漂杵血流河。

盡去煩苛法，方興時雨歌。太平今日定，祇席樂天和。

話說子牙令軍士尋紂王遺骸，以禮安葬，不表。

且說眾諸侯同武王往鹿臺而來。上了臺時，見閣簷雲端，樓飛霄漢，亭臺疊疊，殿宇巍峨，雕欄玉飾，梁棟金裝；又只見明珠異寶，珊瑚玉樹，鑲嵌成瓊宮瑤室，堆砌就繡閣蘭房，不時起萬道霞光，頃刻有千條瑞彩，真所謂目眩心搖，神飛魄亂。武王點首歎曰：「紂天子這等奢靡，竭天下之財以窮己欲，安有不亡身喪國者也！」子牙曰：「古今之所以喪亡者，未有不從奢侈而敗，故聖王再三叮嚀垂戒者，『寶己以德，毋寶珠玉』，良有以也。」武王曰：「如今紂王已滅，天下諸侯與閭閻百姓受紂王剝削之禍，

也。顧大王詳察！」武王曰：「眾人固是美愛，然孤之德薄，不足以勝此任，恐遺先王之羞耳。」東伯侯姜文煥曰：「大王不必辭遜，元帥自有主見。」乃對子牙曰：「請元帥速行，不得遲滯，恐人心解散。」子牙急忙傳令：「命畫圖樣造臺，作祝文昭告天地社稷，俟後有大賢，大王再讓位未遲。」眾諸侯已知子牙之意，隨聲應諾。旁有周公旦自去造臺。後人有詩誦之，詩曰：

朝歌城內築禪臺，萬姓歡呼動八垓。沴氣已隨餘焰盡，和風方向太陽來。

岐山鳴鳳纏禪瑞，殿陛賡歌進壽杯。四海雍熙從此盛，周家泰運又重開。

話說周公旦畫了圖樣，於天地壇前造一座臺，臺高三層，按三才之象，分八卦之形。正中設皇天后土之位，旁立山川社稷之神，左右有十二元神旗號，按子、丑、寅、卯、辰、巳、午、未、申、酉、戌、亥立於其地；前後有十干旗號，按甲、乙、丙、丁、戊、己、庚、辛、壬、癸立於本位。壇上有四季正神方位：春日太昊，夏日炎帝，秋日少昊，冬日顓頊，中有皇帝軒轅。壇上羅列簋、豆、簠、籩、金爵、玉斚，陳設祭前，併生芻炙脯，列於几席，鮮醬魚肉設於案桌，無不齊備。只見香燒寶鼎，花插金瓶，子牙方請武王上壇。武王再三謙讓，然後祭壇。八百諸侯齊立於兩旁，周公旦高捧祝文，上臺開讀，祝文曰：

惟大周元年壬辰，越甲子昧爽三日，西岐姬發敢昭告於皇天后土神祇曰：嗚呼！惟天惠民，惟辟奉天。有殷受弗克上天，自絕於命，臣發承祖宗累治之仁，列聖相沿之德，予小子曷敢有越厥志？恭天承命，抵商之罪，大正於商。惟爾神祇，克成厥勳，誕膺天命。予小子方日夜祇懼，恐墜前烈，敬修未遑。無奈諸侯、軍、民、耆老人等，疏請再三，眾志誠難固違，俯從群議。爰考舊典，式識

民於水火也。且天下諸侯景從雲集，隨大王以伐無道，其愛戴之心，蓋有自也。大王又何必固辭？望大王俯從眾議，毋令眾人失望耳。」武王曰：「發有何德，望賢侯無得執此成議，還當訪詢有眾，以服天下之心。」東伯侯姜文煥曰：「昔帝堯以至德克相上帝，得膺大位；後生丹朱不肖，帝求人而遜位，眾臣舉舜。舜以重華之德，以繼堯而有天下。後帝舜生子商均亦不肖，舜乃舉天下而讓之禹。禹生啟賢明，能承繼夏命，故相繼而傳十七世。至桀無道而失夏政，成湯以至德放桀於南巢，代夏而有天下，傳二十八世。至紂，大肆無道，惡貫罪盈。大王以至德與眾諸侯恭行天之討，今大事已定，克承大寶，非大王而誰？大王又何必固遜哉！」武王曰：「孤安敢方禹湯之賢哲也？」姜文煥曰：「大王不事干戈，以仁義教率天下，化行俗美，三分天下有其二，故鳳鳴於岐山，萬民而樂業。天下相應，理不可誣。大王之政德，與二君何多讓哉！」武王曰：「姜君侯素有才德，當為天下之主。」忽聽得兩旁諸侯一齊上前，大呼曰：「天下歸心，已非一日，大王為何苦苦固辭？大拂眾人之心矣！況吾等會盟此地，豈是一朝一夕之力，無非欲立大王，再見太平之日耳。今大王捨此不居。則天下諸侯瓦解，自此生亂，是使天下終無太平之日矣。」子牙上前急止之曰：「列位賢侯不必如此，我自有名正言順之說。」正是：

子牙一計成王業，致使諸侯拜聖君。

話說眾諸侯在九間殿，見武王固遜，俱紛紛爭辯不一，子牙乃止之，對武王曰：「紂王禍亂天下，大王率諸侯明正其罪，天下無不悅服，大王禮當正位，號令天下。況當日鳳鳴岐山，祥瑞現於周地，此上天垂應之兆，豈是偶然！今天下人心悅而歸周，正是天人響應，時不可失。大王今日固辭，恐諸侯心冷，各散歸國，渙無所統，各據其地，日生禍亂，甚非大王弔伐之意。深失民望，非所以愛之，實所以害之

熙熙皞皞，真是太平景象。有詩為證，詩曰：

八十公公杖策行，相逢欣笑話生平。眼中不識干戈事，耳內稀聞戰鼓聲。

每見麒麟鸞鳳現，時聽絲竹管絃鳴。而今世上稱寧宇，不似當年枕席驚。

話說武王為天子，天人感應，民安物阜，天降祥瑞，萬民無不悅服。只見天下諸侯俱辭朝各歸本國。子牙入內庭見武王，王曰：「相父有何奏章？」子牙奏曰：「方今天下已定，老臣啟陛下，命官鎮守朝歌。」武王曰：「俱聽相父。若用何官？」子牙曰：「今武庚陛下既待以不殺，使守本土，得存商祀，必用何人監守方可。」武王曰：「俟明日臨朝商議。」子牙退朝回相府。只至次日，武王早朝，諸臣朝見畢，武王曰：「朕今封武庚世守本土，以存商祀，必使人監國，當用何人而後可？」武王問罷，眾臣共議非親王不可。遂議管叔鮮、蔡叔度二王監國。武王依允，隨命二叔守此朝歌。武王吩咐明日大駕歸國。只見武王聖諭一出，朝歌軍民羣老老人等，俱謀議遮留聖駕。不表。

話說武王次日吩咐二叔監國，大駕隨即起行。只見百姓扶老挈幼，遮拜於道，大呼曰：「陛下救我等於水火之中，今日歸國，是使萬姓而無父母也。望陛下二視同仁，留居此地，我等百姓不勝慶幸！」武王見百姓挽留，乃慰之曰：「今朝歌朕已命二叔監守，如朕一樣，必不令爾等失所也。爾等當奉公守法，自然安業，又何必朕在此，方能安阜也？」百姓挽留不住，放聲大哭，震動天地。武王亦覺悽然。復謂二弟管叔鮮、蔡叔度曰：「民乃國之根本，爾不可輕虐下民，當視之如子。若是不體朕意，有虐下民，朕自有國法在，必不能為親者諱也。二弟其勉之！」二叔受命。武王即日發駕起程，往西岐前進。百姓哭送一程，竟回朝歌。不表。

吉日，祇告於天地宗廟社稷暨我文考，於是曰受冊寶，嗣即大位。仰承中外靖恭之頌，天人協應之符，慶日月之照臨，膺皇天之永命。尚望福我維新，永終不替，慰兆人胥戴之情，垂累葉無疆之緒。神其鑒茲！伏惟尚饗。

話說周公旦讀罷祝文，焚了，祝告天地畢，只見香煙籠罩空中，瑞靄氤氳滿地，其日天朗氣清，惠風慶雲，真是昌期應運，太平景象，自然迥別。那朝歌百姓擁擠，遍地歡呼。

武王受了冊寶，即天子位，面南垂拱端坐。樂奏三番，眾諸侯出笏，山呼萬歲。拜賀畢，武王傳旨，大赦天下。眾人簇擁武王下壇，來至殿廷，從新拜賀畢，武王傳旨，命擺九龍筵席，大宴八百諸侯，君臣共樂。眾人酒過數巡，俱各歡暢。百官覺已深沉，各辭闕謝恩而散。後人讀史，見武王一戎衣而有天下，君臣和樂，作詩以詠之，詩曰：

壇上香風繞聖王，軍民嵩祝舞霓裳。江山依舊承柴望，社稷重新樂裸將。

金闕曉臨仙掌動，玉堦時聽珮環忙。熙熙皞皞清明世，萬姓謳歌慶未央。

話說次日武王設朝，眾諸侯朝賀畢，武王調子牙曰：「殷紂因廣施土木之功，竭天下之財，荒淫失政，故有此敗。朕蒙眾諸侯立之為君，朕欲將鹿臺之貨財給散與天下諸侯，頒賜各夷王衣襲之費。列爵惟五，分土惟三，建官惟賢，位事惟能，重民五教，惟食喪祭，惇信明義，崇德報功。命諸侯各引人馬歸國，以安享其土地。」又將摘星樓殿閣盡行拆毀，散鹿臺之財，發鉅橋之粟，釋箕子之囚，封比干之墓，式商容之閭，放內宮之人，大資於四海，而萬姓悅服。乃偃武修文，歸馬於華山之陽，放牛於桃林之野，以示天下弗戰。武王在朝歌旬月，萬民樂業，人物安阜，瑞草生，鳳凰現，醴泉溢，甘露降，景星慶雲，

話說子牙兵過首陽山，至燕山，一路上，周民簞食壺漿迎武王。一日，兵至西岐山，忽有上大夫散宜生、黃滾前來接駕，領眾官俱在道旁俯伏。武王在車中見眾弟與黃滾老將軍，後隨孫兒黃天爵，武王曰：「朕東征五載，今見卿等，不覺滿腔悽慘，愁懷勃勃也。」宜生近前啟曰：「陛下今登大位，天下太平，此不勝之喜。臣等得復睹天顏，正是龍虎重逢，再慶都俞喜起之風，陛下與萬姓同樂太平，又何至悽慘不悅也！」武王曰：「朕因會諸侯而伐紂，東進五關，一路內損朕許多忠良，未得其享太平，先歸泉壤；今日卿等，老者、少者、存者、沒者，俱不一其人，使朕不勝今昔之感，所以鬱鬱不樂耳。」散宜生啟曰：「以臣死忠，以子死孝，俱是報君父之洪恩，遺芳名于史冊，自是美事。陛下爵祿其子孫，世受國恩，即所以報之也，又何必不樂哉？」武王與眾臣併轡而行。西岐山至岐州只七十里，一路上，萬民爭看，無不歡悅。武王鸞駕簇擁，來至西岐城，笙簫嘹亮，香氣氤氳。武王至殿前下輦，入內庭，參見太姜，謁太姬，會太姬，設筵宴在顯慶殿，大會文武。正是：

太平天子排佳宴，
龍虎風雲聚會時。

話說武王宴賞百官，君臣懽飲，盡醉而散。

次日早朝，聚眾文武參謁畢，武王曰：「有奏章出班見朕，無事早散。」言未畢，子牙出班奏曰：「老臣奉天征討，滅紂興周，陛下大事已定；只有屢年陣亡人仙，未受封職。老臣不日辭陛下往崑崙山，見掌教師尊，請玉牒金符，封贈眾人，使他各安其位，不致他悵悵無依耳。」武王曰：「相父之言甚是。」言未畢，午門官啟駕：「外有商臣飛廉、惡來在午門候旨。」武王問子牙曰：「今商臣至此見朕，意欲何為？」子牙奏曰：「飛廉、惡來，紂之佞臣。前破紂之時，二奸隱匿；今見天下太平，至此欲惶惑陛

話說武王離朝歌，一路行來，也非一日，不覺來至孟津。思想昔日渡孟津時，白魚躍舟，兵戈擾攘，今日又是一番光景，不勝嗟歎。後人有詩詠之：

駕逝西岐龍入海，與民懽懽樂堯年。放牛桃林開新運，牧馬華山洗舊塵。

箕子囚中先解釋，比干墓上有封箋。孟津昔日曾流血，無怪周王念往賢。

話說武王同子牙渡了黃河，過澠池，出五關。子牙一路行來，忽然想起一班隨行征伐陣亡的將官，心下不勝傷悼。一日來至金雞嶺，兵過首陽山。只見大隊方行，前面有二位道者阻住，對旗門官曰：「與我請姜元帥答話。」左右報進中軍，子牙忙出轅門觀看，卻是伯夷、叔齊。子牙忙躬身問曰：「二位賢侯見尚，有何見諭？」伯夷曰：「姜元帥今日回兵，紂王致於何地？」子牙答曰：「紂王無道，天下共棄之。吾兵進五關，只見天下諸侯已大會于孟津。至甲子日，受辛兵旅若林，罔敢敵于我師，前徒倒戈攻于後，以比①，致血流漂杵②，紂王自焚，天下大定。吾主武王散鹿臺之財，發鉅橋之粟，封比干之墓，武商容之閭，諸侯無不悅服，尊武王為天子。今日之天下，非紂王之天下也。」子牙道罷，只見伯夷、叔齊仰面涕泣，大呼曰：「傷哉！傷哉！以暴易暴兮，予意欲何為！」歌罷，拂袖而回，竟入首陽山，作採薇之詩，七日不食周粟，餓死首陽山。後人有詩弔之，詩曰：

昔阻周兵在首陽，忠心一點為成湯。三分已去猶啼血，萬死無辭立大綱。

水土不知新世界，江山還念舊君王。可憐耽食周朝粟，萬古常存日月光。

① 以北：因而打敗仗。

② 血流漂杵：血流成河，杵杵可漂浮其上。比喻殺人之多。

如油煎火燎一般，追悔不及，越覺怒惱。當時馬氏辭了老婆子，白家歸來，坐在房裡，越想越恨：「我當初如何看不上他？這雙眼睛，還生在世上！」自思：「便活一百歲，也只是如此；天下豈有這等一個大貴人錯過了，還有甚麼好處！」又想：「適纔這個老婆子說是我沒福，不覺羞慚，再有何顏立于人世！不如尋個白盡罷！」乃大哭了一回。心裡又想：「恐怕不是他。假如錯聽了，天下也有這個同名同姓的，卻不是枉死了？」自己又自解歎：「且等到晚間，俟我這個丈夫來家，問他明白，再死未遲。」那日天晚，只見那農夫張三老往城中賣菜來家，馬氏接著，收拾了晚飯與丈夫吃了，因問曰：「如今姜子牙，聞說他出將入相，百般富貴，果然真麼？」張三老聽說，忙陪笑臉答曰：「賢妻不問，我也不好說，果然是真的。前日姜丞相在朝歌，甚麼樣威儀？天下諸侯，俱各聽命。我那時要與你說去見他一見，也討個小小的富貴；我只怕他品位俱尊，恐惹出事來，故此一向不曾說得。今蒙娘子問及，只得說與你知道。如今遲了，姜丞相回國多時，只是當初在這裡好的。」馬氏聞言，半日無語。這張三老恐娘子著惱，又安慰了一回。馬氏假意勸丈夫睡了，自己收拾渾身乾淨，哭了數聲，懸梁自縊而死。一魂往封神臺去了。反至張三老知覺，天已明了。馬氏氣絕，張三老只得買棺木埋葬。不表。後人有詩歎之：

痴心尚望享榮華，應悔當時一念差。三復垂恩無計策，懸梁雖死愧黃沙。

話說次日子牙入朝見武王，奏曰：「昔日老臣奉師命下山，助陛下平民伐罪，原是應運而興，凡人、仙皆逢殺劫，先立有封神榜在封神臺上。今大事已定，人、仙魂魄無依，老臣特啟陛下，給假往崑崙山見師尊，請玉符金冊來封眾神，早安其位。望陛下准臣施行。」武王曰：「相父勞苦多年，當享太平之福；但此事亦是不了之局，相父可速即施行，不得久羈仙島，令朕朝夕凝望。」子牙曰：「老臣怎敢有

下，希圖爵祿耳。此等奸佞，豈可一日容之于天地間哉？但老臣有用他之處，陛下可宣入殿廷，俟老臣吩咐他，自有道理。」武王從其言，命：「宣入殿前來。」左右將二臣引至丹墀，拜舞畢，口稱：「亡國臣飛廉、惡來願陛下萬歲！」武王曰：「二卿至此，有何所願？」飛廉奏曰：「紂王不聽忠言，荒淫酒色，以至社稷傾覆。臣聞大王仁德著于四海，天下歸心，真可駕堯軼舜，臣故不憚千里，求見陛下，願效犬馬。倘蒙收錄，得執鞭于左右，則臣之幸也。謹獻玉符金冊，願陛下容納。」子牙曰：「二位大夫在紂俱有忠誠，奈紂王不察，致有敗亡之禍。今既歸周，是棄暗投明，願陛下當用二位大夫，正所謂捨玦而用美玉也。」武王聽子牙之言，封飛廉、惡來為中大夫；二臣謝恩。後人有詩歎之，詩曰：

貪望高官特地來，玉符金冊獻金堆。子牙早定防奸計，難免封神劍下災。

話說武王封了飛廉、惡來二人，子牙出朝回相府，不表。

單說當年馬氏笑子牙不能成其大事，竟棄子牙而他適。及至今日，武王嗣位，天下歸周，宇宙太平，即茅簷鄙屋，窮谷深山，凡有人煙聚集之處，無有不知武王伐紂，俱是相父姜子牙之功。今日一統華夷，姜子牙出將入相，享人間無窮富貴，權侔人主，位極人臣，古今罕及，天下人無不讚歎：當日子牙困窮之時，磻溪坐隱，此身已老于漁樵；孰意八十歲方被文王聘請歸國，今日才做出這般天大事業來。今日講，明日講，一日講到這馬氏耳朵裡來。馬氏此時跟隨了一個鄉村田戶之人。其日聞得鄰家一個老婆子對馬氏曰：「昔日你初嫁的那個姜某，如今做了多大事業！」如此長，如此短，說了一遍，說得那馬氏滿面通紅，一腔熱烘烘的起來，半日無語。那老婆子又促了他兩句，說道：「當日還是大娘子錯了，若是當時隨了姜某，今日也享這無窮富貴，卻強如在這裡守窮度日。這還是你命裡沒福！」馬氏越發心裡

第九十九回

姜子牙歸國封神

濛濛香霧彩雲生，滿道謳歌賀太平。北極祥光籠兌地，南來紫氣繞金城。

群仙此日皆證果，列聖明朝盡返貞。萬古崇呼禮祀遠，從今護國永澄清。

話說子牙借土遁來至玉虛宮前，不敢擅入。少時，只見白鶴童子出來，看見姜子牙，忙問曰：「師叔何來？」子牙曰：「煩你通報一聲，特來叩謁老師。」童子忙進宮來，至碧遊床前啟曰：「稟上老爺：姜師叔在宮外求見。」元始天尊曰：「著他進來。」童子出來，傳與子牙。子牙進宮，至碧遊床前，倒身下拜：「弟子姜尚願老師萬壽無疆！弟子今日上山，拜見老師，特為請玉符敕命，將陣亡忠臣孝子，逢劫神仙，早早封其品位，毋令他遊魂無依，終日懸望。乞老師大發慈悲，速賜施行。諸神幸甚！弟子幸甚！」元始曰：「我已知道了。你且先回，不日就有符敕至封神臺來。你速回去罷。」子牙叩首謝恩而退。子牙離了玉虛宮，回至西岐。次日，入朝參謁武王，備言封神一事，「老師自令人齋來。」不覺光陰迅速，也非止一日，只見那日空中笙簫嘹亮，香氣氤氳，旌幢羽蓋，黃巾力士簇擁而來。白鶴童子親齋符敕降臨相府。怎見得，有詩為證：

紫府金符降玉臺，旌幢羽蓋拂三臺。雷瘟火斗分先後，列宿群星次第開。
糾察無私稱至德，滋生有自序長才。仙神人鬼從今定，不使朝朝墮草萊。

寧聖恩而樂遊林壑也！」子牙忙辭武王回相府，沐浴畢，駕士遁往崑崙山而來。不知後事如何，且聽下回分解。

評

當日飛廉惡來歸周，姜子牙當明其罪狀，收而戮之，使天下後世知奸佞，斷不容於盛世耳，何必定以詐力惑之然後殺之哉？子牙斯舉，殊失大聖人作用，予深惜之。

又評

馬氏先不隨子牙入西，原是個惡婦；只是一知子牙富貴，自羞當年不識人，遂自縊而死，這還是個知羞恥烈性婦人。只是當時一念之差，較之今日竟不為恥者，豈啻天淵哉？其事雖不足取，其情實又可憐！

捐軀報國，忠盡可嘉！一向沉淪海嶠，冤尤可憫。幸遇姜尚封神，守臺功茂，特賜寶籙，慰爾忠魂。今敕封爾為三界首領八部三百六十五位清福正神之職。爾其欽哉！」栢鑑在壇下陰風影裡，手執百靈幡，望玉敕叩頭謝恩畢。只見壇下風雲簇擁，香霧盤旋。栢鑑至臺外，手執百靈幡伺候指揮。子牙命栢鑑：「引黃天化上臺聽封。」

不一時，只見清福神用旛引黃天化至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始救命：爾黃天化以青年盡忠報國，下山首建大功，救父尤為孝德；未享榮封，捐軀馬革，情實痛焉！援功定賞，當從其厚，特敕封爾為管領三山正神炳靈公之職。爾其欽哉！」黃天化在壇下叩首謝恩，出壇而去。子牙命栢鑑：「引五岳正神上壇受封。」少時，清福神引黃飛虎等齊至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始救命：爾黃飛虎遭暴主之慘惡，致逃亡于他國，流離遷徙，方切骨肉之悲；奮志酬知，空遇滯池之劫，遂罹凶禍，情實可悲！崇黑虎有志濟民，時逢劫運；聞聘等三人，金蘭氣重，方圖協力同心，忠義志堅，欲效股肱之願；豈意陽運告終，齋志而歿。爾五人同一孤忠，功有深淺。特賜榮封，以是差等。乃敕封爾黃飛虎為五岳之首，仍加敕一道，執掌幽冥地府一十八重地獄；凡一應生死轉化人神仙鬼，俱從東岳勘對，方許施行。特敕封爾為東岳泰山天齊仁聖大帝之職，總管天地人間吉凶禍福。爾其欽哉！毋渝厥典。」黃飛虎在臺下叩首謝恩。子牙方讀四敕曰：「特敕封爾崇黑虎為南岳衡山司天昭聖大帝；特敕封爾聞聘為中岳嵩山中天崇聖大帝；特敕封爾崔英為北岳恆山安天玄聖大帝；特敕封爾蔣雄為西岳華山金天願聖大帝。爾其欽哉！」崇黑虎等俱叩首謝恩畢，同黃飛虎出壇而去。子牙命栢鑑：「引雷部正神上臺受封。」只見清福神持引魂旛出壇來引雷部正神。只見聞太師，畢竟他英風銳氣，不肯讓人，

話說子牙迎接玉符金敕，供于香案上，望玉虛宮謝恩畢，黃巾力士與白鶴童子別了子牙回崑崙不表。子牙將符敕親自齋捧，借上遁往岐山前來。只一陣風早到了封神臺。有清福神柏鑑來接子牙，子牙捧符敕進了封神臺，將符敕在正中供奉，傳令武吉、南宮适，立八卦紙旛，鎮壓方向與下支旗號。又令二人領三千人馬，按五方排列。子牙吩咐停當，方沐浴更衣，拈香金鼎，酌酒獻花，遶臺三匝。子牙拜畢誥敕，先命清福神柏鑑在臺下聽候。子牙然後閱讀玉虛宮元始天尊誥敕：

太上無極混元教主元始天尊敕曰：嗚呼！仙凡路迴，非厚培根行者不能通；神鬼途分，豈諂媚奸邪之所可覬？縱服氣煉形于島嶼，未曾斬卻三尸，終歸五百年後之劫；總抱貞守一于玄關，若未超脫陽神，難赴三千瑤池之約。故爾等雖聞至道，未證菩提。有心曰修持，貪癡未脫；有身已入聖，嗔怒難除。須知往愆累積，劫運相尋。或託凡軀而盡忠報國；或因嗔怒而自惹災尤。生死輪迴，循環無已；業冤相逐，轉報無休。吾甚憫焉！憐爾等身受鋒刃，日沉淪于苦海；心雖忠藎，每飄泊而無依。特命姜尚依劫運之輕重，循資品之高下，封爾等為八部正神，分掌各司，按布週天，糾察人間善惡，檢舉三界功行。禍福自爾等施行，生死從今超脫，有功之曰，循序而遷。爾等其恪守弘規，毋肆私妄，自惹愆尤，以貽伊戚，永膺寶籙，常握絲綸。故茲爾敕，爾其欽哉！

子牙宣讀敕書畢，將符籙供奉案桌之上，乃全裝甲冑，左手執杏黃旗，右手執打神鞭，站立中央，大呼曰：「柏鑑可將封神榜張掛臺下。諸神俱當循序而進，不得攙越取咎。」柏鑑領法旨，將封神榜張掛臺下。只見諸神俱簇擁前來觀看。那榜首就是柏鑑。柏鑑看見，手執引魂旛，忙進壇跪伏壇下，聽宣元始封誥。子牙曰：「今奉太上元始敕命：爾柏鑑昔為軒轅皇帝大帥，征伐蚩尤，曾有勳功，不幸殛死北海，

子牙曰：「今奉太上元始敕命：爾羅宣昔在火龍島曾修無上之真，未跨青鸞之翼，因一念嗔癡，棄七尺為烏有。雖尤爾咎，實乃往愆。特敕封爾為南方三氣火德星君正神之職；仍率領火部五位正神，任爾施行，巡察人間善惡。爾其欽哉！」

火部五位正神名諱：

尾火虎朱招

室火豬高震

話說火星率領五位正神叩首謝恩，出臺去了。子牙又命栢鑑：「引瘟部正神上臺受封。」少時，清福神引呂岳等至臺下，跪聽宣讀敕命。只見慘霧悽悽，陰風習習。子牙曰：「今奉太上元始敕命：爾呂岳潛修島嶼，有成仙了道之機，誤聽萋菲^③，動干戈殺戮之慘，自墮惡趣^④，夫復何戚！特敕封爾為主掌瘟癘昊天大帝之職，率領瘟部六位正神，凡有時症，任爾施行。爾其欽哉！」

呂岳等聽罷封號，叩首謝恩，出壇去了。子牙又命栢鑑：「引斗部正神至臺上受封。」不一時，只見清神福引金靈聖母等至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始敕命：爾金靈聖母，道德已全，曾歷百年之劫；嗔心未退，致罹殺戮之殃。皆自蹈于烈焰之中，豈冥數已定輪迴之厄？悔已無及。慰爾潛

③ 萋菲：讒言。

④ 惡趣：佛家語。謂惡境。

那裡肯隨栢鑑。子牙在臺上看見香風一陣，雲氣盤旋，率領二十四位正神逕闖至臺下，也不跪。子牙就鞭大呼曰：「雷部正神跪聽宣讀玉虛宮封號！」聞太師方纔率眾神跪聽封號。子牙曰：「今奉太上元始救命：爾間仲曾人名山，證修大道，雖聞朝元之果，未至真一之諦①，登大羅②而無緣，位人臣之極品，輔相兩朝，竭忠補袞，雖劫運之使然，其真烈之可憫。今特令爾督率雷部，興雲布雨，萬物托以長養，誅逆除奸，善惡由之禍福。特敕封爾為九天應元雷神普化天尊之職，仍率領雷部二十四員催雲助雨護法天君，任爾施行。爾其欽哉！」

話說雷祖率領二十四位天君聽封號畢，俱望臺上叩首謝恩，出封神臺去訖。只有祥光繚繚，紫霧盤旋，電光閃灼，風雲簇擁，自是不同。有詩贊之，詩曰：

布雨興雲助太平，滋培萬物育群生。從今雷部承天敕，誅惡安良達聖明。

雷祖去了。子牙又命栢鑑：「引火部正神上臺聽封。」不一時，清福神引羅宣等至臺下，跪聽宣讀救命。

① 真一之諦：真一，謂道。真諦：「守真一者，頭不白，禿髮更生。」諦，即真理。

② 大羅：道家以為最高之天為大羅天。

趙公明等聽罷封號，叩首謝恩，出壇去了。子牙又命栢鑑：「引魔家四將上壇受封。」少時，只見清福神用旛引魔禮青兄弟等至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始敕命：爾魔禮青等仗秘授之奇珍，有逆天命；逞弟兄之一體，致戮無辜。雖忠盡之可嘉，奈劫運之難躲。同時而盡，久入沉淪。今特敕封爾為四大天王之職；輔弼西方教典，立地水火風之相，護國安民，掌風調雨順之權。永修厥職，毋忝新綸。」

魔禮青等聽罷封號，叩首謝恩，出壇去了。子牙又命栢鑑：「引鄭倫等上壇受封。」不一時，清福神用旛引鄭倫等至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始敕命：爾鄭倫棄紂歸周，方慶良臣之得主；督糧盡瘁，深勤跋涉之劬勞。未膺一命之榮，反罹陽九之厄。爾陳奇阻弔伐之師，雖違天命；盡忠節于

持寶縱惡，瓊霄碧霄二位之罪，若雲霄還有些處好，原是強逼而來，如何也一概定罪，致千古之下，受了多少臭氣？這都是元始天尊偏護自己弟子，只為削了他頂上三花，就令三姑永劫不磨，報之未免太重。

三姑聽罷封號，叩頭謝恩，出壇去了。子牙又命栢鑑：「引申公豹至臺上受封。」不一時，只見清福神用百靈幡引申公豹至臺下，跪聽宣讀敕命。子牙曰：「今奉太上元始敕命：爾申公豹身歸闡教，反助逆以拒直；既已被擒，又發誓以粉過。身雖塞乎北海，情難釋其往愆。姑念清修之苦，少加一命之榮。特敕封爾執掌東海，朝觀日出，暮轉天河，夏散冬凝，週而復始，為分水將軍之職。爾其永欽成命，毋替厥職！」申公豹聽罷封號，叩首謝恩出壇去了。

子牙封罷三百六十五位正神已畢，只見眾神各去領受執掌，不一時，封神臺邊悽風盡息，慘霧澄清，紅日中天，和風蕩漾。子牙下壇傳令，命南宮适會合朝大小文武官員，至岐山聽候發落。南宮适領命，忙令馬上飛遞前去。不表。次日，眾官躋躋踴踴，齊至壇下伺候。少時，子牙陞帳，眾官俱進帳參謁畢，子牙傳令：「將飛廉、惡來拿下。」飛廉、惡來二人齊曰：「無罪。」子牙笑曰：「你這二賊，惑君亂政，陷害忠良，斷送成湯社稷，罪盈惡貫，死有餘辜！今國破君亡，又來獻寶偷安，希圖仕周，以享厚祿。新天子祇承休命，萬國維新，豈容你這不忠不義之賊于世，以貽新政之差也？」命左右：「推出斬之正法！」二人低頭不語。左右推出轅門，不知性命如何，且聽下回分解。

旭日圍黃，慶雲舒彩。只聽得玉珮叮噹，眾官袍袖舞清風；蛇龍弄影，四圍御帳迎曉日。靜鞭三響整朝班，文武嵩呼稱萬歲。怎見得早朝美景，後唐人有詩，單道早朝好處：

絳幘雞人報曉籌，尚衣方進翠雲裘。九天閭闔開宮殿，萬國衣冠拜冕旒。

曰色纔臨仙掌動，香煙欲傍袞龍浮。朝罷須裁五色詔，珮聲歸到鳳池頭。

話說武王降殿，只見當駕官傳旨：「有事出班啟奏，無事捲簾朝散。」言還未畢，班部中有姜子牙出班上殿，俯伏稱臣。武王曰：「相父有何奏章見朕？」子牙奏曰：「老臣昨日奉師命將忠臣良將與不道之仙，奸佞之輩，俱依劫運，遵玉敕一一封定神位，皆各分執掌，受享禋祀，護國祐民，掌風調雨順之權，職福善禍淫之柄。自今以往，永保澄清，無復勞陛下宸慮。但天下諸侯與隨行征戰功臣，名山洞府門人，曾親冒矢石，俱有血戰之功。今天下底定，宜分茅列土，封之以爵祿，使子孫世食其土，以昭崇德報功之義。其親王子孫，亦當封樹藩屏，以壯王室。昔上古三皇五帝之後，亦宜分封土地，以報其立極之功。此皆陛下首先之務，當亟行之，不可一刻緩者。」武王曰：「朕有此心久矣。只因相父封神未竣，故少俟之耳。今相父既回，一聽相父行之。」

武王方纔言罷，只見李靖、楊戩等出班奏曰：「臣等原係山谷野人，奉師法皆下山，克襄劫運，戡定禍亂。今已太平，臣等理宜歸山，以覆師命。凡紅塵富貴、功名、爵祿，亦非臣等所甘心者也。今日特陛辭皇上，望陛下敕臣等歸山，真莫大之洪恩也。」武王曰：「朕蒙卿等旋乾轉坤之力，浴日補天之才，戡禍亂于永清，闢宇宙而再朗，其有功于社稷生民，真無涯際；雖家禋戶祀，尚不足以報其勞，豈驟捨朕而歸山也？朕何忍焉！」李靖等曰：「陛下仁恩厚德，臣等沐之久矣。但臣等恬淡性成，志存泉

話說子牙傳令，命斬飛廉、惡來，只見左右旗門官將二人推至轅門外，斬首號令，回報子牙。子牙斬了兩個佞臣，復進封神臺，拍案大呼曰：「清福神柏鑑何在？快引飛廉、惡來魂魄至壇前受封！」不一時，只見清福神用旛引飛廉、惡來至壇下，跪聽宣讀敕命。但見二魂俯伏壇下，悽切不勝。子牙曰：「今奉太上元始敕命：爾飛廉、惡來，生前甘心奸佞，惶惑主聰，敗國亡君，偷生苟免；只知盜竇以榮身，孰意法網無疏漏？既正明刑，當有幽錄。此皆爾自受之愆，亦是運逢之劫。特敕封爾為冰消瓦解之神。雖為惡煞，爾宜克修厥職，毋得再肆凶鋒。汝其欽此！」飛廉、惡來聽罷封號，叩首謝恩，出壇去了。子牙封罷神下臺，率領百官回西岐。有詩為證：

天理循環若轉車，有成有敗更無差。往來消長應堪笑，反覆興衰若可嗟。

夏桀南巢風裡燭，商辛焚死浪中花。古今弔伐皆如此，惟有忠魂傍日斜。

話說子牙回岐州，進了都城，人相府安息。眾官俱回私宅。

一夕晚景已過。次日早朝，武王登殿，真是有道天子，朝儀自是不同。所謂香霧橫空，瑞煙縹緲，

雷震子，此七人俱是肉身成聖。後人有詩贊之，詩曰：

別駕歸山避世囂，閑將丹竈白焚燒。修成羽翼超三界，煉就陰陽越九霄。

兩耳怕聞金紫貴，一身離卻是非朝。逍遙不問人間事，任爾滄桑化海潮。

話說子牙別了李靖等七人率領從者進西岐城，回相府。至次日早朝，武王陞殿，姜子牙與周公出班奏曰：「昨蒙陛下賜李靖等歸山，得遂他修行之願，臣等不勝欣幸。但有功之臣，當分茅土者，乞陛下速賜施行，以慰臣下之望。」武王曰：「昨七臣歸山，朕心甚是不忍；今所有分封儀制，一如相父、御弟所議施行。」子牙與周公謝恩出殿，條議分封儀注併位次，上請武王裁定。次日武王登寶座，命御弟周公于金殿上唱名策封，先追王祖考，自太王、王季、文王皆為天子，其餘功臣與先朝帝王後裔俱列爵為五等：公、侯、伯、子、男，其不及五等者為附庸。

石，況師令難以抗違，天心豈敢故逆？乞陛下憐而允之，臣等不勝幸甚！」武王見李靖等堅執要去，不肯少留，不勝傷感，乃曰：「昔日從朕始事征伐之時，其忠臣義士，雲屯雨集；不意中道有死于王事、歿于征戰者，不知凡幾，今僅存者甚是殘落，朕已不勝今昔之感。今卿等方際太平，當與朕共享康寧之福；卿等又堅請歸山，朕欲強留，恐違素志，今勉從卿請，心甚戚然。俟明日，朕率百官親至南郊餞別，少盡數年從事之情。」李靖等謝恩而去，眾官無不悽惻。子牙聽得七人告辭歸山，也不勝慘戚，俱各朝散。一宿晚景不題。

次日，光祿寺典膳官預先至南郊，整治下九龍筵席，一色齊備。只見眾文武百官與李靖等先至南郊候駕；惟姜子牙在朝內伺候武王御駕同行。話說武王陞殿，傳旨排轡輿出城，子牙隨後。一路上香煙載道，瑞彩繽紛，士民歡悅，俱來看天子與眾人、仙餞別，真是哄動一城居民，齊集郊外。只見武王來至南郊，眾文武百官上前接駕畢，李靖等復上前叩謝曰：「臣等有何德能，敢勞陛下御駕親臨賜宴，使臣等不勝感激！」武王用手挽住，慰之曰：「今日卿等歸山，乃方外神仙，朕與卿已無君臣之屬，卿等幸毋過謙。今日當痛飲盡醉，使朕不知卿之去方可耳。不然，朕心何以為情哉！」李靖等頓首稱謝不已。須臾，當駕官報：「酒已齊備。」武王命左右奏樂，各官俱依次就位。武王上坐。只見簫韶迭奏，君臣權飲，把盞輪盃，真是暢快。說甚麼庖鳳烹龍，味窮水陸。君臣飲罷多時，只見李靖等出席謝宴告辭，武王亦起身執手，再三勸慰，又飲數盃。李靖等苦苦告別，武王知不可留，不覺淚下。李靖等慰之曰：「陛下當善保天和，則臣等不勝慶幸。俟他日再圖相晤也。」武王不得已，方肯放行。李靖等拜別武王及文武百官。子牙不忍分離，又送了一程，各灑淚而別。後來李靖、金吒、木吒、哪吒、楊戩、韋護、

艱，一向未曾圖報；今天下大定，不乘此時修候，是忘恩負義之人耳。」乃遣一使臣，齎黃金千斤，錦衣玉帛，修書一封，前往朝歌，問候宋異人。使臣離了齊國，一路行來，不覺一日來到朝歌。其時宋異人夫婦已死，止有兒子掌管家私，反覺比往時更勝幾倍。其日收了禮物，修回書與來使至齊，回覆太公。太公在齊，治國有法，使民以時，不越五日，而齊國大治。後子牙薨，公子伋嗣位，至小白，相管仲，霸天下，春秋賴之。後至康公，方為田氏所滅。此是後事，亦不必表。

且說武王西都長安，垂拱而治，海內清平，萬民樂業，天下熙熙皞皞，順帝之則。真一戎衣而天下大定，不遜堯舜之揖讓也。後武王崩，成王立，周公輔相之，戡定內難，天下復睹太平。自太公開基，周公贊襄，遂成周家八百年基業。然子牙、周公之鴻功偉烈，充塞乎天地之間矣。後人有詩單贊子牙斬將封神，開周家不世之基：

寶符秘籙出先天，斬將封神合往還。敕賜崑崙承旨渥，名班冊籍注銓編。

斗瘟雷火分前後，神鬼人仙任倒顛。自是修持憑造化，故教伐紂洗腥膻。

又有詩贊周公輔相成王，戡定內難，為開基首功，而又有十亂以襄之，詩曰：

天潢分派足承桃，繼述訂謨更自饒。豈獨簪纓資啟沃，還從劍履秩宗朝。

和邦協佐能戡亂，典禮咸稱善補貂。總為周家多福蔭，天生十亂始同調。

其親王功臣，帝王後裔，共封有七十二國。今錄其最著者。其餘如越封于會稽，向封于濰國，凡封于汲郡，宥封于東平，郤封于濟陰，鄧封于潁川，戎封于陳留，芮封于馮翊，極封為附庸，穀封于南陽，牟封于泰山，葛封于梁國，郕封為附庸，譚封于平陵，遂封于濟北，滑封于河南，邢封于襄國，江封于汝南，冀封于皮縣，徐封于下邳，舒封于廬江，弦封于弋陽，鄭封于瑯琊，厲封于義陽，項封于汝陰，英封于楚，申封于南陽，其封于汲郡，夷封于城陽等國，不悉詳記。如南宮适、散宜生、閎夭等，各分列茅土有差。即于是日大排筵席，慶賀功臣、新封文武等官。又開庫藏，將金銀寶物悉分于諸侯人等。眾人俱各痛飲，盡醉而散。次日，各上謝表，陞辭天子，各歸本國。後人有詩為證：

一舉戎衣定大周，分茅列土賜諸侯。三王漫道家天下，全仗屏藩立遠謀。

話說眾人各領封敕，俱望本國以赴職任，惟御弟周公旦、召公奭在朝輔相王室。武王乃謂周公曰：「鎬京為天下之中，真乃帝王之居。」于是命召公遷都于鎬京，即今陝西西安府咸陽縣是也。武王謂：「師尚父年老，不便在朝。」乃厚其賜賚，賜以宮女、黃金、蜀錦，鎮國寶器黃鉞、白旄，得專征伐，為諸侯之長。令其之國，以享安康之福。

次日，子牙入朝，拜謝賜賚，陞辭之國。武王乃率百官餞送于南郊。子牙叩首謝恩曰：「臣蒙陛下賜令之國，不得朝夕侍奉左右。今日一別，不知何日再睹天顏也！」言罷，不勝傷感。武王慰之曰：「朕因相父年邁，多有勤勞于王室，欲令相父之國，以享安康之福，不再勞相父在此朝夕勤劬耳。」子牙再三拜謝曰：「陛下念臣至此，臣將何以報陛下知遇之恩也！」其日君臣分別，子牙拜送武王與百官進城，子牙方纔就道，往齊國而去。太公至齊，因思：「昔日下山至朝歌時，深蒙宋異人百般恩義，因主事多

東周列國志

馮夢龍／原著 蔡元放／改撰 劉本棟／校注 繆天華／校閱

《東周列國志》是記載東周列國事跡的小說，其內容絕大部分都是可信的史實，與一般虛構的小說不同，可說是趣味化的一部白話歷史，也具有一定的歷史價值。本書校注者以審慎嚴謹的態度，將小說中一些明顯與史書矛盾錯誤之處加以校正，俾俗難懂的詞語並有簡明注释，使本書更具可讀性。

東西漢演義

甄偉、謝詔／編著 朱恒夫／校注 劉本棟／校閱

《東西漢演義》在高度尊重史實的基礎上，演述了劉邦、項羽、張良、范增、韓信、班超、蘇武、劉秀等英雄人物的傳奇，以及鴻門之宴、築壇拜將、四面楚歌、王莽篡漢、光武中興等膾炙人口的故事。透過這本歷史演義，可以清晰了解兩漢重要史實，並從中感知藝術之美，既是一本通俗的歷史讀物，也是優秀的文學作品，值得玩味欣賞。

包公案

明·無名氏／撰 顧宏義／校注 謝士楷、繆天華／校閱

《包公案》是部專講宋朝名臣包拯斷獄故事的公案小說，其中樹立起包拯廉潔奉公、明察秋毫的清官形象，大為深受貪官污吏之害的百姓歡迎，故能廣為流傳，歷久不衰。本書以清代翰寶樓刊本為底本，校以藻文堂刻本等，多所補闕訂正，冷僻詞語、典故並有注释，便於讀者閱讀理解。

周室之分茅列土，首自親王十亂以及諸臣，甚置星列藩屏帝京，捍衛王室，可為盡善盡美！所以周之享國久遠，良在是歟！

又評

封神一書，其說由來甚遠，事無可稽，情有可信。語云：生為上柱國，死作閻羅王。是又因人而可決者。況忠臣義士氣可貫虹，心可穿石，死後豈得泯泯無聞耶？然諸神名號，雖無可稽，而當日有無是事，亦未可知。余弟因伯敬先生所家藏之本，又詳為考訂，公諸同好；但取其新奇可喜，怪異不馴，用以醒倦目資談柄而已，其他非所計也。

七劍十三俠

唐芸洲／著 張建一／校注

《七劍十三俠》是一部以明代武宗年間，寧王朱宸濠叛亂一事為背景架構，寫七子十三生如何鏟奸除惡，並助明武宗平定宸濠之亂的歷史俠義小說。作者採用虛實交錯的手法，將歷史與想像結合，故事高潮迭起，描述生動，讀來讓人不忍釋卷。本書以善本相校，難解詞語注釋詳盡，書中所提歷史制度、人物事件則皆有說明，十分便於閱讀。

施公案

清・無名氏／編撰 黃珣／校注

《施公案》描寫清代多謀善斷的施公清正為官，懲治貪官汙吏，土豪惡霸，專替弱勢百姓申冤的故事。主角施公與俠士黃天霸的性格塑造鮮明，正義無私的形象符合百姓期待，口語化的語言且富於生活氣息，故而大受歡迎，問世後便吸引眾多寫手一續再續，衍成五百三十八回之巨著。本書以善本相校，完整收錄正續集，注釋詳盡，讀者切不可錯過。

鏡花緣

李汝珍／撰 尤信雄／校注 繆天華／校閱

《鏡花緣》是一部敘述「海外奇談」和描繪一百位才女故事的章回小說。它承受《山海經》和《神異經》的內容，而將其予以人情化，不單只是神話故事的翻版。作者藉由女人和神怪這兩種題材的安排，運用隱括敘藏、諧音暗喻等修辭方式，暗諷滿清之入僭中原，譏評現實的社會人生，並進一步提出個人的主張和理想。文筆幽默活潑，情節翻空出奇，雅俗共賞，為明清小說中獨樹一格之作。

何典 斬鬼傳 唐鍾馗平鬼傳（合刊）

張南莊等／著 鄔國平／校注 繆天華／校閱

本書合刊清代三部通俗小說：《何典》以幻想的鬼界來折射人世實相，嘻怒笑罵，皆有所指。《斬鬼傳》、《唐鍾馗平鬼傳》則依據民間廣為流傳的鍾馗斬鬼故事，加以演繹或重新設計人物、編造情節，藉「鬼」以暴露人間的黑暗和醜惡，內容引人入勝。三書正文皆依據善本校正，方言俚語並加注釋，讓讀者於欣賞連篇鬼話之餘，能得會心一笑。

中國古典名著

《封神演義》是一部以周武王伐紂的歷史為架構，天命思想為中心的戰爭神怪小說。作者才華洋溢，想像力豐富。書中人物如姜子牙、妲己、哪吒等，性格的塑造十分傳神。故事則曲折離奇，許多令人匪夷所思的仙道妖怪和變幻莫測的法術大戰，可謂集幻想之大成，讀來趣味盎然。它對後世有極大的影響，地方戲劇以之為題材，電影、電視劇也不斷搬演，受歡迎之程度可見一斑。本書以善本相校，除改正坊間版本許多明顯的錯誤外，難懂的詞句並有注釋，加上人名、地名等皆畫標線，十分便於閱讀。

The Pre-Dawn of the Three Caverns Thought: An Examination Based on *Shangqing taiji yinzhu yujing baojue*

Ling Cao

College of Philosophy, Law & Political Science, Shanghai Normal University, Shanghai 200234, China; caoling11@shnu.edu.cn

Abstract: The emergence of the “Three Caverns” 三洞 thought was a critical step in the formation of medieval Daoism. It proposed the first viable approach to integrating emerging Daoist scriptural traditions, enabling the creation of the first canonical Daoist catalog, and laying the foundation for the compilation of the Daozang and the establishment of the Ordination Ranks 法位 system. Scholars generally agree that the *Shangqing taiji yinzhu yujing baojue* 上清太極隱注玉經寶訣 played a significant role in the development of the Three Caverns thought. However, research on the formation of this scripture remains lacking. This study fills this gap by confirming the composition of the scripture through two independent lines of evidence. Then, based on new insights into its composition, this study discusses the historical context of the Three Caverns concept in this scripture and its direct impact on Lu Xiuqing 陸修靜 (406–477)’s cataloging work. These discussions illustrate that, when confronted with the challenge posed by the newly composed Shangqing scriptures, the authors of the *Shangqing taiji yinzhu yujing baojue* employed the integrative approach commonly found in the Ancient Lingbao Scriptures to propose a more inclusive scriptural system. This approach played a crucial role in providing a theoretical foundation for the formation of medieval Daoism.

1. Introduction

The thought of “The Books of the Three Caverns” (三洞經典 Sandong jingdian, hereafter referred to as *Three Caverns*) is one of the significant legacies of the Daoist scripture creation wave that took place in the Jiangnan 江南 region during the early Six Dynasties 六朝 (220–589) period. As a bibliographic concept, it positioned three relatively new yet ambitious corpora of scriptures at the core of the Daoist scriptures, laying the foundation for reconstructing the Daoist canon in medieval times. These three corpora of scriptures are the Shangqing (上清 or Upper Clarity) scriptures, the Lingbao (靈寶 or Numinous Treasure) scriptures, and the Sanhuang (三皇 or Three Sovereigns) scriptures. Shortly after the formation of the concept of Three Caverns, it served as the foundation for the earliest Daoist canonical catalog of scriptures, Lu Xiuqing’s *Catalog of the Scriptures of the Three Caverns* (三洞經目錄 Sandong jing mulu). Furthermore, the concept of the Three Caverns subsequently gave rise to a more extensive and hierarchical classification system of Daoist scriptures, including the Seven Parts (七部 Qibu) and the Thirty-Six Divisions (三十六部 Sanshiliu bu). These scripture classification systems collectively shaped the structure of Daoist canons throughout history (see [Schipper and Verellen 2004](#), pp. 11–40).

However, the significance of the Three Caverns concept extends beyond a mere bibliographical classification system. It represents a pivotal step in consolidating the Daoist community during a new era and region grounded in newly composed scriptures and ideas. Consequently, this concept, along with a series of related concepts that emerged from it, became the cornerstone of the intricate system of Ordination Ranks (法位 *Fawei*) within institutionalized Daoism during the medieval period.¹ It played a crucial role in defining the boundaries of *Daoism* and establishing the fundamental framework for the relationships and hierarchies between different groups of scriptures and traditions of practice within Daoism (Öfuchi 1979, pp. 258–65).²

Early scholarship posited that the Three Caverns concept was first conceived and employed by Lu Xiujin 陸修靜 (406–477), the distinguished Daoist bibliographer of the Liu Song Dynasty (e.g., Fukui 1958, pp. 134–213; Chen 1963, pp. 1–2). However, since the 1980s, a series of studies have noted that the term “Three Caverns” (or related terms) and the parallel arrangement of the Shangqing, Lingbao, and Sanhuang scriptures—resembling the structure of the Three Caverns system—had already appeared in earlier Shangqing and Lingbao texts (Robinet 1984; Öfuchi 1997). Consequently, Lu Xiujin should not be regarded as the originator of the Three Caverns concept. Instead, he adopted and further refined this concept by applying it to the compilation of a canonical catalog.

In research on the formation of the Three Caverns concept, one scripture, Shangqing taiji yinzhu yujing baojue 上清太極隱注玉經寶訣 (Precious Instructions on the Jade Scriptures, a Secret Commentary by the [Zhenren of the] Supreme Pole, hereafter referred to as “YZYJB”) has received particular attention. The YZYJB is a short scripture of one volume (卷, *Juan*) included in the Yujue 玉訣 (the Exegeses) category of the Dongxuan section within the Zhengtong Daozang 正統道藏, compiled during the Ming Dynasty. In this printed version included in the Daoist Canon, the title of the YZYJB was prefixed with the term “Shangqing”, which is a later misnomer. The YZYJB is one of the earliest Lingbao scriptures (i.e., the Ancient Lingbao Scriptures 古靈寶經). The catalog of Lingbao scriptures by Lu Xiujin, cited in the Dunhuang manuscript of Lingbaojing yishu 靈寶經義疏, classifies it under the “New Scriptures 新經” category, named Taishang yujing taiji yinzhu baojingjue 太上玉經太極隱注寶經訣 (Öfuchi 1974, pp. 35–50).

Although it purports to be an instructional text 訣文 based on its title, the YZYJB is not an exegesis of any particular scripture but rather a relatively independent scripture. The text of the YZYJB can be divided into two parts. The first part comprises a brief preface and several paragraphs that begin with the phrase “The Taishang Yujing Yinzhu status 太上玉經隱註曰”. This section concludes with the statement, “Yinzhu daoing ends here 隱注道經畢矣”, marking the end of the main text of the scripture. According to the theology of the Ancient Lingbao Scriptures, the original copy of this part is believed to have been preserved in the heavenly palaces. The second part consists of paragraphs beginning with “The Taiji Zhenren status 太極真人曰” and includes praises attributed to the Taiji Zhenren. Following the legends found in the Lingbao scriptures, this section should be regarded as an oral instruction imparted by Taiji Zhenren to a mortal who receives the scripture. This recipient could be Ge Xuan or potentially other Daoist aspirants who had previously engaged with the Lingbao scriptures before him. Despite the apparent division, the first and second parts were complementary, suggesting they were simultaneously established.

Within the text of the YZYJB, it is claimed that the scripture has the alternate title “The Scriptures of the Ritual for the [books of the] Three Caverns 三洞威儀經”. As this title suggests, one of the primary objectives of this scripture is to introduce the rites associated with the Three Caverns scriptures (as well as the *Daode Jing* 道德經³ and some other relatively minor scriptures), encompassing the rites of conferring and reciting scriptures⁴ among other ritual topics. In addressing these matters, the author of the scripture presents

a mature and systematic understanding of the Three Caverns theory. Consequently, some studies have regarded this scripture as key evidence supporting the view that Lu Xiuqing's theory of the Three Caverns originated in the Ancient Lingbao Scriptures.

This conclusion appears correct, and we endeavor to substantiate it in the following discussion. However, avoiding overextending this inference is crucial. Specifically, it is important to recognize that this does not imply that the Ancient Lingbao Scriptures or their authors independently developed a systematic theory of the Three Caverns from an initial, rudimentary foundation. Isabelle Robinet (1984, pp. 75–86) proposed a more complex possibility: initially, the *Dongzhen taishang suling dongyuan dayou miaojing* 洞真太上素靈洞元大有妙經 (hereafter, *Dayou Miaojing*) employed the Three Caverns concept within the context of the Shangqing scriptures, which was then further developed by the Lingbao scriptures and applied across the Shangqing, Lingbao, and Sanhuang corpora of scriptures. Throughout this process, certain key ideas from Shangqing tradition were preserved. Although subsequent advances in the study of medieval Daoist scriptures (including both the Shangqing and Ancient Lingbao Scriptures) have rendered Robinet's argument problematic, necessitating significant revisions,⁵ and her insights remain valuable. They remind us that the influence of Shangqing scriptures on the evolution of the Three Caverns concept was both continuous and substantial.

In summary, we argue that in the decades preceding Lu Xiuqing's compilation of the *Catalog of the Scriptures of the Three Caverns*, the authors of the Shangqing and Lingbao texts engaged in sustained and profound reflections on the systematization of Daoist scriptures. These reflections gave rise to various theories, subject to fierce competition and debate. Consequently, the mature theory of the Three Caverns should be viewed as a product of this intellectual competition rather than the proposition of any single school. The *YZYJB* preserved historical fragments of this competition as it approached its conclusion. It could even be suggested that the *YZYJB* was composed to resolve this competition. In pursuing this purpose, this text exhibits a unique character that distinguishes it from other Ancient Lingbao Scriptures. Most notably, the characteristics of Lingbao are conspicuously *thin* in the *YZYJB*, which incorporates numerous elements of the Shangqing tradition.

This characteristic of the *YZYJB* had already been noted by Ninji Ōfuji, who found it puzzling. He speculated that the author of this scripture intended to compose it from the broader perspective of the Three Caverns rather than from the narrower standpoint of the Lingbao tradition and, out of respect for the Shangqing scriptures—the first category in the Three Caverns—the text particularly emphasized Shangqing elements (Ōfuchi 1997, pp. 165–70). This inference aligns, to some extent, with Robinet's perspective on the development of the Three Caverns' thought within the Lingbao tradition, although it lacks sufficient evidence. Wang Chengwen, on the other hand, argues that this "mixture" reflects the inherent characteristics of Lingbao, particularly the features of the Three Caverns thought within the Lingbao scriptures. He further suggests that the conferral rituals associated with the scriptures of the Three Caverns in the *Taizhen yudi siji mingke jing* 太真玉帝四極明科經 (*Sworn Code of the Four Poles of the Jade Emperor*, hereafter referred to as *SJMKJ*) also emerged under its influence (Wang 2002, pp. 230–33). However, this interpretation fails to account for the distinctive nature of the *YZYJB* among the Ancient Lingbao Scriptures. These differing viewpoints are partially due to varying understandings of the time and background in which the related texts, particularly the *YZYJB* and relevant Shangqing scriptures, were written.

Fortunately, recent breakthroughs in the study of the Ancient Lingbao Scriptures and early Shangqing scriptures provide new insights. Based on these new studies, it is now possible to explain the source of uniqueness in the *YZYJB* and further investigate the background and influence of the establishment surrounding the Three Caverns theory in the

YZYJB. To achieve this, the first step is to clarify the establishment period of this scripture and its relationship with the Shangqing apocryphal scriptures such as the SJMKJ. This is the first issue addressed in this study.

2. The Composition Era of the YZYJB: An Analysis Based on Self-Administered Content

The YZYJB was anonymously cited in the *Dongxuan lingbao shoudu yi* 洞玄靈寶授度儀 (*Ritual for the Transmission of the Corpus of Lingbao Scriptures*), authored by Lu Xiuqing (Lü 2018, 14). Based on previous studies, the latest possible date for the composition of the YZYJB can be approximated as before the 440s–450s CE (Liu 2018, pp. 54–56). Conversely, the earliest possible date for its establishment can be tentatively placed after 400 CE, when Ge Chaofu 葛巢甫 began composing the Lingbao scriptures. Although this time frame of a few decades seems relatively precise, it is important to recognize that this was a period of significant development for both Lingbao and Shangqing traditions. During these decades, a series of texts profoundly transformed the character of both the Shangqing and Lingbao traditions. Therefore, where possible, it is imperative to refine further and confirm the date of composition of the scripture. A passage in the YZYJB related to the transmission of scriptures may provide significant assistance in further clarifying the composition date of this scripture. This passage describes the ritual of transmitting scriptures in the absence of a master, a concept referred to as “self-administered” (自誓, or “self-karma” 自羯磨) in Buddhist literature, which we shall refer to here.

To the best of the author’s knowledge, the earliest mention of the self-administered ritual in Taoist scriptures seems to be found in the YZYJB (YZYJB, p. 643) and the *Shangqing Taishang huangsu sishisifang jing* 上清太上黃素四四方經 (*Scripture of the Forty-four Methods on Yellow Silk*, hereafter referred to as SSSFJ⁶), where the latter refers to it as “Hidden Oath and Profound Vow 隱盟玄誓” (SSSFJ, p. 74). In Buddhist literature, the self-administered ritual is primarily related to the receiving of Bodhisattva precepts 菩薩戒.⁷ The two earliest translated texts to mention the self-administered ritual are the *Pusa dichi jing* (菩薩地持經, T. 1581, p. 917) translated by Dharmakṣema (曇無讖 Tanwuchen, pp. 385–433) and the *Pusa shanjie jing* (菩薩善戒經, T. 1583, p. 1014) translated by Guṇabhadra (求那跋摩 Qiunabamo, pp. 394–468).⁸

Although the relevant texts differ in their wording and rituals, their core content remains remarkably consistent; they all address the issue of how to receive scriptures or precepts in the absence of a master. This consistency prompts an important question: what is the relationship between self-administered rituals in Buddhism and Daoism?

Historically, early Mahāyāna Buddhism was generally regarded as a non-mainstream tradition in India and Central Asia, rendering the challenge of being without a master a tangible reality. From a doctrinal perspective, such practices are theoretically permissible since the Bodhisattva precepts are ultimately received from the Buddhas and great Bodhisattvas rather than from ordinary individuals. Furthermore, the independent translations of the *Pusa shanjie jing* and *Pusa dichi jing* in distinct regions of southern and northern China both containing similar content further corroborate that the practice of self-administration was not an idea artificially introduced during their translation into Chinese. This conclusion is further reinforced by the corresponding content found in Xuan zang’s 玄奘 translation of the *Yogācārabhūmi* (瑜伽師地論 *Yujiashidilun*).

In contrast, the sudden appearance of such a ritual in Daoism, which traditionally emphasizes the sanctity of teacher–student transmission and the secrecy of scriptures, appears somewhat abrupt.⁹ The concept of scripture transmission in the Three Caverns scriptures is profoundly influenced by the southern Fangshi 方士 (recipe masters) tradition. Similar to the situation in the Fangshi tradition, the master is not only the bestower of

scriptures but also bears the responsibility of assessing the disciple's qualifications prior to transmission and evaluating them afterward (Lü 2008, pp. 75–77). Furthermore, the master would likely supplement the content of the scriptural texts in the form of oral instructions, guiding the disciple's practice. This importance of the master in the Three Caverns scriptures is highlighted. For this reason, Zhengao states that “every practitioner must have a master 學者皆有師” (Zhengao, p. 517), and even the *YZYJB* emphasizes the principle that “if the scriptures are not received from a master, the divine will not respond 夫道經不師授,則神不行矣” (*YZYJB*, p. 643).

How then should we interpret the “masterless” scenario in the aforementioned two scriptures? While the *YZYJB* does not provide specific details regarding this situation, the *SSSF* provides a clearer explanation: it defines the “masterless” condition as one in which a practitioner's devotion to their practice moves the immortals, resulting in a sudden encounter with divinely bestowed scriptures. This scenario might be likened to the account in the *Taishang lingbao wufu xu* 太上靈寶五符序 (*The Five Numinous Treasure Talismans of the Most High*), where Yu the Great 大禹 “suddenly received 忽得” the scripture (*Taishang lingbao wufu xu*, p. 316). In addition, some early literature concerning the transmission of the *Sanhuangwen* 三皇文 also contains similar accounts. Lü Pengzhi 呂鵬志 suggested that the emergence of such situations may be related to the “celestial script (Tianwen 天文)” nature of the *Sanhuangwen* (see Lü 2008, p. 56). It is important to note that the process of receiving the scriptures in these accounts must involve the approval and revelation of deities and the texts transmitted are said to be copies hidden in the mountains rather than those circulating among mortals. Thus, the description of the “masterless” scenario in the *SSSF* is actually based on the mythology surrounding the emergence of the scriptures, rather than something that frequently occurs in the real world.

If we accept this inference, then there would be no need for scriptures to specifically design rituals for such a situation, even if they are interested in mentioning these mythical scenarios. Nevertheless, both scriptures prescribe such rituals similar to Buddhist texts that mention self-administration. It is also conceivable that if self-administration were to become an acceptable option in practice, it would negatively impact the Daoist transmission order. Perhaps for this reason, the *SSSF* suggests that “even after receiving the scriptures, one should continue to practice them 虽已受经, 亦常行之”, thereby attempting to transform the ritual into a method of cultivation. However, later Daoist texts indicate that the self-administered ritual, whether as a method of receiving scriptures or as a cultivation practice, did not significantly influence Daoism.¹⁰

The analysis above suggests that the sudden interest in the “masterless” scenario in certain Daoist scriptures composed during the fifth century, along with the creation of specific rituals for this situation, likely stems from an attempt to imitate the highly popular Buddhist Bodhisattva precepts of the time, rather than from addressing any genuine doctrinal or practical needs.

Although the concept of self-administration in Daoism may be considered a fleeting phenomenon, it provides crucial insights into determining the period of composition of these scriptures. Among the two Buddhist texts mentioned above, *Pusa dichi jing* was the first to be translated. While no clear record indicates when this sūtra was introduced to southern China, based on the general timeline of scriptures translated by Dharmakṣema, Funayama Tōru speculates that it may have reached the south around the 7th (430) or 8th (431) years of the Yuanjia 元嘉 (424–453) period. Initially, the Bodhisattva precepts had minimal impact in south China until Guṇabhadra's arrival in Jiankang 健康 in 431, where he translated the *Pusa shanjie jing* and planned to administer the Bodhisattva precepts to Emperor Wen. However, since Guṇabhadra passed away in the same

year, it was not until after 440 that the Bodhisattva precepts were widely implemented (Funayama 1995, pp. 45–50).

As Zücher (1980, pp. 84–147) argued, the authors of the early Lingbao scriptures were not experts in Buddhist literature. Still, they incorporated Buddhist-related elements from scriptures widely circulated in the south from lay Buddhism.¹¹ Considering the history of the spread of relevant texts in southern China, it is difficult to imagine that Daoist scriptures would have adopted the concept of self-administration from the *Pusa dichi jing* before 431, a time when the Bodhisattva precepts had yet to exert significant influence in the region. Therefore, 431 is considered the earliest possible date for the formulation of this scripture. This places *YZYJB*’s composition within a time frame, possibly only two decades or so before Lu Xiuji compiled the *Dongxuan Lingbao Shoudu Yi*.

3. The Composition Era of the *YZYJB*: An Analysis Based on Its Relationship with the Shangqing Apocrypha

Although we have tentatively dated the composition of the *YZYJB* to be between 431 and approximately 450 CE, this estimation necessarily involves a certain degree of speculation. Therefore, it may be more prudent to temporarily set aside this hypothesis and investigate whether a corroborating conclusion can be reached by examining the text’s relationship with the Shangqing Apocrypha.

The term “apocryphal scriptures 偽經” was first employed by Tao Hongjing 陶弘景 (456–536) within the Shangqing tradition to refer to the new Shangqing texts composed after the original revelations received by the medium Yang Xi 楊羲 (330–?).¹² The most prominent representative of these apocryphal texts is the works attributed to Wang Lingqi 王靈期. According to Tao Hongjing, after Wang Lingqi obtained the “true scriptures 真經” from Xu Huangmin 許黃民 (361–429), he composed dozens of new Shangqing texts to compete with the widely popular Lingbao scriptures of the time. Although Tao Hongjing did not acknowledge the sacredness of these texts, it did not prevent them from achieving significant success, and they continued to be transmitted over the centuries.

The catalog of scriptures authored by Wang Lingqi has not been documented in historical records. Michel Strickmann noted that records related to Wang Lingqi’s scriptural activities mention annotations by Xu Rongdi 許容弟 (?–435), which he considered an essential marker of Wang Lingqi’s authorship. Accordingly, Strickmann (1977, pp. 24–29) successfully identified several texts as works of Wang Lingqi. Isabelle Robinet concurred with this assessment and, in her research, identified a significant number of Shangqing scriptures composed after the revelations received by Yang Xi. However, she did not specifically attempt to determine which of these later texts were authored by Wang Lingqi.

Recently, two scholars have sought to deepen our understanding of Wang Lingqi’s scriptural activities in their doctoral dissertations. Zhang Chaoran 張超然 proposes that in his competition with the Lingbao scriptures, Wang Lingqi systematically constructed and organized the Shangqing texts using concepts such as the “Three Extraordinary Writings 三奇寶文” and the “Thirty-One Volumes of Extraordinary Scriptures 三十一卷獨立寶經”. In this process, he may have revised the *Dadong zhenjing* 大洞真經 and composed the other two marvelous texts, the *Dayou Miaojing* and the *Dongzhen gaoshagn yudi dadong ciyi yujian wulao baojing* 洞真高上玉帝大洞雌一玉檢五老寶經 (hereafter, *Ciyi jing*). He also authored new *Ke* texts 科文 (Code Texts), such as the *SJMKJ*.¹³ He also provided a new catalog of Shangqing scriptures and guidelines for their transmission and application (Zhang 2007, pp. 253–310). Li Jing 李靜 further clarified the chronology and characteristics of Wang Lingqi’s scriptural activities and, by confirming Wang Lingqi’s authorship of the aforementioned scriptures, created a more comprehensive catalog of apocryphal texts possibly

authored by Wang Lingqi. These findings offer new insights into the compilation of Daoist scriptures during the first half of the fifth century (Li 2009, pp. 11–76).

The text of the *YZYJB* lists a series of scriptures, most of which belong to the Shangqing tradition. For example, the preface of the *YZYJB* includes the following passage:

Opening the eight-colored vessels of scriptures, presenting the supreme treasures, and holding and reciting the esteemed scriptures of the *Dadong*, *Dongxuan*, and *Daode zun-jing*, as well as the *Hidden Chapters of the Eight Purities*, *Golden Truth and Jade Brilliance*, *Annihilate Demons and Dispel Spirits*, *The Summoning Immortals and Pacing the Void*, and *Scripture on Wings for Flying*.

開八色之蘊，陳無上之寶藏，而執讀大洞洞玄，道德尊經，八素隱篇，金真玉光，消魔散靈，招仙步虛，飛行羽經。

Among the texts cited above, “*Dadong* 大洞” likely serves as a collective term for the Shangqing scriptures, while “*Dongxuan* 洞玄” functions similarly for the Lingbao scriptures. The *Daode Jing* holds special significance, being considered comparable in status to the Three Caverns scriptures, and is thus listed after the *Dongxuan* scriptures. The subsequent content pertains to a different tier of scriptures, enumerating individual scriptures such as the *Basu* 八素 (referring to *八素真經服日月*),¹⁴ *Jinzheng Yuguang* 金真玉光 (referring to *金真玉光太上隱書*), *Xiaomo* 消魔 (referring to *消魔智慧*), *Buxu* 步虛 (referring to *昇玄步虛章*), and *Feixing Yujing* 飛行羽經 (referring to *白羽黑翮飛行羽經*). Among these, only the *Buxu* scripture belongs to the Lingbao system, whereas the others are found among the Shangqing scriptures listed in the *SJMKJ*. Another passage mentions the *Xiaomo zhihui yuqing jinzheng dongjing* 消魔智慧玉清金真洞經, which includes several scripture titles that can be reconstructed as *Xiaomo zhihui* 消魔智慧, *Yuqing yinshu* 玉清隱書, and *Jinzheng yuguang* 金真玉光, all of which are found in the *SJMKJ* and the *Jiuzhen mingke* 九真明科.¹⁵

As can be seen from the passages cited above, the *YZYJB* enumerates a broad spectrum of Shangqing scriptures spanning various types. Additionally, in other sections, the text also references other scriptures within the Shangqing tradition, such as the *Huangting neijing jing* 黃庭內景經. By contrast, the only Ancient Lingbao Scripture explicitly mentioned in the text is *Shengxuan buxu zhang*.

The previous comparison shows a strong correlation between the scriptures listed in the *YZYJB* and those listed in the *SJMKJ* and the *Jiuzhen mingke*. Likewise, these two texts were not the result of the revelations received by Yang Xi; they were compiled later, representing a significant development in the Shangqing scripture system. Recent research on Wang Lingqi’s scriptural activities suggests that these texts can be attributed to him. The relationship between the *YZYJB* and the Shangqing *Ke* texts, particularly the *SJMKJ*, is closely tied to the history of the establishment of the Three Caverns concept and the creation of the Lingbao scriptures, highlighting their significance for further investigation.

The following evidence further demonstrates the close relationship between the *YZYJB* and *SJMKJ*:

(1) The *YZYJB* states that the *Dadong zhenjing* is also known as the *Taizhen daoijing* 太真道經. This claim can be found in Volume Three of the *SJMKJ* as well as in the *SSSFJ*, which is also suspected to have been authored by Wang Lingqi (Li 2009, pp. 57–59).

(2) The ritual for the recitation of the *Dongzhen Jing* 洞真經 (referring to the Shangqing scriptures) and *Dongxuan Jing* 洞玄經 (referring to the Lingbao scriptures) in the *YZYJB* corresponds to the ritual guidelines for scripture recitation in the *SJMKJ*, as shown in Table 1. In particular, the method of *Huifeng hunhe*, the Qi of the five-colored (light), and the essence of the five stars appear together in both *YZYJB* and *SJMKJ*.

Table 1. Textual comparison of the *YZYJB*J and *SJMKJ*.

(3) The *YZYJB*J states, “When receiving the scriptures, each character must be checked thrice. An error in one character reduces the lifespan by one year. Beyond this, the penalty increases; adding or omitting a character will also reduce one’s lifespan by one year 受經皆比字三校，誤一字，減壽一歲，過此計加之，增損一字，亦奪一歲” (*YZYJB*J, p. 645). Correspondingly, Volume One of the *SJMKJ* contains the statement, “When receiving the Shangqing and Lingbao scriptures... each character must be checked three times; it must not be carelessly revealed or treated with negligence 凡受上清、靈寶經……皆當比字三校，不得輕洩漏慢” (*SJMKJ*, p. 655).

The above evidence demonstrates a close connection between the two scriptures but does not clarify how the origin of this connection came about. Wang Lingqi was inspired to compose new scriptures after witnessing the popularity of the Lingbao scriptures. Thus, it seems reasonable to infer that Wang Lingqi may have referenced the *YZYJB*J when composing the *SJMKJ*, resulting in the observed correlation. However, upon further analysis of the *YZYJB*J’s citations of the Shangqing scriptures, we believe this view cannot be substantiated.

Notably, the scripture of *Jinzhen Yuguang* was mentioned twice in the *YZYJB*J. Although this title was already referenced in texts dating back to the original Shangqing revelation, it originally referred to a talisman rather than a scripture. However, in the context of the *YZYJB*J, it denotes a scripture, likely corresponding to the *Shangqing Jinzhen yuguang bajing fei jing* 上清金真玉光八景飛經 (*The Scripture of the Eight Effulgences of Jade Brilliance and Golden Truth*) found in the Daoist canon. Given that this scripture includes annotations by Xu Rongdi, it can be reasonably identified as a text authored by Wang Lingqi. This suggests that the author of the *YZYJB*J was already acquainted with some of the “Apocryphal” Shangqing scriptures created by Wang Lingqi.

Second, the content cited in Table 1 pertains to visualization practices. The method of Huifeng hunhe appears in the revised text of the *Dadong zhenjing* (the so-called *large edition* 大本) rather than belonging to the teachings from the time of Yang Xi’ and Xu Mi’s revelations. Additionally, the *YZYJB*J includes a visualization practice involving the Sansu yuanjun (三素元君), which involves visualizing the Sansu yuanjun in the Jinhua Palace in the

form of an infant. Sansu yuanjun is a significant female deity in the Shangqing scriptures. The depiction of the Sansu yuanjun as an infant first appears in *Ciyi jing*. This scripture is one of the “Three Extraordinary Writings” in the new Shangqing scripture system, and its author is most likely Wang Lingqi. In this context, it is understandable that the author of the *SJMKJ* would incorporate these practices into the text. However, the Lingbao scriptures do not provide detailed explanations of these visualization practices, making it difficult to imagine that they were initially conceived by the authors of the Lingbao scriptures and later adopted by those of the Shangqing Apocrypha. The *YZYJB* requires visualization of the Qi of five-colored light and infuses the essence of the five stars while reciting the Dongxuan scriptures (Table 1). The ancient Shangqing scripture *Shangqing taishang basu zhenjing* 上清太上八素真經 (*The Scripture of the Eight Purities*), believed to date back to the time of the original revelation of Shangqing scriptures, includes a primary practice focused on visualizing the infusion of the essence of the five stars 注五星之精, which likely served as the basis for this section. In the *SJMKJ*, this visualization is applied to secondary-level Shangqing scripture subordinate to the *Dadong zhenjing*. The *YZYJB* employs it as part of the ritual for reciting the Lingbao scriptures, possibly because of the importance of the number five in Lingbao teaching. However, I did not find similar practices in other Ancient Lingbao Scriptures.

Furthermore, there are two examples related to the second volume of the *Dongzhen taishang badaomingji jing* 洞真太上八道命籍經 (hereafter, *BDMJJ*). First, the *YZYJB* contains a chant for opening the vessel of the Dongzhen scriptures (*YZYJB*, p. 643), which is nearly identical to the passage found in the *BDMJJ* (p. 516), with only minor variations in a few characters. Second, the *YZYJB* instructs practitioners to “always visualize the head as bright green like jade, hands as red like cinnabar, and feet as white like snow” 常存头正青如碧玉, 两手如丹, 两脚如雪 (*YZYJB*, p. 644). This visualization practice is identical in content and expression to a visualization described in the *BDMJJ* during the ritual of ascending the high seat to deliver a sermon (*BDMJJ*, p. 516).

Finally, the *YZYJB* includes numerous uncredited references to Shangqing scriptures that can be traced back to their original revelation of the Shangqing scriptures, such as the aforementioned *Shangqing taishang basu zhenjing*. The manner in which these references were used did not differ significantly from the examples previously discussed.

In summary, the evidence indicates that the compiler of the *YZYJB* utilized a series of early Shangqing scriptures and the Shangqing Apocrypha in the same manner, using them as sources for the text. Therefore, the composition of this work undoubtedly followed Wang Lingqi’s activities. According to previous research (Li 2009, pp. 37–38), Wang Lingqi’s scriptural activities mainly occurred between 405 and 435 CE (the year of Xu Rongdi’s death).¹⁶ The *YZYJB* was compiled after these scriptures were largely completed and had begun to exert some influence. This means that its composition could not have occurred earlier than the 430s when Xu Rongdi began promoting Wang Lingqi’s scriptures. This timeline coincides with the conclusions drawn in the previous section regarding the relationship between the *YZYJB* and Buddhist texts, which is not likely a coincidence.

Based on the two lines of evidence discussed above, it is suggested that *YZYJB* was likely composed after the 430s as an Ancient Lingbao Scripture. During its composition, this text was heavily influenced by the Shangqing Apocrypha, authored by Wang Lingqi. This influence is important for understanding the formation of the concept of the Three Caverns and the early history of the Ancient Lingbao Scriptures. The following section provides a preliminary discussion on this topic.

4. On the Three Caverns Concept in the YZYJB

A comparison between the YZYJB and Shangqing Ke texts reveals similarities in their nature and the issues they primarily address. However, there are significant differences in their understanding of the term “Three Caverns” and in their interpretation of the relationships among the three corpora of scriptures referred to as the Three Caverns. Therefore, the YZYJB should be viewed as a response from the Lingbao tradition to the new Shangqing Ke texts. The direct motivation for this response stems from the appearance of the Shangqing version of the Three Caverns Theory in the Shangqing Apocrypha.

It is well established that the Ancient Lingbao Scriptures were composed relatively recently compared to the early portions of the Sanhuang and Shangqing scriptures. Therefore, they were uniquely positioned to clarify the relationships among these scripture systems. Some of the earlier Ancient Lingbao Scriptures composed the initial concept of the Three Caverns. The order of these three categories of scriptures follows the same sequence as in later periods, with the Shangqing scriptures placed first, followed by the Lingbao scriptures, and finally, the Sanhuang scriptures. The reason why the authors of the Ancient Lingbao Scriptures adopted this order is not entirely clear, but it certainly does not imply that the Shangqing scriptures were considered the most sacred. Relevant texts often emphasize the exceptional transcendence of the Lingbao scriptures. For example, in the preface to the Jinlu *jianwen jing* 金籙簡文經 (*The Scripture of the Tablets of the Golden Register*),¹⁷ the Shangqing, Lingbao, and Sanhuang scriptures are listed in order. However, the text suggests that while the Shangqing scriptures can only “liberate the Seven Generations of ancestors and extend blessings to one family 拔度七玄，福流一門”，the Lingbao scriptures, described as the “Great Vehicle 大乘”，can “universally save both celestial beings and humans, extending blessings to all 普度天人，福逮一切” (Lü Forthcoming; Wang 2013, pp. 20–39).

Under the influence of the Lingbao scriptures, the concept of the Three Caverns was introduced and transformed into the newly composed Shangqing scriptures of the early fifth century. However, during this process, terms related to the Three Caverns were separated from their original association with the three scripture categories. Instead, the term related to the Three Caverns was repurposed as an alternative name for the new core of Shangqing scriptures, known as the “Three Extraordinary Writings”.¹⁸ These scriptures were considered the most revered group of Daoist scriptures, possessing a unique status that transcended other scriptures (Robinet 1984, pp. 76–85; Li 2009, pp. 60–63). Additionally, the new Ke texts, represented by the *Jiuzhen mingke* and *SJMKJ*, further addressed the relationship between the Shangqing, Lingbao, and Sanhuang scriptures. For instance, the *Jiuzhen mingke*, part of the *Dayou miaojing*, introduced a hierarchical framework of upper-, middle-, and lower-grade scriptures. Within this hierarchy, the Shangqing scriptures occupy the upper grade, accessible only to advanced practitioners. Among these, the “Three Extraordinary Writings” were so exalted that they could only be transmitted to practitioners who had already attained the status of the Zhenren 真人 (the True Person). By contrast, the Lingbao scriptures were classified as “middle grade and suitable for attaining Earthly Immortality 中品之妙，下方（不妨）地仙” and possessing relatively limited functions (*Dayou miaojing*, p. 414). The *SJMKJ* further reinforced and formalized this hierarchical relationship through ritual regulations. For instance, the established rituals varied in the ceremonies used to transmit and recite scriptures. In the *SJMKJ*, reciting the *Dadong zhenjing* required thirty-six teeth taps, while other Shangqing scriptures required twenty-four, and the Lingbao and Sanhuang scriptures were considered lower, with only twelve taps. Additionally, the direction faced during scripture recitation also varied, with the Shangqing scriptures recited facing north, whereas the Dongxuan (i.e., Lingbao) scriptures facing east (*SJMKJ*, p. 420). Thus, the Shangqing version of the Three Caverns theory leveraged the advantage

of the Shangqing scriptures being placed first in the original Lingbao theory of the Three Caverns, transforming it into a hierarchy of scriptural status. This significantly elevated the position of the Shangqing scriptures within the Daoist canon and bestowed upon them a transcendence far above that of the Lingbao and Sanhuang scriptures. This was likely an outcome that the early authors of the Lingbao scriptures did not foresee when they first proposed the Three Caverns theory.

In response to this new Shangqing version of the Three Caverns theory, the *YZYJB* also acknowledges the distinction between upper-, middle-, and lower-grade scriptures, applying different ritual ranks accordingly. However, in direct opposition to the Shangqing Apocrypha, the *YZYJB* asserts that all Three Caverns scriptures and the *Daode jing* belong to upper-grade scriptures. Consequently, the rituals outlined in the *YZYJB* prescribe a *uniform* direction—northward—for the master to face when transmitting the Three Caverns scriptures, aligning with the protocol for upper-grade scripture transmissions in the *SJMKJ*. Additionally, the *YZYJB* eliminated the hierarchical distinctions between the Shangqing and Lingbao scriptures in ritual practice. For example, the number of teeth taps during scripture transmission and recitation was standardized to thirty-six, consistent with the ritual for reciting the *Dadong zhenjing* in the *SJMKJ*. The lower-level ritual of twelve teeth taps was instead reserved for the recitation of the “Ascension Scriptures 昇仙之經”. This approach not only defends the upper-grade status of the Lingbao scriptures but also implies that the spiritual attainment facilitated by the Lingbao scriptures is equivalent to achieving the status of a True Person rather than merely that of an Immortal 仙人. However, it is essential to note that the *YZYJB* no longer emphasizes the transcendence of the virtues of the Lingbao scriptures. In other words, while the *YZYJB* implicitly (and possibly due to circumstances) conceded the leadership of the Shangqing position within the Three Caverns, it refused to acknowledge that the Shangqing scriptures were superior in rank to the Lingbao and Sanhuang scriptures. Instead, the *YZYJB* presents a relatively more balanced system of the Three Caverns.

The author of the *YZYJB* confronted a compelling trend in the Shangqing scriptures, a different situation from what earlier Ancient Lingbao Scriptures faced. This was likely because of the rapid spread of the new Shangqing scriptures created by Wang Lingqi and others. The strong influence of Shangqing ideas within the *YZYJB* should be understood within this context rather than as a mere continuation or elaboration of doctrinal ideas already established in the early Ancient Lingbao Scriptures.

Although the *YZYJB* extensively references Shangqing scriptures, the author does not seem to fully understand the new Shangqing scripture system constructed in the Shangqing Apocrypha. For example, the *YZYJB* states that the *Dadong zhenjing*, also titled the “*Taizhen daojing*” or the “*Taiqing shangdao guantian neijing shangpin*”, consists of ten volumes. The Golden Elixir scriptures in Shangqing comprise seven volumes. The *Gaoshang damiao dadan xiaomo zhihui da dong zhenjing*, which contains thirty-nine chapters, is a scripture of the highest Shangqing teachings, the subtlest words of ultimate truth, and the marvelous scripture of immortal flight “《大洞真經》，或曰《太真道經》，或曰《太清上道觀天內經上品》，凡有十卷。上清金丹之經七卷。其《高上大妙大丹消魔智慧大洞真經》，三十九章，上清之高旨，極真之微辭，飛仙之妙經也” (*YZYJB*, p.645). This brief passage reveals two errors.

First, as mentioned earlier, the alternative name “*Taizhen daojing*” appears in both the *SJMKJ* and *SSSFJ*. However, in these two Shangqing scriptures, the name *Dadong zhenjing* refers explicitly to the scripture known as “*Dadong zhenjing* with thirty-nine chapters”. In contrast, the *YZYJB* uses the title “*Dadong zhenjing*” to refer to the entire Shangqing scripture collection, which includes the “*Da Dong Zhen Jing* with thirty-nine chapters”, namely the *Gaoshang damiao dadan xiaomo zhihui dadong zhenjing*. This means that in the *YZYJB*,

the name “Taizhen daojing” is applied as an alternate title for the entirety of the Shangqing scriptures. Such usage is clearly incorrect or, at least, inconsistent with the understanding of these titles within the Shangqing scriptures themselves.

Second, the name *Taiqing shangdao guantian neijing shangpin* 太清上道觀天內經上品 does not appear in any Shangqing scriptures. However, a similar reference can be found in the *Baopuzi neipian* 抱樸子內篇, where it is stated, “The *Taiqing guantian jing* consists of nine sections. It is said that the upper three sections must not be taught or transmitted; the middle three sections are not suitable for transmission in the world and should be submerged beneath the Three Springs; the lower three sections are the authentic Elixir Scriptures of the upper, middle, and lower grades, comprising three volumes 《太清觀天經》有九篇，云其上三篇，不可教受；其中三篇，世無足傳，當沉之三泉之下；下三篇者，正是丹經上中下，凡三卷也” (抱樸子內篇校釋, p. 76). In a citation found in the *Yunji qiqian* 雲笈七籤, the “nine sections” are referred to as “ten sections”, and “the upper seven sections must not be taught or transmitted” (*Yunji qiqian*, p. 467). The *Taiqing huantian jing* mentioned in the *Baopuzi neipian* refers to the text for refining the Taiqing Divine Elixir 太清神丹, which corresponds to the Shangqing Golden Elixir scriptures described in the *YZYJB*. Therefore, it is highly likely that the author of *YZYJB* was inspired by this passage in the *Baopuzi neipian*, rewrote it, and used it to describe the Shangqing scriptures. However, even with some modifications, it still does not originate from the *Shangqing* scriptures themselves, and it diverges significantly from the understanding of the *Shangqing* scriptures held by its authors.

This suggests that the author of the *YZYJB* had a limited understanding of the most central scripture among the Shangqing scriptures, the *Dadong zhenjing*, as well as of the newly proposed canonical system introduced in the Shangqing Apocrypha. This limitation may be attributed to the author of *YZYJB*'s lack of access to or sufficient resources for thoroughly studying and comprehending the newly composed Shangqing scriptures.

5. The Influence of the *YZYJB* on Lu Xiuqing

Lu Xiuqing's inclusion of the *YZYJB* in the catalog of Lingbao scriptures suggests that he had encountered this text. However, there are few explicit references to the *YZYJB* in his surviving works. Nonetheless, the uncredited citations in the *Dongxuan lingbao shoudu yi* may indicate that the version of the *YZYJB* available to Lu Xiuqing was likely similar to the extant text. Lu Xiuqing held significant importance in the historical development of the Lingbao scriptures and the integration of Daoist scriptures during the Six Dynasties. He collected scriptures from various traditions and authored numerous related works.¹⁹ He also compiled separate catalogs of the Lingbao scriptures and the Three Caverns scriptures, thereby perfecting the classification system of Daoist scriptures and laying the foundation for the compilation of Daoist canons by later generations. In this regard, Lu Xiuqing's work was likely significantly influenced by the *YZYJB*.

Lu Xiuqing's general understanding of the Three Caverns can be found in the *Dongxuan lingbao shoudu yi biao* 洞玄靈寶授度儀表. In this text, he criticizes the prevailing ordination practices of his time: “Ever since Lingbao has come to lead this generation, some who have transmitted it have conducted joint ordinations in all the Three Caverns, taking a single oath on the same ritual stage. [In this way], the refined and the rough have become mixed; the great and the petty are circulated without distinction. Sometimes, when some receive only the Dongxuan [i.e., Lingbao] section but put higher rites into practice ... Others absorb the Officers of the Yellow and the Red of the lower way (i.e., Heavenly Master Daoism 天師道) so that they descend into base locales and perform improperly 自靈寶導世以來，相傳授者，或總度三洞，同壇共盟，精粗糅雜，小大混行。時有單受洞玄，而施用上法.....或采搏下道黃赤之官，降就卑猥” (Lü 2018, p. 3). The “single oath on

the same ritual stage” refers to ordinations encompassing all Three Caverns scriptures simultaneously. Although Lu Xiuqing disagreed with this ordination method, he recognized the structure of the Three Caverns scriptures and their superiority over the rituals of Celestial Master Daoism 天師道. However, even among the Three Caverns scriptures and registers, there are distinctions between higher and lower ranks. In Lu Xiuqing’s view, the Lingbao scriptures were not the “highest” among the Three Caverns; therefore, there were issues with employing “higher rites” when transmitting the Dongxuan scriptures. The “higher rites” mentioned here likely refer to rituals that transmit the Shangqing scriptures. Therefore, Lu Xiuqing likely also agreed that the Shangqing scriptures were the most esteemed among the Three Caverns. When comparing these views with the discussion of the Three Caverns in the *YZYJB*, there is a clear consistency.

As mentioned earlier, the *YZYJB* itself was, in part, a response from the Lingbao scriptures to the growing prominence of the Shangqing scriptures. Consequently, the Three Caverns theory presented in this scripture is more integrative and conciliatory, reflecting a balanced approach to the Three Caverns doctrine that better mirrors the status and circulation of the scriptures at that time. Lu Xiuqing’s emphasis on and citation of the Three Caverns concept in the *YZYJB* was likely motivated by theological and practical considerations. Lu Xiuqing’s incorporation of this concept solidified it as a core component of the Daoist canonical system.

There is also the matter of how Lu Xiuqing classified the Lingbao scriptures. It is commonly believed that he divided the Lingbao scriptures into two categories: the “old scriptures 舊經” and the “new scriptures 新經”. However, based on Lu Xiuqing’s explanations in the Dunhuang manuscript of the catalog of the Lingbao scriptures, we propose a further subdivision of the *new scriptures* into two subcategories: “Essential Instructions on Precepts Received by the Duke-Immortal Ge 葛仙公所受教誡訣要” and “New Scriptures on Practices [as Spoken by the Duke-Immortal Ge] [葛仙公]所說行業新經”. The first category primarily includes instructions that explain the old scriptures, while the second has a biographical nature, similar to the Buddhist Jātaka literature. This classification is also directly reflected in the catalog of the New Scriptures by Lu Xiuqing; using *Taishang xi-aomo baoshenanzhi zhihui benyuan dajie* 太上消魔寶身安志智慧本願大戒 as the dividing line, the scriptures preceding it clearly belong to the category of essential instructions, while the latter scriptures are all biographical works (see Liu 2018, pp. 262–64). Therefore, it is likely that Lu Xiuqing’s classification of Lingbao scriptures follows a two-tiered, three-category structure.

The *YZYJB* likely influenced this classification system. The first part of the *YZYJB* provides a classification that addresses the issue of transmission, while the second part supplements this by explaining the transmission of two types of texts: the “Separate 分傳” Instructions (as opposed to the instructions attached to the scripture as the second part of the *YZYJB*) and the *Xianren benye zhuan* 仙人本業傳 (the biography of the Immortals’ original acts), also referred to in the text as “*Daoji jing*” 道跡經 (the scriptures of Daoist traces). The Separate Instructions correspond to the “Essential Instructions on Precepts Received by the Duke-Immortal Ge”, while the *Daoji jing* corresponds to the “New Scriptures on Practices [as Spoken by the Duke-Immortal Ge]”. These texts are considered less sacred than the primary scriptures; thus, the ritual standards for their transmission are lower. However, the text still emphasizes that a master must transmit these texts, and their ritual grade roughly corresponds to that of the middle-grade scriptures, meaning that they broadly retain a scriptural nature. When combined with the classification system outlined in the main body of the *YZYJB*, this structure is almost identical to the classification of Lingbao scriptures outlined in the catalog of Lingbao scriptures by Lu Xiuqing. This classification is not observed in other Ancient Lingbao Scrip-

tures, which typically contain only preliminary forms of such divisions. For instance, in the *Xianren qingwen benxing yinyuan zhongshengnan jing* 仙人請問本行因緣眾聖難經,²⁰ the Immortal Duke Ge states, “on the fifteenth day of the lunar month, one should perform fasting in a quiet chamber, and recite the Daoist scriptures received and Daoji of the various Immortals...天師言月旦十五日，能齋於靜室，讀所受道經及諸仙道跡.....” (*Taishang Dongxuan Lingbao Benxing Yinyuan Jing*, p. 129) This suggests that it can be seen as a binary division between scriptures and Daoji. Therefore, the classification method for Lingbao scriptures adopted by Lu Xiuqing was likely derived from the *YZYJB*.

The *YZYJB* did not limit this two-tiered, three-category system to the Lingbao scriptures but extended its application to the Three Cavern scriptures. Unfortunately, we cannot determine whether Lu Xiuqing adopted a similar structure when organizing the Shangqing and Sanhuang scriptures.

Lu Xiuqing played a significant role in integrating Daoist scriptures during the Six Dynasties. He collected many texts from various traditions, organizing and enriching them through the compilation of catalogs and the establishment of rituals. In terms of the relationship between the Three Caverns scriptures and the structure of the Lingbao scriptures, Lu Xiuqing seems to have been greatly influenced by the *YZYJB*. Of course, the ideas presented in the *YZYJB* were not created in a vacuum. The concept of the Three Caverns originated in the Ancient Lingbao Scriptures but was later adapted and transformed by the newly composed Shangqing Apocrypha. The Three Caverns theory in the *YZYJB* represents a compromise with the Shangqing scriptures and can be seen as a conclusive proposal that emerged after decades of intense competition. The classification system of scriptures, instructions, and hagiographies in the *YZYJB* likely developed within the Lingbao scriptures, where it was refined and associated with corresponding rituals. Notably, the *YZYJB* did not limit this classification system to the Lingbao scriptures, which naturally brings to mind Gu Huan's 顧歡 work on the Shangqing scriptures, titled the *Daoji Jing*. Therefore, the subsequent influence of this classification method on Daoist bibliographic studies, particularly on Lu Xiuqing's *Catalog of the Scriptures of the Three Caverns*, warrants further investigation.

6. Conclusions

Daoist scriptures' emerged during the transitional period between the East Jin (317–420) and Song (420–479) dynasties in southern China. For approximately one century, many highly influential scriptures were produced. These scriptures can be divided into different systems, such as Shangqing and Lingbao. However, the creation of these texts was not entirely independent within each system, resulting in a highly complex setting. This complexity was likely even more challenging for Daoists of the time, who faced not only the issues of classifying and organizing scriptures but also the practical task of defining Daoism and interpreting the relationships between different Daoist traditions. The Three Caverns theory emerged as an effective solution to these needs.

However, before the fully mature concept of the Three Caverns was proposed, various texts had already engaged in a long-term exploration of a classification system for Daoist scriptures. The *YZYJB* played a crucial role in this process.

In this study, we employed two different approaches to determine whether the composition of the *YZYJB* should be dated between the 430s and approximately 450 CE, when the *Dongxuan Lingbao Shoudu yi* was compiled. Based on this foundation, we examined the background and key features of the Three Caverns concept in the *YZYJB* offering a preliminary assessment of the scripture's impact on Lu Xiuqing.

We argue that Wang Lingqi, the prominent author of the Shangqing Apocrypha, was motivated to compose his scriptures in response to the flourishing Lingbao tradition. This

suggests that, in the early fifth century, the Lingbao scriptures temporarily overshadowed the ancient Shangqing texts. However, once the Shangqing Apocrypha gained widespread popularity, the Shangqing tradition regained momentum. It emerged as a formidable force, proposing a new Three Caverns concept entirely based on Shangqing-centrism. This pressure compelled the Lingbao tradition to respond. The most representative text for this response is the *YZYJB*. Building upon the already popular Ancient Lingbao Scriptures and Shangqing texts, it constructed a highly inclusive new Three Caverns theory, which likely aligned with the prevailing understanding of the time and was more widely accepted. Through Lu Xiuqing's subsequent adoption and development, this theory was further refined, ultimately forming the cornerstone of the Daoist canonical system. In this sense, the concept of the Three Caverns in *YZYJB* can be seen as a pre-dawn light to the more fully developed Three Caverns theory.

The *YZYJB* absorbed substantial content from the Shangqing scriptures to an extent reminiscent of the strong Buddhist influences found in other Lingbao scriptures. These two phenomena have several similarities.²¹ Both forms of borrowing, whether from Shangqing or Buddhism, sought to create a new and more inclusive system by integrating other scriptural and philosophical systems into the foundation of Lingbao. This syncretic approach was crucial to the Lingbao scriptures' important role in the development of Daoism during the Six Dynasties. However, unlike other Lingbao texts that emphasize the superiority of Lingbao over Buddhism, the *YZYJB* placed greater emphasis on adjusting internal relationships within different Daoist traditions. Perhaps this shift can be seen as an essential step in further defining the boundaries of *Daoism*. In a certain sense, it can be seen as another perfect embodiment of the spirit of the Lingbao scriptures.

The findings of this study lead to two major conclusions. First, the teachings of the Ancient Lingbao Scriptures did not evolve in isolation but rather through *continuous interaction* with external influences. In many cases, this evolution involved compromising under external pressure and the timely adjusting of their doctrines. Therefore, overemphasizing doctrinal consistency with the Ancient Lingbao Scriptures may obscure their historical context, hindering a deeper understanding of their role in the evolution of Daoism during medieval times. Second, the emphasis on external factors in some of the Ancient Lingbao Scriptures does not necessarily indicate a change in the authorial community or their foundational beliefs. For example, although many Shangqing elements appear in the *YZYJB*, the authors seemed to have had a very limited understanding of the later Shangqing texts. To move beyond these somewhat overly simplistic explanations and further investigate the development of the Ancient Lingbao Scriptures, it is necessary to combine new findings from other fields and delve deeper into the background of *each of* the Lingbao texts. This effort will not only enrich our understanding of the Lingbao scriptures but also provide new revelations about the overall history of Daoist development during the medieval period.

- ¹ On the system of Ordination Ranks in medieval period, see (Schipper 1985, pp. 127–43; Bai 2018, pp. 274–328).
- ² On the historical meaning of the concept of the “Three Caverns”, see (Öfuchi 1979, pp. 258–65; Lü 2023, pp. 1–2).
- ³ In the *YZYJB*, the *Daode jing* is placed in a very important position, with the belief that it holds equal value to the books of Three Caverns. As previous research has pointed out, there are differences in attitudes toward the *Daode jing* between the “Old Scriptures 舊經” and “New Scriptures 新經” within the Ancient Lingbao Scriptures. The New Scriptures, to which *YZYJB* belongs, generally shows special emphasis on the *Daode jing*, even positioning it at the same level as the Three Caverns (see Liu 2018, pp. 598–607). There is still scholarly debate on how the differing was formed. However, for the issues addressed in this paper, I argue that the importance given to the *Daode jing* in *YZYJB* stems from the general tendency of the New Scriptures, rather than a unique perspective of this text itself. In contrast, Daoist theology after Lu Xiuqing did not fully accept this view of the New Scriptures, and therefore did not inherit its approach to the *Daode jing*.
- ⁴ In the existing texts, some sections do not mention the *Sanhuang scriptures*, which is likely due to textual errors caused by later revisions. Volume 38 of the *Wushang miyao* 無上秘要 (*Wushang miyao*, pp. 126–27) cites the *Taiji Yinzhuojing* (referring to the *YZYJB*) and records the transmission ritual of the *Sanhuang scriptures*. The rewriting and deletion of content related to the *Sanhuang scriptures* in the existing texts may be associated with the Tang dynasty’s prohibition of the *Sanhuang scriptures*. Therefore, although the existing text seems to exhibit a tendency to depreciate the *Sanhuang scriptures*, it is difficult to confirm whether this situation existed from the very beginning of the text’s composition.
- ⁵ For example, some content in the *Dayou miaojing* was undoubtedly written after the rise of the Lingbao tradition. Robinet emphasized that the existing versions of the scripture compile content from different periods (Schipper and Verellen 2004, pp. 187–88), and that referring to the *Three Extraordinary Writings* 三奇寶文 of Shangqing as the Three Caverns is among the earlier content, which in turn inspired the Three Caverns thought in the Ancient Lingbao Scriptures. However, this article argues that this section is closely related to the later classification of the Shangqing, Lingbao, and Sanhuang scriptures, and the two correspond with each other. They highlight the nobility of the *Three Extraordinary Writings* and elaborate on the new canonical theory. Therefore, we are more inclined to agree with Zhang’s (2007) view that these contents were written concurrently and that their author was most likely Wang Lingqi.
- ⁶ *SSSFJ* is also considered to be part of the Shangqing Apocrypha (see Schipper and Verellen 2004, p. 179; Li 2009).
- ⁷ A limited number of sources mention that precepts other than those in the Bodhisattva precepts can be received through the method of self-administration; however, they did not have much practical influence. For the basic information on self-administered precepts, see Funayama (1998). This paper also suggests that Tao Hongjing likely received the Bodhisattva precepts through the method of self-administration.
- ⁸ These two *Jing* 經 can be seen as two parallel translated versions of the *Bodhisattvabhūmi* from the *Yogācārabhūmi*, but there are some differences in their content. For details on the translation of these texts and their relationship, see Funayama (1995, pp. 21–24, 45–50, 2004, pp. 97–120).
- ⁹ For the significance of ordination rituals for Daoist practitioners and their historical development, see Benn (2000). For a general overview of the transmission rituals in the Ancient Lingbao Scriptures, see Lü (2008).
- ¹⁰ An interesting example is provided in the *Zhenxi* 真係 by Li Bo 李渤 (773–831), where he uses the concept of “secret oath” from the *Huangsu Fang* 黃素方 (i.e., *SSSFJ*) to explain how Lu Xiuqing could have legally utilized the Shangqing scriptures he acquired (*Yunji Qiqian*, p.133). Unfortunately, there is no evidence that Lu Xiuqing actually acted this ritual. It is more likely that this was merely Li Bo’s speculation. However, this also indicates that the concept of the secret oath still retained theoretical legitimacy until the Tang dynasty.
- ¹¹ For further analysis of Buddhist elements in the Ancient Lingbao Scriptures, see Bokenkamp (1983).
- ¹² Tao Hongjing used a series of terms to describe these scriptures, collectively referred to here as *apocrypha*. For more on Tao Hongjing’s understanding of the issue of apocryphal scriptures, see Hirose (2015).
- ¹³ Regarding the formulation process of the *SJMKJ* and which parts can be attributed to Wang Lingqi, Zhang Chaoran and Li Jing differ in their views. However, the portion considered in this article is recognized by both scholars as Wang Lingqi’s work, and therefore, we will not discuss related issues further. Additionally, Ozaki (1977) dates the *SJMKJ* to the sixth century (a view also accepted by Wang Chengwen), but the evidence for this conclusion is evidently too weak (see Zhang 2007, p. 263).
- ¹⁴ The scripture titles listed above do not necessarily directly correspond to the related texts preserved in the printed *Daoist Canon*. Therefore, for the Shangqing scriptures, we have listed the names from the *SJMKJ*, and for the Lingbao scriptures, we have used the names from the *Lingbaojing yishu*.
- ¹⁵ Based on internal evidence, the *Jiuzhen mingke* was originally composed as part of the *Dayou miaojing* (see Zhang 2007).
- ¹⁶ Öfuchi (1997) dated Wang Lingqi’s scripture composition to between 420 and 427. However, he did not provide reasons for this; thus, this paper cannot adopt this view. Additionally, since Wang Lingqi’s birth and death years are unclear, it is possible that he continued to compose some scriptures even after Xu Rongdi’s death in 435.

- ¹⁷ The *Jinlu Jianwen Jing* has been lost, but scholars have made several attempts to reconstruct its text. The following content refers to the latest results of these efforts, as found in Lü Pengzhi's unpublished manuscript.
- ¹⁸ Similar dynamics occur in the Sanhuang scriptures as well. Volume six of the *Wushang miyao* quotes a passage from the “Sanhuangjing 三皇經”, claiming that the Three Sovereigns 三皇 are the revered deities of the Three Caverns and providing an explanation of this idea. The text includes terms such as “Dadong 大洞”, “Dongxuan 洞玄”, and “Dongshen 洞神”, which are evidently closely related to the later Three Caverns thought, and corresponds them to the Three Sovereigns of Heaven, Earth, and Humanity (*Wushang miyao*, 19). Some scholars have noted this passage and argued that the concept of “Three Caverns” was first proposed by the Sanhuang Scriptures (e.g., Lu 1993, p. 40; Zhang 2010). Regarding this issue, Wang Zongyu's research is quite enlightening. He pointed out that the text attributed to the “Sanhuangjing” does not directly address the bibliography system of Daoist scriptures and bears significant traces of influence from the Shangqing scriptures (Wang 2000, pp. 81–85). Based on these insights, it seems plausible to speculate that this passage was added under the influence of the Three Extraordinary Writings theory found in the Shangqing scriptures. However, this also indicates that the Sanhuangjing was not absent in the competitive process regarding the concept of the Three Caverns.
- ¹⁹ For information on the life and contributions of Lu Xiujing, see Verellen (2019, pp. 123–216).
- ²⁰ In the *Daoist Canon*, this scripture is titled “*Taishang Dongxuan Lingbao Benxing Yinyuan Jing*”. However, we use the title from the Dunhuang manuscript (p. 2454). The text quoted in this paper shows no differences between the two versions.
- ²¹ For discussions on how the Ancient Lingbao Scriptures absorbed and transformed elements from various sources, including Buddhism and the Shangqing tradition, to create their own unique tradition, see Bokenkamp (1983, pp. 434–86).

PREFACE

This study of the rabbinic heretics who believed in "two powers in heaven" began as a dissertation at Yale. The advantage of the topic, as Professors Goldin, Dahl, and I discussed it, was that it allowed me to explore some relationships between rabbinic Judaism, Merkabah mysticism, and early Christianity without becoming overly dependent on the complicated and uncharted Merkabah texts. Ironically, what seemed like a neat and carefully defined problem soon expanded in an almost unforeseen direction. It became clear that "two powers in heaven" was a very early category of heresy, earlier than Jesus, if Philo is a trustworthy witness, and one of the basic categories by which the rabbis perceived the new phenomenon of Christianity. It was one of the central issues over which the two religions separated. Furthermore, the reports of heresy began to clarify how gnosticism, Judaism, and Christianity related—a problem which has vexed scholarship for more than a century.

That systematic study of the reports of "two powers" in rabbinic literature might yield some interesting clues about the history of mysticism, gnosticism, and Christianity was not a total surprise. Previous scholarship had identified the heretics inconclusively as gnostics and Christians. The work of Gershom Scholem had emphasized a relationship to early Merkabah mysticism. Not unexpectedly, the sources showed that some mysticism and apocalypticism, as well as Christianity and gnosticism, were seen as "two powers" heretics by the rabbis. The key factor was not that all qualified as heresy but that, with prudent dating of the stages of the traditions, the development of the heresy could be reconstructed.

Dating the rabbinic reports was the most complicated problem. It depended on methods developed in New Testament scholarship for dating the sayings of Jesus. While the use of form criticism and tradition history has grown quite sophisticated in New Testament studies, Jewish scholars have been slower to pick up the methods. Jacob Neusner has consistently championed the use of form criticism and tradition history in Judaism. This study was influenced by his opinions but the application to the field of rabbinic polemic (where extra-rabbinic sources can be used for dating) has not been tried

before. Due to the analogous task, the examples and experience of scholars trying to define the opponents of Paul were also useful.

Though it was difficult to date the rabbinic traditions accurately in many cases, the results showed that the earliest heretics believed in two *complementary* powers in heaven while only later could heretics be shown to believe in two *opposing* powers in heaven. The extra-rabbinic evidence allowed the conclusion that the traditions were earlier than the first century. Furthermore, in comparing the literature, it was possible to define a number of dangerous scriptural interpretations central to the heresy and show how the rabbis countered them by bringing in other scriptures which unambiguously stated God's unity. From this evidence it became clear that the basic heresy involved interpreting scripture to say that a *principal angelic or hypostatic manifestation in heaven was equivalent to God*. This heresy was combatted by the rabbis with verses from Deuteronomy and Isaiah which emphasized God's unity.

Common sense tells us to expect discussions of monotheism in rabbinic Judaism. After all, strict monotheism has been one of the central characteristics of Judaism throughout the ages. However, rabbinic literature, unlike Greco-Roman Jewish literature, does not often discuss theology directly. Most scholars, noting the lack of attention to theology in rabbinic writings, emphasize the rabbinic interest in "orthopraxy" rather than "orthodoxy." A few have even suggested that there was no concept of orthodoxy in rabbinic Judaism. Part of the importance of these reports about "two powers in heaven" is that they show us that the rabbis, in common with their brethren in the diaspora, were concerned about the theological and orthodox center of Judaism when other sectarian groups of their day seemed willing to compromise Judaism's integrity. This study gives us actual evidence of one of the central issues around which rabbinic orthodoxy formed.

Besides the obvious relevance of these findings for understanding the rabbinic movement, this study has ramifications for Christian historians in two important areas: (1) the development of christology and (2) the rise of gnosticism. On the subject of christology, the rabbinic information emphasizes the scriptural basis for christological discussion. According to rabbinic description, it does not seem necessary to believe that early Christians merely associated Jesus with some pre-existent savior model who came equipped with a fixed title and job description. Rather, it appears that the debate between Christianity and Judaism proceeded partially on midrashic or exegetical lines.

Ambiguous passages in scripture were clarified by each side of the debate through the use of other scriptural passages which mentioned the same vocabulary or concept. Consequently, this study supports a growing number of New Testament scholars who do not feel the need to postulate a pre-Christian "son of man" redeemer figure with which Jesus was identified. The character of the rabbinic debate makes it possible to see christology build through exegesis rather than through hypothetical, pre-existent titles. Christians, believing in his translation to heaven, could have applied to Jesus a number of passages describing either God's principal angel or some other divine but anthropomorphic manifestation described in Israel's scriptures. There is no need to postulate a previous title "son of man" or even outline a complete model of the figure. The unity could easily have been achieved in applying all the different traditions to Jesus. The title would then emerge later, as a result of the exegesis. To be sure, the New Testament never calls the Christ an angel and clearly argues that Jesus is higher than the angels. But, insistence on divine perquisites for God's principal assistant was apparently not unique to Christianity and became exactly the detail which put Christianity in the category of heresy from the rabbinic perspective.

The second area in which "two powers in heaven" traditions in rabbinic literature offer some clarification is in the history of gnosticism. Here we are on less speculative ground than when trying to understand the earliest christologies. It turned out that gnosticism picked up several of the heretical Bible exegeses of earlier "two powers" heretics. The gnostic interpretation of God's principal angel was a specialized answer against the rabbinic attack. The rabbis had pointed out that God said "There is no God but me" (as in Dt. 32:39, Is. 44-47, etc.). The gnostics invented a mythical scene in which those scriptures could have been said, yet not be evidence against gnosticism. They claimed that the God of the Jews said He was unique but He was an ignorant and limited God. In claiming this, they reserved half of the texts characteristic of the principal angelic mediator for their gnostic redeemer while attributing the other half to the evil demiurge who was the god of the Jews but not the author of salvation. This stage in the debate can only be traced to the second century and logically presupposes the earlier stages. Therefore it comes later than the debate in which Christianity participated. From the rabbinic perspective, both Christianity and gnosticism were virulent and vituperative varieties of "two powers" heresy but the heresy with a complementary divine

economy arose earlier than the heresy with an opposing one. This evidence gives limited and disinterested support to the church fathers' contention that gnosticism arose later than Christianity. But it further implies that both Christianity and gnosticism arose out of Hellenistic and apocalyptic Judaism by sharing heretical traditions of scripture interpretation which speculated on a principal angelic mediator of God.

As I said, the inquiry has had ramifications quite far removed from the rabbinic material. I am not so naive to think that my conclusions about christology or the rise of gnosticism can be accepted without comment by people more specialized in these fields. Nor was that my desire. Rather, I only outlined enough of these specialized fields to date the rabbinic material and to suggest the relationship of the rabbinic texts to Christian history. Hopefully, I learned enough of the characteristics of these disparate bodies of text to stimulate constructive rather than destructive criticism. I realize that no single individual or body of material can fully explain this most complex and difficult period of history. The important thing, I think, is to perceive the relevance of the rabbinic material for solving traditional problems of New Testament and gnostic scholarship, even while maintaining the necessity of reading those literatures for dating rabbinic material. That rabbinic and Christian communities interacted antagonistically is an obvious and unfortunate part of centuries of Western history. This study has shown me that, ironically, in spite of the enmity, the witness of each community is necessary for understanding the history of the other.

Since this book started as a dissertation I have had the advantage of much significant advice. Anyone familiar with the study of Hellenistic Judaism or New Testament scholarship will recognize the debt I owe to Professor N. A. Dahl. I have cited his works when specifically relevant but his insight and knowledge extend far beyond explicit citation. His direction and encouragement underlie the whole. I also owe a debt of gratitude to many scholars who served as my advisers. Professor Judah Goldin, who served as co-director of the dissertation while he remained at Yale, was a considerable help. Professor Sid Leiman was a constant adviser throughout the research and writing. He was especially generous with his time and patience in commenting on the rabbinic evidence. I have also received much helpful direction from my colleagues and teachers at Princeton and Yale. Wayne Meeks and Rowan Greer read the manuscript when submitted for the degree in December 1975. I have tried to profit from their comments in

revising for publication. Gilles Quispel, Jarl Fossum, Elaine Pagels, Ithamar Gruenwald, Donald Juel, John Gager, Richard Sarason, Matthew Black, and Jacob Neusner kindly read parts of the dissertation and offered suggestions for improvements. However my abilities are judged, these scholars have made theirs freely available to me.

I owe many people thanks for helping in the production of the manuscript. My wife, Meryl, aided me at several crucial moments even while her own career continued to make its normal demands on her. Beverly Jones and Lorraine Fuhrmann have been extraordinarily persevering typists while Elaine Mustain, though she also helped with the typing, should properly be considered an editor, since she both read critically and offered trained suggestions about the text. Particular thanks goes to Jenny Lehmann at Princeton's computer center, who adapted an indexing program to my needs, and to Len Galla, who helped me enter the data.

I would also like to express special gratitude to the institutions who granted me stipends for my research. The Memorial Foundation for Jewish Culture helped to defray part of the costs of typing and binding the dissertation. The Princeton University Committee on Research in the Humanities and Social Science helped pay for typing and binding towards publication and made a generous grant subsidizing the printing. A further grant to subsidize publication was made by the Max Richter Foundation.

INTRODUCTION

CHAPTER ONE

TWO POWERS IN HEAVEN

The History and Importance of the Problem

The intention of this book is to collect and examine the rabbinic reports about the heresy of "two powers in heaven" and to identify the proponents of the heresy. Such a task will impress most readers as abstruse. What interest can there be in such an obscure group of heretics within the early rabbinic movement? This book will attempt to answer that question. My study has convinced me that reports of these heretics (in the talmudic and midrashic literature of roughly the first six centuries of our era) are of considerable relevance for any student of late Hellenistic religion, especially for those interested in Christianity during the first crucial centuries of its growth.

That is no small claim. Anyone familiar with the quantity of material written in the fields of Christian origins and early Judaism has the right to be skeptical of claims to novelty. Surely every shred of evidence in traditional bodies of material has been studied and noted already! Even the heretics who believed in "two powers in heaven" have been discussed several times in scholarly literature. Nor has their significance been entirely missed. The sectarians have been identified, albeit inconclusively, both as gnostics¹ and as Christians. Of course, were it established that the rabbinic reports dealt with one or the other of the groups, the reports about "two powers" would be unmistakably significant. Any new piece of evidence about the behavior of early Christianity would help us understand its cloudy beginnings as a movement. But what has continued to keep this peculiar rabbinic heresy obscure

¹ By gnosticism, I mean primarily that religion of salvation in late antiquity which posited an evil secondary god who created this world, making it impossible for any but the elect, by virtue of their knowledge (*gnōsis*) of the high god to find salvation. Gnosticism is the extreme form of a much broader trend in the centuries immediately surrounding Jesus' life. Social alienation, pessimism, other worldliness, secret societies, all may be loosely described as gnostic. But, for reasons which will soon grow apparent, anti-cosmic dualism will be taken as the primary criterion separating the phenomenon of *gnōsis* and the movement of gnosticism. See Yamauchi, *Pre-Christian Gnosticism*, pp. 13-28 for a discussion of the problems in defining gnosticism. (Full references for frequently cited works can be found in the list of abbreviations, p. xv f.)

is lack of firm proof that the term "two powers in heaven" referred either to Christians or to gnostics exclusively (as if they were separate movements!) compounded by a great deal of confusion about what the heretical doctrine was.

Unfortunately, I cannot claim to have identified the heretics in every case. In fact, many of my remarks will be cautionary—showing that an earlier scholar's identification of a report of "two powers" either as Christian or as gnostic cannot be firmly maintained. However, in one very early, very important text I can identify one group as the indicated heresy by excluding the others. This has significant implications for our understanding of the first century. More often, I will try to show that both Christians and gnostics (and others as well) became the targets of the particular rabbinic polemic which the title "two powers" denoted. Previous studies have tended to make identifications casually, so even negative conclusions or mixed conclusions will be significant. It would also be significant to demonstrate that the rabbis put Christianity and gnosticism in the same category to argue against them. Furthermore there is new evidence suggesting that Christians and gnostics were not the only targets for the title of "two powers" heretics. I will try to show where the reports can be related to other groups, whose lives or writings can be more firmly dated than the rabbinic tradition. Whenever it is possible to isolate reports and date them (a constant concern throughout the paper) I will try to sketch out a history of the various heresies in Judaism which, in turn, may illuminate the darkness regarding the origins of Christianity and gnosticism.

Needless to say, if the problem of the "two powers" heresy could be solved in a straightforward manner, it would already have been solved. However, writers like the Christian heresiologists, who composed special tracts against their enemies, were rare, and an intellectual like Origen, who actually quoted his opponent copiously, was unique. The rabbis stuck closer to a more effective procedure of their day for dealing with opponents—allusion and polemic. They did little to characterize their enemies, especially when to do so would have had the effect of spreading the error further. Such an exercise would have impressed them as unwittingly publicizing evil or, as they would have said, as "an opening of the mouth for Satan." Consequently, identifying any of the opponents of the rabbis in rabbinical texts is still a vexing problem.

We must realize that problems abound even in the definition and

etymology of the rabbinic word for "sectarian" or "heretic." (Hebrew "*min*"; pl. "*minim*").² In English the words "sectarian" and "heretic" express different degrees of disapproval and social distance. A sectarian is probably best described as a disapproved rival among many factions within the parent group, while a heretic is someone who began in the parent group but who has put himself beyond the pale with respect to some canon of orthodoxy. The transition between "sectarian" and "heretic" in rabbinic literature would have been apparent only when rabbinic Judaism was acknowledged to have become "normative." Unfortunately, there is no scholarly consensus about when rabbinic thought became orthodox. Furthermore the rabbis assume that their interpretation of Judaism was always orthodox and never distinguish clearly between "sectarians" and "heretics." So far as they were concerned, any interpretation not part of their accepted community was "heretical" though there was certainly a time when non-pharisaic interpretations were only "sectarian."

This is what one would expect generally in long conflicts within a community. Since any community includes people who may share only a few important norms and mutual connections, not every argument is grounds for fission. Rather, when a crisis arises, a period of debate takes place when the issues are clarified. New authority may develop to deal with the crisis. Temporary sanctions may be applied to warn the heretics of their behavior. Only at the end of a long process of definition will the heresy grow clear. However, after the limit has been set, the past history of the issue may be seen in much less ambiguous light. Once the end point is known the development takes on a different aspect.

² *Min* = heretic seems to have no convincing antecedents in Biblical Hebrew. Joël, *Blicke*, II, p. 71, derived it from מִּמְּיָן (believer, like *pistos*), which seems improbable. For a complete bibliography and discussion of the problems, see Elbogen, p. 36, Simon, *Verus Israel*, p. 217 f. and G. Hoennecke in the appendix to his study *Juden-Christentum*, p. 398. Levy, *NHW*, III, 104a derived the term from the arabic root meaning to lie, speak falsely, by comparing it with the assumed etymology of the Syriac, *mania*. However, *mania* is equally likely to have been a loan word from the Greek, meaning "madness." Herford, p. 362 suggested that the word came from a root shared by Hebrew and Aramaic (*min* in Hebrew, *ZN* in Aramaic). The word is associated with the Hebrew word, *ZNH* meaning "to commit adultery." Bacher's suggestion seems the most plausible to me. He derived the word from the Hebrew, *MYN*, meaning "kind" or "species," or "sex." From this it acquired the secondary sense of "sect." Finally, in rabbinic literature it became the word describing a member of that sect—a development paralleled by the word "GWY," which meant "nation" in Biblical Hebrew but evolved the meaning of "gentile" in rabbinic Hebrew. The *double entendre* that Herford noticed would hold in any case.

What we know about the rabbinic period seems to follow this general model. The standard, rabbinic modes of expulsion—HRM and NDWY—do not seem to have been formalized in the first and second centuries.³ At least, we do not have good evidence to suppose their use against the *minim*. However, the process of exclusion was certainly well underway by the time of the Mishnah's codification (200 C.E.) for the Mishnah prohibits the leader of the service from saying certain benedictions associated with the *minim*.⁴ Since the instrument of expulsion is liturgical in this case, perhaps we may trace the process back to the Yavnean community where Gamaliel (about 80-115) ordered Samuel the Small to compose a "benediction" against the *minim*.⁵ This would have made participation in synagogue services impossible for anyone identifying himself as a *min*. Though the tradition is from a later source and may have been embellished in many respects, such a development would not be unexpected in the Yavnean community, which had to deal with the problem of understanding what the term "Jew" was to mean after the temple was destroyed. Therefore we are dealing with a definition of the limits of Judaism which developed over the time and which may not have reached uniform practice until the very end of the second century.

Logically, one would think that a non-Jew would qualify neither as a sectarian nor as a heretic. Unfortunately, strict logic does not apply to the situation. There is a certain amount of evidence that the rabbis occasionally used the word "*min*" loosely to describe gentiles whose beliefs and practices resembled the Jewish heresy under consideration.

One thing is certain. The earlier scholarly attempt to identify the *minim* as a single group was misled.⁶ A variety of Jewish sectarian groups fell heir to the rabbinic designation, *min*. Depending on the context and epoch in which the specific tradition arose, *min* could refer

³ See Goeran Forkman, *The Limits of the Religious Community: Expulsion from the Religious Community within the Qumran Sect, within Rabbinic Judaism and within Primitive Christianity* (Lund: 1972). He relies on the work of C. H. Hunzinger, *Die jüdische Bannpraxis im neutestamentlichen Zeitalter* (Göttingen: 1954) and J. E. Mignard, *Jewish and Christian Cultic Discipline to the Middle of the Second Century* (Boston: 1966).

⁴ See p. 98 f.

⁵ See Berakhoth 28b. An original reference to *minim* in the "blessing" is generally conceded even though the contemporary liturgy has omitted the phrase. It can be reconstructed from versions in the Cairo Geniza. See Elbogen, p. 37 f.

⁶ Herford (p. 17 f.) tried to identify *min* with Christian but that is overly-simple, as will become apparent.

to Samaritan, Sadducee, gnostic, Judeo-Christian, and many others.⁷ This contributes to much of the confusion in identifying heretical groups and makes the careful determination of the place and date of the rabbinic traditions all the more important. Furthermore, in order to identify the various sectarian groups, one must also identify the heretical doctrine espoused by those groups and find evidence that the doctrine can be clearly associated with an historical group at the time the rabbinic tradition arose.

Those heretics who believed in "two powers in heaven" present a more promising target in the identification of sectarian groups than do other heresies, because some kind of dualistic doctrine is inherent in the rabbinic designation. However, as we have seen, that definition of dualism must be broad enough to include Christianity as a referent. At its beginning, Christianity was rather more "binitarian" than trinitarian, emphasizing only Christ and the Father as God. Since Christianity has been suggested as a candidate for the heresy by scholars, we must be prepared to allow that the "two powers in heaven" were complementary instead of opposing deities as one normally expects. The heresy may have been "binitarianism" or "ditheism" depending on the perspective of the speaker, but not necessarily opposing dualism. Thus, propounding a strict definition of the heresy before looking at the evidence will be impossible. Instead I will continue to call the heresy "two powers in heaven" as the rabbis did.⁸

⁷ According to j. Sanh. 10:5, there were 24 different kinds of *minim* at the destruction of the Temple. While the number "twenty four" must be purely conventional, it illustrates the complexities in identifying sectarian groups. The "*min*" who derided Alexander the Great for rising before the Jewish High Priest, thus showing him deference (Lev. R. xiii), is usually identified as a Samaritan, because Samaritans are reported in other legends to have criticized the Jews before Alexander. Ber. 9:5 refers to the institution of a benediction with the words "from eternity to eternity" which has been taken as a counter-measure against the Sadducees who rejected the concept of resurrection. A variety of Jewish Christians or gnostics have been seen as the opponents of the rabbis in b. Sanh. 39b. See JE, VIII, 595 for examples of these conventional identifications. S. M. Wagner has attempted to define several categories of deviation in rabbinic writings in *Religious Non-Conformity in Ancient Jewish Life*. Unpub. dissertation, Yeshiva University, 1964. However, the terms may have changed in meaning over their long history of use in tannaitic and amoraic literature.

⁸ The ambiguous translation "two powers in heaven" has been maintained with the knowledge that the Hebrew term is only approximated by the English "power." Its different meanings should perhaps be noted at the outset. From the root R-Š-Y, it has the general sense of power of disposal, permission, authority. In detail, it means the right of possession to something (see Foerster, TDNT, "exousia" 565 for examples) the authority of commission, the right or the freedom to do something, as heirs and

Of course, most rabbinic passages just use "two powers" and assume the reader will know what it means. Only a few passages in rabbinic literature actually elaborate on the subject of "two powers in heaven," and even these few passages define it from a confusing variety of perspectives. Some of the passages treat "two powers in heaven" as one category of heretical doctrine. Sifre Dt. 329, for instance, mentions those who believe in "no power in heaven," followed by those who believe in "two powers in heaven," and finally, those who believe

descendants at law (in Ket., 9:5; a divorced women in Ned. 10:3; the marriage Ned. 10:3 etc.).

When contrasted with H^WBH (obligatory) it means "optional" or "recommended" or "voluntary." It can mean "power" in the sense of "capability" or "ability," as when someone is able to move himself voluntarily, under his own power.

However, since the more normal word for power in the sense of "capability" is K^H, R^{SWT} should be distinguished as power in the sense of "authority" as when a piece of land is within the power of a person or community. Indeed, the terms does have many legal ramifications, in the fixing of limits on property rights and obligations. Accordingly, ŠTY R^{SWYWT} B^{ŠMYM} has often been taken to mean "two dominions in heaven." I use the more ambiguous term "power" because the texts show that dominion is not its primary meaning. Rather, as I will show in reference to the Greek understanding of the term "authority," R^{SWT} often has the implication of a figure or person and means authority in the sense that the figure has capability independent of God. Indeed, "two gods" is a common synonym.

The implication of "personage" may clearly be seen in the New Testament use of the word. In Greek, *dynamis* (power, capability) and *exousia* (power, authority) may be synonymous (see Liddell-Scott, *TDNT*). The LXX often translates MLKWT (dominion) as *exousia* or *dynamis*, though sometimes with other words as well. Strictly speaking, *dynamis* would imply an impersonal power when predicated of deity whereas *exousia* would imply a personal power. However, these distinctions become clouded in Hellenistic Jewish texts where the *dynamis* of the deity is sometimes hypostatized as a separate person. (Grundmann, *dynamis TDNT*, II, 295). Thus the exercise of God's power may be personified in the forces of angels who bear different names, such as *archai*, *kyriotētes*, *eklektōi*, *exousiai*, *thronoi*, *dynameis*. (Cf., Bertholdt Stade, *Theologie des A.T.*, I (1911) 375, for examples). The Hebrew word and the NT usage of *exousia* seem parallel except in matters where the NT theologically differs from rabbinic discussions. (Foerster, *TDNT*). In the NT, *exousia* may also mean the power of Satan, though it is sometimes seen as a derivative of God's power. In relation to Jesus, where it denotes his divinely given power and authority to act, it goes beyond rabbinic theology where only God can act independently in the heavenly realm, and thus gives credence to the rabbinic use as a charge against Christian heretics. In Christianity, it may also be used for the authority imparted to the church. (Foerster, *op. cit.* for examples.) Then too, the NT uses *exousia*, together with *archai*, *dynameis*, and *kyriotetes* to describe supernatural beings.

It is clear that what the rabbis objected to was not other heavenly beings. They too told stories about angels. However, they were particularly scrupulous to avoid the connotation that any heavenly being could exercise *independent authority* and every detail in characterizing a heavenly being's personality made that danger more real. It will become clear, then, that the rabbis will object to "two powers" heresy because they view it as a "two authorities" theology.

that God has "neither the power to kill nor to preserve." Of course, the categories for defining the heretics lack consistency. The expected parallel—many powers in heaven—does not appear here though it is attested elsewhere. The third group is defined in different categories than the first and second. The reason for this is that the rabbinic source is primarily concerned with the exegesis of the scripture under consideration—Dt. 32:39—which turns out to be a powerful argument against heretics. It is only secondarily concerned with categories of doctrine. Throughout the paper considerable attention will be devoted to the pattern of scriptural citation because the scriptural supports for heresy and orthodoxy were of primary importance to the rabbis. Their attention to scripture will guide us in reconstructing the argument between the rabbis and the heretics, at least as the rabbis saw it. After this has been done, it will be possible to assess the rabbis' perspective about the content of the heresy.

By outlining the difficulties encountered merely in defining terms, I am suggesting that previous studies have artificially simplified the problem. Yet, I do not mean to imply that the previous research is irrelevant in the gargantuan task of identifying these heretics. Previous researchers have been mature scholars educated since youth in traditional texts. Rather, the passage of time has brought new information and new methodologies to light making it possible to refine their insights and correct their biases. To appreciate the problem of partiality, one must survey the approaches that scholarship has taken on the problem.

Heinrich Graetz began the study of "two powers" heretics. He was attempting to relate the reports of gnosticism and anti-gnostic polemic in the writings of the church fathers with reports of sectarianism and heresy in rabbinic texts.⁹ Graetz's analysis of gnosticism centered on the figure of Elisha ben Abuya (ca. 110-135) whom tradition had branded the arch-heretic. Elisha ben Abuya was disrespectfully named "Aher" (Other), by the rabbis, as if he were too infamous to name directly. Graetz saw Elisha b. Abuya as the model antinomian gnostic. The relationship between Aher's apostasy and "two powers in heaven" is based on a long passage in the Babylonian Talmud (Hag. 14b) which

⁹ The literature on Jewish gnosticism from Krochmal, *Moreh Nebukei Hazeman* (Lemberg: 1851) and Graetz, *Gnosticismus* can be found in Blau's article in *JE*, V, 686. See also Weiss, *Dor*, II, 125 ff. Some modern problems are summed up in R. Mcl. Wilson, *The Gnostic Problem* (London: 1958).

concerns four rabbis' mystical journey to paradise. For Graetz, the passage became the paradigm of Hellenistic sectarian possibilities. In this passage, four sages—Akiba, Simeon b. Zoma, Simeon b. Azai and Aher—are credited with an ascension to Paradise (the *pardes*) while yet alive; only Akiba is reported to have survived the journey unharmed. For Graetz, Aher exemplifies of the antinomian wing of gnosticism; Simeon b. Zoma and Simeon b. Azai are representatives of the moderate Jewish-gnostic wing; only Akiba is exemplary of Jewish anti-gnosticism. Graetz described Aher as an antinomian because he is elsewhere reported to have stopped observing the law. His gnosticism was supposed by Graetz to derive from an incident on this heavenly journey. Having successfully avoided the dangers of the voyage, Aher arrives at the *Pardes* and sees the angel Metatron enthroned in heaven. Astounded, Aher asks whether there are “two powers in heaven” and becomes a heretic when he returns to earth. Graetz associated “two powers in heaven” with the anti-cosmic dualism that appears in extreme gnosticism. To do so, he emphasized Metatron's resemblance to the gnostic demiurge, who created an evil world and then tried to keep men from discovering the good, high god beyond his influence. Since Metatron is pictured as writing down the merits of Israel and since he is reported to be Moses' teacher in kabbalistic literature, Graetz reasoned that he must be equivalent to that gnostic god who has sovereignty over all earthly things. He must also be seen as subservient to a higher god, since the Talmud reports that he is punished by God for giving Aher the wrong impression. Consequently, the reports of “two powers in heaven” were seen by Graetz as extreme gnosticizing within Judaism, a tendency exemplified by Aher and characterized by a rejection of those aspects of Judaism which were difficult or dangerous to observe in the Hadrianic persecution (which he dated before the Bar Kochba Revolt). Even so, Graetz saw gnosticism as a Hellenistic phenomenon. It arose outside of Judaism and entered it during a time when the convenient adoption of its principles made life easier for those without the courage to stand fast to Judaism's monotheistic “orthodoxy.”

Graetz's dating and theories have deservedly been criticized because of his speculative reconstruction of events. However, every scholarly inquiry into Jewish gnosticism has continued to assume that reports of “two powers in heaven” are part of its subject matter.¹⁰ Other scholars have blithely assumed that “two powers in heaven” refers to Christ-

¹⁰ See p. 60 f. (Chapter 3) for a fuller discussion of the problem.

ianity. J. Z. Lauterbach,¹¹ suggested that refutations of those who believe in "two powers" are arguments against Christianity when it was still considered a Jewish heresy. To demonstrate this assertion he cited Dt. R. II, 33 where Solomon is reported by the rabbis to have stated categorically that the one God has neither son or brother. Since some texts associate this heresy with "two powers" Lauterbach felt that the second heavenly power must be Jesus. "Two powers" could only refer to Persian dualism if the parties were antagonistic,¹² while Christian theology might easily have been understood by the rabbis to posit a second divine figure working in harmony with and claiming to be the son of the one God.

R. Travers Herford¹³ also dealt with the rabbinic evidence but was misled by prior assumptions. As he saw it, his task was to collect all the passages describing Christianity in the Talmuds and midrash. However, he quickly took up the thesis that all the references to the *minim* refer to Christians, a view which he maintained in spite of evidence to the contrary. Predictably, he came to the conclusion that the *minim* who believed in "two powers in heaven" were Christians, though probably gnostic Christians. Of course, like other scholars of this period, his conclusion was not wrong for the entire history of the heresy. Herford's primary mistake was methodological. Having taken up a theory, everything was made to fit it, despite information which contradicted his thesis.

Only one study in this period dealt solely with the heresy of "two powers in heaven." That was the work of S. Rubin.¹⁴ His study defined "two powers" as any kind of dualism. Hence, he dealt with any philosophical dualism as "two powers in heaven," mentioning the talmudic period only superficially and without any real historical method. He also fancifully assumed that the talmudic dualists were Manichaeans because the term *min* resembles the name *Mani*.

A more significant direction was taken by A. Marmorstein¹⁵ who studied eight tradition clusters concerning those who believe in "two

¹¹ Lauterbach, *Jesus*.

¹² Lauterbach is assuming that sons and brothers could not be antagonistic in the heavenly economy. However, he neglects to mention that Ahura Mazda and Angra Mainyu are spoken of as brothers in Persian literature and that a monotheistic heresy in Zoroastrianism, namely Zurvanism, assumed that there was a common father for both.

powers." His efforts were devoted to the interrelation between rabbinic Judaism and Christianity, but the passages themselves were discussed under the rubric of the *dogmata* (*Lehrsätze*) of the gnostics, implying a certain reticence to identify the traditions as referring strictly either to Christian or gnostic groups. Even in some later works, Marmorstein¹⁶ found it impossible to reach any final conclusion about the identity of the rabbis' opponents, allowing both Christians and gnostics as possibilities from the internal evidence. According to Marmorstein, the critical evidence must come from external sources. He was most hopeful of developing "statistical data," by which he seems to have meant demographic and sociological information about the geographical proximity of various opponent communities to the rabbinic sages. Yet, Marmorstein tended in other writings to ignore his more cautious statements. He attributed the tannaitic reports of "two powers in heaven" to anti-gnostic polemic; those afterwards he attributed to anti-Christian polemic.¹⁷ No good reasons were developed for the assumption of such a chronology. Rather he seemed to rely on the then new, but now outmoded, scholarly consensus that Christianity grew out of a hypothetical pre-Christian gnosticism. Viewed from our later perspective, his assumption of a pre-Christian gnosticism was premature. Proof of its existence has remained elusive, though there is growing evidence of non-Christian gnosticism.¹⁸ With more careful examination of the data, and without making assumptions at the outset, it is hoped that a few more clues about the origin of gnosticism, and its relationship to Judaism and Christianity can be recovered in the reports of "two powers in heaven." But it is certainly counter-productive to assume any sequence or development for the data before it has been thoroughly analyzed.

Among more recent scholars, Adolf Büchler¹⁹ made a most helpful contribution by asking why many statements attributed to heretics vilify Jews but not the biblical claims of Israel. He then suggested that these "sectarians," though called "heretics," must have understood themselves as non-Jews. Therefore, the term "heretic" must be comprehended in its historical context. As an example of this, he showed that Jewish

polemic against heretics sometimes was aimed at gentile Christians like Justin Martyr.²⁰ Only a person who wanted to place his group in the privileged position of Israel would attempt to discredit the Jews without doing damage to Jewish exegetical traditions. More interesting still for this study is the fact that some of the arguments of Justin are called "two powers" arguments by the rabbis.²¹ When his evidence is fully seen it is sufficient to conclude that Christians were sometimes described as "those who believed in two powers,"²² but only in one particular time and place. We must still leave open the possibility that other groups at other times used the same arguments and hence warranted the same designation.

Even though these scholars did not solve the problem adequately, a great deal has been learned about the significance of the reports of "two powers in heaven" from them. The earliest studies tended to assume that the reports of "two powers" were evidence for their hypotheses about early Jewish heretics, whether they identified them as Christians or gnostics. As time went on, it became clear that more than one group could have been involved. What is needed now is an impartial study of the reports without any previous assumption about their referents or priorities.

The groundwork for impartial study of "two powers" tradition was begun by G. F. Moore.²³ Moore dealt with the problem of "two

²⁰ His argument for the association is made by reviewing the scriptural passages used to fight dualism. These would include Gen. 1:26 ("Let us make man in our image") where the possible interpretation of God's having an associate in creation proved difficult to the rabbis. Of course, the rabbis record many instances of these difficult passages. One such instance, Gen. 19:24, was discussed in Sepphoris around 200 C.E. by Ishmael ben Yosi. The verse reads "The Lord rained down fire and brimstone on Sodom and Gomorrah from the Lord from heaven." The difficulty here is a possible inference of two gods from the otherwise superfluous "from the Lord."

As Büchler points out, Justin Martyr used this verse in his *Dialogue with Trypho* to demonstrate that the God who appeared to Abraham, Isaac and Jacob, was the Christ and a different divine figure from the God who had planned the creation. Further, one of the Jews accompanying Trypho admits that one of the two angels who had gone to Sodom was called "God" by Abraham. Apparently, Justin Martyr also knew of Jews who allowed one name of God to refer to something like a *logos* but refused to identify the *logos* with Jesus as he had done. Since Justin also lived in Tiberias at the same time as R. Ishmael b. Yose, we have the beginning of the kind of "statistical" or demographic evidence that Marmorstein was seeking.

powers in heaven" briefly and in philosophical rather than historical terms in his discussion of the Jewish concept of God. He showed that the rabbis basically criticized these heretics for compromising the monotheistic center of Judaism. But he also reasoned that the designation of "two powers" could not refer to polytheism, for polytheism would hardly have been a danger within the Jewish community. However, there were two trends within sectarian Judaism which Moore felt might account for this peculiar rabbinic designation. Some theory of two deities might be related to the several descriptions in rabbinic literature of those who believed God to be the author of good only. Alternatively, a very sublime and transcendent concept of God might lead to a role as divine agent for intermediary heavenly powers, like either the demiurge of gnosticism or the Christ of Hellenistic Christianity. While he masterfully described the rabbinic understanding of monotheism, Moore found it impossible to decide between the two logical possibilities for the identity of the "two powers" heresy. Instead, he summarized the issues by commenting on the advantages of dualism for reconciling the evil and imperfection so perceptible in the world with the goodness and perfection posited of God. Since dualism was also a widespread solution to the problem of theodicy in Hellenistic philosophy, it was not surprising to Moore that dualistic heresies arose in Judaism.

Obviously all the scholars who have written on the problem of "two powers" have seen gnosticism, Judaism, and Christianity as related phenomena, but I have not discussed that aspect of their thought yet because no two scholars agreed completely on the causal nexus between them. It would go too far afield now to summarize the many relationships which scholars have posited between Judaism, Christianity and gnosticism. Perhaps since gnosticism was first described by church fathers, Christian scholars have been the most interested in the problem. Although there is agreement among them in correlating Christianity with gnosticism, there is hardly any agreement on a theory which would explain that correlation. Particularly thorny has been the problem of whether gnosticism or Christianity is the chronological predecessor. Did Christianity grow out of a gnostic environment or did gnosticism grow out of a Christian one? The early church fathers saw gnosticism as a Christian heresy and they first reported the term "gnostic" as a description of it.

But from Graetz's time forward it became clear that the question of priority could not be addressed without careful study of Jewish text.

In his book,²⁴ Moritz Friedländer put forth the thesis that gnosticism is a pre-Christian phenomenon which originated in antinomian circles in the Jewish community of Alexandria.²⁵ This was a clear statement of the priority of gnosticism to Christianity; it was also innovative in its suggestion that gnosticism originated in Judaism.²⁶

Later in the twentieth century, the "History of Religions" school came to similar conclusions from different evidence for the priority of gnosticism to Christianity. They saw the predecessors of gnosticism in Persian and Mandaic texts and theorized that gnosticism grew out of Jewish thought that had absorbed Indo-Iranian themes.²⁷

Based on this consensus, many New Testament scholars feel that Christianity actually adapted a pre-existent gnostic savior myth to the facts of Jesus' life.²⁸ The discovery of gnostic texts at Nag Hammadi has verified the existence of a non-Christian gnosticism in the third century, but no document of pre-Christian gnosticism (which according to Bultmann developed out of a combination of Persian mythology with Israelite traditions) has been discovered. Nor has any one document from the early periods evinced the entire so-called gnostic salvation myth. In fact, we lack any pre-Christian texts which evidence the kind of anticosmic, exclusivistic beliefs evident in the Nag Hammadi texts. Without some contemporary evidence we cannot be sure even of the major tenets of any possible gnosticism in Jesus' time. In order to point out this difficulty, a group of researchers, gathered at Messina, agreed to use "gnosticism" to refer exclusively both to the phenomena outlined by the church fathers and to the later developments of those phenomena, while using "gnosis" to refer to gnostic traits and themes occurring earlier.²⁹ No agreement was reached as to whether the *gnosis*

²⁸ This theory particularly characterizes those scholars influenced by R. Bultmann, to mention the foremost scholar having held this view. For a short review of the evidence brought by scholars for the existence of a gnostic redeemer myth see Meeks, *The Prophet-King* (Leiden: 1967), pp. 6-17. which preceded gnosticism was proto-gnostic (that is, incipient gnosticism), or only pre-gnostic (that is, a chronological but unessential predecessor to gnosticism).

Gilles Quispel has dealt specifically with the gnostic problem and "two powers" heretics in his essay on the significance of the Jung Codex.³⁰ His basic point is that, since Jewish sectarianism has lately been shown to be more extensive than previously thought, both our ideas of Christian and Jewish orthodoxy and the origin of gnosticism should be re-evaluated. In a tack which anticipates some of the conclusions of this essay, he sees a relationship between "two powers" heresy and mystical traditions of the Merkabah type which hypostasize the "name of God" as a separate angelic being. At the same time, he sees a greater relationship than commonly recognized between these Jewish mystical traditions and Christian or apocalyptic works on the one hand and gnostic works on the other.

Several other scholars have seen a relationship between gnosticism and heterodox Judaism. R. M. Grant³¹ promoted the position that gnosticism is to be explained as a response to the failure of Jewish apocalyptic. M. Mansoor³² has seen Qumran especially as the source of gnostic speculation and his views have been corroborated by Ringgren.³³ Hugo Ödeberg³⁴ and Nils Dahl³⁵ have pointed out the relationship between gnosticism and early Jewish mysticism, with Christianity serving as an intermediary between earlier mysticism and the later gnosticism. Good summaries of this new perspective have been published during the last few years. For instance, H. F. Weiss³⁶ has reviewed some of the "two powers in heaven" reports in rabbinic literature, together with the reports of early mysticism, in his study

²⁹ Bianchi, *Gnosticismo*. Unfortunately much of the clarity ostensibly achieved is not carried into practice since the adjective derived from both gnosticism and *gnosis* is "gnostic".

of cosmology and creation in Hellenistic and Palestinian Judaism. He is especially interested in the parallels between the rabbinic reports and the impersonal kinds of mediation that parallel Greek philosophy. Martin Hengel has recently published a summary of the material as part of an argument that the title "Son of God" developed within the Jewish milieu of early Christianity.³⁷ In doing so, he reviews much of the evidence about angelic mediators which will become important in this study and mentions the rabbinic references to "two powers in heaven" as relevant.

Most of these works argue that extreme gnosticism cannot easily be shown to precede Christianity. Yet, some of the most difficult aspects of this thorny problem of the definition of gnosticism can be side-stepped in the study of "two powers." Our texts make a different distinction necessary. When the rabbis describe "two powers" in heretical beliefs which are antagonistic (and other opposing dualisms can be ruled out) extreme gnosticism is the indicated heresy. But, when the "two powers" are complementary, some other kind of heresy is indicated. A variety of concepts generally thought to contribute to extreme gnosticism—apocalypticism, Merkabah mysticism or *gnosis*—may be considered when the texts suggest two corresponding powers in heaven, but not extreme gnosticism. In other words, for rabbinic purposes, the key criterion separating extreme gnosticism from earlier phenomena—whether they be pre-gnostic or proto-gnostic—is the opposition between the two powers. All the configurations were heretical.

The rabbinic texts about "two powers" can yield new evidence in the controversy over the origins of gnosticism and its relationship to Christianity, if they are treated with these sensitivities in mind. For instance, sometimes it will be possible to isolate and date different strands of the rabbinic attack. In those cases, we will be able to tell whether opposing dualism or the moderate, corresponding "binitarianism" entered rabbinic purview first. On that basis, we will be able to sketch the outlines of a history of the heresy of "two powers," including an approximate date for the entrance of several different heretical groups into rabbinic scrutiny. This, in turn, will suggest a progression and relative chronology of apocalypticism, mysticism,

Christianity and gnosticism as historical movements, at least as the rabbis saw them. Of course, this evidence by itself cannot be final. The rabbis may have missed some aspects of the phenomenon or have chosen not to record their earliest encounters. But the task of this paper is to explain what has been preserved, not speculate on what has not.

The research into the heresy of "two powers in heaven" has been done by illustrious scholars, though it should be evident by now that the time is ripe for formulating some significant new conclusions. New discoveries have brought to light important new information about the religious movements of that time. The known variety of dualistic possibilities for the identity of the heretics should now be explored. It would be helpful to the search for ditheistic sects to review each possibility, noting briefly what has been learned recently about each.

According to the *Jewish Encyclopedia* of 1901,³⁸ Zoroastrianism, Philonic theosophy, Manicheanism, and gnosticism were the dualistic phenomena opposed by the rabbis, while Essenism had improperly been considered a dualistic possibility. Twentieth-century scholarship has reversed these conclusions almost entirely. We have already seen the extent to which Christianity is implicated. Furthermore, while Zoroastrianism remains a *possible* referent for the antidualistic polemic of the rabbis, it cannot be considered the *probable* target any longer. For one thing, Zoroastrianism cannot be considered the classical case of dualism which it was once supposed to be. In the Gathas, Zarathustra evinced characteristics both of a monolatrism and a dualist³⁹—monolatrism, because he worshipped only one God; dualist, because he seemed to believe in two aboriginal, opposing, moral principles, truth and falsehood. Zarathustra's supposed writing (the oldest writing to survive in the Avesta) is ambiguous enough on the subject of dualism to require clarification by strictly dualistic commentary of later texts. Unfortunately, while the younger Avestan texts develop the theme of moral and cosmological dualism, they also contain references to gods which are, at best, extraneous to Zarathustra's system and which appear logically to contradict most of his thought. Hence, dating the emergence of dualistic thought in Persia is quite difficult. Apparently, Iranian religion was able to subsume a variety of differing theological tendencies. Not

³⁸ Kaufmann Kohler and F. G. Hoffmann (*JE*, V, 5 f.) criticize Zeller (*Gesch. der Philosophie*, 2nd ed., iii, 250) for the notion that the Essenes espoused dualism.

³⁹ Exactly what Zarathustra contributed to Zoroastrianism is still hotly contested. See, e.g., Ilya Gershevitch, "Zoroaster's Own Contribution to Zoroastrianism," *JNES*, 23 (1964), 12-31.

until after Zoroastrianism became the state religion of the Sassanian Empire (ca. 225 C.E. at the earliest) can strict dualism be documented as the end-product of a long development towards orthodoxy. The result is that some scholars now place the emergence of clear dualism as late as the end of the Sassanian Empire in the fifth century C.E.⁴⁰ On the other hand, dualism cannot be ruled out completely as a characteristic of early Persian religion. A fragment of Aristotle's *peri philosophias* cited by Diogenes Laertius reports that the Magi believed in two opposing moral principles.⁴¹

No doubt, Morton Smith is right to point out that Persian influence on Israelite culture has been generally underestimated because of the lack of textual evidence.⁴² Since documentation of this influence is further hampered by lack of knowledge about when dualism became characteristic of Persian religion, stylistic rather than philosophical parallels have become important in pointing out the relationship between Persia and Israel. M. Smith⁴³ characterized a genre in II Isaiah as typical of the Persian court in Babylonia. In the oracle concerning Cyrus (Isa. 44:24-28, 45:1-7) YHWH's theophany is framed in terms similar to those that frame Marduk's praise of Cyrus. This suggests that the writing is meant to describe YHWH with the grandeur reserved for Babylonian royalty, though adapted for Cyrus's political purposes. These findings are important to us because they include the basic biblical polemic against dualism, for instance: (Is. 45:7) "I form light and create darkness, make weal and create woe, I, YHWH, do all these things." These statements represent a clear change from the creation story in Genesis where God creates light, but not darkness. Such insistence on God's authorship of all creation (even risking contradiction of other biblical traditions) would implicate Zoroastrian dualism as the target of the prophet's polemic.⁴⁴ Yet it is important to note that Persians are not the only people singled out as opponents of YHWH. The prophet argues in the same passage that the gods and religions of all the other nations have no power. This kind of

polemic would certainly fit the new picture of religion in the Persian Empire of II Isaiah's time—a picture which sees Zoroastrianism as a small minority even within the Persian ruling class, who also tolerated both the traditional religions of its conquered peoples and several non-Zoroastrian strains of their own Persian religion.

The conclusions about Persian thought relevant to our study can thus be summarized in the following way: Although Zoroastrianism can be pinpointed with some probability in Isaiah's writings and although Isaiah's writing serves as the basis of the rabbinic polemic, it is not necessarily true that Zoroastrians were the heretics who believe in "two powers in heaven." Another piece of evidence which argues against the identification of Zoroastrians with "two powers" heretics is the fact that many rabbinic writings do not hesitate to identify Zoroastrians by name and to name their gods:

A magi (sic) once said to Amemar: From the middle of your (body) upwards you belong to Ormazd; from the middle downwards to Ahriman. The latter asked: Why then does Ahriman permit Ormazd to send water through his territory? ⁴⁵

The Magi are openly defeated. There is no reason for the rabbis to use more obscure terms.

The Dead Sea Scrolls, however, have given us significant evidence of dualism within Judaism. Some scholars even claim that Qumran was a case of Jewish sectarian absorption of Persian thought. T. H. Gaster, for instance, sees Qumran as the Jewish form of Zoroastrianism. ⁴⁶ Whether or not they were "Zoroastrian Jews" is still problematic, but it is growing clear that the Dead Sea covenanters were a kind of Essene. ⁴⁷ Because of the Dead Sea Scrolls, we can be certain that some apocalyptic and sectarian movements within Judaism developed dualistic tendencies which could have been described as "two powers in heaven" by the rabbis. Even without raising the issue of their relationship to Zoroastrianism (which, in any case, was unnoticed by their contemporaries) the Qumranites can be seen as a contemporary source of dualism.

In the Manual of Discipline of the Dead Sea Scrolls, ethical dualism is boldly outlined:

He created man for dominion over the earth; and he set in him two spirits for him to set his course by them until the set time of his visitation. They are the spirits of truth and of perversity. In a dwelling of light are the generations of truth and from a well of darkness come the generations of perversity. In the hand of the prince of lights is the dominion of all the sons of righteousness; in the ways of light will they walk. In the hand of the angel of darkness is all the dominion of the sons of perversity and in the ways of darkness they will walk.

And by the angel of darkness are the errors of all the sons of righteousness; and all their sins and iniquities and guiltiness and deeds of transgression are in his dominion according to the secrets of God for his appointed time. All their afflictions and set times of their troubles are under the dominion of his hostility and all the spirits of his portion are set to trip up the sons of light, but the God of Israel and his angel of truth are the help of the sons of light.⁴⁸

Just as the two spirits of truth and error vie for the rule of man's heart, so does a man belong to the good party of righteousness or the evil party of iniquity. From the War Scroll, it becomes quite clear that the Qumran group felt itself to be the elect which, though then few in numbers, would one day serve with the angels as God's divine army, vindicating their present outcast status with victory at the end of time.

Although the Dead Sea sectarians seem to be dualists, they also believed in one transcendent God above all the angels. For them, each of the moral forces, good and evil, had a captain. The angel of darkness and the angel of truth would correspond to the spirit of light and the spirit of darkness. Other apocalyptic documents contain similar dualistic statements.⁴⁹ Otzen,⁵⁰ for instance, pointed out dualistic phrases in the Testament of the Twelve Patriarchs: "Know, therefore, my children that two spirits wait upon man—the spirit of truth and

the spirit of deceit," ⁵¹ and "Two ways hath God given to the children of men and two wills, two places and two goals." ⁵² Of course, there is room for saying that this dualism is less extreme than that of Qumran, merely reflecting a belief in two opposing human impulses. ⁵³ Traces of this kind of dualism even occur in rabbinic thought where they are not regarded as heretical. The rabbis developed their own theory of man's two impulses, the impulse toward good, and the impulse toward evil. ⁵⁴ In a *baraita*, R. Akiba is also supposed to have articulated a theory of extreme, ethical dualism:

After his apostasy, Aher asked R. Meir [a question], saying to him: What is the meaning of the verse: *God hath made even the one as well as the other?* He replied: It means that for everything that God created He created [also] its counterpart. He created mountains, and created hills; He created seas, and created rivers. Said [Aher] to Him: R. Akiba, thy master, did not explain it thus, but [as follows]: He created righteous, and created wicked; He created the Garden of Eden, and created Gehinnom. Everyone has two portions, one in the Garden of Eden and one in Gehinnom. The righteous man, being meritorious, takes his own portion and his fellow's portion in the Garden of Eden. The wicked man, being guilty, takes his own portion and his fellow's portion in Gehinnom. R. Mesharsheya said: What is the Biblical proof for this? In the case of the righteous, it is written: *Therefore in their land they shall possess double.* In the case of the wicked it is written: *And destroy them with double destruction.* ⁵⁵

Aher had asked a question which implies he was thinking of an heretical dualism. Meir replied with an exegesis about God's plan for creation. Then Akiba is credited with a statement of ethical dualism which, while careful to preserve man's free will, nevertheless resembles many passages in apocalyptic and even some Qumranic literature. We should probably assume that these dualistic ideas were more commonly shared among all sects of Judaism than is evident from orthodox rabbinic texts. Since this passage also makes clear that aspects of op-

posing dualism were subsumed by the rabbinic movement, it is less likely that any ethical or opposing dualism *per se* would become the target of the "two powers" polemic. In the course of the paper we will have to observe the specific criteria which made a dualistic system heretical.

Since the Christian messiah may have been a target of the "two powers" polemic, other mediating or intermediary divine helpers in Jewish tradition may also have offended rabbinic sensibilities. The Aramaic terms *Yeqara*, *Memra*, and *Shekkinah* could be included in the heresy to the extent that they were not verbal subterfuges and point to a metaphysical or theological conception.⁵⁶ However, it seems likely that these traditions represent rabbinic attempts to explain dangerous scripture rather than "heresy" itself.

In view of the lack of other evidence and because of his obvious genius, Philo has long been held to be the example *par excellence* of "Hellenistic Judaism" of the first century. His use of the term *logos* points to Jewish familiarity with Hellenistic philosophical schools. Philo's concept of the *logos* is a combination of Platonic ideas of divine intermediation and the Stoic world spirit. *Logos* is equivalent with the intelligible world; but, because it can be hypostasized, the *logos* can also be viewed as a separate agent and called a god. Hence any Jew who shared Philo's ideas of the nature of divinity could be a prime candidate for the charge of "two powers in heaven."⁵⁷

Philo writes about the providence of God in another way as well—in terms of His powers summarized by the creative and ruling power. We shall see that these traditions may also have some bearing on the problem of "two powers in heaven."

Many scholars have pointed out that Philo's conception of *logos* is intimately related to other Hellenistic Jewish traditions about the

⁵⁶ The history of the argument about the nature of the *Shekkinah*, *Memra*, and *Yeqara* is ably summed up by A. M. Goldberg in *Untersuchungen über die Vorstellung von der Shekkinah in der frühen rabbinischen Literatur*, pp. 1-12.

⁵⁷ Several scholars have seen relationships between Jewish heresy and the various schools of Hellenistic philosophy. One should mention perhaps Joël, whose thesis is that the mystical texts discussed briefly above were the product of Jewish speculation in Platonic and neo-Pythagorean modes. H. Fischel has also pointed out many relationships between Jewish traditions and Epicurean, Stoic and Cynic thought. (Henry Fischel, *Rabbinic Literature and Greco-Roman Philosophy: A study of Epicurea and Rhetorica in Early Midrashic Writings*, Leiden: 1973). He feels that the traditions about the four who entered the *pardes*, which we discussed previously, are linked with Jewish epicureanism.

figure of Wisdom, the name of God, and the great archangel that mediated the Sinai theophany. It is possible that underlying Philo's philosophical language are exegetical traditions which he shares with many other Jews.

Any angel who assumed a primary role in heterodox Jewish tradition might have been the subject of the rabbinic injunction. This would include traditions about the angel Melchizedek, a heavenly Jacob, Michael, Gabriel, or the hero Enoch. The rabbis themselves associated "two powers in heaven" with Aher, who had travelled to heaven and seen the angel Metatron in a posture that suggested two powers.

The relevance of the "son of man" tradition reiterates what has already become obvious: Christianity must be considered as one of the prime candidates for the charge of "two powers in heaven," because the Christian community relied on many of the traditions of a principal angel for its exaltation christology.⁵⁸ Where a glorified christology developed, criticism of "two powers in heaven" could be levelled by the rabbis. The evidence has already been reviewed in discussing the work of Buechler and Marmorstein.

We have few clear references to Christianity in the talmuds and midrash. Presumably this is partly due to censoring of texts by medieval Church authorities. Most references to Jesus are late, such as: "On the eve of Passover they hanged Jesus and a herald went out before him for 40 days. Let him be stoned for he has committed sorcery and has deceived Israel and led it astray."⁵⁹ However the charge that Jesus was a magician was early: Justin⁶⁰ refers to it. The New Testament implies it. Since historical references to first-century Christians are unsure and obscure in the talmud and midrash, Christianity becomes an even better candidate for the charge of "two powers in heaven."⁶¹

Most of what can be said of Christianity as a candidate for "two

⁵⁸ N. A. Dahl, "The Johannine Church and History" in W. Klassen and G. Snyder, *Current Issues in New Testament Interpretation* (New York: 1962), suggests a relationship between *Merkabah*-traditions and Christianity, especially the Gospel of John. See also Dahl, "Christology notes."

⁵⁹ b. San. 43a. Notice the later rabbinic attention to halakhic procedure. Jesus should have been stoned for "sorcery" and "leading astray," not crucified, which was improper execution in rabbinic law.

powers" heresy may also be true of gnosticism, as we have seen. Where a demiurge and transcendent god are described, the rabbinic charge of "two powers in heaven" becomes plausible; where a complex system of archons and spheres is described, the closely associated charge of "many powers in heaven" becomes possible as well.

Marcion must be mentioned as an example of Christian dualism. He is often classified as a gnostic, but his gnosticism is of such an individual kind that he would be better defined as a radical, Pauline Christian with gnostic affinities. Almost all our information about Marcion is derived from the church fathers, who were hardly complementary, but not necessarily totally inaccurate. When the rabbinic description of "two powers" heresy warrants it, Marcion's thought will have to be investigated.

If growing knowledge of the Hellenistic world has widened the field of candidates for the identification of "two powers" heretics, the passage of time has also brought more sophisticated tools for study of the primary texts themselves. Methodological advances in the study of religion have had ramifications for the traditions about "two powers." In particular, insights gained from form, source, and redaction criticism of the New Testament have made new and more careful assumptions necessary for the study of rabbinic literature. The most emphatic spokesman for this enterprise is Jacob Neusner, whose approach to rabbinic literature is ground-breaking.⁶²

Though the technical issues cannot be discussed in detail, the methods must be described. Source criticism tried to isolate the separate documents or traditions within the literature. Based on these results, form criticism presupposes and concentrates on the oral stage of development of folklore. It assumes that the sources of the traditional literature can be found in an oral genre which can be identified and whose properties can be studied in reference to the specific historical or social institution (*Sitz-im-Leben*) which produced it. The genre produced, however, is usually maintained even after the social institution

has faded or after the tradition has been written down, although literary styles in turn influence the tradition in different ways.⁶³ These observations, however inexact, have been used extensively in European and biblical folklore. In the study of the New Testament they have been massively employed to distinguish between the traditions which go back to Jesus himself and those which are probably products of the early church.⁶⁴ The application of this technique has restricted our confidence severely. For instance, in the search for the Jesus-layer of the gospel traditions, the overriding criterion for authenticity has had to be that of dissimilarity. Only those traditions essentially dissimilar from the general ideological milieu and later tendencies of the church can be firmly allowed as authentic to Jesus.⁶⁵

Redaction criticism is the name for scholarly analysis of the motives behind the editing of a document in its present form. It asks the question—*a cui bono*—to whose advantage is the preservation of the statement under discussion. As such, it often isolates the *Tendenz* characteristic not just of the literary redactor (as was originally hoped), but also of a long period of editing. Form criticism and redaction criticism, then, are complementary ways to study any tradition—the first emphasizing the context out of which the tradition arose, the second stressing the perspectives and biases of the people who preserved it.

Some rules of tradition formation, of course, hold for all folklore. Others are particular to specific cultures and must be examined individually. In the study of rabbinic literature, adoption of form and tradition criticism has not been quick. Consequently, there are few specific principles that can be generalized about rabbinic thought as

⁶³ Jan Vansina, *Oral Tradition: A Study in Historical Methodology* sharply distinguishes between oral traditions in preliterate and literate societies. Oral tradition in literate societies is limited to exchanges which take place in every day conversation and are handed down randomly, without special institutions. Rabbinic traditions are evidently an exception to these observations, as J. Gager points out, "The Gospels and Jesus: Some Doubts about Method," *JR* (1974), 250.

⁶⁴ The literature on form criticism of the New Testament is manifold. See Edgar V. McKnight, *What is Form Criticism?* (Philadelphia: 1969), for basic bibliography.

⁶⁵ Other criteria for authenticity—coherence, multiple attestation, and Aramaism are either more suspect or reducible to the criterion of dissimilarity. See J. Gager's article, cited above, for a discussion of these criteria. Obviously, the criteria for authenticity are not applicable to rabbinic traditions without adaptation. Probably, the criterion of dissimilarity can be used most fruitfully only with the traditions attributed to the most pre-eminent rabbis. The real work on establishing criteria for authenticity in rabbinic writing has yet to be done. See Neusner, *Eliezer b. Hyrcanus, The Tradition and the Man* (Leiden: 1974-5).

yet. Basically we shall only be able to use the method to distinguish between various levels of the traditions in the same rabbinic text.

Since consensus has not yet been reached about how to apply insights gained from other cultures' oral traditions to the study of rabbinic literature, scholars must make careful, cumbersome methodological suppositions concerning the date of rabbinic writings. In most cases this means that the wording of a tradition cannot be proved earlier than the second century. Therefore, it would not be out of place now to anticipate a specific dating problem in the "two powers" materials in order to exemplify the constraints which form and redaction criticism must place upon us until a consensus is reached. R. Simlai and R. Yohanan are credited with a principle for defeating heretics who based their belief on the plurality of divinities on scripture.⁶⁶ For instance, some heretics used statements like: "Let *us* make man... (Gen. 1:26)" as positive proof that there is more than one God. Either R. Yohanan or R. Simlai simply observed that wherever God is described in plural terms, a singular form follows closely in scripture, disproving the heretical exegesis. They are therefore credited with the principle that wherever the heretics base their arguments on scripture, their defeat is close at hand. The problem is not merely that the same principle is attributed to two different rabbis. They were close contemporaries and R. Yohanan was the teacher of R. Simlai. The problem is even more complicated. Although the principle is attributed to the third century rabbis, the argument also occurs frequently in texts attributed to second century tannaim, without reference to R. Yohanan or R. Simlai.

There are two basic ways to resolve this contradiction in attribution. Either R. Yohanan and R. Simlai's names are associated with an exegetical principle which is of greater antiquity, or the principle was added into the earlier traditions as a gloss because it dismissed the heresy in summary fashion. While pious Jews have always been disposed towards the former solution, careful historical methodology demands that we use the latter solution as the basis for inquiry. Since we are dealing with a culture which distinguished various levels of antiquity of traditions in order to formulate legal precedents and valued older traditions more highly, we must rule out the earlier dating by methodological premise *unless and until* other evidence warrants it. In other words, when dating is in doubt, the *onus* of proof is on the scholar who wants to maintain an early dating. The study of oral forms and the

⁶⁶ See p. 121.

application of the criterion of dissimilarity forces a methodological skepticism of antique dating because cultures like the one in which the rabbis lived characteristically attribute new thoughts to more and more ancient authority as a way of expressing the value of the thought. In the particular case at hand, we will find that the third century principle is always recognizable by means of its unique wording. So whether or not the argument was more antique than the third century, R. Yohanan and his pupil impressed a datable form upon it.

Though this limitation on dating in rabbinic literature is strict, any attempt to reconstruct a first century form of the "two powers" traditions is not automatically precluded. When there are hints for the existence of an earlier form of the tradition than can be provided from the rabbinic evidence alone, (as will be true for the "two powers" traditions) there are warrants for searching other first century, non-rabbinic literatures for further evidence of it. The different varieties of early dualism have already been discussed, so both the magnitude and the possibilities inherent in such a task must already be evident. However, if we postpone that task until after the rabbinic material is surveyed, we can look through the extra-rabbinic documents for evidence of the specific beliefs which the rabbis opposed. In other words, even if the rabbinic evidence alone cannot demonstrate the existence of a heresy in the first century and before, it may yet give us hints about the earlier forms of the thought which were in the process of becoming heretical. It may not give us all the evidence, but we may only properly discuss phenomena indicated by rabbinic texts. Though the limitations of such a methodological attack must be evident, they will provide us with some important new information.

In some ways, the study of tradition formation in rabbinic Judaism is easier than the comparable and older study of tradition in the New Testament. In New Testament scholarship, one has to begin with complete skepticism of every statement attributed to Jesus because the positive benefits of attributing a church doctrine to its original, supernatural author were immeasurable. In rabbinic tradition not every thought needed to be attributed to an early sage, because the deliberations of every rabbi were considered divinely inspired. One must be alert to the specific gain in authority (for instance, in legal precedent) when an amoraic tradition is elsewhere attributed to a tanna. Then too, it is far sounder method to use the New Testament to corroborate a first century date for a rabbinic tradition than to use rabbinic literature to illuminate and date New Testament traditions, as is now often done.

With reference to the "two powers" heresy, I believe I can show some positive results from Christian and extra-rabbinic literature, even given the methodological precautions, if the reader is patient enough to follow a necessarily long and sometimes tedious argument. Unfortunately, not until one places the results of the analysis of rabbinic text in the context of extra-rabbinic, Jewish-sectarian, and Christian writing does the great antiquity and significance of the "two powers" traditions become manifest.

The proper procedure for this study, then, is to collect, collate, and consider all the evidence about "two powers in heaven," both in the tannaitic and amoraic periods. This corpus will itself be important because the collation has never been accomplished before. Close analysis will be necessary to isolate the various generic and formal characteristics of the traditions, to separate the stages in the development of the argument itself and to reveal clues about the identities of the heretics. Sometimes it will be necessary to distinguish many different layers of tradition in one passage. Often no firm dating will be possible. Particular attention will have to be paid to the scriptural passages from which the heretics derive their doctrines. But only after these considerations have been weighed can we discover whether the biblical passages were actually used by some contemporary dualistic group or were only biblical stylizations of heresy, invented by the rabbis themselves. This analysis will be carried out in Section II (The Rabbinic Traditions).

When the rabbinic evidence has been sifted, we will be in a better position to judge which of the dualistic communities reviewed earlier in this chapter were the likely targets for the rabbinic polemic at any isolatable time and place. With the extra-rabbinic evidence we will also be able to solve some of the ambiguities of the rabbinic texts. For this reason, many of the final conclusions about the significance of the rabbinic reports will necessarily be found in the chapters of Section III dealing with extra-rabbinic evidence. This is, admittedly, an inconvenient place to look for the conclusions about the rabbinic corpus, but this complex problem necessitates such a difficult form. I think the task worth the effort because a new clarity about the rabbinic view of the rise of Christianity and gnosticism can be gained by the end. This information is important for its own sake. But it becomes essential information when one realizes that the rabbis were among the closest, most expert, and most concerned contemporary observers of Christianity and gnosticism.

(Another comment: *Face after face*) R. Levi said: God faced them in many guises. To one He appeared standing, and to one seated; (See Gen. 28:13 and Isa. 6:1) to one as a young man, and to one as an old man. How so? At the time the Holy One, blessed be He, appeared on the Red Sea to wage war for His children and to requite the Egyptians, He faced them as a young man, since war is waged best by a young man, as is said *The Lord is a man of war, the Lord is His name* (Ex. 15:3). And when the Holy One, blessed be He, appeared on Mount Sinai to give the Torah to Israel, He faced them as an old man, for Torah is at its best when it comes from the mouth of an old man. What is the proof? The verse *With aged men is wisdom, and understanding in length of days* (Job 12:12); and therefore Daniel said: *I beheld till thrones were placed, and one that was Ancient of days did sit* (Dan. 7:9). In regard to God's guises R. Hiyya bar Abba said: If a whoreson should say to you, "They are two gods," quote God as saying in reply: I am the One of the sea and I am the One of Sinai.

(Another comment) R. Levi taught at Sinai the Holy One, blessed be He, appeared to them with many faces, with a threatening face, with a severe face, with an angry face, with a joyous face, with a laughing face, with a friendly face. How so? ... In regard to God's many faces, R. Hiyya bar Abba taught: Should a whoreson say to you, "They are two gods," reply to him, Scripture does not say "The gods have spoken ... face after face" but *The Lord has spoken with you face after face*.

Passage 1 may be found in several places in midrashic literature and is alluded to in many more. The primary reference is in *MRI* where the passage occurs in two places (Bahodesh 5 and Shirta 4) in virtually identical form. In Bahodesh alone a closely related tradition, adduced in the name of Rabbi Nathan, was added because of its obvious rele-

vance (Passage 2, see p. 57). A second, simpler form of the tradition (which will be the first text to be scrutinized) is found in *MRSbY* Bashalah. Finally the tradition was known and discussed in *PR*, but, there, it has undergone considerable secondary clarification.

In *MRSbY* the subject is introduced as an exegetical comment on the two statements made about YHWH in Ex. 15:3. The exegesis notes the repetition of the name of YHWH in Ex. 15:3 and explains its significance. "YHWH is a man of war" is to be interpreted as a descriptive statement referring to God's manifestation as a young warrior when He destroyed the Egyptians at the Red Sea. "YHWH is His name" is necessary because at Sinai He will reveal Himself as an old man, showing mercy. Hence, it is important for the Israelites to realize that the same God is speaking in both cases, though the manifestations look different.² The proof-text for these statements is Dan. 7:9 f. which describes a heavenly enthronement scene involving two divine manifestations, "the son of man" and "the Ancient of Days." In this context, the reference from Dan. must be taken to demonstrate that God may be manifested either as a young man or as an old man.

When the whole biblical passage is seen, the passage seems to describe more a danger than a solution.

As I looked, thrones were placed and one that was ancient of days took his seat; his raiment was white as snow, and the hair of his head like pure wool; his throne was fiery flames, its wheels were burning fire. A stream of fire issued and came forth from before him; a thousand thousands served him, and ten thousand times ten thousand stood before him; the court sat in judgment, and the books were opened.... I saw in the night visions, and behold, with the clouds of heaven there came one like a son of man, and he came to the Ancient of Days and was presented before him. And to him was given dominion and glory and kingdom, that all peoples, nations, and languages should serve him; his dominion is an everlasting dominion, which shall not pass away, and his kingdom one that shall not be destroyed.³

Not only does the passage allow the interpretation that God changes aspect, it may easily be describing two separate, divine figures. More than one throne is revealed and scripture describes two divine figures to fill them. One sits and the other seems to be invested with power, possibly enthroned. The Ancient of Days may be responsible for

judgment, but delegates the operation to a "son of man" who accomplishes judgment by means of a fiery stream. That this "son of man" is young or that his dominion is to be merciful, ostensibly the point of the reference, is hardly evident in the text. All of this makes it more likely that Dan. 7:9 f. is as central to the heresy as it is to the defense against it. It could be interpreted to describe a kind of heresy which Ex. 15:3 is supposed to deny. Its use here presumes that some orthodox counter-interpretation of this dangerous scripture has already developed and is well known. That the two descriptions of God's appearance may imply a contradiction in scripture is not specifically mentioned. It is no longer an important problem. Rather the midrash immediately follows the exegesis with a warning that no doctrine of "two powers in heaven" should be derived from the passage. Ex. 15:3 is itself the proof-text that repudiates the false doctrine, but the scriptural text must first be seen in the correct light. This text, then, must be a fairly late summation of a considerable amount of argumentation.

Then the text continues with an elaboration, introduced as a separate midrash (DBR ³HR), which emphasizes that but one God is revealed in the history of Israel and, indeed, that there is only one God for all the universe, for all time. Further proof-texts of Dt. 32:39, Is. 44:6 and Is. 41:4 are brought to substantiate this point.

Although the MRSbY contains the shortest version of the story, it cannot of itself be the earliest version of the tradition. Rather it seems to be an epitome of an already sophisticated argument. Where it agrees with the version in MRI it is sometimes slightly longer, implying that MRSbY has gone through a certain, perhaps short period of independent elaboration.⁴ However, since it is altogether the least elaborated version of the tradition, the various themes of the story may be more easily separated in it. By isolating the themes, we may come one step closer to separating the various sources and identifying the earliest form.

First, one has to notice that the exegetical root of the tradition is the repetition of the name of God, YHWH, and the problems which arise from that. In this case, the dangerous doctrine is the idea that there are two different manifestations of God—one, a young man, appearing at the Sea; the other, an old man, appearing at Sinai. As we

⁴ Lauterbach, *Clarifications*, maintains that the editor of the MRSbY actually had a later version of the tradition than MRI and that the editor of MRSbY misunderstood the tradition he received in various respects.

have it, the tradition is centered around the Exodus theophanies. Dan. 7:9 is ostensibly a proof-text but is also the locus of the same heretical traditions, since two different figures are mentioned there as well. Of course, the rabbis objected to this tradition, saying that the repetition of the divine name was not to identify "two powers" but to emphasize God's unity, since the Israelites would also have to recognize God in another form. In attempting to identify the heretics, we should look for a doctrine which did associate "two powers" with the names for God in the Exodus theophany and in Dan. 7. Obviously, from the rabbinic perspective, but not necessarily at the earliest stage of the tradition itself, this dangerous exegesis became subsumed under the unfavorable category of "two powers in heaven." This text gives us no description of the persons holding such a doctrine.

At the end of the section there is a peroration which articulates implications present already in the designation "two powers in heaven," by directly stating that the doctrine is a threat to monotheism and condemning it roundly with the appropriate biblical texts from Isaiah and Deuteronomy. In fact the verses are so useful as a defense against the heresy as to characterize the opposition to "two powers" throughout its entire history and will be important in the attempt to identify the heretics.

The midrash is saying that, though scripture allows for the interpretation that God may be viewed in various aspects, there is a limit to how far one may go in ascribing independent motives to the different hypostases. Not only is there only one God, but there is no possibility of ever deriving a second deity. It was the same God in Egypt who was at the Sea; the same in this world as He will be in the world to come; the same in the past who will be in the future. These descriptions are later rhetorical flourishes, embellishing and emphasizing an argument whose assumption has been laid down previously. *MRSbY* even introduces the thoughts as "another interpretation." However, one may ask whether the embellishments are purely arbitrary. In view of the importance of the name of God in this midrash it is not unlikely that the midrash is relying on the mysterious name of God which was revealed to Moses at the burning bush. "I am that I am" is being interpreted with past and future implications of the Hebrew verb forms and is being understood to be an eternal pledge to remain with Israel.

The text in MRI is even more complex and obviously the result of a long history of redaction. Neither MRI nor *MRSbY* can itself

be the ancient tradition. Rather the most ancient layer, which will later appear to be tannaitic, must be carefully uncovered in comparing them. The basic structure is similar to the argument in *MRSbY* and appears to be based on an exegesis of the name of God as well. In *MRI* the rabbis acknowledge that God manifested Himself in two ways in the Bible. They derive this contention not merely from the repetition of "YHWH" in scripture, as *MRSbY* did, but from the contrast between the Hebrew name, "YHWH," used to describe the Lord at the sea, and the other Hebrew name for divinity, "Elohim," used to describe God at Sinai. At least one possible conclusion based on the two different names of the deity—namely, that two different divinities, God and Lord, were being described—is condemned as dangerous. Instead, the rabbis suggest that the solution to the paradox will be found at Ex. 20:2, the first of the Ten Commandments, which contains both names of God and declares His unity. Hence, the editor of *MRI*, by introducing the orthodox solution based on Ex. 20:2, in his commentary to one of the dangerous passages, Ex. 15:3, allowed no opportunity for the orthodox opinion to be compromised. He has also added Ex. 20:2 to the list of effective scriptural defense against heresy.

Though the major thrust of the passage seems evident, it contains many elaborations missing from the *MRSbY* version, while some parts of its argument remain obscure. For one thing, a new theme of justice and mercy, corresponding to young and old manifestations of God, has been emphasized. This is facilitated by bringing in more proof-texts. Ex. 15:3 is taken only as a proof of God's justice. Ex. 24:10 f., which is part of the Sinai theophany, is introduced as the proof of God's mercy.⁵ These two seemingly contradictory biblical verses are compared by the midrash, which then uses Ex. 20:2, the first line of the Ten Commandments, as the third, decisive text with which to harmonize the other two.⁶

⁵ Just how Ex. 24:10 proves God's mercy will take some explanation. The proof-text reads "They saw the God of Israel," which, rather than clarifying, adds another puzzling statement—that a group of people actually saw God. While the text says that they saw Him, it tells nothing of what they saw. The implication of Ex. 24:11a, however, offers a possible answer to the problem. The verse states that God did not lay His hand upon the nobles of the children of Israel. Since the nobles saw God, and since it says elsewhere in Scriptures that no man may see God and live (Ex. 33:20), then God must have acted mercifully towards the nobles in not laying His hand upon them (Ex. 24:11a). God's supererogatory behavior is further evidenced by the fact that, far from punishing the elders, He provides them with food and drink (Ex. 24:11b). See Goldin, *Song*, *ad loc.*

⁶ The paradigm for this argument is rule 13 of the Talmudic exposition of the

MRI, in comparison to *MRSbY*, has developed an elegant argument based on the unstated rabbinic doctrine of the Two Attributes of God.⁷ This rabbinic doctrine derives two different aspects of God—one merciful (MDT HRḤMYM) and the other, just (MDT HDYN)—from the two Hebrew names of God, YHWH and Elohim.⁸ Ex. 20:2, the first line of the Ten Commandments, since it contains both Hebrew names, proves not only that one God was present, but that He was present on Sinai in both His just and His merciful manifestations. The complete argument allows that God can appear in different manifestations—either as a just or as a merciful God or as both—but that it is always the same God and that He was present in both His manifestations when He gave the Torah to Israel.

Although this elaboration is quite sophisticated, there are some difficult aspects to it. For one thing, the two locations adduced in scripture for the doctrine of God's two attributes are puzzling. They imply that YHWH should be seen as the just attribute, while Elohim should be the merciful attribute, which is exactly the opposite of the standard rabbinic identification. That problem will be addressed later, but one point can be clarified now. The argument that two figures or manifestations of God are possible (one ostensibly old, the other young) is separable from the argument that God has two attributes, one just and the other merciful. Of course, they are related ideas. But what they share is a dependence on exegesis either of the repetition of the name of God or the different names of God in the scripture.

Other variations in *MRI* should be noted. Just as Ex. 15:3 and Ex. 24:10 f. are introduced as separate but related cases of theophany in *MRI*, so Dan. 7:9 is treated as a separate case of the phenomenon of God's changing manifestations, as was suspected in reading *MRSbY*.

Scriptures known as the Baraita of Rabbi Ishmael and found in the introduction to the *Sifra*, a tannaitic midrash on Leviticus. See Nils A. Dahl, "Widersprüche in der Bibel: Ein altes hermeneutisches Problem," *Studia Theologica*, 25 (1971), 1-19.

⁷ Lauterbach maintains that the doctrine of God's mercy and justice may be seen even in *MRSbY* where YHWH = A man of war would be a problem since YHWH should symbolize God's mercy. This seems correct to me. The point of bringing in Ex. 24:10 f. here is to prove God's mercy at the giving of the law, not merely his appearance as an old man in Dan. If any problem can be said to be more basic I suspect it is the very idea of God portrayed as a man. That is what all the passages have in common. Not only Dan. 7:9, Ex. 15:3, but also Is. 42:13, Ez. 1:26 would also qualify as dangerous, because they figure God in human form. We shall see that many of these are implicated in other descriptions of the heresy as well.

⁸ For a complete summary of the Rabbinic Doctrine of the "Two Aspects of God," see Urbach, *Sages*, pp. 396-407.

Here the details of the argument are worked out. In the apocalyptic vision ascribed to Daniel, two thrones appear in heaven, which imply two different figures to fill them. After referring to this dangerous idea, the midrashist has also inserted a specific remedy to the misconception that "two powers in heaven" are being described by Daniel. In Dan. 7:10 scripture states that "a fiery stream... came forth from *Him*" where the singular pronoun shows that only one personage is present, although there may be two manifestations.⁹

A further elaboration in *MRI* must also be explained. Ex. 24:10 f. was quoted because Ex. 24:11b contained the proof that God was merciful to the Israelites at Sinai. However, the midrash also makes a special point of quoting Ex. 24:10b ("And the like of the very heaven for clearness"), which is irrelevant to the argument that God is merciful, the point of the proof-text. However, this biblical verse contains an anthropomorphic description of YHWH, (probably understood to describe a glorious enthronement).¹⁰ That it contains another merkabah (chariot-throne) description similar to Dan. 7:9 f. is perhaps of itself enough to explain the reference. However, in this case, the midrashist must also be alluding to other rabbinic traditions which explain how God's throne could be both constructed of brick-work and be "the like of the very heaven for clearness." This possible contradiction in the deity's appearance is solved by assuming that when Israel was in bondage, God's Shekhina or presence shared their fate symbolically by resting on the brickwork, but when they were freed, His throne rested on the clear blue heaven.¹¹ The redactor then must have been reason-

⁹ The argument of the rabbis is not completely convincing for the text may only be referring to one of the two figures at this point. In fact, the rabbinic argument is characteristic of the method for combatting the heresy developed in the third century by R. Yohanan. In chapter 1 we decided that it must be considered a gloss. See pp. 27 and 121.

¹⁰ It can be shown that Dan. 7:9 f. and Ex. 24:10 f. were seen together by early interpreters. T.O. states that a throne (KRŠ⁹) is present in the vision of God at Ex. 24:10 f., a detail which is missing in MT and LXX but can be supplied by assuming the influence of other enthronement traditions. The detail could have been supplied from Dan. 7:9 f. but more likely both Ex. 24:10 f. and Dan. 7:9 f. were seen in the light of Ez. 1 and Is. 6 which contain descriptions of the throne, resting on a precious stone with a figure like a man sitting on it. The TJ declares that the whole vision was mediated by the angel Michael whose name means "Who is like God" and who appears as a man.

¹¹ In the *MRI* Pisha XIV, the following legend is recounted: Whenever Israel is in bondage, the Shekhina is, as it were, in bondage with them; as it is said, "and they saw the God of Israel; and there was, under His feet (the like of brick-work) etc.," i.e., even as they were engaged in making brick during their bondage,

ing that, since the contention under discussion is that God's aspect changed in the various visions He gave to man, the legend of the Shekhina's change of aspect at Ex. 24:10 should be included as well.

The peroration at the end of *MRI* has also been expanded over the version in *MRSbY*. It comprises a list of biblical passages which combat the idea that two deities rule the cosmos, together with an elaboration of the many aspects of God which, nevertheless, remain descriptions of only one deity. As in *MRSbY*, it appears to be based on Ex. 3:14, the revelation of His name. Although God may be viewed in various aspects, there is a limit to how far one may go in ascribing independent motives to His different hypostases.¹²

MRI, in effect, has defined more carefully than *MRSbY* what the problem of "two powers in heaven" entails, by giving us three different texts from which the heresy can be derived: Dan. 7:9 f., Ex. 15:3, and Ex. 24:10 f. Furthermore, it has identified the people who believe in "two powers in heaven" as gentiles. In the final peroration against the doctrine, it does not know about the reference to the River Arnon which was present in *MRSbY* and adds Is. 46:4 to the list of scriptural passages which may be used as a corrective against the false doctrine. *MRI* and *MRSbY* must have a sophisticated "legend" in common together with some independent development.

The last recension of these traditions, *PR* 21 (100b) is very late. It records similar objections against "two powers in heaven" ascribed

so He had at His feet, the likeness of a brick, symbolizing His sharing of their fate.) But when they were redeemed, it was, as the verse says, "The like of the very heaven for clearness"—i.e., the brightness of the skies symbolizing God's joy. See for a complete presentation of the argument Goldin, *Song*, p. 127, who bases his well argued suggestion on I. Levy, "Ein Wort über die Mikhilta des R. Simeon," p. 9 n. 1. See also the rabbinic discussion in j. Suk. 4:5.

¹² *MRSbY* introduces these thoughts as another interpretation (DBR ³HR.) It also makes the name of God a part of the explicit commentary by saying: The Lord is a man of war—(this means) He makes battle in Egypt; the Lord is His name—He battles at the sea and is the same at the Jordan and the same at the Arnon, the same in this world and the same in the world to come, the same in the past and the same in the future age. The passage, hence, has been further expanded by *MRSbY* to include the events of the Arnon. (For description of saving events at Arnon see, Tan B., IV, 126-27, Tan. Hukhat 19, Nu. R. 19:24, SZ 23-24, b. Ber. 59a-59b. Also Ginzberg, *Legends*, III, p. 337 f. and VI, p. 116 f.) The proof-texts have been expanded as well, by the addition of two more biblical quotations—Is. 44:6 between Dt. 32:39 and Is. 41:4 and also Is. 48:12 at the end. It is possible that each of the four scriptural quotations is to be taken as a specific proof for the corresponding previous statement of God's immutability. (See Goldin, *Song*, p. 128.) In the Bahodesh traditions, the statements of God's constancy are present but the proof-texts are Dt. 32:39, Is. 46:4, Is. 44:6, and Is. 41:4.

to a third generation amora, R. Hiyya b. Abba (290-320 C.E.) therefore is later than him. Notice that the midrash is occasioned by Moses' vision of God "face to face," confirming that theophany and anthropomorphism are basic issues in the tradition. Moses' special gift in somehow seeing God or His angel, though it may contradict Ex. 33, remains a central preoccupation. R. Levi (290-320 C.E.) first contributes the midrash that God appears in whatever form is appropriate to His action. He uses Ex. 15:3 as his proof-text that God appeared as a young man at the Sea. Interestingly enough, he seems at first not to be interested in Ex. 24:10 f., which demonstrates elsewhere that God appeared in His merciful form. Rather, he emphasizes the youth-age contrast by quoting Job 12:12 to the effect that age denotes wisdom. Hence, it was appropriate for God to have appeared in aged form on Sinai. This exegesis effectively splits the tradition into its two logical aspects—the first only concerning the forms in which God appeared; the second, which follows, concerning His attitude of grace or anger at each manifestation. To each of the separate strands of the tradition, R. Hiyya b. Abba answers in Aramaic, rather than Hebrew, that if a heretic says that there are "two gods" based on Dan. 7:9 f., one is to remind him that God stated that He is the same at the Sea and at Sinai.¹³ Here, both the Sinai theophany and the Daniel vision are central texts. In the second midrash, R. Hiyya b. Abba uses Dt. 5:4 as a proof-text that all God's faces (i.e., aspects) are present at Sinai. Ex. 24:10 f. does not appear, but R. Hiyya b. Abba refers to the same theophany given to Moses, as it is reported in Deuteronomy instead of Exodus. He also deals with the same troublesome report that the elders saw God. All of this leads to the conclusion that this version of the tradition is quite late. The themes of God's appearance and human form have been divided into separate issues in order to deal with each more conveniently and fully, but the relationship to the name of God has grown more obscure.

In just three passages, then, we have become aware of the development of a tradition over a vast period of time. Traditions with so many different layers present immense dating problems. Each layer can only be dated by approximation. Later, I will show that extra-

¹³ Since God never directly says in scripture that He was at the Sea and at Sinai, one must conclude that R. Hiyya is referring to an earlier midrash which resembled the text in *MRSbY* or *MRI* or even to targumic exegesis of Ex. 3 since R. Hiyya quotes in Aramaic. Note that the term "two gods" (ditheism) can be equated with "two powers" (binitarianism) in this passage.

rabbinic writings contain similar traditions making a first century origin plausible on external grounds. To anticipate only a fraction of the evidence, Philo attests to the pervasiveness and antiquity of the problem of God's appearance and His different aspects.¹⁴ Since Philo states that he relies on ancient Jewish tradition, his writings, including those pertaining to the exegesis of the names of God, may indicate the antiquity of the tradition. That Philo knows the issue suggests a possible origin well before the birth of Jesus. But Philo's writing suggests more than a continuing issue. He employs very similar scriptures and suggests the existence of widespread scriptural traditions, since the rabbis, a century later, know nothing of him directly and are not indebted to him for their exegesis. Yet Philo and the rabbis independently interpret the different names of God both as signifying different figures and as symbolizing His attributes. Preliminary indications are, therefore, that many parts of the Jewish community in various places and periods used the traditions which the rabbis claim is an heretical conception of the deity.

Although we shall see that Philo uses both traditions about different manifestations of God and traditions about His contrasting attributes in his exegetical discussions, the rabbis emphasize the latter and warn against the former. We can see how the two different manifestations of God present in Daniel's vision might trouble the rabbis. It is not too much to suppose that some kind of argument about contrasting manifestations of God in different theophany texts was known to Philo and used by him but that it was later opposed by the rabbis who called other people who espoused that kind of argument "two powers" heretics.

It is not possible to decide exactly when rabbinic opposition to such doctrines started. For one thing, it is nearly impossible to be sure of the wording of rabbinic traditions before 200 C.E. much less before 70 C.E., when the rabbis became the leaders of the Jewish community. Most rabbinic traditions, at least as we have them, were written subsequently.¹⁵ So we cannot blithely assume that the rabbinic reports date from the Second Commonwealth.

However, with Philo's evidence, we have reason to suppose their

¹⁴ See p. 159 f.

¹⁵ Jacob Neusner, *Traditions of the Pharisees*, claims that it was the academies after 70 that developed the forms of recording traditions. This argument has much merit and even if there are exceptions to his rule, it is best to earn them, instead of conveniently assuming that any passage is early.

antiquity. Furthermore some attempts at dating are possible. We can be sure that the root argument is quite ancient. This is because the doctrine of the two attributes (MDWT) of God is important to the rabbinic defense against the argument that God has two manifestations. Yet, the doctrine about the two attributes of God in the text under consideration is not quite consonant with the orthodox version. Ex. 15:3 contains the name of YHWH, which signifies mercy in the rabbinic system, while the sense of the passage requires the aspect of justice to be present. (YHWH is a Man of War.) Ex. 24:10 contains the construct form of the name Elohim, which signifies justice in the rabbinic system, while the interpretation requires that God show mercy ("And they saw the God of Israel..." yet remained alive!). The rabbis would certainly not have discussed such a contradictory passage, had it not already become a *crux interpretationis* on independent grounds. Whether or not the Mekhilta reflects an earlier rabbinic notion of the identification of attributes with the names of God,¹⁶ or merely heretical understanding of such a tradition, the fact that it differs from the orthodox tradition allows us one conclusion: The tradition must have preceded the firm fixing of the rabbinic doctrine of the two attributes (MDWT) of God. After the tradition was fixed, no rabbi would have considered the consequences of this alternative identification of divine names, without noting that he knew what his forebearers had believed. It is, therefore, probable that the doctrine was characteristic of the heretics themselves. Since no one believes the rabbis knew of Philo, these heretics must have known of an exegetical tradition like Philo's.

The date of the origin for the rabbinic doctrine of the two attributes (MDWT) of God has been the subject of some controversy. A. Marmorstein¹⁷ tried to maintain that R. Meir and R. Simeon b. Yohai

¹⁶ There is evidence that other kinds of Jews identified traditions in different ways. Philo identified the names and attributes in ways opposing to the accepted rabbinic doctrine. See N. A. Dahl and A. Segal, "Philo and the Rabbis on the Names of God," *JSJ*, forthcoming. There is certainly a case to be made that the rabbis knew of an earlier doctrine, congruent with the Philonic one and that they subsequently fought against it.

¹⁷ Marmorstein, *The Old Rabbinic Doctrine of God* showed that the "old" phrases, attribute of punishment (MDT HPWR'NWT), and attribute of good (MDT HTWB) occur in discussions between R. Gamaliel II (80-110) and R. Akiba (110-135). Midr. Ps. 119 f. cf., San. 81a, Makk. 24a. They are also used once by R. Simeon b. Abba (290-320) (Gen. R. 9), although these latter may be a repetition of older speculation. In some of the sayings of R. Meir (*ARN* 30) (135-170) and R. Simeon b. Yohai (135-170) (Tan. 1:34), the older sayings are used, although in other traditions they also use the new terms. R. Jose b. Halafta (135-170) and R. Judah b. Ilai

(middle second century) were the first to use the terms MDT HDYN (attribute of justice) and MDT HRḤMYM (attribute of mercy). He suggested that MDT HTWB (attribute of good) and MDT HPWR^c-NWT (attribute of punishment), synonyms for the accepted doctrine found in some tannaitic documents, were actually the technical terms of an earlier doctrine and were discarded by the rabbis, under the pressure of the gnostic menace. This much has been widely accepted. He also suggested that the surviving rabbinic doctrine was not antique and had been deliberately altered from an earlier one, out of polemical and apologetic motives. He even tried to prove that traces of an earlier, Philonic correlation of divine names and attributes were still to be found in some rabbinic texts. For instance, he tried to show that R. Akiba was unaware that "Elohim" could have the implication of "judge." However, that conclusion is too hasty. The same passage may be interpreted to indicate that R. Akiba was aware of the standard doctrine.¹⁸ That would mean that the standard rabbinic doctrine could have been developed even earlier than R. Akiba. What is more important, the orthodox doctrine was massively developed by rabbis like R. Simeon and R. Meir only a few years after Akiba's death.

Now, since Marmorstein's time we have had to become more skeptical of attributions to tannaitic sages. Though they are not necessarily later, the attributions themselves cannot be the final proof of a tannaitic date. So far, we know only that rabbinic use of "justice

(135-170) still can use the old designations for the two attributes, but the new terms are also reputed to be in use by the same masters. These rabbis, then, are supposed by rabbinic tradition to be the beginnings of the transition of the use of the new terms (MDT HDYN and MDT HRḤMYM). From this Marmorstein deduced that the terms "attribute of mercy" and "attribute of justice" are no older than the middle of the second century and are probably younger than that.

¹⁸ Marmorstein maintains that R. Akiba did not know that Elohim meant judge because in *Mekhilta Kaspā* 1 (*Mishpatim* 19; H-R, p. 317 and Lauterbach III, p. 151) he treats the name of God as holy. But he would have had to be aware of the issue in order to have made such a ruling. So the opposite is the case. Furthermore, the origin of the current vocabulary is even attributed to earlier sages than Marmorstein thought. It can be seen in the sayings of R. Yosi Hagelili (*Gen. R.* 26:6, b. *Sanh.* 38b). In fact, some aspects of the tradition linking God's names and His attributes are biblical. In *Jonah* 3:8 and 4:3, God's change of mind in regard to the punishment of Nineveh is interpreted by means of God's interpretation of His name to Moses in *Ex.* 34:6: "YHWH, YHWH is a God merciful and gracious, longsuffering and abundant in goodness and truth." So the interpretation of the names of God as related to mercy is ancient. However the scripture is ambiguous enough to be used equally by the rabbis or by Philo as a demonstration of their respective systems of interpreting the names of God.

and mercy" arguments to counter heresy were attributed unselfconsciously to Akiba or earlier. We shall see that some of the attributions are likely to be accurate. The heated debates about mercy and justice are entirely appropriate to the gnostic menace of the early and middle second century. We will have to wait for the extra-rabbinic evidence to see that some Jews discussed such doctrines as early as Philo.

Marmorstein has been severely criticized and largely dismissed because he maintained that the rabbis actually used the Philonic identification of divine names, only changing to the received tradition in the face of gnostic opposition of the second century. As I tried to indicate above, his critics were right to question his arguments in several places. There is not sufficient evidence to reach his conclusion. But, having dismissed his arguments about a prior rabbinic formulation of the doctrine of God's two attributes, Marmorstein's critics failed to come to terms with the larger questions which he raised ¹⁹—the relationship between the Philonic and rabbinic tradition of the names of God. The ancient terms for the attributes—attribute of goodness and attribute of punishment—do parallel Philo's normal vocabulary to discuss God's powers. ²⁰ Furthermore, the important point is not the disagreement between the rabbis and Philo over the interpretation of the names of God but their fundamental agreement that God is the author of both justice and mercy. Both would say that God does mercifully even when He is administering strict justice. It is the mixture that is important. That is certainly the moral of the passage in the Mekhilta as well. Furthermore, that is exactly the issue over which the received terminology of the rabbinic doctrine was formulated. This would suggest that "Hellenistic" and "Palestinian" Judaism were not separated by as wide a gap as is usually maintained. But for now, it is not germane to discuss how the similarity came about. Our problem is the date of the traditions. We have already seen that the "justice and mercy" traditions were added onto the basic Mekhilta argument about a manlike hypostasis of God in order to defeat the heretical implication that there is more than one God. Rabbinic literature attributes the debate over mercy and justice to R. Akiba and his successors of the mid-second century. The received vocabulary for discussing such questions did not develop

until shortly later, according to these reports. Furthermore, the tradition now under scrutiny in the Mekhilta seems to be part of the earlier stage of that discussion since it does not use the standard vocabulary. The next serious question which must be answered is: Can the midrashic attribution to the great rabbis of the second century be trusted? This can only be answered by comparing these traditions with others of that period. First, traditions can be compared with others attributed to R. Akiba and his circle. That exercise can increase our confidence that a mid-second century dating is possible. Finally, we must look for evidence outside of the midrash that the date can be maintained. Then we can reach some confidence that the two strands of the tradition—the appearances of God and the attributes of God—were joined in the mid-second century.

Some rabbinic traditions ascribed to R. Akiba make it possible that the period of his lifetime and immediately afterward was the beginning of the written record of such battles. They even suggest why the issue of “mercy” and “justice” became so important:

One passage says: *His throne was fiery flames* (Dan. 7:9) and another passage says: *Until thrones were placed; and One that was ancient of days did sit*—there is no contradiction; One (throne) for Him, and one for David: this is the view of R. Akiba. Said R. Yosi the Galilean to him: Akiba, how long will you treat the divine presence as profane! Rather, one for justice and one for grace. Did he accept (this explanation) from him, or did he not accept it?—come and hear: One for justice and one for grace; this is the view of R. Akiba.²¹

These two rabbis were perplexed by the seeming contradiction in the verses. In one place, more than one throne is indicated by the plural form of the noun. In another place “His (God’s) throne was fiery flames” implies only one throne. Does this mean that the “son of man” in the next verse was enthroned next to God? Rabbi Akiba (110-135 C.E.) affirms the possibility, stating that the other throne was for David. Akiba must be identifying the “son of man” with the Davidic

²¹ b. Hag. 14a Tr. Epstein. Cf. also b. Sanhedrin 38a where other rabbis are said to oppose R. Akiba. See also next interpretation of the verse in b. Hagigah where Eleazar b. Azariah states that the two thrones are actually a throne and a footrest (Is. 66:1).

Immediately before this midrash, the rabbis associate the description of the Ancient of Days in Dan. 7:9 with the description of the young man in Song of Songs 5:11 and bring up the contradiction in appearance. They settle the contradiction by saying that one manifestation is apt for the Lord sitting in counsel the next for the Lord in war.

messiah. Nor was R. Akiba alone in the rabbinic movement in identifying the figure in heaven as the messiah. There is some evidence that Judaism contained other traditions linking these verses in Daniel with the messiah.²²

However plausible R. Akiba's interpretation, it is opposed by his colleague, R. Yosi, who explicitly states that the throne is for a divine rather than a messianic figure. It is not clear that Akiba would have seen the two categories as contradictory.²³ Yet, the outcome of that controversy was that R. Akiba agreed that the two thrones in heaven should symbolize the two aspects of God's providence—His mercy and His justice. God is viewed as sitting on one throne when judging mercifully and on the other when judging by strict justice.²⁴ It is

²² There are reports of rabbinic exegesis of Dan. 7:9 which grant the messiah the title "Son of a Cloud" (See G. Vermes, "The Use of Bar Nash/Bar Nasha in Jewish Aramaic" in M. Black, *An Aramaic Approach to the Gospel and Acts*. Also H. Lietzmann, *Der Menschensohn* (Leipzig: 1896), p. 41. Other exegetes who lived even after Akiba also interpreted Dan. 7:9 f. messianically, but the specific image of two enthronements in heaven is no longer mentioned. See, e.g., M. Ps. 21:5 where R. Berehiah (350-375) interprets the verse in Dan. to refer to "the king messiah" and he attributes this tradition to R. Samuel (d. 254).

²³ Akiba is known for his doctrine of the political role for the Messiah. He was much criticized by later rabbis for having identified Bar Kokhba as the Messiah (M. Ps. 60:9, 10). See Lam. R. 2:4 where the anti-Bar Kokhba material is traced to Judah the Prince. This ought to cast serious doubt on the scholarly opinion that there were two, separate, messianic ideas current in Israel—one purely political and native to Israelite thought, the second eschatological and absorbed from Iranian thought. (See Mowinckel, *He that Cometh*). Furthermore, as we know from Qumran, a given community could, in fact, believe in more than one messiah (in this case, a kingly and a priestly figure) each of whom functioned both politically and eschatologically. See M. Smith, "What is implied by the variety of Messianic Figures?" *JBL*, 78 (1959), 66-72. It is much more logical to assume that each community sought legitimation of its historical situation and eschatological aspirations from the text of the Bible. See Nils Dahl, "Eschatology and History in the Light of the Qumran Texts," in *The Future of our Religious Past*, ed. J. M. Robinson, pp. 9-28. Viewed in this light, the whole controversy between Judaism and whatever sectarians used this verse would turn on the differing midrashic understandings of the identity of the second figure enthroned in Dan. See p. 201. Apparently, R. Yosi's opinion did not cut off such messianic interpretation entirely. It was the particular time of Akiba and Yosi which uniquely felt that such Messianic idea were too dangerous to allow to flourish.

²⁴ It should be noted that the vocabulary used here is not congruent with the doctrine of God's mercy and His justice. Instead of רַחֲמִימ, as we would expect, we find the word שְׁדָּחָה. Basically this word derives from the root meaning "straightness," "righteousness," or "justification," and, in biblical usage, would be another word referring to God's justice. In rabbinic texts, however, the word conventionally means acts of charity, pointing to the fact that often justice was viewed to contain mercy as well. The rabbis only separated the two terms "justice" and "mercy" when they needed to make a point about their distinction.

significant that a central figure in the rabbinic movement like R. Akiba was alleged to have proposed messianic interpretations of Dan. 7:9. Ironically he subsequently reconsidered those opinions by substituting an opinion in which both figures in heaven were seen to be divine, one God in two hypostases. The corrective to the messianic interpretation is to claim that the verse referred to God's aspects of mercy and justice. Since messianism and "son of man" speculations are characteristic of the Bar Kokhba period and earlier both the "mercy and justice" aspects of the tradition as well as Dan. 7:9 traditions could have become centrally important to rabbinic discussions in the middle of the second century. The atmosphere of that time is a plausible setting even though no *text* so far quoted is unimpeachable evidence of the antiquity of the traditions and no one would suggest these are Akiba's actual words.

Since R. Akiba died as a martyr as a result of the failure of the Bar Kokhba rebellion and since he was known to have supported Bar Kokhba's messianic claim, it is not surprising that a tradition reports that he recanted his views. But since the tradition comes to us only in a later text, we must be prepared to accept the probability that the alternate interpretation of Dan. 7:9f.—namely, that the two thrones were for mercy and justice—was a later addition, ascribing the "orthodox" interpretation to a great rabbinic leader, whom time had proven wrong. Thus, the messianic controversy over Dan. 7:13 is probably from R. Akiba's time; the mercy-justice revision is probably from his students.

However, if Akiba's messianic interpretation of the passage is rejected, it is clear that other groups would also have been rejected if they went even further than Akiba—not only ascribing messiahship to the second figure in the Daniel vision, but also ascribing divine or angelic stature to the figure. Both apocalyptic Jews and Christians can be shown to combine the angelic or divine interpretations of the passage with their messianic candidate.²⁵ Jews similar to Philo, who did not often talk about the Daniel vision, but did give special authority to a second, angelic or metaphysical manifestation of God in heaven,

²⁵ That the second figure in the Dan. 7 vision should be seen as the messiah is not evident from the text. An angel would be far more likely candidate in any scene taking place in heaven. Indeed, see J. J. Collins, "The Son of Man and the Saints of the most High in the Book of Daniel," *JBL*, 93 (1974) who believes Michael is meant. Gabriel is an equally likely candidate. For a discussion of the various apocalyptic groups and, of course, Christianity, which identified the "son of man" as the Messiah, see p. 201 f. Philo did not often talk about the Dan. 7 passage and did not identify any hypostasis of God with the messiah.

could be said to have affirmed a second power. It seems possible that any and all of these groups could be the targets of the charge. At any rate it is important to note that the exegesis involved believing in *two complementary powers*, not two opposing powers, thus ruling out Qumran sectarians and extreme gnostics as the originators of the heresy.

If the doctrine of God's two attributes is used as a remedy to Messianism shortly after the time of R. Akiba, the tradition of the Shekhina's change of aspect (linked to Ex. 24:10 f.) is also portrayed as a favorite subject of the sage. The tradition of the Shekhina's empathy with Israel in bondage and in freedom is frequently found in midrash together with many traditions attributed to R. Akiba. For instance, he discusses 2 Sam. 7:23, which states:

What other nation on earth is like Thy people Israel, whom God went to redeem to be His people, making Himself a name, and doing for them great and terrible things, by driving out before His people a nation and its God?

Akiba interprets a nation and its God (GWY W²LWHYW) to refer to the empathy between the Shekhina and Israel.²⁶ "Were it not for the fact that scripture actually says it," R. Akiba says, "one would not be justified in such an interpretation." But since the verse seems to say that God redeems Himself when He redeems Israel, scripture can only mean that the Shekhina came out of Egypt with Israel. In this context, R. Akiba may be comforting the people during the great sufferings of the second uprising. It is also probable that ideas of this kind reflect an acceptable, more moderate, unheretical version of the very traditions which the rabbis found dangerous.

There is, therefore, good reason to suspect that the traditions of the Shekhina's change in aspect could go back to R. Akiba. There is also good reason to believe that Ex. 24:10 was the source of the dangerous interpretations. "They saw the God of Israel" together with the description of the figure on the throne was a crux of interpretation for many scriptural communities. That it seemed to contradict Ex. 33:20 is part of the problem. The other part of the problem is

²⁶ See, e.g., Pisha XIV (I 113-115) and Sifre Behaalotekha 84, p. 82. The verse has been traditionally understood to have omitted the phrases than can be supplied by comparing it with 1 Chron. 17:21. This issue is quite closely related to that of the early dating of the Shiur Koma literature. See Lieberman (118-126 of Scholem, *Jewish Gnosticism*) who feels that the human appearance of God at Sinai was central to the thought of Akiba and brings copious evidence to prove it. See below, n. 27 and the works of Gruenwald.

that Moses is supposed to have seen either God or an angel of God. This might imply that the God of Israel was equivalent with the angel of YHWH. If so, was YHWH an angel or God? ²⁷ In the second century C.E., R. Judah b. Ilai warned against translating this verse at all. To translate literally would falsify the meaning, since no man can see God and live. To insert the word "angel" for God would be blasphemous (and imply two powers?). The only possible rendering of the verse according to him is, "And they saw the glory of the God of Israel." Accordingly, almost all the targumim make such a translation. ²⁸

These traditions in the targums are explicitly related to the rabbinic polemic about the interpretation of divine names. At Ex. 3:14 the Palestinian targums point out that the newly revealed name of God means, "I am He who was with you in the bondage of Egypt and who will be with you in every bondage." This language is meant to interpret the divine name itself. ²⁹ Apparently, whenever a second figure, either in the Pentateuch or in Dan., could be identified as a quasi-divine or independent angelic figure, the rabbis would fight vociferously against

²⁷ See p. 60 f., 182 f., 196 f., 244 f.

²⁸ The same mechanism was used with reference in Isaiah's vision of the figure on the temple throne (Is. 6:2 f.). Thus it is possible to find the Gospel of John 12:42 state that Isaiah saw the glory of Christ (for God), as the prophet's book says. The Fourth Gospel is surely an example of what the rabbis found heretical. See p. 214 f.

²⁹ These concepts are associated with personifications even when they are not described as the Shekhina. For instance, TO to Ex. 24:10 has: "The footstool of His feet as the work of pure sapphire stones, and as the aspect of the heavens when they are cleared from clouds." But TP has: "And Moshe and Aharon, Nadab and Abihu and seventy elders of Israel went up. And Nadab and Abihu lifted up their eyes and saw the glory of the God of Israel; and under the footstool of His feet which was placed beneath His throne, was like the work of sapphire stone—a memorial of the servitude with which the Egyptians had made the children of Israel to serve in clay and bricks, there had been women treading clay with their husbands; the delicate young woman with child was also there and made abortive by being beaten down with the clay. And thereof did Gabriel, descending, make brick, and, going up to the heavens on high, set it, a footstool under the throne of the Lord of the World, whose splendour was as the work of a precious stone, and as the power of the beauty of the heavens when they are clear from clouds." (See also T.P. to Ex. 15:3.)

Here the throne belongs to the "Lord of the World," who is God's principal angel (see p. 67, 189, 214, 256 f.) and evidently has the angel Gabriel under his control.

In discussing the youthful appearance of God, the rabbis might reflect some anti-merkabah or anti-Christian arguments. See Song of Songs R. 2:14 and TJ Ex. 24:10. Ps. 110, central to Christian exegesis, is normally interpreted to refer to Abraham, but a possible defensive folktale countering Christianity or apocalyptic messianism may be found in the M. Ps. to Ps. 110 where the verse is interpreted to mean that the Messiah will sit and study while God goes out to conquer Israel's enemies.

it. Once it was clear that this divine figure who seemed to be God, who carried His name, and who acted for God, could be called the *Shekhina* or the *Kavod* and not an independent deity, the rabbis accepted and expanded the tradition.

Thus it is not impossible that some of the tradition of the Mekhilta can go back to the second century. Let us return to the Mekhilta tradition for a moment to summarize what may be concluded. When all the traditions which must be later than R. Akiba are removed from *MRI*, we are left with an argument that looks rather like the argument common to both *MSbY* and *MRI*. The argument would serve to oppose any repetition of the divine name "YHWH" which could be construed as implying two independent deities. It would also oppose any identification of the two Hebrew names for God with two different independent divinities. To be sure, the peroration that God will continuously manifest himself ("He was in the past and He will be in the future") is present in both recensions but it is listed as a separate tradition in *MRSbY* and probably develops as an interpretation of YHWH based on Ex. 3:14. That leaves us with a kernel of traditions which associate the heresy with the warrior figure in Ex. 15:3 or the unspecified merciful figure at Sinai, together with the text of Dan. 7:9 f. The Dan. passage does, in fact, supply two figures in heaven, one old and one young. It seems likely, then, that the rabbis were opposed to any tradition of a manlike figure in heaven, acting independently of God.

The biblical passages are important in themselves. Dan. 7:9 f. can certainly be seen to allow for a "two powers" interpretation. Traditions about the human figure (YHWH's angel, but still God of Israel) seen at Ex. 24:10 f. allow for "two powers" interpretations without reference to other scripture. The same can be said for Ex. 15:3 (at least according to *MRSbY*). It is therefore probable that the rabbis have put these Exodus theophany passages together because some opponent also saw a reason to connect them.

The traditions of intermediation also seem appropriate to other rabbinic discussions attributed to the mid-second century. The problem is to relate the "mercy and justice" issue with the "intermediation" tradition. But the issues of mercy and justice are not necessarily related to the intermediation tradition in any definite fashion. The connection between "mercy and justice" and the "intermediation" is being made by the rabbis, because both traditions depend on an exegesis of the names of God. The rabbis are offering the mercy-justice exegesis as a substitute for the heretical implications of the intermediation tradition.

It is also clear that the intermediation tradition should be dated earlier since it is basic to the polemic. Therefore, dating the first redaction could depend on finding out when issues of mercy and justice became important to the rabbinic community. If it can be shown with reliable tannaitic sources that issues of mercy and justice actually are tannaitic and not merely ascribed to the tannaim by the later rabbis, then we have better reason to trust at least some of the attributions of the legends in this chapter. If arguments about mercy and justice do characterize tannaitic thought, then the heretical traditions are likely to be even earlier, since they logically must antedate the intermediation tradition.

There are several famous mishnahs which discuss mercy and justice, or good and evil, and thus show with a reliable source that these issues were important to the tannaim.³⁰ Some of these discussions were even linked to the heresy of "two powers in heaven" by the amoraim, so they will be discussed below.³¹ There, it will become evident that the link between mercy and justice and a heresy explicitly called "two powers in heaven" cannot be demonstrated from the mishnah alone. *But we do not know yet when the heresy was explicitly named "two powers in heaven."* All that is required for the moment is to show that the issues of mercy and justice are traceable to the tannaim. That is sufficient to imply that the original heresy is probably older than the second century, for we know that the tannaim linked the issue of God's appearance in different forms with the issue of His justice and mercy in order to defeat the idea that two divine hypostases operated independently. The clearest statement of tannaitic concern is in Ber. 9:5:

Man is bound to bless (God) for the evil even as he blesses (God) for the good, for it is said, *And thou shalt love YHWH thy God with all thy heart and with all thy soul and with all thy might.* (Dt. 6:4). *With all thy heart*—with both impulses, thy good impulse and thy evil impulse; *and with all thy soul*—even if He take thy soul; *and with all thy might*—with all thy wealth. Another interpretation is: *With all thy might*—for whichever measure (MDH) He measures out to thee (MWDD), do give him thanks (MWDH) exceedingly.

This is a very interesting mishnah. It states the rabbinic and biblical notion that God is the author of good and evil. It explicitly argues that no personage other than God is to be acknowledged for evil. It brings in Dt. 6:4 as the salient scriptural citation. Dt. 6:4 was exceptionally

³⁰ See, e.g. Ber. 5:3, 9:3, Meg. 4:9.

³¹ See p. 98 f.

helpful to Philo in the context of God's uniqueness and will appear frequently in rabbinic discussions of "two powers in heaven." Furthermore, the mishnah links its discussion of divine providence to the technical terminology for God's attributes (MDWT). Since the mishnah is an unimpeachable tannaitic source, a mid-second century date is quite probable for a discussion of mercy and justice, just as the midrash attributions imply. Furthermore, the mid-second century is likely as the date for the combination of the two traditions in the Mekhilta and implies that the basic issue of the form of God's appearance to man is older still. Of course the texts themselves are later and alternative reconstructions can be imagined, but a second century date and gnostic impetus has become likely as the cause of the redaction. Since the rabbinic attributions can probably be trusted, at least in part, the whole tradition would fit the following chronological scheme: (1) A second manifestation of God can be shown in Hellenistic mystical and apocalyptic Judaism as early as the beginning of the Common Era (e.g., Philo). (2) Extreme varieties of this kind of speculation came to be opposed by the rabbis. (3) By the mid-second century, R. Akiba or his admiring successors in his name were using the doctrine of God's aspects of mercy and justice to counter the heresy. The defense went as follows: The contradiction between Ex. 15:3 and Ex. 24:10, can be reconciled by means of Ex. 20:2. Thus Dt. 32, Is. 44 f. and Ex. 20:2 are the main rabbinic proof-texts for the unity of God. Since the argument about God's justice and mercy is not consonant with the normative rabbinic doctrine, it seems probable that the rabbis were responding to opponents with a tradition associating justice and mercy with the names of God in a different fashion. (4) The issues which Passage 1 raises are discussed often by R. Akiba and his pupils—making the situation of the Bar Kokhba Revolt (ca. 135 C.E.) not impossible as a setting for the growth of a consolation theme. (5) Many parts of the traditions are obviously later elaborations and the final redaction may have been medieval. But at least one more part of the argument (that the singular of any verse counteracts the dangerous implications of a divine plural) is typical of the early amoraic period and attributed alternatively to R. Simlai and R. Yohanan. (6) The peroration at the end of Passage 1 could testify to the ferocity of the argument as early as the second century because it is targumic as well as midrashic. At any rate it represents an interpretation of the divine name YHWH which is extraordinarily relevant to the argument with the heretics.

Determining the identity of the group of heretics in question remains

a serious problem. The many versions contain two different descriptions of possessors of the doctrine. While *MRSbY* describes only the doctrine, *MRI* describes those professing belief in the doctrine as "gentiles" and *PR* calls a person with such beliefs either a "whoreson" or "son of heresy" depending on the translation. Each of these terms will have to be investigated.

MRI: "gentiles," *lit.* "the nations of the world." Even though there are no major variants to these lines in *MRI*, Herford³² suggested that the earliest version of the tradition must have read *minim* "sectarians" instead of "gentiles." It must be remembered that Herford identified all *minim* with Christians. According to him, "nations of the world" was inserted in the place of "sectarians" because the discussion in *MRI* in reference to the Ten Commandments (Bahodesh 5) contained many other traditions that dealt with the "gentiles."

Herford's arguments are misdirected in several respects. First of all, there is no conclusive evidence that *minim* always meant Christians.³³ Nor is it clear that the substitution of "gentiles" for sectarian can be supported. Although the context allows for a *possibility* of confusing "gentile" with "heretic" in the version of *MRI*, no such confusion can occur in the *Shirta* version. Furthermore, there is no textual evidence for such an assertion. Its only virtue is that it advances Herford's thesis. I see no reason to ignore the *prima facie* evidence that "gentiles" is the correct reading. That would seem to eliminate the immediate targets for the rabbinic charges "heterodox Jews" whose philosophy resembled Philo, together with apocalyptists, or mystics. However this is only one description of the heresy.

Though "the nations of the world" is the best rendering of the text, they must have been gentiles well-versed in Jewish tradition to have offered such a dangerous and sophisticated interpretation of Dan. 7:9 f. To be sure, the rabbis often put biblical quotations in the mouths of gentiles, stylizing in Jewish idiom a view which gentiles may well have had. However, here the heresy is not just proof-texted by reference to Dan. 7:9 f., Ex. 15:3, and Ex. 24:10 f. It actually rests on an exegesis of those texts, to which the rabbis have offered their own exegesis as a corrective. Thus, the argument may have originated in the Hellenistic milieu with people who were interested in Judaism but had not yet become Jews according to rabbinic definition.

³² Herford, p. 301.

³³ Places where *minim* cannot mean Christians consist of places where *minim* are described as disbelieving in resurrection of the dead. See e.g., j Ber. 9c.

In the second century, this group would certainly have contained gentile Christians ³⁴ who are the best contenders for this charge, though they are not the only group who could have been designated. We know some gentiles were "God-fearers" but had not accepted circumcision, thus invalidating their conversions in the opinion of most rabbis.

R. Hiyya b. Abba (290-320), a Babylonian amora who was contemporary with R. Levi and who immigrated to Palestine to study with R. Yohanan, is portrayed as calling whoever would believe in two gods "the son of harlot." Marmorstein suggested that either gnosticism or Christianity may be implied by such a term. ³⁵ Both Herford ³⁶ and Lauterbach ³⁷ felt that the polemic was occasioned by Christianity. They argued that the reference to a son of a harlot is a stock denial of the virgin birth. However, the Aramaic word for harlotry could be associated either with the Hebrew word *min* (for sectarian) or the Hebrew root ZNH which could mean "to go whoring" which was associated with sinful, Canaanite (i.e. gentile) religion. We know it could be used with the sense of sectarian in the rabbinic period. ³⁸ Hence, in the fourth century, the opponents could either have been gentile opponents of the rabbis or sectarian Jews. There is no reason to associate the heresy explicitly with either Christianity or gnosticism on the basis of the term alone.

There is some more evidence to connect this argument with a rabbinic polemic against Christianity. Elsewhere, M. Ps. 22 comments on "My God, my God, why hast thou forsaken me?," which in its Aramaic translation is supposed to have been Jesus' last words (Mt. 27:46). The Rabbis say that the first "My God" refers to the Sea and the second "my God" refers to Sinai. Since no other group found this verse suitable, this is enough to infer that Christianity was identified as "two powers" heresy, but the rabbinic charge of "two powers" may not have been originally or exclusively used against it.

In these traditions then, gentiles or gentile Christians seem to be the earliest recorded targets of the charge, probably because they were most vociferous contemporaries when the text was fixed in its present

³⁴ In fact, Justin Martyr uses similar arguments to portray the Christ. See Section III, p. 221 f.

form. But we must also allow that where gentile Christians are involved, Jewish Christians, hence Jewish sectarians, are almost certain to have been their teachers. Nothing completely conclusive can be demonstrated from the internal evidence. But one aspect of the heretical beliefs can be of further use—the biblical passages which formed the basis of the heretical exegesis. An examination of the use of biblical exegesis in various Jewish sectarian groups of the first few centuries will yield further information about the identity of the heretics in question. That investigation will be carried out in Section III.

PASSAGE 2

Mekhilta Bahodesh 5

Rabbi Nathan says: From this one can cite a refutation of the heretics who say: "There are two powers." For when the Holy One Blessed be He, stood up and exclaimed: "I am the Lord thy God," was there any one who stood up to protest against Him? If you should say that it was done in secret—but has it not been said: "I have not spoken in secret," etc. (Isa. 45:19)? "I said not unto the seed of Jacob" (*ibid.*) that is, to these alone will I give it. "They sought me in the desert" (*ibid.*). Did I not give it in broad daylight? And thus it says: "I the Lord speak righteousness, I declare things that are right" (*ibid.*).³⁹

R. Nathan's (ca. 135-170 C.E.) argument immediately follows passage 1 in *MRI* Bahodesh 5. Indeed, it assumes an exegesis of Ex. 20:2 for it is a further comment on the fact that only one God gave the Law. At the giving of the Ten Commandments, he argues, no other deity contradicted YHWH's statement that He is Israel's God. Since He made this statement openly and was not contradicted, there could be no other deity. R. Nathan uses further quotations from Isaiah to show that the statement in Ex. 20:2 was spoken publicly and openly. From this one may infer that the criticism on the part of those who believe in "two powers in heaven" was that the God who gave the Law acted secretly or deviously. This, in turn, suggests an opposition between the two deities in the doctrine of the heretics. It becomes possible to posit an opponent for R. Nathan who believed that the God of Israel did something in secret as a scheme against a higher God. There was only one kind of group in Palestine during that time that could hold such doctrines—the gnostics. R. Nathan's remark may oppose gnostic sectarians, either of a Christian or a non-Christian variety.

³⁹ Tr. Lauterbach, II, 232.

While it must be admitted that R. Nathan's remarks are a good defense against radically gnostic opponents, it is not clear that R. Nathan must have had radical gnostic opponents in mind. His defense also may imply heretics who are detractors of the Law. The rabbis, in this very pericope, are concerned to defeat the idea that the Torah is a parochial Law. They relate that every nation was offered the benefits of Torah; Israel alone accepted the responsibility. They claim that the Torah was given in open country, so that no nation could claim it for a private possession. R. Nathan's remarks ought to be seen within the context of this argument as well. But the argument has been expanded beyond the issue of the scope of Torah. R. Nathan specifically condemns the idea that any power can contradict God. Furthermore, he quotes a passage from Isaiah in which creation, not the gift of Torah, is the context in which God's unity is claimed. This suggests that a more serious problem—cosmic dualism from creation onwards—is being linked with the defense of the Law. Though one can never be certain of R. Nathan's actual opponents it seems clear from the expansion of the argument that his midrash would be very useful against radical gnostics.

R. Nathan directs his remarks against the *minim* or sectarians, who are obviously viewed as heretics by the rabbis. However, gnostic Jews or Jewish-Christians could still be included under the rubric of "sectarian" or "heretic" (as opposed to "gentile") at the end of the second century.⁴⁰ Since we know from the previous passage that "two powers" referred to Christians and not extreme gnostics, we have to conclude that "two powers" was a catch-all term for many different groups—including Christians, gnostics and Jews. We shall see that it grew to be a more popular and conventional designation as time went on.

It is important to note that the rabbis are dealing with a complex theological question by relying on biblical exegesis. The importance of the theological question should not be overlooked because the basis of the discussion in the rabbinic text is exegetical. The rabbis are saying that many varieties of Jewish sects—including Christians and

⁴⁰ As Büchler has shown (*Minim*, p. 252), *min* must have referred also to non-Jews at some point for arguments are ascribed to them which no Jew who wanted to maintain his relationship to the people Israel (of whatever interpretation) could maintain. From a methodological point of view then, one has to assume that *minim* are always Jewish sectarians, viewed as heretics by the middle of the second century, unless they are specifically accused of anti-Israel propaganda.

gnostics—are guilty of violating an essential premise of Judaism, even while they think they are exegeting scripture correctly. The rabbis are involved in the formulation of orthodoxy—a task necessary in their view because some Jewish sects have ceased to understand the theological center of Judaism. But the rabbis are not using philosophical tools to formulate orthodoxy; they are employing exegetical techniques.

The strategy of the rabbis in using the term “two powers” was quite sophisticated. First, there is a sense in which the designation is apt. Christians and gnostics did posit a second divine hypostasis. Second, the rabbis subsumed at least two different groups under one category. This policy implies that the rabbis either could not distinguish between the two or wanted to view various sectarians not as different groups but as one group sharing a single, basic misunderstanding. Putting all heretics in one category and dismissing them is an effective way of dealing with opposition. Third, although the designation is apt from the rabbinic perspective it is also exaggerated from the Christian one. In fact, neither apocalyptic, mystical, nor Christianized Judaism affirmed two separate deities. Each understood itself to be monotheistic, giving special emphasis to one divine hypostasis or manifestation. Only extreme gnosticism posited two different and opposing deities. In effect, the rabbis were classifying the other groups together with extreme gnosticism and treating them all alike. This tactic was effective because it was based not only on a plausible description but also on one which was a heinous charge from both the rabbinic and Christian perspective. In calling the sectarians “those who say there are two powers in heaven,” the rabbis were stating that the sectarians violated the most basic tenet of Israelite faith—the unity of God. In view of this evidence, together with the mercy and justice traditions surveyed previously, it seems possible to frame the hypothesis that the rabbis may have always opposed Christian and other apocalyptic messianism but that the battle with “two powers in heaven” intensified when extreme gnosticism demonstrated the direction this kind of speculation might take.

CHAPTER THREE

AHER, METATRON, MERKABAH AND THE ANGEL OF YHWH

The heavenly enthronement texts (Ex. 24:10 f., Dan. 7:9 f., perhaps even Ez. 1:26 f.) whose interpretation separated orthodoxy from heresy in passage 1 are suggestive of Merkabah mysticism and its antecedents. As we have seen, this controversial phenomenon in Jewish history has been implicated from the beginning of research on Jewish gnosticism.¹ The midrashic passages discussed here will affirm a relationship between "two powers in heaven" and Merkabah mysticism. But, at the outset, justification for including such texts in a discussion of tannaitic evidence can be made on the basis of the ostensible subject of the next passage, Elisha b. Abuya (110-135 C.E.). We shall see that the attribution is certainly to be distrusted, but that relevant aspects of Maaseh Merkabah must be quite early.

PASSAGE 3

b. Hagigah 15a

Aher mutilated the shoots. Of him Scripture says: (Ecc. 5:5). Suffer not thy mouth to bring thy flesh into guilt. What does it refer to?—He saw that permission was granted to Metatron to sit and write down the merits of Israel. Said he: "It is taught as a tradition that on high there is no sitting and no emulation, no back and no weariness." Perhaps God forbend!—there are two divinities (powers). Thereupon they led Metatron forth, and punished him with sixty fiery lashes, saying to him: "Why didst thou not rise before him when thou didst see him?" Permission was (then) given to him to strike out the merits of Aher. A Bath Kol went forth and said: "Return, ye backsliding children" (Jer. 3:22)—except Aher.²

The tradition is a late addition to the Babylonian Talmud. It reports that Aher entered the *pardes*³ and received a mistaken impression

¹ For more recent discussions, Scholem, *Major Trends*, pp. 40-79; also *Jewish Gnosticism*, and his articles in *EJ*. A good summary of scholarship on merkabah may be found in J. Greenfield's introduction to *III Enoch*, ed., H. Ödeberg. The outstanding essay on the relationship between the Sinai theophany and merkabah speculation is by Lieberman, Appendix D of Scholem's *Jewish Gnosticism*, 118-126.

² Tr. Epstein. See also *III Enoch* 16:2.

³ The story of the *pardes* has been often discussed by commentators interested in defining the nature of Jewish gnosticism or mystical practice among the rabbis.

about the events he saw taking place there. Whatever the original meaning of *pardes*, the scene here is obviously the heavenly court with Metatron depicted as sitting to write down the merits of Israel. Apparently being seated is more than an infringement of protocol, for it is serious enough to give Aher the impression that Metatron is enthroned as equivalent to God Himself, hence able to act independently of God. Accordingly, the angels lead Metatron out to be punished, demonstrating that he is susceptible to divine commands and punishments, in no sense equal to God. Finally, the text claims that the prophecy of Jer. 3:22 does not apply to Aher and that he will be both unrepentant and unforgiven for getting an heretical impression about Metatron.

In this well-known story, much is revealed about one kind of thought to which the designation "two powers in heaven" was applied. There are some strikingly unexpected turns in this story, which makes its authenticity dubious and its purpose obvious. In the first place, Aher's observation that Metatron's seated posture gives the impression that there are "two powers" is not illogical. It stands to reason that divine and exalted creatures seated in heaven are enthroned. The rabbis are determined to refute the whole idea of heavenly enthronement by stating that such things as "sitting" and other anthropomorphic activities are unthinkable in heaven. Yet we have already seen that the rabbis are not reluctant elsewhere to talk of divine enthronement *per se* or the seats of mercy and justice. Nor does Aher present his observation as a challenge to the rabbis. He is horrified by it. "*Heaven forbid* that there are two powers," he exclaims.⁴ Furthermore, Metatron, who is in no way responsible for Aher's assertion, and who apparently had the right to be seated, is punished as an object lesson for Aher.⁵ In spite of this, Aher, whose statement at the beginning

The meaning of the term itself has been hotly contested. Those commentators who suspect early mysticism to have been present define the term as synonymous with heaven. Those who see the term to be originally non-mystical or philosophical and only later mystical tend to stress that it is Greek loan word (*paradeisos*) and could mean only garden, and, in fact, was quite often used in Epicureanism.

⁴ This is certainly a gloss occasioned by the rabbinic sensitivity to recording heresy, even in the mouth of a heretic. For a more credible version of the tradition see III Enoch 16:2. Of course neither recension should be viewed as *ipssima verba* of Aher!

⁵ "Fiery lashes" is the translation of PWLSY DNWR³ which are circular plates or rings heated and strung on a lash. See B.M. 85b, also Yom. 77a. Rashi here and in the other places comments that bringing out fiery lashes is a way of threatening excommunication. The punishment itself seems to be reserved for rebellious heavenly

was full of pious indignation, remains willfully unrepentant at the end. As a purely moral tale, the plot leaves something to be desired! Rather, in its present context it is an etiology of heresy. It explains how certain people, who had special Metatron traditions, risk the heretical designation of "two powers in heaven." Aher functions as the heretic *par excellence*, as Simon Magus does in Christian anti-heresiological tracts.

Elisha's apostasy so contradicted his teachings that it fired the rabbinic imagination. By the time of the redaction of Ecc. R. a charming and poignant short romance had formed.⁶ In this Hagigah passage, as we remember from Graetz,⁷ Elisha was one of the four rabbis who tried to make the dangerous journey to paradise—the other three being Simeon b. Zoma, Simeon b. Azzai, and Akiba. Of these four, the Talmud tells us only Akiba makes the journey to the *pardes* successfully; the two Simeons meet catastrophic ends for failing to perform the correct procedures. Although Aher returns safe and sane, he is lost as well because he becomes a heretic.

The stories about Aher and the other rabbis have been arranged around the garden metaphor and are obviously ramified by later sages. Many modern interpreters of the *pardes* traditions have asserted that originally they had nothing to do with mystical speculation, only later to be unjustly claimed by mystics, because they were interested in finding tannaitic justification for their practices.⁸ One of the foremost critics sharing this opinion is Ephraim Urbach, who is a strong modern apologist for the rationality of tannaitic thought and attempts to use text critical tools to demonstrate his points. He isolates the kernel of the *pardes* story as the parable of a king who has made a garden on high which commoners might see but not enter or use.⁹ He concludes his analysis by saying that these stories originally had nothing to do with

creatures. Rashi senses the moral of the story for the Jewish community. It is a heavenly warning against heresy.

⁶ See Ecc. R. VII, 8 and Ruth R. 6:4 f. as well as here, b. Hag. 12b f.

⁷ See p. 9.

⁸ The following have all suggested that the *pardes* story involved philosophical speculation (about *materia prima* usually) which was later misdirected into mystical thought: Graetz, *Gnosticismus*, pp. 94-95, Joël, *Blick*, I, p. 163, Bacher, *AT*, I, p. 233. See also Fischel, pp. 1-34.

⁹ Urbach, *Scholem Festschrift*, p. 12-18. David Halpern is studying the midrashic and talmudic traditions in great detail in his dissertation at Berkeley. The parable that Urbach finds at center of the *pardes* tradition may be found in j. Hag. 73c near the bottom.

apocalyptic or mystical traditions. But that is not the same as saying there is no mystical speculation in first century Judaism. What he isolates is the parable at the core of the legend, the metaphor around which the legend was redacted on the basis of a word play between "paradise" and garden. His analysis implies nothing about the historicity of mystical tales about Akiba and his successors or even about the date that the parable of the *pardes* was associated with mysticism.¹⁰

Morton Smith¹¹ and Gershom Scholem,¹² on the other hand, show that the traditions in the Talmud and mystical texts are not out of place in the apocalyptic or the theurgic context of the second and third centuries. Scholem goes further, saying that the traditions are integrally related to apocalyptic lore. He even supposes a link with first century mystics like Paul, who claimed to know of a man who was taken up into the third heaven. Scholem's problem like Urbach's is to discover the specific part of the legend of "the four who entered paradise" which could go back to the first or second century.

We can best locate the early levels by peeling back the later ones. Whatever the origin of the story of the four who entered the *pardes*, it is likely that the part dealing with Aher has been extensively revised by later redactors. Firstly, the language of the story is Babylonian Aramaic. Next, it is not unlike the rather lengthy cycle of stories which were built up about Aher by later sages except that it has a moral particularly suitable for instruction against heresy. Lastly, the name of the angel, Metatron, argues for a Babylonian redaction and late date.¹³

We know that the story was meant to show the error of the doctrine which Aher espoused and to classify that doctrine as "two powers in

¹⁰ To be sure, he addresses himself to just this problem in the legends concerning ben Arak. But his conclusions there are based on his previous argument that the stories are late.

¹¹ See Smith, *Observations*, where he argues that the theurgic magic in the so-called Mithras liturgy is of a piece with the heavenly journey of Hekhaloth Rabbati and hence the latter, which is not a talmudic report but an actual mystical book, may go back to the third century.

¹² See Scholem, *Jewish Gnosticism*, "The Four Who entered Paradise and Paul's Ascension to Paradise" where he traces mystical themes to Paul and II Enoch. See also J. W. Bowker, "Merkabah Visions and the Visions of Paul," *JSS*, 16 (1971), 157-73; A. Neher "Le Voyage de Quatre," *RHR*, CXL (1951), 59-82; J. Neusner, "The Development of the Merkabah Tradition," *JSJ*, 2 (1971), 149-60.

¹³ Ginzberg first promulgated this argument. He denied all historic worth to the story because he thought Metatron to be a name otherwise completely limited to Babylonian sources. See *JE*, "Merkabah." It is probable, however, that Metatron is a rabbinic name first evidenced in Babylonia for a principal angel known by many names in Palestinian sects. See below, p. 64 f.

heaven." We also know from the previous chapter that the earliest isolatable heresy involved a divine hypostasis of God, somehow derived by exegesis from the Hebrew names of God. The rabbis maintained that such conceptions implied an independent will for one of God's creatures, hence compromised monotheism. But there is no reason to suppose that the heretics themselves would have said so. Here we have a similar tradition involving a specific angel, Metatron. The conclusions of the previous chapter make it seem likely, on grounds completely independent of Scholem or Smith, that angelic speculation led to heresy in Palestine. But that is not all. There is further evidence in rabbinic literature that opposition to principal angelic mediators is quite early. For instance, the rabbis often emphasize that some of God's actions in behalf of Israel were accomplished "not by an angel and not by a messenger." Judah Goldin ¹⁴ shows that the formula was applied to texts when the Hebrew syntax indicates that the subject (most often God, but once Moses!) should be specially emphasized. The contexts in which the formula occurs are five-fold: (1) God's redemption of Israel from Egyptian bondage, (2) God's punishment of Israel, (3) God's providing for Israel on its land, (4) God's revelation of the law to Moses at Sinai, and finally, (5) Moses' instruction to Israel about the covenantal value of the sabbath. These areas tend to show specifically where the rabbis were most concerned to emphasize that God himself, (once Moses) and not an angelic mediator, was responsible for the action. The comments by the rabbis are quite consonant with the teachings of R. Akiba's pupil, R. Simeon b. Yohai, perhaps even with R. Akiba himself ¹⁵ which were discussed in the previous chapter. But the letters of Paul give us certain proof that some Jews of the first century thought that the law was given by angels, an idea which would certainly have been opposed by the rabbis as well. ¹⁶

It is not clear that the proto-Merkabah mystics would have identified their candidate for mediating angel or messenger with Metatron. To be sure, Metatron is an exceptionally important figure in later merkabah

¹⁴ Judah Goldin, "Not by means of an Angel and not by Means of a Messenger," in *Religions in Antiquity: Essays in Memory of E. R. Goodenough*, ed. J. Neusner (Leiden: 1968), pp. 412-424. The language itself is likely to be related to LXX of Isaiah 63:9, or even a targumic rendering of the verse. In its augmented form this verse is a crucial part of the Christian discussion of the trinity. See Jaroslav Pelikan, *The Christian Tradition*, I, p. 177 f.

speculation. In *The Third or Hebrew Book of Enoch*, Metatron is set on a throne alongside God and appointed above angels and powers to function as God's vizir and plenipotentiary. These traditions are related to the earlier Enoch cycle in apocalyptic literature because Enoch is described by the mystics as having been caught up to the highest heaven (based on Gen. 5:24), where he is transformed into the fiery angel, Metatron. This is clearly dependent on the ancient "son of man" traditions which appear in Ethiopian Enoch 70 and 71, but they have been expanded in Jewish mysticism so that Enoch and Metatron are now *alter egos*, while neither the titles "son of man" nor "son of God" appear at all. Instead the principal angel is given the title "YHWH HQTWN" (YHWH the lesser) or the "N'R" (youth) and possibly even "SR H'WLM" (Prince of the World).¹⁷ Martin Hengel suggests that titles like "youth" actually function as substitutes for the original titles in *I Enoch*, which had taken on christological significance and could not be used in Jewish mysticism.¹⁸ Since these mystical descriptions of Metatron are later traditions and Metatron is described in orthodox, amoraic rabbinic writings as well, not every appearance of the angel Metatron can be heretical, and most of them are probably not antique. Scholem claims that only the concept of a principal angel, underlying the name of Metatron,¹⁹ is Palestinian and antique. He points out that the names Yahoel, "Lesser YHWH" or YHWH HQTWN, which are quite often attributed to Metatron in Merkabah tradition and occasionally occur in Coptic-gnostic literature, must underlie the Aher story.²⁰ If Metatron were also known as YHWH HQTWN, Aher's mistake would have been both more understandable and more dangerous because the name of the angel would contain

See now Charles Isbell, *Corpus of the Aramaic Incantation Bowls* (Missoula, Montana: SBL and Scholar's Press, Dissertation Series 17, 1975). pp. 34.4; 49.11; 56.12. For the various views on the derivation of the name, Metatron, see Ödeberg, *III Enoch*, 125-142 and Scholem's explanation, *Maj. Trends*, p. 68. Urbach shows (*The Sages*, p. 119, n. 15) that Scholem must be wrong in deriving the name from *vox mystica* phenomena. The fact that Metatron equals Shaddai in Gematria, which is in keeping with the tradition "My name is in him," argues for deliberate choosing of the name. See further words by Lieberman on metatronos in Gruenwald *Apocalyptic and Merkabah*.

²⁰ The Lesser Yah or Yahoel are also related terms and, being composed from YHWH, would contain the name of God, hence resemble the angel of Ex. 33:20 f. as well. See p. 195.

the tetragrammation and might indeed be taken as a second deity.²¹ These observations allow Scholem to push the date of these Merkabah traditions back to the third century for sure and possibly the second, but certainly into the Hellenistic (hence Palestinian) cultural milieu.²²

According to Scholem, YHWH HQṬWN was only one name for the mediator. Many of the legends told about the archangel Michael in earlier aggadic sources were transferred by Merkabah mystics and by the rabbis to Metatron. The process of identification, says Scholem, can be traced to the fourth and perhaps the third centuries. The evidence for this identification is an apocalyptic, mystical document known as the "Visions of Ezekiel," which is based on a description of the seven heavens more or less parallel to the rabbinic account of the heavens in *Hag.* 12b and ARN.

As quoted by Scholem, the key passage reads as follows:

And what is there in *Zebul*? R. Levi said in the name of R. Hama bar Ukba, who said it in the name of R. Johanan: The Prince [obviously Michael as in the Talmudic passage] is not dwelling anywhere but in *Zebul* and he is the very fullness of *Zebul* [i.e., fills all of it?] and before him are thousands of thousands and myriads of myriads who minister to him. Of them it is said in Daniel: I beheld till thrones were placed, etc.; a fiery stream issued, etc. (7:9-10). And what is his name? Kimos [or Kemos] ... is his name. R. Isaac said: Ma'atah [or me'atah] is his name. R. Inyanei bar Sisson said: Bizbul [meaning: in *zebul*] is his name. R. Tanhum, the Old said: Atatiah..., is his name. Eleazar Nadwadaya said: Metatron, like the name of the (divine) *Dynamis*. And those who make theurgic use of the (divine) Name say: *Salnas*, ... is his name, Kasbak, ... [a different reading: *Baskabas*] is His name, similar to the name of the Creator of the World. And what is the name of the Merkabah of *Zebul*? *Halwaya*, ... it its name.²³

The setting is the seven-tiered heaven, mentioned in b. *Hag.* 12b and ARN. The passage implies that Metatron, whatever the derivation of the name, is to be understood as a secret name for the archangel Michael. At least this is the interpretation that Eleazar Nadwadaya offers. At the same time, the passage states that the name Metatron is also like the name of God, here also called (GBWRH = *dynamis*) or "the power." The passage was composed by Jewish mystics, not

their rabbinic colleagues, so the appearance of the now familiar reference to Dan. 7:9 f. further substantiates that other groups besides Christians were making "dangerous" interpretations of that verse, and that Daniel's vision substantiated the mystical doctrine. The mystics of the third and fourth centuries inherited these esoteric traditions about the night vision of Daniel and used them in an exegesis central to their position.²⁴ The passage shows that there were traditions about a principal angel of God, whatever the name, that are older than the Babylonian texts testifying to such traditions. We also know something of a quite similar heresy reported by rabbis in the second century. Whatever else the heresy may have been, it contained some of the kinds of traditions which would later become Merkabah mysticism, making it appropriate to describe the heretics as proto-Merkabah mystics. Of course we cannot be sure merely from the rabbinic title "two powers" that these traditions are historically related to the apocalyptic, Christian and later gnostic heresies we discovered in the last chapter. The rabbis may have associated many groups on the basis of phenomenological similarity, rather than common history. The fact that they use similar exegeses suggests some kind of relationship, as yet unspecified, among the various groups.

With these conclusions, we can now look at another text in the Babylonian Talmud related to the problem of "two powers in heaven":

²⁴ Perhaps the relationship between Metatron and Daniel 7:9 as shown by the quotation from the *Visions of Ezekiel* makes clearer the predicate of N^cR or "youth" for Metatron which Scholem finds so puzzling. It occurs in 3 Enoch 3:2 and is referred to in the *Shiur Koma* in the phrase MŠKN HN^cR. The young figure in Daniel 7:9 and Ex. 15:3 is never called N^cR in rabbinic literature. He is called GBWR, BHWR, ʔŠ MLHMH. However the midrash does use the word ZQN, old man, explicitly to describe the Ancient of Days and the manifestation of God at Sinai, Ex. 24:10 f. and Ex. 20:2. Perhaps the missing step in the development is the use of Ps. 37:25 which states: "I have been a youth and now I am old." Thus the young figure in the heavenly visions could be identified as N^cR and the meaning of "servant" (as in servant of the altar) would be derivative. One should also mention that the contrast between God in youth and in old age was developed eloquently by appeal to passage in the Song of Songs (see, e.g., Hag. 14a), an extremely popular book, and the *Shiur Koma* literature produced by Merkabah mystics. See Green, "The Children in Egypt and the Theophany at the Sea: Interpretation of an Aggadic Motif." The theme has also occurred in liturgy of later periods e.g. the *Shir Hak-Kabod*. Some evidence that such an hypothetical reconstruction is in accord with the history of the tradition comes from Yeb. 16b where Ps. 37:25 is put into the mouth of a figure called the "Prince of the World" because "only he who was present during the history of creation from its beginning to its end could have spoken these words." The Prince of the World, as we shall see, is another figure intimately bound up in the traditions of Metatron and Michael and YHWH. See p. 50 f., 60, 64 f., 189, 214. See also Lieberman in Scholem, *Jewish Gnosticism*, as noted.

Sanhedrin 38b

R. Nahman said: "He who is as skilled in refuting the *Minim* as is R. Idith [MS. M: R. Idi] let him do so; but not otherwise. Once a *Min* said to R. Idi: 'It is written, *And unto Moses He said: Come up to the Lord* (Ex. 24:1). But surely it should have stated, *Come up to me!*'—'It was Metatron,' he replied, whose name is similar to that of his Master, for it is written, *For My name is in Him.* (Ex. 23:21). 'But if so, we should worship him!' 'The same passage however,' replied R. Idi, 'says: *Be not rebellious against Him* [i.e., exchange Me not for him.]' 'But if so, why is it stated: *He will not pardon your transgression?*' (Ex. 23:21). He answered: 'By our troth [lit: we hold the belief] we would not accept him even as a messenger, for it is written. And he said unto him, *If Thy presence go not etc.*' (Ex. 33:15)." ²⁵

The passage is ascribed to R. Nahman, a Babylonian who lived in the late third century. He, in turn, praises the rhetorical skills of R. Idi (or Idith), ²⁶ who apparently lived in Palestine in the generation previous to R. Nahman. R. Nahman warns that it is dangerous business to get into arguments with the heretics. ²⁷ One should refrain unless one has the skill of R. Idi.

The demonstration of R. Idi's competence is exceedingly interesting. Without naming the heresy, he describes a passage conducive to the "two powers" heresy (Ex. 24:1). In that scripture, God orders Moses and the elders to ascend to the Lord. Since the text says, "Come up to YHWH" and not "Come up to me," the heretic states that two deities are present. The tetragrammaton would then be the name of a second deity, a conclusion further supported by the lack of an explicit subject for the verb "said" in the Massoretic Text. The high god can refer to his helper as YHWH because the helper is the same figure of whom it is said, "My name is in him" (Ex. 23:20 f.).

Obviously this is another case of heretics believing in a principal angel with divine perquisites because the Lord's name is in him. Now we see how the name of YHWH was associated with the mediator. ²⁸ The language is Babylonian Aramaic so the text itself can only be dated

²⁵ Tr. Epstein.

²⁶ Not even Urbach, *Sages*, p. 119 is sure of the identity of this rabbi.

²⁷ If the identity of the group here is merkabah mystics, it is the only place in midrash that implies they are heretics. Note also the common pseudo-correction of Sadducee for sectarian.

²⁸ Scholem argues that this implies that the earliest name for the angel here described must have been YHWH HQTWN or Yahoel, (or, at the very least Michael, whose name means "Who is like God!"). Rashi and R. Hananel *ad loc* say that Metatron refers to God as "Lord," thus avoiding the heretical implication.

to the third century with any surety. But the tradition must be based on older traditions in apocalyptic or proto-Merkabah or proto-gnostic texts where the principal angel has a theophoric name.

A most significant question is whether or not such ideas were ever current within rabbinic Judaism. As we have seen, Urbach²⁹ says that they existed only on the outskirts of rabbinism and only at the end of the second century. Scholem³⁰ says that they were central and early. It is quite possible that our texts are too refractory for definite answers but rabbinic opposition to extreme forms of speculation can be outlined by looking at their arguments.

The defense against the heretical doctrine is based on a *double entendre*. According to R. Idi, scripture should be understood as saying, "Do not exchange me" (from M-W-R) rather than, "Be not rebellious or provocative" (from M-R-H). Therefore, it is scripture itself that offers the best caution against the heretical doctrine. We learn from this defense that the heretics, in rabbinic eyes, were seen to confuse an angel with God!

The heretic then asks why the Bible needed to say that "he will not pardon your sins." As it is stated, the heretic is challenging the rabbi to apply a rabbinic doctrine that each phrase in scripture must be interpreted in such a way as to add its own specific piece of information. Although this stylizes the heretic in a rabbinic idiom, the heretical argument itself can certainly be discovered. More is at stake than a heretic challenging a rabbi to observe the proper rules of rabbinic debate. The heretic is saying that since the angel is described as not pardoning the Israelites at this one place, normally the angel must offer pardons. Hence, in heretical eyes, he has an independent share of God's power. Furthermore, the last polemical remark of the rabbi makes this implication clear. Were he only a messenger or agent—*parvanka*³¹—he should not be received.

³¹ The word "*parvanka*" is a loan word from Mandaean and ultimately from Persian where it meant a forerunner or messenger or the normal word for letter carrier. In Hebrew, it seems to be used in the sense of messenger (Heb. *shaliah*), used in respect to both prophecy and liturgy to describe a representative of the people or to the sovereign. Since *shaliah* was a readily available word, one wonders why the rabbis did not use it, relying instead on the less familiar "*parvanka*." Ödeberg suggests that *shaliah* had already started to receive the connotation of savior, liberator, or deliverer, as it has in Mandaic. But Ödeberg is mistaken for *parvanka* also has soteriological connotations in Mandaic. See Nöldeke, *Man. Gram.* 117, n. 1, for its

If we take the literature in the New Testament as characteristic of some kinds of heresy in the first century, we find that this is not an entirely inaccurate description of Christian exegesis. Ex. 23:20 is most often taken to refer to John the Baptist (Mk. 1:2, Mt. 11:10)—that is, purely an earthly messenger. But the point of Mt. 11:10 is precisely that Jesus, for those who truly believe in him, is greater than John the Baptist and is in the same category as eschatological figures like Elijah. Furthermore, one of the things which, according to the New Testament, most upsets the Jews about Jesus is precisely that he does claim the power to forgive sins (Mk. 2:7 f.).

This is not intended to say that the pericope which has been described as characteristic of the third century at the earliest must be speaking about first century Christianity. There are some obvious differences between the two uses of Ex. 23:20. I only maintain that arguments like those which we find opposed by the rabbis in the third century and later were already present in heretical writings of the first century, as represented by Christians. The rabbis, then, accused heretics (some who resembled Christians, but probably others as well) not merely with the charge of believing in angels (which the rabbis themselves certainly acknowledged) but with the charge of believing that a certain principal angel was a special mediator between God and man. The mediation might have involved the forgiving of sins, which, in any case, was enough for the rabbis to conclude that the principal figure of the heretics was supposed to be more than an angel. Or it

use in Kolasta and L. Ginza, as a guide for the spirit when it leaves its earthly life. Widengren ("Heavenly Enthronement and Baptism," *Religions in Antiquity*, 566) translates *parvanka* as "companion" because of its soteriological connotations and remarks on the relationship to M. Ir. "*Parvanak*." Another more probable reason for using *parvanka* rather than *shaliakh* is that the word "*shaliakh*" had the legal status of "agent" in rabbinic law. As an agent, a person acting for someone else should be treated *as if he were* the person he represents. Some considered an agent as a *partner* of the person that he represents. (B.K. 70a). In fact, there are accounts of "two powers" heretics who thought that the second power was God's partner in creation (see p. 111 f.). Accordingly, it was probable that the rabbis were avoiding the terms which would explicitly validate the heresy in rabbinic law. It is also possible that they used a word which the heretics themselves used to describe the second power. That would mean that the heretics are similar to Mandaeen gnostics, or to the group who brought gnosticism to the Mandaeans. The rabbis did not employ the word *shaliakh* to describe the angel described in Ex. 23:20, but the Persian loan word would be suitable because it contained the connotation of mediator without giving rabbinic approval to the concept. For the concept of God's agency as used in the Gospel of John to describe Jesus' mission on earth, see Peder Borgen, *Bread from Heaven*, Supplements to NT, X, (Leiden: 1965) 158-164 and "God's Agent in the Fourth Gospel," *Religions in Antiquity*, pp. 136-148.

might have involved the belief that the angel participated in God's divinity by appropriating one of His names. It seems clear therefore that some varieties of the heresy go back to the first century, even if the rabbinic texts do not.

It is important to note that the two powers worshipped by the heretics were complementary rather than opposing, as gnostic deities were. On the basis of this evidence, we must conclude that the earliest traditions which the rabbis opposed were of the complementary variety, since we have no hint that the opposing variety of heretical traditions (like the kind that R. Nathan may have described) had a similar, ancient history. Because of this, we should be prepared to accept the conclusion that the heretics, among whom Christians were certainly included, would not have agreed with the rabbinic charge that they were dualists. By the third century, which is the earliest possible period of our text, the rabbis seem to be fully aware of the kinds of claims that could be made about a "son of man" or Metatron or any other principal angel. So they reject the idea of divine intermediaries totally, except as dependent agents of punishment. In place of the "two power" understanding of Ex. 23:20, they offer the opposing verse Ex. 33:15, "If Thy presence go not with us, carry us not up hence," which they interpret as Moses' prayer that God himself should always be Israel's guide.³²

The final stage in the rabbinic argument against angelic mediation may be found in Ex. R. 32:9 where it is recorded that wherever an angel of YHWH is mentioned one should understand that the Shekhina (i.e., God's presence) was manifested. The effect is to remove any doubt that the manifestation of divine force can be separate from God.

Identifying the specific group about whom the rabbis were concerned in this passage can not be successful. Scholars have answered the question in a variety of ways. Friedländer³³ erroneously saw the passages themselves as dating from the tannaitic period. In accordance with that theory, he could regard the rabbinic opponent as a gnostic. He then proposed that "Metatron" should be identified with a gnostic

³² Philo offers an interesting and "dangerous" exegesis of these verses in Quae. Ex. II 46: When Moses was called above at the theophany on the seventh day (Ex. 24:16), he was changed from earthly man to heavenly man. The gospel of John (3:13) seems to contain a polemic against that idea. John says that the vision of God's kingdom and the second birth from above are not brought about by ascent into heaven to the son of man, but rather the heavenly man's descent brings the vision and the second birth. See Borgen, p. 146.

³³ Friedländer, *Gnosticismus*, p. 103.

god, "Horos." Of course, this overlooks the important fact that the rabbis (R. Aher and R. Idi), not the heretic, mention Metatron. Further, there is no hint of gnostic opposition of deities in any of the material. It seems likely that Metatron, chief of God's angels, who acts as His messenger and representative but is never regarded as God, is the rabbinic name for many mediators in heretical thought.

Herford³⁴ saw the heretical doctrine as belonging to the Christian camp, which was in accordance with his general theory that all *minim* are Christians. He suggested further that the type of Christianity involved would have to be the Jewish-Christianity outlined in the Epistle to the Hebrews. There, the Christ is seen as the heavenly High Priest "after the order of Melchizedek," who, in turn, is a kind of supernatural mediator. This ignores the fact that the Epistle to the Hebrews argues that the Christ, as Son, is superior to any angel. Urbach³⁵ also suggests that the opponent is a Christian. However he does this only because he feels that Merkabah mysticism must be excluded as a possibility during the tannaitic period. None are prepared to say that a variety of phenomena fit the bill of particulars.

With the information and study which Scholem has brought to the subject comes the most complete understanding of the opponents. His study has made it clear that these traditions were quite generalized and went through different phases in different Jewish sects. Nor were reports of heavenly journeys exclusively confined to Judaism, as the reports about Julian the Theurgist show. At first they were fairly widespread in apocalyptic, mystical, and ascetic groups. In Jewish circles they are always associated with theophany texts in the Old Testament, the same texts we have been tracing. They were witnessed by Philo, who, as we shall see, recast them as the *logos* and used them to describe the rewards of the mystical ascent. But the traditions were also present in the Qumran Community.³⁶ There is no reason to doubt that R. Yohanan b. Zakkai and his disciples, to whom the earliest Merkabah traditions are attributed in talmudic sources, were familiar with some

of the Essene and apocalyptic traditions that circulated in their day.³⁷ Whether or not the rabbis also indulged in mystical *praxis* at first is unknown. By the third century, however, all evidence shows that such practices were known to be dangerous by the rabbis. The traditions which did survive within Judaism only did so in secret conventicles of esoteric knowledge which collected and redacted the later documents of Merkabah mysticism.³⁸ The repression of such dangerous ideas in Judaism must date from the same period as the mishnaic rules in Hagigah strictly governing the transmission of Merkabah lore—that is, the late second century at the latest. The germ of the story about Aher then may be authentic or come from the period when such ideas were less restricted, though the heretical charge must be later and based in Aher's presumed antinomianism. The story about R. Idi and the *min* must come from the amoraic period when those who espoused the tradition could be subject to the charge of the "two powers in heaven." The heretical opponent of R. Idi in the third century could be either a Christian or Merkabah mystic. The former is somewhat more likely, because nowhere else are Merkabah mystics explicitly called "*minim*."

If one allows that either Christians or Merkabah mystics could have espoused these "two powers" doctrines in the third century, one must be willing to grant that the heretical traditions themselves are quite a bit older than the amoraic period, and that the title "two powers" could be applied to a variety of related doctrines.

³⁷ See Urbach, *Secret Torah* for an analysis of how these apocalyptic traditions ramified into the traditions now present as *beraitot* in Hagigah. See especially N. A. Dahl, "The Johannine Church and History," in *Current Issues in NT Interpretation*, ed., Klassen and G. Snyder (New York: 1962), p. 124-142, especially 131 for the impetus to see the roots of Johannine Christology within Jewish traditions of the visionary ascent to heaven, as witnessed in merkabah and Christian apocrypha like "The Ascension of Isaiah." This work develops the observations of Ödeberg in *III Enoch* and *The Fourth Gospel*.

³⁸ It is difficult to tell how much of the later mystical ascent practice through ecstasy was present in the earliest period. However, theurgic ascent practices can be traced to the Julian the Theurgist (author of the Chaldaean Oracles) at the end of the second century, and hence to his father, in the middle of the same century (See Smith, *Observations*, H. Lewy, *Chaldaean Oracles and Theurgy* (Cairo: 1956) and *Oracles Chaldaïques*, ed., des Places (Paris: 1971) and subsequently became quite widespread throughout the Roman Empire. Whether earlier Jewish apocalyptic heavenly journeys could have existed without such theurgic practices is a moot question, but it seems to me to be quite unlikely that the literary traditions could circulate without some basis in ecstatic experience.

CHAPTER FOUR

A CONTROVERSY BETWEEN ISHMAEL AND AKIBA

We have learned a considerable amount about the early character of binitarian heresy from the "two powers" midrashism surveyed so far. However, as we will now see, much material not originally part of the heresy came to be associated with the "two powers" tradition. Hence it becomes especially difficult from this point onward to identify one specific group or doctrine with the heresy. Instead, a variety of different groups inherit the title. This can be shown clearly in the case of one debate between two tannaim, Akiba and Ishmael. In this particular case, an originally ambiguous story was only associated with the heresy of "two powers" in a later recension. The editor who associated the two traditions was, in effect, offering an interpretation of the ambiguous tradition by saying that it concerned "two powers" heresy.

PASSAGE 4

Genesis Rabba 1:14, b. Hag. 12a, Tan. 8

¹*T the heavens and T the earth* (Gen. 1:1) R. Ishmael asked R. Akiba: 1 Since you have studied twenty-two years under Nahum of Gimzo [who formulated the principle that] ²*K* and *RQ* are limitations while ³*T* and *GM* are extensions, [tell me], what of the ⁴*T* written here? Said he to him: "If it stated 'In the beginning created God heaven and earth' ⁵2 we might have maintained that heaven and earth too are divine." Thereupon he cited to him. ⁶3 "*For it is no empty matter for you* (Dt. 32:47)" and if it is empty, it is so on your account—because you are unable to interpret—rather:

¹ Hagigah: when they were walking in the way.

² Hagigah: If "heaven and earth" (alone) were said I would have thought that "heaven" was the name of the Holy One Blessed be He. Now it says "⁷*T the heaven and T the earth*" (Gen. 1:1)—"heavens" the real heavens; "earth," the real earth.

Tanhuma: "In the beginning created God heavens and earth" is not written rather, "⁸*T the heavens and T the earth*" to show the logic of the divine writ.

³ Tanhuma: R. Akiba said to him! For it is no empty thing for you (Dt. 32:47) "If heavens and earth (alone) were said, we would have thought that THERE ARE TWO GODS, rather ⁹*T the heavens and T the earth*—them and what is described with them."

וְ³T *the heavens* is to include the sun and the moon, the stars and the constellations, the וְ³T *the earth*—to include the trees and the grasses and the garden of Eden.⁴

As the text stands, R. Ishmael is challenging the method by which R. Akiba interprets scripture. R. Akiba was taught by Nahum of Gimzo that every use of וְ³T signifies an inclusion in the meaning of the text.⁵ “וְ³T the Torah”—one might hypothesize, would mean both the oral and written laws. R. Ishmael, however, challenges the principle with the first verse in scripture. But R. Akiba says that he does not interpret the scripture to include or exclude anything here. Rather the וְ³T signifies only that “heaven” and “earth” are definite direct objects of the verb “created,” not the subject of “created.” Hence, in no way can one assume that “heaven” and “earth” are deities. R. Ishmael replies that “This is no empty thing for you” (Dt. 32:47) presumably meaning that the occurrence of וְ³T in this verse cannot remain without special significance in R. Akiba’s system of interpretation or it would show a failure of that system. As he says, “If it is an empty thing for you, it is because you do not know how to interpret.”

The next phrase of R. Ishmael is ambiguous. Either he says (1) וְ³T “the heaven already includes the sun and moon, stars and constellations...” meaning that R. Akiba’s system has to fail because “heaven and earth” is already a synecdoche for all creation, or (2) he helps R. Akiba’s argument by offering an explanation which R. Akiba has

⁴ The end of this quotation differs from Freedman order to convey the ambiguity of the Hebrew. See Theodor-Albeck I, 12 for complete references.

⁵ This is the Hebrew particle signifying the definite direct object which, therefore, like a case ending, has syntactical value but no lexical meaning. The verse in question is Genesis 1:1 (“In the beginning, God created heaven and earth.”) Because of the Hebrew accusative particle וְ³T, we know that “heaven and earth” are to be understood as definite direct objects of the verb “created.” If the Torah were written in ordinary Hebrew, the sole function of the וְ³T would be to point out this definite direct object. But the kind of Hebrew that comprised the Torah is precisely the point at issue between Ishmael and Akiba. (See Epstein, MBW³WT, pp. 521-526 and Bacher, *Aggada der Tannaiten*, I, p. 67 f.) R. Ishmael stated that DBRH TWRH KLŠWN BNY וְ³DM. The words of Torah are like ordinary speech (lit.: is like the language of men) (Sifre bashalah 112, San. 64b). This means that one should not pay any special attention to the seemingly pleonastic words in the text or even things that seem repetitious. R. Akiba, on the other hand, had learned his exegetical methodology from Nahum of Gimzo, who taught that all particles, indeed, every jot and tittle of the Torah held some special meaning which must be unlocked. In particular, conjunctions employed in the Torah were intended to indicate the extension or limitation of its provisions. Hence this system was called extension and limitation RBWY WMYWT. The particles KL, וְ³P, were regarded as implying extensions while וְ³K, MN, KK were regarded as limitations.

not himself considered but which would support R. Akiba's system. Or (3) the last phrase can be understood as being spoken by R. Akiba. The first possibility (1) has two difficulties: (a) it leaves the matter wholly undecided; (b) it involves translating the definitive LRBWT as "already does include." The second possibility (2) seems most likely to me because it involves the least textual change but it has the difficulty of attributing to R. Ishmael an argument for a system of interpretation which he is known always to have opposed. The third possibility (3) involves a change of speakers without any indication in the text. It also involves assuming that R. Akiba is the first to bring up the idea that heaven and earth are *pars pro toto*, Ishmael not having a suspicion of it previously. The third possibility is the route most scholars have taken, by assuming that the text is in disarray and that another "MR LW" should be added in the text somewhere, indicating that the speaker did change.⁶

The ambiguity in the text is quite old; even the elaborations of the tradition in *Tanhuma* and *Hagigah* may be seen as separate attempts to resolve it. In *Tanhuma* R. Akiba is reported to have said the last phrase and, by using the "eth" to have included all the things in heaven and earth. This statement closes the argument. He also maintains that heaven and earth might be taken to mean "two gods"—which is the exact phrase used in the statement of R. Elisha b. Abuya in *Hagiga*, and, as we have seen previously must be equivalent to saying that the heresy of "two powers" is involved. But the text is late, relative to

⁶ See e.g., Theodor-Albeck, *ad loc.*; Marmorstein, *Essays in Anthropomorphism*, p. 11 interprets the paragraph based on an emendation. Marmorstein is most articulate about how the passage should be read... "The original text can be reconstructed by consulting all the available parallels and manuscripts." *Tanhuma* ed. Buber, Gen., 5 f., has the following reading in which R. Ishmael says: "The expressions (eth) in Gen. 1:1 surely cannot be explained according to your method; it is, however, the usual expression of the text. R. Akiba says: 'Thou canst not explain it according to your method, cf. (v. Deut. 32:47) but I can, for if the particle would be omitted one would think that heaven and earth are Godheads; now, since the texts puts "eth," the teaching can be derived that heaven and earth were brought into existence fully furnished with their complete equipment.' It is noteworthy that the rendering of the verse from Deuteronomy, which is quoted here in the dialogue in the name of R. Ishmael or R. Akiba respectively, is cited in the Palestinian Talmud four times in the name of one of the younger Palestinian Amoraim, R. Mana, v. Peah 1:1, Shebiit 1:6, Shabbath 1:1, Sukka 4:1 and Ketuboth 8, end. This looks strange unless we take it as a later gloss. The Midrash Abkir published by me in Dwir, pt. 1, pp. 127-128 enables us to render the question and answer in this way: R. Ishmael asks what is the meaning of "eth" in the verse? Surely no one of us will go so far as to suggest that heaven and earth are deities or that man is God, or that God is a lad? Therefore R. Akiba gives his interpretation."

the other versions, and the Genesis Rabba text, which is supported by all the other versions, has neither a direct mention of "two deities" nor an additional marking that the speaker changes. If R. Akiba is the author of the last statement, he speaks without a definite mark of the change in speakers.⁷

Whatever the solution to the textual problem and the structure of the argument, the crucial point for studying rabbinic heresiology is to understand what is meant by calling heaven and earth gods. The heresy—or more exactly the faulty interpretation of scripture—was puzzling to later rabbinic interpreters as well. In the Hagigah version of the text, for instance, the dangerous doctrine is described as believing that "heaven" and "earth" are *names* of God. Only in the late midrash, Tanhuma, is the heretical belief explicitly called "two gods." The only thing immediately apparent from the Tanhuma evidence is that the heresy of "two powers" was taken by later tradition as being equivalent to saying there are two Gods—i.e., ditheism. Discovering the character or practitioners of any hypothetical heretical doctrine and its dubious relationship to "two powers in heaven" will not be easy. It is sure that, despite the similarity in language, Tanhuma cannot have the same heresy in mind as we have traced in the first two chapters. Ishmael and Akiba can not be talking about "two deities or powers *in heaven*." Only one is in heaven,—or, more exactly, *is* heaven. One suspects, then, by the time of the redaction of Tanhuma, the charge of "two gods" or "two powers" had become completely conventional and could be used against a variety of unorthodox opinions, without the slightest deference to the original sources of the heresy.

Heaven and earth were seen as deities by every polytheistic culture surrounding Israel. Even Persian and Greek philosophy maintained that they were divine. However, no culture around the Jews during that period maintained that heaven and earth were the only two gods. It is not likely that either polytheism or strict dualism is the doctrine attacked in this passage.

The same tradition is attached to a variety of different scriptural verses: Gen. 4:1, and Gen. 21:20, to name the principal ones. All of

⁷ The Soncino Midrash (in English) appears to understand the passage in this third way. Freedman and Simon translate ָלֹא as "No" and see the sense of the passage as follows: "No! ָלֹא the heavens is to include the sun and the moon, the stars and the planets ַעַל the earth is to include trees, herbage and the garden of Eden." Thus they see an implied change of speaker for this last paragraph.

these occurrences, as we shall see, are designed to combat some unstated heresy, although no unified conception of the heresy can be discovered. In view of this, one must suspect that the redactor brought a perfectly innocent, non-polemical, exegetical controversy between Ishmael and Akiba into a new context where the controversy could have a polemical ramification.

We cannot tell which context is the original location for the argument. Ishmael and Akiba's argument makes more sense at Gen. 1 than at other places, as we shall see. But the state of the text makes one hesitant to associate it with any one scripture. After all, there are thousands of "וT's" in the Bible.

Only when one abandons the idea that the "tannaitic" argument itself condemns heresy can one rely on what previous scholars have said. Ishmael and Akiba were arguing over an exegetical principle. Any other issue remains ambiguous. Nevertheless, somebody saw it as a convenient foil against a variety of unstated heretical beliefs.

Scholars have suggested a relationship between the argument between Akiba and Ishmael at Gen. 1 and gnosticism.⁸ Joël was the first to see a relationship between the passage and the report of the Marcosian Gnostics by Irenaeus. (Adv. Haer. 1:18). According to this report, the gnostics held the belief that "God," "beginning," "heaven," and "earth" in the first verse of the Bible were all to be considered part of a divine tetrad.

Actually, many other doctrines could have been the subject of the polemic as well. For instance, in the *Apophasis Megale*, ascribed to Simon Magus, the Samaritan from Gitta, there is a doctrine which sounds even more suitable. The creation is accomplished by the *logos*, "who stands, stood and will stand." He creates all the other powers, the first two of which are identified with heaven and earth. They, in turn, become allegorized as male and female principles in the formation of embryos, through an allegorical reading of the narrative of the garden of Eden. Wherever heaven and earth are hypostasized creatures in any fantastic gnostic system, not just the Simonian system, one could expect the rabbinic argument to be relevant. Furthermore, as is growing clear from the Nag Hammadi texts, Gen. 1 was a favorite Bible passage in almost every variety of gnostic exegesis. Practically any kind of gnosticism could be suitably answered in the polemic.

⁸ The scholars who see this passage as referring to gnosticism are Joël, *Blicke*, p. 169; Marmorstein, *Essays in Anthropomorphism*, p. 10.

However, the most widespread sectarian doctrine derived from the first chapter of Genesis had to do with a second power, the *logos*, and not with gnosticism specifically. Of all the terms in the first sentence of the Bible, "In the beginning"—not either "heavens" or "earth"—was the most commonly used to derive a second divine creature. "In the beginning" is often understood as "by means of 'The Beginning,'" thus hypostasizing a principal angelic helper in creation. Even in the gnostic systems mentioned above, the *logos* is present as creator of the many divine archons. These themes seem to be based on the well-known identification of Wisdom as God's helper in creation (See Gen. R. 1, for instance). Furthermore, in the fragmentary targum⁹ we find an interesting variant of the theme. Because it was assumed that God's Wisdom had mediated the creation, the targum translated "In the beginning" as "By wisdom." The Samaritan liturgy also contains that reading.¹⁰

This also may be the basis of the Sophia legend among the gnostics. The *Tractatus Tripartitus* of the Jung Codex emphasizes that though Wisdom fell from grace she had done so independently, by her own authority (*exousia*, 1:3). Furthermore, Christians, as exemplified by the church father Theophilus, maintained that "in the beginning" actually meant "Christ" because the gospel of John had identified the *logos* with the messiah. So many dangerous doctrines depend on the first verse of the Bible that one is reluctant even to specify which one is the most likely to have been the target of the polemic.¹¹

If Akiba wanted to defend against any of these doctrines, he picked a weak and indirect argument. Pointing out that "T" rendered "heaven and earth" direct objects would be little help against such well-developed heresies. Either the original dispute between Ishmael and Akiba was unrelated to this conflict or it was imperfectly transmitted. I suggest it was both.

However, the text makes more sense as an anti-heretical polemic when one assumes that later rabbis wanted to defeat a variety of heresies about the creation of the world. First of all, they could rely on a tradition about two great rabbis. Secondly, while the discussion actually does not demonstrate that the only divine being in the first

¹¹ This will be discussed further in Section III. See p. 184 f.

verse of the Bible is God, it could be maintained by later sages that the great rabbis had had that issue in mind. Furthermore, the history of the text's transmission shows just such a trend toward more and more explicit reference to heresy. It seems unlikely that the original issue of the text (or even the original target of the polemical understanding) can be recovered, but the ambiguity of the tradition allows it to be used broadly against heresy.

The other midrashim concerned with this dispute of Ishmael and Akiba also reflect a later polemical intent, although it is not always clear that gnosticism was the heresy implied. Apparently the rabbis quickly saw that the argument between Akiba and Ishmael about the meaning of "וְיָ" was a good counter argument to speculation in Genesis 1:1, where it makes a certain degree of sense. But they also used it in reference to various other Scriptural passages, where the discussion between R. Akiba and R. Ishmael is almost completely irrelevant.

In reference to Genesis 21:20 ("And God was with the youth," i.e., Ishmael) the rabbis noticed the problem posed by an incorrect interpretation of the "וְיָ." In this case, when the וְיָ is interpreted as introducing the direct object, one is left with the meaning "The Lord became a youth." Orthodoxy interpreted the phrase to mean "and the Lord was *with* the youth as וְיָ must have originally been understood. If the וְיָ had been left out, they say, "the verse would be very difficult." Indeed so! But this is not analogous to the Genesis verse because what is really at stake is the interpretation of וְיָ (d.o. or "with"), not strictly its presence or absence. If וְיָ were present and being used to introduce the direct object, the question would still be difficult. One has to assume that the tradition about Ishmael and Akiba was grafted conventionally onto this section because it was seen as a defense against heretical arguments. Yet strictly speaking, Ishmael and Akiba's argument is not applicable to the biblical verse. Of course, a number of different groups maintained that God became a youth. Merkabah mysticism may be implicated. The N^cR of Gen. 21:20 is a technical term for the younger figure in the mystical speculation.¹² However, any Christian group which believed in divine incarnation could also have been the target of such a tradition. There is no sure way to distinguish between the various opponents at this time. The only thing which can be said with reference to this passage is that the opponent would have to read Hebrew.

¹² See p. 67 f. for a discussion of N^cR in Jewish mystical writings.

Another context for the argument between Ishmael and Akiba over the use of the "T" is Gen. 4:1, the folk etymology for the name "Cain." In this case there is a clear polemical setting for the discussion. Cain's name is understood by means of the phrase: "With YHWH('s help) I have acquired a son." However, the statement could also be taken to mean "I have acquired a son through YHWH," or even, "I have received YHWH as husband." Notice again that the presence or absence of T is not the issue; the meaning of the word is in dispute. Were the T absent, the word would yield the sentence "I have acquired a man of God," which is irrelevant for the argument.

There is a long history of exegesis about the offspring of Cain,¹³ who were regarded, like Cain himself, as wholly evil.¹⁴ Many heretical groups came to be associated with Cain.¹⁵

N. A. Dahl has suggested a plausible theory of how heretical groups came to be identified with Cain and also how the gnostic group, the Cainites, may have taken such a figure for their hero or eponymous ancestor. Perhaps another example of understanding the tetragrammaton as one of the angels lies behind this passage.¹⁶ In orthodox eyes, the angel is no longer good. Rather he is Satan and he is seen as the angel who commits adultery with Eve. Therefore, the defensive tradition would be based on the idea that Cain is the first-born of Satan, making his offspring anathema. Such a defensive argument was used not only by the rabbis but also by the evangelists (John 8:44) and the church fathers (Polycarp 7:1). In the evangelist's case, the appellation is used against Jews: Whoever does not want to believe in Jesus has Cain for a father instead of Abraham. The Jews who are the target of this charge were accusing Jesus of being a Samaritan. It is possible that the accusation of being an offspring of Cain was first a Jewish charge against Christians (and others such as Samaritans)

which was here reversed by the Christians as a defense against the charge.

The heresiologists knew of a gnostic group which actually called themselves Cainites and traced their lineage back to him. According to them, Cain had a greater power than Abel because his power came from above. This idea may have been based on some other tradition about angelic agency in Gen. 4:1. The heretics would have regarded a good angel as the father of Cain. Philo, who sees Cain as a symbol for evil, admits a similarity with Enoch and Melchizedek in that the scripture does not record his death.¹⁷ No doubt this fact was not lost on the Cainites either. It would not be improbable for Cainites to have based traditions about Cain's translation to heaven and enthronement on scriptural grounds, since we find enthronement traditions about Enoch and Melchizedek based on scriptures' omission of a report of their death.

Nor was the positive evaluation of Cain restricted only to the Cainites. The Perateans suggested that it was only the demiurge, the god of this world, who did not accept the offering of Cain.¹⁸ Marcion taught that the high god accepted Cain, leaving Abel and Abraham and their descendants behind unsaved.¹⁹

The groups who viewed Cain positively had merely accepted the charge of being the first-born of Satan which was hurled at them by orthodoxy. However, they turned it into a positive attribution. The later church fathers also said that Cainites took Judas Iscariot as well as Cain as a hero.²⁰ This "negative value" kind of Judaism or Christianity was a product of the intense three-way polemic going on between Judaism, gnosticism and Christianity—with the gnostic groups being opposed by both sides.

That the paragraph of rabbinic discussion between Ishmael and Akiba could be associated with all these different heretical arguments makes sense best in a polemical environment. The biblical Ishmael and Cain became allegorized as the ancestors of groups who had fallen away from the truth while Genesis 1:1 was the source of most all of the gnostic cosmologies.

The exact conflict between Akiba and Ishmael is unclear. The

evidence is that it was unclear to early tradition as well. Some rabbis later remembered an historical argument between the tannaim in a new context and used it as a convenient counter to cosmological, angelological, ascension, and gnostic traditions. The redactor seems to be the one who made sure that the argument appeared at Gen. 4:1 and 21:20. It is possible that Akiba and Ishmael actually argued about Gen. 1:1. But from the state of our texts, it is impossible to isolate the original issue exactly. The original disagreement seems to have concerned exegetical methodology, later reinterpreted under the pressure of the gnostic controversy. Both heresy and orthodoxy accepted the metaphor that they were brothers—but ironically, vilification, not brotherhood, was the purpose of the identification. As far as “two powers” is concerned, it is clear that only some of the possible heretical traditions deal specifically with doctrines about a second, angelic helper for God. The term is quickly brought into a variety of contexts, many of which are anti-gnostic, and some of which have nothing to do with the earliest level of the heresy.

CHAPTER FIVE

MIDRASHIC WARNING AGAINST "TWO POWERS"

PASSAGE 5

Sifre Deuteronomy 379

See now that I, even I, am He. (Dt. 32:39). This is a response to those who say there is no power in heaven. He who says there are two powers in heaven is answered: "Has it not elsewhere been said: '*And there is no God with me.*'" And similarly (for one who says) "There is no power in it (heaven) to kill or to revive, none to do evil or to make good," Scripture teaches: "*See now that I, even I, am He. I kill and I revive*" (Dt. 32:39). And Again, "*Thus says YHWH, the king of Israel and his deliverer, YHWH of Hosts. I am the first, I am the last, and besides Me there is no God.*" (Is. 44:6).

Another interpretation: "*I kill and I revive*" (Dt. 32:39). This is one of four sure allusions to resurrection of the dead: *I kill and I revive* (Dt. 32); *Let my soul die the death of the righteous; Let Reuben live and not die* (Dt. 33); *After two days he will revive us* (Hosea 6). I might think that death was by one (power) while life was by another. Scripture teaches: "*I wounded and I will heal.*" Just as wounding and healing is by one (power), so is death and life by one (power alone).¹

None escape my hand: No father can save his sons. Abraham could not save Ishmael and Isaac could not save Esau. From this example, I know only that fathers cannot save their sons. From where do I learn that brothers may not save their brothers? Scripture teaches: "No man can ransom his brother" (Ps. 49:8). Isaac did not save Ishmael, Jacob did not save Esau. Even if a man were to give all the money in the world, it would not give him atonement, as it is said: "No man can ransom his brother... his ransom would cost too much..." (*Ibid.*). A soul is dear. When a man sins with it, there is no compensation.

¹ Midrash Tannaim: Another interpretation: *See now, I, even I, am He.* R. Eliezer said: Why is it suitable for Scripture to say "I" twice? The Holy One, Blessed be He said: 'I am in this world and I am in the world to come. I am He who redeemed Israel from the hand of Egypt and I will redeem it in the future at the end of the Fourth Kingdom.'" *And there is no God with Me:* Every nation who says there is a second god will I prohibit from eternal life, and every nation who says, there is no second god, I will give them resurrection in the future. I will kill these and revive those, as it says "*I kill and I revive.*"

This anonymous passage in Sifre cannot be shown to be aimed merely at one heretical group. It is a cleverly designed anthology of arguments against various views which the rabbis opposed. Something about the character of the heretical doctrines can be learned, but the final identities of any groups espousing the doctrines is elusive. The best we can do is note the form of the argument. First, those who deny the existence of God are refuted by reference to Dt. 32:39a. This is obviously an important scriptural weapon because immediately thereafter those who believe in "two powers" in heaven are refuted with the continuation of the same verse. Finally, those who believe in God but deny His ability to kill or bring to life are refuted by reference to Is. 44:6.

Great difficulty is encountered when one attempts to find hints of the identifies of the opponents. Büchler² argued that the opponents in this passage must be either Jews, Judeo-Christians or gnostics by reasoning that the use of biblical passages would be little help in combatting gentiles, for whom the Bible held no authority. Büchler's guess is hardly a specific identification, yet even this argument must remain open to question. This particular passage (as opposed to the earlier traditions) might have been only a rabbinic stylization of various arguments and used only within the Jewish community.

Nor does it seem likely that the rabbis could have had only one group of heretics in mind. The first opponents mentioned seem to be atheists. Other passages in rabbinic literature are amenable to the suggestion that there were atheistic Jews. For instance, Sifre to Dt. 32:21³ says "I will vex them with a foolish people" as a reference to *minim*. Then it further characterizes the heresy by applying Ps. 14:1 "The fool says in his heart, there is no God." Of course, few people in the ancient world denied deity completely, but Epicureans were often called atheists because they felt the gods could effect nothing in the world and were irrelevant to men. Furthermore, the midrash knows of Jews who believed that the world operated "automatically,"⁴ which implies that some Jews of the period were students of Epicurean philosophy.⁵

² Büchler, *Minim*, p. 267. Stauffer, *TDNT*, III, p. 99 associates the verses with Marcion. See Marmorstein, *EJ* (1931), VII, 564.

These atheists may be related to the opponents who either deny that "God neither kills nor brings to life," or those who felt that He "neither causes evil nor good." Since two separate heretical arguments are mentioned, it is possible that there were really two distinct heresies, the first of which denied resurrection, the second of which denied reward and punishment or even divine providence entirely. However, in that case, those who deny reward and punishment could have easily been included under the first category of "those who believe that there is no authority in heaven."

Even leaving aside the atheists who may be separate from the others, the same group who believed in "two powers" could not have also believed that God had no power to do either evil or good. Some hypothetical heresy may have believed that one god did not supervise activities, leaving all immanent functions to another god, or that one god was the author of evil while the other god created good; but it is not likely that any group accepted both dualism and the lack of punishment and reward at the same time. No specific relationship between the three types of doctrines is implied in the passage, beyond the rabbinic opposition which they all share. The thread of the argument comes from the scriptural quotation rather than logical argumentation. The different doctrines opposing the rabbis are so tied to the exegesis of the passage that one must suspect that some of the doctrines are completely theoretical, derived merely from the words of scripture and do not reflect actual heretical doctrines.

However, this suspicion cannot be entirely demonstrated either. The "two powers" argument is brought up because the Hebrew word ³NY (I) is repeated twice, possibly implying two speakers. This is the kind of scripture which might have appealed to various heretical groups. Even the LXX translates the verse by repeating "see" twice instead of the "I," implying an early sensitivity to the verse.

The second paragraph of this section may reflect some real debates. It gives four pericopae in scripture from which one can demonstrate the doctrine of resurrection.⁶ The heretical doctrine is elaborated by

Yalk. num., pp. 764 b. Hag. 5b, Gen. R. 8:9; b. Ned. 23a, Krauss, p. 107. See Marmorstein, *RGS*, I, p. 52, and especially Urbach, *Sages*, pp. 73, 311, 588. Talmudic uses of the word "apikoros" are compiled by S. Wagner, *Religious Non-Conformity in Ancient Jewish Life*, (unpublished dissertation: Yeshiva University, 1964), 124-144. A relationship between Epicurean philosophy and resurrection, providence, mercy and justice is provided by Fischel, pp. 35-50.

⁶ Midr. Tan. expands the list to ten pericopes in scripture but the additional

the charge that one god might be thought to be in charge of killing while another is in charge of revivification. This charge is countered by use of Hos. 6:2 where God says that He has struck down and will heal. Just as one God alone strikes down with sickness and heals, so too only one God is responsible for life and death.⁷ Of course, logically and historically, healing and resurrection may be separate ideas connected only by their similar form. They also have no absolute connection with dualism and may just as well imply polytheism or merely the existence of a doctrine of a demonic world opposing the divine plan. In that case one set of divine creatures would be responsible for all the sickness in the world, while another would be responsible for healings.⁸

In the first paragraph of the text we had a clear reference to "two powers in heaven" but no clear evidence that the doctrine was related to any of the other heresies mentioned. In the second paragraph of the text, there is an ambiguous reference to a doctrine which might be dualistic but might as well be polytheistic, together with a discussion of the doctrine of the resurrection of the dead. No historical information may be concluded from such an anthology.

Based on Hoffman's research, it is generally assumed that the additional midrash appearing in Midr. Tan. is a secondary elaboration stemming from a later period and perhaps dating as late as the eighth century, because the first other appearance of that tradition is the *Pirke* of Rabbi Eliezer (hereafter *PRE*) which is commonly understood to have been edited in the eighth century.⁹ This additional midrash does record evidence about "two powers in heaven." It assumes that those who believe in a second god are from gentile nations (*goi*) and links that doctrine with the discussion of resurrection in the following way: Those gentiles who deny a second god will be saved to enjoy resurrection, but those who do not deny the second god will not enjoy the benefits of the world to come. It seems that an eighth century midrashist

passages do not always seem appropriate for proving a doctrine of resurrection from Torah.

⁷ See Marmorstein, *Unity*, p. 447 and Ex. R. 28:3. God's revelation takes different shapes but this variety does not in the least imply the theory of "two powers." In regard to Moses, see p. 145. Elsewhere the same God wounds and heals, reveals himself in the same moment in the East, West, North and South. See p. 1317.

⁸ For the operation of this kind of belief in the Hellenistic world see E. R. Dodds, "Man and the Demonic World," *Pagan and Christian in an Age of Anxiety* (Cambridge: 1965), pp. 27-68.

⁹ M. D. Herr dates *PRE* to the first half of the eighth century in Palestine just prior to the fall of the Omayyad dynasty, see *EJ*.

has simply assumed that the two paragraphs of the midrash (the first describing atheists, dualists, etc., and the second describing resurrection) are related. Probably he did so on the basis of m San. 10:1 which states that all Israel has a share in the world to come, then defines those sinners who have lost their portion. The Epicurean, he who denies the divine origin of the Law, and he who does not admit that resurrection is prophesized in the Torah are all condemned by the Mishnah. But since "two powers" heresy is not explicitly mentioned by the Mishnah, the midrashic commentator wants to make sure that the penalties for ditheism are clearly spelled out as well. He does so by connecting the discussion of resurrection at the beginning of the second paragraph in *Sifre Dt.* with the *caveat* against dualism at the end.

In the third paragraph of the *Sifre* passage, there are a few clues to the identity of the unspecified sectarian groups, but there is no implied relationship between the sectarian practices in any of the other paragraphs. In the third paragraph the midrashist warns that fathers cannot save their sons nor brothers save their brothers from retribution for sin. That families will be split up on the day of judgment is a standard motif appearing many times in the literature of the day and, in fact, in many different religious systems throughout the world.¹⁰

That no father can redeem his son and no son redeem his father is a tradition present in other rabbinic writings as well.¹¹ Elsewhere, the dictum is modified to allow that a son can redeem his father, although no father can redeem his son. Rabbinic literature does record that the patriarch Abraham redeemed his father, Terah. Ginzberg feels that this type of statement is a warning against excess in the doctrine of "the Merits of the Fathers," by which the goodness of the patriarchs in the past was believed to atone for an individual's misdeed in the present.¹² This suggests that some of rabbinic opposition in this passage could be directed against abuse of rabbinic doctrines or against the far more serious problem of the exaltation of Abraham or Jacob found in apocalyptic documents and pseudepigrapha.

There is no clear evidence, then, that the three paragraphs in this section can be viewed as speaking about only one group. What unites them is only that the rabbis use the quotation from Deuteronomy as

¹⁰ See vivid descriptions of heart-rending family separations in Mt. 24:40, Lk. 17:34, Quran 23:103, 80:33 f., b. San 104a, 4 Ezra 7:102, Bundahisn 31. Winston, *Iranian Component*, 196.

an opportunity to discuss and dismiss conclusively various doctrines which they oppose. It is clear that the redactor of the *Sifre* felt that the doctrines could readily be grouped together but the exact basis of the grouping, and hence, the exact character of the groups under discussion, became quickly muted in the transmission of the tradition and remains elusive.

Although no one group can be definitely identified, the fact that more than one group can be seen in the passage is a positive conclusion. What may be certainly concluded is that Herford and Buechler were hasty in applying these passages only to Christians. Christians do remain a possibility for the subject of some of the traditions. However, Samaritans, gnostics and Jewish apocalyptic groups cannot be excluded. It seems likely that such editorial redactions of Midrash were responsible for the expansion of the term "two powers in heaven" by later rabbis until it could cover many heretical groups. The problem is to discover which of the heretical groups were actually called "two powers in heaven" by the earliest tannaitic sages before the designation became common. Because of the ambiguity of the passages, no evidence can be found for changing the conclusion that the earliest traditions posited a separate, principal, angelic helper, of God on the basis of scriptural theophany texts. The other traditions seem to be later additions to the polemic. However, from this pericope, we can conclude that Deuteronomy 32:39 became a favorite scripture—like Exodus 20, Dt. 6:4, Isaiah 44-47—to defeat heretical notions of the godhead. There are important correlations between arguments of God's justice and mercy and "two powers" heresy in this passage. But the exact relationship cannot be defined. All we can say is that after a certain point in time, many forms of mediation—from binitarianism to extreme, opposing dualism—were subsumed under the title "two powers in heaven."

PASSAGE 6

Numbers 15:30

But the person who sins presumptuously, native or alien, he insults the Lord.

Sifre Zuta Shalah 15:30

The person—This refers to him who says: "There is no power in heaven!"

The person ... and the person—This refers to him who says: "There are two powers in heaven."

Who sins presumptuously—to include him who sins intentionally.

he insults the Lord—Why do idolators resemble one who empties a pot while stirring it, so that nothing remains. [See p. 92 n. 18 for this translation].

This passage in *Sifre Zuta* (passage 6) resembles that in *Sifre Deuteronomy* (passage 5) in that it uses the repetition in the wording of scripture as an occasion to discuss "two powers in heaven." It is generally supposed that *Sifre Zuta* is from the "school of R. Akiba" and is part of the traditions handed down through the academy of R. Eliezer b. Jacob II (135-170 C.E.). This would contrast with the previous passage in *Sifre Deuteronomy* (passage 5) which has been attributed by Epstein to "the school of R. Ishmael."¹³ In any event like the last tradition, the redaction is quite late and specific information about the tannaim will be difficult to come by. We may assume that the concern to safeguard the community from those who believe in "two powers in heaven" was evidenced in both "schools" of midrash and that similar exegetical means were found to show that such a heresy was forbidden in scripture. In *Sifre Deuteronomy* (passage 5), the fallacy of "two powers" doctrines was outlined. Here scripture is used to occasion a discussion of the penalties for the heresy. In *Sifre Deuteronomy* (passage 5) the views might be seen as sectarianism. Here it is clearly heresy and punishable by severe means.

Nu. 15:30 is quite well suited for use as an attack against inhospitable doctrines. It is from the part of Nu. which outlines the procedures for the various sacrifices which all residents in the Holy Land should bring to the Lord to atone for various transgressions, both accidental and willful. Nu. 15:30 states that any person "who sins presumptuously," whether he be born in the land or a stranger, is a reproach to the Lord. The penalty for such an offense is KRT. The stern wording makes the verse ideal for use against heretics. In fact, the passage in Nu. makes such good sense against rabbinic opponents that it has been used by many teachers to apply to many different enemies. In the *Sifre*,¹⁴ for instance, "he who sins presumptuously" is taken to signify he who makes perverse interpretations of scripture (MGLH

¹³ Mielziner, *Introduction to the Talmud* (New York: 1969), p. 285. Epstein, NBW³WT, pp. 625-633, esp. 628, where the passage in question from *Sifre Dt.* is attributed to R. Ishmael's school although the majority of *Sifre Dt.* is from R. Akiba's school. It should be noted that the schools mentioned indicate two differing redactional principles but not any real connection to the academies of these two sages. See *EJ*, "Midrashei Halakha," "PRE," "M.T." and "*Sifre Zuta*" (M. D. Herr). A summary of critical opinion on each midrash will also be found there.

¹⁴ *Sifre* 120.

PNYM BTWRH) while "he reproaches the Lord" is taken to mean he who indulges in fatuous interpretations (YWŠB WDWRŠ BHG-DWT ŠL DWPY).¹⁵ These apparently refer to unacceptable exegetes or parties within the rabbinic movement. On the next verse, the *Sifre* records that "because he despised the word of the Lord" refers to Sadducees while "he broke His commandments" refers to the Epicureans.¹⁶ R. Simeon b. Eleazar (170-200 C.E.) felt that the "soul shall be cut off" should be taken to refer to the Samaritans "who believe that the dead do not revive." He makes evident an ironic principle in attempting to fit each heretical deed with its proper punishment. From the rabbinic perspective, the Sadducee has despised the word of the Lord because he rejected the oral Torah. Epicureans have broken the commandments because they felt that the gods were irrelevant to man's existence. The punishment meted out to Samaritans also fits their crime: they are cut off from eternal life. In *Sifre* the opponents seem to refer to people who do not respect accepted traditions about the meaning of scripture within the academy. All of the groups opposed to the rabbis, then, seem to have real knowledge of scripture and can be called either rabbinic sectarians or Jewish heretics.

The passage in *Sifre Zuta* (passage 6) also includes those who believe in "two powers in heaven" among those to whom the penalty of KRT applies. How much of the characterization of the heretics in the paragraph actually applies to those who believe in "two powers in heaven" is uncertain, just as it was uncertain in passage 5. However here, even the characterization of the heresy is somewhat unclear. There is a rabbinic debate about the meaning of the word MGD¹⁷, (which I have been translating as "He reproaches the Lord"). The rabbis were concerned to define the exact nature of the reproach. In our passage, it is assumed that MGD¹⁷ means "idolator," which is the majority opinion among the rabbis. This would imply that the rabbis were protesting the community from Jews who went over to gentile ways. But R. Akiba is supposed by tradition to have dissented from this view. He believed that MGD¹⁷ referred to a blasphemer, as indeed is its usual meaning in the targums (II K 21:13) and many places in the Mishnah.¹⁷

But the problem is not just one of definition. There is also a problem

¹⁵ Bacher, *Exegetische Terminologie*, p. 149.

¹⁶ *Sifre* 121.

¹⁷ E.g., Ker. 1:2, Sanh. 7:5, j. A. Zar. 3 (42d) as well as Tosefta and Targum on Kings *ad loc.* (Sperber, v. 2, p. 310).

in the consistency of penalties in the law. In b. Ker. 7b the rabbis decide that MGD^P must be an idolator in order for the law's penalties to be applied consistently. This explains the irony that in *Sifre Zuta*, a document from the "school of R. Akiba," those redacting in R. Akiba's name list only the opposing, later predominant perspective that the crime is idolatry, not mentioning what was thought to have been R. Akiba's own understanding of the term—blasphemy.¹⁸

In the received edition it seems clear that two crimes are assumed for the purpose of deciding the penalties, so both the characterization

¹⁸ Though this reading testifies to the outcome of the dispute, other places in tannaitic literature show that the dispute continued for some time before the authoritative ruling was made, for R. Akiba's position on the question is often remembered. As the tradition developed, other closely associated traditions became included and added to the confusion. In *Sifre Zuta*, for instance, the etymology of G-D-P is taken as proof that the meaning of the reproach is idolatry. The proof rests on what must have been an expression in common usage. "After doing something to the bowl, a man has scraped it so clean that nothing remains." This self-defeating process is compared to idolatry, but neither the vehicle nor the tenor of the comparison is completely clear.

First the vehicle of the metaphor: Horowitz suggests that the text should be amended from N^TR to N^TL so that the phrase would mean, "after receiving the bowl." Lieberman (*Sifre Zuta*, p. 5 n. 12) takes issue, saying that the correct emendation is to N^CR (on the pattern of m. Kelim 28:2) which then would make the metaphor to empty the pot by means of stirring it and, in the process, scraping it out of impatience. Lieberman's emendation is the most carefully reasoned.

Other recensions of the tradition have tried to clarify the problem *vis-à-vis* the tenor of the metaphor. In the *Sifre* to this passage, the same difference of opinion is mentioned as an issue between R. Eleazar ben Azariah (T2) and Issi ben Akabiah (T5!). The earlier sage says that it is as if a man said to his compatriot "You scraped the bowl and nothing remains of it." Both seem to be implying that the damage was done in the process of emptying. In j. San. 25b Simon b. Eleazar (T5) is quoted as saying that the MGD^P and the idolator scrape out everything and don't leave a commandment. He allows two different categories of sinner, MGD^P and idolator, but sees that the etymology implies only that both violate all the commandments. In b. Keritot 7b each of the two etymological explanations are split up on corresponding sides of the debate about whether MGD^P means idolator or blasphemer. The rabbis here report that Elazar b. Azariah was understood to say MGD^P is one who scrapes the dish and does not impair it while R. Issi said MGD^P refers to one who scrapes the dish and does impair it. Then the talmud goes on to say that R. Elazar b. Azariah meant the passage to refer to those who worship idols while Issi and some other sages as well said that the phrase referred to blasphemers. According to this tradition the basic metaphor is as follows: Even if one may still believe and recognize the supremacy of the creator (a much more sophisticated understanding of the worship of *eikons* than the rabbis usually evince), when one has committed blasphemy, one has deprecated the creator himself. Blasphemy then becomes the more severe crime in the eyes of the rabbis, though both blasphemy and idolatry were equally severe in point of law. It seems probable then that this passage comes from a time when Jewish idolatry was not a problem and the rabbis wanted either to emphasize the crime of blasphemy or explain some practice as being less harmful than blasphemy.

and the penalties refer to both crimes. The rabbis seem to be saying that the people who sin presumptuously include either those who intentionally deny the authority in heaven or promote "two powers in heaven," whether they be part of Israel or outsiders. Atheism and dualism were linked in this verse to apply the penalties of idolatry to both. They were both seen to be perverters of the truth of the Bible and could be discredited with the same scriptural reference.

In passage 5, the previous anthology of heresy, it was discovered that more than one group was condemned in the passage and that "two powers in heaven" was only one of the many. Not all doctrines in that passage could then be applied without scruple to those who believed in "two powers in heaven." Any of several different groups of people—Sadducees, Samaritans, gnostics, Christians—might be implicated if the second paragraph, which concerned resurrection, could be taken as relevant to "two powers." If the third paragraph about the redemption by various relatives were also describing the "two powers" heresy, then any group which believed in the exaltation of its hero or patriarch could be implicated.

The next logical step is to compare passage 5 with passage 6 and ask if any of the groups in passage 5 could have been opposed, characterized and punished by the rabbis as idolators or blasphemers. Such an exercise can only cut down the logical possibilities to the strongest candidates, not yield a firm rejection of any group or a firm identification. But a determination of the strongest candidates is a relevant consideration.

The Sadducees are not prime candidates, for they do not appear to have been opposed by the Pharisees in those terms. The accusation is probably conventional. The Samaritans, however, were charged with both crimes. The idols of the Samaritans were mentioned in 2 Kings 17:30-31. Accordingly, Sanhedrin 63b informs us that the Samaritans continued to worship the gods of their native lands, even after their conversion to Judaism. Those from Babylon worshipped a hen, the Cuthians a cock, those from Hamath a ram, the Avvites a dog and an ass, the Sepharvites the mule and the horse. The Samaritans are even said to have fashioned images of Jacob and Joseph to whom they paid divine honors,¹⁹ a particularly interesting fact in view of the rabbinic warning against reliance on forefathers for salvation. Samaritans are also accused of blaspheming God—as, for instance, in j. San. 25d

¹⁹ Ginzberg, *Legends*, V, pp. 274 f., 419.

where R. Simeon b. Lakish (2A) is continuously obliged to rend his garments because of a Samaritan's language. In the same passage, gentiles who blaspheme are mentioned so the implication is that some Samaritans blaspheme just as some gentiles blaspheme. Yet blasphemy is characteristic enough of Samaritans to raise the question among the rabbis of whether it is worthwhile continuing the practice of rending the garments after hearing it.

One great difficulty in allowing that Samaritans could have been included under the rubric of "two powers in heaven" is to discover if anything in their beliefs could be interpreted dualistically or as binitarianism. While they were certainly viewed as schismatics by the end of the mishnaic period,²⁰ how they would have been characterized as "two powers" heretics is not at all clear. It is possible that the veneration of Jacob or Joseph along with God, as mentioned above, could point to apocalyptic doctrines seen by the rabbis as "two powers in heaven." Another possibility is to stress the link between Samaritanism and gnosticism, as is so often done by the sources. For instance, Simon Magus, the legendary founder of all Christian heresy, was a Samaritan. According to Epiphanius²¹ the Samaritans were the first to identify Shem with Melchizedek and hence Melchizedek's city of Salem with Shechem.²² It is known from 11QMelch at Qumran that Melchizedek was often viewed as an eschatological salvation figure, similar to the archangel Michael in many parts of sectarian Judaism.²³

That Christians are included among those who say there are "two powers in heaven" has been established previously. Blasphemy was one charge levelled at Jesus by Jews according to the New Testament. When Jesus was arrested and brought before the High Priest, he is

Epiphanius attributes the Shem-Melchizedek identification to the Samaritans while the Jews declare Melchizedek to be the son of a prostitute probably on the basis of the tradition that he was "without mother, father or genealogy." This report is particularly relevant when one remembers that "son of a prostitute" was also used to describe "two powers" heretics. See p. 54. See J. Fossum, dissertation Utrecht, for Samaritan demiurgic traditions.

asked if he claims to be the messiah. Jesus answered, "I am and you shall see 'the son of man' sitting on the right hand of power and coming in the clouds of heaven." (Mk. 14:62). According to this version of the story of Jesus' trial, he may have associated himself with the "son of man" in Daniel 7:9 f. The reaction of the High Priest was to rend his garments and accuse Jesus of blasphemy. Whether or not this was the original form of the saying is questionable. The church clearly associated Jesus with the son of man, therefore making the story's authenticity problematic. But, by the end of the tannaitic period, the claims of the church and not the actual event would have been the issue of any debate. If the rabbis heard and accepted the Christian story they might have regarded Jesus' crime as blasphemy, although it was not blasphemy in the name of God and hence could not carry the penalty of death. The trial of Stephen shows the same emphasis. Stephen sees a vision of the heavens opening with Jesus standing next to God's glory,²⁴ which is meant to refer to Jesus' words during his trial as well. Whatever these traditions imply about the actual events, they signify that the Christian community, earlier than 70 C.E.,²⁵ identified Jesus with the figure of the "son of man" in the dream vision at Daniel 7:9 f. which they said the Jewish community regarded as blasphemy.

Idolatry may also have been a charge levelled at Christianity by Jews insofar as even some Christians thought other Christians idolatrous for eating meat sacrificed to idols.²⁶

Christianity and Samaritanism are both closely linked with the gnostic movement, for gnosticism was first defined by church fathers (notably Irenaeus) as a Christian heresy. Irenaeus explained that the arch-heretic responsible for the rise of gnosticism was Simon Magus. Since many gnostics believed in the return of the elect to the highest God, it can be said that they believed in the immortality of the soul (or at least of some souls) but not necessarily in the resurrection of the body, which is impure in their speculation.²⁷

Of course, these represent only the logical possibilities, not estab-

lished identifications. But the increasing range of possibilities seems to be characteristic of the history of the tradition. The result of viewing these passages, then, is not only to realize that various groups may be possible candidates for the title of "two powers in heaven," but also to see that groups which we would define as different might have been put into a single category by the rabbis. By the time of the editing of the midrash, the doctrines of atheism and dualism were being associated with proofs about punishment for idolators and blasphemers. Various groups charged with these crimes must have been gnostics, Christians, Samaritans, and apocalyptists, all of whom are recognized by modern scholarship as speculating on related scriptures, although Sadducees and Dead Sea Scroll sectarians may have been earlier targets for the same charges.

We cannot definitely identify a single group as the target for these charges by the end of the tannaitic period. By that time, and perhaps under the influence of these passages, the term "two powers in heaven" became a completely conventional, stereotypic term. It no longer referred to one group (if it ever did) and became relevant to a whole series of groups, becoming a homologous term with "those who say there is no power in heaven" and "those who say there are many powers in heaven." The rabbis must have used it deliberately rather than the synonymous term "two gods." Given the similarity in terms and the results of the previous chapters, it seems likely that the vocabulary itself was standardized in the middle or late second century at the earliest, to be used systematically only by the third and succeeding centuries.²⁸

After the charges against heretics were anthologized in this manner it is unlikely that "two powers" could have continued to be used to denote a specific group. Too many conflicting doctrines were put together. Furthermore, the plethora of terms and doctrines in these texts implies that the term "two powers" itself was coined to be elastic—fitting any number of different groups which might not otherwise answer to the description under strict definitions. That, no doubt, explains the confusion of modern scholars in isolating a group with the doctrines characteristic of "two powers in heaven." In the earlier periods, we were dealing with specific dangerous scriptures; here we are dealing with a number of dangerous doctrines and groups, some

of whom could be characterized as believing in "two powers" but who were indiscriminately put together with a variety of different heretics. They were all defeated by the use of Nu. 15:30. Thus, the original referent of the charge was lost. But the blasphemous and idolatrous implications of the heretical beliefs had now been clarified.²⁹

²⁹ In the introduction, various means available to the rabbinic community for controlling deviance were discussed (see p. 6). Contemporary research on this subject has grown more wary of reading rabbinic excommunication—NDWY and HRM—into historical descriptions before the third century. Here, in traditions which must be later than the third century in their present context, the rabbinic modes of excommunication are not mentioned either. Rather the *minim* who believe in "two powers" were said to be worthy of KRT, extirpation. This suggests that rabbinic excommunication was reserved for offenders who still viewed themselves as part of the community. Crimes worthy of extirpation would include not only blasphemy and idolatry, as we have already seen, but also magic, sorcery, and "leading astray." There is no way to tell whether this association in Sifre to Nu. 15:30 was made for polemical effect, to show the community how bad the heresy was, whether it reflects theoretical, legal precedent, or the results of actual cases. It seems most likely that these midrashic traditions reflect accusations alone. According to Christian texts, such charges were made by the Jews. The New Testament, which tends to look for a Jewish religious charge against Jesus rather than a Roman, political one, claims that Jesus and Stephen were executed for blasphemy. Church fathers attest that Jews called Jesus' miracles sorcery while the New Testament itself may be sensitive to the charge (e.g. Mark 1:23 f., 5:7 f., 7:32 f., 9:23 f.). Even so, such traditions do not necessarily reflect actual Jewish reactions to Jesus, rather have been taken by Jews and Christians alike through the ages as descriptions of the events. Therefore linking groups like Christians with KRT is not illogical. The punishment of KRT is extremely elastic and variable. In different forms, different periods, and under different situations, it might entail the death penalty, or, as is the far more normal interpretation, death at the hands of God, who would cut off the life of the offender before his appointed time.

CHAPTER SIX

MISHNAIC PROHIBITIONS AGAINST UNORTHODOX PRAYER

Like the tannaitic midrashim, the Mishnah has preserved various traditions related to “two powers” heretics. The Mishnaic evidence can be dated to the late second century for sure, but, like the midrash, the Mishnah has been edited in such a way as to obscure the exact relationship between “two powers” heresy and the sectarian practice it describes. The *mishnayot* describe relevant heretical practices under the rubric of forbidden prayer. Various unacceptable prayers and practices described in the Mishnah are ascribed to “two powers” heretics by the amoraim, so we can only be sure of the presence of a named heresy in the amoraic period after the codification of the Mishnah. Clearly the heresy itself and exegesis of the dangerous scriptures on which it depended were earlier than the end of the second century.

The identity of the opponents in the tannaitic tradition is more obscure once the amoraic term “two powers” has been removed. The tannaim are concerned with some repetitions in prayer and with various heretical concepts of justice, goodness and mercy. By the end of the tannaitic period, these issues were associated with the “two powers” polemic. In passage 1, we saw that it was the rabbis themselves who made the association. They offered an exegesis of the names of God which emphasized his qualities of justice and mercy counter to, and in place of, an heretical doctrine which apparently hypothesized two different visual manifestations of God. These passages seem to show that the heretics themselves were quite concerned with the problems of mercy and justice.

PASSAGE 7

Mishnah Berakhot 5:3

He who says: (in a prayer) (A) “Even to a bird’s nest do your mercies extend” or (B) “May your name be remembered for the good” or (C) “We give thanks, we give thanks”—is to be silenced.

Mishnah Megillah 4:9

(D) He who says: “May the good bless you.”—this is the manner of sectarianism.

Jerusalem Talmud Megillah 4:10 75c

He who says: "May the good bless you—this is two powers."

Babylonian Talmud Megillah 25a and Berakhot 33b

Gemara: We understand why he is silenced if he says "We give thanks, we give thanks." because he is manifesting (a belief) like two powers; also if he says, "Be your name mentioned for the good," because this implies, for the good only and not for the bad, and we have learnt, a man must bless God for the evil as he blesses Him for the good. But what is the reason for silencing him if he says 'Your mercies extend to the bird's nest?' Two Amoraim of the West, R. Yosi b. Abin and R. Yosi b. Zebida, give different answers; one says it is because it creates jealousy among God's creatures, the other, because he presents the measures taken by the Holy One, Blessed be He, as springing from compassion, whereas they are but decrees...

This tradition occurs in two places in slightly altered form, once at Ber. 5:3 and again at Meg. 4:9. The passage apparently condemns various liturgical formulas in Palestinian Judaism. Whoever says that (A) God's mercy extends to a bird's nest or that (B) His name should be remembered for the good or who (C) repeats a "modim" prayer should be silenced. The Meg. passage contains the additional tradition that "He who says (D) 'May the good bless you' is acting in the manner of sectarianism." This fourth tradition (D) often appears in the manuscripts of the Talmud to Ber. as well as Meg.

The Mishnah makes no further statement about these forbidden prayers. It only includes them in part of the discussion of various heterodox liturgical practices to which the rabbis objected. Whether they were characteristic of one single group or related in some other way is left undiscussed by the rabbis. Elbogen¹ suggested that phrases (A), (B), and (D) were additions to the end of the "modim" prayer while (C) referred to a repetition of the words at the beginning. The basis for this assertion is the record of over three hundred different additions to the "modim" prayer from various texts and manuscripts of it. A person who uses benediction (A) is described as going before the ark, which implies that he was leading prayers. But there is no firm evidence that the synagogue was the only setting for all the heretical invocations. Before rejecting or accepting Elbogen's conclusions, let us look at each benediction.

(C) "We give thanks, we give thanks."

The Modim prayer is now one of the last parts of the Amidah, a prayer containing eighteen benedictions and one curse, which is

¹ Elbogen, p. 57.

essential to every Jewish service. The whole prayer is conventionally recited silently, facing Jerusalem, but if a quorum of ten is present, the reader of the service repeats the entire prayer aloud. When the Modim prayer is read aloud, the congregation responds to it by saying the MWDYM DRBNN in an undertone. The two Modim prayers themselves differ slightly from one another—the first, emphasizing God's mercies at the end; the latter, the MWDYM DRBNN, emphasizing God's creative powers at the beginning.² The MWDYM DRBNN is, however, from a period later than the Mishnah, being composed out of several phrases suggested by the amoraim.³ Even assuming without evidence that the current method of employing the prayer is roughly as ancient as the composition of MWDYM DRBNN, we must conclude that among the earliest commentators on the mishnah, it was not the repetition of the Modim prayer *per se* which was the mark of sectarianism, for the service began to require a repetition. It must have been the intent or content of the repetition, rather than the repetition itself, which was the problem. If so, we may suspect that the orthodox repetition of the modim prayer in the synagogue emphasized themes of mercy and justice as a corrective to an heretical repetition.

The amoraic traditions concerning the prayer do not clarify the heresy. Although they assume that such prayers are to be silenced because they manifest "two powers in heaven," they do not explain how. We may suspect that they themselves were guessing. We must also be prepared to allow that the tannaim in their day were worried by different phenomenon from the amoraim.

Yet some scholars have dismissed any doubts and seen the tannaitic report and the ascription to "two powers" to be both antique and trustworthy. Because of this, they can note a relationship between this *mishnah* and a passage in the Qumran Thanksgiving Psalm.⁴ The column reads:

I Thank Thee, my God, for Thou has dealt wondrously to dust and mightily towards a creature of clay!

I thank Thee, I thank Thee.⁵

² Birnbaum, p. 91.

³ Sotah 40a and j. Ber. 1:5 (3d) Elbogen, p. 58.

⁴ This reference was brought to my attention by Jonas Greenfield, who also remains skeptical of the identification. It comes from Jacob Licht, *The Thanksgiving Scroll: A Scroll from the Wilderness of Judaea: Text, Introduction, Commentary and Glossary* [In Hebr.] (Jerusalem: 1957), p. 161.

⁵ 1 Q H XI, 3.

Licht brings up the rabbinic charge casually in reference to the MWDH, MWDH in l. 3. There is good reason for Licht not to stress the identification. First of all, MWDH, MWDH is not the same as MWDYM, MWDYM. Secondly, there is nothing in the passage which the rabbis would have found heretical. There is nothing in the passage that is even specifically characteristic of Qumran. Finally, Licht himself observes in his critical notes that the repetition of MWDH looks like a gloss because it is written below the line. Lohse⁶ suggests that the repetition is a dittography. Now it is still possible that the Qumran sectarians would have been called "two powers" heretics by the rabbis. But we have no evidence that they were the ones who said "MWDYM... MWDYM" or even that they prayed to the angelic captain of evil.

Moreover, other groups remain just as plausible contenders for the charge. Christianity may be implicated because early Christian liturgy contained characteristic and crucial prayers that began with the word "*Eucharistoumen*." "We give thanks" which is a very plausible Greek translation for any Hebrew prayer, beginning MWDYM מְדַיִם. For instance, the *Didache* reports that the Eucharist was performed in the following manner:

And concerning the Eucharist, Hold Eucharist thus: First concerning the cup, "We give thanks to Thee, our Father, for the holy vine of David, thy child, which Thou didst make known to us through Jesus Thy child; to Thee belongs glory forever." And concerning the broken bread: "We give thanks, our Father, for the life and knowledge which Thou didst make known to us through Jesus, Thy child. To Thee be glory forever."⁷

These two benedictions were to be said previous to what appears to be a normal meal. After the meal, an additional benediction was said. Beginning the two blessings before the meal with MWDYM instead of BRWK may well have caught rabbinic attention. Although there is no further evidence to support the identification of this heretical prayer with Christianity, the parallel is so striking that it demands serious consideration. Of course, there is considerable critical agreement that the wording of the eucharist prayer was taken from Jewish sources.⁸

⁶ Eduard Lohse, *Die Texte aus Qumran: Hebräisch und Deutsch* (München: 1971), p. 152. He suggests the following translation: Ich preise dich, mein Gott. Denn du hast wunderbar am Staube gehandelt und am Gebilde von Lehm dich überaus herrlich erwiesen.

⁷ *Didache*, IX, X, tr. Lake, p. 323.

⁸ See, for example, Jeremias, *The Eucharistic Words of Jesus* (New York: 1966), p. 255 f.

If Christianity is to be considered a candidate for the heresy in the second century, it would have involved not praying to two different deities in the synagogue service, as the amoraim assumed, but actually referring to a second power in the blessing before the meal.

If it is true that Christians were the target of this ordinance because they repeated a "modim" prayer (albeit not the "Modim" of the Amidah), then the Babylonian amoraim, who did not know of the earliest identification, assumed that the "two powers" allegation referred to two different gods. Apparently, such dualists were believed to exist in the Babylonian synagogues of their day. Rab Abaye, the illustrious authority of the fourth generation of amoraim in Pumbeditha, adds an exegesis which helps clarify the heretical belief insofar as the amoraim are concerned.

R. Huna says: Whosoever prays at the rear of a Synagogue is called wicked. For it is said: *The wicked walk round about*. Abaye says: This only applies where he does not turn his face towards the Synagogue, but if he does turn his face towards the Synagogue there is no objection to it. There was once a man who prayed at the rear of a Synagogue and did not turn his face towards the Synagogue. Elijah passed by and appeared to him in the guise of an Arabian merchant. He said to him: "... *As if there were two powers?*" and drew his sword and slew him.⁹

The setting is the synagogue. Probably the Amidah is being discussed in this passage because S-L-Y was used to denote this prayer. What is important to note is, first, the severity of the charge of "two powers" in the folk tale. The man is not necessarily guilty of the charge. He only appears to be guilty of it. But it is enough to cause his death. One suspects that this story has no actual connection with the original heresy. There is no awareness of the earlier tannaitic traditions. Rather, for the amoraim, the issue was the orientation of the congregation towards Jerusalem, not merely that a man was praying in the rear or repeating the prayer. The man must have been praying toward the back of the synagogue, implying that he was worshipping a divine power other than the God of Israel.

⁹ b. Ber. 6b, tr. Epstein. The expression for "two powers" here is KDW BR. Something appears to have been left out of the text. Probably the expression was KDW BRY LHYN or possibly KDW BRY YN (two creators!). This raises the possibility that the term "two powers" might have been used as a euphemism for a stronger term. At any rate, it shows that the older terms for the heresy could have been used even after the term "two powers" became virtually standard in referring to phenomena of this sort. I have altered Epstein's translation to suit the context.

Quite probably, this a late folk-tale. If so, it is another piece of evidence for the process of conventionalization of heresy which is evident in other texts. The phenomenon described as "two powers" by the amoraim in fourth century Babylonia is certainly different from the one characterized by the tannaim in second century Palestine. This has to be true, whether or not one accepts Christianity as a likely target for the charge. In the late tradition only the term "two powers" (and not any consistent description of the heretic) has initiated the Elijah folk-tale.

The amoraim, however, continued to be very conscious of the relationship between the repetition of the "modim" prayer and "two powers." The third century Babylonian sage, R. Zeira, who studied at the Academy in Tiberius, links the Modim prayer with the Shema, the central prayer in Jewish liturgy. According to R. Zeira, there were those who said the Shema twice as well. But the rabbis distinguish this from the "two powers" controversy. The person who repeats the Shema is treated as a fool, not as a heretic, for the rabbis attribute the repetition to a lack of attention.

(D) "May the good praise you"

The Jerusalem Talmud identifies (D) with "two powers in heaven." All sources agree that saying such a thing is heresy but the character of the heresy is indistinct. Commentators have suggested a series of possible candidates for the heresy, based on guesses about the meaning of the saying. It could mean "May the (Lords of) the good bless You," suggesting at least two powers because the mention of powers of good (angels?) implies that powers of evil exist as well. It is also possible that the heretical groups were saying that certain angels had usurped God's power. In both cases the rabbis could have been objecting to a benediction which emphasized God's providence through various mediating figures like angels.

If the amoraic commentators had good information, it may be that the benediction encouraged only good men to praise God, while evil men presumably would praise Satan. In this case, the Qumran documents and associated movements like the covenanters of Damascus and the Therapeutae might be indicated, since in their *Weltanschauung* men were split into two camps in this way. But the early heresies are not as likely candidates as some later ones. One heretical group which might have been implicated is the gnostic sect described in the Book of Baruch. The gnostic Justin outlines a system where both the high

god and his supporters, once they ascend to heaven, are called "the good."¹⁰ Of course, we know if this group from a Greek report, but we do not know whether they or their predecessors or others like them could have expressed their prayers in Hebrew. In that case, the charge of "two powers in heaven" brought by the Palestinian rabbis would have been occasioned by a gnostic system.¹¹

(A) and (B)

The other two heretical phrases have no articulated connection to the heresy of "two powers in heaven" but they may be implicated by being grouped by a redactor with heretical prayers that do. We already know that arguments about the justice and mercy of God were brought into rabbinic polemic by the middle of the second century. This is additional evidence that the tannaim were interested in stressing God's authorship of both mercy and justice.

(A) "Even to a bird's nest do Your mercies extend."

Perhaps most puzzling is the first phrase (A), which states that anyone who says, "Your mercies extend to the nest of a bird," is to be silenced. The Mishnah is alluding to the law of Dt. 22:6, 7 stating that the mother bird may not be taken when scavenging for bird's nests. One can take the fledglings but not the mother with the young, killing the whole family. No doubt this law is meant to set an humanitarian example. Pointing to it in a benediction could, of itself, have been no cause for alarm. Consequently, there is considerable discussion in the gemara as to the exact nature of the heresy. Two fifth generation Palestinian amoraim, R. Yosi b. Zebida and R. Yosi b. Abin (350-375 C.E.) argue over the nature of the heretical views: The first says that such a phrase creates jealousy among the various works of God's creation—presumably meaning that man and beasts would be jealous of the mercy shown to birds. The second says that such a doctrine makes the commands of the Lord into acts of grace when they are His decrees, to be obeyed whether they are merciful or not.¹²

A further tradition from Babylonia includes Rabba and Abaye (320-350 C.E.) in a discussion of the same text. A man uses the following benediction in front of Rabba: "Thou hast shown pity on the bird

¹⁰ Hippolytus, Ref. V 26, 1-27, 5. This may be related to Jesus' statement in Mk. 10:18.

¹¹ See p. 248 for a discussion of the Gnostic Book of Baruch.

¹² Herford, p. 202 sees a protestation against the Pauline antithesis of law and grace in this doctrine. There is no evidence to support it.

and his nest, do Thou have pity and mercy on us!" Abaye points out correctly that the benediction, as admirable as it may seem, is nonetheless to be forbidden because of the tannaitic precedent. This points out that the ruling against this benediction was enforced even when the amoraim were hard pressed to discover the justification.

We thus have no real evidence from the explanations of the amoraim that they knew the actual historical situation of the tannaitic decree. It seems likely that the original argument was over some aspect of the doctrine of God's mercy and may even, as R. Yosi b. Zebida states, have to do with the emphasis of God's aspect of mercy when He must be understood as master of both justice and mercy. The amoraim's perplexity about the severity of the ruling ought to alert us to the deep tannaitic concern to attribute both justice and mercy to the one God.

(B) "May Your name be remembered for the good."

Good and evil is the obvious subject of this heretical benediction. The amoraic commentary unanimously points out that such a benediction is illegal because it conflicts with the mishnaic ruling in Ber. 9:5 that man is to praise God both for evil and for good. On this basis, many scholars have seen this statement as a safe-guard against a strict dualism. It implies an opposition which attributed only good to God while evil was attributed to other agencies. Depending on the hypothetical identification of the other power, scholars have seen a variety of different groups as the target for this charge. Maurice Simon¹³ feels that the evil force should be Ahriman, hence Zoroastrians, are involved. Most scholars feel that some variety of gnosticism is involved.

This brings to mind the related phenomena of Qumran, the Therapeutae and the Essenes as well. Philo describes the Essenes as believing that God is the source of good alone and not evil.¹⁴ Neither did the Qumran sectarians always seem to ascribe evil to God.¹⁵ Similar views are ascribed to various Jewish heresies by treatises found at Nag Hammadi.¹⁶ Here then is ample evidence that problems of good

¹⁴ Quod Omn. Prob. 84. Moore, *Judaism*, I, 364, n. 3. Lehmann (REJ, 30 (1895), 180 f.) suggested that our mishnaic tractate was meant to counter Essene, (HŠWNYH) beliefs. Since then more of the Essene type of dualism has become known from the Qumran texts. Furthermore, the identification of Essenes with HŠWNYM is unfounded.

and evil, justice and mercy were being discussed constantly in the environment around the tannaitic Jewish community, as we discovered even in the first passage about "two powers."

The heretical doctrines have some congruence with the heresies described together with "two powers in heaven" in the midrash. For instance, there may be some relationship between (B), (D) and the heretics of the midrash who deny that God has the power to do either good or evil.

The relationship to the question of God's attributes of mercy and justice is even more interesting. In the four heretical benedictions brought together in this place, problems of dualism, good and evil, justice and mercy are all combined. (B) and (D) are definitely involved with some heretical understanding of God as the source of good and evil. Some heretical understanding of justice and mercy is definitely involved in (A). (C) seems to be related to ditheism, but not necessarily to opposing dualism. Rather it seems to imply a complementary ditheism where both deities could be expected to listen to psalms of praise. One way to explain the assembling of various disparate texts of this sort and understanding them together is to assume that, whatever their separate origins, they were all viewed together by the rabbinic community at the end of the second century.

It is certainly true that concepts of God's justice and mercy were discussed in Judaism by Philo and even earlier. But the rabbinic evidence allows us only to date reports to the late second century when Marcionism, gnosticism, apocalypticism, and Christianity could all be seen together. This would correspond to the phase of traditioning in passage 1 and 2 (MRI, MRSbY, PR) when the doctrine of God's justice and mercy became tied into an independent exegetical argument against two heavenly figures.

One further relationship between the development of liturgy and the charge of dualism may be found in a later gemara:

What benedictions does one say [in the morning]? R. Jacob said in the name of R. Oshaya: "[Blessed art Thou] who formest light and createst darkness." Let him say rather: "Who formest light and createst brightness"?—We keep the language of the Scripture. If that is so, [what of the next words in the text]. *Who makest peace and createst evil*: do we repeat them as they are written? It is written "*evil*" and we say "all things" as a euphemism. Then here too let us say 'brightness' as a euphemism!—In fact, replied Raba, it is in order to mention the distinctive feature of the day in the night-time and the distinctive feature of the night in the day-time. It is correct that we

mention the distinctive feature of the night in the day-time, as we say, "Who formest light and createst darkness." ¹⁷

The question is over the wording of a prayer which is taken from scripture. R. Oshaya has asked whether one should not say, as a kind of euphemism, "who forms light and creates brightness," instead of the scriptural "darkness." The questioner is told that Is. 45:7 is the basis for the phrase in the liturgy and it must remain as is. The questioner then asks, "Why do we not follow Isaiah in another case?" He compares that part of the verse with the second part of the blessing-formula: "Who makes peace and creates all things." He claims rightly that, if Isaiah's wording is decisive, we should follow it all the way and not now replace "evil" by "all things." The answer is that "all things" is an effective euphemism for evil. However, if that is so, why then should "brightness" not be a euphemism for darkness? ¹⁸ The gemara seems to be prepared in principle to accept the argument but, in practice, states that darkness should be retained in the blessing so as to mention the qualities of both day and night. ¹⁹

It is interesting to note that the first substitution of language was not an issue to R. Oshaya. He accepted it as a principle and wanted to apply it further. If this is R. Oshaya the Great, the first generation amora, rather than the later amora of the same name, it would imply that such a substitution was in effect by the end of the tannaitic period. In any event, his suggestion that "brightness" also be accepted as a euphemism for darkness is rejected. This suggests that the previous substitution was accepted as antique and could not safely be contravened. On the other hand, the later rabbis were not going to let scripture be changed again in liturgy, even when it was convenient for their perspective. The net effect of such considerations is to conclude that the change of Is. 45:7 must have dated considerably before R. Oshaya's time.

Something more is at stake than the type of euphemism acceptable for prayers in synagogue. Here we have evidence that the verses in Isaiah were seen as dangerous enough to be slightly altered in liturgy.

¹⁷ Ber. 11a-b.

¹⁸ In suggesting this substitution the questioner has relied on the use of an antonym by way of completing the euphemism. This common practice, as e.g., calling a blind man *SGY* *NHWR*, appears to us to be an oxymoron but in its context was apparently a perfectly acceptable euphemism.

¹⁹ See, e.g., Finkelstein, "La kedouscha et les bénédictions du schema," *REJ*, 93 (1932), 21.

The change was carried out to emphasize that one God created all things, both day and night, both light and darkness, both good and evil. This softens the theological problem raised by calling God the creator of evil and may indicate opponents who charged that YHWH was solely a good or an evil god.

CHAPTER SEVEN

“MANY POWERS IN HEAVEN” AND MISCELLANEOUS REPORTS

Mishnah Sanhedrin 4:5

Therefore but a single man was created in the world, to teach that if any man has caused a single soul to perish from Israel [some texts omit “from Israel”], Scripture imputes it to him as though he had caused a whole world to perish; and if any man saves alive a single soul from Israel [some texts omit “from Israel”], Scripture imputes it to him as though he had saved alive a whole world. Again [but a single man was created] for the sake of peace among mankind, that none should say to his fellow, “My father was greater than your father;” also that the heretics should not say, “There are many ruling powers in heaven.” ... ¹

Mishnah Sanhedrin includes this very interesting report of a doctrine of “many powers in heaven” during the tannaitic period. Though it is called heresy, and it becomes an even greater problem for Judaism in the amoraic period, the manifold references to Adam speculation in the gemarah to this passage show as that a good deal of latitude was allowed by the rabbis.

The Mishnah includes the tradition in the middle of a discussion of the differences between witnesses in capital and non-capital cases. Witnesses are to be apprised of the fact that any mistake or perjury in testimony in capital cases is much more serious than in non-capital cases. If a man is killed unjustly, the witnesses are liable eternally, just as Cain was eternally liable for the crime he committed in murdering his brother. He who takes a life has acted as if to destroy the entire world, while he who preserves a life has preserved the entire world.

The last puzzling statement is explained by comparing each man with the first man. If Adam had been killed, all his potential progeny—that is, all mankind—would have died with him. Therefore, Adam was created singly in order to show that the life of each man is equal to the whole world. As was the case with Adam, so is the case with every man alive, according to the Mishnah. Each life is as important as Adam’s. But, since the theme of the first man has been broached,

¹ Tr. Danby, p. 388, with modifications. See also Ex. R. 29:2 and Dt. R. 2:13 also p. 121 f., 137 f.

the Mishnah includes several other traditions on the subject. All men are said to have one father to keep anyone from saying that he comes from better stock.² Also, men have one father, so that the heretics cannot say that there are "many powers in heaven." From these two brief statements, it is impossible either to tell the identity of those heretics who expressed such a doctrine or to define their relationship to the "two powers" heresy. It is impossible even to define their relationship to Adam speculation.

The brief comments in the Mishnah are discussed at length in the gemara both on the subject of Adam and on the issue of heresy. Nor are the two themes completely separate subjects, for we know from external sources that Adam speculation was a great part of heretical beliefs. Many of the legends reproduced in this place are interesting but not immediately relevant. We shall have to come back to them later. First, we must investigate legends which specifically clarify the refractory text of the Mishnah.

How does one progress from the idea that more than one man was created to the idea that there are many powers in heaven? One answer would be as follows: The Mishnah suggests that if the world's peoples were descended from different ancestors, there would be constant discord in the world. One could extrapolate from that statement to the idea that many different first men would imply that many different gods made them. This is the route taken by some rabbinic commentators to explain the connection.³ It is easy to see how traditional commentaries come to this conclusion by combining the two traditions of the gemara, but the gemara itself lists them separately.

The gemara develops the idea of the Mishnah in quite a different way, while adding some new material in order to make a short anthology of beliefs about Adam. It says:

Another answer is: for the sake of the righteous and the wicked that the righteous might not say: Ours is a righteous heredity and that the wicked might not say: Ours is a wicked heredity.

² Philo seems to argue that there were two Adams (*Leg. All.* 1:31, 53, 55), one heavenly and one earthly. Elsewhere he says that the good have Seth for a father, while the evil are the progeny of Cain. (*Post.* 35, 38, 42, 43, 45; *Det.* 32, 68, 78, 103; *Fug.* 64.) But there is considerably more Adam speculation in heretical and gnostic literature. See Urbach, *Sages*, p. 180 f. and especially Hans-Martin Schenke, *Der Gott "Mensch" in der Gnosis: Ein religionsgeschichtlichen Beitrag zur Diskussion über die paulinische Anschauung von der Kirche als Leib Christi* (Göttingen: 1962). See also J. Fossum, dissertation, Utrecht.

³ See Bertinoro, *ad loc.*, for instance.

This explanation rejects radical dualism and safeguards the rabbinic notion of man's free will to choose good or evil. Neither righteousness nor wickedness are hereditary attributes. People become righteous or wicked only by their actions. Again, arguments about the nature of providence intrude into heretical matters. Previously, heretical disbelief in providence has been mentioned by the rabbis. It is possible, though far from necessary, that the amoraim are right, and that heretical beliefs in complete determinism were present in some heretical groups who believed in "two powers" as well. They had been present in Qumran in the first century. During this time (at the beginning of the amoraic period at the earliest), the rabbis might have had the gnostic heresy in mind. Gnostics believed themselves to be the only redeemed in an alien and sinful world. But a "pariah mentality" in less extreme form has been characteristic of most apocalyptic groups from Daniel on.

The best conclusion from this evidence is that later rabbinic traditions either no longer recalled any historic relationship between Adam speculation and "many powers in heaven" or were not interested in the question and therefore used the opportunity to emphasize themes which they felt would be instructive to their students.

Some of the material collected in the anthology of Adam traditions is closely related to the problem of "two powers." One relevant tradition in this amoraic anthology of Adam legends is a defense against the idea that Adam is God's partner in creation, an idea with the rabbis encountered quite early because it is also recorded in tannaitic material.⁴

Our rabbis taught: Adam was created on the eve of the Sabbath [i.e., at the last moment on the sixth day]. And why? so that the Sadducees (alt: minim, sectarians) could not say: The Holy One, Blessed be He, had a partner in his work of creation.

The tradition explains that Adam was created on the sixth day in order to serve as a defense against the heretical idea that Adam was one of the creators. Of course, Adam participated in creation by naming the animals, but the rabbis want to make absolutely clear that Adam could not create by *fiat*; in no sense was he to be considered an independent power or demiurge. This argument must have been aimed at a doctrine which gave divine status to Adam. In that case, the heresy should properly be considered "two powers" rather than "many powers." Since the description appears in the Tosefta, it also must be older than the other "many powers" discussions among the rabbis.

⁴ Tosefta San. 8:7.

Several different themes have been brought together in the amoraic discussion of "many powers in heaven." One should note that the heretical doctrine of "many powers in heaven" is linked to the biblical description of creation. Furthermore, believing that God had a partner (ŠWTP) in creation is identical to considering that he had assistance from a second God or principal angelic figure. Š-T-P is even used technically to describe the sharing of divine honors with an object or person by means of the name of God. Thus the Lord combined His great name with Israel.⁵ But he who combines the name of God with a material object will be uprooted.⁶ The rabbis vociferously oppose the idea that Adam functioned as such an assistant to God in creation. Where "many powers in heaven" is discussed, "two powers in heaven" seems to be involved as well.

Genesis Rabba contains one more defense against the contention that Adam is a divine creature. In this case the angels wrongly assume that Adam is a divine creature, because of his likeness to God. Just as Metatron needed correction for the false impression he gave Aher, so Adam needs correction for the false impression given the angels.⁷

R. Hoshaya said: When the Holy One, blessed be He, created Adam, the ministering angels mistook him [for a divine being] and wished to exclaim "holy" before him. What does this resemble? A king and a governor who sat in a chariot and his subjects wished to say to the king, "*Domine!* (Sovereign)!", but they did not know which it was. What did the king do? He pushed the governor out of the chariot and so they knew who was the king. Similarly, when the Lord created Adam, the angels mistook him [for a divine being]. What did the Holy One, Blessed be He, do? He caused a sleep to fall upon him, and so all knew that he was [but mortal] man; thus it is written "*Cease ye from man, in whose nostrils is a breath, for how little is he to be accounted.*" (Isa 2:22).⁸

The text itself is probably late, for we have no evidence to connect it with the famous R. Hoshaya (PA 1) and must be content to attribute it to R. Hoshaya b. Shamaï (PA 5). On the other hand, it is clear that the meaning of Gen. 1:26, where God commands the making

⁸ Gen. R. 8:10; tr. Freedman. Compare also with the Zohar I 38a and the Alphabet of R. Akiba 59. Yalkut 1:20 to Gen. 2:9 says that the angels noticing Adam's resemblance to God, said "Are there two powers in this world?" Whereupon God reduced Adam's size, which had formerly filled the entire universe.

of man in His image (and uses a plural form), was an issue as early as Philo.⁹ Plainly at issue is a "two powers" heresy in which Adam is viewed as a second creator.

No more stories here describe Adam as explicitly divine.¹⁰ But many other stories attribute superhuman characteristics to Adam. Such tales are gathered in Sanhedrin 38 f., the amoraic discussion of Sanhedrin 4:5, after the traditions we have just discussed. No doubt, they were all gathered in that place by the amoraim because of the subject of Adam speculation. Immediately thereafter, the rabbis feel free to indulge in speculation, as long as they avoid suggesting that Adam is an independent divinity. R. Meir implies that Adam represents all creation by saying that the dust to make him was taken from every place on earth. R. Yohanan gives a time-table for the various stages of the process of creating him on the sixth day. R. Judah quotes Rab's story that God consumed various companies of angels because they questioned the importance of creating man, knowing his proclivity to sin.¹¹ When the men of the flood began to sin, the angels again asked why God bothered with man. His response this time was to quote a verse about His immutability from a passage already familiar in combatting heresy: "Even to old age, I am the same, and even to hoary head will I tarry" (Is. 46:4). This time, one assumes that the verse is

¹⁰ In one of the versions of R. Simlai's discussions with heretics who ask him whether more than one power created the world, he tells them to ask the first man, who will testify that God has done it (See p. 126 f.). A possible implication from this tradition is that the creation story, when read correctly, will counter the arguments of heretics who derive either two gods or two creators from it. Jarl Fossum has also suggested the relevance of Gen. R. 21:5 where Adam's coming to knowledge is described as becoming like the angels (Gen. 1:22). See Theodor-Albeck, I, p. 200, n. 6,7. Of course, in these traditions it is Adam after the Fall who is described as divine (as Gen. 2:22 allows). These traditions clearly illustrate the rabbinic interpretation of the plurals of majesty as God speaking to His heavenly court. See p. 143, the previous notes and the dissertation of Jarl Fossum (Utrecht: 1978) for further details on Adam speculation. Especially interesting in this regard is Philo, *The Life of Adam and Eve*, *The Cave of Treasure* 2:12-3:2 and the *Testament of Abraham*.

¹¹ Interestingly enough, the angels share in the creation of man in this story, explaining the plural "Let us make man" etc. (Gen. 1:26) as due to God's conversation with angels. This tradition is, hence, properly dated together with the amoraic tradition which resemble it. See p. 143 f.

brought in to prove that God always keeps his original intention to create and preserve man.

R. Judah also reports in the name of Rab that Adam had cosmic dimensions at first. He proves this by relying on Dt. 4:32: "Since the day God created man upon the earth, even from one end of heaven unto the other." Further, this rabbi believes that Adam spoke Aramaic, making Aramaic the first language of man. Lastly, Rav believed that Adam was a *min* or heretic.¹² Yet even here there is a difference of opinion about the nature of Adam's heresy. Rav suggests that Adam's heresy rested in the fact that God had to ask him where he was, which meant that his heart had turned. (It could not mean that God did not know Adam's location!)¹³ R. Isaac felt that Adam had concealed the mark of circumcision with which he was born, taking Hos. 6:7: "Like Adam they have transgressed the covenant" as his proof. In this case, R. Isaac understood "transgressed the covenant" as the covenant of circumcision.

Certainly by the end of the tannaitic period, the rabbis felt that some Adam speculation was dangerous. The passages imply that the danger involved thinking that Adam was a divinity who helped make the world, which would be a form of "two powers" heresy. But the fact that it is called "many powers in heaven" implies Adam was not the only divine rival to God in the heresy.

The basic heresy was that God had help in creation. In this case, the helper is called Adam, but the concept of a divine helper is not unlike the idea that Wisdom or the *logos* was God's agent in creation. In fact, Philo sometimes claims that the *logos* is identical to the primal man, on the basis of Gen. 1:26.¹⁴ At any rate, these reports seem to reflect the actual beliefs of various Jewish groups, which are evidenced in extra-rabbinic reports long before we can ascertain their presence from rabbinic literature.¹⁵ For those reasons, it is safe to assume that

¹² This is another case of the rabbis using a figure important to some heretics to show up the error of the heresy. In this sense it resembles the Aher-Metatron traditions. See p. 60 f. and p. 112.

¹³ See p. 238 for Marcion's interpretation. Also p. 253 f.

¹⁴ See *Conf.* 146 and *Leg. All.* i 43, where *logos* and wisdom are equated. See also Wisdom of Solomon 7:25 f. which may be an example of some traditional Jewish ideas Philo was using. Already in the Greek translation of Gen. 1:26, "the image" may be understood as an entity all its own. Adam and the *logos* are identical because they are both the image of God. See p. 173 f., 184 f.

¹⁵ Note that any correlation between the primal man and a savior seems first attested in Paul who sees the Christ as remedy to Adam's sin. Robin Scroggs, *The Last Adam: A Study in Pauline Anthropology* (Philadelphia: 1966).

the rabbis pronounced the biblical Adam a heretic because they wanted to call heretical anyone who harbored exalted beliefs about him.

None of the traditional commentaries have offered a credible derivation of the term "many powers in heaven" as applied to these "two powers" creation traditions. However, based on the evidence it is possible to offer a hypothesis. It seems plausible that the rabbis called the heresy "many powers" rather than "two powers" when the context involved the creation story and when more than God and his primary agent populated the heretical cosmology. This suggests that the creation legends nurtured by the "many powers" heretics were the elaborate angelologies and systems of archontic rulers characteristic of many gnostic and Jewish-Christian sects. This hypothesis would certainly be an appropriate understanding of the heresy during the late tannaitic period, a time when the church fathers tell us that such schemes were common. But that would logically suggest that "two powers" heretics were the ideological predecessors of the "many powers" sects. Since that heresy seems related to similar texts and seems later than the earliest traditions about "two powers," the basic heresy would appear to involve thinking that God needs help to carry out His commands in the world. The earliest level of the tradition would testify not to a gnostic or a Jewish-Christian configuration only but to two corresponding figures. Only at the end of the tannaitic period, here and in the story attributed to R. Nathan (passage 2), do we have even a hint of evidence for the gnostic configuration. Even in the case of "many powers" speculation we cannot be sure that extreme gnostics were the only heretical groups involved. Jewish-Christians without gnostic pretensions also adopted such complex cosmologies. The earliest sure tannaitic title for the heresy appears to be "many powers" but the development of the heretical tradition is similar to the "two powers" traditions, where there is good reason to claim greater antiquity, and where we have seen that the original layer of heresy involved two corresponding divine manifestations. The later tannaim apparently expanded the argument so that the heresy could also be called "two powers in heaven" when the deities were opposing, or "many powers in heaven" when the divine economy contained many characters.

Another relevant controversy over monotheism appears in a tannaitic context and seems at first to be stimulated by the comment of a pagan emperor. Upon careful consideration, it becomes clear that the opponent is neither pagan nor an emperor, that the heresy is "two powers" and that the tradition is only dubiously tannaitic. Furthermore, it presents us

with further evidence that traditions about the creation of man can be associated with "two powers" as well as with "many powers" speculation:

Again the Emperor said to Rabban Gamaliel, "He who created the mountains did not create the wind, for it is written, *For lo, there is a former of mountains and a creator of wind.*" (Amos 4:13). According to this reasoning, when we find it written of Adam, *And He created...* (Gen. 1:27) *and He formed...* (Gen. 2:7) would you also say that He who created this did not create that? Further, there is a part of the human body just a handbreath which contains two holes, and because it is written "*He that plants the ear, shall He not hear? He that forms the eye, shall He not see?*" (Ps. 94:9). Would you maintain there too that He who created the one did not create the other?" Even so he answered. Yet he (R. Gamaliel) rejoined "At death, both are brought to agree." ¹⁶

Some versions of this text list KWPR (denier) instead of K³YSR (emperor) as Gamaliel's opponent in this controversy. Rabbinowitz ¹⁷ lists K³YSR as the most likely original reading. Furthermore, it is one of a number of discussions between Gamaliel and the emperor. However, when we turn our attention to the actual tradition rather than the text, we shall see that the original participants in the dialogue were not likely to have been either R. Gamaliel or a Roman emperor. Apparently, the various stories ascribed to R. Gamaliel constitute a small folk-romance of dubious historicity.

The issue in this controversy seems to be the existence of many creators or gods, which would imply pagan polytheism. However, when one looks at the scripture involved, one sees that there are actually only two gods at issue both in Amos 4:13 and Genesis 1:27 vs. 2:7. Ps. 94:9 allows only two gods but a later editor infers "many creators" based on the number of human limbs. That editorial statement, together with the textual ascription to the emperor, makes it seem as if polytheism is the problem. Actually the issue is whether two creators can be inferred from the different verbs used of God by scripture.

This argument becomes clear when we look at another version of the same story:

A certain *min* once said to Rabbi, He who formed the mountains did not create the wind, and he who created the wind did not form the mountains, for it is written, *For lo, He that formeth the mountains and*

¹⁶ Sanh. 39a; tr. Epstein.

¹⁷ D.S. *ad loc.*

createth the wind. (Amos 4:13). He replied, "You fool, turn to the end of the verse, '*The Lord [The God] of Hosts is His name.*'" Said the other, "give me three days time and I will bring back an answer to you." Rabbi spent those three days in fasting; thereafter, as he was about to partake of food he was told. "There was a *min* waiting at the door. Rabbi exclaimed, *Yea, they put poison in my food.*" (Ps. 69:22). Said [the *min*] "My master, I bring you good tidings; your opponent could find no answer and so threw himself down from the roof and died." He said, "Would you dine with me?" He replied "Yes." After they had eaten and drunk he [Rabbi] said to him, "Will you drink the cup of wine over which the benedictions of the Grace [after meals] have been said, or would you rather have forty gold coins?" He replied, "I would rather drink the cup of wine." Thereupon there came forth a Heavenly Voice and said, "The cup of wine over [which] the Benedictions [of Grace have been said] is worth forty gold coins." R. Isaac said, "The family [of that *min*] is still to be found amongst the notables of Rome and is named the Family of Bar Luianus." ¹⁸

In this version it is a *min* (and some texts have Sadducee) who uses the argument. It is Rabbi (i.e., Judah the Prince, ca. 200 C.E.) who counters the arguments by saying that the continuation of the pericope in Amos clearly implies only one God. By the time of R. Judah the Prince no Sadducee could have participated in the argument. Rather, the opponent was a member of a sect which also contained the son of an acculturated family in Rome known to the narrator. Since the method of argument is characteristic of third century rabbis and later, it is likely that even the ascription to Judah the Prince should be distrusted. ¹⁹ But it is clear that the issue is "two powers." However, the defense against the heresy based on Amos 4:13 involves stressing the name of God, showing that the issue may be related to the earliest varieties of the heresy.

This suggests that the original setting for the tradition was possibly the second century, but probably the third century in Galilee, where a heretic and an unknown rabbi (probably not Judah the Prince, certainly not Gamaliel and Caesar) debated the question. The incident may never have happened at all but, if not, the creator's imagination was fired by a real issue in the third century community. The tradition was eventually ascribed both to R. Judah and to R. Gamaliel, since it seemed like an argument of sufficient ingenuity for these great teachers.

¹⁸ Hullin 87a; tr. Lipstein.

¹⁹ See p. 26 f., p. 121 f.

One possible clue to understanding heretical explanations of this scriptural passage is to realize that there is a well-attested and early tradition that Amos 4:13 is messianic in character. For instance, the LXX translates as "announcing to men his messiah (*Christos*)."²⁰ Obviously the LXX has taken MH SYHW (his thought) as MSYHW (his messiah).

The heretic may also have combined the messianic interpretation of this verse with the argument about the number of deities. This constellation of issues would be fully appropriate to the "two powers" controversy. But if the story originated in the context of "two powers" controversy, the original connections must have been obscured in transmission. After all, it was the moral of the story, not the description of the heresy, which interested later exegetes. If a connection between the messiah and the "second power" can be maintained, the most likely candidate for this heresy is orthodox Christianity or Christian gnosticism.

One last passage must be considered under the rubric of tannaitic evidence because it appears in a *baraita*. The entire passage in which it appears is relevant but will be considered in more detail in the amoraic section of this work. The passage itself does not mention "two powers." The context, however, assumes it.

A min once said to R. Ishmael b. Yosi (170-200 C.E.): It is written: *Then the Lord caused to rain upon Sodom and Gomorrah brimstone and fire from the Lord.* But "from Him" should have been written. A certain fuller said: "Leave him to me, I will answer him." He then proceeded: "It is written. *And Lamech said to his wives, Ada and Zillah, 'Hear my voice, ye wives of Lamech.'*" But he should have said my wives. Such is the scriptural idiom.—So here too, it is the scriptural idiom."²⁰

In its present context the passage is one of a number of examples supposedly illustrating R. Simlai's contention that the scriptural refutation of heretics can always be found close by the place in scripture from which their heresy is drawn.²¹ The passage attributes this particular argument to a tanna of the second century and his contemporaries, even though R. Simlai's principle would have to come from the third century. When one looks carefully, however, one sees that

²⁰ San. 38b, tr. Epstein.

²¹ R. Simlai's or R. Yoḥanan's principle was outlined on p. 27 and will be dealt with at length on p. 122 f. It is awkward to discuss R. Ishmael's contribution before the context into which it has been inserted. But the insertion is tannaitic and ostensibly earlier in time than its amoraic context.

although the purpose is similar—to defend against dangerous interpretation of scripture—the method is quite different. The fuller in the company of the tanna wants to defeat an argument which suggests that two gods could be derived from this verse because of the repetitious style. He shows that the passage cannot bear a "two powers" interpretation merely on the basis of language, because biblical style is normally repetitious. It would be absurd to think that there are two Lamechs when Lamech addresses his wives as "wives of Lamech" instead of "my wives." So too, it is ridiculous to think that there are two different Gods because the tetragrammaton appears twice in the sentence instead of once with a subsequent pronoun. This would be quite an unusual argument for the rabbis, who based on R. Akiba's principles, were ordinarily quick to point out the intricacies of style in order to support their points. The fuller is allowed a more naive argument.

Normally, early datings of talmudic evidence are suspicious because traditions tend to be attributed to earlier rabbis though they do not actually come from that period. Here, however, there is less reason to remain suspicious. The naive defense is slightly embarrassing. The form of the story separates it from the context, abruptly interrupting the examples brought in the name of R. Simlai. In fact, the example contradicts his principle in some respects because the proof-text against the error is fifteen chapters away from the dangerous passage. The tradition must already have assumed its final form before it was inserted into the amoraic evidence. It may be an authentic discussion in the presence of R. Ishmael b. Yosi, inserted into R. Simlai's sermon.

This passage is a very important piece of evidence because we have external evidence to show that Gen. 19:24, was used by a contemporary of R. Ishmael b. Yosi to show that two divine figures rule the universe. Justin Martyr ²² used Gen. 19:24 to prove that Christ (taking YHWH as *Kyrios*) operates as the agent of punishment against Sodom because he is God's messenger in the world of men. This is remarkably firm proof that even orthodox Christians were seen as "two powers" heretics.

We have discovered that many "two powers" traditions ostensibly from tannaim are actually amoraic in their present form. The problem has been to discover if any aspect of the tradition could have existed during the tannaitic period. Because of that, much of the ostensibly tannaitic evidence has turned out to be datable only to amoraim and has

²² *Dial.* 56. See p. 221 f.

necessarily already been surveyed. Now we can turn to the remaining amoraic evidence. Of course, any heretical argument first attested by the rabbis during the amoraic period may yet have existed earlier. The report may signify that the rabbis only commented on it in a later period or that the other comments by rabbis have been lost. However, without some outside verification of an earlier date (as will be discussed in more detail in the last section) it is wise to assume that the rabbinic defense against heretical arguments should be best dated by its earliest report in rabbinic literature.

CHAPTER EIGHT

HOW MANY POWERS CREATED THE WORLD?

The major arguments against "two powers" heresies were laid down during the tannaitic period. The amoraim accepted these categories, expanded them greatly, and added new arguments. The increasing number of biblical passages regarded as dangerous testifies to the expansion rather than diminution of the heretical challenge. At the same time, as was clear already at the end of the tannaitic period, the term, "two powers" had come to signify a variety of apocalyptic, Christian and gnostic heresies. In the amoraic period the gnostic and Christian opponents dominated the Palestinian scene.¹ But all the rabbinic evidence should be considered before trying to discover the identities of the various kinds of sectarians who were discussed together under this category by the rabbis.

PASSAGE 8

Tanhuma Kadoshim 4 (Buber, 37a)²

Another interpretation: *Say to the whole congregation of the Children of Israel "You shall be holy for I am Holy. (Lev. 19:2). The Holy One Blessed Be He told them "Be holy for I am Holy in every matter. Look at what is written: 'For God is Holy (pl.)' " (Josh. 24:19). What is the meaning of "For God is Holy?" This verse gave an opportunity to the heretics for it appeared like two powers. The heretics asked R. Simlai about "For the Lord is Holy (pl.)"—You yourselves don't say that He is one power, rather there are two powers." He said to them "What fools the world contains! Look at what is written: 'For He is a Holy God.' If it had said 'They are Holy Gods,' you might have thought there were two powers."*

This passage is recorded in Tanhuma, a later document which is sometimes believed to contain ancient traditions.³ However, the version

¹ Büchler, Marmorstein, Lauterbach and Herford discuss all these amoraic traditions though not with equal skill. In general, it will be difficult to distinguish heretical from orthodox Christianity except in those cases where a definite, opposing gnostic system can be postulated.

² Versions of this text occur: Ber. 9:1; j. Ber. 12b; San. 38b; Gen. R. 1:13 ms. 8; Gen. R. 8:9; Ex. R. 29:1; Dt. R. 2:13; M. Ps. 50:1; Tanhuma Bereishit 7; Tanhuma Kadoshim 4. For Yalkut, Pugia Fidei, and other later midrash see notes to Gen. R. 8:9 in Theodor-Albeck edition (I, p. 63).

³ S. Buber, *Midrash Tanchuma: Ein Agadischer Kommentar zum Pentateuch von*

which names the heresy as "two powers" is not even the earliest version of this particular tradition. In fact, although the tradition occurs in many places in reference to many different biblical passages, this is the only version which names the heretical doctrine as "two powers." It is obvious that the term "two powers" was not central to the tradition at its inception and was perhaps added during one redaction of the *Tanhuma* midrash, not earlier than the fourth century.

Furthermore, the language of the passage does not identify the heresy as "two powers" in a straight-forward way. Rather, it says only that the arguments are "similar to the heresy of two powers." (KŠTY RŠWYWT). Apparently the designation "two powers" was already well known to the amoraim. These heretical arguments were seen to be of the same type by the rabbis, confirming what we already know—that "two powers" had become a conventional term for a variety of heresies whenever scripture could be interpreted to imply plural forms for divinity. Here the argument seems confined to grammatical plurals.

However, there is nothing in the traditions to indicate that the heretics themselves would have argued solely from plural grammar. Wherever we know that a scriptural passage was used by heretics, the arguments of the heretics were much more complicated.

The most complete version of this particular tradition is found in b. Sanhedrin 38b where almost all of this type of dangerous scriptural passages were brought together.

R. Yohanan said: in all the passages which the minim have taken (as grounds) for their heresy, their refutation is found near at hand. Thus: let us make man in our image (Gen. 1:26)—and God created (sing) man in His own image (*ibid.*, 27); Come, let us go down and there confound their language (Gen. 11:7)—and the Lord came down (sing) to see the city and the tower (*ibid.*, 5). Because there were revealed (Gen. 35:7) to him, God. Unto God who answers me in the day of my distress (*ibid.*, 3); For what great nation is there that has God so nigh (pl.) unto it, as the Lord our God is (unto us) whenever we call upon Him (Dt. 4:7). And what one nation in the earth is like Thy people, like Israel whom God went (pl.) to redeem for a people unto Himself (sing.) (2 Sam. 7:23). 'Til thrones were placed and [one that was] the ancient of days did sit (Dan. 7:9). ⁴

Here the passage was attributed to R. Yohanan (250-90 C.E.). In most other versions, the teaching was attributed to R. Simlai, his

⁴ Tr. Epstein.

student. Possibly the name of R. Yohanan, the more famous rabbi, found its way into the text because this section of Talmud contains many other anti-heretical traditions ascribed to R. Yohanan.⁵ Since Simlai was Yohanan's student and colleague it is also possible that R. Simlai learned the tradition from his teacher and carried it on.⁶ The third century attribution of the traditions remains unaffected in any case.

Whatever the authorship, the process of exegesis is clear. A grammatical plural form in scripture is used by heretics to demonstrate duality or plurality in the deity. The rabbi suggests that the remedy to the heresy, always a grammatical singular, invariably occurs close to these plurals, proving the heretical doctrine wrong. Some of the dangerous scriptures must reflect real arguments between orthodox and heretical communities, but other passages may have been added purely by analogy, as the tradition grew. More importantly, we have no evidence that any actual heretical argument took the form in which it is reported. While the heretics might have used the passage, their beliefs were no doubt more sophisticated than the rabbis reported.

We already have had some indication that the arguments were more complex than the rabbinic reports suggest. Gen. 1:26 and Dan. 7:9, for instance, provide real support for many different kinds of heretical beliefs. In the earlier traditions we have seen that the heretical arguments based on these verses were wide and varied. The rabbinic response was always directly relevant to the heretical argument. When the rabbis also pointed to a singular in the verse, it could be shown to be a secondary layer of the rabbinic defense. For instance, in passage 1 the plural in Dan. 7:9 is countered with a singular in some of the versions, but that argument would seem to belong to the amoraic stratum. The original heretical argument based on this particular scripture must have involved the two manifestations—the "son of man" and the "Ancient of Days." The reduction of the argument to a conventional pattern reflects a later stage of the tradition, when the issue itself was no longer primary and a developing literary or oral genre had begun to

⁵ Rabinowitz, *Dikduke Soferim*, *ad loc.* notes that the text was frequently censored here.

⁶ Reuven Kimelman has shown that R. Yohanan and Origen, both living in third century Caesarea, were likely to have known about the arguments of each other. He feels this tradition should be attributed to R. Yohanan. See "Origen and R. Yohanan on Canticles," paper; AJS Conference, Boston, Dec. 1975, also.

dictate the form in which the tradition would be preserved. We may suspect that an earlier layer existed, but we can only describe it where we have good textual evidence of an earlier issue. The plural was probably noted by the heretics but we know that the "son of man" exegesis was far more elaborate than an explanation of the plural. The rabbis, on the other hand, did not allow themselves to be put in the position of helping to spread the heretical ideas. They simply located the plural in scripture, showed that it referred to the single God and avoided any further characterization.

A similar collection in the Jerusalem Talmud shows that the tradition evolved in a slightly different form in the Palestinian academies.

The minim asked R. Simlai "How many gods created the world?" He said to them, "Do you ask me? Go and ask the first man, as it is written, (Deut. 4:32) '*Ask now the former days which were before thee, since God created man upon the earth.*' It is not written here, '*(they) created*,' but, '*(he) created.*' " They said to him, "It is written, '*In the beginning God created* (Gen. 1:1) 'Is it written, '*(they) created?*' It is only written, '*(he) created.*' "

R. Simlai said, "In every passage where the minim go wrong, the answer to them is close by."

They (the minim) returned and asked him, "What of that which is written (Gen. 1:26) '*Let us make man in our image, after our likeness.*' " He said to them "It is not written here (*ib.* 27) '*And they created man in their image,*' but '*And God created man in His image.*' " His disciples said to him, "Rabbi, thou has driven away these men with a stick. But what dost thou answer to us?" He said to them, "At the first, Adam was created out of the dust, and Eve was created out of the man. From Adam onward (it is said) '*in Our image according to Our likeness.*' It is impossible for man to exist without woman, and it is impossible for woman to exist without man, and it is impossible for both to exist without the Shekhina."

And they returned and asked him, "What is that which is written: (Josh 22:22) '*God, God, the Lord, God, God, the Lord He knoweth.*' " He said to them, "It is not written here, '*they know,*' but it is written '*He knoweth.*' " His disciples said to him, "Rabbi, thou hast driven these men away with a stick. But what dost thou answer to us?" He said to them, "The three (names) are the name of one, just as a man says, 'Basileus,' 'Caesar,' 'Augustus.' "

They returned and asked him, "What is that which is written (Ps. 50:1) '*God, God, the Lord hath spoken and He called the earth?*' " He said to them "Is it written here '*(they) have spoken and have called?*' It is only written, '*He hath spoken and hath called the earth.*' " His disciples said to him, "Rabbi, thou hast driven these men away with a stick. But what do you answer to us?" He said to them, "The

three (names) are the names of one, just as a man says, 'labourers,' 'masons,' 'architects.' "

They returned and asked him, "What is that which is written (Josh 24:19) *'For He is a holy God* (where the word holy is plural)' " He said to them. "It is written there not 'they are holy,' but 'He is holy.' (He is a jealous God.)" His disciples said to him, "Rabbi, thou hast driven these men away with a stick. What dost thou answer to us?" R. Isaac said, "Holy in every form of holiness." For R. Judan said, in the name of R. Aha, "The way of the Holy One, Blessed be He, is in holiness. His word is in holiness, His sitting is in holiness, the baring of His arm is in holiness. He is fearful and mighty in holiness. His ways are in holiness, as it is written (Ps. lxxvii 13): *'Thy way, O God, is in the sanctuary.* His footsteps are in holiness: (Ps. 68:24). *'Thy goings O my King, my God, in the sanctuary.'* His sitting is in holiness: (Ps. 47:8) *'God sitteth upon the throne of His holiness.'* His word is in holiness: (Ps. 108:7) *'God God has spoken in His holiness.'* The bearing of His arm is in holiness: (Ps. 51:10) *'The Lord has made bare His holy arm.'* He is fearful and might in holiness: (Ex. 15:11) *'Who is like Thee, glorious in holiness, (fearful in praise?)'* "

They returned and asked him, "What is that which is written: (Dt. 4:7) *'For what great nation is there that hath a God so near to them, as the Lord our God, whensoever we call upon Him?'* " He said to them, "It is not written here, *'Call upon them,'* but *'Call upon Him.'* " His disciples said to him, "Rabbi, you have driven away these men with a stick. What do you answer to us?" He said to them. "He is near in every manner of nearness." ⁷

R. Simlai's method for defeating heretics is slightly different from the description of R. Yohanan's in the Babylonian Talmud. But the principle he espoused is similar to the Babylonian Talmud's version—countering the mysterious plurals with a nearby singular to show that there is only one God.

In one place this argument seems especially appropriate. The singular verb in Genesis 1:1 does prevent one from getting the wrong impression about the number of deities present at creation. In fact, the Palestinian rabbis seemed satisfied with the argument in this one place and made no further comment on that verse. Significantly, the rule of R. Simlai is adduced from that place. It is possible that the argument actually arose in regard to that verse and was later extended to others.

When the heretics appeal to Gen. 1:26, R. Simlai's principle is used to "drive away the heretics" but it is not sufficient to end the discussion within the academy. Apparently, although the "two powers"

⁷ j. Ber. 12d-13a.

heretics could be defeated easily, the correct understanding of Gen. 1:26 was not evident. Orthodox argument had the further advantage of justifying marriage as a divinely sanctioned institution. So R. Simlai's doctrine was not a sufficient exegesis of the passage, although it apparently sufficed to refute the heresy. It looks as if the doctrine of R. Simlai was applied quite automatically as a defense against any heretical passages, but the dangerous scriptural passages also received separate explanations which the rabbis found useful to proclaim. R. Simlai's principle could not be the final word on each passage.

To these already familiar traditions in midrash are appended several new scriptural passages which support heresy. These traditions add Jos. 22 and Ps. 50 to our list of places from which heretical doctrines could be derived—not this time from a grammatical plural, but from the repetition of the various divine names. These arguments, in fact, might be as old as the oldest “two power” arguments which we have traced since the oldest traditions also depended on an exegesis of the different names of God. R. Simlai defeats the heretical arguments with his versatile principle. But, the further question about the real significance of the divine names then arises for the rabbis. After these examples follows one last occurrence of the grammatical plural argument, obviously out of place and suggesting that the three previous examples were inserted in the text haphazardly from another source.

To summarize, in the first crux (Gen. 1:1), R. Simlai's principle is completely satisfactory. It is not clear that R. Simlai himself would have adduced the following cases where his principle is not the final word. Further use of his principle may have been made by modest exegetes working under his inspiration and hence attributed to him.

In the passage from the Babylonian Talmud where the tradent may have been either R. Simlai or R. Yohanan, the context concerned both heresy and heretical views of the creation separately. In the Jerusalem Talmud the link between heresy and dangerous views of creation is made explicit since R. Simlai is asked by the heretics “How many deities (or powers) created the world?” R. Simlai's response differs slightly in the many versions of this tradition. He either tells the heretics to inquire of the first days (Gen. R. 8:9) or the first man (j. Ber. 12b) or the record of creation (Dt. R. 2:13) or the Torah (Gen. R. 1:13 Mss 8, Tan. 7). In each case the directive is to seek a primeval authority, based on Dt. 4:32 (“Search into days gone by, long before your time, beginning at the day when God created man on earth; search from one end of heaven to the other and ask if any deed as

mighty as this has been seen or heard.”)⁸ Emphasizing different aspects of that verse yields the different primeval authorities.

Each version of the tradition has a slightly different anthology of biblical passages. But, in each case, the argument is most aptly used against the idea of two creators and later extended to apply to other ideas of two deities in heaven.⁹ This extension is facilitated by Dt.

⁸ The verse in Dt. can also be used as additional proof that one God only was responsible for the creation. Dt. is talking about the Mosaic revelation, a fact not lost on the rabbis. “Did any people ever hear the voice of God speaking out of the fire as you heard it and remain alive?” Dt. asks. This theme was strongly emphasized in reference to the Exodus passages in the Mekhilta (passage 1.) There, the elders of Israel saw God, yet lived—which showed God’s aspect of mercy, a different aspect of deity than was present at Sinai and the sea. Apparently, in the case of Dt. R. as well, heretical speculation about the number of Gods arose. R. Simlai explains that Dt. 4:33 (sing.) contradicts Dt. 4:32 (plural) (Ex. R. 29:1), and that only one God can be derived from the passage. The argument has become conventionalized in the rabbinic texts. The heretics surely did not rest content after merely observing the plural form.

22:22, Josh. 24:19, Ps. 50:1. We can review these verses as they appear in other parts of rabbinic tradition to see whether there are any further hints characterizing the heresy in a less conventional way.

Gen. 1:1 f.: This verse was supposed to be at issue in tannaitic times.¹¹ Ishmael and Akiba are reported to have argued about whether the ׁT in the first verse of the Bible was inclusive or exclusive, which was interpreted later to defeat the idea that either heaven or earth were deities. That a plurality of deities could be derived from the first verse because the word for God (*Elohim*) is plural (Dt. R. 2:13) was the way this issue was expressed during the third century. One wonders if the conflict between Ishmael and Akiba (which may have been purely grammatical) became associated with heresy during this period.¹² Also relevant to this scriptural passage are *Gen. 1:3* and *1:6* where the same word is at issue. Since the word God, *Elohim*, occurs so often in the Bible, the defenders must have had in mind a specific doctrine of plurality of deities present at the creation. These verses were used to advantage by many groups using Hellenistic Jewish traditions and cannot be said to be exclusively gnostic, apocalyptic or Christian.¹³

The rabbis report that the Greek version of the Bible contained another translation of *Gen. 1:1*—i.e., "God created, in the beginning." Rashi and *tosafot ad loc.* say that this was to avoid the difficulty of "two powers." *Tosafot* says that "In the beginning" itself could have been taken as the name of a deity, were it not for the inversion of the familiar grammar.

Meg. Taanit, *Massekhet Soferim 1:7-10*, *j. Meg. 1:71d* (cf., *Mekh. Ex. R. 12:40*) *Meg. 9a* also *Gen. R. 8:11*; *10:9*, *38:10*, *48:17*, *98:5*, *Ex. R. 5:5*, *Lev. R. 13:5* all report several passages where the rabbis believe that the LXX changed the MT. Of these more than 13 alterations, only four actually appear in surviving manuscripts of the LXX, some more attestations surviving in African versions. None of the attestations are in verses relevant for us. However, Irenaeus does state that some heretical groups made "In the beginning" into a God (see p. 78). Frankel (*Vorstudien*, 31) suggests that all may have been variants of a Hebrew text presented to King Ptolemy and not basically a Greek translation of the text. Gen. 1:26: has already been studied in great detail by many scholars. The tradition of sectarian exegesis goes back to Philo and before.¹⁴ It is mentioned in *Gen. R.* 8:9, *San.* 38b, *Yalkut Shimoni*, and *Dt. R.* 2:13 as being among the phrases in scripture against which R. Simlai cautions. In his view, the problem is the plural of majesty with which God ordered the creation of man. Simlai's answer is that only one God is involved in the process because the verb in the next verse is in the singular. Of course, it is hardly a detailed answer to every heresy based on the verse, but it has the advantage of not broaching any of the other (sectarian) understandings. For instance, the problem of the likeness between man and God is not mentioned. Nor is the question broached of the identity of the being addressed. The repetition of the word "Adam," implying a plurality of creators or creations, is not mentioned. So many dangerous doctrines find support in this verse that one can easily see its refutation by R. Simlai's principle to be meant to counter them all by prudent dismissal with as little characterization as possible on the part of the amoraim.

Gen. 11:17: contains the same difficult plural of majesty as in *Gen. 1:26*. The report of LXX translators also occurs at *Gen. R.* 39:10 for this verse.¹⁵ Here God says "Let us go down and confound their language." (The plural is translated literally by the received text of the LXX.) Targum Onkelos is embarrassed by the idea that God descends, so it translates, characteristically, "was revealed" instead.

Gen. 19:24: contains the seemingly pleonastic repetition of "from YHWH" in the account of the punishing of Sodom and Gomorrah. This possible source of heresy has been added to R. Simlai's group but can actually be traced to a Tanna, R. Ishmael b. Yosi.¹⁶ Elsewhere, R. Hilfi (PA 2) the son of Samkai, reports that R. Judah (PA 2) felt the repetition meant that divine punishment was carried out by the

206-213, who rightfully stresses the history of the tradition within the midrash itself instead of the purported historical incident underlying it. It is enough for current purposes to note that rabbinic tradition assumed that battle over these verses went back to the second century B.C.E. and to the foundation of Hellenistic Judaism.

¹⁴ *Gen. 1:26* (and *Gen. 2:7* as well) is fully dealt with in the following places: Jervell, *Imago Dei*; M. Smith, "On the Shape of God and the humanity of the Gentiles," in J. angel Gabriel.¹⁷ Thus, he must believe that one of the "YHWH" 's in that passage refers to Gabriel. While Gabriel was not considered a separate, independent power by the rabbis, the tradition attests to the existence of exegeses which allowed the tetragrammaton to signify a being other than Israel's one God.¹⁸ Obviously that very doctrine was enough to worry the rabbis. Though this midrash does not mention "two powers," it involves a concept coming perilously close to that heresy, stopping only before the overt postulation of separate authority. This is followed by the exegetical principle of R. Eleazar who believed that "and YHWH" refers to both God and his heavenly court. R. Yohanan had espoused a similar idea but R. Eleazar has refined that intuition to a rule based on the occurrence of the word „and" (W). R. Yohanan, for his part, maintains that God always consults His heavenly court. Of course, this eliminates the problem of principal hypostases of God whose divinity could be confused with Him and also explains the plurals of majesty in Genesis. This verse is important in some Christian exegesis as well.¹⁹

Gen. 35:7 and 5: "There he built an altar and called the place El Bethel, because it was there that God had revealed Himself to him when he was running away from his brother." The problem is, again, the grammatical plural referring to God in the verse. The rabbis explain it by saying that 35:5 contains the singular to prove that God is really one. However, this is not an innocent occurrence of a grammatical plural either. It is bound up with the immense speculation about Jacob and the revelation at Bethel, which is based on Genesis 29:10 f. In different writers, notably Philo, the word "place" itself is taken as a name for God, just as MQWM (place) became the name for God within early rabbinic tradition. Philo himself discussed a "second god" in reference to the Bethel revelation.²⁰

Josh. 24:19: "Joshua answered the people, 'You cannot worship YHWH. He is a holy (pl.) God, a jealous God, and He will not forgive your rebellion and your sins.' " The rabbis point out the singular forms which contradict the one plural in the verse. The interpretation of the verse is puzzling and it is possible that some detractors of the

God of Israel derived two gods—one just and one merciful, or one who created, another who forgives—from this verse.

2 *Sam.* 7:23: "And thy people Israel, to whom can they be compared? Is there any other nation on earth to whom thou, O God, has set out (pl.) to redeem from slavery to be your people?" The rabbis again show that the sense of the verse requires a single God to be present even though a plural is implied by the grammar. However, there are many other things in the verse which might give the impression of more than one God. The phrase GWY W³LHYW presents a problem to the rabbis. R. Eliezer suggested that it refers to idols which the Israelites took out with them from Egypt, namely the idol of Micah. As we have seen before, R. Akiba thought that this verse must refer to the Shekhina, who is to be redeemed along with Israel. Thus, there is room in the verse for understanding a divine manifestation other than God, as long as that manifestation is within the ken of orthodoxy.

Dan. 7:9 f.: The rabbis point out that the singular form in the verse counteracts the earlier plural. A good deal more speculation in heretical communities was based on these verses than is implied by the comment.²¹

Ps. 50:1 and *Josh.* 22:22: have a different character from the citations above. They are mentioned by R. Simlai expressly (in j. Ber. 12df) but their distinct character makes one suspicious of ascribing them originally to him. They may easily have been added to the tradition. Both of these examples involve the expression "God, God, YHWH," which the *minim* took to exemplify plurality of deity. In this case it is not a grammatical plural which presents the dualistic possibility but the different names of God. Since three names of God—El, Elohim and YHWH—are suggested in the verses, various scholars²² postulate that Christianity with a well developed trinitarian doctrine was the heresy under attack. However, the LXX had already translated the Hebrew in such a way as to imply that "two powers," rather than three, were present. We have seen that the linking of different names of God to different manifestations is quite ancient. It is probable that all the recorded midrashic traditions served as a defense against more radical doctrines.

At the beginning of the section, I noted that it was unclear whether

²¹ See p. 33 f., p. 66 f. and 201.

²² See Marmorstein, *Unity*, p. 491; Büchler, *Minim*, p. 258; Bacher, *APA*, I, pp. 555 f.; Herford, p. 261; and Bergmann, p. 89.

"two powers" or "many powers" was the heresy of interest to R. Simlai. The actual phrase "two powers" appears only in a late version in the Talmud. We discovered that the traditions ascribed to R. Simlai make an anthology of scriptural passages useful to defeat heresy. The rabbinic traditions have been reduced to a conventional form, where the heretical group merely pointed to a plural and the rabbis retorted with a singular. But we have seen that the actual doctrines were more complex. Behind the sectarian designation of plurality are traces of traditions either about a second principal figure in heaven, or about the meaning of the repetition of God's name, all of which go considerably along the way towards "two powers" heresy. After comparing these passages with the other rabbinic traditions about the same scriptures, it even seemed that some rabbinic writings contained traditions related to the heresy. Two passages may have had three powers in mind. They may have been describing a trinity of sorts, as some scholars have suggested but, whether of the gnostic or Christian variety is difficult to decide. However, the Greek translation of these passages implies two rather than three powers. So if the heretics read their Bible in Greek, they may have recognized only two powers. Only the two passages describing the creation—Gen. 1:1 and Gen. 1:26—definitely support the idea that more than two powers were involved. That interpretation is not necessary, rather suggested by what we know of "many powers" traditions of the creation.²³ This leads to the conclusion that the basic distinction in rabbinic thought even in amoraic times, was between "one power" and "two powers" in heaven. This basic distinction divided heresy from orthodoxy, Jewish monotheism from groups which read scripture but, from the rabbinic perspective, were outside of the community of believers.

Possible interpretations of "many powers in heaven" continue to correlate with the biblical creation account. This further suggests that the term "many powers in heaven" was coined after the term "two powers in heaven" had been in use and that it described a more complex heavenly hierarchy specifically derived from the creation account as in some varieties of apocalypticism, Christianity and gnosticism.

If it is true that "two powers in heaven" was the basic category of heresy, it is still not necessarily true that the term described only Christians while "many powers" described only gnostics. We know that there were Jewish-Christian groups with elaborate systems of

cosmology and intermediaries, which could have been named as "many powers in heaven," even though they had no specifically gnostic character. On the other hand, some gnostic groups preserved only two gods, the high god and the demiurge.²⁴

CHAPTER NINE

DIVINE POWERS AND ANGELS

PASSAGE 9

Genesis Rabba 1:7

R. Isaac commenced with, *The beginning of Your word is truth; and all Your righteous ordinance endures forever* (Ps. 99:160). Said R. Isaac: From the very commencement of the world's creation, "*The beginning of Thy word is truth.*" [Even], *In the beginning God created* (Gen. 1:1) [shows that] YHWH Elohim is the true God. (Jer. 10:10). Therefore, *And all your righteous ordinance endures forever* (Ps. *loc. cit.*). For, in regard to every single decree which You have promulgated concerning Your creatures, they affirm the righteousness of Your judgment and accept it with faith. And no person can dispute and maintain that two powers gave the Torah or two powers created the world. For "And the Gods spoke" is not written here, but, *And God spake all these words* (Ex. 20:1). In the beginning Gods created is not written here, but *In the beginning God created.* (Gen. 1:1).¹

The Rabbi Isaac in question is R. Isaac b. Nappaha (250-320 C.E., so called only in the Babylonian Talmud) the famous Palestinian amora of the second and third generation. His identity is confirmed by the midrash, which has captured the type of exegesis characteristic of the Palestinian sage—making a proemium or introduction to the Bible reading of the week.² R. Isaac was a student of R. Yohanan and is portrayed in such a way as to bear out his teacher's lessons. He combatted both the now familiar heresy that two gods might have been present at creation and the additional problem that the ordinances of God might be unjust.

The defense against these doctrines was accomplished by associating another verse with the first verse of the weekly Bible reading in order to clarify the meaning of that verse. R. Isaac associated Ps. 119:160 with Gen. 1:1, both because of a similar subject matter and because of a similar word. Gen. 1:1 begins with BR³ŠYT (in the beginning) and Ps. 119:160 contains a word derived from the same root R³Š (head). Instead of "the principle of Your word is truth," he translated: "The beginning of Your word is truth." Hence Ps. 119:160 is applicable

to the first words of the Bible—by a substitution, somewhat like a *gezerah shavah*. However, just which aspect of Ps. 119:160 is applied to Gen. 1:1 is ambiguous, and has occasioned two different interpretations among the traditional commentators. The first possibility is to reason that since “The beginning of Your word is truth,” we know that the beginning of the Bible is true when it says that one God (sing.) created the world, hence the statement that “YHWH is God” is true.³

This interpretation is the popular one, but has the disadvantage of not adequately explaining why R. Isaac quotes Jer. 10:10. It rather seems to me that R. Isaac was using a more elaborate system of substitution. He could be saying: “Since we know that the first statement of the Bible is true (Ps. 119:160) and since we know that YHWH as well as Elohim is the true God (Jer. 10:10), we can be sure that both God’s names—YHWH and Elohim—were present at creation. Therefore both His qualities of mercy and justice were also present.” From the very beginning God’s ordinances were both just and merciful. The only proper response is to accept them all faithfully. The conclusion of the argument is taken from the second part of Ps. 119:160—that every decree always shows justice and mercy (SDQH) at the same time.⁴

This immediately occasions a warning against the idea that two powers created the world or that two powers gave the Law. Then R. Simlai’s exegetical device is utilized to show the grammatical difficulty in propounding a “two powers” heresy.

If the second interpretation is right, the rabbinic doctrine of the two attributes of God—MDT HDYN and MDT HRHMYM—is being used apologetically against a heretical argument. That heresy may have taken two forms. The first possibility is that the creator was unjust. The second possibility is that the God who created is simply not the same God who saves.

Either possibility involves “two powers.” Both identify the names YHWH and Elohim as different deities. R. Isaac, using the rabbinic doctrine of the attributes of God as a defense, showed that only one

³ *Rashi* and *Etz Yosef* (Enoch Zundel b. Joseph of Bialistock, 19th century) both assume that the opening statement of the Bible proclaims the truth that the Lord is God, and there is none beside Him, for it is He alone who created the world.

⁴ The Mahartzu (Ze’eb Wolf Einhorn, 19th century) understands *Elohim* (God) to signify God’s attribute of Justice. The opening verse of the Bible “In the Beginning *Elohim* created” then is an assertion that He created the world on the basis both of justice and mercy.

God is present and proved his contention by using the method current with R. Simlai and R. Yohanan. The complete structure of his argument is considerably more complex than R. Simlai's principle, which is again appended as an after-thought.

R. Luliana b. Tabri said in R. Isaac's name: Whether we accept the view of R. Hanina or of R. Yohanan all agree that none were created on the first day, lest you should say, Michael stretched the world forth in the South of the firmament and Gabriel in the North, while the Holy One, Blessed be He, measured it in the middle: but I am the Lord that makes all things, that stretched forth the heavens alone, that spread out the earth by myself.—*Mi Itti?* (ib. 44:24)—who was with me? is written; who was associated with me in the creation of the world? ⁵

Another series of traditions, evinced in Gen. R. 3:8, is attributed to R. Isaac. In this tradition, R. Isaac cites the discussion between R. Hanina and R. Yohanan, Isaac's teacher, about the day on which the angels were created. Since it ought to be clear that the angels were not created on the first day, R. Isaac maintains that we can be sure that God accomplished creation without any angelic help. Hence, no angel can be his equal. R. Isaac gives an example of heretical belief, testifying that some people alleged that Michael and Gabriel were associates of God in creation. God may have created the middle, but each angel created other parts of the firmament. By means of a double entendre, R. Isaac uses Ps. 44:24 to ask the rhetorical question: "Who was associated with me in the creation of the world?" The answer, of course, is that no one, not even an archangel was given such an honor. This unnamed doctrine seems related to the Gabriel, Michael and Metatron speculation discussed previously. ⁶ However, other elaborate angelologies may have been involved, for beliefs in angelic mediation were commonplace throughout Judaism. What is dangerous, of course, is the notion that some principal angel could be said to usurp God's independent power.

This tradition also helps explain the relevance of the next midrash in Dt. Rabba, concerning the meaning of Dt. 6:4:

R. Isaac opened (his discourse) with the text: "*The Lord is my portion,*" said my soul; therefore will I hope in Him (Lam. 3:24). R. Isaac said: "This may be compared to a king who entered a province with his

⁵ Gen. R. 3:8 repeated 1:3. See also M. Ps. 24a, Tan. B. 1:12.

⁶ See p. 112 f., p. 141. The use of the word ŠWTP implies a separate divinity which makes use of the name of God. This is especially clearly brought out in Ex. R. 29:2 where such ideas are expressly called "many gods" and condemned by means of Ex. 20:2.

generals, rulers and governors. Some of the citizens of the province chose a general as their patron, others a ruler and others a governor. One of them who was cleverer than the rest, said, "I will choose the king." Why? All others are liable to change, but the king is never changed. Likewise, when God came down to Sinai, there also came down with Him many companies of angels, (Num. 2:3). Michael and his company, Gabriel and his company. Some of the nations of the world chose for themselves (as their patron) Michael, others Gabriel, but Israel chose God for itself, exclaiming, "The Lord is my portion," said my soul. This is the force of "Hear, O Israel, the Lord, our God, the Lord is One." ⁷

The passage, again from R. Isaac, does not mention "two powers in heaven." It does discuss Michael and Gabriel as if they had been accepted as deities by groups other than Israel.

The testament of God's unity in Dt. has allowed the redactor of Deuteronomy Rabba to assemble many rabbinic teachings against angelic and binitarian dangers.

Another explanation: *Hear, O Israel*. This bears out what Scripture says, "Whom have I in heaven but Thee? And besides Thee I desire none upon earth (Ps. 73:25)." Rab said: "There are two firmaments, the heaven and the heaven of heavens." R. Eleazar said: "There are seven firmaments: Heaven (ŠMYM), Heaven of Heavens (ŠMY ŠMYM), Firmament (RQY^c), Sky (ŠHQYM), Habitation (M^cWN), Residence (ZBWL), Thick Cloud (RPL^c); and God opened them all unto Israel in order to show them that there is no God but He. The Assembly of Israel said before God: 'Master of the Universe, whom have I in heaven but Thy glory? As in heaven I have none but Thee, so too upon earth I desire no other; as I have not associated another with Thee in heaven, so upon earth, too, I have not associated with Thee any other God but daily I enter the synagogues and testify concerning Thee that there is no other God but Thou, and I exclaim, *Hear, O Israel: the Lord our God, the Lord is one.*' " ⁸

The passage is an interpretation of Dt. 6:4, "Hear, O Israel, YHWH is our God, YHWH is One," a statement of God's unity which has assumed central importance in Israel's liturgy. The passage combines several traditions in a sophisticated way. First, it quotes Ps. 73:25, "Whom have I in heaven but Thee, and besides Thee I desire none upon the earth." The questions raised by the psalmist are used to proclaim God's complete unity.

The first question, "Whom have I in heaven but Thee?" is answered

by reliance on a description of heaven, transmitted elsewhere in rabbinic literature in the name of Rab and R. Eleazar.⁹ In this version, a new edge has been put on the traditions by the rabbis, who are obviously reacting hostilely to some idea of a heavenly figure of major status. According to them, God opened each heaven to Israel to show to them that there is no other God but Him. The word used to describe that figure is ³LWH (God) rather than RŠWT (power) showing that the terms could be used interchangeably. By continuing the exegesis of Ps. 73, the possibility of another earthly God is also denied. This is a convenient argument against a number of beliefs, among which, especially in this context, would be incarnation. In order to counteract those heretical tendencies, the orthodox position marshalled the Shema (Dt. 6:4), the very center of synagogue liturgy.

The next passage in Dt. Rabba is also based on the Shema and contains information attributed to earlier times. It begins with a quotation from Pr. 24:21.

PASSAGE 10

Dt. Rabba 2:33

Another explanation: What is the force of, "*And the King? Make [God] King over you. And meddle not with them that are given to change*" (Prov. 24:21). Do not meddle with those who declare that there is a second god. R. Judah b. Simon said: [Scripture says], "*And it shall come to pass, that in all the land, saith the Lord, two parts therein shall be cut off and die* (Zech. 13:8); the mouths that declare that there are two powers shall be cut off and die. And who will survive in the future? But the third shall be left therein. This refers to Israel who are termed 'thirds,' for they are divided into three groups: Priests, Levites and Israelites and are descended from the three Patriarchs, Abraham, Isaac, and Jacob." Another explanation: Because they praise God with the threefold expression of holiness, "Holy, holy, holy (Isa. 6:3)." R. Aha said: "God was angry with Solomon when he uttered the above verse. He said to him: 'Why do you express a thing that concerns the sanctification of My name by an obscure allusion' [in the words] 'And meddle not with them that are given to change' (ŠWNYM)? Thereupon immediately Solomon expressed it more clearly [in the words], 'There is one that is alone, and he hath not a second; yea; he hath neither son nor brother' (Eccl. 4:8); He hath neither son nor brother, but *Hear O Israel: the Lord our God, the Lord is one.*"¹⁰

⁹ See Lev. R. 29:11; Hag. 12b, ARN 37 (Goldin, ARN, p. 154); Ginsberg, *Legends*, V, 10 f. where it is ascribed to R. Meir. See p. 66 f.

¹⁰ Tr. Rabbinowitz.

"Meddle not with them that are given to change" is seen as relevant to the Shema by means of a double entendre: "Meddle not with those who say there is a second God." This is done by understanding the root Š-N-Y/H to imply two, or a second, instead of "change," its usual meaning in this form.¹¹ Instead of reading "Two parts therein shall be cut off and die," he suggests the alternative meaning: "The mouths that say there are 'two powers' shall be cut off and die." Having done that, the exegete is left with the difficult problem of interpreting the significance of the last third. This he deftly calls Israel because Israel is the last third of two conventional groupings—both priests, Levites and Israel, and Abraham, Isaac and Jacob (who is Israel). Though the argument may be ingenious, the rabbis expressed their own disapproval by imagining God's displeasure at such an indirect proof.

The next paragraph is thus taken to be a more direct attack on the same problem. It is based on Proverbs, but is adduced in R. Aha's name (PA4). R. Aha seems to identify those who believe in "two powers" as Christians. The earliest form of this tradition is actually tannaitic, appearing in Sifre 329 where the relationship to "two powers" is unstated. R. Aha attributes his exegesis to Solomon because the book of Proverbs, from which the text is taken, is attributed to Solomon. Therefore, the meaning of the verse can be clarified in light of another work attributed to Solomon—Ecc. 4:8, where Solomon is supposed to have stated that God has neither brother nor son.¹² By itself, the denial of the idea that God has brothers could have been a reference to any polytheistic system or Persian religion where the good and evil inclinations were sometimes conceived of as twin brothers. But the idea that God has no son seems to be best understood as a response to Christian or gnostic doctrine, even if there is no firm evidence for deciding between the two.

The text differs significantly in the version occurring at Ecc. R. 4:8:

*There is one that is alone, and He hath not a second (4:8). There is one: i.e., the Holy One, blessed be He, of whom it is said, The Lord our God, the Lord is one (Deut. 6:4). And He hath not a second: He has no partner in His universe. Yea, He hath neither son nor brother: since He has no brother, whence should He have a son?*¹³

¹¹ A similar exegesis on Zech 13:8 is attributed to R. Judah b. Simon (PA 1).

¹² See p. 11 f.

¹³ Ecc. R. 4:1, Tr. Rabbinowitz.

The traditional understanding is that ʾH is not just to be construed as "brother," rather as "consort." The meaning of the phrase would then be that God could not possibly have a son because he has no consort.¹⁴ This interpretation satisfies the sense of the passage. In fact it functions as a commentary because it places a logical progression on the tradition which is unsupported in any other version. Significantly, the phrase used to describe the second power in heaven is ŠWṬP, partner, which we have seen was the term for the heretical second figure present at the creation in Adam speculation.¹⁵

In other places as well, the amoraim attached the issue of "two powers" to some loosely related earlier tradition. In the following pericope, they added the issue because the earlier tradition dealt with other kinds of frivolous speculation. The tradition occurs four times in rabbinic literature. Each of the four occurrences demonstrates growth in the tradition towards more specification about the heresy involved. The earliest traditions are from Sifre and the Midrash Tannaim, two ostensibly tannaitic sources which appear to be stressing the perfection of the human body.

PASSAGE 11

Midrash Tannaim
p. 187

Sifre Dt. 307

The Rock, Perfect in all His actions:
The former because he formed the world first and formed man in it.

His work is perfect.

His work is perfected with all those who come into the world.

No man in the world can say, "If only I had three eyes, if only I had three legs, if only I had three hands, if only my head faced backwards, if only I could walk on my head, then I would be pleased!" Why? Because *All His ways are justice.*

His work is perfect.

His work is perfected with all those who come into the world. No one can speculate about his attributes, not even the most insignificant reason. And none can look and say: "If only I had three eyes, if only I had three hands, if only I had three legs, if only I could walk on my head, if only my head faced backwards, how pleasant that would be!" Scripture teaches, *All His ways are justice.*

¹⁴ The root (ʾHY) is not attested in Hebrew or Aramaic with the meaning of consort.

¹⁵ See the technical use of the term in relation to sharing God's name in j. Taan. 2 (65d) b. San. 63a, b. Suk, 45b, Ex. R. 42 (to Ex. 32:4). The power could be a partner in that he shares the divine name. See p. 112, p. 137, p. 183 f.

Ecc. R. 2:12

Gen. R. 12:1

R. Simeon b. Yohai said: this is compared to a king of flesh and blood who built palaces and all who visited it said: "If only the columns were higher, it would be more pleasant. If only the walls were higher, it would be more pleasant. If only its ceiling were higher, it would be more pleasant!" As if a man were to come and say: "If only I had three arms, or three eyes or three ears or three legs, I would be pleased." Scripture does not say: "that which he has already made him but," *that which they have already made him*. The supreme King of Kings, Blessed be He, and his court, took a vote, so to speak, on your every limb and plan. And if you should say: "There are 'two powers,' has it not already been said: *He has made you and established you*." (Dt. 32:6).

R. Simeon b. Yohai said: This is compared to a king of flesh and blood who built palaces and his comrades visited it and said: "If only the columns were higher, it would be more pleasant. If only the walls were higher, it would be more pleasant. If only the ceiling were higher it would be more pleasant." Yet if a man came and said: "If only I had three eyes, or three legs we would be astonished!"

It is not stated: "that he has already made him," but "*That which they have already made him*. The supreme King of Kings, blessed be He and his court, took a vote, so to speak, on your every limb, and set it up according to your plan: (Thus it is written) *He has made you and He has established you*. (Dt. 32:6).

The exegesis is based on Dt. 32:4, "The Rock, His work is perfect." Understanding "rock" (§WR) as "shaper" (§YYR). The exegete applies the verse to Genesis and teaches that no one has the right to criticize the perfection of the human body. This moral lesson is proof-texted by means of other statements emphasizing that God has confidence in His creation, that He judges each creature equally, and that the purpose of all men is to be righteous. We have seen that these themes are sounded against the heresy of "two powers" especially after it becomes impossible to distinguish between the gnostic and principal angel varieties. There is no attempt within Sifre to make any connection with "two powers" explicit. However, later rabbis were sensitive to the theme and spelled out the danger of "two powers" heresy.

The version in Genesis Rabba develops in a different way. The midrash arises in reference to Ecc. but the exegesis is occasioned by quoting Gen. 2:4, the summary of the creation story. It is attributed to R. Simeon b. Yohai and his moral is to avoid criticizing man or any other work of the creator, since that implies a criticism of God.¹⁶

¹⁶ The defensive argument may have been spurred by the notion that §YYR

Yet the analogy between divine and human motives is portrayed slightly differently than in the earlier version. Men stupidly criticize grand edifices. How much more stupid is it when they criticize man himself, who is God's magnificent edifice? An interesting addition to this passage is the explanation of the plurals in Genesis by saying they refer to God in consultation with His angelic court. God and His heavenly court decide by vote to create each human member, citing Dt. 32 as proof because it contains the seeming redundancy "He made you and established you."¹⁷ Based on what we know of "two powers" traditions, we can say that there would be a possibility of deriving two deities in two different places in this story—one from the two verbs used for creation in Genesis, and the other from the two verbs used for creation in Deuteronomy. However, the specific charge of heresy is not mentioned.

In Ecc. R. the latest version, approximately the same text is repeated with the significant addition of a warning against "two powers." After the description of God and his heavenly court, the midrash adds Dt. 32 as protection against the idea that there are "two powers." One editor has obviously picked up the dangerous implication of the repetition of verbs for creating in Dt. 32, since he specifically reiterates these words. He maintains that God's consultations with the heavenly court is the correct interpretation of the repetition but is not satisfied with this explanation either. So he then tries to remove all possibility of heresy by reading the verse in a slightly different manner, understanding the repetition as emphasizing that one God has made all creation.

From this midrashic development, one may infer that the original discussion had something to do with the creation of man and may have had some connection to heresy. Further discussion linked it significantly with "two powers." Clearly, although the elaboration is secondary, the amoraim were associating creation, "two powers" and different words for "creator" with heresy. They did so for good reason but we cannot be sure that the original tradition had to do with such matters.

In many places in rabbinic literature, defense against "two powers" may be implied, although there is no direct statement of it. Of course,

("formed") signifies that a different and lower creator than the high God, who can "create." (Elohim). See the controversy between Gamaliel and the Emperor, p. 116 f.

¹⁷ See p. 131 f. where R. Eleazar discusses also the heavenly court in regard to ambiguous passages of this type.

such passages are easily missed and there is no way to control rabbinic literature for all of them. But there is one that is very provocative:

Rabbi Zeira, the son of R. Abbahu. R. Abbahu in the name of R. Elazar: " 'Happy the man whose helper is the God of Jacob' (Ps. 146:5). Why does scripture seem redundant [in saying]: 'He who made heaven and earth' To what is this related? It is like a king of flesh and blood who employed a governor to rule one estate but who had no authority over another. Similarly, lest you should say the *kosmokrator* rules the land, but not the sea, the Holy One, Blessed be He rules over both dry land and sea, saving from water in the sea, and from fire on the dry land. He who saved Moses from the sword of Pharaoh and saved Jonah from the belly of the whale, Hananiah, Mishaël and Azariah from the fiery furnace and Daniel from the lions' den—He it is about whom it is written, 'He is the maker of heaven and earth, the sea and all that is therein.' " 18

The tradition comes from R. Elazar b. Pedath (PA 2 250-290) who is seeking to explain the relationship between Jacob's prayer for help in scripture and the answer that God is the creator of heaven and earth. A king of flesh and blood might appoint governors over various parts of his realm, but God does not. He rules all parts of His realm at the same time. Unlike a *kosmokrator*, God does not rule the earthly part of the world, leaving the sea to another ruler. Rather God saves both on land and sea, showing He is omnipotent. The term *kosmokrator* has technical meanings in some varieties of pagan thought, Christianity, and finally gnosticism where it became the title of the demiurge. At the base of all these traditions is probably the LXX, which often translated YHWH Sebaoth, "the Lord of Hosts" as *kosmokrator*. The late date of the tradition would argue for gnostic or Christian opposition. But it may also have been occasioned by an exegetical problem, without specific reference to heretical or gentile belief. An argument against figures helping God in His maintenance of the world may be implicit, but any relationship to "two powers in heaven" remains unstated. Therefore, this may only be an argument against polytheism generally.

One last occurrence of the term "two powers" uses the heresy incidentally but links the heresy to its corrective, the first of the Ten Commandments:

PASSAGE 12

Pesikta Rabbati 20, 4

Then a troop of angels of destruction, strong and mighty, who are set round about the throne of glory, met him. When Moses reached them, they sought to burn him with the breath of their mouths. What did the Holy One, Blessed be He, do? He spread something of His own splendor about Moses, stood him up before His throne, and said: "Moses, make a reply to the ministering angels—speak up to them!" (The words: "*He causes (him) to take hold of the face of His throne and spreadeth His cloud upon him (Job. 26:9)*," prove, according to R. Nahum, that the Almighty spread about Moses something of the splendor of the presence of God, which is His cloud. Moses said to Him: "Master of the world, I fear that they will consume me with the breath of their mouths." God said: "Take hold of the throne of My glory and turn them back with thy words." Thereupon Moses made bold and gave a reply to the ministering angels. He said: "You have no cause to burn me with the breath of your mouths (in your wish to keep the Torah for yourselves.) In the Torah it is written (for the guidance of mortals) '*I am the Lord your God.*' (Ex. 20:2). But you, (who live in the very presence of the one God)—how could you have many gods? In the Torah it is written Thou shalt have no other Gods (Ex. 20:3). [Have you divided minds?] Have you 'two powers' (such as mortals are likely to have)?..."¹⁹

This late report in *Pesikta Rabbati* contains a passing reference to "two powers in heaven." The legend began as a commentary on Ex. 20:2 and related how Moses went up to heaven in the cloud on Sinai to get the Ten Commandments for Israel. This legend recounts a heavenly journey, a primary motif of Merkabah mysticism and implies, as Philo did, that Moses shared in God's divinity, though here it is solely for his protection. The reference to "two powers" occurs when Moses confronts the ministering angels, who, knowing a good thing when they see it, want to keep the Torah for themselves. Moses is forced to persuade them that the Torah is meant for Israel. He argues that the laws are designed only for man because the angels do not need them. They do not covet, have neither father nor mother, nor do they practice idolatry. He asks the angels whether or not they believe in "two powers," since they selfishly want to keep the first commandment for themselves. The first commandment is obviously viewed as a firm defense against dualistic or binitarian heresy. It is also clear that these traditions must be late since the charge of "two powers" is conventional, only used as a folkloric motif and presupposes no live heretical issue in the community.

¹⁹ Tr. Braude, p. 408-9 with changes to express the direct reference to "two powers" in the Hebrew.

Marmorstein mentions two further places, not yet discussed, where he feels the heresy of "two powers" is implied. In one place I can agree that the issue is "two powers," but the passage itself seems to be an interpolation. His second occurrence is less sure.²⁰

Marmorstein quotes a version of M. Ps. to Ps. 53:9:

According to worldly custom, a king of flesh and blood has a duke for each domain and they carry on the burden of government with him. When the princes are assisting they also share in his grandeur. But the Holy One, Blessed be He is not like that. He has neither duke, nor governor nor second-in-command, as it is said: "What god is there in heaven or on earth who can match your works and mighty deeds?" (Dt. 3:24). "I am the Lord who made all things, by myself I stretched out the skies, alone I hammered out the floor of the earth." (Is. 44:24 f.) None else shares His burden, as it is said: "I performed it and carried it out."²¹

Since Braude has left the version out of his English edition of M. Ps., he must view it as secondary. However at whatever point it entered the tradition, it is an argument against "two powers" of the conventional sort we have noticed. Marmorstein also listed another place which he feels is relevant to the heresy and which should be mentioned, M. Ps. 51:8.

"Only He alone knows, which wonderful deeds He will perform." is the key phrase for Marmorstein, who believes it to be a covert argument against gnostics. This is certainly possible, but that does not seem to be a necessary conclusion. The passage only argues against people who claim to prophesize, without mention of the cosmology to which they adhere. Even less evident is the relationship to "two powers" heresy. It rather seems to me that the "alone" in scripture occasions what is now a conventional remark taken from rabbinic "two powers" polemic.

These last two passages have been mentioned because they were linked with the heresy by the last generation of scholars. However, most editions of M. Ps. do not even print these few lines. Passages of this sort can be discovered in other, less obscure places as well, but they will yield no further information for our study. It is best now to summarize what has been found in the rabbinic texts and then turn to the extra-rabbinic evidence, which solves some of the ambiguities we noted in the rabbinic texts.

CHAPTER TEN

SUMMARY OF RABBINIC FINDINGS

The rabbinic evidence is now before us. Many questions remain; but a number of new observations about "two powers" can be made. First, we should note that the heresy is almost entirely confined to Palestine. Not one historical tradition is set in Babylonia. The defense against the heresy is attributed only to Palestinian sages or to Babylonian sages who emigrated to Palestine. This suggests not only a Palestinian locale for the heresy, but a date for the battle which would precede Judaism's intensive contact with orthodox Zoroastrianism in amoraic Babylonia.

More importantly, we can differentiate several early stages of the rabbinic defense against the heresy. Heretical doctrine was only infrequently attacked by direct phenomenological or doctrinal characterizations—like "those who say there is no power in heaven," or "those who say there are two powers in heaven," or "many powers in heaven." No doubt the rabbis debated about doctrine, for such doctrinal characterizations provided the technical terms for the various heresies. However they recorded their legal-exegetical discussions more carefully. The beginning of the long battle can be seen best in two different, equally early areas—polemical exegesis and liturgical orthopraxy.

The earliest differences of opinion for which we have evidence were centered on scripture. The rabbis attempted to defeat a growing body of sectarian biblical exegesis supporting a binitarian heresy by suggesting an orthodox understanding of the crucial scripture. We also have evidence of an attempt to exclude various heretical understandings of providence from the synagogue by silencing prayers associated with them from use in public services. The association between the "two powers" heresy and the various liturgical formulae about God's providence is made by the amoraim, but the tannaitic material implies that the themes of justice and mercy were united with the themes of the appearances of God by the mid-second century.

The earliest datable manifestations of the heresy are to be found in exegetical battles:

		Ps. 44:24

The crucial issues which can be dated early are: (1) a dangerous understanding of Dan. 7:9 f.; (2) dangerous contradictions between the portrayal of God as heavenly warrior (especially in Ex. 15:3) and the figure of an old man on a heavenly throne assumed to be described in various theophanies (especially Ex. 24:10 f.); (3) a tradition about a principal angel, based on Ex. 20 f., said to be Metatron in the amoraic traditions but whose real significance is that he is YHWH or the bearer of the divine name (using Ex. 23:21 f.).

These passages may have little in common in their origin. But they all picture God Himself as a man or posit a principal angel, with the shape of a man, who aids God in the governance of the world. Since the passages share a revelatory vision of the angelic figure or picture God sitting on His throne, other major biblical texts, describing God's angel or His enthronement could also be relevant. The angelophany and theophany passages of Genesis and Exodus might be included, as well as Is. 6 and Ex. 1. Besides Ex. 23:21 f. which the rabbis discuss at length, it might include Gen. 16:7 f., 21:17 f., 22:11, 31:11 f., Ex. 3:2 f., Ju. 2:1 f. where references to the angel of YHWH and Elohim are confused in the text.

The earliest isolatable rabbinic opposition to "two powers," then, is not against ethical dualism, but against a principal angel or mediator. While it seems possible that the angelic or anthropomorphic creature has some relation to the problem of theodicy, the helping angel is in no way evil. The portrayal of the second figure does not explain the existence of evil so much as the appearance of a sublime divinity to

men. Therefore it is apt to call such beliefs "binitarianism" or "ditheism" rather than "dualism."

The rabbis counter the dangerous angelologies by suggesting different interpretations of the passages under discussion. They maintain that the two different descriptions of God can be resolved into one just and merciful figure—just as Ex. 15:3 and 24:10 refer to one God, once Ex. 20:2 is taken into account.

Is. 44 f. and Dt. 32 are seen as especially helpful for the rabbinic defense in order to show that the Bible explicitly forbids "binitarianism" when it says that only one God rules the world. In the amoraic period, an additional, highly conventional response to the heretical arguments develops, which dismisses the scriptural passages important to the heresy but avoids any detailed description of the heretical beliefs by concentrating on grammar. Rabbis Yohanan and Simlai are probably the first to teach that wherever a grammatical plural in scripture modifies God, the counter-argument of God's unity can be deduced from the singular grammatical forms which are invariably associated with that plural.

By the middle of the second century the doctrine of God's justice and mercy is combined with the name of God traditions. There is evidence of several sets of terminology to discuss the relationship between God and His attributes, but the received identification of names and attributes is apparently already in effect by then. This development is coterminous with rabbinic discussions of heretical views of God's justice or mercy. Whenever they developed, the basic traditions concerning the angelic figure are older than the time of R. Akiba and R. Ishmael because the rabbinic defense against the heresy contradicts the rabbinic doctrine of divine mercy and justice which was known to both of them.¹

R. Nathan defends Jewish scripture against the heretical idea that God has created in secret. When put together with the issues of God's justice and mercy, this defense may imply complementary binitarianism but is more appropriate to the controversy either with Marcion or with extreme gnosticism. It is datable to the second century and probably served as the impetus to rapid development of rabbinic doctrines of mercy and justice. These issues were probably not totally unknown, however, before the mid-second century, since we shall see that Philo records many traditions concerned with such subjects.

¹ See p. 44 f.

Other traditions are associated with "two powers" in more obscure ways. These include notions about the process of creation or about Adam, who, in this context, is seen as a gigantic, mythic creature—possibly even an angel or a helper of God in creation. These traditions, only hinted at in the rabbinic writings and associated with "many powers in heaven" by the tannaim, centered around the creation story in Genesis. Though they appear in tannaitic writings, they are greatly elaborated upon by the amoraim, who first link them specifically with "two powers." Apparently at some point, a whole variety of different exegetical traditions are grouped together under the category of "two powers." From the rabbinic evidence alone, *it is not possible to show that any one heretical group combined all the different doctrines associated with the heresy.* Rabbinic literature presents a composite picture with many different positions being subsumed as heresy throughout the rabbinic period. It is possible to isolate some of the early tannaitic evidence but in the amoraic period all is melded. Thus even the historicity of the various attributions to amoraic rabbis is a moot point.

To summarize the exegetical front of the battle against "two powers" from the texts then, we see that the earliest isolatable layers of tradition can be discovered only as an early stratum in the Mekhilta and related passages (passages 1 and 2). Similar traditions of great antiquity may be safely supposed to lie behind the mystical traditions in the Talmud (passages 3 and 4). However, it cannot be assumed that the leading tannaim practiced mysticism in the way it is described. In the rest of the tannaitic passages, that exegetical sophistication developed in the earlier passages is put to use in fighting a variety of enemies. In the amoraic period the following passages are recorded as important in the heresy: Gen. 1:1, 1:26, 2:7, 11:7, 19:24, 35:7, Dt. 4:7, 2 Sam. 7:23, Dan. 7:9, Josh. 22:22, Ps. 50:1. Many of these were evident or implied in the tannaitic discussions. In most of the late cases the heretical issues are left obscure by the rabbis, so we must reconstruct them where we can. A number of the heretical arguments, however, are not attested in the tannaitic discussions. It is even probable that traditions originally having nothing to do with "two powers" were brought under the rubric in amoraic times. Clearly then, by the amoraic period, "two powers" was a broad enough category to include a number of different binitarian sectarians, some of whom could be described as radical, cosmic dualists.

The mishnaic evidence emphasizes the second thrust of the rabbinic offensive against heresy—ostracism from the synagogue. It is likely that the “two powers” sects were among the heretical groups excluded from the synagogue during earliest times, but it is not easy to characterize or date the entire battle.

The process of ostracism probably received its first impetus from Gamaliel—who expanded the curse against enemies of the synagogue in the liturgy to include the *minim*.² People who led prayers in the synagogue were admonished not to use a number of heretical prayers, among which was the “MWDYM... MWDYM” formula. But that formula is clearly related to “two powers” only at a later date when scholars agree that Christianity was included in the curse in the Amidah as well.³ Since we are sure that Christians were called “two powers” heretics by the late tannaim, we have some good reason to suspect that believers in “two powers” traditions were also among those cursed by the synagogue, even if they were not yet associated with the other heretical behaviors enunciated by the Mishnah. Yet the Mishnah does not identify the heretics who say “MWDYM... MWDYM” with the term “two powers.” We must conclude that this is an oversight, or that the prayer formula was not associated only with the “two powers” heresy at first, or that the term “two powers” became conventional only at a later time. The last possibility seems most likely, but all of them could be partly true.

Besides the mishnaic reports about rabbinic supervision of liturgy, we know that the later rabbis relied on the first commandment (Ex. 20:2), once a part of the liturgy,⁴ as a defense against dualism. The midrash to Deuteronomy points out that the Shema (Dt. 6:4 f.), together with its antiphonal answer, were also seen as the pronouncements *par excellence* against “binitarian” heresy. The rabbinic texts only associate “two powers” with the liturgical passages during the amoraic period, but the use of the same scriptures in exegetical battles

is demonstrable in the tannaitic period. Furthermore, extra-rabbinic sources suggest the antiquity of the tradition.⁵

Other liturgical rulings point out the rabbinic strategy for excluding heretics from the synagogues. For instance, the ruling about hearing the whole benediction before pronouncing "amen" (Ber. 8 end) prevented any sectarians from gaining a measure of acceptance by inserting their prayers into synagogue benedictions and having them ratified with an "amen." The ruling is mentioned specifically with regard to Samaritans, but Christians used the suspect formulae in their creeds as well.⁶ Even The Apostles' Creed would have been completely orthodox in its beginning and closing. Only the middle contains material heretical from the Jewish perspective. Furthermore, "Samaritan" and "sectarian" are often confused in the manuscripts of rabbinic texts. From our study of tannaitic times it has become clear that Samaritans, Christians and other sectarians were grouped together and condemned in rabbinic heresiological writings and in liturgical ordinances because there was a phenomenological similarity between them from the rabbinic perspective: they all compromised monotheism by positing more than one authority in heaven.⁷

The term "two powers" may once have designated a specific group and circulated in various individual traditions but it appears to have become a stock characterization of heresy toward the end of the tannaitic period and to have lost any specificity it may have originally had. In some texts either "two powers" or "two gods" is used to describe the dangerous exegeses. The difficult passage at b. Ber. 11b (which calls the heresy DW BR) appears to be a defective rendering of some alternative denomination for "two powers." Toward the end

⁵ The Shema, like much of the Deuteronomist perenesis, contains the proclamation of God's unity emphasizing particularly the fear and love of God, which in turn were associated with the two aspects of justice and mercy in midrashic literature. The same structure of thought is found as early as Philo. There is some evidence that Philo was relying on even more ancient tradition in discussing this matter (see p. 178 f.), suggesting a very early origin for the relatively late discussion of fear and love that we find in our present texts.

⁶ See *Didache* 82 and Elbogen, p. 253.

⁷ Even methods of exegesis against dangerous scriptural passages found their way into the liturgy. According to Mann's reconstruction of the triennial cycle of the scripture readings which was current in Palestine, the *haftarah* for the Ten Commandments was chosen in order to deal with the same issues that we are discussing. Jacob Mann, *The Bible as Read and Preached in the Old Synagogue* (New York: 1971), believed that the Ten Commandments *sidrah* actually began at Ex. 20:2 in the triennial cycle, because the ten commandments actually began there. Mann believed that the *haftarah* for Ex. 20:2 f. must have started with Is. 43:11 and continued through v. 21.

of the tannaitic period, and into the amoraic, the term "two powers" became more popular, possibly because it defined the heresy doctrinally, but did not reveal much information about it. It could be easily contrasted with "no power in heaven" on the one hand and "many powers in heaven" on the other. By the beginning of the amoraic period "two powers" was the clearly understood title for all binitarian or dualistic heresies and doubtlessly no longer referred to any one particular sect.

It seems clear, then, that the synagogue and academies in Palestine were the locus of the debate and defense against "two powers." Exegesis was the earliest battleground of the conflict. Although the answers to the heretics were worked out by the academies, the question must have been raised in relation to Bible-reading and by groups who were interested in hearing the Jewish Bible expounded. Since we know that some "two powers" heretics were among those cursed in the synagogue, we can assume the following tentative reconstruction of the evidence: Either contemporary with the exegetical problem or immediately after it, a successful campaign was mounted to silence various sectarians in the synagogue by regulating the content and procedures of prayer. Among those silenced were some evincing "two powers" interpretations of scripture. The sectarians may not have called themselves "two gods" or "two powers" heretics. Only the offended party, from a new position of authority, described these doctrines as heresy. When the rabbis insisted that prayers in synagogue meet specific standards of monotheism, the incipient heretics and the rabbis withdrew from each other by mutual consent but certainly on less than peaceful terms. Although they separated, the groups encountered each other in debate frequently, showing that the heretics continued to proliferate and that they remained in close proximity to the rabbinic community. Since the *provenance* of the debate was largely Palestine, when the center of Jewish life moved to Babylonia, the debate slackened. The heretics were entirely outside of the synagogue and probably were no longer in active conflict with the Jewish community. The late occurrences of "two powers" traditions may have been occasioned by sporadic encounters with heretics but seem primarily meant for the encouragement and edification of believers rather than for defense against a threatening heretical group.

The next step in the investigation should be clear. At the beginning of the discussion of this heresy, several candidates for the charge of dualism were surveyed. In the next section, I will try to identify the

most likely candidates among the groups mentioned in Section I. Those using scriptures found dangerous by the rabbis will figure prominently in the discussion. Of course, particular note will be taken of Christianity and gnosticism which have frequently been implicated by the evidence (as well as by the suggestion of previous scholars).

To be sure, other apocalyptic and mystical groups have been implicated as well. But some tentative observations are possible at the outset, based on what we know about Christianity. Since Christian documents can be read as representative of one "two powers" group's experience, the reconstruction of the controversy previously outlined gains support. The book of Acts stresses that Christian evangelism began in the synagogues and expanded as the Jews rejected it. The Christian documents do not go into detail about the rabbinic grounds for the rejection. I feel the rabbinic evidence examined in this study clarifies that issue. It shows us that the rabbis opposed any group which emphasized a primary mediator. Christians were probably not uniquely condemned for there is nothing uniquely anti-Christian in the polemic. But it does not tell the whole story. The tentative reconstruction of events will continue to grow in attractiveness as the extra-rabbinic evidence unfolds. In due course, I think it will be possible to clarify some important historical relationships between Judaism, Christianity and gnosticism. The rabbinic polemic, when placed in the context of the known and datable extra-rabbinic evidence, suggests a chronology for the origin of extreme gnosticism and some of the reasons for its development.

One of the conclusions about gnostic origins is already evident: a full-blown gnostic salvation myth is unlikely to have existed in the first century. A number of reasons support this judgement. First, in the earliest rabbinic records the heretics do not seem to believe in two opposing gods, implying that the heretics were not dualistic in the usual sense. Second, nothing specifically or uniquely Christian or gnostic can be discovered in the heresy at first. Third, a number of groups were involved so there need not have been a unified mythology behind the heresy. Fourth, rather than a savior descending and rising there is much evidence that the angelic figure was to guide mystics and saints to the throne or to punish and forgive sins. Some of the gnostic versions of the "two powers" heresy, as we shall see, make more sense as a later stage of tradition designed to answer the rabbinic defense against the earlier binitarianism.

PART THREE

THE EXTRA-RABBINIC EVIDENCE AND CONCLUSIONS

CHAPTER ELEVEN

PHILO

The survey of rabbinic traditions about "two powers" has given us some clues for discovering the identity of the heretics whose beliefs became the target of the charge of "two powers." The major criterion must be the use by sectarian candidates of the same biblical verses which the rabbis associate with the heresy. We can now survey the dualistic phenomena outlined in the introduction. This time, we can concentrate on those extra-rabbinic traditions which support the ideas of a second figure in heaven by means of the scriptural passages at the center of the rabbinic controversy. Of course, in a work of this size, only the broad outlines of the history of the tradition can be suggested. Specialists in each of the extra-rabbinic literatures should be able to work through the arguments in more detail.

The first significant extra-rabbinic evidence of "two powers" traditions is from Philo. He actually uses the term "two Gods" which was a synonym for "two powers" in rabbinic thought.¹ Yet his opinion of the idea, when we look carefully, is not entirely negative:

Yet there can be no cowering fear for the man who relies on the hope of the divine comradeship, to whom are addressed the words "I am the God who appeared to thee in the place of God." (Gen. 31 : 13). Surely a right noble cause of vaunting it is, for a soul that Gods deigns to show himself to and converse with it. And do not fail to mark the language used, *but carefully inquire whether there are two Gods*; for we read "I am the God that appeared to thee," not "in my place" but "in the place of God," as though it were another's. What then are we to say? He that is truly God is one, but those that are improperly so-called are more than one. Accordingly, the holy word in the present instance has indicated Him who truly is God by means of the articles, saying "I am the God," while it omits the article when mentioning him who is improperly so called, saying "who appeared to thee in the place" not "of the God" but simply "of God."²

Philo discusses the concept of a second deity as an explanation of the many anthropomorphisms in the Bible. Strictly speaking, "second God" is an improper designation for the divinity described in Genesis 31, the God of Beth-El. But Philo takes a tolerant view of such improprieties because the Bible itself uses anthropomorphic language to describe God. Immediately after discussing "the second God," Philo brings up the problem of anthropomorphism directly:

And the sacred word ever entertaining holier and more august conceptions of Him that is, yet at the same time longing to provide instruction and teaching for the life of those who lack wisdom, likened God to man, not however, to any particular man. For this reason it has ascribed to Him face, hands, feet, mouth, voice, wrath and indignation, and over and beyond these, weapons, entrances and exits, movements up and down and all ways, and in following this general principle in its language it is concerned not with truth, but with the profit accruing to its pupils. For some there are altogether dull in their natures, incapable of forming any conception whatever of God as without a body, people whom it is impossible to instruct otherwise than in this way, saying that as a man does so God arrives and departs, goes down and comes up, makes use of a voice, is displeased at wrongdoings, is inexorable in His anger, and in addition to all this has provided Himself with shafts and swords and all other instruments of vengeance against the unrighteous. For it is something to be thankful for if they can be taught self-control by the terror held over them by these means. Broadly speaking the lines taken throughout the Law are these two only, one that which keeps truth in view and so provides the thought "God is not as man" (Num. 23 : 19) the other that which keeps in view the ways of thinking of the duller folk, of whom it is said, "The Lord God will chasten thee, as a man should chasten his son" (Dt. 8 : 5). Why then do we wonder any longer at His assuming the likeness of angels, seeing that for the succour of those that are in need He assumes the likeness of man? Accordingly, when He says, "I am the God who was seen of thee in the place of God" (Gen. 31 : 13) understand that He occupied the place of an angel only so far as appeared, without changing with a view to the profit of him who was not yet capable of seeing the true God.³

An anthropomorphic divinity is thus one of the two basic ways in which God can be conceived by man. The other is through pure intellectual activity. But both ways are based on an exegesis of scripture as far as Philo is concerned. Philo distinguishes the two understandings of God on the basis of two scriptural references. The first, summarized

³ *Som.* i 234-237. (Loeb, V, p. 421-23, tr. Colson and Whitaker.)

in Dt. 8:5, involves the description of God in terms appropriate to men, so that men may see him and the unsophisticated may learn of Him. The second, summarized in Nu. 23:19, is the conception of God available to those who have come to perceive Him truly, and is available only to those who are well enough trained by philosophical discipline to receive revelation. Philo takes these two contradictory ideas in scripture—figuring God as man, and knowing that He is not—as summaries both of man's knowledge of God and of the whole process of exegesis.⁴ They explain and justify the differences between the literal and allegorical methods of reading scripture. Therefore Philo finds it inappropriate to speak of God, the ultimate transcendent being, in anthropomorphic terms, yet justifies the language of the Bible as a valid pedagogical adaptation to the minds of people who have not learned otherwise. On the other hand, he will not abandon the importance of the text as it stands, sacrificing all literal meaning to the allegory. Thus God can actually appear to men as a man or angel. Any Jew or gentile would be able to call God's angels divine, or a "second God," as Philo himself does, while only the most trained would be able to see that this title does not compromise monotheism.⁵

The remark about a "second God" was occasioned by the angelic theophany which Jacob witnessed. The existence of the second figure is necessary exegetically, because the angel which appeared to Jacob was both shaped like a man and called a god. Of course, the story is important to Philo not only for discussing anthropomorphism, but also because Philo is interested in characterizing the type of vision vouchsafed to the mystic seeker of God, here symbolized by the patriarch Jacob-Israel. Philo takes the story to mean that the mystic can see a figure of God which is a "second God," but that figure does not compromise monotheism.

The identity of the second figure is especially interesting. Philo's exegesis relies on the Septuagint translation of "place of God" for the place-name of Beth-El (lit. house of God). For Philo, "place" is an important concept which may have three different meanings.⁶ The first definition corresponds to a physical space filled with a material

form, our normal understanding of the term. The second corresponds to the *logos*,⁷ the hypostasized intelligence of God, and the third corresponds to God himself.⁸ Although he defines the terms philosophically, Philo's terminology bears striking resemblance to the early rabbinic designation MQWM for God. His concept of *logos* is similar to the rabbinic doctrine of God's *Shekhinah*, each of which is often used to explain the same difficult scriptures.⁹

When "place" refers to something divine revealed to man, as it did in the passage above, for Philo, it may mean God's image, His *logos*. It is, in fact, impossible for man to see God and live (Ex. 33:20). However, Moses and the elders see the image of God or everything "that is behind me" (Ex. 33:23). These are equivalent to the *logos* which as a second God can also be given the title "Lord." (*kyrios* = YHWH).¹⁰

This doctrine, which allows that "place" is a divine creature called Lord, cannot strike us as innocent, especially when we know that "Lord" is synonymous with the tetragrammaton and when the structure of the argument resembles the heretical argument which R. Ishmael b. Yosi countered at Gen. 19:24. We remember that R. Ishmael opposed the exegesis of Gen. 19:24 which derived a second power in heaven, (who was the agent of God in the destruction of Sodom)¹¹ from the second appearance of the divine name YHWH. By a similar method, Philo derives the idea that the *logos* is a separate, second divine hypostasis from the fact that "God" is repeated in "place of God" instead of using the pronoun (i.e., *My place*) as one would normally expect. Because of this, the *logos* is properly a god and may be called by the divine names. Philo is using an argument which R. Ishmael found dangerous. Furthermore he has paralleled the structure of the argument in the Mekhilta.¹²

equated is also familiar to us. In this same passage in *On Dreams*, Philo states:

Here it gives the title of "God" to His chief Word, not from any superstitious nicety in applying names, but with one aim before him, to use words to express facts. Thus in another place, when he had inquired whether He that is has any proper name, he came to know full well that He has no proper name, [the reference is to Ex. 6 :3] and that whatever name anyone may use for Him he will use by license of language; for it is not the nature of Him that is to be spoken of, but simply to be. Testimony to this is afforded also by the divine response made to Moses' question whether He has a name, even "I am He that is (Ex. 3 : 14)." It is given in order that, since there are not in God things which man can comprehend, man may recognize His substance. To the souls indeed which are incorporeal and are occupied in His worship it is likely that He should reveal himself as He is, conversing with them as friend with friends; but to souls which are still in a body, giving Himself the likeness of angels, not altering His own nature, for He is unchangeable, but conveying to those which receive the impression of His presence a semblance in a different form, such that they take the image to be not a copy, but that original form itself.¹³

It is by virtue of the revelation of the divine name to Moses that the *logos* comes to be equated with the name of God. Of course, Philo is again dealing with the same biblical citations and issues which gave the rabbis so much trouble in succeeding centuries. Though Philo maintains no human characterization is properly applied to God, he also says that the *logos* may be called God, since it is in the form of the *logos* that God has chosen to reveal himself. Philo also seems to imply that certain men are actually able to see God directly, if they can transcend materiality. Conversely, he knows of men who know only the *logos*, who "take the image to be not a copy, but that original form itself." It takes but a small leap of the imagination, based on Philo's discussion of those "incapable of forming any conception of God whatsoever without a body" to suspect that there were others in Philo's day who spoke of a "second god," but who were not as careful as Philo in defining the limits of the term.

The importance of this kind of argument to the rabbinic texts ought to be clear. The parallel remains striking even when the biblical context is unfamiliar. Philo can use the same argument and the same term "second God" (Greek: *deuteros theos*, Latin: *secundus deus*)

¹³ *Som.* i, 230-33. (Loeb V, p. 419-21, tr. Colson and Whitaker).

whenever the biblical text might imply the existence of a second deity, not just when the term "place" is present:

(Gen. IX : 6) Why does (Scripture) say, as if (speaking) of another God, "In the image of God He made man" and not "in His own image"?

Most excellently and veraciously this oracle was given by God. For nothing mortal can be made in the likeness of the Most High One and father of the universe *but (only) in that of the second God, who is His logos*. For it was right that the rational part of the human soul should be formed as an impression by the divine *logos*, since the pre-*logos* God is superior to every rational nature. But He who is above the *logos* exists in the best and in a special form—what thing that comes into being can rightfully bear His likeness? Moreover, Scripture wishes to show that God most justly avenges the virtuous and decent men because they have certain kinship with His *logos*, of which the human mind is a likeness and image.¹⁴

Here Philo makes no disclaimer about the metaphoric quality of the terms he is using. He unabashedly calls the *logos* a "second God." Thus, in calling attention to various similar scriptural passages, the rabbis were not just stylizing theoretical arguments. Real traditions of a "second God" were present in Judaism as early as the time of Philo. Though the rabbis are opposed to the whole notion, Philo seems only to be opposed to the naive forms of the belief.

Of course, the idea of a "second God" raised the problem of compromising monotheism with Philo as well. Philo's answer to the problem was, as we saw in *On Dreams*, entirely unique. He said that when one looks carefully at the articles before the nouns in the sentence, one sees that "a god" merely refers to the divinity present at that moment, while the high God is signified either by the noun "God," without the article, or "the God" with a definite article.

In other words, Philo allows for the existence of a second, principal, divine creature, whom he calls a "second God," who nevertheless is only the visible emanation of the High, ever-existing God. In doing this, he has an entirely different emphasis than the rabbis. He is clearly following the Greek philosophers.¹⁵ Like them, he is reluctant

¹⁴ Italics added. *Quest. in Gen.* ii, 62 Philo Supplement I, p. 150, tr. R. Marcus. Eusebius (*P.E.* VII, 13, 1) credits Philo with the term "second God," denoting the *logos*.

to conceive of a pure, eternal God who participates directly in the affairs of the corruptible world. So he employs a system of mediation by which God is able to reach into the transient world, act in it, fill it, as well as transcend material existence, without implying a change in His essence. In these passages, Philo has suggested that the mediation is effected by the *logos*, who is the sum total of all the forms of the intelligible world and equal to the mind of God.

Philo uses the stoic word *logos* in place of the Platonic word *nous* to mean the mind of God, in which all the ideas or forms of our world are conceived. Possibly in doing so he wishes to emphasize both the intradeical and extradeical aspects of this concept. That is to say, as the mind of God, *logos* is equivalent to the intelligible world itself. But Philo also wishes to speak of *logos* as an extradeical hypostasis of God. That transition is possible because divine thought is different in quality from human thought. For God, thinking is equivalent to acting. So the *logos*, defined as the thinking faculty of God, can easily be described also as an incorporeal being, created for the purpose of carrying out His thoughts, having existence outside of God as well as containing the forms of the whole world. Thus, Philo can use his concept of *logos* both for philosophical argumentation and for explaining the anthropomorphisms in the Bible. The *logos* becomes the actual figure of God, who appears "like a man" in order that men may know His presence.¹⁶

It is clear that Philo uses and approves of the term "second God" which the rabbis later would find repugnant, because it allows him to maintain the truth both of his philosophy and of his scripture at the

¹⁶ The vocabulary Philo uses is not unlike some other mystical, philosophical systems. Gilles Quispel (*Gnostic Studies*, I) points out that the Paternal Intellect of the *Chaldean Oracles* (which is the receptacle of the sensible forms and the image of the godhead) is called a "second God" (*deuteros theos*) by Pletho. Quispel's point is that the conception of the second deity in the *Chaldean Oracles* (a second century document) handles the problem of visible manifestation of godhead in a Platonic fashion. At the same time, this presupposes the relationship between mystical theurgy and neo-Platonism that E. R. Dodds has suggested. He further maintains that these doctrines can be discovered in the gnostics who opposed Amoheus in the third century A.D. and even in the work of Basilides earlier. Exploring this suggestion at this moment would take us too far afield. But if his analysis is correct, it appears that Philo, in some ways, would represent an early example of this supposed mystical-philosophical tradition which sanctioned the concept of a "second God" to describe some aspect of the godhead.

The idea of a "second God" also shows up in Christian neo-platonism and in many philosophical discussions in the church. See p. 229 for Origen and the modalist controversy.

same time. However, it is possible that the correspondance between Philonic and rabbinic terms is accidental. In order to show that the correspondance is significant, as I believe it is, one has to ascertain that the rabbis and Philo had specific traditions in common. It would be nice to have some statement of direct reliance. Unfortunately, we have little. Therefore we must discover a more indirect relationship. One way to reveal the reliance is to demonstrate that Philo has a continuous, not a merely fortuitous, interest in interpreting the same scripture as the rabbis. If his interest in these scriptures is constant and his arguments are parallel to the rabbis, there is a great chance that he was using traditions current in his environment which were also known to the rabbis a century later.

The best way to begin demonstrating that Philo evinced the scriptural traditions both useful and abhorrent to the rabbis is to trace Philo's use of the scriptural passages dangerous to the rabbis and to see the great similarity in exegesis, technique and methods. In reviewing these passages, the rabbinic traditions of "two powers" will be constantly relevant. In looking at Philo's exegesis, I think one can see not just similar themes but a direct parallel with the rabbis.

For instance Philo stresses that there is no God besides God the Most High and uses Dt. 4:39, as the rabbis do, to deny that any other figure can be considered a God.

But let Melchizedek instead of water offer wine, and give to souls strong drink, that they may be seized by a divine intoxication, more sober than sobriety itself. For he is a priest, even Reason, having as his portion Him that is, and all his thoughts of God are high and vast and sublime: for he is the priest of the Most High (Gen. xiv. 18), not that there is any other not Most High — for God being One "is in heaven above and on earth beneath and there is none beside Him" (Deut. 4:39) — but to conceive of God not in low earthbound ways but in lofty terms, such as transcend all other greatness and all else that is free from matter, calls up in us a picture of the Most High.¹⁷

In this particular case, Philo denies that any other being can be God's agent, for there is only one God. It is interesting that Philo picks the context of the story of Melchizedek to discuss this issue, since elsewhere he allows that the *logos* can be considered as a "second God" and divine mediator. It appears as though Philo is opposed to

¹⁷ Leg. iii, 81.

some concepts of mediation, even while he maintains the agency of the *logos*.¹⁸

In explicating the significance of God's descent to the Tower of Babel, Philo comments on another of the biblical passages against which the rabbis warn—namely Ex. 24:10 f., the beginning of the Sinai theophany. The verse, so puzzling in rabbinic exegesis, is used by Philo to represent the gloating comment of Israel's enemies:

Behold . . . the eye of the soul, so translucent and pure, so keen of vision, the eye which alone is permitted to look upon God, the eye whose name is Israel, is imprisoned after all in the gross material nets of Egypt and submits to do the bidding of an iron tyranny, to work at brick and every earthly substance with labor painful and unremitting.¹⁹

Philo's understanding of the phrase describing God's throne in Exodus is, first of all, that it is seen by the eye of the soul, whose name is Israel. This is difficult to interpret unless one remembers that the name "Israel" is allegorized in several ways for Philo. Here he may be relying on an etymology in which Israel is taken as יִשְׂרָאֵל —"the man who sees God." Therefore Israel is the name which Jacob received only after the theophany at Beth-El, because it is there that Jacob saw God. Yet it is also the name of the angel with whom Jacob fought, since Israel can be a name for the *logos* in Philo.²⁰ Furthermore what holds for the patriarch can be applied to his namesake, the people Israel, who are descended from him. So Philo can discuss both the people and the divine presence in exile with them, a motif similar to the midrashim associated with this verse in rabbinic writings.

Philo continues, significantly:

But it is the special mark of those who serve the Existent that theirs are not the tasks of cupbearers or bakers or cooks or any other tasks of the earth . . . nor do they mould or fashion material forms like

the brickmakers, but in their thoughts ascend to the heavenly height, setting before them Moses, the nature beloved of God, to lead the way. For *then they shall behold the place*, which, in fact, is the *logos*, where God stands, the never changing, never swerving and also what lies under His feet like "the work of a brick of sapphire, like the form of the firmament of the heaven" (Ex. 24 : 10) even the world of our senses, which he indicates in the mystery. ²¹

The story serves a further purpose in his argument: to demonstrate that Moses, the true servant of God, can have a mystical vision of God. Philo has used Moses' vision as a paradigm for the mystical vision available to the true believer. According to the LXX translation of Ex. 24:10 f. Moses and the elders saw not God, as in Hebrew, but only "*the place where God stands.*" LXX has balked at translating a phrase which implies that a man can see God. Instead it substituted the circumlocution "place where God stands." As we have seen, Philo's understanding of the word "place" is *logos*. Therefore, the mystic, here Moses, does not see God himself, but the *logos*, "the place where God stands," who is manifested in the narration at Ex. 24:10 f. as a human figure astride the world. ²²

Philo then takes up the theme of the impossibility of conceiving of God himself. He cautions us not to take the description of the human form literally. "God is not a man" (Nu. 23:19). The form of a man is produced in order to illustrate the concept of *logos*, which otherwise might be unfathomable. But this argument is already familiar from *On Dreams*. The theme of the heavenly figure produced at Ex. 24 here and at *On Dreams* has to do with the "second God." Furthermore, the whole structure of the argument is strikingly parallel in Philonic and rabbinic exegesis. Both traditions posit a contradiction between the vision of God in Ex. 24:10 and other statements about God in scripture. In the rabbinic case, the contradiction is between Ex. 15:3 and Ex. 24:10 f., which is solved by the use of Ex. 20:2. In Philo's case, the contradiction is resolved by use of the *logos* doctrine, followed by the use of contrasting passages Nu. 23:19 and Dt. 8:5 instead of Ex. 15:3. That Philo never used Ex. 15:3 for the same purpose as the rabbis is only an apparent difficulty which can be easily explained by the LXX translation. The LXX toned down the striking anthropo-

²¹ *Conf.* 95, (Loeb, IV, p. 61, tr. Colson and Whitaker).

²² This translation is based on the necessary emendation of *delos* to *de logos*, as suggested by Colson (Loeb, IV, 60, n. 2). The simple alteration of the garbled phrase makes clear the identification of *place* and *logos*. Otherwise it comes in too abruptly in section 97.

morphism of the original Hebrew by rendering it "The Lord, bringing wars to nought, the Lord is His name." In the process it made the verse inappropriate for the point that Philo wanted to make, forcing him to rely on other striking statements of God's human form. Philo and the rabbis, then, are relying on the same tradition, but they work with slightly different verses and have different opinions of the helping figure.²³

The *logos* can be present in Philo's exegesis because, both in Gen. 31:13 and in Ex. 24:10 f., the LXX translated the Hebrew with a circumlocution involving the word "place." The usual understanding is that the LXX borrowed language from several biblical citations equating place with the divine. For instance, in Ex. 33:21 God tells Moses to stand in "a place" near Him to see His glory. In Gen. 28:11 Abraham comes to "a place" where he meets an angel. Thus, at the very least, the entire angelic theophany in Exodus (and maybe those in Genesis as well) was seen as a close unit as early as LXX translation in the second century B.C.E.

Philo shared and developed this perspective in striking ways. Philo wants the *logos*, the goal of the mystical vision of God, to serve as a simple explanation for all the angelic and human manifestations of the divine in the Old Testament.²⁴ Thus Philo hints that, at the burning bush, Moses saw the image of Being, but elsewhere calls it an angel as the scripture requires.²⁵ Whatever is implied about the status of the tradition at the time of the LXX translation, this angelic manifestation of God is so consistent a character in the biblical drama for Philo that he blithely applies the description of the angel Moses saw to the angel that appeared to Abraham. Again the link is made on the basis of *place*. (Gen. 28:11):

For as long as he falls short of perfection, he has the Divine Word as his leader, since there is an oracle which says, "Lo I send my messenger before thy face to guard thee in thy way, that he may bring you into the land which I have prepared for thee; give heed

²³ See Marmorstein, *Essays in Anthropomorphism*, p. 8 f. The rabbis use Hosea 11:9 against anthropomorphism. There is evidence that the rabbis occasionally associated the word "man" with God, in e.g., Dan. 8:16, Ez. 1:26, Ecc. 2:21. See Gen. R. 27 (T-A, p. 255) Ecc. R. on 2:26, Tanh. Buber i, p. 24. to him and hearken to him, disobey him not; for he will by no means withdraw from you. For My name is in him." (Ex. 23 : 20 f.) ²⁶

The *logos*, a necessary part of Philo's ontology, is, as "place," generally and completely equated with the angel mentioned throughout Genesis and Exodus. It seems likely that the tradition of a single angelic messenger can be traced to the LXX itself but it is well developed by Philo. Furthermore, this angel is a creature who carries "the name of God", as scripture says (Ex. 23:21). This is the same scripture which the rabbis found so easily misinterpreted. But not only can Philo refer to YHWH as the *logos*, he can also interpret other occurrences of YHWH in scripture to indicate the presence of an angel, not God. For instance, the Lord (YHWH) standing on top of Jacob's ladder (Gen. 28:13) is identified as the archangel, the *logos*. ²⁷ Such ideas are facilitated by (and, in fact, probably mean to explain) a certain amount of confusion in the biblical narratives as to whether God himself or an angel appears. ²⁸

It should be clear by now that the passages which Philo uses to discuss the *logos* as agent of God are used by the opponents of the rabbis to discuss God's principal angel. These traditions are similar to the ones we found later among the merkabah mystics. They discuss God's angel, Metatron, whose name contains the divine name, YHWH, (as does Philo's *logos*), and who may have been called Yahoel or YHWH HQTWN in other traditions.

Now there is a further aspect of Philo's exegesis of Ex. 24:10 f. and Ex. 23:21 in the LXX that deserves mention. Philo carefully notes the presence of the word "stands" in the Greek phrase "place where God stands." The same phrase has been appropriated by the Greek translator of the LXX at Ex. 24:10 on the basis of its appearance at

²⁶ *Mig.* 174, See also *Som.* i, 115 based on the scriptural citation where Abraham meets a "place." (Gen. 28:11).

²⁷ *Mut.* 126, *Mig.* 168, *Som.* i, 57, *Leg. All.* iii, 177, *Mut.* 87, *Quis Her.* 205 and often, in fact, Philo is able to link the two Hebrew words for God, *Elohim* and *YHWH*, which he knew by their Greek equivalents *theos* and *kyrios*, with the Existent One and His *logos* respectively. This is certainly not the only meaning which he chooses to draw out of the names of God. Other ideas, like linking mercy and justice with the divine names, which is parallel to rabbinic thought (see p. 38 f.) will also be relevant to us. But such exegesis is always available to him in analyzing the Old Testament.

²⁸ Such confusion is usually explained by modern exegetes as due to differences between J and E sources of the Bible. Confusion between the angel of YHWH and God himself can be seen in Gen. 16:7 f., 21:17 f., 22:11, 31:11 f.; Ex. 3:2 f., Ju. 2:1 f. as well as Ex. 23:21 f. which the rabbis discuss.

Ex. 23:21. Philo takes special notice of it, by stating that "standing" or "establishment" is a particularly important part of the tradition about Moses' theophany. Applied to God, "standing" is an indication of God's immutability. Furthermore, this quality is so superabundantly present in God that Moses was able to share it and become, in a way, divine:

And Moses too gives his testimony to the unchangeability of the deity when he says: "They saw the place where the God of Israel stood." (Ex. 24 : 10) for by the standing or establishment he indicated His immutability. But indeed so vast in its excess is the stability of the deity that He imparts to chosen natures a share of His steadfastness to be their richest possession. For instance, he says of His covenant filled with His bounties, the highest law and principle, that is, which rules existent things, that this God image shall be firmly planted with just souls on its pedestals.²⁹

Nor is the idea of a heavenly journey merely touched on in Philo's thinking. Rather, it forms a major theme of Philo and can be seen in the quotation above from *The Migration of Abraham*.³⁰ Abraham is allegorized as "he who follows God (173)." Of course, for that journey to God, he has God's principal angel as guide. Elsewhere Abraham is said to have drawn near to God, "the Standing One," by virtue of Gen. 18:22 f.: "He was standing before the Lord and he drew near and said..." Moses, however, is the clearest example of the man worthy of standing with God: "But as for thee, stand thou here by Me." (Dt. 5:31).³¹ There can be no doubt that Philo meant to say that rare men of uncommon abilities can share in God's immutability by being summoned into or guided into His presence by means of the *logos*. The *logos*, ambiguously, is also the form of God, which can be seen by the mystic.

Therefore, the phrase "place where God stands" is definitely meant by Philo to imply a divine nature which not only angels and the *logos* but also men of perspicacity can share, if they journey to God with the *logos* as guide. Within Philo's works there is evidence that Abraham, Isaac, Jacob, Israel, and Aaron, Levi and Melchizedek all share some prerogatives of God as exemplars of perfection.³² Although the doc-

trine implies immortalization, it is distinctly unlike incarnation in direction. Instead of a god being made flesh, the man is being made divine. However, it is in form not unlike the doctrine of *apotheosis* or *apathanatismos* common to Greek heroes, present in the Greek magical papyri, reported about some of the mystery cults and analogous to Merkabah mysticism.

God's *logos* and the two ways to read scriptures are brought together for Philo at the story of Moses' exaltation in Ex. 24. *Questions and Answers to Exodus* may serve as an example of the intermingling of the motifs in Philo's thought. Philo identifies the angel of Ex. 23:21 with the *logos*, as we have seen before, and says he is sent before the face of man in order to lead him into philosophy, and hence to the presence of God (13). The purpose of the whole theophany is mystical ascent:

What is the meaning of the words, "They appeared to God in the place and they ate and drank" (Ex. 24 : 11b)? Having attained to the face of the Father, they do not remain in any mortal place at all, for all such (places) are profane and polluted, but they send and make a migration to a holy and divine place which is called by another name, *logos*. Being in this place through the steward they see the master in a lofty and clear manner, envisioning God with the keen-sighted eyes of the mind . . . (39)

or again:

Ex. 24 : 12a What is the meaning of the words, "Come up to Me to the mountain and be there? This signifies that a holy soul is divinized by ascending not to the air to the ether or to heaven (which is higher than all) but to a region above the heavens, and beyond the world where there is no place but God. And He determines the stability of the removal by saying "be there (thus demonstrating the placelessness and the unchanging habitation of the divine place ...)

The highest purpose of man is to perceive the face of God or the *logos*. In this way, one sees God in all His power.³³ This is the meaning of the Sinai theophany.

Such relationships suggest a kind of Hellenistic Judaism about which we have little knowledge. Philo attests to a series of traditions involving the divinity of a principal angelic figure who functions as the helper of God. In Philo, these traditions are related to the concept of the

³³ Notice the ambiguity over whether a man may see God!

logos. But he has also hinted that these doctrines are sometimes held by people who are less wise in philosophy and who actually compromise monotheism, which is precisely the issue in the rabbinic community. Perhaps these more radical traditions were mystical or apocalyptic, for we have seen evidence that they involve a journey to God. Furthermore, this voyage confers a supernatural status upon the voyager on the pattern of the heavenly ascent of Moses described in Ex. 24.

The doctrine of the *logos* is relevant in two further ways to Philo's conception of creation. First, Philo maintains that the *logos* was God's partner in creation.³⁴ To this effect, he calls the *logos*, "The Beginning," "The Ruler of the Angels," and significantly, "the Name of God."³⁵ But because the *logos* is an emanation of God, Philo can also talk about him as God's offspring, or the first-born son of God.³⁶ As such, he is a kind of immortal, heavenly man or the true father of men.³⁷ For this reason, Philo seems to say in places that God actually put two men into Eden.³⁸ We remember, of course, that the rabbis opposed ideas that there was more than one Adam, that God had a partner in creation³⁹ or even that angels helped him.⁴⁰ They objected to the idea that there could be more than one Adam, on the grounds that men would begin to boast of their differing lineage, some claiming to have descended from a better man. Of course, most sectarian groups believed themselves better than the common variety of men. But Philo also claims that the virtuous had a better father in that they were descended from the higher Adam.⁴¹ This provides us with a good example of a predecessor to the unstated argument which the tannaim would eventually call heresy, the same argument which was supplied by the amoraim.⁴²

Another important aspect of the rabbinic tradition in the Mekhilta which is parallel to Philo has not yet been discussed. That is the doctrine of the mercy and justice of God, based on the interpretation of His divine names. In discussing the early tradition of the Mekhilta, I

suggested that this doctrine of God's "two aspects" or "measures" was used by the rabbis to counter a doctrine of "two powers." A doctrine of God's aspects is present in Philo as well, and it is related to the mystical ascent we have noticed in his writings. In exploring Philo's exegesis of the names of God, we will be able to discover more detail about the mystical journey which the true seeker of God must follow.

Philo's alternative method of understanding God's names is also allegorical; they stand for judgment and mercy. For Plato, ideas have a characteristic called power (*dynamis*). Using scripture as a basis, Philo assumes the identification of "power" with "idea" and "form." According to Wolfson, the tradition developed in the following way.⁴³ In *Ex.* Moses had asked God to let him see His glory (M.T.: KBWD, LXX: *Doxa*). Now, in Ps. 24:9-10, the King of Glory is identified as the Lord of Hosts, which, in turn, was translated by LXX as "Lord of Powers" (*Kyrios tōn dynameōn*).⁴⁴ Therefore, Philo can assume that YHWH is equivalent both to the King of Glory and the Lord of Powers. On this basis Philo can understand Moses' request to see God's glory as a request to see His powers or ideas. Of course Philo develops all of his arguments in an exegetical framework, not a systematic one, as Wolfson implies. Alternatively Philo can discuss the *logos* as the sum of the forms, which can be manifested by the visible form of an angel. Philo, therefore, can risk contradiction by assuming that YHWH is Lord of Powers or the *logos*, depending on the needs of his allegory.

When discussing God's powers, Philo maintains they are infinite. But, for convenience, Philo allows them to be categorized into two different kinds. One category is described by the term "goodness" (*agathotēs*) and refers to God's creative power (*dynamis poietikē*) or merciful power (*dynamis eleōs*).⁴⁵ But this aspect of God can be identified with the Greek word for God, *theos*, which was the standard LXX translation of *Elohim*.⁴⁶ The other power is described by the term "authority" (*exousia*) or "sovereignty" (*archē*). It is often described as the governing or legislative or regal power—in short, those qualities which can be characterized as just. Alternatively, YHWH can

⁴³ Wolfson, *Philo*, I, 219.

⁴⁴ Other translations of YHWH שׁבׁוֹט in the LXX are *kyrios Sabaōth* and *kyrios pantokrator*.

⁴⁵ *Cher.* 9, 27-28, *Fug.* 18, 95, 100, Wolfson, *Philo*, I, 223 f. and n.

⁴⁶ Although the formula *kyrios* = YHWH, *theos* = *Elohim* is standard, there are many places where the LXX translates the tetragrammaton as *theos*. In these places, Philo usually follows the Greek text. This may partially explain the dichotomy between the rabbinic and Philonic traditions.

be allegorized as the just, governing power even though that might contradict the exegesis elsewhere that the tetragrammaton signifies the *logos* or all the powers.⁴⁷

Now, this summary of divine powers sounds suspiciously like the rabbinic doctrine of God's two attributes of mercy and justice, except that Philo's identification of mercy and justice with the names of God is exactly opposite to the standard rabbinic doctrine. YHWH is merciful for the rabbis; *kyrios*, judging for Philo. Conversely, *Elohim* is judging for the rabbis; *theos*, merciful for Philo. However, we have also seen that the Mekhilta passage, which does not actually use the technical terms developed in rabbinic writing, implies a doctrine of mercy and justice identical to the Philonic doctrine and contradictory to the standard rabbinic one. Therefore, the Mekhilta tradition must predate the standardized rabbinic doctrine. The Mekhilta, in reproducing arguments from heretics or in recording a rabbinic doctrine which preceded the official one, has given us an exegesis similar to the Philonic system.

From one point of view, divine powers are abstractions—like the *logos* only convenient ways of discussing vast capabilities of God. However, since their characteristics are fixed, Philo often describes them as living creatures. For instance, the two angels who guard the gates of paradise and the angels who enter Sodom are allegorized as the two powers of God. How these powers relate to the *logos* is ambiguous. Since the *logos* can also signify the sum of all the powers, it logically stands above the two powers in the ascent from concrete to abstract. Yet sometimes Philo uses *kyrios* and *theos* to refer to the two powers of God and other times to refer to the *logos* and the highest God, being-in-itself. Basically he uses whatever exegesis makes most sense in the allegorical context. He may also have received ancient *midrashim*, dictating the use of one tradition rather than another and explaining his similarity with the rabbis.

Not only are such doctrines reminiscent of the rabbinic doctrine, the exegesis of text is parallel. Philo sees Ex. 20:2 as the place where both the creative and ruling powers come together:

So then He is shown to be the Lord of the foolish in that He holds over them the errors that are proper to a sovereign. Of those who are on the way to betterment he is called in scripture, God, as in the

⁴⁷ This only points out Philo's exegetical approach. Since his emphasis is exegetical, it seems likely that he is attesting to scriptural traditions which he shares with the rabbis.

present passage. "I am God" or "I am thy God, increase and multiply." (Gen. 35:11). Of the perfect He is both Lord and God, as in the Decalogue, "I am the Lord thy God" (Ex. 20:2) and elsewhere, "The Lord God of our fathers" (Dt. 4:1) for it is His will that the wicked man should be under His sway as his Lord, and thus with awe and groaning feel the fear of the Master hanging over him; that the man of progress should be benefitted by Him as God. And through the one he remains free from lapses, through the other he is most surely God's man.⁴⁸

Philo uses Ex. 20:2 for the same reason that the rabbis did—to show the unification of both God's attributes at the Sinai theophany.⁴⁹ This similarity is especially striking when one notices that otherwise Philo almost never comments on Ex. 20:2, preferring as a basis for his exegesis the text of the Ten Commandments which occurs in Deuteronomy.

Several other scriptures seen as dangerous by the rabbis are applied to the powers by Philo. Gen. 1:26, for instance, is used by Philo to prove that the creative power is divine:

Akin to these two is the creative power called God because through this the Father, who is its begetter and contriver, made the universe; so that "I am thy God" is equivalent to "I am thy maker and artificer." And the greatest gift we can have is to have Him for our architect, who was also the architect of the whole world, for He did not form the soul of the bad, since wickedness is at enmity with Him, and in framing the soul which is in the intermediate stage He did not serve as the sole agent according to the holiest man, Moses, since such a soul would surely admit like wax, the different qualities of noble and base. And therefore we read "Let us make man after our image" (Gen. 1:26), so that according as the wax received the bad or the noble impress it should appear to be the handiwork of others or of Him who is the framer of the noble and the good alone.⁵⁰

Here Philo flirts with ideas of providence opposed by the tannaim. Notice too that Philo does not shrink from the idea that God's agents are called gods themselves, nor from the idea that God had help in creation—ideas which the rabbis later opposed. Nor is this the only

⁴⁸ *Mut.* 23, 24 (Loeb, V, 155, tr. Colson and Whitaker.)

⁴⁹ The point of both questions, regardless of the qualities they identify with each name of God, is that a mixture of God's qualities (*mixis*), not one quality alone, was present at the creation or the giving of the law. Henry Fischel has suggested that this concept parallels conventional Hellenistic philosophy. See Parmenides (on Empedocles') opposites, Anger (or strife) and love: W. K. C. Guthrie, *A History of Greek Philosophy*, II.

⁵⁰ *Mut.* 29-31, (V, 159, tr. Colson and Whitaker).

place where Philo uses such arguments. Such interpretations are common. Elsewhere Philo refers to other texts which were seen by the rabbis to be dangerous because they could imply a plurality of deities: Gen. 11:7 ("Come let us go down to confuse their language"), Gen. 3:22 (Behold Adam has become as one of us"), and Gen. 1:26 are mentioned.⁵¹ Philo maintains that one of God's two powers descends—in one case, to create man; in another, to punish those building the tower. He explains that these powers are angels and that their presence has so impressed some people (even Moses) that they feel no shame in calling them gods. In other words, Philo depends on his concept of the powers of justice and mercy to explain scriptural plurals, calling them both angels and divine.⁵²

Therefore in *On the Change of Names*, Philo can offer another interpretation of what the patriarchs saw when scripture says they saw God. (6-7). First, he remarks that they saw the same creative power of God which Moses saw on Sinai for the first time, having already been privileged to see God's ruling power. We remember that he has previously said that the elders saw the image of God or the *logos*. Of course, the two interpretations are not entirely consistent. Yet here, they are not entirely contradictory, for both the *logos* and the powers represent summations of all God's emanations. Since Moses has already known the lesser of God's powers, seeing the higher power as well can be equivalent to seeing the *logos*, the sum of all the powers. Again we note the same exegesis as the *Mekhilta* records in rabbinic lore a century later. This time Philo provides a witness to the doctrine which the rabbis defend, instead of the one they condemn.

At the beginning of *On the Change of Names*, Philo discusses seeing God. First, he cautions against understanding "seeing" literally. "Seeing" means "perceiving," not seeing with the senses. The passage where Abram was granted a vision of YHWH (Gen. 17:1-5) before his name was changed to Abraham forms the basis of Philo's discussion, but he goes far afield in reflecting upon it. At first, Abram only saw God's sovereign power (15-17). When scripture says that God said to him "I am thy God" it signified that a vision of the higher, creative

⁵¹ *Conf.* 33.

⁵² The divine plurals in scriptures are, in fact, consistently understood either as *logos* and God or as the two powers of God. See, e.g., Jervell, p. 58 f., Danielou, p. 135 (for Is. 6) Kretschmar, p. 44. For instance, Gen. 11:5: *Conf.* 134-149. The powers are seen to help in creation; *Op.* i, 72-75 (Gen. 1:26); *Fug.* 68, 70 (Dt. 4:7); *Praem.* 81-84. For the powers at Sinai, see *QE* 44.

power was given to Abram. Philo again is depending on the distinction between the two names of God. The Existent One may appear in either of two ways to normal men—as Lord YHWH to the bad, when they are punished (hence as the lower-potency), or as “God” to the earnest striver. Only to the perfected can he appear as both “God and Lord” (18-19). Thus he is spoken of as “Lord” to Pharaoh, whom he punished, “God” to Moses (before his ultimate revelation) and “Lord God” to Israel, who in this context is the highest, most perfect believer. Jacob is renamed Israel signifying that he has seen the complete image of God, his *logos*. Only to the higher man, who can understand the allegory, does God reveal himself as *theos*, the higher power, to whom man must respond with love. To those with lesser powers of intellect, who understand only the literal meaning, God reveals himself as a fearful, punishing deity, *kyrios*. They know no better than to perceive him as a man.

A word remains to be said about the nature of the relationship between Philo and rabbinic writings. The parallel has been clear enough. The question remaining is how the parallel came about. There are many possibilities. First it may be that the two writings are merely coincidentally parallel, that both Philo and the rabbis are interpreting the Bible and have only the text in common. This seems to me to be the least likely possibility because the parallels are exceptionally close; the parallels remain even when the LXX diverges from the MT Bible so the rabbis and Philo do not have a common text. The parallel themes are consistent interests of Philo, not merely the result of fortuitous exegesis. Philo occasionally seems to be aware of a Bible version closer to the Hebrew text than the LXX, implying that he either knew a little Hebrew or some exegetical traditions which were based on a biblical text closer to the Massoretic text than the received LXX.⁵³ Then too, Philo himself seems to recognize that Palestinian Bible traditions already exist. He uses the term “unwritten law” which may imply a Hebrew meaning of “Oral Law” as well as the Greek meaning. He also says at the beginning of his *Life of Moses* that he is retelling the story as he learned it—both from the sacred books, and from the

⁵³ The Hebrew text cannot often be felt underneath Philo's exegesis, but there are places where he appears to know of translations far closer to the Hebrew than the current LXX. See QG II, 51 on Gen. 8:2-9. Philo's exegesis of Gen. 6:5 in this place depends on the appearance of YHWH alone, but the LXX has *ho theos* and *kyrios ho theos*. In any event, Philo's knowledge of Hebrew is not definitive on the question of whether he knew ancient traditions of exegesis which the rabbis also knew.

elders of the nation, and interweaving the oral teachings with the results of his Bible reading.⁵⁴ The parallels between the rabbis and Philo are so complete in the case under consideration as to make it extremely likely that some relationship existed. Furthermore, almost no scholar disputes the conclusion that Philo and the rabbis evince common traditions.

The question of the nature of the influence is much more interesting and difficult. Philo is aware of Jewish "elders," which may be a reference to the technical sense of the word in Palestine. On the other hand, the rabbis never seem to be aware of Philo himself, so any channel of transmission is likely to be indirect. Therefore the various possibilities seem to be: (1) The traditions come from a common source. (2) The traditions have been borrowed from Palestine by Philo or other Alexandrian Jews. (3) Some may have been borrowed by Palestinian Jews from Hellenistic Judaism through various channels of communication. Now these are not mutually exclusive categories, for even the common source implies borrowing in one direction or another. We are not likely to find conclusive evidence for distinguishing between categories with respect to the traditions under consideration. But, since the exegeses under consideration are extremely complex and remarkably parallel, it seems likely that there was a basic tradition common to both Philo and the rabbis which was used in individual ways. This suggests that different issues motivated the exegesis in first century Alexandria and second century Palestine. Philo was interested in showing that the Bible portrayed a God sophisticated enough to make sense in a Greek intellectual climate. Anthropomorphism and God's immutability were his main problems. He needed a way to portray God as immutable yet available to man in the material world so he stressed the traditions of intermediation. The rabbis, on the other hand, were interested in uniting Judaism and preventing extreme applications of the same traditions which had appealed to Philo. There are many explanations for the difference, but it seems to me that it is a mistake to stress differences between Hellenistic and Palestinian Judaism too strongly in this regard. The rabbis were certainly aware of the issue which gripped Hellenistic Jews and showed their sensitivities in most respects. Philo shows sensitivities parallel to the rabbis. There is much more overlap than is usually assumed. Rather, the differences seem

⁵⁴ See Wolfson, *Philo*, I, 88 f., 190 f., for a more complete discussion of the problem.

to be explainable partially in terms of the epochal events that took place in the Jewish community in the century separating Philo's writings from the first demonstrable rabbinic texts. It is largely to that interval that we must soon turn in an attempt to reconstruct the traditions of God's appearance in the non-rabbinic communities of the first century.

But Philo's arguments will give us a good inkling of the kinds of traditions which must have been current in the Hellenistic Jewish communities of the first century. These traditions set the stage for the rabbinic opposition which we can date with surety only to the early second century but have suspected to have been earlier still. The rabbis too must have known of two different types of traditions about divine providence. In the first, a principal angel was seen as God's primary or sole helper and allowed to share in God's divinity. That a human being, as the hero or exemplar of a particular group, could ascend to become one with this figure—as Enoch, Moses or Elijah had—seems also to have been part of the tradition. In a second tradition, the qualities of divine mercy and justice were hypostasized attributes of the names of God and described the stages on the journey to God. The rabbis opposed the first tradition, with its divine helper and divinization of some earthly heroes. In trying to combat the first they stressed the second set of traditions emphatically. Rather than mention the divine helper at all, they fought against it with the alternative doctrines of God's mercy and justice.

The fact that Philo's doctrine of God's mercy and justice is linked with divine names in just the opposite way to the rabbis is significant. The traditional explanation that Philo did not know Hebrew, and hence confused the midrashic tradition, does injustice to the careful exegesis we know was characteristic of him. Neither is it likely that the rabbis would deliberately change a tradition that had come down to them. Rather, we must remember that the purpose of both traditions was to stress the mixture of justice and mercy in God's governance of the world. Probably the actual identification of divine names was not at first important. It became important within the rabbinic tradition when the rabbis saw that the divine name YHWH was being used to define a second divine creature or angel.

In the second century the sectarians probably continued to use the Philonic identification of divine names with attributes. The rabbis, however, in opposing dualistic views of intermediation, called all such ideas heretical. They wanted to make sure that YHWH, the God of

the Jews, was not equated merely with a demiurge. They therefore argued that YHWH should be understood as the merciful aspect of God's providence.

Philo viewed scripture through heavy philosophical lenses. It is difficult from his writings alone to characterize the traditions outside of philosophical discourse and in their developing heretical setting. To describe these traditions adequately we have to survey the intertestamental and particularly the apocalyptic literature.

CHAPTER TWELVE

JEWISH SECTARIAN TEXTS

A. *Apocalypticism and Mysticism*

Philo understood the descriptions of the "angel of YHWH" in scripture, together with other passages which the rabbis found dangerous, as references to the *logos* or one of the two principal powers of God. Based on the Philonic evidence, we should expect traditions about mediators and principal angels to appear in other writings contemporary with Philo. The expectation can be confirmed. However, the variety of conceptions about mediators and principal angels in intertestamental documents can only be summarized with difficulty, for the characteristics and names of the mediator differ widely in each document, suggesting that no single consistent myth underlies the whole.

In such a dense forest we must rely both on logic and on significant details gleaned from the rabbinic texts in order to identify those figures which are likely candidates for the rabbinic charge. Certainly not all the figures related to the scriptures under consideration can be automatically included in the heresy. For instance, we have already seen that many angels and mediators appear in rabbinic literature where they add color to midrashic stories but where they could not be considered heretical. In order for us to be sure that a mediator was part of the heresy of "two powers" we would have to find the kind of scriptural traditions characteristic of the heresy in the rabbinic polemic and we would have to have both some indication of its independent existence from God and its divine perquisites.

To start with, these general considerations help us remove some obvious phenomena from consideration as heresy. *Memra*, *yekara* and *shekhinah* are used in the targumim and midrash in reference to the dangerous passages to denote the presence of God. But they are never clearly defined as independent creatures.¹ It rather appears that rabbinic

¹ See Moore, *Judaism*, I, 414 f., also "Intermediaries in Jewish Theology" *HTR*, I, 15 (1922), 41-61 and Strack-Billerbeck, II, (on John 1), 302-333. The opposite perspective may be found in G. H. Box, "The Idea of Intermediation in Jewish

concepts of *memra*, *shekhina*, *yekara* avoid the implications of independent divinity and possibly are meant to combat them. We also know that Philo even saw "the Word" or *logos* as an angel. But there is nothing inherently heretical about such descriptions. It may be anachronistic to apply second century rabbinic categories of heresy to earlier phenomena. The best we can say is that ideas like this might have been seen as heretical in some contexts. More importantly they certainly formed the background out of which heresy arose.

Of course, from the survey of rabbinic documents and Philo, we know that the judgment that a particular conception of mediation violated the canons of monotheism was also partly a matter of individual opinion. Philo could even use the phrase "second God" to describe the *logos* without thinking that he had violated the monotheistic basis of his religion. Because of these perspectival factors, the scriptural passages which we found characteristic of the rabbinic polemic should become especially important in defining the heresy in the apocalyptic communities.

Clearly some of the same issues which Philo discussed were important in first century Palestine as well. Josephus, like Philo, denies that God had any help in creation.² After having reviewed the rabbinic traditions we know that God's independence at creation was an issue in the heresy. We can now be sure, from Philo and Josephus, that the issue itself dates back to the first century.

Two further considerations must be addressed. We must, first, discover traditions which deal with the same verses; and, second, we must give attention to the likelihood that heresy was involved. This will be an especially subtle question since even Philo, who was not adverse to the designation "second God" and who describes the *logos* as God's agent manifestation in creation, denies that God had help from assistants in creating.

Let us begin by summarizing the previous findings about scriptural traditions. The dangerous passages include (1) Dan. 7:9 f. and the

Theology: A Note on *Memra* and *Shekinah*," *JQR*, 23 (1932-33), 103-119. The history of the argument is summed up by A. M. Goldberg, *Untersuchungen über die Vorstellung von der Shekinah in der frühen rabbinischen Literatur*, 1-12.

² See *Against Apion*, II, 192, where Josephus describes the creation of the natural world. He says: "These God created, not with hands, not with toil, not with assistants (*synergasomenōn*) of whom He had no need." This may profitably be compared with Philo, (*Op.* 72) who uses the same word, *synergasomenos*, as well as the more technical *demiourgos* in excluding unwanted implications from the plural used by God in Gen. 1:26, namely, that God needed any help in creation. The same issue is reflected in rabbinic discussions of ŠWTP. See p. 112, 137, 141.

speculation about the identity of the "son of man," (2) the Ex. 24 theophany, possibly together with other passages in the Bible where God is pictured in the form of a man (3) the related descriptions of the angel of YHWH who carries the divine name³ (4) scriptural verses which describe God as plural (Gen. 1:26). Of course, the study of these traditions in apocalyptic literature cannot be exhaustive. Hopefully it can be representative of the developments peculiar to apocalyptic.

It is worthwhile to point out that many of these dangerous exegetical traditions may never have been entirely separate at any point in their development. Biblical scholars have recently noticed the relationship between all works describing the divine warrior figure (including both Ex. 15 and Dan. 7) and ancient Near Eastern mythology.⁴

Based on this kind of evidence, it seems likely that the human appearance of the divine mediator was a most important part of the tradition. As Philo has shown us, these ideas can be related to the notion of the image and likeness of God and the problem of anthropomorphism in scripture. The scriptural basis for such discussions in Philo is not only the theophany passages in the Old Testament but also Gen. 1:26 f. which describes the creation of man in the image and likeness of God. The motifs of likeness and image, as well as the identity of the heavenly man, have been studied by several scholars.⁵ In the LXX *eikōn* is used for *ṢLM* (image) and *homoiōsis* is used for DMWT (likeness). The latter, strictly speaking, means "likeness" only in the sense of similarity, not in the sense of an explicit image. However, there are several aspects of its biblical usage which have

³ This might also include the passages in scripture where YHWH and an angel are confused, e.g., Gen. 16:7 f., 21:17 f., 22:11, 31:11 f., Ex. 3:2 f., Ju. 2:1 f., as well as Ex. 23:21 f., though the rabbis themselves do not discuss most of these particular pericopes.

accounted for a further extension in meaning. For one thing, the Greek word *homoiosis* appears in other places where heavenly creatures with human characteristics are described. For instance, it appears in Ez. 1:10 with reference to the figure on the heavenly throne who has the likeness of man. It also appears in reference to Dan. 10:16 where it describes the angel Michael who appears like "one who belongs to the sons of men." Thus Gen. 1:26 in Greek can be connected with the throne vision in Ezekiel, "the son of man," and the vision of an angel in Daniel by means of the likeness that Adam (before the fall) and various angelic creatures shared with God. However, one cannot say that these exegetical traditions or the groups which speculated on them were invariably heretical. As in the other cases, we have to look at the context. Some Adam speculation and considerable discussion of Gen. 1:26 and Dan. 7:13 f. occurs in rabbinic writing. As we have seen,⁶ the rabbis are willing to posit androgeny of the original Adam and describe the original Adam as having an immense size, which was later reduced on account of his sin. This tradition is probably related to the teaching of several Alexandrian church fathers that *eikōn* is common to all men, but that *homoiosis* is something for which man was created and after which he should strive. In fact, traditions relating to all the words for "likeness" should be carefully investigated for relationship to sectarian or heretical practices. These would include the terms *homoioōma*, *paradeigma*, *typos*, *rythmos*, *doxa*, and *morphē* which translate variously ṢLM, DMWT, TBNYT, and KBWD.

We know that the *logos* as well was assumed to be a human figure generally in Hellenistic Judaism. In the *Wisdom of Solomon* 18:15, for instance, the *logos* or Word is a stern warrior who leaps from the throne of God on command. Though the description certainly parallels the description of the human figure who is a "mighty man of war" in Ex. 15, there is no evidence that this is the specific tradition to which the rabbis objected. In this case the scriptural pericope under consideration is the account of the death of the first-born of Egypt in Ex. 12. Occasional clues like this make it probable that traditions of God's primary warrior manifestation are even more widespread than the rabbinic evidence would have us believe.

Another divine creature with human form is Wisdom or Sophia, which is hypostasized as early as Proverbs 8 and 9:1 f. and extensively developed in the apocrypha (Ben Sira 24, W. Sol. 10) and Pseudepi-

⁶ See p. 114.

grapha (1 Enoch 42). Within the rabbinic community Wisdom is identified with Torah; but wisdom themes sometimes form part of heretical discourse. Sophia is a major figure in gnostic myths, for instance. Obviously then, it is not the tradition itself which defines the heresy but the treatment of the angelic figure or hypostasis as an independent deity. We have no evidence that the early heresy involved a feminine manifestation of God.

We know from the rabbinic texts that some of the beliefs which the rabbis opposed explicitly involved an angel whose function was to guide the believer and who carries, contains, or possesses the divine name (Ex. 23:21 f.). Again, not every belief of this sort will be heretical. But as a preliminary field for inquiry in the intertestamental period, it is reasonable to look among the variety of angelic mediators for some evidence of the kind of beliefs which the rabbis called "two powers" heresy. The idea of a separate hypostasis of the divinity must be functionally equivalent to being an angelic presence.⁷

Because of the complexity of the phenomenon, only the broadest outlines can be suggested. Nor will it always be possible to define a sectarian belief as heresy. Actually, the entire subject of the principal angelic creature demands more systematic investigation than it has hitherto received, and that is a task which cannot be satisfactorily handled within the confines of this work.⁸ In the lack of any previously

⁷ It should be noted that the idea of angel is wider than one might ordinarily think. "Angel" means messenger, therefore prophets (2 Chron. 36:15-16; Is. 44:26; Haggai 1:12-13; cf. Justin Dial 75, including John the Baptist Mt. 11:10; Mk. 1:2; Lk. 7:27) or priests (Malachi 2:7) or kings (2 Sam. 14:17, 20; 19:27; Zech. 12:8) or even the patriarchs (Prayer of Joseph, see below) or Moses as well as the leaders of the people, in their intercessory role, could be referred to as מַלְאָכִים or *angelos*. We shall see that all of these traditions were used to promote celestial functions for worthies of the past. In the intertestamental age, immortality (or resurrection) could be promised to the righteous in the form of ascent to angelhood. To the righteous is promised: "You shall shine as the lights of heaven... and the portal of heaven shall be opened to you... You shall have great joy as angels of heaven... You shall become companions of the hosts of heaven" (1 Enoch 104:2, 4, 6; cf. 39:6-7; Dan. 12:3; Mt. 13:43, 22:30). Therefore, almost any righteous person in the past could be called an angel. Especially righteous men were singled out as paradigms of angelhood. Christianity, as we will see, will appropriate these traditions while denying that the Christ is merely an angel.

⁸ See, for instance, the study of W. Lueken, *Michael* (Göttingen: 1898). On the subject of angelologies in general see Kittel, "*angelos*" TDNT; D. S. Russell, *The Method and Message of Jewish Apocalyptic* (Philadelphia: 1964); Moore, *Judaism*, I, 403-413; Michaelis, *Zur Engelschristologie im Urchristentum*; M. completed, disinterested investigation, the discussion here can only be tentative. But it is possible to show that both inside and outside of the rabbinic community, the existence of a principal angelic creature did not seem to be at issue; rather, it was the identity, title and function of the second figure that occupied apocalyptic and mystical Jews' imagination. Among that figure's characteristics we should be especially interested in any that would have impressed the rabbis as compromising monotheism.

A staggering variety of angelic mediators developed during this period. As early as the book of Daniel, angels were identified by name, implying a certain consistency of characterization. Gabriel and Michael, the two named in Daniel (6:21, 8:16, 10:13, 21; 12:1) have the shapes of men and continue to be the most popular of angels, but other angels are also frequent. Of course, Gabriel and Michael are often seen as but two of the several archangels. Yet, whenever a configuration of archangels appears, one or another (often Michael or Gabriel, sometimes Uriel) is designated as the principal angel (often called "Angel of the Presence") or regarded as superior to the others.⁹

A number of common functions of angelic mediators may be summarized from various appearances in literature. Israel's heavenly protagonist and guardian can be spoken of as a principal or archangel.¹⁰ A principal angel often presides over judgment. As an archangel, he may be described as a choirmaster¹¹ or heavenly scribe¹² or the recorder of the merits of Israel or even the leader of souls (*psychopompos*)

⁹ Gregory Dix, "The Seven Archangels and the Seven Spirits," *JTS*, 28 (1926), 233-285. In the Old Testament there are ambiguous references to archangels. The Hebrew Bible mentions the prince of the army of YHWH in Jos. 5:14, which the LXX translates as the *archistratēgos dunameōs kuriou*. In Dan. 10:13, 12:1, Michael is one of the *archōns* or the great angels. The first mention of seven special angels is Ez. 9:22 f. See further in Tob. 12:15, Est. 1:8; Gr. En. 20; Tg. J. Gen. 11:7; Rev. 8:2 (cf. also 1:4, 20; 3:1, 4:5, 5:6). Six are mentioned in I En. 20, Tg. JI Dt. 34:6, and four in I En. 9:1 ff., Sib. 2:215; Pes. R. 46. See Strack-Billerbeck III, 806. The term archangel also occurs in the Prayer of Joseph (Origen, Com. on *Job*. II, 25 f.), Gr. En. 20:8, 4 Ezra 4:36 and Philo, who uses it to describe the *logos*, as we have seen (*Conf.* 146, *Quis Her.* 205). on visionary ascent, parallel to the ascent at the end of life.¹³ Several functions of the angels may be served by men, if they are privileged to assume an exalted, triumphant or immortal form (like Enoch). In apocalyptic writings Enoch, Elijah, and Moses are frequently described as men of God, who are transported to heaven.¹⁴ Enoch traditions were especially elaborate (cf., already Sir. 44:16, 49:14; Wis. 4:10-15; Jub. 4:16-25). In the Enochian cycle Enoch himself is transformed into an angelic being. In III Enoch he is identified with the angel Metatron. But apocalyptic traditions about the translation and enthronement of Levi and Moses also exist,¹⁵ and often involved the principal angel as guide.

It should be noted that the *pneuma* or spirit of the righteous was characteristically thought to take on angelic form upon his death. (See Dan. 12:3; Mt. 13:43; 22:30; I Enoch 104:2, 4, 6 cf. 39:6-7). Therefore principal angels or notables served as role models for the righteous, as well as their guides. In this way, we can speak of an equivalent function for the principal angels and their patriarchal initiates—revealing both wisdom and the mystery of immortality.¹⁶ It is this kind of tradition which best explains the astral journeys reported of the ancient rabbis in the Merkabah texts. It also explains the frequent use of Hebrew angelic names in the magical papyri.

While God is sometimes viewed as using the *yekara*, spirit, word, *memra* or *logos* at creation, early evidence concerning an angel helping God at creation is quite complicated. In late texts, the angelic stature of the agent of God active at creation is not central. We have already noted a number of later Christian traditions in which “the beginning” or “wisdom” helped God in creation.¹⁷ However, there are few clear

statements that a principal angel was God's helper in creation.¹⁸ Philo might provide some evidence for identification of the angel with a divine helper in creation because angels can be allegorized as the *logos*.¹⁹

Adam traditions are especially important in this regard. We have already seen that Philo identifies the heavenly man with the *logos*, which is identified with God's archangel and principal helper in creation. There is an extraordinary amount of Adam speculation in apocalyptic and pseudepigraphical writings, often including descriptions of Adam's heavenly enthronement and glorification. The traditions can be dated to the first century, if an early dating of enthronement of Adam in the Testament of Abraham ch. 11 can be maintained. Adam legends are certainly well ramified later in Jewish, Christian, gnostic, Mandaean and other documents, and even appear at several important junctures in the ascent texts of the magical papyri.²⁰ As we have already seen, the rabbis themselves record legends about Adam even though they find some of this speculation dangerous, warning specifically against considering Adam God's partner.²¹

Angelic mediation in the giving of the Law is easy to find. It can be seen in Jubilees (Jub. 1:27-3:7) as well as in the New Testament (Gal. 3:19, Acts 7:38, 53, Heb. 2:2). We know that such a doctrine is explicitly criticized by the rabbis, but without special reference to "two powers" heresy.

¹⁸ Some relationship between God's principal angel and His agent at creation may be possible in traditions about the angel Adoel in II Enoch 25:1 f.

¹⁹ *Logos* is identified with an angel in *Leg. All.* iii 177; *Conf.* 28; *Quis Her.* 205; *Som.* i, 239; *Cher.* 3, and often but the identification is not stressed when discussing the creation. Also, see *PGM*, III, 146 f. where the magician announces that he is Adam, the original father and calls upon the Gods Iaō, Adōnai, Michael, Souriel, Raphael, and Abraxas. In III.211 f. the prayer to Apollo contains similar angelic names while the magician calls Adōnai, "Lord of the world."

The relationship of the principal angel to the messiah is more problematic. The messiah is essentially an earthly figure. In the Gospel of John, the heavenly *logos* and the earthly messiah are clearly identified for the first time. Furthermore, the earliest correlation of Adam with the messiah may come from Paul, who presented the Christ as the remedy for Adam's fall.²² This leads one to suspect that Christianity was the first to synthesize the various divine agents at creation by identifying all of them with the Christian messiah.²³

This summary has necessarily cut across many periods. From it we learned that certain functions of the archangel were common to many groups. To see that the commonality arose by means of exegesis of Old Testament texts, and to judge whether any exegesis could be taken as heretical, the traditions must be investigated in more detail. First we will look at the motifs connecting the manlike angelic figure with the name of God. Then we will look at the "son of man" traditions. Finally, we can look at the Christian movement within this context.

In the Hebrew Bible, both descriptions of the angel of YHWH and of God himself sitting on His throne show up in revelation and ascension texts. Characteristically, the inter-testamental writers interpret any human form in a theophany as the appearance of an angel. For instance, theophanies in Judges, Exodus, and Genesis underlie the description of the angel Raphael's appearance and ascension in Tobit 12. Old Testament texts themselves are not directly quoted but rather assumed as the basis for identifying the angel.

In Tobit 12:14, Raphael reveals his identity as the angel of YHWH who was sent to Abraham to try him.

And when thou didst not delay to rise up, and leave thy dinner, but didst go and cover the dead, then I was sent unto thee to try thee; and at the same time God did send me also to heal Sarah thy daughter-inlaw. I am Raphael, one of the seven angels, which stand and enter before the glory of the Lord.

Notice the identification of Raphael with the angel who stands close to the throne and who is able to see the divine form or "glory." The word "glory" is on its way to becoming a technical term for the form of God on the throne as it is in Merkabah mysticism.²⁴ Furthermore,

in the next chapter, Tobit magnifies God as Father, Lord, and God on account of the angel's appearance. Clearly the anthropomorphisms in the Bible are being reinterpreted in a new context of angelophany.

The entire Enoch cycle, it should be pointed out, is intimately based on theophany passages like Ez. 1 and Dan. 7:13, interpreted as angelophanies. But the books are composite, making it difficult to date some of the traditions to pre-Christian times. This is particularly important with regard to the "Parables of Enoch" which record the most systematic development of the "son of man" outside Christianity, but are not free from the suspicion of being influenced by Christian traditions. The "son of man" traditions will be discussed later. For now it is important to point out that other traditions based on Dan. 7:13 can be found in the pre-Christian parts of Enoch. In I Enoch 14, for instance, Scholem notes an early version of the heavenly journey which later becomes central to Merkabah mysticism. The description of the first palace with its tessellated marble floor gleaming like liquid is the basis for the tradition in b. Hag. 14b where R. Akiba warns his compatriots not to say "water, water" on their heavenly journey, lest they be injured. I Enoch 14 is also replete with imagery taken from the Old Testament theophany scenes. The sight of the palace with its tessellation so frightens Enoch that he falls to the ground and there beholds a vision:

And I beheld a vision, And lo! there was a second house greater than the former, and the entire portal stood open before me, and it was built of flames of fire. And in every respect it so excelled in splendor and magnificence and extent that I cannot describe to you its splendor and its extent. And its floor was of fire, and above it were lightnings and the path of the stars, and its ceiling was also flaming fire. And I looked and saw therein a lofty throne: its appearance was as crystal, and the wheels thereof as the shining sun, and there was the vision of cherubim. And from underneath the throne came streams of flaming fire so that I could not look thereon. And the Great Glory sat thereon, and His raiment shone more brightly than the sun and was whiter than any snow. None of the angels could enter and could behold His face by reason of the magnificence and glory, and no flesh could behold Him. The Flaming fire was round about Him, and a great fire stood before Him, and none around could draw nigh Him: ten thousand times ten thousand (stood) before Him, yet He needed no counsellor. And the most holy ones who were nigh to Him did not leave by night nor depart from Him. And until then I had been prostrate on my face, trembling: and the Lord called me with His own mouth, and said to me: "Come hither, Enoch, and hear my word." And one of the holy ones came to me and

waked me, and He made me rise up and approach the door: and I bowed my face downwards.²⁵

The scene is based on Dan. 7:9 together with Exodus 24 and Ez. 1. The figure on the throne is the Ancient of Days, not the "son of man." But there is extreme interest in describing how the divinity can have human shape. The figure is called the "Great Glory," which, as we have already seen, is a technical term for the appearance of God on the throne in Merkabah mysticism and has a similar use in Tobit. This figure is called "Lord" by Enoch as it was by Tobit. The figure is meant to be God manifest since the text states that He needs no counselor.²⁶ In I Enoch it is Enoch himself who serves as intercessor for the "Watchers." In II Enoch 33:10 f. the angel Michael is mentioned as *archistratēgos* and intercessor for the handwritings of the fathers, Adam, Seth, Enoch, Cainan, etc. Of course, this is another reconstruction of the heavenly judgment scene in Dan. Rather than "the son of man" Enoch himself in I Enoch and Michael in II Enoch are to function as intercessors in front of the throne. As in Philo, men of extraordinary righteousness and purity (e.g., Moses, Melchizedek and Levi) can actually participate in the divine drama. In the "Parables of Enoch," Enoch is identified as "the son of man." In any event, it is not the angel or mediator figure, but the divine figure on the throne in I Enoch, who has the major role, as does the Lord of the Sheep in I Enoch 90.

There are some cases where angelic mediation can be seen in a growing dualistic context. Usually, the primary figure is seen as the opposition to a demonic figure like Satan, where he pleads the cause of Israel as both heavenly advocate and intercessor.²⁷

In spite of this early evidence of traditions about a principal angel or manlike figure, there is no way to document a *heresy* involving the divine name as a separate angelic hypostasis in first century dualistic contexts. Some of the least justifiable actions of YHWH

²⁵ I Enoch 14:15 f.

²⁶ The Greek text and II Enoch 33:4 are quick to mention that this does not exclude the *logos*, who accomplishes all things for Him, because all things of God are eternal, "not made with hands." It seems clear that the Greek texts have incorporated the same concerns we saw in Philo to explain how God can appear as a man yet be beyond man's ken. The Greek texts remain just as sensitive to the problem of anthropomorphism but can incorporate *logos* conceptions to deal with it, probably arguing, as Philo did, that the *logos* is God himself, not merely a counselor.

²⁷ E.g., Test. Lev.; Test. Dan. 5 f.; I En. 68; 89:76 cf. IQ M. 13:9 f.; Jud. 9; Rev. 12:7. See J. G. Gammie, "Spatial and Ethical Dualism in Jewish Wisdom and Apocalyptic Literature," *JBL*, 93 (1974), 356-385.

in the Bible had been interpreted as being suggested or accomplished by Satan as early as I Chron. 21:1, where Satan proposes the census to David rather than YHWH as in the II Samuel account. In Jubilees 17:16, 48:2 f. and 12 Mastema is reported to have convinced God to initiate the testing of Abraham. These traditions may show that the tetragrammation was already sometimes interpreted in terms of an angel, albeit an evil one.

Further evidence about the archangel Melchizedek at Qumran is exciting but only ambiguously supportive of name of God traditions. At Qumran, the principal angel may be called "The Prince of Light" (1 QS 3:20; CD 5:18), "the Angel of His Truth" (CD 3:24), which is probably the same as "The Spirit of His Truth," and may be identifiable with Melchizedek (11 Q Melch).²⁸ Melchizedek appears in an incomplete text of Cave XI of Qumran, published by A. S. van der Woude.²⁹ In this ostensibly first century Hebrew document, Melchizedek appears as an eschatological saviour whose mission is to bring back the exiles at the end of days and to announce the expiation of their sins and liberation. He is identified with Michael who also appears in the scrolls as a celestial being (1QM 17:8). Melchizedek is helped by the celestial armies in his struggle against Belial and the evil angels. It may even be true that an opposing figure, Melkirasha,

²⁸ A word is in order about the general and pervasive importance of angelology at Qumran. The archangels named in the War Scroll are Gabriel, Michael, Sariel and Raphael. No other name is given to the Prince of Lights who aided Moses and Aaron (CD 5:18). The liturgy of the Sabbath from Cave 4 is especially rich in angelic titles and group names, many of which have been derived by detailed exegesis of biblical texts. That the angelic liturgy from Cave 4 pertains to worship within the community in which the angels were actually asked to participate may be deduced from references in other documents: "Praise be to all His holy angels... His holy angels are found in your congregation." (11Q ber. 4-5, 14). Because of this no ritually impure person was allowed in the congregation. See 1 QH 3:20-23, 1QM 12:1-8, 1QH 6:12-13. functioned as Melchizedek's heavenly opponent in place of Satan.³⁰

The status of Melchizedek in the heavenly economy is not clear. His function is based on an exegesis of Is. 61:2 (applied to Jesus in Luke 4:18) with Ps. 82 and Ps. 7. The Ps. 82 reference is of particular interest because it contains several words for God. In 11Q Melch 10a, van der Woude identifies one of the theophoric names with Melchizedek, translating in this way:

for that is the time of the acceptable year of Melchizedek . . . God's holy ones to the reign of judgment, as it is written concerning him the hymns of David who says: "The heavenly one (*Elohim*) standeth in the congregation of God (*El*); among the heavenly ones (*Elohim*) he judges" (Ps. 82 : 1).³¹

This translation applies the divine name "Elohim" to Melchizedek. However, the translation has been challenged by J. Carmignac.³² Carmignac finds no reason to support the suggested identification of Melchizedek with any celestial being and certainly rejects the identification of Melchizedek with Elohim. While this conclusion seems extreme in view of Melchizedek's role elsewhere in the apocalypse and his identification with Michael, Carmignac cogently points out that Ps. 82 may refer to God himself rather than Melchizedek. So we must take this identification of Melchizedek with Elohim as ambiguous but certainly not impossible.³³

³⁰ J. T. Milik, "Milki-sedeq et Milki-rasha dans les anciens écrits Juifs et Chrétiens," *JJS*, 4 (1972), 95-144 and *RB*, 79 (1972), 77-97.

³² "Le document de Qumran sur Melchizedek," *RQ*, 27 (1970), 343-378.

³³ The identification of Melchizedek with Elohim would certainly be anomalous, but it is not totally out of the question, when one looks at the subsequent history of tradition about this priest-king. In Leg. All, iii, 81 Philo warns against imputing plurality to God, while discussing Melchizedek. According to Sokolov's Slavonic manuscript of II Enoch, Melchizedek was conceived and born miraculously (iii, 2,7-21*) and was taken up by Michael to the paradise of Eden for forty days during the flood (iii, 28-29). There he is called "the great high priest, the Word of God, and the power to work great and glorious marvels above all that have been" (iii, 34). The seal of the priesthood on his breast was "glorious in countenance" (iii, 19). After him another Melchizedek was to arise (iv, 6; iii, 37).

In the modalist controversy within the church, the Asian Theodotus called Melchizedek a great unbegotten power who is mediator and intercessor for angels. (See Hippolytus *Ref.* 7:36, *Epi. Haer* 55:1, Philaster. *Haer.* 52, Pseudo-Ter. *Adv. Omn.* 8). The teaching that Melchizedek was an angel was also known to Origen and Didymus according to Jerome, *Epist. ad Evangelium* 73:2 (see Gunther, p. 240). Later still, a group of Melchizedekian heretics denied "that Melchizedek was a man and not Christ himself" (Migne, P.G. 65, 112a). They argued the absurdity of the idea that

The Melchizedek documents from Qumran are too fragmentary for definite conclusions, but it does not appear that the scriptural texts central to the Melchizedek traditions are those against which the rabbis explicitly warn. Instead, the Qumranites were primarily concerned with the Jubilee year, and have associated it with the eschaton. In 11 Q Melch., the return and investiture of Melchizedek initiates the judgment of God. Thus Melchizedek is seen as the duly enthroned agent of God who will inaugurate the Jubilee year and the salvation for Zion.

There are other places in the Qumran documents where concepts appear that are otherwise known in later Merkabah speculation. For instance, Is. 6:3 seems to be discussed in 4Q Serek 1. 23. However, in this place KBWD has been substituted for the Biblical KH GBWRWTK. This seems to represent an exegesis of the KBWD as the *dynamis* of God, which is well developed in later hekhalot literature. It is important to note that *dynamis* is a standard Greek translation for RŠWT, power. Apparently the Qumranites also believed that a future revelation would be accompanied by MR³WT KBWD ("a vision of the Glory" [34 3,26]), which probably represents another reference to the theophanies of the Old Testament—those of Isaiah, Ezekiel or Moses and the elders having been melded into a single tradition.³⁴

There is also other evidence that mystical and apocalyptic traditions of mediation by God's name existed in the first centuries of the common era. It would be appropriate to trace some of that material now, since the surviving fragments are located in Christian, gnostic and

Melchizedek was likened (*aphomoiōminos*) to Christ. Instead they asserted that Melchizedek is God by nature (*phusei theos*) (Gunther, p. 241; 1128D; cf. 1136 A, B). Unless he were God, how could he be without father and mother? Melchizedek would no longer be Son but Father. But he is not identical with God, rather he is the divine logos (*theos logos*).

Of course, these traditions ascribing divinity to Melchizedek have not only been affected by Christian thought, they have grown out of it. The *logos* category and the attention to divine perquisites is a result of the modalist and monarchian controversy within the church (see p. 229 f.). But the original angelic category is authentic to the first century and ostensibly free from Christian influence. That Melchizedek was actually called God by anyone in the first century remains a possibility. See the recent book by Fred Horton, Jr. *The Melchizedek Tradition — A Critical Examination of the Sources to the Fifth Century A.D. and in the Epistle to the Hebrews* (Cambridge: 1976). Merkabah literature, which prevents us from dealing with them in a unified fashion elsewhere.

No one can convincingly date the traditions in the Merkabah documents to the first-century rabbinic community.³⁵ But there is some independent evidence that the ideas in which we are interested were well developed within apocalypticism as early as the first century. This is amply illustrated by the *Apocalypse of Abraham*³⁶ which is usually dated to the late first century after the destruction of the temple, or early second century. In this work, Yahoel is given a major role. Yahoel himself says in his revelation to Abraham:

I am called Yahoel by Him who moveth that which existed in me on the seventh expanse upon the firmament, a power in virtue of the ineffable Name that is dwelling in me.³⁷

Obviously this, like the YHWH the lesser traditions we have seen, is a reference to the angel of Ex. 23:21. It is evident that the figure is a personification of the name itself. From the text it is quite clear that Yahoel is God's vice-regent, second only to God himself, and is the supreme figure in Jewish angelology.³⁸

The *Apocalypse of Abraham* is contemporary or earlier than the first mention of "two powers" heresy in rabbinic literature, but was probably itself not the target, since it is not clearly heretical and the rabbis' earliest reports mention gentiles as the targets. This kind of evidence indicates that the ideas about an angel carrying God's name enjoyed a fairly wide distribution, only some of which was in heretical circles.

In the "Parables of Enoch" there is a long excursus on the value of the hidden, divine name, by which the world was created and which the "son of man" learns.³⁹

The work is dated variously to pre-Christian times, to the first,

second and later centuries. What is most important is that there is an explicit reference to the use of God's hidden name as a weapon in an imprecation against demons or fallen angels, as well as in the creation of the world. Because of this name, all aspects of creation do homage to God, yet it becomes the possession of the "son of man." These traditions seem to refer to the tetragrammaton, whose pronunciation was probably already guarded.

Similar traditions based on the tetragrammaton are found in the magical papyri and in esoteric circles in Judaism. Of course, these traditions are datable with any surety only to the third century. In *Hekhaloth Rabbati* 9, for instance, we can see the same idea of the use of God's name in the creation of heaven and earth: "Great is the Name through which heaven and earth have been created." Similarly, *III Enoch* is familiar with the same idea:

He wrote with His finger with a flaming style upon the crown of my head the letters by which were created heaven and earth.⁴⁰

Come and behold the letters by which the heaven and the earth were created.⁴¹

In the *Sefer Yetzira*, written between the third and sixth centuries, the whole creation is described as proceeding from the name of God. In the *Sefer ha-Qoma*⁴² the ineffable name is expressly identified with Metatron Yahoel.⁴³

In *III Enoch*, Yahoel is also named YHWH the lessor (7, 12:5, 48). YHWH the lessor is also found in the gnostic *Pistis Sophia* (ch. 7). Thus, it seems very likely that, by the beginning of the second century and back into the first century as well, there existed apocalyptic speculations about the name of God as a mediator of creation which probably was very early connected with the idea that this mediation could also be portrayed by a principal angel.

Starting in the second century we see other evidence of speculation about the name of God, used in the gnosticism, described by the church fathers. Irenaeus, for instance, mentions that the Ophites used the Hebrew divine names for the various archons, or angels of the demiurge.⁴⁴ This may very well be one kind of belief which the rabbis

called "many powers in heaven." In one interesting place, the Valentinians mention that Iao has saved himself in Christ: "I redeem my soul from this age, and from all things connected with it in the name of Iao, who redeemed his own soul into redemption in Christ who liveth." ⁴⁵

In Origen's *Contra Celsum*, a corollary report about the Ophites contains the interesting information that, on the mystic journey through the spheres, a prayer is addressed to two different partially contrasting Iao's: "And thou, Archon of the hidden mysteries of Son and Father, who shinest by night, thou Iao, second and first, lord of death." ⁴⁶

Simon Magus also is reported to have used some of the same language which is frequent in these reports, calling himself "a power," even identifying himself with a god through use of traditions of "standing" and Ex. 24:10 f. which we noted in Philo. ⁴⁷

Samaritans, as well as Christians, may have preserved such ascension traditions. Although the evidence is scanty and speculative, the possible link between "two powers" and Samaritanism in rabbinic literature ⁴⁸ makes it necessary for us to mention them. The Samaritans, living in the North and rejecting the political control of Judea, did not await the coming of the Davidic Messiah, but the return of Moses or the coming of the "prophet like Moses" described in Dt. 18:15 f. In their glorification of Moses they resembled Philo. ⁴⁹ In Samaritan scripture a version of this prophecy is even inserted after the Ten Commandments. The fact that the Samaritans are said to deny resurrection does not mean that they necessarily believed the soul to perish after death. Rather they may have believed in angelic or pneumatic bodies which survived to return to heaven. Some New Testament scholars speculate

The new material from Nag. Hammadi, especially from tractate 2, is confirming a distinct relationship with Ophism. See below, p. 249.

The authenticity of this tradition is called into question by Roland Bergmeier, "Zur Frühdatierung samaritanischer Theologumena," *JSJ*, V (1974), 121-53, especially 146 f., but the use of the tradition can be demonstrated in heretical Christianity in any event. Its historicity is not the main concern.

that early Christian enthronement traditions came from Samaritan circles. These enthronement traditions could certainly involve Ex. 24 or Dt. 5 as a central ascension text. It would not involve Dan. 7 which was not part of the Samaritan canon. A further link between Samaritanism and the Gospel of John is often theorized.⁵⁰ It should also be noted that the New Testament credits the Samaritan, Simon Magus, with a good deal of misinterpretation of Christianity, and later he becomes the first gnostic in the church fathers' account.

A most interesting example of heterodox Judaism has been preserved in the "Prayer of Joseph," which is contained in Origen's commentary on John 2:31.⁵¹ Though only a short fragment of the total work is recorded, almost all of the themes which we have been tracing since Philo are present in it. It is based on the theophany texts of Genesis which deal with Jacob's exploits and possibly is part of the testimony genre of literature which has been preserved in the name of other patriarchs. It is short enough to quote in full.

If one accepts from the apocrypha presently in use among the Hebrews the one entitled "The Prayer of Joseph," he will derive from it exactly this teaching . . . (namely) that those who have something distinctive from the beginning when compared to men, being much better than other beings, have descended from the angelic to human nature. Jacob, at any rate, says: "I, Jacob, who am speaking to you, am also Israel, an angel of God and a ruling spirit. Abraham and Isaac were created before any work. But I, Jacob, whom men call Jacob but whose name is Israel, am he who God called Israel, i.e. a man seeing God, because I am the firstborn of every living thing to whom God gives life." And he continues:

"And when I was coming up from Syrian Mesopotamia, Uriel, the angel of God came out and said that I had descended to earth and I had tabernacled among men and that I had been called by the name of Jacob. He envied me and fought with me and wrestled with me saying that his name and the name of Him that is before every angel was to be above mine. I told him his name and what rank he held among the sons of God: 'Are you not Uriel, the eighth after me and I, Israel, the archangel of the power of the Lord and the

chief captain among the sons of God? Am I not Israel, the first minister before the face of God?' And I called upon my God by the inextinguishable name . . . But we have made a lengthy digression in considering the matter of Jacob and using as evidence a writing not lightly to be despised to render more credible the belief concerning John the Baptist which maintains that he . . . being an angel, took a body in order to bear witness to the light.⁵²

Here it is an archangel of the power of the people of God who is called Israel and is also identified with the patriarch Jacob. He was created before all the works of creation and claims ascendancy over Uriel on the basis of his victory in personal combat by which he ostensibly possesses the divine name. To sum up the issues, as reported by J. Z. Smith, the fragment is dominated by three themes: (1) the lofty role of Israel (called Jacob, an angel of God, a ruling spirit, a man who sees God, the first-born of all life, the archangel of the power of the Lord, the heavenly chief captain, the high-priest before the face of God); (2) the conflict between Jacob and Uriel, each claiming ascendancy over each other; and (3) the myth relating to the descent of the angel to a flesh-like existence. Although this material is contained in a Christian source, no doubt its origin was Jewish sectarianism. Nor is it the only evidence that traditions about angelic keepers of the name were common in Jewish-Christianity. Cardinal Daniélou cites considerable evidence that traditions associating Michael and Gabriel with the name of God were recorded in Christian writings, often with the titles transferred to Christ.⁵³

In this quick tour of apocalyptic and mystical literature we have established certain things. First, it seems obvious that traditions similar to the ones which the rabbis dismissed as "two powers" heresy in the second century can be seen in sectarian literature of the first century. However, just when and where the traditions become heretical is a vexing question. It is certainly true that many of the traditions about the angel of YHWH would not have been taken as heretical by the rabbis. For instance, there is no convincing evidence that Merkabah mystics were ever called heretical, although the rabbis warned against exegesis of Ezekiel as early as the compilation of the Mishnah. While the evidence abounds for the existence of dangerous scriptural tradi-

tions there is not much evidence that angelic or hypostatic creatures were considered independent enough to provide definite targets for the "two powers" polemic. Of course, our knowledge of first century Judaism is quite limited. In the extreme gnostic systems, where the power with the Hebrew name opposed a higher power, the heresy is clear. But we have no solid evidence that such systems existed in apocalyptic literature before the early second century. Then too, to a certain extent the application of the term "heresy" is anachronistic because the earliest witness to the rabbinic charge is the second century, and we cannot be sure that the rabbis were firmly in control of Judaism until the second century. So we cannot be sure that any of the systems would have been called heresy in the first century or even if there was a central power interested to define it. But we cannot altogether dismiss the possibility that some apocalyptic groups posited an independent power as early as the first century or that other groups, among them the predecessors of the rabbis, would have called them heretics.

Once this general structure of traditions is clear we can hesitantly approach the thorny problem of the "son of man." We must certainly deal with the "son of man" traditions while we are discussing human manifestations in heaven in "apocalyptic Judaism." While most scholars agree that the "son of man" is not yet a specific title in Dan., there is little agreement about the character of the figure. Recently J. J. Collins has suggested anew that the "son of man" in Dan. means only a "manlike figure" who appears in the vision and is logically to be identified with Gabriel, the "manlike" angel (8:15; 9:21) or even Michael, the angel like God but with a human form, who appears in the next vision.⁵⁴ This would be in keeping with the archangels' role in the Enoch-Metatron literature. So it is growing more plausible that a whole constellation of traditions existed which speculated about the identity and character of the heavenly human figure. In its original mythological context before it appeared in Daniel it may have been a reflection of another Near Eastern god, as the holy war and divine warrior traditions have shown,⁵⁵ but this figure not a consistent personage in Jewish tradition.

thought may be recorded in some of the versions of the LXX. The original LXX translation of Daniel was very free and should appropriately be considered a commentary rather than a translation of Daniel. Because of this, it was eventually replaced in the Greek Bible by Theodotion's more literal translation. The LXX apparently translated "the son of man" vision in such a way as to make one suspicious that very early "two powers" traditions were being challenged. One version says that the "son of man" approached *as* the Ancient of Days, instead of *until* the Ancient of Days, coalescing the two divine figures by changing *heos* to *hos*.⁵⁶ Such a change can be explained as a scribal error, but since the text is well-attested, it may also have been a purposeful change to defend against heretics.

In the Parables of Enoch, which may bear Christian influence, the emphasis turned to the manlike figure, or the "son of man." Most of the portrayals of judgment in the Parables of Enoch (I Enoch 37-71)—as in all the Enoch literature—involve a detailed exegesis of the Daniel 7:13 passage. However the "son of man" in the Parables is a salvific figure of some prominence, having many divine perquisites. But whether "son of man" is actually the title of this savior or merely a semitic idiom describing "a manlike figure" has remained a scholarly puzzle.⁵⁷ Adapted from the Daniel pericope, the story of the "son of man" seems to involve the following scenario: (1) the wicked oppress the righteous (which is given as the reason for punishment); (2) the "son of man" enters God's throneroom and is enthroned (alternatively he is already enthroned before the scene opens); (3) whereupon the "son of man" passes judgment on God's behalf; (4) the wicked are justly punished by one of the two figures, usually the "son of man," and (5) scenes of triumph follow.⁵⁸ Of course, this is only the general scenario; the events are not always narrated in that order, nor are all the parts always expressed.⁵⁹ Whereas in other apocalyptic judgment scenes outside of the Parables, God is perfectly capable of

⁵⁶ See Montgomery, *Daniel*, ICC, p. 316. Recent publications appearing after this manuscript was in press, suggest that Enoch speculation may be quite old, older than Daniel, and form the basis of the Daniel speculation. See below, n. 65 for the evidence.

carrying out the whole plan himself, ⁶⁰ in the Parables the "son of man" is usually the instrument of God's justice. This fact only points out the importance of the character of the "son of man" in the Parables. But nowhere is it certain that the "son of man" is a title. We may only have a series of traditions concerning Dan. 7:13.

In I En. 48:2 f. there is further description of this divine figure. He is casually named messiah and he (or only his name and office) are described as premundane, having been foreordained before the Lord of Spirits created the stars. Never before in this material has the figure been identified as the messiah, which leads many scholars to assume Christian influence (whether friendly or polemical), or authorship. In I En. 70 and 71 Enoch and his name are elevated to become the "son of man." He tours heaven, which contains the new paradise (I En. 70:4) (the *pardes*?) and is guided before the throne of the Ancient of Days by Michael; whereupon Enoch himself is proclaimed the "son of man." ⁶¹ At the last judgment the "son of man" will be brought before God and His name before the Ancient of Days. Because of this parallelism between the name and function of the figure of the "son of man," we are probably warranted in saying that from one perspective the "son of man" is a pre-existent being—but not in every respect, because the point of the story is to tell the mystical events by which Enoch learns of his future role. It seems clear that the figure has been human and becomes both divine and messianic, although his heavenly enthronement aspects are far better described than his earthly tasks. There is no evidence that a separate human messiah is to bring national redemption while this cosmic figure will bring cosmic justice.

The roots of the images in these verses should not concern us. Whether they are closest to ancient Canaanite, Babylonian, or Persian mythology is not specifically relevant. ⁶² Since the Prophets and the book of Daniel, the traditions were squarely within Israelite thought and underwent transformations peculiar to Israelite culture. I Enoch

⁶⁰ E.g., I Enoch 25:3-6, 100:1-9.

⁶¹ That the figures became one is as sure as it has been troublesome. R. H. Charles assumed that a copyist had erred in transcribing the pronouns, hence he changed the pronouns to make the conversation appear to be taking place between the "son of man" and God. Mowinkel has also denied any identification of the two figures. Note his description of the scene in *He That Cometh* (New York: n.d.) p. 383 f. and especially 442 f.

would be the next chronological occurrence of the tradition of the "son of man" after Daniel, exclusive of the gospels, if the early dating could be maintained. Yet the date of the Parables of Enoch, in which these traditions occur, is a great scholarly *desideratum*. It would be convenient to be able to assume that the book was pre-Christian, as many scholars have maintained.⁶³ But the evidence is hardly conclusive and the suspicious absence of "son of man" traditions at Qumran argues rather for a post-Christian date.⁶⁴ Until some definite evidence confirms a pre-Christian date, we must be satisfied with a post-Christian theory of origin. Even the scholarly consensus that the Parables are non-Christian has been seriously questioned. J. T. Milik has suggested that the parables are a Christian invention, designed to substitute for the "Book of Giants" attested at Qumran.⁶⁵

Though we learn much about the Daniel traditions from this writing, more prudent dating of the Parables requires us to take the New Testament as the earliest document which understands that the "son of man" as a title (though possibly not consistently), in turn identified with Christ. Of course, Philo does describe the heavenly Adam in terms which are elsewhere used of the "son of man." He also evidences similar ideas about the heavenly *logos*. So we must allow that some sort of "son of man" traditions preceded the gospels. It would not be surprising to find that the pre-Christian traditions were a variety of conflicting exegeses of Dan. 7:13, all describing an unnamed figure, possibly God's human hypostasis or a principal angel who carries the name of God. There is no clear evidence that the figure was proclaimed "son of man" as a title or that his coming was predicted before the eschaton. Instead there is some evidence that special people might be translated to heaven to appear before the throne, whereupon they are

identified with the manlike figure or are granted immortality and use the name of God to gain vindication for themselves and their followers.

B. *New Testament Christianity*

Of all the forms of religion in Palestine in the first century, New Testament Christianity is the best documented, most controversial, and most often studied. Even so, there is little that can be said in certainty about the roots of Christian doctrines. This lack of sure knowledge will be especially frustrating in studying "two powers" tradition, as we shall see, because many traditions found heretical by the rabbis in the second century were intimately connected to the apostolic understanding of Jesus. Yet, it is a mistake to assume that Christianity was a unified social movement which contained a consistent, theological perspective, even in its earliest stages.⁶⁶ The most we can say is that some kinds of Christianity found "two powers" traditions favorable to their perspective. The relationships between these traditions of angelic mediation and Christianity are significant enough to call for a more complete study of the problem as background for Christology than has yet been attempted.

It is fair to begin with the observation that Jesus is never called merely an angel in the New Testament. Nor is there any clarity about the first titles applied to Jesus. In spite of these disclaimers, Christianity is the most extensive developer of the "son of man" traditions. As opposed to the Enoch traditions, the gospels certainly understand Jesus as "the son of man." It would not be exaggerating to say that one purpose of the gospel is to identify Jesus as the "son of man." However, the identification is neither clear nor consistent. The term does not always appear to be a title, nor is it proclaimed of Jesus since it only occurs in his own speeches. Yet, when the total picture is taken into account, the identification of Jesus with the "son of man" is so characteristic of the gospels that many scholars take the occasional *logion* of Jesus in which he does not equate himself with the "son of man" (or does so in some ambiguous way) to be undoubtedly authentic. Since a distinction between Jesus and the "son of man" could not reflect the bias of the early church, according to this perspective, it may reflect the authentic words of Jesus, because there would have

⁶⁶ J. M. Robinson and Helmut Koester, *Trajectories Through Early Christianity* (Philadelphia: 1971).

been no reason to preserve the statements, were they not from Jesus. Furthermore, the title itself quickly went to disuse, superceded by more understandable titles like "Son of God" and "Messiah" (*Christos*). Yet, whether or not Jesus meant anything apocalyptic in calling himself "son of man" has not been settled. A non-apocalyptic possibility for the meaning of Jesus' "son of man" sayings must be mentioned. It is possible that he used the phrase in a self-referential way only because it was a possible, self-referential Aramaic idiom, having no direct relationship to the manlike figure of Daniel.⁶⁷ In short, even accepting the argument which makes "son of man" an authentic self-designation of Jesus does not clarify what Jesus might have meant by it. One school of critics accepts the eschatological statements as primary; another accepts the self-referential ones as primary. All agree that neither the self-referential nor the eschatological statements can be clearly distinguished from the perspective of the church. Therefore some of the statements may have been attributed to Jesus by Christians who had already accepted the titles and found it impossible to imagine that Jesus may have thought of himself in other ways.

There is probably no possible historical solution to the question of Jesus' self-consciousness. There is a greater chance of discovering how various christologies developed.

It is clear that the "son of man" traditions refer back to *Dan.* 7:13, which is a text important for "two powers" investigation. So we should mention the uses of *Dan.* 7:9 f. in the New Testament. Certainly the most interesting use of *Dan.* 7:13 in the gospels for our purposes is its combination with *Ps.* 110.⁶⁸ *Ps.* 110, the most quoted Old Testament scripture in the New Testament, has recently been studied

⁶⁷ Geza Vermes, "Appendix E: The Use of Bar Nasha/BarNash in Jewish Aramaic," in Matthew Black, *An Aramaic Approach to the Gospels and Acts* (Oxford: 1967), pp. 310-330. However, criticism of this theory is persuasive, see J. Jeremias, *New Testament Theology* (New York: 1971), p. 261, n. 1. J. A. Fitzmyer has reported that BRNŠ³ is evidenced at Qumran as a designation for the collectivity "mankind" or the individual belonging to a collectivity (i.e., II Q³⁷ Job 26:3). But there is no evidence of its being used (a) as a surrogate for "I," (b) as a form of address, or (c) as an eschatological title. The full evidence is forthcoming in "Methodology in the Study of the Aramaic Substratum of Jesus' Sayings in the New Testament," *Jésus aux origines de la Christologie*, Bibliotheca ephemeridum theologicarum lovaniensium, (Gembloux: Ducalot, 1975).

⁶⁸ See *Mk.* 2:32 f., 8:56 f., 13:26, 14:62. Norman Perrin, *A Modern Pilgrimage in New Testament Christology* (Philadelphia: 1974), has been very helpful in this section.

by David Hay.⁶⁹ Many N.T. uses stress Jesus' exaltation after death, represented as a vindication by God. Other uses of the psalm stress Christ's enthronement as the basis for ecclesiology or for a priestly christology. But when used in connection with Dan. 7:13, the first clause of psalm 110 was certainly a support for the christological interpretation of the "son of man." No less, it served as testimony to the supreme dignity of the one whom the Christians called "My Lord" and promised vindication for the believers. The question is how such a concept developed. It may be that messianic interpretations already lay behind these scriptures when the Christians adopted them. But we do not have any firm evidence for that. Rather all that is necessary to be presupposed in the tradition is that Jesus be identified with the second "lord" in Ps. 110:1. This identification would be based on the Hebrew text, where both ³DWNY, (my lord) and tetragrammaton, YHWH, appears. Bousset had assumed that the use of the euphemism, "Lord," for the tetragrammaton was not known in Palestine in the first century. However, this theory has been challenged.⁷⁰ It is at least possible that believers said "lord" twice in quoting Ps. 110:1 in Hebrew in the first century. It is certainly true that anyone speaking Greek or Aramaic would have used two "Lords" in the psalm. This much seems sensible. But it is fascinating to speculate further. We know that the ascension and heavenly enthronement of Jesus was assumed on the basis of Ps. 110, which had the function of an eschatological promise for the believer and a vindication which countered Jesus' crucifixion. Might it be that the connection between the earthly Jesus and the son of man was made because Jesus was believed to have ascended to the throne in heaven—thus identifying him with the manlike figure (BRNŠ³ "son of man") who fought against the unjust, and who was seated on His divine throne? Immortality or resurrection were often stressed in reports of martyrdom,⁷¹

while Philo wrote that men of special ability could mystically ascend to participate in divine immutability. The novelty of some Christian understandings would then have been to stress the divine title given to Jesus on the basis of Ps. 110, and thereby to associate the martyred messiah with the divine warrior who carried the name of God. While only a hypothesis, it has two advantages over the gnostic savior hypothesis. It does not need to predicate a well-defined but unevidenced myth into which Jesus was fit. Rather it assumes that many different traditions about mediators, human figures in heaven and angelic mediators were eventually identified with Jesus, after he was believed to have survived death and ascended to heaven. These traditions may or may not have been associated with the messiah before Jesus. But certainly Jesus' life provided one definite link with messianic expectations since he was crucified as "King of the Jews"—that is, as a messianic pretender, even if he had no messianic consciousness.⁷²

While the scriptural traditions with which Jesus was associated were not "gnostic," the motif can certainly be said to be mythical in the current, anthropological use of that term. Before Christianity there is evidence of many different exegetical traditions but no central, single redemption myth. It looks as if the unity was reached by applying all the traditions to Jesus.

As central and ancient as were these beliefs, they were by no means the whole story. It is not my purpose to elaborate a theory of the evolution of christological titles. But it should be pointed out that the christological titles (and even Son of God) can be partially understood as a combination of traditions of exegesis about various angelic figures with messianic prophecies.⁷³ All of these titles can be explained

⁷² See the title essay in N. A. Dahl's recently translated *The Crucified Messiah and other Essays* (Minneapolis: 1974).

⁷³ Martin Hengel, *The Son of God*, argues that Son of God was not a purely Hellenistic title. It would appear that in the Old Testament "My son" was a title of the king while "son of God" originally denoted other gods, which became subservient as angels under the pressure of biblical monotheism (see Föhrer, *TDNT*, "huios," 347 f.). The singular form occurs only late for Old Testament references, in Dan. 3:25. In the New Testament there are a few, uncertain traces of similar terminology. Rev. 2:18 introduces Christ as "the son of God" with features similar to Dan. 10:5 f. In Hebr. 7:3, Melkizedek is described as resembling the son of God. However, much more often the christological title "son of God" is linked up with messianic prophecies of the Old Testament—like Ps. 2:7 f. and 2 Sam. 7:14 f.—where God calls the Davidic king, "my son." It seems likely that "sonship" developed both to discuss Jesus' messianic mission and to define his relationship to the father. For instance, in Paul, Hebrews and Johannine writings, the term 'son of God' includes the idea of pre-existence. It is used in connection with terms like "*logos*" and "*image*"

without any necessary messianic or salvational self-proclamation by Jesus during his life. They all may be seen as part of the church's conviction that Jesus' death was vindicated by his ascension which, in turn, was the sign of the future vindication of all believers.

After this identification, the church could easily present the authority of Jesus in his ministry to stem from his identification with the "son of man." In Mark 2:10 and 2:28 the authority of Jesus, as "son of man," extends even to abrogating the law and forgiving sins. The latter claim is especially significant in view of R. Idi's argument with the heretics.

Besides the themes of vindication and authority apparent in the "son of man" sayings of Jesus, another exegesis of the book of Daniel figures prominently in the synoptic apocalypse, edited by the church during the time of the destruction of the Second Temple (ca. 70 C.E.). By now, Jesus, as Son of Man, was considered to have passed judgment on Jerusalem (Mk. 13:26 with Mk. 14:62). Nor could the destruction of Jerusalem fail to have been taken as a sign by the Christian community that the Jews were punished for opposing the Church and its message, a doctrine which was maintained even after the prophesied apocalyptic end failed to materialize.

Still other uses of "two powers" traditions may be found in the synoptic gospels. For instance, the Sinai theophany, together with Dan. 7:9 f. has often been suggested as the background for the synoptic account of the transfiguration, especially prominent in the Lukan version.⁷⁴ Of course these exegeses were not invented by Christianity. The early Christians referred to several other intertestamental texts which picture the appearance of angels and describe their functions on earth. We have seen that the appearance of angels in Jud. 6

of God" (Hebr. 1, Rom. 8:29, Col. 1:13-18, John 1:1-3, cf., John 1:1-18). Obviously, many associations have become part of this title but it cannot be said to have originated to express the pre-existence of Jesus. Like *Kyrios* and unlike *Christos*, the term "Son of God" would have remained meaningful to people who were not aware of its Jewish background. It should be noted that the divine connotation of "Son of God" is one way of explaining the charge of blasphemy at the trial. See D. Catchpole, *The Trial of Jesus: a Study in the Gospels and Jewish Historiography from 1770 to the Present Day* (Leiden: 1971), pp. 72-148. "Son of God" has been reported as a human title for the Messiah at Qumran by Milik, though the text has not yet been published. See Fitzmyer, "Qumran Aramaic and the New Testament," *NTS*, 20 (1974), 382-407.

⁷⁴ The strongest proponent of this idea is Davies, *He Ascended into Heaven: A Study in the History of Doctrine* (1958), pp. 25, 185. and 13 as well as the theophanies (understood as angelophanies) in the pentateuch underlie the description of the angel Raphael's appearance and ascension in Tobit 12. These, in turn, are likely to have formed the basis for Markan transfiguration. Interesting too is the recent suggestion by Anitra Kolenkow that these traditions may also underlie and give form to some of the healing and feeding stories in Mark as well as the post-resurrection epiphany stories in later gospels.⁷⁵

The identification of Jesus with the "son of man" was not the end of the matter. Rather it was the beginning of a long discussion of the status of Jesus in the heavenly economy. Jesus is not called an angel in the New Testament because he was not believed to be *merely* an angel. So it is not surprising to see the figure of Jesus begin to take over divine titles in the Pauline and Johannine corpora.

Therefore God has highly exalted him and bestowed upon him the name which is above every name, that at the name of Jesus every knee should bow in heaven and on earth and under the earth, and that every tongue confess that Jesus Christ is Lord to the glory of God the father.⁷⁶

On the basis of his ascension and translation Jesus has been raised higher even than the angels. The divine names and titles used by II Isaiah have been transferred to Jesus. Furthermore, though this occurs in the writings of Paul, which are certainly early (middle first century) and earlier than much of the gospel material, there is no reason to believe that Paul was the first to think of Jesus in this manner. This section in Paul's writing bears all the characteristics of a separate liturgical fragment which Paul inserted into his argument because it was relevant to his discussion of patience and humility. Note too that, true to this theme, the beginning of the psalm seems to deny Jesus' equality with God: "Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped."⁷⁷ This represents a fairly early stage in the development of christology, similar in many respects to Philo, because though traditions about the name of God were applied to Jesus, Jewish sensibilities about the preservation of monotheism remained strong. In fact, Paul himself seems to use a polemic against some kinds of first century

Jews which we also find characteristic of the rabbinic "two powers" discussion in the second century.

Why then the law? It was added because of transgressions, till the offspring should come to whom the promise had been made; and it was ordained by angels through an intermediary. Now an intermediary implies more than one, but God is one.⁷⁸

Paul's total argument in this passage is ambiguous and baffling. He seems to be relying on Jewish argument in a peculiar way. He accepts the idea that the Law was given by angels, a position which is explicitly denied by the rabbis for reasons that are already apparent. Though Paul's point is opposite to theirs, his argument is rather similar to the rabbis. Both agree that some ideas of mediation dilute strict monotheism but argue toward different remedies: Paul claims that the Law is inferior. The rabbis will claim that the Law is given directly by God. Whatever else it proves, this seems to show that a polemic against angelology already existed in Jewish circles in the first century and could be applied in various, different ways, depending on the perspective of the exegete.

The pattern is characteristic of most Pauline letters as well as those of the Pauline School. We need not go into Paul's angelology in detail.⁷⁹ Generally speaking, it is fair to say that for Paul and his school Christ had brought the reign of both the Law and the angels to its close, since Christ had broken the power of sin and overthrown the cosmic spirits. It is interesting to note the common words that Paul uses to describe the various kinds of angelic creature. These are *archē*, *exousia*, and *dynamis* (see e.g., I Cor. 15:24-26, and freq.) as well as *thronos* (Col. 1:16) and *kosmokrator* (Eph. 6:12). These are identical with the words for angels in apocalyptic literature.⁸⁰ They are also the common Greek equivalents of the Hebrew term

RŠWT. Paul uses such terms to stress the inferior status of the celestial beings. It seemed reasonable to assume that the rabbis used these terms, rather than the infrequent "two gods," for the same reason. However, we shall also find language similar to "two gods" in the New Testament.⁸¹ In Ephesians, Christ's victory over the angelic powers is stressed. And in 1:21 it appears as if the Pauline author describes Christ with the ineffable name of God:

They are measured by his strength and the might which he exerted in Christ when he raised him from the dead, when he enthroned him at his right hand in the heavenly realms, far above all government and authority, all power and dominion, and any title of sovereignty that can be named, not only in this age, but in the age to come.⁸²

Many "two powers" themes have come together. Jesus is raised from the dead and enthroned as Christ far above the status of any man or angel. He is sovereign in this age and the age to come, a claim explicitly reserved for God according to rabbinic tradition. Furthermore, Christ has been exalted beyond any title that can be named, implying that he has been awarded the secret name of God.

The process of transferring divine names and titles to Jesus is especially characteristic of the Revelation of John where the identification of the Christ with the tetragrammaton is even more obvious. For instance, Rev. 22:12-13:

Behold I am coming soon bringing my recompense to repay every one for what he has done. I am the alpha and the omega, the first and the last, the beginning and the end.⁸³

We have seen that such titles from Isaiah and Deuteronomy are particularly important in the rabbinic polemic.⁸⁴ These traditions present some plausible targets for the rabbis' attack. The same can be said of the Christ's victorious coming in Rev. 19.

Then I saw heaven opened, and behold, a white horse! He who sat upon it is called Faithful and True, and in righteousness he judges and makes war. His eyes are like a flame of fire and on his head are many diadems; and he has a name inscribed which no one knows but himself. He is clad in a robe dipped in blood, and the name by which he is called is the Word of God. And the armies of heaven

arrayed in fine linen white and pure, followed him on white horses. From his mouth issues a sharp sword with which to smite the nations and he will rule them with a rod of iron; he will tread the wine press of the fury of the wrath of God the almighty. On his robe and on his thigh he has a name inscribed, King of Kings and Lord of Lords.⁸⁵

Many different images are jumbled together in this description. Divine warrior imagery is prominent but the divine warrior has been identified with the messiah (Ps. 2) and Jesus, based on the "son of man" tradition in Daniel. Furthermore, many divine titles are applied to the figure: "true and faithful," "King of Kings," "Lord of Lords" are all divine attributions in Judaism. Lastly and more importantly, he has appropriated the ineffable name, which is identical with "Word of God" (v. 13). On this basis, it seems safe to consider that many Christians identified the Christ with God's principal angel, who carried the divine name, because of his resurrection.

It is in this context that we should see the arguments in the Epistle to the Hebrews that Jesus is more sublime a mediator than the angels or Moses. In Hebrews there is no complete polemic against angel worship. Rather Christ, as "Son" (1:4-2:10), is reputed to be better. Significantly the Son is reputed to be the "Elohim" enthroned in Ps. 45:7 (Heb. 1:8). The notion that the Lord will rule the world to come is transferred to Christ (2:5).⁸⁶ The book is probably directed against some Christians who did not see Jesus' role as unique, rather as merely one more example of a special intercessor who had been taken into the presence of God.

These ascension and theophany themes, placed in a polemical setting, show up in the Gospel of John. In John 6:46 the gospel states: "No one has ever seen God, except His son," which amounts to a new interpretation of Ex. 33:20 in the Sinai theophany. We saw that the solution to the contradiction between God's appearance to the elders at Sinai (Ex. 24:10 f.) and the statement that "no one can see Him and live" (Ex. 33:20) was the purpose of the rabbinic and Philonic exegesis of the passage. In Philo's case, reconciling the contradiction necessitated positing a second divine figure. In the rabbinic case, it occasioned a polemic against a second figure.⁸⁷ In the Johannine

⁸⁵ Rev. 19:11-16.

⁸⁶ This seems related to the rabbinic insistence that the God of Israel will rule in the age to come as well. See p. 60 f.

⁸⁷ Peder Borgen, *Bread from Heaven* (Leiden: 1965), p. 415. Also see Ödeberg, *The Fourth Gospel* and John 3:3-13. One should note the similarity to Abahu's com-

version a new argument is discovered in that theophany story. Since Moses was not allowed to see the face of God (for no mortal can see God and live), John proclaims that only a specific heavenly figure can have had a full vision of God—he who was from God, Jesus. Probably John was speaking against opposing ascension views. The statement that “No one has gone to heaven except he who is descended from heaven” is probably designed to disallow any ascension traditions excepting the Christian one.

Neither are controversies like the one in John 12:37 f. innocent of “two powers” ramifications:

In spite of many signs which Jesus had performed in their presence they would not believe in him, for the prophet Isaiah's utterance had to be fulfilled: “Lord, who has believed what we reported, and to whom has the Lord's arm been revealed?” So it was that they could not believe, for there is another saying of Isaiah's: “He has blinded their eyes and dulled their minds, lest they should see with their eyes, and perceive with their minds, and turn to me to heal them.” Isaiah said this because he saw His glory and spoke about Him.

... So Jesus cried aloud: “When a man believes in me, he believes in Him who sent me. I have come into the world as Light...”⁸⁸

The purpose of this passage is to identify Jesus as both messiah and as the “glory of God.” It does so by identifying the Christ as the glory of God which Isaiah saw in Is. 6.⁸⁹ Isaiah's prophecies of woe on Israel can then be transferred by the gospel writer to the Jews who did not perceive Jesus as God's glory. To make the matter clear Jesus even cries aloud that in viewing him, men also view the Father. The rabbis had partially insisted on the use of “glory” as a metonymy for God in order to remove any heretical implications from the Sinai theophany. They expressly forbid the interpretation of the theophany as an angelophany. The New Testament adopts the targumic language but not the entire rabbinic sensibility.

In a sense, it is no surprise to see so many of the themes of the

ment against the person who attempts to go to heaven or who calls himself the son of man:

R. Abahu said: If a man say to you “I am God,” he is a liar; if (he says, “I am) the son of man,” in the end people will laugh at him; if (he says) “I will go up to heaven, he says so, but shall not perform it.” (j Taan. 65b).

In Abahu's time, Christianity of the gnostic or even Johannine type, is the most likely referent for the heresy.

⁸⁸ John 12:37 f according to the NEB.

⁸⁹ See McNamara, *Targum and Testament*, p. 98 f. and p. 50 above. Also Is. 12:42 for a discussion of the targumic background for these traditions.

"two powers" controversy show up in Christianity. We should expect to find Christians seek out "two powers" exegesis. What is surprising is that both sides of the argument show up. Paul can argue that some Jews compromise monotheism, even while maintaining that he does not. Apparently, even within Christianity the "two powers" controversy was evidenced. This suggests that some Christians were certainly guilty of "two powers" speculation, that others were accused of it but might have thought the charge untrue, and that still others might not have been charged at all. Certainly, as we shall see in coming chapters, the language of the "two powers" controversy becomes especially important within the church's struggle to refine christology.

Having found certain evidence that Christianity was involved in "two powers" polemic in the first century, we have discovered that traditions which we saw for the first time in rabbinic literature of the second century already existed in the first century. But what is the guarantee that Jews of the first century would have reacted in the same way as the second century rabbis towards these apocalyptic and Christian concepts of mediation? Perhaps they would have taken a more tolerant attitude toward these ideas of mediation as Philo did even while maintaining strict adherence to law and monotheism. Perhaps the term "two powers" is anachronistic as applied to the first century. After all, not all kinds of Christianity can be said even to be guilty of the crime. And the New Testament does not predicate divinity of Jesus with any frequency.⁹⁰ Most of the passages suggesting that the title "God" was predicated of Jesus are in hymns or doxologies,⁹¹ which indicate that the title of God was applied to Jesus more quickly in liturgical contexts than in narrative or epistolary literature. Some reluctance to predicate godhood of Jesus is reflected in the Jesus traditions. In Mk. 10:18 Jesus refuses the title "good" because only God is good. Even in John, with its exalted christology, Jesus always speaks humbly of himself: "The Father is greater than I" (Jn. 14:28) or the Father is "the only true God" (Jn. 17:3).

Given these ambiguities in Christian traditions, do we have any guarantee that Christians were more susceptible to the charge of "two powers" than other apocalyptic groups? Previously, we have seen that it was difficult to know on the basis of apocalyptic thought alone whether any apocalyptic angelology or doctrine of mediation could have

⁹⁰ See R. Brown's article in *ST*, 26 (1965), 545-73 for a discussion of these texts.

been found offensive to monotheism. In the case of Christianity, the Gospel of John gives us a more definite answer. It records in three places that Jews sought to kill Jesus because he claimed to be God or a special notable. Obviously, these reports are exaggerated and should not be dated to the time of Jesus. They demonstrate only that the Johannine community was under pressure from the Jewish community by the time the gospel was written, which is probably the end of the first century. In Jn 5:18, this report appears: "For this reason the Jews sought all the more to kill him—not only was he breaking the sabbath; worse still, he was speaking of God as his own Father, thus making himself God's equal." In 5:21, relevant to the same issue, the gospel states that "...just as the father raises the dead and grants life, so also the Son grants life to those whom he wishes," applying Dt. 32 to Jesus in the same way that the rabbinic community applied it to God. In Jn 8:58-59, Jesus appears to apply the divine name to himself, after which the Jews take up stones against him, implying that he had blasphemed the divine name or attempted to lead others astray:

The Jews then said to him, "You are not yet fifty years old, and have you seen Abraham?" Jesus said to them, "Truly, truly I say to you, before Abraham was, I am." So they took up stones to throw at him, but Jesus hid himself and went out of the temple.

Jesus' claim to the divine title "I am" foreshadows the trial scenes where he seems guilty of blasphemy.

It should be noted that earlier in this dialogue (vs. 44) Christians call the Jews "the first-born of Satan," a phrase which will become more significant in both of the communities as the polemic intensifies.

The blasphemy theme is continued in John. In Ch. 10, the charge of the Jews is repeated:

The Jews took up stones again to stone him. Jesus answered them, "I have shown you many good works from the Father; for which of these do you stone me? The Jews answered him, "We stone you for no good work but for blasphemy; because you, being a man, make yourself God." ⁹²

Jesus answers by referring to Ps. 82:6 that all Israel is called by the title "gods" and "sons of gods." Of course, Christianity assumed that

⁹² John 10:33.

⁹³ It has been suggested that underlying this passage are several traditions of agency and judgment on the basis of Deut. 19:17, Ex. 21:6, 22:9. See Brown, p. 409. But the full extent of the issues cannot be taken up here.

the phrase "son of God" means more than this basic designation and that the Old Testament reference had found fulfillment in Jesus.⁹³ What is important for our purposes is to see that by the time of the Gospel of John, the Jewish community is already described as opposing Christianity on the issue of the divinity of Jesus. It was the divinity of Jesus, rather than the messianic claim (though both were issues), that is portrayed as separating the two communities. The Jews criticize the Christians of "ditheism," rather than "two powers" which also foreshadows a christological problem in later Christianity.

Some of the social bases of the opposition between Jew and Christian can also be seen. The Johannine gospel reflects a time when the cleavage between Jews and Christians had become irremediable. This must refer to the end of the first century, although John explicitly says that the hostility started during the time of Jesus (see, e.g., 12:42). The gospel reports that Jews were already applying ostracism to the Christian community. If anyone should confess Jesus as messiah, according to Jn. 9:22, he was excluded from the synagogue.⁹⁴ We already have good evidence about the doctrinal and exegetical issues that separated Jew from Christian. Now some of the social consequences can be seen. Lou Martyn has made the very cogent suggestion that the Johannine texts refer to the imposition of the *Birkat ha-minim*, the curse against sectarians which was expanded in this period to include the *minim*.⁹⁵

But the Christian community is also very bothered by the Jewish reaction, for the gospel contains an anti-Jewish polemic of extreme ferocity, culminating in the charge that the Jews are offspring of the devil, while Jesus and his followers are from God. (8:42 f.) This extreme, opposing dualism in the fourth gospel seems parallel to the highly irritated social situation and suggests that such dualism may sometimes arise out of situations of severe social conflict. More can be said about the correlation between polemic and dualism when discussing the extreme gnostics of succeeding centuries.⁹⁶

What is most important is that the New Testament attests to traditions which, by the methodological assumptions necessary in

⁹³ See N. A. Dahl, "The Johannine Church and History," in W. Klassen and G. F. Snyder, eds., *Current Issues in New Testament Interpretation* (Nashville: 1962), p. 125 f.

studying midrash, could only be dated to the second century actually date to the first century, both in the Greek-speaking philosophical-Hellenistic environment which Philo represented, and the Aramaic and Greek speaking environment described by the gospels. Apparently the categories which the rabbis used to describe heretics in the second century are somewhat serviceable even to more objective historiography of the first century. But since there is no uniquely anti-Christian theme in the rabbinic attack, we cannot conclude that Christians were the only offending group.

One may disagree as to whether or when these groups began to compromise monotheism, which was the force of the rabbinic criticism, since many different positions in Judaism defended themselves with "two powers" arguments. But the terminology itself is apt, because it tells us the categories in which the development of Christianity was seen. It tells us that Christianity was probably one of a number of similar sects. It may have been unique in that it identified a messianic candidate with the manlike figure in heaven who was going to judge the world. But the theme itself was apocalyptic (and possibly mystical) in nature. It may also have been unique to identify a contemporary rather than a hero of the past with an angelic being.⁹⁷ But the theme was not, insofar as anyone can prove, the Christian application of a redeemer myth of a single, gnostic pre-existent, divine savior who was going to descend to earth, save those who received him, and reascend to heaven. Rather Christianity was one among a plethora of different sects with similar scriptural traditions. The single gnostic pattern, if there is one, seems to be a rather sophisticated re-understanding of the Christian model.

To summarize, the one sectarian movement in Judaism about which we have considerable evidence is Christianity. There is warrant to believe that "two powers" heresy was manifested in some kinds of Christianity in the first century. The evidence seems to show that Johannine Christianity, at least, was condemned by Jews as "ditheism" and would have considered itself to be "binitarian." There is some evidence that the Greek vocabulary for "two powers" would have been understandable to Paul. He did not use the actual term against his opponents but argued against their concepts of the angelic powers on the basis of God's unity. It is beginning to look like it was Christianity, in its zeal

⁹⁷ It does not seem likely to me that this was a great innovation. Personages of the recent past, far past, antediluvian heroes and even angels, were all equally part of the thought-world of first century Judaism.

to apply all Hebrew designations of divinity to Christ, which first put together the complete myth of the redeemed redeemer who descended to earth to save his followers.

The New Testament never overtly identifies Jesus with an angel. On the other hand, the church fathers identify Jesus as an angel quite frequently. Whatever one may say about the variety of Christianity manifested in the New Testament, it seems quite certain, as we shall see, that the Christianity of Justin Martyr and other church fathers would have been condemned by the rabbis as "two powers" speculation.

CHAPTER THIRTEEN

THE CHURCH FATHERS

We have seen that the rabbinic classification of heretics describes sectarian life sensibly, albeit from the rabbinic perspective, from the time of Philo and before through the apocalyptic and gnostic periods. Of course, Christianity was the most important heresy, not only because it was the most successful of the sects, but because it defined the divinity and personality of the "second power" in the clearest and most emphatic way. Since the Christian tradition is manifold and complex,¹ we cannot expect that the concept of an angelic mediator influenced every aspect of it. However, it seems possible, in light of the rabbinic description of Christianity, that such influence is greater than is usually assumed.

Luckily, much of the history of angelic christologies has already been chronicled in the process of tracing the origin of ancient Arianism.² In the next few sections on the church fathers, then, I can afford to be even more schematic and selective than previously. I must be content only to mention the angel in the Shepherd of Hermas, which should be seen as intimately related to the principal angel traditions in apocalyptic literature. Hermas talks in many places of a highest angel worthy of reverence, whom most commentators have identified as the Son of God.³ The angel is given the name Michael,⁴ yet the conclusion that he is equivalent to the Son of God or the Christ, is difficult to escape.⁵ Both are invested with supreme power over the people of God; both pronounce judgment on the faithful; both hand sinners over to the angel of repentance to record them.⁶

Justin, the gentile Christian, is the one church father whose relationship to the "two powers controversy" has been noted previously by several scholars.⁷ Justin Martyr was born at the beginning of the second century in Shechem, then called Flavia Neapolis, in Samaria. He called himself a Samaritan, which meant only that he was descended from people living in that part of the country and not part of that religious sect,⁸ because he stated that he was uncircumcized.⁹ The details of Justin's life add evidence for the relationship we have already suspected between Samaritans and early gentile Christianity. Justin's *Dialogue with Trypho* also evinces real polemical use of almost all the scriptural exegesis which the rabbis thought dangerous.

The setting for the *Dialogue* was Ephesus whence Justin had migrated in his Christian mission. The date for the *Dialogue* must have corresponded closely with the Bar Kokhba Revolt, for Justin mentions it often¹⁰ and Trypho is described as a Jewish fugitive who escaped from the turmoil.

Justin's use of midrashic traditions has sometimes been taken as evidence that the *Dialogue* is fictional, serving as a purely literary framework for presenting Justin's views.¹¹ Yet it certainly reflects one side of the debate between Judaism and Christianity in the early second century, whether the immediate incident be wholly fact, embellished incident, or pure fiction.

The clearest parallel between Justin and the enemies of the rabbis has been mentioned before.¹² By means of Gen. 19:24 Justin proceeds to show that a second divine figure, Christ, is responsible for carrying out divine commands on earth:

"The previously quoted Scriptural passages will make this evident to you," I replied. "Here are the words: 'The sun was risen upon the earth, and Lot entered into Segor. And the Lord rained upon

28 (1974), 49-56. He shows that language normally used of God, e.g., as the sender of angels, has been transferred to the principal angel.

⁷ Several scholars have pointed out Justin's relationship to the aggada. See A. H. Goldfahn, *Justinus Martyr und die Agada*, (Breslau: n.d.). Friedländer, "Patristische und talmudische Studien." Büchler has further emphasized the relevance of Justin for the two powers controversy around Sepphoris & Tiberius, see *Minim*. Also Ginzberg, *Die Aggada bei den Kirchenvätern*.

Sodom brimstone and fire from the Lord out of Heaven. And He destroyed these cities and all the country round about.' "

Then the fourth of the companions who remained with Trypho spoke up: "It must therefore be admitted that one of the two angels who went down to Sodom, and whom Moses in the Scriptures calls Lord, is different from Him who is also God, and appeared to Abraham."

"Not only because of that quotation," I said, "must we certainly admit that, besides the creator of the universe, another was called Lord by the Holy Spirit. For this was attested to not only by Moses, but also by David, when he said: 'The Lord said to my Lord: Sit Thou at My right hand, until I make Thy enemies Thy footstool,' and in other words: 'Thy throne, O God is forever and ever; the sceptre of Thy kingdom is a sceptre of uprightness. Thou hast loved justice, and hated iniquity; therefore God, Thy God hath annointed Thee with the oil of gladness above Thy fellows.'" (Ps. 45:7-8).¹³

It is a Jew, not Justin, who admits that another divine being, "The Lord," was present at the destruction of Sodom and Gomorah, and that this divine being was different from God. From our previous discussion, there is no reason to doubt that such heterodox Jews existed as early as Philo. Justin only endeavored to prove that this second divinity is the Christ. It is significant that the angelic figure is accepted by the Jew—only his messianic status is questioned. This is another piece of evidence that Christianity was the first to connect the messiah and the principal angel. In this place he relies primarily on the various descriptions of vindication and enthronement found in the Psalm texts. Subsequently in the *Dialogue*, he relies on the various theophany texts where a man-like figure appears to the Israelites and their prophets: Gen. 31:10-14 (ch. 58); Gen. 32:22-31 (ch. 58); Gen. 35:6-10 (ch. 58); Ex. 2:23; Ex. 3:16, 3:2-4 and Gen. 35:7 (ch. 60). His conclusion is:

When the Scripture here states that an angel of the Lord appeared to Moses, and then announced that He is Lord and God, it refers to the same person who is identified in many of our earlier quotations as the minister to God who is above the world and above whom there is no God.¹⁴

Since Justin understands the appearance of God in Jacob's dreams, wrestlings and even at the burning bush as a single consistent figure, he is able to promote both the independent personality of the being

¹³ *Dial.* 56.

¹⁴ *Dial.* 60 end and 61.

manifested and his divine nature.¹⁵ Like Philo Justin calls the *logos* another God (*heteros theos*), distinct in number, if not in essence. (ch. 56). The sharply drawn personality of this manifestation (together with the doctrine of the incarnation) is the element which most distinguishes Justin's concept of *logos* from Philo's. But, as Goodenough has persuasively argued, both Justin and Philo should be seen as evidencing examples of the same Hellenistic Jewish traditions.¹⁶ Like Philo, Justin believes that the *logos* is an angel in that it is a power (*dynamis*) radiating from God. Like the angels it has freedom of choice, but unlike the angels, Justin's *logos* has self-direction. (ch. 88). Therefore, although Justin implies that the *logos* is the same as an angel, he prefers to emphasize its distinctiveness in ways that never occurred to Philo.

As further evidence that these traditions had a background in Hellenistic Judaism before they were put to Christian use, Goodenough shows that most of the titles applied to the *logos* by Justin are the same as those used by Philo and other Hellenistic Jewish writers: *theos*, *kyrios*, *angelos*, *dynamis*, *anatolē*, *litha*, *petra*, *archē*, *hemera* (*phos*), *sophia*, *anēr*, *anthrōpos*, *Israel*, *Jacob* etc.:¹⁷

As Justin says:

"So my friends," I said, "I shall show from Scripture that the God has begotten of Himself a certain rational power as a beginning before all other creatures. The Holy Spirit indicates this power by various titles, sometimes the Glory of the Lord, at other times, Son or Wisdom or Angel or God or Lord or Word. He even called himself commander-in-chief when he appeared in human guise to Josue, the son of Nun."¹⁸

To substantiate the claim of the *logos*'s primacy in the divine economy, Justin points to the grammatical plural referring to God in Gen. 1:26 and Gen. 3:22.¹⁹ After this he adduces passages to support the incarnation from the virgin birth to the ascension.²⁰ Of course, the argument is not well received by his Jewish opponents, even those who admitted the existence of the second power, and Justin is required

to emphasize his argument by coming at essentially the same scripture from a variety of different perspectives. At one point he goes into a rather fanciful exegesis to show that the name of God, which the angel in Ex. 23:21 carried, is: "Jesus:"

Now from the book of Exodus we know that Moses cryptically indicated that the name of God himself (which He says was not revealed to Abraham or to Jacob) was also Jesus. For it is written: "And the Lord said to Moses, say to this people: Behold, I send my angel before thy face, to keep thee in thy journey, and bring thee into the place that I have prepared for thee. Take notice of him, and obey his voice; do not disobey him, for he will not pardon thee, because My name is in him." Consider well who it was that led your fathers into the promised land, namely he who was at first named Auses (Osee), but later renamed Jesus (Josue). If you keep this in mind, you will also realize that the name of him who said to Moses, "My name is in him," was Jesus. Indeed he was also called Israel, and he similarly bestowed this name upon Jacob.²¹

While it is clear that Justin is using "two powers" traditions to discuss Jesus, the traditions could have hardly originated with the identification of Jesus as the angel in Exodus. The attempt to see Jesus as the angel's name is secondary. Rather, Justin is taking over a previous exegetical, possibly mystical tradition, applying the name of his particular savior, and defending his belief against the other candidates for the office of angelic mediator. The tradition itself, without the Christian coloring, can be seen as early as Philo.

Nor did Justin neglect the Dan. 7:9 passage.²² He returned to that theme again and again, leaving no doubt it forms one central point of his faith. Since these are the very passages against which the rabbis warned, we should conclude that the rabbinic polemics against "two powers in heaven," by the middle of the tannaitic period, were directed against gentile Christians like Justin. Chronologically, it would correspond with the first written level of tradition in rabbinic writing and may be preserved at the core of the Mekhilta traditions where the opponents are actually called gentiles. Although Justin was Christian and could even call himself a Samaritan, he and people like him could easily have been seen as gentiles by the rabbis. This demonstrates that the reports of "two powers" do not merely put scripture in the mouths of the gentile opponents; they report actual scriptural debates.

²¹ *Dial.* 75. Probably, another form of the traditions evinced in the Prayer of Jacob lies behind this argument. See p. 199 f.

²² E.g., *Dial.* 76.

It is likely that the first fixed copy of the rabbinic traditions in the Mekhilta (which seems to come from exactly this time, as indicated by internal evidence,²³) was a response to people like Justin who were promulgating their doctrine of the Christian savior.

As was just concluded, Justin did not invent the arguments he used, nor was he the first to use them. The rabbinic texts, however, began to appear at the time in which Justin was alive and reflect enemies of Judaism like Justin who were contemporary with the Bar Kochba revolt.²⁴

Several traditions corresponding to the rabbinic ones are found in another second century church father, Theophilus of Antioch.²⁵ His relationship with midrashic traditions has been noticed before, but no conclusions have previously been drawn about his relationship to the "two powers" controversy. He too uses Christ as equivalent to *logos*, on the basis on John 1, but he uses several interesting scriptural quotations to prove his point.²⁶ He witnesses to the traditions we saw in Philo in which the *logos* is described as God's "place:"

Since the *logos* is God and derived his nature from God, whenever the Father of the Universe wills to do so, He sends him into some place where he is present and is heard and seen.²⁷

Further, after claiming that another title for the *logos* is "light," Theophilus could posit the idea that the *logos* helped God in the process of creation:

The unique spirit occupied the place of light and was situated between the water and the heaven so that, so to speak, the darkness might not communicate with the heaven which was nearer to God, before God said: "Let there be light."²⁸

²³ See p. 47 f.

²⁴ We know, of course that Christian gentiles were not the only gentiles to listen to the words of Jewish scriptures. Many people came to hear the scriptures read in synagogues. Judaism of that day had attracted many interested observers, even though it had not undertaken as zealous a proselytizing program as had Christianity. There is considerable evidence that Christian success in part depended on the attraction of that faith to gentiles already conversant with Judaism but unable to become completely Jewish either because they feared circumcision or because some Jews put other constraints and restrictions upon them. So we must not rule out the God-fearers or *sebomenoi* as the gentiles in these texts, even though we have no independent texts from them. See Paul Donahue, dissertation, Yale 1974.

²⁶ See Theophilus *Ad Autolyicum* I, 3; II 22; also Gen. 1:26 is used in II, 18.

²⁷ *Ad Autolyicum* 2:22.

²⁸ *Ad Autolyicum* 2:13.

For him, "In the beginning," the first words of Genesis, has the meaning of "by means of the beginning," ²⁹ which is yet another name for the *logos* and characterizes it as Lord and agent of God in the creation. Traditions like this which have Philonic antecedents may well be the kind of doctrine opposed by use of the tradition about Ishmael and Akiba.

However, he is much opposed to those who can derive a *multiplicity* of gods in creation:

And Moses, who lived many years before Solomon, or rather the Logos of God speaking through him as an instrument, says: "In the beginning God made heaven and earth." (Gen. 1 : 1) First he mentioned beginning and creation and only then did he introduce God, for it is not right to mention God idly and in vain (id. Ex. 20 : 3). For the divine Sophia knew in advance that some persons were going to speak nonsense and make mention of a multiplicity of non-existent gods. Therefore, in order for the real God to be known through his work and to show that by his *logos* God made heaven and earth and what is in them, he said: "In the beginning God made heaven and earth." Then after mentioning this creation, he gives an explanation: "And the earth was invisible and formless and darkness was above the abyss and spirit of God was borne above the water" (Gen. 1 : 2). ³⁰

Theophilus does not identify his opponents. But he talks about them as if they, to use the rabbinic term, believe in "many powers in heaven." His use of Gen. 1:1 sounds like the debate between Ishmael and Akiba, or at least, the ways in which Ishmael and Akiba's exegesis was understood by later rabbis. ³¹ This points out that someone whom the rabbis would have called a believer in "two powers" and who believed in a divine partner in creation nevertheless opposed other traditions about the creation which he described as "many powers." It would not be too rash to attempt to identify the "many powers" groups with the varieties of gnosticism and Jewish Christians that elaborated grand schemes of the cosmic spheres, inhabited by myriads of angels.

Theophilus also opposes the idea that two different gods were involved in creation—one creating man, therefore masculine in nature; the other creating woman, therefore feminine in nature:

You shall be like Gods—so that no one would suppose that one god made man and another made woman, He made the two together. Moreover, He formed only man from the earth so that thus the

²⁹ *Ibid.*

³⁰ *Ad Autolycum* II, 10.

mystery of the divine unity might be demonstrated. At the same time, God made woman by taking her from his side, so that man's love for her might be greater.³²

To combat such heresies, Theophilus even relies on polemic familiar from rabbinic tradition to show that while God may do His work through His *logos* manifestation, there is only one, unique God responsible for all divine actions. Indeed, Theophilus argues from the same texts as the rabbis used: the same God who strikes down also heals.³³

Apparently then, some of the "two powers" traditions which the rabbis opposed were to be located within the Christian community. But others, like "many powers" traditions, gave what would become orthodox Christianity trouble as well. The arguments which evolved within the Christian community give us clues about how to distinguish the orthodox and heretical groups. "Many powers in heaven" were heretical both to the church fathers and the rabbis. And, if church fathers shared the "many powers" polemic with the rabbis, they must have been aware of the charge of "two powers" as well.³⁴

Irenaeus gives evidence for some of the same exegetical traditions which Justin and Theophilus evinced. But Irenaeus brings the scriptural passages to bear against gnosticism. Marmorstein³⁵ noticed the relationship between Irenaeus' and the rabbis' exegesis. However, it was his opinion that the reports in the church fathers and the rabbis were absolutely independent and could only be explained by assuming that both were original responses to gnosticism. That is not the probable conclusion, because when Irenaeus explicitly mentions some of the scriptural passages which the gnostics used, they do not correlate highly with the scriptures we are tracing. For instance, Marcosians used Gen. 1, Ex. 33:20, Is. 1:3, Hosea 4:1, Ps. 13:3, Dan. 12:9.³⁶ According to Irenaeus most of these passages were useful for showing that Israel is ignorant of its real, high God. Therefore, the rabbinic polemic probably had other, earlier targets in mind.

Ex. 33:20 is the most relevant to us.³⁷ We have seen it occur often in rabbinic and Philonic exegesis, where it both contradicted Ex. 24:10 and supplied the idea that the God manifested at Sinai showed mercy as well as justice. It is possible that the theme of justice, as well as the inferiority of the demiurge, appealed to the gnostics. But such an argument is not mentioned by Irenaeus as significant for gnostic purposes. When it was manifested in Philonic and rabbinic doctrines, the basic structure of the argument involved a second figure present at the theophany. We cannot be sure that these gnostics were "two powers" heretics.

However, when Irenaeus defends Christianity against the Marcionite gnostics,³⁸ he himself uses "two powers" traditions. Jesus came from the Father, being foretold by the prophets in the following verses: Ps. 110:1, Gen. 19:24, Ps. 45:7, Ps. 82:1 and Ps. 50:1. By quoting these passages he tries to show that the Old Testament made mention of both the Christ (as Lord) and Father (as God)—though, at the same time, uniquely one true God. We are familiar with the use of Ps. 110 by the New Testament and Gen. 19:24 by the rabbis and Justin. The latter proved that the Son had received power to judge the Sodomites. Two of the new Psalm references—namely Ps. 45:7 and Ps. 82:1 are similar to Ps. 110 in that they describe an enthronement scene, which is taken to be the enthronement of the Son in heaven. Ps. 50:1 is more significant because it occurs as dangerous scripture in a late passage in amoraic midrash³⁹ along with Jos. 22:22 and Jos. 24:19. There, the form of the tradition was different enough from the surrounding context to make us suspicious of its being independent of R. Yohanan and R. Simlai, brought in by the editor because of the analogous subject matter. Here we have evidence that at least one of those added passages, namely Ps. 50:1, was used quite a bit earlier than the third century witness which the rabbinic text gives us. There is no specific evidence to demonstrate that the other passages were used as early as Ps. 50:1 was. But Jos. 22:22 has exactly the same string of divine names, as Ps. 50:1—El, Elohim, YHWH—so it is equally likely to have been used as proof of plurality. Notice that Irenaeus uses the passage merely to prove that the Son is one with the Father.

³⁷ Gen. 1 has been discussed several times before. It was used by so many groups to so many different purposes that we can conclude little from its occurrence here.

³⁸ *Adv. Haer.* III, 6, 1-4.

³⁹ See p. 126 f. Ps. 45:7 is used to prove that the Son is to be called *El*lohim in Heb. 1:8 (see p. 213) and is also used by Justin (see p. 222).

He could do this because the Greek translation of the psalm used a genitive plural to translate one name of God (*Theos Theōn Kyrios*) making a total of two figures. The rabbis, writing later, have heard the implication of three different aspects of deity as dangerous. They had a more emphatic trinitarian argument than Irenaeus' in mind; we can see from Irenaeus that the argument itself has an earlier, more primitive form. Jos. 24:19, on the other hand, provide a completely different argument in rabbinic text—that of grammatical plurality—and may not have been originally related to the former traditions at all. The best conclusion about Jos. 24 is that it is a later addition to the rabbinic text. The rabbis did not hear about its Christian use until later than the others, even though we have an independent witness that it was in use at an earlier time.

Thus, Irenaeus shows us that the enthronement and theophany passages in the Old Testament were very important to the Christian community and, in fact, heavily used by church fathers *to fight against* the new idea that the God in the Old Testament was not the God of salvation—a doctrine such as we find in Marcionism and gnosticism.

The heresy of "two powers" is often related to the church's debate about the nature of the trinity in ways that have not yet been adequately treated. The history of that phenomenon is best left for a separate work, but the main lines of the issue can be drawn here. Tertullian (ca. 160-220) and Hippolytus (d. 235) both devoted their energies to defeating gnosticism and Marcionism. However, they were also concerned to define the orthodox nature of Christianity. In doing so, they were, more than once, charged with believing in "two gods" by Christians of the modalist and monarchianist persuasion.⁴⁰ As early as Justin's time, there were Christians who objected to the idea that the *logos* was numerically different from the high God. The first theologian of this type of whom we have significant record, is Noetus of Smyrna. Hippolytus⁴¹ tells us that Noetus believed so strongly in the unity of God that he had to maintain that the Father suffered and underwent death along with the Son (patripassionism). For scriptural support, he and his supporters relied on some familiar rabbinic proof texts: Ex. 3:6, Ex. 20:3, Is. 44:6, Is. 45:14 f. and others from the New Testament, implying the unity of God.

Tertullian also debates with the adherents of this "modalistic"

⁴⁰ The main issues of doctrine are summed up in J. N. D. Kelly, *Early Christian Doctrines* (New York: 1958), pp. 83-132.

heresy.⁴² In doing so, he makes binitarian use of all of the scriptures which we have associated with the heresy of "two powers." Furthermore, he is at pains to show that *two Gods* are presupposed by the Bible: one who spoke at creation, the second who created!⁴³ But he goes on to correct the implication of dualism, saying that it is not fit to derive from these scriptures a notion of two separate beings, only two Gods in number.⁴⁴ Apparently, these modalists were accusing Tertullian of believing in ditheism whereas he admits to being binitarian.

The closing decades of the second century witnessed an attempt to salvage biblical monotheism in Christianity. The second attempt, called dynamic monarchianism, was a kind of adoptionism teaching that Christ was a mere man. Apparently, the two Theodotuses who are associated with this heresy believed that Jesus was an ordinary man, or that he did not become deified until after his resurrection. The first Theodotus was excommunicated by Pope Victor (186-98).⁴⁵ The second Theodotus also promulgated heretical speculations about Melchizedek, whom he regarded as the supreme power, the spiritual son of God, superior to the Christ (messiah) and possibly identical to the spirit which descended on Jesus in baptism.⁴⁶ Novatian puts in the mouth of these heretics the criticism that orthodoxy believes: "If the Father is one and the Son another, and if the Father is God and Christ God, then there is not one God, but two Gods..."⁴⁷ Apparently then, despite the different starting points of monarchianism and modalism, they both were united in their concern to preserve the unity of the divinity.

A much more serious and sophisticated form of the modalist doctrine flourished during the reigns of Popes Zephyrinus (198-217) and Callistus (217-22). It must be remembered that they are in the orthodox succession, while Hippolytus, though called Bishop of Rome, was excommunicated. The man responsible for the modalist doctrine was Sabellius, who came to Rome during the end of Zephyrinus' reign and, after being patronized by Pope Callistus, was eventually excommunicated by him.⁴⁸ He is fiercely attacked by Hippolytus, as would be

expected. However, in a sudden turn, Hippolytus also accuses Callistus of the same crime, even though the latter was presumably aware of the dangers of patripassionism. Most interesting of all, Hippolytus records one of the charges made against him by Callistus as ditheism, (*ditheous*).⁴⁹ Now, it is difficult to show the exact nature of the relationship of this polemic to the rabbinic one. But the great similarity in terms and scriptures may point to influence. It seems likely that the church continued to use the stronger term "two gods" because of the polemical context. This would suggest that the synagogue must have ceased to be actively involved in polemic when it prudently changed to the designation "two powers" at the end of the tannaitic and beginning of the amoraic period.

A philosophical context for the argument, corresponding to the exegetical context, is to be noticed in the writing of Origen (ca. 185-250). As an Alexandrian, he was heir to the Philonic tradition and is clearly also in the tradition of middle Platonism represented by Albinus. He felt that the Son of God, as *logos*, could be called a *deuteros theos*.⁵⁰ In his *Dialogue with Heraclides*, the issue between the two men is centered on the Eucharist. Apparently, they both agreed that Christianity could be said to believe in "two Gods," although only in a special way: "We are not afraid to speak, in one sense of two Gods, in another sense of one God."⁵¹

His reservations against describing Christianity as believing in "two Gods" are understandable. Jews, Christian modalists and even pagans could accuse him of violating monotheism. In fact, he is forced to defend himself from such a charge levelled by Celsus, who says that Christians believe that two lords rule the world.⁵² By now, many different groups of people were using the same arguments in a variety of contrasting ways. Of course, wherever the charge of "two gods" was brought, the familiar scriptural passages from Dt. and Is. as well as "I and my father are one" from the New Testament were the corrective. Origen can bring them in to defend the monotheism of Christianity, even while maintaining "two Gods" elsewhere.⁵³

Aphrahat also reviewed the scriptural exegesis against Christians which he has heard from the Jews. He said the Jews use Ex. 34 and Dt. 32:39 to show that God has no son,⁵⁴ as indeed the rabbis do in Sifre and Mekhilta.⁵⁵ At a fairly late period of time, the argument against God having a son continued in use against Christians.

Equally interesting is the polemic against Christians developed by Julian in the pagan revival. The surviving fragments of Julian's writing against Christians show that he criticized Christians for having given up the belief in God's unity when they adopted the doctrine of the trinity, while the Jews continued to preach the original idea.⁵⁶ Against Christians who protested that they did not worship more than one God, Julian quoted the New Testament: "And the Word was with God and was God" (John 1:18).⁵⁷ Obviously Julian had learned Christian scripture. Nor did his training stop with the New Testament; he knew the Old Testament and evidently was even familiar with rabbinic writings. There is a definite relationship between the arguments of Julian and the Jewish opponents of Justin in the *Dialogue with Trypho* although modalism may have provided the channel of transmission. Julian's observation that Gen. 49:10 could not be said about Jesus is the same as the comment of the Jewish sage to Justin. So Dt. 18:18 and Nu. 24:17, other of Julian's proof-texts against christology, may also have been in use in Jewish, anti-Christian polemic.⁵⁸ Even more to the point is Julian's use of rabbinic or modalist polemic when he charged the Christians with worshipping, "a second god." Julian showed that Moses repeatedly forbade such worship by citing Dt. 4:35-39, Dt. 6:4 and Dt. 32:39—the very passages which are developed for use against "two powers" in rabbinic literature. By the time of Julian therefore, the "two powers" argument was quite normally used both by and against Christians. This points to the existence of firm literary traditions but we know from the apocalyptic and Philonic evidence that the history of such traditions extended back as early as the first

R. Kimelman, dissertation in progress at Yale University, has pointed out that Origen and R. Yohanan interpret the Song of Songs in such corresponding ways that it is likely that they actually heard of each other's arguments in third century Caesaria.

century, even when we can only date the earliest rabbinic recension of these arguments to the second century. In comparing the use of the terms of the polemic in rabbinic and Christian settings, it has seemed logical to assume that "two gods" is a better term for battling with heretics, while "two powers" is better for instructing the faithful. If so the change from "two gods" to "two powers" in rabbinic writings would signal a change in the function of the tradition. It would have been done by rabbis more interested in warning their constituents than actually in battling the heretics.

CHAPTER FOURTEEN

MARCION

Only when the scope of the "two powers" controversy has been outlined within both the Christian and Jewish communities, can one hope to approach the figure of Marcion. Certainly he is a key figure in the debate concerning dualism. The complexities that attend serious study of Marcion might justify a whole book on this aspect of his thought. Again we are in the position of having to deal with issues very selectively, primarily in order to date the rabbinic evidence, in the hope that some of the issues ignored or only touched upon now can be investigated more fully at a later date.

Marcion has been seen as a prime candidate for the rabbinic polemic against two powers.¹ However, we have already seen evidence that the controversy has roots that go back considerably earlier than he. It is growing clear that the rabbinic texts present us with a palimpsest of different traditions. Yet the Marcionite polemic has certain characteristics which will affect our identification of the targets of the rabbinic polemic. We shall see that, although he and his followers were participants in polemics, Marcion's method makes it unlikely that he himself could have been the original target of the rabbinic charges. In studying Marcion, then, we shall uncover merely one more layer of the development of the polemic, not the origin of the issue.

In his *Letter to the Phillipians* (7:1) Polycarp of Smyrna warned that he who denied that there can be either judgment or resurrection should be considered "the first-born of Satan." We realize that such issues were characteristic of both rabbinic and early Christian communities. By the time of Irenaeus, a legend had developed that Marcion had asked Polycarp for recognition as bishop only to be rebuffed by the words "I recognize you—as the first-born of Satan!"²

The term "first-born of Satan" has a Hebrew equivalent (BKWR STN) which seems to have had a similar and contemporary use within Jewish exegesis—as a term of reproach for someone who did not

² *Adv. Haer.*, III 3, 4.

follow the accepted tradition of scriptural interpretation.³ (In the rabbinic occurrence, the offender had followed Shammaite *halakha*.) Since the first-born of Satan is Cain, as we discovered previously,⁴ the term probably alluded to the tradition we noted as early as Philo that the human race was descended from two different genealogies—the good from Seth and the bad from Cain.⁵ It seems likely that the term was developed in Jewish sectarian life and was later applied to Marcion. If we believe Harnack,⁶ there was good reason for this term of derision to have been applied to Marcion. What made Marcion extreme in his belief according to Harnack, and what would make him a good target for the term “first-born of Satan,” was the idea that only those who had been rejected by the creator (e.g., Cain and his descendents) could be led out from the lower world by Christ, while Abraham and those justified by the creator must remain unredeemed.⁷

Apparently Marcion accepted the traditions that those who did not follow the “orthodox exegesis” were descended from Cain, but he transvalued that tradition so that Cain became the ancestor of those elected of Christ, in turn, the messenger of a good, saving God yet unknown and unprophesied in the Old Testament.⁸

Such common terminology between Jewish and Christian communities is important to us because it points to a relationship between them. We already have good evidence that such relationships existed, based on corresponding terminology and exegesis in the rabbis and church fathers. Although the church’s use of language parallel to rabbinic practice in calling Marcion names appears now to tell us nothing specific about the “two powers” controversy, the reversal theme will provide a

In Harnack’s opinion, based on the reports of Irenaeus, Marcion believed that Christ’s function was to be judge at the end of the world, redeeming the good men from among the living and from the grave. If so, this would have been an idea he held in common with orthodox Christianity.

model for a hypothesis about mutual dependence later on.⁹ Previously in this discussion, it has always seemed more plausible to reconstruct the transmission of a tradition from an original context in Judaism into Christianity. From Marcion onwards, the case is no longer clear. Since Marcion is primarily a Christian heretic, and since he represented fully as much a danger to the Christian community as to the Jewish one, the original source of the defense against him should remain open. If the rabbis were concerned with Marcionite theology they might have been dependent on the church fathers for their defense against him. It is also possible that each community developed its defense against Marcion independently.

We know about Marcion's doctrines from various polemics against him within the church fathers. Justin probably wrote the earliest treatise devoted solely to discrediting Marcion. Although scholars have detected parts of it in Irenaeus' discussion of Marcion, Justin's work has not survived intact. Irenaeus, in turn, wrote little as compared to the systematic work by Tertullian afterwards. Therefore, most of the evidence about Marcion is not contemporary with him and may testify not to Marcion's own doctrine but to what Marcion's later adherents believed as well as the extent to which the church fathers were willing to villify their opponents. Justin Martyr is the first to mention him, saying:

One Marcion, a man of Pontus, who is even now alive, teaching those who believe in him to pay honor to a different god, greater than the creator; and this man has by the assistance of demons caused many of every nation to utter blasphemies denying the God who made this universe and professing that another, a greater than He, has done greater things.¹⁰

Irenaeus said that Marcion was a follower of Cerdo and that both taught that the god discussed in Torah is just or righteous (*dikaïos*) but that he is not the father of Jesus, who was descended from an unknown and wholly good (*agathos*) god.¹¹ The Old Testament god is "just" or "righteous" in the sense of being the administrator of justice—simply paying men what they deserve for their actions. Besides this retributive aspect he is also the creator of the world. On the other hand, the New Testament god is good in the sense of being

⁹ See below, p. 245 f.

noble or generous or kind. Corresponding to the Old Testament god's role at creation, the New Testament god is the author of salvation. Then Irenaeus tells us that Marcion believed Jesus to have been an emissary of the good god, appearing suddenly in human shape at the start of his mission. Marcion only accepted those parts of Christian writings which substantiated his point. He accepted Luke alone of the gospels but abridged it to avoid any annunciation or birth narratives. Likewise, he edited the letters of Paul in such a way as to eliminate any inference that an Old Testament prophecy was fulfilled by Jesus or that the Christ aided in the work of creation. Lastly, Irenaeus tells us that Marcion made all the villains of the Old Testament into heroes.

Tertullian begins his treatise by saying that Marcion, like other heretics of Tertullian's day,¹² was perplexed by the problem of evil, especially as it was expressed in the book of Isaiah: "It is I who create evil things" (Is. 45:7). This testimony about the value of Isaiah 45 to heretics parallels the rabbis sensitivity to a similar passages in liturgy. But it does not make Marcion the first target of the heretical charges. It only makes clear that there were a variety of heretical notions which the rabbis wished to avoid and that Marcion promulgated one of them. It also clarifies rabbinic interest in arguments about God's justice and mercy.

Though he was strictly dualistic, many of Marcion's disciples followed more moderate routes. For instance, Apelles reduced the dualism of Marcion to a single god with one power (*dynamis*) who yet created a principal angel, called variously a second principle or second god, (*deuteros theos*).¹³ Whereas the followers of Marcion would seem uncontestedly to have used some of the dangerous ideas and scriptures characteristic of the "two powers" controversy, the same cannot necessarily be said of Marcion himself.

Pure Marcionite dualism then was a special, unique and shortlived development in the history of dualism and should involve identifiably different uses of scripture. Because his superior god is a stranger whose existence was previously unknown and unexpected, Marcion had to reject the Old Testament as irrelevant to the process of salvation, yet not as historically inaccurate. There could be no prophecies of the advent of the true Christ in the Old Testament, since the Christ was

¹² "Quod et nunc multi et maxime haeretici," *Adv. Marc.* 1:2.

¹³ See Harnack, *Marcion*, pp. 188-92. Apelles' god has a single power as described in Epiph., *Haer.*, 44, 1. His principal angel, like the *logos* of Philo, is called *deuteros theos* in Hipp., *Ref.*, X, 20.

absolutely unknown until he appeared.¹⁴ In fact, Marcion felt that the Jewish messiah, as a representative of the just god, was prophesied and would appear as a kind of anti-Christ. Furthermore, Marcion disallowed the kind of allegorical interpretation which was so popular in Philo and the church fathers.¹⁵ Therefore all Old Testament prophecies were either fulfilled in their time or refer to the Jewish messiah who was to be a national (albeit also a supernatural) deliverer. Thus, one can immediately observe that Marcion's understanding of Dan. 7:9 f. and the theophany passages in Gen. Ex. or Ez. would not have anything to do with the god of salvation. He might even have agreed with the messianic interpretation of Dan. 7 given by Akiba, but he certainly would not have used the passage to discuss anything beyond the national deliverance of Israel. These aspects of Marcion's thought help us understand the ferocity of the church fathers' opposition to him. They did not mind his deprecation of the Israel of the flesh. Rather his canon of New Testament writings was dangerous and the church required the Old Testament authority in order to foretell the coming of the Christian messiah.

Because Marcion's writings have not come down to us directly, it is difficult to draw firm conclusions about the scriptural passages which were most important to him. However, from the reports about the *Antitheses* which Harnack collected, some of Marcion's techniques of exegesis and certain of his favorite scriptures can be inferred. According to the church fathers he found those scriptures important which speak of the Old Testament god as the author of evil. This would include Isaiah 45:7 (which Tertullian placed at the center of his thought), but also Jeremiah 18:11 and the several other passages which discuss the power of God to do evil.¹⁶ Still, Marcion does not want to describe the Old Testament god as purely evil. Rather, he wants to show that his justice is inferior to the goodness of the New Testament god. Therefore, he emphasizes those aspects of Old Testament narrative which imply divine ignorance or inferiority. The god of the Old Testament has to ask Adam where he is. He has to ask Adam and Eve what they have done (Gen. 3:9). He has to ask Cain where his

¹⁴ Harnack, *Marcion*, pp. 188-92. In his strict adherence to the principle that the Old Testament prophecies refer to events congruent with their context, Marcion had a rather modern perspective on the Old Testament.

brother Abel is (Gen. 4:9).¹⁷ He must descend in order to see what the outcry of Sodom and Gomorrah signifies (Gen. 18:21).¹⁸ Marcion further points out that the Old Testament god does and says many contradictory things, showing that he is inconstant. For instance, he repents.¹⁹ Now these passages turn out to be generally similar to the scriptural passages used by the critics of the Torah against whom both the rabbis and Philo polemicized. But they are not used by Marcion to develop "two powers" arguments.

In fact, Marcion seems to agree with the rabbis that one god speaks through the whole of the Jewish canon. The rabbis would say that God is both merciful or just. Marcion would say that he is by nature just but this would include being cruel on occasion.²⁰ However much the rabbis disagreed with his opinion of the Old Testament and the character of the divinity described therein, they would not have used "two powers" arguments to defeat him. Marcion himself, in the context of his own thought, finds principal support from the sayings of Jesus in Lk 16:13, (Mt. 6:24) and Lk 6:43 (Mt. 7:18) which warn against serving two masters or against a divided household.²¹

Accordingly, rabbinic and Marcionite beliefs appear similar enough to Tertullian that he sometimes groups them both together:

It is now possible for the heretic to learn, and the Jew as well, what he ought to know already, the reason for the Jew's errors: . . .²²

Also:

Let the heretic now give up borrowing poison from the Jew—the asp as they say, from the viper: let him from now on belch forth the slime of his own particular devices, as he maintains that Christ was a phantasm: except that this opinion too will have had other inventors, those so-to-speak premature and abortive Marcionites whom the apostle John pronounced antichrists, who denied that Christ was come in the flesh but not with the intention of setting up the law of a second god [*alterius deus*]²³—else for this too they would have been censured (by the apostle)—but because they had assumed it incredible that God (should take to him human) flesh.²³

This section of Tertullian's work is known to have circulated independently under the title of *adversus Iudaeos*!²⁴ Evidently the Tertullian's interpretation of the Old Testament prophecies in a Christian sense attempts to be no less valid against Jews, who deny the incarnation and the truth of the New Testament, than against Marcionites who deny the Christian value of the Old Testament by asserting that there are two gods. The syntax is quite ambiguous, but Tertullian here seems to me ironically not to understand "a second God" as a term of derision against Marcionites. However, Tertullian asserts as counter-arguments to Marcion (and Jews) the very Old Testament passages which the rabbis found dangerous as grounds for "two powers" interpretations. It is clear, then, that the accusation has become conventional, having different meanings in different contexts.

Tertullian compares the Old Testament references to the "son of man" with the New Testament "son of man" sayings of Jesus to show that the Old Testament did, indeed, foretell the coming of Christ.²⁵ In one place he uses Ps. 110:1 to proclaim the "son of man" as identical with Jesus who has been raised in power to be seated next to God.²⁶ Furthermore, to prove that Christ is present in the Old Testament he has to retreat from the antinomianism of some of his predecessors.²⁷ He maintains that the good God was present at the giving of the Ten Commandments, by asserting that the Christ, even there, was God's intermediary. As proof of this, he quotes Ex. 23:20, one of the passages which gave the rabbis such trouble: "I send my angel before thy face, to guard thee in the way and to bring thee into the land which I have prepared for thee: give heed to him and hear him, disobey him not."²⁸

²⁴ The wording of Tertullian's work so closely parallels the anonymous *adversus Iudaeos* that it is possible to correct the defective reading of either one from the other. Several theories have been propounded about the relationship between them. Professor Gilles Quispel, *De bronnen van Tertullianus' adversus Marcionem* (1943) suggests that the author of the *adversus Iudaeos* is the Christian apostate whom Tertullian condemns for having pirated his work in *Adv. Marc.* I, 1. H. Traenkle, in his edition of *adversus Iudaeos* (1964), says that it is Tertullian's own work, but is earlier than *Adv. Marc.* See Evans, I, p. xix.

²⁸ *Ter. Adv. Marc.*, III, 16, Evans, I, p. 219. Note dependence on Justin who used a similar argument against the Jews. See p. 224.

Similarly, Tertullian uses Ps. 22:2 to show that Jesus communicated with his Father in heaven while on the cross.

Not only is Marcion's exegesis of scripture similar to the rabbinic exegesis in some respects, but also Tertullian, as an opponent of Marcion, exhibits many of the characteristics of "two powers" heresy which offended the rabbis. Of course, this is to be expected, in part, since Tertullian is usually seen to have developed his defense against Marcion out of writings which came down to him from Justin, Irenaeus, and Theophilus, all of whom have assumed candidacy for the charge of "two powers" heresy.²⁹ It also implies that some modalists may have accused Christian orthodoxy of believing in a second God in order to group it together with Marcionism. The exegeses typical of this heresy in Judaism thus came to be completely revalued in Christianity.

As his use of "alterius deus" seems to imply, Tertullian can also use anti-dualism arguments against Marcionism which are familiar to us from rabbinic writings themselves:

To such a degree is this justice, even plentitude of divinity itself . . . God Father and Lord, Father in clemency, Lord in discipline . . . Thou shall love God and Thou shall fear Him . . . The same God who smites also heals: He kills and also makes alive, He brings down, He rises up: He creates evil, but also makes peace. So that on this suggestion too I have to answer the heretics. "See," they say, "He himself claims to be the creator of evil things when He says: 'It is I who create evil' . . ." ³⁰

It is surprising to see Tertullian marshal what look like Philonic or rabbinic arguments against "two powers" to defeat Marcion. The backbone of the passage is Dt. 32:39 which was central to the rabbinic exegesis against "two powers." Nor is it the only time that Tertullian relies on this passage:

Why need you explain a difference of facts as an opposition of *authorities*? Why need you distort against the Creator those antitheses in the evidences, which you can recognize also in His own thoughts and affection? *I will smite*, He says, and *I will heal*. *I will slay*, He says and also *I will make alive* by establishing evil things and making peace. ³¹

In this case Tertullian might be relying on a rabbinic tradition directly or indirectly through other church fathers, who had used it in

²⁹ See, e.g., Evans, I, p. xx.

³⁰ Tert. *Adv. Marc.*, II, 14; (Evans, I, p. 125). Note the similarity to the Philonic exegesis of the names of God.

their battles with heretics. It seems most likely, however, that Tertullian is trying to reinterpret Dt. 32:39 because it is a scriptural passage Marcion himself used.³² In Marcion's system, the statement of Dt. 32:39 can only be said by the inferior god of the Old Testament. Tertullian is trying to prove that the Old Testament God is good as well as just. Notice that in doing so he promulgates a distinction between YHWH and God, denying only the opposition between the powers. Marcion used Dt. 32:39 to show the ignorance and inferiority of the god of the Jews. Tertullian wishes to disprove dualism but does not necessarily object to a binitarian interpretation. When viewed together with the christological conflicts outlined in the last chapter we see the subtlety of the argument in a Christian context.

This is a special example of the inter-relationship between Christian and Jewish communities because Dt. 32 is especially important to the rabbinic polemic against "two powers." It is evidenced often in tannaitic writings as proof against binitarianism entirely. It seems obvious that the rabbis could not have brought up this passage originally to defeat Marcion, because Marcion would have been able to agree to all the rabbinic arguments against the doctrine of "two powers" within the Old Testament. If the rabbinic use is in any way related to the Christian and Marcionite use, it would have had to evolve earlier than Marcion. Marcion himself need never have heard the rabbinic use of Dt. 32 at all because he could have heard it from a source within the church. It may even be that the church's usage contributed to the evolution of standard terminology within Judaism. The exegetical issue dates from the first century but the terminology was standardized in this context. The most important point is to note that Marcion's statement of the ignorance of the Old Testament god becomes a typical refutation of the rabbinic understanding of Dt. 32, both for Marcion's followers and for other groups of his day. The rabbis stress God's unity by means of Dt. 32. Some gnostics will attribute these passages to the demiurge who promulgated his uniqueness only because he is ignorant.

We are left with the conclusion that the rabbinic polemic against "two powers" may oppose Tertullian's theology but could not have arisen to combat Marcion. In many respects Marcion's exegesis resembles some of the critics of the Torah in Philo's time. No doubt philosophical discussions about the nature of evil influenced him significantly. Many rabbinic traditions about justice and mercy may have had Marcion in

³² See Harnack, p. 264* who relies on Origen for this conclusion.

mind. But the debate over "two powers" must be earlier than Marcion since Marcion's use of scripture, when relevant at all, presumes that the debate has already reached a certain stage. Since Marcion himself lived in the first half of the second century, we have more evidence that the debate antedates the earliest references in rabbinic literature and seems appropriate to the first century. Some of Marcion's followers, like Apelles, certainly become relevant to the polemic when they give up the radical dualism of Marcion and turn the inferior god into a helping angel or *deus secundus*. In this respect they are no different from a host of gnostic sects proliferating during this period. It is to gnosticism that we must now turn our attention.

CHAPTER FIFTEEN

GNOSTICISM

By the end of the second century, at least two different kinds of heretics were opposed in rabbinic polemic. The earliest polemic was designed to counter apocalyptic, mystical or Christian identifications of a manlike figure enthroned as judge next to God, as described in various epiphany texts. The second to emerge involved the claim that the creator was ignorant of a higher god and that there was a complete separation of divine mercy from divine justice, even to the extent of making them properties of two different gods. The first tradition could be seen as early as Philo in Hellenistic Judaism and was continuously employed by mystics, apocalyptists and Christians. It was opposed by the rabbis in traditions which antedate the first midrashic recensions of the post-Bar Kochba times. The second theme (divine mercy and justice) was present in Philo and the rabbis but it developed as a separate polemic only after "two powers" traditions had already started—in fact, as the rabbinic corrective to "two powers" heresy. It may have been asserted by the rabbis strenuously in opposition to Marcion. Based on the synoptic apocalypse, early Christianity may well have felt that the function of the second figure was to judge the world, not be merciful to it as in Marcion's system. So Marcion's doctrine represents a clear break from Christian conceptions as well as from the exegetical traditions in Judaism.

Is there any historical relationship between binitarian "two powers" heretics and dualistic "two powers" heretics? Were they historically related or merely classified together by the rabbis? It may be that Christians and gnostics (who are reportedly the best examples of binitarian and dualistic "two powers" heretics) are entirely different movements which were put together by the rabbis because of certain gross similarities. Yet, complete separation of the two communities should not be seen as probable because, in characterizing gnostics as Christian heretics, even the church fathers admitted an intimate relationship between the two.

If it is true that only the second angelic figure in heaven has a continuous history in heterodox exegesis and that the argument about mercy and justice was used extensively first by the rabbis against

Christians, gnostics and Marcion, then we are faced with the difficulty of explaining how some "two powers in heaven" heretics changed the early concept of co-operating deities into the two antagonistic deities characteristic of later gnosticism.

Is there anything in the rabbinic evidence which helps us understand the relationships between gnosticism and Christianity? The answer, I feel, is "Yes." There are some clues about the relationship between them in the scriptures they use. Gnosticism is an extremely widespread phenomenon in the late Hellenism occurring in many different communities—Jewish, Christian and pagan—so no history of traditions in any one community can account for the whole development definitively. Nor can any single argument be viewed as absolute in such a complex situation. Nevertheless, one significant aspect of the development of gnosticism in the Jewish and Christian communities is highlighted by the scriptural traditions which we have been tracing, when seen together with the gnostic texts found in the church fathers and those from Nag Hammadi. The change from binitarian to dualistic and gnostic systems seems more closely related to polemical exaggerations between groups than to the earlier sectarian dualisms (like Qumran, for example). Several intermediate systems will have to be mentioned before the reason for the change from binitarianism to dualism in sectarian literature will become clear.

The *Poimandres* is one of the earliest examples of these traditions. C. H. Dodd dates it just prior to the time of Valentinus (130-140 C.E.) but remarks that its exact date cannot yet be fixed.¹ As Dodd shows, the work is an amalgam of the creation story based on the Bible and various conceptions current in stoic and Platonic thought. At the base of the cosmos there is only a primal God, *Nous* or Mind, who is manifested to the seer as the figure Poimandres. Creation is carried out by the primary manifestation of the highest being, the *logos* or Word. This *logos* is personified as the Son of God in ways similar to those we have seen in Philo and the Wisdom of Solomon (18:15-16).² It is clear that, whatever else may be of interest in the document, it would be considered "two powers in heaven" by the rabbis. We can see that those powers are complementary.

Among the Greek philosophers, just as among the theosophists who produced the hermetic literature, the concept of "second god"

¹ *The Bible and the Greeks*, p. 209.

² C. H. Dodd, *The Bible and the Greeks*, pp. 117-119.

appears to have achieved some limited use, partially based on Plato's idea of the demiurge in the *Timaeus* and partially based on the application of the idea to the *logos* by Philo. Numenius of Apamea, for instance, though he survives only in fragments, is known to have been influenced by Jewish scriptures.³ Origen, in the *Contra Celsum*, remarks that Numenius was familiar with the scriptures of the Hebrews, which he endeavored to synthesize with Greek philosophy by means of allegory.⁴ Numenius calls the first divinity "The Good" or "Reason or Thought,"⁵ even "the Standing God."⁶ But because Numenius also distinguishes radically between God and matter, he finds it necessary to assume a "second god" who mediates the chasm while participating both in divinity and matter. With this cosmology, Numenius has appeared to many scholars as a gnostic.⁷ However, he can hardly be a radical gnostic, for the soul, while divine in origin, is distributed in sentient beings through the rational agency of the second god.⁸ Thus, Numenius' second god is hardly the evil demiurge of the radical gnostics. However, when seen together with the *Hermetic Literature* and possibly even the *Chaldaean Oracles*, Numenius' writing suggests that there was a healthy interest in Jewish thought among the pagan mystics and incipient neo-Platonists of the second century.⁹ Perhaps some philosophers like Numenius, as successors to Philo, together with gentile Christians were included among the "nations of the world" identified by the rabbis as believing in "two powers in heaven." This philosophical usage of the term "second god" in the successors of Philo may be the basis of the use of the term in rabbinic literature and the christological controversies of the second and third centuries.

Some of the documents called gnostic in the writings of the church

⁶ Fr. 15. Notice the affinities with Philo's discussion of God, based on the LXX phrase, "place where God stands." In fact, since the study of K. S. Guthrie, *Numenius of Apamea: The Father of Neo-Platonism* some relationship between Philo and Numenius has been generally assumed.

fathers seem to play an intermediary role in the development towards radical dualism. Hippolytus gives us several instances of gnostic writings which have interesting conceptions of a second power in heaven together with the concomitant scriptural passages. In the Naasene Preaching,¹⁰ considerable Adam speculation is combined with the idea of a primal creature on the one hand and the saviour on the other. The primal man is the bisexual Adamas. He makes everything but is not identical with anything he makes. Apparently he is the primal helper of the highest principle, the pre-existent, also known as the *logos* or as Hermes, the guide of souls. Evil comes not from him, but from another power who creates this material world without the knowledge and consent of Adamas. Though Adamas is a beneficial and good power, he must be distinguished from "The Son of Man" or "the Great Man," who is identified with Christ. Apparently a number of concepts of mediation—some at creation, others at redemption—are being jumbled together in repetitive fashion. All of the mythic material repetitiously and somewhat contradictorily emphasizes the three-fold nature of the cosmos—a wholly good and pre-existent principle; the mediating figure who is also the symbol of transcendent intellect; and the inchoate, unredeemed material of this world. The object of mankind is to recognize the divine aspect within and, with this knowledge, seek to return to the purely divine realm through the mediation of the second figure.

In the *Apophysis Megale*, Hippolytus describes a gnostic system ascribed to Simon Magus of Gitta.¹¹ The highest power of God is again called the *logos*, which is in charge of creation of heaven and earth. He is described as He "that stands, took His stand, and will stand," (12:3) using terms for immutability reminiscent of the LXX and Samaritan traditions to describe the vision of the elders—namely, "the place where God stands," (LXX: Ex. 24:10) which we have seen before in Hellenistic Judaism.¹² The document uses "place of the Lord" to describe a divine presence (17:7). It is obvious that the document, like many other gnostic works, is a theological reworking of the biblical creation story together with angelophany scenes. So far, all stories posit a principal power of God who functions as His complementary (not antagonistic) helper because the highest God cannot enter into materiality.

The Book of Baruch, also condemned by Hippolytus,¹³ contains many complicated legends. In it, we see many motifs which worried the rabbis and the church fathers alike. Paradise is the primary setting and remains a major theme. The angels are predicated as man's creators. Finally, the highest God is called "the Good" and can possibly be identified as the divinity whose blessing is sought in the heretical benedictions "May the Good bless you" or "May your name be remembered for the Good."¹⁴

The mediating figures in *the Book of Baruch* are especially interesting. Since the Good cannot enter the evil world, he is confined to his realm of light. In order to carry out his orders in the material world he employs two other primal powers—the consorts Elohim and Eden, who are lovers. They sometimes appear to have the characteristics of earth and heaven divinities for they create and rule the earth and heaven respectively with their progeny of angels. Elohim and Eden therefore together function as demiurge. This is a first example of the Hebrew God represented as the demiurge alone, while a higher divinity rules the entire universe. However, Elohim is not yet the ignorant, arrogant god of later gnosticism. In the process of creating the heavens, Elohim recognizes that a luminary, greater than any he created, can be seen at the limits of the heavens (26, 15). He alone enters this highest abode through a gate and is enthroned next to the Good (Ps. 110:1).¹⁵ Thereupon, he contemplates destroying the imperfect world he has made, but he is dissuaded by the Good. Meanwhile, down below, Eden at first adorns herself to attract her consort but, when she realizes that she is abandoned, sets out to punish the spirit of Elohim in men. Thus, suffering comes into the world through the jealous female consort of Elohim, while he, the principal demiurge, remains an admirable creature. Indeed, he commissions Jesus to preach knowledge of the Good to men. Those who follow the teaching are said to participate in a mystery (by drinking water, also described as the true baptism) in which they "enter the Good" (27,2). Perhaps again, the heretics who valued these stories said the benedictions about "the Good" which so upset the rabbis.¹⁶ In any event, we can see a

progression in the concept of the second power in heaven. Now the Hebrew God has become only the principal angel (or more exactly, both male and female characters together function as the Hebrew God) while there is a high god who is his master. Yet the Hebrew God is not yet evil; nor is he exclusively defined as YHWH.

Some of the more recently found gnostic documents illustrate the next (though not inevitable) step in the development of the "two powers" heresy. It is clear that the Chenoboskion library found at modern day Nag Hammadi contains many different documents with varying characteristics. Some treatises seem hardly gnostic; others hardly Christian. Some show significant and considerable influence by Jewish sectarianism and Merkabah mysticism.

The Gospel of Truth, contains very extensive comments on the Name of God, The Real Name (*kyrion onoma*) which is not to be expressed.¹⁷ I quote in full from the translation of G. Quispel:

And the end is the Taking-of-Gnosis about Him who is concealed. And this is the Father. He from whom proceeded the Beginning and to whom all who have proceeded from Him and who have been manifested for the Glory and for the Joy of His Name will return. And the Name of the Father is the Son. He it is who at first gave the Name to him who proceeded from Him and who was Himself. And He has begotten him as Son, He has given him His Name which He possessed, He—the Father—to whom belong all things existing near Him. He has the Name, He has the Son, (and) it is possible for them (i.e., the Aeons) to see Him. But on the other hand the Name is invisible, for this alone is the mystery of the Invisible, who has reached to the very ears which are all filled with it by Him. For, in fact, they do not name the Father's Name. But He reveals Himself by a Son. Great, therefore, is the Name. Who then is there who could pronounce a Name for Him, the great Name, except He alone, to whom this Name belongs? And the Sons of the Name are those in whom the Name of the Father rests. And they for their part rest in His Name. Since the Father is beyond being, only he whom He has begotten was (for Him) a Name before. He had set in order the Aeons, in order that the Name of the Father might be on their head as the Real Name (tr. of *kyrion onoma*). Such is the Authentic Name,

¹⁶ See p. 104 f., 215 f.

¹⁷ See G. Scholem "Über eine Formel in den koptisch-gnostischen Schriften," *ZNTW*, III (1931), 176. Based on this evidence Gilles Quispel suspects the presence of a related doctrine of heavenly journey by which the adept's cosmic twin, the self, journeys to behold the angel of the name who is equivalent to "the Face of God" because he is the visible manifestation of God. (See "The Birth of the Child," *Gnostic Studies*, I, 223). If so, there would be a continuity in thought between early heretical mysticism, Jewish Christianity, gnosticism and Manichaeism.

steadfast in its authority and by its perfect power; for this Name does not belong to the words (*Lexeis*) nor is it from the designations (that) His Name (comes), for it is invisible. He has given a Name to Him alone, while He it is who alone understands (lit. sees) it, while he alone is he to whom it is possible to give a Name. In truth, He, who is beyond being, has no Name. For what Name will one give to Him who is not? On the other hand, he who has become in his being, he is also with his Name and he alone knows it and to give him a Name there was the Father alone. The Son is his Name; He has therefore not concealed it by this action; but as soon as the Son had come into being, He gave a Name to him alone. That is why (lit. "therefore") the Name (of the Son) was that of the Father, in the same way that the Name of the Father was (that of the) Son. This mercy, where shall it find a Name, if it be not that of the Father? But certainly someone will say to his neighbour: "Who is it that will give a Name to Him before whom there was none, as in the case of the name which children receive from those who give them birth?" First of all, then, it is fitting for us to consider the mystery: What is the Name? For this (i.e. this Name) is the Authentic Name. This, then, has become the Name in the true sense of the word. So he did not receive the Name as a loan, like the others, after the manner of each, by which he returns (prob. trans. of *onoma tēs apokatastaseōs*). But this is the Real Name (*kyrion onoma*). There is none other to whom He has given it; but He was Unnameable, He was Ineffable until the moment when He, He alone who is perfect, uttered it, and He it is who has the power to say his Name and to understand (lit. "see") it. When He then (wished), still existing in Himself, that His beloved(?) Name should become His Son and (when) He had given him the Name, (then) He who proceeded from the Depth spoke of the hidden things of Him, knowing that the Father is a Being without evil. Therefore He also sent this one that he might speak about the Topos and His (place of) Rest, from whence he proceeded, in order that he might glorify in the Pleroma the Greatness of his Name and the Sweetness of the Father.¹⁸

In the midst of this work we suddenly find traditions that associate the name of God with "place" and make the divine name both a manifestation of God and an independent hypostasis which mediates revelation. All of this strongly suggests that various gnostic ideas ultimately go back to Jewish heterodox traditions where they may or may not have been heretical in nature. The opposing configuration of deities insures that at least two (perhaps many) independent deities were present. Therefore it seems clear that the rabbis would have considered it heretical. When the powers were complementary—as they seem to be

¹⁸ *Gnostic Studies*, 23-24.

in the apocalyptic literature of the first century, in some of the gnostic and much of the Christian literature—the independence of the second power is a moot question. It is often possible that the later traditions in heretical literature are survivals of heterodox but not necessarily heretical exegesis, brought into a new context.

In the untitled document from Codex II, often called the *Origin of the World*, and in *The Hypostasis of The Archons* there are long descriptions of the heavenly throne which depend to a great degree on the traditions we have been discussing from Ex. and from the beginning of Ezekiel. In both documents, as in those described by the church fathers, proto-Merkabah traditions abound. We see that the chariot is used as a throne surrounded by a glorious palace inhabited by a plethora of angels. The major cherubim have four faces—that of a lion, a bull, an eagle, and a man, as adduced from Ezekiel 1, the most important Merkabah text. Similar chariots are also employed by the seventy-two gods who give man the seventy-two languages of the world.

Sabaoth, in *The Untitled Work*, has many of the characteristics of the second figure in heaven. His name is evidently derived from the Hebrew YHWH ŠB'WT, Lord of Hosts or Powers. In UW 152:10 he is said to be "over all the forces (*dynameis*) of Chaos." He also shares some of the characteristics given to Jesus in various traditions. Like Christ in the *Sophia Jesu Christi*, he is said to have created the angels.¹⁹ Yet the parallel between the documents is not complete, since Jesus is himself one of the created angels, seated at the right of Sabaoth in the *Untitled Work* (UW 153:25-29), whereas in the *Hypostasis of the Archons*, it is Zoë who sits on the right of Sabaoth. Apparently, only the figure of the primary angel is consistent in the documents, not his name or identity.

In UW, Sabaoth is the son of Yaldabaoth, the demiurge. As in Valentinian thought, Sabaoth is to function as a savior. He has learned that what his father told him—namely, that his father is lord of all—is untrue. Upon realizing this, he is taken to the seventh heaven and enthroned. Some of the "two powers" traditions have been applied to the gnostic savior and the reason is clear. Sabaoth functions as the role model for the ideal believer, who is to move beyond Judaism (and Christianity) to true gnostic belief.

Other parts of these esoteric Jewish traditions have been applied to the demiurge. This development points out a transformation charact-

eristic of gnostic interpretation of these traditions. Throughout the document we are informed that Yaldabaoth, the demiurge, had exclaimed at his creation: "There is no other god but me"—paraphrasing the same verses in Ex., Dt. and Is., which the rabbis had used to defend their God. In the gnostic text, the claim of the demiurge is patently false, because he is ignorant of the higher, good deity above him.

The pattern is far from unique. It occurs many times in the Nag Hammadi corpus. In every case, the ignorant demiurge (often Yaldabaoth) boasts that he is the only god, quoting or paraphrasing Dt. 32:29, Is. 44:6, or 46:4. In every case the boast is ironic because the reader knows that there is a god higher than he.²⁰ Therefore, gnostic interpretation also took over the claims of uniqueness of Israel's God, but applied them to a demiurge. Apparently gnostic exegesis split the tradition we find opposed by the rabbis into two parts. The traditions about a second figure were transmuted into the gnostic savior, while the scripture characteristic of the rabbinic polemic against "two powers" was associated with the evil demiurge who is still the god of Israel, but not the high god.

It is conceivable that "negative value" Judaism developed independently, and not in response to orthodox disapproval. Deuteronomy and Isaiah had been available for many centuries. But several considerations make it more probable that the specifically gnostic arguments date from a period considerably later, when the rabbinic polemic against "two powers" had already been developed. First of all, even a quick reading of gnostic texts reveals that the scriptural focus of the gnostic mind was on the first few chapters of Genesis rather than on Deuteronomy, Exodus or II Isaiah. The rabbis were the first sure witnesses to the use

²⁰ See H. Jonas, *History of Religion*, p. 267 who locates the following texts: #27 (p. 149), #39 (134:27-135:4; 143; 407), #4 (UW: 148:27-33; 151-3-28 155:17-37), #2 (Sacred book of the Invisible Great Spirit or Gospel of the Egyptians), p. 178; #4 (Sophia of Jesus, SJC in BG 125:10-126:5); #1, 6, 36 in Apoc. of John. (BG 44:8-16 cf., 45:11f, 45:20-46:9). According to the more recent numbering of the Nag Hammadi corpus the vain claim of the demiurge can be found in clear form also in "The Hypostasis of the Archons," (II, 1) 86:28-87:3; 94:20-28; 94:34-95:7 in "The Origin of the World" (II, 2) 103:6-20; "The Apocryphon of John" (II, 3) 11:18-21; 13:5-13 (with parallels to BG 44:9-17); "The Gospel of the Egyptians" (II, 4) 58:23-59:4 and often elsewhere. My thanks to Anne Maguire and N. A. Dahl for providing further references for the Nag Hammadi section of the 1976 SBL meeting. See also H. M. Schenke, *Der Gott "Mensch" in der Gnosis*, p. 87f. of Deuteronomy passages together with the principal angel passages. Since they brought them in for polemical purposes, there is little possibility that gnostics could have brought in the same traditions for any purposes other than polemical ones. It makes good sense to see these distorted claims about the ignorance of Israel's God as a polemical answer to the rabbinic polemic against "two powers" which relied heavily on Dt. 32 and on Is. 44-47.

Final conclusions will have to await the publication of the remainder of the Nag Hammadi library. But some striking ramifications of the evidence in the library already seem to be clear. The Jewish sectarian milieu for gnostic origins, postulated by Quispel, Wolfson and others seems confirmed.²¹ For instance, two documents from the library, which give primary importance to Shem or Seth as revealers, clarify an essentially Jewish sectarian setting for many of the gnostic documents by showing Christian influence to be secondary. In the *Apocalypse of Adam*,²² Seth functions as the prophet to whom *gnosis* is given after creation, paralleled by Shem after the flood. Adam is quite important in this treatise. He helps in creation and is higher in rank than the god who created him and Eve. The demiurge attempts to stamp out *gnosis* by causing a deep sleep of forgetfulness to come over Adam but *gnosis* later triumphs. Adam is emphasized throughout the text, but he is not the redeemer, only an angelic carrier of the *gnosis*. Several other figures, including an "illuminator," function as redeemer. Persian themes are present in the birth of the illuminator, like Mithras, from a rock. Yet there is no single myth of a redeemed redeemer or *anthropos*, because Adam and the redeemer remain separate figures. If any Christian material relating the redeemer to Adam is present at all, it is well disguised. We are therefore justified in describing this document as a non-Christian, heterodox, Jewish-gnostic document, though there is no reason to assume it is pre-Christian in origin.

The same evidence seems to be emerging in reports about *The Paraphrase of Shem*.²³ In this case as well, we have evidence for a primarily Jewish sectarian document in the Nag Hammadi library. Almost no Christian influence can be seen. On the other hand, the dependence on the Hebrew Bible is obvious. Not only are Sodom and the Sodomites mentioned in a favorable sense, but the flood, and the tower of Babel

also play a role. All of these contain primary places where the doctrine of "two powers" could be derived. In this case, the major character is called Derdekeas and functions primarily as a redeemer. He is also supposed to be the creator of heaven and earth, rather like *Poimandres*, except that the atmosphere is now anti-Jewish.²⁴

Instead of evidence of de-Christianization, we have some evidence that the tractate was Christianized. Hippolytus seems to use a form of the *Paraphrase of Shem* as his main source for the doctrine of the Sethians.²⁵ He calls it *the Paraphrase of Seth*, but the document is essentially the same. In Hippolytus' version, however, several Christological interpretations have been added.²⁶ Epiphanius knew of an early gnostic sect, the Archontici (many powers?) who, like the believers of this document, considered water anathema in baptism.²⁷ A preliminary study seems to be showing that this document is an example of non-Christian, Jewish sectarian gnostic work which was later Christianized. Like the *Poimandres* it makes use of material from the Hebrew Bible but in this case it is radically transformed into a "negative value" Judaism for polemical purposes.

It is now possible to speak of the later history of the polemic. Just as the rabbis were passionately trying to preserve their faith, so too some "two powers" sectarians were passionately trying to preserve theirs. They refuted the forceful rabbinic charge against dualism, based on Dt. 32, by revaluing the biblical creation to make their god or hero come out on top. We have already seen examples of this creative exegesis. Cainite and Marcionite circles accepted the appro-

²⁴ Fred Wisse seems to find that the notion of a pre-Christian savior myth is confirmed in this material, even though the document is not pre-Christian. It seems to me more warranted to say that many of the aspects of what is called "the gnostic salvation myth" are present, but the late date makes it impossible to decide when or how all the themes—helper in creation, Adam, angelic mediation and redemption—came together.

²⁵ Hippol. *Philosophoumena*, V, 19-22.

²⁶ See V, 19, 20. Since Sethians identified Seth with Christ, this identification of Shem with Christ indicates a peculiar relationship of Shem and Seth. We must also remember that Shem and Melchizedek are firmly connected with Samaritanism by Pseudo-Eupolemos. Shem and Melchizedek are also equated by the rabbis. In the Sethian documents of the Nag Hammadi corpus, the vain claim of the demiurge appears often. In *The Second Logos of the Great Seth* (VII, 2), for instance, the Cosmocrator says to the angels "I am God" but was scorned. The savior in this case has the Hebrew theophoric name "Adonaios" and gnostics ridicule orthodox christians for believing in "two lords, even a multitude."

²⁷ These Archontici lived in Palestine and were closely related to the Sethians. For further reports about this sect in the church fathers, see Wisse, p. 139.

bation "first born of Satan." In doing so, they revalued the dishonorable epithet into a positive term. Similarly, gnostic distortion of the original "two powers" tradition—the bifurcation of the second figure into a gnostic savior and evil demiurge—can be seen as a response to the aggravated atmosphere created by rabbinic polemic on the one side and incipient orthodox Christian polemic on the other.²⁸ The heretics must have reasoned that Israel's God and Christian orthodoxy's God who claimed to be unique as recorded in monotheistic statements of Exodus, Deuteronomy and Isaiah, was only an ignorant god. He did not know about the gnostic god, who was going to save only those who recognized him—that is, only the "two powers" heretics who were "gnostics." The church offered a possible haven from the battle because some varieties of Christianity maintained christologies which were very close to the gnostic idea of the redeemer, and Christianity shared the experience of expulsion from the synagogue for violating the doctrine of monotheism. But both church and synagogue reacted antagonistically to the gnostics. Thus we actually have a three-cornered battle. Extreme anti-Jewish gnosticism can be seen to arise in circumstances where groups holding "two powers" traditions run headlong into the polemics against "two powers" and "many powers" which developed in the rabbinic academies, but which were used by church fathers as well. In a real sense then, both orthodoxy and heresy were trying to manipulate scripture in order to demonstrate the veracity of their own beliefs and the authority of their own clergy. The rabbis attempted to use highly rationalized methods of exegesis to show that the stories of the heretics were completely faulty. Their method, midrash, was derived from the discussions of the academies and the sermons of the synagogues. The extreme gnostics countered by developing a massively polemical mythology.²⁹ The church fathers used both methods against both sides.

²⁸ This idea is an extension of the kind of development of traditions portrayed by N. A. Dahl, *Erstgeborene Satans*, see p. 137 f. and p. 234 f. We have jointly developed these themes further, together with a response from Birger Pearson in a forthcoming volume of proceedings from the SBL seminar on Nag Hammadi studies.

²⁹ The whole issue of polemical mythology deserves more serious study, both phenomenologically within history of religions circles and exegetically among scholars of this particular period. In this case, for instance, Dt. 32:39 occurs as the boast of the demiurge in such a variety of gnostic systems that one cannot escape the conclusion that the claim itself antedates any mythological setting. Probably many artificial myths were created in order to explain how the claim of the demiurge (that he was the only God) was to be treated. For an analogy see A. Kragerud, *Die Hymnen der Pistis*

The transformation of values seen in Nag Hammadi is not limited to the third century, when gnosticism was already full grown. The story of the arrogance of the demiurge was known to the early church fathers. It is reported in Irenaeus,³⁰ Hippolytus,³¹ and Epiphanius³²—indicating that the process of transvaluing Judaism to create an evil demiurge in contrast to the saving grace of the gnostic redeemer was already underway by the middle of the second century. Such arguments, in turn, might call forth the kind of defense seen in the latest level of rabbinic polemic. For instance in passage 2, R. Nathan's argument, may be understood to oppose the idea that the god who created the world claimed his uniqueness in secret.³³

Furthermore, not all groups wanted to use the solution of the radical gnostics. Many (probably those who continued to attract Jews) remained in an intermediate position where the text of the Old Testament was not so thoroughly revalued. We can see more evidence for them in the latest body of writing significant to the "two powers" controversy, the Pseudo-Clementine literature. Though the literature comes from the fourth century in its present form, earlier traditions have been recognized in it. The literature tries to defeat gnostic arguments; nevertheless, it contains many traditions common to Jewish esoteric teachings and various non-orthodox Christian communities. For instance, its division of the cosmos into masculine and feminine syzygies could easily have been the doctrine opposed by Theophilus.³⁴ In form, it is a collection of narratives and homilies attributed to the apostle Peter and transcribed by Clement, all polemicizing against the gnostic Simon. Yet the Christianity offered as a corrective to gnosticism is not equivalent to what has

Sophia (Oslo: 1967) especially 159-220. In that case, the myths about Sophia were created to provide a setting for the Psalms and Odes of Solomon texts which the sect wanted to clarify and interpret. Elaine Pagels reports in "The Demiurge and his Archons—Gnostic Views on the Bishop and Presbyters?" *HTR*, (1976), p. 1, that a similar battle can be seen between Christian and gnostic bishops. She suggests that the real issue was over the authority and polity of the bishops, but was translated into a mythological battle over whose god was higher! This is a very persuasive argument about the social context of gnostic polemics. We should not assume that the battles were merely exegetical. For instance, the social dimension of Johannine dualism may be discoverable in the polemic against their Jewish neighbors, who oppose their faith and have excluded them from the synagogue. See my article on the "Lord of the World-Angel or Devil?: Towards a Sociology of Gnosticism," and also p. 189 n. 20.

become orthodoxy. Rather it has many "Jewish-Christian" characteristics. For instance, the statements of Christ's divinity in the New Testament are reinterpreted to mean that all men's souls are divine. After death they will all shine as stars in heaven. According to Peter, neither is Jesus himself a god. Instead he has been adopted as "the Son of God," and is called Adam, an angelic prince or a variety of other terms. Such doctrines, as well as Christian orthodoxy, may have been countered by rabbinic statements that God has no son, but they probably would not be considered "two powers" heresy by the rabbis.

Many other issues which we have been tracing were also discussed in this literature. Simon argues, for instance, that the plural used in Gen. 1:26 indicates that there were many creators, or at any rate, more than one.³⁵ Peter replies that the verse refers not to another creator but to God's *Wisdom*, who was present with God at the creation. Peter typically defends his monotheistic Christianity against the charges of his enemies by relying on many of the scriptures used by the rabbis against "two powers" and also some used by the church fathers against gnostics.³⁶

The heretical side of the dialogue is represented by Simon Magus. His doctrine also attests to the idea of *place* as another name for the *logos* or principal divine manifestation on earth. Simon allowed that two different areas have been separated in the cosmos; the second area, (*deutera chora*), being a second place, is also a second being.³⁷ In this system there are also two rulers (*hegemones*) who govern the two areas,³⁸ who are in turn related in time to this world and the next. The prince of this world is evil, while the prince of the world to come will be good.³⁹ So the high god, having delimited two areas or dominions, has also ordained two cosmic periods.⁴⁰ The total number of gods is then three. It is as if the Simon of this document has split the second god of Marcion into a creator and a legislator in a manner reminiscent of Philo. Therefore, the higher god has sent two gods, one of whom created the world, the other of whom gave the Law.⁴¹

Here is an occurrence of the two exegetical traditions—the second figure and the mercy and justice traditions—coming together in heresy, rather than in anti-heretical polemic. Apparently in the position attributed to Simon, traditions about the justice and mercy of God are combined with the notion of the high god and his helper. He is operating with the same issues which surround the rabbinic defense of “two powers” speculation. Unlike Marcion, Simon uses Old Testament references to prove his case. Therefore heretics like the Simon of this document may certainly among those that the rabbis condemned.

But they are also distressing to Peter! He attempts to counter them with the same scriptural passages which the rabbis would have used. One of his comments about Simon is a quite important:

Whilst I betake myself to the heathen who say there are many gods, to preach and proclaim the one and only God who made heaven and earth and all that is therein, that they may love and be saved, wickedness has anticipated me according to the laws of the syzygies and has sent Simon ahead in order that those men who, rejecting the gods assumed to exist on the earth, speak no more of their great numbers, may believe that there are *many gods in heaven*. Thus, would men be brought to dishonor the monarchy of God and to meet severe punishment and eternal perdition.⁴²

The writer of this document may have been familiar with the term “many powers in heaven.” He used rabbinic defenses against “two powers” arguments and the designation “many powers” so the “many powers” must certainly be seen as a species of “two powers” and not a wholly different heresy. He compared “many powers in heaven” with “many powers on earth,” synonymous with paganism. The rabbis never use the term to contrast with paganism, and instead contrast “no power in heaven” with “two powers in heaven” and “many powers in heaven.” Nevertheless the terms may not be unrelated. Though the method of definition differs, the basic identification by both Jews and Jewish Christians of sectarian groups (rather than gentile nonbelievers) is good evidence that both the rabbis and the Jewish Christians are dealing with similar opponents and the same traditions. In a work that relies so heavily both on rabbinic and Christian traditions, the ironic complaint of Peter cannot be purely coincidental. It seems as if “many powers in heaven” is meant to refer to the Simonian gnosticism with its complex system of archons and creators.

⁴² H. 3 (59:2) Hennecke-Schneemelcher, p. 552.

These traditions are fully in agreement with the traditions about "many powers in heaven" which we found in the rabbinic legends. They probably dated from the same time and confirm our suspicions that the basic category of heresy involved "two powers" ideas expanded by an elaborate angelic cosmology.

CHAPTER SIXTEEN

CONCLUSIONS

Having surveyed several varieties of extra-rabbinic literature in the Hellenistic period to find texts relevant to the "two powers" controversy, it is now time to return to the original questions of the inquiry: Which extra-rabbinic groups are most likely to have been the targets of the rabbinic polemic? How early is the "two powers" controversy? The extra-rabbinic evidence has provided much information helpful for answering both of these questions. All the data and many of the conclusions have already been mentioned. But the various findings of the study need to be summarized so that avenues for future research can be defined.

In the rabbinic evidence, dating was an especially difficult problem, because the traditions crystallized over a long period of time, forming texts with complicated lattices and strata. Even when we could date a document with relative certainty, we could not be sure that the earliest form of that tradition was present in it. In such cases previous scholars have felt relatively free to assume a long and sometimes fanciful pre-history. With more careful attention to the text we were forced to conclude that the rabbinic polemic against "two powers," like most rabbinic traditions, can not be dated earlier than the time of Ishmael and Akiba. While even such an early dating has problems in rabbinic texts, there were many hints of greater antiquity.

In the rabbinic evidence, we discovered that the earliest issue concerned the identity and status of a human figure in heaven. The issue might have originally been the anthropomorphic language used of God or the meaning of the two Hebrew words for deity, YHWH and Elohim. It was difficult to tell which problem was the most basic, since both were based on the same exegetical context and were discussed together. In the late tannaitic period, but not before, we found a certain amount of evidence for an opposing, configuration of deities in the heretical theology. (R. Nathan).

Once the extra-rabbinic evidence was consulted it became obvious that the rabbis' second century opponents had first century forebears. In apocalyptic literature as well as in the Philonic corpus it was often difficult to say whether the borderline between sectarian strife and

heresy was actually crossed. No doubt the line was drawn subjectively, depending on the perspective of the observer.

It is now possible to construct a coherent, synchronized history of the tradition. The early biblical theophanies which picture God as a man or confuse YHWH with an angel are the basis of the tradition. The book of Daniel, usually dated to Maccabean times, is the earliest witness in the Bible to the existence of apocalyptic traditions of a heavenly figure, though it is possible that some Enoch traditions are older. Yet neither Daniel nor the early Enoch material give the figure a title. Most attributes of the "son of man" or "manlike" figure are undefined. Instead the tradition grew through differing exegeses of a variety of theophany texts. The events narrated in Dan. 7:9 f. may be part of the Israelite Holy War and Divine Warrior traditions—mythological motifs which Israel shared with its neighbors. If so, Israelite culture, as is normal in cases of cultural contact, not only shared the ideas, but transformed them to fit its own scheme of things. The mythology recorded in early Daniel and Enoch traditions was monotheistic and was fitted through exegesis to the events of Maccabean times, stimulating the development of an eschatology suited to Maccabean partisans. The speculation continued among a number of groups and was later canonized by the rabbinic community. In no way can every occurrence be considered heretical.

Some traditions which became part of the "two powers" controversy were known by Philo, who used the term "second god" (*deuteros theos*) to describe the *logos*. The Hebrew equivalent "two gods" or "second god" was used infrequently by the rabbis as a term of reproach. It did not become the preferred title for heresy within the rabbinic movement, possibly because of the risk of blasphemy merely in saying it. The usual rabbinic terminology "two powers in heaven" was standardized at the end of the tannaitic period, although alternatives continued to enjoy a certain currency in the amoraic period, apparently in polemical settings. "Two powers," on the other hand, was better suited for informing the community of the dangers of heresy without revealing too much of the content. It is impossible to speculate on how the Pharisees would have reacted to Philo's system.

Within the Palestinian community, with its many sects, polemics for monotheism were used in a variety of ways. Paul seems to use anti-"two powers" polemic against Jews whom he charged with venerating angels while he himself could have been charged with the identical crime by rabbinic Jews.

One heretical candidate was sure. The christological statements in Johannine literature are clearly heretical because the fourth gospel represents the Jews as opposing Jesus when he equates himself with God. Johannine Christians, if not Jesus himself, were charged with the crime. "Two powers" seems to be one of the basic issues over which Judaism and Christianity separated.

Therefore the evidence is that opposition to Christian exegesis preceded opposition to extreme gnostic exegesis. In this case, the key factor in separating radical gnosticism from earlier exegesis is the negative portrayal of the demiurge. Whenever the second figure in heaven is seen as negative, we are dealing with a radically gnostic system. Not until then can we say definitively that a gnostic heresy is present. In all the earliest traditions, the second figure is always seen as a complementary figure, suggesting that the notion of a divine helper who carried God's name is the basic concept which developed into heresy, not a redeemed redeemer.

Marcion's system is not a likely candidate for the original target of the rabbinic attack against "two powers," for the rabbinic attack was exegetical at base, while Marcion does not allow any Old Testament references to the savior God. Although the best candidates for the heresy, both on internal and external evidence, are Christians there is no distinctively anti-Christian polemic at first. Therefore we should continue to assume that the Christians were but one of a number of apocalyptic or mystical groups who posited a primary angelic helper for God. The rabbinic attack against these groups had two thrusts. It damned the sectarian groups for having violated Jewish monotheism, using Dt. 32 and Is. 44-47, and Ex. 20 while suggesting that the dangerous scripture used by the sectarians really concerned God's aspects of justice and mercy or His *shekhina*.

The rabbis did not invent the exegesis that God's Hebrew names stood for mercy and justice. They used ancient traditions of God's mercy and justice to defeat the heresy. These traditions were also attested by Philo, who understood the names of God as symbols for His attributes. No doubt Philo was relying on more ancient traditions as well. We have no conclusive evidence about the form these traditions took within the Palestinian, semitic-language-speaking community. The early Palestinian scholars may have followed the Philonic identification of the names of God or they may have followed the opposite identification, the normative tradition in rabbinic literature. Probably they just emphasized that the mixture, both mercy and justice, was present at

the creation and at Sinai. Such arguments became even stronger during the gnostic controversy. The received rabbinic identification of justice and mercy with Elohim and YHWH respectively is attested by the second century. It was a convenient weapon against Christianity, gnosticism and Marcionism because it emphasized that YHWH was a merciful God, making mercy the aspect of God which was most often manifested to Israel. While the argument made sense against Christianity, it was a very powerful argument against gnosticism, which maintained that Israel's god was ignorant and arbitrary.

During the later stage of the heresy, which is better evidenced in the rabbinic texts, almost any doctrine incompatible with monotheism was understood by the rabbis as "two powers" speculation. Such may already have been the case during the second century (Passage 1) but it certainly is true in the Mishnah (Passage 7, Chapter 7). It also seems clear that several church fathers evinced "two powers" heresy in the second century. Justin especially, but also Theophilus, maintained doctrines of the *logos* and Christ supported by scriptural traditions which the rabbis opposed. The "two powers" polemic was related to christological controversies between many of the early fathers as well.

By the end of the second century, arguments like R. Nathan's (Passage 2) were probably being used against dualists and gnostics, though it is unclear whether R. Nathan himself had gnostics in mind. He may have only been defending Torah against its critics. "Many powers in heaven" was also singled out for censure. Groups espousing this belief must have included any sectarians who provided an intricate mythological context for their angelology by using the first chapters in Genesis. Many second century gnostics and most third century gnostics were prominent members of this heresy. By the end of the second century complementary and antagonistic dualists were both evidencing "two powers" traditions, but before that time there was no evidence for any opposing configuration of deities either among the heretics or among the rabbinic traditions.

The rabbinic texts, which recorded only the rabbinic side of the argument, ordered and related the traditions thematically or by scriptural reference. This unintentionally obfuscated the historical progression of the debate. When both sides of the tradition have been presented and compared according to their use of scripture, the original order of the debate can be reconstructed.

Once the debate is reconstructed, we are able to understand some of the historical issues affecting the exegesis. By the time of the con-

solidation of rabbinic authority at Yavneh and the attempt at a new Jewish orthodoxy, mediation traditions were seen as a clear and present danger within rabbinic Judaism. No doubt the rabbis' concern was linked to the political events which immediately preceded. The war had stimulated a terrible crisis of faith. Furthermore Christians and others had taken the fall of Jerusalem as proof of the end of the Jewish dispensation. Such ideas were heinous to the majority of the Jewish community. A new set of standards was necessary to insure survival. In asserting further control over the synagogue, the rabbis excluded any sectarian who compromised monotheism from participating in the service. This meant that Christians, among others, were excluded from Jewish life. The growing emphasis on strict monotheism characterizes the rabbinic movement and sets it off from the other sects of its time.

The earliest reports about "two powers" in the rabbinic texts were associated with gentiles. This may further indicate that proto-gnostic interpretations of angelic mediation originated in a thoroughly Hellenized kind of Judaism or among gentiles attracted to synagogue services. But "two powers" heresy has a clear Jewish sectarian setting as well. Apparently, along with the Jewish sectarians, gentiles who had been drawn to the synagogue to hear the Bible proclaimed were attracted to biblical monotheism in a form that distinguished between the supreme God and a divine agent, possibly in a more extreme form than the system that Philo had described. All such doctrines, whether in apocalypticism, Christianity or philosophical speculations, were probably condemned by the rabbis as early as the end of the first century and the beginning of the second. But the gentiles continued to hear the Christian message.

The response of the excluded groups varied. Orthodox Christianity claimed both that the legal aspects of the Torah were void and that the Jews stubbornly refused to hear the message of the fulfillment of their own scriptures. A few Christians even relied on the teachings of men like Marcion and Cerdo, who argued that the god of salvation was unknown to the Jews. But that was atypical. Others claimed that the god of the official synagogue, in whose name they had been excluded from worship, was not the high god. By his own intransigence he proved he was an ignorant and vain god. For these gnostics, a higher god was envisioned, one who was the author of salvation. These arguments might be phenomenologically similar to Marcion's, but they differed in their use of Jewish scripture. Unlike Marcion, gnostics used familiar Old Testament verses to help prove their con-

tention of the arrogance of the creator. Condemned by the standards of strict monotheism, some of these "gnostics" transformed the distinction between the transcendent God and His agent manifestation on earth into a contrast between the high god and the vain demiurge god of the Jews.

The gnostics drew mainly upon the early chapters of Genesis to prove their point. They inherited many ancient traditions congenial to their perspective. But they also created new interpretations: They elaborated cosmogonic myths in order to provide a setting for their claim that Israel's god is ignorant. They also found ways to turn the insults hurled at them into compliments. However, their knowledge and use of other parts of scripture was more limited. The gnostic use of Isaiah and Deuteronomy passages seems to have arisen as a defense against the previous Jewish and Christian use of those scriptures against them.

There is further evidence that some who cherished moderate "two powers" traditions did not adopt anti-Jewish arguments. Jews who had a closer connection to the legal traditions of the community and were not part of the fierce polemic were able to give the traditions a limited form of acceptability in Merkabah mysticism.

Most others, having been linked together with the Christians by the rabbis, found refuge in the church and incorporated Christian elements into their systems. However, Christianity immediately found itself faced with the same problem that the rabbis were facing. Using the same traditions, Christians began to define orthodoxy and heresy along much more complicated lines. Tertullian claimed that Marcionites, who postulated a second god, were anti-christs like Jews. Monarchians and modalists claimed that "orthodoxy," like the gnostics and Marcionites, had compromised Christianity's monotheistic center. Therefore they used "two gods" as a term of approbation against "orthodox" Christianity, just as the rabbis did.

Obviously this is not meant to be *the* authoritative reconstruction of events. But it seems to be a credible account of the complete evidence. Besides a general chronological scheme, a new hypothesis is assumed—namely, *that the radicalization of gnosticism was a product of the battle between the rabbis, the Christians and various other "two powers" sectarians who inhabited the outskirts of Judaism.* The battle was recorded as a debate over the meaning of several scriptural passages, among which were all the angelic or theophany texts of the Old Testament, followed closely by the plurals used by or about God in scripture.

Of course, it took many sides to make this argument. The rabbis' polemical statements were justified from their perspective by sectarian readiness to dilute strict monotheism in order to support traditions which applied to their ancestors, heroes and saviors. From the other perspectives, the attempt to establish a "normative" Judaism was seen as exclusivist and caused the radicalization of the sectarian community. Therefore, it is possible to say that gnosticism arose in Judaism out of the polarization of the Jewish community over the issue of the status of God's primary angel.

One advantage of this new hypothesis for describing the gnostic debate is that it not only accounts for the large quantity of Jewish material in gnosticism and the phenomenological similarity between various proto-gnostic groups but it also accounts for the anti-Jewish bias of extreme gnosticism. Phenomenologically and historically the gnostic demiurge is the second deity of the earlier "two powers" theology. Usually he has appropriated half of the traditions about the second power, yielding the honorable traditions to the gnostic savior. The agent manifestation of God was therefore identified with the limited god of the Jews while the high god, unknown to Jews or Christians, was reserved only for the gnostics.

This theory, of course, does not address the history of gnostic and anti-gnostic speculation within pagan philosophy. Many of the concepts employed by the heretics were also developed in neo-Platonism, for example. But the theory does give a good account of the history of the phenomenon as it existed within its Jewish context. One ramification of this hypothesis lies in the area of New Testament scholarship. This history of traditions seems to show that radical gnosticism superceded rather than preceded Christianity as a target for the rabbinic debate.

Continued study is needed in almost every area to decide whether the hypothesis deserves further scholarly support. Of particular interest is the relationship of the angelic figure to early christology. Perhaps angelic christologies will turn out to be more important to the thought of the first century than the New Testament leads us to believe. Then too, the use of Enoch and Daniel traditions needs to be traced in detail in sectarian and proto-gnostic thought. Furthermore philosophical issues connecting divine anthropomorphism with the term "second god" need to be studied more closely. Hellenistic concepts of divine justice and mercy need to be explored in greater detail. It has often seemed plausible that a Hellenistic Judaism, like Philo's but less sophisticated, was the background for Justin's and Theophilus' writing.

Throughout this work, the central thread uniting all the early traditions has been God's theophany at the Sea, Sinai, in the Temple, in the Song of Songs, Daniel, Psalms and the prophets. It is quite evident that these traditions, contributing to what will be known as Merkabah mysticism in Judaism, have been a major factor in the development of the Jewish-Christian-gnostic polemic. Much more work is needed to uncover the fascinating subject of early Jewish mystical traditions.

The use of the term "second god" in Christian and pagan Platonism should also be investigated further. Perhaps philosophers like Numenius, who had some contact with Hebrew thought, will become an important link in understanding the relationship between the church fathers and the rabbis. It may turn out that the issues with which the rabbis were concerned were of general interest to all educated men at that time, while the exegetical issues were formulated by those intellectuals interested in combining Greek and Hebrew thought.

Further research is certainly necessary to uncover the social dynamics of this hostility. The exegetical nature of our texts should not preclude such inquiry. In the early post-war confusion, many groups were doubtlessly making claims for the authority to speak for the entire Jewish community. The conflict, as we have it recorded in "religious texts," was expressed in theological rather than political or social terms. No doubt, some social and political forces were being expressed in the religious controversies. For instance, strict dualism seems to appear where the most ferocious social antagonisms are expressed and seems to function as an explanation of opposition.

This study began by admitting that the reports about "two powers in heaven" were obscure. It is not likely that the preceding description and analysis has altered anyone's opinion about their obscurity. However, it does not necessarily follow that the reports are unimportant. Not until the reports were collected, collated, arranged and dated could the full significance of the "two powers" controversy become evident. It seems to have been one of the primary rabbinic categories for describing heresy. Furthermore, hidden within the reports is the Jewish witness to the rise of Christianity, even though the texts date from centuries later. They certainly give us a good idea of the issues over which Christianity and Judaism separated. Continued close study of rabbinic evidence may reveal more of this epoch-making period of history for all the religious traditions of the West.

In this study of the rabbinic heretics who believed in “two powers in heaven,” Alan Segal explores some relationships between rabbinic Judaism, Merkabah mysticism, and early Christianity. “Two powers in heaven” was a very early category of heresy. It was one of the basic categories by which the rabbis perceived the new phenomenon of Christianity and one of the central issues over which Judaism and Christianity separated. Segal reconstructs the development of the heresy through prudent dating of the stages of the rabbinic traditions. The basic heresy involved interpreting scripture to say that a principal angelic or hypostatic manifestation in heaven was equivalent to God. The earliest heretics believed in two complementary powers in heaven, while later heretics believed in two opposing powers in heaven. Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship, even while maintaining the necessity of reading those literatures for dating rabbinic material.

“Scholars have long been concerned about the rabbinic reports of heterodox persons who believed that there were ‘two powers’ in heaven. In this monograph, Segal has subjected this issue to a fresh scrutiny. He has also situated this issue in the wider context of religious developments in Judaism, Christianity, and Gnosticism up to the third century C.E. . . . Segal’s study is wide-ranging and stimulating.”
